

The Apple 241

Chapter 241: Never Let Go Again

Li Yan, I hate you!

Li Yan's body froze as soon as he finished speaking.

She raised her head and suddenly realized that her black eyes were covered with a layer of mist, and her eyes were filled with hatred. That hatred was like a sharp weapon, stabbing him fiercely!

Her heart was clenched into a ball!

Li Yan felt as if all the anger in his body had been sucked away. All his crazy actions stopped in an instant.

Damn it!

Qiao Mu wiped away the tears that had yet to flow and glared at the man before her, unwilling to give in. Even if her body could not resist him, she would still silently resist!

Li Yan's expression was ugly. She was like a hedgehog with thorns. Her stubborn and unyielding attitude made her treat him as an enemy!

The pressure in his chest was unbearable. He withdrew from her body and vented on her. He did not feel any pleasure at all. He only felt that his heart was even more empty and helpless!

When had he ever been so defeated? Even ten years ago, it was not like this!

She had thought that she had reached her limit when she cared about someone back then, but now she realized that it was only because of her youthful feelings.

Even if he were to encounter the same thing as back then, he would never let go of her again!

But ...

Must she torture him to death?

Would she die if she cared more about him?

Did she think that he couldn't do anything to her, so she dared to hide everything from him and make her own decisions? Li Yan felt even more depressed when he thought of this.

He really couldn't do anything to her!

Even if he hurt her, he would only be in more pain than she was!

He sighed and hugged her tightly in his arms. His tone was unusually dejected and frustrated. " Qiao Mu, is it so difficult to promise me that you won't make any more mistakes? "

Hearing his words, Qiao Mu's nose turned sour, and the grievance in her heart swept over her,

The emotions that she had suppressed for a long time suddenly exploded. The tears that she had held back when she was in the most pain just now fell down.

She bit her lip, her face pale. Her tone was stubborn, with a hint of unwillingness to admit defeat, and there was even a faint sob in her voice. " I'm not wrong! "

Looking at her big, watery eyes, Li Yan took a deep breath and lowered his head to kiss her eyes, taking away the salty tears.

The body in his arms suddenly froze. Even though she tried her best to hide it, he could still feel it...Her entire body was trembling!

She was afraid of him!

Realizing this, Li Yan felt as if his chest was blocked by something. Every breath he took was painful!

During this period of time, he had finally managed to close the distance between him and her. This time, all his previous efforts were in vain!

Li Yan stood up and carried her petite body before striding upstairs.

Qiao Mu silently shed tears, and she was soon placed on the large bed.

There was a burning pain somewhere. She stared at the man beside her warily, afraid that he would suddenly go crazy again!

Suddenly, the man opened her legs and her body froze. Then, his voice rang in her ear, "Does it hurt?"

His voice was very low and deep, with a hint of...Heartache?

Qiao Mu bit her lip tightly, and her tears that had yet to dry faintly flowed out again.

Suddenly, she felt a chill down there and realized that he was applying medicine for her.

Li Yan's face was tense as he looked at the red and bloody area. However, he was very gentle when he applied the medicine.

After applying the medicine, he changed her messy clothes. The little woman resisted silently from the beginning to the end.

Her petite body was curled up under the blanket with her back facing him. He hugged her from behind.. He would never allow her to reject him!

Chapter 242: She Was Actually Cold and Violent to Him!

Qiao Mu's body tensed up. She waited for a while, and only relaxed after seeing that the man didn't make any other movements.

Suddenly, a man's voice rang in her ear. Qiao Mu, don't anger me anymore. ' There was a faint sigh in his tone of voice, which stunned Qiao Mu.

How could he do this! He had been as crazy as a wild beast just a moment ago, but in the blink of an eye, he was hugging her so carefully, as if he was afraid that she would be hurt at all!

Qiao Mu only felt dizzy. After torturing herself for the entire night, she was now overwhelmed with sleepiness. She could no longer tell if his attitude toward her was an illusion.

When Qiao Mu woke up the next day, she received a notice from Ye Lin that she was temporarily suspended for investigation!

Although it was sudden, he was not surprised.

Based on Li Yan's affirmation of her crime, she thought that she would at least be fired and her internship record would be marked with a dark history that could not be erased.

Although she didn't want to go to work anymore, she couldn't accept the fact that her internship was over and she suddenly encountered such a thing! If she was unwilling, she would not make things difficult for herself.

Qiao Mu's stomach grumbled as she went downstairs to eat. Everything was as usual except for the man in the room.

Li Yan's expression was ugly. After last night, this little woman no longer resisted him openly. Instead, her every move was filled with rejection towards him.

She actually used cold violence on him!

After Qiao Mu finished her meal, she silently walked past Li Yan and headed for the door.

"Stop!" „ Where are you going? " Li Yan asked coldly. He could not take it anymore and went forward to stop her.

"I'm a sinner now. Am I not allowed to go out? Young Master Li, do you still want to ground me?"

Qiao Mu's tone sounded gentle, but there was a hint of rebellion hidden beneath her words, enough to make the man's expression turn even uglier.

Her calling him Young Master Li was a great insult to Li Yan!

This woman!

He clearly knew that she had not repaid him, yet he still dared to be so arrogant!

He didn't have the slightest self-awareness to make a mistake!

"Qiao Mu, you're not allowed to go anywhere before this matter is investigated!" Li Yan said in a deep voice. You have to stay under my nose until

I prove your innocence!"

“What if I’m not innocent? Didn’t you already confirm that I did it last night? If you find out that I stole the design plan for the Qiao Corporation, will you finish what you didn’t finish last night?”

Obviously, she was still holding a grudge for what happened last night!

Li Yan’s eyes darkened and his thin lips moved. “I won’t!”

Qiao Mu was stunned. She couldn’t help but resist for a moment. She never thought that she would get a response from him, but his “no” didn’t seem credible to her at all!

Since last night, she no longer believed what he said!

Qiao Mu looked up at Li Yan. “Then please find the evidence, President Li. Don’t let a liar like me get away scot-free!”

Calling him Young Master Li and then President Li pushed Li Yan a hundred

thousand much away!

Her every word was filled with resentment!

Only then did Li Yan realize how vengeful this little thing was!

Although her words were full of thorns, he was helpless!

Last night, he was indeed too impulsive. After a night, he had already calmed down.

Although he knew that she was involved in this matter, he did not believe that she was the one who had stolen and leaked the secret.

She stubbornly refused to admit her mistake, presumably because she really did not do it. However, she was so agitated by her attitude last night that she lost her mind, causing the scene to go out of control.

Chapter 243: Grounded

Li Yan looked at Qiao Mu and lowered his voice. " If you didn't do it, I won't accuse you wrongly. Now, stay at home obediently. "

As expected, she was grounded!

Qiao Mu snorted in her heart. If she didn't want to go out, then so be it!

He didn't believe her, so there was no point in explaining. She was just waiting for him to investigate the matter and see if he would still be so righteous towards her!

Qiao Mu turned around and was about to head upstairs, but her cold attitude made Li Yan frown. He asked coldly, ""What are you doing?"

"I'm not going out. I'll go upstairs, okay? Are you worried that I'll jump off the building and escape? Don't worry, I won't lose my life!"

After Qiao Mu finished speaking, she walked upstairs, completely treating Li Yan as air. Whatever he said, she had no right to resist. She had to be obedient, alright?

Looking at the figure in the corridor, Li Yan's face darkened. Was this little thing trying to anger him to death?

It was only then that Li Yan realized that her fawning over him was not infuriating. The most infuriating thing was her cold attitude towards him. That kind of alienation from the inside out made him angry, but he had no way to vent it!

Qiao Mu was similarly extremely depressed. She returned to her room and immediately crawled into bed to sleep.

She slept until noon. Qiao Mu opened her eyes and lazily stretched her arms. She turned around and saw a certain man sitting on the sofa in the room. He was flipping through documents with his head lowered. There was a pile of documents on the coffee table in front of him.

Did this man treat the bedroom as a study?

He said that she had to go under her nose, and he really did what he said. He even had to watch her sleep!

The man seemed to have heard the commotion. He looked up and met her gaze.

Qiao Mu nonchalantly retracted her gaze and turned her back to him, pretending not to see anything.

Li Yan put down the documents in his hands, got up, and walked to the bed. ”

Time to get up and eat. ‘

“I’m not hungry.”

Just as she finished speaking, Qiao Mu’s stomach grumbled disappointingly, and her face turned red. Why couldn’t she fight back?!

Li Yan raised his eyebrows slightly. ” I didn’t say that I was going to torture you. I didn’t give you food. You don’t have to reflect on yourself. ”

Qiao Mu secretly gritted her teeth. " I didn't do anything wrong, so why should I reflect on myself?!" "

As if she was determined to be angry with him to the end, she lifted the blanket and got out of bed in a muffled voice.

Go eat!

Qiao Mu felt extremely uncomfortable cooped up in her room the entire day.

What made her even more uncomfortable was that Li Yan followed her closely. She was watching TV in the living room while he was reading documents in the living room. She went back to the bedroom to play with her phone, and he followed her back to the bedroom to continue reading his documents!

Qiao Mu felt suffocated and flustered being watched by him!

At night, after dinner, Qiao Mu curled up on the sofa in a bad mood.

Chi Xia's call came in time to share her worries.

Qiao Mu replied lazily, " Hey! " Chi Xia asked in puzzlement, ""Young miss, what's wrong with you? The sky has just turned dark, and you're already asleep?"

"I haven't woken up all day." As Qiao Mu spoke, she glanced at the man beside her and said into the phone, ""Xiaxia, when are you coming back? I broke the law and have been monitored. If you don't come back, I'm afraid it will be difficult for us to meet again."

Li Yan paused in his actions as he flipped through the documents. He frowned slightly.

Chi Xia was stunned. " What's wrong? " Trouble again? Don't you have an omnipotent uncle?"

"Don't mention this person to me. I don't have an uncle who doesn't recognize anyone."

Almost as soon as Qiao Mu finished speaking, the man opposite her swept his cold gaze over in displeasure..

Chapter 244: Sooner or Later, You I ll Get Sick from Boredom

Feeling the man's icy gaze, Qiao Mu placed her legs on the coffee table, her feet swaying leisurely.

In contrast to the man's coldness, Qiao Mu was languid and at ease, as if the words she had just said had nothing to do with him.

Then, Chi Xia's exclamation could be heard from the other end of the phone, ""Mu Mu, the person who grounded you is your uncle?"

Qiao Mu raised her eyelids and glanced at a certain man, and she grunted in response.

"This is too much! You're grounded? How can a grown man be so petty!"

"Right? I think so too. I haven't gone out all day today, and I'm in a bad mood. Do you think I'll get early menopause if I continue like this?" Qiao Mu's tone was full of bitterness. As she spoke, her symptoms seemed to worsen, and she no longer had the strength to speak.

The person on the other end of the phone paused, and his tone became helpless. " Mu Mu, why are you being so pretentious? Don't tell me your uncle is right next to you?"

Qiao Mu was speechless.

This bad friend! He was not worried about her condition and even dared to say that she was pretentious!

Was she being pretentious? She was angry at the man opposite her for calling him a beast! Let him malign him! Let him bully her!

He couldn't resist openly, but he couldn't let her anger him in a roundabout way!

Qiao Mu didn't reply, but Chi Xia finally understood. " Mu Mu, your uncle is already very good to you for letting you act so arrogantly in front of him. Be content! "

"Qiao Mu was speechless.

Chi Xia was a bad friend to the end!

She did not know how much Li Yan had gone overboard with her, yet he still wanted her to be content!

Qiao Mu snorted. " Hurry up and come back. When I get depressed, I'll still need you to enlighten me! "

"It's a little difficult for someone like you to have depression." Chi Xia said sarcastically.

"Alright, I won't talk about fun with you. I'll continue to be depressed!"

After hanging up the phone, Qiao Mu glanced at the man opposite her. Seeing his gloomy expression, her mood instantly lifted.

Suddenly, Li Yan threw the document on the coffee table and said coldly, ""Are you depressed?"

Qiao Mu pursed her lips and remained silent.

The man's expression darkened. He stood up, walked around the coffee table, and walked toward Qiao Mu.

Qiao Mu was stunned. She immediately retracted her foot from the coffee table and hugged her legs as she stared at him warily. "What are you doing? Don't come over!"

Her face was filled with wariness, causing Li Yan to stop in his tracks.

Damn it! Was he that terrifying?

Since she was afraid of him, she still dared to beat around the bush to anger him!

Just as Qiao Mu was looking at Li Yan nervously, Li Yan's phone rang, and she instantly heaved a sigh of relief.

Although she resisted him secretly, she was still very afraid of him. After all, he was like a demon when he went crazy.

However, she could not continue to pretend to please him!

Li Yan felt frustrated when he heard his phone ring. He answered the call with a cold face and said in a deep voice, "What is it?"

Ling Xi's voice came from the other end of the phone, "Big Brother, there's an entertainment program at my bar tonight. Are you coming?"

"No!" The cold voice replied.

"Brother, aren't you bored staying at home all day? If it were me, I would have fallen sick from boredom!"

Suffering from boredom?

Just now, the little thing said that she was about to suffer from depression.

Li Yan's eyes darkened, and he lowered his gaze to glance at Qiao Mu. That little thing averted her gaze to the side and deliberately ignored him.

That made Li Yan angry and helpless.

This woman!

Chapter 245: There Are Followers Wherever You Go

In order to avoid danger, Qiao Mu got up and returned to the bedroom while Li Yan was still on the phone.

She had only taken a few steps when a man's voice suddenly sounded behind her. "Where are you going?"

"Go back to your room and sleep!" Qiao Mu kept walking forward.

Li Yan put down the phone and said calmly, "You've been sleeping all day. How can you fall asleep so early?"

"Yes!" It was better than facing him here!

Li Yan's casual words carried a hint of temptation as he said slowly, "Then go to sleep. I have something to do and I have to go out. You said that you were bored and I wanted to bring you along to relieve the boredom. Since you're

sleepy, I'll go out myself. '

Just as Li Yan finished speaking, Qiao Mu suddenly stopped and turned to look at him. "You're bringing me there?"

"Aren't you going to sleep?"

Qiao Mu snorted. If she didn't want to go, then so be it. She still felt uncomfortable being with him!

She went upstairs angrily. Qiao Mu sat by the bed, and the man behind her followed her into the changing room to change his clothes.

Going out to fool around in the middle of the night, his days were really carefree!

Li Yan changed his clothes. When he came out, he saw a certain little woman looking like a little resentful woman. Her big eyes were following him around.

Li Yan looked at her helplessly. "If you want to go, then change your clothes." "I don't want to go. I'll still be monitored by you if I go out. It's better to stay at home."

Li Yan's face darkened. She was really stubborn. She clearly wanted to go out and relax, but she refused to give in to him.

Her voice turned colder. "If you didn't remind me, I would have forgotten. Since I'm spying on you, how can I leave you alone at home? Go change your clothes!"

Qiao Mu's eyes widened in anger. "You're really treating me like a criminal?!"

Li Yan did not reply. He threw the clothes hanging on the hanger to her. Change into them. Don't waste time! '

Qiao Mu gritted her teeth in anger. She knew he wasn't so kind as to take her out to relieve her boredom!

Outside Bar 76.

Qiao Mu got out of the car and followed behind Li Yan.

Qiao Mu pursed her lips as she looked at the huge bar signboard in front of her. His nightlife was really rich!

After entering the bar, what entered his sight was a unique environment. Elegant singing entered his ears.

Qiao Mu looked towards the stage and realized that the woman singing on it was the popular singer Ni Lele!

For a bar like this to have a celebrity sing in it, it was obvious that they had a strong backing.

Just as Qiao Mu was absentmindedly sizing up the beauty, she suddenly felt a warmth on her hand. Only then did she realize that the man walking in front of her had slowed down and was holding her hand.

Qiao Mu subconsciously swung her hand, but she received a cold glare.

She raised her head and met the man's warning gaze. She said confidently, "I thought a pervert was taking advantage of me!"

Li Yan was speechless.

He didn't say anything along the way. The first thing he said was indirectly calling him a pervert!

Ling Xi and the others were sitting at the table closest to the bar counter. The three men sitting there lit up the bar's atmosphere.

Fortunately, the light in the bar was dim, otherwise, the surrounding women's spying gazes would be obvious.

Lu Jingzhi was slightly stunned when he saw the tall figure walking over. "Xiao Si, didn't you say that Yang is not coming?"

"That's right, big brother must be ..."

Before he could say anything, Ling Xi saw Li Yan appear in front of him. Then, he saw the person beside Li Yan. Ling Xi smiled. "Now, no matter where Big Brother goes, he's following him around. He's almost sticking to me!" Qiao Mu pursed her lips.. Did he think that she came willingly?

Chapter 246: The Two of Them Are Bickering

Li Yan glanced at Ling Xi and the other two. "You guys are really bored. You have a lot of time for entertainment every day."

Ling Xi smiled. "Isn't there an entertainment program today? As the boss, of course I have to come and support you!"

In the end, they were just idle. Young Master Li naturally wouldn't feel bored with women, but the few of them were different. They worked every day and it was so boring!

Li Yan sat down, and Qiao Mu silently sat down one seat away from him, maintaining a distance.

Li Yan's expression darkened instantly.

At the same time, the other three men instantly understood that these two were fighting!

Looking at Young Master Li's face, it was so gloomy that it seemed like the weather was about to change. The originally happy atmosphere was suddenly disrupted by him.

Ling Xi glanced at the two of them and was truly a little worried about Qiao Mu's safety.

However, Qiao Mu did not think much of it and just sat there obediently. No matter when or where, she would continue the cold war until the end!

Li Yan coldly glanced at Qiao Mu. " Come and sit. "

Qiao Mu 'concentrated' on the person singing on the stage and pretended not to hear anything.

This arrogant attitude really made people secretly sweat for her.

She looked at Li Yan again and saw two big words written on his cold face:Awkward!

However, how could the word 'awkward' explain Young Master Li's current mood?

It was simply the prelude to a storm!

Who would dare to ignore Young Master Li like this? Before Qiao Mu's appearance, anyone who dared to affect Young Master Li's mood would only be dead!

However, not many people had the ability to provoke this big Buddha.

Just as the three people who were watching the show thought that Li Yan was about to explode, they realized that the man's face was only cold and he did not get angry!

Not only could he successfully anger Young Master Li, but he could also make him endure and not get angry. This was really a powerful ability!

“Big Brother, what do you want to drink?” Su Chen asked to ease the atmosphere.

Only then did Li Yan’s gaze leave Qiao Mu. He coldly spat out two words, ““Anything!”

Qiao Mu looked at Ling Xi. ” Mr. Ling, you’re the boss. Can you treat me to a cocktail? ‘

As soon as Qiao Mu finished speaking, Ling Xi felt a certain man’s cold gaze sweep over.

This Qiao Mu, don’t drag him down with you if you don’t know your place.

She came with her uncle, but she did not let her uncle give her anything to drink. Instead, she came to find him through his narrow-minded brother!

Ling Xi braced himself and waved at the waiter before placing the wine menu in front of Qiao Mu. ”
What do you want to drink? Order it yourself. ‘

Qiao Mu flipped through the wine list and looked at the beautiful cocktail designs on it. She ordered several cups one after another.

As if sensing Li Yan’s thoughts, Lu Jingzhi said, ““Big Brother, there’s almost no alcohol content in the cocktail. You won’t get drunk.”

Li Yan’s eyes flashed and he snorted coldly. ” Do I need you to tell me that? Do you think I’m a fool?”

Puff .

Ling Xi almost couldn’t hold it in and laughed out loud.

Lu Jingzhi was speechless.

Alright, he shouldn't have provoked a certain man when he was on fire.

He couldn't bear to lose his temper at his own woman, but he implicated the people around him. What's so great about dating?

Soon, five cocktails were served.

Qiao Mu picked up a cup and took a small sip. The taste wasn't bad, and she drank it in one gulp.

Then, the second cup, the third cup...

When she picked up the fourth glass, a large hand reached over. Then, she heard the man's deep voice. "You drank this as a drink? Don't drink so fast!"

Chapter 247: I Don't Like Other People Touching My Things

Was he concerned about her?

Qiao Mu glanced at the man's extremely awful expression, but in the end, she still grunted and put down the wine glass.

Actually, this man was really good to her sometimes, but when she thought about how he had done evil deeds last night and how he did not care about her when he was angry, she felt very wronged.

So what if he was nice to her occasionally? If something really happened, he would still turn his back on her!

At this moment, a slender figure walked over. Qiao Mu looked up and realized that the person was the singer Ni Lele.

Ni Lele was born into a talent show and rose to fame in a single leap. Qiao Mu quite liked the songs that she sang, and she sang them quite well.

Ni Lele stood beside Ling Xi and smiled, ““Young Master Ling, I’m honored to be invited to liven up your bar today. I hope there will be such an opportunity in the future.”

The corners of Qiao Mu’s mouth twitched. This was just a bar and could not be compared to a big stage. Wasn’t Ni Lele being too humble when she said she felt honored?

Ling Xi glanced at Ni Lele and smiled faintly. “ Whether there’s a chance in the future or not, that’s up to the manager of the bar. I’ve never cared about how this place is run internally. ”

It was obvious that he was not interested in her.

Ni Lele smiled awkwardly and glanced at the four men at the table. All of them were handsome and extraordinary, and their power was greater than the sky!

Being in the entertainment industry, he naturally had some understanding of these rich single men.

Before this, Ni Lele had tried to approach Su Chen, Lu Jingzhi, and Ling Xi, but they were all cold and uninterested in her.

She did not expect Li Yan to come after that, so she would not let go of the opportunity to get close to him.

Qiao Mu looked at Ni Lele, who was standing right in front of her with an amiable look. She smiled and said, “ Miss Ni, your song was very nice, especially when you sang the Heavenly Queen’s song, Fleeting Years. It was so tasteful! ”

Qiao Mu suddenly spoke, causing Ni Lele to be slightly stunned.

Only then did he notice that there was another woman at the table.

Ni Lele saw her sitting alone at the side. There were empty seats on both sides, so she must not be an important character.

He only took a glance and did not even bother to show a smile before shifting his gaze away.

Qiao Mu was stunned. Wasn't the difference in attitude too great?

She wasn't chasing after a celebrity. She was just expressing her preferences. She was directly ignored by the other party!

Li Yan looked coldly at the little thing being ignored. A cold light flashed in the depths of his eyes. He raised his eyelids and looked at the person who did not know what was good for him.

Li Yan's actions made Ni Lele smile.

Ni Lele picked up the cocktail that Qiao Mu had yet to touch and toasted Li Yan with a smile. " Mr. Li, I'm very happy to meet you today. It's my honor to have you listen to my song. "

Another honor?

Qiao Mu pursed her lips. She didn't think much of being liked by her, but Li Yan felt honored upon hearing it?

Why was she honored?

Decisive negative review!

I won't listen to this person sing anymore!

Ni Lele's behavior made the three men who were silently watching the show gloat at the same time.

Finally, someone had come knocking on the door!

However, before Li Yan could speak, he saw Qiao Mu stand up.

Qiao Mu snatched the cocktail away from Ni Lele's hand impolitely. Her warm attitude from before had long disappeared completely. She smiled coldly at Ni Lele. " Sorry, this glass of wine is mine. I'm a germaphobe and don't like others touching my things! "

There was a hint of dominance in her tone.. Although she was talking about wine, her attitude was as if she was saying that this man was hers!

Chapter 248: The Little Woman Finally Couldn't Hold It In

As soon as Qiao Mu said this, everyone's gaze landed on her at the same time.

That pretty face looked like a high school student. She was so obedient and cute that there was no dignity to be seen. However, the words she said, her cold gaze, and her high and mighty attitude were so domineering!

Qiao Mu had been together with a character like Li Yan for a long time, so she was more than capable of dealing with a character she disliked.

Li Yan looked at the little woman in front of him, and his eyes flashed slightly. The coldness in his eyes softened a little after hearing his words. She actually said that she had mysophobia? Where was her obsession with cleanliness?

When she was with him, she was sloppy. How could he tell that she was a clean freak?

Ni Lele was the most embarrassed. Someone was snatching a glass of wine from her!

The next second, the wine glass in Ni Lele's hand was snatched away.

Qiao Mu took the wine glass and glanced at the cocktail that had been touched before tossing the glass and wine into the trash can under the table.

Qiao Mu raised her chin and said arrogantly, "I've been touched and there's bacteria. I don't want to drink anymore."

Ni Lele's expression changed.

Who was this woman? How could she be so arrogant?

"Qiao Mu, why did you throw away the cup as well?" Ling Xi asked in a provocative tone. The cups are not disposable. If there are bacteria, they should be disinfected. The crystal cups here are all expensive."

Disinfect?

These words made Ni Lele feel awkward. Didn't she just touch her wine glass? It wasn't dirty!

When Ling Xi spoke up for Qiao Mu, Ni Lele thought that Qiao Mu and Ling Xi had some kind of relationship, so she said sensibly, ""Young Master Ling, I'm very sorry. It's my fault. How much is this wine glass? Put it on my tab."

Qiao Mu pursed her lips and sat back down on the chair. "Whoever brought me here will be responsible for compensating me! "

“Little girl, who brought you here?” Ni Lele asked with a smile.

Qiao Mu glanced at him. “You’re here to check the household register? Why should I tell you?”

Qiao Mu was a person who would return 10 points of respect when others respected her. If others were disrespectful to her, she could not expect her to give them a good look.

When she was being unreasonable, even Li Yan would be angered half to death, not to mention that the other party was not even half a finger of Li Yan’s!

Ni Lele was very successfully provoked by Qiao Mu’s straightforward attitude and felt extremely awkward. At this moment, a waiter passed by with a glass of wine in his hand. Ni Lele took a glass of wine and continued toasting Li Yan. This time, Ni Lele did not touch Qiao Mu’s wine.

Li Yan sat there without batting an eyelid. Ni Lele raised her glass to him, but he did not respond to her. He raised his eyes and swept them over Qiao Mu.

Qiao Mu only felt a wave of annoyance in her heart. What kind of gaze was that? The more he looked at her like that, the more she ignored him.

The corners of Li Yan’s lips curled up, and a faint smile appeared on his cold face. The little woman who had been cold to him for the entire day was finally about to lose her cool!

Li Yan leaned back lazily on the sofa and swirled the wine glass in his hand. Qiao Mu thought that he was going to respond to Ni Lele.

Qiao Mu looked at Ni Lele. “He can’t drink it. Don’t tempt him into committing a crime.”

Ni Lele laughed. “Little girl, you really know how to joke. I only toasted Young

Master Li with a glass of wine. How is that a crime?”

This call of 'little sister, little sister' made Qiao Mu feel extremely uncomfortable.

Qiao Mu raised her arm and unceremoniously separated Ni Lele from Li Yan. She coldly replied, "" He's driving home later.. Isn't it a crime to drink and

drive? "

Chapter 249: Qiao Mu 's Black-bellied

Ni Lele sensed Qiao Mu's hostility and immediately understood that this woman was also eyeing Li Yan!

Seeing that Li Yan did not say anything, Ni Lele became more confident. She lowered her head and looked at Li Yan. " Young Master Li, if you're drunk and don't have a chauffeur, I can help you.

"No need!"

Qiao Mu was the one who said this.

Qiao Mu took a sip of her cocktail and calmly said, ""Miss Ni, I told you that I'm a germaphobe! I don't like people touching my things, and I don't like strangers being my chauffeur."

Ni Lele was stunned. She was Li Yan's chauffeur. What did it have to do with this girl?

Seeing that the other party still did not understand what she meant, Qiao Mu truly felt that communicating with this kind of person was too tiring.

Qiao Mu pointed at Li Yan. " Miss Ni, this is my uncle. I'm going home with him. If you want to be his chauffeur, aren't you going to be my chauffeur? "

Ni Lele suddenly realized that the woman in front of her had a powerful background!

She had accidentally made Li Yan's nephew her competitor!

Ni Lele instantly smiled warmly. " Little girl, don't be angry. You don't like your uncle drinking, so I won't toast you anymore. I wasted your cocktail just now. Can I make it up to you? "

Qiao Mu sneered in her heart. His expression changed so quickly. Did he really think that she was as easy to fool as a child?

She nodded. " Sure. "

"Order whatever you want." Ni Lele handed the wine list to Qiao Mu as if she was an acquaintance.

Just as the men who were watching the show were guessing that Qiao Mu would reject Ni Lele next, they saw Qiao Mu unceremoniously take it and happily order several cocktails.

What was puzzling was that Qiao Mu was still very much against that woman getting close to Li Yan just now, yet she accepted the other party's benefits in the blink of an eye?

Only Li Yan could see that the little thing's eyes were shining with a hidden scheme!

Qiao Mu ordered a few cups of expensive cocktails and slowly drank them. Then, she turned around and said to Ling Xi, ""Young Master Ling, your cocktail is so delicious!"

Ling Xi was speechless.

He did not understand what Qiao Mu meant at all.

Ni Lele was left out in the cold. Qiao Mu turned around and saw that she had not left, so she pretended to be surprised. "Why are you still here?"

Ni Lele's lips twitched awkwardly. She did not want to waste time with Qiao Mu anymore and looked at Li Yan again. "Young Master Li, what would you like to drink?" "I'll order some drinks for you."

Li Yan's gaze was fixed on Qiao Mu the entire time. When he heard her voice, he raised his eyes slightly and swept his cold gaze over. "Name?"

Ni Lele's expression froze. She was a popular singer and her songs had been playing all over the streets recently, but Li Yan did not know who she was!

Ni Lele gritted her teeth and smiled. "Young Master Li, my name is Ni Lele. I'm

Before he could finish, he was interrupted by a cold voice. "Do I know you?"

Ni Lele was stunned. Then, she heard the man's voice. "Miss Ni, who gave you the right to stand by my side and not leave?"

Ni Lele's face turned green and white after hearing Li Yan's words. She looked extremely ugly.

Her gaze shifted to Qiao Mu, and she smiled. "Young Master Li, your niece likes to listen to me sing. Can I sing a song for her?"

Upon hearing this, Qiao Mu raised her head and revealed an innocent smile. "Miss Ni, my youngest uncle hates me listening to vulgar songs the most, so don't sing for him. Also, you seem to be mistaken. I'm not his biological nephew.."

Chapter 250: Uncle Is Just My Favorite Name For Him

Qiao Mu gulped down a few free cocktails in one go and kindly explained, ""Uncle is just a pet name for him. As for our relationship...Tell me, which uncle and nephew live together?" Ni Lele was speechless.

A pet name?

What did a pet name mean?

It was not strange that her uncle and niece were living together. What was strange was that Qiao Mu's tone when she said this was filled with ambiguous hints!

Qiao Mu's words immediately rendered Ni Lele speechless!

If Ni Lele still could not react at this moment, she would really be extremely stupid!

She lowered her head to look at Li Yan's calm expression. He was not angry at Qiao Mu's words. Instead, a smile appeared on his lips!

Ni Lele instantly felt as if she was being played by a little girl. She glared at Qiao Mu with a flushed face and could only silently swallow her loss.

Ni Lele couldn't afford to lose face anymore, so she turned around and left. Immediately after, Qiao Mu's voice sounded from behind her."Miss Ni, thank you for the cocktail. It's really delicious. Don't forget to pay!"

The corners of Li Yan's lips curled up, and his eyes sparkled. His dark eyes, which had been silent for the entire night, were now covered with a layer of warmth because of Qiao Mu's performance.

Puff ...

Ling Xi finally couldn't hold back her laughter. " Qiao Mu, look at how badly you've bullied that beauty! "

Qiao Mu drank her cocktail nonchalantly. " I helped you promote so many expensive cocktails, shouldn't you thank me? "

"Thank you, Sister-in-law!" Ling Xi cupped his fists.

Qiao Mu rolled her eyes. " Young Master Ling, using random titles will kill you.

I'm a guilty person now, and this title of yours will make someone think that

I'm coveting this position. If that's the case, I'll die unjustly! "

Hearing this, Li Yan frowned slightly. This woman's performance was not bad just now, and now she said such words to anger him!

He was still holding a grudge!

Looking at Li Yan's expression, Lu Jingzhi smiled and whispered to Su Chen, ' This Qiao Mu's black-bellied level is really becoming more and more similar to a certain man! "

Su Chen shook his head helplessly. " Big Brother spoils her too much. '

"She said that she is a guilty person. Is she referring to the Qiao Corporation's bid? Second Brother, do you think Eldest Brother will still indulge Qiao Mu after we have concrete evidence?"

"This is not something you should worry about." Su Chen paused and changed

the topic. " I heard that your fiancée came to you from Hong Kong? You still have the mood to care about Big Brother's private life?"

Lu Jingzhi's face darkened. " Second Brother, you're really bringing up the sore spot. You're ruining my good mood! "

Ling Xi leaned over. "What fiancée? Since when did MO have a fiancée?"

"Call me brother!"

"Little San is so friendly." Ling Xi smiled and changed his words. "Third Brother, what's up with your fiancée? When are you getting engaged?" "Don't tell me she'll get married earlier than Justin?"

Lu Jingzhi sounded impatient. "Don't worry, I definitely won't!" "I've never taken this marriage seriously!"

"Since you want to break off the engagement, you should tell your family about it as soon as possible. Don't make things complicated," Li Yan said calmly.

Lu Jingzhi nodded and Li Yan continued, "You're not young anymore. You should think about this so that your family won't rush you."

Su Chen was speechless.

Lu Jingzhi was speechless.

Ling Xi was speechless.

Was this what Young Master Li said?

Young Master Li, who had not been close to women for 28 years, had never cared about his love life. Now that he had a little nephew, he actually started to rush them!

At this moment, a cocktail glass fell to the ground with a crisp sound and shattered.
