

The Apple 271

Chapter 271: What Exactly Is Qiao Mu and Su Chen 's Relationship?

Qiao Ya had been pampered since she was young. Whether it was in school or at work, she was surrounded by people. Because of her good family background, she was surrounded by people who spoke well of her.

Since she was young, Qiao Ya had only ever been bullied by Qiao Mu. Her ability to retaliate was not worth mentioning at all, so she could only be angry when Chi Xia choked on her!

Just as the situation was turning stiff, there was a sudden commotion. Everyone looked over and saw a man dressed in leather shoes standing in the crowd.

When Qiao Ya saw who it was, her eyes lit up and her anger disappeared instantly. " Brother Chen..."

She had just opened her mouth when she was met with a cold gaze. Qiao Ya immediately changed her words."Mr. Su, I didn't expect you to come."

However, what greeted Qiao Ya was only a breeze. In the blink of an eye, Su

Chen had already walked past her, completely ignoring her bright red figure.

Qiao Ya's consecutive bad experiences made Qiao Mu gloat over her misfortune. She turned to Su Chen and asked in surprise, ""Mr. Smith, are you also a graduate of our school?"

Su Chen stopped in his tracks and smiled faintly at Qiao Mu. " I was invited to give a speech. "

This smile infuriated Qiao Ya. Su Chen actually smiled at Qiao Mu!

What was the relationship between these two people?

Qiao Mu nodded. " Then you can go in directly. "

Just as Su Chen was about to leave, his gaze suddenly landed on Chi Xia, who was beside Qiao Mu, and his eyes flickered slightly.

Qiao Mu noticed this action. Thinking of the embarrassing incident between the two of them, Qiao Mu secretly poked Chi Xia with her elbow and reminded her softly, " This is Su Chen. He's the one you vomited on when you were drunk that night! "

Chi Xia did not understand why he was staring at her. Could it be that such a handsome man had fallen in love with her at first sight?

Out of politeness, she smiled politely at Su Chen. Then, she heard Qiao Mu's words, and her smile froze.

Only then did she realize that the other party was looking at her with an unfriendly gaze. He did not hide it at all...Disgust!

Chi Xia rubbed her head awkwardly and held Su Chen's hand with both hands. " Mr. Su, I'm really sorry about last time. I didn't mean to drink too much. Please be magnanimous and don't take it to heart. "

Su Chen's expression darkened. He lowered his gaze and looked at Chi Xia's hands that were holding his. That gaze made Qiao Mu feel as if she had returned to that night when he looked at the vomit on his body.

The corners of Qiao Mu's mouth twitched. It looked like this incident had left a lingering shadow on this Eldest Young Master!

"Let go!" As Su Chen spoke, he flung Chi Xia's hand away, his tone filled with undisguised disgust.

Chi Xia was speechless. Alright, she was indeed in the wrong. If someone had vomited on her, she might have shown even more dislike for the other party.

Qiao Mu stepped forward to help him. " Mr. Su, this matter is already in the past. Xiaxia has apologized. Can we just let it go? "

Qiao Mu had known Su Chen since she was young. Su Cen was much more polite to her than Lu Jingzhi, but that was for Li Yan's sake. This was indeed Xiaxia's fault, so she needed to make up for it.

Su Chen snorted coldly. " Forget it, Qiao Mu. Don't let her appear in front of me in the future. Just watch..." Disgusting! "

Qiao Mu was speechless.

Chi Xia was speechless.

The man left after saying that.

Chi Xia grumbled unhappily, " Even if I feel nauseous, can you hold it in and not say it? If you say it out loud, it'll make me feel nauseous too!"

Qiao Mu rolled her eyes at her. " Come on, puking all over me, and you're still being reasonable? "

Qiao Mu had just finished speaking when she saw Qiao Ya glaring at her with fire in her eyes.. " Qiao Mu, what exactly is your relationship with Brother

Chen?! "

Chapter 272: Qiao Ya Was mocked in Public (1)

"Brother Chen? Didn't he ask you to call him Mr. Su? Miss Qiao, can we be more reserved? Why don't you feel embarrassed when you're throwing yourself at others?"

“Qiao Mu! You ... Just you wait, I’ll settle the score with you later!” Qiao Ya gritted her teeth in anger. She stomped her foot and chased after Su Chen.

Ye Lin, who was watching the show, watched Qiao Ya leave. This woman was really brainless. She had lost her career because of this woman. It was really not worth it!

Ye Lin curled her lips coldly, and a trace of scheming flashed across her eyes!

The registration area was finally quiet. Chi Xia asked, ““Qiao Ya likes Su Chen?”

“Yeah, she’s very loyal. I’ve liked her since I was young.”

Chi Xia thought about it and sighed. “ You already have your uncle. Otherwise, if you managed to snatch Su Chen away, it would be a fatal blow to Qiao Ya! ”

Qiao Mu was helpless. She jokingly said, “ That’s a good idea. I’m out of luck. Why don’t you help me snatch it? ”

I have no chance! He wants to throw up just looking at me. He’s really a bad thing after drinking. He ruined my beautiful image!”

“From your tone, you sound quite regretful!”

Chi Xia rolled her eyes. “ Regret your sister! ”

Qiao Mu continued to tease him. “ My sister is you, so you’re the regret. ‘

Chi Xia was speechless.

She was just regretting that her image was ruined, alright?

Su Chen came to the principal's office, and the principal served him tea and water enthusiastically.

"President Su, it's our honor that you accepted the invitation."

Su Chen smiled faintly. "The principal and my second uncle are old friends. This favor is nothing to me."

After Su Chen finished speaking, his gaze fell on the pile of documents on the table. Exchange student application list?

The only reason he noticed it was because Qiao Mu's ID photo was attached to the document!

Su Chen pointed at the document and looked at the principal. "Principal Sun, is this the name list of our school's exchange students this year?"

"Yeah, I've been too busy with the anniversary celebration recently, so I didn't manage to deal with the school's matters. It's all piled up there. Why is President Su interested in this?" The principal asked.

Su Chen's lips curled up as if nothing had happened. Qiao Mu had applied to be an exchange student, and Big Brother definitely didn't know about this. It seemed like Big Brother would be in danger again soon!

After Qiao Mu finished her work, she could finally walk around the campus with Chi Xia.

The campus was very lively. Every club had prepared a performance.

As soon as they entered the building, they saw Su Chen standing on the stage and giving a speech on the huge display screen. A group of people sat around the stage. Eighty percent of them were girls, and all of them were listening attentively to the business speech that they could not understand.

As expected, they were all looking at handsome men.

Soon, Su Chen's speech came to an end. He didn't stop and came down from the stage.

Then, a red figure appeared in front of him on the screen.

Qiao Ya was dressed in bright red, which caught the attention of everyone. No one who came to attend the school's anniversary celebration was more flamboyant than her.

The huge screen was fixed on Su Chen and Qiao Ya.

Qiao Ya stood in front of Su Chen shyly and asked gently, "Mr. Su, there's something I don't understand about what you said on stage just now. Can you explain it to me?"

After all, they were in front of the camera, so Su Chen's attitude was slightly restrained. He didn't ignore Qiao Ya and nodded coldly, indicating that Qiao Ya could continue.

Chapter 273: Ya Was mocked in Public (2)

Chi Xia looked at the screen and sighed, "This woman is really thick-skinned.

When she ignored her, she ran to the camera and pestered her. "

Qiao Mu smiled. She also felt puzzled. Qiao Ya was such a prideful person, so why was she so unwilling to turn back in front of Su Chen?

Was this true love?

On the screen, Qiao Ya's face was filled with joy. She clenched her fists excitedly and said gently, "Mr. Su said that when you encounter a competitor, you should retreat in order to advance. You should first grasp the opponent's shortcomings and then make a move. May I ask how you should grasp the opponent's shortcomings?"

Su Chen's lips curled up slightly. He turned his head and looked at the camera. "

Please stop filming. What I'm about to say is private. '

Everyone was stunned. What was he going to say next?

Then, the screen changed to another program.

The crowd started discussing. " I'm so envious. That woman is so lucky to have

Su Chen whisper to her! '

"Yeah, I want it too! If only we were there, we could hear their conversation!" "I don't know. If we rush over now, we might be able to make it. Let's go over!" Chi Xia was also a little excited. " I didn't see Qiao Ya get hurt. It's so unfair. '

Even though Qiao Mu did not understand Su Chen's character, she thought that Su Chen and Li Yan were the same type of people. Based on their personalities, they would definitely say something extremely cruel next.

At the interview venue, Qiao Ya was so nervous that her face turned red.

Just as she was looking forward to Su Chen's reply, she heard Su Chen's cold and distant voice. ""Qiao Ya, I can't teach you anything about work experience. With your past work experience, if you want to grasp the opponent's weakness, isn't it just using your beauty to get close to the opponent? You're very experienced, so why are you asking me for advice?"

Su Chen had just finished speaking when there was a moment of silence around him. The next second, everyone started to clamor.

Everyone looked at Qiao Ya. There was mockery and mockery, causing Qiao Ya's face to turn from red to purple, then from purple to white!

Su Chen's words were ruthless and accurate. Faced with Qiao Ya's repeated attempts to get close to him, he did not have the good temper to play around with her!

Qiao Ya stood still for a long time after Su Chen left.

Being ridiculed by the man she liked in front of so many people

Ye Lin, who had been hiding behind a pillar, walked up to Qiao Ya with a smile. ' Miss Qiao, I feel sorry for you. Su Chen has gone too far. He made you suffer such humiliation! "

Qiao Ya was in a fit of anger when someone suddenly came knocking on her door. She said impatiently, ""Who are you? It's fine if you're here to flatter me, but hurry up and disappear from my sight!"

Ye Lin smiled sarcastically. " Miss Qiao, after hearing what Su Chen said just now, who else would come and suck up to you? "

"You..."

"Miss Qiao, if you want to get angry, you have to wait until I finish speaking, right? I'm Ye Lin, the manager of the Li Corporation's design department."

When Qiao Ya heard that, she looked at him with disdain. " So it's you, the design manager? It should be an ex, right? I heard that you were just fired!"

Ye Lin's expression did not change. " Indeed, it's all because of you and Sun Ning! Miss Qiao, now is not the time for you to gloat. Li Yan has already found out who did this. He has already fired me. It is only a matter of time before he finds you. Don't you think about how to respond?"

Qiao Ya did not think much of it. " Who are you trying to scare? Qiao Mu's suspension explains everything.. What does it have to do with me?!"

Chapter 274: Giving Miss Qiao a Meeting Gift

"Looks like Miss Qiao is really innocent. Do you think Qiao Mu was fired because she took the blame? Even so, it's still because Mrs. Qiao asked her to do it. In the end, Li Yan still has to deal with Mrs. Qiao!"

"What exactly do you want?" Qiao Ya frowned. Li Yan was her uncle, and they were relatives. Even if Mrs. Qiao was in the wrong, he would not do anything to his relatives!

Ye Lin smiled and deliberately provoked Qiao Ya. " I saw Su Chen getting especially close to Qiao Mu after he left. You two are sisters, so why is Su Chen's attitude towards you completely different from hers? "

Seeing Qiao Ya's expression change, Ye Lin continued, When Qiao Mu was still in the company, she had been trying to get on our president's good side. She wouldn't let go of anyone she could use. I don't like her at all. Actually, I'm on your side, and I don't like Qiao Mu either. "

"So?" Qiao Ya remained calm, but her heart was already burning with flames.

Qiao Mu still dared to seduce youngest uncle! It was fine if she seduced her uncle, but she was still not satisfied. She wanted to seduce the man she liked!

Seeing that Qiao Ya had taken the bait, Ye Lin smiled and said," Miss Qiao, I can help you teach Qiao Mu a lesson so that she'll learn her lesson. I can also help you deal with the Li Corporation. After all, I've

been working at the Li Corporation for so many years, and I know all the internal information inside the Li Corporation like the back of my hand. If you let me work at the Qiao

Corporation, I can use everything I know to develop the Qiao Corporation! ”

Qiao Ya’s lips curled up. She was very interested in this suggestion. She nodded happily. ” No problem! ”

“Then it’s settled. Today, I’ll give Miss Qiao a welcome gift.”

“Qiao Mu!”

Qiao Mu and Chi Xia were strolling around the campus when someone suddenly called her name from behind. She turned around and saw a slender figure waving at her.

Qiao Mu’s eyes lit up. ” Baby Guan?! ”

Baby Guan nodded. ” I didn’t expect to meet an acquaintance here. I heard that today is the anniversary celebration, so I came to understand the environment.

I was about to leave when I saw you! ‘

“Mu Mu, who is this beauty?” Chi Xia asked as she looked at Baby Guan.

“This is the heroine I told you about before. She saved me on the street. Baby Guan, we’ll be classmates next semester.” Qiao Mu then pointed at Chi Xia and said to Baby Guan, This is my best friend and classmate, Chi Xia. ‘

Chi Xia clapped her hands and looked at Baby Guan with sparkling eyes. ” So you’re that heroine. You don’t look like one! ‘

Baby Guan raised her chin. " Doesn't look like what? Is it because I'm born beautiful and don't look like a tomboy?"

As she said that, Baby Guan patted Chi Xia's shoulder. " Don't worry, I'm a lady by nature. I'll only take action when I have to! "

Qiao Mu couldn't help but laugh. She thought of something and asked, "" You said you have relatives in Beijing last time. Are you living in a stable place now?

At the mention of this, Baby Guan's expression changed. " Not yet. I'm currently staying in a hotel. My heartless 'relative' doesn't care about me. "

At this moment, a car stopped opposite them. The car could drive directly into the backyard of the campus.

Then, a man got out of the car with his back facing them. He said impatiently to the people who came out of the building, "Second Brother, you came to attend a speech and didn't drive. You still had to ask me to pick you up. You're really a big boss!"

The person who spoke was Lu Jingzhi and Su Chen, who had just finished his speech, was walking towards them.

At this moment, Qiao Mu noticed that Baby Guan's eyes were wide open. In the next second, she ran straight towards Lu Jingzhi..

Chapter 275: Lu Jingzhi's Fiancée

' Lu Jingzhi, you heartless man. I've finally caught you! '

Baby Guan rushed in front of Lu Jingzhi aggressively. Her steps were light as she quickly and accurately pushed the man into the car. Then, she lifted her foot and stepped on the tires of the car.

From afar, a petite figure blocked the tall man's path. The man's body was forced to lean against the car. No matter how one looked at it, this scene was extremely awkward.

Qiao Mu and Chi Xia were dumbfounded. Wasn't this too domineering?

She just said that she was a lady, yet she attacked just like that!

Lu Jingzhi did not react in time. He was stunned for a moment before he looked at the woman in front of him and frowned. "Who are you?" "You'd better give me a satisfactory explanation, or else don't blame me for kicking you away!"

"Try kicking me!" Baby Guan's attitude was extremely arrogant. She suddenly realized what Lu Jingzhi had just said and her eyes widened. "You said that you don't know who I am?"

Lu Jingzhi looked at Baby Guan's face. "Do I have to know?"

"Good! Very good! Lu Jingzhi, you heartless man, you don't even remember your fiancée!" Baby Guan was so angry that her face turned red. She pointed her finger at Lu Jingzhi, looking as if she had been wronged by a heartless man.

Fiancée?

Not only Lu Jingzhi, even Su Chen, who was walking over, was stunned.

It seemed that Third Brother's trouble had come!

Qiao Mu and Chi Xia walked over to watch the show. When they heard the word

'fiancée,' they were stunned.

Baby Guan was Lu Jingzhi's fiancée?

It turned out that the relative that Baby Guan was talking about was Lu Jingzhi!

Qiao Mu laughed gloatingly when she saw Lu Jingzhi's pale face. " Young Master Lu, Baby Guan has been in Beijing for a month and still has no place to stay. You're really incompetent as a fiancé! "

Lu Jingzhi's face darkened as he glanced at Qiao Mu. How did these two people know each other?

Also, was this woman in front of him really his fiancée, Baby Guan?

To Lu Jingzhi, Guan Baobei was indeed a stranger. She was the fiancée that his parents had arranged for him to marry before he was born. When he went to Hong Kong for a business trip, his parents had asked him to visit the Lu family's old friends. They had met once at that time and it was also at that time that he found out about the marriage between the two families.

He didn't even remember what that so-called fiancée looked like. When he was having dinner with her parents, she had been by his side. She had her head lowered from the beginning to the end, and her voice was soft. She was so gentle and ladylike that she was so weak that she even swayed when she walked as if she was about to fall at any time. How could she be this wild and arrogant woman in front of him? The words she spoke would make his eardrums tremble.

A month ago, when he heard that his fiancée had come from Hong Kong to study and wanted to stay at his house, he moved out of his house and into his own private apartment, not giving her a chance to have sex. There was no one at home. Where would she find him?

However, this fiancée suddenly appeared!

Baby Guan turned to look at Qiao Mu. " Mumu, so you two know each other? "

However, I have to reintroduce myself. This handsome man is my fiancé!”

Lu Jingzhi was speechless. At this moment, he was still very suspicious of this woman’s identity.

Lu Jingzhi pushed Baby Guan away and said coldly, ““Don’t talk to yourself. Did

I acknowledge your identity?”

“Sigh, you really won’t give up until you see the Yellow River...”

Just as Qiao Mu was watching Baby Guan argue with Lu Jingzhi in exasperation, her phone rang. It was Li Yan.

Qiao Mu immediately picked up the call and called out to her uncle. Then, she heard the man’s voice.. ‘Where are you?’”

Chapter 276: Making Justice for Sister-in-law

“Ah?” Qiao Mu was stunned, but she immediately reacted. ” Uncle, you’re here?

“You didn’t invite me? Why do you sound like you don’t believe it?” The man paused and continued, ““I’ve already entered the side door. Where are you?”

“I’m at the side door.”

After Qiao Mu finished speaking, she immediately saw a black Bentley Mulsanne slowly driving toward them.

Li Yan had just entered the courtyard when he saw a few people standing not far away. His little one was among them.

The car stopped. Li Yan got out of the car and glanced at the few people

present. " It seems very lively here. "

Lu Jingzhi was having a headache when he saw Li Yan and asked, ""Big brother, why are you here?"

After she finished speaking, Lu Jingzhi saw Qiao Mu run over to Li Yan. He must be here for his nephew!

"Uncle, are you done?" Qiao Mu blinked her big eyes at Li Yan. He said that he would come over once he was done with his work, so she thought that he would not come.

Li Yan nodded and rubbed Qiao Mu's forehead with his large hand. " Aren't you going to stand outside in the sun? "

Qiao Mu shook her head. " There's a good show to watch. I don't feel that it's too hot! "

Li Yan raised his eyebrows when he heard that. He saw that Lu Jingzhi's expression was ugly and there was a girl standing beside him.

At this moment, Baby Guan was not in the mood to pay attention to the handsome man beside Qiao Mu. Her big eyes never left Lu Jingzhi, as if she was afraid that he would run away if she was not paying attention.

Baby Guan took a step forward and held Lu Jingzhi's arm. " Let's go. Take me home. We'll go to the hotel to get my luggage first.

"Let go!"

As he spoke, Lu Jingzhi swung the switch baby, and Baby Guan immediately held onto him. He swung the switch again, and the two of them...He had made his move!

Both of them had a foundation in kung fu. Baby Guan raised her long legs and kicked Lu Jingzhi's upper body while shouting, "'1 told you nicely, but you didn't take it seriously. Do you have to make me do it?"

Qiao Mu was speechless. Do you think it's good to make a move?

Unfortunately, before her foot could touch Lu Jingzhi, she was pushed away and kicked again.

Qiao Mu blinked. Wasn't Baby Guan too handsome?

Li Yan lowered his head and looked at the little thing with his eyes shining. He was excited and asked helplessly, "'What's going on?"

Su Chen smiled and explained, "'Big brother, this is third brother's fiancée."

Lu Jingzhi glared at Su Chen when he heard that it was none of his business. '

Yang, Liu, don't just stand there and watch. Can you come over and help me? " This woman is too unreasonable!"

"A grown man hitting a woman, and you're still in the right?" Li Yan said coldly.

Qiao Mu secretly pursed her lips. Little Uncle was really a man of few words, as if he didn't want to fight with her! Not only did he move his hands, but he also moved his legs. His entire body was moving!

Lu Jingzhi was furious. Young Master Li, who had always treated men and women equally, was actually still pursuing him for hitting a woman! Why was he acting like a gentleman in front of his little nephew?

However, this thin and small figure was quite energetic when he fought. If it wasn't for the fact that he didn't fight with women, did she think she could survive a move in front of him?

Baby Guan wanted to use her actions to conquer Lu Jingzhi, but when she suddenly heard Lu Jingzhi call her brother, she stopped in her tracks.

She turned to look at the two men behind her and immediately went forward to introduce herself." Hello, Big Brother, Second Brother. I'm Baby Guan, Lu Jingzhi's fiancée. "

"Shut up!"

Baby Guan immediately felt wronged. " Eldest Brother, Second Brother, look at his attitude.. You have to stand up for Sister-in-law! "

Chapter 277: As expected, he was on the same path as her

The corners of Qiao Mu's mouth twitched. She thought that her skin was already thick enough, but she never expected that there was someone even thicker than her!

Guan Baobei did not care about Lu Jingzhi's expression at all and continued to play the role of his fiancée to the end!

Not only was her kung fu good, but her acting skills were also on point. Qiao Mu liked it no matter how she looked at it. They were indeed the same type!

Li Yan did not care about Lu Jingzhi's private matters. He was about to go to her school with his little one when he suddenly felt a warmth on his hand. He looked down and saw the little one holding his hand.

Then, she said in a low voice, "Uncle, the last time I was robbed outside school, it was Baby Guan who helped me. The robber even had a knife. Fortunately, Baby Guan was saved. I haven't thanked her properly yet!"

Li Yan frowned. She had not told him about the robbery!

After Qiao Mu finished speaking, she winked at Baby Guan. Baby Guan received her gaze and waved her hand. "' You don't have to thank me, but if you really want to thank me, can you help me educate Lu Jingzhi? '

" Yes! " Qiao Mu nodded cooperatively. " He really lacks education! "

Lu Jingzhi was speechless. Was this Qiao Mu deliberately going against him? He was even helping Guan Baobei in front of his brother. Last time, his brother even urged them to get married. If his brother interfered in his private affairs, then his future would be dark!

Li Yan looked up coldly and glanced at Lu Jingzhi. " What did I tell you last time? " I'll give you a few days to settle this matter!"

Lu Jingzhi was forced to nod his head. He glanced coldly at Baby Guan and said,

' Get in the car with me! "

Baby Guan was delighted and looked at Qiao Mu gratefully before she slipped into Lu Jingzhi's car.

' No. 3, " Su Chen said tactfully, " go with your fiancée first. I'll wait for my driver to pick me up. '

Lu Jingzhi cursed in his heart. It was all Su Chen's fault. If he had not been the chauffeur, this would not have happened!

After Lu Jingzhi left, it was finally quiet.

Qiao Mu looked at the bright sun above her head. After watching the show, her stomach felt empty. She looked at the man beside her and rubbed her stomach pitifully. " Uncle, I'm hungry.

Li Yan's cold gaze swept across her small face. " So you asked me to come here just to bring you out for dinner? "

Qiao Mu chuckled. " Isn't this just a coincidence?! "

As Qiao Mu spoke, she waved at Chi Xia. "Xiaxia, let's go. Uncle is treating us to dinner! "

Li Yan's eyes darkened. This little thing really knew how to make decisions on her own. When did he say that he wanted to treat someone other than her to a meal?

Chi Xia was very observant. She shook her head and said, " I won't be the third wheel. You can go eat with your uncle. "

"What do you mean by third wheel? Uncle is very generous. He won't abandon you."

Li Yan was speechless.

Then, Qiao Mu dragged Chi Xia to get into the car. She saw Su Chen beside her and asked politely, ""Young Master Su, do you want to join us?"

Li Yan stood at the side calmly. This little thing was really like a mistress.

Su Chen shot Chi Xia a cold glance. He knew what he meant without saying anything.

DISCId111'.

To Li Yan, having one more person was as troublesome as having two more people. There was no difference, so Su Chen said, Your chauffeur will take an hour to get here. Let's go together. You drive. "

Upon hearing this, Chi Xia prayed silently that she would not nod!

However, Su Chen didn't nod. He just got into the car.

Chi Xia wanted to cry but no tears came out. This man had clearly told her not to appear in his sight.. Wasn't he making things difficult for her?

Chapter 278: The Shrimp Is Not Fresh For You

In the dining room, Li Yan and Su Chen sat on one side while Qiao Mu and Chi Xia sat on the other.

When the food was served, Qiao Mu and Chi Xia started eating. They had been busy the entire morning and were both tired and hungry.

Li Yan looked at the little thing's poor eating habits and frowned slightly. He reminded her, "Eat slowly. No one is snatching it from you."

Qiao Mu nodded and focused on the grilled prawns in her hands. The dried skin of the grilled prawns stuck to the meat and was very difficult to peel off. She found it strenuous, so she directly put the prawns into her mouth and spat out the skin as she ate.

"This prawn is too grilled. It's so hard to eat."

Chi Xia was helpless. "I think you're just tired of peeling the skin. Do you want me to peel the skin and feed it to you?"

Qiao Mu pursed her lips. "If you were so considerate to me, I would be scared to death."

Qiao Mu was eating when she saw Li Yan taking a grilled prawn and peeling it patiently. The man's fingers were slender and his movements were unhurried. The prawn that was particularly difficult to peel was peeled cleanly in his hands in just a few strokes.

Qiao Mu stared at the prawn meat for a while before burying her head in her food.

When Li Yan saw Qiao Mu's eager gaze, a smile flashed across his eyes. He placed the prawn meat on her plate. "You can eat it."

Qiao Mu was instantly overwhelmed by the favor!

When had Li Yan ever served her so well? Alright, although he was sometimes very considerate, the number of times he served her like this was very few!

"Uncle, why aren't you eating?" she asked uncertainly.

Li Yan continued to peel another prawn as if nothing had happened. His voice was calm as he said, "This prawn isn't fresh. It's for you."

Qiao Mu was speechless.

She knew that this man was not that kind.

However, there were palm-sized prawns. They were clearly fresh and delicious, and the color was also good. How was it not fresh?

Qiao Mu didn't care so much. She took the prawn meat and put it into her mouth, eating it to her heart's content.

Immediately after, Li Yan peeled another prawn and handed it over. "This isn't fresh either."

Su Chen looked at Li Yan's cold and aloof expression and smiled faintly. "Big Brother, since the prawns are not fresh, should we call the manager to change the plate?"

As soon as he finished speaking, Li Yan's cold gaze swept over. Su Chen smiled and shut his mouth. He was nice to Su Chen, yet he was beating around the bush. How could Su Chen remember his kindness?

Everyone else had clearly seen through it, but Young Master Li was thick-skinned and did not feel embarrassed at all.

Chi Xia could naturally tell what Li Yan was thinking, so she smiled and said,

"Young Master Li, you're so considerate to our Mumu."

Our Mumu?

Li Yan's eyes turned cold when he heard her address him. He glanced at Chi Xia and asked, "What's your surname?"

Chi Xia noticed the change in Li Yan's expression. She did not know what she had said wrong. Just as she was reflecting on her actions, Li Yan asked for her surname.

His surname is Chi," Chi Xia answered honestly. "Chi Xia, isn't Young Master Li's memory too bad?"

Li Yan raised his eyebrows. "Since your surname is Chi, how did Qiao Mu become your family's daughter?"

Chi Xia was speechless.

So this was what Young Master Li cared about!

‘ Qiao Mu isn’t from my family. She’s from your family, Young Master Li! ’ Chi Xia immediately corrected herself with a smile.

Li Yan’s expression softened after he was done with the flattery, showing that he was satisfied.

Chi Xia raised her head and her eyes accidentally met the man opposite her.

* Cough *

The way this man looked at her really made her uncomfortable!

When he was speaking earlier, he was still smiling and looked like he was bathing in the spring breeze. However, when he turned around and saw her, his face immediately turned into one of disgust..

Chapter 279: The Shrimp That Uncle Peeled Must Be Eaten

Qiao Mu ate six large prawns in a row. The palm-sized prawns were enough to fill her stomach without eating anything else.

Then, Li Yan peeled another prawn and brought it over. She really could not eat anymore. ” Uncle, I’m full. I can’t eat anymore. ’

Qiao Mu looked at the prawn meat on her plate. It would be a waste if she didn’t eat it, so she directly placed the prawn meat on Chi Xia’s plate. ” Xiaxia, help me eat this. ’

Chi Xia suddenly felt a lot of pressure. ” If you’re not going to eat, then let your uncle eat! ’

“Uncle thinks the prawns aren’t fresh. He doesn’t eat fresh prawns. You should eat them.”

Chi Xia was speechless.

Su Chen was speechless.

Li Yan was speechless.

This woman was really stupid!

However, how could Chi Xia dare to eat prawns peeled by Young Master Li?

She immediately placed the prawn meat back onto Qiao Mu's plate and said shyly, "My stomach hasn't been feeling well recently, so I can't eat anything that's not fresh. You don't need this one. Don't waste it. Hurry up and eat it." Qiao Mu was speechless. He saw that she had eaten quite a lot just now!

"If you don't eat it, then throw it away!" Li Yan said coldly.

Qiao Mu glanced at the man's expression before finally putting the prawn meat into her mouth. As she chewed, she said, "Uncle peeled it. I have to eat it too!"

This hug was exactly what a certain man wanted.

The meal ended.

Li Yan had come to Qiao Mu's school in the afternoon, but it was already packed. After lunch, he sent Qiao Mu and Chi Xia back to school and went back to work.

The anniversary celebration continued.

Chi Xia was tired and went back to her dormitory to rest. Qiao Mu was strolling around the campus alone when she saw Ye Lin surrounded by a crowd.

The people surrounding Ye Lin were the current students. The other was the vice president of the student council, Tang Tian. After Han Su graduated, she might be the next president.

Qiao Mu could hear Tang Tian's laughter from afar. "Sister Lin, you're really amazing. You're already the manager of the design department not long after you joined LSAG. You're my role model!"

Ye Lin smiled. "As long as you work hard and have the ability, your talent will not be wasted. After you graduate, you will be just like me."

"I'll graduate next year and be able to work at the end of this year. When that time comes, Sister Lin must help me."

Ye Lin sneered disdainfully in her heart, but her expression was very gentle.

She raised her head and suddenly saw Qiao Mu strolling around. Her lips curled up coldly. "To enter our company, you have to rely on your ability. You can't go through the back door like some people. During the summer break this year, an intern came to our company. Speaking of which, it's such a coincidence that she's a student in our school. After entering the company, she didn't work properly and ended up leaking company secrets, so she was fired."

"Who is it? How dare you do such a thing!" Tang Tian also wanted to go to LSAE for an internship during the summer vacation, but she did not pass. That was when she met Ye Lin!

Ye Lin looked into the distance as if she had accidentally discovered something. Her face was filled with surprise. "Speak of the devil. Here he is. Look, that's the intern I was talking about."

"Qiao Mu?" Tang Tian recognized Qiao Mu.

"You know each other?"

Tang Tian shook her head. " I don't know her. She had a scandal with our president. It was all over the school forum.

" This Qiao Mu is definitely trying to make use of the president to hype herself up! " someone beside her said jealously. " She's too scheming! "

"She looks like a vixen!"

Ye Lin curled her lips coldly and said meaningfully, "" She did a lot of wrong things, but there were people protecting her. Maybe she had a backer. She did something wrong, but she didn't pay the price. It makes people feel very unfair.. "

Chapter 280: Ye Lin's Lie Was Exploded

After Ye Lin finished speaking, the surrounding people echoed,"This is too easy on her! It's too unfair for people like us who don't have any background to use our looks to get to the top but don't take advantage of the opportunity!"

"That's right! Just looking at that vixen appearance made him angry! You look so innocent, but I don't know how dirty you are in your heart!"

The person who spoke deliberately raised his voice so that his voice was clearly transmitted into Qiao Mil's ears.

Qiao Mu's expression darkened. She originally wanted to ignore him, but if she walked away silently, people would only say that she was guilty.

He stopped in his tracks and swept a cold glance at the group of people. " You're badmouthing people behind their backs, and you're speaking so confidently. Aren't you afraid of being laughed at for being uncultured? "

Tang Tian snorted. " We're just feeling indignant for Sister Lin. Sister Lin has been managing the design department well, but you went in through the back door to stir up trouble. How shameless! "

Qiao Mu's lips curled up. " Oh? How can you be so sure that she's telling the truth? The vice president's flattery is really amazing."

"You..." Tang Tian's expression changed. Just as she opened her mouth, she was interrupted by a voice.

"Hey, isn't this Manager Ye?" It was a male voice.

Ye Lin turned around and saw the person who had come. A hint of panic flashed across her face. The person was an employee of Li Corporation. Although they were from different departments, he knew her!

Unfortunately, the person who came had been bullied by Ye Lin before. Seeing how Ye Lin was surrounded and looking very proud, the person smiled. " So Manager Ye also graduated from this school. So is my girlfriend. I'm here with her today. Oh right, I can't call you Manager Ye anymore. You've been fired by the company. You're no longer a manager. "

Everyone was stunned.

Qiao Mu was stunned. She actually didn't know that Ye Lin was fired.

Ye Lin's expression turned even uglier.

Tang Tian frowned and said to the man, ""Hey, who are you? Who said that

Sister Lin was fired?"

"I'm her colleague. Didn't Ye Lin mention this? That's true. It's very embarrassing to be fired after making a mistake in the company." The man seemed to be worried that others would not believe him, so he took out his business card and showed it to Tang Tian.

After Tang Tian confirmed it, she looked at Ye Lin in disbelief. She was very angry. Just now, she had been flattering Ye Lin, thinking that she could use this relationship after graduation. She did not expect Ye Lin to be fired long ago!

Ye Lin's face was completely lost. She gritted her teeth and lowered her head with a wronged expression. "I didn't mention this matter because I believe that the company will hire me back. They won't push Qiao Mu's mistake onto me and make me bear the responsibility just because she has an unclear relationship with the higher-ups."

A cold glint flashed across Qiao Mu's eyes. She finally witnessed how disgusting Ye Lin's face was!

At this moment, the people who were disgusted with Ye Lin earlier instantly pointed their spearheads at Qiao Mu.

Qiao Mu really couldn't be bothered with this group of people and turned to leave.

Ye Lin caught up to Qiao Mu not long after she left.

Ye Lin grabbed Qiao Mu's wrist and blocked her way. "Qiao Mu, are you secretly happy that I was fired? If you want to laugh, laugh. Don't pretend like nothing happened!"

Qiao Mu looked at Ye Lin coldly. "You're overestimating yourself. I'm completely uninterested in your matters. Your fate has nothing to do with me."

"It has nothing to do with you? You really dare to say that! If it wasn't for you, would I have become like this? You must really want to know why I was fired, right? Li Yan took revenge on me because of you. He pushed all the blame of the design plan being leaked to me. Not only did he fire me, but he also cut off my future. It's all because of you!"

At this point, Ye Lin's emotions were very agitated..
