

Destined Wife: The Apple of My Eye

Chapter 28 Shopping with Lang Ruoxian

“Why do you come here?” Deng Jingjing’s smile gets cold.

Yan Hua has noticed that she said “why do you come here” instead of “why do you go home.” Obviously, she doesn’t regard Lang Ruoxian as a part of the family.

“There is a file that Dad needs to sign.” Lang Ruoxian nods his head toward Yan Hua as if he didn’t hear what Deng Jingjing said.

Deng Jingjing curls her lips: “Don’t you know that? He went golfing with friends early in the morning.”

“Well...” Lang Ruoxian frowns and then smiles. “It’s my fault that I didn’t tell him in advance. I can put the documents in the study room, and I will ask the secretary to fetch it after Dad signs it.”

Deng Jingjing sees Lang Ruoxian has gone into the study room and turns her eyes to Yan Hua: “Don’t you know what I mean? Since you have a child of Lang Family, we are a family. Don’t worry. I won’t harm you anymore.”

“Hehe...” Yan Hua smiles, but unfortunately Deng Jingjing is too conceited to find the indifference in her eyes.

When Lang Ruoxian comes out, Deng Jingjing suddenly stands up: “Ruoxian, aren’t you free today?”

“I have a meeting to attend in the afternoon.” Lang Ruoxian’s smile has been indifferent, but Yan Hua always finds it cold-blooded.

Deng Jingjing points to Yan Hua with her chin: “It’s still early. You go to the mall with Yan Hua to buy something for the baby.”

“Auntie, that’s OK. Aunt Hongyue has already...”

“She can’t represent us!” Deng Jingjing interrupts her, “Just go! You can go shopping at ease with Ruoxian to accompany you.”

Therefore, Yan Hua is sitting in the car of Lang Ruoxian, so confused.

“Seat belt.” He sees her sitting still, so he leans over to help her.

Yan Hua is shocked. She hides from him and belts herself up.

“Are you afraid of me?” Lang Ruoxian looks at her with a spurious smile.

Yan Hua curls her lips: “No, I’m not.”

“Then why are you so nervous?”

“I’m not nervous.”

“You are wearing my seat belt.” Lang Ruoxian picks up a belt.

Yan Hua is so embarrassed, no wonder she found the seat belt is so short. She thought her abdomen became bigger again...

She hands Lang Ruoxian’s seat belt to him, and belts herself up again. Then she leans against the back of the car seat and looks out through the window.

“Why are you so thin?” The man drives the car and asks her after a while.

Yan Hua looks at him eccentrically: “I have gain more than 10 jin.”

“Why are you staring at my abdomen?” After she said that, Lang Ruoxian keeps staring at her abdomen.

“Look at the woman outside.” The red traffic light is on now, and Lang Ruoxian points to the roadside.

Yan Hua turns her head and sees a pregnant woman who is very fat. She’s not fatter except her abdomen, and the other parts of her body seem even thinner due to her bigger abdomen.

“It varies from person to person. Some pregnant women will get fatter, but some are just like me.” Yan Hua glances at Lang Ruoxian. “Don’t you think that all the pregnant will become fat?”

Lang Ruoxian steps on the gas again and turns the steering wheel, saying, “At least getting a little fatter proves eating much.”

“But I do eat much.” Yan Hua believes he has misunderstandings about pregnant women. “My baby absorbs it well, so I’m not fat. Those who are fat really eat too much and the fetus doesn’t absorb it well. It’s almost absorbed by the mother.”

Yan Hua, babbling on and on, tells him a lot of common senses. She suddenly stops speaking.

“That’s it?” Lang Ruoxian curves his lips and shows a suspicious smile. “Go on.”

“No, I get tired.” Yan Hua finds that she can’t take it lightly when she is with this guy, or she will be leaded by the nose...

Lang Ruoxian snorts and says no more. It’s quiet in the car, and the warm wind blows on Yan Hua’s face, making her sleepy. Someone pushes her gently after some time.

“We’ve reached.” Lang Ruoxian pulls out the key to car.

Yan Hua rubs her eyes and finds that she is already in the underground parking lot. She is a little surprised when she looks at the time.

“Why does it take so long?” It takes almost an hour to drive from home to this mall even if in the case of traffic jams.

Lang Ruoxian has helped her open the door: “There are too much traffic jams on the way today. Do you want to buy something?”

“Let’s look around first!” Yan Hua naturally follows his topic. “In fact, there is really nothing to prepare. Isn’t it all arranged?”

Lang Hongyue has knocked through Yan Hua’s bedroom and the room next to it. The next room has been decorated as a baby room. There are all that is necessary and the most high-class.

“The things bought by others are not the same as what you like.” When the elevator door closes, Lang Ruoxian says that.

Yan Hua takes a step back and looks at the man wantonly.

Which one is the real him? What role does he play in Lang Family? And... Yan Hua remembers that the man in a wheelchair who kidnapped her a few months ago, almost looks the same as Lang Ruoxian.

“You...” She opens her mouth, but she doesn’t ask anything.

When the elevator reaches the floor for motherhood supplies, Lang Ruoxian leans to one side and asks her to get out of the elevator first. When Yan Hua walks past him, she hears the man say:

“You don’t have to figure out everything. Being too serious is not necessarily a good thing.”

Yan Hua looks back at him after walking several steps: “It’s better to be serious about something. After all, I’m bound to you by no ties. I don’t want to see that I’m still grateful to you after you harm me some day.”

“Look at that man!”

“So handsome!”

“It’s a pity that he has already married. And his wife is also so beautiful...”

A few women who enter the elevator whispers, and Yan Hua leaves indifferently at once. Lang Ruoxian follows her leisurely. There are not so many people in the morning. The shopping guides find that they look rich, all being particularly enthusiastic to introduce goods to Yan Hua.

“You are so nice to your wife!” In a shop selling smart dolls, a shopping guide is introducing a surveillance doll with a camera for Yan Hua. And Lang Ruoxian, standing on the place not far away from her, is waiting for her.

A beautiful young shopping guide comes close to him, with her eyes staring at him.

Lang Ruoxian wears a faint smile on his face. The young shopping guide is stunned by him, paying no attention to the disgust in the man’s eyes. She is still imagining that such a man is who she wants.

Rich, handsome, and more importantly gentle.

“Let me introduce other products to you!” Qi Lili believes that it’s her opportunity to change her life. She is immediately full of fighting spirit.

Lang Ruoxian looks at her, says thank you very gracefully, and then follows her. After Yan Hua selects a smart doll, she sees Lang Ruoxian come out of the fitting room.

“...” What did he try on?

Then, a beautiful shopping guide runs out at once while buttoning up her clothes in a muddle. Other shopping guides look at their blushing colleague and then at Yan Hua with strange eyes.

“Selected yet? “Lang Ruoxian takes the paper bag in her hand like nothing happened, and goes out of the store with one hand behind her.

After they get very far from the store, Lang Ruoxian finds that Yan Hua still secretly watches him, so he turns his head sideways to her: “What do you want to ask me about?”

“What did you do to that girl just now?” Yan Hua really doesn’t suspect that Lang Ruoxian did something bad.

It is impossible that Lang Ruoxian would be interested in doing that in the fitting room, let alone the fact that the girl just has a normal face compared with those in upper class. Although she can’t see the man clearly in these months, she still knows a little.

“Do you want to know?”

“... You must tell me.”

“Oh, then I won’t tell you.”

Yan Hua: ...Humph!

And in the store, several shopping guides surround Qi Lili and talk to her with envy.

“Oh my god. You are so good at finding chances.”

“How about him? What does he do? “

“Such a brute! His wife is pregnant. I can’t believe that he did that with other woman...”

Everyone is talking, but Qi Lili remains silent.

“Why don’t you say anything?” One of the shopping guides touches her.

Qi Lili wants to smile but fails to do that. The truth isn’t like what they imagine. That man... That man...

“Come in!” Qi Lili pushed the door of the fitting room and began to unbutton. Lang Ruoxian looked at her.

But the man stood still at the door. Qi Lili’s shirt was to be taken off, so she was anxious to reach out to pull him. However, he got out of the way, and his gentle eyes became angry.

“Do you think you are more beautiful than my wife?”

Qi Lili stuttered with a frigid smile on her face: “I... I...”

“You’re so ugly and even seduce men.” He showed the disgust through his eyes, as if she was a so disgusting dirty thing.

Qi Lili’s face was flushed. It was the first time for her to do such thing. She had thought she could put herself under the patronage of a higher-up. But she didn’t expect that...

The man turned around and walked away. She tied her buttons with panic and ran after him because she wanted to beg him not to tell others about it. But she found that he did not say anything at all and just left with his wife.

“Can you just stop asking?” Qi Lili feels so embarrassed.

After a long period of time, all the other shopping guides in the mall believe that she has become a fancy woman for a rich man, and joke with her every day. A male manager who used to be nice to her never talks to her again after that.

After a long time, Qi Lili knows that the manager had liked her. After hearing that she has hooked a rich man, he finds that she is the wrong person and immediately stays away from her.

Qi Lili regrets it so much, but unfortunately there is no remedy for repentance.

“Have you gone shopping with Ruoxian today?” When Lang Hongyue comes back at night, she goes straight to Yan Hua’s room.

Yan Hua is playing with the smart doll and raises her head. She says: “Yes. Eldest Auntie asked him to take me to go shopping.”

“Deng Jingjing...” Lang Hongyue says with anger, “Do you remember my words?”

“You said so many words. I don’t know which one you mean.” Yan Hua certainly knows what’s her meaning. Her baby is just like a piece of fat now, so both the eldest brother and Lang Hongyue want to take a bite of it.

Lang Hongyue is not satisfied with her attitude and throws the doll in her hand away: “Don’t be too close to Lang Ruoxian, and don’t fall in love with him just because he looks good. You are his sister-in-law. What if there appear affairs between you? If you don’t care about it, what about your baby?”

“I know that I am his sister-in-law, so I will only be his sister-in-law.” Yan Hua feels puzzled. “Does the fact that I talk to him mean that I like him?”

“It’s the best that you understand it.” Lang Hongyue stands up bitterly and says, “I’m afraid that you will forget your identity.”
