

The Apple 291

Chapter 291: Attacking the Yu Corporation

Li Yan carried Qiao Mu in his arms very gently, walked to the dining room, and placed her on a chair.

The servants had already placed the dishes on the table. As Qiao Mu smelled the fragrance, her stomach started protesting even more arrogantly.

Li Yan looked on helplessly as he eagerly buried his head in the food. From time to time, he would remind him to eat slowly.

After eating and drinking to her heart's content, Qiao Mu's spirit recovered bit by bit.

She suddenly thought of something and looked up at the man opposite her. "

Uncle, thank you. '

"If you want to thank me, quickly recover!" Li Yan said calmly.

Qiao Mu nodded. " I will. '

" You're not allowed to go out for the next few days, " the man reminded. " You can't get exposed to the wind. Stay at home and rest well. Take your medicine on time. "

Qiao Mu listlessly replied with an "oh" before saying indignantly, ""Don't you have to exercise more to recover faster when you're sick? If you stay at home all day and can't breathe, it will get worse!"

Li Yan smiled and nodded. " We do need to exercise, but there are many ways to exercise. We can exercise even if we don't go out. " You can exercise without going out ...

These words were as ambiguous as they could be!

Even if Qiao Mu didn't want to think about it, she still couldn't help but be dragged into the ditch!

She immediately blushed. This bastard, there were still people in the room. Why didn't he open the door when he spoke?

Qiao Mu glanced at the people around her who were busy with their own matters and did not notice them. She leaned forward and whispered, ""Uncle, can you not be so revealing in the future?"

"Yes, I know. You like to be sneaky."

Qiao Mu was speechless. This time, she could no longer say a word. Her face was about to burn.

In the end, he cursed softly, " Shameless! "

The man opposite her chuckled. " Little thing, what are you thinking? Even if you're sick, you can't stop those unhealthy thoughts of yours. The exercise I'm talking about is indoor exercise in the gym upstairs. You can do any exercise without going out. Are you thinking wrongly?"

. "In Qiao Mu's heart, a thousand f * cking mud horses were galloping wildly.

In the afternoon, Qiao Mu recuperated at home while Li Yan went to the company.

Li Yan had just arrived at the company when Lei Yi came up to him and reported, "" Young Master, we've already found out what happened to Miss Qiao yesterday. This matter is related to Qiao Ya and Ye Lin. "

Li Yan's eyes darkened. " Have you done what I asked you to do to the Yu Corporation? "

"Yes, Qiao Ya asked you out yesterday afternoon to discuss a collaboration."

” Tell her to come to the company to find me and arrange everything properly. I want to deal a fatal blow to the Yu Corporation as soon as possible! ”

If Qiao Ya had not caused Qiao Mu to be injured time and time again, he would not have been in such a hurry to make a move. After all, the relationship between the Li family and the Yu family was complicated. Since they were courting death, he would fulfill their wish!

As for Ye Lin...

Li Yan pursed his lips and said in a deep voice, ” Announce Ye Lin’s leak of company secrets to the reporters of the business magazines. I want her to be unable to survive in the business circle! ”

Lei Yi nodded and went to do it.

Qiao Ya received the notice that Li Yan wanted to meet her. She excitedly changed into a set of beautiful clothes and went to Li Corporation.

After entering the office, Qiao Ya said enthusiastically, “”Uncle...”

Li Yan frowned when he heard the way she addressed him. He felt disgusted when he heard this woman call him that!

Li Yan’s cold eyes swept towards Qiao Ya in disgust. ” If you’re here to chat with me, turn around and leave now! ”

Qiao Ya panicked and immediately changed her words. ” President Li, I’m sorry.. I thought...”

Chapter 292: Making Qiao Mu Suffering in the Police Station

“What do you think? I don’t have time to talk nonsense with you. Let’s get straight to the point!” Li Yan’s voice was extremely cold. It was as if he was sitting across from someone he hated. He could not even be bothered to look at him.

Qiao Ya bit her lip and nodded in panic. " President Li, I'm here today to discuss a collaboration with you on behalf of the Yu Corporation. "

I've already looked at the project. There's only one thing I want to say. CEO Yu should have reminded you that the business world is ruthless. If one party breaks the contract, no matter what our relationship is, I will pursue it! " "Don't worry, President Li. Our company will definitely satisfy you."

"That's good!" Li Yan curled his lips coldly.

Qiao Ya was very nervous from the beginning to the end when she saw Li Yan's attitude. She was worried that Li Yan would mention the design proposal. However, Li Yan did not mention a word. As expected, he did not hold it against her for the sake of the relationship between the two families!

As long as the cooperation with the Li Corporation was done well, she would have made a great contribution to the Yu Corporation!

After Qiao Ya left, Lei Yi came to the office. Young Master, we've already contacted the supplier. As long as Qiao Ya contacts them and works with them, the Yu Corporation will provide us with substandard goods. The penalty for breaching the contract is enough to take down half of the Yu Corporation. "

After a pause, Lei Yi asked with uncertainty, ""But will Qiao Ya really choose the supplier we arranged?"

"Of course!" Li Yan narrowed his eyes coldly. " That shop's goods are cheaper than the market price. Now that the Yu Corporation can't afford such a large capital flow, they will naturally choose cheaper goods! Yu Tingyun gave such a big project to her daughter because she wanted to lose the Yu Corporation!"

Qiao Ya left the Li Group building and called Yu Tingyun. ""Mom, the matter has been discussed!"

Yu Tingyun was delighted. " Xiaoya, you're indeed my daughter. Since you're so capable, I'll leave this matter to you. Do it well.

“Yes!” Qiao Ya answered happily. Suddenly, she thought of Qiao Mu and asked, “” Mom, Qiao Mu is still locked up in the police station. Do you want me to bring her back? ”

“No need. Let her stay in there for a few more days. It’s a rare opportunity to teach her a lesson!”

“But what did Dad say?”

“Let me tell you about your father.” Yu Tingyun hung up the phone and knocked on the door of the study.

Qiao Jiannan was going through some documents when Yu Tingyun walked over and poured him a glass of water. She said in a low voice, “” Jiannan, Xiao Ya went to the police station to pick up Mu Mu, but the police station refused to let her go. They said that Qiao Mu deliberately harmed people and wanted to lock her up for five days. ‘

“What did you say?” Qiao Jiannan’s expression changed drastically and he looked worried. ” Why didn’t you tell me earlier? I’m going to call the police chief...

“Jiannan!” Yu Tingyun raised her voice. ” Mumu did make a mistake. She won’t have any bad records in the police station. I’ve already informed the police station, and they won’t make things difficult for her. She’s unstable now, so it’s good to let her reflect on herself in there. ”

Qiao Jiannan frowned and wanted to say something, but Yu Tingyun continued, “” Jiannan, I treat Mumu like my own daughter. I also wish her well.

I watched her grow up. I don’t like this child to go astray. ‘

Qiao Jiannan’s expression changed slightly. It was obvious that he had been persuaded!

Yu Tingyun sneered in her heart. She had heard that the people in that police station were all like hooligans. This time, Qiao Mu was going to suffer!

At this moment, Qiao Jiannan's phone rang. He looked at the caller ID and saw that it was Qiao Mu!

Yu Tingyun was stunned and shook her head in disbelief. Qiao Mu was clearly at the police station!

Qiao Jiannan quickly picked up the phone, and Qiao Mu's relaxed voice immediately sounded from the other end of the line.. ""Daddy!"

Chapter 293: Qiao Mu Absolutely Cannot Be Left Alive!

"Mu Mu?" Qiao Jiannan sounded very surprised. " You can make a phone call at the police station? Did you cause any trouble? Daddy will send someone to pick you up now!"

Qiao Mu had only not been home for a few days, so she called her father as usual. She did not expect her father to know that she had been sent to the police station!

Just as Qiao Mu was about to speak, she heard Yu Tingyun's voice on the other end of the phone. I"" Jiannan, don't worry. I've already spoken to the police. Mumu will be fine. '

Qiao Mu sneered. " Dad, what is Aunt Yun talking about? I just went to the police station to make a statement. I'll be out soon. What can happen?"

Qiao Jiannan frowned. " Didn't you make a mistake and get locked up in the police station? "

"No, I was pushed into the water. Why should I be locked up?"

Qiao Jiannan glared at Yu Tingyun the moment Qiao Mu said that. Yu Tingyun's expression changed. Damn Qiao Mu, she was actually fine!

Qiao Jiannan calmly chatted with Qiao Mu for a while before hanging up the phone. He glared at Yu Tingyun. " What's going on? You lied to me because you want me to die of anger earlier, right?"

Yu Tingyun instantly felt guilty, but her reaction was even more agitated than Qiao Jiannan's. " Jiannan, how can you think of me like that? I heard about this from Xiao Ya, and you framed me without even

thinking about it. Haven't you seen how I've treated you and Qiao Mu all these years? I wanted this family to be good, but in the end, I was scolded by you because of a small matter!" The anger on Qiao Jiannan's face disappeared bit by bit. He sighed and said, '

Tingyun, I didn't mean it that way. I was just excited. "

' But you can't treat me like that. I've always treated Qiao Mu as my own daughter, and you've never known how to understand me. Have you ever thought about me? '

Qiao Jiannan's arrogance was instantly extinguished. He gently hugged Yu Tingyun and said, " Alright, Tingyun, it's my fault. Don't be angry for the sake of my illness. "

Because of Qiao Mu's identity, Qiao Jiannan felt that he had let Yu Tingyun down. As long as Yu Tingyun was wronged, Qiao Jiannan would lose all his confidence.

Yu Tingyun lay on Qiao Jiannan's chest, a cold look flashing in her eyes. She said softly, "" I'll find out what happened. It's a good thing that Mumu is out. Let her go home for a meal and ask her what happened.

"Alright, I'll listen to you."

Qiao Jiannan comforted Yu Tingyun. Seeing that Yu Tingyun had calmed down, he thought for a moment and said, ""Tingyun, Mumu has grown up. I want to transfer some of the shares of the Qiao Corporation to her name as a coming-of-age gift."

Yu Tingyun's body stiffened. She clenched her fists and suppressed the anger in her voice. " Isn't this a little too early? "

"It's not early anymore. Mumu has already celebrated her 18th birthday. Back then, Little Ya had the same thoughts. Now that Little Ya is very capable at work, I want Mumu to start getting involved in the company's matters. Mumu will enter the company sooner or later. It's good to have one more person to share the burden."

Yu Tingyun's lips twitched. " Let's ask Mumu for her opinion first.

"Good!" Qiao Jiannan smiled and nodded. This wife of his had always been so understanding and virtuous that he felt that having such a wife in his life was really worth it!

The more she behaved like this, the more Qiao Jiannan felt guilty towards her. After all, he was the one who had done something wrong back then.

Qiao Jiannan didn't want the Qiao's Enterprise to be divided equally between his two daughters. He was still on Yu Tingyun and her daughter's side and only wanted to give Qiao Mu a small portion of what she deserved. After all, Qiao Mu had a greedy mother, and the entire company would belong to Yu Tingyun and her daughter in the future.

However, Yu Tingyun didn't think so. Qiao Jiannan's decision made her feel threatened.

Qiao Mu absolutely could not be left alive!

Chapter 294: Long Live Uncle!

Qiao Mu ended her phone call with Qiao Jiannan. She was too lazy to think about how Yu Tingyun knew that she was in the police station. Fortunately, she had called her father in time. Otherwise, her father would have thought that she had done something wrong and locked her up!

Qiao Mu did not leave the house for the entire day and obediently listened to Li

Yan.

She was bored to death in the house. She paced back and forth in the huge living room.

The butler stepped forward. " Second Young Miss Qiao, Young Master has instructed you to rest more. It's better if you don't walk around too much. "

“Uncle Chen, don’t listen to him. It’s not like my leg is injured. It’s fine to walk.” Since Li Yan was not at home, Qiao Mu completely disregarded him.

The injury on her back hurt a little, but it was not serious. It was just a cut on the corner of the table.

Hearing Qiao Mu’s disapproving words, the butler could not help but laugh.

Presumably, she was the only one in this world who dared to go against Young Master’s wishes. When Young Master became serious, even Madam could not do anything about it, yet she was completely restrained by this little girl.

Qiao Mu was tired from strolling around, so she sat down on the sofa and looked at the time. It was time for Li Yan to get off work.

She took out her phone and sent a message.

Li Yan was busy when his phone vibrated. It was a message notification.

In the past, he would ignore almost all of these text messages. However, ever since he had the little one, he had developed the habit of looking at his phone at all times. Sometimes, when he saw an advertisement message, he could not help but feel a little disappointed.

He turned on his phone and saw a message from the little thing: “Uncle, I want to eat durian cake.”

Li Yan’s lips curled up. Before he could reply, the little thing sent another message. “There’s a dessert shop near the company. You can buy it there.”

Li Yan’s fingers tapped on the keyboard and he quickly replied, “Why are you giving me the address? Did I promise to buy it for you?”

‘I’m a patient,’ Qiao Mu said. ‘Uncle will be extra considerate.’

“Did you stay at home and rest?” Li Yan asked.

“Of course, I must listen to uncle!”

“I’ll agree to your request on account of your good performance.”

“Long live Little Uncle!”

Li Yan shook his head helplessly. Looking at the line of words, he could imagine how happy the little thing must be.

Li Yan raised his wrist and looked at his watch. He put down his work and turned off the computer.

Lei Yi came in to deliver the documents. When he saw the man picking up his clothes and was about to leave, he asked, “Young Master, where are you going?”

“Get off work!”

Lei Yi was stunned. It was rare for Young Master Li to get off work early!

However, before Li Yan could leave the office, his phone rang. It was an unknown number.

He picked up the phone and immediately heard a roar from the other end. “You unfilial son, I asked you to pick me up at the airport. I’ve already gotten off the plane. Where are you? There’s a group of people picking me up at the exit, and

I’m the only one here. Are you trying to anger me to death..

Li Yan’s brows instantly furrowed. Before the other party could finish speaking, he interrupted, “”Mom, are you saying that you’ve returned to the country?”

“Nonsense, I’ll give you half an hour to race over!”

Li Yan was speechless.

Li Yan hung up the phone and dialed the overseas number. The call was quickly picked up. His magnetic voice was slightly anxious. “Son, your call came at the right time. Your mother is missing. She threw a tantrum at me and left a note. She ran away from home!”

Li Yan felt his temples throbbing. He said in a deep voice, ““Dad, my mom has returned to the country.”

“What did you say? This woman is simply too restless. I was discussing business with a female boss, and she said that I had ulterior motives towards her.. She packed her luggage and left when I wasn’t at home!”

Chapter 295: Since When Did You Know How to Understand Others?

Li Zheng had just finished his angry words when his tone suddenly changed. He asked anxiously, “Your mother arrived safely? In order to prevent me from tracking her phone, she didn’t even bring her phone with her. From the United States to China, it’s such a long journey. She has never left me alone. If anything happens...”

Li Yan had no choice but to interrupt him. “ Dad, my mom is not a child. She has arrived at the airport safely. I can’t talk to you anymore. I’m going to pick her up.

Without waiting for a reply, Li Yan put the phone away and strode out of the office.

Lei Yi, who was standing silently at the side, finally understood. It turned out that the young master’s mother had returned to the country. There was also a little nephew at home. Now, it was going to be lively!

At the airport exit.

The woman was wearing a long, elegant beach dress and a sun hat. Her large sunglasses covered half of her face. At a glance, one could not tell her age.

Just as the woman looked down at her watch again, a black Bentley Mulsanne stopped in front of her.

The car door opened and Li Yan called out helplessly, ""Mom, get in the car."

"You unfilial son, you're finally here. You're still obedient. It's exactly half an hour. I won't let you off even if you're a minute late!" Yu Yiduo said angrily and got into the car. Then, she saw Li Yan's furrowed brows and became unhappy. Why? Does your mother's return cause you trouble? "

"Mom, before you do something like running away from home, didn't you consider whether Dad was worried?"

Yu Yiduo was stunned. She stared at Li Yan for a while and said in surprise, ""Are you my son? When did you become so understanding?"

Li Yan was speechless.

Yu Yiduo snorted. " Let's not talk about that old man. Let's talk about you. I sent you a message, but you didn't see it! "

"What message? I didn't receive it. " Li Yan's tone was firm. Every time his phone rang, he would immediately check if the message was sent by the little one. Where had he received her message?

Yu Yiduo immediately took out her phone. " You're still trying to deny it. I sent it successfully! "

Li Yan glanced at his phone screen and said calmly, ""It was indeed sent successfully, but I entered the wrong number."

“Aiya, it’s true! Son, I wronged you. It’s all your father’s fault. I bought a phone card at the last minute, but your number wasn’t saved in it. Forget it, I won’t hold it against you.” As she spoke, Yu Yiduo patted Li Yan’s shoulder comfortingly.

Li Yan had a helpless expression on his face. His gaze fell on the dessert shop by the roadside and he said to the driver, “Stop the car.”

The car stopped and Li Yan got out of the car. He went straight into the dessert shop and soon came out with a bag in his hand.

Yu Yiduo suddenly felt very warm. After not seeing him for a while, her son had become more and more considerate. He knew that her stomach had been wronged after eating a few meals on the plane, so he bought desserts to comfort her.

Li Yan got into the car. Yu Yiduo took the bag from Li Yan’s hand. Before she could say thank you, Li Yan moved the bag to a place where she could not hook it.

Then, Li Yan took out a cake from the bag and handed it to Yu Yiduo. ““Mom, this is for you.”

This was for her, so who was the one in the bag for?

Yu Yiduo’s heart sank.. With her high EQ she only needed a second to realize that this dessert wasn’t specially bought for her!

Chapter 296: Qiao Mu, This Is My Mother

Her son had suddenly become so considerate. It was actually taught by another woman!

Yu Yiduo opened the box of desserts. A strong aroma wafted over. It was durian cake!

In the past, when she was at home, her son would despise her even if she ate a durian. If it weren’t for her old man protecting her, this heartless son would have thrown her out of the house with the durian!

But now, he actually took the initiative to buy her a durian cake!

At this moment, in the Li family villa, Qiao Mu was staring at Li Yan with eager eyes.

What time was it now? It was long past the time to get off work. She was still waiting for his durian cake!

She was a patient now and needed special treatment. Could he give her a call if he didn't come back?

The sound of a car engine could be heard outside the door. Qiao Mu stood at the door, and as expected, she immediately perked up when she saw the familiar car.

Suddenly, she thought of how Baby Guan had pushed Lu Jingzhi into the car in a domineering manner. Just thinking about it made her feel extremely arrogant. She wanted to have one too!

Anyway, she was sick. Even if Li Yan was unhappy, he could not do anything to her!

It was worth it to be able to act arrogantly in front of Young Master Li and be taught a lesson by him!

The car stopped, and the door to the back seat opened. Qiao Mu quickly walked down the steps and aggressively pounced on him.

Before Li Yan could react, he pushed Li Yan into the car and stepped on the tire. The series of actions were done in one go!

Handsome! Domineering!

Qiao Mu was secretly excited as she glared at Li Yan coolly. Her fingers were still poking his chest. "Why did you come back so late? Do you feel good about letting me wait for you?"

Aiya! It was too awesome! The way Li Yan was scared out of his wits was simply too exciting!

Of course, Qiao Mu's so-called shock was just her endless imagination.

Li Yan did not expect this little thing to be so "enthusiastic" as soon as she arrived. It seemed that she had been bored to death at home all day.

However, she was getting bolder and bolder by being so arrogant in front of him!

He lowered his head and glanced at the little thing. With just a cold glance at her, that arrogant aura was extinguished in an instant.

After Qiao Mu's performance ended, she immediately turned into a lackey. She hooked her arms around Li Yan's neck and chuckled. "Uncle, wasn't I very handsome just now? I just wanted to demonstrate to you how Baby Guan treated Lu Jingzhi that day. It's a pity that you didn't see it with your own eyes!" Li Yan raised his eyebrows. "I've already experienced it myself. It's not a pity."

Qiao Mu giggled foolishly. When she saw the bag of desserts in Li Yan's hand, she hugged his neck in surprise. "Uncle, you're the best!"

The little thing's reaction made Li Yan smile.

At this moment, the car door behind her opened and closed. Qiao Mu looked over the man's shoulder and saw a...A gorgeously dressed woman!

Qiao Mu's body instantly stiffened, and the smile on her lips froze on her face. She stared in shock at the woman who got out of Li Yan's car!

Who was this woman?

Why was she sitting in Uncle's car and going home with him? Uncle came back so late because of this woman?

Qiao Mu's mind was filled with question marks and astonishment. In her memory, she had never seen Li Yan give any woman special treatment!

Li Yan lowered his eyes and looked at the little woman who was stuck to his body and lost her reaction. He patted her butt helplessly and reminded her, "Let go of me first."

Qiao Mu was stunned. She immediately let go of him and took a step back. Then, Li Van's voice rang in her ears- "Qiao Mil. this is my mother-

Chapter 297: You Are My Great Aunt

Qiao Mu, this is my mother...

This is my mother ...

My mother ...

Li Yan's words echoed endlessly in Qiao Mu's ears.

Qiao Mu's eyes instantly bulged out of their sockets, not exaggerating at all.

She turned her head mechanically to look at the woman who had already walked over. She clearly looked like a young woman. How could she be Li Yan's mother?

This woman was the " Little Red Riding Hood " whom she had confronted arrogantly over the phone?

Compared to Qiao Mu's shock, Yu Yiduo wasn't any better. When she got out of the car, she was initially wondering what Qiao Mu had become, but in the end, she saw a good show!

That arrogant and arrogant son of his was pushed against the car by a fierce girl. That scene was really scary!

However, before Yu Yiduo could recover from her shock, Qiao Mu's expression seemed to have changed. In the blink of an eye, she had changed into a completely obedient girl!

Could this be the legendary split personality? Dual personality?

Before this, Yu Yiduo didn't expect the two of them to interact like this!

Qiao Mu finally recovered from her shock and gave Yu Yiduo a deep bow. She said in a clear and loud voice, ""Greetings, Grandaunt!"

Great aunt ...

Yu Yiduo's mouth twitched. Even if she wanted to please her, she didn't need to call her 'grandaunt,' right?

Li Yan stood at the side and looked at the little thing's flustered expression. It was rare to see her react like this. His little thing was very cunning and could always deal with things smoothly. However, when she saw her great-aunt, did she have to be so shocked?

Qiao Mu looked fearfully at the woman who was wearing sunglasses and whose face couldn't be seen clearly. She couldn't see the other party's expression, so she was completely at a loss.

The other party sized her up through the sunglasses and only walked up to her after a while.

Qiao Mu's lips twitched and she smiled awkwardly.

This lady had offended her over the phone before she even met her. How could she not be nervous?

Although she had seen Yu Yiduo when she was young, and in her impression, Yu Yiduo was more than ten million times friendlier than Yu Tingyun and treated her well, after so many years, she only had a vague impression of her.

Moreover, things were different now. When they met again, she had become Li Yan's woman. If this lady was angry that she seduced her son, it was normal.

However, Qiao Mu still didn't know that this great-aunt of hers was not within the normal range.

Yu Yiduo stopped in front of Qiao Mu and lifted her hand to take off her sunglasses. Qiao Mu then saw her aloof face clearly.

His expressionless face and scrutinizing gaze instantly made Qiao Mu feel a great sense of pressure!

As expected, this lady was not someone to be trifled with!

"You called me Grandaunt?" Yu Yiduo asked lightly.

Qiao Mu nodded. "That's right. In terms of seniority, you're my great-aunt! "

"That's not a good way to address me. It sounds like flattery." Qiao Mu was speechless.

Was her flattery that obvious? He had been seen through!

Yu Yiduo looked at Qiao Mu disdainfully and asked coldly, "You're Qiao Mu?" "Yes, great aunt!" Qiao Mu couldn't call her 'Great Aunt' too casually!

If we're talking about seniority, then you're my niece. How did you end up with my son?" Yu Yiduo raised her eyebrows and asked in a questioning tone.

Get together...

Was this word really appropriate here?

Qiao Mu continued to smile awkwardly. " Then you should ask Uncle.. "

Chapter 298: The Best Mom

Following the topic, Qiao Mu looked at Li Yan. Why was he standing at the side without saying anything? Shouldn't he help her out when her mother was making things difficult for her?

Li Yan didn't reply, so Yu Yiduo continued to ask, ""1 want to ask you!"

Aiya, this lady is so fierce!

Yu Yiduo looked at her ever-changing face and wondered if she was too fierce and scared her.

How did she survive in front of her fierce son?

Originally, she wanted to have a big battle between mother-in-law and daughter-in-law, but she did not cooperate!

' Mom, it's about time, " Li Yan finally said. " She's still sick. "

As soon as he finished speaking, Li Yan received a fierce glare from Yu Yiduo. Look at how precious he was. The more he protected her, the more she wanted to cause trouble!

Since she was a patient, Yu Yiduo moved the battlefield to the living room.

Sitting on the sofa, she arrogantly glanced at Qiao Mu and raised her chin.

still remember how arrogant you were over the phone the last time! " As expected, he remembered!

Qiao Mu immediately admitted her mistake. " Great Aunt, I was wrong. You can't blame me for this. I'm helping you keep an eye on Uncle and preventing him from casually dating some random women outside. With me around, those indecent women can forget about getting close to Uncle! "

Hearing this, Li Yan's lips curled up.

Yu Yiduo looked at her fair and small face. Perhaps it was because she was sick, but she looked even fairer. She couldn't help but pinch her face.

He wanted to continue making things difficult for her, but he really couldn't pretend anymore.

"If you want me to not be angry, I can forgive you, unless ..."

Qiao Mu blinked her large eyes at her great-aunt. Her great-aunt stood up coldly and walked toward her, causing her to involuntarily stand up as well.

Then, she raised her hand and placed it on her face.

And then...He pinched it.

Before Qiao Mu could react in a daze, she heard her aunt finish her unfinished sentence ""If von let me pinch you _ I'll forgive you""

Qiao Mu was speechless. You're already doing it, alright?

That demonic claw was wantonly kneading her face. One hand wasn't enough, so he used both hands!

This ... What was going on?

Why did the atmosphere suddenly change?

Yu Yiduo pinched it and sighed, “Your skin is so supple that it looks like water will ooze out of it with a pinch. Your skin is so good that it’s full of colloid. It’s just like when I was young! Sigh, my skin is drooping now. Looking at your good skin, I’m really envious and jealous!”

Qiao Mu was speechless. Why did she feel like she was going to crush her face?

Even though she was being pinched, Qiao Mu could not help but say, “Your skin doesn’t droop at all. It looks about the same as mine!”

These words were not flattery. Looking at Yu Yiduo up close, she was really young and beautiful. How could she possibly have a son as old as Li Yan? Not to mention that she was Yu Tingyun’s aunt. Yu Tingyun took good care of herself. Compared to Yu Yiduo, Yu Tingyun was miles away!

Hearing this, Yu Yiduo was instantly overjoyed. She cupped her cheeks with both hands. “Really? Actually, I think so too. I was just being humble just now. Mumu, you really know me too well!”

. This lady was too funny, right?

He was still cold just a moment ago, but now he was calling her Mu Mu intimately?

Li Yan looked at the little girl’s pale face that was pinched until it was red. He stepped forward and stood between the two of them. He turned around and said to Yu Yiduo, “Mom, you must be tired from the flight. Take a rest..”

Chapter 299: If You Feel Indignant, Tell Me

“I’m not tired. When I saw Mumu, I was instantly energized!” Yu Yiduo pushed Li Yan away and pulled Qiao Mu over, taking the opportunity to pinch Qiao Mu’s face.

Li Yan, who was standing at the side, was instantly ignored.

Qiao Mu was a little unable to adapt to her great-aunt's sudden change. Fortunately, her adaptability was extremely strong, and she became familiar with her great-aunt in a short while.

Until the end of dinner, Li Yan was like an outsider.

Although it was a good thing that his mother liked the little thing, she liked it a little too much and completely hindered him!

Finally, the man couldn't take it anymore and said, "Mom, it's already very late. You should sleep."

"Aiya, I'm not in a hurry. You even have to control your mother. Mumu is so thin that her chest is almost touching her back. It must be because you often bully her and control her too strictly. You've really wronged our Mumu."

As Yu Yiduo spoke, she even lightly patted Qiao Mu's shoulder, as if she could empathize with Qiao Mu's grievances.

Qiao Mu's heart instantly warmed up, and the little bit of unfamiliarity she had in her heart instantly vanished completely.

She felt extremely wronged, but she still shook her head symbolically. "Great

Aunt, I don't feel wronged...'

"Look, you still say you don't feel wronged. You look like you've been suppressed to the point that you don't dare to refute!" Yu Yiduo sighed and gently patted Qiao Mu's hand. Her heart ached for her. "Mumu, Li Yan is just like his father, a hard rock. You'll only suffer if you go head-on with him. If you feel wronged, come and tell me..."

Just when Qiao Mu thought that the empress dowager would reprimand Li Yan for her sake and become her backer, she heard the empress dowager's next words. "Although I can't help you with anything, I can accompany you and speak ill of him behind his back to help you vent your anger!"

Qiao Mu was speechless.

In an instant, Qiao Mu felt her body completely petrified before it began to crumble bit by bit and completely shatter.

Was this really Li Yan's biological mother? He did not even dare to teach his own son a lesson. He could only vent his anger by saying bad things behind his back...

Qiao Mu raised her head to look at the man beside her. Although the man was looking down at his phone, the slight frown on his face revealed his emotions.

With such a top-notch mother, Uncle's life must be quite interesting, right?

However, this mother was clearly so cheerful and lively that everyone loved her. Why was the son she raised so black-bellied, sinister, and evil? He always had a cold face and did not like to smile. He did not inherit the sunny and cheerful genes at all!

Could this be the legendary Chang Can?

Li Yan could not stand it anymore and swept his cold gaze over. "" Mom, you don't need to rest. Your grandniece needs to rest. She's a patient now. If you don't want to chat with no one tomorrow after chatting for the whole night, then let her sleep early! "

"But it's only eight o'clock now..." Yu Yiduo sounded reluctant.

"It's getting late. She hasn't taken her medicine yet." As he spoke, Li Yan's gaze swept toward Qiao Mu and reminded her, ""Go upstairs and take your medicine!"

Qiao Mu replied with an "oh" and stood up obediently. She said to Yu Yiduo, ' I'm going upstairs to rest first. I'll accompany you tomorrow. "

"Go, go, be good!"

Yu Yiduo looked at Qiao Mu's obedient appearance like a little white rabbit, overflowing with love. She couldn't help but want to pounce on Qiao Mu and ravage her little face.

Unfortunately, her heartless son did not want her to occupy his little rabbit!

He really couldn't be kept when he was old!

Chapter 300: Give Birth to a Granddaughter to Play With

When Yu Yiduo saw Li Yan stand up, she immediately jumped up and rushed upstairs before him.

"Son, I'll go check if your nephew is taking his medicine on time!"

. Mom, you should sleep!" Li Yan sounded very unhappy.

Yu Yiduo turned around and looked at her son. She laughed and said, "" You forgot that I have jet lag. I slept the entire flight, so I'm not sleepy at all! "

Qiao Mu had just taken her medicine when she heard a knock on the door. She turned around and saw Yu Yiduo standing at the door.

Yu Yiduo went forward and held Qiao Mu's hand as she sat down by the bed. " Little Mu Mu, you can't sleep, can you? It's okay. I'll chat with you. It's not convenient for Li Yan to be here just now. Now, let's talk about women's private words."

Private words...

'1'alK about wnat(

"Great-aunt...'

Qiao Mu had just opened her mouth when Yu Yiduo interrupted her. " Don't call me 'grandma'. This form of address is too awkward. Change it. "

. Grandma?"

Just as Qiao Mu finished shouting, Yu Yiduo's face was instantly filled with smiles. Her eyes swept across Qiao Mu's abdomen. " Mu Mu, you really understand my thoughts. How did you know that I want to be a grandmother? "

The corners of Qiao Mu's mouth twitched fiercely. Why was Yu Yiduo's smile so evil?

Yu Yiduo started to complain, " You don't know, but I really like daughters. Back then, I had hoped that I would have a daughter, but I didn't expect to have a boy. I was so disappointed! After that, I wanted to have a daughter, but ...

Sigh, it's all tears!"

Qiao Mu's curiosity was instantly piqued, and she subconsciously asked, ""What's wrong?"

Yu Yiduo sighed sadly and said embarrassedly, ""I'm the only one who knows how hard it has been for so many years. It's my regret to not have a daughter in this life. If it weren't for Ah Yan's father's poor health, I would have given birth to eight or ten children a long time ago!"

Qiao Mu was stunned. This great aunt told her such a private matter just like that?

Li Yan's father...No?

For a moment, Qiao Mu truly believed it. Then, she heard Yu Yiduo continue, ""so, Little Mu Mu, you're so cute and beautiful, and my son is so handsome. You and him are a match made in heaven. Why don't you give birth to a granddaughter for me to play with as soon as possible so that I can end my regrets for the rest of my life?"

Play around ...

These words sounded like a hen laying eggs!

Qiao Mu immediately reacted. So this great aunt was deliberately lying to her, and she almost fell for it!

How could she have imagined that someone would joke about her husband's privacy!

Qiao Mu sighed cooperatively, and her tone was extremely downcast. "Great Aunt, you don't know, but actually, your son, he..." No!"

Yu Yiduo was still immersed in the grief she had created, but when she heard Qiao Mu's words, her eyes widened. "How is that possible?!"

"It's true! Is this hereditary?"

Yu Yiduo was speechless.

Outside the door, a certain man's expression was gloomy.

His handsome face was tensed up, and his expression was as ugly as it could be!

This woman! She was really rebellious. How dare she say such words!

He took a step forward and entered the room. His eyes were cold as he sized up the two women who were chatting happily in the room.

"You guys have a good chat!"

A frosty voice rang out, causing the two women to freeze.

Qiao Mu raised her head to look at the man at the door. His tall figure was leaning against the door frame, and his expression was languid.. There was a faint smile on the corner of his mouth, but that smile was so cold that it was

terrifying!
