Chapter 311: She Had Been Planning to Leave!

The next day, Qiao Mu woke up early in the morning and headed to the hospital with the soup that the nanny had made.

She calculated the time and rushed out before Li Yan went to work. She could just hitch a ride.

Just as she left the house, she saw Li Yan's car drive out. She waved at the car and it stopped. She quickly got into the car.

Li Yan looked at the thermos box in her hand and asked, "Go to the hospital?"

Qiao Mu nodded and took out her phone from her pocket. She handed it to Li

Yan. "Uncle, phone."

Li Yan looked at the broken phone screen and then at the little one who was smiling foolishly. She looked like she had done something wrong and he could not help but want to laugh.

Qiao Mu did not sleep well that night. After sitting beside Li Yan for a while, she felt her eyelids grow heavy. She tilted her head and fell asleep.

Looking at the little thing's tilted head in the air, Li Yan pressed her head on his shoulder, and the corners of his mouth curled up.

The car stopped outside the hospital, and Qiao Mu woke up in a daze. She rubbed her eyes and mumbled sleepily, "We're here?"

Li Yan nodded and reminded him, "I didn't bring my phone with me today. Go home early."

“I understand, Uncle. I’ll go in first.” Qiao Mu got out of the car and waved goodbye before leaving, quickly entering the hospital.

In the hospital’s inpatient department, Yu Tingyun was standing in front of the window when she accidentally saw Qiao Mu alighting from a car. Her expression instantly changed.

That car belonged to Li Yan!

This Qiao Mu is really shameless. She’s as despicable as her mother!

After Qiao Mu went upstairs, Yu Tingyun blocked her at the door of the ward and said sarcastically, Qiao Mu, you’re quite resourceful. You’ve already gotten into Li Yan’s car. Are you going to sleep with him next? ”

Qiao Mu’s expression darkened. Since she saw him, she couldn’t be bothered to explain. ” Didn’t you think that Li Yan wouldn’t fall for my trap? ” Then why are you so nervous?”

“Me? Nervous? What a joke! Qiao Mu, Li Yan isn’t someone you can mess with.

I’m just waiting to see your show!”

Yu Tingyun’s face was as ugly as it could get. Qiao Mu felt nauseous just by looking at her, so she carried the thermos into the ward.

After Li Yan arrived at the company, he placed Qiao Mu’s phone on the table and dialed the internal line.

Qiao Mu’s phone suddenly rang. It was a message notification.

Li Yan picked it up and opened WeChat.

The text message was from Chi Xia. It was an unimportant message. Just as Li Yan was about to put down his phone, he accidentally saw Han Su's name in the chat history.

His long and narrow eyes narrowed slightly, and his slender fingers opened Han Su's chat log. The moment he saw the chat log, his eyes flashed with a cold light.

The call connected, and Lei Yi said, "'President, you were looking for me?"

Li Yan did not seem to have heard Lei Yi's voice. He stared at the chat log and clenched his fist. The veins on the back of his hand bulged.

On the screen was a message from 1-1an Su:" Mu Mu, congratulations. The results of your application are out. You've received an exchange student spot! "

Exchange student?

This was the last message! The date was yesterday!

Li Yan instantly understood the ins and outs of the matter!

Every word on the screen was enough to make Li Yan's anger reach its peak!

The little thing who had been obediently by his side had actually planned to leave long ago!

She had been secretly planning to leave, and even the internship was part of her plan!

At the thought of this, Li Yan pursed his lips tightly.. His face was filled with

anger!

Chapter 312: She Had Been Planning to Leave (4)

Lei Yi didn't get a response and asked, ""President? Are you there?"

Li Yan took a deep breath and suppressed the ups and downs in his heart. He said coldly, Find out the exchange student quota for T University immediately!"

Lei Yi did as he was told and did not hang up the call. Soon, Lei Yi replied with a cautious voice, ""President, Miss Qiao is one of the exchange students at T

University. She has applied to be an exchange student at the University of Hong Kong for a year. After a year, she can apply to enroll in that school.

After Lei Yi finished speaking, the other end of the phone fell silent again. He could feel the faint chill even through the phone.

Suddenly, a low laugh came from the other end of the phone. The laughter was so cold that even Lei Yi, who was already used to this man's temper, could not help but shiver when he heard this laugh.

This man was really angry!

The cold voice said word by word, ""Cancel the quota!"

'Yes, CEO!"

Li Yan held Qiao Mu's phone, and the joints of his fingers bulged. He could faintly hear the cracks on the phone screen getting worse.

After a while, his lips curled up coldly. There was a hint of mockery in his cold smile.

He actually thought that woman was willing to be with him!

Little did he know that she had been plotting how to leave without him knowing!

Very good!

Qiao Mu, you heartless woman!

After Qiao Mu left the hospital, she made a trip to the school. After the school's anniversary celebration ended, the number of people returning to school gradually increased.

School was about to start.

The two-month holiday would pass in the blink of an eye. If she wanted to be an exchange student, she would have to register at a university in Hong Kong before school started.

For the past two days, she had been having a headache over this matter. Was it so difficult to decide whether to leave or not?

Standing under the scorching sun, Qiao Mu suddenly felt that she had never been so indecisive before. Didn't she just want to get rid of Yu Tingyun?

She had been in the Qiao family for thirteen years. Could it be that she couldn't last three years? As long as she waited for another three years, she would be able to live a free life after graduation! Moreover, she still had Li Yan!

Her uncle...

Qiao Mu made a decision in her heart. She was about to call Han Su when she remembered that Li Yan had her phone.

After figuring things out, Qiao Mu instantly felt relieved. When she returned to Li Yan, she watched television while waiting for him to return.

He waited until night fell.

After Li Yan entered, Qiao Mu immediately went up to him. " Uncle..."

Li Yan's cold gaze was fixed on Qiao Mu. His tone was dark as he interrupted Qiao Mu, ""Why are you here?"

Qiao Mu was stunned. She smiled. " I'm back now that everything's settled at home. "

Li Yan changed his shoes expressionlessly, took off his coat, and strode upstairs.

The man's cold attitude stunned Qiao Mu. She stared blankly at the tall figure and quickly followed him.

When Qiao Mu entered the room, Li Yan had already changed into his pajamas. The man stood there, and his entire being was shrouded in a gloomy aura, making people not dare to approach him.

He was clearly fine during the day. Could it be that something bad happened at work?

Qiao Mu took a step forward, and her gaze fell on the phone that popped out of his pocket after he took off his pants. She asked in a low voice, ""Uncle, is my phone fixed?"

Upon hearing this, Li Yan looked up at Qiao Mu. She had a smile on her face, and she looked extremely obedient. This look deeply stung his eyes.

Was she used to putting on such a fawning expression in front of him? She looked so obedient that he thought everything was real!

Chapter 313: She Had Been Planning to Leave!

The corners of Li Yan's lips sank slightly as he threw his phone onto the bed without saying a word.

Qiao Mu picked up her phone and realized that the screen was still broken. She said in surprise, ""Uncle, why is the phone ..."

Before he could finish, his words were stuck in his throat.

She swiped open her phone and saw Han Su's WeChat chat page on the screen!

Qiao Mu's body instantly stiffened, and a hint of uneasiness flashed in her eyes. She looked at Li Yan in panic, but her eyes met the man's cold and stern gaze.

Li Yan took in her panic. His dark eyes narrowed coldly, and his sharp eyes became even gloomier.

Li Yan took a step forward and held her chin. " Do you have anything to say? "

Qiao Mu bit her lip. Facing the man's straightforward questioning, she did not know how to explain herself. She opened her mouth, and her voice was a little anxious. " Uncle, listen to me first. "

"Good! Tell me!" The man's malicious eyes were sharp and deep, and Qiao Mu panicked from his stare.

Just as she was thinking about how to explain herself, she heard the man chuckle. His laughter was dark and sinister, and his voice suddenly sank. ' Why? You have nothing to say? '

The smile on the man's face disappeared. His voice was bone-chilling and full of sarcasm. "That's true! What can you say? Tell me how you planned this. From the start of your internship, no, perhaps even earlier, you've been preparing to leave. Finally, your plan succeeded, right?"

Qiao Mu bit her lip tightly. She wanted to shake her head, but this was indeed her plan before this. She planned to prepare everything without him knowing and leave without him knowing. This was her plan!

But ... Who knew that the moment the plan succeeded, she would actually go back on her word!

Meeting that pair of malicious eyes, Qiao Mu denied with a pale face, ""No, uncle, it's not like that ..."

"No?" The man's eyes were instantly filled with anger. " Not what? Qiao Mu, you still want to deny it at this point? Do you think I'm as stupid as a fool and still believe you? Ha! You were never willing to be with me from the beginning. For the sake of your plan, you were willing to sacrifice yourself to please me. You've always treated being with me as a deal!"

The man's words were like a sharp sword that stabbed deeply into Qiao Mu's heart, making her suffocate.

Without giving her a chance to catch her breath, his large hand grabbed her chin and forced her to look him in the eye. " Qiao Mu, you're a heartless woman! "

Qiao Mu's heart skipped a beat. The man's gloomy eyes were filled with anger, and there was a kind of emotion that she could not understand in his deep, pitch-black eyes, as well as something that was difficult to detect...

Disappointed.

Qiao Mu looked at him in astonishment and felt suffocated. She clearly had a lot of things to explain, but she did not know how to start.

All of this was caused by her!

Qiao Mu's silence caused Li Yan's eyes to slowly turn silent.

The anger in his heart had been suppressed for an entire day until now, and it almost burned his body.

He tightened his grip on her chin, bent down, and kissed her on the lips.

Rather than a kiss, it was more like a bite. With violent anger, he almost swallowed the woman in front of him!

Qiao Mu widened her eyes in shock. Pain filled her entire body, making her flustered and at a loss.

She pressed her hands against his chest and subconsciously wanted to push him away. However, this struggle only angered the angry man.

The current Li Yan made Qiao Mu feel extremely terrifying and unfamiliar..

Chapter 314: Completely Cutting Off Your Thoughts of Leaving (1)

Even though he had lost control in the past, he had never been like a wild beast at this moment. He could not feel a trace of rationality at all!

The pain on her lips quickly disappeared, and soon after, she felt a sharp pain in her neck. Qiao Mu let out a low cry and struggled even harder.

Qiao Mu knew what was going to happen next because of a similar experience in the past. She couldn't help but tremble when she recalled the experience of being hurt by him.

She pushed him hard. This resistance made the man even angrier. He grabbed her head again and kissed her fiercely.

Qiao Mu opened her mouth and forcefully bit down on his tongue. Not only did she fail to stop the man from continuing, she even made him more agitated.

The stench of blood spread in the air.

Li Yan felt like he was about to go crazy from anger. He kissed the woman in his arms fiercely, and blood filled his mouth. He paused and met Qiao Mu's frightened and panicked gaze.

His heart tightened.

He felt a sharp pain in his heart, and it was so oppressive that he could not breathe.

Li Yan narrowed his eyes when he saw the trace of blood on her lips. He finally let go of her.

Without his support, Qiao Mu felt all her strength being sucked away, and her legs went weak as she fell to the side of the bed.

She panted heavily, trying to dispel the fear in her heart. The man beside her stood quietly at the side, making her unable to suppress the nervousness in her heart.

Li Yan felt as if a handful of sand was stirring in his chest. He turned around and walked out without saying a word.

That tall figure was covered in a layer of anger. For some reason, Qiao Mu felt that his proud and arrogant back seemed so lonely when she looked over. She subconsciously raised her hand and grabbed the corner of his shirt. She bit her lip and called out, ""Uncle..."

Li Yan's body froze, and his cold eyes swept toward Qiao Mu. He raised his hand and pushed away the hand that was grabbing the corner of his shirt. His thin lips moved, and he spat out cruel and heartless words, ""Qiao Mu, I'll completely destroy your thoughts of leaving! If you become my woman, don't even think about getting rid of me!"

Qiao Mu's face instantly turned pale, and the man had already left the room in large strides in the next second.

With a bang, the moment the door was slammed shut, Qiao Mu felt as if her heart had been hollowed out, and it hurt.

Her body slid down from the bed bit by bit. She hugged her knees and curled up at the corner of the bed.

Li Yan's words were repeated in her ears over and over again.

He said, Qiao Mu, you don't have a heart at all!

When he said this, she clearly saw the disappointment in his eyes.

That man would actually reveal such a lonely expression!

However, how could she not have a heart? Otherwise, where did the pain in her chest come from?

He gritted his teeth tightly as scenes from the past replayed in his mind.

She thought back to when she had met him at Yu Tingyun's birthday party. She had threatened him aggressively, but this man had responded to her playfully.

At that time, she thought that this person was very frivolous. But in retrospect, he had treated her specially from the beginning. How could such a high and mighty man allow others to be so arrogant in front of him?

Later, she had sex with him after drinking. When she woke up and found out that it was him, she was extremely annoyed and relieved.

She had thought that he would stand on Yu Tingyun's side, but when she was bullied by Yu Tingyun, bullied by bad people, or met with danger and difficulties, he would always appear at the most critical moment to help her out!

She had always thought that they were in a business relationship, but if it was just a business relationship, why would he treat her so well?

Chapter 315: Completely Cutting Off Your Thoughts of Leaving (2)

At the thought of this, Qiao Mu felt an unbearable pain in her heart.

It turned out that she had already fallen for him again without her knowing!

Qiao Mu did not know how long she had been squatting at the corner of the bed. She moved her stiff legs and picked up her phone that had been thrown to the side.

She took out Han Su's phone number and dialed it.

The call went through and Han Su's voice sounded, ""Mu Mu, I was just looking for you."

Qiao Mu took a deep breath and whispered, ""Senior, I wanted to tell you about the exchange student. I can't go to Hong Kong as an exchange student. I ... My family doesn't agree."

Han Su sighed and smiled. " That's what I wanted to tell you. Originally, your quota was approved, but today, I received a notice from the school that your quota was canceled. I didn't know how to tell you, but this is perfect. "

Qiao Mu was stunned. She knew without thinking that it was Li Yan's doing.

That man really meant what he said. He didn't allow her to leave, so he blocked all her paths.

She didn't know if she should be happy that he cared about her or angry at his rudeness.

Senior, " Qiao Mu said apologetically, " I've troubled you for the past two months. I've made you work so hard for nothing. '

"I'm fine." Han Su paused and lowered her voice. " Mu Mu, are you the one who doesn't want to leave? If it's because of other reasons, I can help you. Even if the quota is cancelled, I can think of other ways."

Hearing Han Su's concerned words, Qiao Mu felt warmth in her heart. She smiled and said in a relaxed tone, "" Senior, thank you so much. I don't need it. I don't want to leave.

There was no sound on the other end of the phone. After a while, Han Su said,

“The person who stopped this matter is Li Yan. Mu Mu, you and him...”

Han Su hesitated and didn't say anything, but Qiao Mu smiled faintly. She didn't feel that there was anything to hide, so she said straightforwardly, “Li

Yan is not my biological uncle.”

Han Su sighed. He should have noticed it earlier. After thinking about it, he couldn't help but say, “Mu Mu, if you want to...”

“Senior, I'm fine now. Thank you for your concern.” Qiao Mu realized what he was about to say and interrupted him.

Perhaps Han Su thought that she was forced to be with Li Yan and wanted to help her out. She only treated Han Su as a friend. She had no intention of leaving Li Yan. Even if she wanted to, she could not drag Han Su into it.

After hanging up the phone, Qiao Mu went downstairs. Li Yan had indeed left.

Qiao Mu thought that she would definitely explain everything to him when he returned. Although it was her plan from the beginning to the end, she wanted to tell him that she did not want to leave.

Even if he didn't stop her, she wouldn't leave.

However, Li Yan still did not return at midnight.

Qiao Mu leaned against the headboard and unknowingly fell asleep.

The next morning, she was woken up by the ringing of her phone. When she opened her eyes, the bed was empty. She was lying on one side, and the blanket on the other side had not been touched. It was the same as it was before she went to bed last night.

Qiao Mu picked up the phone and answered the call. Chi Xia's cautious voice sounded from the other end, ""Mu Mu, you...Are you alright?"

Qiao Mu was stunned by Chi Xia's anxious and concerned tone. Did Chi Xia know about her relationship with Li Yan?

But how did she know?

I'm fine, Xiaxia, " Qiao Mu said in confusion. " How did you know? "

Chi Xia's voice suddenly became agitated. " How would I know? Everyone knows, how can I not know! You still say that it's fine? When I saw the news this morning, I was so angry that I almost vomited blood! Li Yan is such a jerk. I thought he was a good man. Since you didn't have any feelings for him, it's good that we split up now!"

Chapter 316: Completely Cutting Off Your Thoughts of Leaving (3)

Qiao Mu furrowed her brows, realizing that something was wrong. " Xiaxia, what exactly happened? "

'What? You actually don't know?" Chi Xia screamed. She realized that she was too impulsive and wanted to slap herself. " Um, Mu Mu, actually___" Don't be agitated first. Let's keep our hearts calm and not be sad because of that man..."

'What exactly happened?" Qiao Mu interrupted Chi Xia.

Hey, you should read the news yourself. Today's headlines! "

Qiao Mu hung up the phone and immediately opened the webpage. Her heart tensed up. Something that made Chi Xia so angry was obviously not a good thing.

As expected...

When she saw the headline, her eyes widened in shock.

The woman's identity was mysterious. She was intimate with Li Yan. Their relationship was unknown. She was the first woman to be exposed!

Qiao Mu's hands trembled as she held onto her phone. Through the cracked screen, she read every word on the screen. There was an entire article about Li Yan and that mysterious woman on the webpage.

At the bottom of the report, there were photos of the two of them going in and out of hotels and private villas!

It was like a slide show, one after another. From entering the hotel, to leaving

the hotel, to getting into the car, to entering the villa, the series of events were clearly captured!

The woman next to Li Yan had short hair, a hat, and a pair of large sunglasses. It seemed that she did not want to be photographed secretly, so her face was completely covered.

She was wearing casual shorts and a T-shirt. Her petite figure stood beside Li Yan and held his arm intimately.

There was also a photo of Li Yan opening the car door for the woman. Before the woman got into the car, she even wrapped her arms around Li Yan's neck..

They looked as intimate as a couple in love.

Their expressions could not be seen clearly. In the photo taken at night, only their outlines could be seen. If it was taken clearly, they might be able to see their happy expressions.

Qiao Mu took a deep breath. She felt her breath burning hot, burning her chest to the point of stinging pain.

She had been with Li Yan for so long, but she had never thought that he would have another woman besides her!

She had always thought that even if their relationship was ambiguous, she was his only woman!

However, after he left last night, he actually spent the night with another woman!

Was he taking revenge on her? Taking revenge on her for using him, taking revenge on her for leaving?

That was why he had to expose such a thing to her!

Staring at the private villa in the photo, Qiao Mu's heart twitched violently. When she thought about how he was with another woman, she felt as if she was suffocating.

He kissed others like he kissed her, hugged others like he hugged her. Even the kindness he treated her with was given to others as well, even better than how

he treated her..At the thought of this, Qiao Mu threw her phone away with a pale face.

Li Yan, you bastard!

To think that she had given up on the idea of leaving and wanted to be with him!

In the end, he still played her like a fool like he did back then!

She was really stupid. She had been deceived once, and she had to repeat the same thing again!

Qiao Mu stood up angrily and packed up all her belongings. She packed them up and left.. She didn't want to be with him anymore!

Chapter 317: Making Things Worse (1)

At the same time, in the private villa that had been exposed online. Two men were fighting. One of them was Li Yan, and the other was a middle-aged man in his fifties.

Although the man was already middle-aged, his facial features were still handsome and imposing. His high-spirited appearance was somewhat similar to Li Yan's.

Li Yan sat on the sofa expressionlessly. The angry man opposite him pointed at him. "You bastard, how dare you create a scandal with my woman!" Li Yan lifted his eyelids. "Do you think I want to?"

"You're still being reasonable! Hurry up and clarify everything!" Li Yan stood up and turned to leave without saying a word.

His attitude seemed to have angered the man behind him. The man picked up a

pillow and threw it at him. "Did you hear that? I'll give you five minutes. After five minutes, I want those messy rumors to disappear completely! You had a conflict with your own woman and came to affect our love life. Not only did you kidnap my wife, but you also caused such a thing. Do you want to anger me to death so early in the morning?"

Li Yan stopped in his tracks. He tilted his slender body slightly and dodged the pillow that was thrown at him.

He turned to look at the man, his tone not any better. "Old Mr. Li, it was you who made your wife leave in anger. You asked me to pick her up in the middle of the night, and I sent her back. If you're angry, don't vent it on your wife. I don't have the patience to listen to you throw a tantrum here!" "You How dare you call me old! I'm only twenty years older than you. Am I

old?" Li Zheng rolled up his sleeves in anger. "Come over here. Let's have a fight and see if I'm worse than you!"

Li Yan's tone was indifferent. "If you can't even keep an eye on your own wife, what can you do here?!"

Li Zheng choked. He pointed at Li Yan's back and snorted coldly. "As if you're very powerful. I heard that you were chased out of the house by the child you raised last night!"

Li Yan's expression turned ugly at the mention of this. He corrected her coldly, "She's 18 years old. She's an adult. She's not a child!"

"You're only 18 years old. What's the difference between you and a child? Your taste is really strong. You like this type. Look at yourself. You can't even subdue a woman. If you're done playing, stop it. Don't embarrass your father! 'You're useless. I inherited it from you! Also, change your attitude. She's your future daughter-in-law!"

Li Zheng was stunned. He did not expect Li Yan to be so direct. He waved his hand and said, "I don't admit it..."

"What are you not admitting?" Before Li Zheng could finish his words, a fierce voice sounded from upstairs.

Yu Yiduo came downstairs in her pajamas. Li Zheng's face turned serious. "What's so good about being a daughter of the Qiao family? Both you and your son are possessed by the Qiao family. The Qiao family can forget about entering our Li family!"

"You didn't argue enough last night. Are you looking for a fight again?" Yu Yiduo put her hands on her waist and widened her eyes. "What are you talking about? I've already decided on my daughter-in-law. If you don't agree, I'll kick you out of the Li family. I'll live with my son and daughter-in-law."

Li Zheng was so angry that his face turned red. "You! You're really rebellious."

"You're rebelling against the heavens for a son of the Qiao family!"

Just as Yu Yiduo was about to argue, Li Yan's cold voice rang out, "Mom, tell

Dad how the news this morning was created. Dad, you should discipline your restless wife."

Li Yan said and walked out of the villa. Behind him, Yu Yiduo shouted, ""Son,

I'm helping you.. Don't you know that it's the opposite?"

Chapter 318: Making Things Worse (2)

After Li Yan left home last night, he received a call from Yu Yiduo. Yu Yiduo and Li Zheng had just reconciled for a while before they started arguing again.

Li Yan did not want her to see his and Qiao Mu's state, so he sent her to the hotel.

After Yu Yiduo complained, Li Yan finally found out that the reason for their quarrel was also related to Qiao Mu.

Yu Yiduo was showing off her cute daughter-in-law to Li Zheng. When Li Zheng found out that she was Qiao Jiannan's daughter, he immediately disagreed and would never allow the Qiao family to enter the Li family.

Before Yu Yiduo married Li Zheng, the Yu family had arranged for her to marry Qiao Jiannan. However, Yu Tingyun had taken a liking to Qiao Jiannan and snatched the marriage away.

Yu Yiduo didn't have any feelings for Qiao Jiannan. She hadn't even met him before, but when Li Zheng found out about their relationship, he felt awkward.

When they were young, Li Yan and Qiao Mu were close, and Li Zheng could not be bothered to care, However, his son wanted to marry the Qiao family's daughter, so didn't this make him feel a knot in his heart?

Therefore, Li Zheng and Yu Yiduo started arguing and Yu Yiduo ran away from home in a fit of anger!

At that time, Li Yan was in a terrible mood and did not have the mood to comfort his mother over such trivial matters. He was already used to the two of them quarreling all day long.

After that, Yu Yiduo couldn't stay in the hotel any longer. She said that she wanted to go home and even disguised herself. She got a short-haired wig from somewhere and put it on. She even said that she was still 18 flowers after putting on makeup. She wanted to make the old man at home realize that she was in danger and treat her well in the future. If she didn't treat her well, she could still find a 30-year-old lover when she went out!

Then, this happened early in the morning.

Li Yan didn't know that Yu Yiduo had called the reporters. The reporters had been waiting for them in advance to take such detailed photos of their itinerary.

In fact, the main reason Yu Yiduo did this was because she could tell that Qiao Mu and Li Yan were not officially dating. Based on her experience, she knew that as long as she created some scandals and misunderstandings for her son, the results might be very different!

However, what Yu Yiduo didn't know was that the two of them were having a conflict. This wasn't helping them, it was making things worse!

Li Yan's mood was gloomy for the entire night. Just as he left his parents' place, he received a call from the butler, saying that Qiao Mu had packed her things and left!

In an instant, the anger that had not been suppressed surged again!

Had she forgotten all about the warning she had given her last night?

She still dared to leave him!

Qiao Mu took the bus to school. Halfway there, the bus suddenly braked, and the people on the bus tumbled.

Then, her phone rang. She looked at the caller ID and hung up.

He should be in his sweet spot right now, yet he was still in the mood to call her!

The other party refused to give up. If she continued to fight, she would hang

At this moment, the car moved to the side as if it wanted to bypass the obstacle in front of it. However, just as it moved, it suddenly braked.

The people in the car started to stir. Qiao Mu sat in the back and could not see what was happening in front of her. She only heard someone say, "" How can you drive like this? The road is so wide, but you're blocking the bus! "

Rich people are always so domineering when they drive. They're the masters when they drive a Bentley. If they get rear-ended, he won't be solely responsible! "

"What? Is that car very expensive?"

How ignorant.. A Bentley Mulsanne, this configuration costs tens of millions!

Chapter 319: Making Things Worse (3)

Qiao Mu's body stiffened when she heard the discussions. She stood up and looked in front of the car. Indeed, she saw that familiar car.

The phone rang again. She picked it up and heard the man's voice giving orders. "Get out of the car!"

"No!" Qiao Mu's tone was stiff as she rejected him straightforwardly.

The man's tone was gloomy and he sneered. " I'll give you one minute. I don't mind going up and pulling you down! "

“Li Yan!” Qiao Mu was so angry that she almost roared, but the other party hung up the phone right away, not giving her a chance to speak.

Qiao Mu knew that Li Yan was capable of doing anything. She could not afford to lose face if the man who was being discussed online early in the morning was seen pulling her on the bus!

She did not want to be the second person to have a scandal with him!

After hesitating for a moment, Qiao Mu got off the bus and got into Li Yan’s car.

She had just closed the car door when the car sped out.

The man gripped the steering wheel tightly with both hands. The veins on his hands were bulging, which was enough to tell his emotions at this moment. Then, the man’s cold and angry voice was heard. “Qiao Mu, who allowed you to leave without a word? My warning to you last night didn’t work, did it?”

Qiao Mu recalled that before he left last night, he told her that he had given up on the idea of leaving!

At that time, she thought that he cared about her and did not want her to leave. He only used extreme methods to keep her.

Now that he thought about it, he was just being possessive and could not accept her leaving him of her own accord!

He clearly had another woman, but he refused to let go of her!

Her heart suddenly began to ache.

She bit her lip hard and looked at him. He was still wearing the same clothes as last night. Her eyes seemed to be stung as she turned to the side.

Qiao Mu's silence made Li Yan even angrier, and he said in a gloomy voice,

““ Speak! ”

“I have nothing to say!” Qiao Mu stubbornly refused to look at him. When she thought of the scene in the photo, she felt disgusted with him from the bottom of her heart!

What right did he have to be so confident? Did he think she was blind or deaf? Everyone knew about his affair last night, but he didn't explain anything and blamed her!

Ha! What was there to explain? There was no need for her to explain to him, right?

Qiao Mu's " nothing to say " made Li Yan's anger reach its peak. He slammed on the brakes, and Qiao Mu's defenseless body arched forward, almost hitting the front car window.

Before she could sit properly, a large hand grabbed her shoulder and pulled her against the seat.

Qiao Mu felt dizzy, and when she opened her eyes, she saw Li Yan's icy cold face right before her eyes.

He leaned closer, and a faint scent of female perfume spread across the tip of her nose. It was like refreshing water, stimulating her brain.

She pushed him away and said angrily, ““Don't touch me!”

‘ What did you say?! ’ Li Yan's voice was suppressed to the lowest level. His low and hoarse voice was filled with suppressed anger.

Her eyes were filled with undisguised disgust. Before this, even if she rejected him, she had never looked at him with such disgust!

His large hand grabbed her chin and his voice was bone-chilling. ” Why?

Blocking your way? Are you too lazy to even pretend to please me now? ”

Qiao Mu’s chin was pinched until it hurt faintly. She frowned. ” Li Yan, what exactly do you want? ”
You’ve already canceled my exchange student quota, so I can’t leave.. Are you going to imprison me and torture me?”

Chapter 320: Let Me Go (1)

“You want to leave so badly? Even if you’re with me, you don’t want to stay?”

“Yes!” Qiao Mu answered without hesitation. Would she stay and be one of his women?

She didn’t care!

Li Yan narrowed his cold eyes and a cold glint flashed across them. He curled his lips sinisterly. ” Very good! Qiao Mu, don’t blame me for not giving you a chance!”

Qiao Mu turned her face to the side, looking as if she was looking at him with disdain!

Li Yan was furious. He held her chin and kissed her lips fiercely. The more she hated him, the more he wanted her to get used to it!

This kiss made Qiao Mu struggle intensely and forcefully push him away. As if she had been touched by something dirty, she raised her hand to wipe her lips and glared at him angrily. ”Get lost! Don’t touch me!”

“Don’t touch you? Why, do you feel disgusted now? Do you need me to remind you that there is no part of your body that I have not touched? Do you need me to demonstrate it again?”

Li Yan’s words made Qiao Mu’s face instantly turn pale.

Li Yan was filled with anger and refused to let her go. He kissed her again!

This time, Qiao Mu was even more agitated. She struggled with both her hands and feet, desperately avoiding his kiss. "Get lost, bastard. Don't touch me with someone else's mouth. I find it dirty!"

Li Yan's body froze and he suddenly looked up at her. "What did you say?"

At this moment, he realized that something was wrong.

Qiao Mu took the opportunity to push him away and forcefully wiped her mouth, wanting to wipe away the marks he left behind. She wiped her mouth again and again, refusing to stop even when her lips were red.

As she wiped, her eyes became moist.

Li Yan's heart tightened. He grabbed her hand to stop her from continuing to wipe. However, just as he grabbed her hand, she flung him away forcefully like

and

Qiao Mu clenched her fists tightly and held back her tears. Even though she pretended to be strong, her voice could not hide her grievance. "Don't touch me with a hand that you've touched before! I find you disgusting. I hate you to death, bastard! Don't even think about making me serve you with other women. You don't have to threaten me. Even if I die, I don't want it!" Even if she had to die, she didn't want to be with him!

These words were as hurtful as they could be. They pierced straight into Li Yan's heart, making him feel that unfamiliar pain.

However, he sensed that this was not the main point.

More importantly, he thought he had another woman!

Li Yan's eyes darkened as he stared intently at the woman in front of him. She stubbornly lifted her chin. Her eyes were clearly filled with tears, but she refused to let her tears fall. It was as if crying for him was not worth it.

Her words instantly cleared his mind. It turned out that she had misunderstood!

She had misunderstood the scandal this morning, which was why she had resisted him so fiercely!

Li Yan did not take this matter seriously at all. After the scandal spread, he did not think that she would misunderstand. He thought that she would recognize the woman who was with him last night at a glance.

Therefore, he did not even mention this matter, thinking that it was completely unnecessary!

However, she had taken it for real!

Because she misunderstood that he had another woman, she packed her things and left early in the morning. That was why she hated him so much and said those words that made him angry!

There was a reason for all of this. She did not mean it!

Li Yan stared at her with his dark eyes and asked word by word, Qiao Mu, do you mind if I'm with another woman? "
