

Destined Wife: The Apple of My Eye

Destined Wife: The Apple of My Eye –

Chapter 320 - ang Rui's Secret -

Chapter 320 Tang Rui's Secret

Dong Nianshuang knows she must seize the opportunity. Since Lang Ruoxian loves Tang Duo best, she does not believe that he will refuse. She touches the medicine in her bag, and do not care those rules. As long as she has sex with Lang Ruoxian, Tang Duo will not be with him any more in her character. At that time, Lang Ruoxian will belong to her.

But Lang Ruoxian says indifferently, "I'm not interested."

Dong Nianshuang is very surprised and asks, "You love her very much, don't you? Don't you want to know the truth?"

"It's none of your business." Tang Cao thinks she is not in good faith. And why does she talk about his sister's business with Lang Ruoxian alone? Isn't he Tang Duo's brother?"

Dong Nianshuang ignores him, her eyes are fixed on Lang Ruoxian, she says, "I really know something. You give me a minute. I will leave when I finish."

"Just say it!" Tang Cao stands beside Lang Ruoxian, attempting to join them.

"It's a secret thing, I want to talk to Mr. Lang alone." Tang Cao is staring at her when Dong Nianshuang finishes.

OK! This woman has an evil motive for Lang Ruoxian! Tang Cao finally discovered, he says fiercely, "F**k, how dare you to seduce Ruoxian in front of me. Dong Nianshuang! You are really shameless."

Dong Nianshuang probably has no choice, and doesn't feel embarrassed at all. Instead, she smiles slightly, "Mr. Tang, is it appropriate for a man like you to abuse a girl like me? And how do you see that I have an evil motive?"

Tang Cao snorts, "Do you think I am blind? Are there any problems for me to abuse you? I have never said that I don't abuse women. Not only do I abuse

you, but I even want to beat you. Oh! You used to be jealous of my sister, and secretly liked Hua Yan.”

“Now my sister is married to Ruoxian, and you like him again...” Tang Cao says, “Are you despicable? Why do you always like to follow my sister?”

Even if Dong Nianshuang is thick-skinned, she can't be completely indifferent hearing this. Moreover, Lang Ruoxian is expressionless, unable to see emotion. She clenches her hand and takes a long breath.

“OK! I was kind originally. I didn't expect Mr. Tang to humiliate me. If so, then I won't say anymore. Anyway, Tang Duo's trouble has nothing to do with me. I'm sorry to bother you.”

When she finishes, she turns around and quickly enters the elevator.

“Brother Ruoxian?” Tang Cao looks at Lang Ruoxian vigilantly, “What are you looking at? Dong Nianshuang?”

Lang Ruoxian glances at him and says, “Don't you feel thirsty for saying so much?”

“Not thirsty, I am hungry... No, don't go too close with that woman. Otherwise I... Hey? Ruoxian? Why are you walking so fast? Wait for me...”

The dinner on the yacht is very rich, and everyone starts to do their business after eating. Each has his/her own goals and goes to their places.

“Let's go to play with Qiao Liang!” Chen Xiaopang asks Tang Cao.

Tang Cao asks Lang Ruoxian, “Ruoxian, are you going?”

“No.” Lang Ruoxian has already made an appointment with Qiao Liang and specially chose to talk at breakfast time tomorrow.

“Then where are you going?”

Lang Ruoxian looks at him and says, “Go back to the room. What do you want to do?”

Tang Cao shakes his head, “It's okay! I just ask.”

After Lang Ruoxian leaves, Tang Cao also secretly follows. Chen Xiaopang rolls his eyes, “Are you going to steal something?”

“Hush!” Tang Cao stares at him, “Hush, I have to watch Ruoxian.”

“Why do you watch Ruoxian?”

“What if Dong Nianshuang comes to him again?” Tang Cao says, “That woman is absolutely not in good faith. Oh no! There are a lot of aphrodisiacs in the room, will she use them on Ruoxian?”

Chen Xiaopang pinches his face, “Wake up! Who is he? Lang Ruoxian! Who is Lang Ruoxian? He is the devil! Only he calculates others. A Dong Nianshuang is not enough, okay...”

“...You’re right.” Tang Cao has been only wary of women, forgetting that Lang Ruoxian is a devil.

So the two men went away shoulder to shoulder and arm in arm.

Seeing Tang Cao leave, Dong Nianshuang quietly returns to the top floor, but unfortunately she is late, Lang Ruoxian has entered the room. She also rushes back to her room and rushes into the balcony, but only saw the thick curtains of the next room, even couldn’t see a beam of light.

Dong Nianshuang blows the sea breeze for half an hour and kept playing songs on her mobile phone, but the room next door was still very quiet. She has to go back to the room in low spirits and looks at the aphrodisiac in the drawer. She decides to try again tomorrow.

“Brother Ruoxian, Brother Ruoxian!” Tang Cao doesn’t get up until noon, and runs to Lang Ruoxian’s room and asks, “How’s it? Have you talked to Qiao Liang?”

Lang Ruoxian looks in a good mood, “Yes, I have a chance to meet his dad.”

“It should be no problem, Chen Xiaopang told him yesterday!” Tang Cao rubs his stomach and says, “I’m so hungry, I am going to have a meal first!”

Dong Nianshuang watches Tang Cao walk into the restaurant and says, “This is your only chance. Tomorrow the yacht will come ashore.”

There is a sexy woman standing beside her, and she looks at Tang Cao who is eating, "But... but I don't dare, if he refuses me..."

"Fool!" Dong Nianshuang smiles, "Aren't you the most popular model now?" There are few men who can reject you. Besides, you try so hard to get on board only wanting to find a rich man! Mr. Tang doesn't even have a girlfriend. It is possible to marry him if he really falls in love with you."

The woman is not stupid, she doubts, "So why don't you go?"

"Do I need this?" Dong Nianshuang picks eyebrows, "I am different from you."

The woman knows that Dong Nianshuang is popular now, and has Bai Family to support her, of course, unlike them...

"If you can't do it, you still have medicine in your bag!" After Dong Nianshuang finishes, the woman is a little scared, "How do you know?"

Guess... The women on board probably all carry those things with them.

Dong Nianshuang says with a smile, "It doesn't matter. The important thing is that if you don't go, you really have no chance."

"Young Master..." Shu Sheng takes a room call and his expression is a bit strange, "The restaurant man said that Childe Tang is drinking with a woman who secretly added something into the wine."

Lang Ruoxian frowns, "Go and see, whether it is true or not, bring him back."

When Shu Sheng leaves, someone rings the doorbell. Lang Ruoxian opens the door to see the male waiter of the ship pushing the car filled with red wine.

"Sir, this is the wine that Childe Qiao brought back from a foreign winery. It is a gift for everyone." Lang Ruoxian sees a waiter on the other side of the corridor pushing the car to the other room.

"Every guest has it." The waiter walks in and pours the wine into the glass, and takes a bottle of unopened wine, "You can take it back and taste it slowly. The wine in the cup is already decanted. It's just time."

Lang Ruoxian thanks him and sends the man out. This brand of wine is good. Yan Hua likes to drink it. Lang Ruoxian looks at the vintage. Although the vintage is not long enough, it is enough to drink ordinarily.

The red wine in the wine glass is crystal clear. Lang Ruoxian takes a sip and the door behind him slowly opens, and someone steps closer to him.

“If I were you, I would go out now.” Lang Ruoxian turns around and says, “But I don’t think you should leave.”

Dong Nianshuang wears a red low-cut skirt, half of her breast is exposed to the outside. The entire red yarn is transparent, and only the lustrous rhinestones between the legs are used as a cover.

She believes that no man can resist such a beauty like her, let alone Lang Ruoxian who just drank the aphrodisiac.

“Since I am here, of course I will not go.” Dong Nianshuang smiles shyly and it is a success!

Lang Ruoxian puts down the glass and looks at her with his head tilted slightly, “You said that you knew why my wife had disappeared in the past, and now I want to hear it.”

“You still remember that woman at this time? Do you really only have her in your eyes!” Dong Nianshuang is a little angry, but when she sees that Lang Ruoxian’s face is still normal, she doesn’t mind delaying the time to wait for the medicine to work, “It was Tang Rui. It was Tang Rui who found a corpse to pretend to be her and deceived everyone.”

Dong Nianshuang suddenly smiles, “Do you know why Tang Rui hates Tang Duo so much? Because Tang Duo was the first person of his lust, he liked Tang Duo when he was a teenager.”

Lang Ruoxian’s expression instantly became grim. Dong Nianshuang almost retreats, but she quickly calms down, “He knew that he and Tang Duo were impossible, and he did not know when this affection became hate. Probably because he couldn’t get her, so he just ruined her, and no one can get her!”

“How do you know.” Lang Ruoxian stared at her.

Dong Nianshuang hesitates, “Once Tang Rui drank too much and treated me as Tang Duo, he said it himself...”

Everyone has only Tang Duo in their eyes. Even if she works hard, those people would say that she almost caught up with Miss. Tang.

“Ha ha! A person who does not learn anything.” Dong Nianshuang is somewhat proud, “I spread the message that Tang Duo only has a beautiful face and nothing else. She is arrogance and looks down on people, gradually no one is willing to play with her, ho ho ho!”

“But even then, she still despised me!” Dong Nianshuang’s expression became ferocious, “Why? She had no friends, and men only treated her as a person of sexual desire. Needless to say those celebrities who were jealous of her, they thought that she was worthless.”

“In the end, even the fiancé didn’t want her.” Dong Nianshuang’s eyes were in a trance. As if she sees that she was hiding behind the tree and watching a few celebrities ridiculed that Tang Duo was abandoned by Hua Yan. What does Tang Duo say at that time?

She looks in contempt at the women and says, “I never care about a man. If you want to make me uncomfortable, then I really feel a little bit. If I knew that he had so bad vision, I would never agree to the marriage.”

“She was still so confident and proud when she was abandoned by a man.” Dong Nianshuang held her head, “I even don’t dare to express my love to my favorite man. Do you know how much I hate her? Why? Why did Tang Duo come back?”

“She shouldn’t exist, I want her to disappear, and disappear forever...” Dong Nianshuang’s voice gradually became smaller, and finally she falls slowly on the carpet, and motionless.

Chapter 321 Suffering from Her Own Actions

Tang Cao sits on the plane and sneezes.

“Atishoo!” He rubs his nose and complains, “I must have caught a cold. Brother Ruoxian, you are so cruel.”

He drank the drugged wine and was taken back to his room by Shu Sheng to take a cold bath for half an hour. Only later did he know that Dong Nianshuang had played the trick, but Lang Ruoxian had no problem.

“You are indeed a devil as expected...” Tang Cao sneezes again, “How did you know that there was something wrong with the wine the waiter had sent to the room?”

Xiaokai raises his hand, “Because I had put a bug on Dong Nianshuang!”

Since having known that Dong Nianshuang was on the yacht, Lang Ruoxian let Xiaokai keep an eye on her. So he knew who she met and what she said.

“The yacht was borrowed by Child Qiao, and the crew were all foreigners. They did not know who the guests on the yacht were, so Dong Nianshuang easily bribed one with money.”

Xiaokai shrugs, “If she could bribe someone, we could, too!”

So another waiter who delivered the wine received the money from Lang Ruoxian, and what he had to do was to put some drug in Dong Nianshuang’s wine.

“Brother Ruoxian, you were not cruel enough.” Chen Xiaopang says, “Why did you only get her faint? You should just give her some aphrodisiac and throw her into the bar.”

No sooner has he finished speaking than he hears Tang Cao exclaims, “You quickly read news on the internet. Dong Nianshuang hits the headlines!”

“What do you mean, Miss Dong?” The middle-aged man lights a cigarette and smiles, “You came back to the room with me yourself. Since it was with our mutual agreement, who are you crying to now?”

Dong Nianshuang is sitting in the corner, clutching the bed sheet. She is totally bare under the bed sheet. Her body is full of traces left by the man. Her legs hurt and she can’t stand up. There is blood in one corner of the bed sheet.

The bright red color is like a knife cut in her heart. The sex toys scatter all over the floor messily. Last night’s scenes were replayed in her mind like nightmares. Her virginity was given to a strange man of 50.

“You are talking nonsense!” She looks at the man with hatred, “You wait. I will sue you. I will sue you for raping!”

The smile on the man's face fades, "You want to sue me? You should see this first."

Dong Nianshuang's mobile phone drops on the carpet with a sound. Its screen still pauses on the video page. She hurriedly picks it up and clicks on it. The voice of a woman groaning spreads out. She was riding on a man, taking the video while moving, and urging him to exert himself.

"No... That's impossible!" Dong Nianshuang drops her mobile phone but quickly picks up to delete the video when she thinks about something the next second.

The man laughs mockingly, "You can delete it as you wish. I still have the copy in my mobile phone. Do you want to have a look? Your performance afterwards is even more amazing."

Dong Nianshuang closes her eyes. She remembers going to Lang Ruoxian's room last night. Clearly Lang Ruoxian had drunk the glass of wine, but she fainted. Then she woke up in her room. She was unwilling to give up, and wanted to find Lang Ruoxian.

Then she met this man in the corridor...

"Do you remember it?" The man smiles when he sees her open her eyes, "I met Miss Dong and saw that your face was pale. I kindly went up and showed solicitudes to you. But you rubbed yourself against my body. I am a man! The beauty delivered herself to the door, why couldn't accept?"

Dong Nianshuang bites her lip hard. Yes! She took the initiative to come back with this person. She doesn't know why she did that. She seemed to be out of control and just want to let off the desire...

"You must have taken some aphrodisiac!" The man kindly reminds her. He wears clothes well and looks at his watch, "I'm getting off the yacht. Miss Dong, you are a popular star and the younger sister-in-law of Bai Yuanqi. I don't expect you to be my secret lover. About what happened last night... Forget it and just regard it as a one-night stand!"

Dong Nianshuang watches him walk out of the room. She can't help smashing the bedside vase at his direction. With a bang, the fragments of the vase scatter on the ground, which is just like her heart at this moment, broken into pieces.

“Nianshuang?” The agent finally gets through the phone and showers questions on her, “Why didn’t you answer the phone? Are you all right?”

“I was just taking a bath just now.” Dong Nianshuang is anxious to rub off a layer of her skin. She wraps herself tightly and doesn’t want to face the traces on her body.

“Don’t get off the yacht now. The docks are full of reporters.”

“Reporters?” A bad feeling wells up in her mind, “Why are there reporters?”

The agent is stunned for a moment, “Didn’t you read micro blog?”

Dong Nianshuang immediately opens her micro blog and finds herself hit the headlines.

#Popular Young Actress Throws Herself on a Business Leader in the Yacht Party Organized by Rich Second Generation#

There is a clip of video. She hugged a man and kissed him in the corridor and then followed him into the room. Her micro blog is set in frenzy and fans keep asking whether the video is real.

Dong Nianshuang shakes her hand and puts her mobile phone to her ear, “What... What can I do? Netizens all know about it. I... What can I do?”

“You stay in the yacht and don’t move first. I am negotiating with Childe Qiao, asking him to let me go on board. Please wait in the room and don’t come out!”

A few minutes later, Qiao Liang comes to the room with Dong Nianshuang’s agent. He still has an impression of Dong Nianshuang. After all, she is a star and looks very beautiful. He is also responsible for what happened to her in his party.

“Miss Dong, I’m sorry!” Qiao Liang says, “I have investigated who sent the surveillance video on board to the Internet. Please feel free to ask for anything.”

Dong Nianshuang is about to open her mouth when her agent gives her a severe pinch.

“Childe Qiao, how nice you are! Since Nianshuang now is so afraid, can you arrange us to go first? We’ll talk about other things later.”

Qiao Liang naturally has no objection. Although the video has been circulated, Dong Nianshuang did follow the man back to his room yesterday. Qiao Liang also clearly knows about the dirty trick here. Either Dong Nianshuang offended someone or someone framed her.

Now that her agent does not investigate and affix the responsibility, he is happy to save trouble. He specially lets bodyguards escort them to leave.

“I didn’t drug her!” Xiaokai shouts, “I took her back to her room and left.”

Tang Cao points to the video on the internet, “Then what happened to her?”

“Why do you care what happened to her!” Chen Xiaopang says, “She just suffers from her own actions. Is she the only one who can drug others?”

Shu Sheng looks at Lang Ruoxian and Lang Ruoxian frowns, “Have an investigation.”

He doesn’t care what happens to Dong Nianshuang, but he needs to know who has taken the advantage in the matter.

“I know who it is.” Chen Xiaopang suddenly says when getting off the plane.

Qiao Liang just sends him a message, sharing the progress of the battle between women.

“It us the model who drugged Tang Cao in the restaurant. Surveillance photographed her entering Dong Nianshuang’s room. Dong Nianshuang came out a few minutes later, and then she left with the man in that way.”

Tang Cao says, “So she fed some aphrodisiac to Dong Nianshuang?”

“It should be so.” Chen Xiaopang shakes his head, “So don’t offend women!”

Lang Ruoxian narrows his eyes, “Find the model and ask her clearly.”

Returning to Tang Family’s house, Tang Cao finds that their family even don’t know there is such a headline.

“Mom says that mobile phone has radiation, so she prevents me from using it all day. What’s the matter?” Seeing her brother asks her whether she has read the news on the internet as soon as he comes back, Yan Hua wonders “Have you hit the headlines again?”

“Not me!” Tang Cao affably turns on his mobile phone and says, “Look, look!”

Lang Ruoxian helps her to sit on the sofa, “There’s nothing important to see, just other people’s business.”

“Ah, Brother Ruoxian, don’t say so! Didn’t it involve us at first?” Tang Cao sits down on the opposite side alone. The three old people in the family are not at home for they go to the temple today to fulfill their promises.

After watching the video, Yan Hua clicks the tongue, “What’s wrong with her?”

“I don’t know.” Tang Cao tells the story from beginning to end. He doesn’t mention much about Dong Nianshuang seducing Lang Ruoxian, but Yan Hua doesn’t question. She is just as curious as they are about whether the female model did it.

Lang Ruoxian hugs her and touches her belly which is still flat, “I didn’t want to tell you at first, but if you don’t know what someone gossips about in the future, I’d rather tell you.”

“Yes! You should have told me all,” Yan Hua praises him and then curls her lips bitterly, “It seems that participating in activities is a dangerous act. If you weren’t on guard for her, you might have been calculated.”

“That can’t be!” Without waiting for Lang Ruoxian’s assurance, Tang Cao shouts first, “Brother Ruoxian is the devil who can only be handled by you, and everyone else will be played dead by him.”

Shu Sheng goes to find the model on the yacht, and the model all confesses. It is indeed she who fed Dong Nianshuang some drug. The reason is that she was scolded by Tang Cao that day, but when she left the restaurant, she happened to hear the crew say that Dong Nianshuang had just called, so she took an extra look.

“It turned out that that b***h had called Mr. Lang’s room. She used me!” The model wanted to beat Dong Nianshuang and went to her room to look for her in anger.

But she found that the door of Dong Nianshuang's room was unlocked. She thought Dong Nianshuang and Lang Ruoxian were inside, so she thought of going in quietly to take a picture. As a result, she saw Dong Nianshuang lying on the bed alone, so she had an idea and fed Dong Nianshuang some aphrodisiac.

"So it was because Xiaokai didn't lock the door when sending her back to the room..." Yan Hua doesn't know what expression she should have after hearing.

Chang Pei'e and Bai Susu nods with great satisfaction, "This is retribution. She suffers from her own actions!"

"She is still whitewashing the scandal!" Tang Cao reads through the micro blog, "Her public relations team now says that the woman in the video is not her."

Yan Hua looks at Lang Ruoxian and says, "She said so. Is she not afraid of the man who slept with her that night coming out to confront with her?"

"No." Lang Ruoxian feels that Dong Nianshuang is lucky, "The man who slept with her is surnamed Liu, the boss of a large supermarket chain. He has already had son and daughter, and he is of this age..."

He just regards this to be like sleeping with a woman at ordinary times. Besides, Dong Nianshuang has some relationship with Bai Family, so Liu Gang also doesn't want to tread in muddy water.

"Then she is really lucky in misfortune..." Yan Hua nods, "If she slept with an ordinary man, he might even blackmail her with a sum of money."

Lang Ruoxian, however, did not want Dong Nianshuang to be so lucky. The day after Dong Nianshuang's public relations team whitewashes the scandal, an internet celebrity reveals a list, which is the names of the guests on the yacht that day. Dong Nianshuang is impressively listed on it.

"Now let's see how she can whitewash the scandal!" How anxious is Tang Cao to instigate and see chaos! He posts on micro blog and @Chen Xiaopang.

@The World's Fattest Man, did we see @Dong Nianshuang while playing on the yacht that day?

Chen Xiaopang replies soon.

@Hey, hey! We not only saw her, but also spoke to her! @The World's Fattest Man, Did we see @Dong Nianshuang while playing on the yacht that day?

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 322 Two Small Crossed Shapes

With the first playboy in Yanjing testifying, all netizens are instantly sided with them. Except some brainless fans, most people believe that the person in the video is Dong Nianshuang. Dong Nianshuang's working team members stay up several nights and finally decide on a solution.

"We have already notified the reporters and posted on the micro blog. We will hold an explanation meeting at the Jin Yue Hotel tomorrow afternoon. Have you memorized everything you will say?"

Dong Nianshuang looks gaunt and even her makeup cannot hide her black circles. She holds her mobile phone and reads what those people on the Internet scold her. They say that she is menial, calling her a street girl, and say that she has been famous for sleeping with directors and sponsors.

"Don't look at these!" The agent takes the mobile phone away from her hands, "Now it's time to solve the problem. What's the use of looking at all this?"

Dong Nianshuang screams like crazy, "It's no use! I am finished! I am finished!"

She doesn't know what to do. Dong Nianqiu called and scolded her. Bai Yuanqi wouldn't take care of her any more, or even her sister would be affected.

"Calm down!" The agent hugs her, "Though Bai Family said that they wouldn't involve, they still provided us with the public relations team, and the company has also been helping you with public relations. How significant is this? Did you forget that a movie queen's sex video was exposed by her ex-husband, but she only disappeared for several years and then came back?"

Dong Nianshuang looks at her blankly, "I can turn over... Impossible..."

“Why impossible?” The agent presses her onto the sofa to sit down and pours her a glass of water, “You were only photographed pandering to a man in the corridor, not entering the room with him.”

She puts a piece of paper into Dong Nianshuang’s hand, “Recite this quickly. I promise you will be OK this time!”

Dong Nianshuang’s explanation meeting is broadcast live on the Internet simultaneously. The three women in Yan Hua’s family are all sitting in front of the TV because they are not busy.

“Is she wearing makeup?” Chang Pei’e is shocked when Dong Nianshuang comes out.

The woman who used to be delicate and beautiful looks withered. She wears a white dress and doesn’t dress her hair, only simply draping over her shoulders. No makeup can be seen on her face, or she just makes a light makeup.

Yan Hua doesn’t believe that Dong Nianshuang has no makeup. She once looked at Dong Nianshuang closely. Dong Nianshuang’s skin is not so good, at least it is not as mellow and flawless as that of Yan Hua. Yan Hua is confident.

“She must have had makeup!” Bai Susu says, “She deliberately made up to be withered and poor, otherwise how can she win public sympathy?”

Yan Hua casually eats a walnut, “I don’t know what she will say...”

“She can only admit it.” Bai Susu smiles, “She can do nothing but this.”

Sure enough, Dong Nianshuang starts crying after sitting down.

“I’m sorry to everyone, to my fans who care about me. I didn’t set a good example for them. What happened on the yacht was a nightmare to me.”

She blabbers...

She cries and says, admitting that she went to a party on the yacht with her friends. After drinking too much, she grabbed a stranger and let him hug her. She cried and made a noise if the man didn’t hug her.

“I know I have this problem. When I got drunk, I’d like to let others hold me. It is probably because my parents were busy when I was a child and didn’t have time to accompany me, only leaving sister to take care of me. Therefore, I lack the sense of security.

“I used to be very careful, and my agent and assistants kept an eye on me, so I seldom got drunk. Even if I was drunk, they would take good care of me.”

“This time I was careless. In fact, when I realized that I was drunk, I hurried back to my room and locked myself up myself. I didn’t think it didn’t work. I was too drunk to know how I got out, “

Dong Nianshuang stands up, choking with sobs, and bows deeply to the audience.

“I’m sorry! As a public figure, I have not establish the right social atmosphere and set a bad example. I will do self-criticism and will never touch alcohol again in the future. I also hope you will give me a chance to forgive me and supervise me!”

It has to be said to be a very wonderful public relations. Dong Nianshuang suddenly changes from dissolute shameless b***ch whose personal life is corrupted and disgusting into a little poor girl who has moral loss after being drunk but regrets helplessly.

“It’s really a good show.” Chang Pei’e takes off the reading glasses, “People are really smart now. It is estimated that it won’t be long before the thing will completely pass and be forgotten.”

Bai Susu coldly looks at Dong Nianshuang, who is still crying in the TV. Lang Ruoxian has told her that all the bad words about Hua in her childhood came from this woman’s mouth. If it was before, she could have regarded Dong Nianshuang as a fart, but it will be different now.

This woman is obviously hostile to Hua. She must be on guard. If necessary, she must take the initiative to gain the upper hand to deal with Dong Nianshuang first!

“Mr. Lang!” Liu Gang strides into the private room, “You’ve chosen a good place. Their tea is the best. I hear there are still some teas belong to personal storage that you can’t buy.”

Lang Ruoxian makes a gesture of invitation, "Mr. Liu, try this cup."

"Kam melon tea! Ha ha, we should say the living conditions are good now. Kam melon tea used to be all hidden in the Forbidden City, which is a national second-class cultural relic!" Liu Gang smells it and carefully drinks a mouthful of the tea. His pupils suddenly enlarge, "This... This is Royal Tea King Xiang Zhuqing?"

Royal Tea King Xiang Zhuqing, the world's largest ancient tea tree, is more than 3,200 years old and is a true ancestor tea tree. Now its tea leaves are used for exhibitions, and occasionally some are sent to leaders.

"I remember a few years ago a businessman of Gang City bought 200g of compacted tea of Xiang Zhuqing at a price of 400,000 in an auction, but I haven't seen any of this kind of the tea on the market since then." Liu Gang loves tea as much as his life, holding the small cup like holding something precious. His tears almost drop.

"Good tea needs someone who can appreciate to drink." Lang Ruoxian fills him cup, "In Mr. Liu's mouth, it is the king of tea, but in my mouth, it is just a cup of ordinary tea."

Liu Gang takes a deep breath of tea fragrance and puts down the cup to look at Lang Ruoxian.

"Mr. Lang, our lives have no intersection, and my company's business has nothing to do with Lang Consortium. Is this cup of tea today... Too precious for me?"

Lang Ruoxian smiles, "Mr. Liu is a wise man, so I'll just say it. Do you have a video of you with Dong Nianshuang on a yacht?"

"..." Liu Gang is stunned, and an embarrassed expression flashes across his face. Even if everyone has a tacit understanding, it is still quite embarrassing to talk about sleeping with women in public.

He curiously asks, "Mr. Lang, do you bear grudges against each other with that Miss Dong?"

"Yes." Lang Ruoxian duly admits, "So I invite Mr. Liu to have tea today. I hope you can give me that video." Lang Ruoxian takes out a delicate wooden box from the drawer of the tea table and pushes it over.

Liu Gang shakes his hands and opens it. It is indeed a cake of compacted tea inside, a cake of compacted tea of king of tea Xiang Zhujing!!

“Mr. Lang...” Liu Gang prevents himself from rushing at it with great effort, “I don’t know what you want to do, but I was in the video, and I promised Dong Nianshuang to have destroyed it.”

Lang Ruoxian covers the cup with a smile and pushes it forward again, “Mr. Liu, I mentioned just now that the good tea needs someone who can appreciate to drink. You are a tea lover, so I should send you the tea today whether you promise me or not.”

He puts the wooden box into Liu Gang’s hands, “How can the things sent out be returned? Mr. Liu, you say, isn’t it?”

“Alas...” Liu Gang sighs, “How can I refuse you like this?”

“Mr. Liu, rest assured. I promise no one will see you in the video.” Lang Ruoxian smiles faintly, “Now the technology is so advanced. It’s quite easy to cut one person in the video. Even you want to add one person in the video, it is still very easy, isn’t it?”

Half an hour later, Liu Gang walks away with satisfactory expression, holding the cup in his hand. Lang Ruoxian turns the USB flash disk in his hand and gives it to Xiaokai.

“Blur the image of Liu Gang and then send it to Dong Nianshuang.” After a pause, he adds, “It will be the end of the month soon. Send it after this month.”

At the end of the month, it is Gungun’s birthday. After the birthday, it is the date for Yan Hua to take the birth inspection. The babies in her belly are nearly three months old after counting. The doctor is still the dean of the obstetrics and gynecology department who they met last time. But this time when she looks at the color Doppler ultrasound image, her expression is a little strange.

“Doctor, is there a problem?” Lang Ruoxian holds Yan Hua’s hand tightly. Only the two of them come today. If there is anything wrong, he cannot panic.

The doctor smiles suddenly and happily shows them the color Doppler ultrasound list, “Congratulations, Mr. Lang! Mrs. Lang, you are pregnant with twins!”

Lang Ruoxian and Yan Hua are shocked.

“Look, here!” The doctor points to the small crossed shapes that separate like two small bean sprouts, “It is already clear that they are two fraternal twins.”

“God!” Yan Hua covers her chest, feeling eyes sore, “How... How is it possible! Our family has no history of twins!”

Lang Ruoxian quickly calms down after the surprise, “Hua, you forgot my family has it.”

Yeah! Lang Ruoxian’s father and Lang Li are identical twins!

“Then it can be seen whether there are two boys or two girls, or a boy and a girl, right?” Yan Hua quickly asks the doctor.

The doctor smiles and says, “Yes! If they are identical twins, it will only be two boys or two girls. If they are fraternal twins, either gender is possible. It’s not clear yet. We’ll know until the prenatal check-up next month, “

Generally hospitals are not allowed to tell pregnant women about the gender of the fetus, but this hospital is run by Tong Yue’s family. He pulled strings long ago, so the doctor takes the initiative to tell Yan Hua about the genders of the babies.

“Now that you have two babies, you should pay more attention to the absorption of nutrition and don’t be particular about food for keeping your figure.” The doctor reminds her and writes several notes to Lang Ruoxian.

“You also need maintain a happy mood. Apart from things that are easily irritating and that pregnant women cannot eat, everything else can be eaten according to your own preferences. You can eat whatever you want without any burden.”

The two happily go home. Chang Pei’e and Bai Susu take the old playboy Tang Yao and the young playboy Tang Cao to wait in the living room. They all ask when Yan Hua and Lang Ruoxian come in.

“How is the baby?”

“Are you all healthy?”

“How is your body? What did the doctor say?”

Yan Hua doesn't say a word and stands looking at them smiling.

“Sister...” Tang Cao steps back a few steps, “Don't laugh like that. I'm afraid of it.”

Chang Pei'e anxiously asks, “Hua? Is there a problem?”

“Oh, you child!” Bai Susu doesn't ask her, but asks Lang Ruoxian, “Ruoxian, you say!”

Lang Ruoxian hands over the color Doppler ultrasound list and Tang Yao grabs it to see for a long time.

“Can't understand... Which is the baby? Or is it the black spot?”

Lang Ruoxian helps Yan Hua sit down. Yan Hua pointed to the crossed shapes and asks, “Here, have you seen it? Two crossed shapes.”

“Ah, bifurcation! I say, it's not the same as the one I saw last time.”

Bai Susu is stunned instead and suddenly raises her voice, “Hua! You are pregnant with twins!”

Chapter 323 He Has an Ulterior Idea about You

The whole family is shocked by the surprise. Tang Yao giggles with the color Doppler ultrasound list in hand, “Our family is going to have two identical babies. Shall I be able to tell them apart? Shall I bathe a baby twice?”

“How is it possible, Dad?” Tang Cao despises, “You don't have presbyopia.”

Tang Yao despises him back, “You know nothing. Haven't you heard about the joke? A mother bathed the twins. The eldest was bathed twice, but the second wasn't bathed once.”

“Dad, no!” Yan Hua explains what the doctor said, “Because they are fraternal twins, the probability of being identical is relatively small.” She wanted to say that the twins would not look the same, but she thinks that Lang Ruoxian and Lang Zeyu’s fathers were two people, and they were exactly the same...

Genetic power is great and mysterious. Who knows what will happen?

Gungun is very excited about having two younger brothers or sisters. In private, he also tells Wuyou that they will take care of the babies one another. But at the same time Gungun is a little bit selfish, hoping that Wuyou will only take care of him, “

Yan Hua soon discovers that something is wrong with her son, and finds a chance to ask why. Gungun is very embarrassed to say that he is afraid of being out of favor.

“No.” Yan Hua holds laughing. Now even a 10-year-old child knows the word ‘be out of favor’. If you don’t believe it, why don’t you ask Wuyou yourself?”

Burying his face in rolling ran away, for he is embarrassed to ask such a question. Yan Hua knows that her son is just jealous of what has not yet happened, so she calms down to continue her life as a pregnant woman only focusing on eating and drinking.

Then after half a month, suddenly one day when eating, Wuyou looks at her belly and says.

“There is a younger brother and a younger sister.”

Bai Susu is stunned, “Wuyou, what did you say?”

“There is a younger brother and a younger sister in mother’s belly.” Wuyou touches Yan Hua’s belly, “

Yan Hua looks at her belly and asks uncertainly, “how does Wuyou know?”

“It smells different.”

Others are puzzled.

“Maybe she can smell something we can’t smell.” Lang Ruoxian puts the egg into Yan Hua’s bowl, “Since Wuyou says that there is one son and one daughter, it should be true.”

Tang Cao looks at Wuyou shockingly, “Is it so amazing? Wuyou, do you really smell it?”

“I depend on feeling not smelling.” Wuyou shakes her head, “It’s probably my instinct. Uncle, you can’t learn.”

Tang Cao squints.

“Wuyou, you’ve become bad. How can you be as sharp-tongued as your father?”

Gungun hurriedly takes hold of Wuyou’s hand, “Uncle, you talk nonsense. Wuyou is not sharp-tongued. Wuyou is best!”

“You are a heartless bad boy!” Tang Cao stretches out his hand to catch Gungun, and the two roll onto the carpet and laugh.

Lulu barks to join in. It presses Tang Cao’s face with its buttocks to prevent Tang Cao from bullying Gungun. Tang Cao has a hard time getting up, with his mouth full of the dog’s fur.

“Gungun and Lulu, when you asked me to be your driver during the summer vacation, your attitude was so good. Now you don’t need me to be a driver so you bully me together. We are no longer pal playing together!”

Gungun laughs. He and Wuyou take Lulu to run away.

Lang Consortium

“Young Master, I’ve sent the video to Dong Nianshuang.” Xiaokai says as soon as he goes to work.

Lang Ruoxian is looking at the documents to be used for the meeting immediately. He raises his head and says, “Don’t say anything. Remember to send it to her every three days.”

“Then she must have been frightened to death!” Xiaokai gloats to say.

Dong Nianshuang isn’t frightened to death, but it is almost the same. Since the last explanation meeting, her popularity has finally stopped declining, and several of her endorsements have been retained.

Just when a new movie is released, in which her role is very pleasing, thus her popularity recovers a lot. But Dong Nianshuang's condition is still not good. Only she knows what happened that day, and she doesn't even tell her agent.

Thinking that her virginity was ended in the hand of the old man in that case, Dong Nianshuang feels her heart bleeding. She has taken the contraceptives and tells herself desperately that it is a dream and it is all over.

But just then she receives the video, in which Liu Gang's face is blurred, but her face is very clear. Looking at the intoxicated and lascivious face, Dong Nianshuang doesn't want to admit that is her. She doesn't believe that it is her.

"Ahhh..." She throws her mobile phone into the toilet like crazy and presses the flush button, as if she can wash away the video. And then she runs back to the room to crawl under the bed.

The agent calls and can't find Dong Nianshuang. She runs to Dong Nianshuang's house at two o'clock in the middle of the night. When she finds Dong Nianshuang sleeping under the bed, she gets a fright and quickly drags Dong Nianshuang out.

"What's the matter with you? Where's the mobile phone? Why can't I get through all the time?" Dong Nianshuang's eyes glaze over as she holds the quilt. The agent touches her face, "Don't frighten me, Nianshuang. What's wrong with you?"

Dong Nianshuang lets out a cry. She runs into the bathroom to take out the mobile phone from the toilet and turns it on desperately.

"Did you fall it into the water?" The agent comes over and has a look, "This is definitely not going to work. I'll buy you a new one tomorrow."

Dong Nianshuang finally responds, "No. No. No. I don't want."

"Don't be capricious." The agent takes the mobile phone over, "Where's your ID card? You have to renew a SIM card."

Dong Nianshuang ignorantly gets through the night till dawn. The agent changes a new mobile phone for her. After turning it on, Dong Nianshuang

nervously checks the photo album and finds that there is no video in the synchronized album. She comforts herself that she must have been wrong.

“Yes, it’s wrong! Impossible, impossible...”

Three days later, Dong Nianshuang receives the video again. She drops her mobile phone in panic. At that time she is just about to enter the cast and start filming. Her performance is naturally very bad. The director can do nothing about it but has to give her two days off to adjust.

“What’s wrong with you?” The agent can’t help pressing for an answer, “Are you hiding something from me?”

Dong Nianshuang shakes her head, “No, I’m just too tired. I’ve been under a lot of pressure recently.”

“Then go back and rest for two days.” Although the agent still doubts, she can do nothing about it for Dong Nianshuang doesn’t say anything. So she has to warn Dong Nianshuang of the consequences, “We have just returned to Bai Consortium, and there are many people look on you. If you go on like this, you won’t have to compete with others, and all the resources you have will not be available.”

“If you really don’t want to make a movie, you might as well announce the quitting of the entertainment circle, which can let fans remember you forever.”

Dong Nianshuang is shocked. She also knows that she can’t be like this. The video has been sent twice. She checked the registered mobile phone number of the email box and called back, but no one answered and did not return the messages.

Obviously, the other party just wanted to make her afraid. Dong Nianshuang feels refreshed immediately after she figures out. She knows that she has to solve the problem, so she calls Liu Gang.

“Miss Dong, I really don’t know what’s going on. I’ve deleted the video. How can I send it to you?”

Dong Nianshuang laughs, “Mr. Liu, your face has been blurred in the video and can’t be recognized who it is. Obviously, it only aims at me. I really can’t believe you said it wasn’t you.”

“Ha ha! Miss Dong, to be honest, I really don’t need to do such a thing, right? You might as well think about who you have offended. In short, I promise that I didn’t send you the video, and I don’t want everyone knows about the thing that night.”

Then Liu Gang hangs up. Dong Nianshuang ponders for a while. If she really offended someone, then...

Only one person may do this. That is, Lang Ruoxian!

“Tang Duo, this is Dong Nianshuang.”

Yan Hua thinks she hears wrong when she gets a call from Dong Nianshuang. Why does this woman call her?

“What’s the matter?”

Dong Nianshuang hears her voice so calm that resentment surges up again in her heart. She sneers, “What’s the matter? Your attitude is so casual.”

“Otherwise I should hang up directly, right?” Yan Hua says and really hangs up.

A few seconds later, Dong Nianshuang calls again. As soon as she gets through, she screams, “Tang Duo, do you know what Lang Ruoxian and I did on the yacht?”

“What did you do?” Yan Hua laughs mockingly, “Didn’t you do something with a boss whose surname is Liu? Why is there anything else to do with Lang Ruoxian?”

Dong Nianshuang feels a chill in her heart. She thought Lang Ruoxian would not tell Tang Duo what happened on the yacht. Obviously she was wrong...

“It seems that he’s told you everything.” Dong Nianshuang maliciously says, “Did he say what I was wearing when I went to his room? And did he tell you about our conversation?”

This is really not... Yan Hua didn’t ask. Lang Ruoxian just said that Dong Nianshuang put the aphrodisiac in red wine, and then ran to his room.

“He didn’t tell you, did he?” Dong Nianshuang laughs over the phone, “Do you know why he didn’t tell you? The reason is that he can’t say it. There was

another man who regarded you as the object of psychosexuality, lying on the bed, masturbating, calling your name in his mouth, and looking at your photos. You say, how can Lang Ruoxian tell you this?”

Yan Hua regrets. She should not have answered the phone.

“What on earth are you trying to say?” Her voice cools down.

Dong Nianshuang laughs mockingly, “Lang Ruoxian has my video in his hand. Let him destroy it, or I will spread the scandal between you and Tang Rui. Tang Rui is dead, but you aren’t. If everyone knows that Tang Rui hated you so much because he had ulterior ideas about you and love begot hate. What will they think of you?”

“It doesn’t matter whatever they think.” Yan Hua suppresses her shock and hangs up directly.

Lang Ruoxian just comes back from the company and sees Yan Hua standing alone in front of the French window. He is about to speak to her when she covers her mouth and rushes into the kitchen.

“Hua!” Lang Ruoxian drops his coat and runs after her.

Yan Hua throws up on the sink badly. She doesn’t stop vomiting until her head hurts, and then she feels slightly better. Lang Ruoxian has been holding her. And then he holds a glass of water to let her gargle. Tang Yao, who rushes here at the sound, is frightened.

“Call an ambulance! Call an ambulance!” He shouts.

Bai Susu glares at him and claps Yan Hua on the back, “Stop shouting. Pregnant women are all like this.”

“I think that Hua’s vomiting during the pregnancy stops, but actually her time is late.” Chang Pei’e looks at her, “Are you feeling better?”

Yan Hua looks pale. When she is about to speak, her stomach churns and she vomits again.

“Oh, this is all spitting water. I ate my lunch for nothing.”

Finally Yan Hua stops vomiting. Lang Ruoxian holds her back to the room to rest. Yan Hua feels wronged, lying in the quilt and looking at him. Her gaze makes Lang Ruoxian's heart crisp. He simply changes clothes to lie with her.

"Blame it on Dong Nianshuang!" Yan Hua suddenly says.

Lang Ruoxian sits up, "Did she trouble you?"

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 324 You're Finished. This Deserves Going to Jail

Being aware of the body of the man who is beside her suddenly tenses, Yan Hua hurriedly pats him.

"She called me and said some nonsense. I think what she said is too disgusting and I vomits during pregnancy." Yan Hua doesn't feel capricious at all. It is the woman who caused her vomit!

Lang Ruoxian hugs her into his arms, "Did she tell you about Tang Rui?"

"Mmm." Yan Hua drills into the man's arms, "You know it, don't you?"

"She told me the other day. I didn't tell you because I was afraid of you feeling nausea." Lang Ruoxian pats her on the back, "No matter what she said is true or not, what can a dead person pursue again."

Yan Hua nods, "You know me. Even if Dong Nianshuang always said what Tang Rui did to me, but what does that have to do with me? She even threatened me with this."

Both of them know that Yan Hua's pregnancy and vomiting is normal reaction, but because she feels uncomfortable, Yan Hua counts this on Dong Nianshuang.

"She knew that the video was sent by you and wanted to threaten you to delete it." Yan Hua feels funny, "How can she who is so stupid get along in the entertainment circle?"

Lang Ruoxian kisses her hair tip, "Don't worry about her. Just relax and eat and drink."

Dong Nianshuang not only contacts Yan Hua, she also contacts the model on the yacht.

“What if it was me?” The other party readily admits it.

Dong Nianshuang is so angry that she raises her hand and wants to hit the model, but she is pushed away by the model.

“Dong Nianshuang, you are so ridiculous! You used me first, but I did it only as revenge.”

Dong Nianshuang grits her teeth and looks at her, “You wanted to find a sugar daddy yourself. I just provided you with an idea.”

“Did you not make the phone call?” The female model sneers, “My background is not as powerful as yours, but I know very well what happened on the yacht that day. If you dare to harm me, I’ll spread the story!”

Dong Nianshuang looks at her coldly. The female model suddenly smiles, “No wonder you wanted to frame me. Your target was Lang Ruoxian originally. Ha ha! You are really thick-skinned. How can you compare with that Ms. Tang? You actually wanted to cut the ground from under her feet.”

“Shut up!” Dong Nianshuang’s face changes color, “What nonsense are you talking about?”

“Whether I am talking nonsense, you should know it.” The female model stands up and says, “In a word, we will never know each other in the future and none of us will make trouble for the other.”

Dong Nianshuang watches the model leave and waves in the air hard. They will never know each other? It is impossible. The model has made her lose the most precious thing, so Dong Nianshuang will definitely let the model pay the price.

However, before she can do anything, the female model suddenly announces that she is going to develop in Mi Country. Dong Nianshuang isn’t capable to influence things in that country. She passes all this hatred on to Tang Duo, vowing to make her pay the price.

“Don’t drink at today’s celebration dinner, or you’ll be in trouble if the reporters take pictures of it.” Dong Nianshuang’s new movie is a big hit, and the producers host a dinner for the director and all the leading actors today.

The agent specially reminds her that she must be careful now that the limelight has just passed.

Dong Nianshuang knows it herself, so she only drinks fruit juice for the whole celebration dinner. As everyone knows her previous speech at the explanation meeting, few people come to force her to drink. After the celebration dinner, the producer takes several rich second generations to sing karaoke. Dong Nianshuang is embarrassed to leave and has to follow.

Then everything is like a movie. The police suddenly rush into the private room. The rich second generations flee hurriedly and are caught one by one. Although Dong Nianshuang doesn’t know what happened, she also knows that something is wrong.

“You are Miss Dong, aren’t you?” A female police officer measures her with eyes, “We suspect that you are gathering people to take drugs. Please come back to the police station with us.”

Dong Nianshuang is shocked, “Taking... Taking drugs?”

Only when she gets into the police car does she react and begins to protest, “You are mistaken. I didn’t take drugs, and I didn’t know they took drugs.”

“Miss Dong, from now on everything you say may be brought to court.” The police remind her.

Dong Nianshuang immediately realizes something, “I want to call my agent.”

In the middle of the night, the Chao Yang District police station is brightly lit. There are a large number of luxury cars parking at the door, and lawyers hurry in and out. Those rich second generations have an attitude that they are not frightened because they are rich, but Dong Nianshuang is not. She is very afraid.

In Hua Country, once an actor is involved in drug abuse, her career is over...

“Nianshuang, you listen, lawyers are talking to the police outside. No matter what they ask you later, you must insist that you do not know,” The agent

rushes in a hurry, and she knows it might not end well this time. But whatever it is, she tries her best to get Dong Nianshuang out of the police station first.

Dong Nianshuang is trembling all over, “I didn’t know it. They said that those were exciting things, but I didn’t eat them! I didn’t even have a bite.”

“Miss Dong.” She has just finished speaking when the police come in with the test report, “Your blood is positive, and we have detected that it also contains methamphetamine. Now you are officially charged with drug abuse.”

“What?” Dong Nianshuang excitedly rushes at them, “I didn’t take drugs! I didn’t!”

The agent is also worried, “Officer, our Nianshuang didn’t touch those things. You... What is methamphetamine you just mentioned?”

“It is ice narcotics.” The police says while controlling Dong Nianshuang, “It is the most common drug, which is also the favorite one of the rich second generations.”

Dong Nianshuang frantically pushes aside the police and runs outside.” You framed me, I didn’t take drugs. I didn’t!”

“Stop her quickly!” Several policemen catch Dong Nianshuang back, but this time they don’t treat her politely and handcuff her directly.

The agent is so scared. She just stands aside, looking at all this blankly, with only one thought in her heart.

It’s over. It’s completely over...

“Am I not wrong?” Tang Cao returns home after playing at midnight. He glances at his mobile phone and finds a new push. When he clicks on it, he sees that someone breaks the news that some rich second generations and stars were caught gathering to take drugs.

“Dong Nianshuang?” Tang Cao is happy. He immediately sends the screenshot to the chatting group of playboys. A rich second generation says it to be true, for he also played in the entertainment city, and saw the police take those people away.

The common people pay special attention to such things as stars taking drugs, especially when Dong Nianshuang gets involved. Some people dig out what happened to her on the yacht before. This time many people don't trust her. First she slept with a man on the yacht, and then she took drugs. How dare does this young actress?

The next day the thing continues to develop. Yan Hua also reads the news and discusses with her mother and grandmother after Lang Ruoxian sends his two children to school.

"Mom, are you hiding something from me?" Yan Hua stares at Bai Susu with intense eyes.

Bai Susu smiles, "I still want to ask you! Does Ruoxian do it?"

Chang Pei'e looks at the two with her reading glasses, "If you ask me, I'd like to answer yes!"

"I also think so..." Yan Hua nods, "However stupid Dong Nianshuang is, she doesn't dare to make fun of her career. That is drug abuse! If she was caught taking drugs, she can't turn over.

"Ask him when he comes back." Bai Susu also wants to know what method her son-in-law used, "Dong Nianshuang can't get along in the entertainment circle. If Bai Family doesn't protect her, she is expected to stay in prison for several years."

Lang Ruoxian didn't have much trouble this time. The rich second generations had already taken drugs. He just let people secretly put drugs in the juice of Dong Nianshuang that night, and the dose was not much.

This is also what makes him dissatisfied. If too much drug is put in, Dong Nianshuang can easily find something wrong. But too little is put, he is afraid that she can't be convicted.

"Young Master, Dong Nianqiu takes Bai Family's lawyers to the police station."

Lang Ruoxian puts down his pen, "Do you know there is a Swallow Village at the foot of Yanshan Mountain?"

“...Is it one of the three villages we went to when Childe Tang Cao was kidnapped last time?”

Lang Ruoxian nods, “The biggest one is Swallow Village. I receive information that Yanshan Hot Spring has been bought by Bai Family.”

Yanshan Hot Spring is the earliest hot spring resort around Yanjing. When it was first built, it was even a special place for national leaders. Later, many new hot springs have been built around Yanjing one after another, and Yanshan Hot Spring was abandoned.

Gradually, due to outdated facilities and equipment, there are few guests.

“Bai Family wants to redevelop it?” Shu Sheng pushes his glasses, “Do they want to buy land in Swallow Village?”

“Yes.” Lang Ruoxian hooks the corner of his mouth, “Otherwise, it will be meaningless for them to buy Yanshan Hot Spring. Only by buying Swallow Village with it together can they rebuild a high-grade Hot Spring Villa.”

Shu Sheng’s eyes light up, “Young Master, you mean...”

“Bai Family thinks that no one knows about it. According to their progress, they won’t publicize the information until the second half of the year. You take lawyers to Swallow Village immediately to sign a contract with them and take the land usage right.”

Bai Family is willing to take care of Dong Nianshuang, then he will let them know the consequences. Let them see which one is more important, the sister-in-law of Bai Yuanqi or hundreds of millions yuan.

The lawyers of the big financial clique are not paid for nothing. The Bai Family’s lawyers try their best to make Dong Nianshuang get rid of the charge of drug abuse charge. She only is judged as taking the wrong medication. The reason is that she has very little ice narcotics in her body, and Dong Nianshuang also insists that she just doesn’t know.

But whether she knew it or not, she participated in the drug abuse incident. Although she could escape jail, the official documents of National Radio and Television Administration explicitly require that no company should sign contracts with artists with drug abuse history, and any production involving artists with drug abuse history must not pass censorship.

Therefore, Dong Nianshuang's career in the entertainment circle... is over.

"Do you have any plans for the future?" The agent knows that Dong Nianshuang has returned home and calls her immediately.

Dong Nianshuang laughs wryly, "I don't know."

She doesn't know what else she can do after leaving the entertainment circle.

"It's not so bad. Your family is rich, and your sister and brother-in-law can help you. You can work at Bai Consortium, or do whatever you like." The agent comforts her a little, "We will contact later when we are free!"

Dong Nianshuang knows that the company has found a new actor for her to manage. Dong Nianshuang has left the circle, but others will have to continue life in the circle.

"Congratulations, Mrs. Lang. You are pregnant with a pigeon pair!" Today is Yan Hua's birth inspection day. The doctor tells her that it can already be seen clearly that the babies are one boy and one girl.

Bai Susu and Tang Yao who accompany her are excited. Yan Hua who is in the arms of Lang Ruoxian also has a face of excitement. When the family leave the hospital, they are all very happy.

The reporter just takes the picture and posts it on the internet. Some netizens guess whether Yan Hua is pregnant with twins.

Dong Nianshuang also reads the news. She grimly looks at Yan Hua in the photo.

If you find any errors (broken links, non-standard content, etc.), Please let us know via our discord so we can fix it as soon as possible.

Chapter 325 The Nervous Man

"Are you all right?" Bai Jingzhu takes a sip of coffee, "The internet said you took... took drugs. Is it true?"

Dong Nianshuang sits opposite her, looking very withered. Hearing her words, Dong Nianshuang takes off her sunglasses, "Do you think it is possible? I am an actor. How could I do something that would ruin my career?"

“Oh, your dark circle is very obvious. Aren’t you sleeping well?” Bai Jingzhu cries, “You have to think positively. You won’t starve to death if you don’t act anyway. We will have more time to go shopping and watch the show together.”

Dong Nianshuang is anxious to slap Bai Jingzhu in her heart. If it weren’t for Bai Jingzhu’s usefulness, she would never talk to this fool.

“Didn’t my brother-in-law tell you that I had been framed?” She squeezes a smile, “I didn’t know it was drugs, and I didn’t know who put the drugs in my drink.”

Bai Yuanqi said it of course, but he did not say whether Dong Nianshuang had been framed. Instead, he told Bai Jingzhu that it is unknown whom Dong Nianshuang had offended, so she was dealt with. Bai Yuanqi asked Bai Jingzhu to stay away from Dong Nianshuang.

But Bai Jingzhu is not afraid. She does not believe that anyone would dare to frame her. So she is bashful to tell Dong Nianshuang the truth. She speaks with hesitation, “What are you going to do then? You don’t know who did this to you...”

“I know!” Dong Nianshuang narrows her eyes, “It is Tang Duo! Tang Duo let Lang Ruoxian frame me.”

Bai Jingzhu stares, “Tang Duo? Why did she harm you?”

“Because...” Dong Nianshuang’s rim of eyes become red and she starts to cry, “Because I was drunk on the yacht and had sex with Lang Ruoxian.”

“Oh, my god!” Bai Jingzhu opens her mouth and doesn’t react for a long time. Then she happily hugs Dong Nianshuang, “You are too good! Well done! Make that b***h Tang Duo angry to death.”

Dong Nianshuang wipes her tears, “But you have seen what she did to me. It was clearly Lang Ruoxian who got into bed with me through drunkenness, but she blames me and is hard to me.”

“Women are all like this, aren’t they? If something happens, they don’t mind their husbands. It takes two to tango, doesn’t it?”

Bai Jingzhu asks, “Do you like Lang Ruoxian?”

"I used to like him, otherwise I wouldn't have slept with him." Dong Nianshuang says with a firm face, "But now I hate him so much. He doesn't dare to offend Tang Family and he wants to coax Tang Duo to be happy, so he has sacrificed me. How can I continue loving such a man?"

Yes! Since it is so, we can't let Tang Duo feel better." Bai Jingzhu bangs the table, "She's made you be about to leave the entertainment circle, so you can also let her lose... By the way, what does she like best?"

Dong Nianshuang hides her smile and thinks for a moment, "It should be the children in her belly. It seems that she is pregnant with a pigeon pair."

"What makes this b***h so lucky!" Bai Jingzhu curses, hoping that Yan Hua will fall and miscarry."

"It's not that easy." Dong Nianshuang sighs, "Do you think it's a palace struggling story? You just push a woman casually and she will have an abortion."

Bai Jingzhu grabs her hand and says, "Yes! We can make kind of accident and let her fall herself."

The two stay in the cafe for a whole afternoon. When they leave, Bai Jingzhu looks at the opposite building and doesn't move.

"You want to see Hua Yan?" Dong Nianshuang asks her. The opposite is Hua Family's company.

Bai Jingzhu blinks, "It's no use seeing him now. But after hearing what you just said, I find out what if he gets married! Since you can sleep with Lang Ruoxian, then I can also seduce Hua Yan in the future. Men! When his wife becomes pregnant, it will be my chance."

"...You are right." Dong Nianshuang sneers in her heart, but she says, "Men are all like that. After they get married, they will feel better about the women outside."

Bai Jingzhu nods. Her eyes suddenly brighten and she rushes out of the road, "Hua Yan!"

Dong Nianshuang sees Hua Yan coming out of the building, Bai Jingzhu runs up to him to talk. It is unknown what they talk. Hua Yan looks at Dong Nianshuang. Dong Nianshuang smiles. Hua Yan nods and drives away.

“How disappointing it is! It ends this way every time!” Bai Jingzhu comes back with a face of disappointment.

Dong Nianshuang pats her, “Let’s go. I’ll take you home first.”

When Hua Yan comes home, Hua Zhong is just about to go out. Hua Yan stops him.

“Have you been in touch with Tang Duo recently?”

Hua Zhong glances at him, “I used WeChat to chat with her a few days ago. She is now pregnant with twins and seldom comes out. What’s the matter?”

“Then you remind her. I saw Dong Nianshuang and Bai Jingzhu stay together today.” Hua Yan frowns, “Dong Nianshuang is just a muckraker. I suspect Lang Ruoxian is behind the matter of her taking drugs.”

“Do you mean that she wants revenge on Tang Duo?”

Hua Yan shrugs, “Who knows? Please remind Tang Duo! She is in a special situation now, and any accident will be fatal.”

“I see.” Hua Zhong nods.

Sitting into the car, he thinks for a moment and takes out his mobile phone.

Yan Hua is listening to music and giving prenatal education to the babies. She isn’t surprised to hear Hua Zhong say that Dong Nianshuang might find Bai Jingzhu to plan to harm her.

“The two of them, one will do whatever it takes to achieve her goals, while the other is a brainless fool whose brain is full of paste. When they stay together, they certainly will do something bad.”

Hua Zhong grunts, “My eldest brother said so, so he let me remind you.”

“Thanks. I will pay attention to that.”

Hua Zhong is quiet for a few seconds and then he asks, "How are the babies?"

"They are quite good. Maybe because they are twins, they create more disturbance than when I was pregnant with Gungun." Yan Hua's voice is full of laughing. Hua Zhong also smiles, "That's good. I'll go to see them when they are born."

"Welcome, remember to bring gifts!"

The two chat casually and Hua Zhong takes the initiative to hang up. Yan Hua tells Lang Ruoxian about this. Lang Ruoxian says with gloomy eyes, "Last time, she should have been given a lot of drugs and sent to jail directly."

"You see, someone has already quit the entertainment circle and is still unwilling to accept the lesson until she reaches her goal." Yan Hua shakes her head, "I don't have any previous memory. I don't know what happened between me and Dong Nianshuang and why she hated me so much."

"No reason is needed." What reasons does she need to be jealous of a person?

Lang Ruoxian touches her belly. When he sees her yawn, he dims the bedside lamp, "Sleep for a while. Eat when you wake up."

Yan Hua says that she has slept in the afternoon, but her eyes are closed. Soon she is heard breathing smoothly. Lang Ruoxian smiles and gets out of bed carefully. He picks up his mobile phone and walks out of the door.

"Call someone to keep an eye on Dong Nianshuang. No matter what she does, I must be informed in the first place."

Lang Ruoxian doesn't dare to gamble. He decides to catch Dong Nianshuang as soon as something is wrong.

Dong Nianshuang is actually a very careful person. She can think calmly most of the time. Except when facing Tang Duo, she will become stupid because of jealousy. Otherwise, she won't think of using Bai Jingzhu, but she never thinks of the consequences of doing so.

Or maybe she thinks, but she can't care so much.

“You remember, your daughter will be my daughter-in-law in the future!” Ever since she knows that Yan Hua has a pigeon pair in her belly, Fei Ying says so every time in the video phone call. And she is especially envious.

“Why didn’t I have twins?”

Yan Hua rolls her eyes, “I told you that twins depend on genetic inheritance. There is no such gene even in your ancestral grave.”

“I don’t know where my ancestral grave is.” Fei Ying curls her lips, “Fei Family never has twins. It is said that traditional Chinese medicine can regulate to have twins now, but I am afraid that the children born in that way will have problems.”

“It is better to let nature take its course.” Yan Hua says, “Anyway, you are healthy. If you really want to have twins, just have another try later.”

“No, I don’t want to have more children. Two is enough!”

It is summer vacation time again. Yan Hua’s belly has already been very big. Gungun now doesn’t dare to touch her. He always feels that mother’s belly will be broken if it is poked. The weather is getting hotter and hotter, but everyone hasn’t gone out to avoid summer heat this year, for fear that Yan Hua will not adapt to a strange place.

But at this time, Lang Ruoxian has to fly to Eastern Europe.

“I would have been there in September, but your due date is in early October, and the doctor says that twins are mostly premature, so I want to go there ahead of schedule and deal with things well.”

Lang Ruoxian massages Yan Hua’s calves. Yan Hua now has to be supported to turn over. If it weren’t for that he had to go there to solve the problem himself, Lang Ruoxian would never have left home.

“Don’t worry. There are so many people in the family!” Yan Hua doesn’t feel worried, “Is three days enough? Is the schedule too tight?”

It takes two days to go and return, which means that he only has one day to deal with things.

“That’s enough.” Lang Ruoxian touches her face, “Let Mom sleep with you these three days.”

Even if this is set, but after two days Lang Ruoxian decides not to go but let Shu Sheng have the trip.

“I cannot leave you.” He seems to have an obsession with leaving Yan Hua alone, insisting that he must accompany her until the babies are born.

Yan Hua sees him so nervous that she cannot help hugging the man and patting him, “I’m fine! You see, I don’t go out and stay at home all day long. How can I have a chance of an accident?”

Lang Ruoxian compresses his lips. Yesterday his men reported that Dong Nianshuang met Bai Jingzhu again. This time they were at Dong Nianshuang’s house. He always has a very bad presentiment.

“What’s wrong with you?” Yan Hua cannot help but ask, “I’m really fine. You don’t frighten yourself.”

Lang Ruoxian hugs her, “What would you like to eat in the evening?”

Yan Hua’s attention can be easily diverted after she is pregnant. She swallows immediately after hearing the man’s question, “Milk egg stew, I especially want to eat it when I watched the TV program which teaches people how to do it yesterday.”

“Well, I’ll tell the housemaid.”

Dong Nianshuang knows that Lang Ruoxian sends someone to keep an eye on her. She pretends not to know anything and keeps waiting. Finally, when it is cool after a heavy rain, Yan Hua comes out from home to enjoy fresh air. Lang Ruoxian accompanies her and Bai Susu to the shopping mall to buy baby products.

Before that, Lang Ruoxian has Dong Nianshuang caught. When Dong Nianshuang sees these bodyguards in the parking lot, she secretly sends a message to Bai Jingzhu, and then fights hard. Finally she is knocked out and taken away.

“Are you tired? Shall we go to the cafe over there and have a rest?” Bai Susu is afraid that Yan Hua is uncomfortable for walking too much, so Lang Ruoxian helps Yan Hua walk in.

“I want to go to the bathroom.” Yan Hua doesn’t sit down and looks at the direction of the bathroom.

Lang Ruoxian says, “I’ll go with you.”

Chapter 326 Yan Hua Is Missing

Lang Ruoxian waits at the door of the bathroom. When Yan Hua enters, he waves to her. A few minutes later, Shu Sheng calls and he is a little flustered.

“Young Master, Bai Jingzhu brings the police and takes Dong Nianshuang away.”

Lang Ruoxian’s face suddenly changes. He goes to kick the door of the bathroom but he finds that the door is locked.

“Hua? Hua?” No one answers. Lang Ruoxian hurries to find the waiter in the cafe for the key.

Before he opens his mouth, he hears the alarm. There are not many customers in the cafe but there is a mall outside. Everyone hears the alarm. Bai Susu runs here hastily. The waiter wants to run away but is caught by Lang Ruoxian.

“Ruoxian, where is Hua?” Bai Susu’s face changes with fear. She sees the waiter give Lang Ruoxian the key.

“She’s in the bathroom. Mom, you wait for us outside.” Lang Ruoxian doesn’t know where the fire is, but it sounds like it’s in the bathroom.

Bai Susu doesn’t leave. She runs after Lang Ruoxian. After the door of the bathroom is opened, they find that the bathroom is full of smoke. Because the alarm is triggered, the faucet on the roof is spraying water.

“Hua?” They look for Yan Hua but they find that Yan Hua is not in it.

Bai Susu coughs and covers her mouth. She is so anxious that she wants to cry, "Hua? Where is Hua?"

Lang Ruoxian finds a window in the back storage room, from which the fire was started. Now it has been watered out. The window is half open. Lang Ruoxian jumps up and finds that although it is the eighth floor, there is a staircase directly leading to the ground outside. And he sees a lace hanging on a nail.

"This is Hua's clothes!" Bai Susu recognizes it at a glance, "Is Hua outside?"

Lang Ruoxian's face is gloomy and terrible. He shakes his head and says, "Mom, call the police. I will look for her."

The bodyguards run over when they hear the alarm. Seeing only Lang Ruoxian and Bai Susu, they know the situation is not good.

"Check the monitor." Lang Ruoxian says to the bodyguards and asks Shu Sheng to find Dong Nianshuang.

Bai Susu knows that Dong Nianshuang has been taken away by Bai Jingzhu. She calls Bai Family. Bai Yuanqi's mother doesn't know what happens. Bai Yuanqi is at home and answers the phone.

"Aunt Tang, I'm Bai Yuanqi. Don't worry. We'll go to find Jingzhu right away. We'll contact you as soon as we find her."

Bai Susu is not polite to him, "If something happens to my daughter, I won't let you go!"

Bai Yuanqi's mother is also flustered. She doesn't expect Bai Jingzhu to be so bold.

"She doesn't answer the phone." Bai Yuanqi turns twice, "Mom, you contact Jingzhu at home. If she doesn't answer the phone, you can send her messages and tell her to get Yan Hua back quickly."

"Where are you going?"

"I'll go out and look for her!"

“Young master!” Lang Ruoxian runs to the back door of the shopping mall and meets Shu Sheng who comes over, “Xiaokai has gone to the monitoring room. If there is any news, he will inform us immediately.”

The police arrive soon. Shu Sheng tells Lang Ruoxian that one of the policemen was the one who took Dong Nianshuang away.

“Mr. Lang, we know you are in a hurry, but we hope you can cooperate with us to answer some questions.” The leading policeman says, “Mrs. Lang...”

“You might as well ask your colleague first.” Lang Ruoxian ignores him and looks at the young policeman next to him.

Liu Yang is stunned, “Mr. Lang, what’s wrong with Li?”

Li dares not to say a word. He has already guessed what’s going on in his heart, but...

When Bai Jingzhu came to the police, she showed her identity. He had just been a policeman for two years and he felt that this was an opportunity. It was good for him to have a good relationship with these rich families. Especially when Bai Jingzhu told him that the person under house arrest was Dong Nianshuang, he was even more active.

That’s the goddess he liked since he was a student. She was recently exposed to a drug scandal. But the entertainment industry is so messy. No one knows what’s going on. So he wanted to save her first. He didn’t expect that after he went, the other side said that they were from the Tang Family.

“If I knew it was Mr. Lang, I...”

Li regrets so much. But at that time Bai Jingzhu kept forcing him. He thought it was not a big deal to take Dong Nianshuang away first. He didn’t expect...

“Because of you, my wife was taken away by those two women.” Lang Ruoxian looks at him coldly, “How can such a stupid person become a policeman?”

Liu Yang looks at Li and doesn’t know what to say. At last, he asks Li to stand aside. Then he says, “Mr. Lang, are you sure that Mrs. Lang was taken away by Ms. Dong and Ms. Bai?”

“I’m sure.” Lang Ruoxian says coldly, “I’ve been sending someone to stare at her. If it weren’t for this stupid policeman, I would have taken my wife home.”

Hearing what Lang Ruoxian says, Liu Yang’s face gets darker, but he can’t say anything. At this time Xiaokai runs back, “Young Master, I found it!”

Half an hour ago, two people left the back door pushing a half-man high trash can. The bodyguards have already gone to look for them according to the video.

“They are two women. They are fat and dressed as cleaners.”

The bodyguards don’t find anyone in the cleaning room. The person in charge of the shopping mall says that they are temporary workers and have already left work.

“Mr. Lang, leave it to us! We’ll go to their house right away.” Liu Yang arranges people quickly. At the same time, he informs the Ministry of Transport that it is a malignant kidnapping.

At this time, Bai Jingzhu stands in front of Dong Nianshuang and stops her in an old house in Nancheng.

“Are you crazy?”

This woman even says that she is going to cut open Tang Duo’s belly.

“Didn’t we say that? We just leave her here to frighten her. Maybe she will miscarry because of shock.” Bai Jingzhu looks at Dong Nianshuang inconceivably, “She will die if you open her belly.”

Dong Nianshuang stares at her. After a few seconds, she shows a creepy smile, “Well, listen to you.”

“You... What’s wrong with you?” Bai Jingzhu has never seen Dong Nianshuang like this, like a stranger.

“I’m OK!” Dong Nianshuang smiles and looks at Tang Duo, who is sleeping on the sofa, “Let’s go. Now they must be looking for her all over the world.”

Bai Jingzhu nods. She pulls the rope tied to Yan Hua, “It should not be untied! Hum, Tang Duo, I didn’t expect you to have today. Don’t blame us. There’s water and bread in this room. It’s enough for you to live for a week.”

She thinks that Tang Duo will be found in a week. There is no danger at all. The thing will develop in the direction she discussed with Dong Nianshuang at the beginning. They just scare Tang Duo. It will be better if Tang Duo has a bad luck and miscarry.

“Let’s go!” Bai Jingzhu picks up her bag. Dong Nianshuang smiles, “I’ll check the kitchen again. You can go to check the bedroom. We must make sure there is no potential danger. We just scare her. If anything happens to her, we’ll be in trouble.”

“What a bother!” Bai Jingzhu mumbles and walks into the bedroom, while Dong Nianshuang goes to the kitchen with a strange smile.

Soon Bai Jingzhu shouts in the sitting room, “Alright? Hurry up. Otherwise we can’t catch the plane.”

They made an appointment to leave here and go straight to the airport. They will go abroad for a few days and then come back.

“Okay!” Dong Nianshuang runs out, glances at Tang Duo coldly and reminds Bai Jingzhu, “Where is the key? Take it away and throw it out later.”

Bai Jingzhu shakes the key in her hand, “I have taken it. Let’s go!”

When the door is closed, Dong Nianshuang sees Tang Duo move. She shows a cruel smile on her face.

It’s great that she wakes up! She can feel death step by step. No one will help her, “Tang Duo, I want you to disappear in this world forever...” Dong Nianshuang thinks.

“Hmm...” Yan Hua feels a pain in her stomach. She instinctively calls Lang Ruoxian, but no one answers her for a long time. Yan Hua tries to open her eyes and finds that she is not lying on the bed at home, but a shabby room.

Her heart jolts. She sits up with her hands on the sofa and sees a rope on her legs. There are buckets of water and a box of bread on the dirty tea table and there is an empty bucket next to them.

Yan Hua is afraid. She knew that it was bad when someone covered her mouth in the bathroom and then she fainted. She thinks she will see Dong Nianshuang. Then she can delay time and negotiate with Dong Nianshuang.

But now, Dong Nianshuang is not even there. It seems that she intends to lock her here. Yan Hua is flustered for a while and then calms down slowly. Well, at least she's not in danger now.

"Lang Ruoxian will find me soon!" Yan Hua is very confident in her man. So she sits down and begins to find a way to untie the rope.

But soon she finds something wrong. There is a burning smell in the room. She stands up quickly. The rope on her legs restricts her. She can only walk a few steps. But she still sees smoke coming out of the kitchen.

"Damn it!" Yan Hua's eyes shrink. Dong Nianshuang wants to burn her.

She hurries back to the sofa. Now she has to untie the rope to escape. Yan Hua spends a long time but the rope is not loose at all. The smoke in the kitchen has gone to the sitting room. Yan Hua feels suffocated. Yan Hua tries to stand up to find if there is any tool to untie the rope.

Bai Yuanqi's mother can't get in touch with Bai Jingzhu all the time, so she goes to her room to have a look. Maybe she can find some clues. Then she finds that Bai Jingzhu's suitcase and passport are missing.

"Yuanqi!" She immediately calls her son, "Your sister may go to the airport. Her passport is missing."

Bai Yuanqi is looking for Bai Jingzhu in the place where Bai Jingzhu often goes. After hanging up, he drives to the airport and tells Bai Susu about the situation.

"Ruoxian, Ruoxian." Bai Susu has been in the shopping mall. Tang Yao just came here. Tang Cao stays at home because he dares not to let Chang Pei'e and the two little guys know what happened.

"Bai Yuanqi said that Bai Jingzhu's passport and suitcase were missing. They suspected that she would go abroad."

Lang Ruoxian takes a look at Xiaokai. Xiaokai immediately turns on the computer. A few minutes later, he shouts, "I found it! They booked a flight to the Mi Country. The plane will take off in an hour!"

"Go to the airport!" Lang Ruoxian rushes into the elevator. Shu Sheng hurries to ask the bodyguard to drive the car to the gate of the mall.

When the car is halfway, Officer Liu calls to say that they have found one of the cleaners. She said she sent people to a public parking lot near the mall and provided the model and color of the car.

A few minutes later, the phone rings again.

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 327 Save Your Wife Or Save Your Babies

“Mr. Lang, we find that the last time the car appeared was at the crossing of Huaguang Road in Nancheng. We have dispatched all the police forces of the nearby police station out. I believe we can find Mrs. Lang soon.”

Lang Ruoxian hangs up the phone and ponders for a moment. Bai Susu keeps crying quietly. Seeing Lang Ruoxian like this, she is afraid of the bad news, so she can't help asking with tears.

“The police just said they found the car that took Hua away.” Lang Ruoxian asks Shu Sheng to stop the car, “Mom, Dad, you go to the airport. I will go to the place provided by the police. I suspect that Hua is locked there.”

Dong Nianshuang and Bai Jingzhu can't take Yan Hua with them. The place where they park is most likely where they hide Yan Hua.

“Well, you go!” Bai Susu says and thinks again, “No, I'll go with you.”

Finally, Lang Ruoxian asks Shu Sheng and Xiaokai to go to the airport. He takes the two elders to Huaguang Road.

At this time, Yan Hua is soaked in sweat. It is hot in July and August. There is no air conditioner in the old house. Something in the kitchen has burned. She can hear the occasional crackling.

The sitting room has been covered with a thin layer of gray smoke. Yan Hua can't untie the rope. She can't find any tools around. Her two fingernails have been broken. She has no time to care about the pain. She opens the mineral water and pulls off the sofa cover to get wet.

“Yan Hua! You must keep on. Lang Ruoxian will come to save you.” Yan Hua cheers herself up. She takes off her coat, wets it with water and then covers her mouth with the wet coat.

It's impossible to untie the rope. Now she has to try to save herself. She is glad to have learned how to help herself at the scene of the fire when she was at a foundation in G City.

"Don't smoke too much. Try to make things around me wet. Stand low because the smoke is coming up." Yan Hua says and does so.

Her stomach is too big to go prone, so she lies on the ground. The floor of the old house is made of cement. After lying for a while, she feels the chill seeping into her skin. Her stomach began to ache just now. But she can't take care of the chill. She touches her stomach and says to the two babies.

"Be good and work hard with Mom, will you? Let's hold on a little longer. Dad will come to save us."

But Yan Hua obviously feels that her stomach is getting more and more painful. She is a little flustered. She has an impression of this kind of pain. She was so painful when Gungun was about to be born.

"No!" Yan Hua cries and continues to say to the babies in her stomach, "Mom doesn't give up. You can't give up. Grandpa, Grandmas, your brother and sister... And Lulu, everyone is waiting for you to be born. You haven't seen them. You must be okay..."

Boom! It seems that something has hit the ground. Yan Hua holds on to the sofa and stands up. She sees that the kitchen wall is half fallen. There aren't any steel bars in this old house and the wall seems to have been added later. In addition, as time goes on, the brick structure is not firm. So the wall directly collapsed in half.

"Lang Ruoxian... Hurry up!" Because the wall collapsed, Yan Hua directly sees the kitchen.

Some wooden furniture has been burned. The fire has spread to the overhead cabinets on the wall. Yan Hua is desperate because there is only one window in the whole kitchen. When Yan Hua sees the window, she has a surprise for a moment.

But soon she finds that the window is sealed and the smoke can't go out.

"Ah..." Her stomach is still painful. Yan Hua lies back on the ground and continues to talk to the babies.

She doesn't know what else to do. The smoke in the room becomes so thick that she can't see the ceiling. Yan Hua slowly closes her eyes. Her tears drop on the ground.

"I'm sorry..." She touches her stomach, "Mom is useless. I can't show you the world. I'm sorry..."

Boom! There is a loud noise again. But Yan Hua doesn't move. So she doesn't see the wires in the kitchen causing the explosion, which just blows a hole in the window.

"Mr. Lang, come with me!" Liu Yang sees Lang Ruoxian arrive, he shouts and runs.

Lang Ruoxian follows up and hears him saying, "The surveillance of a fruit shop just caught the car passing by here. There is only one community ahead."

A group of people run to the entrance of the community. They just see a few old ladies playing mahjong in the shade of the trees pointing to a building behind them in panic.

"How can there be smoke?"

"Yes, isn't it a fire?"

"No, the house is empty after the family moved away for more than half a year."

"Oh, it's on fire. You see the smoke is black. Call 119 now!"

Lang Ruoxian and Liu Yang look at each other and rush to the corridor together.

"Fourth floor, the one on the right!"

The police in the back run up together. Tang Yao and Bai Susu follow behind them. As soon as they run to the second floor, they can smell the smoke. When they get to the third floor, they can see the smoke floating down.

The security door on the right side of the fourth floor is almost covered by smoke. Lang Ruoxian kicks it. The security door creaks and becomes askew. Liu Yang kicks it again and kicks the door lock out.

“Mr. Lang, you can’t go in!” He stops Lang Ruoxian at the first time, “We don’t know what’s going on inside. Wait for the fire brigade. I’ll go in and save your wife.”

Lang Ruoxian pushes him away directly and rushes in. Liu Yang hurries to catch up.

“Hua!” Bai Susu is stopped. She kneels on the ground and cries.

Tang Yao sobs. They just hope that Yan Hua is here, but now they hope that Yan Hua is not in it.

The room is very small. Lang Ruoxian runs into the sofa within a few steps. He vaguely sees a big thing on the ground and rushes to it without thinking. His eyes brighten when he finds that it is Yan Hua.

“Hua! Hua!” He picks up Yan Hua carefully. Yan Hua doesn’t respond at all. He immediately picks her up and runs out. When Liu Yang sees them, he hurries to get out of the way and shouts to the people outside.

“Go away! Get out of the way!”

Lang Ruoxian holds Yan Hua and runs to the yard directly. Bai Susu wants to touch Yan Hua with her shaking hands. Tang Yao suddenly cries loudly.

“Blood. Hua is bleeding!”

At the airport, Bai Jingzhu wants to run away when she sees Bai Yuanqi.

“You run!” Bai Yuanqi sneers, “If you run away today, you will be flee from justice. When you come back, you will be in jail.”

Bai Jingzhu looks at Dong Nianshuang. Dong Nianshuang lowers her head. Bai Jingzhu doesn’t know what she is thinking. Bai Jingzhu still says, “Don’t scare me. What are you saying? I didn’t do anything.”

“You didn’t do anything?” Bai Yuanqi grabs her, “You locked Tang Duo in the house and wanted to burn and kill her. Why do you still have the face to say you didn’t do anything?”

Bai Jingzhu is shocked, “You... What are you saying?” She says in a hurry, “No one burns her. We just scare her. Now that you know it, she must have been found by now.”

“She can’t be founded!” Dong Nianshuang suddenly raises her head and smiles strangely, “She’s burned to cinders. How can she be founded?”

Bai Yuanqi looks at the woman directly, “I’m afraid I will let you down. Just now the police told me that Lang Ruoxian has found Tang Duo. Now she has been sent to the hospital.”

“What?” Dong Nianshuang’s pupils dilate. She rushes up crazily.

But she is pressed to the ground by the rushed bodyguards and police. Shu Sheng walks over slowly. He looks at Dong Nianshuang, who is a psycho in her eyes. Then he looks at Bai Jingzhu, who is scared to be silly. Finally, he puts his eyes on Bai Yuanqi.

“Young Master Bai, I hope you don’t stop the police. You should give Bai Jingzhu to them.”

Bai Yuanqi nods and hands Bai Jingzhu over to the police, “Don’t worry. We Bai Family won’t shield her.”

“Yuanqi! Yuanqi, you can’t let them take me away.” Bai Jingzhu responds, crying and shouting, “I don’t know anything. I thought it was just...”

“Jingzhu.” Bai Yuanqi sighs, “Don’t make trouble. Go back with the police and make it clear. I’ll go to the police station with you.”

At the hospital, Yan Hua is pushed into the operating room. The director who has been in charge of her checkup comes out and looks at the Tang Family solemnly.

“Doctor...” Bai Susu dares not to ask.

Lang Ruoxian stares at the doctor. His eyes are like a calm black storm, which can break people at any time.

“Mrs. Lang must have a Caesarean operation immediately to get the babies out.” The doctor pauses and says, “I can’t guarantee that the fetuses will survive.”

Bai Susu cries sadly and falls down on Tang Cao. Tang Cao, who has come from home secretly, bursts into tears. Tang Yao is also very sad. But they don’t say anything. They just look at Lang Ruoxian.

“I only want my wife to live.” Lang Ruoxian says without any hesitation, “As for the babies, try your best.”

The doctor asks him to sign, “We must try our best to save a fetus.”

The door of the operating room is closed again. Tang Cao secretly checks the premature birth of the fetus online. He sees that many children who were born prematurely at seven or eight months have survived. He feels hopeful. He also sees a proverb.

In the case of preterm delivery, 7-month-old newborns can live, while 8-month-old newborns are not easy to live. Tang Cao hurries to show it to Bai Susu.

“Mom, look! My sister has been pregnant for more than seven months. Her babies can live, her babies can live!”

Of course, Bai Susu knows this proverb, but it’s just a folk good moral to the mother and the fetus. She once saw a seven-month premature baby on TV, as big as a newborn kitten. She can hold the baby in one hand.

And even if the babies can survive, they will also be ill because of congenital deficiency.

But she doesn’t want so much now. As the doctor said, it’s good to have one alive. If... How sad Hua will be when she wakes up and knows that she lives at the cost of her two babies’ lives...

Bai Susu sobs.

“Tang Cao!” Fang Diandian and Chen Xiaopang runs down the corridor.

Fang Diandian sees Tang Cao squatting in the ground from afar, and finds him sobbing when she approaches.

“Is Sister Duo okay?” Chen Xiaopang sees Lang Ruoxian standing motionless next to the operating room door, so he dares not to ask loudly.

Tang Cao wipes his tears and whispers, “The babies may not be safe.”

“Stop crying.” Fang Diandian’s eyes are also red, “Sister Duo is so good. Her babies will be okay! Didn’t we ask for peace for her in the temple when we went on a trip before! Everything will be fine.”

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 328 Who Are You

An hour later, both nurses come out with little babies in their hands.

Members of the Tang Family approach. Bai Susu wants to hug the babies but she dares not to reach out. The babies are too small just like kittens.

“Now the babies are not out of danger. We’re going to send the babies to check and put them in the incubators.” One of the nurses says, “But the doctor just said that the situation was good.”

“What about my wife?” Lang Ruoxian only glances at the little red babies and then stares at the nurse and asks.

The nurse is frightened by his eyes and says, “Mrs. Lang is fine. The doctor is stitching her up.”

Tang Yao and Tang Cao follow the nurse. They heard that holding the wrong baby may happen in the hospital. They firmly want to stare at the babies.

“Great! Great!” Bai Susu bows with her hands together. Seeing Lang Ruoxian standing at the door of the operating room again, she can’t help saying, “Ruoxian, sit for a while.”

Lang Ruoxian turns his head and glances at her, “Mom, I am okay. I’m not tired.”

Bai Susu didn’t look at him carefully just now. She is also frightened at this time. Ruoxian’s eyes are very terrible as if trying to restrain something. She sighs and doesn’t say much. She sends a message to Fang Diandian.

Chen Xiaopang and Fang Diandian are sent to the Tang Family to accompany the elderly and children. Fang Diandian said that Tang Duo’s grandma had begun to doubt. There’s no way to hide it. Sure enough, Chang Pei’e’s call arrives within minutes after the message is sent.

“Which hospital are you in? Are Hua and the babies okay?”

“Don’t worry, Mom. They are out of danger.”

“How can you keep it from me?” Chang Pei’e says and is going to cry. Bai Susu comforts her for a long time. At last, Chang Pei’e says that she will bring two children over.

Bai Susu knows that she can’t persuade her. So she asks Chen Xiaopang to drive them over and ask the housemaid to bring some daily necessities with her.

Another hour later, Yan Hua is pushed out.

“Hua?” Lang Ruoxian stares at Yan Hua’s face to make sure that she breathes smoothly. Then he takes over the position of the nurse and pushes the operating bed.

The doctor takes off the mask and says, “Mrs. Lang is okay. She will wake up after the anesthetic. She can’t eat without venting. In the evening, she will keep people around her. If you have anything, please call me.”

“Thank you, Doctor!” Bai Susu thanks and pushes Yan Hua back to the ward with Lang Ruoxian.

Lang Ruoxian has already booked the Postpartum Care Center. Now he can only wait for Yan Hua to wake up and see if she wants to move. Although the ward here is a VIP room on the top floor, it is certainly not as professional as the Postpartum Care Center.

Bai Susu wipes Yan Hua’s face while crying. Yan Hua looks pale and her hands are cold.

“Mom, it’s okay. It’s over.” Lang Ruoxian sits beside the bed holding Yan Hua’s hand. Bai Susu covers her mouth and nods, “I know. I just feel sad.”

Her daughter has never harmed anyone. But it’s the second time she’s been at a critical moment. If they hadn’t arrived in time, Yan Hua and the babies in her stomach would have died.

“Since they don’t want to live, they can die.” Bai Susu wipes away her tears and calms down, “Ruoxian, you accompany Hua. I will solve this problem.”

Lang Ruoxian looks at her and frowns.

“Leave it to me!” Bai Susu pats him on the shoulder, “This time I’ll figure out what they owe me and what they owe Hua.”

After saying this, Bai Susu walks out. Lang Ruoxian watches her close the door and then takes back his eyes. He thinks of the thing. If he is not satisfied with the solution of Bai Susu, he will deal with it again.

What’s the most important right now is Yan Hua. He touches Yan Hua’s face and whispers, “Do you know that when I saw you lying there, my heart was gray as if the whole world had disappeared. I thought then that it was great that the world had disappeared. Anyway, without you, there was no need for the world to exist.”

Lang Ruoxian believes that he will never forget the scene. The rope on Yan Hua’s legs had been burned. That is to say, if he arrived a few seconds later, the fire would have burnt on Yan Hua’s body.

“Hua, don’t frighten me again, or I will tie you with me in the future, wherever you go.”

Tang Cao just opens the door and comes in. After hearing this, the corner of his mouth twitches. He pretends not to hear...

“Hua! Hua!” Chang Pei’e rushes in.

Gungun runs in front and shouts, “Mom! Mom!”

“Grandma, Hua hasn’t woken up yet. The doctor says the strength of the anesthetic hasn’t dissipated.” Lang Ruoxian sees his son look at him with tears in his eyes so he stretches out his hands.

Gungun jumps into his arms and cries, “Are my brother and sister gone?”

“They are very good but they are too small. Grandpa will show you later.”

“What about Mom?” Gungun sobs, “When will Mom wake up?”

“It’s going to be a while.” Lang Ruoxian hands him over to Wuyou and says, “Take your brother to wash his face.”

Wuyou coaxes Gungun to go to the bathroom. Everyone hears her say.

“Don’t be afraid. When Mom wakes up, I’ll kill the bad guys who harmed her.”

Everyone is speechless.

Chang Pei'e wipes her tears and keeps saying that Buddha will bless Hua. They told her that Hua and the babies were okay on the phone. But she's still worried about them because she didn't see them with her own eyes.

"Mom, do you want to see the babies? We can come back when Hua wakes up." Bai Susu comes in and looks at Lang Ruoxian. They are tacit.

Chang Pei'e and two children are taken by Tang Yao to see the babies. Tang Cao runs back instead.

"Is my sister okay?" He looks at Yan Hua on the bed and breathes a sigh of relief. Chen Xiaopang and Fang Diandian who follow him also breathe a sigh of relief. Then they say goodbye and leave first.

It's not appropriate for them to stay at such a time. As soon as they leave the hospital, someone calls Chen Xiaopang in the group of playboys.

"Are you with Tang Cao? What is his family going to do?"

Chen Xiaopang is confused. He asks the other side what's going on. The other side asks him to read the financial news.

Fang Diandian has opened micro blog. The shares of two companies of Dong Family are bought in a hostile takeover. In just half an hour, its market value has shrunk by a third.

This causes panic in the stock market. Some shareholders don't know what happens.

"It's good. They deserve it." Chen Xiaopang knows that this is the action of the Tang Family. This time, Tang Family acts so fast. It seems that the Tang Family is going to destroy the Dong Family.

"Don't say I don't remind you! Don't meddle with the Dong Family. The Dong Family is doomed this time!"

A bunch of the rich second generations express that they are not stupid. They will avoid the Dong Family.

At the Bai Family.

“Why don’t you talk?” Bai Jingzhu’s mother shouts at Bai Jiancheng.

Bai Jiancheng says, “What do you want me to say? She made a big mistake. She almost killed Tang Duo! It’s said that Tang Duo was still pregnant with twins.”

“I know. But don’t you say there’s news from the hospital that Tang Duo have been saved? But Jingzhu is still at the police station...”

“Look by yourself.” Bai Jiancheng throws his phone over, “Look what they say.”

On the mobile interface is a group of several business tycoons. Everyone says that the Tang Family is crazy. The Tang Family’s action will affect the whole stock market. What did the Dong Family do to make the Tang Family so crazy?

“The Tang Family won’t give up this time. Do you see what they say? Now no one dares to meddle with the Dong Family.” Bai Jiancheng rubs his eyebrows, “It is the safest for Jingzhu to stay at the police station. Otherwise I’m afraid that the Tang Family will kill her directly.”

“We can’t care about her now. Believe it or not, if I get her out, the Tang Family will turn to our company. Do you want our shares to be maliciously acquired?”

Bai Jingzhu’s mother is stunned, “They... Will they? Our company is so big. It is not like the Dong Family. If they really do that, both sides will lose!”

“They are not afraid.” Bai Jiancheng sighs, “Don’t you understand? The Tang Family is crazy. It’s about three lives and two unborn babies. Although they are saved, who knows what will happen in the future? They will not worry about the cost this time. They just want to revenge.”

Bai Jiancheng stands up, “But we can’t. If Tang Family really deals with us, Tang Ming’s company and the Hua Family will take advantage of the situation.”

“I see...” Bai Jingzhu’s mother is downcast, “I don’t care for the moment. I’ll see what happens in a few days.”

Dong Nianqiu suddenly runs in from outside, kneels down and cries.

“Dad! Mom! Please help the Dong family, please...”

Bai Jingzhu’s mother looks at Bai Jiancheng. Bai Jiancheng sits on the sofa and says in a calm voice, “Have you found Yuanqi? What did he say?”

“He...”

Dong Nianqiu bites her lips and thinks of Bai Yuanqi’s words.

“Nianqiu, don’t mention your family. It’s a question whether Jingzhu can be saved this time. I can’t sacrifice my family for your family. Without the company, I will buy a house for my father-in-law and mother-in-law. I will give them money. They can enjoy their old age.”

“As for the company of your family, I’m sorry! I have no way.”

Bai Jiancheng sighs, “Nianqiu, you and Yuanqi have been married for so many years. We know you’re a good person. So we don’t blame you for what Dong Nianshuang did. Otherwise, I can kill her this time because she framed Jingzhu!”

“But you should think it clearly. In the future, if you still associate with her, you should go back to the Dong Family. Now Jingzhu is still at the police station. I don’t know if I can protect her. If there’s something wrong with her, I’ll settle with your sister, let alone the Tang Family!”

Dong Nianqiu cries bitterly, “Thank you, Dad. I know...”

She trembles and stands up. In fact, after knowing what Dong Nianshuang did, she knows that the Bai Family will no longer care about the Dong Family. What Dong Nianshuang did this time is irreparable. She isn’t driven out by the Bai Family. The Bai Family has done its best.

“Dad, I’ll go to the police station now. Anyway, I will not get Jingzhu involved in.”

Bai Jingzhu’s mother is very pleased. She was just afraid that Dong Nianqiu would be stupid and would speak for her sister.

Bai Jiancheng nods, “You are sisters. She should listen to you. Hurry up.”

In the hospital.

“Hmm...” Yan Hua suddenly makes a sound, which scares everyone.

Lang Ruoxian, who has been staring at her, hurries to shout, “Hua? Hua?”

“Is my sister awake?” Tang Cao hurries to approach.

Yan Hua opens her eyes slowly but she frowns.

“Do you have any pain?” Lang Ruoxian reaches out and rings the bell.

Then he sees Yan Hua look at him and ask, “Who are you?”

Chapter 329 She Really Wants to Complain

The air becomes silent suddenly. A few seconds later, Tang Cao throws himself on Tang Duo’s hospital bed and shouts, “Sister, don’t scare us! Don’t you remember who I am?”

“How did you make yourself like this?” Tang Duo stares at him with her beautiful eyes and says, “You look older!”

Tang Cao is speechless.

“Hua, do you remember us?” Tang Yao asks her in a wobbly voice.

Tang Duo rubs between her eyebrows and answers, “You are my handsome and charming father.”

Then she takes a look at Bai Susu and asks, “Mom, you won’t be insane like them, right?”

“Hua... You finally remember everything. You regain your memory!” Bai Susu says happily. But the next second, she is shocked after seeing Lang Ruoxian’s gloomy face, “Don’t you remember Ruoxian?” Bai Susu asks.

Tang Duo looks at Lang Ruoxian for a while and says, “Do we know each other? When did Yanjing have such a handsome person?”

That night, Tang Duo is transferred to the Postpartum Care Center. At the same time, Bai Susu’s close friend, the brain doctor abroad, returns home by

plane. It takes Tang Duo an hour to accept that she lost memory eight years ago and got married, becoming the mother of four children.

“Mom...” Gungun and Wuyou stand beside the hospital bed and look at her carefully.

Tang Duo looks calm in her face. But in her heart, she actually wants to escape. She didn't expect that she would be 30 years old when she fell down the cliff and woke up again. Have her young days just gone like that?

But she can't do that definitely... Tang Duo sighs silently. Then she reaches out and touches the heads of two children, “What's the matter?” Tang Duo asks.

“Mom, you remember us!” Gungun happily holds her hands and says, “Uncle just said outside that you became silly after childbirth and forgot many people.”

Tang Cao is not the foolish but cute youth anymore, Tang Duo thinks. He becomes a foolish and stupid youth.

“I just feel... a little uncomfortable.” Tang Duo tries to play her mother's role and says, “I never forget you. I...”

When she is racking her brains to think what to say, Lang Ruoxian comes in.

“Gungun, Wuyou. It's too late. Mom just finished the operation and needs to rest. You should go back with grandparents, and come to see Mom tomorrow.”

Tang Duo closes her mouth. Gungun nods his head like a good boy, then he leans forward to kiss Tang Duo and says, “Mom, good night. I'll see you and younger siblings tomorrow.”

“Good... Good night.” Tang Duo says quickly.

After two children leave hand in hand, Lang Ruoxian sits next to the hospital bed and looks at her.

“Sorry.” Tang Duo says. Tang Duo is less nervous to face Lang Ruoxian than children. She thinks it may be due to the man's good look...

“You know, I can’t control this kind of thing.” Tang Duo looks at him and explains, “I don’t want to lose my memory, either.”

Lang Ruoxian stares at her all the time with his flickering eyes.

Tang Duo frowns her eyebrows and asks, “Do we really love each other?”

“Why do you ask that?” The man keeps the same posture to stare at her and says, “You believed what your parents said just now, didn’t you?”

“Yes. But that is because I just saw your face at that time. So I thought it was normal for me to marry you because you were good-looking.” Tang Duo looks at him, with a little disgust in her eyes, “But now I find that your character must be terrible. I’m sure I won’t like that.” Tang Duo says.

Lang Ruoxian doesn’t know what to say for a while.

“It’s my fault.” Then the man in front of her suddenly smiles and says. The thick ink of his eyes disappear, which makes him become gentle. He explains, “You forget me all of a sudden, which makes me a little freak.”

Oh my god, is this man insane? Or does he have double personality? How can he change his character so fast? Tang Duo thinks that in her heart.

“Well...” She makes no attempt to show her doubts.

But Lang Ruoxian doesn’t seem to care about that. He stands up to take the cotton swab and makes it get wet. Then he wipes Tang Duo’s lips with it. He comforts her, “Stand it for a while. You can eat and drink tomorrow after you fart.”

“...Thank you.” Tang Duo is a little unaccustomed to it. In her memory, no man treats her so gently.

Well, some Phoenix men treat her like that sometimes. But they are always scared away by Tang Rui and Tang Cao.

“Are you sleepy?” Lang Ruoxian sits back and tucks her in.

Tang Duo shakes her head and says, “It’s OK. I just feel my belly cold.”

“The doctor said it was normal. You’ll feel better several days later.” Lang Ruoxian takes out his mobile phone and says, “Do you want to see our babies?”

Tang Duo nods her head excitedly. She didn’t expect that she could have twins one day. Gungun looks so good. So she believes her twins must look better!

Then she finds she is totally wrong.

“Are they my babies?” Tang Duo looks at the two little red chubby babies in the picture surprisingly. Will she be blamed as a bad mother if she says the babies are like little mice?

Lang Ruoxian smiles, “Babies are born just like this. Besides, they are born prematurely. After a few months, they will become as good-looking as you.”

“I believe you.” Tang Duo nods and feels that this man is very good at talking.

But...

“Why did I give birth prematurely?” Tang Duo asks. There are many out dated stories of rich family flashed in her mind. But she doesn’t think it will happen to her! If Lang Ruoxian has a mistress, she will absolutely deal with the mistress. Did her combat effectiveness become lower after losing memory?

“If you’re not sleepy, I’ll tell you what you forget.” Lang Ruoxian opens a very lyrical foreign song in his mobile phone and says, “Just now, your family only told you a little thing about your past. If you want to know more, I’ll tell you everything gradually.”

Tang Duo looks at the song’s name in his mobile phone and finds it is her favorite song.

“Okay! Please tell me. I’ll listen.” She rubs against the pillow and says, “But don’t mind me if I fall asleep later.”

Lang Ruoxian nods smilingly, and begins to talk slowly about the eight years that Tang Duo has forgotten and her past life when she was Yan Hua. Gradually, even Lang Ruoxian himself is not satisfied.

Because the memories of him and Hua are too few. They met each other in the third year, and then Tang Duo lived in Lang Family for two years in the name of his sister-in-law. In fact, the real time they lived together in G City is only one year.

Then they went back to Yanjing. Although they've been together these years, there are too many memories that are about other people. Now Lang Ruoxian regrets that he didn't take Tang Duo away when he found her true identity. If they left with their child then, everything wouldn't happen now.

But Lang Ruoxian sighs in his heart when he sees that Tang Duo debunks Dong Nianshuang and Bai Jingzhu. It will be unfair for Tang Duo if he really do that. Anyway, they are together now. No matter whether Tang Duo remembers him or not, they will be together forever, and no one will separate them.

"When Dong Nianshuang was a little girl, I knew that she was contrived. So I'm not surprised that she could do such a thing. As for Bai Jingzhu, as expected, she didn't become smart these years. So she was used by Dong Nianshuang easily." Tang Duo says.

Tang Duo scolds the two women for a moment. Then she sees that Lang Ruoxian becomes silent suddenly. Tang Duo thinks he is angry. So she adds, "Thank you for those years. Without you, I can't go back to Yanjing and I might have been dead."

"We are lovers. You don't need to thank me." Lang Ruoxian holds her hand smilingly and asks, "How do you feel when I touch you? Do you hate it?"

Tang Duo feels it seriously and shakes her head. She answers, "I don't hate it."

It's probably the reaction of her body's instinct. Although she can't respond to Lang Ruoxian emotionally, she really doesn't hate this man. After all... He looks so good!

"Well, go to sleep!" Lang Ruoxian seems to be very happy. He says, "You just finished the operation and should take a good rest." He turns off the light, leaving only a dim bedside lamp, and then goes to the sofa next to her and lies down, "I'll sleep here. You can rest assured." Lang Ruoxian says.

Seeing his long legs are almost on the ground, Tang Duo suggests, "You can go to the inner room to sleep. I will call you at night if I need your help."

"It's OK. I feel at ease when I'm next to you." Lang Ruoxian curls the corner of his mouth and says, "Sleep quickly!"

Tang Duo closes her eyes. For the god's sake, she thinks shyly, he just laughed so well!

Tang Family.

"How unlucky we are!" Chang Pei'e goes to worship the Bodhisattva as soon as she comes back. Bai Susu goes upstairs to let Gungun and Wuyou to go to bed. Then she comes down and the family of four sit on the sofa.

"Alas..." They sigh together.

Tang Cao is the first to say, "Well... It's not too bad actually! We always wanted to make my elder sister recover her memory before!"

"It's good to restore her memory. But she forgets the previous one." Tang Yao says sadly, "My dear daughter remembers us, but forgets her husband and children."

Then he adds, "She doesn't only forget her husband, but she also forget the two babies that she just gave birth. This is really..."

"It's worse that she forgets Gungun." Bai Susu stares at him and says, "Ruoxian is an adult. He can understand her. The two babies are too young to know that. But Gungun is different. You all know how close he is with Hua. If Hua lets Gungun find the truth by accident, I'm afraid he will be sad."

Chang Pei'e nods, "Gungun is very sensitive. But I don't worry about Wuyou. Let's pay more attention when Hua is better. Also, don't make Hua have too much pressure. It's even worse in case that she has postpartum depression."

"I don't know if I should be sad or happy." Bai Susu rubs between her eyebrows and says, "Let's talk about that later after the doctor arrives tomorrow and has a check-up for her."

On the early morning of the next day, the whole family go to the Postpartum Care Center together. Tang Duo doesn't wake up when they arrives there.

Lang Ruoxian is standing outside the door and talks with a nurse in a low voice.

“Ruoxian.” Chang Pei’e looks him up and down and asks, “Didn’t you sleep all night?”

Lang Ruoxian shows a helpless expression and answers, “I can’t sleep. And Hua still has a risk of bleeding last night. I need to look after her all the time.”

“You’d better go back to sleep!” Tang Yao pats him and says, “I know you’re so sad. But the truth is that Hua forgets you now. You have to think like this. She didn’t remember us before, but she still loved us very much. So it doesn’t matter whether she remembers you or not. You can pursue her again!”

“Dad, let’s go to see my elder sister first!” Tang Cao hurriedly pulls him in.

Doesn’t his father see that his brother-in-law’s face turn black? Lang Ruoxian is the devil! If he becomes angry, Tang Cao thinks, he won’t quarrel with Tang Duo but he will make trouble with them!

“Don’t listen to your father’s nonsense.” Chang Pei’e takes a look at Bai Susu who is walking here with Gungun and Wuyou, and whispers, “Don’t worry. You look good. Hua must like you.”

Lang Ruoxian smiles, “Grandma, I know it. Let me help you in.”

Chapter 330 the Lost Memory

When Tang Duo wakes up, she sees a circle of people around her bed staring at her.

“...Are you freaking me out?” She moves her body a little and still feels her belly uncomfortable. Then she hears a poof.

Bai Susu immediately calls the professional confinement lady and says, “Hua farted. She can eat now!”

“You can drink the soup stewed by us first.” Chang Pei’e takes out an insulation barrel.

Tang Cao is still confused. He asks, “Does it means she is out of danger?”

The doctor of the Postpartum Care Center comes to check for Tang Duo, and then says, "Well, you can have a confinement in childbirth at ease now!"

"Doctor, how are the babies?" Bai Susu asks.

"They're not bad. They have passed 24 hours and now they are in a stable period. We will observe if they can grow normally these days. It needs at least one month to make sure they are really fine."

Tang Duo is drinking chicken soup. But she is a little embarrassed at that time. Her babies are not out of danger. It might be inappropriate for her to eat and drink so much...

"Don't think too much." After the doctor leaves, Chang Pei'e comforts her and lets the paramedics put lots of dishes in front of Tang Duo. She says, "Your task now is to have a good meal and take good care of yourself. When the babies come out of the incubators, maybe you can suckle them."

The professional confinement lady on one side hurriedly says, "Yes, yes, yes! She is right. Let's observe your situation these days. After your wound is healed, we will start to do massage care for you. According to Mrs. Lang's condition, it doesn't need to promote secretion of milk too fast, otherwise it will be wasted. We just need to make sure that her mammary gland is well."

Tang Cao runs to his father with a red face. Tang Yao is taking Gungun and Wuyou to see babies, mainly because he wants Wuyou to confirm the smell of babies. Yesterday when Wuyou went to see babies, Tang Yao suddenly asked her a question.

"Wuyou, can you still smell the babies' smell now?"

"Yes." Wuyou nodded yesterday, "Everyone has different body smell."

Tang Yao's eyes brightened instantly. He said, "You remember the smell of babies now. When we come here tomorrow morning, you will see if there is any change."

It would not change definitely. The nurse who overheard this secretly would like to show the whites of her eyes extremely. You were so strange to smell the babies' smell...

“The doctor is here. Ruoxian, have you arranged for someone to go to the airport?” After seeing Tang Duo eating with a good appetite, Bai Susu begins to ask Lang Ruoxian.

Lang Ruoxian takes a look at his watch and says, “Shu Sheng has gone in person. He might be on the way to the hospital over there at present.”

“Well, let’s go after Hua finishes eating.”

This kind of check should be done in a reliable place. Tang Duo just needs to lie still. The doctor who was asked by them said that there was no problem in carrying her like this.

“Mom.” Tang Duo asks, “Do you bring my mobile phone?”

Bai Susu casts a glance at her and says, “You can’t use mobile phone for fun in the confinement period.”

“Why?” Tang Duo is shocked. She was shy to ask Lang Ruoxian to let her play his phone when she saw it yesterday. After eight years, she didn’t know that the Fruit Phone had advanced to this level.

“It’s not good for your eyes.” Chang Pei’e coaxes her, “Be good. You can play it after the confinement.”

Tang Duo thinks in her heart that she should play Lang Ruoxian’s phone yesterday...

“You shouldn’t let her play your phone, either.” Bai Susu obviously knows her daughter well. So she reminds Lang Ruoxian, “Do you know?”

Lang Ruoxian looks at Tang Duo smilingly, who is twitching her mouth. He says, “Mom, I know.”

In the afternoon, in a private hospital that is not public, Tang Duo is lying on a huge machine, and others are looking at her through the glass.

“There’s nothing wrong with the brain.” The doctor says, “In fact, you don’t have to worry. Her condition is very normal.”

When Tang Duo is pushed out, the doctor says to Tang Family, “The human’s brain is actually very smart. It has a self-warning consciousness. When it occurs, the brain will activate the self-protection device.”

“Ms. Tang’s first amnesia is due to the self-protection consciousness of her brain when it is struck by external forces. Amnesia is actually its sequel.” The doctor says.

Then the doctor tells them that Tang Duo’s brain has a sense of crisis when she was in a fire. So the stimulation this time reminds her of memories that has been blocked by the brain.

“What about Hua’s lost memory?” Lang Ruoxian asks.

The doctor coughs and explains, “Strictly speaking, it’s also a kind of self-protection of the brain.”

The brain’s memory bank is like many different rooms, which will automatically separate the memories and puts them in different rooms according to their categories.

“Before, the brain locked all the rooms because of self-protection. So Ms. Tang didn’t remember anything.”

But this accident lets her brain open those rooms, and Tang Duo naturally recovers her memory.

“But as we just said, the brain is very smart.” When they deal with the memory system, they find a memory that doesn’t belong to Ms. Tang. In the brain’s eyes, it’s another person’s memory. So they lock it up automatically again.”

Lang Ruoxian thinks for a moment and then asks, “Do you mean that this door will open sooner or later?”

“Yes. But it does not the same as your thought.” The doctor thinks about it and says, “The brain does not completely lock this memory. In fact, it locks the door because it is for its own good. Let’s think about this. Will you be very afraid if you suddenly have something else on you?”

“It’s the same with the brain. They won’t open the door all of a sudden. The brain will open it slowly to make it accept these memories gradually.”

The doctor also mentions that when he came to check for Tang Duo last time, the Tang Family asked whether it would be easier to regain the memory if Tang Duo touched the previous things.

“I said it might be possible at that time. But this time I would say it’s useful definitely.”

Everyone is relieved. It’s a good thing!

“Son-in-law, you can rest assured now!” Tang Yao pats Lang Ruoxian again and says, “Hua will slowly recover her memory, and remember you sooner or later. In fact, it doesn’t matter whether she remembers you or not. What is important is that she can remember Gungun, Wuyou and the twins...”

Tang Cao covers his mouth quickly and says, “Dad, I know you are happy. But you should hide it in your heart.”

“Why do you think I am happy? I just comforted Ruoxian!”

“Don’t forget, Dad, who gives you pocket money every month now.” Tang Cao whispers.

Tang Yao is speechless.

Is it too late for him to change his words now?

“Thank you, doctor. I’ll ask my people to send you to the hotel for a rest.” Lang Ruoxian asks Shu Sheng to arrange the doctor and to send him to the airplane on time tomorrow. Then the whole family go back to the Postpartum Care Center. Tang Cao asks Bai Susu secretly.

“Mom, do you think my brother-in-law is weird?”

“Why do you think so?” Bai Susu is busy giving orders in her mobile phone to let her people make Dong Family in trouble. So she just says casually, “Your elder sister forgets him. He must be in a bad mood now. You shouldn’t bother him all the time.”

“No!” Tang Cao drags her sleeve and says, “Look, look!”

Bai Susu looks up and sees Lang Ruoxian gently holding Tang Duo to the hospital bed. Then he pours water and peels fruit for her immediately.

“He is the same as before.”

Tang Cao almost shows the whites of his eyes and says, “He was so awful before and treated everyone coldly. I was scared to death when he took a look

at me. But look at him now, he seems to have changed his personality totally, and his temperament becomes different.”

“...Maybe he doesn’t want to scare your sister.” Bai Susu twitches the corner of her mouth. She investigated Lang Ruoxian before. So she naturally knows that he has played the real Lang Ruoxian who is gentle like this now.

“Well, remember to tell Diandian that your elder sister doesn’t remember her now.” Bai Susu says to Tang Cao.

Tang Duo is also relieved after hearing the doctor’s words. She wants to find her memory, too. After listening to Lang Ruoxian’s words, she feels that many things happened when she lost her memory. It’s more interesting than her life in Yanjing.

“Are Dong Nianshuang and Bai Jingzhu still at the police station?”

Lang Ruoxian wipes her hands and says, “Yes. The Dong Family has declined. I guess they only have a few houses now.”

“Is it worth the trouble?” Tang Duo smiles, “Do you know that Dong Nianshuang once asked me to go to the ball of her adult ceremony? At that time, she called me that everyone had decided the color of their clothes on that day so that their dressing in photos would be like flowers.”

As a result, Tang Duo listened to her advice and wore a purple skirt. Then she found Dong Nianshuang also wore purple.

“Ha, ha, do you think she is so boring?” Tang Duo says with a smile, “She overreached to wear the same color with me. Because she wanted me to be accused of stealing her limelight intentionally. But she forgot that I looked much better than she did.”

After that, some fashion figures said that Dong Nianshuang and Tang Duo wore the same style of C Company, and Dong Nianshuang looked like a village girl when standing next to Tang Duo.

“She’s still ugly now.” Lang Ruoxian shows his look of disgust and says, “She can’t compare with you.”

Tang Duo nods, “Yes! But she never understands it. She takes me as her opponent, which makes her fail from the beginning. You said that she used to

like Hua Yan and then she changed to like you. However, she did that just because you and Hua Yan had something to do with me.”

“Hua Yan has no relationship with you.” Lang Ruoxian looks at her with fixed eyes.

Tang Duo shivers suddenly. This feeling comes again! The man is really a lunatic, Tang Duo thinks.

“I just want to say that she’s always staring at my life, even trying to copy it, and now she brings trouble to herself.” Tang Duo sneers, “If I’m health now, I will go to laugh at her.”

Lang Ruoxian frowns, “There will be many opportunities in the future. You can’t move around now.”

“I know!” Tang Duo yawns, “I’m just saying. By the way, I’ll sleep for a while. You can go to see the babies and take some pictures for me. I want to see if they look better today.”

Lang Ruoxian agrees with a smile. Then he tucks her in when he sees that Tang Duo’s breath is gradually steady. While he doesn’t go to see babies until Bai Susu and Chang Pei’e come back from babies’ room. When he comes back to Tang Duo’s room again, Tang Cao has sent Tang Yao, Chang Pei’e and two children back.

“Mom, is she always sleeping?” Lang Ruoxian asks in a low voice.

Bai Susu puts down the computer and answers, “Yes. She has fallen into a heavy sleep.”

“Dong Family is looking for help everywhere. You’d better get bodyguards guarding you. It’s said that they want to see you.” Bai Susu reminds him. She thinks that Dong Nianshuang’s family always refuse to realize the reality. What else can they do to find Lang Ruoxian? They just want to drive a wedge between Lang Ruoxian and Tang Family.

In the detention center, Bai Jingzhu hugs Bai Yuanfei and cries breathlessly.

“Elder brother, I really didn’t know that she was going to burn Tang Duo. I was used by her... Hum, hum, hum... Help me out quickly. I don’t want to stay here.”
