

The Apple 321

Chapter 321: Let Me Go (2)

Did she care?

Qiao Mu bit her lip hard. When she heard the man's words, the grievance in her heart gushed out uncontrollably. In the blink of an eye, the tears in her eyes finally flowed down uncontrollably.

She could clearly feel that she had fallen for him. She did not know when she had fallen in love with him. Perhaps her love for him had never changed since ten years ago. However, when she realized that she had fallen in love with him, she realized that he was a big jerk in the blink of an eye!

Thinking about how he had entered the hotel with that mysterious woman last night, entered the private house, and did something intimate that she could not imagine, her heart ached!

How could he be so shameless as to pretend that nothing had happened and continue to pester her without saying a word!

Clenching her hands tightly, she took a deep breath and said fiercely, "I care!

Because I feel disgusted. When I think of you touching me with someone else's hand, I feel so disgusted that I want to vomit!"

She was clearly trying to say something to provoke him, but her chest hurt so much that she could not breathe. She pressed her hands against her chest and tears kept flowing out.

As if she felt that she hadn't made herself clear enough, she sobbed and shouted, "YOU bastard! Shameless! Shameless! What do you take me for? You're with me and you're still looking for other women. If you want to have fun, I'll fulfill your wish. Let me go. You can do whatever you want. I won't care!"

Her words pierced Li Yan's heart like a sharp sword.

She kept saying that she wanted to leave. Even if he did not do anything wrong to her, the pain of being hated and rejected by her was real.

Li Yan frowned as he looked at the little woman lying limply on the seat. She was curled up into a ball and was so sad that her nose was dripping with tears. She sobbed without caring about her image.

She was so sad because he was with another woman. Did this mean that she actually liked him?

Li Yan's eyes flashed, and he reached out to wipe her tears. "Qiao Mu, this is a misunderstanding...'

"Take your hands off me!"

The moment his palm touched her cheek, she pushed him away frantically, refusing to let him touch her.

Immediately after, vicious words were thrown at him."Li Yan, don't make me disgust you. I beg you, let me go..."

She cried and begged. Deep in her eyes, she really wanted to get rid of him and stay away from him. It was as if she didn't even want to look at him!

Li Yan's hands froze in mid-air for a few seconds. The light that had just lit up in his pitch-black eyes was instantly extinguished at this moment!

He was really daydreaming. How could she care about him? If she really cared, she would not have secretly planned to leave and had no intention of staying for him! If he hadn't found out, she might have disappeared without a word!

Li Yan's expression darkened at the thought of this. He clenched his fists tightly and started the car after a while.

As the car started, the man's cold and domineering voice reminded him word by word, Qiao Mu, you can only be mine in this lifetime! " Qiao Mu's body stiffened, and her face instantly paled!

Even if he had another woman, did he not plan to let her go?

What did he take her for? One of his many pastimes?

Bastard! She must be blind to fall in love with him!

The car stopped at the Li family's villa. Li Yan got out of the car while Qiao Mu sat in the car without moving.

Li Yan opened the passenger door and was about to reach out to hold her hand when he saw her expression of rejection.. He paused and said coldly, "Get out of the car!"

Chapter 322: Let Me Go (3)

Qiao Mu sat there without moving as if she hadn't heard anything.

Then, the man beside her threatened coldly, " Do you want me to carry you out of the car, or do you want to get out of the car yourself? Or if you want to live in the car, I don't mind sleeping with you in the car at night!"

Hearing the man's shameless words, Qiao Mu raised her eyes and glared at him. In the end, she still got out of the car angrily.

She was carrying the small bag that she had packed when she left the Li family. It was filled with some of her clothes. At this moment, she did not look good.

The tears on her face had dried up, and her cheeks were covered in tears. Her eyes were slightly swollen, and her hair and clothes were a little messy. Coupled with the small bag in her hand, she looked like she was fleeing from famine.

Li Yan turned around and walked into the house. After taking a few steps, he realized that the person behind him was still motionless and did not follow him. He said coldly, "Go home!"

Go home?

Qiao Mu found it laughable. This was not her home!

However, she knew that she had to do what this man wanted her to do. If she didn't do it herself, he would do it for her, so she could only follow him obediently.

After entering the house, Li Yan asked the butler to prepare lunch.

Qiao Mu stood at the door and did not move.

Li Yan turned to look at her and frowned slightly. She had no intention of putting down the bag in her hand. It was as if she was about to take her things and leave at any moment!

He approached her and reached out to take her bag, but she avoided him.

"This is mine!" Qiao Mu hugged her things tightly, as if he could not touch anything that belonged to her!

Li Yan's eyes darkened. "You took something from my house and you still claim it's yours?"

"These are all my things. I bought them all with my own money. I didn't take any of the clothes you bought for me. They're all in the closet!"

She wanted to cut ties with him!

Li Yan tugged at his tie in frustration. His voice was filled with anger. "Qiao Mu, do you need me to remind you that even you are mine, so what else is yours?"

Qiao Mu raised her chin angrily. " I'm not! "

"You're not? The person who took my money back then and vowed to exchange it for three years, wasn't it you?"

Qiao Mu choked, and all her arrogance was instantly extinguished.

Li Yan was right. She had taken his money and had to repay it with herself. That was why he was pestering her and not letting go. If she let go, she would suffer a loss!

Qiao Mu only felt a sour feeling in her heart, and the man's voice immediately followed. "'Open the bag!"

"I said, this is all mine! If you don't believe me, go upstairs and check if there are any clothes missing in the wardrobe. You can even take them to your next bed partner!" In the end, he added in a fit of pique, "I'm just afraid that they don't have a good figure like mine and can't wear it!"

Li Yan was unable to vent his anger when he heard her speak like a child. This little thing had not gotten rid of her childish personality.

Li Yan was both angry and helpless. " Qiao Mu, do you have to talk to me like this? "

"I don't want to talk to you at all!"

Li Yan's face darkened as he stared at the woman who had rejected him. After a while, he said coldly, "'Go upstairs and change your clothes. Let's eat."

"I'm not eating your food!"

Qiao Mu, don't challenge my patience! "

Did this woman really want to intimidate him?

Qiao Mu gritted her teeth and went upstairs angrily.

After entering the room, Qiao Mu stood in front of the mirror and looked at her disheveled appearance.. She felt that she was too useless!

Chapter 323: Let Me Go (4)

What was there to be sad about? She had already experienced his betrayal once anyway, so she should have been numb to it long ago!

However, her heart still ached!

Qiao Mu went downstairs and ate her lunch without a word. She felt as if she was once again living her life as a prisoner.

After the meal, she sat on the sofa and turned on her phone. Almost all the websites were filled with scandals about Li Yan and the mysterious woman.

Who was that woman?

This news had been exposed for a few hours, but Li Yan did not step forward to stop it. With his ability, it was easy for him to clean up the fake news, but he did not!

What did this mean? It was obvious!

Qiao Mu clicked on a video. It was taken when the reporter followed Li Yan into the hotel. She deliberately turned up the volume.

The sound of wind could be heard on the phone. The reporter followed the car in front and reported, "The two people in the car in front seem to be hugging each other. That woman is really dishonest. Young Master Li is driving and she still wants to get close to him...Yo yo, he kissed her! Finally, the car stopped and the two of them arrived at the hotel...They held hands and went in...'

Qiao Mu clearly didn't want to see it, but she couldn't help but be curious about what he did last night.

However, when she saw the blurry and flirtatious image in the video, her heart started to twitch violently.

Li Yan listened from the side and frowned slightly. Damn it, although he knew that his whereabouts last night had been exposed, he did not expect it to be so ridiculous!

What kissing? What holding hands? It sounded like a couple. No wonder this little thing misunderstood!

Which media outlet dared to fabricate the truth like this? He would definitely turn this media outlet upside down!

Taking a deep breath, Li Yan took the phone from Qiao Mu's hand and turned off the video. He then threw the phone on the coffee table roughly.

The phone was already a defective product. With this fall, it probably couldn't even make a call!

Qiao Mu raised her head and looked at him. "Why? You can't bear to listen to what you've done? Isn't this called being angry out of humiliation?"

"Qiao Mu!" Li Yan glared at her warningly. After a while, he sighed helplessly and said coldly, "'The woman last night is my mother!"

Qiao Mu was stunned. In the next second, she suddenly laughed. Every time she laughed, her heart would ache.

She didn't know if she should feel honored that this man would actually open his mouth to explain to her and actually treat her like a three-year-old child!

Fortunately, she had met Yu Yiduo before. Otherwise, she would have believed his words!

Even if Yu Yiduo was fashionable, she was a completely different person from the woman in the photo. One had long hair and the other had short hair. The woman in the photo was wearing shorts and a t-shirt. No matter how one looked at it, she was a woman in her twenties!

Most importantly, the shadows of the two people in the car in the video were obviously kissing!

After laughing enough, Qiao Mu felt tears welling up in her eyes. She raised her head and glared at him. "Li Yan, why don't you say that the man only looks like you and not you?" This excuse is more convincing!"

Li Yan's eyes darkened. She did not believe it!

At this moment, Li Yan finally realized that this woman's intelligence had

really been eaten by a uog'.

He was about to say something when his phone rang.

He picked up the phone in frustration and wanted to hang up the call. When he saw the caller ID, he paused and picked up the phone. He went to the balcony to answer the call.

"Ouyang, what is it?"

"Boss, the business deal in the Middle East is waiting for you to negotiate.. When are you coming?"

Chapter 324: Her Heart Hurts So Much (1)

“I’m not free. Go find Chen Chen!” Li Yan said coldly.

“Don’t, boss. The other party’s boss specifically wanted to talk to you. It was decided a month ago. If it was the second in charge, this matter would most likely fall apart!”

“Think of a way to solve it yourself!”

“Boss, this is a big deal worth tens of millions!”

Li Yan frowned and looked at the woman in the room. She was too agitated to listen to his explanation. In the current situation, if he were to be with her, she would only feel more and more repelled.

Li Yan retracted his gaze and said into the phone, “Book me a plane ticket!”

After returning to the house, Li Yan looked at Qiao Mu and said indifferently,

“I’m going overseas for a business trip. You stay at home obediently.”

He had just finished speaking when he saw Qiao Mu’s eyes brighten. It seemed that his departure was a very happy thing for him.

Li Yan suppressed his anger and reminded her coldly, “Don’t even think about leaving. Even if you go to Hong Kong to study, I can still catch you! Qiao Mu, I mean what I say!”

Qiao Mu snorted coldly and turned her face away from him.

Hurry up and leave. If you leave, you won’t have to face his stinky face all day!

Although Li Yan really wanted to have a good talk with Qiao Mu, she was so agitated that she would not listen to anything he said.

There was no rush in this matter. The little thing could not be pushed too quickly. He would give her time to calm down!

Li Yan set off for the airport. On the way, he sent a message to Yu Yiduo, ‘

Mom, go and explain what happened last night to Qiao Mu. ”

At this moment, Yu Yiduo was catching up on sleep when her phone rang. Li Zheng took it and saw Li Yan’s message.

A smile appeared on his cold face. He moved his fingers and deleted the message.

Qiao Jiannan’s daughter, why would he need his wife to explain? He could just leave this matter to him!

On the second day after Li Yan left, Qiao Mu took her things and prepared to return to the dormitory.

Just as she stepped out of the door, she saw a car driving into the villa compound.

Qiao Mu stopped in her tracks. Li Yan had just left yesterday and was back today?

She looked at the license plate and realized that it was not Li Yan’s car.

The car stopped and a tall figure got out.

The man looked to be in his fifties. He exuded a solemn aura. He had a serious face and strong facial features. He did not look old. He was handsome, mature, and charming. There was also a hint of domineering aura.

Suddenly, the man's gaze swept over. Qiao Mu stood where she was and watched as the man approached her. " May I know who you are? "

Li Yan's father. " Li Zheng sized up Qiao Mu.

Someone who could freely enter and leave the Li family's villa was most likely not an outsider. Qiao Mu had already somewhat guessed his identity, so she was not surprised when she heard Li Zheng's words.

She smiled and bowed politely. " Hello, Uncle. '

As soon as she finished speaking, she saw the other party sizing her up. She didn't know if she was overthinking it, but Li Zheng's gaze was very unfriendly, making her feel a little creeped out.

Li Yan was the type who was cold and distant when he was serious, but he would not show any other emotions. However, the emotions in the eyes of the man in front of him could be seen at a glance.

A voice in her heart told her that Li Yan's father did not like her!

At this moment, she heard the other party's voice."Are you the canary that my son raised?"

These words were like a resounding slap to Qiao Mu's face, causing her polite smile to instantly freeze..

Chapter 325: Her Heart Hurts So Much (2)

Qiao Mu did not know the other party's intentions. Even if the other party did not like her, she still smiled politely. " Uncle, my name is Qiao Mu. "Uncle, Li Yan isn't home. He went on a business trip," she said after a pause.

Li Zheng's sharp eyes landed on Qiao Mu's face, and he raised his eyebrows. She did not show any displeasure at his sarcasm, and she straightened her back and maintained a smile at him.

Her words and actions were still considered generous and appropriate. From the looks of it, she did not look like a vulgar vase.

Thinking about it, it made sense. With his son's taste, how could he fall for a vase?

Although Li Zheng didn't hate her personally, she was Qiao Jiannan's daughter. Naturally, he couldn't let the daughter of the person he hated the most marry into the Li family!

Li Zheng looked at Qiao Mu disdainfully. "You don't have to tell me about my son's whereabouts. I'm here to look for you today. Qiao Mu, let's talk."

Without giving Qiao Mu a chance to speak, Li Zheng continued, "Let's talk about when you'll leave the Li family."

Qiao Mu was stunned. She finally understood the other party's intentions.

As expected, they came with ill intentions!

Qiao Mu wiped away the smile on her face and raised her head to look straight at Li Zheng before bluntly saying, "Uncle, what do you want to say? Please say it. I'm in a hurry. I have to go to school later."

Li Zheng was slightly surprised by Qiao Mu's neither servile nor overbearing attitude.

A nineteen-year-old girl was so calm in front of him. This kind of performance was beyond his expectations.

In a hurry?

Li Zheng sneered. "That's good. I'm in a hurry too. I'll make it short. You saw the news last night, right? I don't know what you're thinking. Since you know that Li Yan has another woman, are you still willing to be with him? Maybe he didn't tell you clearly. The woman who was exposed is his fiancée, the daughter-in-law of our Li family."

Qiao Mu's body stiffened, and her eyes widened in disbelief.

Li Zheng's words were even more shocking than yesterday's news. Qiao Mu froze on the spot and lost her ability to react.

Li Yan actually said that his fiancée was his mother. He could even make up such a lie. What else was true?

He clenched his fists tightly and pretended to be calm as he looked at Li Zheng. "Uncle, do you have anything else to say? If not, I'm leaving."

Li Zheng frowned. The girl in front of him was a little pale, but she was calm and did not show any panic. He put his hands behind his back and said indifferently, "Qiao Mu, it's impossible between you and Li Yan. Li Yan might not have told you this, but the Li family and the Qiao family have grudges against each other, so it's impossible for them to get married. I hope you won't pester him. As long as you leave him, you can name any conditions you want!"

Qiao Mu gritted her teeth, and her knuckles turned slightly white. She smiled sarcastically. "Uncle, you're mistaken. The person being pestered is me." "If it's possible, I hope you can come forward and persuade your son. Since he already has a fiancée, I, Qiao Mu, am not a casual person. Please let me live!"

She bowed politely. "I'm sorry, I still have something on. I'll be leaving first."

Li Zheng looked at Qiao Mu's back and frowned slightly. That back looked frail and weak, as if it would collapse at the slightest gust of wind.

She clearly looked like she had suffered a great blow and was very sad, but she straightened her back and walked away from his sight with firm steps..

Chapter 326: Her Heart Hurts So Much (3)

Before he met her, Li Zheng had a bad impression of Qiao Mu. It was because her surname was Qiao and his wife kept calling her daughter-in-law, which made him feel even more awkward. He always felt that Yu Yiduo's fondness for Qiao Mu was more or less due to Qiao Jiannan.

He had minded Qiao Jiannan for so many years. When he thought about how his wife had almost married that man, how could he let the two families become in-laws?

Thus, he took the opportunity to show Qiao Mu his power today, but her reaction was beyond his expectations.

In his impression, every nineteen-year-old girl was impetuous and smug, but Qiao Mu's words and actions were polite and courteous. Even if he said something overboard, she did not lose her composure.

There was no pretense or falsehood. He was straightforward and genuine.

It seemed that Qiao Jiannan had raised her daughter well.

When Li Yan mentioned her to him, he mentioned her as his daughter-in-law. It seemed like that kid was serious.

Forget it. Since that was the case, he would not interfere.

As for what he said just now...Just treat it as a test for them!

Li Zheng did not know that this test of his had almost caused Qiao Mu's heart to ache!

Qiao Mu didn't know how she managed to walk out of the Li residence. Her legs were already numb and she couldn't feel anything. She walked mechanically, Li Zheng's words echoing in her mind.

Li Yan had a fiancée!

What should she do? Her heart hurt so much!

Suddenly, a car horn sounded behind her. She didn't turn around. Immediately after, there was the sound of brakes. She heard Qiao Ya's shocked voice. Qiao Mu, why did you come out of the Li Clan? "

Qiao Mu's body instantly stiffened. In the past, every time she left the Li family's residence, she would look around at the entrance to see if there were any cars passing by. Just now, she was not paying attention, and she actually came out so openly!

When Qiao Ya saw that Qiao Mu didn't respond, her tone became extremely furious. " Qiao Mu, you actually went to uncle's house to seduce him? " You're really shameless to do such a thing! It's a pity that your uncle already has an aunt. The news has spread to everyone. You don't have a chance! Did you also see the news, so you couldn't sit still and wanted to take a gamble? I heard from my mother that she asked you to seduce Uncle, but Uncle didn't take the bait. After finding out that Uncle has a lover, not only did you not find a hole to hide in, but you also found a ***!

I really don't know what to say about you..."

"Have you said enough?" Qiao Mu interrupted him impatiently and glared coldly at Qiao Ya, who was gloating. " Get lost! Don't block the way!

"Oh, you're angry from embarrassment? I just want to see how thick-skinned you can be. Did you send yourself to Uncle's bed and then be ruthlessly chased out? How pitiful!"

As Qiao Ya spoke, her tone changed and became vicious. "Qiao Mu, wake up. Uncle is no longer the uncle from back then. No matter how good he was to you back then, it's all in the past! Look at your listless appearance. I like to see you like this. Can you shed a few tears for me to see? I'm so happy!"

It was rare for Qiao Ya to see Qiao Mu in such a dejected state. In the past, Qiao Mu could easily retort every time she dealt with her, and that attitude was simply infuriating!

It was not easy to get a chance to humiliate her. How could Qiao Ya not seize the opportunity? The words she said were as cruel as they could be!

It was too satisfying!

Qiao Ya's arrogant words pierced straight into Qiao Mu's heart, mercilessly tearing a hole in it.. The events that had happened in the past few days instantly made her unable to breathe!

Chapter 327: Her Heart Hurts So Much (4)

He clenched his fists tightly, his fingers digging into his flesh as he tried to calm himself down.

She could not show her sadness in front of Qiao Ya. It would only make Qiao Ya more arrogant!

Looking at the white car, she took a step forward and kicked the door hard.

Bang ...

The car door instantly caved in!

Qiao Mu's kick completely vented all the anger and sorrow in her heart.

Immediately after, Qiao Ya screamed, "Ah..." Qiao Mu, are you crazy? What are you doing?"

"Aren't you happy? It's boring for you to be happy alone. I want to be happy with you too. Yes, I'm very happy now!" Qiao Mu sneered and left immediately.

Qiao Ya quickly got out of the car and saw the obvious big footprint on her beloved car. The car had been stepped on until it caved in. Her heart ached so much that she stomped her feet!

She pointed at Qiao Mu's back and shouted through gritted teeth, ""Qiao Mu, stop right there! Come back! I'm going to complain to Daddy, you wretched girl!"

Qiao Mu didn't stop walking. She turned around and glanced at Qiao Ya, whose face was contorted. " Go complain. I'll also tell Daddy about the 'good things' you've done to me! "

“You ... You bitch!”

Qiao Mu moved back to the school dormitory and completely cut off all contact with Li Yan.

She had left her phone at the Li family’s house. Even if Li Yan wanted to contact her, he could not.

Chi Xia looked at Qiao Mu’s listless expression and could not help but ask, “Mu Mu, what do you plan to do next?”

Qiao Mu lay on the bed and turned over. “ We’ll take it one step at a time! ‘

Chi Xia sighed. “ Sigh, we’re so pitiful. We’re in the same boat. We’re really best friends. If we’re going to break up, we’ll break up together! ‘

Qiao Mu burst into laughter. That’s right, she was considered to have fallen out of love now!

At this moment, the door was unlocked. Then, the door was pushed open and a voice sounded, “ Room 519. This is the place. That’s right! ”

Qiao Mu raised her head and was slightly stunned when she saw a slender figure standing outside the door.

When the other party saw the person in the room, he was also stunned for a

moment. He was the first to Mu, what a coincidence. I was assigned to your dormitory!”

Baby Guan carried two large suitcases into the house and sat down on a chair to rest. “ I’m your new roommate. I’ll take care of you in the future...” Eh, the atmosphere in this room isn’t very good. What’s going on?”

Qiao Mu smiled. “ Baby, we’re really fated. ‘

Baby Guan raised her chin. " Yeah, if I were a man, I would take you in since we're fated to be together. Unfortunately, I'm not a gay and I already have someone I like. We're not fated to be together in this life. "

Qiao Mu was speechless.

Chi Xia burst out laughing. " Welcome, welcome, Guan Baobei. You still remember me, right? The last time I saw you, you were so handsome! Can you teach me a few self-defense moves?"

Baby Guan flicked her hair and looked valiant. " It's a little late to learn now. It's

okay. We'll be in the same dormitory from now on. I'll protect you! "

Chi Xia was so touched that she cried. Did that mean that she would have a female bodyguard in the future?

Baby Guan was cold and lively. With her joining the dormitory, the atmosphere was not so gloomy.

After asking for the reason, Baby Guan exclaimed, ""It can't be that strange, right? My previous roommate was also heartbroken. Everyone who lives in this room is heartbroken. I don't want to be heartbroken!"

Qiao Mu patted Baby Guan's shoulder comfortingly. " No, I believe that you'll bring the atmosphere of our dormitory up..

Chapter 328: Qiao Mu Left (1)

"Of course, I have a fiancé!" "Although I haven't taken him down yet, with my abilities, good things are coming!" Baby Guan added.

Qiao Mu was a little stunned when she saw Baby Guan's determination to love without hesitation.

They were clearly the same age, but the difference was so big.

When she was young, she did not hide her feelings in front of Li Yan.

If she wanted to hug him, she would shamelessly snuggle into his embrace. If she wanted to kiss him, she would always find a way to do so. If she liked him, she would say it out loud. If she wanted to be his wife, she would say that she would marry him...

She had thought that she might have a chance to fulfill her initial wish after breaking up and reuniting.

Reality gave her a hard slap!

Baby Guan looked at Qiao Mu as she packed her clothes. "Mumu, when I went to the academic affairs office to report, I accidentally saw your name list for the exchange program. Do you want to leave?"

Qiao Mu nodded, then shook her head. "Anyway, I can't leave now."

Looking at Qiao Mu's listless expression, Baby Guan put down the clothes in her hands and clapped her hands. "You want to go to Hong Kong, right? Let me tell you, the streets of Hong Kong are full of hooligans, and the public security is especially unsafe. It's just like in police and bandit movies, which is why I'm practicing such martial arts to protect myself. It's terrible there. You'll definitely regret it when you go there!"

Chi Xia's mouth twitched. "Baby, do you think we're just some ignorant trash?"

"You're bullying us because we haven't been to Hong Kong. You're lying to us!" Baby Guan smiled awkwardly. Suddenly, she thought of something and her eyes lit up. "Although Mumu can't go to a university in Hong Kong, we can go to the University of Hong Kong. Anyway, there's still a week before school starts. I'll take you guys there for a week to relax!"

Baby Guan's tone was very heroic. Before Qiao Mu and Chi Xia could say anything, she dialed the number. "Hello, Big Brother, help me book three plane tickets. I want to go home!"

Qiao Mu and Chi Xia looked at each other. Wasn't this a little too much of an action freak?

After hanging up, Baby Guan said arrogantly, ""Hurry up and pack your things. We'll set off in a while!"

Country K.

Li Yan had just finished his business meeting and was about to leave.

"No need." Li Yan stood up and curled his lips. His expression was cold as he said, " Mr. Murong, if our first cooperation is successful, I will definitely invite you to my banquet. '

"I've auctioned off a high-quality item at the auction. I wonder if Boss Li is interested? If you need it tonight, I can give it to you." The man snapped his fingers and a woman walked out from the room at the side. She was dressed sexily and walked towards Li Yan with graceful steps.

Western women were very sexy and charming. This woman was definitely great in all aspects. Li Yan's gaze swept across her and the corners of his mouth curled up coldly.

' Mr. Murong is really picky. Unfortunately, it's not my preference. " As Li Yan spoke, his eagle-like eyes stared at the hand that was reaching over. He said coldly,"If you want your hand to leave your body, try stretching it forward."

The woman's movements froze. She did not give up and continued to stretch forward. Just as she was about to touch the corner of Li Yan's clothes, Murong Chao shouted in a timely manner,"Get lost! Didn't you hear what Boss Li said? You really don't know what's good for you!"

Li Yan retracted his gaze coldly. At this moment, his phone rang. He picked up the call. The next second, his voice was extremely cold and filled with abnormal anger.."What did you say?"

Chapter 329: Qjao Mu Left (2)

The man's voice was extremely low as he questioned each word. There was a trace of disbelief in his voice. His state of being about to explode made Lei Yi on the other end of the phone shrink his neck involuntarily.

Fortunately, Young Master Li was not in front of him!

After pausing for two seconds, Lei Yi carefully repeated, " Young Master, Miss

Qiao went to Hong Kong today. '

The joints of Li Yan's hand that was holding the phone turned blue. The anger on his face was obvious. He was completely different from his calm and steady appearance just now.

She actually went to Hong Kong?

Before he left, his warning to that woman was completely useless!

She actually dared to sneak away!

Li Yan realized that he had lost control of himself. He put down his phone and nodded at Murong Chao, signaling him to leave. Then, his tall body strode out of the door.

Murong Chao was surprised to see Li Yan like this. Li Yan was famous for being a smiling tiger. When he was in business, no matter what kind of situation he was in, he would definitely be able to keep his cool. He would either be expressionless and not show his emotions, or he would curl his lips. A smile that was not a smile was enough to judge a person's life and death.

His loss of composure just now was really shocking!

Murong Chao's men came up to him. " Boss, Boss Li is not interested in the woman we arranged for him. It seems that this person is really blind! "

"That's hard to say. Did you see Li Yan on the phone just now? It's really rare!"

“It’s just a phone call. Maybe something happened in business. Is there anything different?” The subordinate was puzzled.

“What do you know? What kind of person is Li Yan? When have I ever seen him get angry over winning or losing in business? Obviously, this is not business.”

Murong Chao curled his lips. “ Go and check it out. Maybe we can find something on Li Yan. We have to be careful when working with this man. Countless people have suffered at his hands. We should be prepared! ”

Murong Chao’s lips curled up, and his phoenix eyes were filled with a smile. His eyes were full of schemes.

Li Yan got into the car with a frighteningly cold expression!

She held the phone in her hand and continued to talk.

If Li Yan did not hang up, Lei Yi would not dare to take the initiative to hang

Finally, Lei Yi couldn’t stand this oppressive cold violence and took the initiative to speak, “Young Master, should we take Miss Qiao ... Please come back?”

It would have been fine if Lei Yi had not opened his mouth. However, the moment he opened his mouth, Li Yan’s voice became even gloomier. “ No need! Keep an eye on her and give me her location!”

“Yes, Young Master!”

After hanging up the phone, Lei Yi took a deep breath and looked at the man opposite him. “ Fourth Young Master Ling, you forced me to lie to Young Master. If Young Master finds out, you will bear all the consequences! ”

Qiao Mu was clearly going to Hong Kong to play, yet she had to mislead Young Master!

Ling Xi waved his hand. " Don't worry, I have someone backing me. I won't get into trouble! "

Ling Xi picked up his phone and smiled. ""Auntie, I did what you asked me to

No matter how powerful Big Brother was, was he as high as the Empress Dowager? He had the empress dowager backing him up!

Meanwhile, on the other side.

Li Yan pursed his lips and felt his heart burning. Why couldn't that woman behave herself?

Qiao Mu's phone was switched off the entire time. She seemed to have deliberately cut off contact with him so that he could not reach her!

Li Yan picked up the phone and dialed Yu Yiduo's number. The call was quickly picked up and the other party's cheerful voice sounded, ""Hey, son, have you settled your relationship?"

Li Yan ignored Yu Yiduo's question and asked directly, Mom, I asked you to explain to Qiao Mu.. Did you go? "

Chapter 330: Qjao Mu Left (3)

Yu Yiduo was stunned. " When did you ask me to explain? I didn't! " "Son, I'm not criticizing you, but your mother's EQs even higher than Leifeng Pagoda. How did she give birth to a son with such a low EQ? You're so good that you're not like me. You're like your father. Just your IQ alone, but your EQs like a duck egg...'

Li Yan frowned and interrupted Yu Yiduo's chatter. " Mom, please don't give me more trouble with your high EQ! " If your daughter-in-law is scared away because of you, don't even think about having grandchildren in this lifetime!" These words were an undisguised threat!

Yu Yiduo immediately shouted, " You brat, how dare you scare your mother! If you run away, then chase me back. Anyway, I only acknowledge Mu Mu as my daughter-in-law. Otherwise, you'll be single for the rest of your life!"

"If you continue to make a fuss like this, it's not impossible for you to be a

bachelor for the rest of your life!"

"Sigh ... You brat, if you scare me again, I'll get your dad to beat you up!"

Just as Yu Yiduo finished shouting, a rough male voice sounded, "'Bastard, how dare you bully my wife? Hurry up and come back. I'll teach you a lesson!"

"Who are you calling a brat? That's my son!"

"Honey, I'm protecting you..."

Li Yan hung up the phone when he heard the affectionate voice on the other end.

She unbuttoned two buttons of her shirt in frustration and rubbed her eyebrows.

Superintendent Ouyang, who was driving, looked at the man's every move through the rearview mirror and felt that something was wrong.

Superintendent Ouyang immediately understood when she heard him talk about daughter-in-law and grandchildren over the phone.

Boss is in love!

Although the man behind the car did not look good, Superintendent Ouyang could not help but say, "Boss, you found sister-in-law for us not long after returning to the country? This efficiency is really extraordinary!"

Li Yan's cold gaze swept across Superintendent Ouyang, causing her to instantly feel uneasy. It was obvious that he had said something wrong!

Looking at the man's expression, it seemed like that sister-in-law was not very worry-free!

Li Yan's thin lips moved and he said coldly, ""Book me a flight to Hong Kong. I want to leave immediately!"

Ouyang was stunned. " Big Brother, we haven't finished our business here. What kind of person is Murong Chao? He's full of schemes and plots in business. You have to keep an eye on him personally! "

"I've done everything. What's the use of keeping you? I'll leave this matter to you!"

Li Yan's words were so casual that Superintendent Ouyang's face fell.

This was a huge deal worth tens of millions. Wasn't Boss being too irresponsible?

In the past, Boss would handle everything personally and never slacked off in his work. However, ever since he put all his efforts into the LSAG Group, he did not like to care about these foreign stalls!

These four heads of the family were all capitalists in the country. Did they really think that they were clean businessmen?

Superintendent Ouyang felt that she was like a wild child who had been let loose. She did not want to care about anyone!

Sigh! Bad luck!

Hong Kong, in a hotel.

Qiao Mu, Guan Baobei, and Chi Xia checked into the hotel right after they got off the plane.

Qiao Mu lazily lay on the sofa. After leaving the familiar Beijing and moving to a new city, she felt that her breathing had become much smoother, and her mood was especially relaxed.

Stretching her back, she tilted her head and muttered lazily, ""If only I stayed here and didn't leave."

Suddenly, a clear male voice with a hint of a smile sounded, ""You just arrived and you're already thinking about when to leave. Girls can't be so pessimistic."

Qiao Mu was stunned. She raised her head to look at the door, and a man appeared in her line of sight..
