### Chapter 331: Mistaken for Uncle (1)

The man smiled. His face was amiable and his facial features were well-defined. He was so handsome that people could not help but take a few more glances at him.

Although Qiao Mu was already used to handsome men like Li Yan, she still felt a little absent-minded when she saw the man in front of her.

This man was a completely different type from Li Yan. Li Yan often smiled, but the smile in his eyes did not reach his eyes. Even if he smiled, it could not hide his cold temperament.

However, the man in front of her was different. When he smiled, he was really smiling. It was like a spring breeze, making people feel very comfortable.

Qiao Mu's gaze sized up the man's body. He was wearing a white shirt, business suit pants, and shiny black leather shoes. His attire was very overpowering.

Qiao Mu poked Chi Xia, who was resting with her eyes closed, and asked in a low voice, ""Are all the hotel waiters in Hong Kong so good-looking?"

Chi Xia lazily lifted her eyelids. At first glance, the man's attire was indeed similar to that of a hotel waiter. However, when she looked at the brand of the clothes, the corner of her mouth twitched. She said to Qiao Mu in a very soft voice, ""That shirt costs five figures."

"Could he be a nouveau riche?" You're dressed so tacky!"

Qiao Mu's voice was very soft, but it still reached the man's ears. He chuckled softly. "Thank you for complimenting my good looks, but do I look so tacky?"

Qiao Mu smiled awkwardly. She was a little embarrassed that she had been overheard!

“Big brother!” After coming out of the washroom, Baby Guan called out to the man and introduced him to Qiao Mu and Chi Xia, ““This is my big brother, Guan

Yunxiang.”

Qiao Mu met Guan Yunxiang’s gaze and smiled. “ Hello, Big Brother Guan. I’m

Qiao Mu, and she’s Chi Xia. I’m sorry, we didn’t mean to say that just now. ‘

Chi Xia nodded. “ It’s our bad taste! ”

Baby Guan waved her hand dismissively. “ Forget it, don’t be so humble. It’s normal for you to misunderstand. My brother always dresses in such a vulgar way, like he’s selling a house. He has no taste at all! ”

Qiao Mu couldn’t help but want to laugh. It would’ve been fine if Baby Guan hadn’t mentioned it, but now that she said it, it really looked alike!

However, with that face and that refined temperament, even if it was a tacky set of clothes, it immediately set off a different flavor on him.

“How can you insult your big brother like this?” Guan Yunxiang had a helpless expression on his face, but he didn’t look unhappy at all. No matter how he looked at it, he was a warm man.

Guan Yunxiang looked at his watch and said gently, Let’s go. I’ll bring you guys around first. You’re Baby’s friends, so you’re guests in Hong Kong. Time is tight today. I heard from Baby that you guys want to come and see the universities in Hong Kong. I’ll bring you guys there tomorrow. ”

Since he was here to relax, he naturally had to have some fun.

In the afternoon, Guan Yunxiang drove the three girls around the streets and alleys of Hong Kong and ate delicious food. In the evening, the three of them were full and didn’t even have dinner.

It was a little early to go back to the hotel at eight o'clock, so Baby Guan suggested, ""Brother, can you bring us to your bar to play?"

"Children can't drink."

Guan Yunxiang had just opened his mouth when he was refuted in unison, "We are not children!"

After saying that, the three or four of them looked at each other and laughed.

Guan Yunxiang shook his head helplessly. "Alright, I'll take you there. But, you can only drink drinks."

After reaching an agreement, the few of them went to the bar.

After arriving at the bar, Guan Yunxiang ordered three cocktails.

Qiao Mu looked at the color of the cocktail and recalled the last time she had a cocktail, Li Yan was right beside her..

Chapter 332: Mistaken for Uncle (2)

At that time, she was angry with Li Yan because he misunderstood her for leaking the design proposal. She was very angry and had a cold war with him. That night, a woman approached Li Yan. She could not stand it anymore and was very unhappy. At that time, she did not understand why, but now that she thought about it, she had already unknowingly treated Li Yan as her man! She did not allow other women to get close to her man. He was hers alone!

However, he already belonged to someone else!

He had a fiancée. He had nothing to do with her anymore!

At the thought of this, Qiao Mu felt a sour feeling in her heart. She raised her head and downed a cocktail in one gulp.

Guan Yunxiang glanced at Qiao Mu and took away the empty glass in her hand.

He handed her a glass of champagne and said, " You should drink this. "

Qiao Mu raised her glass and downed it again. She smiled at Guan Yunxiang and said, " Actually, I can hold my liquor very well, unlike Xiaxia. After she got drunk, she vomited all over a strange man. Every time that man saw her, he looked like he had stepped on shit. It's funny just thinking about it. "

Qiao Mu, shut up!" Chi Xia's eyes widened. Could she not mention her past?

Qiao Mu refused to give up and said to Baby Guan, Baby, you've seen that man before. He's Su Chen, Lu Jingzhi's second brother! "

Baby Guan nodded. " I know him. Oh my god, Xiaxia, you're lucky to have puked all over a handsome guy! I want to vomit all over Lu Jingzhi too. He's a germaphobe. If he doesn't mind being vomited by me, he must have fallen in love with me!"

Chi Xia was speechless.

Qiao Mu was speechless. How much did this child love Lu Jingzhi?

Chi Xia's phone rang. It was an unknown number. She answered the call with a Hello ", but the other party did not reply.

"Who is it? Speak!" Chi Xia asked impatiently, but the other party still did not reply and hung up.

"Harassment call?" Qiao Mu asked.

” Yeah, I’ve been getting calls lately. I hate it! ”

Just as Chi Xia finished speaking, another call came in. She answered the call and said fiercely, “”1 say, is there any point in making harassing calls? Say something if you have the ability!”

There was still no sound from the other party.

Just as Chi Xia was about to hang up, she heard a familiar male voice, “”Xiaxia... It’s me. ‘

Chi Xia froze with her phone in her hand and her mouth was still open. After a while, she hung up the call as if nothing had happened.

Qiao Mu glanced at Chi Xia. ” You can just block him directly. Why waste your energy? ”

Then, Qiao Mu and Chi Xia toasted each other one glass at a time. After that, Baby Guan joined in, and the three of them drank to their hearts ‘content.

After Qiao Mu downed a few glasses of wine, she felt a little dizzy and got up to go to the bathroom.

He was just boasting about his alcohol tolerance, but now he was dizzy.

She walked out of the bathroom with her head lowered and accidentally bumped into a tall figure.

He felt dizzy and suddenly smelled a minty fragrance. This familiar smell...Qiao Mu instantly froze.

“Uncle...” She subconsciously called out to him. When she looked up, she did not see the familiar face.

Guan Yunxiang looked down at her with a smile in his eyes. ” Uncle? Qiao Mu,

I’m not your uncle.”

Qiao Mu suddenly sobered up and immediately took a step back to put some distance between them. "Big Brother Guan, I'm sorry. I got the wrong person."

"You got the wrong person? Your uncle? This is the first time I've heard someone call me their relative when they're drunk.."

Chapter 333: Wanting Freedom (1)

The corners of Qiao Mu's lips twitched, and she forced a smile back, but she felt very down.

She clearly wanted to get rid of Li Yan and did not want to get entangled with someone else's fiancé. However, she was thinking about him when she was not paying attention!

Qiao Mu, when did you become so useless! The same man had suffered twice and still did not learn his lesson!

Guan Yunxiang looked at the conflicted face of the woman in front of him and smiled. "Alright, don't just stand there like a fool. You're quite similar to Baby."

No wonder you became friends in such a short time. '

When Qiao Mu saw Guan Yunxiang's extremely gentle expression when he mentioned treasures, the haze in her heart gradually swept away, and she blurted out without thinking, "Big Brother Guan, don't tell me you have a sister complex?"

Guan Yunxiang was speechless.

Seeing that he didn't say anything, Qiao Mu took it that he had tacitly agreed and patted his shoulder in understanding. "It's not embarrassing to have a

sister-complex. Baby is both handsome and beautiful, and can be both a tomboy and a sweet girl. It's normal to have a sister-complex. '

Guan Yunxiang turned his head to look at the little hand on his shoulder. His phoenix eyes narrowed, and his eyes flashed. Soon, they became gentle.

No one had ever patted her shoulder so casually.

After that, Qiao Mu's mind gradually cleared up and she stopped drinking. On the other hand, Chi Xia drank quite a bit.

After returning to the hotel, Chi Xia and Guan Baobei were sound asleep in the suite, but Qiao Mu could not fall asleep no matter what.

She took Chi Xia's phone and logged into her WeChat.

She thought about how she had to compromise in the Qiao family all these years. She thought about how Li Yan already had a fiancée but still pestered her endlessly. She thought about what Li Zheng had said to her...She took a deep breath and typed in a line of words in her Moments.

I want freedom!

The next day, Guan Yunxiang brought Qiao Mu and the others to the University of Hong Kong. The luxurious building was not inferior to Capital University at all.

The campus was open for visitors, and Chi Xia was taking pictures of the school. Qiao Mu did not bring her phone with her, so she remembered that she had left her camera in the car. After asking Guan Yunxiang for the car keys, she turned around to retrieve her camera.

She took the camera and happily took photos of the scenery outside the school. Just as she was about to enter the school, she turned around and bumped into the person behind her.

The fragrance of mint wafted up to the tip of Qiao Mu's nose, causing her to momentarily lose focus. Guan Yunxiang and Li Yan were actually using the same men's perfume. Every time she smelled this scent, she would think that it was Li Yan beside her.

Sighing, she smiled nonchalantly and looked up. " Big Brother Guan, why do you always block my..."

Before he could finish, his words were stuck in his throat.

Qiao Mu stared at the man in front of her in astonishment, as if she could not believe what she was seeing. She blinked several times before she was sure that she was not seeing things!

The face in front of him was indeed Li Yan!

Of course, Qiao Mu knew that it was not a coincidence. This man clearly knew her whereabouts, and she was being watched closely by him!

His first reaction was to turn around and run.

However, before he could even lift his foot, his wrist was grabbed.

Li Yan pursed his lips and stared at the face that he had not seen for a few days. Although it had only been a few days, her chubby face had become thin.

She was already very thin. Ever since she got together with him, he had clearly fattened her up bit by bit, but she had actually lost weight so quickly!

When he saw her from afar, she was holding a camera and happily taking photos. The smile on her face was bright and bright.

But now?

The moment she saw him, her expression changed!

Chapter 334: Want Freedom (2)

This strong contrast made his chest feel heavy.

How could this woman provoke him?

What did she just say?

Brother Guan?

She was actually calling someone else affectionately!

She was clearly smiling happily when she called out to that man. However, when she saw that it was him, her smile immediately disappeared!

Did she not want to see him that much?

Qiao Mu subconsciously tried to shake him off when he grabbed her wrist. However, she could not shake him off no matter how hard she tried. Her face was flushed red as she glared at him fiercely. " Li Yan, let go! "

Li Yan's thin lips were pursed into a thin line. The curve of his lips indicated that his anger had almost reached its peak.

A simple action and sentence from her was enough to set off a huge wave in his heart!

Very good! When they met again, the only thing she said to him was to let go of her!

His large hand held her wrist tightly and said coldly, ""Come home with me!" Come home with me?

If she had heard such words before, she might have been a little touched. However, at this moment, she felt that it was ridiculous!

She had no home. His home was not hers at all!

Qiao Mu gritted her teeth in pain. "I'm not going back!"

At this moment, a voice came from behind him. "'Qiao Mu, why didn't you come back after taking your camera for so long..."

Guan Yunxiang paused when he turned the corner and saw this scene.

He looked at the two people not far away. His gaze fell on the two people's hands that were pulled together, and he was slightly stunned.

The man's face was covered with a layer of coldness. His entire body seemed to be emitting anger, causing the surrounding temperature to drop by a few degrees.

The anger on the girl's face was no less than hers. She seemed to despise the hand that was holding her wrist. She wanted to shake it off but it was useless.

Guan Yunxiang walked forward with a smile on his face. He gently extended his hand to Li Yan. "Boss Li, long time no see."

Li Yan's long and narrow eyes narrowed coldly. He finally understood who Qiao Mu was referring to when she called him "Big Brother Guan"!

Qiao Mu was slightly surprised when she saw Guan Yunxiang's calm and composed expression when he faced Li Yan.

In her opinion, very few people could be so calm in front of Li Yan. Moreover, Guan Yunxiang seemed to be a gentle and warm man. His personality was not lethal.

However, when he stood in front of Li Yan, he did not feel inferior at all.

Li Yan didn't return Guan Yunxiang's hand that had flashed past him. Instead, he said coldly, his tone filled with hostility, ""Master Guan, could it be that all your business has been snatched away and you're so free that you're here to stroll around the campus?"

Guan Yunxiang smiled faintly. " We seem to be the same. Why is Boss Li so free to come to my territory to play? "

Li Yan narrowed his malicious eyes. " I'm here to pick up my woman! "

These words were filled with the right to declare and possess. Every word was telling the other party that Qiao Mu was his woman!

Qiao Mu glared fiercely at Li Yan and tried to shake her arm off him, but his grip tightened.

Li Yan ignored Guan Yunxiang. He stared at Qiao Mu and repeated, "Qiao Mu, come home with me! "

His tone sounded like he was discussing something, but it was also very forceful.

Qiao Mu knew that no matter how she resisted, it would be useless. She bit her lip tightly and did not give him any response. Her attitude of not giving in at all explained everything!

Such a performance had successfully angered Li Yan.

"I'll say it again. Come home with me!"

"I'll say it ten times. I won't, I won't!"

Chapter 335: Qiao Mu, Come Home With Me (1)

Li Yan's dark eyes darkened.

Qiao Mu raised her chin and glared at him. Even in the face of that stormy face, she still resisted recklessly.

Guan Yunxiang looked at Qiao Mu's slender arms. Under Li Yan's large palm, they were faintly red, and the joints of Li Yan's fingers had already turned blue. One could imagine how much force he had used.

It was as if he would not let go of her even if he crushed her bones.

This was the first time Guan Yunxiang had seen someone treat this bloodthirsty man with such an attitude.

Suddenly, she was curious about the relationship between the two of them.

Who was Li Yan? In the business world, there was nothing that he could not handle. However, he was so angry because of a woman.

This Qiao Mu was even more interesting. Not only did she resist, but she was also determined to die. Her slender wrist was extremely fragile, but no matter how much strength Li Yan used, she would not yield.

If this continued, Qiao Mu's wrist would probably be broken. Guan Yunxiang took a step forward and calmly raised his hand at Li Yan again. "Boss Li, I've been holding my hand here for a long time. Shouldn't you be polite and shake my hand? "

Qiao Mu watched as Guan Yunxiang stubbornly raised his hand. Even if Li Yan did not respond to him, he still calmly waited for him to shake hands with him.

If Li Yan wanted to shake hands with Guan Yunxiang, he would have to let go of her wrist. This action was obviously to help her out of the predicament.

Qiao Mu looked at Guan Yunxiang gratefully. It warmed her heart that someone was willing to help her in front of Li Yan.

Li Yan looked up coldly with a gloomy expression. " Master Guan, I didn't expect you to be so nosy! "

"Young Master Li, you must be joking. It's just that you're being rude to a girl. I'm afraid you're too ungentlemanly. You can be swift and decisive in business, but using the same method on women will only backfire." Guan Yunxiang smiled.

"Thank you for your reminder, Master Guan. However, how I treat my woman is my own business!"

Li Yan's patience was completely exhausted. He dragged Qiao Mu and was about to leave.

" Young Master Li, Qiao Mu came with me, " Guan Yunxiang spoke again. " You should ask for my opinion if you want to take her away like this, right? "

Li Yan's lips curled up coldly and he smiled darkly. " Did Master Guan not understand what I said? She's my woman. I don't need to report to anyone where I take her!"

Qiao Mu could feel the murderous aura emanating from Li Yan's body. It was as if Guan Yunxiang was going to tear him apart if he continued to pester him.

She couldn't drag Guan Yunxiang into this because of her own matters. People who offended Li Yan usually didn't have a good ending. Even if Guan Yunxiang seemed to have a strong background, she couldn't drag him into this.

Guan Yunxiang still wanted to say something, but Qiao Mu looked at him and forced a smile. " Big Brother Guan, thank you. I'm fine. Help me tell Baby. "

Guan Yunxiang looked at Qiao Mu's stubborn little face. " Alright, contact me if you need anything. You don't know my number, so you can look for Baby. " Qiao Mu nodded gratefully.

Li Yan narrowed his dark eyes gloomily when he heard her address him as Big

Brother Guan. He suppressed his anger as he watched the interaction between the two of them and dragged Qiao Mu into the car with large strides.

Outside the car, Guan Yunxiang watched the car leave. The signature smile on his face disappeared, and a trace of interest flashed in his eyes.

It turned out that a man like Li Yan had a woman that he cared about. The relationship between these two people really made him very curious..

Chapter 336: Qiao Mu, Come Home With Me (2)

In the car, the atmosphere was gloomy.

Qiao Mu felt that the pain on her wrist had already gone numb, and she couldn't take it anymore and said, ""You can let go of me now! I'm already in the car. I can't run away!"

For some reason, Qiao Mu felt that she was tired of living. She actually dared to defy Li Yan so fearlessly.

The man's face was dark and scary, but the unwillingness to admit defeat in his heart did not allow her to lower her head.

What right did she have to lower her head to him? She had to resist him to the end even if she had to die!

Li Yan felt like he was going to go crazy from anger. The anger in his chest was so suppressed that he could not bear it.

This woman really wanted to anger him to death!

He let go of her hand and his gaze fell on her red wrist. His eyes narrowed and his tone was filled with anger. " Why didn't you say it was painful earlier?!"

Her wrist was so red that it looked like it was dripping blood. It made Li Yan frown. She had been resisting him just now, and the strength in his hand had increased uncontrollably. He had actually injured her wrist like this!

Qiao Mu carefully raised her injured wrist with one hand to protect it. She curled her lips coldly. " Young Master Li, don't you know how much strength you used? " So you're blaming me for hurting me?"

Li Yan pursed his lips and was rendered speechless by her words. After a while, he asked coldly, "What happened to Guan Yunxiang? Why are you with him?"

Qiao Mu lowered her head and did not respond.

"Speak! "

"It's none of your business who I'm with, right? It's the same as whoever you're with has nothing to do with me!"

Li Yan was provoked by her words, and his chest hurt faintly. " Qiao Mu, do you have to go against me like this? "

"I wouldn't dare!"

She said she didn't dare, but her tone and attitude didn't seem like she didn't dare at all.

Qiao Mu's wrist was burning with pain, and she could feel the pain seeping into her bones. However, no matter how painful it was, it could not compare to the pain in her heart!

She had finally adjusted her state of mind and did not want to be troubled by his matters. However, in the blink of an eye, he appeared in front of her and she had no choice but to face those terrible things!

The car arrived at the hotel.

In order to prevent Li Yan from using violence again, Qiao Mu could only consciously follow him into the hotel room.

Inside the hotel, Lei Yi had already rushed over.

However, if he told the young master the details now, he would probably lose his life. He could only pretend that he didn't know anything. Everything was done by Ling Xi!

Lei Yi sent the first aid kit to the two of them's room. In order not to get into trouble, he quickly left the scene.

After entering the room, Qiao Mu stood motionless at the door.

Li Yan walked forward with a dark face and wanted to pull her to the sofa to sit down. However, her arm moved as if she was disgusted and afraid, refusing to let him touch her.

Clenching his fists tightly, he gave up on touching her. He stood beside the sofa and said to her, "Come and sit down."

Qiao Mu walked over and sat down. She didn't dare to use her life to compete with him. The pain on her wrist reminded her that if she disobeyed this man and he went crazy again, it wouldn't just be a small injury on her wrist!

After sitting down on the sofa, Li Yan opened the first aid kit and took the medicine and the sofa. He lifted Qiao Mu's hand and applied the medicine on her.

In just a short while, her wrist had already become red and swollen. One could imagine how ruthless he had been to her!

If she refused to accept him, he would be provoked by her until he lost control, but wouldn't he push her further and further away by doing so?

Chapter 337: Qiao Mu, Come Home With Me (3)

Li Yan frowned as he gently wiped the potion.

The medicine was applied to the red and swollen area, and it seeped into the skin in a stimulating manner. A burning pain spread.

Qiao Mu couldn't control herself for a moment, and she took a deep breath.

Li Yan looked up at her. "Does it hurt?"

His tone was low and carried a hint of concern. It was completely different from his previous fierce and angry attitude. He suddenly became gentle. Qiao Mu bit her lip. He had always been like this. 1-1e would give her a slap and then give her a sweet date to eat, treating her like a pet. When he wanted to treat her well, he would smile at her, but when he wasn't interested in treating her well, he would act like he wanted to eat her up!

Qiao Mu bit her lip and said stiffly, "It doesn't hurt!"

It was as if the heavens were punishing her for lying. The burning sensation enveloped her entire wrist, causing her to clench her fists tightly in pain.

Suddenly, a cool breeze blew against her wrist. Qiao Mu lowered her head and was stunned.

Li Yan had his head lowered as he blew on her wrist.

Qiao Mu only felt her chest tighten, and an indescribable emotion assaulted her face.

She thought of when she was young. Li Yan fell while playing basketball and scraped his knee. She blew air on his wound and said that it would not hurt anymore.

At that time, he had even teased her, saying that this was a crooked logic and that it had no effect at all. She was not convinced and kept blowing at his wound, asking him if it was no longer painful. She would not stop until it was effective.

Then, she lost her balance and accidentally leaned forward. Her lips were on his injured knee as she kissed him.

His knees were smeared with purple medicine. With this kiss, the medicine directly rubbed onto her mouth, making her look very embarrassed.

Finally, he admitted that this method could indeed reduce the pain. At the thought of this, Qiao Mu felt the cool breeze on her wrist intensify. Her heart ached as she watched the man's every move.

Her big brother had passed away a long time ago. This man was her uncle.

Perhaps soon, he wouldn't even be his uncle anymore!

He was just a stranger who wouldn't have a future with her!

Qiao Mu moved her arm, wanting to retract it, but she was stopped by the man. Li Yan held her palm and reminded her, ""Put on the gauze first."

The man in front of her was completely different from the man who was in a rage just now. One was delicate and gentle, and every move was careful, afraid of hurting her. The other was like a wild beast, ignoring her feelings!

Qiao Mu watched as he carefully bandaged his wound. Her nose turned sour and her eyes became moist.

He didn't know if it was his wound or his heart that hurt.

After the wound was bandaged, Qiao Mu silently withdrew her hand and sat there with her head lowered, not making a sound.

Li Yan looked at the little woman in front of him. Her entire body was exuding a sense of alienation, refusing to let him take a step closer. He sighed and said helplessly, 'Qiao Mu, come home with me. '

"No!" Her tone was still stubborn.

She only came here to relax and play for a few days. She would naturally go back before school started. He was not even willing to give her such a little freedom!

Li Yan's eyes darkened. " Do you really want to stay here? You did everything you could to come to Hong Kong to study behind my back, and now you've finally achieved your goal. Do you want to get rid of the Qiao family or me?"

Qiao Mu was stunned, and she raised her head to look at him in astonishment.

She came to Hong Kong to study? Her plan had long been crushed by him. How could she achieve her goal?

Could it be...Did he think that she came to Hong Kong to study?

Chapter 338: Qiao Mu, Come Home With Me (4)

Qiao Mu vaguely realized that this man was so angry because he had misunderstood her purpose for coming to Hong Kong.

He had really overestimated her ability. He had blocked her way, so how could she leave whenever she wanted?

There was no longer any explanation between them. It was his business how he wanted to think of her.

So what if he explained it clearly? It still couldn't erase the fact that he had betrayed her!

Qiao Mu stubbornly refused to reply. Li Yan's face was cold. " Qiao Mu, do you want freedom so badly? "

Want freedom?

Qiao Mu was stunned for a moment before she instantly understood. He had seen her WeChat Moments.

The man took out his phone and opened WeChat. He clicked on his Moments and found the message she sent last night. He threw his phone on the coffee table in front of her.

Only God knew how he felt when he saw this message!

This woman was constantly thinking of getting rid of him and gaining freedom!

Qiao Mu looked at the phone screen. The man raised his hand and tapped on the sentence on the screen with his slender fingers. His lips curled up coldly. ' You wanted to show me this sentence? If you want freedom, you can tell me directly. There's no need to beat around the bush!' What did he mean by that?

Could it be that if she told him, he would fulfill her wish?

Then, Li Yan's voice rang out again. "I'm telling you right here, you're delusional! You can only be mine for the rest of your life. You can only have freedom if you're with me! Don't even think about leaving me!"

Qiao Mu's chest stiffened. The tiny bit of expectation that had initially surfaced was completely shattered by Li Yan's words!

Her brain must have been kicked by a donkey to think that this man would be merciful and give her freedom!

Qiao Mu's heart was filled with uneasiness. She glared at him, unwilling to give up. " Li Yan, you don't have the right! "

"Don't you think it's ridiculous to mention the word power in front of me? If you want to leave me, pay me back the money you owe me first!" Li Yan was really furious with her, that was why he used money to tie her up.

Qiao Mu clenched her fists and sneered. " You'll let me off after I pay you back this money? I think your father will be happy to help me pay back this money!"

Her father wanted her to leave him, so she could state any condition she wanted. It was only five million yuan, and her father would definitely help her without blinking!

Li Yan frowned. " My father looked for you? What did he say to you?"

"I have no obligation to deliver the message!"

Li Yan immediately felt that something was wrong. He sent a message to his mother to explain to Qiao Mu, but she did not know about this and did not receive his message. On the other hand, his father went to Qiao Mu and said something to her.

Thinking of Li Zheng's feelings for Qiao Jiannan, Li Yan did not need to think to know that that man must have gotten involved in his matters!

Li Yan was deflated. He looked at the petite woman in front of him and said, Qiao Mu, this is all a misunderstanding. '

Qiao Mu snorted coldly, looking as if she didn't believe it at all.

Li Yan sighed and rubbed the top of her head with his large hand. His tone was no longer as angry as before. " I'll give you a few days. If you want to play here, I'll accompany you. You can do whatever you want. Once you're done playing, we'll go home. '

After playing enough, he would go home.

These words were so considerate. If it weren't for this series of events, Qiao Mu would really be moved to death.

In her current situation, she had had enough fun and was going back to her hellish life, right?

No, life in hell had already begun..

Chapter 339: Qiao Mu, Come Home With Me (5)

Qiao Mu's vacation life instantly turned into a prison life under surveillance.

His every move could not escape Li Yan's surveillance.

After having lunch in the hotel, Li Yan looked at the listless little woman and said, "You want to go to Hong Kong? I didn't manage to go shopping in the morning. I'll accompany you later."

Qiao Mu pursed her lips. "Young Master Li is really considerate. Aren't you afraid that others will be jealous when you treat me so well?"

"Someone else? Who dares?" Li Yan raised his eyebrows. His attitude was as if no one could stop him from being good to her.

However, in Qiao Mu's eyes, she only felt extremely disgusted.

He was really shameless. He had a fiancée, but he still treated her well.

Thinking about it, it made sense. His fiancée could not control him. It seemed that his fiancée was only in name.

Even if it was in name, it was something that many women envied. To her, it was something that she could not touch at all!

When they arrived at Hong Kong University, Qiao Mu entered the campus. Li Yan followed behind her, keeping a certain distance between them.

Qiao Mu took a series of photos of the school, but she was not in the mood to appreciate them. She would slowly appreciate the photos when she was in a better mood in the future!

Li Yan looked at the little woman in front of him. Although she was taking pictures non-stop, there was no sign of happiness on her face. It was completely different from when he saw her in the morning.

At that time, she was smiling happily. She looked at the camera lens and sized up the fresh scene in front of her. She could not hide the smile on her lips.

Was she that unhappy to be with him?

This woman, what did he have to do to make her be with him willingly?

While Qiao Mu was taking photos, she heard people passing by whispering to each other. She turned her head and saw the girls who were passing by secretly staring at Li Yan, whose face was red.

“Wow, he’s so handsome. Why is there such a handsome guy from our school?”

Could it be our senior?”

“I think it’s more likely that he’s a professor. How can a mature man like him be a student?”

“That’s right, that’s right. I didn’t expect Hong Kong University to have such a handsome professor. I’m so happy to be able to study at Hong Kong

University!”

Qiao Mu snorted. That’s right, he was indeed a professor.

Call Beast!

With a good appearance, there was no need to worry about people being smitten. However, no matter how good-looking she was, what was the use? Her character was bad and extremely bad!

Li Yan noticed that Qiao Mu was looking in his direction, so he strode toward her. This action made the girls around him even more excited.

Qiao Mu pursed her lips. Then, she saw a girl mustering her courage to approach Li Yan, thinking that she was going to greet him. Li Yan’s cold expression was a huge psychological test for her to greet him.

But ... He did not greet her as he expected. He only saw the girl pass by Li Yan and ” accidentally ” bump into Li Yan’s shoulder. Her delicate body fell to the ground.

Li Yan stopped in his tracks. Before he could react, the other party waved his hand sincerely. ” It’s okay. I know you didn’t do it on purpose. Can you help me up?

What a low-IQ way to strike up a conversation. It was really a mistake to try to attract Li Yan’s attention in this way.

Qiao Mu watched the scene unfold, but Li Yan expressionlessly glanced at the woman sitting on the ground. His brows did not even twitch. It was as if he had

seen a piece of trash on the ground and was not interested in being a good citizen. He threw the trash into the trash can and walked away in the next second.

The girl sitting on the ground had an ugly expression on her face.. The people who were watching the show at the side snickered and praised the man for being too handsome!

Chapter 340: Qiao Mu, Come Home With Me (6)

This kind of man didn't have any pity for women. How was he handsome?

Li Yan walked up to Qiao Mu, and his expression softened a little. " Are you done filming? "

"No!" Qiao Mu threw out these two words and continued walking forward.

All sorts of envious and jealous gazes were cast from the surroundings. Qiao Mu was very innocent. She was the victim, alright?

After that, Qiao Mu took photos and strolled around aimlessly. The man behind her did not disturb her because he was on the phone the entire time.

They were discussing something very seriously and seemed very busy.

Qiao Mu, who was at the side, said very considerately, "" Young Master Li, if you're busy, you can go back to Beijing. You can get someone else to monitor me. You don't have to do such tiring work yourself. "

Li Yan's face darkened. He was playing with her, but she thought he was spying on her!

"Keep a close eye on Murong Chao. That's all for now." Li Yan said into the phone. Then, he hung up.

He looked up at her. " What did you call me? "

He kept calling him Young Master Li. It was so stiff and emotionless that it made him feel very awkward.

“Young Master Li!”

Li Yan frowned. “ Change the way I address you! ”

Qiao Mu did not think much of it and continued to take photos without giving the man any response.

Li Yan unhappily hooked his arm around Qiao Mu’s waist and pinned her in front of him. “ I told you to change the way I address you. ‘

“Let me go!” She pushed him hard. Occasionally, people would pass by. He was thick-skinned and did not care about his image, but she could not do it!

“What did you call me?”

Li Yan narrowed his eyes and hooked her chin. He inched his face closer to her. “ I have the patience to wait for you to change the way you address me. Let’s continue this stalemate. ‘ Qiao Mu was speechless.

Shameless! Bastard!

When the man spoke, the hot breath from his mouth hit her face, making her blush unwillingly.

She clearly rejected him from the bottom of her heart, but why was she blushing?!

Useless!

She pushed him hard. His tall body was gentle and unmoving. He hooked his arm around her waist and she could not break free.

“Li Yan, are you done yet?” she said angrily in a low voice.

“Call me like before!” Although he didn’t like the way she called him uncle at first, he had already gotten used to it after being called uncle for so long.

Every time she called him softly, he felt very comfortable.

Qiao Mu snorted coldly. In the past? How long ago was the past?

In the past, she still called him Big Brother!

Seeing that the man refused to let go, Qiao Mu finally gave up resisting and called out stiffly, ““Uncle!”

The corners of Li Yan’s lips curled up, and his cold face softened a little. “ Be good. Don’t call me that rudely in the future. ‘

Qiao Mu rolled her eyes. Did he really treat her like her uncle and demand her respect?

Pervert!

After leaving Hong Kong, Qiao Mu left without saying goodbye. Chi wanted to give Chi Xia a call.

She reached out her hand to Li Yan. “ Let me use your phone. ”

Li Yan handed her the phone and she picked it up to call Chi Xia.

“ Xiaxia, it’s me. ” Qiao Mu answered.

Then, Chi Xia’s worried voice rang out, ““Mu Mu, I heard from Brother Guan that you were taken away by Li Yan? Are you alright? Did he do anything to you?”

Qiao Mu felt much better after hearing Chi Xia's concern. She smiled and said, "I'm fine. I just can't play with you guys anymore ... Are you guys going for a feast tonight? That's great. I want to go too...Forget it, you guys eat."

After hanging up the phone, Qiao Mu felt listless. She thought about how peaceful Chi Xia and the others were living, and then she thought about herself. She had to face an iceberg all the time, so she could not muster up any energy at all!
