

The Apple 341

Chapter 341: Qiao Mu, Come Home With Me (7)

Li Yan listened to the conversation just now. When he saw the listless look on the little woman's face, he said calmly, 'What do you want to eat? I'll bring you there.'

"I don't want to eat." Qiao Mu mumbled, not in a good mood.

"Didn't you say that you wanted to have a big meal on the phone just now?" Li Yan asked coldly with a sullen face.

Qiao Mu really wanted to say that it depended on who she ate with! Eating with him would make her lose her appetite!

However, he did not dare to say it.

It wasn't easy for this man to keep his temper in check. She didn't want to get into trouble. When she had to endure, she had to endure!

I want to have dinner with Xiaxia and the others. " Qiao Mu hesitated for a moment, but she still said it. Looking at the man's cold expression, she immediately said to herself, know you definitely won't agree. You can't wait for me to cut off contact with the outside world and be monitored by you all day!"

Li Yan's eyes darkened and he looked displeased. " When did I say that I would cut off your connection with the outside world? I didn't treat you as a criminal, but you're self-aware!" Humph!

Qiao Mu pursed her lips. " That's what you think! "

"Chi Xia is here too?" Li Yan asked.

Qiao Mu nodded and said in a rather unpleasant tone, " I was only caught by you because I was with Chi Xia and Baby Guan. Do you think I can come to Hong Kong to play by myself? "

Baby Guan? She must be Guan Yunxiang's sister. So she was with Guan Yunxiang because of Baby Guan!

However, Li Yan immediately caught the main point. She said that she was here to have fun in Hong Kong!

Could it be that he wasn't here to be an exchange student?

Li Yan's gaze swept across Lei Yi who was driving. Lei Yi instantly felt a great pressure!

What was Young Master Li looking at him for? His original words were to tell him that Qiao Mu had gone to Hong Kong. He didn't say anything, and he was the one who thought of everything that would happen next.

Come to think of it, Young Master Li was really patient. He mistakenly thought that Qiao Mu was here to attend school, but after meeting her for so long, he actually didn't manage to get the truth out of her.

Madam Li came up with this move to provoke Young Master into taking the initiative to take a step forward and confess to Qiao Mu, thus breaking all misunderstandings.

However, did Madam Li really understand her son? Didn't she know that her son was so coquettish that what he did was completely out of her plan?

The two of them were in a stalemate for the whole day. Miss Qiao was really amazing. She was actually able to make Young Master Li lower his head under such circumstances.

Whether it was the company in the country or the business abroad, they were all busy. There were frequent accidents overseas, but this old man just kept accompanying this young miss regardless.

In Lei Yi's eyes, this was a new record for a good man!

"Young Master, we've arrived at the hotel," Lei Yi said as the car stopped.

Qiao Mu was the first to open the car door and was about to alight when she was stopped by Li Yan.

She turned back to look at him. What was he doing now?

“Didn’t you want to have dinner with Chi Xia and the rest?” the man asked calmly.

Qiao Mu was stunned, and her heart leaped with joy. She almost revealed her happiness, but she quickly concealed it and probed, ““You agree to let me eat?”

‘Yes.’”

The man’s response made Qiao Mu instantly burst with joy. She was glad that she had not reached the point where she was isolated from the world!

After Qiao Mu told them the location, the car continued driving.

Li Yan knew that this little thing was actually very happy. She was very happy just by asking her to eat.

Although she concealed her happiness and did not want to show it in front of him, he could see at a glance that her big black eyes had suddenly turned from listless to energetic.

He still liked her like this!

Chapter 342: Qiao Mu, Come Home With Me 8

On the way there, Qiao Mu called Chi Xia beforehand and made an appointment to have a meal together before rushing to her destination.

When they arrived at the hotel, the sky was already dark.

Qiao Mu opened the car door and was about to alight when she saw the man beside her alight as well.

"You don't have to come down," she said, staring at him blankly. "I can go in myself."

It meant that he had arrived and he could leave.

Li Yan did not stop. He got out of the car and closed the door. He looked at her as if nothing had happened. "Did I say that I'll only let you eat alone?"

"So, he was going to have dinner with her?"

Qiao Mu was still in a daze when Li Yan walked to her side and held her hand as they walked into the hotel.

She subconsciously wanted to shake him off, but she failed after two attempts. Her wrist was still hurting, so she could only give up resisting and let him hold her hand as she walked in.

Outside the private room, there was a man and two women.

Upon seeing Qiao Mu, Baby Guan was the first to speak. "'Mu Mu, you're finally here. You're too unreliable to leave halfway."

As soon as she finished speaking, she saw Li Yan beside Qiao Mu. The three people in the room were stunned for a moment.

Qiao Mu felt the change in the atmosphere, but Li Yan held her hand as if nothing had happened and led her into the room. When his gaze swept past Guan Yunxiang, a hint of coldness flashed across his eyes.

"Do you mind if I join you?"

Mind!

These words were what Qiao Mu was thinking.

Guan Yunxiang smiled faintly. " Young Master Li really came uninvited. "

"I came to Hong Kong to accompany my woman. Since she came to eat, I naturally have to accompany her." After a pause, Li Yan's lips curled up. ' Tonight's meal is on me. '

Chi Xia noticed that Qiao Mu's wrist was bandaged and asked, ""Mu Mu, what happened to your wrist?"

Qiao Mu smiled. " I'm fine. I was hurt by someone. It's not serious. '

He had just left and was already injured. It was obvious who had caused this injury.

Chi Xia knew that it was Li Yan, but she frowned as if she did not know anything about it. " Who's so cruel? Does he have violent tendencies? This is too much! "

Chi Xia then looked at Li Yan. " Young Master Li, you didn't even take good care of Mu Mu. Since you can't, why don't you return Mu Mu to us? "

Li Yan's sharp eyes swept across Chi Xia. He had thought that Qiao Mu's classmate was not bad, but at this moment, he felt that this person was really too much of a hindrance!

Qiao Mu wanted to laugh. These words were too well said, but unfortunately, Li Yan did not buy it.

Li Yan curled his lips and raised his eyebrows. " When did she belong to you?

What's with the 'return'?"

This man was constantly announcing his ownership.

Chi Xia gave up arguing. She could not afford to offend Young Master Li!

Baby Guan did not know about the complicated relationship between Qiao Mu and Li Yan. She asked Chi Xia in a low voice, "Isn't Li Yan Qiao Mu's uncle?" The last time I saw them, they were pretty good. Why did Mumu seem so unhappy?

"They used to be on good terms, but now that we're no longer friends, the injury on Mu Mu's wrist was caused by Li Yan. He's such a bully!" Chi Xia said angrily.

Baby Guan frowned. She had initially welcomed Li Yan since he was Lu Jinzhi's older brother.

However, so what if they were close? She despised men who were violent to women the most. She would blacklist them!

When the menu was brought over, Guan Yunxiang took it and handed it to Qiao

Mu. "What do you want to eat? Take a look."

Baby Guan held her chin and deliberately provoked him. "Brother, you're too biased. Your biological sister is still here.. Why do you only have Mu Mu in your heart?"

Chapter 343: Other Than Her, He Had No Other Woman (1)

Guan Yunxiang smiled faintly. "You're even jealous of your own friend. If you care so much about your brother, then dump your fiancé and accompany your brother!"

"I don't want to accompany a bachelor like you!" As she spoke, Baby Guan looked at Qiao Mu. "Mumu, my big brother is still single!"

These words were suggestive.

Qiao Mu laughed. Guan Yunxiang really had a serious sister-complex, to actually not allow his younger sister to get married.

Li Yan's eyes darkened when he saw the smile on Qiao Mu's face. This woman was smiling so happily in front of Guan Yunxiang!

Guan Yunxiang looked at Li Yan and said, " Young Master Li, I heard that you're discussing business with Murong Chao. Instead of keeping an eye on his whereabouts, you're here playing around. You really don't have to worry about Murong Chao's character. "

Li Yan's lips curled up slightly. " In the business world, I don't trust anyone's character, including you, Master Guan! "

Qiao Mu silently listened to their conversation and finally understood that the two of them had business dealings. It was no wonder Guan Yunxiang was so calm and collected when he faced Li Yan.

It seemed that Guan Yunxiang had a powerful background. Looking at his calm appearance, it was really hard to tell.

Guan Yunxiang smiled nonchalantly. " If that's the case, why are you still so free to stay here with your woman? Don't tell me she'll run away if you don't look at her? "

Li Yan raised an eyebrow and looked at Qiao Mu. ""Do you know how to run?"

Qiao Mu was stunned when the topic was suddenly thrown to Qiao Mu. Of course she would run, even if the chances of her escaping were minuscule!

However, she definitely couldn't say that directly. It wouldn't do her any good to gain Young Master Li's face.

She met Li Yan's gaze and said unwillingly, ""No!"

Li Yan's lips curled up as he glanced at Guan Yunxiang. " Master Guan, you're overthinking. "

Guan Yunxiang smiled without saying a word. It was obvious that Qiao Mu was unwilling to be with him, yet he still acted as if nothing had happened. He really admired this man!

After the main course ended, Baby Guan ordered three portions of ice cream. When it was served, Qiao Mu's portion was directly put aside by Li Yan and left out in the cold.

Qiao Mu was unhappy. " Why aren't you letting me eat? "

Li Yan calculated the time and said calmly, ""Your body can't eat cold food."

Sensing Li Yan's gaze sweeping downwards, Qiao Mu immediately understood that he was hinting that her period was about to arrive!

Her period had always been punctual. It was the same date every month, and there was not much difference between before and after. Li Yan actually remembered it!

However, wasn't he not here yet?

There were still a few days left!

Seeing Chi Xia and Baby Guan enjoying their meal, Qiao Mu raised her hand to take it, but Li Yan stopped her.

Too much!

Baby Guan saw this and continued to stir up trouble." Young Master Li, you're being ungentlemanly by treating Mumu like this. You won't even let her have an ice cream. If Lu Jingzhi treats me like this, I will kick him and teach him a lesson.

The corners of Qiao Mu's mouth twitched. Indeed, a tough woman was different.

However, if anyone dared to lay a hand on Li Yan, there would only be one outcome-death!

Li Yan glanced at Baby Guan coldly. He took out his phone and sent a message to Lu Jingzhi, ""Get your fiancée back to Beijing immediately!"

When Lu Jingzhi saw the text message, he was very puzzled. Why was this man so involved in his fiancée's matters?

He had finally gotten rid of that woman and had a few days of peace. Wasn't she deliberately making things difficult for him?

Lu Jingzhi called Lei Yi and asked about the situation. Then, he understood that Baby Guan was with Qiao Mu and had become a third wheel!

Lu Jingzhi had no choice but to call Baby Guan. " When are you coming back? "

"You miss me?" Baby Guan was stunned..

Chapter 344: Other Than Her, He Had No Other Woman (2)

' You're coming home after just a few days. I'm worried that your parents will think that I'm abusing you. Come back quickly! "

"You abused me! Alright, I knew you missed me. Since you miss me so much, then continue thinking about it. I'll go back when I'm done playing!" After saying that, Baby Guan hung up the phone.

Lu Jingzhi was speechless. Anger!

What kind of woman was this? When he was cold to her, she would stick to him passionately. When he was more proactive towards her, she would still be energetic!

After putting down the phone, Baby Guan saw Qiao Mu and Chi Xia looking at her in surprise. She shrugged nonchalantly and said, "Men can't only be hooked like this. Learn from me." Qiao Mu was speechless.

Chi Xia was speechless.

This was really a book of knowledge!

Previously, when he saw how enthusiastic Baby Guan was towards Lu Jingzhi, he thought that she had no principles in front of Lu Jingzhi. He did not expect her to have such a personality!

After the meal, they were about to leave.

Guan Yunxiang thought of Qiao Mu and asked with a smile. "Qiao Mu. Li Yan is your uncle?"

Qiao Mu was stunned. She didn't know why Guan Yunxiang would suddenly ask such a question.

Seeing Qiao Mu's reaction, Guan Yunxiang already had an answer.

The smile on his face deepened as he teased, "Your relationship is quite interesting. It's just a form of address, but you're really uncle? It can't be that heavy, right?"

The corners of Qiao Mu's lips twitched fiercely, and she hurriedly explained, "It's just a form of address! Brother Guan, you're thinking too much!"

Li Yan's eyes darkened when he saw what the two of them were talking about. He strode over and held Qiao Mu's hand.

Guan Yunxiang's smile deepened. This man's possessiveness was really extraordinary!

However, for a person who had been rolling around in the dark world to put such a weakness on the surface, was he not afraid of being targeted?

This was a fatal weakness!

After returning to the hotel, Qiao Mu was a little nervous because she realized that she would be sharing a room with Li Yan.

After Qiao Mu came out of the shower, Li Yan went into the bathroom to take a shower. She lay down nervously by the bed. The thought of sleeping in the same bed as this man made her feel extremely conflicted.

When Li Yan came out, he saw Qiao Mu curled up as if she was asleep. However, her eyelids would twitch from time to time, which meant that she was pretending to be asleep.

His eyes darkened. Was this woman afraid?

Afraid that he would do something to her?

Li Yan lifted the blanket and got onto the bed. He felt his body, which was originally by the bed, shrink back as if he wanted to get as far away from him as possible.

He suppressed the emotions in his heart and reached out to her.

And then...

The body that was pretending to be asleep suddenly jumped up. "What are you doing? "

Qiao Mu, do you hate me that much? "

The man's voice had a hint of anger in it, and Qiao Mu did not dare to say anything. She was afraid that she would end up in a very miserable state if she angered him.

Li Yan sighed helplessly. " Qiao Mu, are you so against me because I'm with another woman? " If I say that I don't have any other woman besides you, will you still be so disgusted with me?"

Other than her, there were no other women?

How could this be possible? Could it be that he and his fiancée did not have sex?

Even so, she was indeed his fiancée!

Qiao Mu snorted coldly. " It's still the same! "

She didn't want a man who didn't belong to anyone else!

It was still the same! Whether he had other women or not, she hated him!

Li Yan felt a sharp pain in his chest. Did this woman know how hurtful her words were?

Chapter 345: Li Yan's Sadness

Qiao Mu thought that she would be punished by him if she recklessly said those words to anger him.

In bed, she had no confidence at all in this state.

She carefully sat at the side. The man suddenly lifted the blanket and her entire body stiffened. Just as she thought that the man would do something, she saw the tall figure turn over and lie down.

His back was facing her, and the lines of his back were broad and strong. He was exuding a cold anger and a faint...Lonely.

Qiao Mu was stunned. Why did he feel that the man's aura at this moment seemed to be sorrowful?

Her heart tightened as she stared blankly at his back for a long time. She felt indescribably sad.

What did he want? He was the one who betrayed her, but how could he act like this? Her heart ached when she saw him.

This man had always been high and mighty in front of her. She had always been bullied by him. He was always so arrogant and calm. When had he ever been like this?

Qiao Mu bit her lip, and her nose turned sour, and her eyes uncontrollably became moist.

She hugged her knees and buried her face in her knees as tears fell silently.

Li Yan lay on his side with his eyes wide open. The emotions he was suppressing in his heart almost swallowed him whole.

He was worried that he would lose control again after being angered by her. He could only adjust his emotions and calm down.

However, the woman next to him sat there motionless. He could vaguely hear the sound of sobbing. It was very, very soft. If it wasn't for the fact that the room was too quiet, he wouldn't have heard it at all.

Li Yan turned to the side and saw Qiao Mu hugging herself into a ball as tears streamed down her face.

The lights in the room were not turned off. The tears at the corner of her eyes were wet on her pajama pants, allowing him to see them clearly.

Frowning, he sat up and reached out to hug her, but his arm froze in mid-air.

She didn't like him touching her. If he touched her, it would only make her feel disgusted.

He sighed and helplessly put down his arm. " Qiao Mu, I didn't bully you. Why are you crying? "

Qiao Mu instantly became agitated when she heard his words. " You're bullying me! You're bullying me! You have a fiancée, but you still won't let me go. You're two-timing. You bastard, why won't you let me go! It was like this ten years ago, and it's still the same ten years later. Did I owe you something in my previous life that you have to torture me like this?!"

She glared at Li Yan with her big eyes and slapped his chest with both hands, trying to vent her anger.

Li Yan's frown deepened when she mentioned ten years ago. He opened his arms and pulled her into his embrace, enduring her struggles and punches in his arms.

He gently stroked her hair and said word by word, "" Qiao Mu, believe me.

Whether it's ten years ago or now, I've never done anything to let you down. ' Qiao Mu's body froze, and she cried out, ""1 don't believe it! You're still lying to me!"

Qiao Mu, come home with me. I'll give you an explanation. "

He knew that if he explained, she would not believe him. She would think that he was lying to her. She would only believe what she saw and what his father said to her. She would only believe him completely if he explained it to her personally.

This little thing had never felt a sense of security. He could not let her have any doubts about him!

Qiao Mu did not listen to Li Yan at all. She just kept watching and venting her anger. She was originally resisting and punching Li Yan in his arms, but her strength was slowly used up. She laid in his arms and cried silently..

Chapter 346: He Actually Dislikes Her for Being Dirty

After that, she had no more strength to cry and fell asleep in Li Yan's arms.

Li Yan gently hugged the little woman in his arms. This was the closest they had been recently. Although the clothes on his chest were soaked with snot and tears, it was a luxury to be able to hug her quietly like this.

Li Yan carefully let the woman in front of his chest lie down. He wanted to change his clothes, but just as he moved, her petite body leaned against him and continued sleeping.

She sighed. Didn't she say that she hated him and didn't want to get close to him? Why did she subconsciously want to burrow into his arms when she was asleep?

Actually, this woman was so sad because she cared about him, right?

Li Yan's eyes darkened when he thought of Old Master Li and his wife, who had made things so complicated. He would not let this matter go just like that after torturing his little one to this state!

The next day, Qiao Mu woke up groggily. She only felt pain in her eyes and her eyelids were swollen and uncomfortable.

She rubbed her eyes. Recalling the scenes from last night, she felt a headache coming on.

Damn it, why did she fall asleep in Li Yan's arms last night!

She turned her head and saw the man sitting beside her with a computer on his lap. She didn't know what he was busy with.

He glanced at her indifferently. "You're awake? Get up and wash up. I'll bring you downstairs for a buffet."

The man had an indifferent expression on his face, as if everything he had done to her after she fell asleep in his arms last night had been erased.

Qiao Mu got angry just by looking at it. She got up and sat by the bed, picked up the hotel phone, and dialed the internal line. "There are clothes to be washed in room 1788. I'm here to pick them up."

Under Li Yan's gaze, Qiao Mu put down the phone and went into the bathroom to change out of her pajamas.

Soon, the room service knocked on the door. She handed the pajamas to the waiter and raised her voice. "Wash this set of pajamas for me. It has to be disinfected. It's too dirty!"

These words were obviously full of hints and were deliberately said for a certain man to hear. Last night, she slept in his arms while wearing these clothes, meaning that he was the bacteria.

Upon hearing this, Li Yan's hand that was typing on the computer keyboard paused. He looked up at the little woman who was stirring up trouble. He put the computer aside, got up, and began to take off his pajamas.

Qiao Mu's eyes widened when she saw him shamelessly taking off his clothes in front of the waiter.

Fortunately, he entered the bathroom before he took off his pajamas. When he came out the next second, he was wearing his pajamas and threw them to Qiao

Mu.

Qiao Mu looked at the pajamas in her hands and glared at the man in front of her with confusion and dissatisfaction.

Then, the man said, "You should wash it well. There are snot and tears all over the pajamas. There are too many bacteria. Also, kill the bacteria on the bedsheets."

Qiao Mu was speechless.

Her face instantly contorted.

She thought he was dirty, but he was not polite at all and even thought she was dirty!

He was ruthless!

Qiao Mu gritted her teeth and shook Li Yan's pajamas. However, it was indeed inconceivable that he could sleep in clothes with her snot and tears on them!

Qiao Mu went into the bathroom to wash up. Li Yan took his phone and went to the balcony to make a call.

The call went through and Yu Yiduo's voice came through, ""Son, have you settled my daughter-in-law?"

"Mom, let Dad answer the phone." Li Yan didn't answer Yu Yiduo's question. His tone was serious.

Yu Yiduo snorted unhappily and handed her phone to Li Zheng.

Li Zheng could sense that it was not a good thing. He waved his hand. ' I'm not picking it up.. Say I'm not here! '

Chapter 347: Curse No Progeny

Li Zheng's voice was clearly heard by Li Yan.

Li Yan snorted. " Dad, I haven't told you anything yet. Why are you hiding from me? '

When Li Zheng heard that, he immediately snatched the phone over and said angrily,"Brat, you dare to say that I have a guilty conscience? How am I guilty? I'm not hiding from you. I just don't want to talk to you!"

“Do you think I want to talk to you? I’m just telling you not to interfere with my private matters!”

“Obstruct? Did that girl Qiao Mu complain to you? You haven’t even entered our Li family, yet you’re already so restless...”

“What did you say to her?”

“Tell me the truth! You can’t control what your father wants to do!”

“I can’t do anything about it. I’m just here to remind you that if you don’t want to die without descendants, you can continue to interfere in my matters!”

No descendants!

These words were an absolute threat!

When had Old Master Li Zheng ever been scared like this, and by his own son!

Li Zheng was immediately enraged. “You bastard! You’re really ruthless! Cursing me to have no descendants? Isn’t that the same as cursing you as well?!”

“If you only put your mind on your wife in the future and don’t care about me, the curse will be ineffective. If you insist ...” At this point, Li Yan paused. He did not sound like he was joking.

Li Zheng didn’t wait for him to speak and immediately shouted, “Alright, alright. Didn’t I just talk to her? I don’t have any intention of breaking you up. I won’t care about your matters in the future. Hurry up and let your mother and I have grandchildren. If we can have grandchildren, I’ll reluctantly accept it even if my daughter-in-law is a pig!”

Although Li Zheng had already accepted this daughter-in-law in his heart after talking to Qiao Mu, how could he be gentle under Li Yan’s threat? Even if he accepted her, he would have to belittle her!

However, Yu Yiduo protested, "What are you talking about? Your daughter-in-law is the pig..." My daughter-in-law is not a pig!"

Yu Yiduo snatched the phone away and continued to ask with concern, "Son, did you take down Mumu or not? Do you want Mom to give you some advice?"

Li Yan said calmly, "Mom, I don't think you have the energy to care about me. You should take care of my dad. My dad told your daughter-in-law that the person in the scandal is my fiancée. If your daughter-in-law is scared away, it's all his 'credit'."

Li Yan hung up the phone after he finished speaking. He did not care what kind of world war would happen on the other end of the phone.

He had made him and his little woman take a detour. He had to find something for the couple to do!

Li Yan brought Qiao Mu to a buffet. Qiao Mu's mood improved a little because of the delicious food.

However, Li Yan kept talking on the phone throughout the meal.

Listening to Ouyang's report on the other end of the phone, Li Yan said coldly, "Since Murong Chao wants to play tricks, destroy his old camp and keep an eye on him. Don't let him do anything sinister!"

"Boss, aren't you coming back to take charge of the situation yourself? I really can't handle this kind of thing alone!"

"What's the use of complaining here? I can't leave with the things I have on hand. Call Chen Chen over to deal with this matter!"

"Boss, what are you busy with? I heard from Lei Yi that you're not at the headquarters at all. What's more important than this tens of millions of yuan deal?" Superintendent Ouyang was very puzzled. Although he couldn't inquire about Boss's private matters, he couldn't help but ask..

Chapter 348: Secretly Taking the Initiatives to Hug Him

Even if he was tired here, he had to know what important thing Boss was doing, right?

He asked Lei Yi, but Lei Yi had a sincere attitude of protecting his master and did not reveal a word!

It was really unfair!

He let Lei Yi get close to the simple and trivial matters in the company, but he had to fight and kill overseas!

Boss left in such a hurry. Could it be that he had been seduced by some brilliant woman and was not doing his job properly?

If that was the case, that woman was really too terrifying!

Even someone like Boss could take the bait!

Li Yan ignored Superintendent Ouyang's complaints and hung up the phone.

After he left, major changes had taken place in the foreign affairs. Murong Chao, who had always been good at scheming, wanted to find loopholes in the cooperation to threaten him. He would slowly settle the score after he settled Qiao Mu's matter!

After that, Li Yan accompanied Qiao Mu 24/7 and brought her to visit some places of interest in Hong Kong.

At night, Qiao Mu began to be cautious again.

After Li Yan laid down beside her, he glanced at the little woman. " You don't need me to hug you to sleep? "

Qiao Mu ground her teeth when she heard this. " There's no need! I accidentally fell asleep in your arms last night. I slept very badly last night. It's best for us to each have a blanket and separate ourselves! No, it's best to sleep in separate beds!"

Li Yan was not annoyed. This little thing really did not mean what she said.

"I don't mind if you sleep on the floor," he said lightly.

. This was simply too much!

' You're the one who should be sleeping on the floor, " Qiao Mu huffed. " I don't want it! '

Li Yan sighed when he saw that the little woman had her back to him and was unwilling to get close to him.

Qiao Mu, let's see how long you can be stubborn!

Soon, Qiao Mu fell asleep.

Li Yan gently turned her body around and let her head rest on his arm. He wrapped his arms around her waist.

Perhaps Li Yan had gone overboard, but Qiao Mu groaned and opened her eyes in a daze.

When she saw the man's face in front of her, Qiao Mu was stunned for quite a while before she finally realized that she was in his arms at this very moment!

She was clearly sleeping with her back facing him. Why was she lying in his arms?

Damn it, why was she so dishonest in her sleep!

She instantly felt embarrassed and annoyed!

She moved subconsciously, trying to break free from his embrace.

However, when she moved slightly, the man seemed to have noticed it. His arm around her waist tightened and he held her firmly in his arms, not allowing her to move.

The room was dimly lit by the wall lamp, so Qiao Mu could vaguely make out Li

Yan's face.

He closed his eyes and slept quietly. His cold face was unusually gentle when he was asleep.

The face in front of him was as handsome as a demon, enough to mesmerize all living beings.

This man was still so domineering when he was asleep!

Being held in his arms made her heart feel a little uncomfortable. Did he also hug others like this?

However, he had said that he had no other woman besides her. He had said that he would give her an explanation when he returned!

Even though she said she didn't believe him, there was still a trace of anticipation in her heart.

Maybe ... Was it really just a misunderstanding?

Qiao Mu remained in Li Yan's embrace for a moment before she finally gave up struggling. She decided to let her enjoy his embrace for the time being.

It would only take a while. After a while, she would leave his embrace.

Qiao Mu gently wrapped her arms around Li Yan's waist and buried her face in his chest, smelling his unique scent.

Then, unknowingly, she fell asleep.

However, Qiao Mu did not notice that when she took the initiative to hug Li Yan, a hint of a smile appeared on her handsome face..

Chapter 349: I Like You So Much (1)

Li Yan opened his eyes and saw that the little woman in front of his chest had fallen asleep in his arms. The arm that reached out to his back was gently hugging her. This action made his mood soar.

There had been an earth-shattering change!

This woman! She still looked like she was rejecting him, but she was taking the initiative when he was unaware!

The smile on her face deepened when she thought that she did not hate him at all.

If it wasn't for this misunderstanding, he wouldn't have known that this little woman cared so much about him!

He pulled his arms back and hugged her tightly in his arms. Then, he closed his eyes and fell asleep.

Early morning.

Qiao Mu woke up in a daze and felt herself in a firm embrace.

She suddenly opened her eyes. Last night, she had only wanted to lie in his arms for a while before breaking free. Why did she fall asleep the moment she closed her eyes?

Seeing that the man was still asleep, she carefully tried to remove the hand on her waist, but she could not move it!

That arm seemed to be attached to her waist. She couldn't take it away!

Immediately after, a devilish voice sounded above his head. ""What, you're destroying evidence early in the morning?"

Qiao Mu's eyes widened, and only then did she realize that the man had already woken up!

She pressed her hands against her chest. " What evidence? Let go of me!"

"You took the initiative to crawl into my arms to sleep and wanted to escape before I woke up. You wanted to do it without leaving any traces. If this isn't destroying evidence, what is it?"

The man's voice was languid, and the hand around her waist tightened instead of loosening, causing Qiao Mu's body to press tightly against his chest.

Qiao Mu's face instantly turned red, and she raised her voice to hide her shyness. However, she only uttered three weak words, ""I didn't!"

"No? Then why are you in my arms? I was sleeping well in my seat. Why did you run from the bedside to my side?"

Qiao Mu wanted to say that he was the one who took the initiative to hug her, but Li Yan's words blocked her words!

He was right. She was originally sleeping by the bed, but now she was sleeping in his position and hugging him. His position did not move, so it seemed clear who was hugging who!

But ... Of course, Qiao Mu could not admit it!

She tried hard to break free from him, but the man seemed to be deliberately going against her and refused to let go of her!

“Li Yan!” She let out a low cry and pushed his chest with both hands.

“What did you call me?” His low and hoarse voice rang in her ear.

Qiao Mu’s body stiffened. She felt that the atmosphere was a little off, so she unwillingly called out softly, “Uncle.”

Her voice was soft as she called him uncle. It brushed past Li Yan’s heart and made his heart melt.

His body had been neglected by her for many days. Now that he was hugging her, his mouth instantly felt dry.

He chuckled as if nothing had happened. “Be good. Since you want to hug me to sleep, you don’t have to be so sneaky in the future.”

Qiao Mu was speechless. Who would want to hug him!

She moved slightly in his arms and accidentally touched a small tent somewhere. She felt uncomfortable.

She glared at him with a red face and pushed him away with all her strength, then quickly fled.

Qiao Mu rushed into the bathroom and panted heavily. It was too scary just now!

Li Yan sighed helplessly. This little thing was really torturous!

After that, Qiao Mu and Li Yan's relationship seemed to have improved a little, but it also seemed to have not.

Just like that, the two of them continued to maintain a distance, but their relationship was a little closer than when they were in the cold war..

Chapter 350: I Like You Very Much (2)

This state lasted for two days.

Li Yan suddenly got busy. He had planned to go out, but after receiving a phone call, he had a video conference in the hotel's study and had not come out.

Qiao Mu watched a movie in her room out of boredom.

Li Yan bought her a new phone. With a phone, it was much more convenient.

She messaged Chi Xia and found out that Chi Xia and Baby Guan were going back tomorrow. Guan Tianxiang was treating them to a farewell dinner tonight.

Li Yan came out of the study in the afternoon and sat down beside Qiao Mu. He said in a low voice, ""I'm going out to do something. Be good and wait for me in the room. Don't run around alone."

"Oh." Qiao Mu played mobile games and responded without even raising her head.

"I might be back a little late. If you're hungry, order your own food."

A little late?

Qiao Mu's eyes lit up. "How late?"

Li Yan got up to change his clothes. He did not notice the little woman's thoughts and replied calmly, "I'm not sure. I can only come back after I'm done."

"Why? Are you afraid of being alone?"

"I was just asking." Qiao Mu said nonchalantly.

After Li Yan left, Qiao Mu immediately began to move.

The hotel they were staying at was not far from Chi Xia's hotel. After changing her clothes, she sneakily found Chi Xia and Guan Baobei to freeload!

Guan Yunxiang saw Qiao Mu and smiled. "I thought you were being watched by your uncle and couldn't get away. Did he let you out alone?"

"I'm free," Qiao Mu said nonchalantly. "I can do whatever I want!"

Guan Yunxiang smiled but did not say anything. Others might not know, but he knew very well that Li Yan's situation abroad was already very serious.

Murong Chao had tampered with the transaction, yet Li Yan still refused to resolve such a huge matter. Wasn't this all to keep an eye on Qiao Mu?

That man could put aside such an important matter for a woman.

It seemed that this Qiao Mu was extraordinarily important to him!

During dinner, the three women drank some wine.

She originally wanted to toast Guan Yunxiang and thank him for his hospitality, but Qiao Mu's alcohol tolerance was too low, so she accidentally drank too much.

Perhaps it was because she had been too depressed with Li Yan for the past few days, she could not stop drinking.

Qiao Mu leaned on the table and felt dizzy. Suddenly, someone helped her up, and a familiar fragrance lingered around her nose, making her feel even more dizzy.

She leaned against the man's chest weakly and muttered softly, "Uncle, you're here..."

Guan Yunxiang paused and supported his limp body with his hand. He smiled faintly and said, "' Qiao Mu, I've already contacted your uncle. He'll be here soon. '

"Hmm? Aren't you my uncle?" Qiao Mu blinked her large eyes in a daze and sniffed. When she smelled the familiar sound, she grinned. " No, you're my uncle. You're that bastard Li Yan! "

Guan Yunxiang looked at her. Her red face seemed to be covered with a layer of blush, making her fair and tender face look especially attractive.

She called him uncle in a sweet voice. Suddenly, her face scrunched up. " I don't want to go back with you. You're a big jerk! "

Guan Yunxiang's expression was indifferent. " Qiao Mu, if you want to stay, I can let you learn here. "

Qiao Mu did not hear what the other party said clearly. She wrapped her arms around the man's neck and grinned as she blinked. " Uncle, let me tell you a secret. You definitely don't know! '

As she spoke, she tiptoed and whispered into his ear, "'1 like you...Really, you don't know how much I like you!"
