

## Destined Wife: The Apple of My Eye

### Chapter 351 Do I Like Her?

It's easy to find someone in the small ancient town. When Tang Cao finds Fang Diandian, she is talking with Chen Yan about whether they should draw a bridge or a house.

"Fang Diandian!"

Fang Diandian is scared by the shout.

"Tang Cao?" Fang Diandian shivers for a while and then turns her head, "Xiaopang? Why are you here?"

"I'm forced by this..." Chen Xiaopang says.

Tang Cao covers Chen Xiaopang's mouth and says, "We have no place to play. Chen Xiaopang is craving for fresh air outside. My mother also worries about my sister. So we decide to come to see her."

Tang Cao talks nonsense sincerely, and then asks, "What about you? Why are you here?"

"I come to sketch!" Fang Diandian shows her brush.

Chen Xiaopang finally breaks away from him and scolds, "Tang Cao, I f\*\*k you!"

"You can do it as you wish!" Tang Cao says generously, "If you don't do that, you'll ejaculate ten minutes earlier."

"Get out of here!"

Chen Yan observes Tang Cao and Chen Xiaopang secretly. He remembers that the fat one is Yanjing's famous playboy, who often makes headlines with various female stars.

The other pretty one is similar to the wife of the couple he has seen. Fang Diandian called him Tang Cao just now. He knows Tang Cao is the Second Young Master of Tang Family. So the couple he saw should be Miss Tang and her rich husband.

Chen Yan's family runs a supermarket chain and knows Fang Diandian's family. They are equal in social status. But the families of Tang Cao and Chen Xiaopang have higher status. Is Fang Diandian so familiar with Tang Family?

"Is this your friend?" Tang Cao asks pointing at Chen Yan with his chin.

Tang Cao completely shows his arrogant attitude as a playboy. Chen Yan nods smilingly, "Nice to meet you. I'm Diandian's senior."

"You're her senior!" Chen Xiaopang finally understands that Tang Cao is jealous.

He never professes his love to her. Why is he jealous? Chen Xiaopang complains in his heart.

"Are you friends of Diandian?" Chen Yan asks. Although he knows their identities, he can only pretend not to know.

Tang Cao pats Fang Diandian's shoulder with a fake smile and says, "We are brothers!"

"..."

Chen Xiaopang thinks: who can take this fool away...

"Diandian, why not play with your friends?" Chen Yan suggests, "I'll draw first."

Fang Diandian is a little hesitated. At this time, Tang Cao shouts, "We don't need you. We can play by ourselves. You'd better stay here to draw! As a stupid person, you'll fail if you don't study hard."

Take this fool away quickly! Chen Xiaopang thinks.

"Ha, ha. I'm really sorry for my stupidity." Fang Diandian sneers, and then pulls Chen Yan to sit down. She says, "Don't care about them. Let's continue to draw."

Chen Xiaopang doesn't want to talk with Tang Cao, the foolish man. He goes close to Fang Diandian to have a look and asks, "Eh? Your pen name is Qingshan?"

"Yes. My senior is really famous." Fang Diandian immediately says, "His paintings are worth tens of thousands yuan."

Chen Yan didn't expect that Chen Xiaopang, as a playboy, knows him. So he looks surprised. Chen Xiaopang smiles, "One of my elders likes your paintings and buys one. I have an impression of it."

"Well..." Chen Yan ponders and then says, "I'll finish this painting later. If you don't mind, you can take it back to your elder."

Chen Xiaopang says excitedly, "Really? Ha, ha! How can I do that?"

"That's not what you say on your face." Fang Diandian gives him a stare.

"You're welcome!" Chen Yan also smiles, "You are Diandian's friend. It's just a little painting."

When exchanging courtesies with Chen Yan, Chen Xiaopang feels his rear is kicked by someone.

"Why do you want the painting? Can you appreciate it?" Tang Cao asks with a very long face.

Chen Xiaopang doesn't want to talk with a fool. He turns his head and asks Fang Diandian, "How many days will you stay here to paint?"

"We'll leave on Monday or Tuesday." Fang Diandian begins to mix the color. She says, "You two can go to play. It'll be dark when we finish."

Seeing that, Chen Xiaopang says, "OK. I'll find a restaurant to invite your classmates to dinner tonight."

"Please don't bother..." Chen Yan says quickly.

Chen Xiaopang interrupts him, "It doesn't matter. Since you send me your painting, I should invite you to dinner! I'm Diandian's friend. You don't need to feel awkward. That's it. Let's contact later by WeChat!"

"OK. Go to play now!" Fang Diandian says, "Remember not to disturb Sister Duo, or our brother-in-law will blow up at you."

"I'm not like some idiot..." Chen Xiaopang casts a glance at Tang Cao. Then he waves his hand and walks away.

Tang Cao doesn't want to leave, but he can't stop Chen Xiaopang. Fang Diandian also looks down to draw and ignores him. After standing alone angrily for a few seconds, he has to chase Chen Xiaopang.

After he leaves, Chen Yan asks, "Are they Young Masters of Chen Family and Tang Family?"

"Yes. Do also you know them?" Fang Diandian isn't surprised. After all, their families all in the business circle. Besides, Tang Cao and Chen Xiaopang often make headlines.

As expected, Chen Yan says, "I have seen their photos on the Internet."

"In fact, they are not as bad as news show on the Internet." Fang Diandian can't help saying, "Most of news on the Internet is fake."

Chen Yan smiles, "I didn't believe it before, but now I believe it."

"Is that because Chen Xiaopang recognized you as Qingshan?" Fang Diandian asks jokingly.

"Of course not. Because I believe you." Chen Yan looks at her and says, "Since you are willing to make friends with them, they are certainly not bad people."

Fang Diandian is stunned for a while. Then she instinctively avoids Chen Yan's eyes and stutters, "Ha, ha... Let's draw now!"

Tang Duo sees from afar that her stupid brother leaves the girl. She twitches the corner of her mouth and says, "Forget it. Let's not care about him. He never strives for love. No one will marry him."

"Let's go to the haunted house, Mom!" Gungun says.

"Let's go!" Tang Duo looks at the time and then says, "When we come out, we will go to float river lanterns on the riverbank."

However, after coming out of the haunted house, they can only go back to the hostel, because Tang Duo and Gungun are frightened to cry. Lang Ruoxian hugs Tang Duo and Wuyou hugs Gungun.

"Wu, wu, wu... Wuyou, didn't you tell me the haunted house was not terrible?" Tang Duo says with lingering fear after washing her face.

Wuyou feels compunction. She apologizes, "Mom, I'm sorry. I forgot you would be afraid."

"Wu, wu!" Gungun begins to cry immediately, "It's so terrible. A ghost without body scratched my feet all the time."

Tang Duo nods in fear, "Yes. It has no eyes. Only two holes are there."

Putting his arms around her, Lang Ruoxian says, "Hua, you know it's all fake."

"I know!" Tang Duo pouts, "But it still looks horrible."

"Let's not float the river lanterns. I'll accompany you to have a rest. We'll eat when you wake up." Lang Ruoxian takes the opportunity to say. There is only one bedroom. Tonight is a good chance for them to sleep in the same bed.

Tang Duo immediately grabs his hand and says, "Let's go to rest!"

"Wuyou..." Seeing his parents leaving, Gungun pitifully embraces Wuyou and says, "How pitiful I am!"

"Woof, woof, woof!" Lulu also goes into the haunted house. However, maybe dogs fear different things like human beings. So Lulu doesn't have any reaction. But when Gungun was scared to cry, Lulu bit the head of a ghost without body.

Wuyou drags Gungun to go upstairs and says, "I'm here. Let's go to bed!"

At this time, in the office behind the haunted house, a man squats in the corner and cries, "Wu, wu. Why the dog is allowed to come in? Why the little girl was so strong? She kicked me so painful... Wu, wu..."

Tang Cao catches up with Chen Xiaopang and wants to beat him up. But Chen Xiaopang chatters that Chen Yan is so young and promising, treating Diandian well and is a suitable match for Diandian...

"Bullshit!" Tang Cao shifts his attention from hitting him. He stares at Chen Xiaopang and refutes, "How can you say he is young and promising? Don't you know that many painters are liars? They just attract girls by their talent. But they will be disinterested soon after coaxing these girls into sleeping with them."

Chen Xiaopang says, "That's other people. I just thought of Chen Yan's background, which is really the right match for Diandian. Their parents also know each other. I guess they want to get connections through marriage."

"How can they do that?" Tang Cao says madly, "Fang Diandian hates getting connections through marriage so much. She is the only daughter of her family. They won't force her."

Chen Xiaopang smiles, "What if they love each other? It'll be a happy ending."

"How can she like that kind of man? He's not as good-looking as me!" Tang Cao blurts out.

Chen Xiaopang instantly asks, "Why do you compare yourself with him? You don't like Fang Diandian."

"Who said I..." Tang Cao freezes at the moment. Does he like Fang Diandian?

"You're a fool." Chen Xiaopang hits him on his chest and asks, "Don't you know that you like her?"

Tang Cao thinks: No! I'm not... I don't...

Then Tang Cao is out of his mind. Seeing that, Chen Xiaopang estimates they will live here tonight. He asks Lang Ruoxian secretly and checks in at the hotel next to Lang Ruoxian's family. During this period, Tang Cao keeps murmuring.

Then Chen Xiaopang finds a lakeside large restaurant with a good environment. After that, Tang Cao sends Lang Ruoxian a message about his position and asks whether he wants to come. But Lang Ruoxian doesn't reply.

Now Tang Cao stops murmuring and sits on the swing in the yard alone in a daze.

"Well..." Chen Xiaopang lights a cigarette and sits across from him. He says, "Have you thought it clear? To be honest, although Fang Diandian isn't so pretty..."

"Who is ugly?" Tang Cao instantly returns to his mind and says, "Why do you think Fang Diandian is not pretty? She is much better than those stars and

models! She has very big eyes, white skin and long eyelashes. How lovely she is!”

“...Okay.” Chen Xiaopang sneers with his indifferent face.

Tang Cao rolls his eyes and then admits, “Well... I seem to really like her.”

Chen Xiaopang slaps his shoulder and says, “I thought you wouldn’t realize you like her until you die!”

“Get out!” Tang Cao kicks him and says, “I have already known that, Okay? I’m just not sure.”

“What are you going to do when you realize it?”

“What to do?” Tang Cao says with a confident expression, “I’ll definitely tell her. I’m such an excellent person. Fang Diandian must be very happy that I like her. If she dares not listen to me, I will ignore her!”

Chen Xiaopang thinks: this fool must be taken away by someone...

### **Chapter 352 - Who Are You?**

#### **Chapter 352 Who Are You?**

Tang Duo wakes up in Lang Ruoxian’s arms. Lang Ruoxian opens his eyes as soon as she moves.

“Are you awake?” he asks.

Tang Duo finds herself hugging him with her arms and legs like an octopus. Then she blinks at him and sits up naturally. She yawns, “I wake up because I’m hungry. What time is it?”

“It’s almost eight.” Lang Ruoxian curls the corner of his mouth and says, “Wash your face. I’ll tell Gungun and others to have dinner together.”

Lang Ruoxian goes to the yard and sees Wuyou and Gungun sitting on the porch. Each of them is eating a steamed stuffed bun. Even Lulu has one.

“Where did you get the buns?” Lang Ruoxian walks over and asks.

Wuyou points to the door and says, “The shop diagonally opposite here sells steamed stuffed buns, which opens every night.”

“We were hungry and bought some buns first!” Gungun stands up and says, “It’s so delicious. How about buying more after Mom goes downstairs?”

Lang Ruoxian opens the gate, seeing the shop hanging some red lanterns. Several customers are waiting for steamed stuffed buns.

“Put on your coats. We will go out for a meal.” He tells two little children. Gungun says yes and then pulls Wuyou back to their room. Lulu’s bun is not finished yet. So it picks the bun up quickly and runs with the little masters.

Tang Duo comes out at this time. She asks in bewilderment, “What is in Lulu’s mouth?”

“It’s a steamed stuffed bun.” Lang Ruoxian touches her hands and asks, “Are you cold?”

Tang Duo jumps twice and then says, “No, I’m not. Did Gungun go to buy it by himself?”

“The shop is just in the opposite side.” Lang Ruoxian leads her out.

Seeing the sign of shop, Tang Duo suddenly remembers, “This is a famous shop on the Internet! It only opens at night every day. Let’s buy some buns and put them in the fridge. Then we bring them back tomorrow.”

Of course, they don’t want to eat steamed stuffed buns for dinner. The specialties of the ancient town are black-bone chicken and silver fish. But only a few old restaurants can cook them well. It’s too late for them to find a table. Lang Ruoxian ponders for a while. Then he takes out his phone to check the location Chen Xiaopang has sent to him before.

“You should tell us earlier. Let’s go there now!” Tang Duo hurriedly pulls Lang Ruoxian to walk forward. The restaurant is still a distance from here. They see

that everyone taking a lantern walks on the way. So Tang Duo buys a lantern for each of them. Lulu also gets one.

“We’ll float river lanterns after eating!”

Lang Ruoxian nods. He should have wanted to say that they can buy lanterns after eating so that they don’t need to take it all the time. However, he gives up his thought when seeing the excited faces of Tang Duo and kids. Even Lulu is carrying its own lantern.

“Brother Xiaopang, do you really know Fei Shan? Can you get his autograph for us?” Lu Ling looks shyly at Chen Xiaopang.

Fang Diandian shows the whites of her eyes. At the beginning, Lu Ling calls him Mr. Chen. But before finishing the meal, she has quickly changed to call him Brother Xiaopang...

“It’s easy to get his signature. I’ll take you to dinner with him!” Chen Xiaopang sways his legs and says, “You can see whoever you want. It’s nothing!”

Another two female students also know the identities of Chen Xiaopang and Tang Cao. Unlike Lu Ling, girls dare not talk to them at all. Chen Yan and the other two men don’t look so excited. They clink glasses with others sometimes. While Fang Diandian just eats and seldom talks.

But the strange thing is that Tang Cao’s face is by turns angry and laughing. At this time, seeing Lu Ling almost puts her body on Chen Xiaopang, girls feel a little ashamed but dare not pull her back.

“Senior Lu.” Fang Diandian slaps the chopsticks on the table and asks, “Are you cold?”

Now Lu ling is in her glory that she can attract the rich second generation of Yanjing. She is shocked as she hears the question.

“What’s...? What’s wrong?”

Fang Diandian casts a glance at Chen Xiaopang and says, “Sit properly if you’re not cold.”

“Hey, hey!” Chen Xiaopang stretches out his hands and says, “I didn’t do anything.”

Lu Ling doesn't know what Chen Xiaopang means, but she feels that Fang Diandian is mocking her. So her face turns dark.

"Look at you, Diandian!" She purposely points at Chen Yan with a smile and says, "You have Chen Yan. Don't stare at other men!"

"Bullshit!" Before Fang Diandian speaks, Tang Cao has said angrily, "Are you blind or are you eating shit?"

Lu Ling is stunned. She can't understand why the Childe Tang is so mad.

"Girl, you have the chance to sit at table here because of Diandian. How can you shame her?" Chen Xiaopang smiles, "Without Diandian, such a woman like you can't even be my housemaid."

Lu Ling's face turns pale. She has a well-off family and is popular in school. No one, especially men, blamed her like that before.

"Lu Ling, that's how Second Childe Tang and his friend speak. You'd better get used to it." Seeing other classmates are petrified, Chen Yan has to say, "Besides, if you continue talking nonsense, I will tell Professor Liu not to let you join the activities of the study group when we go back."

Tang Cao looks at Chen Yan friendly. But he glances at Lu Ling coldly when he sees Fang Diandian's dark face.

"Look at your shameless behavior, do you think we are like the stupid boys in your school? Do you want to play with us? Okay. Xiaopang, do you want to check her now?" Tang Cao says.

Chen Xiaopang picks his teeth, "I can bear it today. Take off!"

"What... What?" Lu Ling looks frightened and sits close to the other two girls.

The two girls look at Chen Yan for help. Chen Yan shakes his head at them. They can't realize what he means. So they dare not speak or move.

"Don't you want to attract me?" Chen Xiaopang burps, "Then take off your clothes and let me check you. I don't like your face. But if your figure is fine, I'll consider taking you to play tonight."

Lu Ling cries and feels that she has been humiliated. On an impulse she blurts out, "How can you say that? Are you still a man? Shame on you!"

“Ha...” Tang Cao sneers, “Didn’t you attract him? This is how people in our circle play. If you can’t accept it, why did you do that?”

Chen Xiaopang slaps the glass on the table and says, “Do you know how many people are willing to take off to let me see? But they have no chance. Come on, why do you cry as if I bully you? I’m not interested in you and you don’t need to take off. How dare you attract me with your unattractive body?”

“Ah, ah, ah!” Lu Ling can’t stand it. She suddenly stands up and looks at Fang Diandian, “Fang Diandian! Is that you? Did you deliberately call them to humiliate me?”

Then she glares at Chen Xiaopang, “You stand by her because you want to sleep with her, right? Does she have a better figure than me? She...”

Suddenly, Lu Ling slumps to the ground. She covers her face and looks at Tang Cao in horror.

“Oh my god!” Chen Xiaopang jumps up and shouts, “You stupid woman! What are you talking about? Do you want to frame me?”

Tang Cao’s beautiful eyes are as cold as ice. He looks coldly at Lu Ling who is lying on the ground and asks, “Who are you? How dare you shout at her?”

“Tang Cao...” Fang Diandian pulls Tang Cao’s sleeve and says, “Forget it. You’ve slapped her face...”

“Are you stupid?” Tang Cao turns to stare at her and asks, “Does this woman bully you at school?”

Fang Diandian feels happy in her heart now and re-runs in her mind what Tang Cao just said. She even doesn’t mind that Tang Cao said she was stupid. She smiles, “Of course not. She dare not bully me.”

“You tell me!” Tang Cao looks at Chen Yan.

Chen Yan sighs. After observing all night, he finally makes sure. Now he smiles wryly in his heart but looks calm in his face. He nods, “Fang Diandian didn’t lie to you. Lu Ling doesn’t bully her at school and just gossips behind her. Mr. Tang must often see this kind of woman. For the sake of Fang Diandian, please let her go today!”

Chen Xiaopang gives Chen Yan a favorable look. It's obvious that Chen Yan has found out that Tang Cao likes Fang Diandian. So he changes the way he calls Fang Diandian.

"Don't play with such a fool any more." Tang Cao roars at Fang Diandian fiercely.

At this time, the door of the private room opens. Tang Duo is shocked when stepping in and seeing them. Then she smiles, "What's going on?"

"Elder Sister, you are coming!" Chen Xiaopang trots over, "Please sit down. Waiter! Give us the menu."

Chen Yan asks two other female classmates to help Lu Ling up, and then says to Fang Diandian, "Since your friends are here, we will go back first."

"Senior..." Fang Diandian feels embarrassed about the meal today.

"It doesn't matter." Chen Yan smiles and takes a look at Lu Ling. Then he says, "It's not your fault. Enjoy your food!"

He nods to Tang Duo and other people. And then he goes away with his classmates.

"What just happened?" Tang Duo asks curiously after sitting down.

Chen Xiaopang is about to speak. But Tang Cao rudely interrupts him, "Where's the waiter? Why doesn't the waiter come? Clear up the table and serve again."

"Uncle, why is your face so red?" Gungun stares at Tang Cao and asks.

Lulu barks, "Woof! Woof!"

"... I... I don't." Tang Cao touches his face nervously. He explains, "That's because I'm hot. The heating here is too hot."

Chen Xiaopang rolls his eyes at him. They order dishes again after the waiter comes in and cleans up the table. After the dishes are put on the table, Chen Xiaopang almost finishes saying. He doesn't tell them all because two little kids are here.

“Elder Sister, do you think she is stupid?” Tang Cao complains, “Fang Diandian even plays with that kind of people. She must be bullied at school.”

Fang Diandian says, “I’ve said that she didn’t bully me and just gossiped behind me. Today, she must get provoked by you so that she...”

“Isn’t gossiping behind you a bullying behavior?” Tang Cao stares at her, “Do you think only abuses are bullying behaviors?”

“Ah, I’m tired to talk with you.” Fang Diandian rolls her eyes and picks up chopsticks to eat again.

Tang Cao looks at her in disappointment, as if she is frivolous quibbling. He says, “I do this for your own good. Why don’t you thank me? You ungrateful brat!”

“...Thank you!” Fang Diandian sneers, “Don’t be nice to me. I’m fine.”

“Elder Sister, look at her!” Tang Cao feels he is hurt by Fang Diandian and complains to Tang Duo.

Tang Duo is happily waiting for Lang Ruoxian to feed her fish. She glances at Tang Cao and says, “Look at you! Diandian is right. Don’t be nice to her. Otherwise you will blame her ungratefulness.”

“Dude...” Chen Xiaopang pats Tang Cao on the shoulder and says, “Eat first. I’ll show you something later.”

### **Chapter 353 Hey, Hey, Hey**

Tang Duo has been eager to float river lanterns long time ago. She can’t wait to leave excitedly as soon as she finishes eating.

“I’m afraid I will not go.” Fang Diandian says goodbye to them at the gate of the restaurant.

Tang Cao is not happy again. He asks, “Why don’t you go with us? Floating river lanterns here is very effective. You don’t even have a boyfriend now. Why not pray to have more pursuers?”

“Because I prayed yesterday.” Fang Diandian rolls her eyes at him and says, “If I pray many times, Bodhisattva will feel annoyed.”

“You... You’ve prayed?” Tang Cao stammers, “What did you pray? Did you really pray for more pursuers?”

Fang Diandian nods her head fiercely, “Almost! You also suggested me like that just now, didn’t you?”

“I mean...” Tang Cao is like a cat that is stepped on its tail. He complains, “You never listen to me. Why do you listen to this time?”

Fang Diandian shakes her head, “What do you want? You always chatter interminably like an old lady. Tang Cao, do you have an early menopause?”

Tang Cao is so mad and still wants to refute. But Fang Diandian has waved her hand and gone away with Tang Duo. Looking at her happy figure, Tang Cao’s face turns dark slowly.

“Elder Sister, let’s float river lanterns!” Chen Xiaopang says and buys a lantern from somewhere. He plans to pray to be energetic after sleeping with two women.

Tang Cao grabs him, “Why do you float river lanterns? It’s a superstition. Bodhisattva won’t bless a beast like you.”

“F\*\*k, Tang Cao, let me go! Where are you taking me? No! Police...”

Tang Cao puts his arm on Chen Xiaopang’s throat and drags him away.

“Why is my uncle angry?” Gungun doesn’t understand.

Tang Duo touches her son’s head and says, “Ignore him. Let’s go to float river lanterns.”

She seems to have a deep obsession with floating river lanterns. Lang Ruoxian supports her all the time. When writing on the lanterns by the river, he also writes a sentence seriously. Then they make lanterns float on the river.

“Wuyou, you’d better dress like that next time!” Gungun points to the girl who dresses Han-style clothes not far away. Then he says, “She’s good-looking.”

Tang Duo sees that there are many young girls in Han-style or ancient clothes and photo studios are taking pictures for these girls. This kind of physical scene is much lively than the background cloth in the studio. Behind them, different shapes of festive lanterns are floating on the river. At the end of fireworks and lotus lanterns, mountains seem to smile in the distance.

“Lang Ruoxian!” Tang Duo can’t help throwing herself on him and sighs, “How handsome you are!”

Lang Ruoxian hug her in his arms. She is also the most beautiful woman in his eyes. The atmosphere now is really romantic. He stares at Tang Duo smilingly and asks, “Have you made a decision?”

“Yes.” Tang Duo naturally knows what he means. She says, “You like me so much and we have three children. Besides, you are so good-looking and rich. So I will continue to be your wife! You are right. Even if I can never remember the previous years, you will help me create more memories about us in the future.”

She has no reason to be indifferent to such a man. Since she loves him, she will let him stay with her.

“Hua...” Lang Ruoxian embraces her tightly and says, “Thank you.”

His voice is gravelly, but drowns out the sounds of fireworks around them.

“Well, it really happened that I could only hear your voice in the world!” Tang Duo praises herself, “It’s real that you are my true love.”

Lang Ruoxian laughs, “Well, my true love. Shall we go back?”

“But I’m not sleepy.” Tang Duo looks at her watch and says, “I’ve fallen asleep in the afternoon.”

The man’s eyes suddenly become deep, with only her silhouette inside. He says, “We can do something else.”

“...” Why does she feel so exciting?

After thinking for a moment, Tang Duo says frankly, “OK! Let’s go back.”

“It seems that Lulu’s lantern has sunk.” Gungun always pays attention to the festive lanterns. Gungun touches the dog’s head to comfort it, “You must pray to eat more snacks every day. So the Bodhisattva refuses you.”

“Woof...” Lulu howls.

At the same time, the lantern with a few dog’s paw prints on it finally sinks to the bottom of the river.

“Gungun! Wuyou! We’ll go back.” Tang Duo calls them.

Gungun looks at his lantern and asks, “Mom, what if our lanterns sink after we leave?”

“It will sink sooner or later even if you are here.” Tang Duo tells him, “All the lanterns will sink at last, but Bodhisattva has heard our wish.”

Gungun ponders for a while and feels the characters he wrote on his lantern are too small. He is afraid that the Bodhisattva can’t see them.

“The Bodhisattva does not look with eyes, but with his heart.” Tang Duo squats down and looks at her son. She says, “Gungun, you should remain true to your original aspiration. One day your wish will come true.”

Gungun looks at Wuyou who nods her head.

“Okay! I see. Let’s go back!”

Lulu seems to think that only its own lantern sinks. So it refuses to leave when passing by the stall selling river lanterns. So Tang Duo buys a new one for Lulu and hangs it on dog’s body.

Lulu finally runs forward happily with its four limbs. Gungun follows it and asks it to run less slowly.

“Good night, Mom!” Wuyou says. She grabs Gungun to go to the second floor as soon as she enters the yard.

Tang Duo wanted to follow them and made them take a bath and go to bed. But Wuyou says, “Mom, you’d better accompany Dad! He has a strong androgen smell in his body.”

“...”

What the hell? What's the smell?

Tang Duo is shocked seeing two little kids and a dog going to their room. She turns to ask Lang Ruoxian, "Did I just misheard?"

"You know Wuyou's nose is sensitive." Lang Ruoxian is not embarrassed to be seen through by his daughter. He says, "Since she has reminded you, we should go back to our room quickly."

Tang Duo has a bad premonition, which finally becomes true when she is hugged by him and sleeps with him. Then he holds her to take a bath. Tang Duo finally realizes that a man who has suppressed sensual passion for a year is so crazy.

"I'm sleepy." She says seriously.

Lang Ruoxian holds her out of the bathroom, and hugs her again as soon as she lies in the bed. Tang Duo feels him so sly. He is clear about the sensitive parts of her body and even knows her body better than herself.

When Tang Duo is allowed to sleep, she casts a glance at the clock on the wall. It has been five o'clock in the morning!

"Don't ask me to eat. I'll sleep until I wake up naturally." She kicks Lang Ruoxian a few times and closes her eyes to sleep deeply. When she wakes up, the clock on the wall shows it gets to after 1 p.m...

Tang Duo kneads her waist and gets out of bed, feeling that her legs are so numb.

"Is Mom awake?"

"We'd better not enter into the room. Dad will be angry if we wake Mom up by noise."

"Woof..."

"Lulu, don't bark, or you will be stewed into a dog pot."

While brushing her teeth, Tang Duo happily hears Gungun's muttering outside. After cleaning her up, she opens the door and goes out.

“Mom?” As soon as Gungun sees her coming out, he immediately shouts out, “Dad! Mom is awake.”

Lang Ruoxian comes in from the outside with his mobile phone. He looks at Tang Duo with extremely hot eyes. Tang Duo is not shy at all. She raises her hand and says hello to him. Then she asks, “I’m starving. Have you eaten yet?”

“We had rice balls this morning.” Gungun shouts, “The rice balls here are so big and there are so many fillings in them!”

Lang Ruoxian touches her hands to make sure she is warm, and then says, “I haven’t eaten. I want to wait for you to eat together.”

“Then let’s go to eat quickly!” Tang Duo puts on her coat and says, “We can play for a bit after eating and go home before six o’clock.”

Today they go to another small restaurant. Tang Duo begins to think of her younger brother after she orders dishes and eats for a while.

“Where’s Tang Cao?”

“Uncle went back at noon.” Gungun says, “He seems to be in a hurry.”

Tang Duo frowns, “Didn’t he stay with Diandian?”

Gungun shakes his head. He doesn’t know.

“No.” Lang Ruoxian blows to cool the fish soup for Tang Duo and says, “Fang Diandian and her classmates go to sketch outside the ancient town today.”

“This guy...” Tang Duo murmurs. Knowing that Tang Cao is still alive, she stops worrying about him.

After dinner, the family go to visit another two scenic spots. Then it is getting darker. But they don’t return until the shop selling steamed stuffed buns opens and they buy some buns there. When they arrive home, it’s just in time to have dinner. Tang Duo isn’t hungry. So she hugs the twins and plays with them.

“Mom, hasn’t Tang Cao come back?”

Bai Susu asks questioningly, "Is he back? I thought he played happily so that he stayed there. By the way, why did he suddenly go to find you yesterday?"

"He didn't come for us." Tang Duo smiles meaningfully. Then she tells her mother the story about Fang Diandian.

Bai Susu looks gratified, "He finally understands it."

"Mom, you think so well." Tang Duo pouts, "In my view, it will be a long process!"

Tang Cao and Chen Xiaopang are in a private room of a clubhouse now. Chen Xiaopang is playing PUBG with others in his phone. Tang Cao also holds his phone, but he is reading a novel.

"Are you sure women will like the story?" Tang Cao tries not to spit himself out. He just now read a novel called *The Pregnant Substitute Bride Runs Away*, which makes him disgusted by its hero and heroine.

"I don't believe Fang Diandian will like this setting." Tang Cao throws his phone away and seizes Chen Xiaopang by the throat. He asks, "Do you deliberately frame me?"

Chen Xiaopang is killed in the game. After he and his teammates scold each other for a while, he puts down his phone and asks in reply, "How do you know Diandian doesn't like it? How many times have you been in love?"

"...Never."

"That's it!" Chen Xiaopang says proudly, "You don't know what girls like at all. You even just knew that you like her, which shows you are so obtuse."

Tang Cao shrinks himself to the corner and asks, "But it's too theatrical that you let me chase Fang Diandian like the hero in the novel."

Should he learn from those presidents in the novel to find a woman and then take her to provoke Fang Diandian?

"Look, this is the woman I like. We are going to get married."

"I have never loved you. I treat you well just because you look like her."

"Since you left, I found that my world can't live without you. Ah!"

Tang Cao retches. He is so disgusted to think about these lines. He will never learn that.

“...Is that the case in those books?” Chen Xiaopang is also surprised.

“God, you never read them. How dare you let me learn it?”

### **Chapter 354 Is She...Pregnant?**

They have a fight and then stretch out on the sofa.

“Well...” Chen Xiaopang moves a little and asks, “Do you really like Diandian and want to marry her?”

“Nonsense!” Tang Cao scoffs, “Do you think I am like you? You are just a stallion.”

Chen Xiaopang tuts, “You don’t understand that being a stallion is as happy as a fairy! But I don’t joke with you. We are so familiar with Diandian. If you don’t really like her, don’t express your love to her.”

“Otherwise, if you regret to like her, I, your sister and mother will beat you to death.”

Tang Cao continues to scoffs him, “Do you think I am like you? I’m going to marry Fang Diandian.”

“That’s great, buddy!” Chen Xiaopang pats Tang Cao on the shoulder and says, “In my view, you don’t need to make any plans. You can ask Fang Diandian straightly if she wants to marry you.”

“Ha! I won’t listen to you anymore.” Tang Cao sneers, “You haven’t been in love, either. Besides, why should I profess my love first? Fang Diandian will be happy when she knows I like her, right? I’ll wait for her to express her love to me.”

Chen Xiaopang looks at him as if he sees a fool.

“Why do you look at me like that?” Tang Cao says with a positive face, “Let’s see. Fang Diandian must jump up happily if she knows I like her. We don’t need to express our love to each other at all!”

Chen Xiaopang picks up his mobile phone.

“What are you going to do?”

“Since you can handle it, I’ll continue to play computer games.”

Anyway, you will cry in the end, Chen Xiaopang thinks.

“Should I take the contraceptive drugs?” Tang Duo asks after taking a bath, “Yesterday is not a safe period.”

Lang Ruoxian dries her hair and says, “No. I was ligated.”

“...When did you do that?” Tang Duo is shocked.

“At the end of last year.” Lang Ruoxian lets her sit down and says, “We have four children. It’s enough.”

Tang Duo looks at him with a complicated expression. She says, “Aren’t you afraid that I refuse to be with you? At that time, you will...”

“It won’t happen.” Lang Ruoxian stares at her and says, “You can only be with me.”

Look! He becomes insane again. Tang Duo sometimes feels that if she doesn’t promise Lang Ruoxian, something bad will happen. She has a strong desire for survival.

At the end of the month, Hua Yan gets married. Local TV station reports it extensively. Hua Zhong calls Tang Duo in advance.

“I won’t send you invitations. Your family won’t come anyway.”

It’s true. Tang Duo doesn’t care whether Hua Yan gets married or not. She just wants to know the attitude of Hua Family towards Tang Ming. So she asks, “Does your younger sister return to live in my eldest uncle’s house?”

“Yes.” Hua Zhong smiles, “You reminded me that Tang Ming had a woman outside.”

Tang Duo says, “Oh. If he married that woman, he would have a son in the future.”

“Hua Family won’t let that happen.” Hua Yan tells her frankly, “You will know later.”

After hanging up the phone, Tang Duo raises her eyebrows towards Bai Susu and says, “It’s just like what Ruoxian said. We don’t need to take actions.”

“Are you and Ruoxian together again?” Bai Susu asks. She finds that the atmosphere between them is different these days.

“Yes.” Tang Duo nods, “Don’t you like it?”

Bai Susu hugs her, “I’m very happy. Now you get your true love. Only Tang Cao doesn’t get married. I will have no wishes when he marries Diandian.”

“They’re still young. Don’t be urgent.” Tang Duo doesn’t think her foolish younger brother will get married soon.

Bai Susu’s phone rings. It’s the hospital that asks Tang Yao to check again.

“What happened to Dad?” Tang Duo is stunned. The whole family had a physical examination a few days ago. Does Tang Yao’s body have any problems?

Bai Susu hangs up the phone and says, “The doctor said he was fine, but he needs to have another blood test.”

“I’ll accompany Dad.” Tang Duo looks at her watch and says, “We’ll go now. If everything goes on well, we will pick up Gungun and Wuyou from school when we come back.”

Tang Yao is still having afternoon tea with his friends. Tang Duo contacts him and then picks him up in the restaurant.

“My dear daughter, do I have any serious disease...” Knowing that he is going to check again, Tang Yao is so nervous and asks her all the way.

Tang Duo comforts him all the time. When they arrive at the hospital, the doctor says that it’s not a big deal. There is just a little problem in the liver examination, which should be checked again. But the doctor’s words don’t relieve Tang Yao. After his blood sample is sent to the laboratory quickly, the father and daughter wait on the terrace outside.

“That girl looks familiar!” Tang Yao suddenly looks at the elevator and says.

Tang Duo looks there and says in surprise, "It's Ning Lingshan."

Ning Lingshan looks ill. She is walking toward the department of gynecology with her pale face.

"Dad, stay here to wait me. I'll go to see her."

"Okay!"

Tang Duo isn't curious. But she remembers that Fang Diandian said that Ning Lingshan looked terrible when she asked her who gave her the bag. Ning Lingshan goes to the office of the director of department of gynecology. A few minutes later, a nurse accompanies her to the Color Doppler Ultrasound Room nearby.

Another few minutes later, Ning Lingshan goes out so happily. Tang Duo hides behind the pillar and sees that she has a piece of paper in her hand. Although Tang Duo can't read its characters clearly, she is sure it's a picture of four-dimensional color Doppler ultrasound.

"God..." An idea flashes into her mind.

Is Ning Lingshan pregnant?

When Ning Lingshan comes out of the doctor's office again, she has a bigger smile in her face. After her leaving, Tang Duo stops the nurse who accompanied Ning Lingshan just now.

"Nurse, is my friend still in there?"

"Who is your friend?" The nurse asks. She thinks Tang Duo is a star as she sees such a beautiful woman.

Tang Duo smiles, "Ning Lingshan. I came with her and made a phone call just now. But now I can't find her."

"I know her!" The nurse points to the exit and says, "She's gone."

"She's gone? Is she all right?"

"Yes. She is fine. But she's a little thin, which is bad for her fetus. You should advise her to eat more."

Tang Duo thanks her. But her face changes as soon as she turns around.

When she goes home, she doesn't tell them about it. But she tells Lang Ruoxian in the evening.

"Go to find out how long has she been pregnant and who is the father."

Seeing her solemn look, Lang Ruoxian frowns, "Do you doubt that the child's father is Tang Cao?"

"It seems to be impossible." Tang Duo is also confused, "But it's so coincident that she is pregnant after two months later."

The couple keep silent for a few seconds. Tang Duo thinks of something and asks him, "Is it possible that men are too drunk to remember sleeping with women?"

"People's constitution is different, but I know it will happen to some persons." Lang Ruoxian says. Seeing Tang Duo looks more worried, he hugs and comforts her, "But Tang Cao said that they all wore clothes when waking up in the hotel that night."

Tang Duo thinks it is a conspiracy. She asks, "Did Ning Lingshan dress Tang Cao in the end?"

"It's impossible in theory." Lang Ruoxian explains to her, "The weight of a man's body is very heavy when he is drunk. According to the heights of her and Tang Cao, it's very difficult for her to wear pants for him. But..."

"But what?" Tang Duo asks nervously.

"If she has planned it from the beginning to the end, she doesn't have to take off his pants to..." Lang Ruoxian pauses for a while and then says, "Or she has some helpers."

Tang Duo covers her mouth. It'll be terrible if Lang Ruoxian is right.

"But... Is she crazy? Why did she do that?"

Lang Ruoxian pats her and says, "It's not the time to be anxious. We just assume it. Maybe she suddenly has a boyfriend and they have a child. I'll ask Shu Sheng to check it."

A few days later, however, Shu Sheng finds out that Ning Lingshan has no boyfriend and she even has no male friend in the past two months.

“That is to say, the only man she contacts is Tang Cao. They spent a night in the hotel.” Tang Duo says. She has been worried for a long time. But now she is not so nervous when she knows the result.

Lang Ruoxian says, “There is at least half the possibility that the child belongs to Tang Cao.”

“Does she want to marry Tang Cao? Does she like Tang Cao?”

Tang Duo remembers how Ning Lingshan looked at Tang Cao. But she doesn't find there is something strange or love in Ning Lingshan's eyes...

“Maybe we misjudged her at the beginning.” Lang Ruoxian says, “After being rescued by Tang Cao and Xiaopang, she might have begun to plan it.”

Marrying into a rich family is her only chance to change her fate and to turn from sparrows to phoenixes.

“She also knows that Tang Cao doesn't like her, so she keeps looking for opportunities.” Lang Ruoxian continues to analyze, “After all, she has little chance to drink with Tang Cao and get drunk.”

Suddenly, Tang Duo says happily, “Fortunately, Tang Cao finally knows that he likes Fang Diandian. Otherwise, if he is really the father of Ning Lingshan's child, he might marry that woman.”

Marriage without love is doomed to be tragic. Tang Duo can't accept the fact that her younger brother's life is like that.

“What can we do now?” She looks at Lang Ruoxian pitifully.

Lang Ruoxian touches her face and says, “Let's ask Tang Cao first. After all, it's his business.”

“Do you want to talk with me now?” Tang Cao asks. He is waiting for Fang Diandian at the gate of her school. He waited for many days but Fang Diandian never found him. He can't wait any more. Today is the weekend when Fang Diandian will go home, so he plans to encounter her at the school gate.

But Tang Duo asks him to go home immediately.

“What’s the matter? I’m picking up Fang Diandian!”

In the end, Tang Duo allows him to go home as soon as he sends Fang Diandian home. When Tang Cao hears it, he understands his sister must have something important to tell him. So he gives up his love and turns around to drive home.

As Fang Diandian comes out of the school, she sees the back of Tang Cao’s car.

“It’s strange... Why did he come here?” Fang Diandian is curious in her heart. When she is going to ask Tang Cao in WeChat, someone behind her is calling her.

Fang Diandian turns her head to have a look.

“Lingshan?”

Ning Lingshan stands a few steps away and smiles at her. Fang Diandian walks close to her and asks, “Why do you stand at the gate of our school?”

“I come to see you!” Ning Lingshan smiles, “Well... Do you have time now?”

“Yes. I’m on my way home! I’m free now.” Fang Diandian observes her for a while and says, “You seem to be thin and your face is pale. Are you sick?”

### **Chapter 355 Tang Cao is Scared to be Silly**

Tang Cao runs home hurriedly. He shouts as soon as he enters the house, “Sister! What’s the matter? Are you going to divorce my brother-in-law?”

“...Why? Do you really want us to divorce?” Tang Duo walks out of the kitchen and rolls her eyes toward him, “If you have guts, you can say that when Lang Ruoxian is at home.”

“I can’t do so.” Tang Cao shamelessly leans in, “How can I offend Brother Ruoxian who grasps the economic lifeline?”

Tang Duo laughs at him, "You are just loquacious! After hearing what I say, I will see whether you will still be loquacious."

"Then you go ahead!" Tang Cao slumps on the sofa.

Tang Duo kicks him, "Follow me to go upstairs."

"What is it on earth?" Tang Cao is even more curious, "And you hide it from Mom and them."

Tang Duo ignores him. They go to the baby's room to see the sleeping twins first, and then they go to the balcony on the second floor.

"Tang Cao..." Her voice lets Tang Cao quiver.

"Sister, please speak quickly. Stop beating about the bush."

Tang Duo says, "Ning Lingshan is pregnant. Do you know?"

"What?" Tang Cao is stunned, and then he asks with a surprised expression, "It is not a big deal that she is pregnant, but when did she have a boyfriend..."

Seeing that he has not yet understood the situation, Tang Duo tells him directly that Ning Lingshan had no boyfriend. The only man she contacted in the past two months is Tang Cao.

"...Sister, what do you mean?" Tang Cao finally finds out something is wrong. The pupils grow bigger and bigger, and his eyeballs almost fly out, "Do you suspect that the baby is mine?"

Tang Duo gives him an expression that he finally understands.

"How can it be possible?" Tang Cao jumps a few times like a startled rabbit, "I said that we were all drunk that day at the hotel and nothing happened. When we woke up in the morning, our clothes were neatly put on. And when I woke up, I still slept on the carpet."

"Are you sure that you remember what happened when you were drunk?"

Tang Cao is speechless.

"I should... Should remember..." He is somewhat unsure.

When Tong Yue played with them before, he dealt with the aftermath of drunkenness each time and threw Tang Cao and Chen Xiaopang into the hotel. The two would snore loudly in their sleep through the night. Later, in the years when Tang Duo disappeared, Tang Cao seldom drank, let alone got drunk.

After Tang Duo came back, he and Chen Xiaopang began to live a dissolute and free life again. Tong Yue basically did not play with them because he had Su Tian. Both of them were more restrained and would not get too drunk like dead dogs. There was always one person who was soberer and dealt with the aftermath. Of course, it was usually Tang Cao.

“I’ll ask Tong Yue.” Tang Cao is in a cold sweat and calls Tong Yue immediately.

When he asks what his reaction was when he was drunk, Tong Yue says flatly.

“Sleep. You are much cuter at that time than when you are awake.”

Tang Cao says, “...Had I done something else? Then when I woke up from alcohol and forgot?”

“No.” Tong Yue says slowly, “But you really didn’t remember what had happened after you woke up from alcohol. Several times you even hugged Xiaopang to sleep. It was I that separated you two.”

Tang Cao is speechless.

Since the phone uses hands-free, Tang Duo hears all about it. Tang Cao is so scared that he is unconscious. Tang Duo explains to Tong Yue and hangs up, “Wake up. It’s not time to faint.”

“That night, did I really...” Tang Cao frantically pulls his hair and turns several times on the spot, and then he feels something wrong.

“No!” He opens his mouth, “If something really happened, how could we wake up the next day and find everything in order? Also, if I didn’t know it, it was OK. But Ning Lingshan should have known what had happened to her body...”

Tang Duo rolls her eyes, “What if she volunteered or even took the initiative?”

“...F\*\*k!” Tang Cao is shocked and jumps a few more times, “So she had been coveting my body, and then deliberately got drunk with me.”

“What is the value to covet your body?” Tang Duo says grumpily, “If this is true, what she covets is your identity as the Second Child in Tang Family.”

There is a silence of moment between the sister and the brother. They look at each other and don't know what to say.

After a long time, Tang Cao cries loudly, “If this is true, then... What shall I do? It is impossible for me to marry her, for I like Fang Diandian.”

“Nonsense!” Tang Duo hits him, “Stop crying. Of course you can't marry her. What did she think of our family? There are many girls who want to marry into a rich family by this means. How many successful ones have you seen?”

Tang Cao thinks, but there is few. He feels more confident, “Then what should I do now, sister...”

“Let's make sure one thing whether the child is yours or not.” Tang Duo repeats what Lang Ruoxian told her this morning, “If so, make sure of her purpose.”

“Didn't you say that her purpose was to marry me?”

“Not to marry you but to marry into our family.” Tang Duo looks at him, “Not necessarily. What if she just wants money and wants a lot of money from us by using her child as trading goods?”

Generally, women who want to design this mostly aim at the latter. Because they know in their hearts that rich families are not so easy to marry into. Isn't it better to exchange a child for money that can be spent for a few lifetimes?

“The question now is, no matter what she wants, if the child is really yours, our family can't disown. But how can you explain it to Diandian? Do you think that she will still like you if she knows that you have a child with another woman?”

Tang Cao's face turns pale. Is his love going to be ended before it starts?

“Diandian is not that kind of person.” Tang Duo gives him another blow, “You don't think that you can take any chances. You think you love her and just let

the child stay. Diandian's parents won't let their daughter to be a stepmother. Diandian's parents don't think our family to be uncommon."

They have known Fang Diandian for so long. Fang Family's attitude has been very clear. They have never taken the initiative to build the connections with their family. Tang Duo believes that Fang Diandian's parents are even unwilling to marry Diandian to Tang Cao. They prefer to choose a suitable match for their daughter so that she will not be bullied later.

"Then we mustn't let Diandian know that!" Tang Cao looks like being in a state of utter stupefaction, "If this can't work, I'll ask someone to lock up Ning Lingshan."

Tang Duo sees that he becomes silly and shakes her head, "Are you going to lock her up forever? Besides, there is a child involved. If Mom knows, it is impossible for her to disown the child."

The old people in the family will disown Ning Lingshan, but they cannot disown the child of Tang Family.

"Don't panic first." Tang Duo feels if she doesn't say anything, Tang Cao will be scared to death, "We have said so much, but if we are wrong, and the child is not yours..."

Tang Cao looks at her with red-rimmed eyes. Tang Duo can't say any more. Obviously, both of them think Ning Lingshan is probably pregnant with Tang Cao's child.

Fang Diandian parks the car, "Don't be frightened. I'll accompany you in later."

"Diandian..." Ning Lingshan looks worried, "You say, will I be fine?"

"Don't frighten yourself." Fang Diandian helps her out of the car, "Didn't you say that you hadn't had a good rest recently? Maybe it has something to do with this."

Ning Lingshan meets her today to ask about the situation of newly recruited nurses in her university's infirmary. Ning Lingshan sees it online and wants to come to have a try. It is just about dinner time, so Fang Diandian finds a small but clean and beautiful restaurant near the university, preparing to chat while eating.

But Ning Lingshan vomits soon after the first dish is served. Fang Diandian is startled to almost think that there is something wrong with the dish. Later Ning Lingshan can't stop vomiting. Both of them feel serious, so she drives directly to the hospital.

"Which department should you make a registration?" The two girls stand in the registration office and hesitate.

Ning Lingshan thinks, "The Gastroenterology Department?"

"It should be." So they go to make a registration in the Gastroenterology Department and make a reservation with the expert clinic.

Fang Diandian has brought Ning Lingshan to a private hospital. Although it is a little expensive, they can see the doctor immediately. If they go to a public hospital, they can't even make a registration.

The expert presses on Ning Lingshan's belly for a long time and asks her if here hurts or there hurts. Ning Lingshan says that nowhere hurts and asks the reason for vomiting. The doctor ponders for a few seconds.

"I suggest you go to the gynecology department." He stares at Ning Lingshan's belly and says, "Have an ultrasound examination."

Both girls are stunned.

"Doctor... What do you mean?" Fang Diandian asks.

The doctor smiles, "This lady may be pregnant."

Tang Duo and Tang Cao, whispering upstairs for a long time, which arouses Bai Susu's suspicion. She goes upstairs to see what they are doing. As soon as she comes up, she sees Lulu come out of the twins' room and bark at her.

"Do An'an and Lele wake up?" Bai Susu changes direction and enters the baby's room.

Tang Duo and Tang Cao just come out and get startled to see the back of their mother. Tang Cao sneaks downstairs stealthily.

"Sister, don't forget to let Brother Ruoxian investigate quickly!" When he leaves, Tang Cao repeats this again.

Tang Duo makes a gesture of reassurance, "You don't forget, either. If Ning Lingshan doesn't take the initiative to say it, you will pretend as if you don't know anything. Remember?"

"I remember! I remember!"

Hospital.

Fang Diandian looks trance, sitting in a chair. Ning Lingshan is having the ultrasound examination inside. Fang Diandian feels uneasy at the thought of the doctor's suspicion, but doesn't know why.

Just now when the doctor said that Ning Lingshan might be pregnant, Ning Lingshan's expression was very strange. It was not like a happy surprise but like a shock. After Ning Lingshan came out, Fang Diandian quietly asked if Ning Lingshan had a boyfriend. Ning Lingshan's reaction was stranger.

"No... No!" Ning Lingshan was very nervous. She squeezed out a smile and said, "I have few male friends. So I don't have a boyfriend. The doctor must have made a mistake. I... I don't need to have the ultrasound examination. I can't be pregnant. Let's leave!"

It was Fang Diandian who insisted and took the initiative to pay the fees. Ning Lingshan went in and checked in fear.

A few minutes later, the nurse sends Ning Lingshan out.

"It is just 30 days old. You should pay attention. If you have severe pregnancy vomiting, come to see the doctor again."

Fang Diandian looks at Ning Lingshan, but Ning Lingshan evades Fang Diandian's eyes and lowers her head.

"Are you really pregnant?" Fang Diandian asks.

The young nurse doesn't know the situation and rushes to say, "Of course. Four-dimensional color ultrasound can't be wrong. There! She's got the lab report in her hands."

"Lingshan..." Fang Diandian wants to say something but thinks that this is not the proper place, "Let's go." She stretches out her hands to hold Ning Lingshan, eyes sweeping the lab report in Ning Lingshan's hands.

If you find any errors ( broken links, non-standard content, etc.. ), Please let us know via our discord so we can fix it as soon as possible.

Chapter 356 That's Scum!

When they go back to the parking lot, Fang Diandian finds Ning Lingshan still looking distracted. She asks while helping Ning Lingshan open the car door.

“Now that everything is confirmed, do you want to tell the child’s father?”

Ning Lingshan gets into the car and her eyes become even more worried, “No... Needn’t!”

“...” Fang Diandian starts the car to leave the hospital. There must be something wrong with Ning Lingshan’s reaction. Although they have eaten and played for several times, they are not very close friends. Fang Diandian doesn’t know how to ask.

After a while, Ning Lingshan breaks the silence actively, “Diandian, can I trouble you for one thing?”

“You go ahead.” Fang Diandian glances at her.

“It’s about my pregnancy. Can you please help me keep it a secret?”

Fang Diandian frowns, “Lingshan, who is the father of the child after all? Why do you seem so scared?”

“I... I can’t say.” Ning Lingshan bites her lip, “It was an accident. I didn’t take emergency contraceptive because of my own carelessness.”

“But you are pregnant now. No matter what you say, you should tell the man. After all, the child is not your own business...” Fang Diandian advises her. She whispers in the mind whether the man is married...

Ning Lingshan seems to know what she is thinking and says nervously, “I didn’t break up other people’s family. I’m not a bad woman.”

“Then what are you worried about?” Fang Diandian asks curiously, “Even if it was an accident, the child is real. Or do you dislike him?”

“It doesn’t matter whether I like him or not.” Ning Lingshan lowers her head, “It is impossible for us. It is impossible for him to like me. His family won’t let him marry me.”

After saying this, Fang Diandian understands a little bit more, “So you think that he won’t marry you because you are not matched for marriage?”

“...Don’t ask me, Diandian.” Ning Lingshan squeezes a smile at her and says, “You must help me keep it a secret anyway. I will deal with it myself.”

“How do you handle it?” Fang Diandian sighs, “Do you still want to change your job and go to work with a big belly in a few months? Wait a minute, since you think it is impossible for you and the man to be together, do you still want to have this child?”

Ning Lingshan clutches her hands and looks out of the window with a pale face, “I haven’t thought about it yet.”

“You want to have it...”

If not, she will abort as soon as she knows it.

“I... I don’t know.” Ning Lingshan cries, “I want to keep the baby, but I’m afraid I can’t take good care of him. But let me abort, I... I can’t be ruthless.”

Fang Diandian sends her to the entrance of the hospital dormitory, “You have to figure out quickly. You see that you are still living in the dormitory now, and other people will know it when you have a big belly in a few months.”

Ning Lingshan nods and thanks her again after getting out of the car. Fang Diandian waves her hand, “Do you have enough money to spare?”

“I have enough money!” Ning Lingshan says quickly, “Thank you.”

“You are welcome. If you have difficulties, you must say it.” Fang Diandian reminds her, “And you have to figure out about the matter of child quickly.”

“Well, I see. Goodbye!”

Watching Ning Lingshan enter the dormitory building, Fang Diandian is about to start the car when she receives a phone call from Tang Cao.

“Diandian, where are you?”

She doesn’t know if it’s an illusion. Why does the man on the other side of the phone sound a little cautiously...

Fang Diandian shakes her head, "I am here in Modern Hospital."

"Why do you go to the hospital? Are you sick?"

"No, I send Ning Lingshan back." As Fang Diandian finishes speaking, she hears a series of clatter on the other side. A few seconds later, Tang Cao's voice comes through in panic.

"Why do you send her? She went to meet you?"

Fang Diandian feels that Tang Cao acts even more oddly, "Yes, how did you know that she came to me? What happened to you?"

"I'm fine." Tang Cao hangs up the phone suddenly.

Fang Diandian blankly looks at her mobile phone. A few seconds later, she starts the car and directly drives to the intersection to wait for the traffic light. Tang Cao calls her again.

"What's the matter?" Fang Diandian says grumpily.

Tang Cao laughs wryly, "The mobile phone ran out of power just now."

"How interesting..." Fang Diandian doesn't believe him, "All right, you can say why you call me. I have to drive."

"Then you drive first. Are you going back to the university?"

"Go home."

"Then come out for dinner tomorrow?" Tang Cao asks.

Fang Diandian thinks that she will not be busy tomorrow, "OK. Where shall we have the dinner?"

She also won't be self-sentimental to think that Tang Cao is asking to date with her. Definitely not only the two of them will attend this kind of dinner party, but Chen Xiaopang will also be there at least.

As expected, the next day when she enters the private room, she sees a table of people. In addition to Chen Xiaopang, there are three other rich second generations, each of whom is with a young girl.

“Diandian comes!” Chen Xiaopang takes the lead in greeting.

Fang Diandian waves and naturally sits between Chen Xiaopang and Tang Cao. One of the rich second-generation friends is called Childe Tian. He took a girl abroad to play during the New Year and had trouble in the hotel. The travel agency of Fang Diandian’s family helped him solve the problem.

Therefore, as soon as Fang Diandian takes her seat, he quickly pours the juice enthusiastically for her. Fang Diandian says thanks. Seeing his gaunt face, she asks curiously what is wrong with him.

“He!” Chen Xiaopang shows an expression of gloat, “He wanted to play with others, but was played with by others!”

Childe Tian drinks a glass of wine and says grumpily, “How could I think that the woman played a trick on the condom?”

“What?” Fang Diandian is more curious.

It turns out that Childe Tian’s girlfriend whom he took to play abroad a few months ago is pregnant. She doesn’t tell him until the baby is five months old. It is obvious that she will not abort the child. Childe Tian has to take the responsibility.

“I remember that you seemed to have broken up with her?” Fang Diandian has a little impression on that woman. She is an internet celebrity.

Childe Tian rolls his eyes, “What break up? We are just playmates. It is not unknown to her.”

Fang Diandian is silent. Those rich second generations, who have a good relationship with Chen Xiaopang and Tang Cao, are comparatively more conscientious. They never use sweet words to cheat young girls. They all say clearly in advance that each takes what they need.

In the words of Chen Xiaopang.

“Men can be romantic but not obscene!”

Childe Tian continues to complain, “The girl planned to calculate me from the beginning. Otherwise she wouldn’t have secretly changed the condom in the hotel. She also poked holes in the condom.”

After he finishes saying, Fang Diandian obviously finds that the eyes of the three girls present light up.

She is speechless. Haven't they learned any new skills?

"I sent her a handbag when we returned home, which meant the relationship was over." Childe Tian has another glass of wine, "The girl's attitude was very good at that time. I thought that maybe we could play again in the future since she knew how to appreciate favors."

Ha... He puts the glass hard on the table and says, "I didn't expect it! She waited for this chance!"

Chen Xiaopang is still gloating, "You are stupid enough to give her the chance. You see, I have never had such an accident."

"What are you going to do then?" Fang Diandian thinks of Ning Lingshan. Is this the same situation with her?

"What can I do?" Childe Tian's face darkens, "My mother has known it. I will let the child stay but drive the woman away! Give her a sum of money and let her piss off."

Fang Diandian asks, "Is she willing?"

"Why is she unwilling?" Chen Xiaopang picks his teeth, "Do you think that she really wants to marry Childe Tian? She is not stupid. She knows it is impossible. The child is for trading money."

Childe Tian is suddenly in a good mood and says happily, "But think about it. It is also a good thing. My mother has never urged me to marry since she knows that the woman is pregnant with her grandson. I will still be a free bird in the future."

The people are all talking at once. Chen Xiaopang turns around and feels something is wrong, "I say, why you are two so quiet today?"

"No." Fang Diandian begins to eat, "I am just hungry."

"What about Tang Cao?" Chen Xiaopang looks across Fang Diandian at Tang Cao, "Why are you so quiet today? Did you have nocturnal emission yesterday?"

Tang Cao jumps up as if he has been bitten, “What nonsense are you talking about?”

“My God!” Fang Diandian is startled by him.

Other people also look at him. Chen Xiaopang turns round his eyeballs, “No, I know you too well. There must be something wrong with you. Did you say goodbye to your virginity last night and rush to have a good sex life?”

“Poof!” Fang Diandian spits out the dish she is eating.

Tang Cao pats her on the back and explains urgently, “Don’t listen to Chen Xiaopang’s nonsense. I don’t have slept with any women!”

“Mmm-hmm!” Fang Diandian pushes him aside, “It is OK that you don’t have any. Don’t pat me hard...”

Tang Cao withdraws his hand embarrassedly. Fang Diandian wipes her mouth and squints at him, “But you are really strange today.”

Because he wants to ask Fang Diandian if Ning Lingshan has told her anything. But the occasion is wrong. Even if it is right, he doesn’t dare to ask...

“Have you had enough?” After a while, Tang Cao pokes Fang Diandian.

Fang Diandian is enjoying the meal and squints at him, “What’s the matter?”

Chen Xiaopang also squints at him, “Why do you poke Diandian?”

“...” Why does he think Chen Xiaopang to be such an eyesore today?

“Nothing.” Tang Cao takes a sip of wine and turns his eyes to Childe Tian, “I say, you have had a son. What if the other party doesn’t want to be the stepmother when you want to get married?”

Childe Tian has forgotten about having a son. He is happily holding the girl aside in his arms. He hears what Tang Cao asks and says with an expression of indifference, “My marriage will definitely serve for building connections through marriage, and there is no emotion involved. If she is unwilling, just don’t marry me!”

“What do you think of that, Diandian?” Tang Cao takes the chance to change the subject, “If the man you like has a child with another woman, will you still like him?”

Fang Diandian is stunned and then thinks carefully for a moment, “If they really love each other, I wish them endless happiness.”

“What if that is also the case with Childe Tian?” Tang Cao asks hastily.

Fang Diandian sneers a few times, “That’s scum!”

Tang Cao almost cries.

“No, what happened to you today?” Fang Diandian puts down her chopsticks, “Is there something wrong?”

Chen Xiaopang also looks at Tang Cao suspiciously, “There must be something wrong with him!”

“What’s wrong with me?” Tang Cao puts aside his grief and changes the subject with pretended calmness, “By the way, Diandian, don’t get too close to the man who is your senior in the university.”

Fang Diandian squints at him, “I originally didn’t get close to him.”

“That’s right, or what if people misunderstand it.”

Fang Diandian looks at Tang Cao and finds his eyes dodging. Suddenly, she feels a little shy in her heart. Does this guy want to express his love to her?

### **Chapter 357 That night...**

Fang Diandian suddenly blushes.

But she hears Tang Cao say, “Why do you still eat? Don’t you have a full stomach? Every time we eat, you eat more than Xiaopang. How can you eat so much?”

“Do you want to say that I am fat?” Fang Diandian has no romantic idea. She feels herself too foolish to have a hope for Tang Cao again. This guy is indeed an idiot!

“I didn’t!” Tang Cao has a wronged expression. He doesn’t dare to offend Fang Diandian. He says piteously, “If you finish eating, I’ll take you home.”

Fang Diandian doesn’t believe his kindness, “You don’t want to see me, do you?”

“I am not! I don’t!” Tang Cao hasn’t already known what to say. Chen Xiaopang seems to have finally realized something. He leans in with laughter and says, “Diandian, let him send you home. He must have something to say to you.”

Fang Diandian is full. Those guys are with girls accompanying and the rest of the activity is certainly not suitable for her. So she stands up and says, “Let’s leave!”

“Give me a ride on the way.” Chen Xiaopang smiles obnoxiously.

Tang Cao wants to stare Chen Xiaopang to death with his eyes. Chen Xiaopang pretends not to see it and gallantly follows Fang Diandian.

When the three leave the room, one of the girls curls her lips and says, “Is that Miss Fang Childe Tian’s friend? Why haven’t I seen her in the circle of celebrities?”

“You haven’t seen many people.” Another rich second generation scoffs.

Childe Tian has drunk a little too much. He hugs the girls and laughs, “Don’t be so curious. The Second Childe Tang doesn’t like to play, so you have no chance. As for Miss Fang, she is his darling. If you offend her, we can’t save you!”

They have been playing with Tang Cao for so many years, but they haven’t seen him fall in love with any girl. But Tang Cao takes Fang Diandian out to play every day. Each time he orders the dishes she likes to eat, although his bark is worse than his bite. They all know that Fang Diandian is definitely unusual in Tang Cao’s heart.

They hear Chen Xiaopang say that Tang Family members also like Fang Diandian, so she will definitely become the Young Mistress of Tang Family in the future...

“Don’t look at me like that!” Chen Xiaopang lights a cigarette and leans against the co-pilot, “It was you who blabbered and didn’t say directly.”

“Nonsense! How could I say when you such a third wheel was here?” Tang Cao watches Fang Diandian enter the housing estate and can’t wait to kick Chen Xiaopang out of the car.

Chen Xiaopang is stunned, “Do you really have something to say? You wanted to express your love, didn’t you?”

“Forget it. Nothing...” Tang Cao thought about it just now. Now it is not the time to express his love.

In case Ning Lingshan’s case is not handled well, Fang Diandian must think that he expressed his love to her because he had made a mistake. His sister is right! He has to settle the matter and then expresses his love to Fang Diandian, or it will be unfair to her.

“What relationship do we have? You have something to hide from me?”

Tang Cao glances around and starts the car to leave, “What can I hide from you?”

“There must be something wrong with you.” Chen Xiaopang looks at his watch, “Go to the bar we often go to.”

“I don’t drink. I want to go home.” Tang Cao now has a shadow over drinking.

Of course Chen Xiaopang doesn’t agree. He struggles hard to pull Tang Cao to go. He opens a private room and begins to interrogate Tang Cao, “You tell me the truth or drink up this bottle.”

“I told you not to drink.” Tang Cao frowns and pushes it away.

Chen Xiaopang’s mobile phone rings. He answers it and says a few words. After hanging up, he glances at Tang Cao, “Tong Yue said that he was coming.”

“Why is he coming here?” Tang Cao asks curiously, “Didn’t he say that something had happened at Su Tian’s school these days? He has been busy helping to deal with it.”

Tong Yue arrives soon and asks Tang Cao as soon as he comes in, "Come on. What's going on?"

"...What?" Tang Cao shows an expression of a guilty conscience, "What's going on?"

Tong Yue sneers, "You asked me about your drunkenness before and your sister was aside to cover for you. I felt there was something wrong. Ning Lingshan is pregnant. Is the child yours?"

"F\*\*k!" Chen Xiaopang jumps up, "Is it so shocking?"

Tang Cao also gets a fright, "How do you know it?"

"I did investigate." Tong Yue glances at him, "Your brother-in-law is also investigating it."

Tang Cao grabs his hand and says, "Have you found anything? Whose child is that?"

"There is no way to prove whose child it is, but the only man contacted Ning Lingshan during the last two months was only you. You two stayed in the hotel all night, so we can only suspect that the child is yours."

Chen Xiaopang curses, "Was it the matter that last time you two were drunk? Didn't you say that you didn't do anything and slept through the night?"

"That's how I woke up!" Tang Cao grabs his hair a few times, "And Ning Lingshan herself said nothing had happened."

Chen Xiaopang curses several times again, and then says with a lucky expression, "Luckily I didn't f\*\*k chase her. This woman is not a little poor thing, but obviously a tiger!"

"You'd better pray that your brother-in-law can find something now, or you will at least have to take the blame until the baby is born." Tong Yue sees Tang Cao's appearance which is like life without love and gives him another blow, "Of course, maybe it's true that the child is really yours."

"It will be known until the child is born for paternity testing." Chen Xiaopang says in a tone of indifference, "Why are you nervous now?"

Tang Cao holds his head in his hands, “But I don’t dare to tell Fang Diandian that I really didn’t do anything that night. If Ning Lingshan had planned it, I am afraid that I...”

“If Brother Ruoxian cannot find anything, I suggest you ask Ning Lingshan.” Tong Yue says, “If she says that the child is not yours, let her sign to show that you have nothing to do with her.”

Chen Xiaopang snuffs out his cigarette, “What if she doesn’t admit it now in order to protect herself? What will we do when the baby is born but it is still Tang Cao’s child?”

“It’s too easy for us to make a baby to disappear, isn’t it?” Tong Yue’s eyes flash across their faces, “I just come here to say that it’s not that bad. The key is Ning Lingshan’s attitude now.”

Tang Cao looks at him blankly, “What if she admits it?”

“Xiaopang just said that she might not admit it in order to protect herself.” Tong Yue frowns, “Forget it. Let your sister ask about this and tell her what I said. Your sister is smarter than you. She must understand what it means.”

Tang Cao returns home with a heavy heart and is called to the study by Lang Ruoxian after supper. Tang Duo and Bai Susu are playing with the twins in the living room. Tang Duo also winks at him, presumably to show that he can go at ease.

“What are you going to do?” What Lang Ruoxian has investigated is similar to what Tong Yue has found. There is no problem with Ning Lingshan’s background. The only breakthrough at present is...

“Since you are not sure, let her speak for herself.”

Tang Cao huddles in the corner of the sofa and nods piteously, “Tong Yue said the same thing, but he said to let my sister go, for fear that I might screw up.”

Lang Ruoxian narrows his eyes and says with disgust, “You are such a big man but still let my wife worry about you.”

Tang Cao thinks: Woo, I’m really sorry for you...

“If you go out to drink again and get too drunk like a dead dog, I will throw you directly into the city moat.” Lang Ruoxian warns his hapless brother-in-law, “Don’t let Mom know about this for the time being. You should behave yourself to stay at home.”

Tang Cao keeps nodding like pounding garlic into pulp. Even if Lang Ruoxian doesn’t warn him, he won’t dare to go out to play. After so many years of playing, he finally has had an accident because of playing. It happened just when he wanted to chase the girl he loves. However bitter he is, Tang Cao even has no place to cry. After that, he behaves himself to stay at home. Bai Susu still wonders why he suddenly behaves himself.

“Ms. Tang, do you look for me for something?” Ning Lingshan sits sheepishly in the private room, nervously looking at Tang Duo opposite.

Tang Duo smiles, “Don’t worry. Wait till you are full.”

Last night she called Ning Lingshan and asked her to have lunch together this noon. Ning Lingshan was very nervous on the phone, but she did not refuse to come with an excuse. Tang Duo obeys what Lang Ruoxian taught her and doesn’t hurry to ask her. She begins to eat slowly.

“The sweet and sour fish here is very delicious. Do you want to have a try?” She pushes the plate.

Ning Lingshan hesitates, but still carefully stretches out chopsticks.

“Forget it!” Tang Duo suddenly raises her hand to stop Ning Lingshan, “Can’t you vomit after eating fish?”

Ning Lingshan’s face turns pale, “Tang... What do you mean, Ms. Tang?”

“You don’t understand what I mean?” Tang Duo puts down her chopsticks, “To be honest, I didn’t expect you to have this kind of thoughts. You lied to everyone. If you didn’t target my brother, I still admire you.”

Ning Lingshan stands up hurriedly and spills the cup on the table. She runs to the door of the private room without taking care of her wet clothes.

“If you walk out of this door, I won’t invite you to dinner next time.” Tang Duo says flatly, “You should know that Tang Family has the ability to make you disappear in Yanjing without being noticed.”

Ning Lingshan walks slowly over and looks up with tears streaming down her face, “Ms. Tang, please let me go! I really don’t want anything. I will go back to my hometown tomorrow and promise never to come to Yanjing again.”

“This is not the solution to the problem.” Tang Duo hands her a piece of paper towel, “I want you to tell me honestly what happened that night after you and Tang Cao were drunk.”

Ning Lingshan looks at her suddenly. Tang Duo smiles, “You’ve been pregnant for a month, and the time is right. It’s easy for us to investigate, so you shouldn’t think to hide anything, which is good for everyone.”

“That... That night we drank a lot of wine and when we entered the room, we couldn’t remember anything.” Ning Lingshan cries and says, “I woke up in the middle of the night and saw Tang Cao sleeping on the ground.”

She was afraid that Tang Cao would catch a cold and wanted to help him to bed.

“I didn’t expect that Tang Cao also woke up. He just hugged me, called me Diandian and pressed me to the bed.” Ning Lingshan bites her teeth and says, “I started to struggle. We both fell to the ground, but I couldn’t break free. His strength was too big.”

After that, it was beyond her control. Ning Lingshan even passed out in the middle, and when she woke up, it was all over.

“I knew that Tang Cao liked Miss Fang, and I had never had excessive demand of anything.” Ning Lingshan wipes her tears, “So I cleaned up the room and made everything look as if nothing had happened.”

Tang Duo silently hears her finish saying. Every sentence makes the bottom of her heart cold. Finally, she holds her forehead and thinks that this is a dead end. Tang Cao, the silly boy is totally finished.

### **Chapter 358 Tang Cao Sees Hope**

Under Ning Lingshan’s repeated assurances, Tang Duo asks someone to send Ning Lingshan back. In fact, Tang Duo wants to stare at her. Now Ning Lingshan can’t leave Yanjing. It’s better for her not to contact others.

After getting home, she asks Tang Cao to her room. Lang Ruoxian is also at home today. They have a meeting.

“What should I do? What should I do?” After listening to Tang Duo, Tang Cao completely breaks down. He still hopes for luck these days but now he is disappointed.

He hugs Tang Duo and cries miserably. Tang Duo doesn't know what to do. She can only pat her unlucky brother to show her comfort. Later, Lang Ruoxian can't bear and picks Tang Cao up.

“You are too heavy. You're pushing your sister.”

“Brother-in-law!” Tang Cao is indignant, “Do you still have sympathy...”

Lang Ruoxian glances at him and says, “You don't deserve my sympathy. Why did you drink with people you don't know? Why were you so drunk?”

Tang Cao is speechless. If he could do it again, even if Ning Lingshan knelt on the ground to beg him, he wouldn't have gone drinking with her!

Tang Duo pulls Lang Ruoxian's sleeve and says, “He's so pitiful. Don't bully him. Think of a way.”

Tang Duo and Tang Cao look at Lang Ruoxian eagerly. Lang Ruoxian ignores Tang Cao. He touches Tang Duo's smiling face and says, “What we know now is Ning Lingshan's one-sided words. We can't guarantee that what she said is true.”

“Yes! Maybe she framed me.” Tang Cao agrees with this idea very much.

Lang Ruoxian looks at him and says mercilessly, “I mean there may be a problem with the process but that child is probably yours.”

It is a bolt from the blue. Tang Cao squats in the corner and cries.

“I think Ning Lingshan dared not to lie about it.” Tang Duo nods. Because when her baby is born, there will be results. Ning Lingshan is not a fool. She won't take other people's child and ask Tang Cao to carry the can. So that child should be Tang Cao's.

“At present, there is no other way.” Lang Ruoxian ignores Tang Cao, who is crying, and says to Tang Duo, “Stare at Ning Lingshan until the child is born... It will depend on Mum’s meaning then.”

If Bai Susu recognizes Ning Lingshan, then Ning Lingshan will be the young mistress of the Tang Family. If Bai Susu doesn’t recognize Ning Lingshan, then the Tang Family will only have another grandson.

“What about Tang Cao...”

Hearing Tang Duo mention him, Tang Cao secretly raises his ears.

“He has no right to choose.” Lang Ruoxian sentences him to death directly, “If he wants to be with Fang Diandian, and the decision will be in Fang Diandian’s hands. If Fang Diandian is willing to forgive him and become a stepmother for his son, he will have no problem.”

It is impossible! Tang Duo and Tang Cao shake their heads at the same time.

“But I like Diandian!” Tang Cao cries bitterly and wants to die.

At this time, Lang Ruoxian’s phone rings. His expression changes after he hears something.

“Did Shu Sheng find anything?” Tang Duo asks in a hurry. She knows that Lang Ruoxian asked Shu Sheng to continue to check Ning Lingshan.

Lang Ruoxian squints and asks Tang Cao, “Do you remember what she did when you met Ning Lingshan in the hospital last time?”

“She...” Tang Cao thinks about it, “She went to Cardiology Department.”

Ning Lingshan’s brother has a serious heart attack. Ning Lingshan used to work hard to make money in order to operate on her brother.

“But isn’t her brother missing?” Tang Duo says strangely, “It’s said that he was abducted by traffickers.”

Lang Ruoxian looks at them, “Yes, her brother is missing. Why did she go to the hospital and tell the doctor to inform her if there is a suitable heart. More than that, Shu Sheng also found out that she usually pays attention to many organ forums at home and abroad. Yesterday she left a message on the forum and talked with netizens.”

“Her brother is not lost.” Tang Duo’s eyes brighten.

Tang Cao also responds, “Then why did she say her brother is lost?”

“It seems we need to talk to her.” Lang Ruoxian glances at Tang Cao and says, “Maybe you will be saved.”

Suddenly seeing a glimmer of hope in despair, Tang Cao is so excited. He immediately goes to Ning Lingshan’s home with Tang Duo and Lang Ruoxian. Ning Lingshan doesn’t live in the hospital dormitory. Tang Duo arranges a small apartment for her. When they reach, Ning Lingshan is obviously crying and her eyes are red.

“Young Master Tang...” She is a little ashamed when she sees Tang Cao.

This is the first time they meet after that. Tang Cao tries to suppress his anger but he fails.

“Ning Lingshan, where is your conscience? I saved you! Without me, you would have been raped by Tang Rui. Later, Xiaopang took you to play with us. Everyone regarded you as a friend. But you even calculated on me.”

“I... I didn’t!” Ning Lingshan looks at Tang Duo as if wondering why she didn’t tell Tang Cao the truth.

Lang Ruoxian sits down on the sofa and says, “We don’t know the truth yet. You don’t have to pretend to be pitiful so soon.”

Ning Lingshan is stunned and her eyes flash, “Then... Why are Mr. Lang and Ms. Tang here...”

“My mother has a classmate who is a famous cardiologist in the world. General heart surgery is easy for him.” Tang Duo suddenly asks with a smile, “Is your brother seriously ill? Will he become a healthy person after the operation?”

Ning Lingshan’s eyes brighten when she hears the cardiologist. But her eyes soon dim again. She lowers her head and whispers, “What’s the use? I don’t know where my brother is.”

“Then why do you look for this information everywhere?” Tang Cao is anxious and blurts out, “Don’t quibble. We found that you pay attention to many forums

in this area and often discuss with others. Besides, you went to the hospital that night. Didn't you also go to the Cardiology Department?"

After hearing these words, Ning Lingshan is obviously afraid. She pretends to be calm and explains, "I... He is missing now but I still hope! In case he comes back suddenly! I've been used to it for so many years. I always search for the information. I promised my grandma that I would take good care of my brother."

"That night the doctor told you that there was a proper heart for your brother and an operation could be arranged. When you got out of the doctor's office, you dialed a number in this city from the hospital's public telephone, which lasted for two minutes."

Lang Ruoxian says faintly, "After that, you cried and left the hospital. Then you met Tang Cao at the door and invited him to go drinking with you."

Ning Lingshan opens her eyes wide. She murmurs and wants to explain. Lang Ruoxian raises his hand and says, "Your brother was not abducted. He was caught, right?"

"You..." Ning Lingshan's body shakes. If she doesn't hold the table, she will fall down.

Tang Duo smiles. She thinks her man is too clever. She stands up and helps Ning Lingshan to sit down.

"Brother-in-law!" Tang Cao runs around the room as if he is crazy, "Brother-in-law, are you a devil? No! You're an angel!"

Lang Ruoxian looks at him and motions him to shut up. Tang Cao sits down quietly at once and waits for the follow-up.

"Ning Lingshan, you have no background. I believe it's true. And that's why it's true that you go to a doctor and look up information on the Internet." Lang Ruoxian glances at the pale woman and says, "I'll give you a chance to tell the truth. If your words satisfy me, I can consider helping you save your brother."

"Really?" Ning Lingshan blurts out but her face is even worse. She covers her mouth and shakes her head desperately, "No... It's not like this..."

Tang Duo frowns, “Don’t you admit it? Would you rather believe a man who threatens your brother’s life than us? Lingshan, how do you think? How has our family treated you for so long? What kind of person is Tang Cao?”

“Speak quickly!” Tang Cao is in a hurry. He wants to shake Ning Lingshan’s neck.

Ning Lingshan says nothing but cries. A few minutes later, she finally raises her head and stares at Lang Ruoxian, “I want you to promise that you will save my brother and operate on him, or I won’t say a word.”

“Okay!” Tang Cao shouts and he is pinched by Tang Duo.

Lang Ruoxian looks at her, “I can help you, but only if you didn’t actually sleep with Tang Cao. Otherwise, I will not help you. I will let you and your unborn child disappear forever.”

“I didn’t sleep with him!” Ning Lingshan shouts immediately.

Tang Cao feels that he sees heaven but the next second he hears Ning Lingshan say.

“Nothing happened to us but the child is his.”

Tang Cao, who just climbed up, falls into hell again. This time, he doesn’t care that Ning Lingshan is a pregnant woman. He grabs Ning Lingshan’s shoulders and shakes it hard.

“What do you mean? Didn’t we sleep? Why is the child mine?”

Tang Duo quickly pulls him back, “Calm down! Listen to her.”

Ning Lingshan cries and tells the whole thing.

A year ago, when she was a waiter in a nightclub, she inadvertently fell in the eye of Tang Ming. Tang Ming wanted to keep her but Ning Lingshan refused. She had her own bottom line. Then she left an impression on Tang Ming probably because of this thing.

“Not long later, I came home from work and found my brother missing. When I was about to call the police, I got a call from Tang Ming.” Ning Lingshan shivers and thinks of the nightmarish voice.

“Miss Ning, don’t worry, your brother is here.” Tang Ming asked her to go downstairs. There was a car waiting for her.

Ning Lingshan didn’t hesitate. She was ready to sleep with Tang Ming once.

“But when I got to the place, Tang Ming told me to find a way to meet the young master of the second branch of the Tang Family.” Ning Lingshan glances at Tang Cao and says, “He asked me to seduce you by any means and then marry you.”

Tang Ming threatens her with Ning Lingshan’s younger brother. If she doesn’t obey, he won’t give her brother medicine and let him die.

“When it’s done, I’ll find a doctor to operate on your brother and I’ll give you a lot of money.” Tang Ming knows that Ning Lingshan’s weakness is her younger brother. As expected, Ning Lingshan had no choice but to promise him.

“At the beginning, Xiaopang and I were designed to help you in the sanatorium?” Tang Cao asks inconceivably, “But at that time your injury was real. You were almost killed.”

Ning Lingshan smiles bitterly, “It was designed by Tang Ming and his son didn’t know it. It was another girl that night. Tang Ming replaced me. As for the injury, how could you believe it if it was not serious?”

If you find any errors ( broken links, non-standard content, etc.. ), Please let us know via our discord so we can fix it as soon as possible.

### **Chapter 359 Tang Cao Can Think Of It As Masturbation**

Tang Cao is far away from Ning Lingshan. It’s no wonder that people say that women are cruel. Thinking that the injury on Ning Lingshan’s body was a deliberate design, he vows not to contact this woman in the future.

“Do you think I’m willing?” Ning Lingshan can’t help saying, “I’m an ordinary woman. I would cry if I fell before that. But what can I do? My brother is in his hands. I can only listen to him.”

There is a silence in the room. A few seconds later, Lang Ruoxian raises his chin and says, “Go on.”

“Later I met Young Master Tang successfully. Tang Ming asked me to seduce you. He said that you are a very conservative person. As long as you have a relationship with a woman, you will be serious. So at first, I wanted you to like me.”

Later Ning Lingshan found that Chen Xiaopang liked her, so she pretended to be timid so as to dispel Chen Xiaopang’s idea.

“However, I found that Fang Diandian also liked you, so I hesitated. You are all good people. If I can choose, I really don’t want to hurt you.” Ning Lingshan sobs in a low voice, “But suddenly there was a message from the hospital that he could operate on my brother. I called Tang Ming to ask him to send my brother back, but he said...”

“Miss Ning, do you remember your mission? You haven’t made any progress for so long. Do you still want to see your brother?”

Ning Lingshan begs him, “Mr. Tang, please let my brother come back for operation first. I will finish the task soon. I beg you...”

“No.” Tang Ming coldly refuses her, “I don’t think it’s possible for you to seduce Tang Cao. No matter what means you use, as long as you have Tang Cao’s baby, I will send your brother back.”

Tang Cao looks at Ning Lingshan nervously, “What did you do on earth?”

“I took your sperm.”

Tang Cao is furious!

Tang Cao jumps up and says, “Ah, so the child is really mine! How can I explain to Fang Diandian? I... I have a child. But I am still a virgin. Wait a minute!”

He stares at Ning Lingshan suddenly, “When you took that, did you...”

“I rubbed you for a while...” Ning Lingshan is afraid to look at him.

Tang Cao takes a deep breath and wants to strangle the woman again.

“Hoo...” Tang Duo is relieved. Tang Cao didn’t make a drunken mistake.

Although there is indeed a child, this process is very important.

“That’s what happened.” Ning Lingshan looks at Lang Ruoxian carefully, “In fact, the possibility of this child’s survival is very small. I think it will die in five months at most.”

Tang Duo is stunned, “How do you know?”

“Because I want to cheat Tang Ming with pregnancy and let him send my brother back. My ovarian attachment rate is very low and the embryo can’t live long after it is put in.” Ning Lingshan clenches her fist and says, “I know you will hate me. I want to explain it to you when my brother comes back...”

Tang Duo sighs. She doesn’t ask Ning Lingshan why she didn’t tell them earlier. In Ning Lingshan’s position, she has done what she could do. At least she didn’t use the child to design Tang Cao.

Ning Lingshan took Tang Cao’s sperm. Tang Cao can think of it as masturbation. Anyway, men all have this experience.

“I have told you all. Can you save my brother?” Ning Lingshan looks at Lang Ruoxian with expectation.

Tang Cao grits his teeth, “In this case, we will find your brother as soon as possible.”

But Ning Lingshan doesn’t even look at him. She keeps staring at Lang Ruoxian.

Tang Cao is speechless.

“You don’t have to look at me that way.” Ning Lingshan says, “You are not my type.”

Should he say thank you?

“Tang Ming hid your brother for so long, but I didn’t find out at all. I’m afraid your brother is in another country.” Lang Ruoxian analyzes, “He should have sent your brother to a country for hiding. Looking for your brother is like looking for a needle in a haystack.”

Ning Lingshan is anxious, “But you...”

“Why are you so anxious?” Lang Ruoxian said, “I didn’t say I couldn’t help your brother.”

“Actually, it’s easy to save your brother.” Lang Ruoxian glances at Tang Cao. Tang Cao shivers.

“Now that things have come to this point, you can continue to play. You can let Tang Ming think that the Tang Family has accepted you and then he will naturally send your brother back.”

Tang Cao shouts, “Does the Tang family accept her? You are a devil, Brother-in-law.”

“Or do you have a better way?”

Tang Cao has nothing to say.

“Since you won’t have a child, you can tell Mum about it.” Lang Ruoxian then says, “We need everyone’s cooperation but you can’t say a word to the public. You must let everyone think you are going to have shotgun marriage.”

“What about Diandian?” Tang Cao refuses, “She likes me so much. She must be sad.”

Tang Duo thinks for a moment, “Why not find a reason for her to go abroad? It won’t take a long time. Anyway, she doesn’t know Ning Lingshan is pregnant. We’ll tell her when we’re done.”

Ning Lingshan raises her hand weakly, “Miss Fang... She... She knows.”

Tang Duo and Tang Cao flip the table.

“What’s the use of flipping the table?” Lang Ruoxian hugs Tang Duo, “Let Fang Diandian misunderstand first and then we will explain when the matter is solved.”

“No!” Tang Cao is going to cry, “What if Diandian likes others because of her anger?”

Lang Ruoxian stands up and says, “You solve it by yourself. It’s what you’ve caused. All right, take her back to see Mum.”

After listening to them, the other three of the Tang Family think they are listening to a story.

“It’s more wonderful than movies!” Tang Yao is surprised.

The expressions of Bai Susu and Chang Pei'e are serious.

"I didn't expect that Tang Ming had such a way." Chang Pei'e turns the Buddha bead, "He wants to bury a bomb in our house!"

Bai Susu glances at Ning Lingshan and says, "You are stupid too. Aren't you afraid that he will regret not sending you your brother back?"

"I'm sorry, Mrs. Tang... I know I'm guilty. As long as you can save my brother, I can do anything." Ning Lingshan kneels down, "Please save my brother!"

Chang Pei'e asks Tang Duo to pull her up, "Don't cry. If we don't help you, Hua won't bring you back."

Bai Susu also understands that Ning Lingshan is a victim and is involved in the Tang Family's resentment. She thinks about it and asks Lang Ruoxian, "Do you have a way?"

Tang Duo says Lang Ruoxian's method, "Anyway, it will take time for us to find her brother. Why don't we just counterplot? Maybe Tang Ming will be willing to send her brother back!"

"It seems that this is the only way." Bai Susu nods. Seeing her son sitting downcast in the corner, her mouth twitches and she says, "Well, you are not already with Diandian. She doesn't know you like her."

Tang Cao raises his head pitifully, "But how can I tell her that I have a child with other women after drinking..."

"Otherwise?" Bai Susu glares at him, "Your brother-in-law is right. This matter must be kept secret. You have to let everyone know that you are with Ning Lingshan, especially Diandian. Tang Ming must check us. He naturally knows that your relationship with Diandian is different."

That is to say, if Fang Diandian and Tang Cao quarrel fiercely, the more credible it will be.

"So we must keep it from Diandian." Tang Duo says, "Don't be so discouraged. You can go to see her every day to show loyalty and say that you are drunk and you don't know anything."

Tang Cao is speechless...

“Let’s do it!” Bai Susu claps her hands, “Ruoxian, hurry up to see where Tang Ming hides her brother. Ning Lingshan, you live here today. We’ll take you to the hospital for birth examination in a few days and let the media take pictures.”

“Tang Cao, what your sister said is right. Don’t worry about how Fang Diandian treats you. Go to see her every day. Don’t let her like others at least.”

Tang Cao reluctantly agrees. Tang Yao can’t help patting him, “It is a lesson to you!”

Lang Ruoxian asks Xiaokai to check in person. There is not much time left for them. According to Ning Lingshan’s words, her baby can last up to five months, which means there are four months left at most.

So they must be quick!

As soon as Fang Diandian enters the school studio today, she hears Lu Ling’s voice.

“Hum! How can the rich second generation marry her?”

“Keep your voice down. Don’t let Diandian hear you.”

“Don’t worry. It is exposed on the Internet. She will know sooner or later.”

Fang Diandian thinks it’s funny. She wants to go and ask what she dares not to hear. Chen Yan suddenly comes up to her and grabs her arm, “Come with me.”

Fang Diandian is taken to the corridor before she reacts.

“Chen Yan, what’s the matter?” Fang Diandian looks at him strangely, “You don’t look very good.”

Chen Yan looks at her, opens his mouth and doesn’t know what to say. Finally, he has to open the mobile phone to her, “You can see it yourself!”

Fang Diandian sees a hot search on the Internet. The people in the photo are Bai Susu and Tang Cao. But Ning Lingshan is in the middle. After reading a few lines of words, she changes her face. She quickly takes the mobile phone

and continues to read. Her face becomes paler. Then she sways and feels her eyes go black.

“Diandian? Diandian, are you okay?” Chen Yan’s voice comes into her ear. Fang Diandian’s sight slowly returns. She sees Chen Yan looking at her with concern.

Fang Diandian wants to smile and say that she is okay, but she feels cold on her face. She reaches out and touches.

“Diandian, cry if you want to!” Chen Yan sighs and hugs her, “It’s comfortable for you to cry. Just cry!”

Fang Diandian doesn’t know what her mood is now. But she knows that she has been in tears and can’t control it at all. After listening to Chen Yan, she breaks out. She opens her mouth and cries.

Chen Yan pats her on the back, trying to say something to comfort her. Suddenly, a wind comes over his ear. The next second, his arms are empty and then he gets a punch in his left face.

“F\*\*k. How dare you hug my woman?”

### **Chapter 360 She Won’t Come Back**

Chen Yan sees Tang Cao staring at him with his red eyes. It seems that Tang Cao wants to tear him up.

“Mr. Tang.” Chen Yan spits out the blood in his mouth, “Don’t you have a fiancée? Does she pregnant with your baby? Don’t you think it’s funny for you to run and say that Diandian is your woman?”

Tang Cao doesn’t care about this. He knows that their news will be put on the Internet today. So he goes to Fang Diandian’s school early in the morning to explain to her. But when he goes upstairs, he sees that she is held in another man’s arms.

He gets angry in an instant. He has never hugged Fang Diandian!

“It’s none of your business!” Tang Cao says fiercely, “This is about me and her. Don’t...”

“Let go of me.” There is a cold voice in his arms.

Tang Cao is stunned. He looks down and sees Fang Diandian’s red and swollen eyes.

Fang Diandian pushes him away, “Mr. Tang, what Chen Yan said is right. Don’t you have a fiancée? Don’t come to me again so that she won’t misunderstand you.”

“Diandian, listen to me. It’s not like that!” Tang Cao hurries to pull her but Fang Diandian avoids him.

“Let’s go in, Chen Yan!” Fang Diandian ignores Tang Cao and pulls Chen Yan to enter the studio.

Tang Cao stops her, “Diandian, you can ignore me. But can you at least listen to my explanation? Or I’ll come in with you.”

“Well, I’ll listen to you.”

They go to a cafe opposite the school. Fang Diandian listens to Tang Cao quietly.

“So you had sex with Ning Lingshan after drinking. She is pregnant with your child and now lives in your home.” Fang Diandian’s eyes are very calm, which makes Tang Cao afraid.

Tang Cao nods cautiously and dares not to say the next words.

“Congratulations!” Fang Diandian suddenly smiles, “You are going to be a father. When will you get married? I can be the bridesmaid.”

“Diandian, don’t say that. You can scold me or beat me!” Tang Cao is in a hurry, “Come on, you can beat me!” He stretches his head.

Fang Diandian still says with a smile, “Why should I beat you? Now you are going to have a wife and a son. As your good friend, I should congratulate you!”

“We are not good friends!” Tang Cao whispers, “Don’t you like me?”

Fang Diandian squints at him and says, "Why are you so shameless? Who says I like you? You let him come out to confront me."

Fang Diandian is very angry! She wants to kick the shameless man to death. He slept with other women and even had a child. But he said that to her. He even said that she liked him. Hum... Why is he so shameless?

"How can you not like me?" Tang Cao shouts excitedly, "I like you so much..."

Fang Diandian is speechless.

Tang Cao doesn't know what to say.

"You like me? But you slept with someone else." Fang Diandian's eyes are red. She could hide her feelings before. But after Tang Cao says he likes her, her grievance and anger can no longer be hidden.

"You have a child now. You are going to marry someone else. What do you mean by saying you like me? Do you want me to be your mistress?" Fang Diandian stands up suddenly and splashes the coffee on Tang Cao.

"You are such a bastard. Don't show up in front of me!"

Then she puts down her glass and runs out.

Fortunately, there are no guests in the cafe at this time. Only several waiters try to pretend that they don't hear anything. There is a female college student who works here. She runs over with a coquettish face and asks Tang Cao if he wants to call the police.

Tang Cao glances at her coldly. Then he pays the bill and leaves.

"Diandian!" When Tang Cao runs out, Fang Diandian has already run into the school. He wants to chase after her but a sports car stops in front of him.

The car window is rolled down. Chen Xiaopang appears and says, "Tang Cao, what are you doing?"

Chen Xiaopang laughs, "Diandian doesn't care about you, does she?"

"What are you doing here?" Tang Cao opens the door and sits in.

Chen Xiaopang pats him, "I know you are regretful and miserable now. I'm here to guide you!"

"Don't speak casually." Tang Cao kicks him, "Don't make trouble for me. What can you do to guide me?"

Chen Xiaopang starts the car and says, "Let's go to find a place to drink."

"I quit drinking." Tang Cao gives him a look, "Take me to the parking lot at the street corner. My car is still there."

Fang Diandian cries and runs into school. Then she finds that it's not right. There are many her classmates. She quickly wipes her tears and drives her car back home. When she drives home, Tang Duo calls her. But she doesn't answer.

She doesn't want to cry. She doesn't know what to say.

"She still doesn't answer your phone?" Bai Susu asks.

Tang Duo shrugs and says, "She doesn't answer my phone. She must have read the news. I don't know what Tang Cao said to her."

"What could he say?" Bai Susu is a little angry. Her son finally knows to like a girl. And he likes a good girl. As a result, the thing has got to this point. If Fang Diandian knows the truth, maybe she will forgive Tang Cao. But who knows if there will be any accident in the process?

"Where is Ning Lingshan?"

Tang Duo points upstairs, "She dares not to go downstairs."

"It's good. Although she is innocent, I will inevitably get angry when I see her."

Chang Pei'e says, "Diandian must be very sad now. We must make up for her later."

"Don't worry, Grandma! Our family has always been very good to Diandian." What Tang Duo doesn't say is that she is afraid that Diandian will do something stupid before it's over.

A few days later, Yanjing's business circle basically knows that Tang Cao is going to have a shotgun marriage. In fact, it's not a big deal. After those rich

second generations get connections through marriage, they always live their own lives. But some women regret it.

If they had known that they could marry into the Tang Family in this way, they would have found a way to climb the bed of Tang Cao. It doesn't matter if Tang Cao doesn't like them. As long as they have Tang Cao's child, the Tang Family will recognize them!

Unfortunately, there is no regret medicine in the world. So they begin to find out who is so lucky. Then they find that it is the woman saved by Tang Cao in the past. There are more girls who have fantasies about love.

They weave many different versions of the story of the hero saving the beauty, including the story of having sexual relation with the beloved willingly. Tang Cao and Ning Lingshan have also become a couple in love. There is always a nickname shouting and scolding under these micro blogs, but it is soon overwhelmed by the vast number of netizens.

"F\*\*k!" Tang Cao drops his phone, "Are these people psychos?"

The hero saved a beauty. There are not so many heroes. No! He is a hero, but his beauty is Diandian!

"Diandian must be angrier after reading this." Chen Xiaopang sits on the sofa with his legs up. Tang Cao doesn't go out these days. So he goes to the Tang Family to play, "I met Ning Lingshan when I went upstairs yesterday." Chen Xiaopang says.

Chen Xiaopang continues to say, "When she saw me, she was so ashamed. I didn't scold her. After all, she had no other choices. Besides, she's fine. She didn't really have sex with you."

"Don't talk nonsense." Tang Cao throws a pillow over, "Don't mention it."

Seeing Tang Cao pick up the car key, Chen Xiaopang jumps up and says, "Do you go to find Diandian? I advise you not to go. The reason why she asks for leave to stay at home is that she doesn't want to see you."

"Then I'll go too." Speaking of this, Tang Cao is sad. He is ready to wait Diandian at the school gate every day. As a result, Fang Diandian asks for leave to stay at home.

What's more, the Fang Family also read the news. Fang Diandian's parents regard him as a thief now. They don't want their daughter to contact this kind of bastard at all.

"Hey, wait for me!"

They drive to Fang Diandian's home. The residential environment here is also very good. It's all townhouses. The security guard at the door dares not to offend Tang Cao and he lets them in several times.

"Diandian!" Tang Cao stands at the door of Fang Diandian's home and shouts, "Come out!"

Chen Xiaopang also shouts, "Diandian! Come out!"

Tang Cao shouts, "Diandian! Listen to my explanation!"

Chen Xiaopang also shouts, "Diandian! Listen to his explanation!"

...

Neighbors don't feel strange these days. Someone even wants to take photos secretly and sends them to the Internet. He gives up after being threatened by Chen Xiaopang.

"Mr. Tang, why are you here again?" Fang Diandian's father comes out with a strict face, "Let go of Diandian, okay?"

"Uncle, let me see Diandian. I have something to say to her." Tang Cao hurries to say, "I'll go after that."

Fang Diandian's father has no expressions and he says, "That's what you said the first day. I let you in. What's the result?"

After that, Tang Cao still comes every day. If he is not a young master of the Tang Family, he will beat him out because Tang Cao has bullied his daughter.

"Uncle!" Chen Xiaopang, who is shameless, says, "What Tang Cao is going to say today is different from what he said on the first day! He says different things every day, so we should come every day!"

Tang Cao keeps nodding.

Hum...

Fang Diandian's father sneers, "Don't talk too much. You are going to get married. What else can you say?"

"No, Uncle, I have a trouble. I..."

"Get out of here!" Fang Diandian's father is so angry that he wants to cover his chest. Tang Cao made a woman pregnant but he even said that he still had a trouble. Fang Diandian's father used to think that Tang Cao is different from those rich second generations. He let his daughter contact him. Now he regrets so much.

"Uncle, if you don't let me see Diandian today, I won't go!" Tang Cao sits down at the door.

Fang Diandian's father slams the door and ignores him.

After a few hours...

"It's getting dark. Are you going to sit here all night?" Chen Xiaopang gets out of the car and carries the take out crawfish he just ordered.

Tang Cao also wants to eat but he holds back, "I don't know. I can still sit now anyway."

When it is completely dark, the door of the villa is finally opened.

"Diandian!" Tang Cao rushes up, "Uncle..."

"Are you disappointed to see me?" Fang Diandian's father says angrily, "Don't wait. It's not that I won't let you in. Diandian isn't at home at all. She's gone abroad and won't come back!"

Lang Ruoxian sits in the car with his eyes closed. Shu Sheng suddenly turns around and says, "Young Master, I found it!"
