### Chapter 351: I Like You So Much (3)

I like you so much...

Guan Yunxiang lowered his eyes and looked at the woman in his arms. She was confessing her love carefully, as if she was telling him a huge secret.

Guan Yunxiang had never liked others to get close to him, but the woman in his arms was moving around in front of his chest, and he actually didn't feel disgusted!

When he heard her say " I like you so much ", he actually felt a little absent-minded. If she did not address him as " uncle ", it would have sounded even more pleasant.

At this moment, the door was suddenly pushed open.

Li Yan glared at the scene in the room. Qiao Mu was hanging on Guan Yunxiang's body, and the two of them were intimately sticking to each other!

The anger in his heart instantly boiled.

Especially after hearing what she said just now!

What did she say?

She said to Guan Yunxiang, "I like you!"

She actually hugged another man and said that she liked him?

He strode forward and pulled Qiao Mu into his embrace. " Guan Yunxiang! How dare you touch my woman!"

As he spoke, Li Yan raised his fist and swung it at Guan Yunxiang.

Guan Yunxiang reacted quickly, but the fist landed even faster. Even though he dodged to the side, his face was still grazed by the fist.

Then, the fist landed again. This time, Guan Yunxiang successfully dodged it. He took a step back and looked at the furious man. " Young Master Li, why are you so impulsive to attack without asking clearly? I didn't do anything to her..."

Li Yan's eyes were dark and bloodthirsty. He did not listen to Guan Yunxiang's words at all. His mind only stopped at the scene just now. She hugged this man and confessed to him!

The woman in his arms reeked of alcohol. He realized that she was drunk!

At this moment, she humphed and rubbed her chest against his chest. She pouted and muttered, "Uncle...Don't move!"

Then, the little woman climbed up his neck and leaned against him weakly.

Li Yan's body froze. He narrowed his eyes and looked at her dazed expression. She looked like she had no idea where she was at this moment!

Did this woman think that Guan Yunxiang was him?

The bloodthirsty light in his eyes instantly disappeared, and the man who was originally covered in frost slowly faded away.

So, the sentence " I like you " was meant for him?

Li Yan shot a cold glance at Guan Yunxiang before he wordlessly picked Qiao Mu up and strode away.

Guan Yunxiang smiled faintly and looked down at the creases on his clothes. His eyes darkened.

The feeling of that small body in his arms just now was not bad!

Li Yan carried Qiao Mu into the car and looked at the drunk woman. He hooked her chin and questioned her with a frown, ""Qiao Mu, why aren't you obedient! Who allowed you to drink?"

Qiao Mu grunted. She only felt that her ears were very noisy, so she leaned into his embrace and slapped his mouth with her hands. " Be good, don't disturb my

sleep'. '

The slap landed squarely on Li Yan's mouth. Half of his face was hit hard, and a crisp sound was heard.

Lei Yi, who was driving in front, suddenly felt the atmosphere change.

In the narrow space of the car, it was as if the oxygen had been sucked away. A dangerous aura emanated from Young Master Li's eyes, and Lei Yi realized that Qiao Mu was in trouble this time!

He actually dared to hit Young Master Li!

In this world, there was actually a woman who dared to lay a hand on Young Master Li! If it was anyone else, they would definitely be dead, but if it was Qiao Mu...He probably wouldn't have a good ending either.

Qiao Mu did not know that she had gotten into trouble. After slapping Li Yan, she hooked her arm around his neck and snuggled into his embrace, trying to find a comfortable spot to lean on..

Chapter 352: I Will Always Be Yours Alone (1)

Li Yan's face darkened. Qiao Mu was a drunkard at this moment. It was not like he had never seen her drunk and crazy appearance before!

Li Yan's complexion was extremely bad on the way, but Qiao Mu, who was drunk, did not notice it at all.

After returning to the hotel and entering the room, Qiao Mu hung herself on Li Yan's body.

Li Yan looked at her drunken state and said coldly, "Qiao Mu, you better give me a reason to calm down! Otherwise, after you sober up tomorrow, we'll slowly settle the score for everything you did tonight!"

The man's fierce words made Qiao Mu frown.

She pouted and glared at him unhappily. "Why are you being so fierce? Aren't you so fierce to me because I like you?"

Li Yan's body stiffened and his eyes narrowed. "What did you say?"

She said that she liked him...?

Li Yan mulled over this sentence over and over again. The man, who was at the peak of humanity in terms of both intelligence and reaction speed, had become sluggish because of Qiao Mu's words.

Qiao Mu's face instantly turned desolate. "Li Yan, you bastard. I owe you, that's why I've been deceived by you time and time again. What's so great about you? If it weren't for the fact that I like you, you wouldn't have gotten your way! "

"Ten years ago, I liked you. You left after you used me. Ten years later, I fell in love with you again, but you had a fiancée. I don't want you anymore. I don't want to be deceived by you anymore! "

Hearing her heartbreaking cries, Li Yan felt both heartache and joy.

This woman actually confessed to him!

He had never thought that he would hear this little woman say such words of love to him so straightforwardly.

His heart suddenly felt like it was filled, making him ecstatic.

The little woman in front of him squatted down and curled up into a ball. Her voice was pitiful. "It hurts. What should I do? It hurts so much."

Li Yan immediately bent down and became nervous. "Where does it hurt?"

Qiao Mu pointed at her chest. "It hurts here. I'm about to die from the pain."

Uncle doesn't want me anymore. He has another woman..."

Li Yan's heart tightened. Her words made his heart ache so much that he felt like he was about to suffocate.

He picked her up and placed her by the bed. He said word by word, "Mumu, it's not that I don't want you. I don't have any other women. I'll always be yours alone!"

Qiao Mu looked at the man in front of her blankly. She heard him call her Mu Mu, but her uncle had never called her Mu Mu in such a friendly manner!

She must be dreaming. He said that he would always be hers alone...

Qiao Mu felt a lump in her throat, and tears uncontrollably gushed out. "Uncle,

I like you. I really like you..." What should I do? I'm afraid I can't leave you!"

Almost as soon as Qiao Mu finished speaking, Li Yan lifted her head and kissed her.

There were tears at the corner of her lips, salty and astringent, making his kiss even crazier.

The kiss moved down rapidly like a flame. Every place it touched became hot.

He had never wanted to have her like he did now. He wanted to rub her into his body!

This woman was his! It would always be his!

Qiao Mu frantically grabbed onto the clothes in front of his chest. The familiar feeling slowly engulfed her, making it difficult for her to breathe.

Suddenly, she wrapped her arms around his neck and took the initiative to kiss him. She was eager and nervous as she asked him for it. If it was a dream, then he would let her indulge in it for once!

Chapter 353: I Will Always Be Yours Alone (2)

Qiao Mu's initiative made Li Yan pause.

All along, this woman had always been passive and had never taken the initiative.

But at this moment, she took the initiative to kiss him back. She hugged him with both hands and refused to let go, as if she was worried that he would run away.

The flames in Li Yan's body burned even more vigorously.

In the next second, he swallowed the woman in his arms.

His lips and teeth gnawed on her collarbone as his domineering voice rang out again and again.” Qiao Mu, you’re mine. You’re mine for the rest of your life!”

The woman in a daze could only reply with a light snort, which was enough to make the man lose control even more.

That night, the two of them were extremely crazy.

The next day.

When Qiao Mu was in a daze, she only felt her entire body ache. This familiar yet unfamiliar feeling instantly chased away her sleepiness. She abruptly opened her eyes and stared blankly at the ceiling of the room.

At his waist, there was a powerful hand holding him.

Qiao Mu’s mind was blank. After she got drunk last night, her memories started to blur. It seemed like she was brought back to the hotel by Li Yan, and then...

What happened after that?

The images in her mind could not be organized. She did not know which was real and which was an illusion after she was drunk.

Her body was so stiff that she did not dare to move. She was afraid that if she turned her head, she would see a scene that she did not want to see.

However, the feeling of her body told her that she wasn’t wearing any clothes!

She moved her arm slightly and indeed, she touched the smooth and hot skin of the man beside her.

Li Yan was also naked!

Qiao Mu had no choice but to face reality. She turned her head and indeed saw that the man's upper body was bare. The blanket covered his chest, exposing his honey-colored body!

Her heart skipped a beat.

Then, she saw the man open his eyes. There was a hint of sleepiness in his eyes.

Qiao Mu was shocked and immediately grabbed the blanket to escape to the side of the bed. She looked at him warily. "You, you, you...What did you do to me last night?"

Who could understand what Li Yan was feeling right now?

The woman who was as passionate as fire last night had woken up and asked him in shock what he had done to her!

This woman had blacked out again after drinking!

Li Yan glanced at her indifferently, then lowered his head to look at his naked body. His voice was a little hoarse from just waking up. "What do you think we did? "

"You took advantage of me being drunk to..." As Qiao Mu spoke, she picked up a pillow and threw it at Li Yan. "You bastard, I told you not to touch me! "

Li Yan dodged the pillow and narrowed his eyes. He asked in disbelief, ""You really don't remember what happened last night?"

"If I had a shred of consciousness last night, I wouldn't have let you succeed!"

Li Yan sat up and leaned his sexy body against the headboard. He did not care that his actions had already freed his body from the blanket. He just sat there lazily and gave her a hint. "You were the one who attacked me last night!" "Nonsense!" How was this possible? How could she lay a hand on him!

However, at the same time Qiao Mu refuted, an image that seemed both real and illusory appeared in her mind, causing her confidence to instantly wane.

Could it be that she really couldn't control herself after getting drunk?

Qiao Mu blushed when her gaze landed on the man's body. She turned her face away and said with disgust, ""How could I take the initiative? I don't like it when you're not in a hurry!"

Disdain?

Li Yan's face darkened. This woman was still stubborn after what happened last night?

How long did she want to play with him?

Chapter 354: I Will Always Be Yours Alone (3)

After Qiao Mu finished speaking, she hugged the blanket and quickly ran into the bathroom, looking extremely disheveled.

He stood in front of the mirror and looked at the red spots on his chest. They were densely packed and there were more marks than before. It was enough to prove that he had been a pervert last night!  
Beast!

Damn it! He actually forgot about it!

However, she seemed to have some impression of him.

Qiao Mu stood under the shower head and vigorously cleaned the marks on her body. She had clearly rejected him for so long, yet she messed up after getting drunk!

There were many things that she did not understand. He said that he would give her an explanation, but she was still confused!

If he really touched another woman and still wanted to touch her again...

At the thought of this, Qiao Mu washed her body even harder. She stomped her feet and slipped, causing her to accidentally fall to the ground.

She sat on the ground, her butt almost falling apart. It was so painful that she grimaced and her eyes almost fell out.

Damn it! It was all Li Yan's fault!

In the bedroom, Li Yan really did not know how to explain to that stupid woman. He regretted not taking a video camera to record everything that happened last night. If he told her now that she had confessed to him, she probably wouldn't believe him!

She sighed helplessly. At this moment, her phone rang.

The call went through and Su Chen's voice sounded, "" Big brother, something happened. Murong Chao knows where you are. I didn't send anyone to stop him.

Li Yan's expression turned cold. " I understand. Superintendent Ouyang has already rushed over. Leave the matters here to him.

"Big brother, you have to be careful." Su Chen reminded him. Li Yan was alone, so there was nothing to worry about, but he still had Qiao Mu by his side.

Murong Chao probably sent people to Hong Kong to find out his elder brother's weakness. With Qiao Mu around, it would be very inconvenient for them to move.

Okay," Li Yan replied and hung up the phone. Then, he dialed Lei Yi's number.

Book a plane ticket and return today."

At this moment, the bathroom door opened. Li Yan looked up and saw Qiao Mu walking out with red eyes.

Did she just cry?

This woman was crying because she had sex with him last night?

Li Yan suddenly did not know how to suppress the frustration in his heart. Was this woman with a double personality? She liked him to death last night, and now she hated him to death this morning!

He stood up and strode towards her, his voice filled with anger. 'Why are you crying? Are you that aggrieved?'

Qiao Mu was stunned. She was about to say something when she saw his naked body standing in front of her. She immediately turned her face to the side with an unnatural expression. "Hurry up and put on your clothes! "

He was deliberately going against her. He grabbed her hand and placed it on his chest, forcing her not to hide. "Didn't you have a good time touching me last night? Why are you so shy now?"

"You, you...Bastard! Hooligan!" Qiao Mu pushed him away and ran away.

He was simply shameless!

Li Yan looked at her coldly. The excitement from last night had completely turned cold this morning. If this continued, he would definitely be tortured to death by her!

After Li Yan washed up and put on his clothes, Qiao Mu curled up on the sofa and played with her phone.

He packed his clothes and then her things.

Her things were all over the place. He tidied them up one by one and put them into the suitcase.

Qiao Mu stared blankly at the man's unbelievably virtuous manner. In the past, this Eldest Young Master was always high and mighty and was always served, but now, he was actually helping her pack her luggage!

Chapter 355: I Want to Be His Only One (1)

Li Yan packed his luggage and called someone to come and pick it up.

Only then did Qiao Mu realize a problem. "Are we going back?"

"Yes." Li Yan responded and looked up at her. "Why? You can't bear to leave?"

Qiao Mu pursed her lips. She was not reluctant. School was about to start, and Chi Xia and Baby Guan had already gone back. There was no point in staying here any longer.

When Ouyang came to carry the luggage, he finally met the "scourge" beside Li Yan.

The so-called scourge was that Superintendent Ouyang felt that she was not a good woman since she could confuse Boss Li into not doing his proper job.

It was different from what she had imagined. It was not the type of seduction.

On the contrary, she looked like a high school student who had not graduated. Superintendent Ouyang thought that Boss was definitely not serious. She must be playing around with this kind of person.

Qiao Mu could feel Ouyang Shuo sizing her up. This was the first time she had seen this person. He had golden hair and had the scent of a Western man. He looked like he was of mixed blood.

“Why does this person keep staring at me?” Qiao Mu asked Li Yan.

Li Yan glanced at Superintendent Ouyang coldly. Superintendent Ouyang felt a

chill run down her spine and immediately lowered her head.

On the way, Superintendent Ouyang drove the car while Li Yan and Qiao Mu sat in the backseat.

As the car drove on the road, Qiao Mu realized that there were cars following behind them, trapping their car in the middle.

Qiao Mu looked at Li Yan nervously. “Did something happen?”

He hadn’t said that he would leave today yesterday, but he suddenly left at the last minute. Moreover, there were people following him around, so Qiao Mu couldn’t help but think too much.

“Your man is here. What can happen to him?” Li Yan asked nonchalantly.

Qiao Mu snorted, and Ouyang immediately said, “Miss Qiao, don’t worry. Even if something happens, Boss will be here. He won’t let anything happen to you!” As expected, there was still something!

Ouyang Shuo had just opened his mouth when Li Yan glared at him coldly again. He shut his mouth resentfully.

At this moment, Ouyang’s phone rang. He answered the call twice and hung up. His expression became serious. “Big Brother, our people have lost Murong

Chao’s men!”

Li Yan's eyes darkened. "Isn't Hong Kong still Murong Chao's territory? Can't you even keep an eye on a person?"

"This time, it seems like Murong Chao has come personally," Ouyang said under pressure.

Murong Chao came personally?

Li Yan pursed his lips. It seemed like Murong Chao was not letting him go!

Qiao Mu listened to the conversation in bafflement. She didn't know what was going on, but she could vaguely sense that things weren't that simple.

Right at this moment, the car in front of them suddenly made a loud collision sound. Qiao Mu was shocked to see the two cars in front of them colliding into each other.

The car suddenly braked. Suddenly, with a bang, the glass in front of her car cracked.

She looked at the person who got out of the black commercial car in shock. In his hand was...A pistol?

Qiao Mu was stunned for a moment. Immediately after, a large hand reached over, and in the next second, she entered a firm embrace.

Li Yan pulled Qiao Mu into his arms, preventing her from seeing the scene outside the car. He said coldly to Superintendent Ouyang, "Give me five minutes to resolve this matter!"

"Alright!" Superintendent Ouyang immediately took out two guns from the car's storage cabinet and quickly got out of the car. Her expression became relaxed.

It was obvious that this was a common occurrence for him.

When the enemy was hiding in the dark, they did not know where they were going, so they were worried about playing tricks.. However, when they appeared openly, there was nothing to worry about!

Chapter 356: I Want to Be His Only One (2)

Qiao Mu could only hear the loud banging sounds outside the car and all sorts of chaotic noises. She leaned into Li Yan's embrace and could not see anything. She was so flustered that she did not know what to do. She wanted to get up to see what was going on, but the man's arm was wrapped around her, preventing her from moving.

She had long known that this man was not simple, but she did not expect him to reach the point of using a gun!

Wasn't this just a bunch of gangsters?

A single move could take a person's life!

Qiao Mu clenched her teeth tightly. Did that big hand that was hugging her often do things like blade light and blood shadows?

Li Yan seemed to have sensed her fear. He raised his hand and gently stroked her head, again and again. His movements were very gentle, as if everything outside the car had nothing to do with them.

"Don't be afraid, it's fine," he said in a low voice.

Qiao Mu looked up at him. " Li Yan, you..." Have you killed anyone?"

Li Yan was slightly stunned. He narrowed his eyes and the corners of his mouth curled up slightly. " Why are you asking this all of a sudden? Are you scared?"

He didn't deny that Qiao Mu already knew the answer. Although she didn't know what he had done other than the Li Corporation's business on the surface, it was definitely beyond her imagination.

Loud noises could be heard outside the car, but it was very quiet inside.

At this very moment, Qiao Mu actually didn't feel afraid. She didn't know if her courage had grown stronger after being together with him or if it was because she felt very at ease in his embrace.

He suddenly felt a sense of indulgence in his heart.

Perhaps it was because he had been suppressed for a few days, but at this moment, his mood was finally released.

She suddenly grinned. " I'm not afraid.

Li Yan narrowed his eyes and looked at the petite woman's face. Suddenly, a smile bloomed on his face.

Qiao Mu met his gaze and laughed even more wildly. " You must think that I'm crazy, and I also think that I'm abnormal. Uncle, if we die like this, would we be committing suicide together? At least we'll die together. At that time, you'll be mine alone!"

Li Yan's heart tightened when he heard her negative and crazy words. It was as if his heart was stuffed and he could not suppress it.

He suddenly hugged Qiao Mu's face and kissed her lips tiercely.

This woman finally admitted that she wanted to be with him!

Outside the carriage, there was a bloody battle. Inside the carriage, there was a crazy entanglement.

Qiao Mu had never known that there were such restless cells active in her blood. She had never been so clear about her own thoughts.

She wanted this man and wanted to be his one and only!

Qiao Mu was kissed until she could not breathe. After a while, she pushed him away and panted as he continued, saying breathlessly, “Wait a minute...I haven’t forgiven you yet!”

Li Yan’s lips curled into a devilish smile. “You’re about to die for love with me. Shouldn’t you kiss me enough?”

Qiao Mu was speechless.

She was just saying that. He really wanted her dead!

Li Yan’s eyes narrowed, and his voice deepened. “Qiao Mu, you were with me last night. Why are you so reluctant to wake up?” Why are you crying in the morning?

Qiao Mu was stunned. He was still thinking about this matter!

Just as he was about to say something, he heard someone knocking on the car window. Then, the person outside coughed. “Boss, it’s all settled. If we don’t rush to the airport now, it’ll be too late.”

Superintendent Ouyang, who had settled the matter, was shocked when she saw the scene in the car.

The two of them were really looking for excitement. Under such circumstances, they kissed passionately in the car!

It seemed like he had really misunderstood Qiao Mu’s character. She might look innocent, but she was really hot on the inside! No wonder Boss was so smitten by her!

Chapter 357: Uncle, Don’t Leave Me (1)

Qiao Mu snapped back to her senses when she suddenly heard a voice, and her face instantly turned red.

The indulgence from before disappeared instantly. She felt her face burning up and pushed Li Yan away forcefully. She wished she could find a hole to hide in. Li Yan could not help but want to laugh when he saw how shy the little woman was. This girl probably really had two personalities!

Li Yan turned around and looked at Superintendent Ouyang, who was outside the carriage. His expression immediately changed and returned to his cold expression.

He got out of the car and saw the mess on the roadside. "Are you done?" Ouyang nodded. "Yes, but I didn't see Murong Chao in person.

"Clean up all the traces. This is not our territory. Don't cause trouble. Find Murong Chao as soon as possible and tell him to forget about such underhanded tricks. If he wants to negotiate, he has to do it with me personally!"

Li Yan had just finished speaking when Qiao Mu's scream rang out from behind him.

She turned her head abruptly and saw a man holding a dagger in his hand as he dragged Qiao Mu out of the car on the other side.

Li Yan's face darkened instantly. He walked around the car and approached it. "If you don't want to die, let her go!"

The man pulled Qiao Mu back. "Boss Li, we're just following orders. Our boss only wants this woman you're protecting!"

Qiao Mu's face turned pale as she looked at the large knife swinging in front of her. Li Yan strode toward her, but she steeled herself and bit down hard on the arm in front of her.

The man felt pain and tightened his grip on Qiao Mu's arm. "You f \* cking..." Ah

With a scream, Qiao Mu felt her vision blur, and a force pulled her out. Soon after, she fell into a sturdy chest.

Li Yan took advantage of the other party's distraction to grab Qiao Mu and kick her in the chest.

He pulled Qiao Mu into his embrace and consoled her in a low voice, ""It's okay, it's okay."

Qiao Mu panted heavily, calming the fear in her heart.

Superintendent Ouyang was stunned. She had never seen her boss so gentle. He was actually so careful and protective of a woman. It was really a miracle!

At this moment, the man who had been kicked to the ground by Li Yan got up, held a dagger, and quickly rushed toward Qiao Mu...

Qiao Mu did not realize what was going on at all. She only felt Li Yan's body sway as he hugged her. Then, she heard Li Yan grunt, and the surroundings turned into a mess.

She saw the man at the side being kicked down by Superintendent Ouyang again. She saw Superintendent Ouyang looking at Li Yan in panic ...

Her hands suddenly became wet, and a warm liquid dripped onto the back of her hands. She looked down blankly and saw that her hands were red!

Qiao Mu's eyes widened in shock. She was stunned for quite a while, and only reacted when Ouyang rushed over.

Li Yan was injured!

Qiao Mu's face instantly paled. She grabbed onto him tightly, and her vision blurred. " Uncle, where are you hurt? " Don't scare me..."

Li Yan's lips twitched and he forced a smile. " If you continue to scratch my wound, I'm afraid something bad will happen! "

Qiao Mu let go of her hands in a panic, her hands hanging in the air, not knowing where to put them.

He said that she was grabbing his wound?

Her hand was grabbing his waist.

Qiao Mu lowered her head and saw that the clothes in front of him were dyed red. She could not tell where he was injured at all!

“Boss, I didn’t do my job well!” Superintendent Ouyang’s face was filled with guilt and regret. She was only focused on looking at these two people and did not notice that person’s actions.

Li Yan pursed his lips and did not respond to Ouyang Shuo. He only smiled when he saw Qiao Mu’s nervous and pale face. “ I’m fine, little thing. Why are you panicking? ’

” Uncle, don’t get hurt.. Let’s go to the hospital! “

Chapter 358: Uncle, Don I t Leave Me (2)

On the way to the hospital, Qiao Mu held onto Li Yan’s hand tightly. Tears kept flowing out as she mumbled, “” Uncle, don’t let anything happen to you. Don’t scare me. I can’t let anything happen to me. I still have so many things I

haven’t told you...”

Li Yan endured the pain and looked at the little woman. ” What do you have to tell me? ”

Could this little thing be confessing to him again?

Qiao Mu bit her lip tightly and controlled her trembling voice as she sobbed, “”Actually, I didn’t come to Hong Kong to study this time. I just came to have fun. I just wanted to relax. I didn’t want to sneak away.”

Li Yan narrowed his eyes slightly. " Why did you sign up for the exchange program behind my back? Do you want to leave me that badly?"

"No, at that time, I really wanted to leave, but later ... I don't want to leave anymore. I changed my mind. I thought that this matter could be treated as if nothing had happened, but you accidentally found out. I wanted to explain to you, but you have a fiancée, so I can't be with you."

As she spoke, Qiao Mu's tears welled up even more fiercely. She raised her arm to wipe away her tears, but when she saw the man's clothes getting redder and redder, she was so frightened that she did not dare to speak.

After hearing Qiao Mu's explanation, Li Yan finally felt a little comforted.

The pain in his wound worsened. He closed his eyes to ease the pain, but the little thing's frightened voice rang in his ears. "Uncle, don't sleep. Don't close your eyes. Open your eyes and talk to me!"

Li Yan was speechless.

This little thing was really making a fuss over nothing. Did it think that he was going to die from such a small injury?

When he opened his eyes and saw her pitiful face covered in tears and snot, his heart suddenly softened. This little injury made him realize that it was worth it for the little one to be together like this.

Qiao Mu had long been devastated by the blood red. In order to prevent Li Yan from falling asleep, she kept talking, " Oh right, Uncle, I didn't cry this morning because of what happened last night. I just fell in the bathroom and cried from the pain. I don't despise you anymore. Really, I really don't despise you. You must be fine! "

She sniffed hard. " Uncle, why don't you dump your fiancée and be with me? " Can you let me be your fiancée? I don't want to leave you...I don't want to share you with other women. If I'm your only one, you can only have me!"

“You said it yourself. I’ll be yours for the rest of my life. Don’t let anything happen to me. You can’t abandon me...”

Qiao Mu rambled on nonstop. She did not know what she was saying either. There was too much she wanted to say, and all of it was suppressed in her heart. At this moment, she could not care so much. She just wanted him to know her feelings!

Nothing could happen to him! She didn’t want to leave him!

Li Yan could not describe what he was feeling at that moment. Although the pain in his body made him a little absent-minded, her words pierced straight into his heart, giving him a warmth he had never felt before.

If he had known that his injury would result in the little thing confessing to him so straightforwardly, he would have used this trick a long time ago!

She had probably said all the beautiful words of her life at this moment.

Li Yan closed his eyes again when he thought of her confession last night, which disregarded her image. Qiao Mu yelled at him again.

Li Yan looked at her weakly. “Do you like me?”

“Yes!” Qiao Mu nodded vigorously.

“Say you like me.”

“I like you!” Qiao Mu did not hesitate at all. She immediately answered after he

finished speaking.

“Say you love me..”

Chapter 359: Uncle, Don ‘t Leave Me (3)

“I love you, Uncle!”

I love you, so don’t leave me! Don’t leave me alone!

Qiao Mu’s heart was in a panic, and she confessed without caring about her image.

There was nothing that she could not say now.

She loved him! She just didn’t want to leave him!

Superintendent Ouyang, who was driving, quietly listened to the conversation between the two people behind the car as if no one was around. It was as if he was completely invisible.

Superintendent Ouyang was focused on racing and did not have the time to see what kind of scene the two people behind the car were in. However, listening to the conversation, she could completely associate it with a big movie about life and death!

Wasn’t he just stabbed by a knife? The injury was not deep at all. For people like them who were often injured, it was nothing at all. It was just that the bleeding was a little scary. After that, they just needed to transfuse some blood.

It was fine if Qiao Mu didn’t know, but how could Boss not know the severity of his injuries?

Qiao Mu was so sad and worried, yet Boss didn’t even console her tenderly and even pushed her a mile and asked Qiao Mu to say nice words. Since when did Boss need to act pitiful to win a woman’s affection?

This man was really too much!

Behind the car, Li Yan chuckled softly. Just as he laughed, his wound started to hurt from the vibrations. He endured the pain and looked at her. " Qiao Mu, what I want is a heartfelt confession. You don't have to say whatever I tell you to say. "

Li Yan felt that she would do whatever he asked her to do, so he started to push his luck.

Qiao Mu blinked blankly and hurriedly said, ""I'm sincere, Uncle. I really love you. You have to hear me clearly. I love you, I love you..."

As if feeling that simply saying these three words wasn't enough, Qiao Mu began to prove it with her actions as she spoke.

She bent down and kissed Li Yan's lips. She clumsily and carefully pecked his lips and repeated firmly, "Uncle, I love you!"

Li Yan felt an itch on his lips. It was not enough for her to kiss him lightly.

He wanted to deepen the kiss, but she left his lips.

He looked at her tear-stained face and smiled. " I understand. "

I know?

She confessed to him, and he replied with, " I know! "

Although he was a little unhappy, he was injured and it was normal for him not to respond to her.

Under Qiao Mu's incessant nagging, they finally arrived at the hospital, and Li Yan was pushed into the operating theater.

Qiao Mu waited with difficulty outside the operating theater. She clenched her fists tightly and placed them on her legs, but she still could not control the trembling of her hands.

Superintendent Ouyang saw that the girl sitting on the lounge chair was so nervous that her face was pale and her legs were trembling. However, she pretended to be calm and waited quietly.

He looked a little pitiful.

Thinking of Boss's injuries, Superintendent Ouyang stepped forward. " Miss

Qiao, Boss's life is not in danger. You don't have to worry. '

His life was in danger!

These four words made Qiao Mu's face turn even paler.

She suppressed the nervousness in her heart and nodded. " Yes, yes, he'll be

fine. '

Superintendent Ouyang looked at her. She did not seem to be listening to his explanation at all. This woman really cared about the man in the operating theater. She was different from the woman who used to try her best to get close to Boss.

No wonder those women couldn't tolerate Boss's discerning eyes. It turned out that they had sharp eyes!

It was fine if he didn't play, but once he played, he found such a serious girl. At this moment, the lights in the operating theater went off, and the door was opened..

Chapter 360: Uncle, Don't Leave Me (4)

Qiao Mu abruptly stood up and quickly rushed to the doctor to inquire about the situation.

The doctor took off his gloves and said, "The patient has already stopped bleeding and lost a lot of blood. He just needs to recuperate for a while. Don't get out of bed for the time being."

Qiao Mu's anxious heart finally calmed down when she heard the doctor's words.

Just as she was about to enter the ward, Superintendent Ouyang stopped her. '

Ms. Qiao, I'll go in and report to Boss about the important matters first. '

No matter how anxious Qiao Mu was, she still endured it. Since the doctor had already said that she was fine, then she was fine. She could finally heave a sigh of relief.

Superintendent Ouyang entered the ward and saw Li Yan lying on the bed.

When she saw him enter, her gentle eyes returned to normal and became cold.

Superintendent Ouyang muttered in her heart. Was there a need to be so obvious?

"Where's Qiao Mu?" said Li Yan.

"Miss Qiao is outside. Boss, let me tell you about the current situation. I'm worried that after Miss Qiao comes in, you guys will be lovey-dovey and delay the official business." As Superintendent Ouyang spoke, she felt a cold gaze sweep over. She immediately said seriously, "Lei Yi is still searching for Murong Chao. Murong Chao has brought two groups of people to intercept our people. It's only one of them. There might be another group of people with Murong Chao. Boss, you're not feeling well now. Do you want to stay in Hong Kong for the time being to resolve this matter?"

Li Yan's eyes darkened as he looked at the bandages on his abdomen and arms. His injuries looked very serious and terrifying.

If the little thing saw this scene, she would definitely cry again.

It was indeed not safe to stay here. He could not let the little thing stay here and take risks with him. Moreover, with her around, it was not convenient for him to do things. He was always worried about her.

“Send someone to send Qiao Mu to the airport discreetly and leave before the last flight today,” Li Yan said after some thought.

“Miss Qiao wants to come in and see you.”

Don't let her in. Send her away. Tell her that my injuries aren't serious. I'll go back after I recover. Tell her to leave first.

Superintendent Ouyang was stunned. She didn't understand what Boss meant.

He didn't even want to see her face, and he wanted her to leave?

The young lady had been waiting outside anxiously for so long!

Superintendent Ouyang did not say anything else and left the ward.

Just as he opened the door to the ward, Qiao Mu immediately walked up to him and prepared to enter.

Superintendent Ouyang closed the door apologetically and smiled at Qiao Mu. “Miss Qiao, you can't go in.”

“What?” Qiao Mu was puzzled.

Boss won't let you in. Boss's injuries aren't serious. He'll be fine in two days. Don't worry. Boss instructed me to send you to the airport. You can go back first. '

Qiao Mu was stunned. " What does that mean? Why didn't he meet me? Is he injured so badly that he doesn't want me to see him? Let me in. I'll go in and see him. I want to stay with him. I'm not leaving!"

Superintendent Ouyang stopped Qiao Mu. " I'm sorry, Miss Qiao. It was Boss's orders. He told me to let you go, and I was just following his instructions. Boss is really fine. Didn't the doctor say that he's fine too? You can leave first." How could Qiao Mu be willing to leave?

She was worried about his safety because she wanted to see him. If he wanted her to leave, she would!

She pushed Superintendent Ouyang away forcefully and was about to open the door when Superintendent Ouyang stopped her. " Let me in! "

Superintendent Ouyang was helpless. " Miss Qiao, why are you so unpredictable? Boss hates disobedient women the most. He hates being pestered by women the most. Why are you doing this? If he wants you to leave, then leave first."
