

Destined Wife: The Apple of My Eye

Chapter 361 Bring Ning Lingshan's Brother Back

Xiaokai finds a Philippine number. In the past year, the owner of this number called Tang Ming every few months and Tang Ming also occasionally called the owner.

“Young Master, Xiaokai has gone.”

Lang Ruoxian says, “If Ning Lingshan's brother is found, bring him back immediately.”

“Then Tang Ming...”

“Don't worry about him.” Lang Ruoxian sneers, “He dares not to confront me.”

He wants to bury a nail in the Tang Family. It's useless for him to be found. He has no face to confront.

Ning Lingshan hears of her brother's news, so he runs downstairs. After listening to Lang Ruoxian, she cries, kneels down and wants to kowtow again. Bai Susu wants to help her up. There is a screeching sound of braking outside at this time. Then Tang Cao rushes in.

“What's wrong?” Tang Duo sees Tang Cao walk to Ning Lingshan with his gloomy face.

Ning Lingshan stands up slowly and steps back in a panic.

Tang Cao raises his hand and slaps her in the face, “If I can't find Diandian, you won't see your brother.”

“No!” Ning Lingshan doesn't care about the pain. She grabs Tang Cao's arm and says, “You can't do this. I'll find Diandian. I'll explain to her!”

No one blames Tang Cao for beating a woman. To be honest, if Ning Lingshan is not a woman, Bai Susu and Tang Duo will also beat her.

“Tang Cao, is something wrong with Diandian?” Chang Pei'e asks.

Tang Cao looks at Ning Lingshan coldly, "You go to find her! I don't even know where she is. How do you find her?"

Bai Susu frowns, "Did Diandian leave?"

"Her father said she went abroad. I went to check the flight. She went to F Country last night, but there was no news after that." Tang Cao's eyes turn red and he says, "I begged for a long time, but her father still didn't say where she went. What can I do if she doesn't come back again?"

Tang Duo pats him, "You are a fool. How is it possible! Her parents are still here."

"Your sister is right." Bai Susu looks at Ning Lingshan coldly and says, "It's better for Diandian to go out for a while, so that she won't be sad to stay here. When the thing is over, I'll go to the Fang Family with you."

Tang Cao takes a sniff and looks at Ning Lingshan in disgust, "I didn't scare you just now. If Diandian doesn't come back, you won't see your brother."

"No!" Ning Lingshan comes to catch Tang Cao's leg and says, "Mr. Lang has already found him. You promised me to save him."

"Ning Lingshan." Tang Duo says, "You need to figure out one thing. We help you find your brother in order not to let Diandian misunderstand my brother. We are not for you. What you have done is unforgivable to the Tang Family."

Ning Lingshan looks at her in horror. She slowly falls to the ground and begins to cry.

Bai Susu sighs, "The poor people must be utterly detestable. You should not put responsibility and complaint on us."

"I don't..." Ning Lingshan cries. But others don't know if she thinks that.

In a word, Tang Cao is angry. Ning Lingshan dares not say anything more. After coming back to the room and thinking for a long time, she chooses to believe the Tang Family. After all, they are not bad people. Even if they don't let her see her brother, her brother is safer in their hands than in Tang Ming's.

She settles down. She just wants to pick up her brother soon. Then she will go to find Fang Diandian and make it clear.

“Don’t you stop drinking?” Chen Xiaopang kicks Tang Cao who is sleeping on the carpet.

Fang Diandian has left for three days and he has drunk for three days. He doesn’t listen to anyone. Tang Duo has no way so she calls Chen Xiaopang and asks him to find a way to enlighten Tang Cao.

“Diandian won’t come back if you continue to drink.” Chen Xiaopang shakes his phone and says, “If you don’t open your eyes, I won’t send you the address.”

Tang Cao opens his eyes quickly and sits up, “Have you found Diandian?”

“Yes!” Chen Xiaopang says proudly, “I went to Diandian’s school and found Chen Yan. He said Diandian went to study abroad.”

Tang Cao’s eyes darken and he says, “I asked the school long ago. She has gone through the study abroad procedure, but she didn’t enroll.”

“Don’t worry!” Chen Xiaopang gives him his phone, “Here it is!”

Tang Cao hurries to open and finds that it is a small town in southern Europe.

“She can really run. The school she went to study in is in the north but she went directly to the southernmost.” Chen Xiaopang takes back his phone, “I’ll book tickets. Shall we go now?”

Tang Cao looks at the ground without saying a word. Chen Xiaopang pats him, “Shall we go now?”

“I won’t go. You will go.” Tang Cao suddenly stands up with bright eyes, “You go to rent a house and help me watch her every day. If a man accosts her, you can sabotage them.”

Chen Xiaopang looks at him as if he is a fool, “Are you stupid? You won’t go yourself. What will be the use of my going?”

“Well, I can’t go now!” Tang Cao scratches his hair impatiently, “Don’t ask so much. If you are my brother, you can go for me.”

So Chen Xiaopang gets on the plane at night. In the middle of the night, Tang Cao finds that Chen Xiaopang is actually live broadcasting the luxury first class of the luxury plane.

Tang Cao is speechless.

“He says he won’t let my brother go until the baby is born.” Ning Lingshan calls Tang Ming, who once again rejects her.

Tang Duo shakes her head, “He doesn’t believe you. In fact, according to his character, I’m sure to tell you that he won’t send your brother back at all. When you have a baby, his plan will just begin.”

Tang Ming is just playing a big game. He wants to use Ning Lingshan and this child to nibble the Tang Family step by step. As long as he has Ning Lingshan’s brother in his hand, Ning Lingshan will have to listen to him.

“In fact, he thinks too much.” Tang Duo smiles and says, “As I said at the beginning, if the child is born, we will not let you see the child or even leave you in Yanjing.”

“I know.” Ning Lingshan smiles bitterly, “I later knew that I was wrong. If I continue to listen to him, I won’t end well.”

She has changed her mind completely now. The Tang Family has no obligation to help her. It’s a favor of the Tang Family to promise to help her. Besides, she almost hurt Tang Cao and Fang Diandian. Now she only hopes that her brother can come back. After her brother comes back, she can do everything to repay the Tang Family.

“You don’t have that ability.” Tang Duo says, “When it’s over, you must take your brother away from Yanjing, or Tang Ming won’t let you go.”

On a rainy night, Xiaokai brings Ning Lingshan’s brother back.

Ning Lingshan thinks she is dreaming when she is woken up. When she comes downstairs to see her thin little brother, she collapses.

“Xiaowen... Xiaowen!” Ning Lingshan rushes to hug her brother.

The little boy is very thin and looks a little malnourished. It can be seen that the person who took care of him was not careful and he might have been abused.

“He was hurt and pinched. No other injuries.” Xiaokai reports to Lang Ruoxian, “It is estimated that the person who took care of him was afraid of killing the child.”

When Xiaowen sees Ning Lingshan, he can't believe it. Then he holds her tightly and weeps silently. Seeing the situation, Bai Susu asks the housemaid to cook something to eat. The little boy dares not to eat. After Ning Lingshan accompanies him, he then eats slowly.

“I asked him to eat on the plane but he didn't eat.” Xiaokai whispers.

Chang Pei'e shakes her head, “He must be scared. Such a small child has a shadow in his heart.”

“Do you see that?” Tang Yao whispers to Tang Cao, “I often scared you to throw you away when you were a child because you didn't listen to me. If I had thrown you away, you would have been like this child.”

Tang Cao has nothing to say.

“Go to bed after eating. We'll talk about it tomorrow morning.” Bai Susu first helps Chang Pei'e back to her room.

The next day Gungun gets up and is shocked to find that there is another child at home.

“Mom, who is he?” Gungun asks Tang Duo secretly.

Ning Lingshan's matter is hidden from the two children. Wuyou can see the problem. Gungun is a normal child so he doesn't know. He always thinks that Ning Lingshan has nowhere to live so she lives in their house for a few days.

“He's Aunt Ning Lingshan's younger brother. He used to live in their hometown. Now he comes to Yanjing to see a doctor.”

Without a doubt, Gungun says in sympathy, “Is he ill? No wonder he is so thin.”

Tang Duo doesn't want Gungun to get more contact the kid. She urges Gungun to put on his coat for school. Lang Ruoxian needs to stay and deal with Ning Lingshan's matter, so Tang Yao volunteers to send two children to

school. When they leave, Chang Pei'e takes Xiaowen to the garden. The others sit in the living room for a meeting.

"I don't care what you will do. I've booked a ticket. I'm going to find Diandian." Tang Cao says first. Then he looks at Ning Lingshan gloomily, "Maybe I need your explanation then."

Ning Lingshan says quickly, "I can call Miss Fang now."

Tang Cao snorts coldly and then takes back his eyes.

"You call Tang Ming now." Lang Ruoxian waves to Tang Cao. Tang Cao can go wherever he wants to go. Looking at Ning Lingshan, Lang Ruoxian says, "He should have known your brother is gone now. Even if he doesn't know, it doesn't matter. You pretend not to know and say you want to talk to your brother."

"OK!" Ning Lingshan picks up her phone.

Ning Lingshan turns on the hands-free. When Ning Lingshan says that she wants to talk to her brother, Tang Ming begins to find reasons. It seems that he already knows that Xiaowen has been taken away by others. He tries to test Ning Lingshan.

"I'm not free today. I'll have your brother call you tomorrow." Tang Ming says on the phone, "What about you? Do they doubt you?"

"No." Ning Lingshan pretends to be excited, "I want to talk to Xiaowen today. I dreamed of him last night. He cried and said he was hurt. Do you take good care of him?"

Tang Ming says no differently than usual, "What do I lie to you? Don't forget that your brother is in my hand. You are not qualified to talk with me about the terms. When will they promise you and Tang Cao to get a marriage certificate?"

Ning Lingshan looks at Lang Ruoxian, who beckons her to continue.

"Hum. I won't believe you anymore. If you don't let my brother talk to me, I will tell Bai Susu that I won't marry for the time being!"

Tang Ming is silent for a few seconds, "Okay, wait, I'll let him call you."

Chapter 362 Sweet Orange

After waiting for two hours, the phone rings. It is Xiaowen's voice, but Ning Lingshan can hear that it is not Xiaowen. She talks with Xiaowen for a while as usual and then hangs up.

Just after hanging up, Tang Ming calls again, "Miss Ning, if you want your brother to come back as soon as possible, you should marry Tang Cao quickly. Don't challenge my patience anymore, or I can change a person. You have only one younger brother."

Tang Ming fiercely hangs up the phone. Ning Lingshan looks at Lang Ruoxian with apprehension.

"Hua, now you can decide whether to send her brother abroad for surgery or let them stay in Yanjing."

Tang Duo looks at him blankly, "What's the difference?"

Lang Ruoxian touches her head, "If she goes abroad, she will be free. I will let someone stare at her. If she stays in Yanjing, she will be arranged to kill the fetus tomorrow."

"If we stay in Yanjing, my brother's operation..." Ning Lingshan asks carefully.

"Your brother's operation can be done at home." Lang Ruoxian says, "What I promised you will not change."

Ning Lingshan immediately says that she has no objection. For her, her brother's operation is the most important. As for the child... Her pregnancy reaction is not good. She begins to see blood these days. She is a nurse. She knows that the fetus will stop developing soon.

Tang Duo looks at Ning Lingshan's belly, "Send them to abroad."

Abortion is not virtuous. Chang Pei'e tells her before that in order to accumulate happiness for the family, just let it be!

"Okay." Lang Ruoxian asks Shu Sheng to arrange. Tang Cao looks at Ning Lingshan when he leaves.

Tang Cao says coldly, "I hope this is the last time I see you."

"Sorry..." Ning Lingshan bows deeply.

Tang Ming is crazy. How could the child disappear? The bodyguard who was sent to look after the child said he didn't see the child when he woke up. Who took the child away? Or did the child run away by himself?

He can't figure out what was going on. He has to stabilize Ning Lingshan first. Anyway, she can't see her brother. She doesn't know there is something wrong with her brother. But Tang Ming knows he can't keep it from her for long. In case Ning Lingshan wants to video with her brother next time, it will show up.

"Go to look for the child. If he is taken by someone, there will always be a trace." Tang Ming tells the bodyguard, "If he runs by himself, it will be easier for you to catch him. I give you three days! You must get him back in three days."

Tang Ming has no doubt that the child has been taken away by Lang Ruoxian, because he thinks Ning Lingshan won't change sides. Especially after bearing Tang Cao's child, the Tang Family will not forgive her. They take her in the Tang Family for the sake of her baby.

Ning Lingshan and her brother are sent away soon. Lang Ruoxian asks someone to stare at her until the baby in her stomach is gone. Tang Cao also flies to find Fang Diandian. But when he arrives at the address provided by Chen Xiaopang, the landlord tells him that Fang Diandian has left yesterday.

"She's gone" Tang Cao is surprised, "Where has she gone?"

Of course the landlord doesn't know. The landlord just says that Fang Diandian has refunded the rent and left with luggage.

Tang Cao calls Chen Xiaopang.

"She has gone?" Chen Xiaopang is dumbfounded, "I saw her yesterday."

"Where did you see her?" Tang Cao is angry. Chen Xiaopang can't even look at a person.

Chen Xiaopang says, "I saw her go back. She goes back every afternoon and she doesn't come out at night."

"So she left last night. Why didn't you stare at her at night? You live across from her!" When Tang Cao says this, he hangs up and goes back to the house Chen Xiaopang rents.

Chen Xiaopang stands up suddenly and says, "She is very good every day. She never comes out at night. How could I know that she would run?"

"You went to the bar last night!" Tang Cao smashes him with a pillow, "Will you die without a woman in a day?"

"No..." Chen Xiaopang thinks for a moment and says, "I met a white woman with big breasts. When she was on the bed..." Seeing that Tang Cao wants to kill him, Chen Xiaopang shuts up.

"Who are you calling? Are you calling the police?"

Tang Cao says angrily, "I am calling my brother-in-law to see if he can find out where Diandian is."

The next morning, Shu Sheng tells Tang Cao that Diandian has returned home. It seems that there is a relative of her family who is married. She goes to the wedding.

"Okay!" Tang Cao breathes a sigh of relief and kicks Chen Xiaopang, "Hurry up! We are going to the airport."

Chen Xiaopang never gets up so early. He holds the quilt and shouts, "No! I'm still a baby. I want to sleep!"

"Hurry up, or I won't wait for you."

Finally, Chen Xiaopang has to get up and go to the airport with Tang Cao.

When Tang Cao is on the plane, Fang Diandian is sitting in the cafe with Tang Duo.

"That's what happened." Fang Diandian is stunned after listening to Tang Duo, "It's like making a movie."

“That’s it.” Tang Duo shrugs and says, “Tang Cao should tell you in person. But I’m afraid he is too stupid to make it clear. Then you will be angrier.”

Fang Diandian scratches her face, “I... I...”

“Think about it for yourself! When he comes back, he will definitely confess to you this time.” Tang Duo smiles, “You know our family like you very much. So if you want, you will be my sister-in-law in the future!”

Fang Diandian flushes.

But she’s happy now. She cried every day in foreign countries during this period of time. She was very sad. Tang Cao had a child with another woman. Even if Tang Cao said it was an accident, she couldn’t accept it.

Now...

Although the child still exists, Tang Cao is still a virgin.

So Fang Diandian waits for Tang Cao to come back obediently. Tang Duo goes back to talk to Lang Ruoxian.

“This is Diandian. If it is me, I will ignore Tang Cao.”

Lang Ruoxian just comes out of the bath. When he hears Tang Duo’s words, he smiles, “We’ve been busy with their business recently. You’ve forgotten that our twins are going to be one year old.”

“Yes!” Tang Duo calculates, “The 16th of next month.”

She looks at the date and says, “I’ll discuss it with Mom tomorrow and see how to celebrate.”

“Fourth Uncle and Lang Yukun will come.”

Tang Duo is not surprised. They are the only relatives of Lang Ruoxian. Tang Duo doesn’t want to contact Lang Jia and Lang Jie.

“Will Lang Yukun bring his little girlfriend?” Tang Duo is more curious about this.

Lang Ruoxian nods, “He should bring her. I heard that he will bring her wherever he goes.”

“I can finally see her!” Tang Duo smiles, “Then I’ll ask Fei Ying and Sister Chen. If they have time, they can come to get together.”

Fei Ying’s son went to Fei Yi’s home abroad when he was one year old. It’s said that a great-grandpa suddenly appeared in their home, so Tang Duo didn’t go. She can make up a gift for the little guy.

Sister Chen also gave birth two months ago. She specially asks Tang Duo to watch her baby with the video. They planned to get together again when her daughter was one year old.

“We’re going to celebrate their birthday.” Bai Susu has been thinking about it for a long time.

Chang Pei’e smiles and doesn’t say anything. Tang Yao rarely uses his head, “Then Tang Ming will find Ning Lingshan is not here.”

“He’ll find out in a few days.” Lang Ruoxian says, “If the reporter doesn’t report and Ning Lingshan doesn’t contact him, then he will naturally know what’s going on.”

Bai Susu sneers, “Yes, I’ll send him an invitation. I’ll see if he dares to come!”

“Ah!” Lele, who is playing on the ground, holds the ball and shouts.

The twins are almost one year old. They have completely changed their appearance, especially Lele. Her big eyes are always watery and her small mouth is pink. The Tang family doesn’t boast. They really haven’t seen such a beautiful baby.

Besides, she is very sweet. If someone smiles to her, she will also smile. She is very cute.

“Oh, my baby!” Tang Yao quickly catches the ball and gets a sweet smile from the baby. Even Lang Ruoxian has to admit that his daughter is very cute.

“I think Lele should change her nickname.” Tang Duo picks up a sweet orange to eat, “She’s so sweet. Call her Orange!”

“It doesn’t sound good.” Bai Susu has different opinions, “Call her Sweet Orange. It’s good!”

An'an's eyes widen. Although the child is also good-looking, he always has a serious face. He seldom laughs at people except his family. Tang Duo always thinks that her little son is like Lang Ruoxian. He is like an old man when he is young.

"Your name is An'an." Tang Duo pokes her son's face, "Look at you. You are so young but you always frowns. I will call you Little Old Man."

Bai Susu glares at her and says, "Don't talk nonsense. An'an is so good-looking. He has been steady since childhood!"

Then she picks Lele up and says, "Oh, Lele. No! Sweet Orange is a girl. A girl should be sweet and cute!"

Sweet Orange shouts, "Ah!"

"Mom!" An'an suddenly says.

Tang Duo is stunned, "What's An'an called? Call it again!"

"Mom!" An'an puts out his chubby arms to hug.

Tang Duo quickly picks him up, "Did he just call Mom?"

"Yes." Lang Ruoxian nods.

In fact, he didn't even hear clearly.

"An'an, call Mom again! Call Mom!"

An'an calls, 'Mom... Mom...'

"My God!" Except for Lang Ruoxian, the whole family is excited.

Tang Yao rubbed his hands, "An'an must be a genius. He can call Mom before he's one year old!"

"Dad, there are records in foreign countries. Some children can call others when they are seven months old." Lang Ruoxian says untimely but he is ignored by everyone.

An'an has always been regarded as a clever boy. He is surrounded and boasted by everyone. However, An'an is no longer open his mouth in Chang Pei'e's arms. No matter how others coax him, he doesn't call.

Lang Ruoxian wants to say that An'an is probably unconscious. He opens his mouth but doesn't say anything. Anyway, he will be ignored...

But the next day he finds out he is wrong. Because when they have breakfast, An'an clearly calls Tang Duo Mom. Tang Duo proudly shows off to Lang Ruoxian.

"Look, our son calls me first!"

But a few days later, when Lang Ruoxian returns from work, Sweet Orange suddenly reaches out and shouts at him.

"Ah... Dad!"

The whole family is dumbfounded!

Lang Ruoxian is also surprised.

"Ha-ha! We must have heard it wrong." Tang Yao immediately picks Sweet Orange up, "What did you just say, Sweet Orange?"

Sweet Orange still stares at Lang Ruoxian. Then she reaches out to hug him, "Dad..."

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 363 Chasing a girl

Maybe Sweet Orange is influenced by An'an. She can suddenly call Dad.

"Why don't you call me Grandpa?" Tang Yao says jealously. He spends more time in front of Sweet Orange every day than Lang Ruoxian!

"How can she pronounce such difficult syllables?" Bai Susu takes over the baby from Tang Yao. Sweet Orange still waits for Lang Ruoxian to hug her.

Lang Ruoxian says, "I'll wash my hands."

After he washes his hands and takes over Sweet Orange, Sweet Orange looks at him with her watery eyes, “Dad...”

“Call me Dad.” Lang Ruoxian corrects her pronunciation seriously.

Tang Duo laughs beside him, “I heard Fei Ying say that children are pronounced like this at the beginning. Sweet Orange, call me Mom! Mom...”

Sweet Orange shouts, “Dad!”

Tang Duo says, “Mom...”

Sweet Orange still shouts, “Dad...”

Tang Duo is helpless.

So from this day on, the twins call Dad and Mom from time to time. Sometimes they call Grandma and Grandpa. When Tang Cao comes back, he knows that the twins can call Dad and Mom and Lele even changes her nickname. Tang Cao is surprised.

“I’ve only been away for three days...”

Then he joins Tang Yao. He asks the twins to call Uncle every day. But he still has more important thing to do now. He goes to find Fang Diandian. This time Fang Diandian’s father lets him in, though his face is still dark.

“Wait, I’ll ask Diandian to go downstairs.”

Tang Cao nods flatteringly and then sits in the corner of the sofa like a schoolboy. After a while, Fang Diandian comes down from the upstairs. When she sees Tang Cao, she has no expression.

“Diandian!” Tang Cao is nervous. He is afraid that even if Fang Diandian knows the truth, she still won’t forgive him.

When Chen Xiaopang sent him over, he said.

“After all, you have been masturbated by others. If Diandian is a fanatic for cleanliness, she will have a psychological shadow. She won’t touch you for a lifetime. Your sexual happiness will be over.”

Tang Cao is nervous.

“What are you doing here?” Fang Diandian sits on the opposite sofa, far away from him.

Tang Cao stutters, “I... I come to see you.”

“Then you have seen me now. You can go.” Fang Diandian stands up.

Tang Cao grabs her in a hurry but he hears a cough coming from behind. He turns around and sees Fang Diandian’s father standing in the corner and looking at him gloomily.

“Don’t go, I... I have something to tell you!” Tang Cao quickly retracts his hand.

Fang Diandian squinted at him, “Say it.”

“I... I...” Tang Cao is nervous. Fang Diandian’s father still stares at him behind.

Suddenly Fang Diandian’s mother comes out of the kitchen and drags Fang Diandian’s father away. Fang Diandian’s father grabs the leg of the table and shouts.

“Don’t drag me. I’ll stay and watch this bastard. He...” The voice is getting smaller and smaller and at last the whole hall is quiet.

Tang Cao plucks up his courage and stands in front of Fang Diandian. He looks at her and says, “Diandian, did my sister tell you? I did that to help Ning Lingshan. I didn’t want to help her at all. She calculated me and I wished I could kill her.”

“But my brother-in-law promised that he would help her save her brother, or she would not tell the truth.” Tang Cao looks at Fang Diandian pitifully, “Diandian, I... I know I’m wrong. I’ll never drink again. Don’t ignore me!”

Fang Diandian wants to be restrained. But after listening to Tang Cao, she bursts into tears. Tang Cao is even more anxious. He is worried about where the future father-in-law is hiding. So he dares not to wipe her.

“Don’t cry! It’s my fault. I’m a bastard!” He has to pull his hair, “I... If I have found out earlier that I like you, I must have kept a distance from all women.”

The feeling of death ray is coming again! Tang Cao immediately corrects, "You know, I always keep a distance from women! Ning Lingshan was an accident because she calculated me on purpose."

"Didn't you say I was stupid?" Fang Diandian cries and asks, "Why do you like me?"

"No!" Tang Cao waves his hand, "I said that you were stupid. In fact, I mean you're cute! I haven't seen such a lovely girl like you."

Fang Diandian cries more loudly, "You cheat me. You are always ferocious to me. Last time, you said that I didn't look good in short skirts. You said that my legs were thick."

"I didn't!" Tang Cao shouts, "I... I was jealous! Yes, I was jealous." He is very eager to survive, "I don't want other men to see your legs."

Fang Diandian sobs and asks, "Then you really like me. You don't think I'm stupid. I'm not a celebrity and my family is not rich as yours."

"I really like you!" Tang Cao keeps nodding, "I like you so much. I wish I can marry you right away. I'm not smart either. We're just a couple. We can laze away together. Anyway, my brother-in-law has money!"

Fang Diandian's father, hiding in the dark, wants to beat this boy.

Fang Diandian chuckles with tears on her face. She chokes by her own tears and coughs.

"Diandian, what's wrong with you?" Tang Cao doesn't care about the death ray. He quickly helps Fang Diandian to pat her back and then takes the water on the table for her to drink.

Fang Diandian takes a few sips, takes a slow breath and says angrily, "Then I can't forgive you. You always bullied me before! I was so sad."

"No!" Tang Cao is so anxious this time. He holds Diandian in his arms, "I've fixed the way. Hurry up!"

"What way?"

Tang Cao lowers his head and looks embarrassed, "The way to my heart."

Fang Diandian is speechless.

“Are you possessed by something strange?” She pushes Tang Cao away and looks at him.

Tang Cao thinks, “F**k! Chen Xiaopang, you are a fool. Did you say that the most effective way is to say lover’s rustic prattle?”

“Diandian...” Tang Cao has no way, “How can you forgive me? I can do whatever you say.”

Fang Diandian thinks for a moment and says, “Then you chase me!”

“What?” Tang Cao is stunned.

“Chase me!” Fang Diandian squints, “Are you unwilling? Didn’t you say you like me? Then you chase me like other boys chase girls.”

“I am willing!” Tang Cao hurries to say.

As long as Diandian can forgive him, he can do everything!

Tang Cao leaves in a hurry. He is ready to chase Diandian. Fang Diandian’s father closes the door. He turns his head. Seeing his daughter’s excited face, he twitches his lips.

“Diandian, do you like him so much?”

Fang Diandian is a little embarrassed. She says with a smile, “Dad! Don’t be so fierce to him in the future.”

“You haven’t married him yet. But you speak for him.” Fang Diandian’s father says angrily, “Say it! Who do you choose, me and him? You can only choose one!”

Fang Diandian comes over and hugs his arm, “I choose you! Of course I choose you!”

“All right!” Fang Diandian’s mother comes out of the kitchen, “Tang Cao is good. Where can you find such a person in this circle?”

Fang Diandian’s father is not convinced, “Why do we want to find a person in this circle? We have only one daughter. We can take in a son-in-law later. We

don't ask for his family background. As long as he is good to Diandian, he will be okay."

"Dad! Will it be good?" Fang Diandian pushes her father to the sofa, "You can go to see social news. At the beginning, the man is really honest. But once he gets married, he starts to make troubles secretly. He cheats the company into his own name and secretly raises true love behind his wife's back."

Fang Diandian's father is shocked, "Really?"

"Of course, it's true." Even Fang Diandian's mother says, "Isn't that the TV drama I watched before? After the death of the father-in-law, the man showed his true face. He took the company as his own and drove his wife out to take the other woman."

Fang Diandian's father is speechless.

"So, Dad!" Fang Diandian pats him on the shoulder, "Not every playboy is a bad guy. Not every poor student is a good guy."

Tang Cao rushes out in a hurry. Chen Xiaopang thinks he's driven out again and plans to comfort him.

"What should I do to chase a girl? Send flowers? Date?" Tang Cao asks as soon as he gets on the car.

Chen Xiaopang says, "Does Diandian forgive you?"

"Yes!" Tang Cao is happy, "She asked me to chase her. So she has forgiven me."

Tang Cao is not stupid at this time...

Chen Xiaopang says sulkily, "How could Diandian do this? I sent her a message to let her not forgive you so soon..."

"What are you saying?" Tang Cao is angry, "Why you do such a despicable thing? Do you have any intention to make us break up?"

Chen Xiaopang rolls his eyes, "Are you finished? Then we will leave."

"Where are we going?"

“Aren’t you going to buy flowers?”

The next day, Fang Diandian goes to school for class. At noon, when she comes out of the canteen, she sees that all the students are running towards the school gate. Several girls are excited and blushed.

“What’s the matter with them?”

Chen Yan with her says, “I don’t know. Is there a star coming?”

“Then let’s have a look!” Fang Diandian is also excited. She starts running. Running to the school gate, she sees Tang Cao leaning against his gorgeous sports car. The back cover of the car is open. It is full of roses.

Fang Diandian doesn’t know what to do.

Does she have time to go now?

“Diandian!”

She has no time...

Tang Cao waves vigorously and shouts, “Here, come here!”

Fang Diandian walks under the crowd of hundreds of people. Her face is even redder than roses.

Tang Cao stares at her and says, “Diandian, you are so beautiful!”

Why did he just feel Diandian cute before? Diandian is also beautiful! She is more beautiful than his sister!

Tang Duo squints.

“What are you doing?” Fang Diandian glares at him.

“I’m chasing you!” Tang Cao points at the roses with a serious face, “I know you like jasmine. But it will be not nice if it’s like this. I’ll prepare it for you alone later.”

“Don’t do it!” Fang Diandian says in a hurry.

Tang Cao is depressed, “Don’t you like it?”

“No!” Fang Diandian says. But she feels that she says too fast. She twists her body awkwardly and says, “It’s too high-profile. I don’t like it.”

Tang Cao answers her and begins to wonder how he keeps a low profile.

Chapter 364 Bao Yi Marries Into A Wealthy Family

Such a high-profile show of love is sent to the micro blog a few minutes later. Tang Ming doesn’t usually pay attention to it but he happens to go to find Bao Yi today. Bao Yi has been pregnant for three months. She tries to act well and wants Tang Ming to marry her recently.

In fact, she didn’t expect to be so lucky before. Her original plan was to be his mistress and let Tang Ming give her resources. Then she could make a great success in the entertainment industry. She didn’t expect that Tang Ming’s original wife suddenly died!

It is a surprise to her. She’s pregnant. Her goal before that can be higher. She wants to be Mrs. Tang and Tang Ming’s legal wife!

“Uncle, how romantic these two people are!” Bao Yi shows Tang Ming her phone. She knows the psychology of men. When she called Tang Ming Uncle in bed for the first time, the man was very excited. Then she calls Tang Ming so all the time.

Tang Ming puts down his chopsticks and takes a look. It is unintentional. But when he sees the car, his pupils suddenly enlarge.

“Uncle?” Bao Yi finds something wrong with him.

Tang Ming suddenly stands up and says, “I have something to do. You eat it yourself.”

“Uncle...” Bao Yi immediately complains shyly, “You said you would accompany me today.”

She looks at the man with her watery eyes. Tang Ming feels hot. He pinches Bao Yi’s face and says, “Darling, I will take you to buy a ring at the weekend when I get things done!”

After Tang Ming leaves, Bao Yi suddenly laughs. If she guesses right, Tang Ming will buy her a wedding ring.

“This woman doesn’t answer the phone.” When Tang Ming gets back to the car, he calls Ning Lingshan but no one answers.

How can Tang Cao chase others in such a high profile? Isn’t he going to marry Ning Lingshan? Ning Lingshan’s brother has no news. They...

“No!” Tang Ming is suddenly shocked. Has her brother been saved?

“It’s impossible...” He thinks Ning Lingshan can’t have this ability. She even can’t find her brother. How can she save her brother?

Tang Ming starts the car, thinking all the way about what’s going on. In the next few days, he finds that Ning Lingshan is also missing. He asks someone to check. Then he knows that Ning Lingshan resigned and bought a ticket to a small town in the south.

He asks someone to go to the town. But Ning Lingshan seems to disappear this time. No news can be found. Until then, Tang Ming begins to realize that he might have looked down on the woman. Ning Lingshan might have cooperated with the second branch.

“Uncle, does this look good?” Bao Yi reaches out and shows him.

Tang Ming forgot to buy the ring. Bao Yi asked him cleverly yesterday if he would like to go over for dinner at the weekend. She made soup. Then Tang Ming remembered what he said.

“Is it too small?” Tang Ming takes a look. This ring has a good design. But the diamond is not big. It has only 2 carats.

Bao Yi blinks playfully, “Is it convenient for me to take a big ring?”

“You are a silly girl.” Tang Ming smiles, “How can my wife take such a small ring? Change this.” He points to the counter next to him. The shopping guide smiles and takes them out.

“Mr. Tang, this is a pair of couple’s rings. If...” The shopping guide glances at Bao Yi, thinking that this woman is really powerful. She heard that Tang Ming’s wife has just died. But this woman can marry Tang Ming so fast...

“They’re perfect as wedding rings!”

Tang Ming tries and says, “I want this pair of rings. In addition, take out a few sets of diamond and gem jewelry. By the way! Isn’t there a batch of jadeite in your shop recently? Take them out too.”

Bao Yi suddenly hugs him, “Uncle, you are so kind to me!”

“Then you will be obedient and give me a son.” Tang Ming pinches the woman’s chin, “I asked the doctor. Your situation is good. When the weather gets warmer, we will get married.”

Bao Yi looks up. Tang Ming finds her crying.

“What’s the matter with you?” He says strangely, “Don’t you want to marry me?”

“No...” Bao Yi sobs, “I... I’m so happy. I thought... I thought...”

Tang Ming pinches her nose and says, “You are a silly girl. My son is in your stomach. If I don’t marry you, who will I marry?”

The shopping guide wants to vomit but she still smiles.

“Uncle...” When they get out of the jewelry store, Bao Yi asks nervously, “If... If your two sons don’t agree...”

Tang Ming glances at her, “Do you think they can decide my business?”

“But I’m afraid!” Bao Yi pouted, “Then we will live together. I have a baby in my stomach. If I don’t pay attention, something will happen to our baby...”

Tang Ming asks the driver to drive and pats Bao Yi’s hand, “It will not happen. After my wife died, my two sons moved out. There was a daughter-in-law at home. Later, her parents didn’t feel convenient, so they took her back.”

“So we’re the only ones in the family after we get married?” Bao Yi jumps into his arms in surprise.

Holding the young girl’s body in his arms, Tang Ming feels hot. He pinches Bao Yi’s buttocks and says, “At that time I can make love with you anywhere. You will call me Dad!”

Bao Yi laughs in her heart. He doesn't last long every time he makes love.

But she's still in the man's arms coquettishly.

"Tang Yu..." Tang Jie and Tang Yu stand at the door of the Tang Family's old house. Tang Jie hesitates, "Dad asked us to come back. Is he going to talk about the woman?"

Tang Yu frowns. They have not discussed how to go after Huo Liyun died. But they found that Tang Ming had a woman outside. At that time, Tang Jie almost wanted to confront Tang Ming.

"Now that the woman is pregnant, our plan will change." Tang Yu rubs his eyebrows and says, "Don't worry. Mom asked Dad to make a will. As long as we keep the will unchanged, that woman won't get much even if she has a baby."

When they enter the living room, Tang Ming is drinking tea.

"Come, try the fresh tea!" Tang Ming waves when he sees them.

Tang Yu and Tang Jie call Dad and sit opposite Tang Ming.

"You've been busy with the company's business recently." Tang Ming is going to pour tea for them. Tang Yu quickly picks it up, "Dad, I'll do it!"

Tang Jie smiles and says, "Dad, don't say that! This is our own company. This is what we should do."

Tang Ming sighs, "Your mother left suddenly. But what I promised her before she died will not change. Don't worry."

The two brothers look at each other.

"Dad, just say what you want!" Tang Yu pushes his glasses, "Is there anything wrong?"

Tang Ming looks at the kitchen and a woman comes out of it.

"This is Bao Yi. We just got our marriage certificate this morning." Tang Ming's eyes are fixed on the brothers when he introduces Bao Yi.

Seeing their astonished eyes and inconceivable expressions, he has an idea.

“Hello...” Bao Yi comes close to Tang Ming and says hello carefully.

Tang Ming pats her hand and says, “Don’t be afraid. We are family from now on!”

“Ah!” Tang Yu first responds and claps his hands, “Dad, Ms. Bao Yi is so young and beautiful. What do we call her later?”

He smiles and looks happy.

Tang Yu is still shocked but he has already responded. Looking at Tang Ming, he says, “Dad, is this a surprise or a scare for us?”

Seeing that they both have good attitudes, Tang Ming is happy with their understanding and he smiles, “Men like young and beautiful girls. I happen to have a destiny with Bao Yi. I think it’s nice to have her with me for the rest of my life.”

“Well!” Tang Jie nods, “Dad would like to give Ms. Bao Yi a place. We will be one family in the future. As for address, it’s too improper to call you Aunt. Let’s call each other’s names!”

Tang Yu says, “Dad, when are you planning to have a wedding?”

“Let’s talk about it when it’s warm.” Tang Ming thinks about it and says, “You go back and tell your wives. We will make time for a family meal.”

Four people look very harmonious. Tang Ming’s phone rings. He looks at the number and frowns.

“Hello? Tang Yao?”

He smiles mockingly, “How do you think of calling me?”

“Really...”

“When?”

“No problem. I will be there.”

After hanging up, Tang Ming’s face darkens.

“Dad? Is it Second Uncle?” Tang Yu asks.

“Ah... The twins in his family are one year old. He invites us to the birthday party.” Tang Ming leaves his phone aside, “I promise him we will all go. I will take Bao Yi out.”

Tang Yao puts down the phone, “Hum! If I didn’t want to see if he knew that Ning Lingshan was gone, I wouldn’t call him.”

“He must have doubted.” Bai Susu looks at the picture book and chooses the decoration style of the birthday party with Tang Duo. An’an reads a book on the carpet next to them. There are many small animals that can make noise on it. They don’t know whether he can understand it or not. Anyway, he holds it when he eats and sleeps.

Sweet Orange’s favorite thing in daily life is to eat her feet or bite Lulu’s ears. At first she bit Lulu’s tail. Tang Duo tells her that Lulu has too much fur on her tail, which is easy to be eaten by Sweet Orange. Later, Lulu only lets Sweet Orange bite her ears.

“Ning Lingshan sent me a text message yesterday, saying that the pregnancy reaction was terminated. The doctor said that the fetus had stopped developing and she had an abortion.”

Chang Pei’e read the Buddhist texts and says, “I hope that child can live a good life in the next life.”

“Grandma, don’t think too much.” Tang Cao wanders down from the upstairs, “Even if there is a retribution, it will come to Ning Lingshan. It’s none of our business.”

Tang Duo sees that he is dressed in fancy clothes, so she asks, “Where are you going to play?”

“I’ll go to the cinema with Diandian!” Tang Cao laughs and kisses the twins. He is despised by Lulu.

He touches the dog’s head and stands up, “I invited her parents to come to the twins’ birthday party.”

“You did it right.” Bai Susu nods, “Then we can show our attitude and let them rest assured. Then they will give you their daughter.”

At Yanjing airport, a small figure comes out of the restroom, looks around blankly and then walks in a direction.

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 365 Is She Lost?

“Is Lang Yukun’s girlfriend lost?” Tang Duo takes the phone and asks, “How could she be lost? Where did she get lost?”

Today Lang Ruoxian’s fourth uncle and Lang Yukun arrived in Yanjing. They said that they would come to visit them in the afternoon. Bai Susu got up early in the morning to prepare the dinner menu. As a result, Lang Ruoxian calls to say that Lang Yukun’s little girlfriend is lost at the airport.

Tang Duo is speechless.

“Did they call the police?” After Tang Duo hangs up the phone, Bai Susu asks, “She is lost at the airport. It should be easy to find. They can broadcast, unless...”

Tang Duo looks serious. They both think of something.

If she doesn’t show up after the broadcast, she may not be able to hear the broadcast, or she has left the airport, and the worse result is that she can hear it, but she can’t show up.

“Are Ruoxian’s fourth uncle and Lang Yukun still at the airport?” Bai Susu thinks and says, “What can we do for them?”

Tang Duo says, “Lang Ruoxian has gone to the airport. They dare not to leave the airport because they are not sure if the girl is still there.”

Lang Yukun stands in the VIP room of the airport with a dark face. In front of him is a line of bodyguards with their heads down.

“Well, Yukun.” Lang Qin, who is sitting next to him, raises his hand, “They didn’t mean to. No one knew there were two doors in that bathroom.”

The head of bodyguard is a strong man in his forties. He shakes his head in shame, “Sir, Young Master is right. It’s our fault. We should investigate the capital airport in advance.”

“It is an accident.” Lang Qin looks at Lang Yukun and says, “You should have confidence in You Hao. She has recovered well in the past two years. At least she has the ability to take care of herself.”

Lang Yukun purses his lips and doesn't say a word. His heart is like baking on the fire. His little girl goes out for the first time. The capital airport is so big.

“I can't calm down. Dad, think of the mood when You Hao came out of the bathroom and found that we were not there. I...”

When Lang Qin is about to open his mouth, he sees Lang Ruoxian coming in with several people.

“Ruoxian comes here.”

Lang Yukun suddenly turns around and says, “You are finally here. Now it's your territory. Help me find her.”

“Fourth Uncle.” Lang Ruoxian nods at Lang Qin.

Lang Qin stands up and says, “Have you heard the radio when you came here. The radio broadcasts every few minutes. The bodyguard has searched the airport several times but the airport is so big. I don't know if there is an omission. The only thing we can be sure is that You Hao is still at the airport.”

“No exit surveillance saw her go out.” Lang Yukun also calms down, “But it is worse. Why does she not appear after hearing the broadcast?”

Lang Ruoxian looks at the crowded airport outside the window, “As long as she is still at the airport, we can find her sooner or later. How long has it been since she disappeared?”

“Three hours.” Lang Yukun is upset. He can't imagine what will happen. If he loses You Hao again, he doesn't know what his life will become.

The head of the airport guard runs in. Seeing Lang Ruoxian, he greets.

“Mr. Lang!”

Lang Ruoxian nods, “I'm sorry to trouble you. Can you go to find her again?”

“Don’t worry. We have been looking for her since we knew their identities. Just now Mrs. Tang also called us. We promise that as long as she is still at the airport, we will find her!”

Lang Ruoxian says, “Now we have to think about the reason why she is at the airport but she can’t hear the radio and she doesn’t appear. Yukun, what do you think?”

“He dares not to think at all.” Lang Qin looks at his son and says, “This is the capital airport. Unless someone needs to take her as a hostage, the probability of human traffickers is too small.”

Lang Ruoxian agrees, “Then the possibility of her being controlled is very small. If so, she should be safe now.”

“Is it because she can’t hear the radio?” The guard says, “A lot of young people are used to listening to music with earphones and turning it up loud. We have met many times. Some people forgot to board the plane when listening to music or watching video. We broadcast on the radio but they couldn’t hear.”

Lang Yukun’s eyes brighten. If this is the case, it will be best result.

“But she has no such a habit.” Lang Qin says, “She is special. The doctor specially reminded her not to listen to music with earphones, which is easy to induce autism.”

Lang Ruoxian suddenly asks, “Will she be curious? Will she want to hear if she saw others listening?”

Lang Yukun is not sure and he says, “We didn’t let her use the earphone. The bodyguard at home saw that she was curious so he let her listen to it. After finding that there is no sound, she was not curious.”

Lang Qin nods, “If someone lets her listen to music or watch videos, she will be addicted to it.”

“But it’s impossible to watch it for three hours...” Lang Yukun feels that he has been waiting for a long time. He becomes upset again and says, “Who will wait for three hours at the airport?”

The person in charge of the security department smiles, "There are too many cases. There are flight delays every day. Three hours is a short time."

"Let's try." Lang Ruoxian says, "Go to find those who listen to music and watch videos with earphones. Some people may lie down. Pay attention."

As soon as his voice falls, Lang Yukun's bodyguards rush out.

"They usually take care of her." Lang Qin pats Lang Yukun on the shoulder, "You see, those closely involved can't see clearly. As long as it's something to do with You Hao, you will lose your ability to think."

Lang Yukun rubs his eyebrows, "So I asked him to come over the first time."

"My time is precious." Lang Ruoxian looks at him, "You called me to get to the airport. Hua has to pick Gungun up from school. Now it is full of catkins in this season. She will be uncomfortable. You..."

"Shut up!" Lang Yukun's melancholy disappears because of this guy, "You can make requests after you find You Hao, and... Are you qualified to make requests? You work for other's company and make me have to stay in G City to work for the company."

Lang Ruoxian hums coldly, "I've already given you Lang Consortium. If you don't want to do anything, you can donate the company."

"You're such a guy..."

"All right." Lang Qin glares at them, "Do you two think you are children?"

They make the atmosphere not so tense. Lang Yukun can't sit still so he also goes out to look for You Hao. Lang Qin chats with Lang Ruoxian. He asks Lang Ruoxian how his life in Yanjing and if the new company is going well.

About half an hour later, two bodyguards come back. They are excited.

"We found her! We found her!"

Lang Qin hurries to look at the door. Lang Ruoxian also stands up and sees a bodyguard holding a little girl in his arms. She is a little girl because she is not high. It's probably that she's afraid to be seen. She's wrapped tightly in her overcoat. Lang Ruoxian can just see her hair.

“Call Yukun quickly!” Lang Qin asks them to put You Hao on the sofa. As soon as the overcoat is lifted, a white, tender and chubby face appears.

Lang Ruoxian sees that she is sleeping soundly.

Tang Duo hands up the phone and breathes a sigh of relief, “They found her!”

“Where did they find her?” Bai Susu and Chang Pei’e both ask curiously.

Tang Duo twitches at the corner of her mouth, “She fell asleep.”

After going out from the back door of the bathroom, You Hao didn’t see Lang Yukun. At first, she was scared and she walked around like a headless fly. Then she’s farther and farther from the bathroom. When Lang Yukun found out, she was already submerged in the airport hall.

“Lang Ruoxian said that she saw a little child holding a tablet computer and watching SpongeBob SquarePants. She stood by him and watched. The child is a five or six-year-old boy. He gave her an earphone passionately. Then they sat there and watched together.”

Chang Pei’e says, “This girl is really...”

“Mom, do you forget that she’s different from a normal person?” Bai Susu also wants to laugh, “And then?”

Later, the boy was about to board the plane so he left with his parents. When he left, You Hao was asleep. The little boy didn’t wake her up very attentively. Not only did he not wake her up, but he was afraid that others would affect her sleep. So he covered her head with a small towel from the hotel...

“Ha-ha!” Chang Pei’e laughs and she feels lucky again, “Fortunately, she met a warm-hearted child.”

Bai Susu smiles and shakes his head, “Without him, You Hao must have kept searching. If she couldn’t find Lang Yukun, she would cry. Then the airport police would pay attention her and send her back.”

“Nothing happens anyway.” Tang Duo says and hears some noises. Tang Yao comes back with two children.

Bai Susu waits for them to wash their hands and change their clothes. Then everyone comes to the living room to gather.

“Our family will have a sister as a guest later. She’s different from other people.” Bai Susu looks at Tang Yao and the children, “Gungun, you should pay attention not to ask her why, or she will be sad.”

Gungun frowns, “How is she?”

“Um...” Tang Duo thinks for a moment and says, “Although she looks like Aunt Diandian, she is actually like you and Wuyou.”

Tang Duo’s words make Gungun confused. Everyone explains to him for a long time, but he can’t understand. Later, Wuyou says.

“She was hurt by bad people. Although she is an adult, she is actually a child.” Gungun, who is eight years old, widens his eyes, “Is it magic?”

Others are speechless.

Wuyou says, “Yes. So we can’t let her be found, or she will be very dangerous.”

“I see!” Gungun’s eyes are firm, “I will play with her well.”

Then he takes Wuyou upstairs and decides to choose a gift for You Hao. Looking at the backs of two little guys and a dog, Tang Duo is worried, “Mom, do you think the kid will grow up like You Hao...”

“Don’t talk nonsense.” Bai Susu glares at her, “Gungun is naive... He is cute.”

Doesn’t she want to say that Gungun is stupid?

When Tang Cao comes back with Fang Diandian, Bai Susu tells them again. Then everyone waits for Lang Yukun and others to come home.

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 366 You Hao

When it is getting dark, finally there is some movement outside. Several cars are parked at the gate of the villa.

Gungun runs out first, who is followed by Lulu.

“You finally come!” Bai Susu welcomes a group of people to come in.

Lang Qin meets them for the first time. Although they are of the same generation, he is much younger than Tang Yao and Bai Susu. So he opens his mouth and greets, “Brother, Sister-in-law, is it OK for me to address you so?”

“It is OK.” Tang Yao laughs, “Since you are Ruoxian’s uncle, we are family! Come in quickly.”

Chang Pei’e looks out from the living room. Because it is still very cold outside, Tang Duo doesn’t let her go to the door. The old lady cries out in a hurry, “What are you doing at the door? Come in quickly!”

“Coming, coming!” Bai Susu leads everyone into the living room.

Lang Qin shakes hands with the old lady quickly, “Aunt, how are you?”

“I am fine. Oh! Why are your Lang Family members all good-looking? The young generations are good-looking, and even the father and uncle are also good-looking.”

Lang Qin laughs, “It can’t compare with you. You are good-looking on your own and your granddaughter is better-looking!”

“Don’t flatter each other!” Tang Cao shouts, “Clearly I look good, too. Uncle Lang, why don’t you praise me?”

The atmosphere is very pleasant, and then those youngsters also greet each other. You Hao, who has been hiding behind Lang Yukun, has become the object of everyone’s attention.

“Yatou, there are all family members. Don’t be afraid.” Lang Yukun takes the young girl’s hand and says softly, “How about saying hello to everyone?”

When a small head pokes out, Tang family members cry in their hearts, especially Tang Duo. She saw photos of You Hao before, who was thin and small like a refugee. Now she is white and tender. The big eyes on her chubby face look like two black grapes.

The expression in her eyes is not like that of a 20-year-old girl but is like that of Gungun’s more...

“Hello!” Gungun remembers what adults said and takes the initiative to greet her.

He has just been observing the elder sister, who is definitely different from Fang Diandian.

Perhaps children always have resonance with each other. You Hao watches Gungun and leans out a little.

“I am Gungun, and my formal personal name is Lang Xuanyuan. How about you?” Gungun is serious.

You Hao looks at Lang Yukun, who nods to encourage her.

“Hello!” The young girl finally speaks, whose voice is crisp, also like a child.

After greeting, she seems to feel that she has forgotten something. You Hao quickly says, “I... My name is You Hao, and my formal personal name is...”

She is stunned and looks at Lang Yukun with a worried face.

“You Hao is your formal personal name, and your childhood name is Yatou, which is just like we always call you Yatou at home, right?” Lang Yukun touches her head.

The girl nods and bulges her face to say to Gungun, “My formal personal name is You Hao.”

“I see!” Gungun looks very happy, “Then I will call you You Hao. You Hao, this is Wuyou!”

Tang Family members find that Wuyou unexpectedly smiles. Although the smile is quite unnatural, they can see that she is trying to smile.

“Hello, I am Wuyou.”

Gungun points to Lulu again, “This is my dog, called Lulu. Don’t be afraid, for she is very intelligent!”

“Wangwang!” You Hao suddenly looks very happy.

Lang Yukun smiles, “It’s not Wangwang. It’s Lulu, which is Gungun’s dog.”

You Hao frowns to stare at Lulu for a while, and Lulu barks to respond.

“Not Wangwang.” Then You Hao asks Lang Yukun, “Where’s Wangwang?”

Lang Yukun explains to everyone, “We also have a German shepherd. We were supposed to bring it along this time, but it was injured a few days before leaving, so...”

“It was my fault.” You Hao suddenly says in frustration, “You Hao will not climb trees in the future.”

Lang Qin smiles, “She secretly climbed a tree in the back garden that day. When she fell down, the dog moved beneath her and broke a front leg.”

“It’s as good as Lulu!” Gungun says.

Lulu barks: Woof. Woof!

“It is a retired military dog.” Lang Yukun finds You Hao is not happy again, points to the two chubby babies on the sofa opposite and says, “Look, Yatou, there are two little babies here.”

You Hao’s big eyes blink, staring at the two chubby babies. The two chubby babies also look at her. They can already tell the difference between family members and people from outside. Suddenly there are so many strangers that they are bewildered.

“Gungun, take this young sister to the toy room to play!” Tang Duo suggests.

Gungun nods hard and stretches out his hand to You Hao, “Shall we go to play?”

“Play?” You Hao looks at Gungun, and then looks at Lang Yukun.

When Lang Yukun looks at her, he always smiles gently. He says, “Go and play with your friends!”

You Hao is pulled away by Gungun. Wuyou and Lulu follow them. But when they walk to the stairs, You Hao suddenly breaks free from Gungun’s hand and runs back to embrace Lang Yukun.

“Kunkun, play together!”

Lang Qin sighs, "She is still afraid. She can't go anywhere if she can't see Yukun."

"Then Gungun goes to take down the toys." Bai Susu smiles, "You will play on the carpet in the small parlor nearby."

Fang Diandian stands up, "Then I will accompany them, and I will bring the twins there too!"

After all, she is still an outsider. The family members may have something to say, so she'd better avoid it.

"Me too!" Tang Cao holds up the twins, "Let's go. Let's go to play!"

This time You Hao successfully follows, but after playing for a while she will look up and look this way. Every time Lang Yukun can accurately meet her eyes. The two will smile from a distance and then You Hao bows her head and continues playing.

"Do you usually take her with you to the company?" Tang Duo asks curiously.

Lang Yukun says, "I usually take her."

"This girl is very good!" Lang Qin says, "Go to the company with him and play in her small corner. She will be very quiet."

Chang Pei'e sighs, "What a sin... Can this child recover in the future?"

"I don't know." Lang Yukun shakes his head, "No matter whether she is good or not, I will be with her only in my life."

"She is much better than what she was when I first met her." Lang Ruoxian says, "At that time she did not communicate with the outside world."

Lang Yukun says with relief, "Yes! We went directly to Mi Country for treatment at that time. The doctor said that she was still impressed by some theoretical knowledge points, such as reading characters and so on. She was even better than ordinary people in mathematics and had a very good memory."

But for daily life, and the way she gets along with people, her IQ only equals to a child about five or six years old.

“We’ve been taking good care of her for the last two years and now I think her IQ must equal to a child about eight or nine years old, similar to Gungun.” Lang Yukun is very confident, “Maybe one day she will recover, like normal people!”

Lang Ruoxian glances at him, “What if she keeps being like this?”

“There’s nothing wrong with that.” Lang Yukun and You Hao smile at each other again, “She is a child now, and I will be her father to accompany her to grow up slowly. And when she knows what love is, I will be her husband, “

After a pause, Lang Yukun is ashamed into anger and questions Lang Ruoxian, “What kind of expression is there in your eyes?”

Beast! Lang Ruoxian makes no secret of it. Tang Duo secretly smiles while covering her mouth. This is also a kind of cultivation... But it will take time and energy.

“Don’t worry. Children always have their own blessings.” Chang Pei’e is afraid that Lang Qin may not be happy and says quickly, “Since Yukun has already been like this, you can’t let him change his partner.”

Lang Qin smiles, “Don’t worry! What he will do is his own decision, and I will not interfere.”

Even interference is useless. Lang Qin also advised at the beginning. You Hao had already been like this. Maybe she would be like a child all her lifetime. He asked Lang Yukun to find a suitable wife, and they could take care of You Hao together in the future, but Lang Yukun refused without any consideration.

Lang Yukun said, “I only love You Hao in my life, no matter what she becomes. Besides, even if I look for another woman just for having a wife, how can she treat You Hao well sincerely?”

Later, Lang Qin didn’t mention anything about it. Fortunately, he feels that You Hao has recovered slowly. His son is not unable to wait. Maybe one day his dream will come true.

During the meal, everyone sees once again how Lang Yukun takes good care of You Hao, which is just like taking care of a little baby. Every time when You

Hao eats something delicious, her eyes will become sparkling, and then she will feed the food she has bitten to Lang Yukun.

“...The fish has been poked to be shapeless.” Tang Duo whispers.

The appearance is somewhat disgusting, but Lang Yukun remains calm and eats it. And then he goes to shave fish bones for You Hao and feeds her intact fish meat.

“If I spit out fish meat, will you eat it?” Tang Duo asks with some jealousy.

Lang Ruoxian smiles at her, “Not to mention what you spit out, I shall eat whatever is from other parts of your body.”

“...” The dirty joke is made so suddenly and Tang Duo bows her head to eat with a red face.

After dinner, everyone chats for a while, Lang Qin and his family are ready to go to the hotel. However, as soon as You Hao hears that they are leaving, she eagerly watches Gungun and Wuyou.

“She doesn’t want to go, does she?” Tang Duo smiles, “Children can always play together. Then you don’t need to go! Anyway, there are enough rooms at home, so you can stay at home.”

Lang Yukun, of course, is embarrassed and still wants to leave. Then You Hao eagerly watches him, which makes Lang Yukun’s toes curl. He has to spread out his hands.

“That’s really sorry to disturb you.”

Bai Susu hurriedly asks the housemaids to tidy up the rooms, “You are welcome! We are a family. And the sheets and quilts are all new, which is convenient.”

“You Hao, you can stay!” Gungun happily says, “Shall we continue to play?”

You Hao laughs so much that her eyes can’t be seen. There are two dimples shown on her chubby little face. Gungun can’t help poking. Then You Hao suddenly freezes. Gungun is so scared that he thinks that he has made a mistake and is about to apologize when he sees You Hao jumps into Lang Yukun’s arms with a blush.

“She is shy.” Lang Yukun is also very happy. It is rare for his young girl to be so happy. He touches You Hao’s head, “It is okay. Gungun is your younger brother.”

You Hao turns and nods, and then she walks to the Gungun’s side and bends over so that her face is close to Gungun.

“...What does she mean?” It is time for Gungun to be puzzled.

Wuyou raises her hand and pokes, “She wants you to poke her again.”

Chapter 367 The People at That Time

The first benefit of Lang Yukun and his family’s staying is that when Tang Family members stroll to the dining room for breakfast, they find that this morning’s breakfast is not the same as before.

“Holy sh*t! Auntie, if you just got up late and didn’t have time to do it, you didn’t have to go to a five-star hotel to buy breakfast to replace it...” Tang Cao is going to go to the university with Fang Diandian to pack up today. He rarely gets up early in the morning and is stimulated.

“I don’t have that much money!” The housemaid covers her mouth and laughs, “All of these are cooked by Mr. Lang.”

Lang Yukun brings out a basin of fruit salad from the kitchen, “Just in time. Go and help me call everyone downstairs for breakfast.”

“Are you really a chef?” Tang Cao knows that he had a private restaurant before, but doesn’t know that the person who opened the restaurant is a cook himself.

The housemaid sighs with emotion aside, “Mr. Lang is a very good cook, more excellent than me!”

Chang Pei’e also comes back from the square dancing. She passes by the kitchen and smiles after seeing, “How can we let you cook? Don’t do it tomorrow.”

“You are welcome, Auntie.” Lang Yukun says very honestly and frankly, “You Hao only eats the breakfast I cook.”

Tang Cao curls his lips, “We are just incidental!”

“Don’t be loquacious. Call everyone downstairs to eat.” Lang Yukun has no time to talk to him. He wipes his hands and goes to call You Hao.

When everyone sits down at the table, it is another round of surprise. In particular, the three elders highly praise Lang Yukun, saying that he has cooked delicious food. Lang Yukun is modest in his mouth, but his expression is totally different. He also glances at Lang Ruoxian.

“Cooking this kind of thing depends on persistence. If you can’t do it, you can learn. If you can’t do it well, you can try a lot. And you will finally do it well.” He glances at Lang Ruoxian, “Some people are so smart, but they can’t cook porridge.”

Lang Ruoxian lets out a cry. It is not the time for Lang Yukun to ask him to find You Hao.

“Eat!” You Hao suddenly puts a steamed stuffed bun on Tang Duo’s plate.

Tang Duo is surprised for a moment and then hurriedly says thanks. She picks it up and takes a bite.

“She likes you.” Lang Yukun wipes You Hao’s mouth.

You Hao turns to look at Tang Duo. And then she looks shy, “Good-looking!”

“I know that!” Tang Duo touches You Hao’s head, “Do you mean that I am good-looking?”

Tang Duo nods, and runs into Lang Yukun’s arms. Then she picks up two steamed buns to share with Gungun and Wuyou, and finally gives a sausage to Lulu.

“Woof...” Lulu whimpers twice, bites it in its mouth and watches Gungun.

Gungun winks at it, “Eat, eat!”

Then Lulu swallows it in two bites, and then raises its front paw and touches You Hao’s leg.

“It shows thanks to you!” Gungun feels honored with it, feeling that his dog is really sensible, “Will your Wangwang show thanks?”

You Hao immediately nods forcefully, “Yes, Wangwang can make a bow with its front paws!”

“Really?” Gungun doesn’t believe it. He thinks that only Lulu is the smartest dog.

You Hao bulges her cheeks and stretches out her hand toward Lang Yukun. Lang Yukun takes out a mobile phone from somewhere, which has a very cute rabbit shell. You Hao opens it to show the photos to Gungun. She raises her head so highly.

“Wangwang can do anything! Wangwang is the best dog!”

Gungun looks through several photos. The German shepherd in the photo is very similar to Lulu, but the color of the ears is not as black as Lulu’s, and it has a majestic-looking.

“Lulu looks better!” Gungun insists.

You Hao bulges her face more. Tang Duo wants Gungun to coax her, but Lang Yukun secretly makes a wink to let her not interfere.

Gungun seems to suddenly realize something and says, “Well, Lulu is as good-looking as Wangwang! They both are the smartest dogs in the world.”

“They are both smart!” You Hao smiles and her big eyes are like crescents.

Even Bai Susu whispers to Chang Pei’e, “This child looks like a doll. How lovely! What a pity...”

“Have you had enough?” Lang Yukun wipes hands for You Hao.

You Hao nods.

“Gungun is going to walk Lulu. Do you want to go with him, Yatou?” Lang Yukun tidies up her hair, and her pigtail up-warps.

Gungun jumps out of the chair, “Let’s go, You Hao. Let’s go out and play together!”

You Hao looks at Lang Yukun, "How about Kunkun?"

"I'll make you puddings at home." Lang Yukun deliberately says, "Or I also go with Yatou and we shall eat the puddings tomorrow."

You Hao wrinkles her small face, probably doing very hard struggle in her heart. Finally she shows as if she has abandoned something very precious and says, "Kunkun, you go to do puddings! I'll be back with you later!"

So Gungun and Wuyou pull You Hao in the middle, and the three go to walk the dog together.

"Let her have more fun with Gungun and Wuyou." Lang Yukun stands in front of the French window and looks outside like an old father, "Last night, You Hao said that she, Gungun and Wuyou were good friends. She also said that the twins could not talk, otherwise they could play together."

After hearing this, Tang Cao's emphasis is, "Do you share a room with You Hao?"

"Of course not." Lang Yukun glares at him, "I couldn't even touch her when I took her back, but later she changed to only want to touch me. At that time, I accompanied her to sleep for a period of time, and then she could sleep alone. My room was next door."

Lang Qin interrupts, "Only if Yukun coaxes her to sleep."

"Gee..." Tang Cao shows a cheap smile, "I see Brother Yukun enjoy it very much, so you like this way."

Tang Yao hits him, "What nonsense are you talking?"

"I will keep silence. OK?" Tang Cao jumps up, "I'll find Diandian."

Bai Susu stops him, "Go to the hotel by the way and see how they have decorated."

Tomorrow is the twins' one-year-old birthday party. Since it is a big occasion, they can't be careless about any details. Tang Cao agrees, picks up the car key and goes out of the door. Lang Qin sees that Lang Ruoxian doesn't go to the company and asks him to go to the study with Lang Yukun.

“Fourth Uncle, can’t you still find anything?” In the study, three men sit opposite with each other. Lang Ruoxian speaks first, “I think he didn’t want to see us himself...”

Lang Qin lights a cigar, “If your suspicion is true, then we must find him.”

A few years ago, Lang Ruoxian accidentally discovered that the man who had sent Shu Sheng and Xiaokai to his side seemed to have something to do with his father Lang Qi.

But neither Shu Sheng nor Xiaokai saw the person behind them. They were adopted orphans. One day, the man sent them the information of Lang Ruoxian, told them to protect the man and sent them to Hua Country.

“Shu Sheng didn’t see him, but he just speculated that the other party should be a person of Hua Country.” Lang Ruoxian frowns, “I didn’t know who would save me at that time. How could a person who had saved me from a long distance be an irrelevant person?”

Lang Yukun makes a hypothesis, “Dad, is it grandpa’s friend? Or is it Second Uncle’s friend?”

“I don’t know...” Lang Qin rubs his forehead, “There is really no trace at all. This person handled his traces completely.”

“But that’s what makes it even more doubtful.” Lang Ruoxian narrows his eyes, “Take our time. I don’t believe that he will never come out.”

On Sunday, the International Trade Building is crowded with luxury cars, and almost all of Yanjing’s important politicians and businessmen come. In addition, movie kings, movie queens, the most popular young actors, and so on, pose at the door as if they walk the red carpet, allowing reporters to take photos.

“Why are there so many stars?” Tang Duo stands at the floor-to-ceiling window on the second floor and looks down, “Have we invited them?”

Lang Ruoxian says, “Tang Cao invited them. It is said that they were all people he knew.”

“Why does he do in such a high profile?” Tang Duo lets out a cry, “Does he want everyone to know that he has a girlfriend?”

Lang Ruoxian snorts, “He said that he wanted to make Tang Ming to be angry to death.”

“Is that uncle?” It’s really a matter of speaking of the devil. Tang Duo sees Tang Ming get out of the car and help a woman off the car from the co-pilot.

Lang Ruoxian glances, “The woman is four-month pregnant.”

“I can’t see her face clearly. But she has a good figure.” Tang Duo makes some comments, and then Tang Yu’s family and Tang Jie’s family get off from the cars behind.

Bai Susu pushes the door and comes in, “Why are you two still here? Where are the babies?”

“Sleep inside.” Tang Duo spreads out hands, “Even you call, and you can’t wake them up.”

Bai Susu looks at her watch, “Ruoxian will follow me to socialize. Hua, keep an eye on the babies. If you can’t wake them up, just let them sleep. It’s still a while before drawing lots.”

“Call me if you need help.” Lang Ruoxian kisses Tang Duo’s face and goes out to welcome the guests with a serious face.

When Tang Ming sees Tang Cao with Fang Diandian, he knows that his earlier suspicion is true. Ning Lingshan went and asked help from the second branch. He is afraid that she has already gone thousands of miles away by now.

An anger arises in his heart. When Tang Yao comes over to greet him hypocritically, the anger reaches max in his head and he opens his mouth to blame.

“Tang Cao is really amazing. Some time ago didn’t he make a girl with premarital pregnancy? Why does he changes another girl friend in a few days?”

Tang Cao and Fang Diandian are just behind Tang Yao, naturally hearing what he said. Tang Cao sneers in his heart, but shows a very simple expression on his face, “That’s a rumor. Uncle, you should watch less box

news! But I heard that you have already had a woman before aunt's remains are scarcely cold yet. Ah! Is this the one next to you?"

"Tang Cao! Why do you show no respect for your elders?" Tang Ming shouts at him with a straight face, "This is my wife. We are a legal couple."

Tang Cao and Tang Yao look at each other. Tang Yao smiles at Tang Yu and his brother who are behind Tang Ming, "You two are going to have a little brother soon? Younger brother is even younger than your sons. Gee..."

Yang Yanqing and Zhao Mei look pale, but their eyes are full of schadenfreude. Since they knew that Tang Ming remarried and the woman was going to have a baby soon, they have been feeling uncomfortable. It's a pity that Tang Ming has shown his attitude, so they also dare not say anything.

Yesterday, Yang Yanqing told Tang Yu that his father was an old fool. In this situation, he would take his new wife who used to be his mistress, how can't others look down upon him? Now before the others say anything, he comes face to face to provoke.

The relationship between the first branch and the second branch is so tense, but he still thinks as before...

"Why are you all surrounding here?" Bai Susu leads Lang Ruoxian to come over. When she sees the woman beside Tang Ming, she is stunned for a moment. And then she smiles, "Is this your new wife?"

"You should call her sister-in-law according to the seniority in our family." Tang Ming stares at Bai Susu.

Bai Susu grins more broadly, "Oh! I dare to address her, but does she dare to respond?"

If you find any errors (broken links, non-standard content, etc.), Please let us know via our discord so we can fix it as soon as possible.

Chapter 368 One-Year-Old Catch

Of course Bao Yi doesn't dare. She is a very clever woman, and will not forget her background even if she has been Mrs. Tang by now. She won't offend anyone casually. Who knows if she'll ask for their help in the future?

“Mrs. Tang, you are joking.” Bao Yi uses a polite but distant addressing way.

Tang Ming glances at her, feeling very satisfied. He still wants to say something, but he sees the people around are pointing, so he snorts and walks aside. But Bai Susu doesn't want to let him go and comes to him to whisper in a while.

“Tang Ming, I remember everything you did to the second branch. You remember. Sooner or later, I will return it to you altogether.”

Tang Ming's face changes color, “Bai Susu, what do you mean? Don't be too unbridled!”

“Since you dare to do such a thing, don't blame others for being unbridled.” Bai Susu coldly looks at him, “Who gave you the courage to calculate my son? Wanted to put a nail in our home? Just go back and practice for ten or eight years and come out since your IQ is so low!”

Tang Ming will not present a false appearance of peace and prosperity any more. He looks arrogant to provoke, “Your son such an idiot was willing to take the bait, but I don't know that Second Aunt who has been devout to Buddhism actually agreed you to abort the child. Or did you hide from Miss Fang to keep the child secretly?”

“You are so fond of worrying about other people's family affairs, you might as well guess whether your new wife is pregnant with your baby!” Bai Susu smiles, “You are so old, and you still want to get a son in your old age. You don't see whether you are that stuff.”

Tang Ming is shocked, “What do you mean?”

“Literally!” Bai Susu casually says and leaves.

Bao Yi goes to the bathroom and comes back to find something is wrong with Tang Ming.

“Uncle?” She whispers, “What's wrong with you?”

Tang Ming looks at her deeply, “Nothing...”

“Mom! Mom!” Tang Cao comes close, “What did you say to uncle? His face is pale.”

Bai Susu smiles when she sees Tang Ming's eyes looking at Bao Yi, "I reminded him even if he wanted to have a son, he should first see if he had that ability."

"F**k! He was cheated? The woman's pregnant with another man's baby?" Tang Cao almost cries out excitedly.

Bai Susu glares at him, "How do I know? I said it casually."

"Mom, you are really..."

"Who cares if he was cheated or not, but Tang Ming will doubt that. During the period when the child is not born, let him be entangled..."

Before the banquet, the twins are carried out to do One-Year-Old Catch. The two chubby babies in red jackets just wake up. An'an sits motionlessly on the table with a straight face. Sweet Orange wants Lang Ruoxian to hold her with a wronged face.

"Be good, brother and sister, you quickly take something and you can come down." Gungun bends over the table to touch the chubby hands of the twins.

An'an puckers his lips and finally moves, but just grabs a pen beside him and climbs up to Tang Duo to send it to her arms.

"Mommy!"

Tang Duo twitches the corner of her mouth and takes the pen. Bai Susu holds back laughter and holds An'an down, leaving only Sweet Orange. She finds that her brother is gone and begins to be in a bad mood and opens her mouth to cry.

"Sweet Orange." Lang Ruoxian looks at her, "Pick one."

Sweet Orange's eyes are filled with tears. She looks at Baba with watery eyes and then begins to crawl quickly on the table. Finally she picks up a lipstick, looks at it and climbs up to Lang Ruoxian to stretch out two hands to ask him to hold her.

"Who put the lipstick there?" Bai Susu asks with a dark face.

She clearly put the seal on the table, which is made of the old rosewood.

Tang Cao hides behind without saying a word. Fang Diandian rolls her eyes and pokes him. Tang Yao sees it and shouts, “Tang Cao, is that you?”

“No!” Tang Cao says immediately.

Bai Susu glares at him severely: I’m going to settle accounts with you later!

After the One-Year-Old Catch, the table is removed. Bai Susu speaks a few more conventional remarks, and then the banquet begins. Tang Yao takes Lang Ruoxian and Tang Cao to accompany the guests outside, while the others return to the upstairs room with the twins.

“Auntie.” Fang Diandian says, “The seal was being played by Tang Cao at that time. But Chen Xiaopang robbed it with him and accidentally it fell into the vase. The caliber of the vase was too small and they couldn’t take it out...”

It is no wonder that Chen Xiaopang stayed far away just now and looked like he had a guilty conscience.

“Which vase? You can break it and take out the seal.” Tang Duo asks.

Fang Diandian twitches the corner of her mouth, “It is the landing vase which is higher than one person at the ladder way.”

The vase is two meters high.

“Forget it. Let the hotel staff get it later!” Tang Duo shakes her head, “Mom, it is OK! Lipstick is fine, which means that our Sweet Orange will be a little beauty in the future.”

Bai Susu laughs, “Our Sweet Orange is originally a little beauty. It’s hard for her to be not beautiful.” She looks at the twins who are sitting quietly in the baby chairs and eating snacks, which makes her anger subside, “Where are Gungun and others?”

“Take You Hao to play outside. Yukun is with them!” Tang Duo smiles, “That’s great. We have an extra nanny.”

Under most of situations, You Hao is reluctant to leave Lang Yukun, especially today. Lang Yukun is also worried that she might be frightened for there are so many people. He follows her closely.

“You Hao does the One-Year-Old Catch!” After a while, Gungun runs in and shouts.

Wuyou and Lulu follow him. Finally, Lang Yukun leads You Hao to slowly come into the room. You Hao carries a book in her hands. Bai Susu remembers that she put it on the table. It is a book about mathematics.

“Grandma!” You Hao runs to Chang Pei’e to show it to her.

Besides Gungun and other children, Chang Pei’e is her favorite in this family. She especially likes that string of beads on Chang Pei’e wrist and always wants to secretly touch it. Read more chapter on our wuxiaworld.site

Chang Pei’e loves the girl very much and touches her head, “Is this chosen by You Hao?”

“Book! It’s great.” You Hao pats the book, and pats herself.

“You Hao is as great as the book, isn’t it?” Chang Pei’e understands her meaning and smiles, “Uh-huh, right! Our You Hao will be even better than books in the future.”

Tang Duo smiles and asks Lang Yukun, “Did you ask her to take it?”

“She took it by herself.” Lang Yukun looks at his young girl with a spoiled face, “Probably she was curious to see the twins take something.”

Gungun is asking Bai Susu, “What did I take when I did One-Year-Old Catch?”

“You took a piece of cake.” Tang Duo rushes to say.

Gungun looks as if he was hit by a lightning, “Cake... Cake? Really?”

“Mmm.” Tang Duo holds back laughter, “After taking the cake, you still wanted to take the spicy strips next to it, and your father held you down.”

“I don’t believe it!” Gungun shouts, “How could there be that kind of thing?”

Tang Duo spreads out her hands and continues to cheat her son, “If you don’t believe me, ask your uncle. He put it on the table.”

“...” Gungun curls his lips and immediately believes it.

In his eyes, his uncle is unreliable. Whatever he does, it is normal. Fang Diandian secretly laughs with her mouth covered and adds, "Yes, yes, yes, he did it!"

The day after the banquet, Lang Qin goes to the party with friends he hasn't seen for a long time. Lang Yukun takes You Hao to travel in Yanjing. Gungun and Wuyou also have summer vacation. Wuyou is going to train this year. After Gungun sends her off, he has been sad for several days. Finally, Lang Yukun takes him out to play together.

"Do you want to consider staying in Yanjing?" Tang Duo jokes with him, "You see, You Hao likes our family very much."

Lang Yukun smiles at the sight of You Hao who is playing games with Gungun, "OK, let Lang Ruoxian go back to G City to manage the company, and I will stay in Yanjing."

"Ha ha..." Lang Ruoxian sneers at him, "You should go back too. Fourth Uncle called yesterday to urge."

Lang Qin has already gone back. The company cannot be left unattended for such a long time.

"Well, we shall leave the day after tomorrow." Lang Yukun glances at Tang Duo, "When will you be there?"

Because Fei Ying was temporarily unable to come for something, Tang Duo made an appointment with her to return to G City to play. Tang Duo thinks, "National Day. It is too hot now."

"Well, you can stay at my home." Lang Yukun adds, "Remember to bring roast duck when you go there. You Hao likes the ducks made at the shop of the front gate very much."

Lang Ruoxian glances at him, "Can't you cook it? Why doesn't she like to eat what you cook?"

"She needs a change once in a while." Lang Yukun ignores his provocation and changes to a serious topic, "Are you ready to annex the business of the first branch?"

Tang Duo glances at Lang Ruoxian with a surprised look, and Lang Ruoxian pats her, "If we let people like Tang Ming go easily, they will keep giving us trouble. Why don't we deal with him directly so he can't turn over?"

"It's not easy..." Tang Duo doesn't understand the business of the company, but she also knows that today's Tang Consortium is not easy to deal with.

Lang Yukun smiles, "If it's Tang Consortium run by Lang Ruoxian, it's really hard to deal with. But if it is run by Tang Ming... He is not suitable for business."

If it weren't for the foundation which built by Bai Susu before, and he took a ready-made company over, he would never compete with Lang Consortium in the lifetime.

"His two sons are better than him." Lang Ruoxian hisses, "It's a pity that they have spent their brains on the family property."

"This is a good opportunity." Lang Yukun thinks, "When Tang Ming's new wife gives birth to the child, it is unknown how messy their family will be!"

Tang Duo's eyes light up, "There is also Hua Family! Hua Family cannot let Tang Ming have another son to rob the family property."

"It's not up to them to have a son or not, but they can fight for the family property." Lang Ruoxian puts his arm around Tang Duo's waist, "You don't have to worry about these things. Anyway, we will wait until the woman gives birth to Tang Ming's son."

"What if it's a daughter?" Tang Duo asks.

Lang Ruoxian raises his eyebrows, "Then we'll have to work harder."

Lang Yukun takes You Hao away. You Hao looks at everyone tearfully on the day of her departure and even tries to grab Gungun's hand to take him away.

"I'll see you in two months!" Gungun is also very satisfied with this friend.

He used to be led to play by Wuyou, but since You Hao came, someone has followed him at last.

"How long is two months?" You Hao asks Lang Yukun.

Lang Yukun thinks, "It is when you wear long sleeves in the evening."

You Hao seems to think of something, and then follows Lang Yukun to leave. After sending them away, Bai Susu begins to be busy with the engagement between Tang Cao and Fang Diandian. The two families already communicated at the one-year-old banquet that day. Fang Diandian will graduate as a postgraduate this year. Her parents don't want their daughter to marry so early. But Tang Family members say it doesn't matter. If they don't want them to get married early, they can ask them to get engaged first!

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 369 Plan to Bid Farewell to Virginity

Tang Cao is very nervous a few days before his engagement. He calls Fang Diandian in the evening.

"Are you really going to be engaged to me?"

Fang Diandian rolls her eyes, "Didn't we set a date? August 20th is in one month later."

"But why do I always feel that something will happen..." Tang Cao continues to worry, "My little heart beats fast."

"Then what do you want?" Fang Diandian asks helplessly.

At the other end of the phone comes Tang Cao's pathetic voice, "Why don't you come to my house and we'll sleep together?"

"Hooligan!" Fang Diandian spits and hangs up the phone.

Tang Cao rolls aside with the quilt and giggles, and then calls Chen Xiaopang.

"F**k!" Chen Xiaopang scolds when he answers the phone, "Tang Cao, if you don't have any business, I'll kill you right now. You almost got me to be impotent."

Tang Cao says bitterly, "You always make love every night. Be careful if you break down and die early."

"...You call me in the middle of the night to curse me?"

“Of course not!” Tang Cao says solemnly, “I want to tell you that I will be engaged next month.”

Chen Xiaopang gnashes his teeth, “The whole world knows it. Besides, why do you call me in the middle of the night to say about your engagement?”

“Because I can’t sleep!” Tang Cao blabbers, “Xiaopang, there is something I want you to give me an advice.”

He suddenly becomes serious and Chen Xiaopang’s expression becomes serious too, “What’s the matter? You go ahead.”

“Are two people legally married when they are engaged? Then can I make love with her?”

Chen Xiaopang: You can drop it. I must say “F**k you”.

“Do you have any f**king misunderstanding about engagement?” Chen Xiaopang shouts, “You can do it if you want! Engagement is not a big deal. Even you are married, you can divorce.”

Tang Cao sounds sheepishly, “Then that’s all right!”

“You have to ask Diandian about this...” Chen Xiaopang don’t want to talk to this idiot, so he hangs up the phone.

Tang Cao feels that his friend’s words are quite right, so he secretly surfs online to check the information and prepares to bid farewell to his virginity on the engagement day. As for whether Fang Diandian agrees or not, Tang Cao is not worried at all. She likes him so much that she will definitely agree!

The second branch of Tang Family holds banquets for two months in a row, which is very high-profile. More and more people are envious of Fang Family. After building connections through marriage with Tang Family, they have also entered the ranks of the top business circles.

However, it seems that Fang Family members have not changed much. Speak in Fang Diandian’s father’s words.

“I have only such a daughter, but for Tang Cao’s shamelessness, I would not have agreed to let them get engaged so early.”

Of course, he can just shout this at home. Tang Cao has been very excited on the engagement party day. Others think the reason is that he is happy. Only Chen Xiaopang knows that this guy is excited because he can make love immediately.

In order to celebrate his brother's farewell to virginity, he decides to make love with his new girlfriend on bed until dawn this evening. But his mobile phone rings again just as he begins. Chen Xiaopang sprawls on his girlfriend and answers the phone with a ferocious face.

"Tang Cao..."

"Xiaopang!" Tang Cao's faint voice spreads over, "What are you doing? Come out for midnight snacks!"

Eat your damn sh*t! Chen Xiaopang is almost angry to death. He suddenly thinks of a question, and immediately his anger subsides and he asks, "Why do you still have time for midnight snacks?"

"Because I'm hungry..." There is obviously something wrong with Tang Cao's voice.

Chen Xiaopang is not a person who pays more attention to a lover more than friends. He immediately puts on his trousers and comes out. At the restaurant they usually go, Tang Cao has already ordered a table of dishes to eat.

"I didn't have much food during the day today. I'm starving to death." When he sees Chen Xiaopang come in, Tang Cao holds up a lobster and says, "If you want to drink, order wine yourself."

Chen Xiaopang orders a bottle of red wine and looks at him, "You look fine. Why did you sound so faintly on the phone?"

"I told you that I was hungry!" Tang Cao gnaws at the lobster, "Too hungry to speak."

Chen Xiaopang is stunned, "What about Fang Diandian?"

"She is at her home." Tang Cao glances at him, "Or where should she be?"

"Aren't you going to bid farewell to your virginity tonight?" Chen Xiaopang asks hastily.

Tang Cao shakes his head regretfully, “Yes, but it is not convenient today. She is in her period.”

Chen Xiaopang: Sh*t!

“What’s the matter?” Tang Cao also asks, “Why are you looking so ferocious?”

“Nonsense! I thought you were too nervous to be impotent for the first time. I was afraid that you would have a psychological shadow, so I hurried to comfort you. But you were just hungry!” Chen Xiaopang bangs the table, “Tang Cao, you son of a b***h. I want to break off relations with you!”

Tang Cao rolls his eyes toward him, “If you don’t sleep with a woman for one night, you will not die. Eat, eat!”

After the meal, Chen Xiaopang goes back angrily, vowing never to answer Tang Cao’s phone again at night. Tang Cao ignores him at first, but he is depressed in a few days.

“Why do you want to go abroad?”

“Because I want to open my own gallery, so I shall go out to study.” Fang Diandian has said it for several times. She thinks that maybe this guy is amusing her.

Tang Cao continues asking her, “Then open it. Open it casually! Why do you want to study abroad? We are not without money.”

“It’s not about money!” Fang Diandian sighs. Her fiance looks at her with a wronged face. She has to patiently explain to Tang Cao, “I want to open a gallery and only buy paintings of those young artists.”

Those young people who have just come out of the school, having no relationships or backgrounds, so the paintings they paint have no chance to be seen publicly. More sadly, some people have to paint for other people in order to survive.

“I have a junior female schoolmate who paints really well. However, because she is lack of fame, she can only paint for a famous painter and puts other people’s names on her paintings. Do you know what it feels like?”

Tang Cao wants to shake his head. How can he f**king know this kind of feeling? But when he sees his fiancée's eyes, his desire to survive is very high and he nods...

"Too unwilling, right?" Fang Diandian sighs, "My family has good conditions. I can open an exhibition casually, but it is impossible for some painters in this life. I don't want them to put down their brushes and ideals for survival. I want to give them a chance!"

Tang Cao looks at her quietly and Fang Diandian continues with little attention, "I'll open a gallery and put all their paintings in it. At first, it will definitely be not profitable. But at least I have the ability to hold exhibitions for them so that the public can see their talents. Gradually someone will buy their paintings, and then the gallery will be profitable."

"I want to help them, but it is not charity. Otherwise, someone will throw the paintings to me and let me take all the responsibility, which is not all right. So I'd like to go abroad and have a look. There are several such galleries that are running very well. I'll learn from them."

"Well, you go!" Tang Cao suddenly nods.

Fang Diandian is stunned. Why is he suddenly so reasonable?

"There was light in your eyes when you said those words just now." Tang Cao hugs her, "I am not ambitious, but since my wife is. Then your ideal and ambition are also mine. Whatever you want to do, do it boldly. I don't have anything else but enough money!"

Fang Diandian's heart is warm and her eyes are warm. She sniffs and rubs against Tang Cao's shoulder, "Why don't you... come with me?"

"Good!" Tang Cao immediately turns to get his mobile phone, "I'll book the air tickets. What date shall we leave? And bring some spicy sauce? Foreign spicy sauce is not delicious..."

Seeing him be busy, Fang Diandian can't help laughing. When leaving Tang Family's house, she secretly tells Tang Duo.

"Sister, I think I am especially lucky to meet Tang Cao and your family."

Tang Duo knows that her hapless brother is going abroad with Fang Diandian and pats Diandian on the shoulder to remind her, "Don't be moved too early. Tang Cao the guy is very easy to be without discipline. You should watch him when you go out, otherwise you don't know what will happen."

Fang Diandian's moving thoughts disappear in an instant after hearing this. Thinking of Tang Cao's usual behavior, she twitches the corners of her mouth. Is it too late for her to say that she wants to go by herself now?

Of course it is too late. A few days later, the two of them get on the plane to F Country together.

"Have you told Tang Cao? Let him behave himself and take good care of Diandian." Bai Susu doesn't rest assured to ask. She knows her son, who always stirs up trouble.

Tang Duo is watching the twins learning to stand. An'an can already hold the sofa to stand up, but Sweet Orange can't. Moreover, she seems not interested in standing. Every time she is held up and put on the carpet, she will sit down.

"I said. I told him that he is not alone now, so he should take care of Diandian when going out, and don't let her take care of him in turn."

Bai Susu watches An'an try to hold the sofa and stand up. His two short legs tremble. She holds back laughter and says, "An'an seems to really want to stand up."

"Yes. I was shocked to see him standing in the cradle bed this morning." Tang Duo picks up her son and let him sit down, "An'an, be a good boy and rest for a while."

Bai Susu looks at An'an and can't help sighing, "This child must be like his father in the future. Fortunately, he is not like your father and Tang Cao."

"What's wrong to be like my father and Tang Cao?" Tang Duo says, "Idling every day is so happy."

An'an cries several times and leans against the sofa to drink water with a feeder. Sweet Orange sees and gets worried. She kicks and cries.

“You call Mommy!” Tang Duo teases her. It is unknown why Sweet Orange only call Baba until now, and she can call nothing else. An’an has already known how to call his parents, and occasionally he can call his uncle.

“Baba!” Sweet Orange cries with crisp voice.

Tang Duo twitches the corner of her mouth, “It is Mommy! Mom... My!”

“Baba!”

Forget it... Let you drink some water.

Tang Duo stuffs the feeder to the little child.

Gungun goes downstairs, leading Lulu, “Mom, grandma, I’ll take Lulu to take a bath!”

“Who are you going with?” Bai Susu asks.

“With grandpa!” Gungun says, “Grandpa said to take me to go there yesterday.”

Tang Duo says, “...Your grandpa went fishing early in the morning.”

Gungun is stunned, and then he curls his lips, “Grandpa deceived me, so I won’t play with him in the future!”

“Forget it. I’ll take you there.” Tang Duo stands up, “When we come back, we shall buy desserts from that shop on the way.”

The mother and son take Lulu to finish bathing and get a call from Tang Cao when they are going to make a detour to buy desserts.

“Sister, what should I do? Diandian was hit by a car!”

Chapter 370 Be in Danger Abroad

Tang Cao cries on the phone.

“I just answered the phone. When I turned around and saw her running across the street, and then a car hit her before it could stop.”

Tang Duo hurriedly asks, "Does it matter? Where is she now? Have you sent her to the hospital?"

"It doesn't matter."

Tang Duo says, "...Then why were you so excited? It almost scared me to death."

"Even it doesn't matter, it was also a car accident!" Tang Cao begins to cry again, "I brought her out only a few days ago and she was hit by a car. Sister, do you think my father-in-law will regret and not let Diandian marry me when he finds out?"

"Your father-in-law didn't originally want Diandian to marry you." Finishing saying this, Tang Duo says in a fierce tone, "Don't interrupt. Has Diandian really been hurt?"

"Yes, she fell and hurt her arm."

Fortunately, it was in a busy commercial square, so the car speed was not fast. And the car owner stepped on the brake. Diandian was hit down by inertia and knocked on her elbow.

"There is no fracture, but there is a big piece of skin which is black and blue, very dark!" Tang Cao describes it, "It looks extremely frightening. Her tears drop in pain."

Tang Duo doesn't want to hear him say those useless things. She asks, "Why did she rush out of the road?"

"She... She..." Tang Cao falters, "She said that she had seen you."

Tang Duo is speechless.

Does this girl's brain also become bad for her staying with Tang Cao for a long time?

"What do you mean that she had seen me? Doesn't she know that I stay at home?"

"No, I can't say clearly. I'll go back later and let her tell you!" It is unknown what Tang Cao does there. He is whispering with somebody.

Tang Duo frowns, "Where are you?"

"I am in the hotel. The doctor was afraid that she had any concussion and asked her to be hospitalized for observation for one night." Tang Cao says, "I come to the Chinese restaurant to buy some beef noodles because she wants to eat."

Tang Duo thinks, "Then you buy it first, and I'll go back and ask Mom if there is any matters needing attention. Don't eat indiscriminately. You can't believe everything the doctor abroad say. Eastern and western people have different constitutions."

"Uh-huh, I see." Tang Cao remembers one year when he was an exchange student studying abroad and had a fever of 39 degrees. The school doctor came to see him and asked him to take a bath with cold water...

Tang Duo comes home and tells Bai Susu. Bai Susu calls Tang Cao in a hurry and tells him not to give Fang Diandian spicy food but to let her drink more bone soup and eat pork feet.

Tang Cao agrees there and takes notes. Fang Diandian also says a few words to say sorry, feeling that she has caused everyone trouble. Bai Susu comforts her to take good care of herself and stop running around.

At last Tang Duo asks her again, "What do you mean that you saw me?"

"Sister, maybe I was wrong." Fang Diandian says shyly, "A woman was buying flowers opposite, who wore sunglasses. At first, I thought her side face was quite like yours. I just wanted Tang Cao to have a look! But she just turned around and I got a fright. She really looked like you very much."

Tang Duo is not surprised after hearing this. There are too many people in the world who look alike.

"She wore sunglasses. Are you sure that she was really like me?"

"Yes! Later I also knew I was reckless." Fang Diandian sticks out her tongue, "Because she was leaving at that time, and I wanted to call her. I just rushed over. Now I wonder why I felt her like you since I couldn't see half of her face because she wore such big sunglasses!"

Tang Duo smiles, "Sometimes people suddenly have some strange thoughts. Fortunately, you didn't hurt much. Don't be so reckless in the future."

"Well, I see."

When Tang Duo tells Lang Ruoxian about it in the evening, Lang Ruoxian sneers, "Her eyes sucks. How can anyone look like you?"

"I think so, too!" Tang Duo chuckles twice, "After all, I am so beautiful."

Lang Ruoxian raises the corner of his mouth and hugs her, "Are you going to G City on National Day?"

"Well, I got a date with Fei Ying. Will you be free then?"

"I'm afraid not." Lang Ruoxian thinks for a moment, "On National Day, I will attend the investigation with leaders and go to the Belt and Road District."

Tang Duo says, "Oh! Then you must go."

The tasks assigned by the state stick to forms sometimes. No matter how high your rank is, no matter how big your business is, you should attend. If not, well, it will be somewhat troublesome.

"I should be able to meet you in time." Lang Ruoxian kisses her, "I will try my best to go there as soon as possible."

They all think that the incident happened to Fang Diandian is over. Tang Cao says the next day that everything is all right except her arm, and the doctor lets her go. But on the second day of leaving the hospital, Fang Diandian is almost robbed on her way to the convenience store.

"You say, the two men didn't rob your wallet at first?" The family gather around the phone and listen to Fang Diandian. Chang Pei'e is almost scared to death. She keeps saying that it is too unsafe abroad and asks them to come back quickly.

Fang Diandian hesitates for a moment, "I can't say for sure, but it gives me such a feeling."

At that time, when she came out of the convenience store alone, she was targeted by two white men. At first, Fang Diandian thought that they wanted to rob money, so she thought whether she should leave her wallet and run away.

But before she thought it over, the two men stopped her. Then a car just passed by. The two men grabbed her and tried to push her into the car. At that moment, a strong man walking the dog came along, saw Fang Diandian struggling and shouted for help loudly.

“Two people got off the car but helped suppress who grabbed me.” Fang Diandian says, “Later passers-by called the police and the police told me that they were trying to rob my wallet.”

“Didn’t you tell the police the situation?” Bai Susu asks.

Tang Cao’s voice spreads over, “Yes, how couldn’t we say?” He complains, “The foreign police were not flexible at all. They insisted that the two people had admitted to rob money.”

“Are you sure that they were coming for you?” Tang Duo asks again.

Fang Diandian thinks for a while, “I still believe my feeling. They really wanted to catch me!”

“This is strange...” Bai Susu frowns, “You’ve only been there for a few days, and you haven’t offended others.”

Tang Duo looks at Lang Ruoxian.

Lang Ruoxian pats her on the hand and says, “Tell me in detail who you have seen and what you have done since you went abroad.”

“Oh, yes!”

Tang Cao and Fang Diandian add to each other and report their actions in recent days in detail. In fact, there is nothing special. Besides they met a few gallery friends of Fang Diandian, they also visited two former college classmates of Fang Diandian, who studied there and asked them to have a meal together.

“To be honest, except that I saw the wrong person and was hit by a car and stayed in the hospital for a day because of the impulse, the life after we came here is very ordinary.” Fang Diandian finally says, “By the way, we also went to a big shopping mall and saw a movie!”

Tang Cao adds, “We also went to a pet shop to see cats.”

“Ruoxian, what do you think?” Bai Susu’s eyes are on Lang Ruoxian.

Lang Ruoxian’s fingers move, “If what Diandian said is true, the two men came at her. Maybe there was something on her that the other party wanted. Or she knew any secret unintentionally, so the other party wanted to kill her.”

??? What?

Tang Cao curses, “Is it so dangerous? No, I’ll book plane tickets now, and we’ll go back home immediately.”

“Diandian, listen to your brother-in-law.” Bai Susu looks serious, “Whatever the reason is, and you two are both in danger now. Come back quickly.”

Fang Diandian has always been obedient and she is afraid. Although things haven’t been done completely yet, they can’t pay attention to anything else. The next day, the two go to the airport early in the morning. The flight is in the afternoon, but Tang Cao feels that they would rather rest in the hotel next to the airport than stay in the original place of residence.

Both of them are very scared. They don’t relax until they pass the security check. And then they go to the duty-free shops to bring gifts for everyone.

“Are you on the plane?” Bai Susu and other family members are also worried. Tang Cao took Fang Diandian out. If something bad really happens, how can they give an explanation to her parents?

Tang Duo puts down her mobile phone, “Well, they sent a message just now that the plane would take off soon.”

Chang Pei’e asks, “Will they be here about tomorrow morning? Let the housemaid prepare breakfast earlier.”

Tang Cao and Fang Diandian are in a hurry to come back. The flight time is not very appropriate. They arrive in Yanjing over 3 a.m. It is less than five o’clock when the driver picks them back, but everyone has already waited for them in the living room.

“I’m so sorry to everyone!” Fang Diandian particularly feels guilty, especially when she sees Chang Pei’e still refuses to sleep at such an age, “It’s all my fault, Grandma. Please go and have a rest quickly!”

Chang Pei'e yawns and pats her hand, "It is good for you to come back. It is good for you to come back!"

"All right, go to wash up quickly. Are you hungry?" Bai Susu asks Tang Yao to take the old lady back to her room, "There are big meat wontons in the kitchen. The housemaid specially wrapped them for you two last night."

After a nap on the plane, Tang Cao is not sleepy at all, "Eat, eat, I shall eat!"

"Then Diandian goes upstairs to take a bath and change clothes. Stay here today and go back to your house tomorrow."

Fang Diandian agrees and goes upstairs. Tang Duo and Bai Susu let Tang Cao sit on the sofa between them.

"What are you doing?" Tang Cao asks weakly.

Tang Duo hits him, "Look at you. We just want to ask you. Do you think there is anything related with uncle?"

"What?" Tang Cao is stunned for a moment, and then he wants to jump up. Bai Susu presses him down, "Be quiet. Do you want Diandian to know that our home internal contradictions have been so big? How can her parents be willing to marry their daughter to you?"

"Yes, yes, yes!" Tang Cao hurriedly lowers his voice, "Mom, what do you mean? Have you found anything?"

Tang Duo rolls her eyes, "We didn't find anything so we ask you. Do you think that uncle did it?"

"No..." Tang Cao nods blankly, and then he has a crazy expression, "How can I feel this? You are not sure."

Bai Susu waves, "Forget it. It's no use asking you."

"No, mom. Is that uncle?"

Tang Duo glances at him, "We don't know, but we really can't think of anyone else who will deal with you except him."

“Not dealing with you but Fang Diandian.” Lang Ruoxian says nearby, “You don’t have to guess. If the other party really aims at Diandian, they will follow her wherever she goes.”

Tang Cao shows a horrified expression, “Then... Is it not safe for us to return home?”

“Are you stupid?” Lang Ruoxian looks at him, “We can protect you when you return home. We are afraid that the other party will not come. As long as he dares to come, we can catch him.”
