

The Apple 361

Chapter 361: He Doesn't Want Her Anymore?

Being pestered by a woman?

Qiao Mu's face instantly paled!

She stood rooted to the ground in a daze and looked at the tightly shut door. What did this man mean?

In order to complete Li Yan's mission, Superintendent Ouyang continued, ' Let's go, Miss Qiao. Boss's words are an imperial edict. Just do as he says. If he asks you to leave, then leave. Boss has a lot of things to deal with here. We'll talk about the rest after he returns.

Qiao Mu bit her lip, and the worry in her heart was instantly replaced by anger.

This bastard, he was a bastard!

Qiao Mu kicked the ward behind Superintendent Ouyang. " Li Yan, why don't you go to hell! "

What did he take her for? At this time, he just let her go. Didn't he know that she was very worried about him?

Or did he not care at all?

He didn't care if she was worried about him!

Qiao Mu stared angrily at the door before swiftly turning around and walking out.

Superintendent Ouyang looked at the woman in front of her in shock. She was too bold to offend Boss like this!

Li Yan, who was in the ward, heard a furious shout. He frowned and got up to see what was going on. However, the movement tore open the wound that had just been stitched.

The cup on the table was swept to the ground by him, making a sound.

Superintendent Ouyang was about to chase after Qiao Mu when she heard the voice in the ward. She hurriedly said to the person beside her, ""Follow Miss

Qiao and send him to the airport safely. Report back after boarding the plane! "

Superintendent Ouyang entered the ward and saw that the man's bandages were dyed red. She said in surprise, "Boss, why are you out of bed?"

"What happened? Where's Qiao Mu?"

Superintendent Ouyang pressed the emergency bell to call the doctor as she said, "Miss Qiao has already left. I've arranged for someone to send him off. I'm just a little unhappy to hear that you want her to leave."

Uh, it seemed that it was not as simple as being unhappy.

Li Yan frowned. It was normal for the little one to be unhappy. He would have a good talk with her when he got back.

Qiao Mu sat on the way to the airport, looking extremely pale. Her pale face was devoid of blood, as if she was the one who had lost too much blood.

If Li Yan was not injured, she would have barged in and questioned him! How could he do this! He had just passed through danger and he was chasing her away!

At the thought of this, Qiao Mu's heart fiercely twitched.

Tears silently flowed down.

Did he not want her anymore?

After knowing her feelings and after she confessed to him, he actually dared to abandon her!

Did he lose interest in her because he felt that she was no longer challenging him after she confessed to him?

When she confessed to him, he did not respond to her at all. He only said, "I understand!"

Qiao Mu bit her lip and felt conflicted. She suddenly raised her head and stared

at the driver. "I want to go back. I want to go back to the hospital!" The driver didn't seem to hear anything and continued driving silently.

"Stop the car, do you hear me?"

The chauffeur finally spoke, "Miss Qiao, I'm just following orders to send you to the airport safely. Please cooperate!"

"I want you to stop! I want to go back!"

Qiao Mu shouted. At this moment, the car suddenly came to a stop.

Of course, the driver didn't stop voluntarily. There was a car in front of him.

Qiao Mu instantly tensed up. Could it be that she encountered the same situation as before again?

Don't speak, Miss Qiao, " the driver said immediately. " Don't expose your identity. '

At this moment, the car door was opened, and a few people outside stared at

Qiao Mu..

Chapter 362: He Doesn't Want Her Anymore? 2

The man in the lead walked to the car door and saw Qiao Mu. He asked, ""Is this the woman?"

The man had blonde hair and blue eyes. He was clearly a Westerner, but he spoke fluent Chinese.

"Boss, it should be right. This car came from the hotel." someone reported.

"Should be? You're just not sure?"

The chauffeur frowned and looked at them. " What are you guys doing? This is the hotel's car to send guests to the airport. If you don't move away, I'm going to call the police!"

At this moment, Qiao Mu was already extremely nervous. From the looks of it, she was indeed Li Yan's enemy!

The tears on her face had yet to dry, and the accumulated tears in her eyes fell. She clenched her fists nervously. " What are you doing? '

Murong Chao looked at Qiao Mu disdainfully and said in a gloomy voice, '

You're Li Yan's woman? "

"Which bastard is Li Yan? Don't bother me. Can't you see that I'm in a bad mood? Hong Kong men are all bastards. I came all the way here to find my lover, but in the end, I was dumped. Why are you stinky men such bastards!" As Qiao Mu spoke, she covered her face and started crying.

Murong Chao raised his eyebrows and looked at his subordinate. "Are you sure it's this barbaric woman? Why would Li Yan like this type?"

Qiao Mu's body stiffened. When she heard the words "Why would Li Yan like this type?", her anger deepened and directly hit her explosive point!

She couldn't care less who the other party was. She glared at him angrily. "Who are you? Who are you calling barbaric?"

Murong Chao looked at Qiao Mu and smiled. "If I didn't look closely, I wouldn't have realized that this little face is quite pretty. Are all Asian women like this? Crying sadly while throwing a tantrum? It's quite interesting."

The corners of his subordinate's mouth twitched. "Boss, we're here to look for

Li Yan's woman. Why do you like this chick? Since Boss is interested, why don't we bring it back?"

Qiao Mu was already extremely nervous, but she pretended to be calm. "You're not human traffickers, are you? I want to call the police!"

"Call the police? How childish!" Murong Chao smiled sarcastically. He was about to say something when a car suddenly stopped beside him.

Immediately after, the person in the car got out. When he saw Murong Chao, he smiled and walked over. "I didn't expect it to really be Boss Murong. I thought I had misjudged him."

Murong Chao regained his composure when he saw who it was. "Young Master Guan, why are you here? What a coincidence!"

It was Guan Yunxiang!

Qiao Mu was stunned. She looked at Guan Yunxiang with a joyful expression, but she did not show it because Murong Chao was present.

‘I’m going to the airport to pick someone up, and I happened to pass by this road. Hong Kong’s Fengshui has been really good recently. Not only Boss Li, but you too. You didn’t even tell me you were coming here. That’s too unkind.’

As Guan Yunxiang spoke, he looked at Qiao Mu in the car and raised his eyebrows. ‘This is? Murong, how thirsty are you to intercept a woman halfway? This is my territory. You’re too arrogant!’

Qiao Mu noticed that Guan Yunxiang’s expression no longer had the warm and affectionate smile she had seen before. Instead, a faint smile hung on his face, and there was an additional coldness.

Murong Chao smiled. ‘I’m just looking for someone. I’ve found the wrong person. Even if I’m thirsty, wouldn’t I die of thirst if I came all the way here to find a woman?’

After Murong Chao finished speaking, he glanced at his subordinate, who then closed the car door.

Watching the car leave, Guan Yunxiang stopped smiling. ‘Murong, according to the rules, you are in my territory. As long as you don’t mess with me, I won’t care about your grudges. Please be more efficient when you do things.’

Murong Chao smiled wickedly.. ‘As long as Young Master Guan says so, I’ll know what to do!’

Chapter 363: He Doesn't Want Her Anymore? 3

Qiao Mu arrived at the airport with a sorrowful heart. She should thank Guan Yunxiang properly for meeting Li Yan’s enemy just now. Unfortunately, she did not have Guan Yunxiang’s contact information.

Just as she was thinking, her phone rang. It was an unknown number.

When Qiao Mu picked up the call, she heard Guan Yunxiang's voice. ""Are we at the airport?"

"Brother Guan! Thank you so much for what you did just now. Otherwise, I would have been dead!" Qiao Mu said gratefully.

No need to thank me. You're Baby's classmate. It's my duty to take care of you. However, you cried so hard in the car. Did Li Yan dump you?"

Guan Yunxiang's words instantly made Qiao Mu's mood sink, and she didn't know what to say.

He was right. She had been dumped by Li Yan!

Guan Yunxiang chuckled. " Alright, I'm just joking. It's not easy for you to come to Hong Kong. Don't leave with such a sad face. '

"Yes, thank you, Brother Guan." The announcement prompted her to board the plane. Qiao Mu bid farewell to Guan Yunxiang and went to board the plane.

In the hospital, Li Yan's wound was bandaged again and he lay on the hospital bed.

Lei Yi rushed over to report the situation. As Murong Chao had intercepted Qiao Mu halfway, his whereabouts had been exposed.

At the same time, Superintendent Ouyang received a call. Qiao Mu had successfully boarded the plane. He put down the phone and told Li Yan, "Boss, Miss Qiao has already boarded the plane. "

Li Yan nodded with a cold expression. When he thought of Qiao Mu's near-death encounter, he said coldly, ""Keep a close eye on Murong Chao. Send someone to snatch the goods from abroad and destroy his camp in South Africa! Since he was insatiable, then he would make him suffer a loss! I won't give him a single cent!"

Superintendent Ouyang was stunned. " Boss, there's no need to be so ruthless, right? "

It was normal to encounter such a thing in business. He could just retaliate directly against Murong Chao. Not only did he want to snatch the goods, but he also wanted to destroy the warehouse. This counterattack was too ruthless!

Li Yan looked at Ouyang Shuo coldly. "Did I suffer my injuries for nothing? Hmph, he dared to touch my woman. This time, I won't let him know what he should and shouldn't do. There will be a next time!"

Lei Yi knew that this man didn't care about himself, but since he dragged Qiao Mu into this, he was truly enraged!

He nodded and saw Superintendent Ouyang's surprised face. He dragged Superintendent Ouyang out of the ward.

Superintendent Ouyang looked at Lei Yi in surprise. "What's wrong with Boss? You don't have to do this for a woman, right? This kind of action seems to be venting personal anger for that Qiao Mu!"

Lei Yi glanced at Ouyang. "You're not stupid. You can tell that Young Master is venting his personal anger."

Ouyang frowned. "To do this for a woman..." Wait, you're saying that Qiao Mu isn't our future sister-in-law, right?"

Lei Yi did not deny it. He looked at Ouyang as if he was saying, "You only noticed it now?"

Superintendent Ouyang's eyes widened as she glared at Lei Yi. "Why didn't you say so earlier? I always thought that Boss was just looking for a little girl to play with!"

Looking at Ouyang's fussy expression, Lei Yi's eyes were filled with disdain.

When has Young Master ever played with women? Do you think he's like you?" Ouyang was speechless.

“Oh no! It’s a big deal!” Superintendent Ouyang punched her other palm. “ I think I’ve offended my future sister-in-law! ”

Lei Yi was puzzled. Superintendent Ouyang explained the situation outside the ward. Then, Lei Yi smirked gloatingly. “ You didn’t just offend Sister-in-law. Just wait for Young Master to punish you! ’

Ouyang was so regretful that his intestines turned green. He really did not treat Qiao Mu as the mistress of the house back then. He thought that Qiao Mu was not important when he saw Li Yan chasing her away. In the end, he was blind! Now, he was in trouble!

Chapter 364: He Doesn’t Want Her Anymore?

Qiao Mu returned to the school dormitory with two dark circles under her eyes.

There was no one in the dormitory. She fell asleep on her small bed. She was extremely tired after the sad journey on the plane.

After some time, she was woken up by the noise. She opened her eyes and saw Chi Xia sitting by the bed.

“Mu Mu, when did you come back? Why did Young Master Li let you go back to the dormitory by yourself? Did you get your freedom?”

Qiao Mu’s eyes dimmed, and she grunted, “ I’m free. ’

She was completely free. That damned man didn’t want her anymore!

Before she went to Hong Kong, she had the idea of getting rid of Li Yan. However, when she came back, she had the idea of being with him, but he had dumped her!

The more Qiao Mu thought about it, the more uncomfortable she felt, and she lay on the bed without moving.

Chi Xia looked at Qiao Mu in confusion. "What do you mean by freedom? Are you two completely separated? Or did you reconcile? Why do you look like you've fallen out of love?"

Baby Guan crossed her arms in front of her chest and said faintly, "I think she just broke up."

Chi Xia was stunned and sighed heavily. She did not know what to say. Qiao Mu's situation was similar to hers. She had also found out that Qiao Mu had a fiancée.

However, she had the ability to break up with Gu Cheng, but Qiao Mu did not have the ability to get rid of Li Yan.

They were all the same. It was impossible for the other party to have a fiancée and still be entangled with this man. Even if she was sad, she had no choice but to let go!

Suddenly, Qiao Mu sat up in agitation. "What right does he have to dump me whenever he wants to? What does he take me for? He wants me and kicks me away whenever he wants to. What right does he have?!"

Tears welled up in her eyes. "I was planning to snatch him away from his fiancée, but he didn't want me anymore!"

Chi Xia was stunned. Did she say that she planned to snatch Li Yan back from his fiancée?

Chi Xia was stunned when she saw Qiao Mu's sad expression.

She thought that Qiao Mu would let go.

But he made such a decision!

Chi Xia had never thought about this. When she found out that Gu Cheng had a fiancée, she let go of him without hesitation.

As expected, Mu Mu was still different from her.

She had no choice but to face reality, but Mu Mu wanted to fight for it.

Qiao Mu had been losing things since she was young. She had lost too much and was already used to things that did not belong to her slipping away from her hands. Now that she had such thoughts, it meant that Li Yan was really important!

Baby Guan had a straightforward temper and said bluntly, "Didn't Li Yan treat you badly? A man like that isn't worthy of your love. Although it's good to fight for him, there are so many good men out there. You can change your partner. Why don't you change to my brother? My brother's conditions are not inferior to Li Yan's at all! If you're with my brother, I can still call you sister-in-law!"

Chi Xia was helpless. "Baby, why do you look like you're promoting a product?"

Don't make things worse. '

"You still have to call me sister-in-law when I'm with Li Yan," Qiao Mu said listlessly.

"Uh, that's true." Baby Guan thought about it and said honestly, "Actually, I think Li Yan wouldn't have dumped you if he could go to Hong Kong to look for you."

Qiao Mu lowered her head in silence. She could only think of one reason, and that was because she confessed to him, and he got his way. He felt bored and dumped her!

NO!

She definitely did not want to be so unclear. She picked up her phone and called Li Yan. Even if they could not meet, they could still talk!

Chapter 365: The Truth About Li Yan's Departure (1)

Qiao Mu nervously dialed Li Yan's number. As the phone rang, her heart began to beat faster.

She took a deep breath and quietly waited for the other party to pick up the call.

She was already mentally prepared. As soon as the call was connected, she would ask him why he had to treat her like this!

As long as the call was connected ...

However, the slow toot sound suddenly turned into a busy tone. A mechanical female voice sounded from the phone. "I'm sorry, the number you have dialed is temporarily unavailable..."

In an instant, Qiao Mu's boiling heart seemed to have stopped.

Did he hang up on her?

Now, he was not even willing to pick up her call?

She did not give up and continued to call, but the other party had already turned off his phone!

Qiao Mu stared at her phone in a daze. The pain in her heart spread as if there was an invisible hand tightly gripping her throat, preventing her from breathing normally.

Li Yan's actions had completely shattered the last glimmer of hope she had in her heart!

He really didn't want her!

He didn't even bother to pick up her call. He might have blacklisted her phone!

He said that he wanted her to come back first and that he would come back after he was done with his business. In fact, it was just an excuse to shirk. He didn't even bother to say a word to her personally and wanted someone else to tell her. If this wasn't a change of heart, what was?

No, he never had feelings for her!

From the beginning to the end, she was the one who had feelings for him!

In the ward of a Hong Kong hospital.

A nurse was cleaning up the ward. The man in this ward was not only rich but also powerful. There were many guards outside the ward. He seemed to be a very powerful person.

She finally managed to get close to this place. When she entered, she did not see the man's figure. She only heard the sound of water in the bathroom.

She looked at the unfolded blanket on the bed and walked over to make the bed. Suddenly, she felt a vibration under the pillow. She reached out to touch it, and her finger accidentally touched the screen. She hung up the call.

She casually placed her phone on the table beside her. Just as her phone was in mid-air, she heard the bathroom door open. In a moment of nervousness, her phone fell to the ground.

The nurse picked up the phone in a panic. The phone was broken!

Li Yan came out of the bathroom and saw the nurse holding his phone. His face darkened. "Who allowed you to touch my things?"

"Mr. Li, I'm here to clean up the ward."

"Get out. There's no need to clean up here!" Li Yan opened his mouth to chase him away.

The nurse held the phone carefully. " Mr. Li, um, I accidentally broke your phone. I'm sorry, I'm sorry. How much is this phone? I'll compensate you..." "Put down your phone and get out!" Li Yan interrupted with a dark face. The nurse was shocked. She looked at the scary face and could only leave in the end.

Li Yan glanced at his switched off phone and thought that Qiao Mu should have gotten off the plane by now. However, she actually did not call him to inform him!

This little thing must be angry with him because he asked her to go back first and was unhappy.

Li Yan did not think too much about it. He put on his coat and prepared to go out.

Lei Yi happened to come in. When he saw that the man had put on his clothes, he was slightly stunned. " Young Master, you can't be discharged from the hospital with your current condition. "

It's fine. I'll be careful not to pull my wound. I'll go see Murong Chao first! " Li Yan said as he strode out of the ward.

He wanted to go back and see his little woman as soon as possible after he settled the matter!

Chapter 366: The Truth About Li Yan's Departure (2)

At this moment, Qiao Mu was lying on the bed in discomfort, her heart aching like hell.

She couldn't understand how that man could be so heartless. He was like this back then, leaving as he pleased. Now, he changed his face as he pleased!

This bastard!

Suddenly, her phone rang.

Qiao Mu was shocked. She picked up her phone and answered the call without even looking at the caller ID. ""Uncle, you finally..."

Before he could finish, he heard a sarcastic laugh from the other end of the phone. "Uncle? Qiao Mu, what kind of daydream are you having?"

Qiao Mu was stunned. " Qiao Ya! Why is it you!"

Qiao Ya sneered. " If it weren't for me, how would I know that you're still thinking about Uncle? Uncle already has a fiancée, yet you still haven't given up on him. You're dreaming about Uncle calling you. You're really shameless! "

Qiao Mu's expression darkened, and her tone turned colder. " If you have something to say, say it! I don't have time to talk nonsense with you!"

"Yeah, you're not free. You're using all your time to dream! I can't be bothered to talk nonsense with you. You disappeared for a few days and I couldn't get through to you. If I didn't find out that you changed your number, I would have thought that you were kidnapped by human traffickers! I'm here to inform you, unfilial daughter. Dad has been discharged from the hospital and wants you to go home!"

After Qiao Ya finished speaking, Qiao Mu immediately hung up the phone.

Qiao Ya wanted to curse at the person who hung up the phone. This wretched girl. She knew that she had evil intentions, yet she still dared to dream of getting her uncle!

Qiao Ya ran to Yu Tingyun and said angrily, "Mom, Dad asked Qiao Mu to come back today. Will he continue to talk about what he wanted to talk about before the car accident? Qiao Mu is getting more and more cunning now. How can we let her get the Qiao Corporation's shares!"

Yu Tingyun smiled taintly. " Don't worry, I've already settled this matter. Your father won't give Qiao Mu any shares for the time being. '

"Mom, how did you do it?" Qiao Ya widened her eyes in surprise.

” What’s so difficult about that? Don’t forget that Qiao Mu has an insatiable mother. As long as your father finds out that Qiao Mu is actually still in contact with that mother of hers, he won’t take the Qiao Corporation’s shares and take a risk on Qiao Mu! ” Yu Tingyun’s expression was cold, but a hint of pleasure flashed in her eyes.

Qiao Ya was overjoyed. She was finally at ease!

Qiao Mu composed herself and returned home. When she passed by the Li family’s villa, her mood sank again.

She walked to the Qiao family’s door and was about to turn when she heard

Qiao Ya’s unhappy voice. ”Why did you come to my house? Hurry up and leave!”

”Miss Qiao, you can’t turn your back on me like this. We’ve discussed this before. You promised to let me work at the Qiao Corporation. I’ve been waiting for your news for so long, but you didn’t even hear from me. If I didn’t come to look for you, what do you want me to do?”

Qiao Mu listened to the conversation. This voice belonged to Ye Lin!

How could Ye Lin be in contact with Qiao Ya? When the design plan was leaked, it was clearly Sun Ning’s doing. Qiao Ya and Ye Lin should be enemies.

Qiao Ya’s voice rang out again, sounding very impatient. ”You’re really ridiculous. I did agree to your request, but after verification, you’re not qualified to enter our company with your ability. This is your own problem. You’d better give up. The Qiao Corporation isn’t that easy to enter!”

Ye Lin sneered. ” I know, you’re going back on your word. Back then, you promised me some benefits so that I could teach Qiao Mu a lesson during the school anniversary. You’re really a sinister person. The Qiao family doesn’t have any good people. Qiao Mu is like this, and so are you.. How disgusting! “

Chapter 367: The Truth About Li Yan ‘s Departure (3)

“Don’t compare me to Qiao Mu! Why don’t you take a look at yourself? You still have the right to call me disgusting? Hurry up and get lost!”

Qiao Ya turned around and was about to leave when Ye Lin grabbed her in exasperation. The two of them started to pull each other. Qiao Ya shouted for the security guards to come over before she got rid of Ye Lin. Then, she stomped her feet in anger and entered the courtyard.

Qiao Mu’s expression turned cold. It turned out that Qiao Ya had a part to play in pushing her down during the school anniversary!

Ye Lin had no other choice but to look for Qiao Ya. No wonder Yu Tingyun knew that she was in the police station. This mother and daughter pair had really used all sorts of methods against her!

Qiao Mu entered the villa’s courtyard, and Qiao Ya was tidying up her clothes at the door.

When Qiao Ya saw Qiao Mu, she had a look of disdain on her face. “ I told you to come back. What are you doing back so early? ” Don’t you know that no one in this house welcomes you?”

Qiao Mu sneered. “ Qiao Ya, I heard your conversation with Ye Lin just now. I really have to thank you for taking care of me! ”

Qiao Ya was stunned, but she did not feel embarrassed at all. She glared at Qiao

Mu righteously. “ You’re welcome. I’ll take extra care of you in the future! ”

Qiao Mu felt that Qiao Ya was truly hopeless. She was extremely evil. When she was young, Qiao Ya was mischievous and childish, but now, she was truly evil to the bone, and her tone was vicious.

Qiao Mu went up the steps and was about to enter the house when Qiao Ya mocked her from behind. ““Qiao Mu, are you still thinking about uncle? Just now, he called me uncle so enthusiastically on the phone. It was as if he was calling me spring. It was disgusting!”

“Shut up!” Qiao Mu lost control of her emotions when she heard Qiao Ya’s words.

“Yo, are you angry from embarrassment?” Qiao Ya sneered and suddenly thought of something. “ Oh, right, I heard that you went to Hong Kong. I’m sure you don’t know about the recent news in the mainland. Uncle’s fiancée has been exposed. Did you know? ” The other party is really a beauty. Only such a perfect woman is worthy of uncle!”

The moment he said this, Qiao Mu’s footsteps, which were about to enter the house, suddenly stopped.

Li Yan’s fiancée was exposed?

Qiao Ya handed the phone to Qiao Mu. “ From the looks of it, you really don’t know. Take a look for yourself. Uncle went overseas some time ago to accompany his fiancée. Uncle is really considerate. I’m sure he loves his fiancée very much, right? ”

Li Yan went abroad with his fiancée?

Qiao Mu widened her eyes in disbelief. Even though she did not want to lose her composure in front of Qiao Ya, she still could not help but turn pale.

She looked at the image on her phone. The woman on the screen had pretty short hair and was boarding the plane with Li Yan in the VIP area.

Qiao Mu felt a sharp pain in her heart. The woman in the photo looked a little familiar.

Qiao Ya smiled. “ This woman is a cellist. She’s already famous in the art world at the age of 20. She’s from a prestigious family and has been performing overseas for a long time. Uncle accompanied her and the two of them went overseas for a vacation. Uncle accompanied her overseas for a week and didn’t return home. Now, the two of them are still on vacation. How envious! ‘

Qiao Mu was originally immersed in sadness, but when she heard Qiao Ya’s words, she was slightly stunned. Li Yan accompanied her for a week? Are you still on vacation?

How was this possible? Li Yan was clearly in Hong Kong now. He had arrived in Hong Kong a few days ago and was with her 24 hours a day!

Qiao Mu looked at the photo at the bottom of the report. It showed Li Yan and that woman shopping. There was something vaguely wrong with the intersection between the two of them in the photo..

Chapter 368: The Truth About Li Yan's Departure (4)

Qiao Mu was very good at photo design. She could tell at a glance whether the photos had been photoshopped or not.

She realized that the series of photos below had been tampered with. If one was not a professional, they would not be able to tell!

Upon seeing this, the gloom in Qiao Mu's heart instantly lessened. She then looked at the first photo of the two of them at the airport. There was no interaction between them and they were both walking through the VIP passage, one in front and the other behind, as if they were strangers.

Qiao Mu immediately understood that this was just that woman's hype!

Qiao Mu sneered when she saw Qiao Ya's smug and boastful expression. She raised her phone and threw it away forcefully.

Qiao Ya's eyes widened as she angrily pointed at Qiao Mu. ""Are you crazy?!

"My hand slipped and I accidentally dropped it." Qiao Mu smiled faintly.

Qiao Mu, you just can't accept that you have an auntie. It's just a phone, so it's fine if you smash it. I know you're delusional, but just give up. He'll never be yours!" Qiao Ya's expression was twisted, and she fiercely wanted to see Qiao Mu's face change color.

Unfortunately, Qiao Mu had already calmed down by now. She coldly looked at Qiao Ya. " That's right, I'm just delusional. I'm just a little luckier than you, and you don't even have the capital to be delusional. He's your biological uncle! " Oh right, I forgot. You have someone you like. It's Su Chen, right? You talk

as if you've found true love. Who's the one who's been hit by a wall in front of Su Chen time and time again? I don't know why you're so arrogant here."

Qiao Ya's expression changed drastically. She originally wanted to provoke Qiao Mu, but her face turned red from Qiao Mu's provocation.

Seeing that Qiao Mu was about to enter the room, Qiao Ya roared angrily, ""Qiao Mu, don't you want to know why Li Yan left without saying goodbye ten years ago? He was so good to you back then, but he suddenly disappeared for no reason. Have you never figured it out?"

Qiao Mu frowned. " What are you trying to say? "

Back then, Qiao Ya had told him that Li Yan had used her to anger Yu Tingyun!

Why did Qiao Ya bring this up at this time?

Qiao Ya smiled smugly. " I'm sure you'll be very interested in this matter. It's the truth behind Li Yan's departure back then! "

The truth behind Li Yan's departure?

Qiao Mu felt her breathing become uneven. Perhaps Qiao Ya was deliberately teasing her by mentioning this, but she still couldn't control her curiosity and felt a little nervous.

Could it be that Li Yan had left for another reason?

Qiao Ya sensed the change in Qiao Mu's expression and smiled. " Qiao Mu, do you still remember when I pushed you into the pool back then? After so many years, I wonder if you remember what you said to me back then."

Qiao Mu pursed her lips. How could she not remember? All these years, that day was like a scar that would never heal, imprinted in her heart!

Qiao Ya continued, " At that time, you were so agitated by me that you deliberately said that you approached Li Yan to anger me. You said it so happily, but you didn't know that at that time, Li Yan was not far behind you. I used your name to invite Li Yan to the garden in advance and then induced you to say those words. He heard it. When Uncle heard you say those words, he must have been furious, so he turned around and left. That's why he didn't see the scene of me pushing you into the water! "

Qiao Mu widened her eyes in shock.. So, Li Yan didn't suddenly disappear because he misunderstood her?!

Chapter 369: The Truth About Li Yan's Departure (5)

Seeing Qiao Mu's stunned expression, Qiao Ya felt extremely carefree and delighted!

She just wanted to anger Qiao Mu to death and make this wretched girl regret and die of grief!

Qiao Mu, actually, Li Yan didn't give up on you completely because of this matter. When you were having a fever for days, he came to look for you. Unfortunately, I stopped him. I added fuel to the fire and said a few words, but he completely left. Hahaha, just thinking about this makes me very happy. The two of you were actually deceived by me for so many years! " Qiao Ya laughed wildly, as if she had done something worth being happy about. The corners of her eyes were creased from laughing!

Qiao Mu clenched her fists tightly and resisted the urge to punch Qiao Ya in the face!

So this was the truth! Li Yan left with disappointment in his heart!

At that time, Li Yan felt the same way as her!

Hence, Qiao Ya was lying when she said that Li Yan approached her to anger Yu Tingyun!

She and Li Yan had misunderstood each other for so many years!

It turned out that after meeting him again, not only was she against him, but he must also have a knot in his heart! Even so, he was still with her and treated her well!

Qiao Mu took a deep breath. She didn't know if she should be happy or angry after resolving this knot in her heart after so many years.

If that was the case, why did Li Yan not want her anymore?

Qiao Mu felt her head was in a mess. She was at a loss when she learned the truth at this time!

Qiao Ya laughed gloatingly. " Qiao Mu, feel as sad as you want. It's too late to do anything now. Li Yan has a beloved fiancée, so he won't take you seriously at all. So what if he finds out the truth about what happened back then? Could it be that he dumped his fiancée and got together with you?"

Why not?

Qiao Mu clenched her fists tightly. If Li Yan's feelings for her were real, what was one fiancée? He would not want ten of them!

But ...

He was not even picking up her calls now!

Because of this matter, Qiao Mu did not even enter the house and directly left.

She wanted to calm down. She seemed to have seen Li Yan, and her heart was in a mess.

Qiao Mu left in a hurry, but she didn't see the person hiding behind the door.

Ye Lin ended the video recording and looked at the clear picture and conversation on the phone. She smiled coldly. "Qiao Ya, you don't have the ability to scheme against me. Now that you have something to use against me, I'll make sure you die!"

Qiao Mu walked toward the bus stop in a daze. Suddenly, a car stopped beside her.

A black Bentley!

Qiao Mu's eyes lit up. Could it be that Little Uncle had returned?

She went forward in surprise and saw that the person who got out of the car was Li Zheng!

In an instant, all the joy disappeared.

What was Li Yan's father doing now? Was he going to continue persuading her to leave Li Yan?

Li Zheng accidentally saw Qiao Mu. When he thought of Li Yan's curse that he would die without any descendants, he became even more concerned about Qiao Mu. In order to ensure that his grandson had a future, Li Zheng decided to tell Qiao Mu about this misunderstanding.

'Miss Qiao,' Li Zheng said as he looked at Qiao Mu, 'the matter about me looking for you the last time, actually...'

"Uncle!" Qiao Mu opened her mouth and interrupted Li Zheng. She lifted her chin and looked straight at Li Zheng with a firm tone. "I didn't think it through last time. Now, I'll officially tell you my thoughts. If you still want to persuade me to leave Li Yan, I can only disappoint you. I will never leave him. No matter what grudges our families have, they can't stop my feelings for him unless... Unless he doesn't want me anymore!"

Chapter 370: He's Back (1)

Li Zheng looked at Qiao Mu's determined gaze. This girl looked no different from an eighteen or nineteen-year-old girl. Girls at this age were mostly frivolous and impatient. They only had a decent appearance, but they did not have any shrewdness or inner qualities.

However, after two interactions, Qiao Mu gave him a completely different impression. She had the delicate appearance of an eighteen or nineteen-year-old, and she also had a mentality that was rarely seen at her age. It could be seen from her confident attitude when she faced him.

However, Li Zheng never expected Qiao Mu to say such words.

Her attitude was completely different from the last time. Last time, she kept asking him to persuade his son to let go of her. Now, she would not leave his son!

Even though he had already accepted Qiao Mu as his daughter-in-law in his heart, Li Zheng still snorted and said with a rather unpleasant attitude, “Your relationship changes really quickly. If you don’t like her today, you’ll like her tomorrow. Is my son someone you can dump just because you want him?”

After Li Zheng finished his words, he saw that the originally firm face in front of him had become desolate bit by bit.

Could it be that he was being too harsh? Just a few words had dealt a blow to her confidence and made her retreat?

This Qiao Mu was not as resolute as he thought.

Qiao Mu clenched her fists tightly, and her tone lowered a little as she spoke in a rather dejected manner, didn’t dump him. He dumped me. Uncle, just as you said, he has a fiancée. If he really doesn’t want me anymore, I won’t pester him!”

Li Zheng suddenly understood. So it was what he said to her before. She thought it was true!

Li Zheng was about to say something when Qiao Mu suddenly raised her head and stared at him. “ Uncle, please don’t interfere in our matters. Please respect Li Yan’s choice! ‘

After she finished speaking, Qiao Mu bowed to Li Zheng. “ Uncle, I still have something on, so I’ll be leaving first. Goodbye! ‘

After saying this, Qiao Mu turned around and left.

She was worried that if she continued to speak, she would become less and less confident.

She did not have much confidence to begin with. Li Yan did not want her anymore, but she still said these words to his father. Perhaps in Li Yan's father's eyes, she was a joke!

Li Zheng looked at Qiao Mu's back view as she left in a hurry and shook his head. Forget it, he couldn't be blamed for not explaining. It was Qiao Mu who didn't listen to his explanation.

Qiao Mu had been waiting for Li Yan to call her back, but there was no news from him!

She did not receive any news from Li Yan even after school started.

It had been nearly ten days since Qiao Mu returned from Hong Kong, and she had been attending classes all day long. The anticipation in her heart had become disheartened.

Finally, she could not take it anymore and went to Li Yan's company to look for him. She wanted to ask if Li Yan was at the front desk, but she saw Lei Yi.

Lei Yi had returned, so Li Yan must have returned as well!

Qiao, why are you here?"

"Assistant Lei, is Li Yan here? I want to see him!" Qiao Mu inquired.

"Did Young Master not contact you? He's still in Hong Kong dealing with some matters and hasn't returned yet."

“He didn’t come back? Then why did you come back?”

“It’s like this. I have something to deal with at the company, so I’ll be back first. Young Master will probably be back in a few days.” Lei Yi looked at Qiao Mu’s disappointed expression and recalled Ouyang Shuo’s words. He continued, “Miss Qiao, Young Master has been in a lot of trouble recently. Please wait patiently for Young Master to come back. If you have anything to say, you can ask Young Master face to face.”

Qiao Mu was stunned.. Lei Yi meant that as long as Li Yan didn’t tell her personally, she couldn’t take it seriously?
