

Destined Wife: The Apple of My Eye

Chapter 371 Is It a Conspiracy or an Accident?

Tang Cao is very nervous due to Lang Ruoxian's words. Fang Diandian still has to deal with some things in the school. So Tang Cao doesn't play outside but goes to pick her up every day. He even refuses Chen Xiaopang's invitation to play many times. As a result, Chen Xiaopang complains him to others.

"Now Second Child Tang is so satisfied with love that he doesn't need to eat or drink."

Other people are more optimistic about the marriage. Some people who have no chance to make friends with Tang Family choose to flatter Fang Family. So Fang Family's travel agency is so busy this summer vacation, and every travel route is full.

Even on the National Day, the travel agency organizes many companies' collective activities. Fang Diandian's father is both happy and worried. He's glad that he earns much money. But he is anxious that Tang Family will scorn his daughter because he takes a big advantage of them.

"Your father just thinks too much." Fang Diandian's mother understands it well. She says to Fang Diandian when the whole family have breakfast, "We never request the Tang Family to give us some benefits due to our relationship. And we don't ask them to buy a house or a car for us. Now we become their relatives and can't stop other people flattering us. What can we do?"

Fang Diandian looks at her father and nods. She says, "Mom is right. Dad, don't worry about that."

"Does Tang Cao know that?" Fang Diandian's father couldn't help but ask, "Did they say anything when you went to the Tang Family?"

"Yes!" Fang Diandian smiles, "Aunt said that you should seize the opportunity to make money soon. When those people know that it's useless to flatter our family, they won't be so impulsive. This situation won't last long."

Fang Diandian's father is stunned, then he nods, "My view is really narrow."

“Humph, what did I say?” Fang Diandian’s mother glares at him and says, “It’s not complicated at all. But you always think too much.”

Fang Diandian chuckles secretly in her heart. She doesn’t dare to admit that recently Tang Cao often encourages people in his circle to travel and contact with her family’s travel agency instead of travelling alone.

“It’s time to go to school!” Fang Diandian jumps up.

Fang Diandian’s mother asks, “Haven’t you finish the thing in your school?”

“It’s almost over today. It takes much time to count the schoolmates’ paintings.” Fang Diandian puts on her shoes and walks to the porch, “I’m leaving! Mom and Dad, bye-bye.”

“Walk slowly. Don’t run!”

When Fang Diandian runs to the gate of the residential areas, Tang Cao is waiting for her in the car.

“I still think I should go to see your parents.” After Fang Diandian gets on, he says with grievance, “Your father doesn’t like me. If he knew that I came to pick you up and didn’t greet him, he would have a worse impression on me.”

“It won’t happen!” Fang Diandian pats him and says, “You have to back the car again if you go to greet him in my house. That’s too much trouble!”

Tang Cao starts his car and murmurs a little. When they arrive at the school gate, Fang Diandian says, “I’m going to have lunch with my seniors at noon. Could you come to pick me up later?”

“Senior?” Tang Cao’s small eyes becomes alert instantly. He asks, “Is he Chen Yan?”

Fang Diandian clamps her hand against her mouth and titters, “Do you only remember one senior? I have so many seniors...”

No one else wants to chase Fang Diandian like Chen Yan... Tang Cao complains in his heart. But he still nods his head, “OK. Call me when you are going to leave. Don’t drink.”

“Okay!” Fang Diandian kisses him and then gets out of the car.

Tang Cao touches his face happily and calls Chen Xiaopang.

“Let’s have lunch together!”

When Chen Xiaopang hurries to the restaurant, he sees Tang Cao holding his phone and sending messages to someone.

“Why don’t you pick Diandian up today?” Chen Xiaopang asks. The waiter hospitably gives him a menu as soon as he sits down.

Chen Xiaopang points several dishes and throws the menu. Then he knocks on the table and shouts, “Hi! Look at me!”

“Oh...” Tang Cao raises to take a look at him and then lowers his head to send messages again.

Chen Xiaopang becomes angry. When the dishes are served, he just eats intently and ignores Tang Cao who is repeatedly advising Fang Diandian to eat more and not to drink. After Fang Diandian feels impatient and doesn’t reply to Tang Cao, he finally raises his head to have a look.

“God! You’re an animal. You almost eat all the dishes!” Tang Cao shouts.

Chen Xiaopang spits out chicken bones and replies, “Anyway you don’t eat them.”

“Who tell you that I don’t eat them?” Tang Cao quickly picks up the chopsticks and chatters, “I just worry about her. I don’t know who is targeting Diandian. My Diandian is so lovely...”

After Tang Cao’s words, Chen Xiaopang finally has a chance to say, “Don’t talk about that now. Tong Yue said that we had to attend the company’s meeting.”

“I’ve read his message in the chat group. But I don’t get a chance to ask him.” Tang Cao asks, “What’s the matter?”

“He wants to expand the company.” Chen Xiaopang giggles, “We will make more money.”

Tang Cao immediately says, “I must attend the meeting. I’m not single now and should make money to open a gallery for my Diandian.”

“Can you not mention Diandian so frequently?” Chen Xiaopang covers his chest and complains, “I can’t stand you. How can you treat your single friend like this?”

“You’re not single.” Tang Cao says slowly, “You are photographed by a reporter to have dinner with a star yesterday...”

Chen Xiaopang disputes, “Pooh, are we the same? I just have a purely physical relationship with her. But you and Fang Diandian are soul mates.”

“You’ve claimed that you just needed physical communication.” Tang Cao catches him on the raw, “My mother said that she met your mother in the mall the other day. Your mother blamed that you didn’t have a girlfriend so that she couldn’t get her grandson.”

Chen Xiaopang feels even more distressed. He complains, “It’s all your fault. Now my mother urges me to marry every day. If I don’t bring a girlfriend back this year, I will be forced to marry a girl from another rich family next year.”

“Why not?” Tang Cao says, smirking at his discomfort, “You can choose a girl like you. Then you and she don’t need to be loyal to each other. It’ll be nice.”

When Chen Xiaopang is about to scold him, Tang Cao’s phone rings. Chen Xiaopang looks at the screen and sees that the incoming caller’s name is my sweetheart.

Chen Xiaopang becomes speechless.

“Diandian, have you already finished eating?” Tang Cao quickly answers the ring.

“Is it Mr. Tang?” A man’s voice comes from the phone.

Tang Cao’s face changes. He asks, “Who are you? Why do you get Diandian’s phone?”

“I’m Chen Yan. Don’t worry. A little accident happened to Diandian...”

When Tang Cao and Chen Xiaopang arrive at the hospital, Fang Diandian’s parents have been there.

“Diandian?” Tang Cao rushes to Diandian in panic.

Fang Diandian sitting on the chair says hello to him.

Tang Cao sees the doctor treating the wound on her arm that has been injured before. But this time it is more terrible. The wound is so long.

“All right!” After snitching the wound, the doctor says, “Don’t touch water for a week. Don’t move frequently nor eat spicy food.”

Tang Cao grabs the doctor who is going to leave and asks, “That’s all right?”

“What else do you want to do?” The doctor is an elder woman in her fifties. After seeing Tang Cao’s pale face, she comforts him, “It’s OK. I just sewed five stitches.”

Tang Cao’s face turns paler. How can the doctor say it was fine to sew five stitches?

“Doesn’t she need to have an X-ray and stay at hospital for observation?”

The old doctor laughs, “What do you want to observe, young man? I’ve sewed her wound!”

“Come on! There’s so much blood. Doesn’t she need to transfuse blood?” Tang Cao asks and points to a pile of gauze stained with blood, feeling dizzy to look at it. It’s all his Diandian’s blood.

When Tang Duo receives the call and comes here in hurry, she hears her younger brother’s stupid words.

“Doctor, thank you so much.” Tang Duo says. Then she twitches the corner of her mouth and pulls Tang Cao away. When the doctor leaves, she stabs Tang Cao’s head and scolds him, “Don’t make it worse. It’s useless to transfuse blood after snitching the wound!”

Tang Cao feels wronged, “I’m just afraid...”

“Uncle. Aunt!” Tang Duo ignores him and greets Fang Diandian’s parents.

Fang Diandian’s parents nods hurriedly and says, “Why do you come here, Hua? Sorry to bother you.”

“I’m free. My mother also wanted to come. But I told her to let me come to see the condition first.” Then she looks at Diandian and asks, “How did you get hurt again?”

Fang Diandian feels herself really unlucky. In the restaurant, when she came out from the washroom and washed her hands, a mirror on the wall suddenly fell towards her.

“I was scared to death and ran away immediately.” Fang Diandian shows how she avoided at that moment with her arms and then says, “But I was still scratched.”

Tang Duo frowns, “What does the restaurant say?”

“The restaurant promises to be responsible for the compensation.” Fang Diandian’s mother complains, “They were there just now. But when the doctor said the wound was stitched, they paid the bill and left soon.”

Tang Cao holds Gungun in his arms and shouts at Chen Xiaopang, “How can they just lose few money? The price they pay is too low. Xiaopang, go to talk to their manager!”

“OK!” Chen Xiaopang likes to stir up trouble. So he immediately goes out to make a phone call excitedly.

Fortunately, there is only a scratch on Fang Diandian’s arm. Tang Cao sends Fang Diandian back to her house. Tang Duo goes home to tell her family what happened.

“Is it an accident?” Chang Pei’e asks after hearing Tang Duo’s words.

Tang Duo and Bai Susu take a look at each other and says, “Maybe...”

It should be an accident in normal times. But now...

“I’ll ask people to check at the restaurant.” Bai Susu is worried and picks up the phone.

However, they find nothing questionable after investigation. The monitor at the restaurant shows that no one has touched the mirror in recent days. Besides, even if someone has moved it secretly, it is impossible to accurately let the

mirror fall down when Fang Diandian is standing in front of the mirror. So it should be an accident.

“What do you think?” Tang Duo is used to asking Lang Ruoxian because he is smarter than Tang Family. No, no, no! He is smarter than ordinary people!

Lang Ruoxian holds her in his arms and says, “I’m not sure. Since our mom has asked people to check and finds nothing, we might not get any clues even if we continue to check. But if someone is targeting Fang Diandian, he must hurt her again.”

“ ... ”

“Don’t worry about it. Here is Yanjing. It’s inconvenient to do many illegal things.” Lang Ruoxian says, “Otherwise he will not only make a small accident.”

“If another accident happens to Fang Diandian during this period, we can at least be sure that she is targeted.” Lang Ruoxian continues, “Then we have to investigate it carefully from the beginning.”

Definitely, Tang Duo doesn’t want Fang Diandian to have any more accidents. But a few days later, Tang Cao suddenly calls her in panic.

“Elder Sister, Diandian has another accident. We are in the hospital now.”

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 372 A Woman Like Tang Duo

Fang Diandian takes over a gallery. Its former owner plans to go abroad so that the price is very proper. Now Fang Diandian should redecorate the old gallery first because its furniture is too worn.

“Yesterday, the designer said that they had finished the walls and the roof. So we went to the gallery in the afternoon. But a beam suddenly fell down.” Tang Cao says with tears, “We... were... under the beam. Diandian found it first. She... She pushed me away, but she was...”

Tang Duo pats her unlucky brother’s shoulder and says, “Don’t cry. What does the doctor say?”

When she comes, Diandian has already been sent to the ward but doesn't wake up. The doctor isn't sure when she will wake up, either.

"Elder Sister... Will Diandian be in a coma forever?" Tang Cao asks in horror.

The face of Fang Diandian's father turns dark as he comes out of the ward and hears that. He says, "Bah. The doctor has said that it was just a matter of time and she would wake up in 24 hours at the latest."

"... Do you hear me?" Tang Duo pinches Tang Cao once and says, "Don't talk nonsense. I'll talk to the doctor. You go to the ward and wait for me, in case that Diandian suddenly wakes up."

Tang Cao says yes, wiping his face and going to the ward.

"Uncle." Tang Duo looks at Fang Diandian's father, worrying that he will think his daughter is so unlucky because she is engaged to Tang Cao.

Sure enough, Fang Diandian's father looks at her in a strange way.

"Hua..." He smiles, "Well, I'm your elder, right?"

Tang Duo twitches the corner of her mouth and says, "Don't be so polite, Uncle. Please speak plainly!"

"Well, how was Tang Cao's luck before?"

Tang Duo is speechless.

She can't say that this is not my younger brother's wrong and your daughter is targeting by someone.

"He is lucky." Tang Duo forces herself to say, "Uncle, I will go to ask the doctor about Diandian's condition!"

Then she leaves quickly. Fang Diandian's father stands there and sighs. He decides to find a temple to tell the marriage's fortune of Tang Cao and Fang Diandian.

Tang Cao doesn't know that he has been regarded as a jinx by his father-in-law. He is making Fang Diandian's mother happy. Fang Diandian's mother thinks him good because his family is rich and he loves her daughter although he is a rich second generation.

It's said that her son-in-law was a nonentity and could do nothing. But she considers they are just jealous. Tang Cao's family is so rich and it doesn't matter whether he can make money or not.

She is satisfied with the present situation. There is no woman want to attract Tang Cao's attention. And her son-in-law will have a happy life with her daughter.

"Mom, Diandian wakes up!" Tang Cao stands up suddenly.

Fang Diandian frowns and feels her head buzzing. Then she suddenly opens her eyes and calls Tang Cao.

"I'm here! I'm here!" Tang Cao grabs her hand and shouts.

"Are you fine?" Fang Diandian observes him.

The big beam fell down in a flash. She only had time to push Tang Cao away, and her neck was hit. No! She seemed to faint!

"Diandian, boohoo..." Tang Cao is so moved, "Why did you push me away? Why? You should run away when it happens again. Do you know?"

Fang Diandian's father is coming and hears his words...

Doesn't this young guy know to how to say something good? Does he want the accident to happen again?

"I'm fine!" Diandian shakes her head and hisses.

Tang Cao is so scared and calls the doctor. He says, "Diandian, where is the pain? The doctor will be here in a minute!"

Fang Diandian's mother has rung the bell as soon as her daughter wakes up. So the doctor comes soon and then checks Fang Diandian's condition.

"You have a serious concussion." The doctor says, "Don't move these days. Lie down and have a rest. You will feel dizzy and nauseous. But you will get better in about a week. Go to sleep if you are really uncomfortable."

Fang Diandian is speechless.

“Doctor!” Fang Diandian’s father pulls the doctor to the door and asks in a low voice, “Will my daughter have any sequelae?”

“Don’t worry. It won’t happen.” The doctor promises.

Tang Duo tells her family after knowing Fang Diandian is fine. Then Fang Diandian talks with her for a time and then starts to feel dizzy and sick.

“Go to bed!” Tang Cao covers her up and says, “You will feel better if you fall asleep.”

Fang Diandian has no time to dispute him because she is really uncomfortable.

“Older Sister...” Fang Diandian still wants to talk with Tang Duo. But Tang Duo puts her hand into the quilt and says, “Don’t say more. You are not well now. Go to sleep quickly!”

When Fang Diandian falls asleep, Tang Duo asks Tang Cao to talk outside.

“Stay here to accompany her. I’ll go back and let housemaid cook soup for her. Tomorrow, Mom may come here.”

Tang Cao nods, “Don’t worry, Elder Sister! I’ll stay here at night and let my parents-in-law go back.” Then he asks, “Is this also an accident?”

“Your brother-in-law has asked people to investigate the accident scene. We don’t know until the result comes out.” Tang Duo says. Looking at each other, they all know it’s not an accident.

Fang Diandian is hurt so frequently, which is by no means fortuitous. Only Fang Diandian’s father thinks she is unlucky. In the next afternoon, he comes here and takes out two amulets, one of which is put under Fang Diandian’s pillow, and the other is handed to Tang Cao.

“I got them in the Fahua Temple. It’s said that they are very effective. You’d better not take it off.”

Later, Tang Duo hears that Fang Diandian’s father spent ten thousand yuan on the two amulets...

“The beam is broken off from the connection.” Lang Ruoxian shows them the photos he takes at the scene and says, “Look here. It’s obviously sawed.”

In the photo, there is an uneven mark on the connection of beam, which is obviously artificial.

“Fortunately, the beam is made of wood. If it is a corrugated steel bar...” Bai Susu shudders.

Tang Cao’s face is pale, “In fact, we wanted to use a corrugated steel bar to be the beam. But the designer said that we didn’t need a bearing beam and it was hard to put vent line if we used it. So we chose a wood beam after he talked with us...”

“Who is he? Why does he hurt Diandian again and again?” Tang Cao is so angry. Someone wants to kill his fiancée, but he doesn’t know who he is.

Lang Ruoxian shakes his head. He is not a god but a man. How can he know everything?

“I think that’s might because Diandian knows some secrets. So they want to kill her.” Bai Susu analyses, “But even Diandian herself doesn’t know the secrets. These guys are so stupid.”

They obviously disclose themselves. They used to be safe. But now they will have a big trouble.

“That means the secret is so important that they don’t want to take risks. So they think they will be safe when Fang Diandian dies.” Lang Ruoxian says. Tang Cao shakes, as if he is going to faint. Lang Ruoxian continues to attack him, “Something must happened when you were abroad.”

Tang Duo nods, “Tang Cao, think again. Did you see anything unintentionally?”

“No!” Tang Cao almost pulls all his hair. He says, “We saw passers-by every day. How can we see?”

Lang Ruoxian suddenly sits up straightly, which shocks Tang Duo.

“What’s wrong?”

He looks at her and says, “Fang Diandian said that she saw a woman who was very similar to you.”

“... What do you mean?”

The whole family all feel creepy instantly. Tang Yao shakes his hand with a teacup and says, "Ruoxian, speak frankly! Don't scare us."

"That's all I want to say." Lang Ruoxian squints, "If Tang Cao is right that they didn't see any special people or things, the only special person will be the one who looks the same as you."

"... Is it a ghost?" Tang Duo rubs her arm.

Lang Ruoxian hugs her, "I'll send someone to check abroad. Maybe I think too much. After all, Fang Diandian said that she might be wrong because the woman with sunglasses covering half of her face."

When Tang Duo goes to the hospital again, she asks Diandian about the situation.

"Sometimes we think she is familiar. It's a feeling. Do you think it was like seeing me when you saw her from afar?" Tang Duo asks.

Fang Diandian frowns and nods after thinking for a long time. She says, "Yes. She's just like you!"

Otherwise, Fang Diandian would not rush across the road directly.

"Older Sister, do you mean there may be a woman who looks like you? The woman even asks someone to kill me because I saw her?"

Seeing Fang Diandian's pale face, Tang Duo comforts her, "Don't be frightened. We are just using exclusion method to exclude people who have relationship with you one by one."

"I don't think there's anyone like my elder sister in the world." Tang Cao insists, "Unless she tidies up her appearance!"

Xiaokai flies to F Country with Tang Duo's picture. He asks people where Fang Diandian saw that woman. Soon a florist's boss says that he has seen this woman.

"She's so beautiful!" The boss is also from Hua Country and says excitedly, "She wears sunglasses every time, covering the upper part of her face. But the lower part of her face likes the person in the picture."

He looks at the picture and nods, "Yes. She is quite similar!"

“Are you sure?” Xiaokai is shocked. Does a woman really look like his boss’s wife?

The boss is a middle-aged man in his forties. Seeing Xiaokai questioning him, he snorts, “Young man, that woman often comes to my shop to buy flowers. I can’t forget beauty at a glance. How can I be wrong?”

Xiaokai goes back to Hua Country with worries. He reports to Lang Ruoxian what he finds. After hearing his words, Lang Ruoxian keeps silent for a long time.

“Young Master...” Shu Sheng breaks the silence, “It’s not like coincidence.”

Lang Ruoxian definitely knows that. Otherwise, the woman will not come to Hua Country to kill Fang Diandian just because Fang Diandian saw her accidentally.

“It’s clear that the woman knows Fang Diandian.” Lang Ruoxian goes home and says to Tang Duo, “Maybe she also knows us. So she is afraid that Fang Diandian will tell us that she saw her, or just that Fang Diandian will tell us...”

After Tang Duo realizes someone looks like her, she begins to feel uneasy. She feels that there is a big conspiracy in the invisible place. She puts herself into the man’s arms and says, “I get Diandian in trouble this time.”

“If that’s true, we will owe her.” Lang Ruoxian touches Tang Duo’s back softly and frequently. He says, “What she accidentally found might ruin the woman’s plans.”

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 373 Go to G City to Meet Fei Ying

Tang Duo apologizes to Fang Diandian because it’s her fault to make Fang Diandian hurt recently. Fang Diandian thinks for a moment, and then says happily, “Great! So it makes sense that I took that woman for you accidentally.”

“Yes, yes!” Tang Cao nods next to them.

Fang Diandian says excitedly, “I’ve crushed other people’s plot!”

“Diandian... You just find that. But we don’t even know who he is!” Tang Cao holds her shoulder and says, “Don’t move. You’ll feel dizzy and nauseous.”

Fang Diandian lies down obediently and says, “Anyway, if I hadn’t seen that woman, we wouldn’t know that a person like Older Sister has a plot now.”

“You deserve the credit!” Tang Duo thumbs up to her.

Fang Diandian leaves the hospital when the symptoms of dizziness and nausea disappear. At this time, the National Day is coming. She has no time to rest and goes to the gallery in a hurry.

The gallery has been decorated. According to the previous agreement with her classmates, they must arrange all the paintings before the National Day, so that the gallery will open at that time.

“Okay. I’ll pick you up at the airport on the afternoon of October 1st!” Fei Ying sets a date with Tang Duo and says, “Lang Ruoxian can’t accompany you. Can you come alone? Shall I ask Fei Shan to pick you up?”

Fei Ying says, “You take four children alone...”

“No. Tang Cao will take me there.” Tang Duo smiles, “Then he will go back that day.”

“That’s fine!” Fei Ying thinks that even so, it’s uneasy for Tang Duo to take care of four children alone when she stays here. But it doesn’t matter because she can help her.

Tang Duo seems to know her worry. She says proudly, “Don’t worry. I have Wuyou!”

“Wuyou is just a kid. What else can she do?” Fei Ying doesn’t believe it.

“You will know later!”

Tang Duo goes there by a private plane. So Bai Susu prepares a lot of specialty products, filled with a large suitcase.

“Tang Cao and guards will deal with everything. You don’t have to worry.” She tells Tang Duo, “Will Ruoxian pick you up on time after he finishes his work?”

Tang Duo says as she puts the twins' clothes in the suitcase, "He will probably go there on the fifth of October."

"That's good..." Bai Susu is relieved and says again, "If he is on emergency temporarily and can't go there, remember to call Tang Cao in advance to pick you up."

Tang Duo says yes patiently.

Fei Ying and Tang Duo are very excited about it. They send a video call every day to talk about what they are going to do. Lang Ruoxian once hears what they talk about and can't help twitching the corner of his mouth. He thinks most of their plans are impractical and unachievable.

When the holiday finally comes, Lang Ruoxian send them to the airport. After sending his wife, children, brother-in-law and a dog to the private plane, he begins to go to stay with his observation group.

"I would bring Diandian to come here if her gallery didn't open tomorrow." Tang Cao says garrulously, "I want to play with her for a few days here. It seems that she hasn't been to G city."

Tang Duo puts the twins on the big bed behind them to sleep. Then she pulls the curtain for twins and sits back. She says, "You should be alert these days, I don't know if there is any accident. Anyway, you'd better be careful."

"I'm also afraid that. So I'll go back today to accompany her." Tang Cao puts away his phone. He just played a game with Chen Xiaopang in his phone. He says, "I asked Xiaopang to take her to the gallery this morning."

When they arrive at G City, a little accident happens. The thunderstorm clouds come from somewhere and crackling lightning shuttle through the clouds. The pilot says that he can't land the plane and has to circle around the airport many times. Fortunately, the clouds drift away a short time later.

"Hua!" Just out of the VIP passage, Tang Duo sees Fei Ying waving and jumping at the door. Next to her stands a boy taller than her, holding a little girl in his hand.

"Ying!" Tang Duo hurriedly goes to her.

The little girl smiles at her sweetly, "Godmother!"

“Xiaojiu is more and more beautiful.” Tang Duo touches the head of the little girl. Although she doesn’t remember the kid now, she likes such a pretty girl.

The boy near her also calls, “Godmother.”

“Mingxi?” Tang Duo isn’t sure the boy’s identity.

She often sends a video call to Fei Ying to see Xiaojiu. But Mingxi, as a boy, seldom shows up in the video call. So Tang Duo didn’t know he is so tall now.

“Yes.” Mingxi nods. He has already been in junior high school.

Tang Cao walks close to them and pats the boy on the shoulder. He says, “Good. You’ve almost grown as a man since the last time I saw you!”

That’s right! Mingxi is taller than Tang Duo and Fei Ying. Unlike Chen Hong and her husband, Mingxi is as gentle and refined as Fei Shan.

“Godmother! Brother Mingxi. Sister Xiaojiu!” Gungun calls them one by one and throws himself excitedly at Mingxi and Xiaojiu.

Xiaojiu hugs him, laughing together.

“Let’s get in the car and have a talk!”

Fei Ying picks them up with a big business car. After starting the car, Gungun hurriedly holds Wuyou’s hand and says, “This is Wuyou. You haven’t seen her!”

“I’ve seen her in the video!” Xiaojiu holds Wuyou’s hand and doesn’t mind Wuyou’s calm expression. She says, “Wuyou, I have an elder sister now, right?”

Wuyou is two years older than Xiaojiu. She says seriously, “Younger Sister Xiaojiu.”

“Woof, woof, woof!” Lulu barks.

“This is Lulu!” Gungun introduces quickly.

Xiaojiu is not afraid of the dog and pats Lulu’s head. Seeing that, Mingxi touches her head. Xiaojiu’s cat died of an acute disease last year, which made her cry for several days.

“I’m fine!” The little girl rubs against Mingxi’s hand.

Tang Duo sits in front of them and asks in a low voice, “Doesn’t Xiaojiu want to raise another one?”

“No.” Fei Ying’s voice lower, “We asked her several times if she wanted to have another cat. Fei Shan even found an exact same cat for her. But she refused. I think she doesn’t want to have one recently.”

Pets are all like this. They only accompany people for over ten years. It will be even shorter in case of accidents. Tang Duo is also worried that Lulu will pass away too early, so she checks its body regularly, hoping that it can accompany Gungun longer.

“They sleep so well!” Fei Ying touches twins in the pram. The babies don’t wake up by the noise.

Tang Duo smiles, “They got up early in the morning and only slept about ten minutes on the plane. They must be so excited.”

“They are better than my Shiliu. He is too naughty and can’t keep silent for a moment...”

On the way, Lang Yukun also makes a phone call. They planned to live in the old house of Lang Family when Lang Ruoxian came. But now there is only Tang Duo. So Fei Ying wants Tang Duo to live in her house.

“It’s nothing. When Ruoxian comes, we will go there together.” Tang Duo says to Lang Yukun.

“Well, OK!”

“OK. I’ll check my schedule tomorrow.”

After Tang Duo hangs up, Fei Ying begins to ask, “Does he want to have a dinner with you?”

“Yes.” Tang Duo takes a look at her and says, “Do you want to go with me?”

“Hah, hah!” Fei Ying doesn’t change at all. She is still like a gossip girl. She says, “I saw Lang Yukun’s girlfriend once in the street. But we didn’t talk too much in that improper place.”

Tang Duo squints, "Are you curious about You Hao?"

"More than me!" Fei Ying stares, "Everyone in the business circle of whole G City is all curious! It's said that the Fourth Child of Lang Family has a... girl like that and regards her as his wife!"

Tang Duo considers. Then she says, "It's not so exaggerated. She's a lovely girl. You will know when you have dinner with her."

"How about tomorrow?" Fei Ying says, "My brother is very familiar with Lang Yukun. We can have dinner together."

So Tang Duo sends a message to Lang Yukun, who quickly replies that it's OK and he invites them to his private restaurant.

"Fei Shan will be back the day after tomorrow." All of a sudden, Fei Ying says mysteriously, "Our family went to incense in the New Year. A master said that he would have luck in love affairs. But it's almost the end of the year. He doesn't have a girlfriend."

Tang Duo says, "... Maybe he is too busy."

She has learned the news of Fei Shan from the headlines for most of this year. He has been filming abroad and flying everywhere. How can he have time to fall in love?

"That master is very good at fortune-telling!" Fei Ying says with a positive face, "There is still a few months left. He must fall in love!"

When they arrive at Fei Family's house, Fei Yi is waiting at the door, holding an active baby in his arms.

Tang Duo pushes the car's door, hearing the baby calling his mother.

"You can go to see Shiliu. Tang Cao will help me with the luggage." Tang Duo urges Fei Ying.

Tang Cao comes to take the pram down. Then everyone enters the villa. Shiliu is put on the ground and he can stand stably now.

"Babies will change a lot every month." Tang Duo puts twins who just wake up on the carpet. An'an doesn't look so anxious. He just holds Tang Duo's hand nervously after seeing strangers around him and the strange house.

But Sweet Orange reacts too much. She looks around blankly with her chubby face. After realizing she is in a strange circumstance, she cries immediately.

“Good girl, don’t cry!” Fei Ying quickly coax her with toys. But Sweet Orange beats toys in her hand away with a straight face. Shiliu sees that and then pulls Fei Ying fiercely.

Tang Cao asks curiously, “What does he mean?”

“We are also confused why he looks like that.” Fei Yi shakes his head helplessly, “He is so clingy to Ying. He even doesn’t like me to hug him. Xiaojiu, it’s your turn.”

Xiaojiu walks close to Shiliu and looks at him seriously. She says, “Younger brother, let mother go.”

“Ah, ah!” Shiliu shouts.

“Mother doesn’t only belong to you.” Xiaojiu bends down and looks at his eyes, “This is Godmother, Brother Gungun and Sister Wuyou. Twins are younger siblings. We are all good friends!”

Shiliu can’t understand it.

“Ah, ah!” He just doesn’t want Fei Ying to touch other babies.

Xiaojiu stands up slowly and looks more and more serious. She says, “Well, I have to pinch you.”

Then she pinches the chubby face of Shiliu and asks, “Do you listen to me?”

“Ouch, ouch!” Shiliu screams.

But no one saves him.

Xiaojiu takes another hand to grab his face and pinch the other side of his face.

“Wawa...” Shiliu cries and lets Fei Ying go.

Xiaojiu also lets him go. Shiliu sadly throws himself into Fei Ying’s arms. But Fei Ying ignores him intentionally. So do Fei Yi and Mingxi. Then he cries louder and sits on the carpet.

“Leave him alone. He’ll be fine in a minute.” Fei Ying looks calm.

A minute later, Shiliu climbs close to Xiaojiu and says, “Ah, ah...”

Chapter 374 Two Dogs That Hate Each Other

Each scenic spots is a sea of people on the National Day. But Tang Duo and Fei Ying still take their children to the wild zoo in the next city. It’s the largest wild zoo in Hua Country. It wasn’t popular all over the country until several parent-child variety shows were shot in the zoo.

Now the advantage of wealth is shown up. Fei Yi spends money and uses his personal relationship. So they have their own car in the zoo and don’t need to wait in line. Children also have a chance to feed pandas.

“Why doesn’t Sister You Hao come?” Xiaojiu asks in the way back.

The two families in the G City have been friends. Especially after Lang Yukun has You Hao, he often brings her to play with Xiaojiu.

“You Hao is sick.” Tang Duo touches Xiaojiu’s head and says, “You can go to see her a few days later when she is fine.”

You Hao has a virus flu that can infect other people. So Lang Yukun tells them not to bring children to see them. But Tang Duo considers and then brings Wuyou to see You Hao the next day.

“Why can’t I go there?” Gungun asks sadly when they are leaving.

Tang Duo tells him, “Wuyou has an immunity from the disease. So she can go to visit You Hao on behalf of everyone. If you go there and catch a cold, you will infect Shiliu and twins, which will be troublesome.”

“We will come back soon.” Wuyou promises Gungun.

Gungun has to see them getting on the car.

Only You Hao, Lang Qin and his son live in the Lang’s mansion now. Lang Jia and Lang Jie live abroad. No one knows whether they dare not come back or they don’t want to come back. Tang Duo goes in with Wuyou, finding many decorations change.

Looking at this place where she has lived for more than three years, Tang Duo sighs with emotion suddenly.

“Do you miss it?” Lang Yukun asks her with a smile, “The previous decoration is a bit old-fashioned. My father doesn’t like it. So we change some things.”

Tang Duo smiles, “Well, it’s much more beautiful than before!”

“Aunt?” You Hao comes down from upstairs. Her eyes become bright when she sees Tang Duo. Then she looks at Wuyou. Her chubby face suddenly smiles like a flower. She runs to them and asks happily.

“Wuyou, do you come to see me?” Wuyou nods and holds her hand. She asks, “Are you better?”

You Hao snuffles. She says with her hoarse voice, “No. I feel so uncomfortable.” She points to her nostrils, “They can’t work now. I need to breathe with my mouth.”

“Woof, woof, woof!” A dog behind her barks. It looks similar to Lulu at first glance.

“This is Wangwang!” You Hao holds the big head of German shepherd dog, “Is it better than...” Then she may think her words are wrong. She changes her words to ask, “Is it as beautiful as Lulu?”

Tang Duo says yes with a smile. You Hao is very happy, taking Wuyou to her room to see the doll.

“Thank you for coming to see her with Wuyou.” Lang Yukun appreciates, “Yesterday, she asked me why she didn’t have classmates to see her like the sick kid in the story book.”

“Can You Hao go to school according to her condition?” Tang Duo says with a pity

“There’s a special school. But I’m afraid she’s not used to it.” Lang Yukun invites Tang Duo to sit down and says, “So I asked the teacher to come to teach her every other day. You Hao is very smart, especially in math.”

Tang Duo nods and looks around. She asks, “Is Fourth Uncle out?”

“He is back to the Mi Country.” Lang Yukun pours her a cup of tea and says, “He went back a few days ago. Something happens to his friend. So he goes there to have a look.”

They chats casually and have lunch together. Tang Duo leaves with Wuyou when it is almost dark. You Hao waves her hand fiercely to say goodbye to them.

“Yukun says I can go to play with you when I get well!”

Wuyou nods and says seriously, “Okay. We will wait for you.”

On the fifth, Lang Ruoxian comes on time. When the whole family move to the Lang’s mansion, You Hao almost gets well. She is so glad. But Lulu and Wangwang seem not to be happy...

“Lulu, why don’t you want to play with Wangwang?” Gungun asks Lulu squatting on the ground.

You Hao is also talking with Wangwang, “Lulu is a good dog. Wangwang will have no friends if you treat Lulu like this.”

Two dogs bark, “I don’t want to be friends with it!”

“Woof, woof, woof!” They bark at the same time, making three kids cover their ears.

You Hao says fuming with anger, “Wangwang! I don’t like you. How can you be so rude to the guests?”

“Wuwu...” Wangwang barks innocently. But it finally comes to Lulu and raises his paw to touch Lulu’s head.

You Hao says satisfyingly, “Good dog!”

Lulu barks, “Don’t touch me, you fool.”

Wangwang barks, “do you think I’d like to touch you, little girl?”

Lulu barks, “You are only two years older than me. Don’t regard you as a senior. What? Do you retire early because you are useless?”

Wangwang barks, “I retire because I was injured when saving people.”

Lulu asks, "... Really?"

Wangwang says, "Nonsense."

Lulu says, "So what?"

Two dogs talk with each other. But Gungun and other people just hear their barks. Only Wuyou takes a look at dogs as if thinking of something. Long time later, Tang Duo begins to know Lulu hates police dogs. That may be because the dog is sent back to be a pet when it is not qualified to be a police dog...

Obviously, it is jealous of Wangwang!

"It was supposed to be a coincidence, but now it is suspected. So the coincidence may be a conspiracy." After hearing Lang Ruoxian's words, Lang Yukun thinks for a while and says, "Many people look the same in the world. But this situation..."

"Of course I know it's not normal." Lang Ruoxian says and then looks at Tang Duo, who is playing with the children in the yard. His eyes become gentle in a short time. He says, "I'm just a little bored."

He is very satisfied with his life now. He doesn't want to worry about whether someone wants to destroy his life or hurt his Hua every day.

"It's not up to you." Lang Yukun smiles, "You know Fei Family. Fei Yi had a bad temper when he was young. He grabs Fei Family and treats other people so badly, which leaves a lot of hidden dangers."

Lang Ruoxian knows that exactly. These people who hate Fei Yi have conspired them many times. Fei Ying catches them at the beginning of last year. Their final ending is not good...

"I don't think I offended anyone." Lang Ruoxian shakes his head and says, "I'm different from Fei Yi. So far, my only enemy is the first branch of Tang Family, which is because Tang Family."

Lang Yukun shrugs his shoulders and says, "There is no difference. They have to deal with you before dealing with Hua's family."

They can't gather up the threads and have to be alert.

The day after Lang Ruoxian comes back, he goes to Chen Hong's house with Tang Duo. Li Yi doesn't change. He shouts loudly when he sees them.

"You finally come here. I'll go to pick you up if you don't come!"

Tang Duo brings a lot of gifts. Li Yi takes them and says, "We are friends. You don't need to give us presents. Come in. Your sister Chen has been waiting for you in the morning!"

"Your twins are so beautiful." Chen Hong says. Gungun and Wuyou don't come here. Tang Duo only brings twins to let Chen Hong see them. Chen Hong lies on the chaise longue and wants to sit up quickly when seeing them.

"Don't move!" Tang Duo hurriedly runs to stop her and says, "Doesn't the doctor say you'd better lie on the bed?"

Chen Hong looks at her and says tentatively, "Don't you lose your memory?"

"Lang Ruoxian can tell me!" Tang Duo smiles, "Besides, even if I don't remember, friendship will never change."

Chen Hong smiles, "You're right. We became friends at first sight. Now it happens again!"

"Look at what you said. Mr. Lang is staring at you." Li Yi covers her with blanket and says, "Let's sit down and have a talk!"

"I know you will bring twins. So I put a thick carpet for them." Chen Hong says. She lies down and watches Tang Duo putting the twins on the carpet.

An'an looks around with his big eyes. Sweet Orange grabs Lang Ruoxian's trouser legs, as if she is going to cry if someone moves a little.

"She's very timid." Tang Duo touches her daughter's head and says, "She just likes staying with her father."

Li Yi says enviously, "Daughters are father's little lover in his previous life!"

"Do you want to hug her?" Tang Duo asks. She hands Sweet Orange to him generously.

Sweet Orange's eyes instantly have tears. She pouts her mouth and is about to cry.

“Alas. Don’t cry! Don’t cry!” Li Yi quickly says, “Put her down. I can just touch her! Don’t scare the baby.”

Tang Duo puts Sweet Orange down. Sweet Orange tries hard to stand up and climb to Lang Ruoxian. But she doesn’t learn how to stand in normal times. So now she fails even though her face turns red because she makes too strenuous efforts. Chen Hong sympathizes the baby.

She says, “Pick her up quickly!”

Lang Ruoxian begins to reach out to hold his daughter.

“Brother Li, please hold An’an!” Tang Duo hands An’an to him.

Li Yi looks at the baby and makes sure that he doesn’t want to cry. Then Li Yi starts to hug him. An’an is calm in his arms, blinking at him.

Gradually, Li Yi’s eyes turn red.

“Look at you!” Chen Hong blames him, “You are a man. It’s ashamed to cry.” But her own eyes are also red.

Tang Duo comforts them quickly, “Don’t worry. Your fetus is good now! You must have a beautiful and lovely baby.”

“Yes! The doctor said it was a girl. Next year we will have our own daughter. Ha, ha!” Li Yi is very happy and shakes An’an.

An’an babbles. Li Yi likes him so much and shakes him softly again.

After seeing Chen Hong and having dinner with Fei Ying, Lang Yukun and others, the holiday is coming to an end. Tang Duo and her family return to Yanjing. When they get off the plane, Sweet Orange seems to eat something wrong and vomit to Tang Duo.

She is scared by herself and cries loudly. Tang Duo is also shocked and checks her body for a long time. Lang Ruoxian says that she maybe eats too much mango.

“Let’s call the doctor to see her when we can go home!” Tang Duo is still worried about her.

Lang Ruoxian nods and takes An'an from Tang Duo. He asks, "Do you want to change your clothes?"

"Yes. I'll go to the bathroom." Tang Duo takes her coat and goes to the bathroom opposite.

Lang Ruoxian and children are waiting for her outside. A few minutes later, Tang Duo comes out. Lulu barks to her.

"What's the matter?" Tang Duo touches Lulu's head.

Lulu looks at her, tilting its head. Then it shakes its head.

Chapter 375 An Emergency

Bai Susu has been waiting for them for a long time. They haven't seen the twins for days. They miss the twins very much. As soon as they get in, they hold the twins in their arms.

"Why do I feel An'an is thin?" Tang Yao stares at An'an's chubby face and says.

Tang Cao says happily, "Dad, why did you say I was fat when I came back?"

"You're really fat." Tang Yao ignores him and asks Bai Susu with An'an in his arms.

Bai Susu holds Sweet Orange. They compare the twins together. The baby is really thin... But it's not An'an. It's Sweet Orange.

"She is new there. She can't eat and sleep well in a new environment." Tang Duo says with a smile and sniffs.

Lang Ruoxian frowns and says, "What's the matter with you? Do you have a cold?"

"I don't know!" Tang Duo says and sneezes directly, "Oh, I really have a cold."

"You shouldn't have changed at the airport." Lang Ruoxian touches her forehead, "Go upstairs and have a rest. I'll call the doctor to see."

Tang Duo shakes her head in a hurry, “No. I have no fever. There’s medicine at home. I’ll just eat and sleep.”

“Anyway, the doctor is going to see Sweet Orange. The doctor will see you by the way.” Lang Ruoxian takes out his phone.

Tang Duo’s eyes flash and she says, “Well...”

“Sister, are you all right?” Tang Cao comes over and looks at her carefully.

Tang Duo widens her eyes and pushes him away, “Why are you so close? You scare me.”

“You still have the spirit to shout at me. It seems that you’re okay.” Tang Cao sits back on the sofa, “Sister, if you have time, you can go to Diandian’s gallery. I’ll let reporters take photos and send news to stir up the popularity.”

Before Tang Duo speaks, Lang Ruoxian glances at Tang Cao and says, “Wait until she is fine.”

“Yes!” Tang Cao says with a smile, “I mean that.”

Bai Susu puts down the twins and touches Tang Duo’s forehead. After making sure that Tang Duo doesn’t have a fever, she rushes Tang Duo upstairs to have a rest.

“She is too tired to take four children by herself.” When Lang Ruoxian brings Tang Duo up, Chang Pei’e says, “The next time it’s better to have more people when we go out.”

Bai Susu nods, “We’ll go on vacation together next time!”

After seeing Tang Duo take the medicine and close her eyes, Lang Ruoxian leaves the room. When he comes to the stairway, he sees Wuyou waiting for him.

“Dad.” Wuyou whispers, “There’s something wrong with Mom.”

Lang Ruoxian squints, “Follow me to the study.”

After entering the study, Lang Ruoxian asks, “What did you find?”

“Smell.” Wuyou is a bit dazed, “When Mom came out of the airport bathroom, she smelled a bit wrong but it was still her smell. I thought it was because there were so many people at the airport. But after coming home, I found that Mom’s smell completely changed.”

“You mean you don’t think that person is your mother?” Lang Ruoxian’s face changes and he says, “Are you sure?”

Wuyou looks serious. After a few seconds, she nods forcefully, “It’s impossible for a person’s smell to change suddenly. That person is not my mother.”

“Wuyou.” Lang Ruoxian stares at her, “Listen to me. Don’t tell anyone about it. Only we two know it.”

Wuyou nods, “I see, Dad. But Mom...”

“Since that person is fake, your mother must have been taken away by them.” Lang Ruoxian finds his hands shivering. He takes a deep breath and says, “You are responsible for protecting Gungun and ensuring your safety at school.”

“Okay, Dad.” Wuyou is worried, “Will Mom be in danger...”

Lang Ruoxian clenches his fist. He doesn’t know. If he is the other side, after using one person to replace the other, he will not let the original person live, and will not give the other side the opportunity to find flaws.

Now he only hopes that they are not so cruel or that they have other purposes. They won’t hurt Hua’s life.

“Then what if she hurts grandparents?” Wuyou’s eyes suddenly change, “And the twins. They are at home with her together every day.”

Lang Ruoxian closes his eyes and opens for a few seconds, “Go and bring Grandma. Don’t say that I look for her. You just say that you want her to see the gift you bought.”

When Bai Susu hears half of it, she is scared. She feels black in front of her eyes.

“Grandma.” Wuyou helps her stand.

Bai Susu waves, “Isn’t the one upstairs really Hua?”

“I believe in Wuyou’s judgment.” Lang Ruoxian says, “But Mom, you can test it. But you must be careful. It can’t be detected.”

“Okay... Okay...” Bai Susu bursts into tears, “My daughter has only lived a few days safely. Who is going to hurt her?”

After discussing with Bai Susu, Lang Ruoxian decides to check Tang Duo’s whereabouts. Bai Susu watches the fake at home to see if she can find any clues by the way.

“You...” When Bai Susu leaves, she looks at Lang Ruoxian and wants to say something.

Lang Ruoxian rubs his eyebrows and says, “Mom, I won’t touch that woman. Don’t worry.”

“Well.” Bai Susu wipes her tears, “Don’t let her detect it.”

Lang Ruoxian nods. He wants to strangle the fake upstairs now but he has to bear it. Before he finds Tang Duo’s whereabouts, he must let the woman think that they have no doubt. Only when she relaxes her vigilance will she show her slip.

“The doctor is coming!” Tang Yao shouts downstairs.

Bai Susu and Lang Ruoxian look at each other and go downstairs with Wuyou. The doctor checks Sweet Orange first. She doesn’t have any big problems. She’s a little acclimatized. She will be better after drinking more water for a few days.

“Go upstairs and see Hua!” Tang Yao says sweetly, holding Sweet Orange.

Bai Susu smiles, “No. I just went to see her. She fell asleep.”

“She has a cold and has taken the medicine.” Lang Ruoxian says, “She should have a cold. Let’s see if she will have a fever tomorrow.”

The doctor has no problem with it. He is paid. Naturally, he will obey what the employer says. After the doctor leaves, Tang Yao sees Lang Ruoxian holding the car key. He is dumbfounded.

“Where are you going so late?”

Lang Ruoxian smiles, "Dad, I suddenly have a social intercourse. I will go."

"Where are you going to meet?" Tang Yao's eyes become alert and he says, "Are you going anywhere bad?"

Tang Cao laughs, "Don't make a fuss, Dad. No one goes to that place now. Now everyone goes to the club!"

"Shut up!" Tang Yao glares at him, "Do you think your brother-in-law is like you?"

Then he smiles and asks Lang Ruoxian, "Are you going to the club?"

"No." Lang Ruoxian is anxious. But he can't let Tang Yao and Tang Cao know. He says, "Dad, didn't I go with the leaders to investigate before? They said they wanted us to have a meal together."

Tang Yao says, "Okay. Then you go."

"Ruoxian!" Bai Susu sees the situation and says, "If it's too late, don't come back. Go to the hotel and have a sleep."

Lang Ruoxian nods and agrees. Then he goes out.

When he leaves, Tang Cao murmurs, "How can my brother-in-law not come back? He is unwilling to leave my sister for a moment, let alone overnight..."

But the next day he finds that Lang Ruoxian really didn't come back last night...

"Why? Is the sun coming out from the west?" Tang Cao runs to the window and looks out.

Bai Susu makes a death gesture at him. Tang Cao runs back quickly, "Mom, Didn't my brother-in-law come back last night?"

"Yes." Bai Susu says angrily, "Eat quickly and then send Gungun and Wuyou to school."

Tang Cao is unhappy and he says, "I'm not going to pick Diandian up today. After eating breakfast, I will go to sleep."

"Why are you not going?"

“She’s going to be the bridesmaid today.” Tang Cao shrugs, “I’ll pick her up this afternoon. Where are my father and grandmother?”

Bai Susu says, “Your dad invited someone to fish and left early. Grandma hasn’t come back from the square dance yet. Eat quickly!”

“Good morning, Grandma and Uncle!” Gungun and Wuyou walk into the dining hall hand in hand. Lulu wags its tail in the back.

Bai Susu touched their heads, “Let’s have breakfast. Then your uncle will send you to school.”

“I just went to see Mom secretly. She hasn’t woke up yet.” Gungun is worried, “Grandma, is Mom sick?”

Bai Susu smiles, “No. Your mother is a little tired. She will be better after resting for a few days.”

“Well!” Gungun takes a bite of meat bun. Then he looks around and finds that his father is not there. He asks strangely, “Where is Dad? He is not sleeping.”

“Your dad has something to do in the company. He has gone.” Bai Susu looks at her watch and say, “Okay, eat quickly. You’re going to be late.”

Lang Ruoxian is in the office. His face is gloomy. He stayed in the hotel last night but he didn’t sleep all night. Shu Sheng and Xiaokai were called to the hotel in the middle of the night. They were shocked to know that Tang Duo had been replaced by another woman.

“The woman who Fang Diandian saw before abroad was really like Young Mistress.” Xiaokai says with an incredible expression, “Well... Did she grow up like that or did she have a facelift?”

Shu Sheng glances at him, “She must have had a facelift.”

“How do you know?”

“Because people can’t grow exactly the same.”

They look at Lang Ruoxian together.

“Arrange someone to go to the airport now. Be careful not to use Hua’s bodyguards. You can’t go either.” Looking at the TV Tower opposite the hotel,

Lang Ruoxian says, "We can't let the people behind us find that we already know that the woman is fake."

Shu Sheng nods, "I see. I'll let the new guy check."

"Be careful when you check. Don't let them doubt it." Lang Ruoxian knows that it is difficult, but he has no choice. He is afraid that the other side will hurt Tang Duo if they know their plan fails.

"Young Master, we have no clue this time." Shu Sheng can't help saying, "Young Mistress..."

Lang Ruoxian interrupted him, "I was worried yesterday. But I think Hua is safe for the time being. They make a fake Tang Duo. We don't know their purpose. They may be for the company or for revenge."

"It's not something that can be done in a short time. Once there's something the fake woman doesn't know, they have to know it from Hua's mouth, so they have to keep Hua safe."

Now the problem is that Lang Ruoxian is not sure what the other side is aiming at. He hopes that Bai Susu can get more useful information. He also wants to get information from the fake, so he has to go back.

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 376 You Have Been Dead

After finishing the square dance, Chang Pei'e comes back for breakfast. Then she finds that Tang Duo has not come downstairs.

"Is Hua seriously ill?" She asks Bai Susu.

Bai Susu has already brought the twins down. She has been thinking about how to make the fake Tang Duo contact children less. Hearing Chang Pei'e's question, she says faintly, "No. I asked her to take cold medicine in the morning. I think she's sleeping."

"Let's take care of the twins these days. Don't let them be infected."

Bai Susu's eyes flash and she says, "Yes. Let Hua have a good rest for a few days."

The fake Tang Duo doesn't know she's exposed. She pretends to have a cold but she's afraid. Although she knows that her face is almost the same as Tang Duo's, she still has no idea what she was used to.

"We've even told you about Tang Duo's habit of drinking coffee. In this year, you live exactly according to Tang Duo's pattern. It's time to complete our business."

A year ago, Tang Ziyang thought she would die. But when she woke up, she found herself lying on a metal bed surrounded by foreign doctors in white coats.

"She woke up." Someone came over with a mirror.

Tang Ziyang instinctively covered her face. She had been afraid to look in the mirror for a long time, "No. Go away!"

"Miss Tang, just take a look!" The person smiled, "Maybe it is a surprise to you..."

Then Tang Ziyang thought a miracle had happened. Half of her face had no scar and it seemed to be more beautiful than her previous face.

"Miss Tang." A man with a mask came up and said, "Would you like to make a deal with me?"

Realizing what he meant, Tang Ziyang immediately said, "Yes. I can do whatever you want me to do as long as you cure my face!"

"I can not only cure your face but also make you more beautiful." The person seemed to smile, "But after you recover, I need you to do something. Don't worry. I won't let you kill others or set fire. It must be within your ability."

"What am I going to do?"

"Don't worry. You will know when your face is restored."

Later, Tang Ziyang knew that she was in a lab. They had very advanced technology. Her other half got better and better after several operations.

However, every time she looked in the mirror, she always felt that her face looked strange. They showed her a video soon. The video showed a woman with a mosaic on her face.

“From now on, in addition to eating and sleeping every day, you need to watch these videos to get familiar with the woman’s lifestyle and every move.”

Tang Ziyang didn’t know what they want to do. But for her own face, she had to stare at the videos every day. Although she spit blood, she still watched them again and again.

One day, she had another operation. The nurse who took care of her picked up the mirror and said, “Congratulations, Miss Tang. Your face is all right.”

“Ah!” When Tang Ziyang saw the face in the mirror, she waved it in horror, “Why? Why do I become Tang Duo?”

The man with the mask appeared again. He looked at her face and said strangely, “Are you not good to be like this? Isn’t she the first beauty in Yanjing? Aren’t you always jealous of her?”

“I am jealous of her. But I don’t want to be her!” Tang Ziyang was going be crazy, “Change my face back.”

“Miss Tang, it’s impossible to change it back.” The man with the mask spread his hands, “Why don’t you think about the benefits?”

Tang Ziyang glared at him fiercely, “What are the benefits? Don’t you want me to live with Tang Duo’s face all my life?”

“No!” The man with the mask shook his fingers, “You won’t live with her face. You will take her place.”

Tang Ziyang was confused. She heard the man say.

“Since your face is the same as Tang Duo’s, then you can be Tang Duo. In this world, there will only be one Tang Duo.”

“What do you mean?” Tang Ziyang looked at the man carefully. Her eyelids drooped and she thought of something.

The man with the mask laughed, “Miss Tang, don’t think too much. I’ll arrange everything for you. All you have to do is to be Tang Duo and Lang Ruoxian’s wife.”

“Of course, I’m not just talking about you being his nominal wife. You’re going to have a relationship with him and become his real wife.”

Tang Ziyang bit her lips and said, "It's impossible. Second Aunt will recognize me, let alone Lang Ruoxian. I'm like Tang Duo but I'm not real."

"Are the videos you have watched in this period for nothing?" The man's voice became cold, "I asked someone to take those videos. You have watched Tang Duo's daily life and her actions."

Tang Ziyang was stunned, "But... But if they ask me something, I don't know!"

"No one will ask about the past." The man's voice softened again, "We have collected a lot of information. You have to recite it. In addition, we found that after the last fire, Tang Duo forgot the years when she lost her memory, which is good for you."

Tang Ziyang's ears were full of the man's words. Her thoughts were clearer. Yes! If she could act Tang Duo well, she would be the first young lady of the Tang Family.

She would be loved by her family. Lang Ruoxian would also love her so much. At that time she could help the second branch to deal with her father! When she woke up, the man with the mask had given her a letter. It was Huo Liyun's posthumous papers.

The man with the mask also said that Tang Ming knew everything from the beginning to the end. He deliberately sacrificed Huo Liyun for the other woman and her son in the stomach.

"What are you going to do?" Tang Ziyang was not stupid. It's impossible for this man to work so hard without purpose.

The man touched his chin and said, "You don't need to know what I'm going to do. You just need to act Tang Duo well and live a good life."

"And finally?" Tang Ziyang asked again, "What shall I do when your goal is achieved?"

"You are silly!" The man smiled, "You will always be Ms. Tang!"

Tang Ziyang was shocked for a moment, "Then... What if my identity is exposed?"

“You know the rules of the game.” The man glanced at her coldly, “If you are exposed, I will kill you.”

“How can you do that?” Tang Ziyang cried out in horror, “No! You must keep me safe.”

The man with the mask turned and took a pill, “Miss Tang, if you say no, you will be useless to me. My people will take you away later...”

Before Tang Ziyang responded, the man walked out. She sat on the ground alone. After some time, someone came in and took her out. They sent her to a hotel and left her clothes and money.

“Wait a minute!” Tang Ziyang said, “Where is my passport?”

“Stop joking, Miss Tang. You have been dead. Have you forgotten?”

Tang Ziyang widened her eyes, “But I’m not dead now. I’m alive!”

“But you are not Tang Ziyang!” The other side smiled and said, “We can’t get you a Tang Duo’s passport.”

Soon she was left alone in the room. Tang Ziyang thought for a long time and finally had an idea.

“I’m young and beautiful now. What am I afraid of?” She stood up and looked in the mirror, “This is a foreign country. With this face, I can find a rich and powerful man and tell him that I’m a smuggler. He will help me to fake my identity.”

She was far away from Yanjing. The Tang Family was on the other side of the earth. No one would know that there is a person the same as Tang Duo.

Tang Ziyang’s plan was very good. Unfortunately, she didn’t have time to find the rich and powerful man. One morning, she found that there was a piece of skin on her face that had become wrinkled.

“We haven’t seen you like this, Miss.” Tang Ziyang hurried to the hospital. The doctor told her after examination, “But if the cell is repaired, it can be treated. But the cost is very high.”

The doctor also told her that it would not happen only once, reminding her that it would be better to take some medicine in advance. But Tang Ziyang didn’t

know where to get the medicine! She checked that the drugs were very expensive. And if she didn't have a special way, she couldn't buy them at all.

"What should I do? What should I do?" Tang Ziyang was anxious. She couldn't watch her face rot.

Just then, the man with the mask called.

"Miss Tang, I heard that you have some difficulties?"

Tang Ziyang seemed to see the hope. She grabbed the phone and asked, "Do you have any medicine? Give them to me! Give them to me quickly."

"No problem. You go to the door of the hotel now. My people are waiting for you."

Tang Ziyang got in the car and went back to the lab. The nurse gave her some pills.

"Don't worry. Your face will be fine tomorrow morning." The man with the mask sat next to her and smiled, "So have you changed your mind now?"

"You did it on purpose!" Tang Ziyang cried, shook her head and said, "You knew it would be like this from the beginning. You are so mean!"

The man snorted, "Miss Tang, there is no free lunch in the world. If I didn't save you, you would have died. You can't have a pretty face now."

Tang Ziyang sobbed in a low voice. Now she had no choice but to cooperate with the man with the mask. After that, she was sent to a good place, where she lived in a well decorated apartment. Her daily task was to learn how to be more like Tang Duo.

She took the medicine given by the man every half a month and there was no problem with her face. Tang Ziyang knew that she had to pretend to be the same as Tang Duo, otherwise she would be abandoned if she was found.

Then she accidentally met Fang Diandian and Tang Cao in the street.

"You are stupid!" The man with the mask slapped her, "Who asked you to find someone to go to Yanjing?"

Tang Ziyang was afraid that Fang Diandian would recognize her. She secretly looked for someone to kill Fang Diandian by accident. Unfortunately, she failed several times.

“If you arouse Lang Ruoxian’s suspicion, I will kill you now.” The man with the mask left angrily. Half a month later, he informed her that she was going to return home.

Chapter 377 It’s Tang Ziyang

Tang Ziyang puts on a light make-up in front of the mirror. She makes up according to Tang Duo’s habit completely, including clothes, lipstick and accessories. After finishing, she makes sure that there is no omission and then goes downstairs.

“Hua, you get up?” Chang Pei’e watches TV in the living room. Seeing her coming down, she hurries to say to the housemaid, “There are steamed buns and small wonton in the morning. What would you like to eat?”

Tang Ziyang is relieved. There is only one person. It’s good. If there are many people, she will be nervous. If she is nervous, something will happen.

“Whatever!” She smiles and says, “I still have a cold. Nothing tastes good to me.”

The housemaid hears and says in a hurry, “Then I’ll make you noodles with scallion oil. Last time you said it tasted too strong. You can eat now!”

“Okay! Thank you.”

The housemaid enters the kitchen. Tang Ziyang looks around and asks, “Grandma, where are my mother and the twins?”

“Your mother said it’s a fine day today. She took them to go fishing with your father.” Chang Pei’e watches TV series carefully. She says casually, “You can’t go. Your mother said that you have a cold and you should stay at home. Don’t let the twins be infected.”

Tang Ziyang pouts, “So I have to stay away from you!” She stands up and sits far away, “Grandma, do you think it’s enough?”

“Ha-ha!” Chang Pei’e laughs, “Come here, we can sit together. I’m not afraid of your infection.”

“No, Grandma!” Tang Ziyuan quickly waves her hand, “If you are infected, I will be distressed.”

Chang Pei’e is very happy. The housemaid brings noodles over. Tang Ziyuan stands up and says, “I’ll eat in the dining hall. Grandma, watch it yourself!”

“Go!” Chang Pei’e waves, “I know you don’t like it.”

Tang Ziyuan sits alone in the dining room and eats noodles. She finds herself sweating all over. She is nervous. However, it seems that Chang Pei’e has no doubt. She is relieved and tells herself not to be nervous. She is Tang Duo! She is Tang Duo!

In the afternoon, Bai Susu and Tang Yao come back with twins. An’an sees Tang Ziyuan and reaches out to hug her.

“An’an, are you good today?” Tang Ziyuan holds the little guy like Tang Duo usually does.

In order to be like a mother, she has practiced with dolls for a long time.

An’an can say some words now. He smiles, looks at Tang Duo and says, “Yes!”

“Ah!” Sweet Orange in Bai Susu’s arms waves her small fist.

Tang Ziyuan touches her head and says, “You don’t learn to speak well so your brother is better than you!”

“Ah!” Sweet Orange can only shout.

Bai Susu looks at the face that is exactly the same as her daughter. She doesn’t know the original face under the skin. But now the woman steals Hua’s identity and lives her life with Hua’s face.

At the thought of this, Bai Susu wants to strangle the woman in front of her. But she can’t. She hasn’t found Hua yet. She can’t act rashly.

“Are you better?” Bai Susu touches Tang Ziyuan’s forehead.

Tang Ziyang shivers uncontrollably. Bai Susu immediately asks nervously, "How can you still shiver? Take your temperature!"

"I'm okay, Mom!" Tang Ziyang tries to relax herself and leans on Bai Susu's shoulder, "I just had a normal tremor."

Tang Yao changes his shoes and clothes and comes over, "I know! I do that occasionally. It's comfortable."

"How many fishes did you catch, Dad?" Tang Ziyang changes the topic.

But Tang Yao suddenly covers his chest and looks at her angrily, "My dear daughter! You are bad. You know I can't catch a fish, but you ask on purpose."

Tang Ziyang is speechless.

"I thought you could catch fishes once in a while!" She says quickly and then puts An'an in Tang Yao's arms, "Comfort your grandpa quickly."

Bai Susu lowers her head and enters the living room, pretending to ask casually, "Didn't Ruoxian come back last night?"

Tang Ziyang is stunned. She almost forgets her husband, Lang Ruoxian!

"No..." If she remembers correctly, Lang Ruoxian should not have come back. She suddenly realizes that she has made a big mistake. Lang Ruoxian didn't return overnight. If she is Tang Duo, she should call him first after getting up.

"I've just been hungry and I've been eating!" Tang Ziyang takes out her phone. She thinks about it and says, "I don't know if he is busy. I will send a message to him."

Bai Susu glances at her quietly. Then she goes to eat with Sweet Orange in her arms.

Lang Ruoxian is in the office.

He squints when he receives the message. Then he immediately calls back.

"Hello, are you still feeling sick?"

"Well, it's good. Drink more water and don't eat cold."

“I will go back later.”

“Well, be good. You are ill. Take good care of yourself.”

Lang Ruoxian hangs up the phone. Xiaokai trembles.

“Young Master... You look so real!”

Lang Ruoxian glances at him and says, “What else can I do?”

“But the woman who acts Young Mistress is more terrible. She’s more like that. Her voice is exactly the same as Young Mistress!” Xiaokai sighs, “How does she do it?”

Shu Sheng looks at Xiaokai like a fool, “Don’t you know there is an operation that can make people change their voice?”

“No...” Xiaokai feels magical, “The voice can be changed. What about her height? Young Master, isn’t that woman as tall as Young Mistress?”

Lang Ruoxian raises his eyelids, “They look the same. Did you find anything?”

“No.” Shu Sheng shakes his head, “We’ve checked the airport surveillance. There’s no one like Young Mistress. We also went to check a few suspicious people. Although they have their own affairs, they have nothing to do with us.”

“The other side can change one person’s face to another. The other side is capable.” Lang Ruoxian says slowly, “There should be no such person at home. If the other side is abroad, it will be more difficult to check.”

Shu Sheng thinks and asks, “Young Master, do you mean that Young Mistress is at abroad?”

“I’m not sure” Lang Ruoxian hates his incompetence at this time. He has never been so helpless. He doesn’t even know where to start.

Shu Sheng and Xiaokai look at each other. They dare not to say a word.

“To do the DNA identification.” Lang Ruoxian takes out a transparent bag, “If this woman’s information is in the DNA library, at least we can confirm her identity.”

Lang Ruoxian is back to normal. At this time, he can't be disordered. Hua is waiting for him to save her. Even if he has no clue, he will try his best.

"Ah!" In the evening, the sound of the engine comes from outside. Sweet Orange playing on the carpet of the living room begins to shout.

Tang Ziyang says with a smile at the first time, "What keen ears! Do you hear that Dad is coming back?"

"Look, An'an doesn't respond." Tang Yao says.

An'an holds a building block bucket, which is his new favorite. There are four different shapes on the lid of the bucket. Only the corresponding building blocks can be put in. No one teaches him. After repeated practice, he finally finds out the secret and happily shows it to everyone.

"Dad! Dad!" Sweet Orange excitedly crawls all over the ground. Lulu also follows her excitedly.

When Lang Ruoxian comes in, he sees Sweet Orange and Lulu on the ground. The woman acting his wife stands beside and laughs.

"Sweet Orange, stand up and go to find Dad." Tang Ziyang smiles as a mother and encourages.

Sweet Orange puffs up her cheeks and is ready to cry. Lang Ruoxian reaches out and picks her up in time.

"Dad!" Sweet Orange calls clearly. She hugs Lang Ruoxian's neck and kisses him.

Lang Ruoxian also kisses her. Sweet Orange seems to have finished the ceremony. She continues to play on the ground.

"Have you taken the medicine?" Lang Ruoxian comes over and asks.

Tang Ziyang is nervous. She liked Lang Ruoxian before. She imagined that there was a man like Lang Ruoxian who put her in his heart like a treasure.

This man is hers now!

"Yes!" Tang Ziyang smiles sweetly and takes his arm, "Why are you suddenly so busy?"

Lang Ruoxian takes off his coat and quietly takes two steps back, “The superior wants to make an investment in the previous investigation. This is a big project so everyone wants to take a share.”

“Will Uncle also participate?” Tang Ziyang asks.

Lang Ruoxian glances at her and says, “Yes.”

“Can we win him?” Tang Ziyang doesn’t know Lang Ruoxian’s ability, but she knows that Tang Ming is scheming, “Will we be calculated by him?”

Lang Ruoxian laughs, “Why are you suddenly interested in the company? I used to leave it to you. You didn’t even bother to ask.”

“Ha-ha... I ask casually!” Tang Ziyang’s eyes flash and she says, “You can go to change your clothes and wash your hands for dinner!” She pushes Lang Ruoxian upstairs and hurries to the dining hall.

So she can’t see Lang Ruoxian’s ironic eyes.

The next day Shu Sheng brings back the DNA test report.

“Young Master...” Shu Sheng is surprised, “It’s Tang Ziyang! The little daughter of the Tang Family who has died.”

Lang Ruoxian’s eyes shrink. He opens the report and takes a look.

“It’s her... She’s not dead.”

Shu Sheng lifts his glasses and says, “Is it Tang Ming who did that?”

“No...” Lang Ruoxian thinks that Tang Ming is not so capable. He thinks that someone saved Tang Ziyang and then made her look like Tang Duo.

“Now we know who she is. What shall we do?” Shu Sheng suggests, “Should we have a showdown with her? Then we can use her to find out the person behind her.”

Lang Ruoxian closes his eyes and shakes his head a few seconds later, “No. If it’s someone else, we can try it. But it’s Tang Ziyang.”

She hates Tang Duo. Even if he threatens her to tell Hua's whereabouts, Tang Ziyuan won't tell the truth. But if he disturbs the people behind her, Hua will be in danger.

"You continue to check Hua's whereabouts. As for Tang Ziyuan..."

Lang Ruoxian wants to figure out the purpose of the other side first. He doesn't think Tang Ziyuan knows it. Then he will first try to know the person's purpose through Tang Ziyuan, so as to judge the person's background.

Tang Ziyuan feels that she acts Tang Duo well because she finds that the Tang Family won't suspect that someone will be the same as Tang Duo.

Tang Ziyuan is very comfortable these days. She even promises Tang Cao to visit Fang Diandian's gallery at the weekend.

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 378 This Man Is Mine

Bai Susu sees that Tang Cao follows the fake Tang Duo happily. She rolls her eyes.

"It's good for him to be stupid. He doesn't know anything but he's happy..."

"What are you saying?" Tang Yao climbs past Bai Susu. Sweet Orange sits on his neck.

Bai Susu glances at him and thinks that Tang Yao is also happy, "It is okay. Don't climb too long time, or your legs will hurt later."

Tang Yao promises and climbs away. Sweet Orange sits on his neck and yells for horse.

Lang Ruoxian calculates the time. When Tang Ziyuan leaves, he comes back.

"You haven't come back for three days, have you?" Bai Susu asks, "Does she have any doubts?"

Lang Ruoxian picks Sweet Orange up, who sticks to him as soon as he comes back. He looks at the kitchen and asks, "Where's Dad?"

“I asked him to take An’an for Lulu’s walk.” Bai Susu raises her hand to reassure him, “Grandma is sleeping in the room.”

“Mom, I found out the identity of that woman. You know her too.” Lang Ruoxian says.

Bai Susu is nervous, “Who?”

“Tang Ziyun.”

“It’s her!” Bai Susu begins to tremble. Lang Ruoxian hurries to pat her and give her a cup of hot tea, “Don’t get excited, Mom. Don’t be angry. It’s bad for your health.”

Bai Susu hammers the sofa hard, “When the above behave wrongly, the below will also do the same. There are no good people in Tang Ming’s family. Huo Liyun has hurt An’an. Tang Ziyun comes to hurt my daughter again!”

“She hurt Hua once a few years ago.” Lang Ruoxian says coldly, “I thought her life would be over because her face was destroyed. I didn’t expect anyone to use her...”

“What’s the possibility of asking her directly?” Bai Susu quickly thinks of the key.

Lang Ruoxian shakes his head and says, “We don’t know what agreement the other side has reached with her, but I think the other side must have used something to blackmail her.”

“Yes. It’s impossible for the other side to let her go so easily after spending so much time changing her face.” Bai Susu sneers, “So she’s actually not so good. I think she’s forced to act Hua.”

Lang Ruoxian looks at Sweet Orange who bite the button of his suit and hugs her in a different direction, “I’ll figure out her purpose first. I’ll figure out whether her goal is me or the Tang Family.”

“What about Hua?” Bai Susu is worried these days. She can’t sleep well at night, but she has to pretend that nothing has happened, “She still has no news. Will she...”

“Mom.” Lang Ruoxian interrupts her, “No, you believe me. Hua is safe for the time being.”

Bai Susu’s eyes are red. She has more terrible ideas in her heart but she can’t say it. Hua is so beautiful. Even if the other side does not want her life for the time being, will he violate her or insult her?

Bai Susu dares not to think these, or she will collapse.

“If someone really hurts her, I will make those people pay the price and let them regret coming to this world.” Lang Ruoxian’s eyes are cold. He looks like a different person.

Bai Susu is stunned. When she is about to say something, Sweet Orange cries suddenly. She pushes Lang Ruoxian and wants to leave his arms while crying.

“I scare her.” Lang Ruoxian hands the chubby daughter to Bai Susu.

Bai Susu takes Sweet Orange to the small flower hall to coax her. Sweet Orange stops crying gradually. When Bai Susu comes back with Sweet Orange, Sweet Orange looks at Lang Ruoxian timidly with big and watery eyes. She doesn’t call him Dad as usual.

“It’s okay. Children are forgetful. Tomorrow she will forget.” Bai Susu asks the housemaid to steam egg custard for Sweet Orange. Tang Yao also takes Lulu back. An’an and Sweet Orange sit in the children’s chair and eat egg custard.

Tang Ziyang comes back in the evening. When she finds that Lang Ruoxian is at home, she is surprised and pleased. She is surprised that Lang Ruoxian didn’t come back these days. She wonders if he has noticed anything. She is pleased that since Lang Ruoxian is here, can they...

With this expectation, Tang Ziyang goes back to the room early. After taking a bath, she sees Lang Ruoxian leaning on the bedside and reading the documents.

“Have you bathed?” She tries to imitate Tang Duo calmly, “How can you lie in bed without taking a bath?”

Lang Ruoxian puts down the documents and smiles, “I took a bath in the guest room. You took a bath too slowly. Drink the milk and go to bed quickly.”

Tang Ziyang sees the milk prepared by the bedside, which is Tang Duo's habit. But she didn't drink it because Lang Ruoxian didn't come back before.

"Don't be too busy to come back. No one watches me drink milk when you are not at home." Tang Ziyang takes the cup and drinks it. She complains, and looks at the man on the bed with admiration.

"Come here." Lang Ruoxian lifts the quilt.

Tang Ziyang's heart beats. She takes off her shoes and goes to bed.

Lang Ruoxian looks down at her. He touches the pajamas on the bed and says, "Your pajamas are very good-looking today. But you are more beautiful."

Tang Ziyang closes her eyes and waits for the moment to come.

"Where is Hua?" Lang Ruoxian walks into the dining hall for breakfast. Chang Pei'e looks around and finds that he comes alone.

"She's still sleeping." Lang Ruoxian takes a look at Bai Susu and says, "I didn't wake her up. I'll ask the housemaid to leave her something to eat."

The housemaid in the kitchen answers, "Don't worry! No matter when she gets up, she has food."

"Does Mom still have a cold?" Gungun eats a steamed bun and asks.

Bai Susu gives him a bowl of porridge, "How can you say that? Isn't your mother already fine?"

"It's nothing..." Gungun turns his eyes and takes a sip of porridge.

Bai Susu still wants to ask but Lang Ruoxian interrupts her, "Mom, I will send them to school later."

"Okay. Be careful on the road."

Gungun and Wuyou sit in the back of the car. One is on the left and the other one is on the right. Lang Ruoxian starts the car and looks at them in the rearview mirror.

"Now there's only Dad. You can say it."

“Ah?” Gungun blinks and asks, “What will I say?”

Lang Ruoxian glances at him and says, “What do you think about Mom these days?”

“It’s nothing...” Gungun curls his mouth, “Mom doesn’t kiss me at night...”

Every night, Tang Duo will tell two children that good night kiss is the tradition of their family.

“Maybe Mom still has a cold. She’s afraid of infecting us.” Wuyou can only say so many words to the family.

Gungun shrugs and says, “But Grandma said Mom is fine.”

“I’ll go back to ask her in the evening.” Lang Ruoxian reaches out to rub Gungun’s head, “Mom should still be uncomfortable. She didn’t get up for breakfast this morning.”

Gungun hurries to say, “I know. I don’t mean to blame Mom. I... I just feel...” The voice is getting lower and lower and then it can’t be heard at all.

“You think we have An’an and Sweet Orange, so we don’t care about you and Wuyou.” Lang Ruoxian says with a smile, “Right?”

“Dad!” Gungun is shocked, “Are you a devil?”

Lang Ruoxian looks serious and asks, “Did Uncle say that?”

“Yes! He said it.” Gungun says without hesitation.

Lang Ruoxian smiles and says, “Don’t worry. You, Wuyou and the twins are all our children. We won’t be partial. But your brother and sister are still young. You are the elder brother. You should help us take care of them together.”

“I know, Dad!” Gungun heard his classmates say that if he has younger brothers and sisters, his parents would ignore him. Then he will become a child picked up by his parents. If he is lost, no one will feel hurt.

After confirming that he won’t be the child picked up by his parents, he happily goes to school with Wuyou. Wuyou secretly takes a look at Lang Ruoxian. Lang Ruoxian nods at her.

Lang Ruoxian is left alone in the car. His face becomes cold and his whole body is full of rage.

Tang Ziyang opens her eyes and her eyes become clear. She can't help smiling. She didn't expect that Lang Ruoxian is such a wild and open person in bed. He not only likes all kinds of postures but also likes to say honey words.

"Men are the same." Tang Ziyang rubs her waist. Her face is full of satisfaction.

She walks into the bathroom and sees several red marks on her neck, waist and thigh, which are all the kissing marks left by men on her last night.

"Does he really love Tang Duo? But he can't tell. He just looks at the face." She sneers and lies in the bathtub.

Her face is the same as Tang Duo's. She also imitates her character. But there must be something different between them. But Lang Ruoxian didn't notice when he held her last night. Did she act too well? Or do men love all women...

"But even if I'm exposed in the future, it will be impossible for Lang Ruoxian and Tang Duo to be together!" Tang Ziyang smiles and suddenly thinks of something.

The man with the mask once said that if she had sex with Lang Ruoxian, she would tell him.

"What a trouble..." Tang Ziyang comes out of the bathtub.

Lang Ruoxian is at the Lang Consortium.

"Young Master! Tang Ziyang has gone out." Xiaokai rushes in and says, "Just now she asked Fang Diandian for coffee. Now the driver is taking her over."

Lang Ruoxian raises his head. Xiaokai is frightened. Does Young Master want to kill people?

"Follow her." Lang Ruoxian says quietly, "From the moment she gets off the bus, the people she contacts and the things she does should tell me in detail."

"I see!" Xiaokai turns and runs away. Lang Ruoxian's eyes are terrible.

Shu Sheng lifts his glasses and says, “Young Master, have you been waiting for this opportunity?”

“It’s impossible for her not to contact the person behind her. Will she eat and drink at home every day?” Lang Ruoxian’s voice is gloomy, “She thinks that she has slept with me. It means that I have no doubt about her. The person behind her must have told her that once she has slept with me, she would report back.”

Lang Ruoxian looks at the air and says fiercely, “This is the only chance for us to find a clue. You also stare at her. There must be no problem.”

“Sister, I’m here!” Fang Diandian waves her hand.

Tang Ziyang walks over and sits down with a smile, “You are too early. I’ve got a traffic jam.”

“No. I just arrived!” Fang Diandian smiles and gives her the menu, “I ordered Blue Mountain and cheese cake for you.”

Tang Ziyang plans to turn over the menu. When she hears it, she gives it to the waiter, “Thank you, Blue Mountain and cheese cake are okay!”

Most of the conversation is about Fang Diandian’s gallery. Tang Ziyang goes to the bathroom in the middle. They jostle to pay. Finally, Tang Ziyang pays the bill.

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 379 Lang Ruoxian, I’m In Pain

Tang Duo has been living in this villa for a week. She doesn’t know where it is. She was knocked out in the bathroom. When she woke up, she was in the bedroom on the second floor. At first, she tried to go out, but all the doors and windows were sealed from the outside, even the balcony on the second floor was sealed with aluminum alloy.

From the balcony, she can only see the mountains and trees. Her three meals a day are put in from a small window at the back on time every day, as well as fruit and cakes.

There are all kinds of drinks and snacks in the kitchen of the villa. Apart from being unable to go out and contact with the outside world, it's really a very comfortable place.

"Why do you keep me here?" Tang Duo lies on the sofa in the living room and yells. It's her routine every day. She has nothing else to do anyway.

She was scared when she woke up, but now... She would prefer someone to show up.

"What do you want? Why do you keep me here?" Tang Duo looks at the crystal lamp on the ceiling, "Can you hear me?"

She thinks the house should be full of monitors, otherwise how can the other side monitor her?

"Come out if you have anything to do. Let's talk." Tang Duo is really worried. She has been missing for so long. She doesn't know how Lang Ruoxian is out there.

If he is impulsive, she doesn't know what he will do.

The house is quiet. Tang Duo is in a daze on the sofa. It's getting dark outside. She begins to sob softly.

"Lang Ruoxian, I miss you... Gungun, Wuyou, An'an and Sweet Orange, I miss you too." Tang Duo begins to cry, "I also miss Mom and Dad, Grandma, Tang Cao, Fang Diandian and Chen Xiaopang..."

She says all the people she knows. Finally, she wipes her tears and stands up to turn on the light.

"If you have the ability, you can lock me here all your life. I tell you! Lang Ruoxian will find me. He will!"

Lang Ruoxian is at the Lang Consortium.

"Young Master, I found it!" Shu Sheng hurries into the office.

Seeing that the ashtray on Lang Ruoxian's desk is full of cigarette butts, he says, "Young Master, you've been quitting smoking for years."

"Get down to business." Lang Ruoxian snuffs out the cigarette in his hand.

“That cafe changed its owner a year ago. I heard it was sold at a price higher than the market price. The buyer was a foreigner.”

Tang Ziyang gives a note to the waiter secretly in the cafe today. Lang Ruoxian checked the cafe immediately. Now it seems that the owner of this cafe is probably the person behind Tang Ziyang.

“What did the waiter do after that?”

“He made a phone call. We found that the number was from the next city.”

Lang Ruoxian closes his eyes and stands up a few seconds later, “Then check the waiter’s background. If his background is okay, we can get information from him. If there’s something wrong with his background, we’ll try to get him to tell the truth.”

“Ring...” His phone rings suddenly.

Lang Ruoxian opens WeChat. Tang Ziyang sends him a cute expression and then asks.

“Are you coming back for dinner, Darling?”

Lang Ruoxian tells her that he will get home at once disgustedly. Then he picks up his coat and says, “If the waiter doesn’t tell the truth tomorrow morning, bring him to see me.”

“I see!”

Seeing Lang Ruoxian coming back, Tang Ziyang hurries to walk over, “Why are you so late?”

“I had a temporary meeting.” Lang Ruoxian avoids her taking off his coat calmly.

Bai Susu stands at the door of the dining hall. Her eyes are dim and she says, “Hua, come and feed An’an for me.”

“I’ll be right there, Mom!” Tang Ziyang wants to take Lang Ruoxian’s clothes. Lang Ruoxian puts his clothes on his arm and says, “Go ahead. I’ll go upstairs and take a bath before I come down.”

Tang Ziyang sees him smile at her tenderly. She feels sweet and proud.

She was forced to act Tang Duo by the man with the mask before. Now she decides to act forever. This position and this man are hers.

“Hua?” Bai Susu sees her standing in the living room in a daze and calls again, “What’s wrong with you?”

Tang Ziyang enters the dining hall and says, “I’m okay, Mom! I’ll feed him.”

Lang Ruoxian comes out of the room and sees Bai Susu standing in the corner.

“Mom.”

Bai Susu asks anxiously, “Last night, you...”

“I gave her some psychedelics.” Lang Ruoxian laughs, “I’m sick of the bed she slept on.”

“Well.” Bai Susu is relieved. She thought Lang Ruoxian had had sex with Tang Ziyang in order to save Hua, “She won’t find out, will she?”

Lang Ruoxian looks downstairs and says, “No. This kind of medicine is used by the military to extort confessions from spies. Tang Ziyang is an ordinary woman. She has no ability to resist.”

The medicine was given by Li Yi when he went to Eastern Europe before. He didn’t expect it could be used. In the evening, Tang Ziyang drinks milk and sees Lang Ruoxian turn off the light and bow down to kiss her.

“Be gentle...” She feels a pain in her chest. She feels numb all over. She can’t help straightening up, “Be stronger...?”

The man’s mute voice appears in her ear, “What do you want me to do?”

Lang Ruoxian stands by the bed. He sees Tang Ziyang touch her body back and forth on the bed. Her mouth keeps humming and panting. He has a gloomy face and he almost spits out.

He looks at the time and walks into the next room. The voice of Tang Ziyang next door is louder and louder. Lang Ruoxian has to put on his earplugs. When he goes back next morning, Tang Ziyang lies half naked there.

“Young Master.” In the early morning, Shu Sheng comes to the Tang family to pick Lang Ruoxian up. Lang Ruoxian gets into the car and says, “What’s the matter?”

“He said it all.”

The waiter’s name is Wang Tao. He worked in the shop before. Now the boss has not appeared since he bought the cafe. But every few months there will be a person who claims to be a secretary to check the accounts.

“A few months ago, the secretary told Wang Tao that if someone came to the store and gave him a note with the letter T on the envelope, he should inform the secretary. He also said that if the thing was done well, Wang Tao would manage the cafe later and have dividends every year.”

“What did Tang Ziyang write on the note?”

Shu Sheng purses his mouth and says, “She said that she has had sex with you.”

“The other side asked her to report her relationship with me. Is it me that the other side wants to deal with?” Lang Ruoxian frowns and thinks.

Shu Sheng looks at him quietly. After a few seconds, Lang Ruoxian’s eyes flash.

“Let the waiter find a reason to make an appointment with the secretary. We’ll give him whatever he wants.”

Wang Tao agrees and asks Lang Ruoxian to give him 10 million yuan. The next day he invites the man to the cafe. Lang Ruoxian doesn’t give him any chance. He catches the secretary directly. After taking off his hat and mask, Lang Ruoxian finds that he is a foreigner.

“Your Chinese is very good!” Lang Ruoxian takes the man to a villa on the outskirts of the city. He strips the man’s clothes and just leaves him shorts.

The man shouts loudly at the beginning. He says that they commit a crime. He is going to sue them in court. He says he is a foreigner and they have no right to do this to him. Later his mouth is blocked. He can only complain with his eyes.

Just like now, he looks at Lang Ruoxian fiercely.

“Where is my wife?” Lang Ruoxian looks at him coldly.

The man’s pupils shrink noticeably and then he continues to stare fiercely.

“You don’t say it, right?” Lang Ruoxian raises his hand. Xiaokai takes a Swiss dagger and walks over happily.

“I ask you again. Where is my wife?”

The man remains silent. The next second Xiaokai stabs him.

“Hum...” He opens his eyes wide. He looks miserable. He begins to struggle.

The bodyguard holds the man down. Lang Ruoxian says faintly, “Where is my wife?”

“Hum...” The man looks at him fiercely again and curses him in an indistinct way.

Xiaokai raises his dagger and stabs a hole in his arm, “I advise you to hurry up! Otherwise, you will be covered with bruises later.”

“Where is my wife?” Lang Ruoxian asks again.

The man’s face is already pale. His eyes are not fierce anymore. He looks at Lang Ruoxian and thinks of something.

Xiaokai stabs another hole in his thigh.

“Hum!” The man shouts miserably. Before Lang Ruoxian asks, the man keeps nodding and shouting.

Xiaokai takes off the socks in his mouth. The man gasps, “Send me to the hospital quickly! Send me to the hospital!”

“Where is my wife?” Lang Ruoxian stares at him.

“I have shed so much blood. I’m going to die!” The man cries excitedly, trying to struggle.

Xiaokai covers his ear with one hand and raises his dagger to stab the man's shank again.

"Ah..." The man screams loudly in the room.

Lang Ruoxian has no expression. He asks, "Where is my wife?"

"I say! I say!" The foreigner crawls on the ground covered with blood, "She... She is in Duqing County."

Tang Duo doesn't want to wait for her death. She wants to find a way out. So she drinks the rotten milk and then eats a big bucket of ice cream. She thinks if she has gastroenteritis, they will send her to the hospital.

After a few days of observation, the other side will definitely not want her to die. It's not a good way to hurt her body, but at present she can't think of a better way. As long as she can go out and see people, even if the other party asks the doctor to come in, she at least has a chance to ask for help.

"Is there anyone?" In the middle of the night, Tang Duo wakes up because of the pain. She struggles downstairs, "I have a stomachache. I'm in pain. Maybe I have appendicitis."

The house is quiet and no one answers.

Tang Duo lies on the sofa, sweating in a cold sweat. When she goes downstairs, she looks in the mirror specially. Her face is very ugly. She doesn't pretend to be sick.

"I'm in pain..." Tang Duo is really in pain. She stumbles to pour herself a glass of hot water. After drinking little water, she falls to the ground and curls up. She cries, "Is anyone here? I'm dying of pain..."

No one answers. Tang Duo even begins to wonder if she has made a mistake. There is no monitoring here. She may die of pain here but no one will know.

"Lang Ruoxian... Lang Ruoxian..." Tang Duo yells, "I am going to die. You will never see me again."

The severe pain blurs her mind. She hears the door ring and then a series of footsteps. Then she hears Lang Ruoxian's voice.

“Hua! Hua!”

I must be dreaming.

Chapter 380Tang Ziyang's End

Bai Susu runs out of the elevator in a panic. Tang Cao runs after him and shouts.

“Mom, who are you coming to see?”

“Mom, wait for me... Brother-in-law?” Tang Cao sees Lang Ruoxian coming out of a ward, “Why are you here?”

Bai Susu grabs Lang Ruoxian's sleeve. Lang Ruoxian smiles, “Mom, she's okay.”

“Where is Hua? Where is Hua?”

“She has acute appendicitis. The doctor has operated on her. She is not awake.”

Tang Cao's eyes widen and he asks, “Brother-in-law, what are you saying? Isn't my sister at home? She and Grandma were watching TV when we went out...”

“I'll go in and see.” Bai Susu wipes her tears.

Lang Ruoxian gets out of the way, “I'll deal with the later affairs.”

“Please pay attention to me!” Tang Cao almost grabs his hair. He follows Bai Susu into the ward. When he is about to continue to ask, he sees the person lying on the bed. His mouth is wide open.

“She is... Is she my sister?”

Bai Susu glares at him and says, “Keep your voice down. Don't wake up your sister.”

“Is that the point?” Tang Cao really grabs his hair and jumps up, “How can I have two sisters? Who is that woman at home?”

He is not stupid. Seeing the attitude of Bai Susu and Lang Ruoxian, he is sure that the woman in the hospital bed is Tang Duo.

“Sit down and I’ll tell you slowly.” Bai Susu touches Tang Duo’s face and pulls the quilt for her.

Bai Susu says quickly. A few minutes later, Tang Cao figures it out. He opens his mouth and looks suspicious of the world.

“Is that Tang Ziyan at home? My God!” He thinks it is almost like a science fiction movie. Then he begins to be angry after the shock, “How dare this shameless woman come back?”

Bai Susu says coldly, “It’s a pity that her dream has come to an end. Your brother-in-law will not let her go this time.”

“No!” Tang Cao stands up suddenly, “I’ll go back and slap her to relieve my hatred.”

“Don’t make trouble.” Bai Susu pulls him to sit down, “Your brother-in-law still needs to use her to find out the person behind, that’s what we should pay attention to.”

Tang Cao touches his chin, “I’m afraid I can’t help it when I go back.”

“She’s probably gone when you go back.”

Tang Ziyan is going out. A few minutes ago, Lang Ruoxian called to ask her out for dinner.

“Why do you want to go out for dinner?” She asked coquettishly.

Lang Ruoxian said gently on the other end of the line, “We haven’t been dating alone for a long time. We’ll go to the hotel for one night after dinner.”

Of course, Tang Ziyan is happy. When she goes out, Gungun and Wuyou come back with Lulu.

“Mom, we’re going to have dinner. Where are you going?”

Tang Ziyan touches the child's head and unconsciously says complacently, "I'll go out to eat with your father. Behave yourself."

"OK." He thinks it is strange, but he is still glad to see her out.

Tang Ziyan is complacent. She doesn't notice that Wuyou's eyes are not the same as usual.

"Wuyou, don't you think Mom is strange these days?" Gungun whispers.

Wuyou nods and says, "Mom won't be strange right away."

Gungun is confused.

Lang Ruoxian has ordered a very romantic French restaurant. Tang Ziyan has been there with friends before. When she arrives, Lang Ruoxian has ordered.

"Have a good night!" Lang Ruoxian raises his glass.

Tang Ziyan thinks that he is wrong. She touches his glass and corrects, "You should say you wish us a happy night!"

"I'm very happy." Lang Ruoxian picks up the knife and cuts the steak, then puts it into his mouth.

"Are you hungry?" Seeing that he has been eating, Tang Ziyan asks with concern, "Would you like to order another dish?"

Lang Ruoxian wipes his mouth. The corner of his mouth is particularly attractive in the dim light of the dining hall. Tang Ziyan stares at him. She can't help smiling, but she hears the man say.

"I haven't eaten for several days. I finally have an appetite today. If it's not you sitting opposite, I can eat more."

Tang Ziyan is shocked, "What... What do you mean?"

"When I look at you. I can't eat. I feel sick."

Tang Ziyan's hands shiver and she says, "Ruoxian, are you kidding me? This joke is not funny at all, I..."

“Who are you?” Lang Ruoxian knocks on the table, “Tang Ziyang, are you still used to my wife’s face?”

Bang! Tang Ziyang thinks her brain is blown open. She can’t hear anything. She can only see the man’s good-looking but ironic face. The next second, she loses consciousness...

After some time, Tang Ziyang feels cold all over. She tries to open her eyes and finds herself in a dark and small room. There is nothing in it. She crawls on the cold floor.

“Are you awake?” Someone says.

Tang Ziyang hears the sound of opening the door. Someone comes in. The light is also changed and lit up a lot. She squints and sees Lang Ruoxian standing at the door. [Read more chapter on vi novel](#)

“Ruoxian, why are you doing this to me?” Tang Ziyang still wants to try. She doesn’t believe Lang Ruoxian will recognize her.

Lang Ruoxian snorts, “What makes you think I won’t recognize my wife?”

Wuyou has reminded him. Even if Wuyou didn’t remind him, he wouldn’t recognize the wrong person. Lang Ruoxian firmly believes that he will never recognize another woman as Hua, even if she has the same face as Hua.

“You... You mean you knew it from the beginning.” Tang Ziyang can’t believe it, “It’s impossible! It’s impossible! Then why did you have sex with me?”

Lang Ruoxian looks at her as if she is rubbish, “I used psychedelic. It’s your own fantasy.”

“I don’t believe it!” Tang Ziyang shouts, “Are you afraid that others will know? You’re afraid that Tang Duo will know you’ve touched me. Ha-ha! If she knows that you have touched me, she won’t forgive you.”

Tang Ziyang thinks of this and feels happy, “Now you know that I am not Tang Duo. What can you do? You two can’t be together anyway.”

“You have time to worry about this. Why not worry about yourself?” Lang Ruoxian takes out a bottle of medicine and shakes it, “This is the medicine for maintaining your face, right?”

Tang Ziyan's eyes are round and she rushes over, "Give it to me! Give it back to me!"

But she is kicked by the bodyguard behind Lang Ruoxian. She cries out in pain and rolls to the side.

"Now say what I ask." Lang Ruoxian opens the medicine bottle, takes out a pill and throws it at his feet, "How did you come back from death?"

Tang Ziyan looks at the pill at his feet in horror. Lang Ruoxian sneers and crushes it with his feet.

"No!" Tang Ziyan screams.

Lang Ruoxian throws another pill and says, "Don't you say that?"

"I say! I say!" Tang Ziyan looks up at him, "I... I don't know. I was hit by a stray bullet in the street and thought I was dead. But then I woke up and..."

Before Lang Ruoxian threatens again, she explains everything.

"I... I... I really don't know who they are. Every time that person sees me, he will wear the mask. I only know that they are all foreigners." Tang Ziyan shivers and says.

"Your information is of no use to me." Lang Ruoxian doesn't doubt that she is lying. This woman doesn't have that courage.

Tang Ziyan says in a hurry, "I... I can help you! You want to know who that man is, don't you? I'll help you! I'll lie to him and get him out!"

"Can you get in touch with him?" Lang Ruoxian raises his eyebrows.

Tang Ziyan's eyes flash, "I... I can't contact him directly, but they gave me a number for emergencies."

"Call up..."

The bodyguard hands over a mobile phone. Tang Ziyan calls with the number in her mouth. The phone is soon connected. It is a man's voice.

"Hello? Miss Tang, you'd better have something important, or you won't have the medicine for a month."

Tang Ziyang looks at Lang Ruoxian. She doesn't know if she should talk.

Lang Ruoxian picks up the phone, "Tell your boss, no matter who he is, I will not let him go."

"..."

The other side is obviously scared. It takes a few seconds to hang up.

"You..." Tang Ziyang just wants to talk, but suddenly the whole person explodes.

There is no time for bodyguards to protect Lang Ruoxian. A room of broken meat and blood pour on them. Lang Ruoxian is affected by the explosion. He hits the wall and falls to the ground.

"Young Master!" Hearing the noise, Xiaokai rushes in.

Lang Ruoxian coughs twice and gets up from the ground. His body shakes.

"I'm okay..." He covers his chest, "A rib may be broken."

Xiaokai quickly helps him, "Let's go to the hospital first!"

"Clean up here." Lang Ruoxian shakes off the blood on his hand.

Tang Cao guards in the hospital and wants to wait for Lang Ruoxian to come back. Now someone has been made up to be her sister. He dares not to leave Bai Susu alone in the hospital. As a result, when Lang Ruoxian comes back, Shu Sheng says that Young Master is also injured and the doctor is dealing with it.

"Go and see what's going on." Bai Susu says in a hurry.

Tang Cao runs over quickly. After a while, he pushes Lang Ruoxian back together.

"Where are you hurt? Bai Susu sees him in the wheelchair. Her face becomes white.

"Mom, he is fine!" Tang Cao also laughs, "A rib of my brother-in-law is broken. The doctor won't let him move."

Lang Ruoxian looks at Tang Duo on the bed, “Hasn’t Hua woken up?”

“She woke up.” Seeing that there is nothing wrong with him, Bai Susu is relieved, “When she woke up and saw Tang Cao and me, she cried excitedly and then fainted again.”

At that time, Bai Susu and Tang Cao were frightened. Then the doctor checked that she fainted and she was fine.

“I think she’s too happy.” Tang Cao says. He and Bai Susu haven’t known how Tang Duo has been these days.

Seeing that her daughter is not very thin and there is no injury on her body, Bai Susu covers her mouth and cries. At least Hua has no bad experience...

“She was closed in a villa next city.” Lang Ruoxian tells them, “The villa is on the top of the mountain and the nearest neighbor is 100 meters away. I asked the doctor. She is not malnourished. Her sudden onset of acute appendicitis is probably due to her eating unclean food.”

“Was she alone in the villa?” Bai Susu frowns, “Did you catch anyone?”

Lang Ruoxian shakes his head, “Shu Sheng has checked carefully. Only Hua was there. The balcony window was sealed. There’s a small hole in a window. It’s probably where the three meals were delivered.”

They also checked the surroundings and even visited the neighbors. Unfortunately, they couldn’t find anything. No one knew that there was a woman in the villa.
