

## The Apple 371

### Chapter 371: He's Back (2)

On the weekend, Qiao Mu was dragged to a banquet by Baby Guan. It was a private banquet of the Lu family. Baby Guan said that she would be officially announced as Lu Jingzhi's fiancée tonight.

Qiao Mu thought that she could ask Li Yan's brothers when he was coming back at such an important occasion.

After arriving at the banquet, Baby Guan went to look for Lu Jingzhi. Qiao Mu was bored and strolled around the banquet when she saw Ling Xi.

Ling Xi smiled and walked up to Qiao Mu. "Sister-in-law, why are you loitering around here alone?" "Why didn't you come with my big brother?"

Qiao Mu was stunned. "Li Yan is back?"

"You don't know?" Ling Xi frowned. "Big Brother will be attending this banquet today. Didn't he tell you when he came back?" Qiao Mu's heart instantly turned cold.

Li Yan did not contact her when he returned!

Ling Xi realized that he had said something wrong. He coughed lightly and said, "Well, actually, I don't know exactly when my brother will be back. I only know that he will be here tonight."

Qiao Mu only felt her throat burning. Since Ling Xi said that Li Yan would come, she would wait here!

Beijing Airport.

Li Yan got off the plane and got into the car.

Lei Yi drove and reported the recent matters of the company. At the end, he said, " Young Master, Miss Qiao went to the company to look for you. I told her that Jin Jin will be back in a few days. "

Li Yan raised his eyes. " Murong Chao is still restless. Let him keep an eye on Qiao Mu. I don't know what he can do, so we should be more careful for now. "

After this matter was completely resolved, he would tell her clearly that he would endure it for two days.

"Young Master, if Miss Qiao knew that you were back and hid it from her, would she misunderstand?" Lei Yi asked.

"No, she's not that petty." Li Yan's words came naturally.

The little thing had already confessed to him and knew her feelings. He had never felt so at ease before. Even if he was busy with other things, he was very assured of her.

Young Master is thinking too much about women!

Suddenly, a cold gaze swept over. Lei Yi's body stiffened and he immediately retracted his gaze to focus on driving.

Behind her, the man's voice sounded darkly, "Lei Yi, I remember that you told me that Qiao Mu went to Hong Kong as an exchange student? "

Lei Yi was speechless.

F \* ck! Why did this man suddenly mention this when he was unprepared?

Lei Yi's expression did not change. " Young Master, I didn't say that. I just wanted to tell you that Miss Qiao has gone to Hong Kong. Fourth Young Master told me about this. When I found out, I immediately told you! "

If Young Master wanted to pursue the matter, he would blame it all on Young Master Ling!

Li Yan's lips curled up and he snorted coldly. "Ling Xi is quite bold. He even dared to bribe the people around me!"

Lei Yi was speechless. There was no bribery at all, alright? He was loyal to the heavens!

Lei Yi immediately changed the topic. "Are your injuries alright?"

Li Yan kowtowed. "It's Uncle Lu's birthday party today. Of course I have to go."

At the banquet, Qiao Mu waited anxiously. Ling Xi was also bored, so he sat beside Qiao Mu.

Suddenly, Ling Xi's phone rang. He opened his phone and looked at the message. It was from Lei Yi: "Young Master knows what you instructed me to do. He's about to arrive at the banquet."

Ling Xi put away his phone and stood up. Qiao Mu looked at him in confusion, only to see him smile and say, "I suddenly remembered that I have something to do.. I'll leave first! Big brother is here, send my regards!"

Chapter 372: He's Back (3)

After Ling Xi left, Qiao Mu sat alone in anxiety. Seeing the people coming and going, she got up and wanted to take a stroll in the side hall.

She walked around and saw Baby Guan in the corridor.

Baby Guan was knocking on a door and shouting, "Lu Jingzhi, are you inside?"

The banquet is about to start. Why are you hiding in the room?"

Immediately after, the door to the room opened. From Qiao Mu's angle, she couldn't see who opened the door, only to see Baby Guan's expression suddenly change.

"Who are you?" Baby Guan asked angrily. Why are you in Lu Jingzhi's room?"

Baby Guan took a step back. The person in the room walked out. It was a woman in a sexy dress. One of the straps of the dress slid down her shoulder, and her breasts were faintly discernible.

The woman's face was slightly red, and there was a hint of awkwardness on her face. When she saw Baby Guan, she hurriedly tidied her clothes and ran away.

Baby Guan grabbed the woman and threw her onto the ground. She continued to ask, "Speak! What did you do in the room?"

At this moment, Lu Jingzhi walked out of the room. Compared to the woman's disheveled appearance, Lu Jingzhi was dressed neatly. There was not even a crease in his clothes.

Baby Guan looked at the woman and then at Lu Jingzhi. She was so angry that her face turned red. "Lu Jingzhi, you're in the room..." You bastard!"

Lu Jingzhi frowned and glanced coldly at the woman who had fallen to the ground. "Get lost!"

The woman got up and ran away in her high heels in a panic.

Then, Lu Jingzhi looked at Baby Guan as if nothing had happened. "That's enough. Don't cause trouble. Let's go to the front hall."

Faced with Lu Jingzhi's calmness, Baby Guan gritted her teeth in anger. She raised her arm and threw a punch at Lu Jingzhi. Lu Jingzhi reacted quickly and grabbed her fist.

"Baby Guan, it's my dad's birthday party today. Don't mess around!"

“Stop fooling around? Am I making a scene? Lu Jingzhi, you’re a beast. You know that today is Uncle’s birthday party, but you still did such a thing. How can you let me down?”

Lu Jingzhi’s face darkened and Baby Guan raised her leg to kick him. As the gown was in the way, she tore the hem of the gown from the soles of her feet to the base of her thighs and then kicked Lu Jingzhi.

As Lu Jingzhi blocked her attack, he said angrily, ““Baby Guan, what are you trying to do!”

“Bastard! Are you letting me down? I’ve been here for two months, and I’ve rarely seen you. If you dislike me, just say it. You actually hid it from me and slept with another woman...Shameless!”

Lu Jingzhi grabbed her long leg that was about to kick him again and said impatiently, just despise you, okay?”

Baby Guan’s movements froze and she retracted her leg, her face slightly pale.

Lu Jingzhi looked down at her slender and fair legs. He frowned as he took off his coat and tied it around Baby Guan’s waist, trying to cover her exposed parts.

‘ Woman, can you be more peaceful? What day is it today? Don’t give me any trouble! ’ she grumbled impatiently.

Baobei Guan took a step back, tore off the clothes around her waist and threw them on the ground. She sneered, “Alright, I won’t cause you any trouble. From now on, we’ll go our separate ways!”

Baby Guan turned around to leave, but Lu Jingzhi stopped her. “ Where are you going? ”

“None of your business!” She pushed Lu Jingzhi away and left in big strides..

Chapter 373: He’s Back (4)

Around the corner, Qiao Mu saw Baby Guan walking over. When Baby Guan noticed her, she said embarrassedly, "I didn't mean to peek."

"It's nothing. I didn't do anything shameful." Baby Guan raised her chin, her expression normal.

Qiao Mu bent down and tied a knot on her skirt to cover her exposed spot. "It's better to go and change your clothes first."

As she spoke, Qiao Mu raised her head to look at Baby Guan, only to see that Baby Guan's eyes were covered with a layer of mist.

Baby Guan raised her arm and wiped away her tears. "No need. Lu Jingzhi gave me a loud slap in the face so blatantly. This image is nothing!"

Baby Guan strode into the front hall with Qiao Mu following behind.

On the stage, Papa Lu was speaking. "Today, I would like to make an announcement. Jingzhi's fiancée..."

As she spoke, Baby Guan went up on stage and said bluntly, "Uncle, Auntie, thank you for your love for me. Ten minutes ago, I was indeed Lu Jingzhi's fiancée. From this moment on, I am no longer. On behalf of the Guan family, I will cancel this marriage. This is the decision that Lu Jingzhi and I have reached!"

Qiao Mu, who was below the stage, was stunned when she heard this.

Baby Guan did not hesitate at all. Such a big matter was decided just like that!

Qiao Mu turned her head and looked at Lu Jingzhi, who was beside her. He had a gloomy expression on his face and his black eyes were staring at Baby Guan with anger in them.

Qiao Mu felt that why did their marriage seem like a child's play?

Baby Guan was always so arrogant. Everything she did seemed to be a temporary interest. If Qiao Mu had not seen her crying just now, she would have thought that she did not really love Lu Jingzhi at all.

Just as she was thinking, Qiao Mu turned around and saw the man at the entrance.

She stared at the tall figure in shock. This man...He had indeed returned!

Baby Guan got off the stage and walked to Qiao Mu. "Let's go, Mumu."

Qiao Mu's gaze was fixed on Li Yan, but Baby Guan did not notice it. She only wanted to leave this place as soon as possible, so she grabbed Qiao Mu's wrist and walked out.

Qiao Mu was stunned and did not respond. When she passed by Li Yan, he only glanced at her once before letting her leave as if nothing had happened!

It was as if they were strangers!

After leaving the banquet hall, Qiao Mu still did not react in time.

He really pretended not to know her!

His heart ached. At this moment, a car stopped in front of him and Lei Yi got out. "Miss Qiao, please get in the car. Young Master asked me to wait for you outside."

"Wait for me?" He was clearly looking at her as if she was a stranger just now! "Miss Qiao, if you have any questions, get in the car and wait for Young Master to come out."

"I'll be leaving first then, Mumu," said Baby Guan.

"Baby Guan! Stop right there!" As soon as Baby Guan finished speaking, Lu Jingzhi's roar came from behind her.

Baby Guan's expression turned cold. She called a taxi and left immediately, shaking off Lu Jingzhi.

"This damned woman!" Lu Jingzhi looked furious.

Qiao Mu stood in front of the car and hesitated for a moment before getting in.

As she sat in the car, she could not understand why Li Yan would do this.

Suddenly, a thought appeared in his mind.

Li Yan was acting like he didn't know her in front of others and was interacting with her in private. Could it be that he wanted to be with her secretly?

At the thought of this, Qiao Mu's face paled.

She clenched her fists tightly and placed them on her legs. She gritted her teeth to suppress the uneasiness in her heart..

Chapter 374: He's Back (5)

If he really had such thoughts and wanted to develop her into a secret lover so that she would not hinder his fiancée...

This bastard! If he really dared to do this to her, she would die with him!

At the banquet, Li Yan left impatiently after congratulating Father Lu.

He hadn't seen his little woman for many days, and he had only taken a quick glance at her just now. Because he had many ears and eyes, he didn't want to get too close to her and be targeted.

After all, it wasn't safe for him to be by his side right now.

He had planned to look for her after everything was settled in two days, but after seeing her, he couldn't wait any longer.

He couldn't suppress the urge to pull her into his arms!

At the same time, he realized that his little woman did not look good. She seemed to have lost some weight and looked very bad.

Could it be that she was so worried about him that she could not eat or sleep well?

The corners of Li Yan's mouth curled up. He recalled the little thing's confession that day, and no matter how bad his mood was, he felt very happy.

Qiao Mu was waiting nervously with her head lowered when the car door suddenly opened. She jerked her head up and saw that familiar figure get into the car.

A cool breeze blew into the car from his body. Then, he sat down at the side and closed the door.

"Drive," he said to Lei Yi.

Qiao Mu sat stiffly without moving and looked at the man in front of her. The man she had been missing and worried about all day had finally appeared before her at this very moment!

Li Yan got into the car, but he did not receive the expected hug. He raised his eyebrows slightly and looked at the little one. "Why aren't you saying anything?"

"What do you want me to say? Li Yan, what do you mean?" Qiao Mu had wanted to calmly question him. Even if she received a sad response, she would still pretend to be calm and not embarrass herself. However, the moment she opened her mouth, her tone was a little resentful, and she could not control the emotions in her heart.

Li Yan frowned. He felt that something was wrong with the little thing's tone. He reached out to hold her hand on his knee and asked, "What's wrong? Are you angry with me?"

"Don't touch me!" Qiao Mu flung him away. "Li Yan, make yourself clear. Don't even think about touching me again!"

Li Yan did not expect such a reaction from her. He narrowed his eyes. "Qiao Mu, what happened? Tell me clearly."

What happened?

Qiao Mu found it laughable. Everything was arranged by him, yet he asked her what happened!

She glared at him angrily. "Li Yan, don't think that you're so great just because I like you! Even if I like you, you have no right to bully me like this! If you want to chase me away, then chase me away. If you want to summon me back, then I have to be obedient, right? I have dignity, and you want me to be your lover in private!"

"What did you say?"

What did he mean by chasing her away? What secret lover?

At that moment, Li Yan realized that something was out of his control.

If everything had developed as he had expected, this little thing would not have been so agitated.

"When you were in the hospital, you asked Superintendent Ouyang to chase me away, but you didn't tell me when you came back. Even if you don't want me anymore, is it so difficult for you to tell me yourself? Since you don't want me, why are you looking for me now? And you're even sneaking around. If you want to develop me into your secret lover, I'll die for you!"

Qiao Mu's emotions were agitated, and the emotions that she had suppressed for too long instantly erupted at this moment.

Li Yan frowned after hearing her words.

Chapter 375: Uncle, I'm Sorry (1)

Li Yan looked at the little woman without batting an eyelid. "So, you think I'm sad because I don't want you anymore?"

She glared at him angrily when she heard him describe her pain in a light tone. I'm not sad! I'm not sad! Don't think that just because I confessed to you, I have to be with you. Don't think that just because I like you, you can order me around. Li Yan, let me tell you, my feelings must be clean. If there's even a little impurity, I don't want it! Don't even think about making me the third party in your marriage!"

Li Yan was helpless. She even brought up the third party. This little woman's imagination was really rich!

At this moment, Li Yan was in a good mood. The more angry and sad the little one was, the more she cared about him.

Leaning back in his seat, he crossed his arms in front of his chest and glanced at her indifferently. "If there's anything else you want to say, just say it."

Qiao Mu was stunned. What did he mean by this? Was he asking her to say what she wanted to say, and then she could leave?

From then on, the two of them went their separate ways. He chose his fiancée and did not want her anymore?

Qiao Mu bit her lip hard. She had never felt such humiliation before. She had already confessed her feelings like this, yet she was met with such a cold attitude from this man!

The corners of his lips were still curled up into a faint smile. His expression was calm and did not take her sadness seriously at all. It was as if he was watching a joke!

The anger in her heart instantly burned. She shouted angrily, "Stop the car! I want to get off! I don't want to talk to you anymore! Bastard, let me tell you, I

dumped you. Don't be so arrogant!"

Li Yan raised his eyebrows. "You still want to dump me? Did I give you the right?"

"Why are you the only one who can dump me and not you!"

"When did I say I was going to dump you?"

"That's what you mean!"

"How can you be so smart? I don't even know what I mean, but you know what I mean?"

"Qiao Mu was exasperated. He was still beating around the bush with her at a time like this!

Li Yan looked at her angry face and reached out to pull her into his embrace. Alright, calm down. Let's talk..."

"Let go of me! Who allowed you to touch me? Let go!" Qiao Mu struggled reflexively and resisted a few times in his embrace. Suddenly, she heard the man grunt in a slightly suppressed voice.

She froze and suddenly remembered that he was injured!

She looked up and saw the man frowning slightly, as if he was in pain.

She wanted to get out of his arms, but his arms were tightly wrapped around her waist, not allowing her to move.

She could only lean against his chest motionlessly. This injury was clearly endured for her. He could get hurt for her, so how could he just say that he did not want her?

Smelling the scent on the man's body, Qiao Mu felt her nose turn sour and wanted to cry.

In the next second, tears flowed out.

In the past few years, no matter how much Qiao Ya bullied her, she had already trained herself to be a protective shell and never shed a single tear. She thought that she was strong enough to not cry, but ever since she got together with him, her tear glands were like an open valve that could easily lose control. The worst thing about this man was that he treated her well and was cruel to her at the same time!

Qiao Mu raised her head and glared at him with tears in her big eyes. "Go away."

When you chased me away and didn't want me, I already didn't like you. If I knew you were so shameless, I wouldn't have liked you at all!"

Li Yan frowned when he saw her giving way to him. His heart softened when he saw her tearful face. He felt his heart ache when he thought about how she had been misunderstanding him all this while..

Chapter 376: Uncle, I'm Sorry (2)

His large hand gently wiped her tears and said helplessly, "Alright, stop crying. I won't tease you anymore."

"Don't touch me, I hate you!" She slapped his hand away, and then she saw the face approaching her.

Mm...

Almost as soon as Qiao Mu finished speaking, Li Yan cupped her face and kissed her lips accurately, stopping her from saying anything.

Qiao Mu's eyes widened as she looked at his face that was inches away from her. She tried to push him away with all her might, but when she saw his frowning expression of enduring the pain, she did not dare to use any more strength, afraid that she would touch his wound.

At this moment, she still cared if he was injured or not. He was really hopeless!

His tongue went straight into her mouth and did whatever he wanted.

She opened her mouth and bit his lips hard to stop him from continuing. However, the man did not feel any pain at all. Instead of retreating, he advanced!

She couldn't be pushed or bitten, so Qiao Mu burst into tears of frustration as she was kissed.

Li Yan was stunned. He quickly stopped and pulled the little woman into his arms. He patted her back gently. "Be good, don't cry anymore."

"You bully me, bastard! You only know how to bully me!" Qiao Mu wailed loudly, no longer caring about her image. She was just sad and upset, and her heart felt terrible.

Li Yan's heart ached as he hugged her and whispered, "'Mu Mu, I didn't abandon you. Trust me, okay?"

Qiao Mu continued to bawl her eyes out. After a long while, she stopped crying in a slow manner and blinked her large, watery eyes at him. "What did you say?"

Did he just call her Mu Mu?

Li Yan looked at her dumbfounded expression and said helplessly, "'I didn't abandon you. You're mine. How can I abandon you?"

Qiao Mu blinked her eyes blankly. She could no longer tell which of his words were true and which of his words were deceiving her.

She pursed her lips and sobbed, ""What about your fiancée? If you want your fiancée, don't be with me. If you want to be with me, dump your fiancée!" "Good!" Li Yan smiled and patted her head. " Let's go home first. "

"That's not my home!"

Li Yan felt helpless when he saw how stubborn the little thing was. This little woman who refused to admit defeat actually confessed to him. He should really be glad that he was so important to her.

Qiao Mu was truly exhausted from crying. Although she did not want to be so close to him, she really did not want to move in his embrace.

As she hadn't slept well for a few days, she was a little sleepy after crying enough in his arms.

In a daze, she heard the man's voice above her head."If you still want your grandson, go home in half an hour and explain everything to me." Grandson?

Qiao Mu frowned in confusion. Who was Li Yan talking to on the phone? Li Yan hung up the phone after saying that, ignoring the reaction of the person on the other end of the phone.

If it weren't for his parents who were dragging him down, things wouldn't have taken such a big detour and made his little one so sad.

Li Yan's large hand gently stroked Qiao Mu's hair. Even though he had taken a big detour, he had gained quite a lot.

When the car arrived at the Li family villa, Qiao Mu fell asleep in a daze.

Looking at her quiet face, Li Yan could not bear to wake her up.

He gently carried her out of the car, and Lei Yi quickly said, "Young Master, you haven't recovered from your injuries yet. Wake Miss Qiao up."

After Lei Yi finished speaking, Li Yan glared at him coldly. "I'm not that weak." Lei Yi immediately shut up. He was really a busybody!

At this moment, a car drove into the courtyard. The sound of an emergency brake made Li Yan frown slightly. He lowered his head to look at the little woman who was still sleeping soundly, then turned to look at the person who came..

Chapter 377: Uncle, I'm Sorry (3)

When the black car stopped, the door to the passenger seat opened. Yu Yiduo jumped out of the car as soon as it stopped.

"What are you so anxious about?" Li Zheng asked with concern. "Do you think your grandson will run away?!"

Lei Yi, who was standing at the side, instantly understood what was going on.

When they were in the car, the young master had called the old master and mentioned his grandson. Therefore, the young master had deliberately lied to them!

Instantly, a layer of cold sweat appeared on Lei Yi's forehead. This cold sweat was for Ouyang and Ling Xi. Young Master wouldn't even let his own parents off. It seemed that Ouyang and Young Master Ling were going to be in trouble!

Yu Yiduo was wearing a short-haired wig, a hat, shorts, and a t-shirt. This was the same outfit she wore when she was photographed with Li Yan that night. In order to explain things to Qiao Mu simply and clearly, she even wore a wig.

She rushed to Li Yan and said in surprise, "Son, is Mumu really pregnant?"

Li Yan carried Qiao Mu into the house and reminded her softly, "Mom, lower your voice. She's asleep."

“Oh, oh!” Yu Yiduo nodded her head vigorously, unable to hide her happiness.

Li Yan carried Yu Yiduo upstairs into the room. Yu Tingyun followed closely behind and chattered on in a low voice, ““Aiya, why does Mumu look so haggard? I haven’t seen her for a few days. Why did she lose so much weight? This can’t do. She needs to take good care of her body!”

Li Yan carefully placed Qiao Mu on the bed and covered her with a blanket. He said coldly, ““Isn’t this all your credit?”

Yu Yiduo chuckled. “ Son, I’m helping your relationship improve by leaps and bounds. Look, isn’t the result obvious? You brought my grandson out in an instant!”

Li Zheng, who was standing at the door, snorted. “ You’re quite obedient. I said that as long as I can have grandchildren, I’m willing to have a pig daughter-in-law. You really did it! ‘

Hearing this, Yu Yiduo was unhappy. She stood at the door and pointed at Li Zheng. “ I dare you to say that again. Hurry up and leave. Don’t disturb my daughter-in-law! ‘

In her sleep, Qiao Mu vaguely heard the sounds of conversation around her. She opened her eyes in a daze and was stunned when she saw her current surroundings.

She turned her head and saw Li Yan standing by the bed. There was someone else beside him.

When she saw that person’s back. Qiao Mu’s eyes instantly widened.

The woman in the room was Li Yan’s fiancée in the photo. She was dressed exactly the same, and Qiao Mu recognized her just by looking at her back.

She sat up abruptly and pointed at the back of the man, glaring at Li Yan. “ Why is she here?! ”

Qiao Mu’s furious roar shifted everyone’s attention to her.

Li Yan glanced to the side without batting an eyelid. "Then you'll have to ask her herself."

Qiao Mu was already gasping for breath from anger. At this moment, the woman turned around, and her vision blurred. She saw the other party swiftly rush to the bedside and grab her hand.

She was disgusted and shook him off forcefully. Just as she was about to say something, she heard him shout with a smile, "Mu Mu."

This voice...

Qiao Mu finally saw the woman's face clearly, and her eyes widened once again.

Li Yan's mother?

Qiao Mu was instantly stunned. She opened her mouth and stammered, "Ah.. Auntie, why? Is it you?"

Yu Yiduo took off her hat and wig. "See?" It's indeed me. Sigh, Mumu, I'm sorry for letting you misunderstand Ah Yan.."

Chapter 378: Uncle, I'm Sorry (4)

Qiao Mu was completely unable to describe her current feelings. She found it hard to digest this fact!

The fiancée that she had set her eyes on for so long was actually Li Yan's mother?

Li Yan had told her before that the person in the photo was his mother, but he couldn't tell what Yu Yiduo looked like in the photo at all. Most importantly, one had long hair and the other had short hair!

In addition, Li Yan's father came to her later and said that that person was Li

Yan's fiancée. She was even more convinced!

However, at this moment, the situation changed drastically!

Yu Yiduo gently patted Qiao Mu's back and comforted her. ""Don't be angry.

Don't be angry at a time like this. It's Auntie's fault. Don't be angry with Ah Yan. He actually cares about you very much!"

Yu Yiduo was worried that if Qiao Mu didn't plan to keep her grandson after the two of them had a conflict, wouldn't she be the main culprit?

Therefore, she kept comforting him and saying good things.

As he spoke, he glared at Li Zheng who was standing at the door.

Li Zheng coughed lightly and said, " Qiao Mu, actually, I'm telling you. Li Yan has a fiancée. He just wants to test you. Right now, it's more important for you to take good care of your body. '

Qiao Mu blinked in a daze. This treatment had suddenly increased by hundreds of times!

She raised her head and looked at Li Yan, who remained calm and collected. All this time, she had misunderstood her.

There was really no such thing as a fiancée!

Since he didn't have a fiancée, then there wouldn't be any messy things after that. He had always been alone with her.

He had always been hers!

Qiao Mu's mood instantly leaped from the bottom of the valley to heaven. This feeling was a joy that she could not suppress.

All the gloom instantly disappeared completely!

However, what did he mean by asking her to take care of her body? She was in good health. Li Yan should be the one taking good care of her. He should be the one who was injured!

Qiao Mu realized that she was sitting on the bed rudely in front of the two elders. She immediately got up and wanted to get off the bed, but Yu Yiduo stopped her.

"Mumu, lie down obediently. Don't get out of bed. Your body needs more rest."

Qiao Mu was puzzled. "Auntie, my body is fine. I don't need to rest. The one who should rest is Little Uncle. He's injured."

Yu Yiduo shook her hand. "Don't bother about him. You are the most important thing now. Take care of your body and give birth to my grandson."

Sun...Zi...?

Qiao Mu was confused by Yu Yiduo's words. Where did this grandson come from?

She suddenly remembered that Li Yan had mentioned the word 'grandson' on the phone in the car.

She looked at Li Yan in confusion. "What grandson?"

Qiao Mu's confused expression and her face of ignorance made Yu Yiduo immediately sense that something was amiss. She asked for confirmation,

“Aren't you pregnant?”

Qiao Mu was instantly dumbfounded!

She shook her head vigorously. “ Auntie, I'm not pregnant! ”

Li Zheng, who was at the door, frowned and glared at Li Yan. “ What exactly happened? ”

Li Yan smiled nonchalantly. “ What do you mean what happened? When did I say she was pregnant? I'm just saying that if you don't come and explain clearly, don't even think about having a grandchild in the future.”

Qiao Mu was speechless.

Yu Yiduo was speechless.

Li Zheng was speechless.

“You bastard, come out with me. How dare you fool your father!” Li Zheng roared angrily. Li Yan followed him out nonchalantly.

Outside the room, Li Zheng's roar could be heard.

In the room, Qiao Mu looked at Yu Yiduo awkwardly. Who knew that Li Yan would come up with such a trick to deceive his parents!

This was simply too ruthless!

Chapter 379: Uncle, I'm Sorry (5)

Yu Yiduo sighed. "Sigh, I knew it. I don't have such a good life. How could I have a grandson so early? Mu Mu, this is all my fault. Don't be angry with me."

"No, Auntie. You don't really want to separate us. It's just a misunderstanding. It's all in the past." Qiao Mu said considerately.

"Then you're not angry at Ah Yan?"

Yu Yiduo's eyes immediately lit up when she saw Qiao Mu nod after asking. She patted Qiao Mu's hand and said earnestly, "In that case, you have to work harder and let Mom and Dad have grandchildren as soon as possible. Don't let us be surprised for nothing. You know that we're old and our psychological endurance is too weak. If you provoke us like this, we'll easily get sick!"

Qiao Mu's lips twitched. How should she respond to this?

At this moment, Li Yan returned to his room and said calmly, "Mom, if you don't leave now, your grandson might have to be born one more day."

Qiao Mu was speechless.

This man was shameless! How could he say such words!

However, Yu Yiduo understood immediately. She stood up and walked out, saying, "Alright, I won't delay your rest anymore. Rest early!"

Yu Yiduo waved her hand and left. When she walked out of the room, she even closed the door.

The corners of Qiao Mu's lips continued to twitch. Did he have to do this!? She was very thin-skinned, alright?

Silence returned to the room, leaving Qiao Mu and Li Yan alone.

Qiao Mu's emotional ups and downs were soothed at this moment.

At this moment, he truly felt the happiness in his heart. After the extreme sadness and pain, it felt very different to experience this kind of mood again.

This man had always been hers!

"Uncle." She looked at him and called out softly.

The man merely raised his eyebrows and looked at her calmly. "Do you believe me now?"

Qiao Mu nodded. When she thought of all the earth-shattering things that had happened recently, the outrageous words she had said to him when she was angry, and how she had repeatedly hurt him with her words and resisted him with her actions, she felt extremely guilty.

She got out of bed and walked to him. She took the initiative to hug his waist and looked up at him. "Uncle, I'm sorry."

This apology came from the bottom of her heart. Her soft voice caressed Li Yan's heart like a feather, making his heart soften.

He raised his arms and wrapped them around her body, sighing. "Silly girl, when did you become so sensible? You even know how to apologize."

How could he be angry with her? He couldn't wait to feel sorry for her. How much had she suffered these past few days? How sad was she without him knowing?

At this time, she still came to apologize to him!

His little thing was really becoming more and more sensible.

Qiao Mu pouted. " Not only will I apologize, but I'll also confess! Actually, you've benefited from my confession. Hmph, you're lucky!" Li Yan chuckled softly. Qiao Mu was familiar with his devilish smile.

Great, her uncle was back!

Immediately after, a man's voice sounded in her ear."You've indeed earned it.

In that case, I'll reward you properly."

Before Qiao Mu could react, she had already flown into the air and was carried up. In the next second, she was placed on the large bed.

The man leaned forward with a burning breath.

Qiao Mu suddenly thought of something and stopped him. ""Uncle, you're still injured!"

"This injury won't stop me from rewarding you." Qiao Mu was speechless..

Chapter 380: Sorry, Uncle (6)

Qiao Mu was a little breathless from the man's scorching breath.

In her memory, she hadn't been so intimate with him for a long time. The only time was when she was drunk and half-asleep.

She had finally untied the knot in her heart. At this moment, it was as if she was hugging him like this.

Suddenly, she remembered that Qiao Ya had told her the truth from ten years ago. She placed her hands in front of her and wanted to talk to him. " Uncle, I have something to say. It's..."

"What are you talking about? Let's talk after I'm done rewarding you!"

The man was a little impatient as he kissed her chattering lips.

Qiao Mu's head felt heavy and her body felt a little weak. Faced with the man's domineering aura, she could not help but blush.

Li Yan chuckled softly. "Little thing, weren't you quite passionate and open the last time? Why are you so shy now that your confession is successful?" Qiao Mu was speechless. You're the one who's passionate about it, but I'm not!"

"Still not admitting it? It's okay if you don't remember what happened that night. Let me help you remember. After you were drunk, you really opened my eyes. You confessed to me and pushed me down at the same time. I didn't know that you had this side to you..

"Shut up! Don't spout nonsense!" Qiao Mu glared at him with a flushed face and pushed him away angrily and shyly.

Just as the two of them were entangled, Qiao Mu accidentally touched a bandage wrapped around his lower body, which was loosely piled around his waist.

Startled, she quickly took off his clothes, but the man chuckled. "Why, are you so impatient?"

"Uncle, your bandages are undone!" Qiao Mu immediately tensed up. She flipped over and sat up, pressing the man down on the bed. Qiao Mu's heart ached when she saw the bandage around his waist. "Don't move around. The bandage is so serious. You have to rest well now!"

"Be good. It's just a small injury. It's not a big deal." He knew that she would be worried when she saw the bandages.

'You still say you're fine? Do you think your body is made of iron? Hurry up and lie down. Call the doctor to rebandage the bandages."

Li Yan sighed helplessly when he saw how anxious the little one was.

Then, under Qiao Mu's strong request, Li Yan could only call the family doctor over.

A moment of spring night was worth thousands of gold, but it was wasted just like that.

The doctor rushed over and took off the bandages on Li Yan's body and put on a new one.

Qiao Mu stood at the side and looked at the scar left behind on her honey-colored skin. Her heart ached. That scar had yet to completely heal, and she felt pain just by looking at it.

After the doctor finished bandaging the wound, he could not help but remind her, "Mr. Li, your wound still needs to heal slowly. It's better for you to do less strenuous exercise recently."

Qiao Mu's attention was all on Li Yan's injury. After hearing the doctor's words, she did not quite understand the hint in his words, so she quickly asked, "Doctor, what does strenuous exercise include?"

The doctor cleared his throat. "Including all kinds of exercise."

All the strenuous exercise?

Qiao Mu reacted for a moment and accidentally saw a hint of a devilish smile on Li Yan's handsome face. She immediately understood what the doctor meant and was so embarrassed that she could not raise her head.

It was late at night, and the bandage had been removed on the bed. One did not need to think to think that he had done something!

Li Yan glanced at the woman who was so embarrassed that she wanted to find

a hole to hide in. The corners of his mouth curled up slightly. He nodded at the doctor and said seriously, "I understand."

After the doctor left, Li Yan waved at Qiao Mu. " Come and sit. "

"No, the doctor said that you can't do strenuous exercise." Qiao Mu stood rooted to the spot and did not approach..
