

The Apple 381

Chapter 381: Sorry, Uncle (7)

Li Yan smiled helplessly. "Little thing, what's in your head all day? Getting close to me is for you to exercise? You're getting more and more complicated." Qiao Mu was speechless. Not pure your sister!

Qiao Mu sat down by the bed with a red face. Just as she was about to say something, she saw the bloodstains on the gauze that she had taken out from the trash can, and her small face instantly fell.

Her fingers gently drew circles on his bandages. "Uncle, does it hurt? "

"Yes, it did hurt at that time, but after hearing your affectionate confession, it didn't hurt that much. So if you want to comfort me, confess again." Li Yan grabbed her naughty little hand and looked at her with a smile.

Qiao Mu glared at him with her round eyes. "Li Yan, you're pushing your luck! You're too much! "

Laughing softly, he patted the bed beside him. "Come up and sleep. "

Qiao Mu stood up and walked out. "In order to help your body recover earlier, I'll sleep in the guest room from today onwards. "

Li Yan was speechless.

Before he could speak, the little woman had already opened the door and left.

The next day, Qiao Mu did not have classes and stayed at home to accompany Li Yan.

Qiao Mu was surfing the internet on her phone. When she saw that the post about Li Yan and his fiancée on vacation a few days ago had been hyped up again, she handed her phone to Li Yan.

“Uncle, look at how loving you and your fiancée are.”

His tone was a little sour.

Although she knew that it was just hype and had nothing to do with this man, she felt uncomfortable that her man was considered another woman’s fiancée.

Li Yan glanced at the screen and raised his eyebrows. He picked up his phone and called Lei Yi. “Clean up all the reports about my fiancée. ‘

The corners of Qiao Mu’s lips curled up when she heard the man’s words.

She suddenly thought of something and tilted her head to look at Li Yan. “Uncle, you don’t have a fiancée. Why are you sneaking around with me like a thief, afraid that others will find out?”

Li Yan lifted his eyelids and glanced at her. “You have the cheek to say that?

Who was the one who had been sneaking around with me from the beginning?

You finally know how it feels?”

Qiao Mu was speechless. Alright, this was her blatant revenge!

Li Yan opened his arms and pulled her into his embrace. He said calmly, ““There’s been some trouble with business recently, and I don’t want to drag you into it. So don’t expose our relationship in public.”

Qiao Mu immediately understood. So this was the reason!

It was probably because of this that he asked her to leave first in Hong Kong. Qiao Mu sat cross-legged on the sofa. “Uncle, when I was rushing to the airport in Hong Kong, I was stopped by someone. I was almost kidnapped, but Big Brother Guan just happened to appear and save me. I didn’t expect Big

Brother Guan to be so powerful. He's really hidden! "

Li Yan frowned. " You're praising another man in front of your man. Are you testing my temper? "

She kept calling him Brother Guan. It was so intimate that it made him very unhappy.

Qiao Mu chuckled and blinked her big eyes. " Uncle, are you jealous? You're too petty!"

"You're allowed to be jealous of my fiancée, but I'm not allowed to be jealous?"

Qiao Mu was stunned. She did not expect this man to admit that he was jealous so straightforwardly!

She placed her hand on his forehead and tested the temperature on her forehead. Eh, he didn't have a fever!

This was not like Young Master Li's normal behavior at all!

Li Yan saw through her thoughts and raised his eyebrows. He pressed her down on the sofa and kissed her lips..

Chapter 382: Uncle, I'm Sorry 8

As Li Yan had been on a business trip for a long time, there were a lot of things waiting for him to handle in the company, so he went to the company in the afternoon.

After Qiao Jiannan was discharged from the hospital, Qiao Mu did not return home. The last time, she left without even entering the house. This time, she took advantage of Li Yan's absence to return to the Qiao family's residence.

Qiao Mu entered the study room and saw Qiao Jiannan's haggard face. Ever since he was discharged from the hospital, he was not as good as he used to be.

When Qiao Jiannan saw Qiao Mu, he no longer had his usual amiability. Instead, his expression was a little serious. "Mumu, I have something to ask you. Are you with..." Does your mother have any dealings with you?"

Qiao Mu was stunned and lowered her head. "Dad, I did have some dealings with her, but we've already broken off contact."

Qiao Jiannan sighed. "Mumu, I know you're a kind child. She's your mother after all, but she's a gambler and greedy for money. She has a bad nature. I'm doing you a favor by not letting you hang out with her."

"I know, Dad. I promise I won't have any contact with her in the future. I've also made it clear to her that she shouldn't come looking for me again."

"That's good. You're now 18 years old and have reached the age to give you shares of the Qiao Corporation. If you have any dealings with her, even if I want to give you shares, Tingyun won't agree. Since you've cut off contact, it's time to settle this matter."

After Qiao Jiannan finished speaking, Yu Tingyun, who was standing outside the door, had a gloomy expression on her face.

As expected, even if she tried her best to stop it time and time again, she could not stop it from happening.

Yu Tingyun stormed into the bedroom. No, she had to think of something!

In the study room, Qiao Mu looked up at Qiao Jiannan. "Dad, let's talk about this later. I'm still in school. If you give me the shares now, I'm worried that

Aunt Yun will be unhappy. Everything will be more logical after I graduate. '

In fact, she didn't want to push herself into the fire pit. Yu Tingyun had always regarded her as a thorn in her side. If she got the Qiao's shares, she didn't know what kind of treatment she would receive in the future.

Although she had Li Yan as her backer, she did not want to cause trouble for herself. After all, she had never wanted to take anything from the Qiao family.

Qiao Jiannan looked at Qiao Mu's serious expression and sighed. "Alright, we'll do as you say. What's yours will be yours sooner or later. There's no rush." "Thank you, Daddy." Qiao Mu smiled.

Qiao Mu left the study and was about to go downstairs when she heard Yu Tingyun's voice from the master bedroom.

The door to the room wasn't tightly shut, so Qiao Mu stood outside and watched Yu Tingyun angrily talk on the phone.

"Is there a problem with our cooperation with the Li Corporation? What's going on? Hurry up and think of a way to remedy it..."

Qiao Mu didn't stop. Just as she was about to walk past, she heard Yu Tingyun continue, "Also, find all the information about Qiao Mu and that slut. We can't just let this matter go like this..." I thought that Jiannan's car accident and being hospitalized would end this matter, but I spent so much effort. The car accident didn't happen for nothing..."

As Yu Tingyun spoke, she turned around and saw Qiao Mu standing at the door. Her eyes widened in shock.

Yu Tingyun glared at Qiao Mu. "You..." You actually stood outside my room and eavesdropped. What did you hear?"

Qiao Mu sneered. "Madam Yu, you actually treated my father's car accident as something beneficial to you. You really did everything you could to stop me from getting the Qiao Corporation shares! "

Yu Tingyun's expression darkened. " Qiao Mu, don't think that you've already succeeded! I won't let you take a single cent from the Qiao family! Since I chose to send you to be an exchange student, don't blame me for being rude if you don't take this path! "

"Hopeless!" Qiao Mu couldn't be bothered to waste her breath on her, so she turned around and left.

Yu Tingyun picked up the phone nervously.. " Have you settled the car accident? " Don't cause trouble for me!"

Chapter 383: Qiao Mu Was Not Clean For A Long Time (1)

After Qiao Mu left the Qiao family's residence, she directly turned into the Li family's courtyard.

At this moment, the sound of a car engine approached. She thought it was Li Yan. She looked over and saw Qiao Ya's car.

Qiao Mu immediately hid in the courtyard. Immediately after, Qiao Ya's car stopped at the entrance of the Li family's residence and honked continuously.

Qiao Ya got out of the car and shouted into the courtyard, Qiao Mu, I see you! Get out here! How dare you get close to uncle? Don't embarrass the Qiao family! "

Qiao Mu turned a blind eye to it and hid behind a big tree. Then, another car drove over and stopped at the entrance.

The car window rolled down, revealing Li Yan's face.

Qiao Ya smiled and went up to him. Her tone was very attentive."Uncle, you're back!"

"What are you doing here?" Li Yan said coldly.

Qiao Ya's tone became excited. " Uncle, I saw Qiao Mu go in just now. This Qiao

Mu is really too shameless. She seduced Uncle time and time again. When Uncle isn't at home, she would secretly come to look for you. Uncle, hurry up and chase her out! '

"Who do you need to care about who enters my house?" Li Yan's face darkened.

" Move aside! "

"Uncle, you already have a fiancée, and you love your fiancée so much. How could you fall for Qiao Mu's trap! Back then, Qiao Mu had a motive. She used all sorts of methods to get close to you, and she's been using your relationship to attack my mother and me. She's been scheming ever since she was young.

Uncle can't be deceived by her appearance!"

Li Yan raised his eyes. " So, you're teaching me how to differentiate right from wrong? "

The man's eyes were filled with endless coldness, causing Qiao Ya to shiver uncontrollably.

Immediately after, Li Yan spoke again. His words were sharp and venomous. ' What right do you have to interfere in my private affairs? Look at yourself in the mirror first. Don't come out and embarrass yourself."

Qiao Ya's expression changed drastically. " Uncle, I'm your nephew. How can you say that about me?! " Qiao Mu is just an outsider!"

"Get lost!" Li Yan did not hide the disgust in his tone.

Qiao Ya clenched her fists unwillingly. She originally thought that Li Yan would not take Qiao Mu seriously since he had a fiancée, but she did not expect him to not stand on her, his biological nephew's side!

What's so good about that Qiao Mu! Why did Li Yan treat her so well when she was young?

Qiao Ya gritted her teeth, her expression fierce. " Uncle, don't be fooled by Qiao Mu! " Don't you know that Qiao Mu has long been dirty? She has no sense of propriety in her private life, and the former mayor's son, Lin Xian, has long ruined her. She's only innocent on the surface..."

Qiao Mu's expression darkened when she heard Qiao Ya's crazy and vicious words in the courtyard. This Qiao Ya was truly disgusting to the extreme. In order to belittle her, she would say anything vicious!

Fortunately, Li Yan was aware of this matter. Otherwise, if Qiao Ya were to say it out loud, her image would be completely ruined!

Qiao Ya thought that she had said something incredible and Qiao Mu's secret. She had said it so happily that Li Yan would feel disgusted by Qiao Mu after hearing her words.

However, when she met the man's gaze, she could not continue speaking.

Then, Li Yan opened the car door and got out.

At this moment, the man's expression was gloomy with a bloodthirsty chill. Even from a distance, Qiao Mu could still sense that this man was angry..

Chapter 384: Qiao Mu Has Been Dirty For A Long Time (2)

The man got out of the car, and Qiao Ya could not help but take a step back. She saw the man walking towards her. His eyes were as cold as a layer of frost, and the bone-piercing coldness almost penetrated her.

"Uncle..." Qiao Ya opened her mouth, wanting to say something, but she was so shocked by the pressure that she couldn't say a word.

The man raised his hand and Qiao Ya shrank her neck, afraid that he would use violence on her.

Li Yan narrowed his cold eyes. He raised his hand and pinched Qiao Ya's chin hard. His gaze seemed to be pinching something that he hated.

He did not hold back at all. Qiao Ya felt so much pain that she wanted to scream, but she did not dare to make a sound.

She had long known that Li Yan was a terrifying person, but she had always thought that he was her uncle. She did not expect this man to not give her any face at all!

Just as Qiao Ya felt as if her jaw was about to be crushed, the cold man in front of her moved his thin lips.

Li Yan said word by word, his tone carrying a warning, ""You don't want your mouth anymore? If I hear you say something I don't want to hear from your mouth again..."

At some point, a dagger appeared in Li Yan's hand.

Qiao Ya's face instantly turned as pale as a sheet of paper.

Li Yan pinched her chin with one hand and shook the dagger with the other. The cold blade tapped Qiao Ya's lips twice. The edge of the blade was so sharp that it seemed that a slight cut would cause blood to flow.

Li Yan pointed at the dagger and said coldly, ""If you can't control your mouth, then I'll help you!"

Li Yan let go of her hand. Qiao Ya's legs went limp, and her body fell to the ground like a ball of soft mud.

Li Yan put the dagger back into his pocket and strode into the Li family's courtyard.

In the courtyard, Qiao Mu was dumbfounded. Although she had seen Li Yan's frightening appearance many times, she was still shocked to see him treat Qiao Ya like this.

Fortunately, he had never treated her like this before. Even if he was very fierce to her before, he had never been so cruel to her.

Qiao Ya, who was outside the door, saw Li Yan leave. She was so scared that she ran home quickly, not even caring about the car.

Li Yan walked into the courtyard and glanced at the big tree at the side. He said calmly, ""Come out, have you had enough of the show?"

Qiao Mu poked her head out to look at Li Yan and chuckled. She then walked up to the man and said, "Uncle, you were so scary just now!" The coldness on Li Yan's face had completely disappeared. The corners of his lips curled up slightly. "Don't you want me to teach her a lesson?"

"Hmph, she deserves to be taught a lesson!" Qiao Mu snorted and carefully observed the man's expression, but she didn't notice anything unusual. She opened her arms and hugged his waist, explaining, ""Uncle, I'm not using you."

Li Yan lowered his head and looked at the little woman's obedient appearance.

The corners of his mouth curled up. "I know."

"You don't know!" Qiao Mu thought that he did not understand what she was trying to convey, so she looked up at him and continued to explain, I mean, ten years ago, I didn't get together with you for any reason. I didn't play any tricks. I didn't get close to you for any purpose!"

Li Yan sighed when he saw how anxious the little woman was to explain herself to him. "Yeah, me too."

Qiao Mu was stunned for a moment, but in the next second, she grinned.

Yes, he too!

At that time, they were both so innocent. They just wanted to be together with each other, and there were no impurities!

She tiptoed and kissed her gently on the lips. " Uncle, thank you for believing in me. "

Chapter 385: You Will Regret It For The Rest Of Your Life

When Qiao Ya returned home, her face was still pale and she had not recovered from the shock.

"Little Ya, are you sick?" Yu Tingyun asked. Why do you look so pale?"

"Mom, I'm in trouble. I just provoked uncle! He looks like he's going to kill someone!"

Yu Tingyun's face darkened. " Why did you provoke him? Let me ask you, in the cooperation with the Li Corporation, what tricks did you play in private? The goods you provided to the Li Corporation were not up to standard at all!"

Qiao Ya panicked. " I just want to save some money for the company. The Yu Corporation is having financial difficulties now. If we can save some money on the supply of goods, it will be of great help to us. I asked for your opinion, and you agreed."

I agree to save money, but how can you give such poor quality goods to the Li

Corporation? This is a breach of contract. If the Li Corporation finds out, our Yu Corporation will be finished! " Yu Tingyun was so angry that her face turned purple. In fact, she had tacitly agreed to this, but she didn't expect that something would really happen!

Yu Yiduo's return to the country was a huge threat to her. She didn't know how the other party would spy on the Yu Corporation. At this time, the Yu Corporation couldn't make a mistake!

"Mom, I just saw..."

“Alright! Do you still think I don’t have enough troubles? Don’t bother me!” Yu Tingyun interrupted impatiently.

Qiao Ya looked at Yu Tingyun in shock. Her mother had always been elegant and gentle to her. This was the first time she had treated her so badly!

He clenched his fists tightly. It was all Qiao Mu’s fault. Everything was caused by Qiao Mu!

At night, Qiao Mu was preparing to go to the guest room to sleep.

Li Yan stopped her. “ I’ll sleep in the bedroom tonight. I woke up from the cold last night. Stay here and warm my bed. ”

Qiao Mu was speechless. Warm the bed? It was such a hot day, and he still had the nerve to say that he woke up from the cold.

Li Yan met her questioning gaze and said confidently, “ I’m injured. My waist is not good. I can’t get cold.

“You can turn on the electric blanket.” The heat won’t kill you!

“Artificial heating is safer and more environmental friendly. With a bed warmer like you, do I need to waste electricity to turn on the electric blanket?” F * ck! So her purpose was to save electricity and money!

As she spoke, Qiao Mu was already brought into the bedroom by Li Yan. He spoke with a look of concern for her, ““ You don’t have to be unwilling. If my back is affected in any way, you’ll regret it for the rest of your life. ”

Qiao Mu was speechless.

She really had no chance of winning against this man!

Then, Qiao Mu was tricked into sleeping with him.

Due to Li Yan's injuries, Qiao Mu did not dare to get too close to him for fear of accidentally bumping into him while she was sleeping.

However, a certain man stretched out his long arm and pulled her into his embrace. " Little thing, you're so far away from me. I'm asking you to warm the bed. Please be more professional.

Qiao Mu raised her head from Li Yan's embrace and reached out her small hand to the man's back. She patted his back gently and said pretentiously, "" Be good, let me carry you. I'll protect your waist. Be good and sleep. '

Li Yan's eyes twitched. This little thing dared to tease him!

The hand around her waist tightened, and his lips pressed against her ear.

The man's words were extremely ambiguous, causing Qiao Mu's body to stiffen. When she met his gaze, she clearly saw the familiar expression in his eyes.

She immediately became alert and slowly left his embrace.. " Uncle, what are you doing? Don't do anything rash!"

Chapter 386: You Will Regret It For The Rest Of Your Life

Li Yan flipped over and stopped the little woman from leaving.

Qiao Mu glared at him. " You said before that your waist isn't good! "

' So, you're here to verify if my waist injury is serious or not. If it's serious, I'll need to move my muscles and bones. '

Qiao Mu's face flushed red as she bit her lip and said, ""The doctor said you can't do strenuous exercise."

"Then...Are you here to exercise?" As soon as Li Yan finished speaking, he flipped over and the two of them switched positions.

Qiao Mu was above, and Li Yan was below.

This embarrassing posture made Qiao Mu feel uncomfortable.

She wanted to escape, but even though the man was injured, he was still dozens of times stronger than her.

And then...

Uh, there was no then.

The man used his actions to prove how good his waist was.

Although he had given her the initiative, she had not put in any effort at all, alright?

Was this man's injury real or fake? Why couldn't she feel that his waist was injured at all?

After a long exercise...

Qiao Mu lay in Li Yan's arms in a daze. Although she was extremely exhausted, she did not forget to use her hand to check if his bandages had been removed.

Li Yan chuckled and grabbed her little hand that was moving around. " There's no need to check. You cooperated very well. The bandage is still on. "

. Cooperate your sister!

Li Yan held the little woman in his arms and gently stroked her back. Soon, the little woman in his arms breathed steadily and fell asleep.

The phone on the bedside rang. It was an email notification.

He picked up his phone, opened his email, and received an anonymous email. The content was a video. Li Yan was about to delete it when he saw a line of words below the video: "President Li, I'm sure you're very interested in this video."

Li Yan lowered the volume of his phone and opened the video. He saw that the people in the video were Qiao Mu and Qiao Ya.

Qiao Ya's voice could be heard faintly in the video. "'Qiao Mu, do you still remember when I pushed you into the pool back then...I asked Li Yan to come to the garden in your name and then induced you to say these words so that he would hear it...That's why he didn't see the scene of me pushing you into the water. "

"When you were having a fever for days, he came to look for you.

Unfortunately, he was stopped by me..."

"Haha, I'm very happy to think of this. I actually lied to the two of you for so many years!"

After Li Yan finished watching the video, he put away his phone with a dark expression.

Qiao Ya's words provoked him.

So, this was the truth back then!

Everything was caused by Qiao Ya!

Moreover, Qiao Ya had pushed his little woman into the pool. It was clearly the middle of winter at that time!

No wonder Qiao Mu would spout nonsense and shout for help after falling into the water the last time!

Li Yan's heart felt as if it was being crushed by a heavy stone. His heart ached so much that he could not breathe!

Li Yan pursed his lips as he looked at the little woman sleeping soundly in his arms. He should be glad that this little woman was lying in his arms unscathed!

Li Yan subconsciously tightened his grip on Qiao Mu's arm. He had made a mistake back then and left her behind. In this life, he would never let go of this little woman again!

The sleeping Qiao Mu seemed to be hugged too tightly as she groaned and mumbled in a daze, "Uncle, pay attention to your wound..."

Li Yan's heart softened. He kissed her forehead gently. "Be good. Go to sleep."

Qiao Mu seemed to have heard his words. She rubbed her head against his chest and continued sleeping.

How could he bear to let go of such a small woman!

Chapter 387: Let Her Not Turn Over (1)

The next morning, Qiao Mu went to school.

After sending Qiao Mu to school, Li Yan went to the company.

He called Lei Yi to his office and said straightforwardly, “It’s time to pull back the net that we set for the Yu Corporation.

“It’s the CEO!”

” Also, the Yu Corporation has a batch of cosmetics that have been smuggled and evaded taxes. They should have entered the company by now. After you collect the evidence, report it to the relevant departments. ”

Lei Yi responded, and then the man continued, “I want Yu Tingyun to lose her chance!”

Lei Yi nodded. It seemed that the young master didn’t want to wait any longer. This meant that Yu Tingyun’s death was imminent!

Yu Corporation.

In the chairman’s office, Yu Tingyun was discussing a collaboration with a client. At this time, she urgently needed a big collaboration to remedy the situation. If the Li Group pursued the breach of contract, she could make up for the lack of funds from another collaboration.

Suddenly, the assistant rushed in. He did not knock on the door and looked very flustered.

Yu Tingyun frowned unhappily. “ Can’t you see that I’m busy? Why did he not know the rules? What’s so urgent that you’re so flustered?”

‘ Chairman, bad news! The people from the National Revenue Service are here!

Hearing this, Yu Tingyun’s expression changed and she stood up abruptly. ‘

The National Revenue Service? Our company has always paid taxes legally. What are they doing here?”

At this moment, the two people at the door had already entered the office. They looked at Yu Tingyun with professional expressions and said, " Whether it's legal to pay taxes or not, we need to investigate. Ms. Yu, we received a report that you imported a batch of goods under your own name and smuggled them into the company. You didn't pay taxes legally. Please cooperate. Your company needs to be investigated. "

Yu Tingyun denied it excitedly. " How is that possible?! Our company is operating legally. There must be a malicious report from a hostile company. Please make an exception. The company has been busy recently, can you ..." "Sorry, you have to cooperate." The other party's staff did not budge at all.

Yu Tingyun's expression was very ugly. She knew what she had done. She just wanted to delay for a few days to transfer the smuggled goods. If she were to investigate now, she would be finished!

Yu Tingyun adjusted her state of mind and walked forward with a smile. " Please take a seat. We can discuss this matter slowly. '

" Ms. Yu, we're here on official business. We don't have time to chat with you. The evidence of the informant is complete. We're just here to confirm whether it's true or not. '

Yu Tingyun's expression changed drastically. It turned out that someone had already targeted her!

The office phone rang. Yu Tingyun pretended to be calm as she answered the call. Then, she heard the secretary's anxious voice." Chairman, the Li Group just sent news that the goods we supplied to the Li Group are not up to standard. The Li Group is prepared to hold us accountable for breach of contract! "

At this moment, Yu Tingyun felt as if the sky was falling on her. Everything was falling on her, and she sat on the chair weakly.

It was over! The Yu Corporation that she had single-handedly maintained was going to be finished at this moment!

In the afternoon, Qiao Mu had lunch with Chi Xia and Guan Baobei after class.

When she turned on her phone, she saw the latest news. Yu Corporation was being investigated for tax evasion!

Chi Xia curiously peeked at Qiao Mu's phone screen and pursed her lips. "Retribution begets retribution. Sure enough, it's retribution!" If she can do such a thing, the heavens will deal with her!"

"What happened?" asked Baby Guan. Who are you talking about?"

"Mumu's stepmother!"

Qiao Mu put away her phone and smiled faintly. "Let's not talk about this anymore.. By the way, baby, have you resolved the misunderstanding between you and Lu Jingzhi?"

Chapter 388: Make Her Unable to Turn Over (2)

Hearing this, Baby Guan snorted coldly. "What misunderstanding? The two of us have already said goodbye. We have nothing to do with each other in the future!"

It's probably just a misunderstanding," Qiao Mu advised. "Don't you like him very much?"

"That's a thing of the past. I'm just like this. I can treat you well, but if you don't have a heart and trample on my feelings, don't think I'll continue to give unconditionally like a fool. I have dignity!"

Chi Xia sighed. "Do you need to be so clean and tidy? You're just proving that our dormitory is haunted by bad luck. If you move in, you'll be heartbroken!"

Baby Guan suddenly reacted. "That's right, I was infected by the two of you!"

"Cough..." Qiao Mu coughed awkwardly and smiled. "That has nothing to do with me. I didn't break up."

Chi Xia and Baby Guan glared at him.

Qiao Mu's smile was sweet, and she could tell what was going on at a glance. After disappearing for two days, her condition immediately changed after she returned.

He was previously shrouded in a haze, but now, his body seemed to be shining with a halo. He was smiling so happily!

Chi Xia was genuinely happy for Qiao Mu. It was great that she did not have to walk the same path as her.

Suddenly, Chi Xia's phone rang. Chi Xia frowned slightly and looked at the unfamiliar number on the screen before hanging up.

"Why didn't you pick up the phone?" Qiao Mu asked in confusion.

"Recently, there have been too many harassing calls and advertisements. It will only waste electricity if you answer them." Chi Xia said calmly.

Qiao Mu felt that something was wrong. "Xiaxia, the harassment calls you've received recently, could it be..."

"No! What are you thinking? It's just a harassment call!" Qiao Mu already understood Chi Xia's reaction.

It was indeed Gu Cheng!

Before this, Qiao Mu would have advised Chi Xia to let go, but after her experience, she felt differently.

She held Chi Xia's hand and whispered, "Xiaxia, since he can't let go of you and you can't let go of him, maybe there's still a chance."

Chi Xia lowered her head and remained silent. A man, a woman who couldn't even give him a status, what kind of opportunity could there be?

Baby Guan looked at Chi Xia with her chin in her hand. "Isn't it just a man?" If you don't want it, then change it to a new one. What's the big deal? Look at me, I'm so free and easy. A woman can like a man, but she definitely can't treat him as her everything. The more she takes him seriously, the more she will suffer!"

Qiao Mu was helpless. "It's good that everyone has your mentality. '

Baby Guan was about to say something when her phone suddenly rang. When she saw the caller ID, she picked up the phone angrily. "Lu Jingzhi, why are you still calling me?" Let me tell you, I dumped you. We have nothing to do with each other now. Don't keep pestering me. Don't you think what you've done is very embarrassing?" Qiao Mu was speechless.

Chi Xia was speechless.

This big sister was really too free and easy!

After class, Li Yan said that he would pick Qiao Mu up from school.

Although Li Yan used to come and pick her up often, his mood was completely different now.

After class, Qiao Mu packed her things and rushed out of the school. She saw a familiar car at a glance and got into it with a smile.

She opened the car door and greeted him warmly.

However, before she could finish her sentence, she saw that Li Yan was not in

the car!

Chapter 389: I Will Take Care of My Woman

Lei Yi could see Qiao Mu's disappointment and explained, "" Miss Qiao, Young Master will be going home straight from the office. Young Master must have told you that it's a special period now and that it's best not to be with you in public. That's why he asked me to pick you up. '

' Oh, " Qiao Mu replied. Her hopes were dashed.

As the car drove, it was too quiet inside. Qiao Mu thought of something and asked Lei Yi, ""Assistant Lei, does that Ouyang not like me? When we were in the hospital, Li Yan's original intention was to let me come back first to wait for him, but Ouyang looked like she was chasing me away, causing me to misunderstand!"

Lei Yi smiled faintly. " Ouyang didn't know about Miss Qiao's relationship with Young Master at that time. She thought that Young Master was ... Uh, he was just playing around, so he was a little more casual with you. However, Young Master has already taught him a lesson for this matter."

At this moment, Superintendent Ouyang was probably very regretful of offending Qiao Mu.

Qiao Mu nodded. She was very curious about what lesson Li Yan had taught Ouyang Shuo. As expected, her uncle doted on her and would not let her be bullied for nothing.

Qiao Mu returned to the Li residence and entered. She saw Yu Yiduo and Li Zheng sitting on the sofa in the living room.

"Uncle, Auntie, you're back." She immediately greeted them respectfully.

Yu Yiduo smiled. " You should call me 'aunty', but' mommy 'is more direct. " "We haven't married yet. It's too early to change your mind." Li Zheng said coldly.

As soon as he finished speaking, Yu Yiduo glared at him.

Yu Yiduo beckoned Qiao Mu to sit beside her. " Mumu, let me tell you a piece of good news. Your stepmother has received retribution for her bad deeds. She won't bully you anymore! "

Qiao Mu smiled. " I've seen the report on this matter on the Internet. The Yu Corporation only needs to pay a fine and compensate for tax evasion. Could the consequences be very serious? "

"If she had money, why would she take the risk of evading taxes? The amount of tax she evaded is not something that can be solved by a fine. If she is sentenced, she will probably go to jail." Yu Yiduo sighed. " Why did our Yu family have such a young seedling? He has been playing tricks since he was young, and now he has finally ruined himself. "

Li Zheng snorted coldly. " You're already showing her mercy by making a move on her now and letting her live peacefully for so many years. Are you still going to pity her? Have you forgotten how she treated you in the past?"

"Of course I won't forget. Hubby, I'm just sad!" Yu Yiduo stood up and sat beside Li Zheng. Li Zheng hugged her and patted her on the back. " Alright, let your son handle this. How did Yu Tingyun snatch the Yu Group away? She will return what you deserve to you soon. "

Qiao Mu listened silently from the side. Clearly, the grudge between Yu Yiduo and Yu Tingyun was not shallow.

But ... Uncle, Auntie, is it really okay for the two of you to be so intimate in front of a junior like her?

Qiao Mu was watching when Li Zheng looked at her. " Qiao Mu, Yu Tingyun is your stepmother after all. Don't stand on the wrong side when something like this happens! "

Without waiting for Qiao Mu to speak, Li Yan, who had been silent all this while, said indifferently, "Dad, just take care of your wife. I'll take care of my woman myself."

"I'm just afraid that you'll be bewitched by a woman!"

"Are you talking about yourself?" Li Yan retorted nonchalantly.

At this time, Yu Yiduo said unhappily, ""Shut up, both of you. You have to believe in your own judgment. The woman you choose will definitely not be wrong! Am I that kind of woman who can't tell right from wrong?"

Chapter 390: She's Just An Outsider

Qiao Mu thought that she was very obedient, so she nodded cooperatively. Then, she saw Li Yan's gaze sweep over, and the corners of his lips curled into a faint smile.

Qiao Mu's face reddened for some reason when the man stared at her. Why did she feel that this man's gaze was so...Seductive?

Qiao Mu immediately stood up. " Uncle, Aunty, I'll go to the kitchen to see what we should cook for dinner tonight. "

Yu Yiduo laughed. " Our Mu Mu is so sensible. I should really thank Yu Tingyun for raising our daughter-in-law so well. She's the only thing that I'm satisfied with! "

"Thank her?" Li Yan snorted coldly, and his expression darkened a little. " Qiao Mu would be better off without her. I'll settle the score with her for mistreating Qiao Mu all these years! "

"Come to think of it, this child won't be doing well living with Yu Tingyun. Son, you have to treat Mumu better and make up for the suffering she has suffered all these years." Yu Yiduo looked at Qiao Mu's back. " Thankfully, Mumu is developing well. This face is like a beauty's embryo. Looking at it now, I can't see Qiao Jiannan's shadow at all. "

After Yu Yiduo finished speaking, Li Zheng glanced at her. " You still want to see Qiao Jiannan's shadow in her? " Looks like you can't forget your ex-fiancé!"

I can't be bothered with you, you vinegar jar!"

Li Zheng and Yu Yiduo stayed at home for dinner.

The four of them ate and chatted. The atmosphere was very harmonious.

Yu Yiduo ate and laughed while Li Zheng reminded her not to choke.

In Qiao Mu's memory, she had never had such a heartwarming meal with her family before.

Every time he ate at the Qiao family's house, he would be in a very depressed state. With the attitude of being tortured, he would eat a meal that was especially indigestion.

It was great that Li Yan had such a happy family.

After dinner, Li Zheng and Yu Yiduo left.

"Auntie, it's so late." Qiao Mu couldn't help but say, "Just sleep at home for the night.

No, it's too close to Yu Tingyun. I'll have nightmares." With that said, Yu Yiduo smiled evilly and moved closer to Qiao Mu, saying softly, "There's another reason. If we leave, it'll be convenient for you and your uncle to make grandchildren for me! I won't stay and disturb you!"

Qiao Mu was speechless. She wasn't even of the age to get married yet, and he was asking her to give birth to a child. Was that really a good idea?

Qiao Mu could feel her face instantly turning red and smoke rising from Yu Yiduo's teasing. She reevaluated Li Yan's indecency-it was hereditary!

After the two of them left, Li Yan pulled the little thing into his arms and asked in a low voice, "What did my mom say to you just now? You look like you can't wait to find a hole to hide in?"

"Nothing much. She said she didn't want to be too close to Yu Tingyun." Qiao Mu said nonchalantly.

"And then?"

“There’s no then!” Qiao Mu blinked her big eyes and feigned ignorance to the end. When she met the man’s bewitching gaze, she immediately changed the topic. “ Uncle, does Auntie have a huge grudge against Yu Tingyun?” From your conversation, it seems like Auntie was bullied by Yu Tingyun back then, but Auntie is clearly an aunt, and Yu Tingyun is just a junior.”

Qiao Mu was a little curious. The Yu family’s relationship seemed to be very complicated.

However, as soon as she asked that question, she saw Li Yan’s expression darken and a hint of coldness flashed in his eyes.

He seemed to dislike her mentioning this matter.

Qiao Mu was stunned. This was their family’s private matter, so of course they couldn’t tell an outsider like her. After all, she was a member of the Qiao family.
