

The Apple 391

Chapter 391: Unhappy in a Pout

Qiao Mu lowered her head to hide the disappointment in her eyes. She originally thought that she had already been honest with him.

However, when she thought about it, it was only her one-sided confession. He did not give her any response.

Although their relationship was much closer than before, perhaps it was just her wishful thinking. To him, everything might be the same as before, but she was immersed in happiness.

When she thought of this, Qiao Mu felt a little uncomfortable.

Soon, she looked up and smiled at him. " Uncle, if you don't want to tell me, then don't. I won't ask anymore. "

Li Yan frowned slightly when he saw Qiao Mu's forced smile. He wondered what this little woman was thinking about.

His large hand gently rubbed her head. " Don't make wild guesses. '

"I didn't." Qiao Mu mumbled, as if her thoughts had been seen through and she felt somewhat ashamed.

As expected, the person who confessed his feelings first in a relationship would always be at a disadvantage. Why didn't he respond to her one-sided confession?

Qiao Mu pushed him away and sat down on the sofa. She tried her best to act as if nothing had happened, but she could not help but feel down.

She had never felt so uneasy before. After facing her feelings, she became more and more sensitive.

This feeling was really not good!

Li Yan saw Qiao Mu's reaction. Although she tried her best to hide her thoughts, all her thoughts were shown on her face.

This little woman had never been good at pretending.

Sighing helplessly, he sat beside her and placed her on his lap, hugging her petite body.

"If you want to know, I'll tell you."

"I don't want to know anymore!" Qiao Mu pouted, clearly in a fit of pique.

He clearly didn't want to say it just now. He clearly didn't want her to get involved in their family's matters!

Looking at her, Li Yan could not help but want to laugh. This little thing was simply too cute. When she was angry, she could still sow discord in his heart. However, in Qiao Mu's eyes, Li Yan's expression was asking for a beating!

When she was very unhappy, he was smiling!

That handsome face had a hint of a smile on it. His originally good-looking face was now an eyesore.

She really wanted to pull his cheeks and tear his smile apart!

Li Yan leaned back lazily on the sofa. His slender fingers tucked the stray hair on her forehead behind her ear before he said, "It's not that I can't let you know. The past isn't a happy thing. I don't want you to get involved in the unhappy things."

Qiao Mu was stunned. Was he thinking for her?

But ...

“Uncle, I don’t know anything about you. I don’t know anything about your job, your business overseas, or your family. But you know everything about me. I don’t want to be a canary and be protected by you. That’s not what I want.”

She still said what was on her mind. She kept it in her heart and felt very uncomfortable.

She wanted to share everything with him. Although he was already so strong that he did not need her to interfere, she wanted to integrate into his life.

Li Yan was helpless. “ I know. I’ll tell you then. Don’t pout like you owe me a huge sum of money. ‘

It would have been great if he had told her so quickly earlier!

Only then did Qiao Mu put away her negative emotions and find a comfortable position in his embrace. “ Then go ahead, I’ll listen! ”

It was as if she was listening to a bedtime story, which made Li Yan feel a little helpless..

Chapter 392: It’s Great to Have Him!

“ Yu Tingyun is only three years younger than my mother. They grew up together, but they never got along. When they were young, the Yu family arranged a marriage for my mother. However, Yu Tingyun found out that she fell in love with my mother’s fiancé, so she snatched the marriage away. ‘

Qiao Mu was stunned. “ So, the wife my father originally wanted to marry was your mother? ”

No wonder Li Yan’s father said that the Li family and the Qiao family had a feud. Li Yan’s father did not like her at first because her father was Qiao Jiannan, right?

” Mm. ” Li Yan saw Qiao Mu’s eyes brighten up. ” What a pity. Your mother almost became my stepmother. If Auntie was my stepmother, my childhood would have been so blissful! ”

Li Yan glared at her coldly. ” So, you’ll be happy even without me? ‘

If his mother became her stepmother, wouldn’t they never meet again? Qiao Mu coughed lightly. ” I’m saying if! Alright, Uncle, continue!”

Li Yan continued, ” From then on, Yu Tingyun had a strong backer, so she became even more hostile toward my mother. When my grandfather passed away, half of the assets in my grandfather’s will were supposed to be given to my mother. However, Yu Tingyun took all of it and took it for herself. She even chased my mother out of the Yu family. According to my mother’s own description, she was in a very miserable situation at that time. It was only when she met my father that her situation changed. ‘

Qiao Mu pursed her lips. ” So auntie and I are in the same boat. We were both bullied by Yu Tingyun, but auntie was even worse off. I was lucky enough to meet you before I was kicked out of the house! ”

A hint of coldness flashed across Li Yan’s eyes, but his hand that was caressing Qiao Mu’s head was extremely gentle. ” I won’t let you have such an experience.

Qiao Mu’s heart warmed, and she snuggled into the man’s embrace.

It was great to have him!

Qiao Mu was a little sleepy from listening to the story. She leaned into Li Yan’s arms in a daze and felt his large hand gently patting her back. She mumbled unconsciously, ””Uncle, don’t disappear without a word again.”

Li Yan’s heart skipped a beat as he listened to her soft voice. There was an indescribable feeling in his heart.

He carried her upstairs and said softly, ””Never again.”

The corners of Qiao Mu's lips curled up in her sleep. It was unknown if she had really heard what he said.

The atmosphere in the Qiao family was very gloomy.

Yu Tingyun's face was pale. " Jiannan, what do you think we should do? "

Qiao Jiannan glared at Yu Tingyun angrily. " Are you anxious now? When you did illegal things back then, did you discuss it with me? It's not just tax evasion, but also the cooperation with the Li Corporation. If you had told me before you did it, I wouldn't have let you do it!"

"What's the use of saying this now? Think of a way. Do you want to see my Yu Corporation go bankrupt? You want to see me go to jail?" Yu Tingyun stepped forward and grabbed Qiao Jiannan's hand, saying anxiously, "" Jiannan, please help me. The Qiao Corporation is now out of the crisis. Help me with the cash flow. '

Qiao Jiannan frowned. " How can the company have that much money? Do you think this is something that can be solved with just a few words?"

Yu Tingyun's expression changed. " What do you mean? " You just won't help me? Qiao Jiannan, do you have a conscience? All these years, I've sacrificed so much for this family and the Qiao Corporation.. If something happens to me, how can you leave me in the lurch?"

Chapter 393: Sinister Woman (1)

Yu Tingyun's sudden change stunned Qiao Jiannan.

Yu Tingyun had always been virtuous and noble in front of him. She was elegant in everything she did, but at this moment, she had lost control of her image!

Yu Tingyun realized that she had lost her composure and immediately changed her attitude. " Jiannan, I was really too anxious. Don't be angry with me. Can you just help the Yu Corporation? " This is the company my father left behind. We can't let something happen to it like this!"

Qiao Jiannan frowned. " Do you know that if you want to use the Qiao Corporation to save the Yu Corporation, you're exchanging one thing for another. If you save the Yu Corporation, the Qiao Corporation will be courting death! "

How could Yu Tingyun not know? But as long as she could save Yu Enterprise, she didn't care!

The Qiao Corporation belonged to the Qiao family, but the Yu Corporation belonged to Yu Tingyun. It belonged to her alone!

Yu Tingyun looked at Qiao Jiannan coldly. " So, you're not going to help me? "

"Ting Yun, calm down first. We will slowly think of a way..."

"Enough!" Yu Tingyun cut him off uncontrollably. " Qiao Jiannan, why did I marry such an irresponsible man like you?! " The last time the Qiao

Corporation was almost bankrupt, it was me who worked hard to get the Qiao

Corporation and the Li Corporation to work together to save the Qiao Corporation! You only care about your company at a critical moment. It's only after so many years that I finally see what kind of person you are!"

"Am I wrong? When I chose to marry you, I thought that you were very capable. But after so many years, the Qiao family has no room for development. Look at the Li family. Back then, the Li family was only slightly stronger than the Qiao family and the Yu family. Now, Qiao Yu's two big companies combined can't even compare to half of them. We still need to cooperate with Li Enterprise to maintain our development. If Yu Yiduo can find a man like Li Zheng, how could I be blind to marry you?!"

Yu Yiduo was supposed to marry this man, but she had snatched him away. If... If Yu Yiduo had married Qiao Jiannan, she might have become the current Madam Li!

Yu Tingyun was so angry that she had lost control. She was facing bankruptcy and was under so much pressure that she almost broke down. She had no time to care about her image.

Qiao Jiannan looked at the woman in front of him in disbelief. Was she the Yu Tingyun he knew? She was actually throwing a tantrum here like a shrew!

Qiao Jiannan's face darkened instantly. " Yu Tingyun, did you marry me because of my family background? If you want a man like Li Zheng, why are you looking for me? You've really deceived me all these years. You ... Don't expect me to help you!"

At this moment, Qiao Jiannan received a message. He opened the message and saw that it was a record of the company's funds during the crisis.

Among them, Mr. Qiao was constantly transferring money to Mr. Yu's name. At that time, Mr. Qiao was already half-dead, but she was still continuously transferring money to Mr. Yu!

He recalled that he was not in good health at that time, and Yu Tingyun was in charge of the company...

Qiao Jiannan felt dizzy. He pressed his hands on his chest and collapsed on the sofa, gasping for air. " You woman, what are you hiding from me? "

Yu Tingyun took the phone and her expression changed.

At this moment, Qiao Jiannan's breathing became difficult. He hurriedly took out the blood pressure medicine from his pocket.

Yu Tingyun's face was covered with a layer of hostility. She rushed forward and snatched the medicine away as if she had gone crazy.

Qiao Jiannan's eyes widened as he reached out to grab Yu Tingyun. Yu Tingyun shook him off forcefully. " Qiao Jiannan, you're the one who's unkind.. Don't blame me...

Chapter 394: Sinister Woman (2)

Qiao Jiannan struggled for a while and almost lost consciousness.

At this moment, a servant came back from outside. Yu Tingyun was shocked and threw herself in front of Qiao Jiannan in a panic. " Jiannan, what's wrong? Say something, quickly..." Call the ambulance!"

In the corner upstairs, Qiao Ya bit her lip with a pale face. She was so frightened that she did not allow herself to scream.

She had seen everything that had happened downstairs.

Her mother...How could this be?

Qiao Mu was still in her sleep when she was woken up by Li Yan.

She opened her eyes in a daze and saw the man in front of her. She subconsciously snuggled into his arms.

Li Yan looked down at her. " Mu Mu, I have something to tell you. Don't be

anxious. '

"What's wrong, Uncle?" Qiao Mu opened her eyes. When she saw Li Yan's stern expression, she immediately felt that something was amiss.

"I just received news that your father lost consciousness because of high blood pressure. He was hospitalized because he didn't lower his blood pressure in time."

Qiao Mu's eyes widened instantly, and she quickly sat up. " Is my father alright?"

“I don’t know for the time being. They’re being resuscitated.”

Just as Li Yan finished speaking, Qiao Mu jumped off the bed and ran out. Li Yan stopped her. “ I’ll send you to the hospital. ‘

Qiao Mu nodded in a panic. Li Yan’s heart ached for her.

At the hospital.

Qiao Mu rushed over and saw Yu Tingyun and Qiao Ya waiting outside the emergency room.

She anxiously inquired about the situation, but the two of them sat there in a daze without saying a word, causing Qiao Mu’s nervous heart to rise to her throat.

After some time, the door to the emergency room opened and the doctor came out.

Yu Tingyun quickly came forward. “ Doctor, how is it? ”

“ The patient is temporarily out of danger, ” the doctor said. “ But his condition isn’t too good. He needs to stay in the hospital for observation. ”

Yu Tingyun slumped back into her chair, out of danger.

Doctor, ” Qiao Mu asked in a panic, “ my father’s health was quite good a few days ago. Why did it suddenly become so serious? ”

“The patient did not take medicine to lower his blood pressure in time. Logically speaking, the patient has high blood pressure, so the medicine should be carried with him. Didn’t your family members supervise him properly? If you take the medicine in time to calm down, you’ll be fine.”

Qiao Mu glared at Yu Tingyun. " Did you say something to Dad? " Something happened to your company and my father is worried. Can't you solve the problem yourself?"

Qiao Ya stepped forward and blocked Qiao Mu's way. " What right do you have to treat my mother with such an attitude?!"

After that, Qiao Ya held Yu Tingyun's hand and whispered, ""Mom, don't worry.

Dad will be fine."

Just now, her mother had only lost control of her emotions and snatched her father's medicine. Her mother did not mean to harm her father. She definitely did not do it on purpose!

When Daddy wakes up, everything will be the same as before!

Qiao Mu looked at Yu Tingyun coldly. Yu Tingyun's face was pale and haggard. She looked like she was really worried about the people in the ward. Qiao Mu's heart softened when she saw this.

No matter how Yu Tingyun treated her, she was still true to her father.

That night, the hospital needed someone to take care of the patient. Qiao Mu wanted to stay, but Yu Tingyun insisted on staying.

Yu Tingyun sat on the chair beside the bed, holding Qiao Jiannan's hand tightly. She looked very nervous and worried.

Yu Tingyun's expression showed that she was more worried about Qiao Jiannan's health than anyone else, and it made Qiao Mu think that she wanted to wait here for her father to wake up.

However, Qiao Mu did not know that Yu Tingyun was worried that Qiao Jiannan would wake up with someone else.

At that time, everything would be over!

Chapter 395: Don't Be Afraid, I'm Here (1)

It was already midnight when Qiao Mu came out of the hospital.

The night wind was cold. Fortunately, Li Yan had brought her a jacket before she left.

Just as she was thinking about how to go back, she saw a car parked quietly in the parking lot of the hospital compound.

The car was parked at the spot where she had gotten out of the car when she came here. Therefore, she did not even need to confirm the license plate to be certain that the car must belong to Li Yan!

She had been in the hospital for so long that she thought he had gone back.

This man had been waiting for her!

He had no idea when she would come out and just waited for her quietly!

Qiao Mu quickened her pace and approached the car. A warm current surged through her heart.

Qiao Ya walked out from behind. She frowned when she saw Qiao Mu and the car.

Qiao Ya could not see the person in the car clearly under the night sky. She was still immersed in the shock of the night and had yet to recover. When she saw that Qiao Mu was being picked up and sent off by a car, she instantly felt a surge of anger. The fear that she had suppressed in her heart urgently needed to find an outlet to vent.

Qiao Ya took a step forward and coldly looked at Qiao Mu. ""Qiao Mu, Dad is critically ill, yet you still have the mood to have an affair with a wild man! Not only did you seduce uncle, but you also hung out with other men in the middle of the night. Are you shameless?"

At this moment, Qiao Mu was extremely exhausted and depressed. She was extremely worried about her father and was not in the mood to bicker with Qiao Ya.

Since Qiao Ya had bumped into him, she couldn't be bothered to avoid him. She opened the car door and got in.

In the car, Li Yan sat in the driver's seat. When Qiao Mu got into the car, he bent down to help her fasten her seatbelt. His heart ached when he saw her pale little face.

He caressed her face and comforted her softly, "It's okay. Your father will be fine."

Qiao Mu bit her lip and nodded. The emotions that she had suppressed for a long time were finally released at this moment.

She could not care less that Qiao Ya was still outside the car. She buried her face in his chest and grabbed his clothes tightly. "Uncle, my father was fine a few days ago. Why did he suddenly become like this? The doctor said that he didn't take his medicine in time, but he always carried his medicine with him. Why didn't he have time to take his medicine? Why wasn't there anyone with him at that time?" "As long as we save her in time, she will definitely be fine."

"I'm scared."

"Be good. Don't be afraid. I'm here." Li Yan patted her head. His tone was very soft, as if he was coaxing a child.

His voice was gentle to the bone.

Just a few simple words calmed Qiao Mu's flustered mood a little.

He was here!

She wasn't alone anymore. She still had him!

No matter what, he would support her!

Li Yan stroked her head silently, letting her vent her emotions.

Could the heavens not bear to see his little woman happy? Why did they create sad things for her again and again?

Qiao Ya, who was standing outside the car, was extremely annoyed that she was ignored. She could not see what was happening inside the car, but she could vaguely see two figures hugging each other. The anger in her heart burned wildly.

Qiao Ya suddenly recalled that Qiao Mu and Su Chen had an ambiguous relationship before, and she immediately suspected the identity of the man in the car!

He was unwilling to let Qiao Mu off just like that!

She wanted to see what capabilities Qiao Mu had and who she had hooked up with!

If it really was Su Chen, then Qiao Mu was too sinister.. She even dared to seduce Li Yan's brother!

Chapter 396: Don't Be Afraid, I'm Here (2)

Qiao Ya had never thought that the person in the car would be Li Yan. She wholeheartedly believed in Li Yan's fiancée who was exposed and thought that Li Yan and his fiancée were very loving. Even if Qiao Mu really hooked up with Li Yan, he would only be fooling around and would not take Qiao Mu seriously!

Qiao Ya strode forward to the driver's seat and opened the door.

The door was locked and couldn't be opened.

Qiao Ya knocked on the car window and said provocatively, “Qiao Mu, what’s so shameful about you secretly hiding your wild man? You failed to hook up with Uncle, so you changed your target to someone else? Open the car door. I want to see who you hooked up with!”

The noise outside the car disturbed the atmosphere in the car.

Li Yan frowned and turned his head to the side to speak to the outside of the car. His voice was cold and filled with warning. “Get lost!”

This voice...

Qiao Ya’s eyes widened in shock. Even though it was just two words, she could still tell that it was Li Yan’s voice through the car window!

No! How was this possible?

Why would Li Yan and Qiao Mu...

Qiao Ya immediately stopped thinking. It was absolutely impossible!

Unwilling to give up, she leaned her face closer to the car window and used her hands to block the light as she carefully sized up the situation inside the car.

However, when she took a look, she happened to meet a pair of malicious eyes. In the darkness, the terrifying gaze of a wolf pierced straight into her eyes.

Qiao Ya screamed in fear and jumped out of the car window.

The man in the car was Li Yan!

Qiao Ya's face turned pale and she completely lost her reaction.

Li Yan was the one who sent Qiao Mu to the hospital late at night, which meant that the two of them were together at night!

Qiao Ya's eyes widened abruptly. She had seen Qiao Mu enter the Li residence that day...It turned out that she was not mistaken!

Just as Qiao Ya was in shock and refused to accept reality, the car had already started and disappeared from her sight.

Qiao Mu still felt uneasy when she returned home.

Don't worry," Li Yan comforted. "I'll get the hospital to keep an eye on your father's condition. They'll inform me if there's anything. '

"Uncle, thank you." Qiao Mu was extremely grateful. If she was alone, she would really be at a loss and not know what to do.

"Silly girl, why are you thanking me?" He patted her head and whispered, ""Go to sleep. Rest well and go to the hospital to see your father tomorrow." Qiao Mu nodded and closed her eyes in peace.

After Qiao Mu's breathing stabilized and he confirmed that she was asleep, Li Yan got off the bed very gently and left the bedroom.

Li Yan went to the study and dialed a number. After a while, Lei Yi's groggy voice came from the other end of the phone. He had obviously been woken up. "Young Master, it's so late. Why are you looking for me?"

Send someone to keep an eye on Yu Tingyun at the hospital," Li Yan said in a deep voice. "Especially when she's with Qiao Jiannan in private. Inform me immediately when Qiao Jiannan wakes up.

The other end of the phone paused for two seconds, and then Lei Yi's puzzled voice sounded, "Young Master, are you suspecting that Yu Tingyun will harm Qiao Jiannan? "

"That woman is capable of doing anything when she's mad. Qiao Jiannan fell ill at this time. Yu Tingyun was at home at that time, but Qiao Jiannan didn't take his medicine in time. It can't be a coincidence. "

For Yu Tingyun, the only one who could save the Yu family was the Qiao family. She knew without a doubt that Qiao Jiannan would not risk the Qiao family's life to save the Yu family.

Yu Enterprise was Yu Tingyun's lifeblood.. When she was at her wits 'end, she would do anything! Not to mention, the other party was Yu Tingyun!

Chapter 397: You 're Jealous That I Have a Good Husband

Qiao Mu went to the hospital early in the morning, but Qiao Jiannan was still unconscious and had yet to wake up.

Yu Tingyun seemed to have not slept all night and looked very haggard. Qiao Mu looked at her and said, ""Aunt Yun, go home and rest. Leave this to me."

"No need." Yu Tingyun said coldly and sat by the bed.

At this moment, Qiao Mu felt that Yu Tingyun wasn't that bad after all. She only looked like an ordinary woman who cared about her husband.

Qiao Mu didn't say anything else and silently stood guard at the side. She had already applied for leave from school and was waiting for her father to wake up.

Yu Tingyun said coldly, ""What are you doing here? I'm here, you can leave now! "

"I want to wait for my father to wake up!"

“We’re not sure when he’ll wake up. What’s the use of you staying here? I just want to be alone with him!”

Yu Tingyun’s expression was a little agitated, and Qiao Mu furrowed her brows. At this moment, Qiao Jiannan, who was lying on the hospital bed, made a sound.

Qiao Mu was stunned. “Daddy! Daddy, wake up!” She hurriedly pounced over.

Yu Tingyun stared at Qiao Jiannan with a gloomy face. She clenched her fists tightly and saw Qiao Jiannan’s eyelids move and slowly open.

Qiao Jiannan saw Qiao Mu and opened his mouth. He was about to say something when Yu Tingyun pushed Qiao Mu away and held Qiao Jiannan’s hand, drawing his attention to her.

Jiannan, you’re finally awake. I’ve been waiting for you all night. I was so worried!”

“You...” Through the oxygen mask, Qiao Jiannan’s voice was very muffled, and it was hard to hear what he said. He stared at Yu Tingyun as if he had something to say.

Yu Tingyun was panicking, but she still smiled. “Jiannan, it’s me. I’m Tingyun. What’s wrong?”

Qiao Mu was pleasantly surprised to see Qiao Jiannan wake up, and she quickly pressed the emergency bell.

At this moment, the machine connected to Qiao Jiannan’s body rang.

Qiao Jiannan glared at Yu Tingyun with a flushed face. He wanted to get up, but he couldn’t muster the strength. Suddenly, his body trembled a few times and he fainted again.

At this moment, Yu Tingyun finally felt relieved.

While heaving a sigh of relief, she glared at Qiao Mu. "Hurry up and call the doctor! Why are you standing there like a fool?!"

Qiao Mu's heart sank again. Why did her father look so excited when he saw Yu Tingyun after he woke up?

The doctor rushed over to save Qiao Jiannan, and this time, other symptoms appeared in Qiao Jiannan's body. There was a problem with his liver, and he urgently needed a blood transfusion.

Qiao Ya had already rushed over. The doctor came out of the emergency room and said seriously, "The patient's relatives should go for a blood test immediately. The patient's health is in critical condition. He needs a large amount of blood!"

Qiao Ya's face turned pale when she heard the word "large." She whispered to

Yu Tingyun, "Mom, I don't have that much blood for Dad. Although I really want to save Dad, but ..."

Qiao Mu instantly flew into a rage when she heard that!

Her father was critically ill, and Qiao Ya was unwilling to even donate her blood!

"You don't have to do a blood test," Yu Tingyun said. "Your blood type is like mine. Your father's blood type is different."

Qiao Ya was stunned. She opened her mouth but didn't say anything in the end. She just nodded.

Actually, she knew that she had the same blood type as her father. Her mother also knew, but she still said such a thing.

She was really scared of blood. When she thought about how such a thick pillow had pierced into her blood vessels, her entire body trembled. She did not want to donate blood.. She really could not be blamed for not wanting to save her father!

Chapter 398: He Can Give Me Everything, What About You?

Qiao Mu's expression was gloomy. She had no time to bother with Qiao Ya and quickly went for a blood test.

However, her blood type did not match Qiao Jiannan's at all!

In the end, he could only transfer blood of the same blood type from the blood bank.

Yu Tingyun looked at Qiao Mu coldly. "You didn't collude with the doctor on purpose, did you? You didn't dare to donate blood to your father, did you? Qiao Mu, your father's life is in danger, and you still can't bear to part with that bit of blood of yours!"

"The person who can't bear to donate blood should be your precious daughter!" Qiao Mu found it strange and questioned coldly, "Before my father fell ill, you were with him, weren't you? Why didn't you let him take his medicine in time?"

Yu Tingyun's expression changed. "What nonsense are you talking about?! " I was upstairs, and Jiannan was downstairs. There were no servants at home, so I realized that something was wrong with him when I went downstairs. Fortunately, I called the ambulance in time, or else Jiannan would be in a terrible state! How dare you doubt me? Qiao Mu, the person inside is my husband!"

"Why was my father so excited when he saw you when he woke up just now?"

Yu Tingyun's expression suddenly became desolate. " I was discussing with

Jiannan how to solve the Yu Corporation's problem. Jiannan wanted to use the Qiao Corporation's funds to help the Yu Corporation's turnover, but I didn't agree. If that happened, the Qiao Corporation would also be in danger. I think Jiannan wanted me to solve this problem as soon as possible...His body is in such a state, yet he still has to think about me..."

Yu Tingyun's eyes were filled with tears, and there was no trace of hypocrisy in her expression.

Qiao Mu knew that Qiao Jiannan had always treated Yu Tingyun's affairs as his own business, so she did not suspect that Yu Tingyun was lying. It was not strange that Qiao Jiannan wanted to help the Yu Corporation.

After the emergency treatment, the doctor said that Qiao Jiannan was still in a coma for the time being.

Yu Tingyun heard that the doctor said that she wouldn't wake up for the time being, so she left the hospital with relief and went to deal with the company's matters.

Since Qiao Jiannan was not around, she was in charge of the Qiao Corporation.

She immediately transferred the Qiao Corporation's funds to the Yu Corporation to make up for the breach of contract with the Li Corporation.

When Yu Tingyun returned home, she bumped into Yu Yiduo, who was returning to the Li Family's villa.

Yu Yiduo looked at Yu Tingyun's haggard face and smiled. "I haven't seen you for a few days, and you've aged by more than ten years. I thought I had mistaken you for someone else. It's not too much for me to call you aunt now."

Yu Tingyun's expression was ugly. "Yu Yiduo, did you come back this time to spy on my Yu Corporation? The current situation of the Yu Corporation was definitely related to the Li Corporation! Someone reported me for tax evasion and happened to be at the same time as the Li Corporation for breaching the contract. How could it be such a coincidence!"

"It's as if these two things are framing you. You deserve to bear the consequences for what you did!" Yu Yiduo sneered. "Also, the Yu Corporation was never yours!"

"You're delusional about getting the Yu Corporation! Let me tell you, no matter how powerful your son is, it's useless. You can't take the Yu Corporation away!"

“You really have the mood to throw a tantrum here. Your husband is hospitalized, but you’re not accompanying him in the hospital. Instead, you secretly embezzled the Qiao Corporation’s funds. If Qiao Jiannan finds out, he’ll be furious with you!”

Yu Yiduo laughed. “ Are you jealous that I have a good husband? My husband is willing to use his company’s funds to help me. Are you jealous? It’s said that a man cares about a woman and is willing to give her everything. Jiannan is like that.. In order to protect my Yu Corporation, he can care about nothing!”

Chapter 399: One in Heaven, One on Earth

Yu Tingyun paused and looked at Yu Yiduo with disdain. “ But you, no matter how rich and powerful Li Zheng is, he’s willing to give you all his money? ” He would at most give you some pocket money. Even if you can spend money, can you spend an entire company? A brainless woman like you only knows how to eat, drink, and play all day long. Do you really think you’re so happy?

“Yu Yiduo, let me remind you out of kindness. Women like you are everywhere on the streets. Li Zheng is probably sick of you all day long. Who knows how many women younger and prettier than you he has outside? You should have been eliminated long ago. Tell me, what are you so proud of?”

Yu Tingyun said a lot of things in one breath, and she immediately felt very happy.

Even if she wasn’t happy, this woman couldn’t be any happier. It was simply wishful thinking to think that she could beat her!

Although Yu Tingyun’s words were full of sarcasm and mockery, Yu Yiduo wasn’t angry at all.

This was pure envy, jealousy, and hatred!

Yu Yiduo laughed arrogantly. “ Yu Tingyun, don’t tell me that you wouldn’t want a status if you were in my position! ” Even if it’s just an empty title of Mrs.

Li, you can’t get it even if you want it!”

Yu Yiduo's words deeply provoked Yu Tingyun!

Even if Yu Tingyun didn't want to admit it, she was jealous of Yu Yiduo. When she found out that Yu Yiduo had found a man like Li Zheng, she almost died of anger!

The woman who had completely lost to her was worthless, but she had turned around and become Mrs. Li!

Comparing the two of them now, one was heaven and the other was earth!

At this moment, Li Zheng came out of the Li Family villa. He frowned when he saw Yu Yiduo and Yu Tingyun together.

"What are you talking to this person for? Hurry up and go home."

Yu Yiduo obediently walked towards Li Zheng. Yu Tingyun laughed at her actions. Indeed, a woman who spent a man's money had no status at all. She had to obey Li Zheng's words!

How could Yu Yiduo compare to her? She had her own career, ability, and beauty. Qiao Jiannan had always been the one who gave in to her!

Li Zheng saw Yu Yiduo walking over and asked, ""What are you talking to her about?"

Yu Yiduo smiled faintly. "It's nothing. She said that I only have the title of Mrs. Li. Her man is willing to give her everything, but you only give me some pocket money to pass the time. She also said that you have a few young and beautiful women outside. "

Li Zheng frowned. "You, woman, don't you know how to retort when others belittle your husband?!" "I've given you all my assets and put them all under your name. If this is pocket money, it's really enough! Also, I can't even handle a woman like you. How can I have any other thoughts!"

"You don't have to explain to me. I don't know you well enough!"

“Then why don’t you show off your good husband!”

“Showing off our love dies quickly. We’ve been together for twenty to thirty years, and it’s only because I keep a low profile that we maintain the status quo. Those who claim that their man is good, she knows very well what he really is. I don’t want to show off to Yu Tingyun. I’m afraid she’ll be jealous and set her eyes on my husband!”

Yu Yiduo and Li Zheng talked as they entered the Li Family villa. Yu Tingyun heard their conversation word by word.

Yu Tingyun stood rooted to the ground, her face as green as a cucumber.

At this moment, she realized that her bragging was a joke in Yu Yiduo’s eyes!

Chapter 400: It’s Enough That I Like You (1)

Qiao Mu stayed at the hospital for the entire day. At noon, Yu Yiduo came to deliver her lunch.

Qiao Mu was extremely apologetic. “ Auntie, my father is sick and I have to trouble you. I’m really sorry.

” Child, what are you talking about? Just wait for your father to wake up. Everything will be fine. You still have Li Yan and the Li family behind you. We are all your support. ” Yu Yiduo patted Qiao Mu’s shoulder.

“Thank you, Auntie.” Qiao Mu was so grateful that she wanted to cry. She had always been used to having no one to rely on. Now that there were so many people who were thinking about her, even if the current situation was worse, she could still hold on!

After Yu Yiduo left, Qiao Mu continued to guard the ward.

Suddenly, Qiao Jiannan’s fingers moved. Qiao Mu looked up and saw Qiao Jiannan open his eyes.

“Daddy!”

Qiao Jiannan opened his mouth and said with difficulty, “Mu Mu...”

“Dad, you’re finally awake. I’ll call the doctor now.” Qiao Mu pressed the emergency bell. Qiao Jiannan seemed to be worried that she would leave and grabbed her hand.

“Yu...She...”

Qiao Mu immediately understood what he wanted to say. “Dad, are you talking about Aunt Yun? Aunt Yun has gone home and is not in the hospital for the time being.”

“I can’t...Let her come...Don’t ...” Qiao Jiannan tried to say something, but he couldn’t hear clearly through the oxygen mask.

Qiao Mu was puzzled and did not understand what he meant. Soon after, the doctor rushed over and said in a low voice, “Dad, you should check your body first. We’ll talk about the rest when you’re better.”

The doctor did a checkup for Qiao Jiannan and said that all his indicators were recovering. He only needed to be observed for a few more days before he would be completely out of danger. During this period, he needed his family to stay by his side.

Qiao Mu finally heaved a sigh of relief. She recalled Qiao Jiannan’s vague words. ‘Can’t let Yu Tingyun come?’ What was the meaning of this?

His father was still thinking about Yu Tingyun and didn’t want her to worry about him?

Just as Qiao Mu was thinking about this, Yu Tingyun rushed over in a panic. Once she entered the ward, she immediately interrogated Qiao Mu, “Jiannan just woke up? Did he say anything?”

Qiao Mu frowned. " Keep your voice down. My father just woke up for a while and then fell asleep again. Aunt Yun, what do you think my father can say?"

Why are you so nervous?"

"I'm worried about your father. He's worried about me all the time. I'm worried that he's still worried about the Yu Corporation when he's sick!" After Yu

Tingyun finished speaking, she glared at Qiao Mu. " You can leave now. I'll stay here! "

"My dad said that you don't have to come to the hospital."

Yu Tingyun's expression changed. She sat on the chair and stared at Qiao Jiannan, who was lying on the hospital bed, with a sad face." Jiannan, you're already in this state, yet you're still thinking about me. Why don't you think

about yourself? You have to get better quickly. Only when you get better can I go back to work in peace!"

Qiao Mu looked at Yu Tingyun for a while before finally leaving the ward.

When Qiao Mu was about to leave, she received a call from Zhou Jieru. Zhou Jieru had not contacted her for a long time, so why was she calling her at this time?

After hesitating for two seconds, she picked up the phone and immediately heard Zhou Jieru's excited voice, "" Mumu, I heard that Qiao Jiannan is in critical condition and is hospitalized. He might not be able to be saved? "

Qiao Mu's expression immediately darkened when she heard that. She originally thought that Zhou Jieru would at least show some concern for her father, but she didn't expect Zhou Jieru to gloat over her father's misfortune. She couldn't wait for something to happen to her father!

Before Qiao Mu could speak, Zhou Jieru continued, “If Qiao Jiannan dies, won’t you get a large portion of the inheritance? Mumu, your good days are coming!

No, it’s our good day!”
