

## The Apple 401

### Chapter 401: It's Enough That I Like You (2)

Qiao Mu had completely given up on Zhou Jieru. Her voice was cold and emotionless. "Madam Zhou, my father will be fine. Don't curse him! Please don't contact me in the future. Whether I'm good or bad has nothing to do with you!"

"Qiao Mu, you don't know how to be grateful. I gave birth to you, raised you until you were five, and sent you to the Qiao family to live a good life. Even if there's no credit, there's hard work. The last time I saw you with Yu Tingyun's cousin, I found out that the man is the CEO of LSAG Group. He's very rich. I was afraid of disturbing your development with him, so I didn't contact you. I thought that you would think of me when you were rich, but you ..."

Qiao Mu couldn't bear to listen to the rowdy voice on the other end of the phone any longer, so she hung up immediately.

Was this woman really her mother? Why was there such a mother in this world who did not care about her child at all!

Sure enough, her father was right. Zhou Jieru was greedy and had a bad nature. Her father was right to forbid them from interacting!

After so many years, she still dreamed of getting motherly love and satisfying Zhou Jieru's greed again and again!

Before she could put her phone away, it rang again. Qiao Mu answered impatiently, "What do you want? Don't call me again!"

There was no sound from the other end of the phone.

Qiao Mu was stunned. She glanced at the caller ID, and her anger instantly vanished.

Immediately after, the man's low and light voice sounded from the other end of the phone. "Who are you angry with? Why are you transferring your anger to me?"

Qiao Mu coughed lightly. "Uncle, I didn't do it on purpose. I didn't see that it was you."

Li Yan did not ask further. "I've been guarding the hospital all day. What time will I be back tonight?" he asked calmly. "What do you want to eat? I'll get the kitchen to prepare it."

"I just left the hospital and was about to head back." Give me five minutes. I'm nearby. I'll pick you up. '

"Alright." Qiao Mu answered and hung up.

soon, the car stopped by the roadside, and (Liao mu got in.

The chauffeur in front was driving, and Li Yan was sitting in the back. Qiao Mu had just gotten into the car when his slender arms pulled her into his embrace. Qiao Mu struggled slightly, not caring about the chauffeur's feelings at all.

However, Qiao Mu's struggle was futile, and she could only lean against his chest.

"Uncle, are your injuries better? I've been in the hospital recently and haven't checked on your injuries."

"Haven't you already verified it? Why, do you want to verify it again?" The man's words were light and carried a hint of provocation.

When Qiao Mu recalled how a certain man went into battle one night with a valiant aura despite his injuries, her face instantly turned red.

Could he not be so indecent? He could bring the topic to another level with just a few words.

Li Yan saw that the little woman's tense nerves had relaxed. The corners of his mouth curled up as he asked in a low voice, "Who called you just now and annoyed you?"

Qiao Mu lowered her head, her fingers playing with the corner of his clothes. Her emotions were clearly a little lower. "It's my mother."

"She heard that my father was hospitalized, so she thought that I would be able to get a share of the inheritance so that she could benefit. Uncle, why is my mother such a person? It's fine if she's greedy, but she's treated me as a money-making tool since I was young. At first, she asked my father for child support, but then she sold me to my father. She's my mother and has never liked me.. '

Chapter 402: It's Enough That I Like You (3)

Li Yan looked at her big eyes that were filled with sorrow. He said in a low voice, " Qiao Mu, it's not your fault that others don't like you. That's their problem. It's enough that you have me to like you.

It's enough that you have me to like you!

Qiao Mu stared blankly at the man in front of her. It was the first time she heard such moving words from his mouth.

The sadness in her heart disappeared completely in an instant.

She thought that these were the most touching words of love she had ever heard in her life!

Qiao Mu wrapped her arms around Li Yan's neck and said in a soft voice, ""Uncle, say that last sentence again."

"Hmm?"

"I didn't hear you clearly."

Li Yan broke into laughter. The corners of his lips curled up slightly, and his thin lips moved. "You're pushing your luck!"

Qiao Mu pursed her lips. So what if he said it again! Couldn't she experience the feeling of being confessed to again?

Humph! He couldn't even satisfy this small request of hers!

Qiao Mu felt much more relaxed after Li Yan's advice.

In addition, Qiao Jiannan's health had improved today. The nervousness he had felt for the past few days had disappeared bit by bit.

After dinner, Qiao Mu took some time off to read. Although she was not going to school, Chi Xia would email her the details of her classes every day.

Qiao Mu's legs were crossed on the sofa, and she was holding a pen and paper to design clothes according to the requirements of the research project. Li Yan sat at the side and watched the little woman draw and draw. The way she was immersed in it was exceptionally charming.

When this little thing became serious, it was completely different from its usual sloppy appearance.

Li Yan glanced at the pattern on the cardboard. "It's quite decent."

"Of course! This is my major. Do you think I'm joking? I don't know how many of the fashion drafts I designed have been sold. There are big companies that ask me for them. I've made a lot of money!"

"So you're relying on your own money to live?"

"What else? My mom asks me for money all the time, and the living expenses that Yu Tingyun gives me are not enough." Qiao Mu said nonchalantly.

Li Yan narrowed his eyes and pulled the little woman into his arms. " Be good. You don't have to be so tired in the future. '

"It's not tiring. This is my profession. I like it very much. My dream is to enter a big company in the future and become a great designer with an annual salary of a few million! The starting price of designing a piece of clothing is five figures!" As Qiao Mu spoke, she excitedly spread out her five fingers and measured the number five.

A low laugh rang out from the side, provoking Qiao Mu's displeasure. She glared at him. " Are you laughing at me for having great ambitions? "

"No, it's a good thing to dare to think!"

These words clearly did not take her ideals seriously!

Her annual salary of a few million yuan was not even enough for this man's monthly salary, okay? She didn't even dare to think about the number of projects he had. It was normal for him to look down on her dreams!

Li Yan patted the little woman's head. " Then hurry up and graduate. Be my personal designer. I guarantee that I can make your dream come true. "

"I won't go through the back door!" Qiao Mu pouted. " I'm relying on my own ability! Moreover, I have a big dream, which is to open my own clothing brand store. It's full of clothes that I design and register my own clothing brand! Sigh, I don't think there's much possibility of this happening. It's fine to let you laugh at me. "

Li Yan's eyes flickered as he looked at the little woman's expectant look. She mentioned her dreams and her big eyes were shining brightly. She looked very energetic.

The corners of his lips curled up. " I won't laugh at you. Continue to maintain your ideals. "

Qiao Mu chuckled and continued to bury her head in the design drafts..

## Chapter 403: You Forced Me (1)

That night, in the hospital.

Yu Tingyun stared at the man on the bed without closing her eyes.

When this man woke up during the day, he actually told Qiao Mu not to come to the hospital?

If she allowed him to recover, this man would never let her off! Now that she had transferred all of the Qiao Corporation's funds to the Yu Corporation, she still could not save the Yu Corporation. If Qiao Jiannan woke up at this time, everything she had done would be in vain!

She must not let this man wake up and ruin her plans!

Suddenly, Qiao Jiannan's eyelids moved and his eyes opened.

Yu Tingyun panicked and sat steadily on the chair beside the bed.

When Qiao Jiannan saw Yu Tingyun, his eyes widened in anger.

Yu Tingyun held his hand. " Jiannan, you're awake? I've been by your side for a long time, and you've finally woken up!"

"You ... You woman, what are you doing!" Qiao Jiannan's condition had obviously improved, and his speech had become smoother.

"Jiannan, I'm sorry. I lost my mind and did something out of control. Can you forgive me? I've been looking forward to your recovery for the past few days. I really hope you're well!" Yu Tingyun's face was full of pain, as if she was repenting for her mistakes.

Qiao Jiannan used all his strength to shake off her hand. " You're delusional! You're such a sinister woman. Don't even think about getting any benefits from me!"

Yu Tingyun's expression changed completely. All the sadness and pain disappeared in an instant. She looked at Qiao Jiannan in despair and said, ' Qiao Jiannan, you're heartless. Don't blame me! "

"You ... What are you doing?" Qiao Jiannan saw the strange and twisted expression on Yu Tingyun's face. He hurriedly reached out to press the emergency bell, but Yu Tingyun stopped him.

Jiannan, it's the middle of the night. The doctor needs to rest too. Don't disturb him. '

Yu Tingyun, how did you become like this? " Was this woman his wife of twenty to thirty years? Why was it so unfamiliar?

"How did I become like this? When you had an illegitimate daughter after drinking, you should have known how much I hated you!" Yu Tingyun's face was twisted. " You brought an illegitimate daughter home and lived under my nose. Every day when I see Qiao Mu, I wish I could strangle her to death, but I have to pretend to be virtuous in front of you. Do you know how tired I am?! "

Qiao Jiannan's eyes widened. " I've discussed this with you! You agreed!"

"Which woman can really accept it? Do you really think I'm that generous? I

might as well tell you that when Zhou Jieru contacted me, I gave her a large sum of money in order to make you cut off contact with your illegitimate daughter and asked her to leave with the child. But who would have thought that this woman was insatiable? After losing all her money, she came to you to sell the child! Can I tell you about this? I can only treat it as Zhou Jieru scheming against me and silently endure it!"

"In order to give you face, I had no choice but to accept your illegitimate daughter. Do you know how hard it was for me? Every day, I face the evidence of my husband betraying me. I'm so depressed that I'm about to go crazy!"

Qiao Jiannan felt guilty. "Tingyun, I'm sorry. You never told me. Besides, you were so good to Mumu. I thought you had accepted her sincerely!"

"Hahaha, treat her well? Qiao Jiannan, you're really blind! You have no idea how Qiao Mu was abused in private. I've seen how Xiao Ya bullied her since she was young. I almost took her life when I pushed her into the pool! She's really your good daughter. When she was bullied, she never complained to you.. The more she was like this, the more I let Xiao Ya bully her!"

Chapter 404: You Forced Me (2)

Qiao Jiannan's expression changed drastically. "You..."

"What's wrong? Heartache? There are still a lot of things you don't know. By the way, I was the one who asked someone to do the car accident when you were hospitalized last time. Sigh...You can't blame me for this. If you want to blame someone, blame yourself for insisting on giving Qiao Mu the shares of the Qiao Corporation, so I can only think of a way to stop it. How can I let an illegitimate daughter snatch away what belongs to me?"

Qiao Jiannan was so angry that his face turned red. He slapped the bed hard. You heartless woman, how can you be so vicious! The Qiao Corporation is mine, don't even think about getting a single bit!"

"Yours? What can you do in your current state? I've already transferred all the funds from the Qiao Corporation to the Yu Corporation. It's no wonder that I've temporarily helped the Yu Corporation get through this. This can also be considered your compensation for me over the years."

Qiao Jiannan's body started to tremble. Yu Tingyun comforted him softly, "" Calm down, take a deep breath. You have to calm down. Jiannan, don't worry. I won't let your illegitimate daughter take the Qiao Corporation away. I'll make good use of the Qiao Corporation! "

Looking at Qiao Jiannan struggling to get up, Yu Tingyun sighed. " I told you not to get agitated, but you insisted on making things difficult for your body.

I'll help you. "

As she spoke, Yu Tingyun picked up the oxygen mask. Originally, Qiao Jiannan's normal breathing relied on oxygen. Without the oxygen mask, his breathing became rapid and difficult.

He stared at Yu Tingyun with his eyes wide open and his hands were holding her hands tightly. Yu Tingyun frowned and shook his hands off. Seeing that he had stopped struggling, she put the oxygen mask back to its original position.

Seeing Qiao Jiannan lose consciousness, Yu Tingyun lost all her strength and fell back into the chair.

This time, this man would never wake up, right?

Yu Tingyun held Qiao Jiannan's hand and said in a trembling voice, ""Jiannan, you can't blame me, you really can't blame me. You forced me, you forced me!

That's right! I'm not wrong! I didn't do anything..."

In the morning, Qiao Mu and Yu Tingyun switched beds. This time, Yu Tingyun did not insist on staying and quickly left the ward.

Not long after Qiao Mu arrived, the doctor came for a checkup. After the checkup, the doctor's expression instantly changed.

"Doctor, is something wrong with my dad?" Qiao Mu asked uneasily.

"The patient's condition worsened. Did the patient wake up last night? Why didn't the family inform the doctor when his condition worsened overnight?"

Qiao Mu was stunned. Her condition worsened? She was fine yesterday, and the doctor said that she could get better. How did she get worse overnight?

Qiao Mu called Yu Tingyun, but she couldn't get through. If her father had woken up last night, Yu Tingyun would have told her, but Yu Tingyun didn't even mention it this morning!

Qiao Mu panicked and was at a loss. After the doctor performed emergency treatment, he immediately gave the final notice. "Half of the patient's heart has died, and his condition hasn't been controlled in time. The only thing we can do now is to wait for the patient to wake up, but it's also possible that he won't wake up. Family members, be mentally prepared."

Wasn't this what it meant to be in a vegetative state?

Qiao Mu weakly leaned against the wall and barely managed to keep herself from falling. She shook her head vigorously. "No, my dad was fine yesterday! Why did it suddenly become like this?"

"It's hard to say the exact reason," the doctor said seriously.

Chapter 405: Fake Paternity Test

"Mu Mu!" Suddenly, a voice sounded from behind her. Qiao Mu turned around and saw Zhou Jieru standing at the corner of the corridor.

Qiao Mu's expression darkened. "What are you doing here?"

Zhou Jieru stepped forward excitedly. "Mu Mu, is what the doctor said true? Is Qiao Jiannan dying?"

"You..."

Qiao Mu had just opened her mouth when she was interrupted by an angry voice. "Qiao Mu, why did you let this b \* tch come to the hospital?" Qiao Mu turned around and saw that Yu Tingyun had returned.

Yu Tingyun had planned to leave as if nothing had happened before Qiao Jiannan was found out, but she saw Zhou Jieru at the door!

She stared at Zhou Jieru, her eyes filled with anger. "You bitch! Are you trying to take advantage of Jiannan's poor health to let your daughter snatch the Qiao family's assets? Let me tell you, don't even think about it!"

Zhou Jieru snorted at Yu Tingyun. " Qiao Mu is the daughter of the Qiao family. She has the right to get the Qiao family's inheritance! "

"Inheritance? Jiannan is still fine, yet you curse him to die. You ... You and your daughter are too sinister!" Yu Tingyun turned around and glared at Qiao Mu. " Qiao Mu, your father forbade you from interacting with this slut, yet you took advantage of her illness to join forces with this outsider to spy on the Qiao family's assets! Don't even think about getting your way!

Jiannan's condition is worsening now. Before he wakes up, none of you can think of getting a single cent from the Qiao family!"

Qiao Mu furrowed her brows and immediately felt that something was amiss. The doctor just confirmed the diagnosis. How did you know that my father's condition worsened? "

Yu Tingyun's expression changed. She immediately rushed into the ward and threw herself onto the bed. "Jiannan, you have to wake up. You can't let these two b \* tches steal the Qiao family's assets."

Qiao Mu was about to say something when Yu Tingyun raised her head and glared at her coldly. " Qiao Mu, your father's condition will worsen if he finds out that you're hanging out with that slut. From today onwards, you don't have to come to the hospital anymore. The Qiao family has nothing to do with you! "

Zhou Jieru's expression turned ugly when she heard that. " What right do you have to chase Mumu out of the Qiao family? Qiao Mu's surname is Qiao..."

Yu Tingyun sneered. " An outsider like you has no right to gossip about our family! If she was a member of the Qiao family, she wouldn't have coveted the

Qiao family's assets with an outsider like you! She really didn't know if she was Jiannan's daughter or not! You have a promiscuous private life. You might have found a random man and given birth to a child with Jiannan!"

Zhou Jieru's expression froze. She pointed at Yu Tingyun and stuttered, " You..."

What did you say? You did a paternity test back then!"

"The paternity test is also fake! Right now, I'm very suspicious that Qiao Mu was sent by you to swindle money from the Qiao family. Qiao Mu, if you're not convinced, then wait until Jiannan wakes up!"

The premise was that Qiao Jiannan could survive!

Qiao Mu clenched her fists tightly, and a cold glint flashed across her eyes. " My father's condition just worsened, and you can't wait to chase me out of the Qiao family! Yu Tingyun, the doctor said that my father's condition won't suddenly worsen. Did my father wake up last night? If I find out that my father's condition worsened because of you, I won't let you off!"

"Haha, what a joke. Jiannan is my husband. Why would I harm him? As for you, Jiannan was still fine when I left this morning, but his condition worsened shortly after I left. Qiao Mu, did you join hands with this b \* tch to anger Jiannan to death and get his inheritance? Let me tell you, delusional! Stop talking nonsense and leave with your mother. Don't disturb Jiannan!"

Chapter 406: She Must Pay the Price

Qiao Mu glanced at Yu Tingyun coldly. " I'll investigate this matter thoroughly!

Recalling the doctor's words, Qiao Mu felt that there was something wrong with Yu Tingyun, especially her behavior this morning!

When Qiao Mu left the hospital, she saw Zhou Jieru following behind her and said coldly, ""The Qiao family's matters have nothing to do with you. Don't even think about robbing them in the chaos!"

Zhou Jieru was immediately annoyed. "What do you mean by taking advantage of a burning house? Is this what you say to your mother? Why are you so heartless? You were chased out of the Qiao family by Yu Tingyun. Hurry up and think of a way!"

Zhou Jieru chattered on and on. When she raised her head and met Qiao Mu's gaze, she was instantly stunned by the unfamiliar coldness in her gaze.

This girl had been obedient since she was young, but now, she did not treat her as her biological mother!

She really let this wretched girl live a good life for nothing!

She had waited for so many years for Qiao Mu to finally get her inheritance, so how could she let go of such a good opportunity!

Yu Tingyun was very uneasy after being suspected by Qiao Mu. She could not sit still and wait for death!

After making sure that Qiao Jiannan would not wake up and was almost in a vegetative state, he was finally relieved. He hired a nurse for Qiao Jiannan and went to the company.

She had to empty the Qiao Corporation as soon as possible. Even if the Qiao Corporation could go bankrupt, the Yu Corporation could not!

Qiao Ya entered the office and saw that Yu Tingyun looked very haggard. She was very concerned. "Mom, your body won't be able to take it if you go back and forth between the hospital and the office."

"Little Ya, your father's condition worsened this morning. The doctor is not sure when he will wake up. Mom can only rely on you now."

Qiao Ya's face turned pale. "How could this be..."

Yu Tingyun held Qiao Ya's hand with a sorrowful expression. " Qiao Mu and her mother appeared at the hospital this morning. Your father's condition worsened after I left. They must have angered your father so much that his condition worsened. We can't let Qiao Mu do it! "

It was Qiao Mu again!

Qiao Ya's expression turned vicious as she gritted her teeth. " Mom, what

should we do? Qiao Mu has Li Yan as her backer. She won't really take everything away from us, right? "

"Li Yan?" Yu Tingyun was stunned.

' Mom, you don't know, but Qiao Mu hooked up with Li Yan. Qiao Mu stays at the Li family villa at night! "

Yu Tingyun's expression was as ugly as it could get.

She did not expect Qiao Mu to be able to lure Li Yan into her trap! Li Yan clearly had a fiancée, and he was still with Qiao Mu. He wondered if Yu Yiduo knew about this. Presumably, that fiancée was arranged for Li Yan by the Li family. If Yu Yiduo knew that her son had another woman behind his fiancée's back, and that woman was her stepdaughter, she would definitely be furious!

A scheming look flashed across Yu Tingyun's eyes. " Xiaoya, we must not let Qiao Mu get the Qiao family's assets. She must have used some means to make your father's condition worse, and he's almost in a vegetative state now. We must make her pay the price and receive legal punishment! "

Qiao Ya looked at Yu Tingyun's vicious expression and nodded blankly.

In the evening, when Li Yan returned home, he saw Qiao Mu curled up on the sofa, hugging herself into a ball. She looked extremely dejected.

The butler stepped forward and said, " Young Master, Miss Qiao has been sitting on the sofa listlessly ever since she came back from the hospital. I wonder if something happened to her. "

Qiao Mu, who had her head lowered, heard the sound. She raised her head and saw the man standing at the door. She immediately jumped off the sofa and walked over to him..

Chapter 407: You Have to Learn to Depend on Me

Qiao Mu was barefooted, and she did not even have time to put on her slippers. She directly threw herself into Li Yan's arms and hugged his waist tightly, pressing her face against his chest. " Uncle. '

Li Yan looked at her feet stepping on the cold floor and frowned slightly. He picked her up and placed her on the sofa.

Qiao Mu silently leaned into Li Yan's embrace and tightly hugged his waist, refusing to let go.

After a while, she looked up at him. " Uncle, my father will wake up, right? "

"Yes, he'll be fine. I'll get the best medical institution to help him wake up as soon as possible. As long as he has hope, he'll definitely get through this sadness. "

' Uncle is right, so I have to be strong. Even if Yu Tingyun kicks me out of the Qiao family, I can't give up!  
" Qiao Mu's tone was extremely firm, and the uneasiness she felt earlier instantly disappeared.

Li Yan stroked her head. His little woman was always so strong. The more difficult the times were, the harder it was to defeat her.

It was Yu Tingyun's misfortune to have provoked her!

Qiao Mu looked at the man beside her. " Uncle, help me. '

"Alright, what do you want me to do?" The corners of Li Yan's mouth curled up. This little thing still knew how to rely on him at such a critical moment.

Qiao Mu calmed down and recalled the series of events that had happened. ““I want to know why Yu Tingyun would harm my father. When my father was hospitalized, the servants said that they saw Yu Tingyun and my father together when they got home. Also, my father’s condition had obviously improved during the day yesterday, but Yu Tingyun stayed with him for the whole night and suddenly worsened. I keep feeling that something is wrong.”

” There’s no need to investigate this at all. While your father was hospitalized, Yu Tingyun had already emptied the Qiao’s Enterprise’s funds and transferred them all to Yu’s Enterprise. Yu’s Enterprise needs to compensate Li’s Enterprise for breaching the contract, as well as the penalty for tax evasion. They need a huge sum of money. Only Qiao’s Enterprise can help her tide over this crisis. ‘

Qiao Mu was stunned. ” So, for the sake of the Yu Corporation, it’s very possible that she...”

“It’s not possible. This woman can do anything. You should be mentally prepared.” Li Yan reminded him solemnly.

“Then what should I do now?”

Li Yan placed Qiao Mu on his lap and wrapped his arms around her. ” What you need to do now is to have dinner, have a good sleep, and rest up. Leave the rest to me. ‘

“But...”

“Mu Mu, you have to learn to rely on me. In the past, without me by your side, you couldn’t resist them and could only be bullied. But now, you have me. I’ll help you solve the things that you can’t do anything about. You just have to take good care of yourself. Then, trust me!”

Qiao Mu’s heart warmed when she heard the man’s words. She felt a warm current flowing through her heart, melting her ice-cold heart in an instant. That’s right! From now on, she had him!

She was no longer alone when she was in trouble. She had a strong pillar behind her that gave her enough strength!

She wrapped her arms around his neck and nodded. " Uncle, I believe you! "

The next day, Qiao Mu received a call from Qiao Ya. She said that Qiao Jiannan's condition had worsened again and asked her to come to the hospital.

Qiao Mu rushed to the hospital. When she arrived at the ward and saw that there were many people in the room, she immediately had a bad feeling. There was an attending doctor in the ward, as well as...Two police officers!

Qiao Mu was stunned. What was going on?

In the next second, Qiao Ya's voice was heard. "" Officer, she's Qiao Mu. She's the one who harmed my father! "

Chapter 408: Framed (1)

Qiao Mu frowned. " Qiao Ya, what are you talking about? "

The police officer looked at Qiao Mu. " Qiao Mu, Ms. Yu reported to the police that you did something that threatened Mr. Qiao's health when he was in critical condition and unconscious. As a result, Mr. Qiao's condition worsened and he's still in a coma. "

Qiao Mu was stunned. She looked at Yu Tingyun and Qiao Ya and immediately understood that these two people wanted to frame her!

When she was suspecting Yu Tingyun, Yu Tingyun had already started to frame her!

Qiao Mu calmly clenched her fists. " What a coincidence. I also suspect that someone did something to my father, and the person I suspect is Yu Tingyun. "

Before the police officer could speak, Qiao Ya scolded angrily, "" You're really the first to complain. You suspect my mother. Do you have any evidence? "

“Then what evidence do you have to suspect me? Officer, Yu Tingyun is more

suspicious, isn't she? The doctor said that if the patient's family noticed that something was wrong with the patient, they should inform the doctor in time.

It wouldn't have caused such serious consequences!”

Qiao Ya was about to say something when she was interrupted by the police. She looked at the doctor and said, ““When did you realize that the patient was in critical condition?”

The doctor glanced at Qiao Mu. ” When I came to check on the patient, Miss Qiao Mu was the only one in the ward. Miss Yu wasn't around, so the patient's exact time of illness is unknown. It could have happened at night or in the morning. What we can confirm is that the patient's condition was under very good control before this. However, the sudden deterioration of his condition is very likely due to some kind of stimulation. His heart couldn't take it and caused his entire body to be paralyzed. However, the patient's family members didn't realize that the patient had woken up. ‘

“So, someone is lying?” the police officer asked.

Yu Tingyun looked pained. ” I stayed by Jiannan's side that night. Although I slept for a while, I held his hand and lay on the bed. If he moved slightly, I

would wake up. If he had any reaction, how could I not know? ”

Yu Tingyun's voice was a little shaky and choked with sobs. She looked extremely sad.

She glanced at Qiao Mu and continued, ““ I didn't know that Jiannan woke up, but it was only when I went to the washroom. I had a stomachache that night for some reason, and I only ate the dinner Qiao Mu gave me. What made me angrier was that I left the hospital and saw Qiao Mu's mother in the hospital.

When that woman heard that Jiannan's condition had worsened, she asked

Qiao Mu excitedly if Jiannan was dying. That woman has always been greedy. If she did anything to Jiannan in order to let Qiao Mu get the Qiao family's assets, she would definitely be able to do something to him. That was too vicious! If she wanted money, she could have told me directly. Why did she let

Qiao Mu harm my husband...'

As she spoke, Yu Tingyun cried sadly. Qiao Ya gently patted her back and comforted her in a low voice. The two of them looked really pitiful to others.

However, Qiao Mu felt a chill run down her spine as she listened to Yu Tingyun's every word. This woman was extremely vicious!

At this moment, Qiao Mu was certain that Yu Tingyun had something to do with her father's accident!

So, you're saying that I've been waiting here in the middle of the night, waiting for you to go to the bathroom. What did I do to my father?" Qiao Mu asked coldly.

"How would I know what you did!"

Qiao Ya looked at Qiao Mu and said fiercely, "I've already contacted your school and found out that you didn't spend the night in the school dormitory or go home.. If you weren't hiding in the hospital, where else could you be?" Qiao Mu, could it be that there's someone who can prove that you're not in the hospital?"

Chapter 409: Framed (2)

Qiao Mu was furious, and her tone was cold. "Why do I have to prove that I'm not in the hospital?" The person lying on the hospital bed is my father. What reason do I have to harm him? Don't go too far!"

Yu Tingyun wiped her tears with a tissue and said weakly, also want to know. She's your father. How can you be so cruel? Qiao Mu, aren't you holding a grudge because your father didn't give you the Qiao

Corporation's shares? Why didn't he give you shares? Isn't it because you're in private with your creedv mother?!"

As Yu Tingyun spoke, she looked at the police officer and said, " Officer, everything I said is true. You can go and investigate. I just hope that you can give us an explanation so that my husband won't be lying in bed for no reason and won't be able to wake up. '

Qiao Mu felt that Yu Tingyun was wasting her acting skills by not acting! Her sad and tearful words immediately made everyone sympathize with her and subconsciously believe her.

Qiao Mu could sense that the gazes of the people in the room were filled with coldness, disgust, and disbelief as if she had already been convicted of murdering her father.

"This girl is too ruthless, isn't she?" the nurse muttered. She's only eighteen or nineteen years old, yet she can do such a vicious thing."

Anything can happen in a wealthy family, " another nurse said. " They're really risking their lives to snatch their assets! "

The police frowned and glared at the nurse, chasing all the unrelated people out of the ward.

The police officer looked at Qiao Mu. " Qiao Mu, you have to understand your current situation. If you can't find an alibi and no one can prove that you weren't at the hospital that night, then you're the biggest suspect! '

Qiao Mu glanced at Qiao Ya. The expression in Qiao Ya's eyes seemed to confirm that she had no alibi.

Qiao Ya must have known that she was with Li Yan and thought that Li Yan would not come forward to prove it. Moreover, her relationship with Li Yan could not be made public, so it would cause her to be in a terrible situation.

This mother-daughter pair was really meticulous!

However, they had overlooked the relationship between Li Yan and her!

They would never believe that she was already together with Li Yan!

Before Qiao Mu could say anything, Qiao Ya already lost her cool. " Qiao Mu, just admit it honestly. What did you do to Daddy? " If you take the initiative to plead guilty, the crime can be reduced. If you refuse to comply, you can wait to go to jail!"

Qiao Ya could not wait to see Qiao Mu's terrified expression, but Qiao Mu was not as frightened as she had expected when she threatened her.

Qiao Mu sneered. " Do you think that you have the final say in the law? Do you think that whoever you send to jail will go to jail? I didn't do it. Even if I don't have an alibi, there's no evidence that I was there either."

She paused and looked at the police officer. " Officer, you don't suspect Yu Tingyun, who has been guarding the ward, but you believe their words and suspect me. Other than a one-sided statement, do you have any other evidence? "

The police officer frowned. " Although there's no other evidence, you're the biggest suspect. If you can't prove it, you can only come with us to the police station to investigate..."

Before the police officer could finish speaking, a loud voice sounded at the door of the ward.

"What do you want to prove? I can prove it!" As soon as she finished speaking, a slender figure appeared at the door. The woman walked into the ward with a smile on her face. " Being a witness is such an important thing. Of course, I have to do it! "

Chapter 410: I'm Here to Be a Witnesses

Everyone in the room was stunned.

Qiao Mu knew who the other party was just by hearing his voice. Her dear grandaunt was here!

Although she didn't show it on her face, she was very surprised. Why would Yu Yiduo appear at this time? Did Li Yan already know what Yu Tingyun had done?

At this moment, Qiao Mu instantly calmed down and no longer felt uneasy.

Yu Tingyun and Qiao Ya were stunned. What was Yu Yiduo doing here?

Suddenly, Yu Tingyun had a bad feeling.

What did Yu Yiduo just say? She wanted to be a witness? She wanted to prove for Qiao Mu that Qiao Mu wasn't in the hospital that night?

Did she know about Qiao Mu and Li Yan's relationship?

Looking at Yu Yiduo's energetic face, Yu Tingyun felt a wave of anger in her heart. She suppressed her emotions and said, "What are you doing here? Our family is in such a mess, and you still want to come in and interfere?"

Yu Yiduo smiled faintly. "I'm here as a witness. That night, Qiao Mu was with my son, and my son is a little busy right now, so he asked me to come over and settle this. "

"What a joke! Do you think this is a joke?" Yu Tingyun looked at the police officer and said, "Don't listen to this woman's nonsense. She has a grudge against me. She will do anything to harm me! "

Yu Yiduo looked at Yu Tingyun sarcastically. "You overestimate yourself. I don't have that much time to waste on you. I'm here to help Mumu and watch you make a fool of yourself. That's good too. "

Yu Yiduo patted Qiao Mu's head and sighed. "How could our Mumu have such a vicious stepmother? How could such an obedient child be framed? The police have to deal with this matter fairly!"

Uncle policeman...

The corner of Qiao Mu's mouth twitched. Yu Yiduo's attitude was too casual in such a solemn occasion.

The police officer looked at Yu Yiduo unhappily. "Tell me clearly. Was Qiao Mu with you or your son that night? What did she do? She didn't leave at all that night."

"Officer, aren't you asking a little too personal? Qiao Mu was with my son. What do you think she was doing all night? Sleeping, of course! Who would leave in the middle of the night?"

As Yu Yiduo spoke, she immediately became serious when she saw the police officer's serious expression. "There are surveillance cameras outside our house. We know exactly when Qiao Mu comes home and when she leaves. You can send someone to my house to get the surveillance records later."

As she spoke, Yu Yiduo handed her name card to the police officer. "This is my son's name card. You can contact him when the time comes!" My son is definitely a good citizen who abides by the law. He will definitely cooperate with the police investigation!"

The corners of Qiao Mu's mouth twitched a few times again. Good citizens who abide by the law..Are you sure it's Li Yan?

When the police officer saw the name card, he was stunned for a moment, but his attitude towards Yu Yiduo immediately became very enthusiastic.

Li Yan, the president of the Las Corporation, actually had such a special relationship with Qiao Mu!

Due to the previous incident with the former mayor, everyone in the police station knew that Li Yan was very familiar with Chief Su of the police station. They could not afford to offend this man!

In an instant, Qiao Mu's suspicion was immediately cleared. What fight for property? With a man like Li Yan, why would she still need to pry into the Qiao family's assets?

Obviously, Yu Tingyun had made it up!

Yu Tingyun's face was already twisted. She never expected that Yu Yiduo and Qiao Mu's relationship would be so good!

These two women, the two people she hated the most, how could they get

along so well?
