

## The Apple 411

### Chapter 411: A Great Reversal

She thought that Yu Yiduo would treat Qiao Mu badly because Qiao Mu was her stepdaughter, but she never expected it to be like this!

Yu Yiduo seemed to have read Yu Tingyun's mind. She smiled faintly and said, ' Niece, thank you for raising my daughter-in-law so well. No, thank you for being merciful and not crippling my daughter-in-law. If my daughter-in-law became like your daughter, she would be ruined. '

"You..." Yu Tingyun gritted her teeth in anger!

Qiao Ya was humiliated and could no longer hold back her anger. She glared at Yu Yiduo and said, " Who do you think you are? How dare you insult my mother and me like this? How can Qiao Mu, that slut, be compared to me! "

"Who am I? Just as I expected, the daughter Yu Tingyun raised is really not presentable!"

Yu Yiduo's smiling face immediately darkened. She took a step forward, raised her hand, and slapped Qiao Ya's cheek.

A crisp and loud " pa " sound was heard, causing Qiao Ya to be completely stunned.

Qiao Ya came back to her senses and covered her face. She looked at the police officers with fire in her eyes. " Hurry up and arrest her. Didn't you see that she hit me? "

Yu Yiduo sneered. " Is it illegal for me to educate my niece? "

The police officer at the side immediately smiled and nodded. " Of course it's not against the law. It's only right to educate such an uneducated junior. A slap is considered light.

Qiao Ya's expression turned extremely ugly!

"Since this is a misunderstanding, we'll take our leave first," the police officer said.

"Wait a minute, this is not a misunderstanding!"

The one who spoke was Qiao Mu.

Qiao Mu looked at the police. "Although I've cleared the suspect, Yu Tingyun hasn't. Yu Tingyun is right. Someone must have harmed my father. Since she called the police, I'll have to trouble the police to help solve this matter!"

The police officer nodded. "This is indeed strange. Yu Tingyun has become the biggest suspect. Yu Tingyun, come with us to the police station!"

Yu Tingyun's face was pale as she widened her eyes. In an instant, the positions of both sides changed!

Originally, Qiao Mu was the suspect, and she had planned to punish Qiao Mu. But now, she was asking for trouble and getting herself into trouble!

"What evidence do you have?" Yu Tingyun asked, pretending to be calm. "Without evidence, I won't leave with you! If you have anything to say, talk to my lawyer!"

Yu Yiduo sneered. "The evidence will be there soon. There's no hurry. Since you've done it, you don't have to worry about not finding evidence!"

Yu Tingyun felt extremely guilty. She had lost her confidence now that Li Yan was involved in this matter!

She had originally thought that Qiao Mu was alone without a backer, so she could easily defeat Qiao Mu.

However, Li Yan was not easy to deal with!

Taking a deep breath, Yu Tingyun walked out of the door and said, ""I'm very busy at the company and don't have time to waste with you guys. When you have evidence, come and find me! But I believe that I didn't do it, so I naturally won't have any evidence!"

Suddenly, a cold and deep voice slowly sounded, ""Is that so? Unfortunately, I found evidence."

Yu Tingyun suddenly stopped in her tracks and looked at Li Yan, who was walking towards her, in shock.

Found it...Evidence?

When Qiao Mu saw Li Yan, she went up to him. ""Uncle, why are you here?"

Li Yan held Qiao Mu's hand and smiled faintly. "I've said it before. Leave this matter to me.. "

Chapter 412: Raising a Son Is for Another Woman

Qiao Mu's heart warmed. The worse the situation was, the more she could feel how good this man was to her.

He was always able to solve her problems at important moments.

Unknowingly, she had a firm consciousness in her heart. As long as he was around, nothing would be a problem!

Yu Yiduo stood at the side and watched as her son treated Qiao Mu so gently. She felt a surge of emotions in her heart.

Her son, who had always been cold and uninterested in everything, would also treat a woman with care. She really envied her daughter-in-law. Even she did not receive such good treatment in front of her son!

As expected, raising a son was for another woman.

However, when she thought about how she had treated other people's sons so well over the years and how they would grant her every request, she felt a little better.

Seeing her son showing off his affection in front of her, she couldn't wait to go home and look for her old man.

However, Yu Tingyun and Qiao Ya were not in the mood to enjoy Li Yan and Qiao Mu's love.

This was the first time Li Yan and Qiao Mu had publicly declared their relationship in front of them.

From the looks of it, the two of them had obviously been together for more than a day or two!

At this moment, Yu Tingyun suddenly realized that she had been kept in the dark.

Qiao Mu had been secretly seducing Li Yan! This woman really hid her true colors, just like her cheap mother!

Yu Tingyun had nowhere else to go. Thinking of that bitch Zhou Jieru, she quietly took out her phone and sent a message.

Although she was unwilling, she could only gamble on that greedy woman at this time!

Li Yan raised his head, and the moment his gaze shifted away from Qiao Mu's face, the warmth in his eyes immediately disappeared. His cold gaze swept toward Yu Tingyun.

Yu Tingyun felt her entire body stiffen. It was the first time she had seen such a bone-chilling gaze!

Although Li Yan had been very cold to her previously, he had never been so scary before. It made her shudder!

Fortunately, I came in time. Otherwise, Mumu would have been taken away by the police and convicted!"

Li Yan looked at Yu Tingyun and raised his eyebrows coldly. "You want evidence? I have the surveillance camera of this ward here. I recorded everything that happened clearly!"

Yu Tingyun's expression changed drastically. "No..." Impossible! There were no surveillance cameras in the hospital ward! The hospital has no right to pry into the patient's privacy!"

"Did I say that the hospital installed surveillance cameras? I asked someone to install the surveillance cameras. My woman is in contact with a sinister person like you every day. It's normal for me to be worried about her. But who would have thought that they would capture an unexpected scene?"

Li Yan's tone was neither hurried nor slow. Yu Tingyun's face turned paler with every word he said.

Seeing the change in Yu Tingyun's expression, Li Yan curled his lips coldly. "What's wrong? Can't you continue pretending? What are you feeling guilty about?"

"Ridiculous! I didn't do anything. Why would I feel guilty?" Although Yu Tingyun was scared, she was a shrewd person who knew how to hide her feelings. No matter how guilty she was, she would try her best not to show it.

As long as she didn't see the surveillance footage, she would be able to keep her cool!

However, Qiao Ya was not as calm as Yu Tingyun. She was so nervous that she didn't know what to do.

Qiao Ya actually understood that if someone wanted to harm her father, it definitely wouldn't be Qiao Mu. Qiao Ya knew very well how filial Qiao Mu was to Qiao Jiannan.

When Yu Tingyun had said those words to her and framed Qiao Mu, she had taken the opportunity to agree.. It was not because she truly believed that Qiao

Mu had done anything, but because she wanted to help her mother and herself!

Chapter 413: Li Yan, You're Using Qiao Mu

Qiao Mu absolutely could not be left alive!

However, who would have thought that things would turn out like this!

Qiao Ya stood behind Yu Tingyun. She could see that Yu Tingyun's clenched fists were trembling after hearing what Li Yan had said.

When she thought about how Yu Tingyun had snatched Qiao Jiannan's life-saving medicine away at home, Qiao Ya felt a chill down her spine.

Did her mother really do something to her father that caused him to become half a vegetable?

Qiao Ya's legs went weak as she fell back into the chair. It was impossible. Her mother would not be so heartless. She would not do anything overboard to her father!

Qiao Mu's expression darkened when she saw Qiao Ya's expression. " Qiao Ya, do you know something?"

"I don't know!" Qiao Ya shouted excitedly, " Don't ask me, I don't know anything! I don't know!"

This way, it was obvious that he was confessing without being forced!

' Shut up! " Yu Tingyun roared. " Why are you panicking?!"

Qiao Ya grabbed Yu Tingyun in panic. " Mom, you didn't hurt Dad, did you? You didn't hurt Dad, right? "

” What nonsense are you talking about? How could I have such a good-for-nothing daughter like you?! ”  
Stand up, don’t embarrass me!”

When Qiao Mu saw this scene, a cold glint flashed across her eyes. Yu Tingyun had always been gentle and indulgent towards Qiao Ya, but now that she was in trouble, she didn’t even care about her own daughter!

How heartless was this woman?

At this moment, Qiao Mu only felt that Yu Tingyun was extremely sorrowful. Her husband and daughter were worthless to her. In her eyes, there was only Yu Corporation and only fame and fortune!

Qiao Mu gently held Li Yan’s hand and asked in a low voice, “”Uncle, what did the surveillance cameras capture? What did she do to my father?”

Li Yan looked down at the little woman. ” I will hand the surveillance footage to the police. She will be punished by law for what she has done! ”

Yu Tingyun laughed maniacally. ” Li Yan, do you think I’m a fool? What surveillance camera? You’re lying to me. Don’t even think about making me admit my crime!”

Li Yan raised his cold eyes. ” So, you did it but you’re not willing to confess?! ”

“You ... Don’t think I’ll take the bait!” Yu Tingyun roared angrily. She saw a sneaky figure outside the ward and sneered. ” I know, Li Yan. You want to take my Yu Corporation away for Yu Yiduo. The Li family wants to take revenge on me and use Qiao Mu. You don’t like Qiao Mu at all. You’re using her by being with her! ” After you defeat me, you’ll dump her!”

Li Yan’s pitch-black eyes seemed to be covered with a layer of frost. Back then, he and Qiao Mu were sowed into discord like this, which resulted in them being separated for ten years.

Did she think that after so many years, they would still be instigated by her?

Sensing that Li Yan was losing control of his anger, Qiao Mu tightened her grip on his hand. The man lowered his head to look at her, and she smiled at him. ‘

Uncle, do you still remember what I told you last night? ‘

Li Yan was stunned. Last night, he told her to rely on him.

She said that she believed him!

The anger in his heart instantly dissipated. He smiled. ” I remember. ”

Qiao Mu looked at Yu Tingyun and coldly said, ” ” Yu Tingyun, you’re saying so much just to cover up your guilt. In your eyes, there’s no true love that’s worth believing. That’s why you don’t believe in other people’s feelings. You’re really sad.. “

Chapter 414: You ‘re Not Qjao Jiannan ‘s Daughter

“I’m sad? Qiao Mu, you’re the sad one! You were sold to the Qiao family when you were young. It’s sad that an unwanted wild child like you lived shamelessly until now! Qiao Mu, don’t think that you can get the Qiao family’s assets. Dream on! Because you’re not Qiao Jiannan’s biological daughter!”

Qiao Mu sneered. ” You’re really crazy. You only know how to bite people at a time like this! ”

“You don’t believe me? You can ask your biological mother!” Yu Tingyun looked at the door. ” Zhou Jieru, why are you standing outside and not coming in?

Qiao Mu turned around and indeed saw Zhou Jieru standing outside the door.

Qiao Mu frowned. ” What are you doing here again? The Qiao family’s matters have nothing to do with you!”

When Zhou Jieru heard this, she angrily shouted, ” Qiao Mu, since you’re heartless, don’t blame me! Yu Tingyun is right. I’m here to tell you that you’re not mv daughter and Oiao Tiannan’s daughter!”

“What did you say?” Qiao Mu widened her eyes in disbelief. “ Mom, can you stop causing trouble? ”

“Don’t call me Mom! Qiao Mu, do you still treat me as your mother? Now that you’ve hooked up with a rich man, you have endless money to spend. If you treat me as your mother, would my life be so hard now? I thought I could benefit from following you, but since you want to cut ties with me, I don’t need to hide it anymore!”

Qiao Mu was stunned. Zhou Jieru did not look like she was lying at all.

Zhou Jieru continued, “ Back then, I did have sex with Qiao Jiannan. Later on, when I got pregnant, the Qiao family gave me a large sum of money to have an abortion. I took the money and went for an operation. However, after I signed a gambling debt, I went to the orphanage to carry a child that was abandoned right after it was born. I pretended that I didn’t abort the child and continued to ask the Qiao family for money. I didn’t expect this trick to work. I was addicted to money! ‘

Qiao Mu shook her head. “ Impossible! You’re lying!”

Qiao Mu, if you’re really my biological daughter, do you think I’d sell you out?

Qiao Mu took a step back unsteadily. Li Yan pulled the little woman into his arms and swept his cold gaze at Zhou Jieru. “Even if Qiao Mu isn’t your daughter, why did you mention this at this time? Could it be that this will benefit you?

Zhou Jieru was stunned, then she said righteously, I just can’t stand Qiao Mu being smug and not giving me any benefits. Why should I let her get the Qiao family’s assets? ”

Yu Yiduo watched silently from the side. This was the first time she had seen Zhou Jieru. She originally thought that Qiao Mu did not look like Qiao Jiannan and would definitely look like her mother. However, upon closer inspection, Qiao Mu and Zhou Jieru did not look alike at all.

Or it could be said that Zhou Jieru’s appearance was not outstanding, but Qiao Mu was too beautiful. There was not a trace of Zhou Jieru or Qiao Jiannan on Qiao Mu’s face.

Be it facial features or the shape of the face, there was no similarity at all.

Yu Tingyun also noticed this. She had to admit that Qiao Mu looked like a vixen and was prettier than Qiao Ya since she was young. This was a great irony in Yu Tingyun's eyes.

Could it be that this was true...

At this moment, there was a knock on the door. Lei Yi's voice came from the door." Young Master, I just found out that Zhou Jieru's account received a transfer of three million yuan twenty minutes ago. '

Zhou Jieru was shocked and panicked.

At the same time, Yu Tingyun's expression changed, and Lei Yi's voice continued, "" Yu Tingyun's assistant transferred the money to Zhou Jieru. "

Chapter 415: What Was Exposed Was Not A Lie

Yu Tingyun's expression changed. Before Qiao Mu could even feel the pleasure of being hit, her lie was exposed!

Just now, she had sent a message to her assistant to bribe Zhou Jieru.

Zhou Jieru had always been insatiable. As long as she was given money, she would do anything. In addition to Qiao Mu's attitude toward her, she could not get any benefits from Qiao Mu, so she was easily bribed to slander Qiao Mu.

However, Yu Tingyun did not expect that no matter how much she schemed, she would not be able to win against Li Yan!

Li Yan had blocked her way and defeated her in an instant!

When Qiao Mu heard Lei Yi's words, she abruptly looked up at Zhou Jieru and said in disbelief, "" Mom, you were bribed by Yu Tingyun. Are you saying this to me for money? "

She had always known that Zhou Jieru was greedy for money, but she didn't expect it to reach this point!

Since she was exposed, Zhou Jieru didn't feel embarrassed at all. Instead, she smiled very happily. " At this point, I have nothing to hide. Anyway, you don't treat me as your biological mother, so let's go all out! It's true that I accepted Yu Tingyun's money. Yu Tingyun gave me money and told me to lie, but Qiao

Mu, everything I said is true!"

Qiao Mu's face paled. Although she did not want to believe it, Zhou Jieru's behavior showed that she really did not treat her as her daughter!

She looked at the man lying on the hospital bed. Was this person really not her father?

For so many years, she had always treated him as her only family. Although she had long given up on Zhou Jieru, her father had always been so good to her!

Even if he knew that she was in contact with Zhou Jieru, even if he knew that

Yu Tingyun would be unhappy, he still planned to give her a share of the Qiao

Corporation's shares because he treated her like a member of the Qiao family!

Qiao Mu's heart was in a mess, and she felt the arm around her waist tighten. She looked up blankly and met those deep eyes.

His dark eyes were endless, but it made her feel very at ease.

Qiao Mu still refused to give up and looked at Zhou Jieru. " So, you've never treated me as your daughter all these years and have only been using me? "

"Qiao Mu, no matter what, I raised you for five years. Your life wasn't good, and you were supposed to grow up in an orphanage. I was the one who sent you to the Qiao family and gave you a good life. You should thank me! Giving me some pocket money is nothing! It's because you're too selfish that I told you the truth. You asked for it!" Zhou Jieru's tone sounded so natural.

Qiao Mu's heart was in complete despair.

She believed that this woman was not her biological mother!

How could her mother be so cruel to her!

Zhou Jieru was shocked when she saw Yu Tingyun still in a daze. " Are you surprised? " Yu Tingyun, since you gave me so much money, I'm telling you the truth! All these years, how much money did I get from the Qiao family using Qiao Mu? In the end, you still want to bribe me with three million! It's not just you. Even Qiao Jiannan has been deceived by me for more than ten years. It's good that Qiao Jiannan doesn't wake up. If he wakes up and finds out about this secret, I'm afraid he'll be furious!"

Yu Tingyun stared at Zhou Jieru with red eyes. " But we did a paternity test back then! "

"Paternity test? You mean that strand of hair? I pulled a strand of hair from your daughter's head and tested it. It'd be a wonder if he's not your biological father and daughter!" Zhou Jieru seemed to be showing off her cleverness and spoke very happily..

Chapter 416: What a Big Joke

Yu Tingyun's face darkened. So, all her pain all these years was caused by a fake illegitimate daughter?

Mu, she wished she could strangle her. It turned out that all of this was a joke from the heavens!

She had been tortured for so many years. Now that she knew the truth, was this a surprise or a huge blow to her?

In order to prevent Qiao Mu from obtaining the assets, she had put in a lot of effort. Not only did she arrange Qiao Jiannan's car accident, but even Qiao Jiannan's situation today was also related to Qiao Mu!

If it were not for Qiao Mu, her relationship with Qiao Jiannan would not have become like this!

It was all because of Qiao Mu!

"Hahahaha..."

Yu Tingyun couldn't help but laugh out loud. She laughed so crazily that she raised her head without caring about her image. Her face was twisted.

After a while, she glared fiercely at Qiao Mu. "It's all your fault! Qiao Mu, it's all your fault for ruining our Qiao family! But now, you won't get anything! You have nothing to do with the Qiao family. Don't even think about getting anything from the Qiao family!"

Qiao Mu's expression turned cold as she took a step forward. The man behind her seemed to be worried and refused to let go of her hand. She shook her head at him to indicate that she was fine and left his embrace.

Qiao Mu glanced at Yu Tingyun and coldly said, "I've never wanted to take away any of the Qiao family's assets. I originally planned to leave the Qiao family after graduation. Everything was because you were paranoid and deliberately wanted to chase me away. For your fame and fortune, not only did you target me, but you also caused my father to become like this! Yu Tingyun, how vicious are you to do such a sinister thing!"

"What nonsense are you spouting! What evidence do you have to prove that I harmed him? Don't slander me! Also, he's no longer your father. You're just a

wild child. You have nothing to do with our Qiao family!" Yu Tingyun had long lost her image, and her face was extremely distorted. She pointed at Qiao Mu. 'Get lost!'

All of you, get out!”

Qiao Mu looked at Yu Tingyun’s crazed expression and felt that it was useless to say another word to such a person!

Perhaps it was because Yu Tingyun had been pretending to be noble and virtuous all these years, but now she was crazier than anyone else.

Li Yan glanced at the policeman beside him. The policeman immediately understood and stepped forward. ” Yu Tingyun, regarding Qiao Jiannan’s murder case, please come with us to the police station! ‘

“You want me to go with you, and I’ll go? Do you think I don’t know the law? If you have evidence, then come and arrest me with an arrest warrant!”

Qiao Mu glanced at Qiao Ya, who was still in a daze. ” I think your daughter knows something. Qiao Ya, the police are right here. If you don’t report what you know, it’s equivalent to committing a crime! ” If you help your mother harm your father, you won’t be able to get away with it!”

“I don’t know anything!” Qiao Ya roared angrily, still in shock.

Li Yan’s cold gaze landed on Qiao Ya’s face. ” Why? Do you want to go to jail with this crazy woman? ” She’s crazy, and you’re crazy too?”

Prison ...

Qiao Ya’s eyes widened. Li Yan’s gaze was so oppressive that she almost could not breathe.

Yu Tingyun looked like she had gone mad. Her eyes were unfamiliar, and she had never felt so scared before!

Her father was now lying on the hospital bed, and she did not know when he would wake up.. Her mother, on the other hand, seemed to have gone mad,

making her afraid!

Chapter 417: Everything Is Finished!

Qiao Ya waved her hands vigorously and hugged her head with both hands. She said in a panic, ““It has nothing to do with me! It really had nothing to do with me. I didn’t see anything...My mother didn’t do it on purpose. She didn’t take the medicine from my father’s hand. She didn’t cause my father to be like this. It’s not ...”

Yu Tingyun widened her eyes in disbelief and roared, ““Qiao Ya, shut up! What nonsense are you talking about!”

Qiao Ya was jolted awake by a furious roar. She raised her head in shock and realized that she had said something wrong!

She shook her head vigorously. “ No, no, I didn’t say anything! ”

Qiao Mu’s expression instantly darkened. As expected, Qiao Jiannan’s accident was related to Yu Tingyun!

When Qiao Jiannan’s illness acted up, it was Yu Tingyun who snatched the medicine away, which caused his illness to not be suppressed in time! Yu Tingyun’s face was pale. She took a step back and fell on the chair.

She never expected Qiao Ya to see that scene!

She had thought that everything would be flawless. Even if she was suspected, as long as Qiao Jiannan did not wake up and she hired a good lawyer to help her file a lawsuit, she would be able to get away with it!

However, Qiao Ya had miscalculated!

The police officer said seriously, " Yu Tingyun, your daughter has already confessed. What else do you have to say? "

"I didn't do it! I won't admit it!"

"Then come with us to the police station!" The police officers took out handcuffs and cuffed Yu Tingyun's wrists.

Yu Tingyun struggled with all her might. " You have no right to do this. I want to hire a lawyer. I didn't do anything. Qiao Mu did everything. It's all her fault! "

"I can't go with you. I still have a company to take care of. Qiao Corporation and

Yu Corporation can't do without me!"

"What right do you have to arrest me? What right do you have?!" Yu Tingyun almost went crazy. She refused to take a step out of the ward.

At this moment, Lei Yi received a call. Then, he came to Li Yan's side and whispered something.

Li Yan's lips curled up coldly. " Since everything has come together, let's make her face reality! "

Then, the two of them walked into the ward and saw Yu Tingyun. They took out the document and waved it in front of Yu Tingyun. " Yu Tingyun, your company has been convicted of tax evasion. Due to the huge amount of money involved, it is suspected of breaking the law. We will officially deal with this matter. "

Yu Tingyun's face turned as pale as a sheet. All her resistance disappeared. She opened her eyes wide in despair and fell limply to the ground.

It was over! Everything was over!

Yu Tingyun was taken away by the police, and Qiao Ya was also taken away for questioning.

The ward was quiet all of a sudden.

Qiao Mu's heart ached as she looked at Qiao Jiannan on the hospital bed.

What did Yu Tingyun do to him? If he woke up and had to face so many things that he couldn't accept, would his body be unable to take such a huge blow?

Li Yan looked at the petite woman's thin figure and held her hand. " I'll get the nurse to take care of him. I'll do everything I can to wake him up soon. Don't

worry.

Qiao Mu nodded. Her nose felt sour, and she had the urge to cry.

She held it in and wanted to thank him, but she remembered that he had said that she did not need to thank him. In the end, she did not say it.

Deep down, she knew how good he was to her!

Fortunately, he was here at this moment!

After the matter came to an end, Zhou Jieru also took advantage of the chaos to leave.

Qiao Mu didn't know whether she should be glad that she didn't have such a heartless mother or sad that she had become an orphan.

From now on, she would not even have a father! How was she going to face Qiao Jiannan when he woke up?

Chapter 418: Qjao Mu, Get Better Quickly

Qiao Mu had been in low spirits ever since she returned from the hospital.

The events that happened one after another were too much of a blow to her. Then, she fell sick uncontrollably.

She had a fever overnight and was delirious. She was admitted to the hospital.

After a series of tests and blood transfusions, her fever finally subsided.

In the ward, Yu Yiduo looked at the unconscious Qiao Mu with heartache. "It's not easy for this child. So many things have happened recently. No matter who it is, it's hard for them to digest it. It's really heartbreaking."

Sighing, Yu Yiduo looked at Li Yan and warned, "Son, you have to treat Mumu well. Don't think that Mumu doesn't have parents who love her, so you can bully her! If you don't treat her well, I'll be the first to not let you off!"

"Mom, you don't have to say that."

If he didn't treat her well, he wouldn't let her off either!

Yu Yiduo snorted. "I know. You can treat your mother badly, but you can't treat your woman badly! I'm so jealous!"

"Mom!" Li Yan said helplessly.

"Alright, alright. I know you love your mother. I'm just joking with you. I won't be jealous!"

‘ Mom, you have Dad who treats you well. Do you still need to be jealous of your daughter-in-law? ’

“That’s true! Wives are meant to be doted on, and mothers are doted on by fathers. I can’t even digest how good your father is to me. I’m not here to fight with my daughter-in-law anymore.” Yu Yiduo stood up and patted Li Yan’s shoulder. ” Take good care of Mumu. I’ll be leaving first. I’ll visit Mumu another day. ”

After Yu Yiduo left, the ward became quiet.

Li Yan sat by the bed and looked at Qiao Mu’s haggard face with a deep gaze.

He reached out to gently touch her forehead and tucked the stray strands of hair behind her ears. His voice was deep and filled with suppressed emotions. ‘ Qiao Mu, get well quickly. Everything is in the past. The happy days have just begun. ’

“If you continue to waste your time in the hospital and make me worry about leaving you, I’ll make you pay for my losses ten times over after I’m discharged. ”

“Mumu, do you know that when you were sick, I felt worse than you?”

reaction. She sighed and thought to herself, ‘I must teach her a lesson when she recovers. That way, she won’t dare to fall sick again!’

In her dreams, Qiao Mu vaguely heard the man’s voice beside her ear. The voice was low and deep, and it drifted past her ears, sounding so unreal.

In his memory, Li Yan had always been calm and collected. He had never felt so helpless before.

Qiao Mu felt a warmth on her lips, and it tickled lightly like a feather brushing past.

She slowly opened her eyes and saw the handsome face in front of her. She blinked and did not react.

His mind went blank. Was this the scene of a prince waking up a sleeping beauty with a kiss?

Qiao Mu opened her eyes when she was caught off guard. Li Yan was caught off guard, so he moved away from her lips. His tightly knitted brows instantly relaxed, and the corners of his lips curled up slightly. "You're awake?"

Qiao Mu opened her mouth and said, ""Big brother..."

Li Yan narrowed his eyes as a glint flashed across his eyes.

She called him big brother?

This familiar name almost melted his heart.

Perhaps it was because she had rested for too long, her big eyes were clear and bright. When she looked at him now, she could almost see everything with a clean glance.

In addition, her innocent look was exactly the same as when she was young. Li Yan was momentarily dazed, as if he had seen Qiao Mu when she was young..

Chapter 419: Memory Loss?

Li Yan's thin lips moved. "What did you call me?"

"Big brother." Qiao Mu called out once again, and her mouth curved into a grin. Her eyes narrowed into crescents, looking clean and pure.

This little thing! All this while, he had asked her to change the way she addressed him countless times, but she stubbornly refused to call him Big Brother.

Later, he understood that it was because she had misunderstood that he had left her behind, so she felt that he was no longer worthy of this title.

And now, this little woman was willing to call him that!

Li Yan smiled and patted her head. " Good girl. "

Qiao Mu wrapped her arms around Li Yan's neck. " Big Brother, where are we? Why am I here?"

' You're sick. You're in the hospital. "

"Hospital?" Qiao Mu frowned. " I'm sick? Why am I in the hospital? Why can't I remember? Eh, my mind is empty, I can't remember anything."

Li Yan was still enjoying the little woman's coquettishness. His voice was soft and sweet. It was rare for him to be so obedient. Suddenly, he heard her say this and was stunned.

"You don't remember?"

Qiao Mu frowned slightly and nodded. " My mind is in a mess. I feel like I can't remember a lot of things. Big Brother, what's wrong with me? "

Looking at Qiao Mu's expression, Li Yan felt a headache coming on. " You know who I am? "

"What else?"

"You're my big brother!" "My name?"

"Big brother!"

Li Yan's expression turned serious. " Qiao Mu, don't joke with me! "

"Big brother, what's wrong? Did I say something wrong? Did I make you angry?" Qiao Mu was extremely innocent.

Li Yan stared at her face. Although Qiao Mu would usually act coquettishly in front of him, she would never put on such a harmless expression. She looked more like a pure piece of white paper when she was young.

Li Yan frowned. " You really don't remember anything? "

Qiao Mu nodded, then shook her head. " I remember you. You're my big brother! "

Li Yan touched Qiao Mu's forehead. " Did you lose your memory or did you burn your brain? "

She only had a high fever of less than 39 degrees Celsius. Although she was unconscious due to some other symptoms, the medication was timely, so it was impossible for her brain to be damaged!

So, this woman was acting with him?

However, if it was really an act, it was too convincing.

Li Yan pressed the emergency bell and sat at the side. His voice was deep and carried a trace of powerlessness. " Qiao Mu, if I find out that you're teasing me, I'll go back and teach you a lesson. I'll make you learn your lesson! "

Qiao Mu's body instantly stiffened when she finished speaking, but she quickly returned to normal.

She blinked her eyes in confusion. " Big Brother, why are you lecturing me? By the way, what's our relationship?"

“You don’t know what our relationship is, and you call me big brother?”

” I don’t know why either. My consciousness told me that I should call you that. Qiao Mu continued to ask, ” What exactly am I to you? ‘

“Lovers.” Li Yan said calmly.

Qiao Mu’s eyes lit up. ” I actually have a lover as handsome as Big Brother? I’m so blessed!”

“Is that so?” Li Yan’s lips curled up. ” Have you forgotten that I’m already married? ”

Qiao Mu’s expression stiffened, and the corners of her lips twitched. ” You’re married, so why are you still dating me? ”

Li Yan caressed Qiao Mu’s face and said gently, ” Little thing, it seems like you really don’t remember that you’re my little lover outside of marriage.. ‘

Chapter 420: I Want To Be Quiet

An extramarital lover...

Qiao Mu was stunned. The corners of the man’s lips curled into a devilish smile, but his tone was unprecedentedly gentle!

He could actually be so gentle!

How could he say so gently that she was his extramarital lover?

Qiao Mu laughed dryly. ” This identity is really unexpected. Big brother must be joking with me. I definitely won’t be someone else’s lover. My character shouldn’t be that bad, right?”

” You don’t remember everything, so how can you remember what kind of person you are? ”

But my subconscious tells me that it’s not true. I won’t be with a married man.

“That’s because you love me too much.”

Qiao Mu pouted and opened her arms to hug Li Yan’s neck again. Her voice sounded pitiful as she said, ” Big Brother, tell me that all of this isn’t real. Are you playing with me? ” I know big brother is a very, very good person. He won’t treat me like this.”

“Be good, I have a lot of helplessness too.”

F \* ck! Helpless your sister!

It seemed that his disguise had been exposed!

Fortunately, she didnt really forget everything. If she really lost her memory, she would be so angry that she would vomit blood when she heard his words!

This was too much!

Qiao Mu unhappily turned her face to the side and flipped over with her back facing the man. Her voice was filled with sadness and disappointment. ” I want to be alone. ‘

‘Who is Jing Jing?

Qiao Mu almost couldn’t hold back her laughter.

When did this man become so funny?

Was her brain damaged, or was his brain damaged?

Qiao Mu stole a glance at the man behind her and saw that he was sitting there calmly and looking at her with extreme patience. Was he not worried that something was wrong with her body?

Humph! When she woke up from her illness, not only did he not take the opportunity to confess his love for her, but he also said something nice to make her happy. Instead, he actually said such words to provoke him!

After a while, Qiao Mu angrily turned around and glared at the man. "I think my brain must have been fried before that I liked you. Don't even think about making me your little lover. I don't like you anymore!"

Li Yan narrowed his eyes. When he heard the words "I don't like you anymore", a hint of displeasure flashed past his eyes. However, he quickly said calmly, "If you don't like me now, you're the one whose brain is fried."

Qiao Mu couldn't hold it in and blurted out angrily, "Li Yan, you've gone too far!"

After she shouted, Qiao Mu saw the corners of the man's lips curl up slightly. He leaned over, scooped her up, and pulled her into his embrace. "If you didn't lose your memory, how do you still know my name?"

"You must have bullied me often, so when I was angry, I blurted out this name." Qiao Mu pouted. She didn't feel embarrassed even though her disguise was seen through.

Li Yan's expression darkened instantly- He looked fierce- "Yom little thing.

you're acting crazy the moment you wake up. Are you trying to scare me to death?"

Qiao Mu looked at the man and gently tugged at the corner of his shirt. "Uncle,

I was just joking with you. I just wanted to tease you. Don't be so serious! "

Li Yan's expression did not improve. " What did I say to you just now? If you lie to me, I'll go back and beat you up!"

I'm a patient. You want to use violence on me? '

"I'll beat you up when you're discharged from the hospital and recover!" This man was obviously serious!

Qiao Mu's body stiffened and she chuckled. She leaned into his embrace and said in a soft voice, " Uncle, I saw that you were too bored by guarding me, so I wanted to make you happy. Besides, even if I lost my memory, I wouldn't remember anything.. I only remember you, so you should be happy!
