

The Apple 421

Chapter 421: You Need A Teaching!

Li Yan's face was cold. " I'll only be happy if I teach you a lesson! "

This little thing, did she know that she had really frightened him just now? How dare she pretend to be sick? Did she not know that he would be worried about her?

However, although his actions were quite infuriating, calling him big brother just now sounded very pleasant.

Qiao Mu bit her lip and innocently hooked her arms around his neck, calling out sweetly, ""Big brother, don't be angry with me, okay?"

Li Yan's body froze. Although he could tell that she was acting coquettishly to him on purpose, he could not help but be provoked by her.

Was she certain that he wouldn't get angry at her?

Li Yan suddenly felt a sense of defeat. Looking at her pale face, he could not bear to be angry with her.

He held her face in his hands and kissed her on the lips.

"Oh..." Qiao Mu blinked her big eyes and nudged him. " I'm still sick! ' However, resistance was futile.

The man seemed to want to punish her in this way, kissing her passionately. At this moment, the doctor rushed over.

She pushed open the door and saw the two of them hugging each other on the hospital bed. They treated the hospital as their own bedroom!

The doctor coughed awkwardly, and Qiao Mu's eyes widened abruptly. She pushed Li Yan away with a red face.

It was so embarrassing to be watched while kissing!

However, compared to Qiao Mu's shyness, Li Yan appeared nonchalant. His expression was indifferent, as if he had been seen drinking a glass of water just now. He was calm and composed.

He stood up and looked at the doctor. ""Come in for a checkup.""

Li Yan was cool and arrogant. It was obvious that he was still angry!

Qiao Mu secretly pursed her lips. He was really petty to the extreme. She hadn't even bothered with him, yet he said that she was his little lover or something. The hospital did a series of checkups and asked Qiao Mu if she was feeling unwell.

Qiao Mu groaned. " Doctor, my throat hurts. "

"This is normal. Drink more water and take anti-inflammatory medicine. You'll

recover soon."

Then, Qiao Mu pressed her hands on her chest. " Doctor, my heart hurts. What's going on? "

The doctor looked at the report. " Heartache? There are no other symptoms in your body. Do you have any specific feelings?"

"Also ... I feel dizzy and uncomfortable."

"Maybe it's because you slept for too long. You just need to walk a little."

“Then my stomach doesn’t feel well either.”

“Maybe I’m hungry...”

“My wrist hurts from the injection. Aiya, why do I feel uncomfortable everywhere? Doctor, what’s wrong with me? Is there a problem somewhere?”

Qiao Mu kept looking for trouble. As she spoke, she glanced at the man who was calmly standing at the side.

He even had a serious expression on his face. Couldn’t he show some concern for her?

She did not believe that he could remain indifferent!

Qiao Mu opened her mouth and wanted to say something, but the man behind her suddenly spoke up. “ Doctor, she’s not feeling well all over. She’ll be fine after an injection. ‘

Qiao Mu initially thought that the man was concerned about her, and the trace of anticipation she had initially harbored immediately turned into anger when she heard his words!

He was ruthless!

Li Yan saw that the little thing was not looking for trouble anymore. He lowered his eyes and looked at her, raising his eyebrows. “ You don’t feel uncomfortable anymore? ”

“I’m so angry at you that I feel like my blood is flowing smoothly!”

“Be good.” Li Yan patted her head. “ Your illness is easy to treat. You just need to be taught a lesson! ”

Qiao Mu was speechless.

This man was not giving her any face in front of the doctors and nurses!

Chapter 422: I Need Care

Qiao Mu's face turned red from anger. After the doctor left, she sat up angrily and poked his chest with her finger. "Tell me, why are you so petty? You can't even take a joke. If you continue to glare at me fiercely, I'll cry for you!

"Then go ahead and cry."

Qiao Mu gritted her teeth, and her expression suddenly changed. She clutched her chest with both hands. "Uncle, I feel terrible here. '

Li Yan's eyes darkened. "If you continue to pretend, I'll teach you a double lesson when we get home!"

Qiao Mu gritted her teeth and stared at him pitifully. "Uncle, I'm really not feeling well. I'm really uncomfortable. I'm not joking with you. '

'What's wrong?" Li Yan frowned, but he could not help but go forward and hug her.

Qiao Mu took the opportunity to lean against his chest. "My illness is easy to treat. Take care of me a little more, be gentle and considerate to me, and give me more care. Then I won't feel so bad anymore. '

Qiao Mu!"

Qiao Mu shrunk her head and didn't dare to continue playing. 'Alright, Uncle, let'S stop roonng arouna. rm starvmg. Let'S eat nrst, OKayc

Li Yan sighed helplessly. He really wanted to beat her up so that she would not dare to joke around with him like this in the future.

However, looking at the little thing's mischievous appearance, how could he bear to continue being fierce to her?

After Qiao Mu ate and drank her fill, she felt much better.

She leaned against the bed and looked at Li Yan. " Uncle, how is my father? "

After she finished speaking, her small face immediately darkened a little. She tugged at the corners of her mouth. " I almost forgot. He's no longer my father.

In fact, given her current situation, she might as well completely lose her memory and forget all her troubles. She only needed to remember Li Yan!

Li Yan rubbed her head and said in a deep voice, " Even if you're no longer related by blood, we've still been friends for so many years. I believe that he'll still treat you like his daughter when he finds out the truth. "

Qiao Mu nodded when she heard the man's comforting words.

Li Yan continued, " He's receiving rehabilitation treatment. The doctor said that his condition is still optimistic. There's a high chance that he'll wake up. Don't worry, he'll get better. "

"What about Yu Tingyun?"

"Qiao Ya's statement states that she was indeed the one who stole the medicine when Qiao Jiannan's high blood pressure acted up, causing his condition to worsen. However, she refused to admit that she harmed him later. However, she evaded a huge amount of taxes and was sentenced to four years in prison."

Qiao Mu furrowed her brows. " She's still not pleading guilty at this point? Uncle, don't you have evidence?"

Li Yan raised his eyebrows. " You mean the surveillance cameras? I used it to trick her and make her panic. However, this woman's desire to survive is too strong. She just won't take the bait."

"I see. But it's okay, Uncle. When my father wakes up, everything will be clear!"

"So, what you have to do now is to take care of your body!"

Qiao Mu nodded vigorously.

On the second day after Qiao Mu woke up, Yu Yiduo rushed over in a hurry, carrying an insulated lunch box and delicious food.

Yu Yiduo held up the thermos container proudly. " Mu Mu, I made this soup for you personally. It's delicious. Drink it while it's hot. "

Li Yan glanced at her indifferently. " Mom, are you sure that her condition won't worsen if she drinks the soup that you made yourself? "

Qiao Mu was speechless.

Uncle, can you not be so direct? You'll hurt me!

Chapter 423: Never Touched Before

As expected, Yu Yiduo felt embarrassed and the smile on her face froze.

Qiao Mu hurriedly said, " Auntie, I'm really touched that you're able to cook for me personally. I believe that Auntie's culinary skills are not as bad as what Little Uncle said! "

When Yu Yiduo heard this, she happily went over and pinched Qiao Mu's cheeks. "Mumu is still the best at talking, unlike my wooden son. He speaks as if he has gunpowder in his mouth and isn't likable at all. Only someone with Mumu's good temper can tolerate him!"

Good temper...

Qiao Mu felt extremely guilty after being praised.

As Yu Yiduo spoke, she opened the lunchbox and scooped out a bowl of soup for Qiao Mu. "Here, drink it while it's hot. Look at how skinny you are. It's good to nourish your body."

Qiao Mu glanced at Li Yan. From his words, it was obvious that she did not know how to cook. Then, was this soup really drinkable?

Li Yan sat at the side, looking as if he was not going to get involved. He wanted her to settle it herself.

Seeing Yu Yiduo's enthusiasm, Qiao Mu could only accept it and bite the bullet to take a small bite.

After all, this was her intention.

After tasting it, he was stunned. He took another big gulp and looked at Li Yan in surprise. "It's so delicious!"

Yu Yiduo's eyes lit up. "Right, right? Then drink more! Actually, don't think that I don't do much housework, but I'm very virtuous!"

Qiao Mu nodded vigorously. Then, she heard Li Zheng, who was sitting on the sofa behind Yu Yiduo, slowly say, "How can it not taste good if it's made by the chef at home?"

Qiao Mu was speechless.

Yu Yiduo was speechless.

So, it wasn't made by Great Aunt herself!

Yu Yiduo glared at Li Zheng angrily. "Will you die if you shut your mouth?" I just want to show off in front of my daughter-in-law and show off how virtuous I am as a mother-in-law. Why are you humiliating me?"

The corners of Qiao Mu's mouth twitched. She really wanted to say, "Great aunt, you really don't have to do this. Actually, we're about the same. 'However, calling her daughter-in-law sounded so awkward!

They hadn't even married yet. Wasn't calling her daughter-in-law a little too casual?

"What are you showing off for?" Li Zheng said lightly. "She's not going to live with you in the future. If you want to show off your virtue, why don't you do it in front of me?"

"I'm happy to. You're even jealous of your daughter-in-law..."

As Yu Yiduo was speaking, Li Yan interrupted her, "Dad, Mom, if you want to fight, go home and fight. Don't disturb Mumu's rest. '

Qiao Mu braced herself and finished the soup amidst the family of three's bickering.

The warm soup warmed her heart.

That was great! No matter what happened, she was not alone!

Qiao Mu was still a little unaccustomed to this rare warmth. She had lost this habit ever since she was young, so it felt surreal to her at this moment.

Yu Yiduo sat by the bed and held Qiao Mu's hand, patting it gently. "Mumu, although a lot of things have happened all of a sudden and you can't get used to it in a short time, you can vent your frustrations on me. Just treat me like your mother. From now on, I'll give you all the maternal love you've lost. I'll definitely not lose to Li Yan!"

Qiao Mu's nose turned sour, and she had the urge to cry.

Yu Yiduo continued, "From now on, you are my daughter. I am your mother. I will never let you suffer any more grievances!"

The emotions in Qiao Mu's heart were piling up like mountains and seas, making her feel touched like she had never felt before.

She thought that she had really profited. Not only did she find a man like Li Yan who treated her well, but she also met a mother like Yu Yiduo..

Chapter 424: Happiness Is So Unreal

Qiao Mu had always thought that her fate was especially terrible.

From her birth to her growth, other than the three years when she met Li Yan, there was almost nothing worth remembering.

She now understood that all the pain and hardship she had experienced in the past was to prepare her for the moment of happiness.

Qiao Mu didn't know what to say. She opened her mouth, but all she could say was a word of thanks. "Auntie, thank you."

"Silly child, why are you thanking me? Also, don't call me auntie. It's too distant. Just call me mom and treat yourself as my daughter!"

As soon as Yu Yiduo finished speaking, Li Zheng ridiculed her again, "This is a mess. Did you acknowledge a sister for Li Yan? You want your daughter to marry your son?"

The originally emotional scene was completely changed by Li Zheng's words.

Yu Yiduo glared at him. " Can you shut up? Can't you see that I'm trying to bond with Mu Mu? "

Qiao Mu was originally so touched that she was about to cry, but the scene changed at this moment, and she didn't know whether to laugh or cry.

This family was really a living treasure.

Although Li Zheng looked like Li Yan, who was cold and distant, he was really spoiled and spoiled in front of Yu Yiduo. He was already in his forties or fifties, but he still quarreled with her from time to time.

At this moment, Li Yan had already stood up. " You can leave now. If you stay any longer, the hospital's security guards will chase you away.

Yu Yiduo was very unhappy. " Son, you're disturbing me and my precious daughter! "

The words 'precious daughter' made Li Yan frown. She was still calling him her daughter-in-law just now, and now she was his daughter?

Li Yan insisted on chasing her away. Yu Yiduo snorted and held Qiao Mu's hand reluctantly. " Good daughter, take good care of your body. I'll come back tomorrow to bring you some soup of love. Feel free to call me if you want to eat anything. "

Qiao Mu couldn't help but nod, and then Li Zheng dragged Yu Yiduo out.

When he reached the door, Li Zheng paused in his steps and looked at Qiao Mu.

I've already contacted a senior doctor from the United States to examine Qiao Jiannan. There's no problem with him waking up. Hurry up and recuperate. If you're sick all day, Li Yan will have an excuse not to go to work to accompany you, and I'll have to work at the company all day! "

After Li Zheng finished speaking, he dragged Yu Yiduo away.

Outside the ward, Yu Yiduo's voice sounded, ""What's with your impatient tone? You're obviously concerned about Mumu. If Mumu doesn't have a nerve, he'll think that you have a big opinion of him!"

"There are already many opinions!"

Qiao Mu stared blankly at the door, feeling overwhelmed by the unexpected favor.

Although Li Zheng's tone was not good, she knew that he was concerned about her!

Moreover, he was willing to help Qiao Jiannan! He clearly had so many opinions about Qiao Jiannan, almost treating him as a former love rival, yet he was willing to make such a concession for her.

Qiao Mu knew that Li Zheng had already accepted her!

Qiao Mu was suddenly so touched that she didn't know what to do. She looked at the man beside her and threw herself into his embrace. " Uncle, I want to cry.

Li Yan's attention had always been on Qiao Mu, so how could he not know why she was acting like this?

He sighed helplessly and patted her gently. " You weren't this touched when I treated you well.

Qiao Mu snorted. How could they be the same?!

At this moment, she was too happy. She was so happy that it was unreal!

Chapter 425: 999 Roses

Qiao Mu's days in the hospital were simply too blissful.

Every day, other than when she was having her checkups and taking her medicine, she was treated very well.

Sometimes, it was quite boring. For example, at this moment, Li Yan was busy reading documents and ignoring him.

Qiao Mu was playing games on her phone when she heard a knock on the door. She turned around and saw Su Chen and Lu Jingzhi walking into the ward.

Lu Jingzhi looked at Li Yan who was working at the side and smiled. “Franklin, are you treating the hospital as a company? When I saw Uncle Li, he was very dissatisfied. He said that you didn’t do your job properly because of a woman.”

Lu Jingzhi took the opportunity to make fun of her. Look at Qiao Mu’s treatment. She had really ascended to the heavens in a single bound.

Li Yan looked up and put down the documents in his hands. “What are you guys doing here?”

Su Chen smiled faintly and glanced at Qiao Mu. “We’re here to visit. Big

Brother, you don’t seem to welcome us.”

Qiao Mu sat up and looked at the two of them who were empty-handed.

You’re visiting empty-handed? Where is the sincerity?”

Lu Jingzhi smiled. “We wouldn’t dare to come empty-handed. We’ll be there soon.”

As they spoke, two people carried fruit baskets and flowers into the ward.

When Qiao Mu saw that huge bouquet of roses, she could not even hold it with one hand. Most importantly, why were they red roses?

Red roses are needed for a visit?

When the roses appeared, Li Yan's eyes narrowed slightly and the corners of his mouth curled up. "Who prepared this? Why is it so sincere?"

"Sincerity" was in quote marks!

Obviously, Li Yan's tone was sinister. How dare he give his little woman red roses?

Su Chen spoke before Lu Jingzhi could, "The fruit basket is mine." Lu Jingzhi was speechless.

F*ck! He was the one who had prepared both of them, alright?

After the two of them decided to visit the patient, Su Chen had told him to prepare the things for the visit.

The two of them couldn't possibly take the same thing, right? Therefore, Lu

Jingzhi asked his assistant to prepare a fruit basket and a bouquet of flowers.

Of course, he did not specify what kind of flowers he was going to prepare or what kind of patients he was going to see.

Wasn't this giving him trouble?

Lu Jingzhi could clearly feel that Li Yan's gaze was not very friendly.

It was as if someone wanted to snatch his woman!

Lu Jingzhi was very innocent. He coughed lightly and said, " Well, the assistant took the wrong flowers. I was going to give them to someone else. I'll take them away now. "

"Wait a minute." Qiao Mu hurriedly stopped him and smiled. " Since you've already brought it here, don't take it away. It'll show how insincere you are. Put it down, I quite like it. "

I quite like it...

The corners of Lu Jingzhi's mouth twitched. Qiao Mu's words made Young Master Li's expression darken even more.

Qiao Mu had never received roses before, and they were bright red and especially gorgeous. It would be a waste not to have them.

She looked at Li Yan's expression. Eh, why did he not look too good?

Before Qiao Mu could think deeply, a voice sounded from outside the door. " Yo, who are you giving such a big bouquet of roses to? " It was Baby Guan and Chi Xia.

Those mocking words naturally came from Baby Guan.

Guan Baobei was standing outside the ward when she heard Lu Jingzhi say that he had taken the wrong flowers and that he was going to give them to someone else.. She immediately cursed this playboy in her heart!

Chapter 426: Someone's Contribution

When Lu Jingzhi saw who it was, he frowned. " Why are you here? "

"If you can come, why can't I? I'm here to see Mumu!" Baby Guan took a step forward and walked in front of Lu Jingzhi. " Move aside, I want to go over. "

The room was so spacious, yet she stood in front of Lu Jingzhi and waited for him to make way. It was obvious that she was looking for trouble.

Lu Jingzhi endured it. He did not want to argue with this barbaric woman!

Chi Xia followed Baby Guan into the ward helplessly. Suddenly, she felt a cold gaze on her. She turned her head and met Su Chen's gaze.

She froze. Why was the world so small? She could see this man everywhere!

Since she had met him, Chi Xia could only smile politely at Su Chen and greet him. However, the moment she smiled, the man looked away.

He was simply not giving her any face!

Qiao Mu looked at Su Chen and Chi Xia's indifference, then at Lu Jingzhi and Baby Guan's argument, and felt a little helpless.

Chi Xia walked to the bedside and sat down. She asked about Qiao Mu's condition, and Qiao Mu smiled. "I'm fine now. I'll stay in the hospital for a checkup for two days, and then I'll be discharged. I'll be able to go back to school then!"

"It's good to see that you're fine. I thought you would be very depressed. I didn't expect you to recover so well. Looks like it's someone's credit." Chi Xia glanced at Li Yan.

Qiao Mu curled her lips. "Yeah, it's all thanks to him."

"Look at how happy you are. Your appearance makes me full of hope for love..."

Before Chi Xia could finish her sentence, Baby Guan patted Chi Xia's shoulder. "

Xiaxia, we've met the wrong person, but don't be discouraged. You'll meet the right person soon. '

The whole room was filled with people. Chi Xia felt awkward. " If you want to feel sorry for me, don't drag me into it. "

"What's there to be embarrassed about? Isn't it just a breakup?" Baby Guan did not think much of it.

Su Chen stood up and said, ""Big brother, it's too noisy here. I'll be leaving first."

Lu Jingzhi followed closely behind. " I'm leaving too. "

He stopped in his tracks and looked at Baby Guan. " It's on the way. Do you need me to send you? "

"No need! What's our relationship? Why do I need you to send me off?"

Chi Xia looked at Baby Guan and said, " Baby, you go first. I'm going to the supermarket nearby to buy something. I won't be going back with you. '

Baby Guan stood up. " Alright, I'll be leaving first. I have a ride. It's a waste not to take it. '

Qiao Mu and Chi Xia looked at each other. They could tell what Baby Guan was thinking at a glance.

After Baby Guan left, Chi Xia did not stay and left the hospital.

The sky was gloomy and there was a faint sound of thunder. It seemed like it was going to rain.

Chi Xia walked quickly to the bus stop. Suddenly, raindrops fell without warning.

By the time she reached the bus stop, her thin clothes were already wet, and her body was wet and cold.

Her phone rang. She stared at the bus, took out her phone, and opened the message.

" Xiaxia, the weather forecast says it's going to rain in Beijing today. Remember to bring an umbrella when you go out. "

Staring at the text on the screen, Chi Xia held her phone tightly and was in a daze for a while.

Gu Cheng had been contacting her recently. He called her, but she didn't pick up and blocked him. Instead, he changed his number to send her messages. He was like a virus, barging into her life and interfering with everything she did at all times!

Chi Xia thought that she had already let it go, but at that moment, she was feeling unusually depressed, perhaps because of the weather.

The rain was getting heavier. Chi Xia crossed her arms in front of her chest. Suddenly, a black car stopped right in front of her.

Chapter 427: Was He Appreciating Her Awkward State?

The car window rolled down and Chi Xia was stunned to see the man in the car.

The person in the car was Su Chen!

The man's gaze fell on her. He sat in the car that sheltered him from the wind and rain and looked down at her from above. It was as if he was watching her make a fool of herself, and it instantly made her unable to hide her embarrassment.

This man saw her in such a sorry state and deliberately stopped the car to admire her?

At this moment, the man in the car said coldly, "Get in the car."

Chi Xia widened her eyes in shock. He wanted her to get in the car?

Just as she thought she was hallucinating, the man's voice sounded again. "Do you want to stay here in the rain?"

Chi Xia suddenly realized that he had indeed asked her to get into the car. Didn't this man say that she was not to appear in front of him? Why was he so kind as to send her off now?

Su Chen looked at the confused woman outside the car impatiently.

He drove out of the hospital's parking lot and stopped at the intersection. Then, he saw a slender figure running quickly to the bus stop.

She was drenched by the rain. She hugged her arms and hung her head. She looked very sorry. She looked like a puppy that wanted to be abandoned by the roadside.

For a moment, he actually felt that this woman was quite pitiful.

It was rare for him to be so kind and wanted to send her off, but this woman's reaction was so slow.

Seeing that the woman had no reaction, Su Chen started the car impatiently. "If you want to get wet in the rain, then continue! "

"Sigh ... Wait!" Chi Xia finally reacted. She quickly stepped forward and opened the car door.

In Baby Guan's words, if there was a free ride, it would be a waste not to take it!

However, when she stepped into the car, she saw the stains left by her wet shoes on the clean floor mat. She immediately felt very embarrassed.

Her body was wet, and his car was clean and shiny. She felt like a clown. She was really embarrassed to sit in his car and dirty it.

Su Chen's gaze fell on Chi Xia's foot and he frowned.

Chi Xia could tell that the man was very impatient. She braced herself and got into the car. As soon as she closed the door, the car flew out.

"Where to?"

After Chi Xia told him the address of the school, there was no more movement in the car.

The man drove quietly, completely treating her like air.

Actually, Chi Xia was a little flattered that this man would send her home.

Thinking of her drunken mistake, he said in a low voice, "Mr. Smith, I'm really sorry about that time when I was drunk. Please don't hold it against me."

Su Chen's expression changed when he heard that. He turned to look at Chi Xia. Do you want me to throw you out of the car? '

Chi Xia was speechless.

The man's expression was cold to begin with. When this matter was brought up, it was especially ugly.

Chi Xia really could not remember how badly she had vomited that night to make this man so disgusted.

In the car, the air-conditioning was turned on. Chi Xia was drenched and the cold air blew on her body, causing her to shiver.

Suddenly, her phone rang.

Chi Xia took out her phone, saw the caller ID, and hung up.

However, the other party did not give up and continued to call. This time, it attracted the attention of the man beside him.

Chi Xia couldn't take it anymore. She picked up the call and asked in a low voice, ""What exactly do you want?"

Xiaxia, don't treat me like that...

"Gu Cheng, please understand that we have nothing to do with each other anymore.. Please don't disturb me again!"

Chapter 428: Is There Something Missing in Your Brain?

" Xiaxia, you can't forget me. I know you still love me, and so do I. I'm trying my best to solve my family's problems. Give me some time. '

Chi Xia took a deep breath. " I'm sorry, I already have a boyfriend. Your matter has nothing to do with me! '

"How is that possible? You're lying to me, right? Xiaxia, I'm going back to

China. Can we meet and talk?"

He wanted to return to the country...What did his return have to do with her? He had his fiancée, yet he still wanted to pester her?

How selfish was this person?

Chi Xia gripped her phone tightly and said coldly, " My boyfriend is right next to me. It's up to you whether you believe me or not. Please don't come and affect our relationship! "

The person on the other end of the phone was still talking when Chi Xia's hand that was holding the phone was empty. The phone was taken away.

She looked up in shock and saw Su Chen placing the phone to his ear and speaking coldly into the phone, ""Who are you?"

After hearing Su Chen's words, the other end of the phone fell silent. Su Chen sneered, " You don't even have the courage to talk to me. Don't call me again! ' After saying that, he hung up the call.

Chi Xia was stunned when she saw Su Chen answering the call for her. She snapped out of her daze and snatched the phone away. " Why are you interfering in my business? "

Su Chen's cold gaze swept over. " I helped you get rid of your entanglement, and you're still unwilling? You said that your boyfriend is right beside you. Is there someone else besides me?"

Chi Xia choked and admitted that she was in the wrong. She gritted her teeth and didn't say anything.

She lowered her head and became depressed. Yes, what she wanted was to cut ties with Gu Cheng!

Su Chen looked at the woman who had lost her soul and narrowed his eyes. "

So, you got drunk last time because of this man? "

"It's none of your business!"

"You vomited all over me because you were drunk with another man. It's none of my business?" It was as if the mention of this matter would remind him of the plot of that scene, and his eyes darkened.

Chi Xia felt a little guilty and mumbled softly, “I’ve already apologized many times. If you hold a grudge, why don’t you spit it back?”

These words were as disgusting as they could get to Su Chen.

He snorted coldly and was about to say something when he saw Chi Xia crossing her arms in front of her chest. Her clothes were thin, her lips were slightly pale, and her body was faintly trembling.

He looked at the cold air blowing directly on her body and frowned. He raised his hand to turn off the cold air. “Woman, is there something wrong with your brain? Can’t you tell me if you’re cold? You didn’t open your mouth?”

Chi Xia was sitting in someone else’s car and was too embarrassed to speak. When she heard Su Chen’s words, she was stunned. For a moment, her heart felt warm.

The air conditioner was switched off. It was finally not that cold anymore. Chi Xia relaxed. “Mr. Su, thank you.

There was no response to her words of thanks, and the car returned to silence.

When the car arrived at the school dormitory area, the rain outside had already stopped.

Chi Xia thanked him again and was about to get out of the car when Su Chen glanced at the floor mat that Chi Xia had stepped on. “Take it back and wash it before giving it to me.”

Chi Xia was speechless.

Although Chi Xia knew that she was indeed a little dirty, she still felt embarrassed to be exposed by him.

She thought for a moment. “Mr. Su, why don’t I give you some money and you can take it to dry cleaning?”

“I’m not short of money!”

Chi Xia could only accept her fate and take the floor mat away. She closed the door and the car sped away.

Looking at the things in her hands, Chi Xia sighed. She really couldn’t just take a free ride.

Chapter 429: I Know You Don ‘t Love Me Anymore (1)

Qiao Mu’s body recovered and she was discharged from the hospital smoothly.

After she was discharged from the hospital, she went back to the Qiao family’s house. Coincidentally, Qiao Ya was at home.

When Qiao Ya saw Qiao Mu, she immediately threw the bag in her hand at Qiao Mu frantically. ““What are you doing here? Get lost! This is no longer your home! Qiao Mu, you’re a bastard! You’re a liar! You’ve been lying to my family for so many years! Now that you’ve ruined my family, you’re a scourge!”

Qiao Mu’s expression turned cold. “ I came back to retrieve my things. I’ll leave after I take them and won’t come back again! ”

“What do you want? Everything here doesn’t belong to you. Don’t even think about taking anything away!”

Qiao Ya was already in a half-crazy state. Her mother was sentenced, her father was in a coma in the hospital, and her company was half-dead. She had always been a high and mighty heiress, but she had always lived under Yu Tingyun’s protection. She didn’t know what to do when she encountered such a change.

Qiao Mu ignored her and went upstairs to her room to pack her things.

She had nothing to take away. Just as Qiao Ya had said, everything here did not belong to her. She put the photo by the bedside into her bag, including a photo of her and Qiao Jiannan.

Qiao Mu went downstairs and walked out of the house, with Qiao Ya rushing out behind her.

Li Yan was waiting for Qiao Mu outside. When he saw her come out, he quietly waited for her to walk over. Immediately after, Qiao Ya stormed out from behind him, and he strode forward.

Qiao Mu, stop right there! What did you take? Don't even think about stealing our things!" Qiao Ya shouted in exasperation.

Qiao Ya had just finished shouting when she saw Li Yan walking over. His face turned pale and his legs went weak from fear.

She lost control and pounced on him. " Uncle, you can't treat my mother like this. We're family. You can't be instigated by that b * tch Qiao Mu! ' Li Yan's expression was cold. He shook off Qiao Ya's touch. " Get lost! "

"Uncle...You can't treat us like this!" Qiao Ya's face contorted. She suddenly thought of something and hurriedly said, ""Uncle, you don't know, but this Qiao Mu is very sinister. Not only did she seduce you, but she also had an ambiguous relationship with Su Chen. I've seen the two of them go on a private date to eat. This slut is really a slut to the bone. You must see her true colors!

He won't even let go of the men around you. Who knows how many men he's with...

Qiao Ya kept calling him a slut, causing Li Yan's face to darken.

Without waiting for Qiao Ya to finish speaking, he kicked the other party away and mercilessly kicked Qiao Ya to the ground.

Qiao Ya fell to the ground in a sorry state and looked at the man in front of her in disbelief.

What did she say wrong? Everything she said was true. Why did Li Yan refuse to believe her? What method did Qiao Mu use to make Li Yan's soul turn upside down?!

Li Yan narrowed his eyes coldly. " If you don't want your tongue, just tell me.

I'll settle it for you! "

Qiao Ya's face instantly turned pale!

Li Yan's body carried a faint murderous aura, as if he wanted to tear Qiao Ya's mouth apart!

Qiao Mu stepped forward and held Li Yan's hand. " Uncle, forget it. Let's go. '

Li Yan retracted his gaze and looked at the little woman in front of him with a smile on her face. His anger was instantly suppressed as he held her hand and left.

Qiao Ya looked at Li Yan's transformation in disbelief. Her eyes were burning with madness as she gritted her teeth in hatred!

This was unfair! Why did Qiao Mu end up in such a good state after destroying her home?

Even the Yu Corporation that her mother had inherited had been snatched away by Li Yan. Now, the Qiao family was only an empty shell.. What should she do?

Chapter 430: I Know You Don 't Love Me Anymore (2)

In the following period of time, Li Yan was especially busy.

Yu Enterprise was completely defeated by Yu Tingyun.

Li Yan took advantage of the situation and obtained the largest share of the Yu

Corporation. Yu Yiduo became the chairman of the Yu Corporation.

After that, Yu Enterprise returned all the funds that Yu Tingyun had transferred from Qiao Enterprise, allowing Qiao Enterprise to tide over the difficulties for the time being. However, without Qiao Jiannan's support, and with Qiao Ya who could not control the situation, Qiao Enterprise was in a very critical situation.

At night, Qiao Mu stayed up all night waiting for Li Yan to come home. Recently, Li Yan had been leaving early and returning late, so she had not seen him for a few days and felt neglected.

Looking at the time, it was already one o'clock in the morning. She yawned. She had to go to school during the day and could not support herself at night.

She had been waiting for Li Yan for the past few days, but in the end, she fell asleep unknowingly. She did not even know when Li Yan came back or when he left the next day.

If the butler had not told her that Li Yan had left early in the morning, she would have thought that he had not returned for the entire night!

Although she understood that he had been busy with the Yu Corporation recently, couldn't he wake her up when he returned home and saw that she was asleep?

Qiao Mu unwillingly laid on the bed and almost fell asleep in a daze. She shook her head vigorously, trying to stay awake.

The most painful thing in this world was to be woken up by an alarm clock when you were sleeping soundly, and to be extremely sleepy and still hold back from staying awake.

She took out her phone and sent a message to Li Yan."Uncle, I'm going to take a nap first. Wake me up when I come back. I have something to tell you."

Actually, she just wanted to wait for him to come back and sleep with him.

At this moment, on the top floor of the Li Corporation, Li Yan looked at the message sent by the little woman so late at night and sighed helplessly. Then, he looked at the pile of documents in front of him that he had to finish today and replied to her message, "Be good and sleep early. I still have to go back in a while."

Qiao Mu pursed her lips and stubbornly insisted. "You must wake me up!"

Qiao Mu placed her phone aside and closed her eyes, falling asleep in an instant.

Li Yan only came back at three in the morning. If he had been this busy in the past, he would have spent the night in the company's lounge and continued working the next day.

However, when she thought about how there was still a little woman waiting for him at home, how could she bear not to come back?

Li Yan got on the bed and gently hugged her petite body in his arms. He did not wake her up and hugged her to sleep.

When Qiao Mu woke up the next day, she was the only one left in the empty room.

She looked at the obvious traces of someone sleeping beside her. She sat up angrily and he left without a word!

This man was really too evil. After he came back, he hugged her to sleep and had an addiction, but she did not know anything and did not consider her at all!

Qiao Mu took out her phone and sent a message. "I know you don't love me anymore!"

A short while after the call was sent, her phone rang. Qiao Mu's lips curled up slightly. Hmph, now you know fear, right?

However, the caller wasn't the man he expected, but Yu Yiduo?

Qiao Mu picked up the call and heard Yu Yiduo's ambiguous laughter. "Mumu, I love you. How can Mommy not love you?!"

"The expression on Qiao Mu's face instantly froze.

She picked up her phone and looked at it. It really seemed like she had hit a wall. She had sent the wrong message!

He sent the message to Li Yan to Yu Yiduo!

Oh my god, she really didn't do it on purpose!
