Chapter 431: I Know You Don't Love Me Anymore (3)

Qiao Mu laughed awkwardly. "Haha, Auntie, I'm just joking with you. I was playing Truth or Dare with my classmate, and I wanted to send an ambiguous message to someone, so I thought of Auntie."

Uh ... What a stiff reason.

Why did she feel that the more she said, the worse it was?

"Is that so? Playing games so early in the morning, Mu Mu, your life is pretty good! I heard that Li Yan has been so busy recently that he doesn't have time to accompany you. I thought you would be unhappy, so I wanted to persuade him to spend more time with you. Since you have a rich life, I won't interfere in your matters."

Qiao Mu was speechless. Great aunt, please intervene! Teach that insensible son of yours to treat me better!

Although Qiao Mu was praying silently in her heart, she still had to pretend to be indifferent. "Auntie, Uncle is busy, so it's only right not to disturb him. I'll be obedient and sensible."

"Mu Mu is so obedient!" Yu Yiduo laughed. "Alright, I know you're bored. When you're not in class, can you take some time to go shopping with me?"

"Okay, Auntie. I don't have any classes this afternoon."

"Then it's decided!"

After hanging up the phone, Qiao Mu stared at the message and felt that she had lost all her face in front of Yu Yiduo!

At the same time, Li Yan received a message on his phone. It was a screenshot sent by Yu Yiduo, followed by a message: "Son, my daughter-in-law sent the wrong message. I can feel that powerful resentment through the phone screen.

You have to comfort her!"

Li Yan looked at the screenshot and sighed helplessly.

This little thing must be angry because she didn't wake her up last night.

Li Yan picked up his phone and dialed the number. Soon, he heard a lazy and angry voice. "Are you here to make fun of me? If you dare to say yes, I'll ignore you!"

She had just hung up on Yu Yiduo for a while when Li Yan called. Qiao Mu could completely guess that Yu Yiduo must have reported her.

Li Yan chuckled and said in a good mood, ""No."

Qiao Mu snorted. " You still dare to say no? You're laughing at me! " I won't be able to see you anyway. From today onwards, I'll move back to the dormitory and won't stay in the boudoir for nothing!"

"Be good. I'll be done in the next few days. I'll make it up to you later."

Qiao Mu's eyes lit up. " How are you going to compensate me? "

"Do whatever you want!" Li Yan very generously handed over the authority to Qiao Mu.

How could Qiao Mu be unhappy with such treatment? She immediately became excited. " Alright, you said it yourself. I'll do whatever I want! "

In the afternoon, Qiao Mu and Yu Yiduo went shopping.

Yu Yiduo bought a lot of things in big and small bags. In a short while, Qiao Mu had several sets of clothes and accessories.

"Auntie, I already have enough clothes," Qiao Mu couldn't help but say. "Please don't buy me any more."

"It's okay. You don't have to be reluctant. I spent all of your uncle's money. He doesn't have time to go shopping with you. I'll spend his money on his behalf, accompany his woman, and help him love his woman."

Qiao Mu was speechless. Can you stop mentioning that text message?

Yu Yiduo said as she paid, "Mu Mu, don't save money for men. If you save money, where will they have the motivation to make money? Whatever you want, just swipe your card!"

Qiao Mu's lips twitched. What card? Where did she get a card?

Yu Yiduo could tell that Qiao Mu's expression was off, so she asked in surprise, "Li Yan didn't give you a credit card, did he?"

Chapter 432: I Know You Don't Love Me Anymore (4)

Seeing Yu Yiduo's surprised expression, Qiao Mu immediately said, "Uncle gave me a shopping card, but I lost it."

She did not lose it. She had returned it to Li Yan.

"Shopping card?" Yu Yiduo seemed to have heard something unbelievable. She frowned. "Why didn't I know that my son was so stingy? What's the use of a shopping card? It can't be used as money. If his woman doesn't give him a proper credit card with unlimited spending, he still has the cheek to say that you're his woman. Poor Mu Mu, I feel unfair for you! Why don't you dump such an unreliable man as soon as possible? Be my daughter, and I'll find you a reliable one."

Qiao Mu was speechless.

Was this really Li Yan's biological mother?

Why did she look more like her biological mother?

Then, Yu Yiduo placed the card in Qiao Mu's hand. " Here, this is from Mommy. Keep it well. "

"Auntie, it's useless for me to take this..."

Listen to me. If you don't accept it, you're not giving me face. " Such a good daughter-in-law had to be suppressed with a black gold card. That way, other men would not dare to approach her!

Seeing Yu Yiduo's serious expression, Qiao Mu had no choice but to accept it.

After shopping with Yu Yiduo in the afternoon, Qiao Mu said, ""Auntie, you can go back first. I still have something to do."

This place wasn't far from Li Enterprise. Yu Yiduo saw through Qiao Mu's thoughts with a glance and left with a smile.

Qiao Mu went straight to the Li Corporation. Since Li Yan was not available to see her, she would take the initiative to meet him!

Downstairs, Qiao Mu gave Lei Yi a call, and he quickly came down to pick her up.

After entering the elevator, Qiao Mu asked, "Assistant Reiter, Uncle..." Is Li Yan particularly busy recently?"

" Yes, there have been many things to do in the company recently. In addition to the reorganization of the Yu Corporation and the overseas business, everything has piled up. The CEO has been working

overtime until three in the morning every day. He comes to the company at seven in the morning to continue handling things.” Lei Yi explained in detail.

Qiao Mu was stunned. He was actually going to be busy until three in the morning?

No wonder she waited for him to come back every night after one o’clock. When she was so sleepy, he was working hard!

Not only that, he had already gotten up to continue working while she was sleeping soundly.

He was busy until late at night. Coupled with the journey back and forth, it would only take him three hours to get home and sleep!

Qiao Mu felt upset. How desperate was this man?

In the past, she had always seen him gloriously and arrogantly, as if he was always so bright and lived a prominent life that others could not envy. However, who could see him working so hard in private?

The reason why he attacked Yu Group was mostly because of her. Although he was indeed not on good terms with Yu Tingyun and would have done it sooner or later, if he had not changed his mind at the last minute because of her, he would have found the easiest time to do it and would not have done it so hastily.

In the past few days, all her dissatisfaction had completely disappeared. She only felt ashamed and heartache for that man.

Lei Yi looked at Qiao Mu’s dim eyes and thought for a moment before continuing, “In the past, when the CEO was busy at a foreign company, he would almost always finish his work and sleep directly in the office lounge, saving time on the road. These few days, no matter how busy he is, he has to rush back. Half of his rest time is wasted on the road.”

Qiao Mu’s heart tightened when she heard Lei Yi’s words.

He went home every night, and she was the one waiting for him at home?

Chapter 433: She Wanted to See Him Like Crazy

He never woke her up because he did not want to disturb her sleep. This man was always thinking about her, but she was throwing a tantrum!

At this moment, Qiao Mu wanted to see that man like crazy.

The elevator door opened and she stepped out first. Then, someone called her name from behind.

“Qiao Mu?”

Qiao Mu turned around and saw Tang Jiajia. When she was in the design department, she only had a good relationship with Tang Jiajia.

Tang Jiajia smiled when she saw Qiao Mu. “It’s really you. Why are you here? ‘

“I have something to do.” As Qiao Mu spoke, Lei Yi came out of the elevator behind her. She saw Tang Jiajia’s expression of understanding.

Tang Jiajia inched closer to Qiao Mu and whispered, “I SO you came with Assistant Lei Te. Assistant Lei Te is so bold to bring your girlfriend to the company. It’s working hours now!”

Qiao Mu’s lips twitched. Alright, she had forgotten that Tang Jiajia still thought Lei Yi was her boyfriend.

At this moment, Tang Jiajia’s expression changed, and she bowed her head respectfully behind Qiao Mu. “Hello, President. ‘

Qiao Mu turned around and saw Li Yan walking toward the elevator. Although he went home every night, she had not seen him for a few days.

At this moment, the man was just a few meters away from her. She could clearly size him up. That handsome face was still in high spirits. He was surrounded by people and still looked noble and extraordinary.

However, he did not look too good. He had been working late for many days, and there were faint dark circles under his eyes. If one did not look carefully, one would not be able to tell that he slept less than four hours a day.

Qiao Mu was upset. Suddenly, Tang Jijia tugged at her from behind and said in a low voice, ""The president is meeting a client. You're blocking the way!"

Qiao Mu reacted abruptly and immediately moved to the side. At this moment, the man's gaze swept over and seemed to have noticed her. He narrowed his eyes in disbelief, and after a quick glance, he shifted his gaze away nonchalantly.

Initially, Qiao Mu wanted to give him a surprise and go straight to his office to give him a fright. Unfortunately, he saw her just like that.

Li Yan and the rest stopped in front of the elevator. The middle-aged woman standing beside him said, ""President Li, I hope we can work together next time."

" There will be a chance, President Shu. In two days, Mother will hold a banquet in the name of Yu Corporation. I will send someone to send the invitation to your company. I hope President Shu will attend. "

The other party smiled. " I heard that the transformation of Yu Enterprise is all thanks to President Li. I naturally have to attend such a grand event. "

Only then did Qiao Mu turn her attention to the person beside Li Yan. This woman looked a little familiar, but she could not remember when she had seen her before.

Qiao Mu asked Tang Jijia softly, " Who is this person? "

It's the CEO of Shu Enterprise, Shu Xinyu. She has a big business deal with our company." Tang Jiajia replied softly.

Qiao Mu did not know much about the business world, and it was obvious that Shu Enterprise was not a small company. She could tell from Li Yan's attitude toward her.

The president of Shu Enterprise was another strong woman.

Qiao Mu was sizing up the other party when Shu Xinyu suddenly turned to look at her.

Qiao Mu was startled. It was somewhat impolite to retract her gaze at this moment, so she politely smiled and nodded at Shu Xinyu.

The other party's expression was cold and he did not give any response. He turned to Li Yan and said, "Then, President Li, I'll take my leave first.."

Chapter 434: Uncle, Don't Chase Me Away

Qiao Mu did not mind the other party's indifference. When Li Yan was sending off the client, she sneaked into his office.

Seeing that there was no one around, she sneaked into Li Yan's office and waited quietly for him to return.

Qiao Mu stood by the door, her mood jubilant. Her youngest uncle was about to return.

Suddenly, the office door opened from the outside. Qiao Mu couldn't wait for the man to come in, so she enthusiastically went to the door and pounced on him...

However, when she saw the person who opened the door clearly, she suddenly braked. However, it was still too late. Her body fell forward and she hit.. Lightning Wings!

The person who opened the door was Lei Yi!

Qiao Mu's speed was too fast, and Lei Yi jumped in fright. Seeing that Qiao Mu was about to pounce on him, he hurriedly took a step back, wanting to dodge, but he still wasn't able to dodge completely. As the two of them reacted at the same time, their bodies still touched a little.

It was really just a little bit!

Qiao Mu swiftly took a step back, and the lightning wings also swiftly retreated, thus avoiding this awkward situation.

Li Yan's face darkened when he saw this.

Qiao Mu scratched her head awkwardly. "I got the wrong person." "I got the wrong person!"

Lei Yi felt his scalp go numb. "Miss Qiao, it's okay if you've got the wrong person. Can you consider my feelings?"

Li Yan's gaze indifferently swept across Lei Yi's chest, where Qiao Mu had just touched him. His gaze seemed to want to peel off a layer of his skin. Lei Yi was really innocent. Before Li Yan exploded, he quickly left the crime scene.

Li Yan entered the office and closed the door.

Qiao Mu chuckled at him and threw herself into his arms passionately again.

She threw herself into Li Yan's arms and hooked her arms around his neck. "Uncle, are you surprised to see me?"

Li Yan lowered his eyes and looked at the little woman, enjoying her closeness. His expression was indifferent. "Yes, I was indeed 'pleasantly surprised' to see that scene just now!"

“I didn’t do it on purpose!” Qiao Mu’s arm was hooked around his neck, and her body was practically hanging on his body. She rubbed against his chest and smelled the familiar scent on his body. “ Uncle, I haven’t seen you for a few days! When you see me, why don’t you show some joy and comfort me!”

Li Yan chuckled helplessly. He bent down and carried her in his arms. Then, he strode to the sofa and sat down. He hugged her in his arms. “ I can see you every night. What’s there to be happy about? ”

“Hmph, it’s not fair!” To him, he could indeed hug her to sleep every night, but unfortunately, she could not feel it!

Li curled her lips. “ Why are you looking for me at the company? ” You missed me so much that you couldn’t see me at night. Why did you have to come and see me during the day?”

“Yes, uncle, I miss you!” Qiao Mu burrowed into his embrace, not hiding her thoughts at all.

Li Yan’s eyes darkened, and a hint of surprise flashed across his eyes. He was just teasing her, but he did not expect her to admit it.

This little thing was getting cuter and cuter!

She was so cute that she wanted to eat her up!

Qiao Mu thought of his busy schedule and immediately nudged him. “ Uncle, go ahead with your work. Don’t worry about me. I’ll watch you from the side and won’t disturb your work. ‘

Li Yan raised his eyebrows. “ Do you think I can still work if you look at me? ”

“Then what should we do? You’re not chasing me away, are you?” Qiao Mu’s small face scrunched up. Without waiting for him to say anything, she tightened her grip on his arm and coquettishly negotiated, “ Uncle, just let me stay here. Don’t chase me away.. “

Chapter 435: I Want to Stay With You

Li Yan felt a warm feeling in his heart when he saw the little woman acting coquettishly to please him. All his fatigue was instantly swept away.

This little thing was really getting more and more clingy. However, he enjoyed the feeling of being clung to by her.

Her petite body squirmed in his embrace like a kitten, rubbing against him. Very quickly, the flames in his body were ignited.

Li Yan's body tensed up, but the little woman remained indifferent and continued to rub against him. She whined coquettishly, 'Uncle, I don't want to leave. I want to stay with you!'

Li Yan's eyes narrowed. He could not suppress the fire burning in his body. He hooked one arm around her waist and pressed the back of her head with the other before fiercely kissing Qiao Mu on the lips.

His body had been thirsty for a long time. He hadn't touched her since she was hospitalized!

He accompanied her all day in the hospital, but because she had not recovered, he had been holding it in and could not lay his hands on her.

After she was discharged from the hospital, he got busy and went home in the middle of the night. He could not bear to wake her up, so he could only endure it.

However, the little thing had actually delivered itself to his doorstep and placed it in front of his mouth for him to eat. How could he not eat it!

Qiao Mu was a little dizzy from the kiss. His kiss was fiery and carried a hint of fanaticism. She hooked her arms around his neck and endured his demands.

Suddenly, he felt a large hand reaching into his clothes. That scalding hand swept across and plundered, showing no signs of stopping.

She suddenly opened her eyes and gently pushed him to stop him. "Uncle, you can't!"

"Hmm?" The man narrowed his eyes, unable to hide his feelings.

Qiao Mu glared at him with a blushing face. "You need to work. I'm not here to disturb you. "

He was so tired and busy with work that he didn't even have time to sleep at night. If her appearance disturbed his normal work, wouldn't his workload at night increase again?

"I suddenly feel that a balance between work and rest is more efficient. So, let's exercise now. "

Qiao Mu was speechless.

Qiao Mu only felt her vision blur before she was carried by Li Yan and strode into the lounge in the inner room.

"Uncle, since you have time, hurry up and sleep. Your body will be ruined if you keep doing this!"

"Tormented? Little thing, it seems that you have too little confidence in my body. Since you look down on me so much, I can only torture you to see if it can be damaged!" Li Yan placed Qiao Mu on the big bed and then climbed onto it.

Qiao Mu's face was flushed red!

What the hell! The torment she was referring to was the fact that he only slept for less than four hours every night!

But what did he say? The torment that he was talking about was clearly colored!

Then, a certain man didn't give her any reaction and used his actions to prove that he had good physical fitness.

Qiao Mu was exhausted after an intense bout of sex.

Perhaps it was because the two of them had not been together for a long time that a certain someone was like a hungry wolf and could not be controlled at all!

However, despite such a large amount of exercise, he was still full of energy!

If Qiao Mu had not been certain that he was exhausted every day and night, she would not have believed that this was the truth!

Why was his stamina so good?

Li Yan hugged Qiao Mu and refused to give up. ""Do you think your man's body is damaged? Why does it look like you've been tormented?"

Qiao Mu was speechless.

As expected, a man's dignity could not be harmed!

Wasn't she just worried about his health? He had to show off to prove his ability?

Chapter 436: Don't Be Alone

In fact, Li Yan did not mean to prove anything. Every time he met her, he would lose control, not to mention that he had suppressed it for so long this time.

Li Yan leaned against the headboard while Qiao Mu leaned weakly against his chest. Her arms were lazily wrapped around his waist, and her fingers were drawing circles on his abdominal muscles.

Li Yan grabbed her little hand and reminded her, ""If you still want to continue exercising, I don't mind you saying it directly. You don't have to pick me so subtly."

Qiao Mu's movements froze, and she retracted her hand with a red face. She raised her head to look at the man's expression and asked softly, ""Uncle, do you want to sleep?

"I'm not sleepy. If you're tired, sleep for a while."

"Nonsense, you stay up so late every day. How can you not be sleepy?" Qiao Mu raised her hand and caressed his face, feeling extremely distressed. "Look at how pale you look. You even have dark circles under your eyes. If you continue to endure like this, your body will collapse. It's fine if you worked so hard in the past, but now that you have me, you have to take care of your body. '

"It's because of you that I have to work harder. Otherwise, how could I afford to raise you?"

"I'm very easy to raise! If you don't take good care of your body and get sick from exhaustion, I'll have to take care of you. I'll be at a disadvantage then. Can't you think about me? If anything happens to you, I'll really become a lonely person. How pitiful would I be then? Can you bear to?"

Qiao Mu sounded pitiful, but Li Yan knew that she was worried about him and did not want him to be too tired.

The hand around her waist gently patted her and replied, "Okay, in order to not let you be alone, I'll take care of my health in the future."

"This is my uncle!" Qiao Mu grinned. "Then take a nap to replenish your sleep.

I'll watch over you! "

Li Yan lowered his head and looked at her ambiguously. "Compared to sleeping, I want to sleep more..."
You!"

"Uncle, can we be more serious?"

Suddenly recalling something, Qiao Mu rested her chin on his chest and stared at him with her big eyes. " Don't you think it's a little weird for me to still call you little uncle when our relationship as uncle and nephew is no longer the same? "

"We don't have this kind of relationship to begin with. If you don't like this form of address, then change it to the previous form of address."

Qiao Mu pursed her lips. " Big Brother? But don't you think that's a strange way of addressing me? We're ten years apart, so you're already an uncle. Calling you big brother would be disrespectful!"

The corners of Li Yan's lips curled up. His smile was sinister. " So, are you hinting to me that I'm very old? "

Qiao Mu could vaguely sense that the man was unhappy, so she chuckled. ' You're not old. I'm just too young!

Li Yan glanced at Qiao Mu's chest and nodded. " Indeed, it's quite small. "

Qiao Mu was speechless.

Small your sister!

Qiao Mu snorted and bit the man's abdominal muscles. Following her action, the man's body tensed up and he jumped up.

He flipped over and pressed Qiao Mu into his embrace. " Little thing, I've warned you before. Don't hint at me if you don't want to continue! You're so obvious. If I don't do something, I'll feel like I'm letting you down."

.. Uncle, I was wrong."

"Too late!"

After exercising again, Qiao Mu was already exhausted to the extreme. In a daze, she felt that a certain man was about to get up, so she hugged his waist and muttered softly, ““Uncle, sleep with me for a while.”

“Be good, I want to work.”

“Just sleep for a while, just a little while!”

Li Yan had no choice but to give up on the idea of getting up to work. He hugged the little woman to sleep.

Work could be done at any time, but a little woman’s coquettishness was not something that could be done at any time..

Chapter 437: Admire Qiao Mu’s Ability

Li Yan hugged the soft body in his arms and slept soundly.

When he woke up, the little woman in his arms was no longer there.

He frowned slightly. When did the little thing wake up? He actually didn’t feel it.

Li Yan got up and looked at the time. He had slept for two hours and it was time to get off work.

He got up and was about to leave the lounge to look for the little woman when he heard the conversation outside.

“Miss Qiao, where’s the CEO? I have work to report.” This was Lei Yi’s voice.

“He’s too tired and is sleeping. If there’s anything you need, just tell me. When he wakes up, I’ll tell him.” Through the crack in the door, Li Yan saw the little woman sitting on his office chair with her back straight.

Li Yan curled his lips helplessly, but his heart felt warm. This little thing had even participated in his work just to let him sleep a little longer, but could she understand?

Qiao Mu obviously didn’t understand. When Lei Yi heard her words, the corners of his mouth twitched, as if he didn’t want to report to her.

Don’t tell me if it’s a trade secret,” Qiao Mu said considerately. “If you accidentally leak a trade secret, don’t blame it on me. ‘

Lei Yi coughed lightly. “Miss Qiao, it’s just some simple work. I’d better wait for the CEO to wake up and report to him.”

He was worried that if Qiao Mu made a mistake in relaying the message and there was a loophole, then Young Master Li would not blame his nephew. He was the one who had failed in his duty!

“Alright then...” As Qiao Mu was speaking, the lounge door opened.

She jumped up from her seat and looked at Li Yan with some dissatisfaction. ‘

Uncle, why did you wake up so soon after sleeping for such a short while?!”

Lei Yi was a little shocked by Qiao Mu’s attitude, but Young Master Li didn’t think much of it. It was already surprising enough that Young Master Li slept during working hours, yet Qiao Mu complained that he didn’t sleep enough!

Lei Yi couldn’t help but admire Qiao Mu’s ability to persuade a workaholic to go to sleep!

Of course, Lei Yi did not know how much Qiao Mu had paid to let Li Yan sleep for such a short while. Her waist was about to break from exhaustion!

Li Yan walked over, and Qiao Mu obediently gave up her seat.

Ignoring the fact that there were outsiders around, he rubbed her head. "If you don't wake up soon, this place will become your territory."

Qiao Mu chuckled. She suddenly remembered that Lei Yi was around, so she obediently walked to the sofa and sat down, not wanting to disturb him from his work.

Li Yan glanced at Lei Yi, and Lei Yi reported his work seriously.

Qiao Mu looked at the time. It was time for dinner, so she took out her phone and ordered food on the food delivery website.

Lei Yi left after reporting his work. Qiao Mu sat on the sofa without saying a word, not wanting to disturb the man's work.

In the office, other than the sound of flipping through documents, there was only the sound of typing on the keyboard. Qiao Mu was so quiet that it was as if she did not exist.

While Li Yan was working, he would look up at Qiao Mu from time to time to make sure that she was obedient before he continued working.

The sky darkened, and there was a knock on the office door. Qiao Mu immediately went to open the door.

The delivery man stood outside with a bag. "This is takeout from Miss Qiao. It's

390 yuan in total. '

“Alright.” Qiao Mu took the bag and told the delivery man to wait a moment before she went to retrieve the money from her wallet.

However, could she say that she had less than 200 yuan in her wallet?

Li Yan had already stopped working. He watched as the woman took out the money, but he did not take it out for a long time..

Chapter 438: Do You Want to Embarrass Your Man?

Qiao Mu awkwardly looked up at Li Yan and chuckled as she leaned over. ”

Uncle, 390 yuan.

Li Yan realized that his little woman was a pauper!

He pointed at the clothes hanging on the hanger and said calmly, ““My wallet is in my pocket.”

Qiao Mu immediately went to look through her wallet. Fortunately, the man had cash in his wallet, and it was quite a lot.

She counted four and handed them to the delivery boy. She said generously, “There’s no need to look for it.”

The delivery man thanked him and left with the money.

Li Yan shot a glance at the little woman. Just as he was about to say something, the sound of knocking on the door rang out again. Qiao Mu went to open the door again. She was here to deliver something again, and this time, it was fruits.

Qiao Mu once again rummaged through Li Yan’s wallet to withdraw money and pay.

Qiao Mu arranged the dishes and smiled at Li Yan. “Uncle, it’s time for dinner.”

Li Yan walked over. “You bought so much food. Are you treating this place as your home?”

“Yeah, I won’t leave tonight. I’ll work overtime with you! When you’re especially busy in the future, I’ll come over to accompany you after class every day. This way, you won’t have to go home late!” Qiao Mu winked at Li Yan as if she was asking, “Am I especially virtuous? Come and praise me.”

This little thing had become so sensible.

However, she came over every day, and he could not guarantee that he would be in the best condition at work. He was worried that he would lose control and go to exercise with her without doing his job properly.

“How much money do you have in your wallet?” Li Yan asked as they ate.

At the mention of this, Qiao Mu said somewhat embarrassedly, “Less than 200.”

“Where’s Cary?”

“Less than a thousand.” After saying that, Qiao Mu snorted at the man. “You still have the cheek to ask? You haven’t even given me my internship salary!”

Li Yan used to be with Qiao Mu every day, and he provided for all of her needs.

Before that, their relationship was very tense. Even if she was given money, she would never accept it.

Just as Li Yan was thinking about giving this little woman a card to solve her life’s difficulties, he saw Qiao Mu rummaging through her bag and taking out something.

Qiao Mu took the black card that Yu Yiduo gave her and waved it in front of Li

Yan. " Uncle, look, I'm being kept! "

Li Yan looked at the number on the black gold card and raised his eyebrows. " If I remember correctly, this is my supplementary card. '

"You remembered wrongly. This is a benefit given to me by someone who is supporting me." Qiao Mu's smile was indescribably beautiful.

However, in the next second, Li Yan stretched out his long arm and snatched the card away!

Qiao Mu watched as the man put the card into his own pocket and widened her eyes. " That's mine! '

"You're not allowed to take other people's cards!"

"Auntie gave it to me, not anyone else. Give it back to me!" This was Yu Yiduo's gift to her. Whether she used it or not, it was hers! "Other than me, everyone else is someone else."

Qiao Mu was speechless.

How could he be so overbearing!

How unreasonable!

Qiao Mu pouted unhappily. " I want to complain to Auntie! "

The man had a " do as you please " attitude as he peeled the meat of the crayfish and placed it into Qiao Mu's bowl, continuing to eat as if nothing had happened.

After the meal, Qiao Mu was filled with all sorts of dissatisfaction toward the man when the man pulled her into his embrace and stuffed a card into her hands.

It was the same black gold card, but the number had changed.

Qiao Mu blinked, and then she heard the man's domineering voice. ""My woman, you want someone to give you money to spend? Are you trying to embarrass your man?"

Chapter 439: Don't Live off a Woman

The corners of Qiao Mu's mouth twitched. Was it really okay for Young Master Li to be jealous of his mother?

He looked at the extremely heavy black gold card in his hand. This card was not something that an ordinary person could have. It was enough to show Li Yan's wealth!

Qiao Mu hooked her arms around the man's neck and leaned her head against his chest. " Uncle, actually, I can make money. One of my fashion design drafts can be sold for several hundred yuan. It's enough for my living expenses. I don't need this card for my daily expenses.

Li Yan raised his eyebrows. " So, you don't want to accept it? You can take the card your mother-in-law gave you, but you won't accept your man s?

Granny ...

Why did he say this address so naturally?

She pouted. " When Auntie gave me this card, I couldn't reject her kindness, so

I accepted it. I didn't plan to use it. '

“Then you have the cheek to reject my good intentions?” The man’s tone was not very good. He was obviously unhappy.

“Why are you so petty!”

“Take it. Whether you use it or not is another matter. If you need to buy some emergency things, what if your little treasury is not enough? Also, your fashion design drafts are your private copyrights. Don’t sell them casually. Do you want to see someone else’s name on your work?”

Li Yan had hit Qiao Mu’s weak spot. Of course, she did not want to sell the drafts she had designed. After she sold them, others would treat them as her own designs and take them for themselves. Naturally, she would not be happy.

In the past, she had no choice but to use money. Now that she didn’t have Zhou Jieru’s incessant demands and had lost the Qiao family’s living expenses, it was inevitable for her to continue on this path if she wanted to survive independently.

Although she was with Li Yan now, she did not want to spend his money all the time. If she relied on him financially, she would lose her status.

She rubbed her head against his chest and whispered, “Uncle, I still owe you five million. Although such a large sum of money is nothing to you, it’s still a loan. Even if we’re together, we can’t just let it go, right? If you want me to continue spending your money without paying off this money, I’ll feel very guilty.”

Li Yan frowned. He was very unhappy that she had calculated things so clearly with him.

Did this little woman know that she was his woman now? It was only natural for her to eat his, use his, and spend his money?

Because he wanted to give her the best of everything, she didn’t need to feel guilty about accepting all this!

He lifted her chin and made her look at him. " Qiao Mu, don't cut ties with me so clearly. I'll get angry.

"I'm not cutting ties with you. I just don't want to be a woman." This was a matter of values.

"Living off a woman is a man!"

"Then I don't want to be a rice worm raised by you." If she had no pursuit like this, she would be rejected by him sooner or later.

Qiao Mu's gaze was firm, which made Li Yan feel a little helpless. " Since you want to put it that way, then the five million that I gave you, we agreed that we'll pay it off automatically after three years. So, as long as you're with me for three years, this amount of money will be offset. You don't have to think of another way to pay it back. "

Qiao Mu's small face puffed up. Even though she knew that he was thinking for her sake and didn't want her to worry about this sum of money, she still snorted. " I'm not happy that you're telling me about this relationship at a time like this! "

Three years? That was a deal in the past, but it was clearly not the case now!

"I'm the one who should be unhappy!" Li Yan glared at her.. She still dared to be unhappy!

Chapter 440: Must Obey

Qiao Mu snorted again and poked his chest again and again with her finger. " Li Yan, that's enough. You don't even give me any rights when I'm with you. We're equals, so you have to respect me. I want to have the absolute right to speak like how auntie treats uncle! "

Li Yan lowered his eyes and glanced at her. " You're quite ambitious. My mother married my father for decades to get to where she is today. I don't mind you being unreasonable with me again after thirty years! "

Qiao Mu was speechless.

He was ruthless!

She knew that she could not win against him in a debate!

Li Yan wrapped his arms around her and looked at her with a deep gaze. " Qiao Mu, what you want to do after graduation is another matter. But right now, you're just a student and you don't have a source of income. You can totally rely on me. You don't have to calculate things so clearly with me. I'm not forcing you to do things you don't like. There's no room for discussion on this matter. You have to follow my wishes. If you don't rely on your man, who do you want to rely on? "

The man's words were unbelievably domineering. Every word and sentence revealed an incomparable dominance, as if this matter was not negotiable.

Qiao Mu pursed her lips and ignored the main point of his expression. She grabbed onto her pigtail. "" You know that I'm still a student. How can you do that to a student? "

Li Yan's lips curled into a devilish smile. " You seem to have forgotten who attacked whom first! "

Qiao Mu's face reddened. If he were to mention her first time, her first time was under the effects of drugs, alright?

This man did not know how to give in to her. He had never given her the upper hand in a single sentence!

She put the black gold card into her pocket and gave up resisting. " I'll take this card, alright? "

"Be good. If you were so happy earlier, you wouldn't have needed me to teach you."

Qiao Mu snorted and nudged him. " Hurry up and go to work. Go to bed at 12 sharp. I'll wait for you. Don't stay up late! "

Li Yan got up and went to work. Qiao Mu was bored, so she took a pen and paper and started drawing. She drew a bunch of fashion design drafts, and time passed very quickly. It was much more comfortable than waiting for him at home alone.

Qiao Mu was already sleepy after exercising during the day. She rested her chin on one hand and stared at her phone with the other. Seeing that there were only a few seconds left until midnight, she started the countdown. 9, 8..

3, 2, 1. Uncle, it's 12 O'clock. Let's go to sleep."

Li Yan raised his head. " You go to sleep first. I'll be back in a while. "

"No! We agreed to sleep together!" Qiao Mu moved a chair and sat down opposite Li Yan. " If you're not sleeping, I'm not sleeping either! "

"I'll finish this document first."

"Then I'll wait for you."

Qiao Mu was like a primary school student. She placed her hands on the table and sat upright, staring at Li Yan.

Li Yan was really at his wit's end with this little thing. With her stalking him like this, he could not even concentrate on his work.

After continuing to work for a while, he saw that the little woman's eyelids could not hold on any longer. Then, she supported her head with one hand and closed her eyes, almost falling asleep.

Li Yan sighed as he looked at the remaining work. He turned off the computer, got up, and carried the little woman into the lounge.

He knew that with this little woman by his side, his work efficiency would be greatly reduced.

Qiao Mu opened her eyes in a daze. " Are you done with work? "

"Okay, let's sleep."

After Qiao Mu was placed under the blanket, she comfortably groaned and hugged the man to sleep.
