

Destined Wife: The Apple of My Eye

Chapter 451 The Childe in the Tang Family Lives Off A Girl 18

Gungun looks up and sees Zhuang Qin and some other little girls standing there.

“Senior!” Zhuang Qin runs over, “It’s really you! Why do you come to our canteen?”

Yuan Yiming and Zhao Shen take a look. Isn’t she the protagonist of the affair last time? When did she become so familiar with Childe Lang? Two people’s eyes flash curiosity because of loving gossip.

“We run errands round and stop by at lunch time.” Gungun glances at the two people next to him and feels perturbed. He can’t say that these two stupid boys want to see the beauty...

Those little girls behind Zhuang Qin flush with excitement and whisper.

“Wow, that’s the school hunk!”

“He looks better than what he is in the photos!”

“I feel so happy that I can eat two more bowls of rice at noon today.”

Yuan Yiming who is meddlesome says immediately, “Ah! Now that we meet so coincidentally, let’s invite juniors to have meal today!”

“Yes, yes!” Zhao Shen claps his hands and says, “Go. Let’s order food. Uh... Order fish first!”

Zhuang Qin looks at Gungun with a very excited look, “Senior, my brother really came back yesterday, and he also said that he would not play with those people in the future!”

“Really? That’s really great.” Gungun maintains a false smile, “Come on. Let’s find a table and sit down.”

He was not hungry, but now he just wants to eat and hurries away.

Yuan Yiming and Zhao Shen are just on the contrary. They are eager to keep this meal as long as possible. They originally wanted to see the beauty of the canteen. They did not expect to meet a few cute junior high school female students.

They chat a lot during the meal. The juniors are all coaxed by the two to exchange WeChat IDs, and even the food they like and the things they play are found out by the two with casual questions.

“Senior, did Wuyou go abroad to participate in the competition?” Zhuang Qin notices Gungun keep saying nothing, so she asks actively.

Gungun answers, “Yes.”

But he thinks: ‘It’s none of your business.’

Zhuang Qin says enviously, “Wuyou is so amazing! I also want to study hard so that I will be like her in the future!”

Gungun says, “Then you have to make an extra effort.”

But he thinks: ‘Go dreaming! Who do you think you are? And you even want to be the same as Wuyou?’

Zhuang Qin also wants to express her worship to Wuyou, but Gungun smacks down the chopsticks.

“I suddenly remember that the teacher asked me to go to him at noon. You enjoy the meal. I’ll go back first.” He smiles at those juniors, and the little girls blush again, clenching fists, stamping and shouting silently.

“Teacher...” Yuan Yiming wants to say when the teacher asked you to go to him, but sees Gungun’s warning eyes, and swallows back the words, “Then go quickly! Ha ha ha, we will go back later.”

Zhuang Qin hasn’t finished having the meal yet. She stands up politely and watches Gungun leave.

Mi Country.

“Postpone one day?” Mr. Huo, who is leading the team, is holding his mobile phone. The other party is the organizing committee of the competition.

“Okay, I see.”

After he hanging up the phone, Wei Dong hurriedly asks, “Teacher, what’s the situation? Is the competition postponed?”

“Yes, the organizing committee said that there was a problem with the appointing system and would start one day later.” Mr. Huo smiles, “They will reimburse for the extra day’s accommodation and meals!”

The senior student who came together is called Wu Hao. He stretches his waist and says, “That is good. I will get some sleep later.”

“Then I will go out for a stroll.” Another very handsome senior stands up. His name is Nan Yu. He was the first place in the trial, so he is also the most promising student this time.

Mr. Huo hurriedly says, “Don’t go too far, or eat indiscriminately. You must come back before dark.”

“Yes, Mr. Huo!”

Wei Dong looks around and also stands up, “I look at the map and find that there is a bookstore nearby. I will go for a stroll, too.”

“Pay attention to safety!” Mr. Huo is concerned about their safety.

Wei Dong responds and asks Wuyou who doesn’t move, “How about Wuyou?”

“I shall go back to the room.”

“Then I will go out. If you have anything to buy, just say it in the chatting group and I will bring you back!”

Wuyou nods and says, “Thank you.”

“You are welcome!”

When Wuyou returns to the room, she hears Mr. Huo muttering, “Girl is good. No need to worry and they are obedient...”

Her room is next door, Wuyou is about to open the door, but her hand stops. She takes a step back and looks at the door handle. Then she opens the door with the room card and walks in as if nothing has happened.

The school is very generous. They all live in suites. Wuyou walks slowly through the sitting room. She also takes a bottle of water from the refrigerator and enters the bedroom. After a drink of water, she begins to undress.

She unbuttons her shirt slowly. One, two... The girl's fair skin is exposed to the light. When the third button is unbuttoned, her snow-white breasts are dimly visible.

However, the next second, Wuyou appears in the sitting room, hitting behind the sofa with a fist.

Slam! There is a big hole in the leather sofa instantly. Almost at the same time, the second punch also lashes out.

"Stop!" A voice suddenly sounds.

Wuyou's fist lashes over the edge of the back of the sofa.

"Woo woo woo... Wuyou is so horrible!" A girl about the same age of Wuyou comes out from behind and looks at her with an aggrieved face, covering her head.

Wuyou withdraws her fist, "I didn't exert my strength."

"How do you explain this hole?" The girl points to the sofa.

Wuyou glances at it, "You should compensate."

Speechless.

The efficiency of the five-star hotel is high. After ten minutes, an identical sofa is sent over. When the broken sofa is carried away, the staff politely ask for compensation.

"What kind of fairy sofa is this, and why is it so expensive?" The girl speaks with a sweetish girl tone, "Five hundred thousand! I have to save for a long time."

Wuyou sits on the new sofa and watches her perform. The girl is silent for a while, pouting and sitting well, "Wuyou, you are so boring!"

"Why do you come here?" Wuyou stares at her and asks, "Does M know?"

"Of course he doesn't know!" The girl immediately becomes proud, "I sneaked out. I hear that you are here too, so I especially come to see you!"

This girl is called Shirla, a hybrid of Mi Country and Island Country. Wuyou met her in the training place abroad. The two are of the same age, so their relationship is very good. However, even Wuyou doesn't know the organization behind Shirla. She only knows that a person named M is in charge of Shirla.

She talked to M by phone. He is a very cunning man.

Shirla is best at guns, and her marksmanship is better than that of Wuyou.

"Why didn't Childe Lang come with you?" Shirla asks.

"I'm here to take part in the competition. He has to go to school." Read the next chapter on vi p novel

Shirla jumps over happily to hug Wuyou's arm, "That's great. We two will sleep together tonight!"

Without Lang Xuanyuan following, Wuyou can play with her. She is so happy.

"No." Wuyou refuses.

Shirla covers her chest, "Why?"

"You snore and it's too noisy."

Speechless.

But in the end, Shirla still shamelessly gets the right to stay, and takes Wuyou to eat delicious food after nightfall, and then takes Wuyou to the bar in the hotel to play after eating.

"Unfortunately, it's too late to get you a fake passport, otherwise we can go to the bar outside to play!" Shirla also says with pity.

No matter which country, under the age of 18 is prohibited to go to the bar. Shirla is not afraid. She has at least ten identities and ten fake passports, each of which identifies her to be over 20 years old.

“But even if you get a fake one, someone will doubt it.”

Wuyou is not like Shirla. The Orientals are petite. Wuyou whose height is 1.72 meters is tall among the Orientals, but her immature facial features can't deceive people. While Shirla not only has mature appearance, but also has large breasts.

“Are those students of your school?” The two of them sit in the soft seats, listening to the singer singing on the stage, holding the juice specially made for them by the waiter.

Shirla suddenly points to a corner, “Hey, there is another one over there?”

They are Wei Dong and Wu Hao. Wuyou glances. The two are not together. Wu Hao is chatting with several foreigners. Wei Dong is looking at them in the corner not far away.

“Yo yo! I smell a conspiracy.” Shirla smiles evilly.

Wei Dong who stays in the corner has intense internal debates in his heart. He has seen Wu Hao chat with those foreign students for a long time. The more they chat, the more excited they are. And they've drunk a lot.

“If a player has an accident, such as being sick and unable to take part in the competition, the substitute player will play.” Mr. Huo's word repeats in Wei Dong's ears, like a spell.

If... If Wu Hao cannot take part in the competition tomorrow...

Wei Dong hugs his head suddenly. No! Wu Hao is a regular player and a candidate who is likely to win. But...

What if he loses to other countries? Caesar has not won for several years. In that case, it won't matter who goes to the competition!

“500,000 yuan... 500,000 yuan!” Wei Dong closes his eyes. He now has 200,000 yuan. If there are another 500,000 yuan, then studying abroad will not have to be so hard. But if he is found out, he will be finished...

Wei Dong's eyes are reddish, staring at Wu Hao's table. At last he stands up in a determined manner and leaves the bar along the walls.

"Shall we go to check it out?" Shirla asks.

Wuyou frowns, and she can guess what Wei Dong wants to do, but she doesn't expect him to really dare to do so.

"Forget it. You sit down, and I'll go and see!" Shirla is anxious to see the world in disorder. She runs away without Wuyou's consent.

If it's something else, Wuyou won't care. But this matter involves the school and the hard work of the schoolmates and teachers for more than three months, which cannot be destroyed by Wei Dong's greed and selfishness.

Although Wu Hao drinks some wine, he always has a sense of propriety. He looks at the time and prepares to go back to rest. Everyone will participate in the competition, and naturally they will not be too fond of drink. It is proposed to drink the rest and leave.

"Wu Hao!" It is unknown when Wei Dong comes back, "What a coincidence."

Wu Hao makes room for him, "Sit down. Do you want to have a drink?"

"Okay!" Wei Dong takes the initiative to pour a cup. He first hands it to Wu Hao, and then pours several cups for the others, and finally he pours for himself.

"Tomorrow we are going to participate in the competition. For friendship! Cheers!" Wei Dong raises his glass.

The blood of the teenagers is easily ignited, and everyone raises the cups and shouts together.

"For friendship! Cheers!"

Wu Hao is ready to excitedly drink it in one bite, and the wine in his hand is taken away.

"Wuyou?" He is stunned for a moment, "You come to play, too? No, you're still less than eighteen, so you can't drink wine."

Shirla pops her head from behind Wuyou, “Fool, she won’t let you drink the cup of wine!”

Wu Hao’s response is very consistent with the public image of science students. He is first stunned, and then says with a smile.

“The alcohol number of degree of this wine is very low, and we haven’t drunk much. After the last glass, we shall go back. Everyone is a participating student, knowing that we will have a competition tomorrow.”

Shirla clicks her tongue and shakes her head, “If you drink this cup, not to mention the competition, whether you can get out of bed will be a problem.”

“What do you mean?” Wu Hao asks stupidly.

Wuyou looks at Wei Dong, whose face is in the shadow and cannot be seen clearly. He is shaking.

“Let’s leave.” Wuyou says, “Mr. Huo is waiting for us in the room.”

Wei Dong wants to run away, but the girl who looks like a foreigner grins and holds his arm. He tries hard to get rid of her hand, but he can’t break free. The girl even whispers in his ear.

“If you run away, we will call the police and sue you for poisoning.”

Wei Dong doesn’t dare to move and obediently follows them into the elevator, and then reaches the door of Mr. Huo’s room. Before knocking on the door, Mr. Huo opens the door and lets them in with a serious expression.

“What is going on?” He received a phone call from Wuyou ten minutes ago, saying that Wei Dong had put the medicine in Wu Hao’s wine, and she found it and would immediately brought the persons over.

“Wei Dong, what did you do?” Mr. Huo knows that Wuyou won’t talk nonsense on such a thing, but still asks with hope, “Is what Wuyou said true?”

Wei Dong’s face is pale. He doesn’t know how much Wuyou has known, but he knows that once he admits he will be finished.

“I didn’t do anything!” He grits his teeth, “I just had a glass of wine with Wu Hao. I don’t know why Lang Wuyou said those weird things and brought us to you.”

Mr. Huo glances at him and turns his head to ask Wuyou, “What will you say?”

“He went to the pharmacy to buy the cough mixture and added it into Wu Hao’s wine.”

Mr. Huo is stunned, “Cough mixture?”

“It’s the kind which is banned in the country. Just one sip will paralyze the nerves and make people want to sleep. He poured half a bottle into the wine. Wu Hao would definitely not be able to get up tomorrow morning if he drank this. Even if we wake him up, he will be too sleepy to take part in the competition.”

Mr. Huo knows this medicine. When HK films were popular, many people took this medicine to commit suicide.

“Wei Dong!” If this is the case, then it is too serious. Mr. Huo sternly questions Wei Dong, “Do you admit what Wuyou said?”

“Of course not!” Wei Dong shouts, “Mr. Huo, you can’t listen to her nonsense. Does she have any evidence?”

Wuyou walks to the door. It is unknown when Shirla puts the glass of wine on the cupboard, and then she goes out quietly again.

“This is the glass of wine you poured for Wu Hao, with your fingerprint on it.” Wuyou wraps the glass with a towel and takes it up, “And you accidentally spilled the medicine on your hand when you poured it in. Now there are traces of drug residues on the glass and your hand.”

She looks at the terrified Wei Dong and then says, “The pharmacy you went to has surveillance. Do you want me to call the police to check the surveillance?”

“Don’t! Don’t call the police!” Wei Dong shouts loudly, slowly kneeling on the carpet, “I... I was not intentional. I... I was just...”

Wu Hao, who has been stunned, finally reacts. He stands up suddenly and says, "You want to make me be unable to participate in the competition, so that you can join as a substitute?"

Oh Gosh! Wu Hao's expression is like being split by thunder. It is beyond his values. All the news that the roommates poisoned or killed the classmates are full of his brain.

"Why did you do this?" Mr. Huo feels it to be most unbearable. He shakes and sits down on the sofa by using the sofa as his support, covering his chest, "Do you know the consequence of doing this?"

Mr. Huo makes a phone call to the school, and the school managers are shocked by his word. They ask him to bring Wei Dong back first. The next day, after sending Wuyou and other students to enter the arena, Mr. Huo explains to the other leading teacher some matters needing attention, and then he takes Wei Dong back to the country in person.

This incident affects Wu Hao's performance. When he comes down, he says that he won't take good score. Wuyou and Nan Yu perform well. They check their answers and only one decimal point is different. But this kind of competition, in addition to the answer, will place a higher value on the problem-solving process, so no one knows what the ranking will be.

"Will the stupid schoolmate of yours be kicked out of the school?" In the evening, Shirla, who has been somewhere to play for a day, appears again and eats all the snacks in the room which will be charged.

Wuyou just finished the video phone call with Gungun. She is packing up, "He will drop out."

The school will not allow such student to exist.

"He is really stupid." Shirla suddenly asks with a very interested look, "Are all the students in your school so stupid?"

Wuyou thinks for three seconds, "Some are stupid."

"Really?" Shirla gets excited, "Is it so fun? Then I'm going to your school to study!"

Wuyou glances at her, "Are you serious?"

“I can’t be more serious!” Shiria rubs her hands, feeling that this idea is very good, “So that I can play with you every day!”

Wuyou sees her so excited that doesn’t remind her that Mr. M will not agree, and doesn’t tell her that she will go to Mi Country to study next semester, either.

Early the next morning, the teacher excitedly tells them that the result of the competition comes out. Wuyou is the first! Nan Yu is the third and Wu Hao is ranked the twelfth. But it doesn’t matter. What matters is that Wuyou wins the first place!

“Our school has not won the first place for several years!” The teacher whispers along the way and takes them to accept the prizes. Read the next chapter on vip novel

Almost at the same time, the news is sent back to Caesar, and the school immediately announces the news on the radio. Wuyou’s class teacher is so happy that even stops teaching but makes everyone study for themselves.

When the teacher leaves, Zhang Li cheers, “Wuyou is so wonderful!”

“The queen is mighty. The queen is immortal!” Yuan Yiming and Zhao Shen flatter in unison.

Gungun grins, “Yes, Wuyou has always been very amazing!”

At this time, Wei Dong shuffles out of the principal’s office. He is expelled. Not only that, but he has to return the 200,000 yuan of bonus to the school. The classmates all wondered why as one of the two schoolmates who had gone to substitute, he came back in advance.

And as soon as he came back, he was called to the principal’s office. The classmates vaguely thought something had happened, but the teachers did not say it, and Wei Dong was even less likely to say it. The next day, they find that Wei Dong doesn’t come to class. Someone hears from the teacher that Wei Dong was expelled.

“It is unknown what Wei Dong did...”

“He definitely did something bad, otherwise how can he be kicked out of the school?”

Gungun hears Yuan Yiming and Zhang Li discussing, but ignores them. He knows what Wei Dong did, because Wuyou told him everything. He doesn't pay any attention to this kind of scum. He plans to leave early to pick up Wuyou today.

"Welcome home!" Wuyou's head is sprayed with ribbons as soon as she enters the house.

Tang Duo leads the twins standing at the door and smiling at her. Sweet Orange hugs her and says, "Sister, you are so amazing! My classmates all envy me that I have such an amazing sister!"

"Good girl." Wuyou touches her head.

Gungun, who stands at the back, twitches the corner of his mouth. He always feels the way Wuyou touches others' head gives him a feeling of smoothing the hair of small animals every time...

"Hurry to come in!" Bai Susu calls at the door of the dining room, "The food is ready."

After dinner, Tang Duo urges Wuyou to go upstairs to make her deal with jet lag. Wuyou comes out after the shower, she sees Gungun sitting on her bed.

"I'll wipe your hair." Gungun has a large towel in his hand.

Wuyou walks over and sits down well. Gungun rubs on her head, but his movement becomes slower and slower.

"Do you have something to say?" Wuyou pulls him to sit opposite to her, "Tell me!"

Gungun holds the towel, looking pitiful, "Mom said that you would study abroad next semester..."

"...You know it!" Wuyou takes the towel out of Gungun's arms and throws it aside, "Sorry, I didn't tell you in advance."

"Why?" Gungun looks at her, "Can't you wait for me to be together?"

Wuyou doesn't say anything, and Gungun looks stubbornly, waiting for her answer.

After a while, Wuyou sighs and asks, “Gungun, do you want to go to university?”

“I don’t care. Anyway, I don’t want to learn.” Gungun glances at her and adds, “But you must go to university, then I will accompany you to go to university.”

Wuyou looks at him and her usual calm eyes become bright. Gungun always feels that there is light in Wuyou’s eyes, and these lights are only available when looking at him. This is the light that belongs to him, and this person...this woman also belongs to him...

“If you don’t want to go to university, it is OK for me to go to university alone. If I wait for you, then I will waste more time separating from you. I’d better go now because you will be safe in school and I will go to university. When I come back, you also just graduate.”

“What do you mean?” Gungun’s look changes, “You want to go to university abroad without taking me?”

“It’s too hard to go abroad.” Wuyou touches the broken hair on his forehead, “You will just casually go to some university and play for a few years. When you graduate, I shall come back, OK?”

Gungun stands up suddenly and walks to the door with a cold face, “Since you have decided, then why do you still ask me?”

After talking, he opens the door and goes out, and then slams the door.

“What happened?” Tang Duo hears the noise and runs up.

Wuyou lowers her head with pursing her lips.

“Did he lose his temper because you would go to university abroad?” Tang Duo hugs Wuyou and says, “Don’t care about him. You’ve spoiled him all these years.”

“No.” Wuyou shakes her head in her arms, “Gungun is very good. He is the best.”

Tang Duo smiles and looks at the girl she raised, “Wuyou, I said it before, and now I will repeat again. Your life is yours. If you are not willing to, then don’t force yourself to make any decision. Nobody can force you. Understand?”

Wuyou nods and answers, “Mom, I understand.”

Gungun has been in a bad mood for several days. Even if he goes to school, he won't talk to Wuyou. Whatever Wuyou talks to him, he just hums. But they still eat together and do other things together, but he just doesn't talk to Wuyou.

“I say... Do you think that there is something wrong with Lang Xuanyuan?” Zhang Li has observed for a few days, and finally determines that there is something wrong with the two people. But she doesn't dare to ask directly, so she whispers to Yuan Yiming and Zhao Shen.

Yuan Yiming breathes a sigh of relief, “Someone finally said that. I thought only I recognized that they had argued!”

Chapter 453 The Childe in the Tang Family Lives Off A Girl 20

These three people murmur together.

“You should go to ask the queen!” Yuan Yiming encourages Zhang Li.

Zhang Li glares at him and asks, “Why don't you ask Lang Xuanyuan?”

“Do you want us to die? Zhao Shen makes a gesture of cutting his throat, lowering his voice to say, “He looks like a cheerful man. But he is actually terrible.”

Yuan Yiming says, “Hmm. Our fates are now highly connected to each other. I'd like to share some information with you.”

Then Yuan Yiming tells them about a thing which happened in a summer vacation.

“Our basketball club once planned to go to the aquarium together and Lang Xuanyuan hadn't intended to go with us. But our teacher persuaded him and said it was the last activity before his leaving our club. Then Lang Xuanyuan agreed to go with us reluctantly. But somehow two idiots talked about girls in the bathroom for no reason, and mentioned Wuyou.”

“They talked about her in a rude way. Three of us were standing at the door. Zhao Shen and I were ready to go in to beat them. But...”

But Lang Xuanyuan moved faster than them. Before Yuan Yiming and Zhao Shen reacted, the two gossipy schoolfellows were beaten badly to lie on the ground.

“Let me tell you. Lang Xuanyuan fought in an unusual way. He looked like those mastering kung fu in the movies!” Zhao Shen pats Zhang Li on her shoulder and says, “So don’t be fooled by his appearance.”

Zhang Li swallows the saliva, and decides to share with them what she saw. She saw a girl express her affection for Lang Xuanyuan, then her cousin was kicked off. When she finishes speaking, three of them look at each other in silence, and no one dares to ask anyway...

“I want to eat fish filets in hot chili oil!” Gungun makes a request in the canteen at noon.

Wuyou glances at him and says, “It’s summer now. Spicy food is not healthy for summer.”

“I don’t care. I want it anyway.” Gungun raises his head and peeps at her secretly.

“Fine. Don’t eat too much.” Wuyou then goes to buy him fish filets in hot chili oil.

When fish filets in hot chili oil is bought, Gungun just pokes the fish in the bowl but doesn’t eat it even it becomes muddy flesh.

“I say... If you don’t want it, how about giving it to us?” Yuan Yiming drools and reaches out the chopsticks, “This is the last plate of the fish for today. No more.”

Gungun knocks his chopsticks and says, “That’s mine!”

“You don’t eat it anyway...”

“So what?” Gungun puts down the chopsticks and says to Wuyou, “I want to eat dumplings.”

The three of them are speechless.

Wuyou asks, “Dumplings stuffed with Chinese cabbage?”

“Right!”

Wuyou then goes to buy him dumplings.

“To be frank, if he were my boyfriend, I would have kicked his ass badly because he is so troublesome.” Zhang Li whispers.

Yuan Yiming and Zhao Shen nod violently.

It is unknown how Wuyou said to canteen staff, there are only five dumplings brought back. Gungun doesn't eat one, and says that he wants to eat Hand-Pulled Noodles. Wuyou then brings him a mini bowl of Hand-Pulled Noodles. Then...

Gungun then orders sushi, steak, risotto, pizza...

More and more foods are put on this table. The students coming and going are quietly watching.

“Hurry up and eat some, and we're going back to the classroom.” Wuyou finally puts chopsticks into Gungun's hands, “Otherwise what if you get hungry this afternoon?”

Gungun stares at her for a few seconds. Then, like a wronged child, he picks and eats some foods on the table. Wuyou sees that he is finally willing to eat, so she also eats.

“You can eat, too. There are too much, otherwise they will be wasted.” She says to the three.

Yuan Yiming looks at Gungun, who ignores him.

“Ouch! My fish filets in hot chili oil!” He rushes to the table.

After Wuyou puts down her chopsticks, Gungun stands up, “I will go back to the classroom.”

After finishing speaking, he walks a few steps and then secretly turns his head back to see Wuyou catch up with him, and then goes on walking again.

“Alas...” Zhang Li sees the two people walk out side by side to go out, “Lang Xuanyuan really acts like a little princess. He should change his name to Princess Lang.”

Tang Duo knows that Gungun makes trouble every day, and says to Wuyou.

“Don’t spoil him! Just ignore him for a few days and see whether he will be worried.”

Wuyou smiles, “It’s my fault. I decided to study abroad without discussing with him. It’s understandable for him to be angry with me.”

“You!” Tang Duo hugs and rubs Wuyou.

The reason to end the cold war started by Gungun is Chang Pei’e. The old lady stands up after breakfast and falls headlong. Fortunately, Lang Ruoxian supports her quickly and puts her on the floor. Quick Acting Heart Reliever is put in her mouth and then they call an ambulance.

The children are there, and the twins are scared to cry. Wuyou hugs them to comfort. Gungun and Lang Ruoxian go to the door to wait for the ambulance. Tang Yao wanders around the house anxiously. Bai Susu and Tang Duo are the calmest and pack up the things which will be used for hospitalization.

“The old lady is old and this is the second time of myocardial infarction!” The dean personally does medical check-up for her and asks the doctors to make the group consultation. Then he tells to the members of Tang Family, “There is no way to make a heart stent because her heart can’t handle it.”

Bai Susu cries and asks, “Just... Is there no other way? How about going abroad?”

“It’s useless. You should accompany her as much as possible. Let the elderly pass away a little bit happier!” Visit [vi p novel. com](http://vi.p.novel.com)

When Chang Pei’e wakes up, she finds that everyone is there, including the twins.

“Why didn’t you go to school?” She asks.

Sweet Orange rushes to the bed, being wet with tears, “I... I want to be with you!”

“Why didn’t Ruoxian go to the company?” Chang Pei’e sees Lang Ruoxian standing in the back, and smiles, “OK, if you are all with me, I will not be afraid!”

“Mom!” Tang Yao, such a mature man, cries like a child, “You can’t die. I won’t have Mom if you die.”

Chang Pei’e closes her eyes and smiles, “You go away! I have been worrying about you for most of my life, or I will have to worry about you for my whole life if it weren’t for having Susu later.”

“Mom...” Bai Susu cries and takes her hand.

Tang Duo cries in Lang Ruoxian’s arms, crying out of breath. Gungun and Wuyou stand beside them with tears on their faces.

“Where is Tang Cao?” Chang Pei’e asks.

“He’s coming. He has already been on the way.” Tang Duo hurriedly says, “Grandma, you must wait for him!”

Chang Pei’e nods and says, “I think I am quite spirited. Rest assured! I have to meet Baobao and Tang Cao’s daughter...”

In the rest of time, Chang Pei’e suddenly starts to talk about the things happened between her and her husband when she was young. Everyone knows that this is resuscitation from near death, listening while crying. Half an hour later, Tang Cao rushes in.

“Grandma? Where’s Grandma?” He almost falls and kneels to the side of the hospital bed.

Chang Pei’e groans, “Look at you. You are still so indiscreet.”

“Grandma!” Tang Cao cries, “You can’t be like this. My daughter can’t recognize you yet! How can you leave her?”

Diandian holds Baobao in one hand and holds her daughter in the other hand, crying behind. Hearing Chang Pei’e calling Baobao, she hurriedly leads Baobao to go over.

“Great... Great-grandma...” Baobao doesn’t know what happened, but he sees his dad crying, his aunt crying, grandpa and grandma all crying, so he cries.

Chang Pei’e touches the little boy’s head, “Baobao, I am going to find your great-grandpa, and you have to take good care of your sister in the future...”

“Great-grandpa?” Baobao turns his head to look at Tang Yao. Tang Yao has been crying out of his breath. His look scares Baobao.

He hurries to hide into Tang Cao’s arms.

“Or you take the child out...” Bai Susu wipes her tears, “And the twins, just go out first.”

Diandian hands over her daughter to Tang Cao, “I will take the children to the door.”

Baobao and Sweet Orange follow her, but An’an refuses to go out.

“I know Great-grandma is passing away, and will never come back. She will be separated from us forever in the future, and I will accompany her till the end of her life.” What the little child said is surprising.

Lang Ruoxian touches his head and answers, “Okay.”

Tang Cao holds his daughter to show Chang Pei’e. The old lady’s eyes are no longer able to see anything, but she still smiles, touches the baby’s blanket and says, “She looks like Hua in her childhood! When she grows up, she must be a beauty.”

“No, Mom said my daughter is like you when you were young.” Tang Cao cries and says, “Could you live longer, okay? Wait until she grows up and calls you Great-grandma.”

Chang Pei’e smiles and says, “Don’t be so capricious. Your grandpa is still waiting for me!”

Tang Cao cries while holding his daughter. The old lady moves her head and looks at Wuyou.

“Great-grandma.” Wuyou steps forward and takes the old woman’s hand.

“Wuyou... You are a good girl. Please take care of Gungun in the future! I shall be at ease.”

Gungun kneels beside the hospital bed in tears, “Great-grandma...”

“Okay, don’t cry!” Chang Pei’e smiles and closes her eyes, “I’m going to sleep for a while, and then my husband will pick me up.”

It is quiet in the ward. About a few minutes later, a sudden alarm sounds on the patient monitor, and then a straight line appears on it.

“Mom!”

“Grandma!”

“Great-grandma!”

There is full of crying in the ward. Fang Diandian holds back tears at the door. Sweet Orange and Baobao hide in her arms.

“Auntie, is Great-grandma going to go far away...” Sweet Orange whispers, “Can I still see her in the future?”

Fang Diandian tries to calm down her voice as much as possible, “Your great-grandma and great-grandpa went to another place. We can’t go to this place now, but they will wait for us over there.”

“In the future, we will all go there to reunite with them, and everyone will be together forever!”

Sweet Orange’s concept of death is vague, but she knows that she will never see her great-grandma again, so she starts crying.

Baobao absolutely has no concept of death and separation, but he is very sensible to wipe tears for his sister, “Sister, don’t cry. When I grow up, I will take you to see Great-grandma!”

At noon that day, Tang Family announces the death of Chang Pei’e. She lived to a ripe old age. After crying, everyone endures the grief and begins to make arrangements for her funeral. Chen Xiaopang and Tong Yue are the first to come to offer condolences, and then there are some business partners coming one after another.

Gungun and Wuyou haven't been to school for a week. They return in a week until the final exams are ready to begin.

"Wuyou, my condolences." Zhang Li and other students all knew the thing from the Internet. They don't know how to comfort them.

Wuyou shakes her head, "My great-grandma passed away very peacefully."

Chang Pei'e passed away with a smile. She had no pain when she passed away. Her children and grandchildren were all beside her. It can be said that she had nothing to worry about.

"That..." Zhang Li asks again, "I hear that you are going to study abroad?"

Chapter 454 The Childe in the Tang Family Lives Off A Girl 21

Yuan Yiming is infinitely resourceful. He finds out from the teacher that Wuyou will go abroad next semester. Thus the three people guess why Childe Lang was so troublesome before, because he was angry with Wuyou.

"Then what about Childe Lang if you go abroad?" Zhang Li asks tentatively.

Wuyou turns her head and answers, "Of course he will stay and continue to go to school."

Speechless.

The class teacher comes in.

"All sit well. Tomorrow you are going to take the exams. Have you already finished reviewing? Even if you haven't, it's too late. Yuan Yiming, put down your mobile phone, otherwise I will criticize you immediately."

"I will say a few points. Everyone should pay attention!" The class teacher clears his throat, you should remember your examination number later. If you are not sure about the classroom, go ahead and see it in advance. Go directly to the examination room tomorrow morning, and meet in the classroom after the last exam the day after tomorrow. Everyone must come back then. Do you hear me?"

"Yes!" The students answer obediently.

Gungun and Wuyou are in the same examination room, and one sits in front of the other. It is reasonable for the teacher to arrange this, because Gungun will not cheat, and there is no need to worry that Wuyou will help him cheat.

“Let’s go home.” Wuyou carries the schoolbags of hers and Gungun’s. They have to take the schoolbags back because holiday begins.

Because of Chang Pei’e’s sudden death, Gungun stops being angry with Wuyou. He reaches out to take Wuyou’s coat and the two of them walk out of the classroom. Seen from behind, the thin and tall girl carries two large schoolbags, while the boy who is a head taller than her easily carries two pieces of clothes.

“To be honest, only Wuyou can bear this. Who will want such a boyfriend if it were another girl...?” Zhang Li sighs with emotion, “If my boyfriend asks me to carry something, I will kick him away!”

Zhao Shen looks envious, “So Childe Lang is really someone who has it all! Why don’t I have such a girlfriend?”

“First of all, you have to have such a handsome face.” Yuan Yiming squints at him, “You also have to have a good father to find you a wife from childhood, who is competent. Or you are the one to carry the bags.”

Zhang Li turns round suddenly and says, “Don’t be stupid, you two. Now focus on Wuyou’s leaving next semester!”

“What does it have to do with us?” Zhao Shen says happily, “My focus now is to go out to play after the exam!”

Zhang Li looks serious, “Have you ever thought that Lang Xuanyuan is so obedient at ordinary time in front of Wuyou. But if Wuyou leaves...”

Zhao Shen and Yuan Yiming are speechless.

“Sorry...” Gungun says suddenly as he walks.

Wuyou turns her head and her eyes are full of inquiries.

“These days... I lost my temper.” Gungun looks at her and says, “I don’t want you to go, so...”

Wuyou walks over and touches his head, "I see. It is my fault. I should have discussed it with you."

"Are you sure that you won't change the decision?" Gungun lowers his head, "Then we will be together this summer vacation. You accompany me on vacation."

What Wuyou decides rarely changes, so Gungun has figured it out these days. But he is still very uncomfortable. When thinking that Wuyou won't be around for a few years, he wishes to tie her to stay.

He also knows that if he wants Wuyou to stay, Wuyou will eventually compromise. But he can't do that... He must respect Wuyou's wishes.

"Okay, we will go wherever you say!"

The exam is the same for Wuyou and Gungun as usual. Wuyou will be the first place no matter what exam she takes. While Gungun will score 60 points no matter what exam he takes... Everyone returns to the classroom after the exams. The teacher sends the summer homework and tells the safety matters to be paid attention to during the summer vacation. Then he announces the start of the vacation to the young students who have been absent-minded.

Caesar is different from other schools. The school report will be sent home, so they don't have to go back to school to get the examination papers. The second day of the vacation happens to be the weekend. Tang Family members go to sweep the grave of Chang Pei'e. In the evening, the twins see Gungun packing up.

"Brother, where are you going?"

"Go on holiday."

"Alone?"

"With Wuyou."

Sweet Orange suddenly disagrees, "I'm going, too!"

"No." Gungun refuses, "Only Wuyou and I will go."

Sweet Orange is anxious and says, "Then... Then I will go to Mom and ask her to take me there."

"I advise you not to do it." An'an aside reminds her, "Great-grandma has just passed away, and the adults are in a bad mood. She won't take you to go."

Sweet Orange suddenly panics, "Then how about future? Can't we go out and play in the future?"

"You just can't do so recently." Gungun hugs the little girl onto his lap, "It will be okay during the New Year."

"Then why can you go with Wuyou?" Sweet Orange asks with a look that don't lie to me.

Gungun puts her down, "Because I am your elder brother and I can go out by myself, while you can't!"

"Then An'an, take me out to play!"

An'an glances at her and says, "Are you a fool? I'm as old as you."

"Mom!" Sweet Orange runs downstairs to complain, "An'an said that I was a fool."

Tang Duo and Bai Susu are sorting out Chang Pei'e's belongings. Tang Yao is shedding tears while helping aside. Visit vip.novel.com

"Grandpa?" Sweet Orange is startled, "Did Grandma stop you from eating chicken legs again?" She runs to hug Tang Yao and whispers in his ear, "Grandpa, don't cry. Later I'll steal one for you!"

Tang Yao hugs her and tells Bai Susu, "You see, how sensible my Sweet Orange is!"

When Sweet Orange hears this, she looks at Tang Yao with shining big eyes, "Since I am so good, then Grandpa, will you take me on vacation?"

"...What?" Tang Yao is stunned.

"Brother and sister are going on vacation, and then my brother said not to take me." Sweet Orange says pitifully.

Tang Yao looks at Bai Susu and Tang Duo. Bai Susu looks pale for she has been tired these days. She asks Tang Duo, "Gungun no longer loses his temper?"

“He knows it to be useless. It’s estimated that he wanted to stay with Wuyou for the whole summer vacation, so he came up with idea of spending the holiday together.” Tang Duo pulls Sweet Orange out of Tang Yao’s arms, “Now all the adults are not available. Shall we go out to play the next vacation?”

“No!” Sweet Orange loses her temper, “My classmates all have gone out to play! Huang Jingjing went to F Country, Li Zeyu went to J Country, and even Xing Ailin went to the beach. Why should I stay at home? I don’t want it!”

“Lang Sese!” Tang Duo angrily shouts Sweet Orange’s formal name, “It is not stipulated that everyone should go out and play, but you insist on going out. If you behave like this again, I will ignore you!”

Sweet Orange cries, “Wow! I... I’m going to find Dad! I don’t want to talk to Mom!”

Seeing the little girl run away crying, Bai Susu rubs her eyebrows, “Now we are busy, otherwise we’ll take the twins out to play!”

“No, it is not OK.” Tang Duo waves her hand, “You and Dad have been so tired during this period. How can you have energy to go with us?”

Lang Ruoxian can’t take out such a long time to accompany them to hang out. A few days will be OK. Tang Duo cannot take the twins alone, so she rejected her daughter just now.

“Why don’t you take them to Fei Ying’s place to play?” Bai Susu suggests, “Anyway, it’s going out. At that time, when the children play together, she will forget to go on vacation.”

Tang Duo snorts, “I originally thought this way, but since she lost her temper, we won’t go!”

Seeing Tang Yao’s eyes turning, Tang Duo threatens him, “Dad, if you tell Sweet Orange, I will tell Mom that you secretly ate the midnight snack last night!”

“...” Tang Yao stands up and runs.

Bai Susu slaps the table, “You secretly eat again!”

“Let my dad eat it!” Tang Duo laughs cheekily and says, “Weren’t your medical examination report of last month’s very good?”

“Then he should pay more attention to maintain.” Bai Susu puts away Chang Pei’e’s things, “It is hard to get your dad’s blood fat to come down. Are you going to allow his blood fat come up again by eating? Well, these things will be OK. Next time when we clean the grave for your grandma, remember to bring them.”

Chang Pei’e was not buried in the cemetery, but was buried behind the nunnery where she had lived in the past. This is what agreed by the old master. The master passed away two years ago and was buried in the forest of peach trees behind.

When Chang Pei’e was buried this time, the tomb of her husband was also moved over, and the two old persons were buried together.

“Why haven’t you slept yet?” An’an passes Sweet Orange’s room and finds her sitting on the bed with eyes wide open.

Sweet Orange glances at him and says, “I want to wait for Dad to come back.”

Lang Ruoxian basically comes back before ten o’clock every night. He never lets Tang Duo wait for him till too late. And the two children must have fallen asleep long ago. But Sweet Orange knows that Dad will come in to see her and give a good night kiss to her.

“Dad won’t take you on vacation, either.” An’an says without expression “No chance at all!”

Sweet Orange rolls eyes at him. An’an sees her dozing constantly, thinking that she cannot hold on for long, and goes back to his room to sleep. But Sweet Orange really insists. She stands up quickly when Lang Ruoxian comes in.

“Sweet Orange?” Lang Ruoxian frowns, “Why haven’t you slept yet?”

Sweet Orange stretches out her hand and says, “Dad! I’m on summer vacation!”

“Uh.” Lang Ruoxian hugs and kisses her.

Sweet Orange puts her arms around his neck and says, “Dad, my classmates all go on vacation, and I want to go, too.”

“But you lost your temper with your mom today.” Lang Ruoxian slowly pats her back.

Sweet Orange pouts and says, “Because she said that I couldn’t go.”

“Did your mom tell you the reason?” Lang Ruoxian puts her on the bed, and the father and daughter stare at each other, “Because the grown-ups at home are not available, so we can’t take you on vacation this year.”

Sweet Orange’s tears fall and Lang Ruoxian takes a towel to wipe her face, “Let’s not mention whether to go on holiday, only to mention that you lost your temper with your mom today.”

“I was wrong...” Sweet Orange sobs and says, “I shouldn’t have lost my temper with Mom.”

Lang Ruoxian tucks her into the quilt and says, “Well, so tomorrow...”

“Tomorrow I will apologize to Mom!”

The next day Sweet Orange apologizes to Tang Duo at breakfast. Tang Duo doesn’t tell her that she has contacted Fei Ying and arranged. After the leaving of Gungun and Wuyou, she will take the twins to G Province.

Then at the snack time in the afternoon, Sweet Orange unexpectedly doesn’t come downstairs. Tang Duo goes up to call her and finds that she isn’t in the room.

“An’an, did you see Sweet Orange?” Tang Duo goes to the study and asks An’an.

An’an raises his head and asks, “She is gone?”

“She didn’t come down to eat the snacks.”

An’an quickly stands up and says, “Mom, Sweet Orange may have gone on vacation by herself.”

Chapter 455 The Child in the Tang Family Lives Off A Girl 22

Seen from the monitoring at the door, Sweet Orange sneaked out about two o'clock in the afternoon, carrying her favorite small schoolbag.

"This kid is too bold! She's too bold!" Bai Susu is so anxious that her tears fall down, "Hurry up! Find her. No, no, no. Call the police first!"

Tang Yao has been ready to go out to look for her by himself. Tang Duo stops him and asks Bai Susu not to worry.

"There is a locator in her little schoolbag." Tang Duo takes out her mobile phone and opens it. The city map appears on the screen, and there is a small red dot, "This is for children only, which can be used to call the police directly."

Tang Duo calls the police, and the police contact her immediately.

"Mrs. Lang, we have sent the nearest policemen to go over, and they can get to the child in about three minutes!"

But Tang Duo says, "Thank you. Could you please do me a favor?"

Sweet Orange is standing outside the window of a pet shop and looking at the kittens. Two white short-legged cats are lying prone on the window and playing with her. After playing for a while, Sweet Orange pulls a long face.

"Alas... People can't buy a plane ticket without an ID card!" She came out today to buy a plane ticket. Previously she secretly tried to buy it with her mobile phone, but the system always asked her to key in her ID number.

Sweet Orange doesn't remember the number of her passport. And her passport is in Tang Duo's hands. So she originally wanted to go to the place where the tickets are sold to buy! She thought if she was in front of the counter, and she surely wouldn't need any identification documents.

But the young lady selling the tickets said no just now, and asked her to call her parents over. Fortunately, she was clever and said that she would call her parents immediately, and then she ran away.

"What should I do now?" Sweet Orange draws circles on the glass window, and the two kittens follow her fingers around.

Sweet Orange quickly forgets her purpose, and happily plays with the kittens. She doesn't notice that there are two police uncles nearby staring at her while talking to the intercom.

After a while, a car quietly stops across the road, Tang Duo and Lang Ruoxian get out of the car.

"Mrs. Lang, Mr. Lang!" The police greet them, "The child has been playing with cats and she seems to be in a good mood. It seemed that she had wanted to buy a plane ticket before, but she failed."

"Thank you!" Tang Duo thanks, "Thank you for your time."

The policemen politely say a few words before leaving, and when they leave they say, "The child is young and ignorant, so don't beat her! It is a blessing to have such a cute and beautiful daughter!"

"He he! We won't." Tang Duo smiles.

As soon as the police leave, her smile fades, "It is unknown who has spoiled her. She dared to run away from home at such a young age!"

"Don't be angry. I'll beat her in a moment." Lang Ruoxian comforts her, "Let her know the taste of scaring, and she won't dare anymore."

This is Tang Duo's plan. She will not bring Sweet Orange back. She wants to see what the little girl is going to do next.

"Doesn't she go in to play in such a hot day?" Tang Duo feels distressed soon.

It is summer. Sweet Orange's face is sweaty, but she just stands under the sunlight and plays with the kittens.

"The kids don't know to tell the difference between the hotness and coldness." Lang Ruoxian hugs her to hide in the shade of the trees. They stand at the entrance of the alley, and the wind keeps blowing, so it is not hot.

So they just watch Sweet Orange play with the kittens through the glass for more than half an hour until the young shop assistant in the store notices her.

“Little girl! Where are your father and mother?” The young shop assistant has been noticing the child for a long time. Seeing her play here all alone for such a long time, she feels that there is something wrong.

Sweet Orange’s little face blushes because of hotness. She shows a sweet smile to the young shop assistant, “Dad is at work, and Mom is making hair in the beauty salon!”

“You are so cute!” The young shop assistant covers her chest and is very dissatisfied with her parents.

How can such a good-looking child’s parents be at ease that she ran into the street alone?

The young lady doesn’t suspect that Sweet Orange told lies, because there is a beauty salon not far ahead. She thinks that Sweet Orange ran out to play while waiting for her mother.

“It’s too hot outside. Would you like to enter the store with me to play?” The young shop assistant invites her.

Sweet Orange follows her in.

Tang Duo is speechless.

“Let’s go back in the car, and I will drive the car to the door.” Lang Ruoxian sees through the window that Sweet Orange has taken the yogurt given by the shop assistant and starts drinking. He rubs his eyebrows to say, “I should get a fake human trafficker to frighten her.”

There are two young shop assistants in the pet shop. Maybe people who like small animals are usually kind. And Sweet Orange is cute and beautiful. The younger shop assistants also take out the two short-legged cats to play with Sweet Orange.

“Are they twins?” Sweet Orange asks.

A young shop assistant says, “Yes! This is the brother and that is the sister.”

“Does the brother also bully the sister?” Sweet Orange continues to ask.

At that time, the sister cat bites the brother cat’s ear. Sweet Orange yells, “It turns out that the sister bullied its brother!”

She wants to hug the sister cat. The kitten obviously likes her very much, and takes the initiative to crawl on her lap and lie still.

“They love to be close to people!” The young shop assistant takes a few pieces of freeze drying cat food and puts them in Sweet Orange’s hands.

Sweet Orange spreads out her hands, and the two kittens meow and lick her palms.

“Giggle!” Sweet Orange feels itchy, laughing while holding back laughter.

The young shop assistant asks her, “Do you have a pet at home?”

“Yes! My brother has a German shepherd.” Sweet Orange makes a gesture, “It’s big, but it doesn’t like to move now. My mother said that it was too old to run around with me.”

“Really? It must have been raised for a long time.”

“Yeah yeah...”

In the pet shop, the home talk mode is turned on. Outside the pet shop, Lang Ruoxian and Tang Duo are sitting in the car, watching Sweet Orange finish drinking yogurt, and feed the cat. Then the young shop assistant gives her a lollipop...

“I’ll see how she will tell the assistants in a moment!” Tang Duo gets a telescope from somewhere and uses it to see what is going on in the store from time to time.

Soon the sun sets and it has been about 5 p.m. The young shop assistant in the shop asks Sweet Orange.

“Do you know your mother’s phone number, little girl? Let’s call her and see if she has finished hair-dressing.”

Sweet Orange’s eyes roll around and she stands up immediately, “No need, sister. I should go to find my mother!”

“Let me send you over!” The young shop assistant is not at ease and follows her out of the shop.

Sweet Orange waves her hand and says, "You needn't, sister. You just stay here to watch me! I will go over by myself."

"That's fine. Take care!"

"Sister, goodbye! By the way, can Xiaobai and Xiaobaibai be left to me? I will ask my mother to buy them."

Of course, the young shop assistant will not be serious with the child, but she is still very happy to say, "Okay! Then you'd better come earlier."

"I will come tomorrow!" Sweet Orange clenches fists. Visit vip.novel.com

Then she runs to the door of the beauty salon not far away, waving at the shop assistant. The young lady sees that she has entered before returning to the store. What she doesn't know is that Sweet Orange immediately runs out again.

"Go, go, go!" Tang Duo wears her sunglasses.

Lang Ruoxian starts the car and slowly follows Sweet Orange. Then they see Sweet Orange take a taxi by the road.

"When she came out, she took a taxi by herself." Tang Duo is almost angry to death, "She is not afraid that others will sell her!"

At this time in the taxi, Sweet Orange takes a photo of the driver's work photo with her mobile phone.

"Uncle, my mother said that I should pay attention to safety when taking a taxi alone. Can I send her your picture?"

The driver is a man in his forties, and has children at home. Seeing her being so cute and having safety awareness, he praises her, "No problem. What you did is right. You should do so if you take the taxi alone in the future!"

He doesn't notice that Sweet Orange is taking a mobile phone model in her hands...

Asking about the destination, the driver clicks his tongue. That area is full of villas of rich people. Looking at Sweet Orange again, he thinks that her family are too careless! How can such a good-looking child be allowed to go out alone? If something bad happens, they will regret forever...

“Girl, why did you come out alone?” The driver asks her.

Sweet Orange bites her finger and says, “I came out with my brother, but he didn’t want to take me to play and let me go home alone.”

“Your brother is too much.” The driver says indignantly, “How can he leave you alone?”

“Yeah!” Sweet Orange waves her fist, “Uncle, I tell you, I have a younger brother in my family who is also very bad. He always bullies me and says that I am a fool.”

Blabla...

The driver imagines by himself. This family prefer boys to girls and only like the two boys at home not the little girl.

“Did your mom and dad hit you?” He thinks it to be quite serious and considers whether to call the police.

Sweet Orange shakes her head and says, “No, Mom and Dad never hit me, but Mom didn’t take me out to play, saying that she was not available.”

So they let your brother take you out, and then he left you alone. The driver secretly scolds the family to be bad. Now there are ill-disposed persons. Such a cute little girl will be sold into the mountains within minutes.

“Little girl, you should never come out with your brother in the future.” He advises her in earnest, “If only you are left alone in the street, go to find the police uncle. Do you know?”

Sweet Orange blinks and says, “So if my mother blames me when I get home, can I ask the police uncle for help?”

They have abused the child. Of course she can!

“You must find the police!” The driver grits his teeth to say, “If your mother blame you, you should call the police!”

Sweet Orange says “Oh”. She was still worried that she would be blamed when she went back. Since the police will be in charge of such things, she can call the police later.

The taxi stops not far from the villa. Sweet Orange gets out of the car and says goodbye to the driver.

“Remember, kid!” The driver shouts, “If your mother blames you, you should find a policeman!”

“I remember!” Sweet Orange waves and runs away.

She turns around at the door for a long time, but still sneaks in from the back garage and finds that there is no one in the sitting room. She is overjoyed.

“Maybe they didn’t know that I had run out!” Sweet Orange is very proud. She secretly goes upstairs and changes her clothes and then takes a shower. When she feels hungry, she runs downstairs as if she has just woken up.

“Mom! Grandma!” She turns around in the sitting room and kitchen, but sees no one.

She then runs upstairs to Tang Duo’s bedroom and there is also no one in the room. Sweet Orange is a little flustered, and she goes to Gungun’s and Wuyou’s rooms, as well as An’an’s and their grandparents’ rooms, but no one is there.

Chapter 456 The Childe in the Tang Family Lives Off A Girl 23

Sweet Orange looks up and down again, and when she finally finds that she is the only one at home, she cries.

“Mom... Oops... Dad oops... Grandpa and Grandma... Sister oops...” Sweet Orange is crying while walking to the sitting room. It has already been dark outside. She climbs onto the sofa, crying out of breath, but no one responds. No one.

When she is sick of crying, Sweet Orange thinks of something. She sniffs hard and picks up the phone. She remembers the phone number of everyone in the family. She calls them one by one, but no one answers the phone. The tears that just stopped are dropping again.

“Mommy, I’m scared. Where have you gone?”

At this time, the phone rings suddenly. Sweet Orange is startled and picks up the phone, sobbing.

“Hello... Do you know where my mother has gone?” She cries and shouts before the person at the other end says, “They are all gone, only Sweet Orange is left alone.”

“Hello? Hello? Sweet Orange?”

“Brother?” Sweet Orange shouts excitedly. It is Gungun’s voice. She cries louder, “Brother, brother! Where have you gone?”

Gungun is also very excited over there, “Sweet Orange, are you going back? We found that you were not at home and all came out to look for you.”

“I’m back.” Sweet Orange cries and shouts, “Brother, I’m afraid.”

“We are all looking for you far away!” Gungun says over there. Sweet Orange didn’t hear her brother giggling just now because she was scared. She cries and says, “Then... Then you come back earlier.”

Gungun embarrassingly says, “We are too far away from home and it will take a while to go back. If you are afraid, go to bed. And when you fall asleep, you will not be afraid.”

Sweet Orange cries, “I’m scared. Brother, I’m scared!”

The phone hangs up.

In the garage, Bai Susu yells, “Why did you hang up? Sweet Orange is still crying.”

“I’m going out!” Tang Yao is distressed to death, “Sweet Orange is so young that she must be scared.”

Tang Duo stops him, “Dad, if you go out now. Aren’t we acting in vain?”

Tang Duo thought that this would not work on the way back to follow Sweet Orange. It was too lucky for the child to run away from home, so she must try a second and third time in this way. So they must find a way to let the kid Sweet Orange realize that running away from home will be terrible...

So she called her family and told everyone to hide. When Sweet Orange came back, she would find that there was no one at home.

“Then when will we go out?” An’an asks, “I’m hungry.”

Gungun looks at his watch and says, “Or I will take An’an out to eat. By the way, bring some food back to you.”

“Go, go!” Tang Duo says, “When you come back, we should almost go out.”

Sweet Orange cries and climbs into the bed, muttering in her mouth, “Brother said that I wouldn’t be afraid after falling asleep. I want to get to sleep soon...”

Then she cries and falls asleep.

Lang Ruoxian is sent to check the situation and finds that Sweet Orange is asleep, and then everyone returns to the sitting room.

“Just let her sleep?” Tang Yao begins to feel distressed again, “Don’t even wake her up to have dinner?”

Bai Susu cuts the fruit and comes out to serve, “Let her sleep. She has run for all the afternoon, and cried for a long time. She must be very tired.”

“It won’t matter if she doesn’t eat a meal, Dad.” Tang Duo feels exhausted, “I will sleep with her at night. If she wakes up in the middle of the night, I will get her food.”

Lang Ruoxian rubs her shoulders and says, “You rest. I will accompany her.”

“You have to work tomorrow!” Tang Duo leans into his arms and yawns, “No wonder Sweet Orange is tired. I have been tired all the afternoon.”

Gungun and Wuyou come back with An’an and take-away food. Everyone casually eats a bit and goes back to their rooms to rest. An’an stops Tang Duo at the door of the room and looks at her, wishing to speak but stop on a second thought.

“What’s wrong?” Tang Duo squats down.

“Mom, if I persuaded Sweet Orange well, would she not run away from home?”

Tang Duo smiles and says, "What does this have to do with you? It's Sweet Orange's own problem."

"I won't say that she's a fool anymore in the future." An'an cries when he finishes speaking.

Tang Duo is taken aback for An'an rarely cries after the age of three. The children who went to kindergarten, including Sweet Orange, cried hard while he read the pictorial calmly aside.

"Don't cry. Don't cry!" Tang Duo hugs him in her arms, "I know that you actually loves Sweet Orange very much, right? Just everyone expresses their feelings differently. An'an is An'an. You don't need to learn what others do."

An'an rarely hugs Tang Duo like a kid before going back to sleep.

Tang Duo returns to the room to take a shower and finds that Lang Ruoxian has held Sweet Orange over.

"Not awake?"

"No." Lang Ruoxian dims the light, "But she may have had a nightmare, and she just cried."

Tang Duo looks at her sleeping daughter, "She was scared! I'm afraid that she will be scared for a long time."

In fact, when she thought about this method she did think what if Sweet Orange was really frightened, but then she thought if she wasn't made aware of the terrible consequences of running away from home, it would be more troublesome in the future.

"Tomorrow when she wakes up and sees that we are here, she will be okay." Lang Ruoxian seems to know her concerns, kisses the corner of Tang Duo's mouth and says, "Go to take a bath. I shall look after her."

Sweet Orange has slept all night, but suddenly she wakes up around 5 o'clock in the morning and finds herself sleeping between Tang Duo and Lang Ruoxian. She thinks of something and starts crying.

"Why are you crying?" Tang Duo sits up and yawns.

Sweet Orange rushes into her arms, “Mom! Mom! I’m the only one left at home, which is so horrible.”

“Why was there no one at home?” Tang Duo asks, hugging her. Visit vip.novel.com

Sweet Orange cries and says, “Because... Because I secretly ran out, and everyone... Everyone else went to look for me.”

“Now do you think it is right to sneak out?”

“No... No.” Sweet Orange suddenly cries louder, “Mom, I was wrong. I won’t sneak out anymore. Don’t leave me alone.”

A pair of big hands hugs her up. Sweet Orange turns around and hugs Lang Ruoxian, “Dad, I was wrong.”

“Hungry?” Lang Ruoxian asks her.

Sweet Orange nods and then shakes her head, “I want to sleep with Mom and Dad.”

“Eat something before going to sleep.” Lang Ruoxian touches her head, “You have to remember what happened today, and if you do so next time, maybe you will stay alone at home all night.”

Sweet Orange imagines the scene, hugs Lang Ruoxian tightly and shakes her head hard, “No, no, no! I will never run out alone again.”

Tang Duo goes downstairs to cook some food for Sweet Orange. She has already been very quiet. But Bai Susu still hears the movement.

“Woke up? Did she cry?”

“Yes. Now she’s holding her dad and doesn’t let him go.” Tang Duo warms the fried noodles and porridge, “Okay, Mom, you don’t have to worry about it. Hurry to sleep again.”

How can Bai Susu fall asleep? She follows up to peek at the door for a long time, making sure that there is nothing wrong with Sweet Orange before going downstairs.

Sweet Orange finishes eating. She and her parents sleep again for a while. Lang Ruoxian is late to go to the company today. Tang Duo hasn't moved, accompanying Sweet Orange to sleep. When she wakes up to see her mother is still there, she holds Tang Duo without letting her go.

"Everyone went to look for you yesterday. Should you apologize to everyone today?" Tang Duo asks when washing the face.

Sweet Orange immediately says, "Mom, I see. I will go now!"

Bai Susu and Tang Yao are fidgeting in the sitting room. When they see Sweet Orange coming down, they reach out in a hurry.

"Grandpa! Grandma!" Sweet Orange rushes into Tang Yao's arms, "Sorry, I was wrong. I will never run about casually again."

Tang Yao is almost wet with tears when holding her, "You're going to scare me to death! Don't run about casually in the future."

"Sweet Orange, you should call them maternal grandpa and grandma!" Tang Duo follows her to go downstairs, "I've told you many times. What will you call when your grandpa comes back from abroad?"

"Anyway, her grandpa is not here now!" Tang Yao immediately says, "What does it matter to call Grandpa?"

Sweet Orange peeks at Tang Duo and pounces into Bai Susu's arms, "Maternal grandma, I was wrong. I'm sorry to let you be worried!"

"Good girl!" Bai Susu responds, "Then you tell me. What did you do after running out yesterday?"

Sweet Orange tells about her experience yesterday, and then whispers to ask, "Maternal grandma, can I keep those two kittens?"

"Yes, you can!"

"Mom, you shouldn't promise her anything." Tang Duo glances at Sweet Orange, "Lulu is already at home."

"But Lulu doesn't play with me!" Sweet Orange yells, "And it only likes brother and sister."

Tang Duo pokes her head, “Fortunately, Gungun and Wuyou took Lulu to live in our house yesterday. If Lulu hears you say so, it will be very sad. Lulu treats you best in the family.”

“I promised the shop assistants...” Sweet Orange whispers.

Tang Duo ignores her. Just then the phone rings. She gets up to answer the phone. Tang Yao secretly winks at Sweet Orange. Sweet Orange’s eyes light up. Then she nods hard.

When An’an gets up to find Sweet Orange, Sweet Orange is reading how to raise kittens online.

“Are you going to have a cat?” An’an asks.

Sweet Orange doesn’t lift her head, “Hmm!”

“Where will you get the cat?”

“I will have it soon.”

An’an is speechless.

“Where did you go yesterday?”

“I told Grandpa... Maternal grandparents. You go to ask them!”

An’an is speechless.

He walks to the door with a cold face. He thinks about it and says, “If you want to do something in the future, remember to tell me.”

“Why should I tell you?” Sweet Orange finally looks up.

“I... I will be with you.” An’an whispers.

“What?” Sweet Orange doesn’t hear clearly, “What did you say?”

An’an glares at her and says, “Fool, don’t you have ears?”

After finishing talking, he runs away without waiting for her reply. Sweet Orange stamps her foot angrily, “When I have the cats, I will let Xiaobai and Xiaobaibai scratch you!”

The day Tang Duo sends Gungun and Wuyou to go on vacation, Tang Yao secretly takes Wuyou to the pet shop.

“Sister, sister, I come to pick up Xiaobai and Xiaobaibai!”

The shop assistant is stunned for a moment, and then recognizes her, “It’s you, little girl!”

Chapter 457 The Childe in the Tang Family Lives Off A Girl 24

“Sister, I’m here to buy Xiaobai and Xiaobaibai!” Sweet Orange says happily, and then sees the listless Xiaobai in the cage.

She hurries to run over, “What happened to Xiaobai? Where is Xiaobaibai?”

“Xiaobaibai was bought by others early this morning.” The young shop assistant feels sorry to say so. She really didn’t expect Sweet Orange to come so soon, and Sweet Orange really wanted to buy two cats.

The two short-legged kittens are pedigree, each of which will cost more than 30,000 yuan. Ordinary people won’t buy them at all. Even if someone whose family condition is good, at most they will just buy one back. Few people will buy two.

“How can you sell it out?” Sweet Orange immediately is wet with tears. Tang Yao was a playboy when he was young. Even if he is old now, he is still an old playboy.

So he says like a playboy, “Who did you sell it to? Contact him and we will buy it back.”

The young shop assistant is speechless.

“Little girl, actually you don’t have to buy both of them!” Another young shop assistant says, “This kind of bloodline cat cannot be bred in close proximity. If you buy both of them, then you must get them to have sterilization surgery.”

Sweet Orange doesn’t understand. The young shop assistant thinks for a while and says, “If you buy both of them, you have to have surgery on them. They can’t get married nor have children.”

This time Sweet Orange understands.

“Then if I take the sister cat back, will it be lonely?” Sweet Orange looks at the little white cat in the cage. It probably sees her coming and is a bit livelier.

The young shop assistant thinks of something, “Ah, yes! There just arrives a calico short-legged cat. Because we are afraid that it might be unaccustomed to the environment, we put it behind, which happens to be a younger brother.”

“That’s exactly a pair! Take it out and let us have a look.” Tang Yao has no idea about cats, only knowing that his sweetie Sweet Orange likes the two cats, so he decides to buy both of them back.

The young shop assistant goes behind to hug a kitten out and puts it underground to show to Sweet Orange. She also takes out the little white cat, and the two kittens roll around under the feet of Sweet Orange.

“They seem to get along very well.” The young shop assistant asks, “How do you feel, little girl? Do you like them?”

Sweet Orange squats down and observes for a while, and then says to Tang Yao, “Grandpa! Let’s buy both of them back, OK?”

“OK, buy!” Tang Yao takes out the card, “We also want to buy matched cat nests and bowls. By the way! We also need cat food.”

“And cat toys!” Sweet Orange shouts.

The two shop assistants are very excited. They didn’t expect a moment of kindness to bring such a rich customer. So they choose the best (most expensive) cat food, supplies and toys.

“By the way, sir, is your house big?” A young shop assistant asks suddenly.

Tang Yao nods and says, “It’s quite big. It’s okay to put twenty kittens. Be at ease!”

“I don’t mean that.” The young shop assistant takes out an exquisite album of painting, “If the house is large enough, you can make a pleasure ground for the cats.”

Sweet Orange's eyes light up as soon as she hears the pleasure ground, "Let me have a look! Let me have a look!"

The album of painting is full of large cat climbing frames, especially cool. The variety of shapes makes Tang Yao feel surprised.

"Are the cats leading such a good life now?" He yells.

The two shop assistants don't say anything. Of course, they can't say that only the cats of the rich people can lead such a good life...

"I suggest that you can make a glass pleasure ground and cat room." One of the young ladies quickly introduces, "These are a few models. With such a cat room, the kittens will generally stay inside, so there will not be full of cat hair in your house."

"There is also this kind, you see..."

Tang Duo returns from the airport and finds that Tang Yao and Sweet Orange are not at home.

"They went to your place." Bai Susu says, "The two said to go to the supermarket. When they came back, they ran there. It is unknown what they have done."

Lang Qi went abroad last month. During this period of time Tang Duo and Lang Ruoxian have taken their children to live here. Why did they run over?

"Don't worry about the two of them. They won't demolish your house anyway." Bai Susu smiles and asks, "Has the accommodation for Gungun and Wuyou been arranged?"

Gungun and Wuyou have a very embarrassing thing. That is, they are under the age of 18 and they can't stay in the hotel alone. So Tang Duo contacted the foreign branch to help them prepare the house in advance, and someone will pick them up when they arrive.

"Have you ever discussed that problem with Gungun?" Bai Susu asks.

Tang Duo looks blankly, "What problem, Mom?"

"It's just..." Bai Susu hesitates and says directly, "They are still young. It's OK if they fall in love, but they shouldn't make love."

“...Mom, do you dare to say this to Wuyou?” Tang Duo is embarrassed.

Bai Susu stares at her and says, “This should be told by the mother.”

“I didn’t tell Wuyou.” Tang Duo smiles, “But I told Gungun.”

“Ah? How did Gungun react?”

Tang Duo spreads out her hands and says, “He said that he would have a sense of propriety.”

Speechless.

Gungun who said that he would have a sense of propriety now sits on the plane and loses his temper with the flight attendant.

“Why is there such a wide table between the seats?” The private jet was taken away by Lang Qi. When Gungun gets on the plane, he learns that Tang Duo has booked them the first-class cabin seats of the most luxurious passenger plane produced by some country.

The first-class cabin has first-class environment and luxurious facilities. But the two wide seats are separated by thick cabinet boards, in order to protect privacy...

“Sir, you can press this button, and the cabinet board will come down.” The flight attendant shows him how to do with a sweet smile. Gungun operates with a straight face. Visit [vip novel. com](http://vip.novel.com)

After the cabinet board is put down, the raised cushions connect the two seats together.

“This is specially prepared for couples or lovers.” The young flight attendant looks at the two of them, thinking that they might still be high school students... But they’ve spent tens of thousands of yuan to take such an expensive first-class to hang out.

Later, the flight attendants know that the two children are not only extravagant and rich, but also show off love.

During the food delivery service, the girl firstly places the boy’s fork, knife and plate, secondly places her own, and then cuts the steak into small pieces for

the boy. At the beginning, they guess whether the girl is a servant of the boy, but soon they find...

"This is delicious!" Gungun takes a small cake and feeds it to Wuyou bit by bit.

Though Wuyou is aloof at ordinary time, Tang Family members all know that she prefers sweets.

Gungun feeds his cake to Wuyou, and peels the grapes one by one and then puts them into Wuyou's plate.

Flight attendants: 'We just work. Why should we see this kind of thing? How old are you and start to show off love, while we even haven't had a boyfriend...'

"Let's take a look at the itinerary!" After being full up, Gungun takes out the tablet PC, and the two begin to discuss side by side. Their first stop is the capital of O Country to see kangaroos and koalas.

In fact, when they were kids, Tang Duo brought them here. But this time it was different. Gungun feels that they are going to have the honeymoon ahead of time. So happy!

The flight attendants don't want to watch anymore, and even walk around every time when they serve other guests. Gungun is a person with no plans, but he knows that Wuyou does have plans.

Wuyou likes to sort things out, arranges the order, and then completes them step by step. So he wants to make a schedule for Wuyou, including going to famous local restaurants to eat.

"It will be convenient when I come to see you next year." Gungun says, "You will be 18 years old next year. You can go anywhere."

Wuyou has been looking at him with a spoiled smile, "But you haven't."

"I know!" Gungun purses his lips, "When Mom registered residence for you, she should have written your age as old as mine."

Then she won't go to school abroad so early...

"Do you want to drink coke?" Wuyou hands over a glass of ice coke.

Gungun takes a sip and says indignantly, "I will send you over when the school starts. You have to tell others that I am your fiancé!"

"Okay." Wuyou smiles.

It is impossible for Gungun to be angry with her, but when he thinks that he will be separated from Wuyou at the end of this vacation, his heart becomes cold. Holding her in his arms and drawing the curtain, the two seats become independent space.

"Sleep for a while!" Wuyou pulls the blanket over.

Like two little beasts hugging each other, Gungun whispers something and Wuyou listens. Occasionally she responds. Later, Gungun is silent. Wuyou sees that he is asleep before closing her eyes.

Her breathing also gradually stabilizes, but she doesn't know that the teenager beside her slowly opens his eyes and stares at her face. Then he sighs silently before closing his eyes again.

Three days later, Tang Duo finally knows what thing Tang Yao and Sweet Orange did that day.

"Are they cats? There are two?" Standing in the sitting room of Lang Family's house, Tang Duo watches the chubby cats rolling on the carpet.

Sweet Orange hides behind Tang Yao, "Yes... Grandpa bought them for me!"

"I bought them!" Tang Yao comes forward and says, "I bought them for Sweet Orange."

Bai Susu also comes over and glares at Tang Yao, "You are so old but still fool around with the child!"

"Oh, why is it fooling around? Gungun had Lulu when he was a kid! Right? Lulu!" Lulu, which is watching the kittens next to him, barks.

Tang Duo rubs her eyebrows, "Sweet Orange, keep your own pets. We will move back to live tomorrow, and you will be responsible for feeding and shoveling the shit for the kittens. They will be your responsibility later."

"Mom, I will take good care of the kittens!" Sweet Orange is so happy that she throws herself into Tang Duo's arms, "I name them as Xiaobai and Hua!"

Tang Duo thinks: 'It is OK if you are happy...'

"Why are the cat's legs so short?" Bai Susu observes for a long time and asks.

An'an pokes the buttock of one of the cats, "Maternal grandma, this is a short-legged cat with shorter legs than those of ordinary cats."

"No wonder! But it's pretty cute to look."

Then Tang Duo walks across the sitting room and finds that the originally sunny corridor turns into a large glass room with a lot of cute decorations and solid wood cat climbing frames.

"...When did you decorate it?" Bai Susu is stunned, "Is it so big?"

Sweet Orange runs in and says, "It looks good! This is the place for Xiaobai and Hua."

"What about the ancient painting originally hung here?" Tang Duo asks suddenly when she remembers something.

Tang Yao answers, "Hmm. The landscape painting? I threw it in the storage room."

Tang Duo is speechless.

"Dad, the landscape painting was bought by my father-in-law with more than 2 million yuan in the auction."

Chapter 458 The Childe in the Tang Family Lives Off A Girl 25

At the zoo in O Country, Gungun is stony-faced. There is a girl of Hua Country beside him talking all the time. He has been upset that Wuyou isn't there, and now he's even annoyed to death.

"Your sister is so amazing that she dares to go to such a high place!" The girl still says, "Why doesn't she come down?"

Gungun ignores her and stares at the roof not far away.

Today the weather is very good, neither hot nor cold. Wuyou and Gungun entered the zoo early in the morning. In order not to be noticed, Gungun has told others that they are sister and brother. Half an hour ago, they and a group of tourists boarded a bus bound for the beast area. Maybe because it is now the summer vacation, half of these tourists are Hua Country people.

A few minutes ago, a naughty child climbed onto the roof of the bus. The staff asked him to go down. Not only did he not obey, but he jumped along the roof of the bus onto the tree beside them. The tree is inside the fence, that is to say, the stupid child is now in the beast park...

“What is she doing?” The child’s mother screams, “Hurry to save my son down!”

Gungun glances at her coldly. Because the rescue in the park couldn’t arrive in time, and the child kept crying, which attracted two lions, continually being eager to have a try, Wuyou went up to save the child as soon as she saw the situation.

He didn’t even have a chance to hold her. Gungun says angrily, “If my sister has an accident, your son will never dream to come back.”

“What are you talking about?” The child’s grandma curses repeatedly, “If my grandson has an accident, it will be your sister’s fault.”

“What the hell!” Gungun scolds back, “You didn’t watch your child well. What’s the matter with others?”

Tourists around also accuse the family after seeing this. Although some foreigners cannot understand it, they are all worried about the girl who is saving the child.

“Mom, Grandma, stop complaining. She is trying to save my brother out of kindness. Why are you still complaining?” It is the kid’s sister who has been nagging beside Gungun.

She glances at Gungun shyly, but it is a pity that Gungun’s eyes are all on Wuyou.

The child’s mother still wants to say something, but Zhang Meiru drags her sleeve and whispers, “Mom, shut up quickly. Didn’t you see the watch and the bag on his back? Those add up to millions of yuan.”

“Really?” Zhang Juan is surprised, “Is he so rich?”

“I won’t be mistaken.” Zhang Meiru’s voice is lower, “This is a good opportunity. If I can be his girlfriend...”

“Oh, I got it, got it!”

At this time, Wuyou is threatening the idiot boy.

“If you move again, I will push you down.”

“How dare you!” Ten-year-old Zhang Yifan is spoiled to be lawless. He even told Wuyou to let Wuyou go to take a piece of meat and protect him to stay in the tree to feed the lions.

Wuyou grabs his arm, “Then have a try to see whether I dare or not.”

The boy screams, and his body hangs in the air, with one arm in Wuyou’s hands.

“Ah ah ah!” Zhang Juan and Zhang Yifan’s grandma scream in the bus, along with Zhang Yifan’s curse.

The ten-year-old child’s swearword is intolerable, and a foreign tourist curiously asks the tour guide next to him.

“What’s that kid calling?”

The tour guide is embarrassed and doesn’t know what to say.

“You wicked girl, hurry to pull my grandson up!” The grandma jumps off the bus and almost falls destructively. She desperately slaps the iron net. The two lions are irritated to be agitated and jump up to reach the child.

The staff hurriedly stops the old lady and wants to pull her aside. The old lady scolds and beats him, scratching the staff’s face.

“This family are really shameful!” Another tourist of Hua Country from the same group can’t help blaming them and even complains about the delay.

Zhang Juan also quarrel with the tourist, like a shrew. The other party thinks this to be disgraceful and keeps silent.

At this time, the car in the zoo comes and attracts the lions away, and then the child is rescued down. Wuyou jumps into car by herself. The driver gives her a thumb up.

“Is this Kung Fu of Hua Country? Really amazing!”

Wuyou hasn't spoken yet, and the small boy rushes up to kick her.

“Damn, you b***h dare to scare me!” Zhang Yifan spits after swearing.

Wuyou dodges and raises her hand to slap him.

“Ah!” The child is stunned, covering his face, and then wants to swear again.

“Shut up if you don't want to be hit.” Wuyou looks at him coldly.

The staff aside is a Hua Country person, who immediately says, “You can rest assured, little girl. I will testify for you! He first scolded you.”Access v ip novel

The car sends them out, and Gungun jumps off the bus to run over.

“Are you all right?” He looks at Wuyou up, down, left, and right, “What happened just now?”

Wuyou shakes her head and answers, “He didn't want to leave and said that he wanted to feed the lions.”

“What the hell...” Gungun scolds, “You should throw him down to feed the lions.”

A scream comes suddenly from aside.

“Gosh, what happened to your face, Fanfan? Who hit you?”

The child named Zhang Yifan immediately points to Wuyou and says, “She hit me!”

“Why did you hit my son?” Zhang Juan rushes to question Wuyou, and Zhang Meiru hurriedly pulls her from behind.

Wuyou glances at the child who gloatingly smiles at her, "Because he needs spanking."

"How did you speak like that, little girl?" The grandma is so distressed that she is ready to hit Wuyou.

Gungun stands in front of Wuyou and gently pushes her away. The old lady wants to fall, but the tour guide, who has been worried, reaches out to support her.

"Grandma, she hit me!" The little boy cries and shouts, "Mom, quickly beat her! Beat her!"

Zhang Meiru covers his mouth quickly, "All right. Don't talk nonsense, Fanfan. This sister saved you!"

"I don't need this b***h to save me!" Zhang Yifan pushes her away and runs over, trying to beat Wuyou.

Gungun grabs his arm, "What did you just say? Needn't save you?"

"You... You let me go!" Zhang Yifan is still a little afraid of the boy who is older than him, and hurriedly calls his mother, "Mom! Mom!"

"Since there is no need to save you, then let me send you up again!" Gungun jumps onto the car top, holding him, and then jumps back into the tree very quickly.

Zhang Yifan is shocked and looks at Gungun.

"Hmm... There are no lions, right? Didn't you just want to feed the lions? I'm going to attract some lions to come over now."

The staff are also panicked, shouting to stop Gungun. The Hua Country person kindly reminds Wuyou.

"Quickly put the child down! In case the family sue you, you will be in trouble. The laws here are very strict."

Wuyou knows that he had good intentions, "It's okay. He just scares the kid."

"Wow..." Zhang Yifan cries in shock.

Under the tree, his grandma is going to faint. Zhang Juan pushes the staff to let them go in to save the child, covering her head. Zhang Meiru's face is pale, secretly hating that her own brother hinders her.

"Sister, I apologize for my brother. You put him down, OK?"

Wuyou glances at her, "I am not your sister."

"..." Zhang Meiru smiles awkwardly, "Then... Aren't you sister and brother? I hear that he is in Grade Two in high school, so he must be as old as me, and I'll call you sister, too!"

Wuyou ignores her and calls Gungun.

Gungun turns his head and waves at her, and then carries the idiot child to jump back.

"What's wrong?" Gungun throws the little boy to the ground.

Wuyou wipes his sweat, "Don't hold everyone else up because of them, or we will miss the lunch."

The old lady and Zhang Juan are still crying and scolding. Other tourists in the tour group are very dissatisfied. They say if they won't get on the bus, just let them stay here and don't affect everyone else's schedule.

Zhang Family members get in the bus reluctantly. When passing by Gungun and Wuyou, the old lady glares at them severely and is glared back by Gungun.

"This child! Don't blame others for teaching a lesson to your child if you don't teach him yourself!" A woman who always hates this family says ironically, "If you can't teach your child well, and naturally he will have to be taught a lesson by others."

After she finishes speaking so, she says to the newly-married daughter and son-in-law, "Don't be like some people as you have children in the future. You need to educate the children well. Do you know?"

"Mom, what you said is right!" Her daughter is also straightforward, "Teaching children is to teach by personal example as well as verbal instruction. Our

family are all educated people, and the children we teach will certainly be good!”

“Who did you criticize to be uneducated?” Zhang Juan shouts.

The woman turns to look at her and says, “Whoever answers will be the one to be criticized!”

“Do you dare to say one more word? Why are we uneducated? You think that only you are educated?”

“I dare to say more! Look at what your family have done all the way! You had to take the window seats on the plane. When those people rejected to change seats with you, you just took advantage of your seniority to force them to change. In the hotel, you had to pick the rooms first. And during dinners, your child stirred the dishes all over the place, but you grown-ups didn’t say anything.”

“Yes!” Another woman also joins, “I have endured your family all the way. You are so shameful abroad. The girl saved your son, but you didn’t even say thanks to her.”

Zhang Juan stares, and wants to scold back. Zhang Meiru hurriedly drags her a few times and uses her eyes to hint the existence of Gungun.

“Huh! You are so capable. You shouldn’t join the tour group if you are capable! How free you will be to come out to play by yourself!” Zhang Juan says irritably and arrogantly. At least the quarrel stops.

The tour guide feels very upset. She usually leads the Australian VIP tour group. The cost of this kind of tour group is more than double of that of the ordinary tour group. The food and accommodation are comparatively better. There is no compulsory shopping. The quality of the guests in the past were very high. This is the first time she meets the persons like Zhang family members...

Fortunately, they quickly enter the tiger’s territory. Everyone’s attention is attracted by the tigers and the quarreling stops. Only the child named Zhang Yifan glares at Wuyou from time to time.

But Gungun finds this and looks at him coldly, waving his fist.

The naughty kid immediately is frightened, and never dares to look at them again.

Because of these incidents, their bus return an hour later than planned. The team meal of the Hua Country people is specially arranged. They will dine in the specially planted green forest while herbivores come into close contact with them.

“You two children!” Zhang Juan stops Gungun and Wuyou, “Where are you going to have the meal?”

Wuyou doesn't say anything, and Gungun isn't very enthusiastic to her, “It has nothing to do with you.”

“My mother meant to thank you!” Zhang Meiru looks at Wuyou and then gazes at Gungun, “You saved my younger brother. Why not eat with us and let us express our gratitude?”

Chapter 459 The Childe in the Tang Family Lives Off A Girl 26

Zhang Juan pulls a long face and exerts her strength to cut the beef on the plate.

“Are you sure that those two children are rich?”

Look at them as if their eyes are on the top of their heads, and they rarely answer when being talked to.

“I kindly invited them to dinner and they were not willing to come.”

Zhang Meiru frowns and says, “Mom, lower your voice. Everyone else hears. If you don't believe, you read it yourself...” She hands over the mobile phone, “You look at the watch on his hand.”

Zhang Juan watches for a long time, “It seems quite similar, but now there are so many fake things. His watch may be fake!”

“Impossible! The diamonds on this watch are cut with a special method, and the fake ones can't imitate.” Zhang Meiru looks at her brother next to her who is particular about the food, and frowns to say, “Now it's useless to say these

things. Their impression of our family is so bad that they will ignore me definitely.”

Zhang Juan also feels that it is a pity, but compared with her son, those things are not important.

“Oh, if it can’t work, so be it! Maybe their family condition is similar to that of our family, but there is no one in their family to guard against wasteful spending. You see, your brother also bought a remote control aircraft costing tens of thousands of yuan before!”

Zhang Meiru is very unhappy, “Even if their family condition is similar to that of ours, their family background is good. By the way, Mom! He is very handsome, who is much more handsome than the school hunks.”

“What are you two talking about?” The old lady suddenly calls them, “Fanfan still wants to eat steak, and so let them serve two more plates.”

“Meiru, you tell the waiter.” Zhang Juan doesn’t know how to speak English but only knows “Hello” and “OK”.

What Zhang Meiru thinks of something and says, “It’s useless to call them. Our tour fee is so much, so you have to pay for the extra food.”

“Then pay it!” The old lady says indifferently, “Can’t we afford two pieces of beef for my grandson?”

Zhang Meiru calls the waiter and asks how much it will cost to add two plates of beef. After the waiter says the price, she is startled.

“Mom, don’t eat it. It will cost more than 800 yuan per plate!”

Zhang Juan’s eyes are popping out, “So expensive?”

“Isn’t this just beef? Why is it more expensive than the seafood buffet we went to eat before?” The old lady doesn’t believe it, “Does he want to extort money from us? You ask him to show the menu.”

Zhang Meiru asks the waiter to get the menu. The price on the menu is really so much. Because they previously ordered a team meal, the additional service fees won’t be charged. Otherwise it will be more expensive.

“I don’t care! I want to eat!” Zhang Yifan pats the table.

Zhang Juan feels wrong, “Our meals are not so expensive? It means if we order food by ourselves, it will be expensive? Then ask the tour guide to tell the restaurant to charge us according to the team price, it should work.”

“It shouldn’t work...” Zhang Meiru doesn’t know clearly.

They call the tour guide sitting on the other side, and the tour guide shakes her head as soon as she understands the situation.

“If you order by yourself, you have to pay so much. I advise you not to order it. The things in the safari are more expensive than those outside.”

Zhang Yifan stares at her fiercely, “I’m going to eat it! I don’t spend your money.”

“You are the tour guide. You should tell them!” The old lady says, “We came out with you, so you should help us.”

The tour guide scolds in her heart, but she has to say, “I can help with other things, but this price is the price set by the restaurant. How can I help you?”

“Then I don’t care. Anyway, you have to let them charge the dishes less, or they can make a discount.” The old lady harasses the tour guide with unreasonable demands and other tour group mates hear them and say.

“It’s fine, Ms. Xie. Ignore this family. If they complain you, we will testify for you!”

“Don’t go too far. This is beyond the ability of the tour guide. The young girl is just in her twenties. Doesn’t your family feel ashamed to bully her?”

The old lady and Zhang Juan quarrel with everyone else. Zhang Meiru can’t stop them. The waiters ignore them. Anyway, there is only their team here, so they can’t affect others.

Zhang Meiru feels very embarrassed and is about to lose her temper when she sees two familiar figures walking outside the glass window.

“Don’t quarrel, Mom!” She quickly stands up and pushes the tour guide away, “It’s okay. It’s okay. We won’t order anymore. Just ignore my grandma for they don’t understand anything!”

After talking, she runs out. Zhang Juan thinks that there is something wrong with her, and forgets to quarrel but stands up to chase out.

“Meiru?” Zhang Juan catches up with her and asks, “What are you going to do?”

Zhang Meiru points and says, “Mom, look! Aren’t they the sister and brother?”

“Oh! Didn’t they refuse to come? Why did they come here by themselves?” Zhang Juan pouts.

Because they come out late, there is no independent private room left. However, this jungle restaurant is very famous. If you don’t come to eat here once, you won’t think yourself having had an authentic trip in the zoo of O Country.

So Gungun and Wuyou wait for a while, and come until the private room is available.

Watching the two of them go in, Zhang Juan pushes Zhang Meiru, “Go! You go in to say hello. Maybe you can get the contact information!”

“Is it suitable?” Zhang Meiru is not confident.

If there is someone else, she will think herself having an advantage, for she looks good and her family condition is good. But they look better than her, and their family may be richer than her family...

“Go and have a try!” Zhang Juan is quite confident, “Nothing bad will happen. What if you succeed?”

So Zhang Meiru goes over. She’s prepared something to say and is about to push the door when a waiter comes out of it.

“Sorry, this is a private room. You can’t go in!” The waiter says in English.

Zhang Meiru’s English is average, but she understands the words “can’t go in!”

“Why?” She asks, “The people inside are my friends.” Update by vi p novel

The waiter asks her to wait a moment, and goes in. He comes out in a few seconds.

"I'm sorry. The guests said that they didn't know you." The waiter politely makes a gesture and says, "Miss, please leave!"

Zhang Meiru returns in despair. Zhang Juan can't understand what she said to the waiter, and hurriedly asks, "What's wrong? He won't let you in?"

"It seems that the private room only allows the guests to enter." Zhang Meiru is angry and ashamed. They obviously took the same tour bus before. Why did they say not knowing her?" Okay, Mom, let's go back!"

After all, she is a teenage girl, easy to be shy.

"No!" Zhang Juan doesn't agree, "Why didn't he let you in? Wait, Mom will talk with him."

Zhang Juan can't even understand English. What can she say? She just harasses the waiter with unreasonable demands as what she used to do at home. She even reaches out to tear at the waiter. The waiter is scared and calls the police directly.

When the tour guide hears the movement, the police are about to take Zhang Juan and Zhang Meiru away...

"Ms. Xie, tell him quickly. We are tourists!" Zhang Juan sees her and shouts loudly.

Zhang Meiru is almost crying, and keeps saying, "We didn't want to hit him. We don't!"

After understanding the situation, the tour guide Ms. Xie wants to tell the police uncle to take the silly family away quickly!

"It's just a misunderstanding. They really know the guests inside." The tour guide explains to the police and shows their passports.

There is so noisy at the door that Gungun has heard it for a long time. He opens the private room door and comes out.

"Oh, you are coming! You quickly tell the police that we know each other." Zhang Juan hurriedly shouts at him.

Gungun smiles and asks, "Who are you, Aunt? When did we meet?"

Zhang Juan is speechless.

“Sir, can you please take them away? They’ve affected me to have the meal.”

Then the police take Zhang Juan and Zhang Meiru away, and the tour guide can’t help worrying and wants to appeal to Gungun’s mercy.

“Don’t you think your team will be easier to be led without them?” Gungun smiles, “It’s not your fault.”

The young tour guide shows an expression of sudden realizing, and leaves happily. After she goes to negotiate with the police, Zhang Juan and Zhang Meiru will be detained for six hours. So the tour group will pick them up when they return.

So the tour guide happily goes back to inform everyone else to continue the trip.

“What?” The old lady just saw the police take away her daughter-in-law and granddaughter, and was scared to death. When she hears that they will be really detained, she suddenly panics.

Zhang Yifan aside plays with the game console as if it is okay, “Don’t be afraid. Didn’t they tell you that they would be released in the evening?”

“Oh, those are your mother and your sister!” The old lady can’t help worrying, “How did they come abroad to play but get into the prison? This... What a shame!”

The tour guide lets the driver drive. Other guests secretly gloat, and the woman who quarreled with them in the morning asks.

“Do you know it to be disgraced?”

The old lady won’t dare to quarrel with others. Only her grandson and her are left. They will be no fighting match for others if they offend others.

“Ms. Xie! Can we really be able to pick them up in a while?” The old lady is really scared. She is afraid that Zhang Juan and Zhang Meiru will be locked up, even won’t be able to go back home.

The young tour guide comforts her for a long time, and assures her that they will come over to pick them up on the way back to the hotel in the evening. Then the old lady sits well, being extremely worried.

At this time, Gungun is in a good mood and goes to the animal nursery with Wuyou. The animal nursery here usually does not allow tourists to come in. Lang Ruoxian pulled some strings in advance so that Gungun and Wuyou are able to come in. The animal nursery is full of small animals that are just newborn or two or three months old.

Gungun takes Wuyou to feed milk to the small animals and play with them. The staff members have been secretly watching them and discussing in private.

“This boy looks so handsome. Is he a star of Hua Country?”

“Are they shooting a reality show?”

“Of course not. There are not any cameras! He must be the little master of a rich family.”

“I’m so envious! He looks so handsome, and he is willing to play with his girlfriend.”

They do not know the fact is that Wuyou accompanies Gungun to play.

Then it is particularly coincident that when Gungun and Wuyou leave the safari park in the evening, they happen to meet the tour group to pick up Zhang Juan and Zhang Meiru at the police station in front of the park. Zhang Juan and Zhang Meiru come out haggardly and are about to get on the bus. They see Gungun and Wuyou.

“It is all your fault, you two son of b**ch!” Zhang Juan has forgotten what her daughter said that the brother and sister might be somebody. She only knows that Gungun’s word caused her to be locked in the small and black room for an afternoon at the police station.

“Mom!” Zhang Meiru stops her, “What do you want to do? The police are still watching behind.”

Zhang Juan stares at Gungun fiercely, “Don’t let me meet you again!”

“Isn’t Aunt supposed to thank me?” Gungun pretends to be surprised, “Thank me for giving you a chance to visit the prison abroad for free. You’ve gained extra advantage during this trip abroad!”

Chapter 460 The Childe in the Tang Family Lives Off A Girl 27

Zhang Meiru doesn’t want to talk with Gungun anymore. Now she knows that he doesn’t like her.

“Mom, get in the car quickly! It’s so disgraceful!” Zhang Meiru gets in first after pushing Zhang Juan.

Zhang Juan curses and hurries to follow her. When she gets in the car, she sees everyone looking at her strangely. She scolds angrily, “What are you looking at?”

“Well, sit down quickly!” The Old Lady Zhang asks nervously, “Are you fine? Meiru, you should stop your mother. Now even the police know it…”

Zhang Juan glares at the old lady and wants to say something. But she finally keeps silent.

Seeing the tour group’s bus leaving, Gungun takes Wuyou to get in the hotel’s special car. They are not at the age to have a driver’s license. So they have to rent a hotel’s car. It’s also convenient for them with a driver accompanying them all day.

“I’ve heard the chat of those women. It seems that they will live in the same hotel with us.” Gungun feels unlucky. Why does this five-star hotel have guests of tour group?

Wuyou frowns, “Maybe we don’t live in the same floor.”

“Yes.” They book a suite on the top floor. And the tour group may live in ordinary rooms.

Gungun rolls his eyes and says, “I’m uncomfortable to live in the same hotel with the family of low quality. Our country should make a standard that people of low quality like them just stay at home instead of going abroad to lose face.”

When they go to the restaurant for breakfast the next day, they see the tour group checking out, which is the last time to see these people. Gungun and Wuyou travel around most of the Europe. A month later, they go to the American continent where Wuyou will go to university in the next few years.

They play from the south to B City in the middle, and then go to Wuyou's house near her university.

"We have a villa on another block. But it's too far from here." Gungun takes Wuyou to stand in the front of a small two-story house and says, "Mom chooses here. It's only a street away from your university and the public order is very good."

Wuyou finds that her house looks so small and cute against big villas with more than three floors on both sides. There is a lawn with automatic sprinkler devices in front of every house.

"This is a typical rich area." Gungun finds a key from a flowerpot near the door by Tang Duo's instructions, "Change a password lock later!" He says.

Gungun talks endlessly and opens the door. Both architecture and decoration are typical American style with the color of light green and small flowers. The small sitting room, kitchen and washroom are on the first floor.

"We can buy new furniture if you don't like this." Gungun goes to the kitchen and finds kitchen utensils have been prepared.

Obviously, his mother prepares them because all these things look so cute.

"I like it." Wuyou also knows that Tang Duo decorates the house carefully. She looks so happy and says, "Let's go upstairs and have a look."

There are two rooms on the second floor. One of them belongs to Wuyou because it's the style of girls.

"This one is mine." Gungun proudly opens a door of opposite room and says, "I'll come to accompany you as long as I have a holiday." Then he looks at her alertly, "Don't go to train on vacation. Otherwise we can't see each other."

Wuyou looks at him with a smile, "I won't go to train anymore."

“Yes!” Gungun is very satisfied to check the backyard and garage. Wuyou just looks at a fireplace in the living room downstairs. There is a secret drawer behind the fireplace. Gungun is stunned after opening it.

“Is this a place to put a gun?”

It’s easy to find its function by the indentation inside. Gungun raises his eyebrows and says, “Well, it’s a safe place.”

The Mi Country allows people to have guns and the house’s owner can kill strangers who come in without permission, such as thieves, robbers and so on.

“Is there anything unsatisfactory?” Gungun finally asks, “We can make a change before living here.”

“It’s all good.” Wuyou turns off the switch and says, “Let’s go!”

Then Gungun pulls her to the university. It’s the first time for them to visit the famous university that trains global business talents. The university allows other people to visit during the summer vacation. Then they come across a group of children from the Hua Country.

“Do you also come to attend the summer camp?” A little girl asks.

Gungun shakes his head with a smile, “I send my sister to study here.”

“Wow!” A crowd of children surround them and says, “She is so great. My mom said that only the best students could study here.”

Gungun is so proud. When he is about to show off, he hears a question.

“Don’t you study here? Are you a poor student so you fail in being admitted to the university?” A little fat boy asks. Access v ip novel

Gungun is so sad.

Wuyou pulls him away. Gungun isn’t in a good mood to visit so he comes back to the hotel with Wuyou. In the evening, they will continue their journey by air, and return home a week later.

The admission letter has sent to Wuyou. She should hand materials asked by the university within 7 working days to choose dormitory. But it doesn't matter because she doesn't board at school.

"Are they disabled cats?" Gungun wants to go back to the Tang Family. But Bai Susu tells him that they have moved back. So Gungun comes here again and sees two cats rolling on the carpet as he enters the door.

The cats' legs are so short and they are rolling around.

"Brother, they are short-legged cats!" Sweet Orange pouts and runs to hold the suitcase, "Sister, do you have a gift for me?" She asks.

Wuyou touches her little head and says, "Yes. I'll give you later. Where's Mom?"

"She has something to do and goes out." Sweet Orange pushes the suitcase in and is urgent to get her present.

Gungun lifts a kitten up by catching its neck. The kitten meows to him continuously.

"Put Hua down soon!" Sweet Orange shouts angrily.

Wuyou rescues the kitten from Gungun and touches it, "It's lovely." She says.

"Yes!" Sweet Orange puts Hua on Wuyou's hand and says, "Our cats are really good!"

Gungun looks around and asks, "Where is An'an?"

"He is upstairs..." Sweet Orange's tone starts to be guilty inexplicably.

Gungun pokes on her forehead and asks, "What did you do?"

"I didn't do anything!" Sweet Orange says angrily, "I don't know he is allergic to cats' hair!"

No one knew the problem of An'an before. Two kittens run around after they are familiar with the environment few days later. The first time cats jump on the legs of An'an, he begins to sneeze.

Then they know that he is allergic to cats' hair. Fortunately, it's not serious as long as he isn't close to cats.

"Why doesn't he move to Grandma's house?" Gungun opens a suitcase to let Sweet Orange find gifts inside.

Sweet Orange has no time to talk about An'an at this time. She almost puts half of her body into the suitcase.

"I'll put this suitcase upstairs." Wuyou takes the suitcase with clothes upstairs.

An'an is watching a movie in the entertainment room. Seeing Wuyou coming in, his eyes are bright suddenly, "Sister? When did you come back?"

"We've just arrived." Wuyou has a look at the projection screen. It's a foreign film in English.

She sits down next to An'an and asks, "Are you uncomfortable?"

An'an is stunned. After realizing that Wuyou is talking about cats, he shakes his head and says, "I'll be fine if I don't hug them."

"Sweet Orange said that you didn't want to stay with Grandma. Are you worried about leaving her at home alone?"

Bai Susu tells Wuyou that Tang Duo wants to take Sweet Orange to G City. But Sweet Orange refuses because of the two cats. She stays with them all day.

An'an says nothing. Wuyou finds his ears become red. She smiles a little and doesn't expose that, "Do you want to choose gifts downstairs?" She asks.

An'an grunts twice and then goes downstairs with her.

When Wuyou goes abroad at the end of August, Gungun wants to send her off. But Lang Ruoxian refuses Gungun mercilessly.

"Your dad will go to Mi Country for business. So he'll go with Wuyou and send her to the university." Tang Duo pats her son's shoulder and says, "But he thinks you are a trouble and doesn't want to take you there."

Gungun is so angry, "I can go there by myself without him!"

But Wuyou persuades him.

“You’ll come back soon after arriving there. Why not go there on the National Day next month?” Wuyou says, “You can bring me some things at that time.”

“I can bring things for you now.” Gungun says unhappily.

Wuyou smiles gently, “But I don’t know what I’m lack of now. I’ll know after I live there for a period.”

Then Gungun is relieved by her and sends Wuyou to the airport with Tang Duo when she leaves. He ignores Lang Ruoxian all the way whatever Lang Ruoxian talks with him.

“Why can’t you take him there? Now you make him upset.” Tang Duo complains to Lang Ruoxian in private.

Lang Ruoxian kisses her and explains, “It’s Wuyou’s decision. She is afraid that he won’t go home when he arrives there.”

Tang Duo is speechless. She knows that her son may do this kind of thing.

“Don’t worry about him after I leave. He has been a big boy and should learn how to deal with things by himself.”

Tang Duo hugs him and says, “I know! Take care of Wuyou and yourself.”

Gungun cries on the way back. He doesn’t want to be laughed by Tang Duo. So he covers his face and squats in the corner. When he gets off the car and glances at Tang Duo, he finds his mother’s red face because she tries hard not to laugh.

“I’m sorry... Ha, ha, ha...” Tang Duo laughs loudly, “You don’t know that it’s so funny when you crouch there and tremble. Ha, ha!”

Gungun is angry.

When the school opens, everything is usual in Class 6, Grade 2 in high school. The only difference is the empty seat next to Gungun.

“Students, the new semester...” The head teacher is saying on the platform and then suddenly mentions Lang Wuyou, “Well, Lang Wuyou has been

admitted by Ivy League School. It's said that she is the youngest student this year. She is also the proud of our school and class!"

Then everyone claps. Zhang Li secretly turns her head to have a look and is shocked by a gloomy face. She turns back soon.

"Although a classmate leaves, a new classmate transfers to our class this year. Please welcome her!"

It creates uproar in the crowd. Then they see a young girl coming in. The girl doesn't wear school uniform but wears a miniskirt and a vest. Her face doesn't look like a person from Hua Country. Her legs are so slim and long. Her bust is also...

"Wow!" A male student whistles.

"Gosh, she is so beautiful!"

Yuan Yiming excitedly pokes Gungun behind him and says, "Childe Lang! I think I'm in love."

"I didn't expect such a beautiful girl was my classmate!" Zhao Shen puts an obscene smile on his face.

No one sees that Gungun's eyes are full of scorn and delight in the misfortunes of others.
