Chapter 451: Can You Rest Assured If Su Chen Taken Her

Qiao Mu was exhausted from accompanying Li Yan to deal with the guests, so she sat down on the sofa to rest. After a while, Chi Xia walked over and sat down on the sofa.

“Wearing high heels is too tiring.”

Qiao Mu looked at Chi Xia with a smile. “You still haven’t told me how the two of you ended up together! ‘

“Watch your words. What do you mean we’re together? I’m making up for the mistake I made after drinking. It’s because you said how much I vomited that night that I felt guilty.” Chi Xia pouted.

“Xi Xia, Su Chen is single. If it’s possible...” Qiao Mu was unwilling to give up.

Before Qiao Mu could finish her sentence, Chi Xia interrupted her. “No! ”

“Why did you deny it so quickly?” Qiao Mu frowned. “Xi Xia, it’s been a few months. You should give up now. Since you’ve decided to let go, hanging yourself like this isn’t a solution.

Chi Xia’s face darkened. “I know, don’t say it, Mu Mu.

She was worried that she would not be able to suppress her emotions if she mentioned this matter again.

Qiao Mu sighed and did not continue.

There was a row of wine glasses on the coffee table. The wine glasses were filled with red wine for the guests to drink.

Chi Xia picked up a glass of wine and downed it with her head raised. She was still feeling depressed, so she continued to drink the second glass.

Qiao Mu raised her hand to stop him. " Don't drink anymore. Have you forgotten how much you suffered after drinking too much last time?!"

It's fine. I only need to get drunk once. I know what to do. " Chi Xia swirled the wine in her glass and started drinking again.

When Su Chen walked over, he saw a few empty wine glasses in front of Chi Xia. Looking at her flushed face, he could tell that she had drunk quite a bit.

Qiao Mu stood up. " Young Master Su, Xiaxia accidentally drank a few more glasses, but she's still conscious. Can you send her home? "

Chi Xia waved her hand. " No need, I can go back by myself. '

"How can that be!" Qiao Mu helped her up and shoved her in front of Su Chen. ' Thank you, Young Master Su. Don't worry, Xiaxia won't throw up this time. She only drank a little. "

Su Chen caught a whiff of alcohol and furrowed his brows. He stared at Chi Xia for a while before finally taking her from Qiao Mu's hands and helping her out.

Qiao Mu walked to Li Yan's side and asked worriedly, "Uncle, can you let Su

Chen send Xiaxia back to the dormitory? "

Li Yan raised his eyebrows slightly. " What's there to worry about? Are you worried that he will sell her?"

Be serious. I'm just worried that Xiaxia isn't sober right now. If she gets drunk..." What about that?"

Li Yan chuckled softly. " Little thing, do you think everyone is like you? Do you think they'll treat me so casually after drinking? "

Qiao Mu was speechless.

Casually?

He still had the cheek to talk about her! Shouldn't she be the one saying this? He was clearly the one who did whatever he wanted!

Li Yan's smile deepened when he saw the little woman's flushed face. " Alright, the banquet will end in a while. If you're tired, go sit on the sofa and rest. If you feel that it's noisy here, you can go upstairs to the hotel room and wait for me!

The last two words were extremely ambiguous.

Qiao Mu's face turned even redder when she met those smiling eyes. She snorted and turned to walk towards the sofa. " I don't mind the noise! "

This man was becoming more and more undisguised. He could not even be serious for two minutes before revealing his true nature!

Could they still play together happily?

Chapter 452: Don't You Feel Embarrassed Crying on the Street?

Chi Xia left the banquet hall unsteadily. When she walked out of the hotel, a gust of cold wind blew past her. Not only did she not wake up, she felt even more dizzy.

She looked at Su Chen expressionlessly. " Mr. Su, you don't have to send me home. I can take a taxi back myself. "

"Are you sure you can do it?" She looked drunk.

"I'm not drunk. Why can't I? We agreed to not owe each other anything. Please don't look at me with disdain when you see me again in the future. Goodbye!"

Su Chen looked at her back as she turned around and left. He narrowed his eyes and walked toward the car.

Chi Xia stood by the roadside and hailed a cab. Her ankle was hurting and her new shoes seemed to have caused blisters on her toes. She walked on the steps by the roadside and took out her phone to call a cab.

However, just as she sat down, a car stopped in front of her. She looked up and saw Su Chen's face in the car.

Su Chen looked down at the woman sitting by the roadside. She was like an abandoned puppy, looking pitiful.

This woman always gave him this feeling!

"Get in the car!" he said coldly.

"No need!"

"Chi Xia, there aren't any taxis passing by here. Do you want to sit here for the night?" Su Chen sounded impatient.

The next moment, Chi Xia stood up. Instead of walking to the car, she walked along the road towards the intersection.

Su Chen frowned. This woman was really insensible!

He had never taken the initiative to send someone away, but he was rejected. Moreover, he was rejected twice in a row!

He stepped hard on the accelerator and drove past her.

Chi Xia pouted as she watched the car drive away. He despised her, but she didn't like him!

Every time he saw her, he would look at her with disgust. Didn't she accidentally vomit on him when she was drunk? She had already apologized! Why couldn't he understand how she felt when she was heartbroken?

Lovelorn...

Chi Xia bit her lip. She did not know if it was because her feet were hurting too much or her heart was hurting, but her steps were very heavy. In the end, she stopped and squatted down weakly, trying to suppress the pain.

She took off her shoes, and her toes were already covered in red blisters. She came to attend a banquet, how did she end up in such a sorry state?

Suddenly, a sense of helplessness hit her, making her feel down.

She remembered that in high school, there was a sports meet where she participated in a sprint. When she was exercising, she rubbed her heel. At that time, Gu Cheng held her foot with a band-aid and said sadly, "Xi Xia, how could you be so careless? Don't you know that I'll feel sorry for you if you let yourself get hurt?!"

His heart would ache!

However, he was really magnanimous. He already had a fiancée, yet he still felt sorry for her?

Did he know that when she found out that he had a fiancée, her heart ached so much that she almost suffocated?

Chi Xia bit her lip hard and her vision blurred. Suddenly, a car horn sounded beside her ear. She looked up and saw through her tears that the car that had just left had returned.

She blinked and her tears fell. With no tears blocking her vision, she could clearly see that the person in the car was indeed Su Chen!

The man stared at her with a sharp gaze, and no emotions could be seen in his dark eyes.

Chi Xia was stunned. She raised her hand to wipe away her tears, took off her shoes, and walked forward barefooted.

” Chi Xia, don’t you feel embarrassed crying on the street without caring about your image? ” Su Chen’s voice sounded in the car.

“None of your business!” Chi Xia quickened her pace and turned to the sidewalk, keeping a distance from the car.

Suddenly, she felt a sharp pain under her feet. She let out a low cry and raised her foot to see a glass shard on the road!

Damn it! Why was she so unlucky!

Chapter 453: Let Him Dislike Her!

In the car, Su Chen frowned and raised his voice slightly. ” I’m saying this for the last time. Get in the car!  
”

However, his words did not have any effect. As soon as he finished speaking, he saw the woman limping away.

Su Chen felt that his patience was completely worn out at this moment. He opened the car door and got out of the car. He strode over to Chi Xia and grabbed her wrist. " Chi Xia, I don't have the patience to waste my time with you! "

Chi Xia's mood was already extremely bad. She was so embarrassed to be seen by this man in such a sorry state!

She turned around in retaliation and made a vomiting sound in front of the man's chest.

In the next second, Su Chen's body froze. He stood there stiffly, not moving at all.

Chi Xia raised her head and saw Su Chen's face full of expressions. It was full of variety and was very interesting!

"Pfft..."

She couldn't help but laugh out loud. Then, she pushed him away and raised her head to laugh. " Hahahaha..." I was just teasing you. I really left a shadow in your heart. You're too funny..."

Su Chen looked down at the clean clothes on his chest and then at the woman who was smiling wildly in front of him. She was still in low spirits just a moment ago, but now her face looked like it was blooming.

He pursed his lips and scooped the woman up in his arms before walking to the car.

"Hey, what are you doing? Let me go!"

"Do you think I want to waste my time here with you? Qiao Mu asked me to send you back. No matter what, she's my sister-in-law, so you'd better cooperate!" As he spoke, Su Chen had already placed Chi Xia in the car and slammed the door shut.

Chi Xia pouted as she watched the man get into the car and start the engine. '

Aren't you afraid that I'll puke in your car? "

"I'm warning you, don't ever say that word to me again!" Su Chen gritted his teeth.

"Which word?" Chi Xia blinked her eyes as if she didn't know what was going on. After a while, she seemed to have figured it out. " You mean the word 'vomit', right? Vomiting ... Vomiting ... Why do you discriminate against this word!"

Su Chen was speechless. Shut up!"

Chi Xia was in a good mood when she saw the man's ugly expression!

She wanted him to despise her!

Su Chen glanced at Chi Xia and threw a tissue to her. " Wipe your tears. Don't let them fall into my car! "

The smile on Chi Xia's face disappeared. She lowered her head and whispered,

"I couldn't help but shed a tear because my foot hurt too much!"

After saying that, she was worried that the other party would overthink, so she added, "This pair of broken shoes is really too tiring. Don't think too much!"

Su Chen turned to look at her. " I'm not thinking about anything. You're saying so much. Are you saying that there's no silver here? "

Chi Xia choked, pouted and turned her face away.

The car fell silent. After a while, Chi Xia covered her mouth with a tissue. ' Ugh.

Su Chen's expression changed and he slammed on the brakes. " Don't vomit in my car! "

Chi Xia removed the tissue from her mouth. " Why are you so agitated? I just retched a little. "

"Chi Xia!" Su Chen's anger had reached its limit!

At this moment, he did not throw this woman out of the car. She should really be very glad!

Chi Xia wiped her mouth with a tissue and said nonchalantly, ""You're too sensitive. I don't throw up every time I drink. That time, I happened to catch up with your bad luck. It's really not my fault."

Su Chen ignored her, too lazy to say another word to this woman! Chi Xia leaned back comfortably in her seat and fell asleep unknowingly..

Chapter 454: Secretly Kissing Him

The car stopped in the dormitory area of T University. Su Chen turned his head to look to the side and saw a woman with both feet on the seat. She hugged her legs with both hands and curled up on the seat, sleeping soundly. Her toes were red from the friction of her shoes and were covered in scars.

He nudged her. " Chi Xia, we're here! "

"Oh..." The sleeping woman grunted, turned her head to the other side, and continued to sleep.

"Chi Xia!"

"Don't disturb me..."

Su Chen looked at the woman sleeping soundly and then at her bare feet. He pursed his lips and started the car.

He really felt that he was doing charity tonight. Tomorrow, he would definitely demand mental compensation from his elder brother and send this woman

Su Chen brought Chi Xia to his private apartment and carried her home from the car. The woman in his arms did not react at all like a pig!

He entered the room and placed the pig in his arms on the bed. He was about to leave when his arm was grabbed.

“Don’t go...” The woman on the bed groaned indistinctly and hugged his arm tightly, refusing to let go.

Su Chen frowned. “ Let go! ”

“Why...Gu Cheng ..

Su Chen’s face darkened instantly. This woman treated him as her ex-boyfriend?

He shook her off and left the room in big strides.

That night, the banquet was not over until very late, and Qiao Mu was so sleepy that she could barely open her eyes.

Li Yan could not leave, and Qiao Mu could not take it anymore. She could only book a room in the hotel and sleep for a while.

After Li Yan was done with his work, he returned to his room and saw that the little woman was sleeping soundly. He did not have the heart to wake her up.

This little thing was still in the mood to sleep after being separated from him for so long!

He lay down beside her, and the little woman leaned over in a daze, her body soft as she leaned into his embrace.

Li Yan felt his body tense up. This little thing was starting to torture her again!

At this moment, the little woman opened her eyes with a frown and rubbed herself against his chest. "Uncle, I want..."

Upon hearing this, Li Yan felt the blood in his body boil. However, before he could react, he heard the woman in his arms spit out two words again. "... Drink some water."

She wanted water!

The corner of Li Yan's eyes twitched violently. He picked up the water from the bedside and brought it to Qiao Mu's mouth. Qiao Mu raised her head in a daze and drank two mouthfuls of water according to his movements. Then, she tilted her head and continued sleeping in his arms!

Li Yan sighed helplessly. He turned off the lights and hugged the little woman to sleep.

The next day, Qiao Mu woke up refreshed and stretched. It was rare to see that the man beside her was still there.

She turned sideways to look at the man's sleeping face. His handsome features were impeccable. At this moment, his eyes were closed, and his long eyelashes were even, casting a shadow on his eyelids.

She raised her hand and gently touched his eyelashes. Seeing that the man didn't react, she moved his eyebrows again. Then, she held his face and gently moved over to kiss his lips.

It was just like a dragonfly skimming the surface of the water, but the man still did not react. She kissed him again as if it was fun. As if she felt that this kind of lip contact was too monotonous, she stuck out her tongue and licked his lips.

As if she had done something bad, she immediately retracted her head after licking it and buried her face in the pillow in embarrassment.

When the man still did not respond, Qiao Mu then boldly licked him again.

He felt a sense of accomplishment just thinking about being teased by her while he was asleep. He couldn't help but laugh..

Chapter 455: I Know You Miss Me, I Miss You Too

Qiao Mu happily teased the sleeping Li Yan. She stared at his closed eyes and tried to take advantage of him again. However, this time, her tongue had just reached out and did not touch his lips.

In the next second, her lips were bitten.

Qiao Mu froze, and then she saw the man's tightly shut eyes slowly open.

Qiao Mu instantly felt a sense of shame as if she had been caught cheating, and her face instantly flushed red!

Why did he wake up just like that? He didn't even put her on guard!

However, the man did not give her any chance to react. He grabbed her waist with one hand and pressed the back of her head with the other. He flipped over and pressed her under his body.

Kisses came from all directions.

This man had just woken up. How could he become so crazy without any need to calm down?

When she met the man's eyes, she was shocked to find that his eyes were dark and bright. He did not look like he had just woken up. He did not look sleepy at all.

He had woken up long ago?

Qiao Mu felt like she was being played. Was he deliberately being teased by her?

Damn it! She thought that he was extremely happy that she had stolen a kiss from him, but in the end, he was enjoying it quietly!

Early in the morning, Li Yan's body was set on fire. It could be said that the fire had not been extinguished the entire night.

Actually, when she touched his eyelashes just now, he had already woken up. He quietly closed his eyes and wanted to see what she would do while he was sleeping. However, he did not expect her to light a fire for him like this!

Looking down at her flushed face, Li Yan chuckled softly. "You're so proactive so early in the morning. Little thing, we've only been apart for a few days and you're already so eager?"

"I didn't!"

"Be good. I know you miss me. I miss you too..."

The last word was buried between their lips.

Qiao Mu was in a daze as she reflected on his words. This was the first time he had said such sweet words like he missed her, but could he not say it with a hint?

However, in the next second, a certain man began to use his actions to prove how much he missed her!

Then, he spent the entire morning on this embarrassing matter.

Qiao Mu felt especially guilty. He was simply too depraved!

The waiter brought lunch to the room. Li Yan returned to the bedroom and looked at the little woman who was sleeping soundly. He patted her face gently. " Be good. Get up and eat. '

"Yes..." Qiao Mu responded, but she had no intention of getting up at all.

I'm so tired, so sleepy, and so hungry!

"Eat first, then sleep." Seeing that the little woman did not react, Li Yan reached his large hand into the blanket. " If you want to continue lying on the bed, I don't mind continuing with what happened just now..."

Before Li Yan could finish his sentence, Qiao Mu had already opened her eyes and glared at him with a red face. " Beast! '

I'll take it that you're complimenting your man! "

. How was this a compliment! It was clearly a derogatory term!

Qiao Mu pushed him away with a red face. " Go out first. I want to get dressed. "

Li Yan glanced at the outline of her body under the blanket and chuckled softly.

" Tell me, which part of your body have I not seen and touched..."

"Ah...Shut up, shut up!" Qiao Mu shrieked and interrupted, her face as red as blood.

Qiao Mu lifted the blanket and covered her head to hide her shyness.

The smile on Li Yan's face deepened. This little woman was really shy. She was already so close to him, but she still blushed so easily..

Chapter 456: Sincere Apologize

Li Yan got up and left the bedroom, and Qiao Mu finally crawled out from under the blanket.

This beast had really broken the bottom line of beasts!

Qiao Mu slowly got out of bed and accidentally saw a plane ticket pop out of Li Yan's pocket on the clothes rack beside the door.

He took it out casually and took a look. It was Li Yan's return ticket from a business trip. He was about to throw it into the trash can when he noticed the time on the ticket.

A flight at ten in the morning?

It would only take an hour for Li Yan to fly back from A City. In other words, he would be back at 11 O'clock. However, when he called her around 12 O'clock, he said that he was not back yet!

Qiao Mu frowned. He actually hid his return from her?

She was about to take the plane ticket to question the person in question when she suddenly recalled the contents of his phone call.

He asked her where she was, who she was eating with, and whether it was a

man or a woman. She didn't pay attention at that time, but now that she thought about it, she realized that his tone and attitude were a little strange.

Could it be..At that time, was he near her?

He knew that she was with Han Su, which was why he asked so carefully. However, she answered vaguely,

Then, the man left angrily!

Qiao Mu was a little uncertain. According to Li Yan's personality, he would not just leave like that!

When she walked out of the bedroom, she saw the man placing the dishes on the table and waving at her. "Come over for dinner." "Uncle, when did you come back yesterday?" "Hmm? Why are you suddenly asking this?"

"I want to know. You didn't tell me."

Qiao Mu stared at the man and then heard his voice. "I got off the plane at noon."

As expected!

Li Yan thought that the little woman would be very unhappy and ask him why he was hiding it from her. However, things did not go as he expected.

The petite figure walked around the table and came in front of him. Her soft body leaned over and hugged his waist.

"Uncle, I was wrong."

Li Yan raised his eyebrows. "Hmm?"

"I shouldn't have lied to you. Yesterday afternoon, I was having lunch with

Senior Han Su. Because of the exchange student matter, I troubled him for so long, so I treated him to a meal to express my gratitude. When you called me, I didn't tell you the truth because I was worried that you would be jealous. I didn't lie on purpose, really! "

Qiao Mu explained, seemingly worried that he wouldn't believe her, so she raised her little hand. " I swear, you have to believe me! "

Initially, Li Yan thought that since she had mentioned this matter, he would settle the score with her. However, he did not expect her to confess without being forced. She confessed to him to show her loyalty and her attitude of admitting her mistake was very sincere.

Her big eyes were wide open as she stared at him, waiting for his response. The way she raised her hand to swear made him feel a little helpless.

This little woman was really worried that he would misunderstand. In an instant, the little bit of dissatisfaction in his heart disappeared completely.

He raised his hand and patted her head. " Eat first. "

Qiao Mu's brows furrowed, and her small face scrunched up into a ball. " Uncle, you don't believe me? "

His reaction was very abnormal! Why hadn't he mentioned anything about this since last night? It was as if nothing had happened!

Qiao Mu had witnessed this man's strong possessiveness, so she felt that his calm behavior was very off.

Could it be that after he had won her heart, he did not take her seriously?

Chapter 457: Taking Her Feelings into Care

Li Yan suddenly wanted to tease this little woman. " What if I don't believe you? "

“If you don’t believe me, I’ll...I’m ignoring you!” Qiao Mu snorted and turned her small face to the side, fuming.

Li Yan laughed. “I should be the one angry. I should be the one ignoring you.”

“Try ignoring me! I’ll tell auntie and let her teach you a lesson, you unfilial son!”

“Unfilial?”

“That’s right. If you don’t treat me well, Auntie will be unhappy. So you indirectly made Auntie sad. If that’s not unfilial, then what is?” “Little thing, are you trying to use Mom to threaten me now?”

“I wouldn’t dare! If you ignore me, I won’t want you anymore. When the time comes, I’ll acknowledge auntie as my godmother and be your sister. I’ll find you a brother-in-law and anger you to death!” At this point, Qiao Mu was a little arrogant because she saw a certain man’s expression change!

“How dare you!” This little thing, it had been a long time since he had taught her a lesson. She was so arrogant in front of him and dared to say anything!

Qiao Mu raised her chin. “Are you scared? Do you still believe me?”

Li Yan pulled the little woman into his arms and said helplessly, “If I really didn’t believe you, I wouldn’t have pretended that nothing had happened when I saw that scene.”

“Then why did you leave without saying a word when you saw me?”

“I’m worried that when I go over, I’ll get Han Su in a fit of anger. Wouldn’t that make you unhappy?” He had restrained the anger in his heart and chose to believe her, which was why he had chosen to leave.

Qiao Mu was speechless.

Seeing the man's serious expression, Qiao Mu wanted to take back her words.

Who said that this man didn't take her seriously!

His behavior meant that she cared about him even more!

Because he was concerned about her feelings, he restrained his temper before he acted rashly.

Compared to the man who would throw tantrums without listening to her explanation in the past, he had completely become a considerate and good man who cared for her!

Qiao Mu's heart instantly felt warm, and a sense of accomplishment surged out of her.

Qiao Mu hooked her arms around the man's neck and acted coquettishly. ‘

Uncle, you're so nice! You're so good to me. I feel so unreal!”

A smile flashed across Li Yan's eyes as he said calmly, “Unreal? Then let's go back to our room and review it. That more direct and true way of expressing yourself?”

“Relive your sister!

Qiao Mu immediately jumped down from the man's embrace and ate her meal obediently.

After the meal, Qiao Mu and Li Yan were about to leave the hotel when Li Yan's phone rang.

He picked up the call and listened for a while before looking at Qiao Mu and saying softly, “Mumu, the hospital called. Qiao Jiannan is awake. ‘

Qiao Mu's eyes widened. She was caught off guard by the surprise!

Half an hour later, Qiao Mu rushed to the hospital. The doctor came out of the ward after he finished his treatment and instructed, ""The patient's condition is not stable now. We should avoid being agitated. If there's anything, we'll talk about it after his body has stabilized."

Qiao Mu nodded and entered the ward.

Walking to the bedside, Qiao Mu looked at Qiao Jiannan's haggard face and said softly, ""Daddy, I'm Qiao Mu. '

"Mu Mu..." Qiao Jiannan grabbed Qiao Mu's hand, and his voice became a little hurried. "Where's Yu Tingyun?" She's the one who caused me..."

"Dad, calm down first. Yu Tingyun was sentenced for tax evasion. She caused you to not get any evidence. Dad, don't worry about anything now. Take care of your body first.."

Chapter 458: Qiao Jiannan Is Awake

Qiao Mu's tone was very light when she mentioned Yu Tingyun, afraid that she would agitate Qiao Jiannan.

"Not only did she harm me, but she also..." Qiao Jiannan was extremely agitated. The woman he had lived with for more than twenty years had suddenly changed her temperament and almost caused his death. How could he not be agitated?

Qiao Mu gently held Qiao Jiannan's hand. "Dad, the Qiao Corporation is fine now. Yu Tingyun will pay for everything she has done. As long as you recover, you can accuse her of committing a crime, so the most important thing now is to recover. '

Qiao Jiannan nodded. After all, he hadn't recovered much and soon fell asleep again.

Qiao Mu walked out of the ward and stood in front of Li Yan.

Li Yan patted her head. " We've been together for so many years. We won't break up completely just because we're not related by blood. Don't worry. "

"Yes!" Qiao Mu narrowed her eyes and smiled. As long as Qiao Jiannan woke up, everything would be fine!

In the next few days, Qiao Mu would visit Qiao Jiannan at the hospital every day. Due to the treatment being particularly effective, Qiao Jiannan's body recovered very quickly. In a few days, he would be able to remove the oxygen mask and return to his normal state.

That afternoon, Qiao Mu arrived at the hospital after class and saw two police officers in the ward.

When Qiao Mu entered the ward, she heard the police say, "' Mr. Qiao, you'll be the witness for this matter, which will save us a lot of trouble. We'll hand your statement to the court and let the criminal be dealt with. '

After the police officer left the ward, Qiao Mu was a little surprised. " Dad, what's going on? "

" The police contacted the hospital. When they found out that I had woken up, they came over to record my statement. I told the police everything that that woman had done to me, " Qiao Jiannan explained.

"Dad, leave the rest to the police. Don't think too much about it."

' Sigh, I never thought that I would be deceived by Yu Tingyun for so many years. Mu Mu, thank you for your hard work. I brought you home with the intention of giving you a good life. If Yu Tingyun hadn't told me, I wouldn't have known how much you've suffered all these years. " Qiao Jiannan looked guilty.

Qiao Mu felt a lump in her throat. " Dad, I'm not suffering at all. Compared to living with Zhou Jieru, I'm already very lucky to be able to stay in the Qiao family. "

At the mention of Zhou Jieru, Qiao Mu lowered her eyes. " There's something

I've been looking for an opportunity to tell you. Actually, Zhou Jieru..."

Before Qiao Mu could finish her sentence, she was interrupted by a scream from the door. "Daddy, you're awake!"

Then, Qiao Ya rushed into the room.

Qiao Ya's expression changed drastically when she saw Qiao Mu. "Qiao Mu, why are you here?! You made a mess of our family. Do you still want to use your fake identity to cheat the Qiao family of their money?"

Qiao Jiannan scolded, "Xiao Ya, shut up! It's fine if your mother is against

Mumu, but Mumu is your biological sister. You've bullied her behind my back for so many years. I'll settle the score with you later!"

"Daddy, don't be deceived by Qiao Mu! She's not my sister at all! She's not your biological daughter!"

"What did you say?" Qiao Jiannan's eyes widened in anger. "How dare you say such a thing!"

Qiao Ya pounced onto the bed and pointed at Qiao Mu fiercely. "Dad, if you don't believe me, you can ask her yourself! You can do a paternity test.. Her cheap mother admitted it herself!"

Chapter 459: You've Never Been Alone (1)

Qiao Jiannan frowned. He did not believe Qiao Ya's words at all. He pointed at Qiao Ya angrily. "Get lost!" How could I have a daughter like you? I've woken up for so many days and you didn't come to see me. Now that you're here, you're saying such disgraceful things. You ..."

"Daddy! I'm telling the truth! Don't be fooled by that bitch Qiao Mu!" Qiao Ya

angrily pointed at Qiao Mu. "Qiao Mu, why aren't you saying anything?! Do you have no excuses?"

Qiao Jiannan was so angry that he panted heavily. He picked up the apple on the table and threw it at Qiao Ya. " You're trying to piss me off! "

Qiao Mu patted Qiao Jiannan's back. " Calm down, don't be angry. Listen to me Slowly!

Seeing that Qiao Jiannan's emotions had calmed down a little, Qiao Mu finally spoke, "" Actually, I wanted to tell you about this just now. You just woke up, and I was worried that you wouldn't be able to accept it, so I delayed telling you. On the day Yu Tingyun was arrested, Zhou Jieru admitted that she brought me from the orphanage to cheat the Qiao family of their money. "

Qiao Ya's lips curled into a smile as she felt extremely happy!

Qiao Jiannan widened his eyes in disbelief. " What did you say? How is this possible?"

Qiao Ya shot Qiao Mu a disdainful glance and seized the opportunity to speak.

Dad, I'm telling the truth. This Qiao Mu has nothing to do with our family. Our family has become like this because of her! "

"Shut up!" Qiao Jiannan roared and leaned weakly against the pillow behind him. His eyes stared straight at the ceiling. " Zhou Jieru lied to me for so many years for money! Then ... What about my daughter?"

Qiao Mu felt extremely uncomfortable in her heart. Before she could speak, she heard Qiao Ya disapprovingly say, ""What daughter? Dad, I'm your only daughter! Zhou Jieru had a miscarriage back then!"

Qiao Jiannan couldn't stand the provocation and started coughing violently.

Qiao Mu glared at Qiao Ya coldly when she saw how angry Qiao Jiannan was. ' Don't you know that Daddy's body can't be stimulated?! " Do you have to tell him in this way?

Qiao Ya snorted. " I'm telling the truth! You seduced Li Yan, used him to attack Yu Corporation, and sent my mother to prison. Qiao Mu, it's all your fault! You still have the cheek to pretend to be a good person here. Disgusting! Let me tell you, don't even think about getting a single cent from the Qiao family!"

Qiao Jiannan pressed his hand on his chest and shouted, "Get lost! Get out!"

Qiao Ya was delighted. " Did you hear that? Qiao Mu, hurry up and scram! You're really thick-skinned, and .

"I told you to get lost!" Qiao Jiannan glared at Qiao Ya angrily. " Get out! "

Qiao Ya widened her eyes in disbelief. " Dad, are you kidding me? I'm your biological daughter, Qiao Mu is the outsider! Are you out of your mind?"

"You..." Qiao Jiannan was so angry that he couldn't say anything. He picked up the cup beside him and threw it at Qiao Ya. " Get out! "

Qiao Ya jumped up high in fright. She glared at Qiao Mu fiercely and walked out of the ward unwillingly!

Her father was really muddle-headed. He was still siding with Qiao Mu at a time like this!

In the ward, Qiao Mu watched as Qiao Jiannan panted heavily to calm himself down. With her head lowered, she said, " You must hate me for being deceived for so many years. "

Qiao Jiannan closed his eyes. " How can I not understand? This isn't your fault.. It's all that Zhou Jieru's fault! If I hadn't made a mistake back then, I wouldn't have been deceived by Zhou Jieru! I didn't expect that my entire life would be ruined in the hands of two women!"

Chapter 460: You I ve Never Been Alone (2)

Sighing, Qiao Jiannan patted Qiao Mu's hand. " Child, thank you for taking care of me in the hospital these past few days. I know you were worried that my body wouldn't be able to accept this fact, so you

didn't tell me. Actually, I've asked the doctor, and the doctor said that the reason why I could recover so quickly was because the Li family invited a famous United States doctor. I also know that the company relied on the Li family to maintain its current situation. I believe that the Li family's involvement has something to do with you. " You didn't ignore the Qiao family just because we're not related by blood. How can I treat our father-daughter relationship for so many years as if it doesn't exist?"

Qiao Mu's nose felt sour, and she felt a wave of gratitude in her heart. " I've always been worried that you'd think I'm a liar after you found out.

"I'm not an old fool. Mumu, no matter what, I've always treated you as my daughter."

Qiao Mu's eyes moistened, and she couldn't help but call out, "Daddy!"

"Good child! Mu Mu, don't be calculative with Xiao Ya. This child isn't a bad person. Perhaps it's because of her mother's matter that she was a little agitated. Don't take what she wants to say to heart."

"Yes, I will."

Qiao Mu walked out of the ward, and Qiao Ya came up to her in a huff. " Qiao Mu, what did you say to my father? You caused my mother to become like this, and you still want to snatch my father away!

Qiao Mu looked at him coldly. " Qiao Ya, you should wake up. The person lying in the ward is your father! Your mother almost killed him! You saw it with your own eyes. Everything she's doing now is the price she should pay. No one forced her! If you really want Dad to treat you well, then come to the hospital more often to take care of him in the future. Don't always talk nonsense!"

Qiao Ya's face paled. She gritted her teeth as she watched Qiao Mu leave. Qiao Mu was right. Her mother had indeed harmed her father, but her family was destroyed just like that. She was unwilling to accept this!

After Qiao Mu left the hospital, she went straight to Li Yan's company. After entering the office, she threw herself into Li Yan's arms.

“What’s wrong?” Li Yan put down his work and wrapped his arms around her body. He looked at her with a smile.

“Uncle, I’ve confessed to my father. He still wants me as his daughter!” Qiao Mu hugged Li Yan’s neck excitedly, and her eyes reddened. “ I still have relatives. I’m not an orphan! ”

Hearing her heartbreaking tone, Li Yan sighed. “ Silly girl, you’re never alone. You still have me! ”

Qiao Mu nodded, feeling warm in her heart. She felt that all her bad luck had been wiped out in the past decade or so, and she was so lucky now.

Li Yan lowered his head and looked at her. He thought of something and said softly, ““ Yu Tingyun’s case has been closed in court. ”

Qiao Mu was stunned. “ How did you decide? ”

“ The charges of attempted murder and tax evasion added up to a total of seven years. ”

Seven years! Yu Tingyun had paid the price for everything she had done.

Ever since Qiao Jiannan woke up, he had not seen Yu Tingyun. Yu Tingyun was in prison, and Qiao Ya had repeatedly asked to see him.

Qiao Mu was worried that Qiao Jiannan would be provoked again after he went. After all, Yu Tingyun would jump over a wall in a fit of anxiety, and she didn’t know what she would say.

Hence, Qiao Mu went to visit the prison on Qiao Jiannan’s behalf.

Li Yan sent Qiao Mu to prison and asked worriedly, ““ Shall I go in with you? ”

Qiao Mu smiled and shook her head. " There's no need, Uncle. I'm just here to visit Yu Tingyun on behalf of my father. She can't hurt me anymore. "
