### Chapter 461: He Doesn't Put You in His Heart at All

Qiao Mu arrived at the visiting room. After a while, Yu Tingyun was brought out.

The woman who had always maintained her noble temperament was now wearing a prison uniform and had long lost her previous luster.

Yu Tingyun looked so haggard after not seeing her for a while. She seemed to have become a different person, as if she had aged ten years.

Qiao Mu saw the other party looking over with anticipation, and when his gaze landed on her, his expression suddenly changed.

Through the glass, Yu Tingyun had yet to sit down and kept looking behind

Qiao Mu. " Why is it you? " Where's Jiannan? Why didn't Jiannan come?"

Qiao Mu said expressionlessly, " My father won't be coming. He has nothing to say to you. If you have anything to say, just tell me. I'll pass it on to him. '

"Qiao Mu, you're really amazing to be able to trick Jiannan into acknowledging a woman who's not related to you by blood! You must have stopped Jiannan from coming to see me. You asked Jiannan to come to see me!" Daddy!" Yu Tingyun's face turned ugly.

A hint of coldness flashed across Qiao Mu's eyes. " See you? Yu Tingyun, you almost killed my father. How can you face him?"

Yu Tingyun clenched her fists. " I know you're here to make a fool of me, but don't be too smug for too long. I'd like to see how long you can rely on Li Yan. He'll abandon you sooner or later. By then, you'll be worthless!"

Qiao Mu looked at Yu Tingyun's jealous expression and said nonchalantly, '

Thank you for your reminder. If you have nothing else to say, I'll take my leave.

"Wait a minute!" Yu Tingyun sneered at Qiao Mu. " Qiao Mu, I think there's something that you'll be very interested in. You only know that I stole Qiao Jiannan's medicine when he fell ill, but you don't know why he fell ill! '

Qiao Mu paused. " My father was angered by you.

"That's right. Part of the reason is that I'm angry with him. The most important reason is that he received a message. Someone told him that I moved the Qiao Corporation's funds, which caused his blood pressure to rise. Do you know who told him about this? It was Li Yan! Li Yan wanted to destroy the Yu Corporation, so he wanted to destroy my relationship with Jiannan!"

Qiao Mu furrowed her brows. " That's what you wanted to say? What's wrong with telling my father about what you did?"

"Qiao Mu, Li Yan doesn't take you seriously at all. Perhaps he likes you now, but he doesn't take you to heart at all! Why was that message so timely? In fact, Li Yan had planned all of this. He knew that I was with Qiao Jiannan at that time, so he sent a message to add fuel to the fire. In order to avenge Yu Yiduo, he couldn't wait for me to kill Qiao Jiannan and then accuse me of murder. He didn't care about Qiao Jiannan's life at all. He only wanted to achieve his goal!"

Yu Tingyun smiled happily. " Qiao Mu, keep dreaming. Actually, you're not that important to Li Yan. You're worthless in front of benefits! So, you don't have to be arrogant here!"

Qiao Mu looked at Yu Tingyun expressionlessly. " Are you done? I'm leaving now."

“You ... You don’t believe me? Or do you actually only have benefits and no feelings for Li Yan? Qiao Mu, you slut, you’ll suffer retribution...”

Yu Tingyun became more and more agitated as she spoke. She stood up and the prison guard immediately came forward to hold her down.

Chapter 462: Time Will Prove Everything

As Qiao Mu walked out of the prison, her mind was filled with Yu Tingyun’s crazy face and her words.

She walked to the car by the roadside and opened the door. She saw Li Yan sitting in the car with a laptop on his lap. His hands were typing quickly on the keyboard as if he was working.

Even though this man was very busy, he still accompanied her to the prison because he was worried that she would go see Yu Tingyun.

She was actually swayed by Yu Tingyun’s words. She raised her hand and slapped her head hard. She must have lost her mind!

Li Yan raised his head and saw Qiao Mu slapping herself. He raised his eyebrows. “ Why? When did you start showing symptoms of self-abuse? ”

Qiao Mu got into the car. “ My brain isn’t clear. Knocking on it will wake me up a little. ‘

“What did he say to Yu Tingyun?” Li Yan closed his laptop and turned to look at her.

‘ Nothing. She wanted to see my father. She was just disappointed and angry that she didn’t see him. ” Qiao Mu leaned against Li Yan’s shoulder. “ Uncle, Yu Tingyun also said that you don’t take me seriously and that you’ll dump me sooner or later. ‘

Li Yan looked down at the little woman. She rested her chin on his shoulder and blinked her big eyes at him.

He raised his hand and caressed her nose. "Time will prove everything."

Qiao Mu was stunned, but she grinned and nodded vigorously.

Yes, time would prove everything!

She didn't need him to swear to her that he would be good to her forever. Vows that came out of his mouth would always seem frivolous.

She didn't want to evaluate his feelings for her from other people's mouths. She could feel it herself!

In the evening, he returned to the Li family home. Before he entered the house, he heard Yu Yiduo's voice, "Why are you so selfish? You're so happy to manage such a big company, but you don't let me participate. I'm the chairman of Yu Corporation now. How can I continue to eat, drink, and have fun every day? I want to start a nine-to-five life, wake up early and sleep late. I want to manage my Yu Corporation myself!"

"I'm a man and you're a woman. How can you compare?" Your greatest ability is to have fun. If you don't have that ability, don't think too much. Your brain is tired."

"You ... You look down on me!"

"I'm telling the truth. Also, the chairman is just a decoration. Do you think I'm that busy as the chairman of the Li Corporation? The company's matters are all handed over to the CEO. The chairman should act like a chairman!"

Qiao Mu, who was standing at the door, twitched her lips and looked at Li Yan sympathetically. His father pushed everything onto him, so it would be strange if he wasn't busy!

Li Yan held Qiao Mu's hand and entered the house. Yu Yiduo immediately came up to him. "Son, Mu Mu, you're back!" You guys judge for me, isn't he especially unreasonable?"

' Mom, this job doesn't suit you," Li Yan said helplessly. " Just listen to Dad. '

"You ... Are you my son or not?!" Yu Yiduo snorted and looked at Qiao Mu. '

Mumu, what do you think? You're on Mommy's side, right? "

Qiao Mu thought about it and nodded. " Actually, I think it's a good thing that Auntie is ambitious. If you want to do it, you can give it a try.

Yu Yiduo's eyes lit up. " Look, she is indeed my daughter. I have raised my son for so many years in vain! '

Li Zheng snorted. " Career-minded? I don 't want a strong woman like Yu

Tingyun to be my wife. '

Qiao Mu was helpless. She looked at Li Yan. Indeed, this man had the same thoughts as her father. It seemed that women should eat, drink, play, and enjoy life every day.

Li Zheng and Yu Yiduo started arguing again.

Chapter 463: What If You Don't Want Me in the Future ... 1

Li Yan and Qiao Mu went upstairs to change. Qiao Mu looked at the man beside her and asked, ""Uncle, don't you support your mother in developing her career?

‘ My mom is just a three-minute hot topic. My dad knows what kind of person she is. She lost interest after working for a few days, so he stopped her. ’ Li Yan said calmly.

But if you stop her like this, it will only make her feel rebellious and make her want to do it even more. Anyway, it’s just a temporary interest of hers. Why don’t you let her give it a try? She’ll give up after her popularity dies down. ”

“If we let her manage the Yu Corporation, doesn’t that mean that she won’t be returning to the United States for a while? Don’t you think it’s disturbing our alone time if she stays here?”

“(Xiao Mu’s lips twitched.

Uncle, that’s your biological mother! Is it really okay for you to dislike her like this?

Qiao Mu hugged Li Yan’s waist. ” Actually, I still think that Uncle should respect

Auntie’s thoughts. Auntie will only be happy if she gets what she wants. ’

The corners of Li Yan’s lips curled up. ” You’re already so considerate before you even get married? My mother didn’t dote on you for nothing.”

Qiao Mu blushed and snorted. ” Of course! If you don’t want me anymore in the future, I’ll go and acknowledge auntie as my mother. I’ll hug auntie’s thigh and have meat to eat!”

“Little thing, you’ve settled your score. Unfortunately, you won’t have the chance.”

Qiao Mu was stunned and blinked at him. He said that she had no chance. Did he mean that he would not abandon her, or did he mean that she had no chance to acknowledge auntie as her mother?

After that, Li Zheng and Li Yan unanimously agreed to let Yu Yiduo develop her career. Yu Yiduo was overjoyed, so she decided to stay here tonight and sleep with Qiao Mu to talk about her career dreams.

Yu Yiduo's decision made the two men's expressions turn ugly. Only Qiao Mu and Yu Yiduo chatted and laughed the entire night.

Li Zheng snorted at Li Yan. " In the future, before you marry your wife, don't bring her home casually. It'll interfere with my wife and my life. "

Li Yan also snorted coldly. " If you bring your wife home every night, you won't be able to marry your daughter-in-law. "

His mother was hogging his woman all day long. It would be strange if he was hnnnvl

However, Qiao Mu ignored Li Yan's unhappiness. When it was time to sleep, she followed Yu Yiduo into the bedroom early to sleep.

Yu Yiduo was in high spirits, and after speaking with fervor and assurance for a long time, Qiao Mu was half-asleep.

Yu Yiduo was still talking to herself when the door was pushed open. She saw

Li Yan standing at the door. " Mom, Dad has something to say to you. '

"What's the matter? We'll talk about it tomorrow!"

' You can tell Qiao Mu about your career development. She won't understand. If you want to talk about it, talk to my dad. " Yu Yiduo got off the bed and walked to the door to glare at Li Yan. " Go to the guest room and sleep. I'll come back after I'm done talking to your father. "

Just as Yu Yiduo left the room, Li Yan had already stepped into the room. He closed the door and locked it!

Yu Yiduo was speechless. This darn child, hugging Mu Mu to sleep every day, he couldn't let her have it for even a day!

Li Yan saw that Qiao Mu had fallen asleep, so he quietly climbed onto the bed and pulled the little woman into his arms.

Qiao Mu thought that the person beside her was Yu Yiduo, so she opened her eyes involuntarily when she was hugged. When she saw Li Yan's face, she called out uncertainly, ""Uncle?"

' Mm. " The man's deep voice traveled into Qiao Mu's ears, instantly confirming that the person beside her was him.

She snuggled into his embrace. " Has Auntie left? "

His fingers casually wrapped around her hair and his tone was filled with dissatisfaction. " You seem very happy that you're not sleeping with me.. "

Chapter 464: What If You Don't Want Me in the Future ... 2

"No!" Qiao Mu felt extremely wronged. She blinked and said coquettishly, ""Uncle, can I discuss something with you?"

Li Yan looked at her. It was obvious that she was trying to please him. It was definitely not a good thing.

" Uncle, " she continued, " I want to move back to the dormitory. I have too many classes every day. It's not convenient for me to rush back. "

Yu Yiduo's incident made Qiao Mu realize that she could not just stay by Li Yan's side all day long. She had to focus on her studies now. Only after she graduated would she have more confidence to do what she liked.

However, just as she finished speaking, Li Yan frowned unhappily. "It's not convenient? What's so inconvenient about picking you up and sending you off?"

"You don't know, but our school has evening self-study sessions. Many times, I skip class and go home because it's too late after the evening self-study sessions. I'm with you all day and I'm becoming more and more of a rice worm.

I want to finish my studies first. "

"So, you think that being with me has caused you to fall?"

"I don't mean that, but I'm a student now. I have to put my studies first! You have to respect me like how uncle respects auntie!"

"No!"

"Uncle, we still have a lot of time together. It's not like we're going to be separated now. We have two days together in a week. Just agree!"

"There's no room for discussion!" He had been on a business trip for a week. He missed her so much that he wanted to fly back to see her. If he had to be separated every day, it would be a complete torture for him!

Qiao Mu's small face scrunched up. "Uncle, you can't be so overbearing. I'm still a student. If you don't let me study properly and stick to you all day, I'll be eliminated by society if I don't have a skill after graduation! "

"You have me. You won't die."

"What if you don't want me anymore in the future? What should I do?"

“There’s no such thing as a ‘what-if!’”

“But who knows what will happen in the future? When Xiaxia was with her first love, she thought they would graduate together and get married, but they broke up later. There were too many examples like this. One of my male classmates chased a girl from junior high to university. He thought he would only like this girl for the rest of his life, but not long ago, he found another girl!

Li Yan’s eyes darkened. ” So, by giving these examples, you’re saying that we’ll take the same path as them? ”

\* Cough \*

Qiao Mu felt the man’s expression change!

She immediately shook her head. ” No, I’m just saying what if! Alright, alright. Even if we’re together for the rest of our lives, I still have my own dreams to realize, just like Auntie’s career dream. This is the pursuit of life.”

After Qiao Mu said so much, Li Yan only heard one sentence. “Even if we were to be together forever!

Even if?

This little woman still refused to believe that they would be together forever!

She was still thinking that she would break up with him?

Damn it! Why was she so annoying!

Li Yan did not want to continue arguing with this woman. He turned around with his back facing her. ” Sleep! ‘

Qiao Mu stared at his back in astonishment. He actually turned around?

This man would hug her every night when he slept, with his face facing her. Even when his face was facing her, his arms would still hug her domineeringly in his arms.. Therefore, his actions meant that he was angry!

Chapter 465: Taking the initiative to attack

She was just discussing something with him, and he was ignoring her?

He even left his back view for her!

Qiao Mu stared at his back and snorted heavily. She turned around in a fit of pique and stood with her back to him!

However, a certain man was still lying there without moving. He had no intention of responding to her.

Qiao Mu only felt the resentment in her heart surge explosively in an instant like a proliferating bacteria!

Qiao Mu was already feeling sleepy, but she was full of energy at this moment. After a while, she finally couldn't take it anymore and flipped over. She nudged behind Li Yan and hugged his waist.

"Uncle, just promise me!"

However, the man remained silent and did not give her any reply at all. Qiao Mu knew that he did not sleep because he was using this method to tell her his attitude!

Qiao Mu climbed up and lay on Li Yan's body like a little frog. " Uncle, please mind me. I didn't ask for anything too much from you. It's just a small request.

“Am I disturbing your class?” Li Yan asked. You have evening self-study. No matter how late it is, I can pick you up. There’s no discussion about staying in the dormitory! ”

‘ Uncle, this will be very tiring. I don’t want to be a burden to you. I just want to complete my studies with the best results. ’

“Then think about it.”

This little thing had no idea that she was never his burden!

Qiao Mu was truly infuriated by his cold attitude!

Gritting her teeth, she tried to coax him. Facing the man’s side profile, she lowered her head and licked his earlobe. Her tone was soft as she said, “Uncle Li Yan’s body instantly tensed up after she touched him.

This little woman was playing with fire!

Qiao Mu saw that he had no reaction with his sullen face, so she opened her mouth and bit his lip. Then, she blew air into his ears. “Uncle

There was still no reaction!

Qiao Mu continued to lick his neck. ” Uncle, just promise me. It’s not like we’re separated every day. Distance is the only thing that makes us beautiful. I want us to become even more beautiful. ’

Li Yan listened to the little woman’s sweet voice. Every time she touched him, his body felt even more uncomfortable.

This was the first time this little woman had taken the initiative to pick his beans!

She could make him lose control without doing anything, and at this moment, it was equivalent to taking his illness!

Suddenly, there was a strange feeling in his chest, and two small hands began to touch his body!

Li Yan controlled his breathing and glanced at her. " You're using this trick just to live in a different place from me? "

Separated from each other...

Did he have to exaggerate?

He clearly didn't want to be separated from her, but why didn't he have any reaction when she attacked him like this?

Qiao Mu had never taken the initiative before, so she never expected that her initiative to attack was completely without any offensive intent!

Instantly, he felt a sense of defeat!

Qiao Mu did not give up and continued. She refused to believe that she was completely useless to him!

Just as Qiao Mu was touching Li Yan, the man's body suddenly moved and faced her. She directly laid on his chest.

And then...She felt it...

Li Yan hooked Qiao Mu's chin and smiled. " If you want me to agree, be more proactive. If your performance is satisfactory, I can consider it. '

Qiao Mu's face instantly turned red, and she glared at him angrily. "Li Yan, don't go overboard! "

"You're the one who went overboard! Little thing, I'm the one who takes the initiative every time. It's time for you to perform well.."

Chapter 466: Poor Performance, Failed

Li Yan spread out his hands and looked at Qiao Mu, who was blushing, without moving. His attitude was as if he was saying "The rest is up to you!"

Qiao Mu gritted her teeth and threw caution to the wind. She clumsily began to lay her hands on the man.

She clumsily kissed his lips. She did not know where to place her hands, so she could only randomly touch his body.

Li Yan's body was on the verge of losing control.

However, a certain woman blinked her big eyes innocently and asked, "Uncle, are you satisfied with my performance?"

"Where is your performance? Do you think it's over just like that?" Even though Li Yan tried his best to restrain himself, his voice was still hoarse.

Qiao Mu blushed as she unbuttoned her shirt. One, two...When he reached the last one, his hands were trembling so much that he could not untie it.

Seeing the man's impatient and impatient expression, Qiao Mu consoled him considerately, "Uncle, it'll be done soon."

Li Yan had already reached his limit. He suddenly flipped over and the two of them swapped positions.

The man's deep voice carried undisguised affection. "Your performance was too bad. You're not qualified!"

Then, a certain man personally went to the battle!

Qiao Mu's eyes widened. He, he, he...How could he be so shameless!

The next day, after Qiao Mu woke up, she went downstairs to eat.

She looked at the man. "Uncle, I'm going back to the dormitory today.

Tomorrow is Monday and I have to go to school as usual. We agreed last night.

"Who told you?" Li Yan's expression was indifferent. "Tell me what time you finish class every day. I'll pick you up.

"Li Yan, why are you so unreasonable? I won't talk to you anymore!" Qiao Mu snorted and rushed back to her room.

Yu Yiduo came out of the room and asked in confusion, "What's going on? Why are you quarreling so early in the morning?"

She wants to go back to the dormitory," Li Yan said calmly. "She said that her studies are more important. I didn't allow it."

Yu Yiduo sat on the sofa and sighed. "Although I can understand that you don't want to be separated from Mumu, son, have you ever thought that Mumu is still a student? To her, studies are very important. Besides love, she also needs a career. Even if she is with you, you have no right to deprive her of the life she wants."

Li Yan frowned slightly. After a while, he said, "" I know. I didn't mean to hinder her in any way. I just hope that he can focus on me. He doesn't need to study and earn money at the same time. After class, she can go home and be with me easily. '

Yu Yiduo was stunned when she heard Li Yan's words. This son of hers had always been very assertive since he was young. He had never told her about his worries, but now, he was directly talking about Qiao Mu.

Yu Tingyun felt comforted. " Son, it's a good thing that Mumu is so motivated. Don't be like your father, thinking that women should eat, drink, and play while men can earn money to support their families. Mumu must have a plan for her future. What you should do is support all her decisions, not stop her! She's only 19 years old. Don't let her have any regrets about her past in the future."

Li Yan looked up. " Mom, do you have any regrets? "

"I, for one, couldn't be happier to be with your father in this life. However, if Yu

Tingyun hadn't chased me out of the Yu family, perhaps I would have followed Yu Tingyun's career path. When I was young, your father wanted me to be happy and didn't allow me to manage the company's matters. Now that I'm at this age, I'm just enjoying myself."

Pausing for a moment, Yu Yiduo smiled. " So, don't always stop Mumu. If she gets angry and doesn't want you anymore, where can I find such a good daughter-in-law? "

Chapter 467: I Don 't Want to Be Your Rice Worm (1)

Qiao Mu was sulking in her room when Li Yan walked in.

His tall figure sat down beside Qiao Mu. " His mouth is almost pouting.

Qiao Mu stood up without a word and walked to the balcony to sit down. She was ignoring him!

He didn't keep his word and acted shamelessly and unreasonably. This was simply too much!

Li Yan stood up helplessly and walked over when he saw the little woman's stubborn look. " Qiao Mu, don't be childish. '

Qiao Mu gritted her teeth and was extremely indignant. She only wanted him to respect her thoughts. In his opinion, she was just throwing a childish tantrum!

She turned her face away aggrievedly and used her actions to prove how unhappy she was.

Li Yan sat beside her and held her small hand with his big hand. Then, he flung his hand away forcefully.

He held her hand again, and she shook it again.

She glared at him angrily. " Go away, I don't want to talk to you! '

Li Yan frowned slightly and pulled the little woman into his arms. Qiao Mu struggled with all her might, but she was no match for Li Yan's strong hands.

"Don't mess around. Didn't you want me to agree? You want me to agree to this kind of attitude?"

Qiao Mu was slightly startled, and her eyes lit up. " You mean..." Uncle, do you agree?"

The little woman's happy reaction made Li Yan frown. " Do you really not want to be with me every day?  
"

"That's not true! But I can't neglect my job just because I'm with you. It's the same reason why you don't care about your company because of me. We both have our own things to do." Qiao Mu stared at Li Yan with her big, bright eyes. '

Uncle, I don't want to be your rice worm. '

Li Yan felt a little helpless when he saw the little woman insisting on her own opinion. He did not know if he should be happy that his little woman was so motivated.

"I can promise you..."

Just as Li Yan opened his mouth, Qiao Mu's eyes lit up as she hugged his neck. ' Really?! " Uncle, you're really the best! You're so understanding and understanding

Gentle, considerate, kind-hearted ...'

"Alright, stop flattering me." This little thing could say anything good when she was happy, but when she was unhappy, she became terrible.

Qiao Mu chuckled. " I mew Uncle was good to me! "

The happier Qiao Mu was, the more unhappy Li Yan was. She was actually so happy that she could not see him every day!

His arms around her tightened. " Don't be too happy. I have conditions. "

"Please speak!"

Li Yan glanced at her fawning manner. " You're not allowed to sell your fashion design drafts in the future. If you're short of money, you can tell me. Whether it's your living expenses or school fees, you can give them all to me.

Qiao Mu leaned against Li Yan's chest and nodded. " Uncle, thank you. I won't sell my designs anymore. I've already thought about it. I want to submit my designs to a big company under my own name. It doesn't matter even if the price is very low. At least this proves that it's my work. "

In the past, she sold it to others privately to make money. Now, she no longer needed to go down that path.

“Yes, but don’t be too tired. You spend more time thinking about me than you do working and studying.”

Alright!” Can’t she study hard?!

Li Yan paused, and his gaze landed on Qiao Mu’s face. “ Since you’ve already agreed, shouldn’t you do what you promised me? ”

“What is it?”

Li Yan’s lips curled into a devilish smile. “ I asked you to perform well last night, but I wasn’t satisfied with your performance. So, we’ll continue tonight!

Qiao Mu was speechless.

This beast!

Chapter 468: I Don ‘t Want to Be Your Rice Worm (2)

The next day, Qiao Mu completely moved back to the dormitory. Her life returned to normal, and she had classes every day. Her classes were very full.

After class, she spent all her time on fashion design. During this period of time, she had accumulated a lot of design drafts, and her works were more satisfying than before.

Suddenly, she received an email from her previous buyer. He had sent it to her to buy her design drafts.

Qiao Mu did not know who this buyer was. She had accidentally contacted this person called " Little T " on the website. She showed her work to him, and Little T was very satisfied to buy her work. At that time, Zhou Jieru had asked her for money in various ways, so she sent a draft to him with the mentality of trying it out. In the end, Little T really sent her money.

After that, they worked together more often. Every time, she would draw a few drafts and send them directly to Little T's email. Little T would accept them all and soon transfer the remuneration to her card.

The demand was very high, so Qiao Mu guessed that the other party must be a designer from a certain company who had used her work to pass off as her own.

To Qiao Mu, it didn't matter who she sold her work to. The copyright was no longer hers. She was not interested in anything else as long as she received the

money.

But now, she no longer needed to go down this path, so she naturally wouldn't sell her drafts.

Qiao Mu simply replied to the email, saying that she no longer wanted to sell her artwork and that there would be no more opportunities for collaboration in the future.

However, Little T quickly replied, Is there someone who offered a higher price than me? Your work has already become my unique style. I don't want you to sell it to anyone else. The price can be discussed."

It was already very high for Qiao Mu to sell a manuscript for 500 yuan. She did not expect the other party to charge more.

Qiao Mu replied: " It's not a problem of money. I'm not short of money now.

Little T: " You want to create your own work? You should know how competitive this industry is. You won't be able to stand out if you use your own name. How about this? I'll give you a design plan that's worth four digits. This is a very beneficial choice for you."

Qiao Mu was a little surprised. It seemed like the other party really did not lack money, but Qiao Mu still replied with two words: "I'm sorry."

After a while, Little T replied, ""In that case, I won't force you. However, I have to make it clear in advance that if our works meet in the future, you can't tell others that my works are bought from you."

"Alright, don't worry."

Qiao Mu closed the email and continued drawing. After a while, Chi Xia and Baby Guan returned.

Chi Xia looked at her occupying the desk and said helplessly, "" Our dormitory has become crowded since you came back. Why don't you stay with your uncle? "

Baby Guan, who had just entered, said lightly, " I think she was chased out by

Young Master Li. Mu Mu is too pitiful. '

Qiao Mu glared at the two women who despised her. " Baby, I think you're the one who was chased out, right? "

Baby Guan snorted. " I left willingly! "

Chi Xia was watching the joke from the side when Qiao Mu suddenly thought of something and asked, ""Xiaxia, did Su Chen send you back safely before the last banquet? I forgot to ask about this."

Chi Xia was stunned and responded with a vague " hmm ".

Baby Guan frowned. " Which day did Mumu say? A few days ago, Xiaxia didn't come back for one night and only rushed back the next day.."

Chapter 469: I Don't Want to Be Your Rice Worm (3)

Qiao Mu widened her eyes and jumped up. " Xiaxia, that night, you couldn't have been drunk..." Did you do something?"

Chi Xia really wanted to shut Baby Guan's mouth. She coughed lightly at Qiao

Mu's fuss and said, " You're overthinking it. That night, I fell asleep in Su Chen's car, but he couldn't wake me up, so he brought me to his house. I slept all the way until dawn. Nothing happened between us, so don't make a fuss! "

"Is that really all?" Qiao Mu didn't believe it.

Chi Xia rolled her eyes. " I really didn't do anything bad. "

"I didn't expect Su Chen to be so upright."

Chi Xia was speechless. Su Chen was traumatized by her every time he saw her. Even if he wasn't a righteous person, he should be scared off by her, right?

Chi Xia changed the topic, " Mu Mu, I just saw a message on the school forum.

Key is going to hold a fashion design exhibition in the country. "

Qiao Mu was stunned. " Key is holding a design exhibition in the country? When?"

” The date is next week. It’s going to be a big one. All the major design companies will be participating.

“Oh my god! I have a chance to meet my idol!” Qiao Mu was so pleasantly surprised that she almost jumped up. Suddenly, she thought of something and frowned. ” Such a grand design exhibition doesn’t seem to be something that ordinary people can enter! ”

Baby Guan nibbled on an apple. ” Don’t you have your uncle? ”

Qiao Mu’s eyes lit up, and she immediately picked up her Dhone to make a call.

At this moment, in the office on the top floor of Li Corporation.

Li Yan leaned back in his seat while Lei Yi stood at the side. ” President, I’ve been to the orphanage that Zhou Jieru mentioned. The current director came to the orphanage a few years ago. The director from back then has passed away. We haven’t found out about Miss Qiao’s identity and background yet. ‘

Li Yan kowtowed. ” Find a way to contact the people who were related to the orphanage back then. We must investigate this matter thoroughly. ‘

Lei Yi nodded. ” President, how should we deal with Zhou Jieru?

Li Yan’s eyes darkened. ” Isn’t she a gambler? Let her lose everything and leave Beijing!”

Lei Yi responded and went to do it. Bullying Young Master Li’s nephew would naturally not have a good ending. Previously, he did not lay his hands on Zhou Jieru because she was Qiao Mu’s biological mother. However, what awaited Zhou Jieru now was only one word:How tragic!

Li Yan took out his phone and opened the photo album. He looked at the little woman on the screen.

He had seen this photo on Qiao Mu’s phone, and when she wasn’t paying attention, he had sent it to his phone.

The little woman took a selfie without makeup. The picture had not been embellished at all, and it was unbelievably fair and cute.

Ever since Qiao Mu's identity was revealed, she had never mentioned her biological parents, as if they were not important to her at all.

However, he knew that she still cared. His little woman yearned for kinship more than anyone else and wanted a happy family more than anyone else.

He just wanted to find out her background and fill in the gap in her heart.

Li Yan stared at the photo on his phone screen for a while, and a trace of resentment gradually rose in his heart.

This little thing did not take him seriously at all. It was already Tuesday, the second day after they parted ways, but she did not call him at all. It was as if she had completely forgotten about him!

He opened his contact list and was about to call her when he thought that she might be in class and his call would disturb her. He could only give up the idea.

They had only been apart for two days, but Li Yan already regretted letting his little one live a free life!

She was free, but she had tortured him!

Chapter 470: Li Yan's Dissatisfaction

There was a knock on the door. Before he could speak, the office door was pushed open.

Li Yan paused. In the company, no one dared to barge into his office directly. Qiao Mu was the only one who did not follow the rules every time. She did not even check if there was anyone in the office when she barged in and called him uncle.

In an instant, a hint of anticipation rose in Li Yan's heart. However, when he raised his head and looked at the person who had just entered the room, the expression on his face was completely shattered.

Li Yan's change in attitude caused the person to have a lot of complaints. "Son, what kind of attitude is this? Your mother is not welcome?" "No, Mom. Why are you here?" Li Yan said nonchalantly.

"Of course I'm here to discuss something with you. Are you waiting for someone? Let me guess, it must be Mu Mu, right? But Mumu is still in school. She definitely won't come here!" Yu Yiduo sighed. "Son, you can't have been poisoned so deeply, right?" Today is Tuesday. There are still three days before Mumu can come back...'

"Mom, let's get down to business!" How could he not know that there were still three days? No, it should be three and a half days!

Yu Yiduo shrugged. "I'm here to talk to you about the handover of work at Yu Enterprise. I'm here today as the chairman of Yu Enterprise, so you should address me as Chairman Yu!"

I've been letting Lei Yi take care of Yu Corporation's matters. Chairman Yu,

I'm very busy now. You can look for Lei Yi directly. "

Li Yan's words caused Yu Yiduo to reply with a disapproving "Tsk ". "You're quite busy. You're busy thinking about my daughter-in-law, aren't you?"

Forget it, I won't disturb you anymore."

Just as Yu Yiduo was about to leave, Li Yan stopped her. "Mom, wait a minute.

Take this back. ”

“What is it?” Yu Yiduo looked over and saw Li Yan take out a black gold card from the drawer. ” Didn’t I give this to Mumu? ” Why do you have it? Are you going to confiscate this card? Why are you so stingy...’

“Mom, don’t you think that you’re slapping your son in the face by giving me a woman card in private?”

Yu Yiduo smiled knowingly and took the card away. ” If you had expressed your gratitude to Mu Mu earlier, I wouldn’t have needed to appear. ‘ At this moment, Li Yan’s phone rang.

He looked down and saw three words on the screen: Little thing!

This little woman finally remembered him!

Li Yan picked up his phone but did not answer. He looked up at Yu Yiduo and said, “”Mom, you should get back to work.”

The cold expression on her face changed immediately when she saw the call. It was hard for Yu Yiduo not to know who was calling.

She snorted disdainfully and left in her high heels!

After Yu Yiduo left, Li Yan picked up the phone. Then, he heard the little woman call out with a smile, “”Uncle.”

“You still know how to call me?” Li Yan said calmly. I thought you had forgotten about me!”

“How could that be!” Why did she feel that this man’s tone was filled with resentment?

It must be her imagination!

“You don’t have classes now?”

“Yes, I have classes in the afternoon.”

“You’re so free. Do you want me to arrange a part-time job for you?”

“What part-time job?”

“My personal secretary.”

Qiao Mu was speechless. She was not interested at all.

Qiao Mu smiled and went straight to the point. “ Uncle, can you do me a small favor? ”

Li Yan’s expression darkened when he heard that.. He realized that Qiao Mu did not call him because she missed him, but because she had a favor to ask of him!
