Chapter 471: You Are My Dearest Uncle

Li Yan snorted coldly. "I won't help!"

Li Yan's cold rejection left Qiao Mu unable to react.

The man's attitude was obviously not right.

Just as Qiao Mu was feeling extremely puzzled, she heard the man's voice. "You want my help? Where's your sincerity? Qiao Mu, we've been apart for two days, but you contacted me just to ask for my help. Your life is really quite fulfilling!" Qiao Mu suddenly realized that this man was angry!

"Uncle, don't be unhappy!" Qiao Mu said coquettishly. Even if I didn't ask for your help, I would have contacted you. You're my dearest uncle. I've always remembered you!"

"It's useless to talk nonsense!"

"Uncle

Li Yan was both angry and helpless when he heard the soft and fawning voice on the phone. However, his tone was still cold. "Do you think I'm that easy to fool? "

"Uncle, don't be so stingy. If a man is too stingy, he won't be liked by girls."

"I don't need others to like me."

"But I won't like you like this!"

"Oh?" Li Yan's tone was gloomy. "You dare not like me? "

Qiao Mu was speechless. He even threatened her!

“Uncle, I like you very much, but if you weren’t so stingy, I would like you even more!”

Li Yan was a little curious. “What made you so eager to please me?”

Qiao Mu immediately became excited. “Next week, the international fashion designer, Key, will be coming to China to hold a large-scale fashion exhibition. However, the admission quota is all privately set, so I want Uncle to help me get two admission tickets.”

He even wanted benefits!

Qiao Mu pouted. “Uncle, my people are all yours. What other benefits do you want?”

“Father and son have to settle accounts clearly. I naturally can’t help you for nothing.”

Qiao Mu was speechless.

Where was the good man who would grant her every request?

Qiao Mu was at her wit’s end. This matter was too important to her, so she steeled her heart and said, “Name your conditions!”

“Alright then! I’ll remember it first and ask for benefits later.”

Qiao Mu instantly had a bad feeling when she heard the man’s voice. Why did she feel like she had fallen into a pit?

Forget it. This matter was so important anyway. A small sacrifice was worth it!

As long as Li Yan promised, there was nothing that he could not do. Hence, Qiao Mu waited for Li Yan's news with peace of mind.

She turned on her computer and logged into the campus forum to search for news about Key. Key was the chief designer of Paris Fashion Week and the first designer in China to take charge of Paris Fashion Week. In the fashion design circle, he was like a king. Now, he already had his own brand, and it was an international brand!

Not only was he young and handsome, but he was also very talented. The clothes he designed had a lot of personality.

This was Qiao Mu's only idol, and she had always regarded the Key as her goal.

Although this dream was too far away, it was still possible to fantasize about it.

Li Yan was extremely efficient. He called the next day and said that he had gotten three admission tickets.

"Uncle, can you get someone to send the tickets to our school?" Qiao Mu asked excitedly.

"Not good!" Li Yan rejected him immediately. "If you want to get the tickets, come and get them yourself. I'll only keep them for 12 hours. If you don't come and get them after that, just throw them away."

Qiao Mu was speechless.

Chapter 472: What Am I to You (1)

Qiao Mu only had two classes in the afternoon that day. After class, she went straight to Li Corporation.

Although she had agreed not to see him at school every day, they were still in the stage of being passionately in love. Their relationship was still burning. She missed him very much after not seeing him for two days.

Joe knocked on the person in the office, and the person inside responded. She pushed the door open and saw that the man in the room was working with his head lowered.

Qiao Mu walked up to her desk and respectfully said, ""President, I'm here to pick up my things."

When he heard the voice, Li Yan raised his head abruptly. When he saw the little woman in front of him, the corners of his mouth curled up evilly. "Come and take it yourself."

Qiao Mu walked over and was just about to approach him when he pulled her into his embrace.

She could smell the familiar scent of the man.

Qiao Mu leaned into his embrace. "Uncle, where's my ticket?" Li Yan's eyes darkened. "Those papers are more important than me?" "Of course not!" Qiao Mu immediately quibbled.

Li Yan wrapped his arms around her tightly. "Give me the benefits I promised you before giving you the tickets."

Qiao Mu blinked and looked into the man's bewitching eyes. She suddenly had a bad feeling and braced herself to ask, ""Uncle, what benefits do you want?"

"What do you think I'm interested in?"

An extremely ambiguous voice rang out beside her ear, causing Qiao Mu's body to involuntarily shudder. It was like an electric current, making her feel numb and numb.

She blushed and pressed herself against his chest, not daring to reply.

It was broad daylight! What hooligan was he trying to play again!

Even if Qiao Mu did not reply, she still could not stop a certain man from continuing. "" I'm quite satisfied with your performance last time. So, this time, I want you to take the initiative ten times. "

Ten times?

F * ck! He was shameless!

What did he mean by insatiable? He was talking about this man!

Qiao Mu's face flushed red, and she could no longer raise her head!

She leaned against his chest and toot, " Uncle, it's broad daylight now. You still have to work! "

"You make it sound like we didn't do it during the day. Didn't you come to my company last time and seduce me?"

.!! "Please don't twist the truth, okay?"

Qiao Mu glared at him with a red face. " Hurry up and give me the tickets! " "An equal transaction."

. "Qiao Mu was so angry that she gritted her teeth. Seeing that the man would not give up until he got something good, she blushed and kissed him. " Uncle, give it to me! "

Her seductive tone and ambiguous words made Li Yan's body tense up, and the smile on his lips became even more bewitching.

He lifted her chin and looked at her with a smile. " Be good. Don't be anxious. I'll..." Here you go!"

Qiao Mu was stunned. Immediately after, the man's face fell. When she realized what he was saying, she instantly felt ashamed!

Without giving her any time to be shy, a certain man's passionate kiss came.

Just as Qiao Mu was in a daze from the kiss, there was a sudden knock on the door, and her body froze.

She pushed him nervously and whispered, "Uncle, let go of me!"

"Without my permission, no one will dare to come in." Li Yan seemed to be playing with fire. He ignored the knocking on the door and continued to kiss the little woman in his arms.

Outside the door, Lei Yi knocked on the door, but there was no response from the office.

Li Yan did not reply, so Lei Yi did not dare to enter without permission. Moreover, Qiao Mu was here just now!

However, there was an emergency meeting in a while, so he had to remind the people inside.

After a while, Lei Yi finally spoke. "President, there's a meeting in five minutes.

All the higher-ups have arrived.. "

Chapter 473: What Am I to You (2)

Li Yan paused and frowned unhappily. He had actually forgotten about this!

Qiao Mu took the opportunity to jump down from Li Yan's embrace and glared at him with a red face. "Uncle, don't be so careless! "

His body had long been set ablaze, and a certain part of his head was raised uncontrollably. His thin clothes could not cover the obvious small tent at all!

Qiao Mu saw the man's ugly expression and immediately rushed to the door to open it. "Uncle, you can leave now.

Li Yan took a deep breath, trying to calm down his body temperature. However, it was easy to start a fire, but difficult to put out a fire. How could he stop for a while?

When this little thing didn't appear in front of him, he missed her so much that he went crazy. However, after she came, she could torture him half to death.

Li Yan sat quietly for a while and took a sip of cold water before he managed to extinguish the flames.

Lei Yi waited for a long time outside the door. He had no idea what was going on between the two of them. One was sitting at the desk, and the other was standing at the door.

Finally, Li Yan stood up and walked towards the door.

Qiao Mu glanced at a certain part of the man's body and gloated over his misfortune. However, when the tall figure passed by her, a warning and threatening voice faintly sounded, "Be good and wait for me. If I come back and see that you're not here...Don't even think about getting tickets." Qiao Mu was forced to nod under the man's domineering gaze.

After Li Yan left, Qiao Mu sat on his office chair out of boredom. She thought that her ticket might have been placed in the drawer.

She opened the drawer and rummaged through it. She didn't see the admission ticket for the design exhibition, but she accidentally found a document.

Qiao Mu was slightly stunned when she saw the contents of the document. It was a detailed report on Yu and Qiao Industries, and it recorded that Yu Tingyun had moved Qiao Industries' funds many times.

Qiao Mu suddenly recalled Yu Tingyun's words in prison, and her expression darkened little by little.

Yu Tingyun's words echoed clearly in his mind. "Li Yan doesn't take you seriously at all. In front of benefits, you're worthless..."

Qiao Mu bit her lip and shook her head vigorously. It couldn't be. Even if Li Yan sent Qiao Jiannan a message, it was just a coincidence. It couldn't be like what Yu Tingyun said. It was definitely not Li Yan's plan!

Half an hour later, Li Yan returned to his office.

Qiao Mu stood up and gave up her seat to the man before sitting on his lap.

Li Yan saw that the little woman had become so obedient all of a sudden, and the corners of his mouth curled up.

"Uncle." Qiao Mu looked up at Li Yan. "I want to ask you a question."

"Hmm?"

For example, if you compare me to something, what am I to you?" Qiao Mu blinked her big eyes. She wanted to know how important she was to this man.

Li Yan raised his brows, and under Qiao Mu's expectant gaze, he spat out two words, "Underwear."

The corners of Qiao Mu's lips twitched fiercely. "Underwear? Why?"

“I can wear it every day and night, sticking close to me at all times.” Li Yan’s words were extremely ambiguous.

Qiao Mu blushed and pouted unhappily. “ I’m obviously asking so seriously. Can you not be so indecent?
”

Qiao Mu’s mood was a little down. “ So, I’m only that useful to you? ”

Li Yan glanced at her indifferently. “ Are you wearing underwear? ” Huh?” Qiao Mu’s face instantly flushed red.

Chapter 474: What Am I to You (3)

24 hours a day?

So, this man comparing her to underwear was not just a frivolous act. He was trying to say that he could not leave her?

However, just how perverted was this man? He still wanted her to stick to that part of his body 24 hours a day!

Although Qiao Mu was no longer as disappointed, she still snorted unhappily. ‘

This analogy is too vulgar! ”

“Is there something indecent in your little brain?”

This man was the best at blaming her when he was clearly the most indecent one!

She pouted and said, " You can't wear underwear at the age of 24. You have to take it off when you take a shower! "

Li Yan's lips curled into a charming smile. " I'll take you with me when I shower next time. That way, I won't leave you 24 hours a day. '

Qiao Mu was speechless.

How could this man's mouth be so glib!

He had wanted to ask about her importance to him, but he had fooled her just like that!

Suddenly, a man's voice sounded in her ear."Little thing, should we continue what we haven't finished before?"

Qiao Mu blushed and took the opportunity to beg for mercy. " Uncle, I'll go home with you tonight. "

When he heard that the little woman wanted to go home with him tonight, the smile on Li Yan's lips deepened. He patted her butt and said, " Wait for me on the sofa. I'll get off work after I'm done. '

Qiao Mu nodded and jumped down from his embrace.

When Li Yan got off work and was about to leave, he handed three admission tickets to Qiao Mu. Qiao Mu was ecstatic when she saw the expensive tickets.

On the way back, Li Yan saw how excited she was and asked calmly, ""Is this design exhibition very impressive?"

Qiao Mu nodded vigorously. " That's right! Uncle, Key is a top fashion designer and my idol. He has a clothing brand called Key and is a very good designer internationally. I've worked hard to make him my goal!"

Li Yan looked at the little woman's face that was flushed with excitement. Girls of her age would chase after celebrities, but he had never seen her like any celebrity. This was the first time he had seen her talk about her idol. When she mentioned that person called Key, her big eyes sparkled and she was in high spirits.

Li Yan narrowed his eyes. "Is your idol a man or a woman?"

Qiao Mu was talking excitedly when she suddenly heard Li Yan's question. She thought that he was interested in her idol, so she replied very naturally, "He's a handsome man. I never thought I'd have the chance to meet him in person!"

Qiao Mu did not notice that Li Yan's expression instantly darkened when he heard the word "handsome."

It turned out that she wanted the tickets to attend the exhibition not to admire the fashion show, but to see her handsome idol!

Li Yan's face darkened. "You really don't have a chance. I've changed my mind.

You're not allowed to go!"

Qiao Mu was stunned. Only then did she realize Li Yan's transformation!

She quickly reacted to what he had just said and understood what was going on. Suddenly, she laughed out loud. "Uncle, you're jealous!"

Li Yan raised his eyebrows disapprovingly after being exposed by her. "That's right, I'm jealous, so don't even think about going.

"Uncle, you're thinking too much. I simply admire his talent. No matter how handsome or powerful he is, he's miles away from you, okay?"

Qiao Mu hugged Li Yan tightly. When she saw that the man's expression had improved slightly, she smiled and said, Also, let me tell you a secret. Key is GAY. You know, many male fashion designers are very sissy. If you get jealous with him, it will lower your style! "

Qiao Mu silently apologized to Key in her heart. In order to appease the jealous jar in front of her, she could only say this.

I'll continue updating tomorrow. I'll write Chi Xia's story later..

Chapter 475: Using Action to Prove Your Heart (1)

Li Yan glared at her coldly. " Are you going to the fashion show or to meet your idol? "

"Of course I'm going to see the clothes he designed!" He also wanted to visit his idol.

Li Yan finally let Qiao Mu off after Qiao Mu tried her best to express her stance.

She heaved a sigh of relief and looked at the scene outside the car. She was a little puzzled. "Uncle, this is not the way home."

"Yes, I'm eating outside."

Qiao Mu's eyes lit up. " Then can I order what I like to eat? "

Li Yan nodded helplessly. " What do you want to eat? "

“I want to eat spicy stir-fried crab, curry crab, cheese prawns, and fried steak!” Qiao Mu had eaten in the school canteen for two days, and her appetite was now very good.

Li Yan’s lips curled up. “ Looks like you didn’t get to eat well in school. Now you

know the benefits of living with me? It’s not too late to change your mind now.”

“Uncle, you have to treat me well occasionally so that I can feel it more. If you treat me well every day, I’ll become numb.”

“So, I’ll torture you occasionally to show off my kindness to you, right?”

Qiao Mu shook her head vigorously. “ Uncle won’t bear to torture me! ”

“I’m willing to.” Li Yan paused and his tone immediately became ambiguous. ‘ I’ll torture you when I get back tonight! ”

Qiao Mu was speechless.

For dinner, Qiao Mu had a seafood feast and all sorts of delicacies as she wished. After dinner, she ate dessert, and only wiped her hands with a tissue when her stomach could no longer take it. When she looked up, she saw Li Yan smiling at her. When she thought about how he had disregarded his image while eating, she blushed in embarrassment.

“Uncle, why are you eating so little?”

“Okay, I’ll wait to eat you when I get back tonight.”

The corners of Qiao Mu’s lips twitched, and then she saw the man beckon her. ”

Come here. ‘

Qiao Mu was puzzled, but she still walked to his side and sat down.

Li Yan lifted Qiao Mu's chin. " There's sauce on the corner of your lips. Let me help you wipe it. "

As soon as he finished speaking, he kissed the corner of her lips. To be more precise, he licked it.

His tongue licked the corner of her lips. It was so itchy that Qiao Mu's face instantly turned red, and she actually forgot to react.

.. This hooligan!

The meal finally ended with Qiao Mu blushing. After the meal, the two of them went to the parking lot. Just as they were about to get into the car, two people alighted from the car beside them.

"President Li?" A female voice sounded.

Qiao Mu had already stepped into the car with one leg. When she heard a slightly familiar voice, she turned around and saw Shu Xinyu and a middle-aged man standing beside the car.

Li Yan nodded politely when he saw the other party.

Shu Xinyu smiled faintly and swept her gaze across Qiao Mu. " CEO Li, you came to eat with your girlfriend? "

Qiao Mu recalled that Shu Xinyu had made up for her daughter and Li Yan during the banquet. She must have wanted to confirm her relationship with Li

Yan.

Li Yan could tell that the other party's emphasis was on the word "girlfriend." He had never liked to talk about his personal matters with others. The other party only had some business dealings with him, so he did not need to introduce Qiao Mu's identity.

After Shu Xinyu asked that question, the man beside her could tell that Li Yan's attitude was cold. Without waiting for Li Yan to speak, he changed the topic. "President Li is leaving after dinner. We won't disturb you anymore."

"President Ning, please." As Li Yan spoke, he had already opened the car door and got in.

Li Yan got into the car and drove away. Shu Xinyu looked at Ning Yue unhappily. "Why did you interrupt me just now? I just want to know what's the relationship between that woman and Li Yan.."

Chapter 476: Using Action to Prove Your Heart (2)

Ning Yue frowned. "Who is Li Yan? Why are you trying to pry into his private affairs?"

It's all because Tongtong likes him. I want to see if the woman beside Li Yan is his girlfriend. Young people like to play. I think Li Yan is just playing around.

Our Tongtong still has a chance." Shu Xinyu said as she held Ning Yue's hand.

Ning Yue was helpless. "You've spoiled Tongtong!"

"That's because she's your daughter!"

In the car, Qiao Mu lowered her head and remained silent. Li Yan did not answer Shu Xinyu's question just now.

Li Yan's behavior made her feel a little uncomfortable.

Suddenly, she felt a warmth in her hand. A large hand held her, and the man's questioning voice sounded, "What are you thinking about?"

Li Yan looked at her unhappy face and thought about what had happened earlier. The corners of his lips curled up. "Are you unhappy?"

She puffed up her face. Her little face clearly said, "I'm angry, come and comfort me quickly." However, she stubbornly denied it.

Li Yan suddenly wanted to tease the little girl. He pulled her hand back and said calmly, "'That's good."

It's good that you don't have it?

Qiao Mu turned to look at the man beside her. When she saw the faint smile on his lips, she knew that she had been played!

She snorted coldly. "Tell me, do you have improper thoughts about that Ning Tongtong?"

"Ning Tongtong?" Li Yan repeated the name and only remembered it after two seconds. "You mean Shu Xinyu's daughter?"

At the previous banquet, Shu Xinyu had introduced Ning Tongtong to him, but he had forgotten about her in the blink of an eye. If Ning Tongtong's surname wasn't Ning, he wouldn't have thought of this person at all.

Qiao Mu looked at him in disbelief. "How could you forget such a beautiful woman just like that?"

"How beautiful? I didn't notice." He had never cared about how the person she thought of looked. In his eyes, all other women were the same.

Qiao Mu was very satisfied with Li Yan's answer, but she still asked with a puffed up face, "If you didn't take a fancy to that beauty, then why didn't you admit our relationship in front of Shu Xinyu?"

Li Yan smiled helplessly. "She's not my friend. What's the point of telling her about our relationship?"

Qiao Mu was about to say something when the car suddenly stopped. Then, she heard the man say in an ambiguous tone, "Since you don't trust your man so much, I can only prove my feelings with my actions."

Qiao Mu was puzzled. Then, she saw a five-star hotel outside the car.

"You ... What are you doing?"

Little thing, it seems that I haven't tried my best enough. That's why you think that I have the mood to pay attention to others. The best way to appease your suspicion is to take action!"

Qiao Mu was speechless.

As he spoke, Li Yan had already gotten out of the car. He then opened the door to the front passenger seat and led Qiao Mu out.

Qiao Mu shyly tugged at him. "Let's go home!"

Li Yan smiled and led her into the hotel.

Staying in a hotel was a very common thing, but why did Qiao Mu feel so embarrassed that she couldn't face anyone?

When he arrived at the front desk, Li Yan took out the hotel's VIP card. Qiao Mu stood behind him with her head lowered, looking like she had a guilty conscience.

Li Yan took the room card and led Qiao Mu into the elevator. He laughed and said, ““You look like you’re confessing without a fight. Anyone can tell at a glance that we’re not doing anything good by booking a room.”

Qiao Mu raised her head and glared at him. “ You still know that you’re up to no good, yet you still have the cheek to come and get a room! ”

“Be good. I’m doing this for you.”

Actually, the real reason was that Li Zheng and Yu Yiduo were in the Li Family villa.

He didn’t want Yu Yiduo to ruin his rare time with a little woman.

Chapter 477: Why Did You Throw Me Away?

Qiao Mu was so embarrassed that she couldn’t even raise her head. Although it wasn’t the first time she had stayed in a hotel with him, this time, she had come with a certain purpose!

Just as she was walking to her room, Qiao Mu suddenly felt a sharp pain in her stomach. She furrowed her brows as she felt that she had eaten too much food for dinner, causing her stomach to churn.

After entering the room, Qiao Mu immediately rushed into the bathroom. As expected, she had a stomachache.

After a while, Qiao Mu came out of the bathroom and looked at Li Yan pitifully. “ Uncle, I have diarrhea. ”

Li Yan raised his eyebrows. “ Are you using this method to avoid what you should do tonight? ”

“I really have a stomachache.” Qiao Mu rubbed her stomach. Suddenly, she felt a sharp pain in her stomach, and she immediately rushed into the bathroom.

When Qiao Mu came out again, Li Yan realized that she was really having a stomachache.

He originally thought that Qiao Mu would be fine after eating a little more, but she did not seem to be better even after going to the toilet a few times.

Li Yan called the doctor to come over. The doctor did a check-up. As the spicy food and seafood had irritated his stomach, he took some stomach medicine and drank more water and rested more.

Qiao Mu tossed and turned for the entire night before finally stopping her diarrhea after taking the medicine. She lay weakly on the bed, but her stomach still hurt terribly.

Li Yan’s heart ached when he saw how upset she was. “You’re not allowed to eat so much in the future.

“I didn’t want to either!”

“You made yourself sick. It’s reasonable.” Li Yan leaned against the headboard helplessly and let her lean against him. He rubbed her stomach with his big hand and asked, “Are you feeling better?”

“Yes.” Qiao Mu leaned into his embrace, enjoying his gentleness.

Ever since she was young, no one had ever taken such good care of her when she was sick.

When she was young, Qiao Ya would occasionally bully her and not let her eat, so her stomach was not very good to begin with. Every time her stomach hurt, she could only silently endure it.

The large hand on her stomach seemed to have the power to take away her pain bit by bit.

She turned to look at him. " Uncle, I used to hope that my mother would be by my side to take care of me when I was sick. But before I was five, Zhou Jieru only liked to go to the casino and splurge on the money she swindled from the Qiao family. She didn't give me any warmth. At that time, I didn't understand why my mother didn't like me at all. Now I understand that she's not my biological mother. "

At this point, she buried her face in his chest. " Uncle, do you think my biological mother would treat me like this? "

Li Yan looked down at the little woman. This was the first time she had mentioned her mother to him ever since she found out the truth.

Perhaps it was because she was sick, but she was especially fragile and made his heart ache.

He patted her head and said, " Yes, that won't happen. No mother doesn't like her child. "

"Then why did she throw me away?

"Maybe she accidentally lost you. She might have been looking for you all these years." Li Yan comforted her in a low voice.

Qiao Mu raised her head, and her large, watery eyes were covered with a layer of mist. She looked at Li Yan with uncertainty. " Really? "

"How could they bear to abandon you? Be good, leave this matter to me. " He lowered his head and kissed her lips.

Qiao Mu nodded, a tiny bit of hope rising in her heart.

She never dared to think about it. Thinking about her biological mother abandoning her was more heartbreaking than having a mother like Zhou Jieru..

Chapter 478: I'll Compensate You Next Time

Li Yan's voice was extremely low as he comforted Mu Mu, " Mu Mu, this is not your fault. Don't let your imagination run wild. '

Qiao Mu looked at the man's concerned gaze, and her heart felt so warm that it was about to melt.

He had always been pampered by others. He had never needed to estimate other people's feelings, nor was he good at comforting others. At this moment, he was using her own way to comfort her.

Qiao Mu's nose turned sour, and her eyes became moist.

She blinked and her tears fell. She rubbed her face against his clothes and looked up at him. Her voice was choked with sobs. " Uncle, I'm sorry. '

"Hmm?"

Her sudden apology puzzled Li Yan.

Then, the little woman said something that gave him a headache. " Originally, you wanted to...Well, but I'm not feeling well right now. I didn't do it on purpose.

Li Yan was speechless.

The little woman, who was originally sad, now had a trace of apology in her eyes. She was sincerely apologizing to him!

Li Yan really did not know what to say. He sighed helplessly. " You should get better first.

Qiao Mu nodded and continued to enjoy the man's caress. She fell asleep unknowingly.

The next day, Qiao Mu's body was still a little weak. She ate some liquid food at the hotel's restaurant in the morning before Li Yan sent her to school.

Before getting out of the car, Qiao Mu took the initiative to kiss Li Yan, which was a rare occurrence. She blushed, feeling shy and guilty. " Uncle, it was hard on you last night. I'll make it up to you next time! "

The corner of Li Yan's eyes twitched. Before he could say anything, the little woman quickly jumped out of the car and ran away in embarrassment.

On the weekend, Qiao Mu finally arrived at the fashion design exhibition.

Qiao Mu, Chi Xia, and Guan Baobei arrived at the venue and saw a sea of people outside the venue, each holding a poster of the game.

Baby Guan was puzzled. " Isn't he just a designer? Why are there so many fans?"

Key isn't just a designer, " Qiao Mu explained. " He's also a model.

Furthermore, he's personally endorsing the clothing brand he designs.

It was not strange that Baby Guan did not know about it. Only Qiao Mu majored in fashion design, Chi Xia majored in law, and Baby Guan majored in science.

Baby Guan nursed her lips. " He's not bad. but he's just a little worse than Lu

Jingzhi. "

At this point, Baby Guan suddenly realized that she had said something wrong. She coughed lightly and said, "Although Lu Jingzhi is no longer related to me, it is a fact that he is handsome. "

"We didn't say anything," Chi Xia laughed. "What are you feeling guilty about?"

"I don't feel guilty!"

The three of them had just entered the venue when a voice interrupted their conversation. "Baby Guan, why are you here?"

Speaking of the devil, the person who spoke was Lu Jingzhi.

Baby Guan was stunned and snorted. "You're a strange person. What does it have to do with you where I am?"

Lu Jingzhi frowned. "Come here, I have something to tell you."

"What do you want to say?" Baby Guan stood rooted to the spot.

Lu Jingzhi strode forward and dragged Baby Guan to the side. "Your brother called me."

"He wants us to take back the annulment of our engagement. I've thought about it. The annulment of our engagement is invalid."

Lu Jingzhi's words were met with a sneer from Baby Guan. "Have you thought about it? What's the use of you thinking about it? I'm the one who doesn't want to marry a scumbag like you!"

"Baby Guan, don't swear!"

"I knew it! Why? From your stance, do you want to fight me?"

Qiao Mu and Chi Xia looked at each other as they watched the two rivals and entered the home court first..

Chapter 479: Fashion Design Exhibition

The exhibition venue was a big circle with a catwalk in the middle and an audience seat on both sides.

The exhibition hadn't even started yet, but the seats were already filled. Qiao Mu found the number of the entrance ticket and found a seat. It was actually the VIP seats in the front row.

As expected, her uncle was very efficient!

Qiao Mu's attention was completely focused on the booth. Just as she was about to sit down, Chi Xia suddenly tugged at her from behind and turned around to look at her without answering.

Chi Xia pointed at the seat next to her and looked in that direction. She then realized that the man who was reading a magazine was Su Chen!

Su Chen raised his head and wasn't surprised to see Qiao Mu. " Qiao Mu, I knew it. My elder brother doesn't have the artistic talent to come to the exhibition. He must have gotten the tickets for you. "

After saying that, Su Chen's gaze landed on the person behind Qiao Mu. His gaze paused for a moment before he shifted his gaze away.

Qiao Mu smiled. " Young Master Su, do you have artistic talent to come to the exhibition? "

"I was dragged here by Lu Xiaosan." Su Chen said lightly.

Qiao Mu glanced at Chi Xia and pressed her down on the seat next to Su Chen. She then sat down next to Chi Xia.

Chi Xia secretly glared at Qiao Mu, but Qiao Mu looked up at the sky and pretended not to see anything.

Qiao Mu's phone rang. It was Li Yan. She informed Chi Xia and went to the side to answer the call.

Chi Xia sat stiffly in her seat. She recalled the last time she slept at his place. He was not home the next morning, but he left her a set of clothes and shoes so that she would not have to wear a formal dress to school in the middle of the day.

After struggling for a long time, Chi Xia finally turned her head. Just as she was about to say something, her eyes met Su Chen's.

Chi Xia's shocked expression made Su Chen raise his eyebrows. "What's with your reaction?"

"Cough...Um, Mr. Smith, thank you for what happened last time."

Su Chen glanced at her indifferently. "You should thank me for sleeping like a pig. You should be glad that I didn't leave you on the streets."

Chi Xia was speechless.

"So, do you owe me another favor?"

When she heard that the other party had taken the opportunity to "extort" her, Chi Xia immediately retaliated, "' Mr. Smith, you brought me home. My reputation as a girl will be affected. Also, how would I know if you did anything to me while I was asleep? "

Su Chen looked as if he had just heard a joke. His cold gaze swept across Chi Xia. "You flatter yourself."

K'. "Chi Xia was speechless. No matter what, she was still a beautiful girl. What was with his disdainful tone?"

She truly felt that this man had no other good points except for his good looks.

Qiao Mu went to the quiet side hall to answer the call. " Uncle, I've arrived at the exhibition venue. "

"Did you meet your idol?" The man's voice was a little sour.

Qiao Mu smiled. " Not yet. I'm here to see the fashion show, not to see him! " Uncle, I already said that Key is GAY. I'm not interested in him. I'm interested in his work."

Just as Qiao Mu finished speaking, the man who was walking past her paused in his steps. He couldn't help but glance at Qiao Mu a few more times, and the corners of his lips curled up playfully.

Key is GAY?

Why didn't he know that he was GAY?

Qiao Mu finally put Li Yan at ease before she put away her phone and walked toward the venue.

After making a turn, the two of them bumped into each other without noticing anyone.

Qiao Mu took two steps back and saw that the other party was Ning Tongtong..

Chapter 480: Meeting with the Idol

"I'm sorry," Qiao Mu apologized.

When Ning Tongtong saw Qiao Mu, she was slightly taken aback before she smiled. " You must be Miss Qiao. We met at the banquet. "

The other party's gentle attitude was beyond Qiao Mu's expectations. Ning Tongtong should have known about her relationship with Li Yan, but she did not treat Qiao Mu as a love rival.

Ning Tongtong took out her business card. " You might not remember me, but this is my business card. You're here to attend the Key fashion design exhibition. Are you a designer too? "

Qiao Mu took the business card and replied with a smile, No, I haven't graduated yet. I really like Teacher Key's works. Of course, I can't miss his fashion show. "

Ning Tongtong was about to say something when someone called out to her.

She smiled and said, " I have something else to do. I'll be leaving first. "

Qiao Mu looked at Ning Tongtong's back and thought that perhaps Ning Tongtong did not like Li Yan at all. She was overthinking things.

When Qiao Mu returned to her seat, Baby Guan and Lu Jingzhi were already sitting there.

The exhibition was about to begin, and the venue immediately fell silent.

Very soon, the models walked out in their clothes. Every piece of clothing was of the latest style. It was their first time appearing in public.

Qiao Mu kept taking photos with her phone until Key walked out in a white casual suit. He was leading all the models on the runway, looking very domineering.

The exhibition ended.

Qiao Mu immediately rushed backstage and happened to see Key coming out of the changing room in casual clothes.

Qiao Mu was excited. " Hello, Teacher Key. My name is Qiao Mu, and I'm a fashion design student. I've made a fashion design draft. Can you take a look? "

"I'm not free." Key's back was originally facing Qiao Mu. As he spoke, he turned around, and when his gaze landed on Qiao Mu, his phoenix eyes narrowed slightly.

Qiao Mu was unwilling to give up and wanted to say something more, but Key suddenly said, ""Let me see."

Qiao Mu handed the blueprint in her hand to Key.

Key sat down on a chair with the booklet. After flipping through a few pages, he looked up at Qiao Mu. " Did you draw all these yourself? "

Qiao Mu nodded. " Key teacher, can you give me some pointers? "

"I'm not that free." Key finished reading all the drafts. " Not bad. If you want my guidance, I'll give you a chance. "

Key took out a registration form from his bag. " I've organized a fashion design competition. You fill out this registration form and get ready to participate in the competition. However, the participants are all official designers. If you're afraid, you can choose not to participate. "

Qiao Mu took the form without hesitation, picked up a pen, and started filling in the information.

The fashion designer competition held by Key was an internal recruitment. Not just anyone could participate. If one could get into the top ten in the competition, the major design companies would come looking for them directly. They would not have to worry about their jobs!

Key took a look at the information and took a design drawing from the drafts. ”

Alright, leave a design drawing as the registration work. You can go back and wait for the notification. ‘

” Thank you, Teacher Key. ”

Qiao Mu was about to turn around when Key looked at her indifferently. ‘

Right, there’s one more thing. ‘ ‘ Teacher Key, please go ahead. ‘

“I’m not GAY.”

Qiao Mu was stunned for a moment and did not quite react. She suddenly recalled the contents of her conversation with Li Yan on the phone and immediately lowered her head in shame. ” Teacher Key, I was just joking about that. Please don’t take it seriously.. “
