

## The Apple 481

### Chapter 481: The Two Blueprints Are Similar

Key leaned on the sofa with his legs crossed. " This joke isn't funny at all. Or does my image make people think that way? "

Qiao Mu smiled awkwardly. " Key teacher, I'm really sorry. I worship you from the bottom of my heart. You're the Prince Charming in my heart, the king of the fashion design industry. I really didn't mean to offend you, so please don't hold it against me.

In her agitation, Qiao Mu accidentally revealed her thoughts.

Although many male fashion designers were a little sissy, Key exuded the toughness of an Asian man. Whether it was his appearance or his speech, he had the unique charm of a man.

He was about 30 years old and had an outstanding temperament. He was not as impetuous as young men.

From the looks of it, he wouldn't even think of it as GAY.

If it weren't for the sake of comforting her uncle, she wouldn't have said anything that would hurt her idol.

Key raised his brows, and his expression was indifferent, causing Qiao Mu to instantly become nervous. She hurriedly said, Mr. Key, you can't disqualify me just because I said something that I didn't mean. I really like fashion design and I want to be as outstanding as you. "

Key smiled faintly. " You don't have to be nervous. If I mind, I wouldn't have let you sign up. In front of your work, nothing else is important. Your work does have its own style. I won't let go of any talent in this industry. '

Qiao Mu's impression of her idol instantly increased, and she bowed deeply. Thank you, Key teacher. I'll work hard and won't disappoint you. If there's nothing else, I'll take my leave first. Goodbye. "

Key nodded, and Qiao Mu turned to leave. When she reached the door, a woman walked past her into the lounge.

That person glanced at Qiao Mu before walking up to Key. "Key, who was the girl who just left?"

Key took a sip of tea. "I guess she's a fan.

"Fans? Your brainless fan actually sneaked into the backstage to ask for your autograph?"

No, she's a fashion design student. She came here to ask for advice with her work. I thought her work was not bad, so I asked her to sign up for the competition."

The woman was stunned. "Your decision is still so casual. The competition you organized is so grand, yet you let a student participate. You're afraid that you'll be eliminated in the first round. How embarrassing would that be? "

I've seen her work. It's not bad. It's cleaner and more casual than some designers' work. It fits my style. This person is quite interesting. I heard her call someone and tell them that I'm GAY." Key raised his head and looked at the woman beside him. "Amy, where do you think I see a GAY?"

Amy frowned. "You seem to be quite happy. I've been your assistant for three years, and you don't have a woman by your side. I'm starting to suspect it too." "Don't I have a beauty like you by my side?" Key laughed.

"You're still talkative! Are we in that kind of relationship?" Amy's face turned red. She glared at Key as if nothing had happened and handed the folder in her hand to Key. "This is the registration information of President Shu's daughter, Ning Tongtong. President Shu is the investor of our competition. Ning Tongtong has to participate in this competition. Fortunately, Ning Tongtong is quite talented in design. The clothes that were released in the latest autumn are all very good."

Key took the folder and took out Ning Tongtong's registered work to take a

Amy followed Key's line of sight and frowned.. " These two drafts are so similar! "

Chapter 482: Who plagiarized whom?

Key nodded. " Yes, although the techniques are similar, there are still many differences in the details. We can't tell who plagiarized who. "

Amy snorted. " Is there a need to look? Ning Tongtong is considered a slightly famous designer and has produced several batches of branded clothing. This Qiao Mu must have imitated Ning Tongtong!"

Get both of them to sign up, " Key said calmly. " We'll only know their true level during the competition. No matter who plagiarizes, we'll know then.

But, we better not offend President Shu.

Key's expression turned cold. " In this industry, no matter who it is, as long as they have the guts to plagiarize, I won't let them live! "

To Qiao Mu, this exhibition was extremely rewarding.

Just as Qiao Mu was about to leave, Li Yan called her. This man had called quite frequently today, and this made Qiao Mu feel rather pleased. It seemed that he would only be more worried about her if she created a small threat for him. When she picked up the phone, she heard the man's deep voice."It's over? "Hey, Uncle, how did you know?" Wasn't this too punctual?

Then, a man's voice sounded from the other end of the phone. " I'll wait for you at the exit. "

Qiao Mu was stunned. He actually came?

Chi Xia walked over. " Let's go. You've met your idol and you even got an unexpected reward. Let's celebrate. "

Qiao Mu put away her phone and smiled. " I'll definitely treat you, but not today. Li Yan is waiting for me outside. "

Chi Xia pouted. " Yo, your uncle is keeping a close eye on you. Is he worried that you'll run off with your idol? "

Qiao Mu did not refute Chi Xia's words. She waved at her and jogged away.

Chi Xia was helpless. Someone approached her from behind. She turned around and said with a smile, ""Baby, it's just the two of us left. This guy who forgets his friends when he sees women leaves just like that. Let's go eat..."

Before he could finish, he turned around and saw the person behind him. It was not Baby Guan!

The smile on Chi Xia's face immediately disappeared and she smiled awkwardly. " Mr. Su, can you not appear behind me like a ghost? " I thought it was a treasure!"

Su Chen glanced at her. " Your friend was taken away by Lu Jingzhi just now. ' Chi Xia was speechless. Why are there so many guys around her who forget their friends when they see women!

Su Chen took two steps forward and turned back to look at Chi Xia. " Didn't you say you were going to eat? "

. Huh?" Chi Xia was dumbfounded.

"Let's go. I'm hungry too."

"So?" Was he going to eat with her?

Was there something wrong with this young master's brain? How could he eat with her?

Su Chen stuffed his hands into his pockets and said matter-of-factly, " Last time, I took you in for a night. Do you think I'll be fine with just a simple thank you? You have to thank me and treat me to a meal!"

Chi Xia really wanted to reject him, but Su Chen did not give her a chance. It was as if the matter was settled after he finished speaking and he walked out.

Chi Xia braced herself and followed him. She felt that being with Su Chen was really stressful. Why was this man so arrogant in everything he did? It was as if she had to listen to him.

The moment Qiao Mu stepped out of the door, she saw Li Yan's flashy car parked by the roadside. She walked over and saw that the driver was sitting in the driver's seat, so she opened the backseat and got in.

The man in the car was flipping through some documents. When he heard Qiao Mu's voice, he raised his head and glanced at Qiao Mu before continuing to read the documents.

Qiao Mu leaned over.. " Uncle, why are you here? "

Chapter 483: One Step Closer to the Target

"If I don't come, what if you get seduced by your sissy idol?" The man's tone was sour.

Qiao Mu's smile deepened. " Uncle, do you know that you're simply too handsome when you're jealous?!"

Li Yan looked up at her. " Then do you know that when I'm jealous, I'm not only handsome but also scary? "

"Hehe...If Uncle isn't scary, how can you bear to be fierce to me!" As Qiao Mu spoke, she looked out the window and saw Chi Xia walking out behind Su Chen. Su Chen's car was parked at the side. Su Chen got into the car and Chi Xia followed closely behind.

These two people...

Li Yan noticed that she was not paying attention. He put down the document in his hand, pinched her chin, and turned her to face him. " I'm jealous. Is this how you treat me? "

Qiao Mu blinked and swiftly kissed the man's lips. Her face blushed slightly. " Uncle, don't malign me! "

Li Yan felt as if his lips had been brushed by a feather. It tickled him, causing his heart to waver.

Looking at the little woman's shy and coquettish appearance, he had the urge to eat her up.

Qiao Mu suddenly thought of serious matters. She hugged Li Yan's wrist and said excitedly, ""Uncle, let me tell you something. I showed my work to Key. He invited me to participate in the fashion designer competition he organized. He invited me personally, which means that he's very satisfied with my work. It seems that I've taken a big step towards my goal of becoming a top fashion designer! "

Li Yan lowered his gaze and looked at the excited little woman. His small face was smiling so brightly that it was almost blooming. When he mentioned his goal, his big eyes sparkled.

If such a small woman were to destroy her dreams and stop her from moving forward, it would be equivalent to breaking her wings.

Li Yan did not say anything, so Qiao Mu impatiently asked, ""Uncle, aren't you happy for me? Hurry up and praise me!"

Li Yan raised his eyebrows. " So, if you want to participate in the competition, you'll spend less and less time with me, right? "

"It won't happen! Uncle is as important as the competition. I won't side with either side!"

This little thing was comparing him to the competition. She was telling him that stopping her from participating in the competition was the same as separating them.

How could he bear to destroy the little woman's dreams? Every time she mentioned her goals and the clothes she designed, her eyes would shine with

unusual confidence.

Qiao Mu glanced at Li Yan and asked uncertainly, ""Uncle, are you going to stop me? I only have this little dream. As the man behind me, you should support me silently!"

Li Yan was helpless. " Your man isn't that unreasonable. He didn't say that you're not allowed to go. '

"Uncle, I knew you were the best!"

At the entrance of the exhibition, Ning Tongtong had just walked out of the exhibition when she saw Qiao Mu get into a black car.

The moment Qiao Mu opened the door, Ning Tongtong clearly saw the man's face in the car.

Ning Tongtong narrowed her eyes. Shu Xinyu's voice sounded from behind her.

" Tongtong, you've been waiting for a long time, haven't you? " Ning Tongtong looked away and smiled.  
" No, Mom, let's go. '

"Hmm, what were you looking at just now?

' Mom, Qiao Mu came to the exhibition today. She seems to be a fashion designer too. "

Shu Xinyu smiled faintly. " There are many fashion designers out there. In my opinion, you are the best. Your works are all exceptionally outstanding. No one can casually compare themselves to you. '

Ning Tongtong smiled.. " Mom, with your praise, I'm even more confident in this match! "

## Chapter 484: Buying Her Blueprint at a High Price

Shu Xinyu looked at Ning Tongtong and asked with concern, "How are your preparations for the competition coming along? With Key's status in the fashion design industry, the competition will receive a lot of attention. As long as you get results in the competition, your net worth will be several times higher than now. I did everything I could to get the investment rights to the competition to create a better platform for you to show off."

"Mom, thank you. I'll definitely work hard!"

Shu Xinyu sighed. "I believe you. Our Tongtong is the best."

Ning Tongtong's eyes flashed as she smiled in response to Shu Xinyu's praise.

Since it was the weekend, Qiao Mu followed Li Yan back to the Li family's residence.

After returning home, Qiao Mu ate lunch and entered the study room. She turned on Li Yan's computer and searched for information about the competition.

Since he was at a disadvantage and his competitors were too strong, he had to be fully prepared.

However, Li Yan was ignored.

Li Yan stood at the door of the study and watched as the little woman stared at the computer. She did not notice his existence at all. He said coldly, "How long are you going to be busy?"

Qiao Mu didn't even raise her head. "Uncle, I need to do some research to prepare for the competition."

As Qiao Mu was speaking, she noticed that she had received a few new messages in her mailbox. She opened them and saw that they were from Little

T.

“Hello, sorry to bother you again. I know you’ve decided not to sell your work anymore, but I urgently need a few drafts now. Please draw a few drafts for me one last time. You can name the price.”

Perhaps it was because he did not get a reply, the other party sent another message: “Is 10,000 yuan for a draft okay? This price is completely beyond your ability. I only want the last few portions. Please help me. ‘

This person must be crazy. Using 10,000 yuan to buy her work was almost a hundred times the previous price!

She was very curious about what the other party wanted to do.

Li Yan stood at the door and watched as the little woman stared at the computer and ignored him. He turned around and went downstairs to call the butler.

“Uncle Chen, pull the power switch at home.”

The butler was stunned. Although he did not understand Li Yan’s purpose, he still nodded and did it.

In the study, Qiao Mu was about to reply to the email and reject Little T, but before she could send the message, her computer shut down automatically with a “ bang.

Stunned, she pressed the power button, but the computer did not respond.

At this moment, Li Yan walked in, and Qiao Mu said, ““Uncle, the computer is turned off. Why can’t I turn it on?”

‘ I just received a call from the power company. The electricity in the vicinity is being repaired. There’s a blackout during the day, ” Li Yan replied nonchalantly.

“What? A power outage without any prior notice!” Qiao Mu was very unhappy.

Li Yan waved at her. “ You went into the study when you got home. You said you’d come back to accompany me this weekend. Are you accompanying me or the computer? ”

Qiao Mu stood up and looked at the time. “ Uncle, to make it up to you, I’ll make dinner for you, okay? ”

The corners of Li Yan’s lips curled up as he pulled the little woman into his arms. “ I can choose what to eat? ”

“Of course! As long as it’s not too difficult, there’s no problem!”

Qiao Mu had just finished speaking when she saw the smile on the man’s face deepen, and a trace of her familiar demonic charm appeared. Then, the man’s voice sounded in her ear. ““It’s not difficult. You don’t have to do anything. Just lie down and wait for me to eat you.”

Qiao Mu was speechless.

Qiao Mu glared at him with a red face. “ Can you be more serious?! ”

“Little thing, you seem to have forgotten what you said after you had a stomachache last time. You must make it up to me next time.. Where is my compensation?”

Chapter 485: The Greatest Luck Was Meeting Him (1)

Qiao Mu’s face reddened as if she was the one who said that she wanted to make it up to him.

“Can we wait until tonight?” she mumbled softly.

Li Yan teased her with interest. “ What are you doing tonight? ”

Qiao Mu's face was burning hot. She opened her mouth and finally said something embarrassing, "'1'11 make it up to you tonight!"

Li Yan's lips curled up and he tapped her nose. " Okay, I'll wait for you.

Qiao Mu had just rushed out of the study when she heard the man's low laughter behind her, and she stomped her feet in embarrassment.

Qiao Mu flipped through the menu and finally decided to make a very simple chicken curry rice.

After asking the butler, the butler said that there was no curry at home.

The butler was about to remind Qiao Mu that Young Master didn't like curry, but before he could say anything, Qiao Mu took off her apron.

"I'll go out and buy it!"

At this moment, Li Yan walked over. " What do you want to buy? '

"Buying ingredients for dinner." Qiao Mu's eyes lit up. " Uncle, shall we go to the supermarket? "

The little woman's eyes were filled with anticipation, as if shopping in the supermarket was a very happy thing. He nodded and replied, "Alright." Qiao Mu changed her clothes and went downstairs before happily following Li

Yan out.

When they arrived at the supermarket, Li Yan was pushing the cart while Qiao Mu was picking out delicious food and putting them into the cart.

Li Yan looked at the bags of snacks in the car. " Are these the ingredients you wanted to buy for dinner? '

“It’s rare for me to come to the supermarket. I bought this on the way!”

“Eat less junk food.”

“Uncle, I didn’t eat such delicious food when I was young. It’s okay to eat a little now.”

Qiao Mu’s words made Li Yan’s eyes darken, and he could only let her continue buying.

This little thing knew that as long as she pretended to be pitiful, he would be helpless.

When they arrived at the candy section, Qiao Mu was choosing delicious food when the man silently pushing the cart suddenly took a few items from the rack and placed them into the cart. Qiao Mu looked down and was stunned.

There were a few lollipops. There were cartoon candies, star candies, and rainbow candies. All kinds of lollipops instantly dug out the memories in the depths of her mind.

Li Yan often bought these lollipops for her when she was young.

At that time, Qiao Ya would always wave beautiful lollipops that she had never seen before in front of her eyes. She would deliberately come to her and say that Yu Tingyun had bought them. Every time Qiao Ya showed off her mother, she would also mock her mother for being a bad woman.

Once, Qiao Ya deliberately threw the lollipops on the ground and crushed them. Then, she went back to her room and took out two new lollipops. She held one in each hand and licked it.

At that time, she was so angry that she ran to Li Yan and cursed Qiao Ya for having tooth decay. Not long after, Li Yan took a bunch of lollipops and placed them in front of her.

Qiao Mu was truly stunned. Those lollipops were bigger and prettier than Qiao Ya's. In the end, Qiao Mu's curse on Qiao Ya came true on herself. It was only until she had decayed teeth that Li Yan began to limit the number of lollipops she could eat. He only gave her one every few days to satisfy her craving.

She used to believe what Yu Tingyun and Qiao Ya had told her, thinking that Li Yan was really trying to get close to her with a purpose.

At that time, she did not calm down and think about it. Her big brother's kindness to her could not be faked.

At the thought of this, Qiao Mu's nose felt a little sour. " Uncle, you still remember. "

Chapter 486: The Greatest Luck Was Meeting Him (2)

Even Li Yan himself did not understand why he could remember every detail of the little thing after ten years.

When he chose to leave, he had already believed Qiao Ya's words of provocation. According to his temper, he would have long forgotten about this heartless little thing, but he did not.

Perhaps, this was the so-called fate.

They were destined to be together.

When Qiao Mu heard the man's words, tears welled up in her eyes for some reason. Those childhood days were truly too wonderful. She could not care less about the people around her as she pounced on Li Yan's chest.

"Uncle, thank you."

Thank you for holding me in the palm of your hand. Thank you for making my childhood more beautiful to remember.

She was truly grateful that he had appeared in her life.

To her, the luckiest thing about living in the Qiao family was meeting him.

At this moment, Qiao Mu finally understood that all the pain she had gone through was worth it. In order to be with him, those were nothing.

Li Yan lowered his gaze to look at the little woman. He hugged her gently and stroked her head. "Silly girl, there are so many people coming and going.

Aren't you embarrassed? People are going to laugh at you."

"Let them take a look. They won't be able to be pretentious." Qiao Mu grunted.

Two girls passed by and saw this scene. They whispered, "Look at this couple. One is tall and the other is thin. With such a height difference, they look so cute when they stand together!"

Aiya, I'm so envious. Look at the way that man looks at her. He's so gentle that he's about to melt. That girl looks like she's about eighteen or nineteen years old. Could this be the real-life version of an uncle and a loli? '

Uncle?

Li Yan's eyes darkened when he heard that. He swept a cold glance over and the two girls immediately kept quiet. They lowered their heads and quickly left.

When Qiao Mu heard the others' comments, she stopped being pretentious and raised her head with a smile. "An uncle paired with a loli is indeed a match for us."

"Hmm?"

Qiao Mu noticed Li Yan's displeasure and immediately changed her words. ' Not uncle, it's big brother! '

Li Yan was satisfied and held her hand to continue shopping.

After buying everything, the two of them went to the cashier to settle the bill.

Qiao Mu stood at the side. After she scanned the price of the lollipop, she impatiently opened it and started eating.

It was still the same sweet taste as when she was young.

After paying the bill, Li Yan carried the bag in one hand and held Qiao Mu's hand in the other as they walked out.

When she reached the door, Qiao Mu stopped and pointed to the side. " Uncle, I want to eat ice cream. '

The ice-cream aunt smiled at Qiao Mu and asked, ""Little girl, what flavor do

you want to eat?"

"Tiramisu," Qiao Mu said.

His aunt nodded and took a cone of ice cream.

Qiao Mu took it from him, and Li Yan paid. " Keep the change. '

Her aunt was overjoyed and felt the need to put in a good word for Qiao Mu as she held the money. She looked at Qiao Mu and smiled."This little girl is really beautiful. She's a handsome man and a beautiful woman. Those who don't know better would think that you two are a couple. This handsome man looks so young. He doesn't look like an uncle at all."

Puff ...

Qiao Mu almost burst out laughing. What did he mean by looking young? Little Uncle was only 28 years old, alright?

She raised her head and looked at Li Yan. As expected, the man's expression darkened.

Li Yan looked up coldly. "Who said I'm his uncle? I'm her boyfriend!"

Qiao Mu couldn't help but laugh and hurriedly dragged Li Yan away.

The ice cream auntie was stunned. Why would a couple call each other uncle?

Sigh, young people nowadays really have a variety of ways to fall in love!

After getting into the car, Qiao Mu looked at the man's displeased expression and wanted to laugh, but she did not dare to.

She held his hand. "Uncle, don't be unhappy..

Chapter 487: The Greatest Luck Was Meeting Him (3)

"I don't want to hear this title again. Change it!" Li Yan's voice was deep. Every time someone thought that they were relatives, he could not help but get angry.

This little thing was his woman, and he was her man!

Seeing the man's serious expression, Qiao Mu changed her tone. "'Big brother.'" Li Yan snorted coldly.

Qiao Mu raised the ice cream in front of Li Yan. "Big Brother, do you want a bite?"

“I don’t want to eat.”

She leaned over and said, “ Big Brother, the ice cream is on the corner of my mouth. Help me wipe it off.”

Li Yan turned his head to look at the little woman. She was pouting with ice cream on her lips. She looked just like when she was young, as if she was asking for a kiss from him.

Back then, she had tried her best to make him take the initiative to kiss her. He had endured it again and again before he did not lay his hands on a little girl. Seeing her now, his body suddenly tensed up.

He cupped her small face and kissed her lips forcefully. There was a faint sweetness between her lips and teeth, making him unable to stop!

Although this kiss was extremely ordinary, it almost melted Qiao Mu’s heart.

It was as if her wish of many years had come true. She had finally succeeded in asking him for a kiss like when she was young.

Qiao Mu’s head went dizzy, and the ice cream and lollipop in her hands fell onto her lap. She screamed and hurriedly pushed Li Yan away to clean up the mess.

“How is it?”

“Stupid enough.”

Qiao Mu was speechless.

Can’t you just say something nice to coax her?

During dinner, Qiao Mu was busy in the kitchen while Li Yan stood outside and watched the busy figures with a slight smile on his face.

The butler came out of the kitchen. Li Yan asked, "Uncle Chen, what is she doing?"

"Young Master, Miss Qiao is making curry chicken rice." After the butler finished speaking, he saw Li Yan frown slightly. However, he quickly acted as if nothing had happened.

The butler realized that his previous worries were unnecessary. Miss Qiao had personally made it, and regardless of whether it was to the young master's taste, she would definitely not say the word "no."

It was just like the steak that Miss Qiao had cooked last time. It was so pungent that he had vomited it out after taking a bite and thrown it into the trash can. However, the young master did not find any fault with it at all. He silently ate the entire steak.

Therefore, even if the curry that the young master didn't like to eat for dinner, it wouldn't affect the young master's appetite at all.

Li Yan walked to the kitchen door and leaned against the door frame. He reminded her, "Put less salt in it. My throat isn't good, so I can't eat too much salt."

"Alright!"

After thinking about it, Li Yan emphasized worriedly, "Forget it, don't put salt in it. Just eat something light."

He did not have much confidence in the little woman's cooking skills. He could tolerate the taste, but the salty taste was indeed torturing him.

Qiao Mu made an OK gesture to Li Yan as she busied herself. "Don't worry. Leave it to me. I know what to do!"

Li Yan was speechless.

Fortunately, she knew her limits. If she didn't, what could she do?

Seeing that Li Yan was stalking her, Qiao Mu pushed him away unhappily. " I'm so nervous that I don't know how to do it if you keep staring at me. Go sit on the sofa and wait for me. I'll call you when I'm done! "

Li Yan smiled faintly and left obediently.

Finally, dinner was ready after half an hour of banging sounds.

Qiao Mu came out of the kitchen with a bowl of curry chicken rice and greeted Li Yan affectionately, ""Big brother, it's time to eat!"

Chapter 488: The Greatest Luck Was Meeting Him (4)

Qiao Mu had just finished shouting when the door opened from the outside. A puzzled voice sounded from the door. " Big Brother? "

Immediately after, Yu Yiduo walked in. She looked at Qiao Mu, then at Li Yan, and smiled. " Mu Mu, when did you change the way you address me? " I haven't seen you for a few days, and your seniority has risen by one level. You've changed from a nephew to a sister?"

Qiao Mu was speechless.

Li Yan stood up as if nothing had happened. " Mom, why are you back? "

Yu Yiduo saw her son's unwelcoming expression and pursed her lips. " You can't keep a grown up. Don't worry, I'm not here to disturb the two of you. Your father is waiting for me in the car. I'm going to watch a movie with your father tonight and spend some time alone with him. I just came back to get some clothes. It's really inconvenient to leave them at home. "

“Then move the clothes to your place,” Li Yan said calmly.

“So, you’re openly chasing your mother away? I really raised you, this heartless son, for nothing! To think that I fed you with sh \* t and pee!”

The corners of Qiao Mu’s mouth twitched fiercely. She had fed her son with a handful of feces and a handful of urine. Would her son like her, his mother?

Yu Yiduo only noticed Qiao Mu’s apron when she smelled a fragrant aroma wafting out of the kitchen. She asked in surprise, “Mumu, you’re cooking personally?”

Qiao Mu nodded. “Auntie, I made curry chicken rice. Do you want to eat with

“Curry? Li Yan doesn’t like curry!” Yu Yiduo blurted out without thinking.

“You don’t like it?” Qiao Mu looked at Li Yan in a daze. He did not even tell her.

Li Yan frowned and glared at Yu Yiduo. Yu Yiduo knew that she had said too much, so she smiled slyly. “Actually, Li Yan didn’t like it when he was young. He thought that curry was the same color as shit and it tasted terrible. After that, I forced him to eat it a few times and he fell in love with it! ‘

Qiao Mu was speechless.

When Madam Yu came, she was full of sh \* t and urine. Couldn’t they have a good meal?

Yu Yiduo happily went upstairs to get her clothes. Her son was holding back from eating the food that he didn’t like to eat in order to appease women. Since he wanted to make Mu Mu happy, she would add insult to injury. She would make him more annoying and see how he could eat it!

Qiao Mu looked at Li Yan walking over and asked uncertainly, “Uncle, do you really like it?”

“Okay, don’t listen to my mom. Sit down and eat.” Li Yan sat down leisurely and took a bite with his chopsticks to dispel the little woman’s suspicion.

In the past, he had indeed lost his appetite when he looked at the color of the curry. Now that he tried it, it was not as bad as he had imagined.

As for the little woman’s cooking, it was neither good nor bad. It was much better than he had imagined and he could eat it.

“Uncle, is it delicious?” Qiao Mu asked nervously.

“Yes, it’s delicious.”

Only then did Qiao Mu let out a sigh of relief. She took a bite in delight, then nodded. “ It’s indeed delicious! ‘

Yu Yiduo came downstairs and walked to the dining table to take a look. “ You sure have an appetite. Mu Mu is so virtuous! ” Li Yan looked up at Yu Yiduo. “ Mom, my dad is still waiting for you outside. ‘ What he meant was that it was time for him to leave.

Yu Yiduo snorted and turned around to leave. However, she suddenly stopped in her tracks and looked at Qiao Mu with a smile. “ Mumu, life isn’t a game. Although it’s good to have some fun in life, it’s better to play less role-playing games. Li Yan has a lot of demands. Don’t always cooperate with him and let his evil scheme succeed! ”

\* Cough \*

Qiao Mu nearly spat out a mouthful of rice.

Chapter 489: Xiaxia, 1 1 m Back

Qiao Mu’s small face was flushed red from holding it in, and she did not know how to respond.

She finally knew who Li Yan's indecent behavior was like. It was indeed his biological mother!

Li Yan glared at Yu Yiduo. Yu Yiduo immediately turned around and left. "You guys enjoy your meal. I'm leaving!"

After Yu Yiduo left, she finally had a quiet meal.

After the meal, Qiao Mu curled up on the sofa, and a business card fell out of her pocket.

It was the name card that Ning Tongtong had given her earlier in the day. She hadn't looked at it carefully at that time, but now she saw that the name card said that she was a clothing designer from TANG.

This brand should be a combination of Ning Tongtong's Tong.

Qiao Mu looked at the man beside her. "Uncle, is Ning Tongtong a very famous designer? Why haven't I heard of her brand before?"

"I don't know. Why did you mention this person again?" Li Yan asked calmly.

"I saw her at the fashion show today. She gave me her business card. She's only three or four years older than me, but she's already become a designer for a brand. She must be very capable, right?"

Li Yan leaned lazily on the sofa and wrapped his arm around Qiao Mu's waist. "

In another three to four years, you'll be even more powerful than her. "

"She even said that she wanted to be your personal designer. She must be very capable. Otherwise, she wouldn't be so confident."

" I don't know if she has the ability, but Shu Xinyu is the boss of a fashion design company. It's easy for her to promote a designer. "

Realization dawned on Qiao Mu. " So he has a backer! "

Li Yan lowered his eyes and looked at her. " You can have a backer too. ' "I don't want to go through the back door. I want to rely on my own efforts to achieve results in this competition."

The little woman's confident look made Li Yan smile.

He stood up and carried the little woman in his arms, then strode upstairs. " You shouldn't be thinking about this now. You should be thinking about how to make it up to me. "

Qiao Mu was speechless.

This night was destined to not be peaceful.

For Chi Xia, it was not a peaceful day.

At noon, Chi Xia and Su Chen finished their lunch together. As they were leaving the dining room, they heard a voice, " Xi Xia..."

Xi Xia?

This voice, coming from the clear male voice, was both familiar and unfamiliar.

Chi Xia stood rooted to the spot for a while, not daring to turn around to verify the other party's identity.

Seeing that Chi Xia did not turn around, the man rushed to her and grabbed her hand. " Xi Xia, it's me. I'm back. '

Chi Xia's face darkened. She flung his hand away forcefully. " Gu Cheng, don't touch me! "

Su Chen's eyes darkened. Gu Cheng? Was this her ex-boyfriend?

Gu Cheng didn't notice Su Chen. He stared at Chi Xia and said, " Xiaxia, I came back this time to explain to you. Listen to me, I'll definitely resolve this matter.

Can you wait for me? "

He would definitely resolve this matter?

It meant that it had not been resolved yet!

Chi Xia laughed sarcastically. " Gu Cheng, that's enough. I have nothing to do with you now. Please stop pestering me! "

"Xiaxia..."

Gu Cheng had just opened his mouth when he was interrupted by a cold voice.

"What? Do you think I don't exist?"

Gu Cheng was stunned. Only then did she see a man standing at the side!

Su Chen took two steps forward and pulled Chi Xia to his side. He looked at Gu Cheng coldly. " You didn't seem to remember what I told you on the phone last time. Don't ever appear in front of her again! " Su Chen's words made Gu Cheng frown..

Chapter 490: We Said We Would Be Together For A Lifetime

Gu Cheng looked at Chi Xia in disbelief. "Xiaxia, you have a new boyfriend. Is that true?"

Although Chi Xia did not understand Su Chen's intentions, she still nodded. We have nothing to do with each other anymore. "

"It won't happen! Xiaxia, you only love me, just like me. I only love you too. We promised to be together for the rest of our lives. How could you date someone else?!"

Chi Xia's face darkened when she heard Gu Cheng's angry question. "Gu Cheng, we're already in the past. You have your fiancée. It has nothing to do with you who I'm with!"

Before this, Chi Xia had at least had some good feelings for Gu Cheng. Even though they had come to this end, she still believed that everything was still good.

However, at this moment, he had an attitude that said that she had let him down!

Gu Cheng was stumped by Chi Xia's words. He looked at Su Chen and said rudely, "Sir, Xiaxia and I are truly in love. If you know what's good for you, please don't pester Xiaxia. "

Chi Xia widened her eyes in shock. She never expected Gu Cheng to say such a thing.

In the past, Gu Chengqian was polite. Why would he say such unreasonable words?

Su Chen raised his eyebrows and moved his thin lips. "My biggest flaw is that I don't know what's good for me. You said that you're in love. Do you want me to prove to you who she's in love with now?"

As soon as she finished speaking, Chi Xia saw the tall figure pressing down on her. Before she could react, her lips turned cold. She had been kissed!

Chi Xia's eyes widened as she looked at his face. She instinctively wanted to push him away, but her hand was grabbed.

The man narrowed his eyes and looked at her. His gaze seemed to be saying that if she wanted to get rid of Gu Cheng, she had to cooperate with him.

Chi Xia couldn't describe the sadness she felt at that moment. She made up her mind and closed her eyes.

Su Chen looked at the fair face in front of him. Although she had her eyes closed and looked willing, he could see her resistance from her expression.

Her lips were so soft that he could not help but feel it when he touched them.

Su Chen's eyes darkened as he placed his hand on the back of Chi Xia's head and deepened the kiss.

Chi Xia was caught off guard and widened her eyes in shock. She wanted to push him away, but she could not.

This man must be crazy! Taking advantage of her on the street!

After a while, Su Chen finally let go of the woman in his arms. He glanced coldly at Gu Cheng, who was already shocked. No matter what happened between the two of you in the past, I'm telling you clearly now that this woman is mine from now on!"

After Su Chen finished speaking, he held Chi Xia's hand and left.

Before Chi Xia could react, he had already led her into the car.

The car started and quickly drove past Gu Cheng. Only then did she react and glare at the man driving the car angrily. " Su Chen, what are you doing? Who told you to kiss me?"

Su Chen did not think much of it. " I'm helping you. Why? Do you want to burn the bridge after crossing it? "

Chi Xia's face turned red, either from anger or embarrassment.

She pulled out a tissue and wiped her lips hard. This action successfully earned Su Chen's cold face.

"I haven't despised you yet. How dare you despise me?" His low voice was filled with a hint of displeasure.

"If you despise me, why did you kiss me?" Chi Xia gritted her teeth. "Did you forget that I vomited all over you? Aren't you disgusted by me?"

Su Chen frowned. "Why are you so unlikeable?"

"I don't need you to like me!"

Su Chen narrowed his eyes.. "So, you want that kid to like you? "
