

The Apple 491

Chapter 491: You're the Scum!

Chi Xia's eyes dimmed and she stopped wiping her lips with a tissue.

She lowered her head and stopped talking. When she thought of Gu Cheng's words just now, she felt an indescribable feeling in her heart.

He said that they had agreed to be together for a lifetime, but he did not give her the confidence to be with him for the rest of her life.

He was so confident that she still loved him, but he did not know that when she found out that he had a fiancée, she had already given up on him.

He did not realize what he had done wrong. He kept saying that he wanted to solve the family's problems, but he did not really show her!

At this moment, Chi Xia was not upset that Gu Cheng had a fiancée. What really hurt her was Gu Cheng's attitude!

Su Chen lowered his head and looked at the man beside him, his eyes darkening. "Chi Xia, that man just now was obviously a scumbag. Is it worth it to be sad for that scumbag?"

Chi Xia's heart sank and she retorted, "You're the scum!"

Su Chen narrowed his eyes and slammed on the brakes. He turned to Chi Xia and smirked coldly. "If that's the case, I won't let you down!"

Chi Xia stared at him. Before she could react, the man in front of her suddenly approached her, grabbed her head, and kissed her again!

Chi Xia's eyes widened in shock. This kiss was unlike the previous one where their lips did not touch deeply. Instead, it was a direct and direct one!

Chi Xia was furious when she realized what had happened. She pushed the man in front of her away and quickly opened the car door to escape.

Chi Xia's mind went blank. This was the first time she had done it on purpose for Gu Cheng to see.

Was this man really crazy? Why did he kiss her again and again?

In the car, Su Chen frowned as he watched the woman flee in a panic.

His fingers brushed across his lips, and his pitch-black eyes darkened bit by bit, looking bottomless.

Chi Xia walked aimlessly and wiped the corner of her mouth with the back of her hand. The corner of her mouth was numb from the pain. Her nose was sore and her vision blurred.

She couldn't care less about the fact that she was on the street. She squatted down and buried her face in her knees, crying uncontrollably.

Chi Xia did not know how long she had been crying, but she was tired from squatting. She stood up stiffly and continued walking along the sidewalk.

She didn't realize that the car she thought she had ditched was following her not far behind.

The man in the car stared at her lonely back. She completely ignored the gazes of others. Like an abandoned puppy, she cried silently and helplessly.

Every time, he could see this woman in such a sorry state.

After a while, the woman finally stood up and walked forward stiffly.

After walking for a while, she suddenly stopped and stared at a bar by the roadside before walking in.

Su Chen frowned slightly. Was this woman trying to get drunk in broad daylight?

Other than the waiters, there were no other customers in the bar.

Chi Xia sat at the bar counter and ordered a bottle of beer. When Su Chen walked in, he saw Chi Xia gulping down the beer from the bottle in her hand. She had already finished half of the beer in her hand. It was obvious that this woman was crazy and wanted to get herself drunk.

Su Chen sat on the sofa in the corner and looked at the woman from afar. He didn't know why he was paying attention to this woman. He could have just left her here and left.

Chi Xia finished a bottle of beer and ordered a second one. She then ordered a stronger foreign wine.

Chapter 492: I Won't Let You Take Charge

Chi Xia took a sip of the strong liquor and felt a spicy taste in her mouth. She could not help but frown.

She endured the burning pain in her stomach and poured glass after glass into her mouth.

She took out her phone and sent a message to Gu Cheng. "Gu Cheng, it's over between us. Goodbye!"

Staring at the message, Chi Xia took a deep breath and stood up to leave. However, she lost her balance and fell onto the chair.

His head was dizzy, and the object in front of him was shaking.

At this moment, the man at the bar came out and held Chi Xia. "Miss, are you alright?"

Chi Xia felt a man pressing against her. Although she was a little drunk, she could still feel a hand on her waist. That hand was pinching her waist a few times.

Shocked, Chi Xia used all her strength to push the man away. The man was caught off guard and was pushed onto the bar counter. He laughed when he saw Chi Xia swaying unsteadily.

“Miss, you’re drunk. I’m helping you.”

“Go away.”

Chi Xia’s head was getting heavier and heavier. She leaned against the bar counter and her consciousness was getting more and more blurry.

The bar was empty in broad daylight. The man saw that Chi Xia was already drunk and became presumptuous. He grabbed Chi Xia’s hand and was about to help her up when his wrist was suddenly grabbed by a large hand.

The strength of the hand was so great that the man suddenly turned his head to look to the side and happened to meet a cold face.

Su Chen grabbed the man’s wrist and flung him away.

He glanced at Chi Xia and helped her up with a cold face before striding out.

Chi Xia pushed Su Chen as she looked up. When she saw Su Chen’s face, she gave up struggling and allowed him to take her away.

Looking at the drunk woman, Su Chen frowned and threw her into the backseat.

The car drove straight back to their residence and threw Chi Xia onto the bed. Just as they were about to leave, someone grabbed the corner of her clothes. Su Chen turned around and saw the woman on the bed. She looked at him pitifully. “ Don’t go...”

Su Chen paused and narrowed his eyes.

Chi Xia got up and slowly climbed onto Su Chen's neck. She wrapped her arms around his neck and kissed him.

Su Chen's body stiffened when he saw her soft lips with a hint of passion. He narrowed his eyes and stared at the woman in front of him without moving.

She was clearly disgusted by his kiss earlier, but now she took the initiative to kiss him!

Su Chen's body tightened and he grabbed onto Chi Xia's head, turning from passive to active...

When Chi Xia woke up, she felt sore all over.

His arm moved slightly, and his waist was pressed down by a heavy arm.

She widened her eyes in shock and her heart skipped a beat.

Her memory before she got drunk was very blurry. She only remembered that a man came up to her and pushed her away. Her consciousness became unclear. She turned her head with a pale face and saw Su Chen's sleeping face!

Why was it this man...

Su Chen opened his eyes and saw Chi Xia's pale face. He narrowed his eyes. "

You're awake? "

"Why is it you?"

Su Chen's eyes turned cold. " Who do you think it is? Why, you've already forgotten how to be so proactive?"

Chi Xia bit her lip and sat up without saying a word. She picked up her clothes and put them on.

Su Che grabbed her wrist, " Chi Xia, don't you want to say something? "

"What do you want me to say? I woke up on your bed after I was drunk. I don't want to know anything. I'll pretend that nothing happened.. Don't worry, I won't let you take responsibility!"

Chapter 493: Break Up

Su Chen's lips curled into a sinister smile as his fingers held Chi Xia's chin. • so, you thought I was someone else last night? "

Chi Xia's face paled. Su Chen understood without saying anything.

Chi Xia wanted to refute Su Chen's question, but she did not know what to say.

She knew that Su Chen was not Gu Cheng. She did not treat him as Gu Cheng. She just let herself go after getting drunk.

However, when she woke up, she regretted it.

Chi Xia gritted her teeth as her chin was pinched. She could not hold it in anymore and tears welled up in her eyes.

She pushed away Su Chen's hand that was pinching his chin. She opened her mouth and said in a choked voice, " Why are you acting like you're at a disadvantage? I didn't force you. We're both willing to do this. After we sleep together, we'll part ways! "

Su Chen narrowed his eyes, grabbed Chi Xia's head, and kissed her.

Chi Xia's eyes widened. Her vision was so misty that she could not see the man's face clearly. She pushed him away. " Su Chen, you bastard! "

' What? You're the only one who can seduce me. I've already satisfied you if you want it. Now that I want it, it's your turn to satisfy me! "

As soon as he finished speaking, the man's hand reached into the blanket, causing Chi Xia's body to freeze.

She shook her head hard and hit the man's back with all her might. She felt a sense of shame, and her tears flowed more and more fiercely.

Su Chen felt a wave of anger in his heart. He thought about how she had taken the initiative last night. It wasn't just him. If it had been anyone else, she would have done the same.

He increased the strength of his hand, but in return, the woman trembled. There was a hint of saltiness on her lips. He suddenly woke up and realized that the woman under him was crying with tears all over her face.

This woman...What did she take him for?

Su Chen had never felt so angry before. She wanted it, but she rejected him so much if she didn't!

He could have any woman he wanted, but this woman had treated him as a

substitute!

Su Chen's face was cold as he sat up and looked at Chi Xia coldly. His thin lips moved and he said, ""Get lost!"

Chi Xia heaved a sigh of relief. She picked up the clothes on the floor and ran out of the bedroom in a sorry state...

During the weekend, Qiao Mu and Li Yan stayed at home and did not go out.

In the afternoon, Qiao Mu received a call from a staff member of Key Studio, informing her to go to Key Studio tomorrow morning to understand the competition process.

The next day, Qiao Mu arrived at Key Studio excitedly.

After entering the elevator, Qiao Mu pressed the button for the floor. Suddenly, the sound of high-heeled shoes clattering could be heard. Immediately after, a person pounced in front of the elevator to block the closing elevator door and quickly rushed into the elevator.

Qiao Mu was looking down at her phone, but before she could raise her head, she heard a soft female voice. ""Miss Qiao, we meet again."

This voice...

Qiao Mu raised her head and saw Ning Tongtong looking at her in surprise. She nodded politely. " Hello, Miss Ning. "

Ning Tongtong saw the floor number on the elevator and was slightly stunned. " You're going to the 8th floor too? Miss Qiao, are you here to participate in the fashion designer competition organized by Key?"

Ning Tongtong used the word "also", which meant that she was also here to participate in the competition.

Ning Tongtong had her own brand in the fashion design industry and was supported by Shu Xinyu. She could be considered to be a little famous, but she still came to participate in the competition.

Without waiting for Qiao Mu to speak, Ning Tongtong immediately laughed, and her tone was unquestionably certain. " That shouldn't be possible. The participants of this competition are all working fashion designers, and almost every designer represents the clothing brand behind them. My clothing brand, TANG, is mainly targeted at young girls.. I'm sure you know about it, right? "

Chapter 494: She's Not a Soft Persimmons

As she said this, Ning Tongtong straightened her back, and her words were full of bragging.

Seeing Ning Tongtong's arrogance, Qiao Mu did not have the heart to say anything to attack her. She really knew nothing about Tongs. Perhaps it was because she rarely visited branded clothing stores and had never seen Ning Tongtong's designs.

However, Ning Tongtong was right. Fashion design competitions were not uncommon, but they were organized by Key personally. They were international competitions, which was also the reason why Qiao Mu was so excited.

Logically speaking, she was indeed not qualified to participate in such a grand competition, but who would have thought that she would be so lucky!

If they could get good results in this competition, it would not only affect the domestic fashion design industry, but also internationally. After all, Key represented Paris Fashion to hold the competition in China.

Qiao Mu was wholeheartedly looking forward to the details of the competition, so she did not pay attention to Ning Tongtong's words.

The elevator door opened, and Ning Tongtong was the first to step out. She turned around and saw Qiao Mu's lowered head and silent expression, and a mocking smile appeared on her lips. " Miss Qiao, don't be discouraged. Even if you don't have a chance to participate in the competition this time, you might have a chance in the future. However, as long as I can win the competition, the position of Young Master Li's personal designer will definitely be mine. "

Qiao Mu raised her brows when she heard this, and she met Ning Tongtong's provocative gaze.

The corners of Qiao Mu's lips curled up, and she very generously said, "I wish you success."

Ning Tongtong looked at the smile on Qiao Mu's face, and a hint of jealousy flashed in her eyes. The girl in front of her was in high spirits, and her face was beautiful and dazzling.

Ning Tongtong chuckled. "I'm sorry, Miss Qiao. I forgot that you have a special relationship with Young Master Lit. I shouldn't be saying this in front of you."

Although he was apologetic, his tone was not apologetic at all. Instead, it carried a hint of provocation.

Qiao Mu shook her head disapprovingly, and her tone was indifferent. "It's alright. Everyone has some unrealistic dreams. I won't take it to heart."

Qiao Mu was not a pushover. How could she turn a blind eye to a man who was openly spying on her in front of her and even used her best fashion design to pressure her?

Since the other party was so confident, she did not mind pouring cold water on him.

With her around, how could her man's position as a personal fashion designer fall into the hands of others?

It would be hers sooner or later! Even if she wasn't now, this position had to be empty and wait for the day she had the ability to take it!

Ning Tongtong's expression instantly turned ugly. She never expected that Qiao Mu would confidently laugh at her for having unrealistic thoughts. What right did this Qiao Mu have? How could a college student like her, who had yet to graduate, compare to her status in the fashion design industry?

Ning Tongtong's face darkened. "Don't blame me for not reminding you. The competition process is not open to the public. It's better for you to leave quickly."

Ning Tongtong left this sentence and turned to head to the competition hall. She was not sure about Qiao Mu's relationship with Li Yan, so she did not want to have a bad relationship with Qiao Mu. However, she still could not stand Qiao Mu. When she saw Qiao Mu standing beside Li Yan at the banquet, she could not hide the jealousy in her heart.

What right did a woman who could not compare to her have to stand by Li Yan's side?

Ning Tongtong suddenly recalled Shu Xinyu saying that Li Yan's influence was starting to attack the Qiao Corporation. Qiao Mu was the daughter of the Qiao Corporation's chairman, so Li Yan must have another motive for being with her!

He was clearly a target to be used, but he really took himself seriously!

Chapter 495: Disqualification

Qiao Mu arrived at the venue of the preliminary round. There were over a hundred people waiting in the huge hall.

Among so many people, it was indeed not easy to stand out.

Right at this moment, Ning Tongtong appeared in front of her. The other party had a look of shock on her face, but Qiao Mu ignored her and found a seat to sit down.

Ning Tongtong was stunned when she saw Qiao Mu.

A notice was required to enter the venue of the preliminary round. There was only one possibility for Qiao Mu to be here-she was here to participate in the competition!

While Ning Tongtong was shocked, she recalled the words she said earlier when she thought Qiao Mu was here to watch the competition, and she instantly felt like a joke!

Why would Qiao Mu participate in the competition? All the designers present had good results and were nominated by major fashion brand companies. Qiao Mu was just a college student who had yet to graduate, so what right did she have to compete on the same stage as them?

At this moment, the organizer went on stage to give a speech and explain the process of the competition.

The competition was divided into three rounds: preliminary, semi-final, and final.

The proposition for the first round of the preliminary round was:

The contestants were to design two pieces of work that best reflected the proposition within a week and send them to the designated email address. The judges would review them and if they were not selected, they would automatically withdraw from the competition.

If they passed, they would advance to the semi-finals. The semi-finals required the contestants to turn their design concepts into clothes and model them on the runway. After passing the comprehensive evaluation, they would advance to the final round.

The contestants who could advance to the finals would naturally be signed by the major fashion brands.

To Qiao Mu, the most attractive thing was that the winner of the competition could join the studio of the Key brand and even participate in the winter fashion week in Paris, France.

Qiao Mu had always been very confident in her profession, but she felt extremely pressured when facing hundreds of experienced seniors.

After the introduction of the competition procedures, Qiao Mu was about to leave when she saw Shu Xinyu appear at the venue. Ning Tongtong greeted her with a smile.

When Qiao Mu reached the door, she heard Ning Tongtong's sweet voice. "Mom, why are you here? You're the investor. You don't have to appear in the preliminaries."

Shu Xinyu smiled. "I happened to pass by, so I came to take a look at the situation here. How is it? Are you confident in the preliminary round's question?"

Of course. How can the preliminaries stump me? ” Ning Tongtong was very confident.

Qiao Mu listened to their conversation and finally understood that Shu Xinyu was the investor. No wonder Ning Tongtong was so arrogant!

Just as Qiao Mu was about to walk past the two of them, she heard Shu Xinyu’s voice. “”Miss Qiao, why are you here?”

Qiao Mu stopped in her tracks and turned to look at Shu Xinyu. ” Hello, Director

Shu. I’m here to participate in the competition. ‘

“Mom, she’s just a student. Letting her participate in the competition is a great disrespect to other capable contestants,” Ning Tongtong said.

Shu Xinyu’s expression was cold as she looked at the secretary beside her. ”

Why is the selection of contestants so relaxed?”

The secretary immediately understood Shu Xinyu’s meaning and replied, “”President Shu, I will inform the person in charge of the competition and have them strictly check and screen the unqualified contestants again.” Qiao Mu’s expression darkened. ” President Shu, I passed the registration review with my work. You can’t use your power to target me. ‘

“Miss Qiao, you’re so young, yet you still want to teach me?” Shu Xinyu said coldly. I’m just doing my job. I have the right to disqualify you from the competition..”

Chapter 496: Idol Came to Help

Qiao Mu clenched her fists tightly and looked at Qi Shu Xinyu calmly. ‘ President Shu, my registered work has passed the official review. You disqualifying me so casually is disrespectful to the contestant! ”

Shu Xinyu's eyes landed on Qiao Mu, and she was extremely cold. "A formal review? The competition is for capable designers. Miss Qiao, you're a student who hasn't graduated yet. Isn't it a waste of time to participate in the competition?"

The other party's undisguised disdain made Qiao Mu's gaze turn colder. She did not back down in her words. "Director Shu, how do you know I'm incapable? Are you questioning the judges who reviewed my work?"

Shu Xinyu sneered. "You're really sharp-tongued. I'm indeed doubting, doubting how you obtained the qualifications to register?"

Qiao Mu felt a wave of anger in her heart. This Shu Xinyu was simply using her official position to take revenge for a personal grudge!

Last time at the banquet, when Shu Xinyu saw her with Li Yan, her attitude instantly became very bad. It was as if Li Yan was Ning Tongtong's and she should not have seduced him!

However, the other party was the investor and wanted to disqualify her. No matter how reasonable she was, what could she do?

At this moment, a magnetic male voice sounded.

"I was the one who gave her the qualifications to register."

Qiao Mu turned her head and saw a tall and sturdy figure walking over.

It was a KEY!

This was the second time Qiao Mu had seen Key in person. Today, Key was dressed in casual clothes and did not look as cold and aloof as those on the runway. He appeared extremely lazy and extraordinarily handsome!

Qiao Mu could tell at a glance that the clothes Key was wearing were the latest autumn designs that he had personally designed.

Key walked over, and his gaze indifferently swept past Qiao Mu before landing on Shu Xinyu. The corners of his lips curled up into a faint smile. " Director

Shu, you seem to have a problem with my taste in choosing contestants? '

In the fashion design industry, who would dare to question Key's judgment?

Any outfit that Key designed was enough to set off a season's craze.

Key could promote any fashion designer to Paris Fashion Week.

It could be said that Key was both a dark horse and a guaranteed talent in this industry!

Shu Xinyu furrowed her brows in disbelief. " Key, don't joke with me. Why would you choose such an inexperienced student? I don't think she can repay your expectations."

Key kicked his hands into his pockets and raised his eyebrows. " Work experience doesn't matter to me. As long as you have the ability, even a three-year-old child can be recognized. You don't trust my judgment, President Shu? "

Shu Xinyu pursed her lips and smiled. " How could that be? It seems like I misunderstood. I'm looking forward to Miss Qiao's next performance. '

Qiao Mu secretly heaved a sigh of relief and looked straight at Shu Xinyu. ' Director Shu, don't worry. I definitely won't lower the level of this competition.

Key chuckled softly. Seeing Shu Xinyu's ugly expression, he said indifferently,

“President Shu, I won’t send you off then.”

Shu Xinyu nodded and coldly glanced at Qiao Mu before leaving with Ning Tongtong.

Seeing Shu Xinyu and Ning Tongtong enter the elevator, Qiao Mu bowed deeply to Key and said gratefully, “Mr. Key, thank you for helping me out. I’m really sorry for offending the investors of the competition because of me.”

Key shrugged. “You’re a player that I recognize. If she disqualifies you, where will I put my face?”

You’re a player I recognize ...

Qiao Mu’s eyes lit up, unable to conceal the excitement in her heart..

Chapter 497: Waiting to Bloom

What was more important than being recognized by an idol?

In an instant, Qiao Mu’s confidence in the competition increased a little.

At this moment, a woman’s voice sounded behind him. “Key, why didn’t you tell me that you left the office? I’ve been looking for you everywhere.”

Amy walked over and was slightly stunned when she saw Qiao Mu in front of

Key. She smiled warmly and said, “Hello, Miss Qiao. I’m Key’s secretary, Amy. ‘ Qiao Mu looked at him. ” Hello, do you know me? ”

” Yeah, I’ve seen your work. It’s very unique. No wonder Key gave you special privileges and allowed you to participate in the competition. ”

Qiao Mu smiled faintly. " Thank you. "

"By the way, Ms. Qiao, I want to ask, do you really like Tong?" Amy asked nonchalantly.

Qiao Mu was puzzled. " Why do you ask? I didn't pay attention to this brand before. I only recently found out that Tongs is a brand designed by Ning Tongtong. "

Oh, it's nothing. I'm doing some research on the clothing market. I thought a young man like you would like a young brand like TANG. "

After a pause, Amy said, " Miss Qiao, you're a contestant selected by Key. We're looking forward to your performance. Don't disappoint Key. "

"I will do my best!" Qiao Mu's tone was firm. She would definitely not let go of such a rare opportunity.

After Qiao Mu left, Key looked at Amy calmly. " Didn't I say that we'll find out everything during the competition? You don't have to be in such a hurry to find out. "

"I was just asking casually to see Qiao Mu's reaction. When I mentioned Tongs, her expression didn't change at all. She didn't have the guilty conscience to imitate Tongs' design concept. This matter is very strange. If Qiao Mu really plagiarized, then this girl's ups and downs are too deep. This time, you've misjudged her. " Amy laughed gloatingly.

" That's hard to say, " Key said. " The design of the preliminaries limits the ability of the contestants. It's clear who has the ability and who plagiarized the design.

Amy nodded. She seemed to have thought of something, and her tone was indifferent. " On the way here, I heard people discussing that you didn't give

Shu Xinyu face just now because of Qiao Mu. It seems like this Qiao Mu is quite special to you. This young lady is indeed quite pretty. "

“When did you become so nosy?” Key glanced at Amy. “ I’m just using Qiao Mu’s incident to remind Shu Xinyu that even though she’s the investor, I’m still the one who decides the competition’s rules. If she’s unhappy, I can change the investor. I’ve already given her enough face by making an exception and letting her daughter participate. If she doesn’t know her limits and thinks of herself as her boss, I won’t buy it! ”

Amy smiled. “ I thought you were doing this for the young lady. However, Shu Xinyu should know what her position is in order to be the main sponsor of her company in the competition. ’

Qiao Mu left Key Studio, her mind filled with thoughts about the preliminaries.

A flower that was about to bloom was a process of growth.

This design concept seemed easy to understand, but it was a little difficult to write.

Since Qiao Mu did not have classes in the afternoon, she went to a nearby cafe to sit down and come up with a design for the preliminary round.

The word ‘budding’ reminded her of the night when she turned from a young girl into a woman...

Uh, a fuzzy memory!

Up until now, her biggest regret was that she had slept with Li Yan under the influence of drugs!

The most important transformation process was completely unknown!

Chapter 498: How Did You Feel the First Time

Qiao Mu pondered for a long time before she took out her phone, opened WeChat, and sent a message to Li Yan. ““Uncle, do you remember how you felt the night we had our first time?”

Qiao Mu could imagine how Li Yan would reply to her in a frivolous manner as she stared at the message.

She quickly deleted the message and slapped her forehead. She shouldn't have asked that man such a question!

Qiao Mu propped her chin up as she imagined the scene at that time. Actually, it wasn't that she couldn't remember everything. She could vaguely recall some scenes, but her actions didn't seem to have the shyness that a young girl should have.

Thinking about the second time...Qiao Mu's face instantly turned red, burning hot.

She picked up the coffee and took a big sip, almost burning her tongue.

At this moment, her phone rang. It was Li Yan.

Qiao Mu took a sip of cold water and answered the call nonchalantly. "Uncle, what's the matter?"

"Is your matter over?" The man's deep voice sounded faintly.

'Yes, it just ended. I'm preparing for the preliminary round.

Li Yan hummed in response and asked, "Why did you withdraw the message that you sent me?"

Qiao Mu coughed lightly. "Um, I sent it to the wrong person. '

"Oh? Then who do you want to send it to? I didn't know that you had a hobby of sharing our first experience with others."

"The corners of Qiao Mu's mouth twitched fiercely. He actually saw the contents of the message!

He was so busy with work, how could he have seen it so quickly!

Before Qiao Mu could reply, Li Yan could imagine how embarrassed the little thing was.

Li Yan leaned back in his chair lazily and chuckled. ““Why are you suddenly asking this? Don’t tell me that when you’re alone, you like to recall every little thing that happened between us every night? Or did I not satisfy you recently and let you...”

“Don’t talk nonsense!” Qiao Mu quickly interrupted the man.

Ahhhh! This bastard, how could he be so shameless!

She must be crazy to ask him this question!

Qiao Mu blushed and immediately changed the topic, saying seriously, ““Our proposition for the preliminary round is to be in the bud, so ... I just asked.”

“I see. Then you’re asking the wrong question. You should be asking how you were that night.” Li Yan’s voice carried a hint of amusement. Without waiting for Qiao Mu to speak, he continued, ““Since you want to know how I felt at that time, I can satisfy your curiosity. To me, that night, you were like a piece of fat meat that was sent to my mouth. It looked quite appetizing. It just so happens that I’m hungry. It’s a waste not to eat.”

It would be a waste not to eat it...

This bastard compared her to a piece of fat meat!

“ What state am I in then? ” Qiao Mu asked, concealing her shyness.

“You, use a few words to describe you.”

Qiao Mu was a little curious when she heard the man’s deep voice. Immediately after, she heard a series of words.”Passionate, open, crazy, and ... Hungry.”

Qiao Mu was speechless.

Hungry your sister!

Li Yan chuckled softly. "Little thing, you should give up on using your own experience as a reference. The phrase 'budding' doesn't seem to be reflected in you at all. If the topic of the next match is to be unable to endure hunger and thirst, it's very suitable for you. '

Qiao Mu was about to go mad from anger. She huffed angrily. "I'm hanging up!

Her angry voice was met with an even more unrestrained laughter from the man. "Alright, I won't tease you anymore. When we get home tonight, we can reminisce about the first night. '

Qiao Mu's face reddened, and she immediately refused, ""No! I'm going back to the dormitory.. Goodbye!"

Chapter 499: Reliving the Mood (1)

Qiao Mu said and hung up the phone.

If she went back tonight, wouldn't she be waiting to be bullied by him? On the other end, Li Yan shook his head with a smile while facing the busy tone.

The phone rang and Lu Jingzhi's voice could be heard, ""Big Brother, Little Four has returned to the country. Tonight is Glorious Dark Night. Are you coming? '

Li Yan remembered that he would be alone when he went back at night, so he said, "Alright."

Lu Jingzhi was stunned. He did not expect Li Yan to agree so readily. He thought that Young Master Li would definitely reject him outright and go home to accompany his little nephew.

Qiao Mu sat in the cafe for the entire afternoon and simply came up with a few drafts, but she was still very dissatisfied.

After leaving the cafe, she thought about Li Yan's last words. He asked her to help her remember when she got home at night.

A lingerie store. She hesitated for a moment, then braced herself and walked in.

"What do you need?" the salesperson asked enthusiastically.

The salesperson immediately understood and smiled. "Miss, do you want sexy pajamas? What do you think of this one?"

Qiao Mu's expression was a little unnatural when she heard the words 'sexy nightmare'. When she saw the almost transparent chiffon nightgown in the salesperson's hand, she felt uneasy.

Shaking her head, she said, "I don't want this kind. I want teenage pajamas, the kind that's a little conservative. Don't be too explicit. I want something more reserved."

"I know. Men nowadays don't like women who are too sexy. They look pure but are also scheming. Only by covering up their faces will they be more interested." The saleswoman looked at Qiao Mu as if she was saying that the young lady was very knowledgeable!

Qiao Mu was speechless.

Big sister, can we not be so thorough?

In the end, under the sales assistant's enthusiastic promotion, Qiao Mu finally chose a nightgown that she was rather satisfied with. She quickly paid the bill and fled the scene.

She had really put in a lot of effort for this competition.

Although she told Li Yan that he would not be home tonight, Qiao Mu still sneaked back to the Li family villa. In the end, she found out from the butler that Li Yan would not be home for dinner tonight.

She was secretly glad that she could prepare well this way.

After dinner, Qiao Mu returned to the Qiao family's residence to have dinner with Qiao Jiannan.

Qiao Ya did not go home. Qiao Jiannan was the only one in the huge Qiao family villa. After Qiao Jiannan was discharged from the hospital, even the servants in the house were fired. Only two or three people were left to take care of the villa's hygiene and three meals a day. The originally lively home had become deserted.

"Mumu, how are you and Li Yan doing?" Qiao Jiannan asked as he ate.

Qiao Mu nodded. "Daddy, we're doing fine."

"That's good. I haven't asked about this. I was worried at first, but when I thought about how the Li family helped the Qiao family when I was hospitalized, I could see how much he cared about you."

Qiao Mu smiled. "Dad, don't worry. We'll be fine."

Qiao Jiannan put down his chopsticks. "Mumu, have you ever thought about looking for your biological parents?"

Qiao Mu's eyes dimmed. "It's been so many years. How can we possibly find them just because we want to?"

If you have any problems, you can come to me for help. Whether you've found your biological parents or not, you're still my daughter. I support all your decisions." Qiao Jiannan patted Qiao Mu's hand. "I'll draw up the contract and officially transfer the shares of the Qiao Corporation that I wanted to give you to you. Dad is already old. I can't let you get nothing while I'm still sober.. "

Chapter 500: Reliving the Feelings of That Time (2)

Qiao Mu felt a lump in her throat. "Dad, you're still young. Don't say such things."

"Yes, I'm still young!" Qiao Jiannan smiled. "Let's invite Li Yan over for a meal some other day."

Qiao Mu nodded vigorously. Her heart felt like it was filled with happiness, and she wanted to cry.

At this moment, not only did she have love, but she also had kinship.

When Qiao Mu returned to the Li residence, Li Yan was still not home. She stuffed her nightgown into the washing machine, then went into the bathroom to take a quick shower.

After taking a shower, her nightgown was already dry. She put it on and stood in front of the mirror, sizing herself up.

The nightdress was a spaghetti strap, revealing her shoulders and thighs. The lace on the hem of the dress looked pure and conservative, but there was a hint of restlessness.

Qiao Mu's heartbeat quickened bit by bit. She patted her slightly burning face and burrowed into the blanket, but she still could not suppress the beating of her heart.

In the past, she had always been passive and had to endure the man's demands. This was the first time she had taken the initiative to plan everything. There was a little anticipation in her heart, waiting for that moment to come.

Qiao Mu couldn't help but laugh out loud in excitement when she imagined Li Yan's reaction when he returned.

At this moment, she was like a young girl waiting to bloom, welcoming the moment that belonged to her.

Her joy was filled with shyness and unconcealable anticipation.

At this moment, Brilliant Night.

Li Yan looked at Ling Xi, who had been missing for a long time, and said coldly, “Little Four, you’ve been very dedicated recently. You’ve handled the matters overseas cleanly. Why are you willing to come back?”

Ling Xi smiled guiltily. “Brother, am I not using my actions to apologize to you? I’ve reflected for so long. Please forgive me. After all, I was forced by your empress dowager.”

Due to Qiao Mu’s trip to Hong Kong and the fact that Ling Xi and Yu Yiduo had teamed up to deceive Young Master Li, Ling Xi flew overseas to avoid the disaster.

Finally, after she was exhausted to death and learned that Li Yan and Qiao Mu were extremely loving, she mustered up the courage to come back.

Originally, the empress dowager had vowed that she would take responsibility for the accident, but after the incident, she only cared about herself and did not have the mood to care about him.

He could only blame himself for trusting the wrong person!

Li Yan snorted coldly. “I don’t mind you making a few more mistakes. That way, we can completely hand over the matters overseas to you.”

Ling Xi was speechless. This was a blatant threat!

Ling Xi immediately changed the topic and looked at Su Chen, who was drinking quietly. “Second Brother, it’s been a while since we last met. Why are you drinking wine like water?” Those who don’t know might think that you’re disappointed in love.”

After Ling Xi finished speaking, Su Chen glared at him coldly. “What? You still think you haven’t stayed abroad long enough?”

Ling Xi was speechless.

Who did he offend? It was fine if these people didn't give him a welcome dinner when he just returned, but each and every one of them seemed to have eaten gunpowder, and they were furious when they opened their mouths.

Ling Xi approached Lu Jingzhi and asked in a low voice, ""What happened? Who provoked Second Brother?"

Lu Jingzhi shrugged. " You're asking me, but who should I ask? " Eldest Brother was just enjoying himself in love. Could it be that Second Brother has also fallen for it?"

"What about your ex-fiancée who publicly broke off the engagement?" Ling Xi asked.

Ling Xi face darkened " Are you deliberately looking for trouble? "

"Alright, alright, I won't say anything else!" Ling Xi stood up and said, " Let's have a game of mahjong. It's said that those who are happy in love are unlucky in gambling. Brother, you should give us red packets.. "
