

## The Apple 501

### Chapter 501: Reliving the Feelings of That Time (3)

Qiao Mu lay under the blanket and flipped through a fashion magazine. As time ticked by, she tossed and turned on the bed, but she could not wait for Li Yan to return.

This man knew that she wouldn't be home tonight, so he fooled around outside until late at night. Now, she had caught him, right?

Qiao Mu took out her phone and sent a message to Li Yan. She probed, ""Uncle, are you asleep?"

Li Yan was playing cards to kill time.

His phone rang. It was indeed a message from the little woman. The corners of his lips curled up as he replied, "I'm playing cards. I haven't gone home yet."

The corners of Qiao Mu's lips curled up as she read the contents of the message. She was still considered honest.

"Send me a photo. I want to confirm if you're lying," she continued to pursue the matter.

Li Yan was helpless. The other three people at the next table saw the man who was supposed to play his cards pick up his phone and face the mahjong table... Take pictures!

Ling Xi's jaw dropped. This was the first time he had seen Young Master Li act like this.

"Big brother, what are you doing?" Ling Xi asked in confusion.

"Do you even need to ask?" Su Chen said lightly. It's obvious that he's reporting his whereabouts to Qiao Mu."

Qiao Mu is really capable to have brought Young Master Li to such a place! ” Lu Jingzhi sighed.

Li Yan’s expression was calm as he sent the photo out.

After sending the message, he continued playing cards seriously.

Very soon, Qiao Mu sent another message. “”If I’m not with you, you’ll only know how to play outside. It’s already very late. You should go home and rest early.”

Li Yan looked at the message. Without waiting for the game to end, he pushed the mahjong tile in front of him and stood up. ” That’s all for today. You can leave now. ”

Lu Jingzhi looked at the good cards in front of him and frowned. ” Brother, even if you want to go back, can you wait until after this round? I’m going to draw my own hand soon! ”

Was there a need to be so impatient?

Li Yan took his phone and left the room, leaving the three of them confused.

After Qiao Mu sent the message, she only received one word:”Alright.” There was nothing else.

She put down her phone and turned around helplessly. As expected, plans were not as good as changes. She had planned everything, but who would have thought that Li Yan would not come back so late!

Qiao Mu really couldn’t take it anymore and fell asleep in a daze.

When Li Yan returned home, his car was parked in the front yard.

He quickly went to the bedroom and opened the door. He saw a little woman lying on the bed.

This little thing actually came back behind his back!

If he knew that she was home, why would he need to go out in the middle of the night to kill time?

Qiao Mu was originally a light sleeper and was ready to wake up at any moment. When the door opened, she immediately opened her eyes and saw a tall figure walking toward the bed.

She blinked and sat up from under the blanket. She chuckled at him. " Uncle, you're back! "

Due to Qiao Mu's large movements when she stood up, the straps on her shoulders slid down her shoulders. The nightgown that was originally blocking her breasts had now slid down to her chest.

Qiao Mu rubbed her eyes without noticing. She looked like a pure little white rabbit.

Li Yan narrowed his eyes and the expression in his eyes deepened. He curled his lips and scanned her body. " Why didn't you tell me that you're back tonight? "

"I wanted to give you a surprise!" Qiao Mu thought of her goal and shyly lowered her head. When she lowered her head, she saw her nightgown that barely covered her body..

Chapter 502: Reliving the Feelings of That Time (4)

Li Yan's lips curled up. " I'm indeed surprised. "

Qiao Mu blushed and quickly pulled up her shoulder strap. She coughed lightly. " Uncle, hurry up and wash up.

Looking at the beautiful little woman in front of him, Li Yan felt his body stiffen. A ball of fire gathered in a certain place, and he wanted to get rid of the little white rabbit immediately.

Suppressing the fire burning in his heart, he got up and went into the bathroom.

Qiao Mu heaved a heavy sigh of relief when the bathroom door closed. She lowered her head to look at her nightgown. Li Yan did not seem to notice that she had changed into her pajamas. She was hiding under the covers, so she could not see the sexiness of her nightgown at all.

The sound of running water in the bathroom lasted for a while before it stopped. Qiao Mu nervously jumped off the bed and dashed out of the bedroom in her slippers.

When Li Yan came out of the bathroom, he realized that the little woman was gone. After a while, her slender body appeared at the door.

Qiao Mu walked into the room with a cup of water and handed it to Li Yan.

Uncle, are you thirsty?"

"I'm thirsty." Li Yan lowered his head and sized up Qiao Mu.

She had covered herself with the blanket just now and did not notice that the nightgown she was wearing was so short that it only covered her thighs.

Her slender legs were almost exposed. From his angle, he could vaguely see the scenery under her clothes from her collar.

The flames that had not been extinguished earlier instantly burned even more vigorously.

Qiao Mu could feel Li Yan's fiery gaze, and she passed the cup of water to him with a red face. She wanted him to drink some water, but the moment she did so, she happened to move in sync with the man's forward movement. The cup bumped into the man's chest, and the scorching heat almost burned her.

She quickly retracted her hand, but the water in the cup overflowed and sprayed onto her nightgown.

Li Yan burst into laughter. He took the cup away and put it aside. He then hooked his arm around Qiao Mu's waist and pressed her against his body.

His low voice was slightly hoarse. " You've changed into pajamas? "

" Mm. " Qiao Mu lowered her head and didn't dare to look him in the eye. Her soft voice was like a mosquito's whine.

Above her head, the man chuckled softly and leaned over to her ear. " Little thing, you're getting to know my preferences more and more. This nightgown suits my taste perfectly. "

Qiao Mu's face instantly flushed red, as if her thoughts had been seen through by him. She was so embarrassed that she couldn't raise her head.

After struggling for a long time, she suddenly looked up, but her head moved and inadvertently brushed past his face, coincidentally touching his lips.

Qiao Mu lost her reaction in a daze, maintaining the action of lips touching. Her heart throbbed as a trace of emotion surged from the bottom of her heart, enveloping her entire body, making her feel a little dizzy.

She had clearly done intimate things with him before, but every time, it was like the first time. Her heart could not help but beat faster.

Qiao Mu couldn't remember what it felt like when they first kissed, but she was certain that the feeling at this moment wasn't inferior to the nervousness and excitement of their first kiss.

Whether it was the first kiss or the first time they had sex, they were both caught off guard and did not have a good relationship foundation.

But so what? When you meet the right person, a casual kiss can be as passionate as your first kiss.

The corners of Li Yan's lips curled up as he deepened the kiss.

Qiao Mu's arm secretly climbed onto Li Yan's shoulder and hooked around his neck.

Li Yan flipped over and placed Qiao Mu on the bed. The corners of his mouth curled up in a devilish manner.. " Little thing, so you've been scheming all along to relive our first time with me..."

Chapter 503: Reliving the Feelings of That Time (5)

Qiao Mu was so embarrassed that her face turned red. Immediately after, the man chuckled softly. " Your 'first time' really took the initiative to make me feel at a loss. You really don't know how to be reserved at all by preparing such sexy pajamas for me. "

Qiao Mu was speechless. Not reserved your sister!

As Li Yan spoke, he bit on the slipknot on Qiao Mu's shoulder strap. With a gentle tug, the bowknot unbuckled, and the shoulder strap slipped off instantly.

Initially, Qiao Mu wanted to quibble that this was just a very ordinary nightgown, but Li Yan's actions completely made her lose the ability to refute.

Damn it! Who designed this strap? It was simply ... It was too convenient!

Looking at the little woman's red face, which was unusually alluring, his body tensed up. He was no longer in the mood to make fun of her and began their ' first time "!

After that, a certain man went crazy, just like the first time, without restraint.

As if to let the little woman achieve her goal and feel the feeling of " first time ' he would ask her from time to time with concern, " does it hurt? " " does it feel uncomfortable? " " do you like it? "

Although Qiao Mu knew that this man was doing it on purpose, it was still her first time experiencing his meticulous and gentle treatment.

Usually, this man would never care about whether she was in pain or not. He would only say some dirty words to tease her!

After the incident, Qiao Mu was already feeling drowsy. All her strength had been sucked away, so she could only stand still and let Li Yan help her clean her body.

Li Yan lay down and pulled the little woman into his arms. He asked in a low voice, ""1 worked so hard to cooperate with you. Did I create inspiration for you?"

Qiao Mu did not have the strength to respond to him. Her tone of selflessly sacrificing herself to cooperate with him was really asking for a beating!

Before she could reply, Li Yan chuckled and kissed her forehead. " Go to sleep. If you don't have any inspiration, let's do it again until we reach our goal. As your man, I will support you unconditionally. "

That night, Qiao Mu fell asleep in Li Yan's arms contentedly.

The next day, Qiao Mu returned to school and obediently attended class. Even during class, her mind was filled with design concepts.

She couldn't help but blush when she thought about how she felt last night.

In fact, the experience last night was not without help.

Initially, she thought that shyness should be as pure and conservative as a young girl's dress. After last night, she could understand it from another angle.

Qiao Mu immediately had a design concept, and she buried her head in her drafts.

After three days of meticulous planning, Qiao Mu had already finished drawing the two design drafts. She then colored them on the computer, and instantly, two sets of perfect clothing renderings were presented.

Chi Xia looked at her work and asked, "" This is your work for the preliminary round. What is the theme of the competition? ‘

Qiao Mu said confidently, " It's budding. ‘

"What do you mean?" Chi Xia was confused.

It's literally the transformation of a woman. The first outfit is a little conservative and has the innocence of a young girl. The second outfit is a little sexy with a big V-neck behind it, revealing half of her back. This is the process of transforming from a young girl to a woman. How about it? Do you think I'm doing it appropriately? "

The process of turning from a young girl into a woman...

Chi Xia's expression darkened a little. She tugged at the corner of her lips and said lightly, ""It's pretty good."

Qiao Mu sensed Chi Xia's careless reply and looked at her in confusion. " Xiaxia, what's wrong? You don't seem to be in a good mood.. ‘

Chapter 504: This Girl Is Interesting

Chi Xia smiled nonchalantly. " I'm fine. I didn't sleep well last night and I'm just not in the mood. You should focus on the competition. You've got such a good opportunity, so make good use of it. "

Qiao Mu sighed. " Actually, I don't know if I can pass the preliminaries either. I'm not confident. After all, those competitors are very powerful and more capable than me. I might be eliminated in the first round. ‘

“It’s rare to see you so unconfident in your profession. Mumu, you said that Key is very picky. Your work has been recognized by him, so what are you worried about? Don’t worry, I believe in your ability!”

Chi Xia patted Qiao Mu’s shoulder. “ Also, even though you don’t have any work experience, you’ve designed many successful works. Otherwise, no one would spend money to buy your works. From this point alone, you’re not inferior to those designers who only have a name but no real name. Perhaps among those famous designers, the person who bought your works became famous because of your works. ‘

Qiao Mu burst out laughing after hearing Chi Xia’s words. ” How could that be? But thinking about it, I feel very confident. ”

Qiao Mu perked herself up again and checked the work she had designed. She then wrote down the design concept clearly and sent it to the designated email address for the competition’s review after organizing it.

There were still two days before the final deadline, and Qiao Mu could not wait any longer. She wanted to know the results as soon as possible.

Key Studio.

Amy walked into Key’s office with a cup of coffee and looked at Key, who was in front of the computer and reviewing the preliminary works with a serious expression.

She handed him the coffee and said, ” From the looks of it, it seems that the competition’s work didn’t satisfy you. ”

Key rubbed his temples and took a sip of coffee. ” As expected, there are 120

contestants who passed the registration. It’s good if half of them are left after the first round. ‘

Amy smiled. ” After all, all the works that are registered are the best works of the contestants. It’s easy for them to pass the review. The preliminary round is a topic that is assigned to the contestants. Most

designers in the market today are still unable to analyze the designated topic so flexibly and thoroughly. However, in the end, your requirements are too high.

Key continued to review the works. Amy thought for a moment and asked, "Oh right, have you reviewed Ning Tongtong and Qiao Mu's works?"

"No, I haven't." Key glanced at Amy. "You care too much about these two people. "

"Of course. I'm very curious about what's going on with these two people.

Alright, I won't disturb you anymore. You can continue the review..."

"Wait a minute." Key suddenly opened his mouth and stared at the computer screen. Just as Amy was confused, he saw the man's lips curl up and he chuckled. "This girl is quite interesting. "

Amy knew that Key's expression meant that he was satisfied with his work.

Curious, she stepped forward and looked at the work on the computer screen. She was a little surprised. "Whose work is this? "

"Qiao Mil."

It's indeed rare for that girl to be able to create such a work. She actually analyzed the proposition of budding so thoroughly. "

"Yes, she's the only one among the designs I reviewed today who dared to use two sets of clothing to express her design concept. It's exactly what I want. Those so-called famous designers have no idea why I want them to produce two sets of clothing. "

'Qiao Mu's works are so outstanding, but what about Ning Tongtong's?" Amy asked.

Chapter 505: Passed the preliminaries

Key flipped through the email and clicked on Ning Tongtong's work. Although it was not as perfect as Qiao Mu's, it completely matched the design style of the brand TANG, and it was quite fitting for the proposition.

If Qiao Mu's designs were inferior to Ning Tongtong's, it could be said that Qiao Mu had imitated Ning Tongtong's brand style, while Qiao Mu's designs were completely superior to Ning Tongtong's. With such design talent, it was impossible for her to plagiarize a small brand like Ning Tongtong.

Key rubbed his chin. It seemed like a misunderstanding. Maybe it was just a coincidence.

While Qiao Mu was sleeping soundly in the dormitory, her phone rang.

A few days ago, she had stayed up all night to look for inspiration for her work, causing her biological clock to be in chaos.

She was woken up by the ringtone. She reluctantly picked up the phone and mumbled, "Hello,"

Hello, this is Key Studio. Is this Miss Qiao Mu?" A female voice sounded.

"Yes, I am ..." Qiao Mu replied in a daze. Suddenly, she realized that the other party had said the words "Key Studio." Her eyes widened and she sat up immediately. "Hello, I'm Qiao Mu. "

' Miss Qiao Mu, you've passed the preliminary round's review. Please come to

Key Studio next Tuesday to prepare for the semi-finals. "

Qiao Mu's sleepiness instantly disappeared. She was completely unprepared for the surprise, and she was still floating even after the call ended.

She really passed the preliminaries!

Qiao Mu immediately dialed Li Yan's number. When the call connected, Qiao

Mu asked, "Uncle, are you busy now?"

"I'm not busy." At the same time, Li Yan was in the middle of a high-level meeting. This phone call had obviously delayed the progress of the meeting, but a certain man was still talking on the phone in front of all the higher-ups in the company without blushing or jumping.

These few days, the little thing had been busy with the competition and had no time to accompany him.

Fortunately, she had taken the initiative that night, which made him rather satisfied, so the resentment in his heart did not accumulate into a mountain.

"What's the matter?" he asked indifferently. Are you out of inspiration and looking for me to create inspiration for you again?"

Qiao Mu was speechless.

Qiao Mu couldn't help but blush when she recalled her "first time" that night.

Even through the phone, she could still imagine the evil expression on a certain man's face.

However, Qiao Mu was wrong this time. Li Yan was as serious as he could be right now. Young Master Li naturally could not reveal his true nature in front of outsiders.

Qiao Mu coughed lightly. "Uncle, if you're not busy, can I treat you to lunch?"

The corners of Li Yan's lips curled up as he replied indifferently, "Alright."

“Then go ahead and pick me up at noon.”

Li Yan hung up the phone and looked at the people in front of him with a cold expression. He said as if nothing had happened, “Continue.”

At noon, Li Yan arrived at T University. Qiao Mu jogged out of the school gate, and when she saw a familiar car, she got in.

Li Yan drove the car himself. As he started the car, he asked, “Where to?”

“Whatever you say!” She was treating him, so he could eat whatever he wanted.

The corners of Li Yan’s lips curled up. “I have the final say? Then let’s go home.”

“Huh?”

“Help you find inspiration.”

Qiao Mu was speechless. Could he still have some face?

Li Yan could not help but laugh when he saw the shy look on the little woman’s face. He raised his hand and patted her head. “I didn’t see you so shy when you took the initiative. ‘

Li Yan! If you say it again, I’ll be angry!” Qiao Mu’s small face puffed up and turned red.

Li Yan chuckled and changed the topic. “Why are you suddenly treating me to a meal?”

Qiao Mu pouted.. “I have good news for you! ‘

Chapter 506: As Long as She Wills, I Will Marry Her Anytime (1)

Qiao Mu blinked her big eyes as if she was saying, ‘ Quickly come and ask me. ’ However, Li Yan did not ask.

His thin lips curled up slightly with a trace of a devilish smile. He pretended to be thinking and said, “Let me guess, what do you mean by good news?” The man thought for a moment and slowly said, guessed it.”

Qiao Mu’s eyes lit up, and she raised her chin slightly in a haughty manner, looking as if she was waiting to be praised.

Then, she heard the man’s voice. ““ It should be because my performance that night was so good that it gave you a lot of inspiration for your competition work. That’s why you have to treat me to a meal to reward your man for his excellent performance. ”

Qiao Mu was speechless.

That was not the case at all, alright?

Uh, although it did give her a little inspiration, that was not the main point!

He did not mention the main point!

Qiao Mu snorted when she saw the man’s conceited expression. ” What’s so good about performing well? He’s so skilled and doesn’t have the clumsiness that’s expected of a ‘first time’. I can tell at a glance that he’s a playboy. He’s not helpful to my creation at all! ‘

Li Yan raised his eyebrows. ” Really? But why do I feel that you are more skilled than me? My woman is so proactive. If I don’t act more skillfully, won’t I lose face?”

I didn’t take the initiative!”

“You specially prepared a nightgown for me and deliberately planned for the entire night. If this isn’t considered taking the initiative, then if you want to take the initiative, how surprised will I be?”

This bastard!

Qiao Mu gritted her teeth and glared at him with a red face. “ I did plan for the whole night, but unfortunately, someone didn’t work hard and didn’t achieve the effect I wanted. The plan went to waste. ‘

The moment Qiao Mu said this, a certain man’s expression instantly darkened.

Qiao Mu was secretly pleased with herself. She couldn’t let him have his way with words and always let her suffer.

He was so agitated!

However, Qiao Mu had forgotten that a man’s dignity could not be harmed, especially Young Master Li’s dignity. It was even more intolerable to provoke him.

The corners of Li Yan’s lips curled up sinisterly. His dark eyes glanced at the arrogant little woman. His cold voice sounded word by word, “ It’s alright. You’ve grown up. You know how to tell the truth now. It turns out that you were just pretending when you said you couldn’t do it anymore. Now I know that you’re not satisfied at all even though you said you couldn’t do it!

The smile on Qiao Mu’s face instantly froze.

He was not angered as he had expected!

She felt like she was digging a hole for herself...

“ When we get back tonight, I’ll double my performance until you’re truly satisfied, ” the man continued.  
“ If you tell me to stop, I’ll take it as an encouragement to continue working hard. ”

Bastard!" Qiao Mu practically spat out these two words through gritted teeth.

F\*ck! She regretted saying something she shouldn't have.

Li Yan smiled. "Mmm, tonight, I'll let you truly see how much of a jerk your man is."

Qiao Mu was speechless.

He was simply shameless!

Could she choose not to go home with him at night?

Qiao Mu was extremely indigestion after lunch.

She tried all sorts of ways to please a certain man and kept adding more food

for Li Yan. "Uncle, eat more. This is delicious. Try it."

"You should eat more to nourish your body. Otherwise, you won't even be able to satisfy your own woman."

"Qiao Mu almost bit off her tongue.

She shrugged. "Uncle, I was wrong. Don't be angry with me."

"Why would I be angry with you? If you want to blame someone, blame myself for not performing well.."

Chapter 507: As Long as She Wills, I Will Marry Her Anytime (2)

“Li Yan!” Qiao Mu glared at him. “I’m just joking. Why are you so petty? I’m just acting cute with you! ‘

“Oh? She acted coquettishly and accidentally told the truth.”

Qiao Mu was deflated and moved closer to Li Yan. “Big Brother, don’t be angry.

I’m talking about serious matters. I’ve already passed the preliminary round.

Aren’t you happy for me? ”

The way he called her big brother was getting smoother and smoother.

Every time she tried to please him, she would call him big brother without hesitation. She knew that he would not be able to do anything if she acted coquettishly.

As for the competition, it was within his expectations. His little woman had a great passion for fashion design. He saw it all. That kind of love came from the bottom of his heart. She could sketch a beautiful sketch with a casual draw. Every time she drew the design sketch, her serious look shone.

Although he was happy for her, he snorted coldly on the surface. “Fashion design is as important as me in your heart. If you can’t even pass the first round of the competition, you’re asking for a beating.

Qiao Mu grinned. She could tell that he was no longer angry.

She thought of what her father had told her the last time she went back to the Qiao family’s house. She looked up at him with her big eyes and asked, “Uncle, why don’t you come home with me for dinner tonight? ”

Li Yan narrowed his eyes. The home she was referring to was the Qiao family.

This was the first time the little woman had suggested bringing him home.

Qiao Mu looked at his confused gaze and pursed her lips when she saw that he didn't say anything. "If you don't want to, then forget it. It was my father who said that he wanted me to bring you home for dinner."

"So, this isn't what you meant? You don't want to take me home?"

"No! I'm just worried that you don't want to. I'm afraid that you'll be put in a difficult position."

Li Yan stood up and patted Qiao Mu's head. "Let's go."

"Where to?"

"Since I'm going to see father-in-law, of course I have to prepare some greeting gifts. What if father-in-law isn't satisfied and chases me out?"

Qiao Mu smiled when she heard this. "So Young Master Li still has something to worry about."

Li Yan curled his lips and did not say anything. Actually, this little thing did not know that everything related to her was an unknown factor to him.

In this world, he had complete confidence in everything, but he was afraid that he would make a mistake if he was not careful.

He had already missed it ten years ago. He could not afford to make another

mistaKe.

Although Qiao Mu kept saying that she did not need a greeting gift and that her father would not mind, Li Yan still did not listen to her.

Qiao Jiannan didn't smoke or drink. There were quite a lot of supplements at home, so he didn't lack anything.

However, Li Yan still put in a lot of effort.

Li Yan had specially investigated Qiao Jiannan's preferences and found out that he liked tea. When he returned home, he brought Li Zheng's precious ancient tea as a gift.

Qiao Mu was a little worried that Li Zheng would fly into a rage if he found out.

Qiao Mu's heart warmed when she saw Li Yan's meticulous preparations. This man had never put anyone in his eyes. He was always so high and mighty that only others looked up to him. However, he was trying so hard to please her father for her.

Qiao Jiannan wasn't her biological father, but he was willing to lower himself like this.

Qiao Mu looked at the man's tall figure and went forward to hug his waist. "

Uncle, thank you for giving me face. '

Silly girl, I'm not giving you face. I should thank him for taking care of you for so many years. '

Qiao Mu's nose turned sour, and she couldn't help but want to cry..

Chapter 508: As Long as She Wills, I Will Marry Her Anytime 3

In the evening, when she arrived at the Qiao family's house, Qiao Jiannan was already waiting for her.

After entering, Qiao Mu laughed and shouted loudly, ""Daddy, we're back."

Qiao Jiannan walked over and said helplessly, " This child. I'm not deaf yet. You're shouting so loudly when you get home. "

Qiao Mu chuckled and moved aside.

Li Yan handed the gift box to the servant beside him and looked at Qiao Jiannan. " Uncle, I heard that you like tea. I prepared this for you. I came in a hurry, so please don't mind the gift. "

As Li Yan spoke, his tall body bent down slightly. His expression showed respect for his elders, unlike his usual high and mighty self.

Qiao Jiannan noticed that he had interacted with Li Yan before. Although he used to be Li Yan's cousin-in-law, Li Yan never treated him as a relative in front of him.

Even in the past, he had to call the other party "Young Master Li".

Before this, Qiao Jiannan did not expect Li Yan to treat him with such an attitude. It was different from the previous times. In front of him, Li Yan was completely a junior.

Qiao Jiannan glanced at the gift Li Yan had brought. He was someone who knew tea, so he could tell at a glance that this ancient tea was expensive and had already gone extinct on the market. Even though he had drunk so many good teas, he had never tasted this ancient tea before.

"I asked Mumu to bring you home for a meal. What else do you need to bring?" Qiao Jiannan said with a smile.

Qiao Mu stepped forward and held Qiao Jiannan's arm. " Dad, he came to our house empty-handed. How could he have the cheek to eat our food? "

"You, this child." Qiao Jiannan felt helpless.

The corners of Li Yan's mouth curled up slightly, and his eyes were filled with a smile.

Qiao Jiannan sat down on the sofa and looked at Qiao Mu. "Mumu, go to the kitchen and take a look. What do you want to eat for dinner? Get the kitchen to prepare it. I'll talk to Young Master Li for a while."  
"

Qiao Mu knew that Qiao Jiannan had something to say to Li Yan and did not want her to be present.

She nodded and left. After all, the relationship between Qiao Jiannan and Li Yan was a little complicated, and Yu Tingyun was sandwiched in between.

After Qiao Mu left, Li Yan spoke first, "Uncle, I'm a junior. You can just call me by my name."

Qiao Jiannan nodded. "I never thought that we would meet face to face like this."

"Uncle, I'm very sorry about Yu Tingyun. I did do something to the Yu Corporation. This is a grudge between the Li family and her. I hope you won't implicate my relationship with Mumu because of this."

Qiao Jiannan sighed. "I know. I was kept in the dark in the past. How can I not understand now? For someone like her, she deserved her fate. She can't blame anyone else."

He paused and looked at Li Yan before continuing, "To be honest, I told Mumu to bring you home for dinner. I wasn't sure if you would really come, so I thought .

"Do you think I'm not serious?" Li Yan opened his mouth to catch Qiao Jiannan's words.

Since Li Yan could tell what he was thinking, Qiao Jiannan did not hide it anymore. His expression became serious. "Li Yan, I don't know what you're thinking. Although Mumu isn't my biological daughter, I won't let her be bullied. She's still so young and inexperienced. If you're serious, give me a guarantee."

Qiao Jiannan knew that Li Yan would not casually make promises. Since he could say it, it must be true.

From the moment he entered the room until now, he could feel the atmosphere between Li Yan and Qiao Mu. They were like a couple, but a man like Li Yan still made him very uneasy..

Chapter 509: As Long as She Wills, I Will Marry Her Anytime 4

Li Yan could completely understand Qiao Jiannan's feelings as a father. Qiao Jiannan's behavior showed that he truly cared about Qiao Mu and treated her as his own daughter.

Li Yan looked at the slender figure in the kitchen. She was cutting fruits and arranging them on a plate. She was very serious as she placed the fruits on the plate piece by piece.

The corners of his lips curled up slightly as he met Qiao Jiannan's gaze. " Uncle, although I'm not good at making promises, I can tell you clearly that if I get married in the future, I can only choose one wife, and she's Qiao Mu. As long as she's willing, I can marry her anytime. "

Qiao Jiannan was stunned. He had only said those words to Li Yan in exchange for him saying that he was serious about Qiao Mu.

However, she did not expect Li Yan to make such a promise.

When young people got together, even if they really liked each other at the time, who could have imagined that they would not be together in the future?

However, Li Yan was able to give an answer with absolute certainty. His tone and expression were not casual. One could tell how firm his attitude was.

It was as if everything had to happen.

When Qiao Jiannan saw that the man who was always cold and arrogant in the business world was looking at Qiao Mu with such a gentle gaze, as if he was looking at a rare treasure, the worry in Qiao Jiannan's heart was completely dispelled.

Qiao Jiannan slowly said, " Then I'm relieved. Actually, I know that the Li Group has a lot to do with the stable development of the Qiao Corporation since I was hospitalized. To outsiders, the Li Group is the

one who has their eyes on the Qiao Corporation. But I know that you've been helping the Qiao Corporation. As for the company, my body is a little weak now. Mu Mu has no intention of managing the company. As for my other daughter, she doesn't have the ability. Li Yan, if possible, I hope that the Qiao Corporation can rely on the Li

Corporation."

Li Yan raised his eyebrows slightly. "You mean you want the Li Corporation to acquire the Qiao Corporation?"

"I hope that the Qiao Corporation will become a subsidiary of the Li Corporation. All development will be managed by the Li Corporation, but we must maintain the title of the Qiao Corporation. "

If it weren't for the help of the Li family, the Qiao family would have collapsed long ago. If this continued, the company would inevitably go bankrupt. The only way was to rely on the Li family.

"Alright." Li Yan immediately agreed.

Qiao Jiannan was stunned. This matter was not beneficial to the Li family, but Li Yan did not even consider it.

He originally wanted to voice out his doubts, but when he saw Qiao Mu walking over, he understood everything.

This man had made all the concessions because of Qiao Mu.

"Daddy, Uncle, have some fruit. I cut it myself." Qiao Mu walked over with a plate of fruits.

Qiao Jiannan was stunned when he heard the term "uncle." "Why are you still calling me uncle?"

Qiao Mu was used to this form of address and blurted it out in a moment, forgetting that she should pay attention to how she addressed Qiao Jiannan.

Li Yan smiled faintly and helped her out. It's alright. Mu Mu likes this way of addressing me. Let her call me that. "

Even though Li Yan's reply was serious, Qiao Mu could not help but think a little off. At this moment, she actually recalled that he had always said that she liked cosplay.

Thinking of this, she couldn't help but blush. She quickly picked up the fruit and stuffed it into her mouth. She accidentally stuck it in her throat and coughed.

Li Yan patted her back helplessly. " No one is snatching it from you. Eat slowly.

"Cough...I'm just afraid that you'll snatch it from me." Qiao Mu mumbled with a red face.

Qiao Jiannan laughed loudly. " You guys chat first. I'll go upstairs to take my medicine. I'll come down for dinner later.

Once Qiao Jiannan left, Qiao Mu stared at Li Yan.. " Uncle, what did my father say to you? "

Chapter 510: As Long as She Wills, I Will Marry Her Anytime 5

Li Yan's lips curled up. " What benefits do I get from telling you? '

Qiao Mu pursed her lips. " Hmph, I don't want to know! '

Although she said she didn't want to know, she was very curious.

However, looking at the two of them, they seemed to be chatting happily.

After dinner, Li Yan and Qiao Jiannan drank some wine. Although Qiao Jiannan was not in good health, the doctor allowed him to drink some medicinal wine to regulate his body. Li Yan then drank a little with him.

Qiao Mu was initially worried that Li Yan was a very dull person and would be in a deadlock during the meal. She did not expect that the two men would have a very harmonious meal while drinking.

After the meal, Li Yan directly drove Qiao Mu home under the pretext of sending her back to the school dormitory.

Qiao Mu looked at Li Yan and asked with concern, ""Uncle, are you drunk?"

Although he did not drink much, the medicinal wine was very strong and had a high alcohol content. He was not used to drinking that kind of wine and only drank it to match her father.

"A little dizzy." As Li Yan spoke, he fell onto Qiao Mu's body. Qiao Mu's body could not hold on any longer, and she was pinned against the wall.

Qiao Mu quickly helped him to sit on the sofa. She looked at his slightly flushed face and frowned. " If you can't drink it, then don't drink it. No one's forcing you! "

Li Yan lazily leaned against Qiao Mu's body, his arm smoothly wrapping around her slender waist and pressing his face against her neck. His voice was low and deep as he said, " I can't even drink with father-in-law. It makes me look insincere. '

The man narrowed his eyes, and his entire body was emitting drunkenness. His face was pressed against her skin, and the hot air from his mouth blew onto her face, instantly making her face hot.

There was a faint smell of alcohol in his mouth. It was said that the smell of alcohol when drunk was very unpleasant, but at this moment, the smell on this man's body still made her like it so much that she could not reject it at all.

Qiao Mu finally understood that when one liked someone, no matter how terrible the other party became, one would blindly like them.

Seeing his groggy appearance, Qiao Mu took the opportunity to ask, ""Uncle, what did my father talk to you about today?"

Li Yan raised his eyes and said lazily, ""He asked me to take good care of you and entrusted you to me."

"Then what did you say?"

"What can I say? He said that you were very insensible, liked to cause trouble, had a stubborn personality, and had a child's temper. He said that you were so terrible that no man would like you. He asked me to be more tolerant. Since I wanted you, I had to be responsible until the end. Seeing that he was so sincere, I reluctantly agreed."

Qiao Mu was speechless.

When she heard the first sentence, she was a little touched, but the more she listened, the more ridiculous she felt!

She pushed him away. " I'm ignoring you! "

He must be pretending to be drunk with her!

Qiao Mu stood up and was about to go upstairs when her wrist was suddenly grabbed. A strong force pulled her, and she fell onto Li Yan's body.

"Be good, I'm really dizzy. Don't go." Li Yan wrapped Qiao Mu in his arms, raised his head, and kissed her on the lips.

Qiao Mu only felt a faint scent of alcohol spread from her lips, bringing with it a scorching temperature that almost melted her, as if she was drunk as well.

After a while, Qiao Mu leaned against Li Yan's chest and panted. Li Yan did not seem to be faking it, so she stood up helplessly and carried him upstairs.

She put Li Yan on the bed with all her might. Qiao Mu was about to leave, but Li Yan held her wrist tightly.

"I'll make you a cup of honey water," she said in a low voice.

Li Yan narrowed his eyes at her. The corners of his mouth curled up as he released his grip..
