### Chapter 511: As Long as She Wills, I Will Marry Her Anytime 6

Qiao Mu went downstairs to brew a cup of honey water. When she returned to her room, she saw the man on the bed. His eyes were closed and he was lying lazily on the bed, as if he was asleep.

“Uncle?” Qiao Mu called out softly, but the man did not respond.

Qiao Mu placed the honey water at the head of the bed and sat down by the bed. Her fingers gently touched the man’s cheek. After his eyes were closed, all the emotions in them were isolated. Who could tell that such an ice-cold man was actually a beast at heart?

Shameless without any lower limit!

Qiao Mu couldn’t help but curl the corners of her lips. She bent down and kissed him on the lips, saying very softly, ““Good night, Uncle.”

As soon as she finished speaking, an arm appeared at her waist and wrapped around her.

Qiao Mu was stunned. Then, her vision blurred, and she was flipped onto the bed.

A low laugh sounded above her head. “ Little thing, you still like to secretly take advantage of me. ”

Qiao Mu was stunned when she met the man’s gaze. His pitch-black eyes were deep and bright, and there was no hint of drunkenness in them.

Even his body movements became more agile. The drowsiness and powerlessness from before had completely disappeared!

Qiao Mu felt like she was being teased and glared at him angrily. “ You’re not drunk at all! ”

From the moment he entered the door, he had been pretending!

"I'm really drunk. I was woken up by your kiss just now. I suddenly remembered that I had something important to do tonight. If I sleep like this, you'll have a problem with me."

Qiao Mu instantly felt a sense of crisis and glared at him warily. "What are you doing?"

Of course. "The corners of his mouth curled up as he leaned over and pressed his face against her ear. His voice was low and seductive. "F \* Ck..." You!" Qiao Mu was speechless.

Qiao Mu felt her body instantly burn up when she heard his undisguised words.

Could he be any more shameless?

Could he be any more hooligan?

Could he be any more petty?

Didn't she just joke that he didn't perform well that night? Did he have to bear such a grudge?

The man smiled devilishly. As he moved, he smiled and said, "Be good, I'll create inspiration for you now!"

I've already passed the preliminaries, I don't need inspiration anymore!" "Then let's prepare for the semi-finals. Let me think, what will be the theme of the semi-finals? Do you think it's because the ball of desire is dissatisfied?"

Lust ... Beg ... No, no, no. Full!

Dissatisfied your sister! This word was clearly referring to him!

Without waiting for Qiao Mu's response, Li Yan came to a conclusion. " Then let's look for inspiration. " And then...

There was nothing else.

That night, it was just as a certain man had said. No matter how much she screamed and begged for mercy, in the end, a certain beast did not let her off. It seemed that he would not let her off until she was convinced and satisfied!

Qiao Mu had sacrificed too much for this competition.

After that, Qiao Mu recuperated for a few days and finally recovered her vital essence to welcome the semi-finals.

Key held a press conference for the competition. From the start of the semi-finals, all the competition processes were open to the media.

In the first round of the preliminaries, more than half of the contestants were eliminated, leaving only fifty contestants.

Qiao Mu was somewhat overwhelmed by the unexpected favor. She actually stayed behind among so many people.

The semi-finals were not as casual as the preliminaries. It was not as simple as just drawing a sketch. One had to make the sketch into a costume with real knives and guns and wear it on the model to display. It could be said to be a small-scale individual show.

For Qiao Mu, this was her first experience.

Chapter 512: Enemies Meet, Eyes Rage (1)

In order to let Qiao Mu welcome the competition with the best attitude and ease her nervousness,

Li Yan treated Qiao Mu to a grand banquet the night before the competition.

Qiao Mu only had two good friends, so she only invited Chi Xia and Baby Guan.

Li Yan went to fetch Qiao Mu from school while Chi Xia and Baby Guan sat in the car together.

Inside the car, Li Yan was driving, Qiao Mu was sitting in the front passenger seat, while Chi Xia and Baby Guan sat in the back.

Previously, Chi Xia had blamed Qiao Mu for being stingy and not treating after passing the preliminary round. However, she was a little overwhelmed by Young Master Li's sudden invitation.

Although Chi Xia knew that everything Li Yan did was for Qiao Mu, she still said politely, "Young Master Li, thank you for treating us to a meal."

'Mm.' Li Yan replied indifferently. His attitude was as cold as usual.

Li Yan's response was already very nice to Chi Xia. Perhaps he would not even bother to respond with an "hmm" to others.

However, in Qiao Mu's eyes, Li Yan was too cold.

She pouted. She was embarrassed to be so cold to her friend.

Li Yan saw Qiao Mu's little actions. After a while, he glanced at Chi Xia through the rearview mirror. "I also want to thank you for taking care of Mumu."

Chi Xia was stunned. Young Master Li thanking her was really hard for her to digest.

Chi Xia was very gratified. From this, it could be seen how much this man cared about Qiao Mu.

“What about me, Young Master Li?” Baby Guan asked. I also take good care of

Mumu. Although I transferred here not long ago, in the dormitory, I treat Mumu like a younger sister.” Qiao Mu was speechless.

Can you not lie so confidently?

Baby Guan was a pampered young lady. Ever since she moved into the dormitory, she did not clean up the place, did not tidy up the bed, and had snacks piled all over it. Every time there was a big check in the dormitory, Chi Xia would hurriedly help her tidy up. She still had the cheek to call herself a big sister.

Of course, Li Yan did not know the truth. He only nodded and said, ““Thank you for your care.”

Qiao Mu watched as the man beside her nonchalantly thanked her, and the corners of her lips faintly curled up. Her heart felt a tinge of sweetness.

Even she rarely saw Young Master Li thank her, so when had he ever thanked anyone?

Baby Guan smiled, “ Young Master Li, there’s no need to thank me. I want to ask you for a small favor. ‘

“Hmm?”

“Aren’t you Lu Jingzhi’s older brother? Can you control him and tell him not to pester me? He’s so annoying. He keeps bugging me all day.” When they were engaged, that man wanted her to stay as far away from him as possible. After the engagement was canceled, he shamelessly pestered her. He was really shameless!

Qiao Mu was speechless. Li Yan was not a mother, so how could he care about such things?

As expected..

“I never interfere in his private affairs,” the man said slowly.

What he meant was that he would not help.

Baby Guan stared at Qiao Mu and blinked her big eyes, hoping that Qiao Mu would put in a good word for her.

Qiao Mu shrugged. “ This is your family matter. It’s not appropriate for us outsiders to interfere, right? ”

Baby Guan was speechless.

What family matter? She had nothing to do with Lu Jingzhi anymore!

Alright, she finally understood that Qiao Mu was a woman who followed her husband’s lead. She would obediently nod her head at whatever her man said. She simply had no standing!

Chi Xia nodded in agreement. “ You should solve your own problems. I see that you’re having a good time with your husband. Are you sure you’re not showing off your love? ”

Baby Guan was speechless.

Chapter 513: Enemies Meet, Eyes Rage (2)

Abundance of Gold and Jade Hotel.

When Li Yan and his group arrived at the reserved private room, they heard a faint conversation in the room.

Qiao Mu was a little puzzled. She didn't know that there was someone else here tonight, but she quickly realized that the only people he could invite were probably his brothers.

The three men in the private room were sitting around the coffee table, playing poker to pass the time.

When he heard the sound, Lu Jingzhi played his cards and complained, " Brother, you're always late for meals. In just a short while, you've caused me to lose a lot of money. '

After saying that, he raised his head to look at the door. His eyes flashed when he saw the person standing behind Qiao Mu.

"Big brother, it's fine that you brought sister-in-law, but why did you bring two beauties?" Ling Xi asked in surprise. Did you see us bachelors envious of you guys showing off your love, so you came to mediate the atmosphere? That's not right. There are only two beauties. They can't be matched evenly!"

Qiao Mu was speechless.

Matched? Why did he sound like a random cat or dog?

Qiao Mu followed Li Yan into the house and smiled at Ling Xi. " Young Master

Ling, you're thinking too much. You don't have a share. " "Sister-in-law, you can't say that. Maybe the beauty will take a fancy to me?"

Baby Guan rolled her eyes. " Sir, our taste isn't that bad. '

When Baby Guan said this, she glanced at Lu Jingzhi. How unlucky. She was here for a meal and she even bumped into this man. If she had known earlier, she would not have come!

Ling Xi only knew that Lu Jingzhi had a fiancée, but he had never seen Baby

Guan in person. Seeing Baby Guan's straightforward personality, he could not help but be interested. "Little beauty, are you my sister-in-law's classmate?" Let's get to know each other...'

Before Ling Xi could finish, Lu Jingzhi stood up and walked over like the wind, dragging the little beauty out of the room.

In the room, only Baby Guan's low voice was left. ""Lu Jingzhi, let go!"

Ling Xi was dumbfounded. He was the one who targeted him first. Wasn't Third Brother too impatient?

No! It was clearly not the first time they had met.

Fortunately, Ling Xi was smart enough to realize that this little beauty was Lu Jingzhi's ex-fiancée!

Ling Xi sighed. Forget it, he couldn't bully his brother's wife. Since she was his ex-ex-fiancée, he could only give up on the idea and shift his target to another beauty.

Uh, this beauty seemed to be the woman who vomited all over Second Brother. Although she lost her image when she was drunk, she was unexpectedly so pure and lovely when she was sober.

But why did she look so weird? Her face was red and she seemed very nervous?

Was he very scary?

No, she seemed to be looking at Second Brother who was behind him!

Ling Xi suddenly felt very annoyed. It seemed that he was left alone.

Chi Xia was originally standing at the back. When the door of the private room opened, she could not see who was in the room. When she heard Lu Jingzhi's voice, she had a bad feeling.

Li Yan had invited Lu Jingzhi, so there must be a man she did not want to see among them.

She subconsciously clenched her fists. When Qiao Mu and Li Yan entered the room, there was nothing in front of her. She raised her head, and her eyes met with those pitch-black eyes. Her body instantly froze.

Ever since that night, she had been hypnotizing herself to forget about this matter. She would never have any interactions with this man in the future and would pretend that nothing had happened.

However, she did not expect to see him again so soon!

Chi Xia stood stiffly at the door.. She had the urge to turn around and leave, but if she did, it would be obvious that she was abnormal!

Chapter 514: Enemies Meet, Eyes Rage (3)

She took a deep breath and tried her best to calm herself down.

"Xiaxia?" Qiao Mu turned around and saw Chi Xia standing still at the door with an unnatural expression on her face. She thought that Chi Xia had seen Su Chen and felt a little awkward at the thought of puking all over him.

She then looked at Su Chen and smiled. " Young Master Su, can you forget about your little feud with Xiaxia after this meal? "

Su Chen glanced at Chi Xia coldly and smirked. " I can let it go, but I don't know if she can pretend that nothing happened! "

Qiao Mu was puzzled. It was Xiaxia's fault that she vomited all over him. Since he didn't care, why would Xiaxia care?

Chi Xia raised her head and said something that only Su Chen could understand. " I've been pretending that nothing happened! "

Su Chen's face darkened. " Very good! "

The more Qiao Mu listened, the more confused she became. She saw that these two people's conditions were somewhat abnormal, but she didn't know what was abnormal.

Their relationship was clearly not bad before. If they attended the banquet together, their relationship should not be so bad, right?

"Uncle, do you know what's going on with these two people?" Qiao Mu looked at Li Yan and asked softly.

"I don't know." Li Yan acted as if it was none of his business and handed the menu to Qiao Mu. " Order first and see what you like to eat.

Qiao Mu flipped open the menu. " I want to eat curry crab.

She then looked at Chi Xia. " Xiaxia, what do you want to eat? "

"I'm fine with anything." Chi Xia paused and said nonchalantly, "Don't you think curry is like vomit? " Qiao Mu was speechless.

Can you not be so disgusting?

Why did she mention vomit? Clearly, there were people present who were very taboo about these three words.

He was clearly looking for trouble!

Qiao Mu said, " Forget it then. I won't order curry crab. I'll order spicy stir-fried crab. "

"Let's order the curry crab," Chi Xia stopped him. " I like it. "

Su Chen sat on the chair with a gloomy expression.

His cold gaze swept across Chi Xia. Chi Xia could feel a cold gaze pressing down on her head, but she pretended to be indifferent.

Even if she pretended that nothing had happened, she had suffered a loss for no reason. Naturally, she could not let this man have a good meal. It was best if she could not take it anymore and left quickly. If she did not look at him, she would have a better meal!

However, Su Chen had no intention of leaving. He just sat there as steady as a mountain.

Lu Jingzhi dragged the struggling Baby Guan to the corridor and pressed her against the wall. He questioned her coldly, "Baby Guan, why are you avoiding

Ever since the last time at the fashion show, he had brought her home for a

meal under the pretext that his parents wanted to see her. She had a meal with his parents as per usual, but after that, she treated him as a stranger and did not pick up her phone. She could not contact him at all!

"You're thinking too much. We have nothing to do with each other now. I only interact intimately with my boyfriend. I won't get too close to other men who have nothing to do with me. " Baby Guan raised her head and said confidently. Lu Jingzhi's face darkened. " You have a boyfriend? "

"Not yet, but soon! A beauty like me naturally has a lot of pursuers...Oh ..."

Baby Guan's eyes widened as she looked at the face that was inches away from her. This man actually kissed her...

They had been in an ambiguous relationship for so long, but he had never been intimate with her. She had always been the one getting close to him, and he despised her.

This was the first time he had kissed her!

This was also her first kiss..

Chapter 515: Enemies Meet, Eyes Turn Red (4)

“Lu...Oh .

Baby Guan opened her mouth to say something, but this action allowed the man’s tongue to take the opportunity to enter her mouth and do whatever he wanted.

The man’s hot breath blew on her face. Baby Guan felt dizzy. She couldn’t resist this kiss.

However, he felt very unbalanced. Why did he have to do whatever he wanted?

She opened her mouth and bit his tongue with great force.

Lu Jingzhi narrowed his eyes and kissed her even more brazenly.

He only stopped when Baby Guan was kissed to the point where she could not resist at all. He looked at her blushing face with satisfaction.

“Baby Guan, do you think this matter will work just because you said you want to break off the engagement? Our marriage is decided by our parents. It’s not up to you to do whatever you want!”

Baby Guan was stunned. ” You’re the one who refused to acknowledge our wedding date. You said that you would cancel this marriage sooner or later. Lu Jingzhi, are you crazy? ”

Lu Jingzhi frowned. " I have the final say in the marriage. It's not up to you! "

Baby Guan gritted her teeth in anger. " F \* ck, what do you take me for?! "

"Don't swear!"

"I knew it! Damn it!"

"Who do you want to rely on? I know that you've been plotting against me for a long time. If you perform well, I can fulfill your wish."

Baby Guan was speechless.

"Bastard, I'll find a boyfriend tomorrow and let you be arrogant...Oh .

F \* ck! Was this man addicted to kissing her?

After ordering the dishes, the cold dishes were served. The two people who went out had not returned yet.

Qiao Mu knew that Lu Jingzhi could not do anything to Guan Baby, but she was the one who brought the baby here. If the two of them were to quarrel in the hotel, it would be her fault.

However, the door was suddenly pushed open and two people came back.

Lu Jingzhi was the first to walk in. He looked calm as he walked leisurely to the dining table and sat down. Behind him, Baby Guan's face was slightly red and her lips were unnaturally swollen. It was obvious that the two of them had done something bad when they went out.

Lu Jingzhi looked at Baby Guan behind him and patted the empty seat beside him. "Come and sit."

There were two empty seats in front of the round table. Li Yan and Qiao Mu sat together, Chi Xia sat beside Qiao Mu, and there was an empty seat between Ling Xi and Chi Xia.

Su Chen sat next to Li Yan while Lu Jingzhi sat next to Su Chen. There was an empty seat between Lu Jingzhi and Ling Xi. In other words, Ling Xi's hands were empty. One of them was connected to Lu Jingzhi while the other was connected to Chi Xia.

Baby Guan rolled her eyes at Lu Jingzhi and sat in the empty seat between Chi Xia and Ling Xi.

Lu Jingzhi's expression was a little ugly. He stood up and walked behind Ling Xi. He patted Ling Xi's shoulder and Ling Xi could only reluctantly switch seats with him.

Poor him. Everyone was in pairs, and he was the only one left!

Fortunately, his second brother didn't seem to get along well with the other little beauty, so his situation wasn't so awkward.

Qiao Mu looked at Baby Guan ambiguously and teased, "Baby, what happened to your mouth? It's like you're wearing lipstick."

Baby Guan took a sip of water nonchalantly. "I was bitten by a dog."

"Pfft..." Ling Xi laughed. "Little beauty, you're right. Lu Xiaosan is born in the year of the dog."

Her words made Baby Guan's expression become unnatural. She said angrily, "I was bitten by a dog. What does it have to do with him?"

Lu Jingzhi frowned. "Baby Guan, you've turned a deaf ear to my words. Don't swear!"

“I told you, it’s none of your business!”

“Shall we go out and talk?”

As soon as he said this, Baby Guan felt a burning pain on her lips and immediately quieted down..

Chapter 516: There Is A Kind Of Infatuation Called Li Yan

The dishes were all served. Looking at the dishes on the table, Ling Xi said, Who ordered the stir-fried mushrooms? Big Brother doesn’t eat mushrooms.

Hurry up and leave. ‘

Li Yan had always had a lot of problems. If he did not like to eat, he would not allow others to eat. Therefore, if he did not eat, he would not be able to serve the food. This had always been their habit.

However, after Ling Xi finished speaking, he felt Li Yan’s cold gaze sweeping over. He immediately reflected on himself. But he didn’t say anything wrong!

Qiao Mu looked at Li Yan in astonishment. “ Uncle, you don’t eat mushrooms? ” Why didn’t you say so earlier?”

He had eaten with him many times, but he had never said that he didn’t like it.

Li Yan lowered his eyes and looked at her. The corners of his lips curled up. “ That was in the past. ‘

Ling Xi’s mouth twitched. Did he change his taste just like that?

At this moment, Ling Xi realized where he had gone wrong. It turned out that his brother’s nephew had always thought that he liked to eat mushrooms. His brother really loved the house and its crow to the extreme, changing his eating habits just like that.

Although Li Yan said so, Qiao Mu already understood. He had never liked to eat it, and he accepted it because she liked it.

In that instant, Qiao Mu felt a warmth in her heart, and she was indescribably touched.

Why was this man so good to her?

Qiao Mu called the waiter over and said to him, "Take the stir-fried mushrooms away."

Li Yan was helpless. He raised his hand and caressed Qiao Mu's head. "You like it, so you don't have to change your taste for me."

"You can change for me, so why can't I change for you?" Qiao Mu waved at the waiter, indicating for him to take the dishes away.

Actually, she did not particularly like stir-fried mushrooms. It was just that she had eaten with Li Yan a few times and he would eat it every time. She thought that he liked it, so when she ordered, she subconsciously ordered stir-fried mushrooms. Thinking about it carefully, she did not know what he liked to eat.

This man had always catered to her. She had always accepted his kindness and wanted to respond to everything he had.

Baby Guan said while eating the crab, "There's a kind of infatuation called Li Yan, and there's a kind of luck called Qiao Mu. As expected, all good men belong to others. I'm so envious."

Lu Jingzhi's face darkened.

Baby Guan raised her hand and pointed at the other three men. "Now I know why he's the big brother and you guys are the little brothers. You guys should learn from your big brother. Look at how much he dotes on women. Look at you guys. No wonder the three of you are single!"

Lu Jingzhi was speechless.

Su Chen was speechless.

Ling Xi was speechless.

What did Li Yan and Qiao Mu's display of affection have to do with the three of them?

Chi Xia was eating quietly. When she heard Baby Guan's words, she could not help but laugh out loud and nodded heavily. "Baby, you're absolutely right!"

Chi Xia's eyes met with a cold gaze. She lowered her head and continued eating.

Ling Xi recalled the reason why Li Yan was treating her today and looked at Qiao Mu. "Sister-in-law, I heard that you participated in the fashion design competition. I wish you the best!"

Qiao Mu smiled faintly. "I don't dare to think about becoming the champion. I'll just take it one step at a time."

"It's easy to win the championship. Once big brother appears, the championship will definitely be yours."

Qiao Mu blinked and looked at Ling Xi seriously. "Young Master Ling, do you know why you're still single?"

"Why?" Ling Xi subconsciously picked up the topic.

"Because you're too tacky and don't understand a woman's mind. I would rather not be able to enter the semi-finals with my own strength than rely on Li

Yan's power to win the championship. My uncle is not as vulgar as you. He

respects me very much..”

Chapter 517: Shu Xinyu Is Actually a Stepmother!

Qiao Mu was actually very grateful to Li Yan for this matter. Although this man had boundless power, he did not use his power to help her after she participated in the competition.

He had been silently watching her from the side, watching her improve little by little.

This man had always been changing for her. He was not like this in the past. He was overbearing and unreasonable. He could do whatever he wanted, and she could only listen to him.

But now, he knew how to respect her thoughts and cared about her more and more.

Ling Xi coughed and didn't argue with the woman. "Fine, you look down on us single people."

Li Yan's lips curled up. He was very satisfied with this little woman's performance today.

Su Chen said lightly, "That may be the case, but you think too simply of this competition. If you don't use the back door, there will naturally be others who will. With just your strength, you might be eliminated by those who abuse their power."

Su Chen's words were not without reason, and it reminded Qiao Mu of Ning Tongtong.

Ning Tongtong's backer was very strong. Shu Xinyu was the investor of the competition, so it should be very easy for Ning Tongtong to stabilize her footing in the competition.

However, Shu Xinyu didn't show off her authority in front of Key previously. It seemed like Key didn't fall for her tricks.

Qiao Mu's tone was firm. " I believe that Key will treat the competition strictly. Key will definitely not treat its own competition casually. '

Li Yan was a little displeased when he saw the little woman mentioning another man with sparkling eyes.

He raised his eyebrows and looked at her calmly. " You have such a high opinion of this Key. I really want to meet him. '

Even though the man's tone was so calm that no emotions could be detected, Qiao Mu immediately caught something amiss.

Qiao Mu tactfully cupped the man in front of her. " Uncle, you don't have to see him. He's nothing compared to you. '

Li Yan snorted coldly. Judging from his expression, Qiao Mu's flattery was effective.

Chi Xia's lips twitched- She never expected Qiao Mil to be so ingratiating-

She knew how noble Key was to Qiao Mu. He was Qiao Mu's only idol, a male god. There were many times when Qiao Mu hugged a fashion magazine and looked at Key as if she was looking at her first love, praising her idol to the skies.

However, in front of Li Yan, it was not even worth mentioning.

As expected, the power of love was too great and terrifying.

Qiao Mu thought for a moment. " But Young Master Su does have a point. One of the contestants competing with me is the daughter of the sponsor of the competition. This person isn't very friendly to me because of a certain someone. Last time, the investor almost disqualified me from the competition because I was a student. '

Li Yan's eyes darkened. "There's such a thing? Why didn't you tell me?" "In the end, it was resolved smoothly, so I didn't mention it."

Li Yan's voice turned colder. "The investor you're talking about is Shu Xinyu?" "That's right. It's all because of you that her daughter is targeting me."

Lu Jingzhi's attention was originally on Baby Guan, who was eating with her head lowered. When he heard Qiao Mu's words, he raised his head. "Shu Xinyu, this woman, is quite amazing. She treats her daughter very well."

Qiao Mu was puzzled. "What's wrong with a mother treating her daughter well?"

"When Shu Xinyu married into the Ning family, the Ning family already had a son and a daughter. She married over as a stepmother, so that's not her biological daughter."

Lu Jingzhi's words stunned Qiao Mu.

Shu Xinyu was actually Ning Tongtong's stepmother!

Chapter 518: A competent stepmother

Qiao Mu never expected Shu Xinyu to be a stepmother. She had seen Shu Xinyu and Ning Tongtong together a few times, and the two of them were as close as mother and daughter, without the slightest estrangement.

From an outsider's perspective, Shu Xinyu really treated Ning Tongtong like her own daughter. Her words and actions could be seen clearly, and she did not pretend.

Qiao Mu never knew that a stepmother and stepdaughter could maintain such a good relationship.

Then, she looked at herself. Her relationship with her stepmother was so bad.

Compared to Ning Tongtong, she was really inferior.

However, she couldn't compare them like that. After all, Shu Xinyu was willing to be a stepmother, and her relationship with Yu Tingyun was very complicated. It was normal for Yu Tingyun to be unable to accept her as an illegitimate daughter.

"If that's the case, Mu Mu doesn't have anything to worry about. A stepmother won't care too much about her stepdaughter," said Baby Guan.

Lu Jingzhi glanced at Baby Guan helplessly. "Did you listen to me carefully? I just said that Shu Xinyu treats her daughter very well. When her stepdaughter was four or five years old, she married into the Ning family. Her stepdaughter's biological mother passed away, so she treated Shu Xinyu like her biological mother and even addressed her as her biological mother. Moreover, Shu Xinyu has specially launched a clothing brand for her stepdaughter. One can imagine how much she dotes on this stepdaughter. She is definitely a competent stepmother. '

"There are brands under the Lu Corporation that have worked with Shu Xinyu's clothing company before. Naturally, we have to understand the partners thoroughly."

Oh," Baby Guan replied and looked at Qiao Mu. "So you'll definitely be at a disadvantage in this match! " Sometimes, when a stepmother gets better, she's even better than her biological mother. In order to let her stepdaughter get good results in the competition, she'll definitely use her power!"

Qiao Mu didn't think much of it. "It's too early to worry about that. There are so many contestants in the competition, and we can't hinder each other. '

Li Yan looked down at her and asked softly, ""Do you need me to help you solve

Qiao Mu shook her head and smiled lightly. "No need. If I really can't solve it, I'll ask you for help.

She naturally wouldn't not use the ready-made resources that were right beside her.

If she could solve it herself, she would try her best to solve it herself. She could not rely on her blindly.

However, with him as her backer, she felt even more confident.

Li Yan nodded when he saw how confident she was. Although his little woman was sometimes very muddle-headed, when she was serious, there was nothing that she could not solve.

He was very confident in her. After all, what could be difficult for a woman who could win him over?

After the meal, Qiao Mu wanted to follow Li Yan home while Chi Xia and Baby Guan wanted to go back to school.

After leaving the hotel, Chi Xia looked at Baby Guan. "Are you leaving with me or with your wife?"

"Who is my family? Are you addicted to joking with me? Of course, we'll take a taxi together!" After Guan Baobei finished speaking, Lu Jingzhi walked over and dragged her to the parking lot without any explanation.

"Lu Jingzhi, what are you doing?"

"I'll send you off."

"No need!"

"It's not safe for a girl like you to take a taxi back. Don't make a fuss..."

As Lu Jingzhi spoke, he suddenly felt a kick coming from behind him. He quickly dodged the attack and released Baby Guan's hand.

Baby Guan snorted proudly. "You still think I'm not safe? Are you looking down on my martial arts?"

Lu Jingzhi was speechless.

He couldn't be bothered to talk nonsense with her, so he forcefully held her up and stuffed her into the car..

#### Chapter 519: This Man Is Simply Unreasonable

It was useless to have a good attitude towards this woman. She was like a little bandit. She had been contaminated by this kind of atmosphere in the Guan family since she was young. If she wanted to deal with her, she could only use violence.

Chi Xia watched helplessly as Baby Guan was taken away. Although Lu Jingzhi wanted to send Baby Guan back to school and they were going the same way, she did not have the habit of being a third wheel.

She was the only one left now. She was quite safe with her bodyguard, Guan

Baobei. Now that she was the only one left, she would not be safe if it was her.

How could Qiao Mu let Chi Xia go back to school alone? She looked at Li Yan and asked, " Uncle, let's send Xiaxia back first. "

Li Yan glanced at Su Chen, who was about to get his car, and said, ""Your place is on the way. Send her back to school."

"No need!" Before Su Chen could say anything, Chi Xia quickly rejected him.

Su Chen stopped in his tracks and furrowed his brows slightly. He looked at Chi Xia coldly and said, " I didn't say I was going to give it to you. You don't have to reject me so quickly. "

Chi Xia pursed her lips and prepared to hail a cab.

Qiao Mu stepped forward and pulled her back. " You can't walk by yourself. It's too unsafe to take a taxi. Let him send you.

“It’s okay. It’s not too far anyway.” It was not safe to be with Su Chen.

“Half an hour isn’t far!” Seeing Chi Xia’s stubborn attitude, Qiao Mu was curious. “You’re so awkward. Could it be that you have something going on with Su Chen?”

“There’s nothing. You’re thinking too much!”

“Since there isn’t, then let him send you back.”

At this moment, Su Chen had already driven past. Qiao Mu stopped the car, opened the door of the passenger seat, and pushed Chi Xia into the car.

After closing the car door, Qiao Mu instructed Su Chen, “Young Master Su, please send Xiaxia back to her dormitory safely. Thank you.”

Chi Xia was speechless.

Su Chen looked at Chi Xia coldly and started the car without saying anything.

When Qiao Mu’s figure was no longer visible in the rearview mirror, Chi Xia looked at the man driving expressionlessly. “You can stop the car now. I’ll go back by myself.”

Su Chen raised his cold eyes. “Do you think I’m that casual? Do you think I can do it whenever I want?”

Chi Xia’s face turned red at those words.

His words were unclear. She was in the car, but his words seemed to imply that she had slept with him!

Chi Xia stopped talking and sat beside Su Chen, feeling a little nervous. After all, he had taken the opportunity to do that to her when she was drunk last time!

Su Chen's face darkened. " You don't have to be nervous. I don't have a habit of forcing others. If you hadn't seduced me last time, I wouldn't have done anything to you. "

Chi Xia was speechless.

He spoke as if he was a gentleman!

She made her sound like a female hooligan!

Seeing that she had lowered her head in silence, Su Chen said, ""This is the first time I've seen a woman like you. You took the initiative to seduce someone, but the next day, you look like you're at a disadvantage."

"That's because I'm drunk!" Chi Xia couldn't take it anymore. Who wants to do that with you!"

"Then who do you want to have sex with?"

"Don't twist logic!" This man was simply unreasonable!

Su Chen looked at her angry face. Although she pretended that nothing had happened that night, as if nothing had happened between them, he knew that this woman really minded having sex with him that night.

He didn't even say anything after being toyed with by her after drinking, and she still dared to deny it!

Thinking of her attitude after she woke up, a wave of anger pressed down on her heart and lingered.

Chi Xia stepped on the brakes and was caught off guard. Her upper body fell forward and a large hand reached out and pressed down on her body. Before she could react, she could only feel the masculine scent..

## Chapter 520: Remember Your Decision Today

In the next moment, her lips felt warm. She was kissed!

Chi Xia's eyes widened in shock. The last time she had sex with him, she was drunk and her consciousness was blurry, so she had no idea what she was doing.

This kiss at this moment made her panic and stunned.

When the kiss deepened, Chi Xia suddenly reacted. She pushed Su Chen away and wiped her lips. "Go away!" Su Chen, what are you doing?"

Su Chen narrowed his cold eyes and pinched her chin. "Why? Do you dislike it? 'You forgot how proactive you were that night!"

Chi Xia took a deep breath. "What happened that night was a mistake. What do you want? Didn't you say that you don't like to force others? Then what are you doing now?!"

"You also know that it was a mistake? You treat me as someone else to play with, and you still have the cheek to shout at me here!"

"You..." Chi Xia was so angry that she did not know what to say.

She opened her mouth and gritted her teeth. "I'm sorry. Can I apologize?"

She really didn't want to be entangled with this man. If she could get rid of him, she would even apologize!

"No!" Su Chen narrowed his eyes. Seeing the disgust in her eyes, he lowered his head and kissed her again.

“Oh...” Chi Xia widened her eyes and tried to push him away, but she couldn’t.

The kiss was so aggressive that Chi Xia was frightened.

After a while, Su Chen left her lips and looked at the blushing woman in front of him. He asked coldly, “Is it annoying?”

Chi Xia was a little breathless from the kiss and could only glare at him fiercely. He was asking the obvious!

“Let me ask you, do you hate me kissing you?” The man seemed to want confirmation as he pressed on.

“Yes...” Just as Chi Xia opened her mouth, she saw the man’s face approaching her again. She was shocked and immediately shouted, “No, I don’t hate you!”

“Since you don’t hate me, then be my woman.”

Chi Xia widened her eyes in shock. “What did you say?”

“Not willing? Let me tell you, I won’t allow the woman I slept with to have someone else in her heart!” Su Chen said coldly.

Chi Xia was stunned. Was this man crazy?

Then, the man’s cold voice sounded again. “Chi Xia, stay with me. I can make you forget about your ex-boyfriend.”

Su Chen’s words made Chi Xia’s mood sink.

What right did he have to be so self-righteous!

Why did she always bring up her sad matters?

She didn't want to think of Gu Cheng at all, but he kept exposing her scars.

Thinking of Gu Cheng's pestering, even if she knew that he had a fiancée, he still kept saying that he loved her and refused to solve the problem or let go of her. Her heart ached faintly.

Why were all men like this? The once considerate Gu Cheng had become so selfish, while the man in front of her, who she had accidentally provoked, was so arrogant!

In that instant, Chi Xia felt a sense of revenge.

Seeing Chi Xia biting her lip and not saying anything, Su Chen's face darkened.

At this moment, the woman in front of him finally raised her head. Her eyes were filled with determination. She opened her mouth and only said one word, "Good!"

Su Chen raised his eyebrows and stared at her. After a while, he started the car.

The man's gaze shifted away. Chi Xia's calm demeanor instantly lost its confidence. She felt dizzy. What did she promise?!

Before she could heave a sigh of relief, the man's cold voice sounded, "Chi Xia, remember your decision today."
