### Chapter 561: Li Yan Appears and Kills Everyone Instantly

Shu Xinyu's words were saying that she had no upbringing!

Qiao Mu clenched her fists tightly. Her heart felt like it was being stabbed, and the scar she cared about the most was revealed.

Qiao Mu felt the man beside her turn sinister and terrifying. The moment the man moved, Qiao Mu immediately stepped forward and shook her head at him, indicating that she was fine.

It was true that she did not have a mother, but she had a father!

Her stepmother had never raised her since she was young, but her father had done his duty to raise her!

Qiao Mu expressionlessly returned Shu Xinyu's gaze. "President Shu, you're an elder. Don't you think it's beneath you to say such words?" My stepmother is indeed not as competent as you. She won't be like you, spoiling her stepdaughter without any reason!"

"You!" Shu Xinyu's expression was ugly.

There was a burst of discussion in the surroundings. Outsiders knew that Ning Tongtong and Shu Xinyu were mother and daughter, but they did not know that Shu Xinyu was not Ning Tongtong's biological mother!

"I'm sorry to disturb you."

Suddenly, a voice interrupted, and a tall figure walked over.

Ye Nuan looked at Qiao Mu before her gaze landed on Ning Tongtong. "I overheard your conversation just now, and I can prove that Ning Tongtong did indeed look for Qiao Mu's original model, Xuanxuan, in private."

Ning Tongtong's expression changed. "Ye Nuan, what nonsense are you spouting!

Ye Nuan shrugged. "Miss Ning, you're too agitated. You'll know if you're talking nonsense after seeing the photo. I happened to see it, so I took a photo of it. I also heard Miss Ning tell Xuanxuan that she wants Xuanxuan to be the spokesperson for Tong."

Qiao Mu's expression turned cold. "As expected, Xuanxuan's sudden diarrhea is also related to you!"

Ning Tongtong straightened her back. The more chaotic the situation was, the more she couldn't lose her sense of propriety. She sneered, "Don't talk nonsense! It was just a photo. What could it prove? Ye Nuan, do you have a personal relationship with Qiao Mu and are deliberately helping her?"

Ye Nuan raised her eyebrows. "Didn't you say that you want Xuanxuan to be the spokesperson for Tong?"

"Of course not! My clothing brand has a special spokesperson. How can I change it just like that? I definitely wouldn't let an inexperienced model be the spokesperson. What a joke!" Ning Tongtong said confidently. How could she admit to something without evidence? Moreover, from the beginning, she was just trying to trick Xuanxuan into taking the bait!

Ye Nuan sighed and looked at the door. "Xuanxuan, you heard it. She said it herself."

Hearing this, Ning Tongtong was stunned. The next second, she heard Xuanxuan's furious voice, "Ning Tongtong, you lied to me! I still fell for your trick and gave up the opportunity to go on stage to help you do so many things!"

"You..." Ning Tongtong didn't know how to quibble for a moment, so she glared at Qiao Mu. "I know, you must have linked them together to frame me!"

Ning Tongtong looked at Shu Xinyu with an aggrieved expression. "Mom, look at how bad they can be. Hurry up and get these people to leave. A good competition has been ruined by them!"

Shu Xinyu looked at Key, who was not involved in the matter. " Key, this is a competition that you organized. Are you not going to do anything about letting these contestants mess around with the models? "

Key smiled faintly. " Director Shu, you know that this is a competition. Ning Tongtong has been sued for plagiarism and has been accused of violating the rules of the competition. Logically speaking, she should be disqualified. '

"What?" Ning Tongtong's eyes widened. " There's no evidence at all. Just because they slandered me, they want to disqualify me from the competition? "

Shu Xinyu frowned. " Key, a competition is not a game.. Without evidence, you can't make a decision! "

Chapter 562: Overbearing and Unreasonable Pet (1)

Key's tone was indifferent. " President Shu is right. Since you don't have any evidence to accuse Qiao Mu of plagiarism, it's unfair for you to give the contestant a zero. '

Key, I'm a judge. I have the right to use my own standards to judge the contestants. I sponsored this competition. Do you think I don't have the right to give a player with no character a zero? "

Her words made Li Yan, who had been silent for a moment, laugh coldly. " No moral character? "

President Li seems to be dissatisfied with my standards. I'm only judging the matter, not the person. '

Shu Xinyu looked at Li Yan's sinister expression. Although she had worked with Li Yan before, their working relationship was still quite harmonious. Although Li Yan's working attitude was cold, he was still polite.

However, the Li Yan in front of her today was so cold that she had never seen him before.

After all, she was an elder. How could she lose her composure in front of a junior?

I'm the exact opposite of President Shu. I'm the one who treats people and not things. President Ning contacted me a few days ago and said that he was interested in working with the Li Corporation. I wanted to consider it at first, but it seems that there's no chance now. '

Li Yan's words caused Shu Xinyu's expression to change again and again.

Qiao Mu listened to the man's unreasonable words and spoke so righteously.

This man was like this. Whether it was right or wrong, it was like an imperial edict from his mouth. As long as it was something he wanted to do, there was no right or wrong.

Ning Tongtong was so angry that she gritted her teeth. She took a step forward and approached Li Yan, then pointed at Qiao Mu angrily. "Young Master Li, you can't be deceived by this scheming b \* tch. She..."

Hearing Ning Tongtong's words, Li Yan's expression darkened. He picked up the complaint and threw it at Ning Tongtong's face.

Due to the speed and force, the paper scraped Ning Tongtong's face with great force. It was extremely sharp, causing Ning Tongtong to let out a low, sharp cry.

Immediately after, a bone-chilling voice rang out with endless coldness, making people tremble uncontrollably. "I never hit women. If you don't shut your mouth, I don't mind making an exception here."

Qiao Mu saw Li Yan's frightening expression and reached out to hold his hand gently. "Let's go. It's fine if we don't participate in such an unfair competition!"

Li Yan lowered his head, and when his gaze landed on Qiao Mu, his coldness vanished instantly.

He held her hand and walked out.

The entrance was originally blocked by a group of contestants who were watching the show, but they all consciously made way for Qiao Mu at this moment. Numerous gazes of envy and jealousy landed on Qiao Mu.

The famous Young Master Li was hundreds of times more handsome and cool than the rumors said!

Just as the two of them were about to leave, Key said, ""Wait a minute."

Qiao Mu turned her head and met Key's phoenix eyes. "Teacher Key, thank you for recognizing my work. I won't have a chance to advance to the finals. ' "I haven't given the final result yet. It's a little too early to say that." Key's words stunned Qiao Mu. Could there be a turning point?

"As the organizer, I'll add a temporary rule to give Qiao Mu the right to advance to the finals," Key continued.

Qiao Mu was stunned. The surprise came too suddenly and caught her off guard!

Teacher Key had been staying out of her matters. She thought that he did not want to offend Shu Xinyu, but she did not expect him to pull her back at the last moment!

Shu Xinyu's expression changed. "Key, this is a competition. How can you change the rules just like that!

"President Shu, I think you should know that I have the final say in this competition!" Key paused for a moment and said, ""Also, my studio has received an invitation from LSAE today.. So, from the finals onwards, we will be working with the Li Group! "

Chapter 563: Overbearing and Unreasonable Pet (2)

Key took a step forward and extended his hand to Li Yan. "President Li, I hope we can work together happily. "

"Naturally." Li Yan's lips curled up as he held the other party's hand.

Everything had changed too quickly. Before Qiao Mu could recover from her shock, Li Yan had already led her back to the lounge.

Li Yan pinched Qiao Mu's cheeks. "You're back to your senses. What are you daydreaming about?"

Qiao Mu looked at the man's face in front of her and jumped up in surprise. She wrapped herself around Li Yan like an octopus. "Uncle, you're really my savior!"

No, you're my lucky star!"

Li Yan chuckled softly and sat on the sofa with the little woman in his arms.

"If that's the case, why don't you look for your lucky star when you encounter trouble?"

Qiao Mu pursed her lips. "I'm worried that my luck will run out, so I have to save it for use!"

"Garrulous!"

Qiao Mu hooked her arm around Li Yan's neck. "Uncle, what's with the lawsuit?" "I didn't know about it beforehand."

"When I saw Shu Xinyu accuse you of plagiarism, I asked Lei Yi to prepare a lawsuit. She dared to accuse my woman of plagiarism, so how could I not retaliate?" Li Yan's tone sounded like he should not be too protective of his own.

"What if I really plagiarized?"

"Then I'll turn black into white."

The man's words were overbearing and unreasonable, causing warmth to flow through Qiao Mu's heart.

In this world, there was one person who stubbornly supported her no matter what she did.

Although this method was very rude and unreasonable, who wouldn't want to find a man who doted on them unconditionally?

Qiao Mu thought that meeting him in this lifetime was truly the luckiest thing for her!

In fact, Li Yan had never thought that she would plagiarize. His little woman was so serious about her work that he was a little jealous of the work that she valued. How could she plagiarize?

He had never doubted her.

When Shu Xinyu said that Ning Tongtong's work was similar to hers, he had thought of the mysterious person who had bought her work.

Of course, if she was really wrong, she was right in front of others. To correct his mistakes, he naturally had to go home and teach him a lesson behind closed doors!

Qiao Mu hugged the man's neck and gave him a heavy kiss.

Li Yan licked his lips and smiled. "That's it? "

"What else do you want? Don't push your luck!"

Little thing, it ended so hastily this morning. Shouldn't you make it up to me?

Hurriedly ending it? That was because his skills were not good enough!

Qiao Mu really wanted to say this out loud, but she truly did not have the guts.

Suddenly, that large hand reached into her clothes in a disobedient manner. Qiao Mu stiffened and glared at him with a slightly red face. " Quickly take your hand away! " I'm angry!"

"Hmm? Then why don't you show me how angry you are?" The man seemed to be teasing her on purpose, and his big hands became even more arrogant.

A light touch of the little woman's body was enough to ignite him completely, not to mention that he had been hungry for so long.

Li Yan pressed her against the sofa and kissed her.

Qiao Mu was on tenterhooks. He was too reckless. Someone could enter this place at any time!

Li Yan knew that the little woman would not allow him to continue staying here. He only kissed him, unwilling to leave her lips.

At this moment, the door was pushed open.

Li Yan paused and looked up at the person at the door. His expression darkened, and he sat up as if nothing had happened and tidied up Qiao Mu's clothes.

Qiao Mu's face was red and she was too embarrassed to look up.. She thought it would be Chi Xia and Baby Guan, but when she looked up, she saw Ning Tongtong!

Chapter 564: Overbearing and Unreasonable Pet (3)

Qiao Mu expressionlessly looked at Ning Tongtong. " Did you come to the wrong door? "

Ning Tongtong's face turned purple the moment she pushed the door open. She never expected to see such a scene in the room!

The two of them were entangled on the sofa. The scene was simply unbearable!

This Qiao Mu was truly shameless. She had lured men to such a place!

She was initially puzzled as to why Li Yan would be so biased towards Qiao Mu and was curious about what kind of methods Qiao Mu had used. Now, she finally understood that it was nothing more than that!

Ning Tongtong stood at the door and lowered her head. " Sorry to disturb you.

Qiao Mu, I want to talk to you. '

Even though Qiao Mu did not want to waste her breath on Ning Tongtong, she still felt the need to mention the fact that Ning Tongtong had bought her design drafts.

Qiao Mu looked at Li Yan. " Uncle, wait for me outside. '

Li Yan furrowed his brows, clearly worried. Qiao Mu smiled back at him, reassuring him.

Li Yan then stood up and walked out of the room. When he passed Ning Tongtong, his cold eyes swept over her with a warning.

Ning Tongtong gritted her teeth and entered the room.

Qiao Mu was the first to speak. " If you have something to say, just say it. It's just the two of us, so you don't have to pretend anymore. We both know what happened between us. '

Qiao Mu, I came to find you to talk about this. " Ning Tongtong looked at Qiao Mu without the slightest hint of guilt. " That's right, I bought your design drafts, but you have to know that I gave you money and you gave me the drafts. It was a normal transaction between us, and there was no right or wrong, much less plagiarism. Back then, we clearly came to an agreement that no matter where you saw the work you

sold to me, you were not allowed to tell a third person about our transaction! You sold your work to me, so it's mine. You have no right to sue me!"

Ning Tongtong was right. Back then, she had sold the copyright willingly because she lacked money. She could not blame anyone else. This was also the reason why she had not made this matter public.

Although Ning Tongtong's actions were disgraceful, she couldn't turn her back on her.

Ning Tongtong, " Qiao Mu said coldly, " I can pretend that nothing happened before, but you keep saying that I plagiarized you. Do you think I'll sit by and do nothing? "

Ning Tongtong's tone softened. " Actually, I thought that you bought the artwork from someone else, so I've been targeting you. I'm worried that what I

did will be exposed. Since we've cleared up our matters, I'll explain it to my mother. "

"In that case, I hope you won't say the wrong thing again. Goodbye!" After Qiao Mu finished speaking, she left the room.

Outside the door, Li Yan leaned against the wall. When he saw Qiao Mu come out, he raised his eyebrows. " We're done with this? Do you know that being merciful to your enemies is asking for trouble for yourself?"

Qiao Mu knew that he had overheard their conversation just now. She turned to look at Ning Tongtong, whose face was pale. She winked at Li Yan. " Then what do you think we should do? "

"According to my style, it's ... Cripple him!"

Qiao Mu was speechless.

How ruthless! Absolute!

Qiao Mu rejoiced countless times that she was not his enemy!

Ning Tongtong's legs went weak from fear, but she pretended to be calm.

Qiao Mu held Li Yan's hand and said as they walked, "Uncle, if you educate me like this, others will think that I have a bad character. Wouldn't that make me even worse?"

"It doesn't matter. My woman naturally has to work with me."

Qiao Mu was speechless.

If he was dirty, he would drag her along with him!

What kind of twisted logic was this!

Ning Tongtong, who was standing at the door of the room, looked at Qiao Mu and Li Yan's intimate backs, and her expression turned ferocious..

Chapter 565: Likes the Secretive Type

The competition had not ended yet, so Qiao Mu could not leave the venue. She went to the runway hall with Li Yan and continued watching the competition.

At some point, Baby Guan was already sitting in the audience. Although she was sitting on Lu Jingzhi, her expression was serious. It was obvious that the two of them were having a fight.

Ling Xi smiled when he saw Qiao Mu. "Sister-in-law, your face is glowing. Did you solve the problem?"

The way she called her sister-in-law became more and more fluent, making

Qiao Mu feel a little uncomfortable. " Don't call me sister-in-law. ' Li Yan lowered his eyes and looked at the little woman. Was she shy?

"Being called sister-in-law by someone so old will make me look old," Qiao Mu continued.

Ling Xi was speechless.

At such an old age? How old was he? He was a few months younger than her man, alright?

Lu Jingzhi said lightly, " Qiao Mu, who asked your man to be the boss? Since you don't want to be the sister-in-law, then ask Big Brother to give up his position as the boss. "

After interacting with Li Yan and his brothers for a long time, Qiao Mu realized that they were only cold and aloof on the surface and were not that difficult to get along with.

After hearing Lu Jingzhi's words, Qiao Mu immediately retaliated. " Give it to who? " Young Master Lu, do you want Baby to be your sister-in-law?"

Baby Guan snorted. " Mu Mu, why did you mention me? I have nothing to do with him!

Qiao Mu raised her brows and smiled. " If it's alright, then why are you sitting next to him? "

"Because there's only one seat here!" Baby Guan lied through her teeth. There was clearly an empty seat next to Su Chen.

Lu Jingzhi crossed his legs and glanced at Baby Guan. " Oh, so you would let someone who has nothing to do with you kiss you. '

Qiao Mu's lips twitched. Why was Young Master Lu so direct in front of so many people?!

Sure enough, after Lu Jingzhi finished speaking, Baby Guan's face turned red for once.

Baby Guan had always been a big girl, but she was blushing!

Lu Jingzhi refused to let her go. " Why? Am I wrong? "

"You..." Baby Guan was so angry that she gritted her teeth. She stood up and was about to leave, but before she could take a step, her wrist was grabbed and she was pulled back to the chair in the next second.

"Alright, stop fooling around. Watch the game quietly!"

After Qiao Mu finished watching the show, she leaned toward Li Yan. " Uncle, I realized that you're actually better off compared to them. "

Li Yan raised his eyebrows. " What do you mean? "

"At least you're serious in front of others and not so casual." This man was really coquettish. He did not reveal his true nature outside and always revealed his true colors when they were alone.

Li Yan chuckled. " So, you're encouraging me to learn from Third Brother? "

"No, no, don't learn from him. I like the quiet type!"

"Since you're so sure of your man, I'll definitely work harder to satisfy you." Qiao Mu was speechless.

After a while, Chi Xia came over and Qiao Mu waved at her. " Xiaxia, where did you go? "

" What else? You left with your man and I, your assistant, helped you pack up your clothes backstage. "

Qiao Mu chuckled and told Chi Xia to sit down and watch the match.

The only seat left in the row was beside Su Chen. Chi Xia walked over and sat down with her head lowered.

Qiao Mu saw that the two of them didn't have any conversation, and she couldn't help but be curious about what was going on between them.

On the judges' seats, Shu Xinyu looked at Qiao Mu expressionlessly. Her eyes turned cold, and she looked at Key.. " Key, what benefits did Li Yan give you to make you protect Qiao Mu like this? "

Chapter 566: Where Did Professional Morality Go?

Key's attitude was cold. " President Shu, there are some things that can't be exchanged with benefits. "

What he meant was that Shu Xinyu's thoughts were too vulgar.

Shu Xinyu's expression changed. " I only know that a person with an extremely bad character can't be much better in any aspect. You probably don't know this, but Li Yan and Qiao Mu's family have a feud. Qiao Mu's stepmother was sent to prison by Li Yan, and she's already disowned at such a young age. Even if you want to nurture her, she won't remember your kindness in the future! " Key turned a deaf ear to him. " That's not important, President Shu. "

You probably don't know this, but Li Yan and Qiao Mu's family have a feud. Qiao Mu's stepmother was sent to prison by Li Yan, and she's already disowned at such a young age. Even if you want to nurture her, she won't remember your kindness in the future! "

Key turned a deaf ear to him. " That's not important, President Shu. "

Below the stage, Qiao Mu saw that Key and Shu Xinyu were talking about something in the judges' seats.

Suddenly, Ling Xi exclaimed, " Is this a fashion show or a pajamas show? Five women in pajamas came out at the same time. How stunning!"

Qiao Mu looked up and saw An Ting leading the models on stage.

An Ting's design was based on the explicit style of a fashion brand. The model did not even wear any underwear. Her upper body was covered with a translucent chiffon fabric with flowers printed on it. The lower hem was split to the thigh. When she walked, it was almost as if she was showing off her beauty.

Previously, when each of the costumes appeared individually, it was not too stunning. Now that they appeared at the same time, it really made people's imaginations run wild.

Qiao Mu turned to look at the man beside her and glared at him. "You're not allowed to look!"

Li Yan glanced at her. "Little thing, where's your professional ethics?"

"Hmph, do you like this kind of clothes very much?"

"Not bad."

Not bad?

From this man's mouth, it meant that she liked him!

Qiao Mu was instantly unhappy. Indeed, all men were the same!

Li Yan could tell that the little woman was unhappy, so he smiled faintly. "However, it's not worth wearing on them. I prefer to wear it on you. You can wear it as pajamas for me when we get home."

Qiao Mu was speechless.

In his eyes, the designer clothes were nothing more than pajamas!

No, it should be more accurate to say that it was a flirting nightgown.

However, Qiao Mu found his words, "There's nothing to look at on them ' extremely pleasing to the ear.

After An Ting's team finished their performance, Tang Xiaozhu was the last to advance.

When Qiao Mu announced the results, she saw An Ting's confident expression, and her expression instantly turned extremely ugly. It was as if she had not expected this outcome at all.

An Ting would never have thought that Tang Xiaozhu was her junior sister and usually helped her in the company. However, she had designed such a big brand of clothes, and her total score was actually one point lower than Tang Xiaozhu!

An Ting thought that since Qiao Mu was able to make an exception and be directly selected by Key to enter the finals, she would also have the same opportunity. Compared to Qiao Mu, that plagiarist, she was not inferior at all!

After the competition, eight teams had advanced to the next round. In the end, Key announced that it would make an exception and let Qiao Mu advance.

After that, there was nothing else.

In other words, all the other contestants were eliminated!

An Ting went up on stage indignantly. "Key teacher, why is Qiao Mu the only one who made an exception and advanced? We have so many contestants, but are we all inferior to her? Since she can advance, with my strength, I can too!"

Key looked at An Ting. "You're indeed good, but this is a competition, not an exhibition where you can do whatever you want. The clothes you designed did not match the theme of the competition. No matter how outstanding they were, it was meaningless. For this match, having too much experience isn't necessarily a good thing."

An Ting's face turned pale. She was unwilling to accept this!

She was aiming for the championship. How could she fall halfway and not even advance to the finals!

Chapter 567: Definitely Defeat Qiao Mu in the Finals

The match ended.

Even though Qiao Mu was schemed against by Ning Tongtong and put in a difficult position by Shu Xinyu, she still managed to obtain a spot in the finals.

Yu Yiduo couldn't make it to the venue. After she called to ask about the results, she clamored for Li Yan to bring Qiao Mu home. She wanted to personally cook for Qiao Mu to celebrate.

Qiao Mu returned to the lounge to pack her things while Li Yan left to wait for her in the car.

After she was done cleaning up, Qiao Mu came out of the lounge and bumped into An Ting. The moment An Ting saw her, her expression darkened. "Qiao Mu, you still have the face to continue competing in such a special way to enter the finals?"

Qiao Mu didn't think much of it. "Why? Could it be that Teacher Key gave you such a chance, and you want to withdraw from the competition because of your pride?"

An Ting's expression changed. "You don't have to be smug. I want to see how far a plagiarist like you can go! The higher you rise, the more painful it is to fall. I'm just waiting to watch a good show!"

"Thank you for paying so much attention to me." Qiao Mu was not angry no matter how much he provoked her and left.

"You!"

An Ting was exasperated. Tang Xiaozhu tugged at An Ting's clothes lightly. "Sister Ting, forget it. Teacher Key naturally had his reasons for helping Qiao Mu advance. You'd better..."

“Shut up!” An Ting glared at Tang Xiaozhu angrily. “You have no right to speak here. You’ve advanced, so of course you’re satisfied. I’m the one who’s been eliminated!”

Tang Xiaozhu lowered her head in embarrassment.

Qiao Mu originally didn’t want to be a busybody, but she stopped in her tracks when she heard this. “Anting, it’s reasonable for you to lose to Tang Xiaozhu. Tang Xiaozhu’s works, from the preliminary round to the semi-finals, not only have unique designs, but they also completely fit the theme of the competition. As for your works, apart from displaying fashion brands, what other design concepts do you have? Don’t think that you’ve been treated unfairly. Just like Teacher Key said, in this game, having experience isn’t necessarily a good thing!”

Qiao Mu’s words made An Ting’s face turn red with anger. “You’re even lecturing me now? No matter how bad I am, I’m still better than you. Other than plagiarism, what else do you know?!”

Qiao Mu’s expression turned cold. “If you say something without evidence, it’s a false accusation! Please wait until after the finals before you evaluate me!” Qiao Mu left and walked around the corner, bumping into Ning Tongtong and Shu Xinyu.

She did not stop in her tracks. Just as she walked past the two of them, Shu Xinyu called out to her.

Qiao Mu, you’re still so young, so you’re too eager for quick success. There are some things that you’ve benefited from now, but you’ll pay the price for it sooner or later.” Shu Xinyu lectured.

Qiao Mu stopped in her tracks and turned to look at Shu Xinyu. “President Shu, what do you mean by that?”

Li Yan won’t always protect you like this. Without him, you won’t be able to

survive in this industry.”

Qiao Mu found it extremely laughable. She relied on her own hard work to obtain results, yet she was regarded as worthless by others!

“President Shu, it’s not up to you whether I can survive in this industry or not. If you have the energy, you should put more effort into your daughter!” Qiao Mu left immediately after she finished speaking.

Shu Xinyu looked at Qiao Mu’s back and frowned. “ You really have no manners!

“Mom, forget it.” Ning Tongtong’s voice was soft and gentle. “ Don’t try to see her again. Forget about the plagiarism. I’ll defeat Qiao Mu in the finals. If she plagiarizes again, I won’t let her off! ”

Shu Xinyu sighed. “ You’re the kind-hearted one.. ‘

Chapter 568: Haven’t Seen the World

Qiao Mu was originally in a good mood, but after being lectured by Shu Xinyu, she hopped into Li Yan’s car listlessly.

In order to stand out in the competition with her own strength, she had already worked very hard. However, in the eyes of others, she still relied on Li Yan to get to the top.

Some people liked to use their own thoughts to evaluate others. In the end, it was because their thoughts were not pure that they thought that she was not pure.

Thinking of this, he felt a little better.

Li Yan looked at the little woman. “ What are you thinking about? ”

Recalling that the Li Corporation was the sponsor of the finals, Qiao Mu glared at him. “ Uncle, you’re not allowed to interfere with my results during the finals. ”

His tone was not one of pleading, but one of command.

Li Yan's lips curled up and he looked lazy. "As long as you don't get bullied, you can do whatever you want."

Qiao Mu smiled in satisfaction. "How can I be bullied so easily? Don't worry!"

When he returned to the Li family's house, he heard the sound of pots and pans being smashed in the kitchen as soon as he entered.

Li Zheng was sitting on the sofa. When he saw them coming back, he frowned and looked helpless. "You're finally back. Your mother has prepared a feast for you."

Qiao Mu looked at the busy figure in the kitchen, and then the sound of a basin falling to the ground was heard. This sound was somewhat familiar, and it was somewhat similar to the scene when she was cooking in the kitchen.

Qiao Mu was especially touched to see Yu Yiduo personally cooking, and all the unhappiness she felt during the competition flew away.

When she looked up, she saw that Li Yan's expression had become exactly the same as Li Zheng's. He did not seem to be happy that Madam Yu had personally cooked for him.

Qiao Mu realized a problem. Madam Yu definitely did not know how to cook.

Even if he didn't know how to do it, it wouldn't be too bad, right?

Qiao Mu entered the kitchen, hoping to get lucky. When Yu Yiduo saw her, she greeted her warmly, "Mu Mu, you're finally back. Come, help Mommy bring the dishes to the table and prepare to eat."

When Qiao Mu's gaze landed on the dish that Yu Yiduo was pointing at, she

instantly...He was stunned.

“Auntie, what is this?” Was this black thing really for her to eat?

Yu Yiduo looked at Qiao Mu as if she was looking at an idiot. “ This is braised prawn. Mumu, have you never seen such a big Argentina red prawn before? ” You’re really too ignorant!”

Qiao Mu was speechless.

How ignorant was she to be unable to recognize a prawn?

How could one tell that this black lump of ash was a braised prawn?

Qiao Mu could only pretend that she was really ignorant. Then, she looked at the other plate of black things and said with a clear expression, know this. This is braised chicken wings, right?”

Yu Yiduo shook her head helplessly. “ That’s black pepper steak. ‘

Qiao Mu was speechless.

Alright, she was really ignorant.

At this moment, Li Yan walked over. Yu Yiduo scolded him, “ Son, you’re too much. Mumu has been with you for so long, but why didn’t you let her see the world? She doesn’t even know how to cook the Argentina red prawns, and she hasn’t even seen the steak before. ‘

Qiao Mu wanted to cry but had no tears. He couldn’t look down on her like this!

Just as she thought that Li Yan would put in a good word for her, he nodded and said seriously, ““Yes, I’ll bring her out more often to see the world.” Qiao Mu was speechless.

Qiao Mu walked out of the kitchen with the food that was almost too much to eat. She glared at Li Yan and whispered, “You and your mother ganged up to bully me!”

“Be good. It’s not easy for my mom to cook. You have to cooperate with her and give her some face.”

.. Alright, she finally saw her uncle being filial for once.

Chapter 569: Touched to Tears

Finally, the meal began.

Yu Yiduo spent a lot of effort to make four dishes. There were fish, prawns, beef, and vegetables.

Li Zheng stood up and prepared to go upstairs. “I didn’t sleep well last night, so I’m going upstairs to sleep. You guys go ahead and eat. Don’t worry about me.

“Stop!” Yu Yiduo was unhappy. “Mu Mu has advanced in the competition today. We have to celebrate for her. We have to sleep. We’ll sleep after we finish eating.

Li Zheng was forced to walk over and sit down. His expression was as if he was going to the execution ground.

This was the first time Qiao Mu had seen Li Zheng, who was even more arrogant than Li Yan, encounter something to worry about.

Yu Yiduo poured four glasses of red wine and raised her glass. “To celebrate Mu Mu’s advancement in the competition!”

“Auntie, thank you for making such a table of dishes for me.” Qiao Mu’s gratitude came from the bottom of her heart. Even though the food seemed difficult to swallow, her intentions were genuine.

When she was young, no matter what kind of results she got, no one celebrated for her.

Qiao Ya scored full marks in the exam, and Yu Tingyun rewarded her with beautiful jewelry. She was so excited that she wanted to tell her father about it, but Yu Tingyun stopped her, saying that her father was busy with work and that she should not disturb him with such a small matter.

Now that she had someone to worry about, it felt really good.

Qiao Mu's eyes couldn't help but redden. Yu Yiduo looked at her and consoled her with heartache, "What's wrong? Are you so touched that you're about to cry? This child really makes my heart ache. Hurry up and eat a prawn."

Qiao Mu saw that there was a large prawn in her bowl, and after hesitating for a moment, she still started peeling the skin.

Although it was dark outside, the meat inside was still edible.

She put it into her mouth and took a bite, then...Her eyes turned even redder.

Yu Yiduo was shocked. "Aiya, isn't it too delicious?"

Yes." Could she say that it wasn't delicious?

In fact, she had been spiced!

Qiao Mu wanted to vomit, but she didn't want to hurt Yu Yiduo. She could only silently chew, and after eating, she quickly ate a few mouthfuls of rice and drank a large mouthful of water.

Qiao Mu looked at Li Yan with reddened eyes. Li Yan frowned and picked up a prawn with his chopsticks to take a bite before putting it down. "Mom, why did you add chili sauce to the braised prawn?"

"What? Did I add chili sauce? I thought the braised prawns were red, so I added the red sauce from a crispier in the fridge to color them. Is that chili sauce?"

"Madam," the butler said, "that's the chili sauce specially made by the chef.

It's very spicy and is used to season dishes. '

Yu Yiduo slapped her forehead and looked at Qiao Mu worriedly. "Mu Mu, why didn't you say it was spicy?"

Qiao Mu's lips twitched. "It's alright, Auntie. I like spicy food. "That's good. I didn't expect it to suit your appetite. Eat more."

Qiao Mu was speechless.

"Did the competition go well?" Li Zheng asked.

Qiao Mu smiled. "Thank you for your concern, Uncle. There's a little trouble, but it's fine. '

"What trouble?" Yu Yiduo asked.

Before Qiao Mu could say anything, Li Yan said, ""How can a player without a corporate backer and a university student not be in trouble? One of the judges targeted her and gave her a zero. Fortunately, the organizers of the competition recognized her work and allowed her to advance to the finals directly."

Yu Yiduo widened her eyes. "Who dares to make things difficult for my daughter?" Do you think my daughter is easy to bully? No backing, right? Mu Mu, come and look for me for this kind of thing. You can attend the finals as a

designer from a brand under the Yu Corporation. Let's see if they still dare to look down on you!"

Qiao Mu's heart warmed, and she tactfully refused, ""Thank you, Auntie. I won't trouble you. They thought that I got in through the back door when they found out about my relationship with Li Yan. If I

join the Yu Corporation, I don't know how they will gossip about me. If I really win the championship, they will definitely say that I got in through the back door. I want to handle this matter myself.. '

Chapter 570: Mu I s Mother, Got a Clue (1)

Yu Yiduo sighed. " Alright, we'll do as you say. Where can you find such a sensible girl nowadays? Let's not talk about this for now. Let's eat. "

Qiao Mu braced herself and finished the meal. In the end, she was practically full from drinking water. It was salty and spicy, and the taste was truly rich.

Qiao Mu had always felt that she was not virtuous enough. She only knew how to cook a few simple dishes and had never tried anything complicated.

However, compared to Madam Yu, she was a completely qualified wife! A wife...

Qiao Mu felt a little unnatural when this term suddenly popped up.

She raised her head and met Li Yan's gaze unintentionally. She blushed and averted her gaze. She was not someone's wife!

After the meal, Qiao Mu returned to her room for an afternoon nap.

His nerves, which had been tense for half a month, were finally relaxed. He really wanted to sleep.

Just as she was about to change into her pajamas, Li Yan walked in.

Li Yan walked to the closet and rummaged through a set of pajamas for Qiao

Mu. " Change into this. "

Qiao Mu couldn't help but blush when she saw him. She had bought the spaghetti strap dress in his hand to seduce him into wearing it.

The pajamas were in his palm. He could hold the small fabric in his palm with just a big hand. The material of the pajamas was pitiful.

Qiao Mu ignored him. She picked up another set of pajamas and turned to leave. "If you want to wear it, wear it yourself."

The next moment, someone grabbed her wrist and pulled her down. In the blink of an eye, she was pressed against the wardrobe and could not move.

The man's deep voice slowly sounded. "Little thing, do you like me wearing this kind of thing? Do you have any bad habits that I haven't noticed?"

Qiao Mu was speechless.

The corners of Li Yan's lips curled up as he personally undressed Qiao Mu. Qiao Mu's body stiffened as she glared at him. "Uncle, aren't you going to work in the middle of the day? You just came back from a business trip. There must be a lot of things waiting for you to handle in the company, right?"

"You also know that I just came back from a business trip? The first thing I do when I come back is not work, but to satisfy my woman's needs."

I didn't!"

"No need?" Li Yan laughed softly and lost his balance. His slender fingers slowly unbuttoned his shirt. "Then why were you so enthusiastic this morning? Just now at the dining table, you even used your eyes to seduce me?"

Which eye of yours saw me lure you?!"

Li Yan's perverted lower body pressed against hers. "I can feel it here. 'F \* ck! Could he be any more shameless?"

Qiao Mu could feel the scorching heat of his fingers being transmitted to her through his touch. Behind her was the ice-cold marble wardrobe, and in front of her was a scalding heat conductor. This cool and hot touch stimulated Qiao Mu's body to go limp.

Next, a certain man took off her clothes in a good mood and helped her put on her pajamas. Then, he stood in front of her and sized her up. He nodded with admiration. "As expected of a fashion designer. I can't find any fault with the clothes you chose."

Qiao Mu blushed. "I don't like wearing this!"

"Oh? If you don't like it, I'll help you take it off."

Qiao Mu grabbed Li Yan's hand and reminded him softly, "Uncle, it's daytime now."

'ISO so ...

This bastard! He actually pretended to be stupid!

If she said that she wanted to stop him, he would definitely say that her thoughts were not pure. He was just changing his clothes and did not remember anything.

Qiao Mu gritted her teeth and remained silent. She glared at him with a red face. "Go and draw the curtains. I want to take an afternoon nap!"

"Good!" As Li Yan responded, he hooked his arm around Qiao Mu's waist and brought her to the window with him. He then placed her on the cabinet by the window.

The man quickly drew the curtains and walked towards her with a smile. "Now, I can help you take off your clothes. 'This bastard!"
