

The Apple 581

Chapter 581: She would trip whoever chased after her

"You're a little inflamed because of the competition," Li Yan said calmly. "You can't eat spicy food, remember?"

Qiao Mu pursed her lips and looked at Su Chen. "Young Master Su, why can't you do it too?" Is Xiaxia's throat inflamed too?"

Chi Xia's expression was a little unnatural. Even she herself did not realize that she could not eat spicy food when she was on her period. However, Su Chen noticed it.

Seeing Qiao Mu's gossipy face, Chi Xia could not help but glare at her. "Hurry up and continue ordering."

Qiao Mu smiled sneakily as her gaze darted between the two people in front of her. She had forgotten about Chi Xia's health at first, but now she had figured it out. It seemed like Su Chen was quite attentive to Chi Xia.

For the next meal, Qiao Mu and Chi Xia chatted while eating. Compared to their noise, the two men beside them were much quieter.

"Mu Mu, why did Key look for you today?" Chi Xia asked.

Qiao Mu took a sip of water and said excitedly, "" He wants to include my semi-final work into the Key brand. '

"So, your work is going to be released?"

Qiao Mu nodded. "Key's efficiency is very high. It'll probably be released next week. '

Chi Xia held a glass of water. " Here, cheers. Congratulations on taking another step towards your dream! "

Li Yan looked at the excited little woman. " It seems like my personal designer will be born soon? "

Qiao Mu became smug. " Of course! Don't worry, uncle. I'll definitely dress you up to be handsome and charming."

' Aren't you afraid that Young Master Li is so charming that a group of women will chase after him? " Chi Xia laughed.

It's not a big deal. If someone were to chase after him, I'll trip them. Besides, my uncle has long legs. No one can chase him. '

"Others couldn't get her, but how did you do it?" Su Chen asked calmly.

Because my endurance is strong. I can't compete with speed, but I can compete with endurance! " He had been wooing her since she was five years old. After so many years, was it easy for her?

Li Yan's lips curled up when he saw Qiao Mu's arrogant behavior. He reached out to grab Qiao Mu's hand that was placed under the table.

Qiao Mu was stunned when her hand was suddenly grabbed from below. She raised her head and met the man's gaze, and her face involuntarily turned red.

His gaze was burning as if he wanted to eat her up.

This man really showed his emotions regardless of the occasion.

Chi Xia watched the two of them flaunt their affection and shook her head helplessly. There was no more water in the cup, so she reached for the teapot. Just as she touched the teapot, a large hand was one step ahead of her and picked up the kettle.

Seeing that Su Chen was about to pour her a glass of water, Chi Xia quickly reached out her hand. " I'll do it myself.

Su Chen lowered his eyes. She covered his hand with her hand, trying to take the kettle away from him.

Through the touch of her skin, he could feel the slight coldness of her fingers. He frowned slightly but did not let go.

Chi Xia held onto the water bottle for a long time, but the man did not seem to have any intention of letting go. He just stared at her without moving and was in a deadlock with her.

Unwilling to give up, she tugged hard, wanting to snatch it from his hand. This tug accidentally knocked over the cup, and a small amount of water spilled on her legs.

She hurriedly wiped her face with a tissue, looking extremely embarrassed.

"I'm going to the washroom." Chi Xia stood up and left.

Qiao Mu and Li Yan were exchanging flirtatious glances just now, so she did not notice the situation here.

Seeing Su Chen's slightly cold expression, Qiao Mu thought for a moment and reminded him, ""' Young Master Su, Xi Xia is a girl. You should give in to her. You should learn from your brother.. "

Chapter 582: Gu Cheng's Fiancée

Su Chen raised his eyebrows. " I know she's a girl. I don't have the habit of dating boys. "

Qiao Mu was speechless.

Was this the main point?

As expected of brothers, their mouths were merciless!

Qiao Mu pretended to be wronged and leaned against Li Yan. " Uncle, he bullied me. "

Li Yan patted the little woman's head. " Be good. He needs to be taught a lesson. Someone will teach him a lesson. "

Su Chen was speechless.

Big Brother, is it really good for you to be unable to differentiate right from wrong?

Qiao Mu immediately understood what Li Yan meant. He was saying that Chi Xia would make conditions for him!

In an instant, Qiao Mu grinned. Her youngest uncle was still the best!

Chi Xia came out of the washroom and was greeted by a woman.

The woman walked past her and suddenly stopped. " Hello, you're Chi Xia, right? „

Chi Xia was stunned. She turned around and looked at him. He was about 20 years old and was sizing her up.

"Do you know me?" Chi Xia asked curiously.

"My name is Mirou. You might not know me. I've seen your photo on Gu Cheng's phone, but that was a long time ago. Although your photo on his phone has been deleted, I remembered it because you're beautiful."

Mirou's words made Chi Xia's face darken.

Although the other party greeted her with a smile, her tone contained hostility. No matter how stupid she was, she could guess the identity of this woman.

When she went overseas to look for Gu Cheng, she was discovered by this woman, but she did not meet this woman. It was this woman who called to tell her the truth.

Before Chi Xia could reply, Mi Rou smiled and said, "Do you think it's strange that I'm saying this right from the start? I'm Gu Cheng's fiancée, and you're his ex-girlfriend. It's normal for me to pay more attention to you. I really didn't expect to have the chance to meet you in person. Actually, you're even more beautiful than in the photo. Gu Cheng really has high standards. The girlfriends he dated before are not bad in appearance. They didn't disappoint me. If he randomly finds a girlfriend with average looks, I'll be furious."

Chi Xia felt disgusted when she heard the other party's words. How could a normal woman react like this when she saw her fiancé's ex-girlfriend?

Moreover, Gu Cheng was dating her when he already had a fiancée. She did not believe that Mi Rou would not care.

This Mi Rou's behavior meant that she was either really naive and stupid, or she was scheming!

Chi Xia's face was cold. She had nothing to say to Mirou and turned to leave.

"Hey, don't go." Mi Rou stopped Chi Xia and said warmly, "You don't seem to like me? Could it be that you haven't forgotten Gu Cheng? Miss Chi, you've already let go of Gu Cheng. Don't waste your time on someone you can't have. Hurry up and let go."

Chi Xia looked at her impatiently. "Miss Mirou, I don't know you. Please don't act so familiar with me. Please make way."

“You don’t have to be so fierce, do you? You’ve occupied my fiancée for so long, but I’m not angry with you. What’s there to be angry about?” Mirou’s warm smile turned cold. ” Or are you the third party? You don’t have the face to face

Chi Xia clenched her fists tightly and looked up at Mi Rou coldly. ” So, you’re here to denounce me? Then I can tell you clearly that if I knew that Gu Cheng had a fiancée, even if he knelt down and begged me, I would not be with him! When I found out about your existence, I had already cut ties with him. If you hate this matter, you can go and settle the score with him.. What does it have to do with me?”

Chapter 583: A White Lotus Flower

Mirou’s expression changed. Her previous gentleness had long disappeared.

She gave Chi Xia a sarcastic smile. ” You put it nicely to cover up your modesty as a third party. You’ve turned your back on her after breaking up with her. You’re so harsh. Do you dare to say that you weren’t enjoying yourself when you were under Gu Cheng? You must have experienced Ah Cheng’s skills. I just don’t know if his performance is the same when he’s with me and when he’s with you.”

Mi Rou stood in front of Chi Xia, blocking her way. Chi Xia did not want to waste any more words with her, so she pushed her away.

Just as he was about to leave, he heard Mirou’s low cry and she crashed into the wall.

Chi Xia frowned. She gently pushed Mi Rou to the side to make way for her, but she hit the wall instead!

There was no one around. Who was she showing off to?

At this moment, a voice sounded from the end of the corridor. “Xi Xia, what are you doing? ”

This voice...

Chi Xia’s face darkened. She turned around coldly and saw Gu Cheng walking towards her.

No wonder!

Chi Xia could not help but admire Gu Cheng's fiancée. She was indeed not an ordinary person!

Gu Cheng walked over quickly and held onto Mirou. She looked at Chi Xia with a complicated expression. "Xiaxia, even if you're angry at me, you can vent it on me. Rourou is innocent."

Xiao Rou? He called her so affectionately!

Mi Rou tugged at Gu Cheng's sleeve. "Ah Cheng, it's okay. I was the one who took the initiative to greet Miss Chi. I know she doesn't like me. I just want to make things clear with her."

Chi Xia rolled her eyes at the big white lotus. "Miss Mi, since you know that you're not welcome, why are you asking for trouble in front of me?" This man has nothing to do with me now. You've put in so much effort, why don't you put in more effort on him!"

Chi Xia left after saying that. Gu Cheng, who was behind her, grabbed her wrist. "Xiaxia, can you talk to me calmly?" It's really not what you think. I've been dealing with my family matters these past few days. I'll be done soon. Can you give me some time?"

Chi Xia shook off Gu Cheng's hand forcefully. "Please don't pull me in front of your fiancée. She'll misunderstand. Gu Cheng, why don't you understand?"

We've already cut ties!"

"No, I know that you've been lying to me about what happened before. Even if it's true, I don't care. As long as you come back and be with me..."

"Enough!" Chi Xia's anger surged in an instant, and she felt an indescribable sadness in her heart.

Even if they were separated, she still wanted to seal away the beautiful memories of the past. However, every time this man appeared, he could break the beauty in her heart!

Mi Rou looked coldly at Gu Cheng and Chi Xia tugging at each other. A trace of ruthlessness flashed across her eyes. She stepped forward and pretended to be concerned about Chi Xia. " Miss Chi, your attitude towards Ah Cheng is too much. You don't know that even though we're engaged, he still misses you.

Even though they were engaged, he still missed her!

These words were obviously hinting to her that she was the third party!

Chi Xia took a deep breath. " Gu Cheng, I don't want to fall out with you. If you still want to be shameless, then take your fiancée and disappear from my sight!

Chi Xia turned around and was about to leave when she suddenly saw Su Chen appear in front of her..

Chapter 584: Who Do You Think You Are?

Chi Xia was stunned. She lowered her head and walked up to Su Chen. " Why are you here? "

Su Chen didn't answer Chi Xia's question. He glanced coldly at Gu Cheng and then at the woman beside Gu Chen.

He held Chi Xia's hand and did not turn around to leave. Instead, he walked straight to Gu Cheng.

Chi Xia did not know what he was going to do. She tugged at him gently, wanting him to leave. However, she tightened her grip on her hand, not allowing her to struggle.

Su Chen looked at Gu Cheng coldly and said in a cold tone, " I seem to have reminded you not to touch my woman, but you didn't seem to remember. '

Gu Cheng looked at the two of them holding hands and felt that it was very glaring. Then, she looked at Chi Xia's cold eyes and her expression was very hurt.

He didn't recognize this man before, but he later found out that he was the CEO of the Su Family Enterprise, Su Chen.

He was a famous figure in the capital!

Why was his Xiaxia with this man?

Gu Cheng looked back at Su Chen. " Young Master Su, this is a private matter between Xiaxia and me. Please don't interfere. "

"Oh? Private matters?" Su Chen curled his lips coldly and looked down at Chi Xia with a questioning gaze, ""Are there any private matters between you and him that you haven't clarified?"

Chi Xia's voice was indifferent. " No. "

Su Chen was very satisfied with this answer.

Mi Rou thought that Chi Xia's love for Gu Cheng was a huge hindrance to her, but she did not expect that this woman already had a new boyfriend!

Mi Rou's face darkened when she saw Su Chen. Why was this woman able to find such a handsome boyfriend again while she had to suffer the pain that she brought?

Even when she set up a trap for Gu Cheng to have sex with her, Gu Cheng was still calling out this woman's name!

Chi Xia was a third party who interfered in someone else's relationship! What right did she have to break someone else's engagement, but in the end, she hooked up with a tall, rich, and handsome man again?

Mi Rou took a step forward and grabbed Gu Cheng's arm. " Ah Cheng, she already has a new boyfriend. Don't be sad for her. She's not worthy of you treating her like this. "

As she spoke, Mi Rou looked at Chi Xia. " Miss Chi, because of you, Ah Cheng has already decided to cancel the engagement with my family. You broke our engagement, yet you're happily with someone else. Are you letting Ah Cheng down? "

Chi Xia's face turned cold. She broke their engagement? She had really seen how powerful Gu Cheng's fiancée was. She kept implying that she was the third party.

Hearing Mi Rou's words, Su Chen narrowed his eyes and his expression darkened. He glanced coldly at the annoying woman. " Do you have a problem with us being together? "

Mi Rou looked at Su Chen. " Sir, you probably don't know this, but Chi Xia is the third party in our engagement. My fiancé wanted to break off the engagement because of her, but she ended up being with you heartlessly. You'd better consider this kind of woman carefully! "

Su Chen curled his lips coldly, but there was no smile in his eyes. His voice was bone-chilling. " My woman, do I need you to criticize her? " Who do you think you are?"

His words made Mi Rou's face turn pale.

How could a mistress be protected like this!

Gu Cheng looked dispirited. " Rourou, stop talking. '

"Ah Cheng, what does a woman like her like about her?"

Chi Xia felt her stomach ache again. She looked up at Su Chen expressionlessly and pleaded, " Let's go. '

She really didn't want to stay any longer. The trace of feelings she had for Gu

Cheng had completely worn off..

Chapter 585: Help You Fall in Love With Someone Else

Su Chen looked away coldly and turned around with Chi Xia.

“Xiaxia...” Gu Cheng’s voice came from behind.

Su Chen stopped in his tracks and turned his head to look at the man who was in pain. “ I’m warning you one last time. This woman is mine. Don’t let me see you touch my woman again! ” Also ...”

As Su Chen spoke, his cold eyes swept over Mi Rou. “ If someone dares to slander my woman, I can’t guarantee that I won’t do something that will make them speechless forever. ”

The man’s voice was gloomy and carried a hint of killing intent. Mi Rou could not help but shiver.

Su Chen didn’t stay and left with Chi Xia.

A conversation sounded behind him.

“Chen Chen, since she has a change of heart, don’t think about her anymore.” “You don’t have to worry about me and Xiaxia!”

“Don’t need me to care? Chen Chen, I’m already yours. In order to fulfill your wish, I’d rather let go of you, but now you’re blaming me. Is it worth it for such a woman?”

“You ... Stop talking!”

Chi Xia bit her lip and tried her best to walk forward as if nothing had happened.

He couldn’t describe the feeling in his heart. The bone-piercing pain had long since disappeared. However, when he faced such an unbearable reality, his heart still felt a little sour.

“Is that man that sad?” A man’s voice sounded above her head. Thinking about other people in front of your man. Do you treat me like air?”

Chi Xia raised her head in shock and met the man’s gloomy gaze.

She bit her lip and retorted in a low voice, “ You seem to have forgotten that you were the one who told me to forget him! Shouldn’t you blame yourself for not doing it?”

Su Chen narrowed his eyes. This woman actually knew how to refute her words. He thought that she was a rock in front of him!

Su Chen smirked and turned around, pressing Chi Xia against the wall.

Chi Xia widened her eyes and was about to ask him what he was doing when she saw the man’s face approaching her.

And then...She was kissed!

She reacted and pushed him hard, but all her struggles were useless in front of him.

Chen...

Just as she opened her mouth, the man’s tongue took advantage of the situation and invaded her domineeringly, doing whatever he wanted in her mouth.

For a moment, Chi Xia’s mind went blank. The number of times she had actually kissed this man was extremely few. Although they were officially together, apart from the one time they had sex after drinking, she had always kept a distance from him.

At most, they would just hold hands and not do anything else.

However, at this moment, she was suddenly kissed by him forcefully. Her mind was in a daze.

The man seemed to have sensed that she wasn't paying attention. He left her lips and said in a low voice, " Didn't you ask me to help you change your love?

Focus!"

Shifting love...?

Could he not use random words?

Then, Su Chen did not give her a chance to be distracted and increased the intensity of the kiss.

On the other side, Qiao Mu had her fill and asked the man beside her in confusion, " Why isn't Xiaxia back yet? Su Chen is gone too. Did these two do something bad?"

Li Yan's lips curled up. " Little thing, who taught you to keep thinking about these messy things? You don't have the innocence that you should have at your

age. "

Qiao Mu was speechless.

What should she do? She really wanted to curse!

She wasn't innocent? Who taught her to be like this?

He was the culprit, alright?

Besides, she didn't say anything!

Li Yan raised his eyebrows when he saw the little woman's flushed face and angry look.. " What? Do you have a problem with your man's words? "

Chapter 586: Progress in Relationship (1)

Qiao Mu pursed her lips and snorted. " I know you despise me! "

Li Yan caressed her head and comforted her, " You're thinking too much. Why would I despise you? I like lecherous people like you.

. Lust your sister!

However, this man had been fondling her head recently, treating her like a child.

At this moment, Su Chen and Chi Xia returned.

Chi Xia's face was red. Su Chen held her hand as if nothing had happened and sat her down.

Qiao Mu sized Chi Xia up with a flirtatious look in her eyes. " You went to the washroom. What did you do there? Why is your face red?"

"No, queue up." Chi Xia casually gave a lame excuse.

Since Su Chen was present, Qiao Mu did not pursue the matter.

After the meal, when they parted ways, Qiao Mu pulled Chi Xia aside and asked, "'Tell me honestly, what bad things did you do when you went to the bathroom?"

Chi Xia sighed and lost to her curiosity. She didn't plan to hide this from her anyway, so she said directly, saw Gu Cheng."

Qiao Mu was stunned. " Gu Cheng has returned to the country? "

He's back in the country a long time ago. I didn't tell you, but I've already seen him once the last time. " As Chi Xia spoke, she met Qiao Mu's worried gaze and smiled. " I'm fine. Don't you think I'm doing fine now? "

"Su Chen knows?"

"Yes, he knows everything about me. It's impossible between Gu Cheng and me. It's all in the past."

Qiao Mu was relieved to see that Chi Xia's expression did not change. " That's good then. You and Su Chen have to be good. He's not bad. "

Everything was fine with Su Chen?

Chi Xia smiled bitterly. She and Su Chen were so confused that she did not know what to do next.

In order not to make Qiao Mu worry, Chi Xia jokingly changed the topic. " I think you're just trying to love me and my dog. Anyone who's related to Li Yan is not bad. "

However, Qiao Mu wasn't fooled by her joke. Her expression was very serious. " Xiaxia, no matter what, I hope you can be happy. No one can guarantee that the first person you meet will be the right person. I watched you and Gu Cheng come here. He's already in the past. You can't stop yourself from meeting the next happiness. "

As an outsider, Qiao Mu saw it very clearly.

Although people like Su Chen appeared to be calm on the surface, they were actually like Li Yan. They were high and mighty people who could distinguish between likes and dislikes. When it came to people or things that they did not like, they were always so cold that no one could get close to them. For example, Su Chen's attitude towards Qiao Ya was that he was not interested in her, so he could not even be bothered to give her a good look.

After this period of observation, Qiao Mu realized that Su Chen's attitude toward Chi Xia was completely different. Although he looked cold on the surface and could not be said to be very passionate, from the way he behaved in such small details, it was obvious that Su Chen was not being casual with Chi Xia.

After they parted ways, Qiao Mu followed Li Yan back to his company. It was rare for her to have nothing to do, so she spent all her time with him-

Chi Xia left with Su Chen.

In the car, Su Chen looked at Chi Xia and asked, ""No classes today?"

Chi Xia nodded and Su Chen continued, ""Then I'll send you to my place. I have something to do at the company and can't send you back in time. Wait for me at my place first."

"If you have something to do, just drop me off by the roadside. I can go back to school by myself."

"I don't have the habit of leaving my woman by the roadside." Su Chen turned to look at Chi Xia's hesitant and guarded face. His eyes darkened unhappily. ' You don't have to look like you've entered a wolf's den. I'll send you back to school after work. '

Chapter 587: Progress in Relationship (2)

Su Chen glared at Chi Xia coldly. This woman had no self-awareness to be with him! She was always on guard against him, as if he could eat her up!

Chi Xia felt awkward after hearing Su Chen's words.

However, going to his house was akin to entering a wolf's den.

Suddenly, the car stopped.

Chi Xia looked up at Su Chen and saw him unbuckle his belt, open the car door and say, ""Wait for me in the car."

Then, Chi Xia saw Su Chen enter the pharmacy.

Su Chen walked around the pharmacy and came to the health care products section. He bought a bottle of brown sugar. Brown sugar was more effective than brown sugar and could effectively relieve women's menstrual cramps.

If he wanted to know how Su Chen knew, he would have to search online.

When he was queuing up to pay the bill, he saw snacks on the shelf at the side. He casually picked up a few packets and saw a row of lollipops. He thought of how his eldest brother had asked Lu Jingzhi to go all over the city to buy these lollipops in order to coax Qiao Mu back then. After that, Qiao Mu ate them very happily.

Since Qiao Mu liked it, Chi Xia would probably like it too.

He took a few lollipops, quickly paid the bill, and returned to the car.

Chi Xia was looking down at her phone when she heard the sound. She raised her head and saw a shopping bag on her lap. She looked down and saw snacks, candy, and a bottle of black stuff. She had no idea what it was.

"Is this for me?" she asked blankly as she looked at him.

She felt a little stupid when she asked that question. If he didn't give it to her, who else could he give it to?

Su Chen frowned. " If you don't want it, leave it there! "

"Chi Xia pouted and lowered her head, ""Thank you."

Su Chen's expression turned a little better after hearing her words. At least she knew what was good for her!

The car was parked downstairs. Su Chen turned to look at Chi Xia. "The passcode to the door is 871021. I'm not going up. Wait for me to come back.

Don't leave if there's nothing important. '

Chi Xia nodded and went upstairs with the bag.

Chi Xia's figure disappeared into the corridor, but the car parked outside did

not leave.

Su Chen took out his phone and logged into the fruit website. He chose a bunch of fruits and placed an order before starting the car and leaving.

Actually, there was nothing urgent in the company. He just didn't want to send Chi Xia back.

This woman had always maintained a relationship with him. In front of him, even if she was unwilling, she would reluctantly listen to him. However, once she returned to school, she completely ignored him. She called her to ask her out for dinner, either because she had classes or club activities. In short, she had a bunch of reasons to avoid him.

Su Chen had never known that a girlfriend's purpose was to annoy people!

Now, she could finally understand her eldest brother and Qiao Mu's state.

Su Chen's phone rang. He looked down at the caller ID, narrowed his cold eyes, and pressed the answer button.

On the other end of the phone, a woman's voice could be heard. "Chen Chen, it's Mom. The day after tomorrow is the Mid-Autumn Festival. Come home and celebrate the festival with your Uncle Sun and me. The family will be lively. "

Su Chen said coldly, "I'm not free."

"Chen Chen ..."

"I'm busy. I'm hanging up." Su Chen hung up the phone after saying that.

Chi Xia entered the house and walked around the huge room. She had been here twice before and had never looked around carefully.

The house was a double-story apartment, and the two floors combined were about 300 square meters.

The interior design of the house was obviously specially designed by a design company. Every piece of furniture and decoration was well-made.

However, there was no smell of home.

There were all kinds of famous paintings hanging in the room, not even a single photo.

Chi Xia was thirsty and wanted to drink some water. When she entered the kitchen, it was empty. There were no pots and pans..

Chapter 588: Progress in Relationship (3)

Obviously, this was not Su Chen's usual place. Perhaps it was because it was close to his company, so he would occasionally come over to spend the night.

Chi Xia boiled some water and turned on the television. She remembered the snacks that Su Chen had bought for her. She opened the shopping bag and took out the bottle of thick black liquid. She then scanned the QR code on her phone and realized that it was black sugar.

After checking the detailed information, Chi Xia was stunned when she saw the words "relieve menstrual pain" on the description.

This man was actually so thoughtful!

Chi Xia did not expect that the arrogant man who never took others seriously would care about such trivial matters.

At this moment, the doorbell rang. Chi Xia was shocked. Was Su Chen back?

She ran to the door to look at the surveillance video outside and saw a person standing outside holding a box of fruit. He was wearing work clothes and seemed to be here to deliver goods.

She hesitated for a moment before opening the door. The delivery man smiled and said, "This is the fruit that Mr. Su ordered. Please sign for it."

After Chi Xia signed for it, she closed the door and opened the fruit box. It was filled with a variety of fruits.

Chi Xia stared at the fruits, snacks, and black sugar in a daze for a while. She could not describe what she was feeling.

After thinking for a while, she sent a message to Su Chen. "I received the fruits.

Thank you.

At this time, Su Chen had already arrived at the company. When he saw the message, the corners of his mouth curled up slightly.

Chi Xia spent the entire afternoon eating fruits and snacks while watching TV, killing time in boredom.

She was so bored that she fell asleep on the sofa.

Her phone was accidentally muted. When Su Chen called, she was still sound asleep.

After Su Chen got off work, he called Chi Xia on his way back. However, Chi Xia did not pick up and her phone was turned off!

His originally good mood suddenly became terrible!

If this woman dared to sneak back to school without a word, he would definitely go to her school and bring her back!

However, when Su Chen opened the door gloomily, he heard the sound of the television. He frowned and walked past the entrance. Looking at the living room, he saw a slender body curled up on the sofa with a pillow in her arms. She was sleeping very unsightly.

On the coffee table, there were a few fruit plates. Strawberries, blueberries, peaches, and other fruits were washed and placed on the plates.

He opened a few bags of snacks and brown sugar. Everything was in order.

In an instant, Su Chen's tightly knitted brows relaxed. The feeling of being affected by someone made him very uncomfortable.

When Chi Xia woke up in a daze, she saw the sky outside the window turning dark.

She was stunned for a moment before she propped herself up and looked up to see Su Chen sitting beside her.

“You’re finally willing to wake up?” Su Chen glanced at Chi Xia. Her face was wrinkled by the lace on the edge of the bolster, making her look rather comical.

Chi Xia reacted and exclaimed, “You...” When did you come back? Why didn’t you wake me up?”

Su Chen put down the tablet in his hand and said calmly, ““You were sleeping like a pig, so I didn’t want to wake you up.”

Embarrassed? What was there to be embarrassed about?

That was not the main point. The main point was that he had called her a pig!

Chi Xia immediately stood up and tidied her clothes. “ Then, will you send me back to school now? ”

Su Chen’s face darkened and he said coldly, ““I’ve already ordered takeout. I’ll leave after eating..”

Chapter 589: Progress in Relationship (4)

“But...” She wanted to say that she would be late after dinner, but before she could say anything, he glared at her coldly. She could only nod and do as he said.

The takeout arrived very quickly. Chi Xia went to the kitchen and rummaged through the cabinet. She took out a few plates and poured the food out before placing it on the dining table.

As they ate, the atmosphere became awkward. Chi Xia found a topic to talk about and asked, ““Do you not stay here often? The kitchen is empty, and there’s nothing in the fridge.”

Su Chen replied with an “ Mm. ” He looked at Chi Xia calmly. “ If you feel that you’re missing anything, you can help me make up for it. After you’re done, you can ask me for reimbursement. ”

“No, it’s quite good.” He treated her like a nanny and even asked her to help him with the household items.

After Chi Xia said that, Su Chen glared at her coldly and she quickly changed her words, ““You don’t live here often, and the kitchen doesn’t cook. It’s useless to buy those things.”

“How do you know I don’t stay here often?” Su Chen was a little unhappy because of her rejection. He thought about it and said, ““ I’ll come over to sleep when I have social events. If I don’t, I’ll go home for dinner. I live here four or five days a week. If I can cook here, I won’t go home. ‘

“Not going home? Don’t you like living with your parents?”

Chi Xia asked casually and saw the man’s expression turn cold. She didn’t know what she said wrong. Then, she heard Su Chen say coldly, ““My dad passed away.”

“I’m sorry.” Chi Xia lowered her head and apologized. “ What about your mother? ” she asked.

“She remarried.” Su Chen said casually, “ So, other than the servants, I’m the only one at home. ‘

Chi Xia didn’t know about Su Chen’s private affairs. She thought that he was a young master who was high and mighty outside and everything was under his control.

Presumably, if he went home alone, he would rather come back here. The house was smaller, and his heart was not as empty.

After some thought, Chi Xia raised her head and smiled at Su Chen. “ Then I’ll help you make up for the things you’re missing when I’m free. If you don’t want to go home in the future, you can ask your servant to cook for you. It’ll be more convenient that way.

Su Chen narrowed his eyes. A certain emotion flashed through his heart, so fast that he couldn’t catch it.

He put down his chopsticks and stared at the smile on her face. His tone was so confident. "You're my girlfriend. Shouldn't you be the one cooking and taking care of me?"

Do you think I'm a free nanny?"

"If I spend money to hire a nanny like you, wouldn't that be a bad deal?"

Chi Xia was speechless.

She was the one at a disadvantage, alright?

After dinner, Chi Xia sat on the sofa and ate some fruit when the landline phone rang. Su Chen wasn't in the living room, so she heard the man shout, "Answer the phone."

Chi Xia picked up the call and answered with a "Hello". She felt the other end of the line quiet for a while before asking, "I'm looking for Chen Chen. You are?"

It was a woman's voice. Chi Xia thought about it and replied, "I'm the nanny. It's not convenient for Mr. Smith to answer the phone now."

"I'm her mother. Help me tell him to come home for the Mid-Autumn Festival."

After hanging up, Chi Xia turned around and saw Su Chen standing behind her. She was shocked.

Su Chen raised his eyebrows. "It seems like you're very familiar with the role of a nanny."

Chi Xia smiled awkwardly. "Your mother called just now and asked you to come home for the Mid-Autumn Festival."

She guessed that this man did not want to go to his stepfather's place to celebrate..

Chapter 590: The First Festival With Uncle (1)

After some thought, Chi Xia said carefully, ""The Mid-Autumn Festival is a reunion festival. You should go home and celebrate with your mother."

Su Chen raised an eyebrow and bent down to hook her chin. "What, you want to meddle in my family's business now?"

"I'm just giving you some advice. If you don't want to listen, then forget it." Chi Xia pushed away his hand that was pinching her chin and stood up. "It's getting late. You should send me back to school."

Su Chen looked at her. "You're going home for the Mid-Autumn Festival?"

"I'm not going home. School...'

Before Chi Xia could finish her sentence, Su Chen interrupted her. "Since you're not going home, then you can spend the rest of your life with me."

Chi Xia immediately shook her head. "We have an event at school, so we can't come out."

"Then think of a way to get out!"

Then, this matter was settled!

Su Chen sent Chi Xia back to school. Before he left, he threatened, ""If I don't see you that day, I don't mind coming to your school to arrest you."

Chi Xia was speechless. This bastard!

The day before the Mid -Autumn Festival, Li Yan was silently preparing for the festival.

Yu Yiduo wanted to take responsibility for this important matter, but Li Yan rejected her.

Yu Yiduo didn't understand why her son was so concerned about this festival. She ran to Li Zheng and asked, "" What do you think is wrong with our son? I haven't seen him celebrate any festivals in so many years. Why does he care so much about the Mid-Autumn Festival? "

Li Zheng looked at his wife's brainless expression at the critical moment and reminded her helplessly, "Isn't there an extra person this year?"

His words woke Yu Yiduo up.

In Qiao Mu's mind, she would ignore festivals if she could. After more than ten years, she hated festivals the most.

Every time there was a festival, other families would be happy and happy, but she would always have to go back to the Qiao family and suffer. Every time, she would have a hasty meal, lock herself in her room, sit on the balcony, and eat a mooncake as if it was a proper thing to do while admiring the moon alone.

However, this year, she was able to spend it with Li Yan. Thinking about it, she was quite happy.

Early in the morning, Qiao Mu woke up comfortably, but the man beside her was no longer there. She got up and pulled open the curtains, but she was stunned when she saw the scene before her.

In the front yard, there was a rope hanging in the air. There were all kinds of colorful lights hanging on the rope. The scene was very festive.

What surprised Qiao Mu even more was that the person hanging the colorful

lights was Li Yan!

The tall man stepped on the short ladder, took the lantern from the butler, and hung it on the rope.

She had to admit that no matter what this man did, he was always so elegant and charming. It was as if he was born with an irresistible charm. His every move was enough to make people fall for him.

At this moment, Li Yan noticed the person standing by the window from the corner of his eye. He stopped what he was doing and waved at her.

Qiao Mu didn't have time to wash up. She quickly changed her clothes and rushed downstairs.

Li Yan looked at the little woman's excited expression and came down from the ladder. "Do you like this lantern?"

"Yes!" Qiao Mu nodded vigorously. "Uncle, let me help you!"

"Let's go back to the room and eat first."

"I'm not hungry..."

"I'm hungry." As Li Yan spoke, he held her hand and walked into the house. "I'll let you do whatever you want after dinner."

Qiao Mu was so excited that she could not care less about the people around her and pounced on Li Yan. "Uncle, you're really too good!"

His large hand pinched her cheek. "It's good that you know."

Yu Yiduo, who happened to be downstairs, saw this scene and quickly walked forward. Her demonic claws reached for Qiao Mu's face. "Mumu, let Mommy pinch your little face too. He can't be the only one who's pinching it."

Qiao Mu was speechless..
