

## The Apple 601

### Chapter 601: I Can't Wait For Qiao Mu To Be Unable To Turn Over

After Qiao Mu understood the series of itineraries, the first thing she needed to do was to choose and purchase fabric.

Amy looked at the time. " There's still time. Qiao Mu, come with me to Xinyu Clothing Factory and prepare all the required fabric. "

Qiao Mu nodded. The materials used for her work were all from Xinyu Clothing Company. In order to ensure that she was 100% authentic, Qiao Mu's clothes had to be purchased from Shu Xinyu's company.

When she arrived at Shu Enterprise, she bumped into Shu Xinyu, who had just returned from outside.

When Shu Xinyu saw Qiao Mu, her expression was cold. She then put on a professional smile at Amy. " Secretary Amy, what brings you to the company? " My company is no longer a sponsor of the competition. I wonder if there's anything else I can use the Shu Corporation for?"

Although Shu Xinyu was dissatisfied, she was still a successful woman who had seen the world. She had experienced everything. Even if they were unhappy during the competition, she still did not show it.

Amy smiled. " President Shu, I'm here to buy fabric from your company. I've already contacted the department manager. "

Shu Xinyu coldly swept Qiao Mu a glance. " Then I wonder what's the meaning of you bringing a contestant here? Key broke the rules of the competition in public and took her into the finals in public, and she's so close to you in private. It's inevitable that people will think too much."

President Shu, you must be joking. Key only values talent and doesn't care about anything else. Qiao Mu's semi-final work has already been included in Key Studio's autumn collection and will be released soon. I'm here this time for the materials for her competition work. '

After Amy finished speaking, the smile on Shu Xinyu's face disappeared, and she looked a little surprised. "Miss Qiao, you're really amazing. Key has always been famous for its high standards. Out of so many contestants, you're the only one chosen."

Qiao Mu ignored Shu Xinyu's disapproving attitude and politely said, "Thank you for your compliment, President Shu."

Shu Xinyu's eyes darkened. "Miss Qiao, you must accept this compliment. Don't wait until the finals and embarrass Key."

Qiao Mu raised her chin and smiled. "President Shu, don't worry. I won't let

Key down."

"That's good. Although I'm not a judge for the finals, I'll definitely be there to watch the competition. If anyone continues to be suspected of plagiarism, I won't let her off even if someone tries to stop me!" After Shu Xinyu finished speaking, she nodded at Amy. "I have a meeting later. Excuse me."

After Shu Xinyu left, Amy looked at Qiao Mu and consoled her, "Don't mind her words. Who asked your work to clash with Ning Tongtong's? Shu Xinyu has always been proud and arrogant, and she's especially protective of her own daughter, so she's a little against you. Don't take it to heart."

Qiao Mu shook her head. "It's okay. I didn't plagiarize, so I naturally won't take her words seriously."

Qiao Mu, whether you plagiarize or not is determined by the results. I have to remind you that if you clash with Ning Tongtong's designs in the finals, you'll be the biggest suspect. After all, Ning Tongtong is a professional designer, and you're just a student." Amy reminded.

Qiao Mu smiled. "I know. Thank you for reminding me, Sister Amy."

In Shu Xinyu's office.

Ning Tongtong suddenly stood up from the sofa and looked at Shu Xinyu in disbelief. " Mom, what did you say? Qiao Mu's work has been included in the new autumn collection of the Key brand?"

Shu Xinyu's brows furrowed slightly. " I didn't expect that Key would treat Qiao Mu like this. It seems like this girl is really not simple. Don't be unhappy, sit down first. "

Ning Tongtong wasn't just unhappy!

She was simply burning with rage, and she wished she could immediately disqualify Qiao Mu from the competition and make a comeback!

Chapter 602: She Must Not Be Disgraced!

Ning Tongtong couldn't accept this. The person she had always looked down on was actually the person who had designed her drafts!

When she found out about Qiao Mu's identity, she hated herself to the point of gnashing her teeth, but she was helpless. Who asked her to become famous by relying on Qiao Mu's works!

Qiao Mu's presence was a great threat to her. If she was not careful, she might lose all her reputation!

Ning Tongtong sat down beside Shu Xinyu and held her hand tightly. " Mom,

Qiao Mu has Li Yan as her backer, and Key is so biased towards her. I'm worried that the finals won't be fair. "

Shu Xinyu's expression darkened. " Don't worry, I won't let this happen. Qiao Mu plagiarized your work, but I'm afraid she won't plagiarize in the finals. If she continues to copy your work without any scruples, I definitely won't sit idly

"But Qiao Mu has Li Yan!"

Shu Xinyu frowned and patted Ning Tongtong's hand comfortingly. "Leave this to me. I'll think of a way."

Ning Tongtong snuggled into Shu Xinyu's embrace. "Mom, thank you. Without you, my fashion design career would never have been able to take off. I really don't want Qiao Mu to ruin the reputation that I've worked so hard to build. You must help me think of a way."

You don't have to worry about these things. Leave everything to me. You just have to focus on the competition."

Looking at Ning Tongtong who was in her arms, sobbing pitifully, Shu Xinyu's expression turned cold.

Ning Tongtong had always been outstanding in everything she did since she was young. She had watched this child grow up, so she knew very well how great Ning Tongtong was.

Although Ning Tongtong was not her biological daughter, she was more like her biological daughter.

When she married into the Ning family, it was this child who gave her warmth.

They were not at odds with each other like other second-marriage families. When a four-year-old girl called her mother, that kind of happiness aroused her maternal love.

All these years, she had always doted on her like her own daughter. How could she let her daughter be hurt at all!

Ning Tongtong finally calmed down after receiving Shu Xinyu's assurance.

Shu Xinyu was also a formidable figure in the fashion design industry. As long as she thought that Qiao Mu's work was plagiarized, Qiao Mu would not have a chance to turn things around!

Qiao Mu and Amy left Shu Enterprise and returned to Key Studio.

Next, Qiao Mu began preparing to start work.

Qiao Mu spent the entire day cutting the fabric. Due to the urgency of time, she was extremely busy the entire day in order not to hinder the upcoming competition and to catch up with the launch of the new autumn products.

In the evening, just as Qiao Mu was concentrating on her work, she heard a

faint voice from behind her. "You're really focused. I've been standing here for so long, but you didn't notice. It's good that you put in the effort, but your technique is a little rough. Don't tell me you got selected for the autumn collection through the back door?"

Qiao Mu raised her head and saw a man in his twenties standing behind her with a cup of coffee in his hand.

The man was tall and thin, and he looked refined.

Although the other party's words were not pleasant to the ears, Qiao Mu still asked politely, "May I ask who you are?"

The man smiled apologetically. "I thought everyone in the industry would know me because of my fame. I didn't expect someone to be so ignorant. Are you sure we're in the same industry?"

Qiao Mu was speechless.

I'm sorry, although I'm a designer, the only person I know the most in this industry is Teacher Key.. Are you more famous than Teacher Key? "

Chapter 603: Looks Like You Really Got In Through The Back Door

"Alright, if I was better than him, I wouldn't have to work for him here." A bright smile appeared on the man's face as he introduced himself. "My name is Leo, and I'm the exclusive designer under the brand KY. "

The name Leo sounded familiar.

Qiao Mu thought for a moment and suddenly reacted. She clapped her hands and asked in pleasant surprise, ““You designed the Paris Love series, right?”

Qiao Mu was very familiar with the Key brand. There were many collections under this brand, and they were all designed by different designers. She had seen a very good piece of work before, and it was labeled with the designer’s name, LEO, below it.

Leo smiled. “ Looks like you’re in the same industry. It’s time for you to introduce yourself. ‘

Qiao Mu was also stunned. “ You don’t know me? ‘

Are you very famous?”

“ No, I thought all of you would be watching the fashion designer competition organized by Teacher Key. I’m a contestant, Qiao Mu. ” Qiao Mu introduced herself with a smile.

Leo was enlightened. “ So you’re the university student that Key made an exception and selected for the finals. Not only that, but they also included your work in the new autumn collection! Looks like he really did use the back door!”

Qiao Mu was speechless.

Why did she feel that she had gotten in through the back door?

Leo smiled and patted Qiao Mu’s shoulder. “ I’m just joking with you. We all know how Key is like. He can go through anyone’s back door, but he definitely can’t. If it weren’t for your outstanding work, he wouldn’t have given you special treatment. I was working overtime to design clothes and didn’t go to the competition. It seems like I missed a good show. ”

As he spoke, Leo picked up Qiao Mu's artwork and looked at it before nodding in admiration. "It's indeed not bad. How old are you? Your work is on par with professional designers like us, but it's still a little lacking."

"What's the difference?" Qiao Mu humbly asked for advice. "You said that my technique was crude just now. Senior, can you give me some pointers?"

"Seeing that you're sincere, I'll make an exception and teach you." Leo put down the cup of coffee in his hand and his expression became serious. "Judging from the way you cut the fabric, you're not very professional. One look and I can tell that you learned it in school. You don't have any actual combat experience. A single posture can affect the angle and speed of cutting ..."

Leo explained his professional knowledge to Qiao Mu while he demonstrated his skills. Although it was just a few simple sentences, it was extremely useful to Qiao Mu.

As the two of them discussed, time passed unknowingly. It was already past the time to get off work.

At this moment, Li Yan was on his way back to the company after finishing his work.

This place was not far from Key Studio's building. He looked at the time, and Qiao Mu should have finished her work by now.

The little thing did not call him for the entire day. She only sent a message to briefly explain her schedule for the day. However, after this message, the little thing did not reply.

Li Yan dialed Qiao Mu's number, but she did not pick up.

After putting down the phone, Li Yan said to the driver, "" Let's go directly to

Key Studios. "

The car stopped in front of the building. Li Yan got out of the car and was about to enter the building when he faced off with KYE who came out from inside.

Key smiled faintly. " President Li, why did you come to my small place? " Your company has already sent someone to negotiate our cooperation. Is there anything else that you need President Li to come personally?"

Li Yan's long and narrow eyes stared at Key. Seeing how the little thing had praised him for being so outstanding, he did not even bother to show a polite smile. " I'm here to look for someone.. "

Chapter 604: We're Just Pure Friendship

Key raised his eyebrows and quickly understood who Li Yan was looking for.

However, he shouldn't have offended this man. Why was this man so hostile towards him?

" The first room on the left on the sixth floor, " he said after some thought. "

CEO Li can go there to look for Qiao Mu. '

The corners of Li Yan's mouth curled up. His cold voice slowly sounded as he spat out two words from his thin lips. "Thank you."

Li Yan came out of the elevator and went to the first room on the left. He heard laughter from the other room.

That voice belonged to Qiao Mu.

He thought that she had forgotten about him because she was too busy. In the end, she was here chatting and laughing with people in the name of work?

He pushed open the door and saw the scene in the room. His face instantly darkened.

Inside the house, his little woman was being held by a pretty boy. The two of them were very close to each other, and they looked extremely intimate.

In an instant, the anger in his heart boiled!

Qiao Mu was learning the cutting technique from Leo. As her hand gestures were not standard, Leo was demonstrating and holding her hand to correct her hand gestures.

At this moment, the door was pushed open.

The two people in the room stopped at the same time and looked over.

Qiao Mu did not expect Li Yan to come looking for her. She was stunned for a moment and was about to call out to him when she saw that his expression was extremely bad, and his gaze fell on her hand.

Lowering her head, she saw that Leo's hand was still holding hers. She immediately pulled her hand back and giggled at the man at the door.

It was over! We're done for!

Why didn't he come earlier? Why did he have to appear at this time and just happen to see this scene!

Qiao Mu could tell from the man's expression that Young Master Li was angry!

To be precise, he was jealous!

However, Leo, who was standing beside her, reacted slowly and leaned closer to her, asking softly, "Who is this handsome guy? Is he here for you or me?"

Qiao Mu was speechless.

Was he a joke?

Did he know Li Yan? Why was Li Yan looking for him?

Before Qiao Mu could reply, Leo asked again, ""Do you know him? If you don't know him, he's here to look for me! This handsome guy is too charming!"

Qiao Mu already did not know how to describe her current feelings. Her man was currently staring at her with a frightening gaze, and there was a joker beside her who was exaggerating things and approaching her. Moreover, he was praising her man's handsomeness in a lovestruck tone!

This was the first time she had heard a man praise her uncle!

Li Yan pursed his thin lips into a thin line and stood motionlessly at the door. His gaze coldly swept across the pretty boy beside Qiao Mu before he turned to

Qiao Mu. " Come here! "

Qiao Mu suddenly came to her senses. She put down the things in her hands and immediately jogged over to Li Yan. " Uncle, why are you here? "

"If I didn't come, would I have seen this scene?"

Qiao Mu was speechless. She was really innocent!

At this moment, Leo rushed over and introduced himself to Li Yan. " Hello, Qiao Mu's uncle. I'm Leo. I was just teaching Qiao Mu how to cut. We're just friends. I don't like her, so don't misunderstand. " Qiao Mu was speechless.

Who would want a simple friendship with him?

They had only known each other for less than an hour. How did they develop a friendship?

Also, what did he mean by not liking her? Who asked him this question!

Li Yan's expression turned even gloomier after he said these baffling words, and Qiao Mu felt a headache coming on.

Ji Lan was the one who had a scandal with Li Yan previously, and Qiao Mu knew that it was fake.. Ji Lan didn't appear to torture Mumu, so don't worry!

Chapter 605: Uncle's Jealousy

Qiao Mu could not withstand Li Yan's cold gaze and smiled at Leo. " Teacher Leo, thank you for teaching me. I'll get going first. "

She lifted her head and looked at Li Yan. Li Yan retracted his cold gaze and held her hand domineeringly, striding away.

That hand was very strong, and it tightly gripped Qiao Mu's hand that had just been touched. Although it was strong, it did not hurt Qiao Mu.

Qiao Mu obediently followed Li Yan and watched as his entire body was covered in a layer of cold air, freezing her to death.

Wuuuu ... It was too scary when Uncle was angry!

Li Yan's footsteps were very fast, and Qiao Mu could not keep up with him. She could only jog behind him in small steps, and just like that, she was led into the elevator.

Inside the elevator, Qiao Mu leaned against Li Yan and panted softly. She looked up at the man and said innocently, ""Uncle, why are you ignoring me with a gloomy face?"

Li Yan then shifted his gaze down and landed on her. "How am I supposed to deal with you? Do you want me to beat you up?"

Qiao Mu was speechless.

"Uncle, don't be like this! I was really asking Senior for advice just now." Qiao Mu shook Li Yan's hand and said coquettishly.

Li Yan snorted coldly. "Your method of seeking advice is really unique!"

Thinking of his little woman getting close to another man, he was furious. Although he knew that she did not do it on purpose, he was angry that she did not have self-awareness. Did she not know how to keep a distance from the opposite sex?

Qiao Mu lowered her head and muttered sincerely, was wrong."

The little woman obediently admitted her mistake. To Li Yan, this was a fatal wound. No matter how angry he was, how could he still burn?

However, it was rare for her to be so obedient and please him. He could not let her off just like that.

The elevator door opened, and Li Yan stepped out with a cold expression. Qiao Mu was about to follow him when she saw someone blocking the elevator entrance.

He looked past Li Yan and saw that the person was Li Yan's " fiancée Ji Lan.

Ji Lan was about to enter the elevator when he saw the person who came out of the elevator. He was stunned.

He did not expect it to be Li Yan!

For a moment, Ji Lan forgot to make way for him. He stood in front of Li Yan and said with a smile, "Hello, Young Master Li."

Li Yan shot a cold glance at Ji Lan. It was just a glance, but he did not stop. He was about to walk past her.

Ji Lan felt awkward. It was rare for her to see Li Yan, so she did not give up and continued to find a topic to talk about. "Young Master Li, I had a scandal with you last time. The entertainment reporters gossiped that I was your fiancée.

I'm really sorry for causing you trouble. '

Qiao Mu stood behind Li Yan and rolled her eyes. Since she felt sorry, then she shouldn't deliberately create a scandal with Li Yan!

She looked at the man's expression again. It was cold and distant. That coldness was different from when he was facing her just now. At this moment, it was really cold.

It would have been better if Ji Lan did not mention it. Li Yan only remembered the scandal when she mentioned it. Up until now, he had only had one scandal. How could he not remember it?

Moreover, it was caused by Yu Yiduo, and it took him a long time to reconcile with his little woman.

Li Yan raised his eyebrows and said coldly, "'I'm just having a scandal with you?"

Ji Lan's expression changed when he heard that. He was involved in a scandal with her, but he did not remember her!

"Young Master Li, I'm sorry. To express my apology, can I treat you to a meal?" Ji Lan looked at Li Yan expectantly.

“You should apologize, not to me, but to my fiancée. You made my fiancée sad..

Do you think it will be resolved with just an apology?”

Chapter 606: Double Guilt

Qiao Mu, who was behind him, blushed for some reason when Li Yan kept calling her fiancée.

The fiancée he was referring to was her?

Humph! She would never admit it!

Qiao Mu looked at the face full of artificial uric acid opposite her, and it was as if it had eaten a fly, turning green and purple from the blow.

Seeing that Li Yan had no intention of leaving, a scheme flashed through Qiao Mu’s mind. She ” accidentally ” pounced forward and bumped into Li Yan’s back. Her originally upright body fell forward because of her collision.

Even though Li Yan reacted quickly and dodged Ji Lan, who was in front of him, he still accidentally touched her.

Qiao Mu seemed to have caught something that could be used against her. She stared intently at their shoulders that had bumped into each other, then glared at Li Yan arrogantly. Her expression was as if she had caught an adulterer.

And then...He walked away with his chin held high.

Li Yan frowned. This little thing really dared to cause trouble!

Ji Lan did not expect to encounter such a good opportunity. He fell to the ground and cried out in pain.

Before Li Yan could speak, Ji Lan waved her hand. " I'm fine, Young Master Li.

Who was that just now? Why was he walking so carelessly..."

Ji Lan did not get up as she spoke. She was waiting for Li Yan to help her up. As expected, the man's footsteps moved in the next moment. Just as she was filled with anticipation...

Li Yan did not stay by her side and left!

Li Yan strode out and saw that the little woman had already gotten into the car.

He got into the car with a dark expression, but he saw that Qiao Mu's complexion was not much better than his.

Qiao Mu crossed her arms in front of her chest and snorted. " Did you consider my feelings when you bumped into a beauty in front of me just now? Who allowed you to touch him?" Li Yan was speechless.

This little thing!

Although Qiao Mu pretended to be angry, she really couldn't get angry. She just wanted to use this opportunity to make him not angry.

However, after the man beside her got into the car, he said to the driver, '

Drive," and there was no movement!

Was he not going to coax her?

Qiao Mu tilted her head and was about to question him, but she saw that the man's expression was still very sour. He did not have the slightest intention of coaxing her because she had done something wrong!

“Why aren’t you saying anything? Are you feeling guilty? Do you have any thoughts about the person you had a scandal with?” She glared at him, deliberately looking for trouble.

Li Yan narrowed his cold eyes and his thin lips moved. He only spat out four words. “I’m guilty!”

Qiao Mu was speechless. What was the meaning of this?

Seeing Qiao Mu’s puzzled expression, Li Yan kindly explained, “ Not only did you get close to the opposite sex, but you also forced your man to get in touch with the opposite sex. You’re not far from asking for a beating. ‘

Qiao Mu’s little heart was thumping!

In other words, she had failed to steal the chicken and ended up losing the rice!

It was a sin!

Initially, Qiao Mu wanted to forcefully persist for a while, but under a certain man’s cold might, how could she still be unyielding?

Suddenly, Qiao Mu chuckled and inched closer to Li Yan. “ Uncle, actually, I was just joking with you. Do you find it funny? ”

“I don’t think so.”

“Uncle, I was too angry just now. Why did your fiancée suddenly appear out of nowhere? I just wanted to teach her a lesson!”

“I saw you snickering.”

. Uncle, my smile at that time was uglier than crying. It was so sad.”

Qiao Mu saw that the man was unmoved by both persuasion and coercion, so she dove into his embrace and acted coquettishly as if there was no one else around. ” Uncle, I don’t like you being so petty anymore.. Don’t treat me like this! “

Chapter 607: I Like You So Much

“Oh?” The man’s expression suddenly changed. He raised his eyebrows. ” I just had intimate contact with someone else, and you don’t like me? ”

Qiao Mu was speechless.

This man was deliberately looking for trouble!

Qiao Mu bit her lip pitifully and blinked her big, watery eyes. She moved her face closer to Li Yan, and her lips were just a little bit away from touching his face.

She kept a distance from him, looking as if she was asking for a kiss. ” You’re my dearest uncle. How can I not like you? I like it so much!”

Qiao Mu felt nauseous after saying that.

He didn’t even care that there was a driver in front of him. He just blatantly threw away his face!

As Qiao Mu spoke, the hot air from her mouth blew onto Li Yan’s face, causing the color in his eyes to instantly darken and his body to tighten bit by bit.

This little thing suddenly became like a little fox. That gaze and tone made his heart tremble.

Why didn’t he feel that this wasn’t a rabbit but a fox?

“Uncle Qiao Mu did not give up and continued to act coquettishly.

“Uncle

“Uncle...Oh .

Li Yan lifted Qiao Mu’s chin and kissed her fiercely on the lips.

How could he not accept her passionate kiss?

The kiss was punishing and ruthless.

It was only when his body became more and more stiff that he had no choice but to stop.

I’ll teach her a lesson when I get home!

Qiao Mu was kissed until she could not breathe. She grabbed the clothes on his chest and panted as she asked, ““Uncle, are you not angry anymore?”

Li Yan tidied his collar and said something that deserved a beating. ” That’s a separate matter. Do you think a kiss will solve it? ”

It was very interesting to make things difficult for this little thing. It was not easy to get a hold of something, so how could he just let it go?

Qiao Mu wanted to go crazy. She had sacrificed a kiss for nothing, but it was all for nothing!

When they reached home, there was no one at home. Li Yan’s parents spent most of their time alone in another villa.

The moment they entered the house, Qiao Mu eagerly took off Li Yan's coat, poured him tea, and massaged his shoulders and back. She acted like a professional nanny, snatching all the servants' work and doing it herself.

The servant was very puzzled. She asked the butler in confusion, "What's wrong with Miss Qiao today? She's in such a good mood and has become so diligent. In the past, it was always Young Master who served her."

"Do you think he's in a good mood?" the butler asked in a low voice. I think

Miss Qiao made a mistake and made Young Master unhappy."

"But Young Master doesn't look angry."

"Who is she? Do you think Young Master can be angry with others when he is angry with her?" The butler stood at the side and watched silently. Li Yan was extremely frightening when he was cold to others, but when he was facing Qiao Mu, even if he had a stern face, there was no sign of anger. It was obvious that he was not really angry.

He had seen it ten years ago, and it was still the same now.

However, Qiao Mu was already used to Li Yan's amiable appearance. It had been a long time since she had pulled a long face in front of her, so when she saw his serious expression, she wanted to coax him into being happy.

She would rather he was mean to her than be so serious.

Qiao Mu was extremely diligent the entire night. She put food into Li Yan's bowl and poured him water during dinner. Li Yan ate like an emperor.

Previously, he was the one who served this little thing. She was picky with her food, so he had to watch over her and force her to eat nutritious dishes. When she drank water, he would hold the cup like an old maid.

Now that this little thing was serving him instead, this kind of treatment was indeed very good.. Coupled with the little woman's attentive expression, he could not help but want to throw down his chopsticks and eat her!

#### Chapter 608: Li Yan's Cold Violence

After the meal, Li Yan sat on the sofa. Qiao Mu did not stand on ceremony and sat on his lap. She hooked her arms around his neck and leaned against his chest like a kitten as she watched television.

Time ticked by. Although Li Yan did not pay much attention to her and she was the one who took the initiative to get close to him, the atmosphere was still very warm.

Suddenly, the originally pure plot on the television changed. A man and a woman began to have sex.

In that hot scene, the woman's long, fair legs hooked around the man's waist...This scene was really unbearable!

In an instant, the atmosphere suddenly became stiff.

Then, she picked up a glass of water and took a sip. As she did not hold the glass firmly, the water in the glass flowed out and spilled on their legs, soaking their clothes.

Qiao Mu was shocked. She hurriedly jumped out of Li Yan's arms and wiped the water with a tissue.

Above her head, a gaze that could not be ignored was fixed on her. She looked up at him timidly. "Uncle, your pants are wet."

"Take it off."

Qiao Mu was speechless.

Seeing the man's cold and aloof manner, Qiao Mu fiercely despised him in her heart. She accurately caught a trace of a familiar emotion in his deep black eyes, and she was secretly suppressing it.

At night, the house was very quiet. The servants had all left to sleep.

Qiao Mu steeled her heart and unbuttoned Li Yan's shirt with trembling hands.

Li Yan narrowed his eyes. The fire that was hidden in the deepest part of his body burned brighter and brighter.

His pants were wet, but this little thing was unbuttoning his shirt!

A hint of anticipation flashed in his dark eyes as he silently watched the little woman unbutton her clothes one by one.

Her slender fingers gently placed on that firm and tight chest, gently drawing circles, one by one, with a teasing meaning.

She looked up and winked at the man. " Uncle, are you really not going to talk to me? "

Li Yan's face tensed up and he restrained his emotions. He wanted to see how far this little woman could go!

Qiao Mu lowered her head and lightly kissed the man's lips. It was only a light touch before she left.

The man did not respond.

Qiao Mu's kiss moved down and landed on his chest. She timidly stuck out the tip of her tongue and licked it.

The man still did not respond.

Qiao Mu's hands caressed randomly, and she could feel the man's body temperature getting hotter. Sensing that the time was right, she quickly left him and stood far away in front of him.

Then, she sighed regretfully. " Uncle, it seems like you don't like me anymore.

You're not interested in me at all. Forget it, I won't force you. '

Qiao Mu turned around very, very slowly. She was so slow that before she could even move, her wrist was grabbed and her entire body was pulled forcefully, sinking into the sofa.

Qiao Mu giggled. " Didn't you ignore me? Are you finally unable to resist my temptation?"

The corners of Li Yan's lips curled up, revealing his usual devilish expression. " Little thing, do you know that I've been waiting for you to take the initiative to offer yourself to me for an entire night? " Qiao Mu was speechless.

She finally couldn't laugh anymore!

So he did it on purpose!

The man's bestial nature began to erupt, and the flames that he had restrained earlier erupted in an instant.

"This is the living room!" Qiao Mu belatedly shouted.

"Everyone else is asleep!" The man's voice was hoarse and sexy. " But you took the initiative to seduce me. Don't you like this...Excitement?"

Chapter 609: I Am His Girlfriend

The next day, Qiao Mu continued to rush to Key Studios.

As soon as she entered the office, she saw Leo walking up to her. " Qiao Mu, your uncle came to pick you up yesterday, and he didn't seem too happy. Is your upbringing very strict? You're already a university student, yet your family forbids you from dating? "

" No, Mr. Leo, you're overthinking it. Besides, I already have a boyfriend. " Qiao Mu said with a smile.

"Oh, then I'm thinking too much. Qiao Mu, how old is your uncle? What did he do? Do you have a girlfriend?" Leo asked in detail.

Qiao Mu looked at Leo's curious expression and asked doubtfully, "" Teacher

Leo, why are you so nosy? '

"Do you want to learn something useful from me? If you want, tell me about your uncle."

Qiao Mu understood a little. " Teacher Leo, don't tell me you want to introduce him to a partner? If he is, you should give up. He already has a girlfriend."

"You have a girlfriend?" Leo looked disappointed.

Qiao Mu nodded. " Yes, I'm his girlfriend. "

"Isn't he your uncle?"

Qiao Mu saw the disbelief on Leo's face and explained, ""Uncle, that's how I address her. Actually, he's my lover."

Leo's eyes lit up. " Actually, I have a problem. I pay close attention to men who have the body of a model. I just saw that his body is super good, so I wanted to ask him if he was interested in being my model. "

“That’s all? Then why did you ask him if he has a girlfriend?”

“It’s like this. A new theme that I designed is more ... Returning to nature, revealing more body parts, so if you have a girlfriend, your girlfriend will definitely not allow it!”

Qiao Mu heaved a sigh of relief when she heard Leo’s words. “ Teacher Leo, he really can’t do this. Even if I agree, he won’t! ”

Although she really wanted to see Li Yan wearing those revealing clothes, she could only imagine it.

Leo sighed. “ Alright, just pretend I didn’t say anything. But your man is super handsome. Yesterday, I thought it was a model who came knocking on my door. I was surprised and happy, but it turned out to be you. ‘

Qiao Mu didn’t know whether to laugh or cry. She really had to admire someone who was so dedicated to their work.

At this moment, a man came in to deliver the design. “ Leo, this is the latest set of clothes. Cut the fabric and give a demonstration. I’ll get the people below to

do it...’

As he was speaking, the man stopped. When he saw Qiao Mu, he was stunned and asked, ““Who is this?”

‘ She’s the legendary contestant, Qiao Mu. ” As Leo spoke, he introduced her to Qiao Mu, “ This is designer Chen Ou, and he’s also one of the most important members of our team. ”

Qiao Mu looked at the other party, who looked to be in his thirties. He had stubble on his mouth and wore a pair of glasses. To be honest, he looked a little wretched.

Qiao Mu smiled politely. " Hello, Teacher Chen Ou. "

Chen Ou stared at Qiao Mu's face, and a hint of amazement flashed across his eyes. After a while, he smiled and nodded. " Hello, you're able to enter the finals at such a young age, and you've even obtained the recognition of the STAR. You must be very talented. "

Leo smiled. " Not only is she talented, but she's also good-looking.

Qiao Mu was helpless. " Teacher Leo, don't make fun of me. "

"I won't disturb you guys anymore. I'll leave first." Chen Ou turned around and thought of something. He reminded her, " There's a meeting in the afternoon regarding the release of the new autumn products. Leo, you're in charge of bringing Qiao Mu along.. "

Chapter 610: Being ostracized

Qiao Mu was extremely honored to be able to attend the internal meeting of the designers.

In the conference room, there were four chief designers, Qiao Mu, and a few assistants around them. Key was not present.

There were many chief designers under the Key brand, and among the four people present today, other than Leo and Chen Ou, there were two ladies. Although Qiao Mu did not recognize faces, she could definitely recognize them when it came to works.

The four of them were discussing the contents of the new product launch. As a junior, Qiao Mu did not have much experience, so she sat at the side and listened quietly.

Suddenly, Chen Ou shifted the topic to Qiao Mu. " Qiao Mu, what do you think?

Before Qiao Mu could say anything, one of the designers, Rita, said, ""Chen, isn't it a waste of time to ask an inexperienced outsider? She's only a temporary member of our team. She's not an official member. Her opinion doesn't matter."

“That being said, her work is participating in the new autumn collection after all.”

“She just needs to do her work well. Don’t drag it down. That’s what I want from her.”

Qiao Mu looked at the other party’s haughty chin, and she thought about how Rita’s design was extremely beautiful and completely out of line with her image.

Leo took a sip of coffee and said, “Rita, Qiao Mu was personally handpicked by Key. Who among us has ever received such special treatment? Obviously, there’s no need to doubt her ability. Your worries are unnecessary.”

At the mention of Key, Rita was instantly deflated. She glanced at Qiao Mu in disdain and did not say anything else.

‘ I really don’t have much experience, ’ Qiao Mu said with a smile. ‘ Seniors, please forgive me. I won’t be a burden. ’

Qiao Mu was polite and generous, and her attitude immediately made people have a good impression of her.

The two assistants beside her whispered, “ I haven’t even met this girl yet, but I’ve already heard rumors. She’s a contestant approved by Teacher Key. The entire design department was in an uproar back then. ”

“I know her too. She’s young, beautiful, and talented. I think the champion of this year’s competition has already been taken!”

“So, when she wins the championship, she will officially become our member?”

Looks like we have another chief designer.”

Rita's expression darkened when she heard the discussion. Rita's assistant said in a strange tone, "" I heard that Qiao Mu's work was suspected of plagiarism and was exposed by the judges on the spot. ' "What is it? How can plagiarism get you into the competition?"

"That's right. It must be a rumor, right?"

Leo frowned and slammed the table. " Alright, this is a meeting, not a market. Shut your mouth! "

Rita sneered. " Being pretty means that she's treated well. Even Leo has stepped forward to protect her. Is she your type? I thought you had the same taste as

Chen!"

Leo revealed a bright smile. " Rita, you can change a person's appearance if they're not beautiful, but if they're not beautiful at heart, they're hopeless. "

"You..." Rita blushed in anger.

Finally, the meeting ended in a stiff atmosphere.

After leaving the meeting room, Qiao Mu and Leo returned to the office. Leo comforted him. " You don't have to worry about it. We designers don't usually get along well. We're used to mocking each other. It's not because of you. '

"We're all colleagues. Why don't we get along?" Qiao Mu was puzzled..
