### Chapter 61: I Don 't Like Anyone Other Than You

Qiao Mu did not dare to provoke him, so her tone softened instantly. She chuckled and said gently, ""Uncle, don't worry. I'll be good in school and study hard. I won't cause trouble!"

"It's said that my niece has a lot of suitors. Her rumored boyfriend has even made it to the school forum. Let me think about who it is...Oh, right, it's a kid with the surname Han." These words sounded lazy, but the coldness in them was not concealed at all.

Qiao Mu quivered. This man's neck was really long. It even reached into her school!

Qiao Mu lowered her voice. " Uncle, since he's a rumored boyfriend, then it's all nonsense. They don't know, but don't you know? Other than you, I don't like anyone else!"

These half-joking words sounded very pleasant to Li Yan's ears.

The man was obviously satisfied with her words and said leisurely, "Be good. I'll reward you when I come back."

His voice was a little softer and carried a trace of rare gentleness. It was as if he was sticking close to her ear and softly caressing it, causing Qiao Mu to be stunned for a moment.

For some reason, she blushed.

The sound of a key being turned came from the dormitory door. Qiao Mu panicked and immediately hung up the phone.

Immediately after, the door was pushed open. Yao Shu entered and saw Qiao Mu holding the phone in a panic. Her face was slightly red and her expression was very unnatural.

A trace of coldness flashed across Yao Shu's eyes as she asked nonchalantly, "Mu Mu, who were you talking to on the phone just now? You hung up as soon as I came in."

"A friend. Why are you back? Don't you have a professional class?" Qiao Mu changed the topic.

"I came back to get something. Oh right, I heard that the school found out about you going to the nightclub. This is not a small matter. If it gets out of hand, you might be expelled. Are you okay?" Yao Shu asked with concern. Qiao Mu was stunned for a moment before she smiled. "I'm fine now."

After Yao Shu left, Chi Xia returned.

When she saw Qiao Mu, Chi Xia shouted, "Where have you been these past two days? You're so mysterious. Did that woman come looking for you again?"

"No, Xiaxia, the school found out a few days ago that I was working at a nightclub. They asked me to hire my parents. I..."

"What?" Before Qiao Mu could finish her sentence, Chi Xia interrupted in a panic, "What should we do? Calling your parents is not a small matter. Don't tell me your family knows about this?"

It was normal for Chi Xia not to know about this. This incident had a negative impact and the school had not made it public. But why did Yao Shu know about

Not many people knew that she went to the nightclub. Besides Chi Xia and Yao Shu, there was also Han Su who helped her.

Qiao Mu didn't think too deeply about it and explained to Chi Xia with a smile, "Don't panic. I haven't finished speaking. I've already solved it. I asked my uncle to help me. He happened to know that I went to the nightclub. He didn't tell you in advance because he was afraid that you would be worried."

"Oh, that's good!" Chi Xia heaved a sigh of relief and blinked curiously. "Qiao Mu, isn't your tall, rich, and handsome uncle a little too enthusiastic? How could such a busy person have the time to do such a small thing like this? He doesn't seem to be in cahoots with your stepmother!"

Qiao Mu rolled her eyes at her. " Don't tell me you're interested in my uncle? If

you don't keep your morals, be careful that I'll complain to your Gu Cheng!"

"Tsk, my Gu Cheng definitely believes me! As for you, don't fall into the trap of being tall, rich, and handsome."

Qiao Mu ignored her. She remembered that she had just hung up on Li Yan, so she quickly sent him a message. "Uncle, my phone ran out of battery just now. I didn't hang up on you on purpose.."

Chapter 62: Dropping the Chain at the Critical Moment

Qiao Mu's sudden hanging up made Li Yan very unhappy!

This little thing had escaped at the critical moment!

However, after a while, his phone vibrated. When Li Yan saw the content of the message, the corners of his mouth curled up.

This was obviously a confession!

His slender fingers tapped on the screen and quickly replied:"What brand is your phone? It seems to have the ability to read Master's mind and choose to automatically shut down at the critical moment. It's a great help to Master."

The corners of Qiao Mu's mouth twitched fiercely as she read the contents of the message.

Just by reading this paragraph, she could feel the playfulness and ridicule of a certain man.

Qiao Mu thought for a moment and quickly replied, " Uncle, you have to believe me. It's really out of battery!" A pitiful tearful emoji was added at the end of the text.

Qiao Mu thought that the other party would not reply, but her phone soon rang. "" Next time you call me, make sure you have enough battery. I don't want to run into a situation where you drop the ball at such a critical moment again.

Qiao Mu was speechless.

If this continued, she would definitely be teased and bullied by him. She might as well put away the phone and not reply!

On the top floor of the LSA-building.

Li Yan did not receive a reply, but he was in a rare good mood.

He could totally imagine the expression on the little girl's face.

He could not help but smile at the thought of her blushing from being so agitated by his words that she could not speak.

At this moment, Lei Yi knocked on the door and came in. He happened to catch the smile on Li Yan's lips that had yet to disappear. He was slightly stunned and looked away, pretending that he did not see anything.

"Young Master, you should leave for the airport."

Li Yan stood up and picked up his coat from the hanger. He hung it on his arm and strode out.

After walking out of the office, he paused and looked at Lei Yi. " Keep an eye on

Qiao Mu and the Qiao family while I'm away. "

"Yes, Young Master." Lei Yi replied.

After Li Yan left, Qiao Mu went to class every day as usual. After class, she was busy earning extra money. She owed Chi Xia too much money, so she had to work non-stop to earn every penny.

Qiao Mu was busy when she received Qiao Ya's call. Qiao Ya never called her, so she was obviously uD to no good by taking the initiative.

After picking up the call, Qiao Ya said in her usual high and mighty manner, ""Qiao Mu, do you still remember Young Master Lin who was with me at the banquet last time? Young Master Lin is very interested in you. You're really lucky to be invited by Young Master Lin. Last time, Young Master Lin said that he had a private party and asked me to invite you. You..."

"I'm not interested!" Qiao Mu interrupted Qiao Ya before she could finish her sentence.

To be taken in by the second-generation official who only knew how to eat, drink, and play, saying that she was lucky? She really felt disgusted by Qiao Ya's values!

Qiao Ya's tone changed. She was extremely annoyed by Qiao Mu's attitude. ' Don't be ungrateful! " Do you know who Young Master Lin is? He's the mayor's son. Do you know that the development of the Qiao's Enterprise depends on his word? As long as you get the favor of this young master, the Qiao Corporation will be able to get a big business deal. You don't know what the company is like when you're not in the company. Don't ruin my good thing!"

"Sis, you're right. I don't work in the company, so I'm not in charge of the company. It's your business what you want. Don't drag me down with you!"

"I'm going to class now. Goodbye!" she said coldly after a pause.

Qiao Mu hung up the phone impolitely.

Han Su had warned her that Lin Xian was not a good person, and it was even worse if he took a fancy to her.

He didn't look for her for good things, but he thought of her for this kind of thing?

Qiao Mu thought that this matter was over, but when she walked out of the school gate, she saw Qiao Ya's car parked at the entrance.

Qiao Ya got out of the car and stopped her. " Qiao Mu, have you thought about what I told you? "

"Sis, I told you I'm not interested. It's useless for you to come and find me!"

Qiao Ya glared at her angrily and anxiously. " Isn't it just a gathering? Can I make you lose a piece of flesh? " Do you know how important this is? In order to get the mayor to sign the approval document, Dad was so anxious that he was in a terrible state. You lived and ate in the Qiao family for so many years and provided for you to go to such a good university. When you were needed, you stood by and watched. How can you be so heartless?"

Qiao Mu sneered. " Yo, you make it sound like you raised me. Aunt Yun has already decided to kick me out of the Qiao family, so why should I help you solve your problems? If Dad asked me for help, I could consider it, but you're not qualified!"

Qiao Ya's expression was as unsightly as it could get. Qiao Jiannan had no idea about this at all. Qiao Ya was the one who approached Lin Xian, wanting to make a great contribution to the company. Coincidentally, Lin Xian was so interested in Qiao Mu, so Qiao Ya wanted to push the boat with the current and directly push Qiao Mu into the pit. However, she did not expect him to reject her so straightforwardly!

Qiao Ya's face was livid with anger. Qiao Mu looked at her and said, " Sister, I didn't enter the company, so please don't think about me again if you encounter such things in the future! "

Qiao Mu left after saying this.

Qiao Ya stood rooted to the ground and glared at the back of the man. How could an illegitimate daughter live so freely?

No matter what, Lin Xian was the mayor's son. It was her honor to be able to take a fancy to her. Why was she pretending to be high and mighty?

At this moment, a voice sounded from the side, "'Excuse me, are you Qiao Mu's sister? Sorry, I overheard your conversation just now."

Qiao Ya turned around and looked at the person who had just arrived. She asked impatiently, "'Who are you?"

Hello, I'm Yao Shu, Qiao Mu's roommate. " Yao Shu smiled faintly. " Sister, Qiao Mu has always been so condescending. She's also like this in school, always offending people. Don't hold it against her. "

"I know better than you what kind of person she is!" Qiao Ya snapped back. She suddenly sensed something and sized Yao Shu up. " You said you're Qiao Mu's roommate? " Is she not likable at all?"

"This ... We're roommates. Even if she's difficult to get along with, I'll get used to her. " Yao Shu lowered her head and whispered.

Qiao Ya knew from her womanly instincts that Yao Shu definitely did not like Qiao Mu. Her tone was filled with hostility.

It wasn't strange to think about it. An annoying person like Qiao Mu had a vicious mouth and no self-awareness, so it was normal for her to have many enemies!

Qiao Ya smiled and her expression became more amiable. " Yao Shu, right? Can you do me a favor?"

At night, Qiao Mu couldn't sleep, so she lay in bed and played with her phone in boredom.

She opened WeChat and scrolled through her Moments. Suddenly, she remembered that Li Yan's phone number was saved in her phone. She casually clicked on the add phone contact in WeChat. She did not have much hope at first, but she was surprised to find that Li Yan had opened WeChat!

The WeChat name was L.

Qiao Mu smiled slyly and added him as a friend.

She was a little disappointed that the other party did not respond. She put her phone aside and was about to go to sleep when her phone rang.

She clicked on it and saw that it was a message informing her that she had successfully added him as a friend!

Qiao Mu couldn't help but sigh. Li Yan was quite fashionable. He actually knew how to use a chat tool like WeChat!

Qiao Mu immediately perked up and lay on the bed, thinking about how to tease him. Who asked him to add strangers so casually!

After thinking for a while, Qiao Mu greeted him first. ""Hi, handsome."

The other party did not respond again. After three minutes, he replied, "Blockhead? Do you know me?"

Qiao Mu's WeChat ID was Wood.

“I don’t know him!”

L: “ You don’t know me, but you know I’m handsome? ”

Blockhead replied,“It’s just a form of address. You can also call me Beauty.”

L: “ I’m sorry. I never say things that I don’t mean. ”

Qiao Mu was speechless.

He didn’t know who she was, so how could he be sure that she wasn’t a beauty?

He casually added friends of the opposite sex and even chatted with them. He even had the time to hook up with girls on a business trip. He did not have his usual cold image at all. This man was simply ... Too dirty!

Qiao Mu pouted angrily and sent a shy emoji.

“Handsome, 419?”

“What’s 419?”

“Translate the three numbers in English.”

Ten seconds of silence, and then...

L, “Alright, come on.”

Qiao Mu was completely dumbfounded. This man was too casual!

Instantly, he was very angry. He could not describe his emotions, but he was very unhappy!

Qiao Mu was starting to suspect that the other party was not Li Yan, but the phone number was clearly his!

Seeing that she didn't reply, the other party couldn't hold it in anymore and directly gave her a string of addresses. "Imperial Hotel, Room 796."

Qiao Mu's expression changed again and again. She really did not know what to say, so she directly sent a string of dots over...

L: Do you need me to pay for the travel expenses?"

When Qiao Mu saw that he seemed to be very serious, she instantly felt a surge of anger in her chest!

She threw her phone beside the pillow and buried her face in it angrily.

This was too much! Who was the one who said it was his first time? She knew that his words could not be trusted. Such a casual man was simply...

How infuriating!

Chi Xia, who was leaning against the headboard opposite her and reading a book, saw Qiao Mu's puffed up face and asked in confusion, "What's wrong with you? Who provoked you in the middle of the night?"

Qiao Mu gritted her teeth in anger. "As expected, all men are no good!"

"Chi Xia couldn't help but laugh. "It's as if you've been through a lot of men."

Miss Qiao, let me remind you that you've never been in a relationship before. Don't you think it's unfair to say such things to your fellow men? '

Who said that she had never experienced a man before!

Her phone rang a few more times. Qiao Mu took her phone and saw three messages.

L: On the way?

L: " I don't have enough money for the travel expenses. I can pay you first.

The third message was actually a transfer of 2,000 yuan from him to her on WeChat!

Do you have money to spend? A random netizen directly transferred 2,000 yuan to the other party. It was simply too shameless!

When she asked him for money, he had never been so generous and straightforward!

Qiao Mu furiously tapped the screen to accept the transfer!

He was willing to be deceived. It would be a waste not to accept it!

Then, another message came.[2,000 yuan is enough for the plane ticket and taxi fare from Beijing to S City!]

Qiao Mu couldn't take it anymore and directly replied with seven words,

""Whatever! Shameless! You have no moral integrity!"

However, in the blink of an eye, she felt that something was wrong. She did not say anything, so how did he know that she was in Beijing?

“How did you know I was in Beijing?” Qiao Mu asked hurriedly..

Chapter 63: Qiao Ya, Who Had No Good Intentions

Qiao Mu thought that this matter was over, but when she walked out of the school gate, she saw Qiao Ya's car parked at the entrance.

Qiao Ya got out of the car and stopped her. “ Qiao Mu, have you thought about what I told you? ”

Chapter 64: Anything! Shameless!

Qiao Mu couldn't help but sigh. Li Yan was quite fashionable. He actually knew how to use a chat tool like WeChat!

Qiao Mu immediately perked up and lay on the bed, thinking about how to tease him. Who asked him to add strangers so casually!

However, in the blink of an eye, she felt that something was wrong. She did not say anything, so how did he know that she was in Beijing?

"How did you know I was in Beijing?" Qiao Mu asked hurriedly..

Chapter 65: I Have a Sense of Crisis

Li Yan looked at the silly message and the corners of his mouth curled up. He could imagine that her little face was scrunched up into a ball as she looked at her phone in shock.

His fingers tapped on the screen and quickly sent out a message: "Niece, I've already received the money. Don't even think about going back on your word." Qiao Mu was instantly confused!

He, he, he...He actually knew it was her? He knew from the beginning?

So, he was deliberately teasing her?

Qiao Mu hammered the bed surface with all her might. She was so embarrassed that she had nowhere to hide!

Qiao Mu was puzzled for quite a while, but she still replied calmly, ""Niece? Handsome, are you a pervert? You actually fantasized about being with your niece ..."

"My niece is a little pervert."

Qiao Mu couldn't take it anymore and retorted, " You're the pervert! You pervert!"

"Yeah, a big pervert and a little pervert. They're a perfect match."

Qiao Mu was speechless.

This bastard!

Just as Qiao Mu was infuriated and her hair stood on end, she saw another line of text appear on the screen.

“Niece, you deliberately seduced me. It’s really hard on you.”

Who was scheming? She was clearly just testing him!

Qiao Mu sent a smiley face over and replied, ““Uncle, I was just joking with you. You actually saw through me! Hehe, you’re so smart.”

This soft and fawning tone clearly meant that he had no choice but to lower his head and admit his mistake when he saw that the matter had been exposed.

Li Yan narrowed his eyes slightly. The little girl was as sly as a little fox. Li Yan clicked on the functions on WeChat and found that the software was very convenient.

Previously, he had heard from Lei Yi that the people in the company were using

WeChat to hand over work, video conferences, and so on, so he had asked Lei

Yi to download one for him. After downloading it, his account had been logged in, but he had never used it. He did not have any friends.

Just now, when he was busy dealing with documents, his phone rang. He casually clicked on it and saw that someone had added him as a friend.

He didn’t see through this little thing calling him handsome, but this girl, who had always been well-behaved, dared to tease him in this way?

Li Yan clicked on the video in his WeChat and dialed the number.

Qiao Mu was waiting for his reply. It was a joke, so he probably wouldn’t take it seriously.

However, after a while, a video call appeared on her phone screen. She sat up quickly and hugged her phone for a few seconds. After confirming that the other party had not pressed the wrong button, she took her earphones and rushed into the bathroom under Chi Xia's confused gaze.

Qiao Mu calmed her breathing and accepted the video call. She then smiled at the camera.

"Uncle, what's the matter?"

The man on the video screen had deep black eyes, thin lips, and sharp facial features.

He leaned back lazily in his chair, his phoenix eyes closed and closed, and his long eyelashes could be clearly seen. When he was in front of her, she did not dare to stare at him, but now, she did not have to worry at all. She stared at the handsome face on the screen without any scruples.

360 degrees without any blind spots. Even in front of the camera, he was still so handsome and eye-catching!

The man raised his eyebrows, his eyes emitting a dangerous aura. He slowly said, "Can't I see you for no reason? It seems that my niece provoked me first and didn't lure me into the trap. I'm worried that you'll go to someone else.

This makes me feel very threatened."

This light sentence instantly made Qiao Mu nervous.

Even if this man wasn't by her side, she could still feel his powerful intimidation just by looking at his face through the video.

However, thinking that he was far away from her now and could not do anything to her, the little nervousness in her heart quickly disappeared..

Chapter 66: Uncle and I Are in Love

She coughed lightly and laughed awkwardly. " Uncle, I was just joking with you. I thought you would be bored when you went on a business trip, so I was just teasing you. "

"I'm not joking with you. Since you've accepted my money, don't go back on your word. "

Qiao Mu was speechless.

How could he be so shameless!

The man continued to speak lazily. " Little thing, you really know a lot. I learned a new thing from you today. It seems that you often ... " 419! " Qiao Mu's expression instantly darkened.

Her small face instantly lost its arrogance. She blinked her big eyes pitifully and said, " Uncle, don't accuse me. You know very well whether I often do that or not! "

She had clearly given her first time to him!

"I'm not sure!" After a pause, his dangerous voice sounded again."If not often, then occasionally"

Occasionally your sister!

"Just once!" Qiao Mu gritted her teeth and confessed honestly.

"Hmm?"

"That's right, with uncle ... That time." Qiao Mu mumbled in a very, very soft voice.

Almost as soon as Qiao Mu finished speaking, the man's expression instantly darkened.

Even through the phone screen, Qiao Mu could still feel that coldness.

She seemed to have accidentally provoked him again!

“Oh?” A gloomy voice sounded. So that’s 419!”

Qiao Mu quivered and quickly shook her head and waved her hands. “ No, no, Uncle and I are in love! ”

“Uncle, my brain is already in a dormant state at this time, so I can’t wrap my head around it. What I said just now was nonsense!”

Li Yan watched her carefully explain and snorted coldly. His expression softened a little.

Qiao Mu heaved a sigh of relief. In order to change the topic, she asked with a smile, ““Uncle, how did you know it was me? I don’t have a photo of me on

WeChat. I just casually said a few words and you guessed it was me!”

‘ Because I can feel that you are my little pervert! ’

Qiao Mu was speechless.

Looking at her dazed expression, Li Yan chuckled and explained kindly, “ Idiot, you can find me through your phone contacts, but can’t I find you through your phone number? ”

Qiao Mu suddenly came to a realization and slapped her own forehead. She was simply too stupid!

How could she not have thought that they both had phone numbers? As long as she added him, he would automatically notify her that she was in his contacts list!

“Uncle, when are you coming back?” Qiao Mu asked with a smile.

“Did you miss me?”

“Could she say that she didn’t want to?”

Li Yan did not wait for her reply and said calmly, “Go back the day after tomorrow. Niece, don’t be anxious. If you dare to hook up with someone else and play some 419...”

“No, no, absolutely not! Uncle, don’t worry!” Qiao Mu immediately interrupted Li Yan before he could finish.

Li Yan was satisfied with her performance, so he let her go.

Qiao Mu returned to her bed and finally heaved a sigh of relief. After this ordeal, she was both physically and mentally exhausted, and it was difficult for her not to feel sleepy.

Chi Xia placed the book in her hand on the bed and looked at her in confusion. ”

Mu Mu, why did you hide in the bathroom? ” You can’t be ... Are you dating online?” cc . “Could an online relationship hook up with such a domineering and rich CEO?

Chi Xia saw her indifferent look and said seriously, “Don’t go astray. There are many scammers on WeChat. Look at Yao Shu, who has been acting mysterious recently. She didn’t come back tonight. Could she be dating online?”

Qiao Mu glanced at the empty bed at the side and felt drowsy, so she didn’t have the mood to care about others..

Chapter 67: Swindled to the Thief’s Nest

At the same time, in the room of the Imperial Hotel in S City.

Li Yan stood on the balcony and leaned against the railing lazily. His eyes were glued to the phone screen.

There was a photo on his phone screen. He had casually taken a screenshot of Qiao Mu during the video call just now. In the photo, Qiao Mu's eyes were narrowed and her lips were pouting. Her expression was extremely comical.

Li Yan returned to his room and continued with his work. His mood for the night had been disturbed by this little thing. He was a little restless and wanted to finish his work immediately and go back to see his little thing.

When Qiao Mu woke up the next morning, she received a message from Li Yan.

It was a photo with two words, "How ugly!"

Qiao Mu was already fuming early in the morning. She gritted her teeth in hatred as she looked at the screenshot!

Too despicable! Who asked him to secretly take such an ugly picture?

Qiao Mu was on her way back to the dormitory after class when she received a call from Yao Shu.

When Yao Shu was tutoring someone, she forgot to bring the materials. She had already arrived. If she came back to pick them up and rushed back, it would be too late, so she asked her to help deliver the materials.

Yao Shu's tone was very anxious. " Mu Mu, I was really too careless. You took a taxi here. I'll reimburse the fare for the return trip. My family is very rich as a

tutor and the fees they give me are not low. I don't want to be fired because of my negligence. You have to help me. '

Qiao Mu asked for the address. It was a villa in the suburbs, and it was indeed not close. It would take about two hours to get there and back, and the sky was about to turn dark.

Since there was nothing else to do, Qiao Mu agreed.

He went back to the dormitory to get Yao Shu's things and took a taxi to his destination.

When Qiao Mu arrived at the address Yao Shu gave her, she was about to call Yao Shu when she opened her phone and saw a message from Yao Shu.

“Mumu, I've already informed this family. Come in and give me the things. I'm watching the child do his homework and it's not convenient for me to go out.”

Qiao Mu didn't think too much about it. She found the villa that Yao Shu mentioned, but the door was not closed.

There were several luxury cars parked in the courtyard of the villa. Rock music could be heard playing in the house. This noisy atmosphere did not seem like an environment for children to study.

Qiao Mu stood in front of the door and suddenly realized that something was amiss. She turned around and was about to leave when the door opened, and Qiao Ya appeared inside.

Qiao Ya did not give Qiao Mu any time to think. She grabbed Qiao Mu's wrist and dragged her into the house.

“Sis, what are you doing?”

“Qiao Mu, since you're already here, don't leave!” Qiao Ya smiled smugly and closed the door.

Qiao Mu instantly understood, and her expression turned cold. “Where's Yao Shu?”

' She's not here. Qiao Mu, what kind of friend did you make? She knew what I was going to do and immediately said she wanted to help me. Your social relations are really bad! "

Qiao Mu couldn't be bothered to waste her breath on her. She turned around to

open the door, but Qiao Ya stopped her.

Qiao Ya lowered her voice. " Qiao Mu, it's already this time. Don't be so ungrateful! " The people here today are all young masters and daughters of rich families. Just deal with Young Master Lin and nothing will happen!"

"Qiao Ya, that's enough! Let me tell you, you'd better let me go. If I stay, I'll definitely mess up this situation!"

"How dare you! Young Master Lin is upstairs, keep your voice down! Qiao Mu, I

know you don't want to help me, but it's true that the company is in trouble. The company belongs to Dad, and you're a member of the Qiao family. You have an obligation to help!"

Qiao Mu sneered, finding it extremely ironic.. Did he suddenly remember that she was a member of the Qiao family?

Chapter 68: The Woman Young Master Lin Fancy Can I t Escape

Qiao Ya continued to persuade her. " Qiao Mu, you don't know the company's situation. If the company can't get this piece of land from the city government, it'll be very difficult for it to develop. I'm not lying to you. The company's situation has been very bad recently, and it needs this project! What can you do if you help me? I promise that as long as I'm here, nothing will happen to you.

As long as you accompany Young Master Lin!"

Qiao Mu was disdainful. " You promise? Will your promise work?"

"It's not good for me if something happens to you. If Dad finds out, I'll be in trouble too!" Qiao Ya glared at her angrily. " I'm begging you, okay? "

Qiao Mu clenched her fists tightly. She did not trust Qiao Ya. In such a remote place, if anything happened, she would not have the chance to ask for help.

At this moment, someone came downstairs. " Xiao Ya, didn't you pick up your sister? Is she here yet? Young Master Lin is waiting for you! "

Qiao Ya responded and dragged Qiao Mu upstairs.

Qiao Mu regretted it the moment she went upstairs. The room was filled with men and women, and it was a mess. The room was filled with smoke and alcohol, and the smell was extremely unpleasant.

The man sitting in the middle of the sofa was Lin Xian. He had a cigarette in his mouth and a woman in his arms. The woman was dressed sexily and was snuggled in his arms.

Seeing Qiao Mu walk over, Lin Xian's greasy face was filled with smiles. He freed one hand and waved at Qiao Mu. " Beauty, you're finally here. Come over quickly and sit with me. "

Qiao Mu felt disgusted. Qiao Ya pushed her from behind and reminded her softly, ""You're already here. Don't cause trouble. Hurry up and go over!"

Faced with such a chaotic situation, Qiao Mu only wanted to leave as soon as possible. She coldly said, Young Master Lin, I still have classes at school. I'll go back first today. '

Qiao Ya secretly gritted her teeth and smiled. Her tone was filled with a hidden warning." Mu Mu, you're such a disobedient child. Young Master Lin is going to be angry if you reject him like this. "

"This little stubborn temper is just what I want!" Lin Xian laughed. " Little girl, isn't school boring? Come, come over here. I'll let you try something interesting. I guarantee that you'll fall in love with it once you try it. In the future, you'll stick to me every day."

After Lin Xian finished speaking, he winked at the man standing beside him. The man took out a small box filled with bags of white flour.

Master Lin, you're so biased. We want it too! '

' What's the rush? The game has just started tonight. Everyone has a share! "

Qiao Mu's expression instantly changed when she saw this. Although she had never come into contact with it before, she could tell at a glance that it was a drug!

Qiao Mu took a step back, her face cold and disdainful. " Young Master Lin, I'm not interested in this thing. '

"You'll be interested in it in a while. I'll make you love it to death." Lin Xian took a whiff of a bag of white flour, his face filled with enjoyment.

Noisy cheers filled her ears. Men and women were screaming, and the music was boiling. The hellish atmosphere made Qiao Mu feel fear.

"You won't get addicted to this thing once." Qiao Ya said softly, not intending to stop him at all.

Qiao Mu's eyes widened in shock. She had always thought that Qiao Ya was just a spoiled young miss with a bad temper and a decent character. She never expected that she would say such words!

Even if their relationship wasn't good, they were still sisters. Qiao Ya actually pushed her into the fire pit with her own hands!

Qiao Mu's face was ashen. " Young Master Lin, you guys have fun. I'll take my leave first. '

Qiao Mu had just turned around when someone blocked her way. One of the men laughed at the top of his voice." Little girl, you have to satisfy Young Master Lin if you want to leave. There's no one Young Master Lin can't take down! "

Chapter 69: Shocked

Qiao Mu's heart was already in a mess, but she pretended to be calm. " It's illegal for you to gather together to take drugs. Move aside, I'm not leaving. I'm going to call the police! "

"Call the police?" The group of people laughed as if they had heard a huge joke.

" Little girl, are you telling a joke? Even the police chief has to listen to Young

Master Lin's father. Do you think it's useful to call the police?"

Qiao Mu's face paled. Just because she had a backer, she could be lawless? Qiao Mu was anxious and immediately rushed downstairs. However, she had only taken a few steps when two men lifted her up and dragged her to Lin Xian.

"Bastard, let me go!"

Lin Xian stood up and stared at Qiao Mu lecherously. His gaze swept over her from top to bottom before revealing a disgusting smile. He reached out to touch Qiao Mu's face. " Truly stunning. Even though they're sisters, the gap between them is really huge. Tsk tsk, this little face is so clean that water can be squeezed out! "

Qiao Ya's expression changed. She had thought that she would be done dealing with Lin Xian and that Qiao Mu would be fine even if she suffered a little. She never expected Lin Xian to take out such a forbidden item.

Qiao Ya smiled as she stepped forward. " Young Master Lin, since you like her, let her accompany you. However, it's fine if she's a white fan. She doesn't have the fortune to do so. "

" That won't do. Such a beautiful girl, it would be a pity if we don't light her up.

Everyone here today is going to get high." Lin Xian paused and looked at Qiao Ya. "Including you!"

Qiao Ya forced a smile. She had heard that Lin Xian was acting recklessly, but

she didn't expect him to be so reckless. If she had known earlier, she wouldn't have provoked him!

Qiao Mu struggled with all her might and glared at the group of people in front of her. "You bastards!"

Lin Xian smiled sinisterly. "You have such a bad temper. You'll get excited later."

Lin Xian handed the white powder to Qiao Mu, and Qiao Mu raised her leg and kicked Lin Xian. The other party was caught off guard and fell onto the sofa.

Before anyone could react, Qiao Mu picked up the wine bottle and smashed it forcefully on the marble coffee table. She raised the broken wine bottle and waved it in front of her like a wild cat. He glared fiercely at the person who was about to step forward.

"Don't come over!"

Qiao Ya was shocked. "Qiao Mu, what are you doing? Put down the bottle and apologize to Young Master Lin!" she roared.

Lin Xian's expression was ugly. He stood up and walked toward Qiao Mu. "I want to see what kind of waves you can stir up!" The more you resist, the more it provokes me!"

Just as Lin Xian approached, Qiao Mu raised her wine bottle in shock and swung it at him. The sharp glass fragments scraped across Lin Xian's face, instantly turning it into a pool of blood.

Immediately after, a scream like a pig being slaughtered sounded. Lin Xian covered his face and screamed. The scene instantly went out of control.

Hurry up and catch her. F \* ck, how dare she cut my face? I'll suck her to death with my \*\*\*. Don't even think about walking out of here today! ”

Qiao Mu was so frightened that her entire body was trembling, and her mind was blank. She clenched her teeth tightly, brandished the wine bottle, and retreated bit by bit. ” Whoever wants to die, come over! ”

Qiao Mu's aura was extremely frightening, and her eyes were bloodshot. The people here were all young masters who had been pampered since they were young. Seeing that Lin Xian was injured, no one dared to step forward, afraid that they would be the next to be injured.

The stairway was blocked, and Qiao Mu could not escape. She slowly retreated to the door of a room and quickly entered the room, locking the door from the inside.

There were all kinds of shouts outside, the sound of banging on the door, and the sound of music. It was chaos.

Qiao Mu's face was deathly pale, and her legs went limp as she sat on the ground. She threw away the broken wine bottle in her hand and took out her phone with trembling hands. She opened her contact list and dialed a number..

Chapter 70: Li Yan, Save Me

The ice-cold phone pressed against her ear made Qiao Mu's body tremble uncontrollably.

In such a desperate situation, the only person she could think of to ask for help was Li Yan.

The phone beeped. It only sounded for a few seconds, but it made her heart sink.

The call was suddenly connected, and a glimmer of hope suddenly appeared in Qiao Mu's eyes. She almost choked as she shouted, ““Li Yan, save me...”

At the Capital Airport, Li Yan had just gotten off the plane.

He finished his work in S City two hours earlier than planned.

Li Yan walked towards the exit with steady steps. Lei Yi followed behind him and gave a detailed report on the company's situation over the past few days.

At this moment, her phone rang.

Li Yan lowered his head to look at his phone. His deep and cold black eyes were still cold, but there was a glimmer of light in the depths of his eyes. His thin lips curled up slightly, and his finger touched the answer button.

This little thing, her call came at the right time. He told her to call him if anything happened. Could it be that she had caused trouble again?

Just as Li Yan was about to speak, the moment the call went through, a panicked voice came from the other end."Li Yan, save me..."

The phone was noisy.

In an instant, Li Yan's eyes darkened. The hoarse pleading voice on the phone grabbed his heart tightly.

Qiao Mu frantically called for help on the phone, but just as she spoke, a loud bang sounded from behind her, as if something heavy had hit the door. She was so frightened that she lost her grip on her phone and dropped it to the ground.

After the call ended, Qiao Mu did not know if Li Yan heard what she said. She bit her lip fiercely and tried her best to calm herself down. Just as she was about to call him again, the door handle fell off and the door was pushed open.

Almost out of reflex, Qiao Mu picked up the broken wine bottle.

Outside the room, there was a roar. "Hurry up and drag her out! Damn it! " If I don't torture her to death today, my surname won't be Lin!"

Qiao Mu's face was deathly pale as she glared fiercely at the person at the door. Even though she was trembling in fear, she still held onto the wine bottle tightly, as if she would stab anyone who stepped forward to death.

A long stick suddenly reached in from outside the door and struck Qiao Mu's arm, causing the wine bottle in her hand to instantly fall to the ground. Then, a group of people pounced forward and restrained her.

"Bastard, let go of me and get lost!"

Qiao Mu struggled as she was dragged in front of Lin Xian. Lin Xian's pig-like face had already been bandaged. He laughed wretchedly and grabbed Qiao Mu's hair. "F \* ck, if you offend me, forget about you, even your Qiao family will be in trouble. If you serve me well later, I can give you a chance to turn over a new leaf! "

Qiao Mu's eyes were bloodshot. "Bastard, if you dare to touch me, I'll definitely perish together with you!"

When Qiao Ya heard that the Qiao family was going to suffer the same fate, her face instantly turned pale. She walked forward and gave Qiao Mu a tight slap. "Shut up! " I told you to accompany Young Master Lin, did you hear me? If you want to die, don't drag the Qiao family down with you!"

Qiao Mu glared fiercely at Qiao Ya. "Qiao Ya, you better pray that I'm fine. If

anything happens to me today, I'll definitely make you pay the price! "

Lin Xian waved his arm and shouted impatiently, ""Send her to the room and tie her up on the bed!"

Qiao Ya saw that the situation was completely out of control and that the Qiao family would be implicated. She was so scared that she quietly slipped out of the villa through the back door.

Qiao Mu's heart instantly sank to the bottom of the valley. She struggled desperately in despair, and the strength in her body was slowly being drained away.

At this moment, a commotion came from outside.
