Chapter 621: No Response from Suo Ai

When Qiao Mu woke up the next morning, she saw that Li Yan's expression was very foul!

It was as if she owed him a few hundred million yuan.

Qiao Mu had no idea what was going on at all. She felt drowsy the moment she touched the bed last night. It was as if the man had said something in her ear, but she could not remember clearly. At that time, her consciousness was almost blurry.

So, why did he look so awful?

While eating breakfast, Qiao Mu glanced at the man's expression and asked, "Uncle, what happened this morning? Who offended you?"

This morning?

Li Yan narrowed his eyes. She had no idea that he did not respond to her last night!

Li Yan snorted coldly and spat out two words in an extremely bad tone, "I'm fine."

"Then is your uncle here? Why do you look so pale so early in the morning?" Li Yan was speechless.

This woman must have forgotten his dignity after not beating her up for a long time!

Qiao Mu ate a few simple mouthfuls of breakfast. When she saw Li Yan put down his chopsticks, she anxiously tugged at him. "Uncle, let's go. I'm in a hurry to go to work."

Li Yan glared at her coldly. " You're a student who goes to work all day without doing any proper work. You're so dedicated. Do you have any money to earn? "

"Of course!" Qiao Mu was delighted at the mention of money. " According to the sales of my works, I can get a portion of the commission. Let me calculate, if I sell 10,000 pieces, I'll get...Uh, anyway, it's a lot of commission!"

Actually, she did not know how much commission she could get. She was not short of money now, so she did not care how much money she could earn.

Qiao Mu looked at the time and dragged Li Yan away, muttering, ""It's really too late. I have to see if my drafts have been approved."

Then, under Qiao Mu's urging, Li Yan's mood was not comforted, and the little woman went straight to work.

When Qiao Mu finished the draft last night, she had already sent the electronic version to her email address.

He arrived at the studio early in the morning and immediately held a meeting.

Since the number of clothes for the new autumn collection was set, since Qiao Mu's new designs were added, it was only natural that they had to replace the designs of other designers.

The purpose of this meeting was to discuss this matter.

Key said, " Qiao Mu's design drafts have been completed, so we've decided to use her new work. As for the clothes that will be taken off the shelves, do you have any objections?

Leo was the first to speak. " Take one of my collections off the shelves. I've been participating in the launch of new products for several consecutive seasons anyway. It doesn't matter if one piece is missing. '

Rita sneered. " Who doesn't know that your clothes are from the same series? The idea of taking it off the shelves doesn't form a theme. You really know how to be nice."

"I say, why are you so evil? Since I can say it out loud, I've already thought about which one to take down. It won't affect me."

Qiao Mu was touched. She had only known Leo for a few days, but this senior had always taken good care of her. Unlike Chen Ou, this big boy was straightforward and passionate. He had no ulterior motives and was sincerely helping her.

This matter involved her after all, and the final decision was made by Key, so it was not appropriate for Qiao Mu to say anything.

Suddenly, Chen Ou said, " You should take mine down. Don't force yourself on

Leo. A series does affect you. '

Qiao Mu was stunned. What was Chen Ou thinking?

She did not think that he would be so kind as to help him!

She raised her head and met Chen Ou's gaze. Although his gaze seemed to be the care of a senior to a junior, there was a trace of disgust in the depths of his eyes..

Chapter 622: Why Should She Get Special Treatment?

Leo looked at Chen Ou and asked, ""When did you become so warm-hearted?"

It's not easy being a newbie. We all started as newbies, so we know how difficult it is. We naturally have to do our best to help as much as we can.

As he spoke, Chen Ou looked at Qiao Mu with a smile. " I hope Xiao Qiao can understand my intentions. In the future, when we develop, you should take care of your peers. '

These words were really sensible. Not only did they help her, but they also showed that he did not have any personal feelings for her, making her feel good about him.

However, Qiao Mu did not appreciate it at all!

If she had not seen this man's wretched side, perhaps she would have really believed this man's kindness

'Teacher Chen, I'll remember what you said, but the final verdict on this matter will be given by Teacher Key.' Qiao Mu then looked at Key. 'Teacher Key, what do you think?'

Key leaned back in his chair and pondered for a while before nodding. 'Just do as Chen Ou says. This is a special case. Qiao Mu, your senior has done something for you, so you should thank him properly.'

Qiao Mu looked at Chen Ou and smiled. 'Thank you, Teacher Chen.' 'You're welcome. By the way, since I have one less piece of work online, my workload has been reduced. If you need any help with your new work, come and find me.' Chen Ou said with a smile.

Qiao Mu narrowed her eyes. This was this man's goal? In order to let her get close to him, he was really willing to sacrifice!

Key nodded. 'That's right, Qiao Mu. Amy has been busy lately. If you need anything, you can look for Chen Ou.'

As soon as he said this, Qiao Mu saw a glint of success flash across Chen Ou's eyes. But since Key had said so in public, how could she reject him?

Moreover, Chen Ou had helped her. If she refused, others would think that she did not know what was good for her!

Qiao Mu could only nod unwillingly, thinking that she would try her best to resolve the matter herself.

After the meeting ended, Qiao Mu packed up her artwork and was about to leave when Chen Ou called out to her from behind, " Xiao Qiao, let me admire your new artwork. Since Key was able to replace my artwork with yours, it clearly shows that your artwork has its own merits. "

Qiao Mu did not stop in her tracks and politely said, ""Teacher Chen, I still have a lot of things to do right now. I can't waste any time. Please understand. I'll send you the electronic draft when I get back." With that, he left.

She would not be alone with him for even a moment.

After Qiao Mu left, she heard whispers of discussion behind her.

I'm also very curious about how outstanding Qiao Mu's designs are. It's really rare for Key to replace Teacher Chen's work and promote hers! "

" Yeah, I realized that Qiao Mu is being treated well in every aspect. Whether it's the competition or the new autumn product, Teacher Key seems to be taking special care of her. "

"In that case, that's really the case. Why should a college student who's worse than a newcomer get such special treatment? We've been working here for so long. We're only qualified to help with the new product launch every season." "Who asked him to be outstanding and capable? We're still not capable enough."

"Tsk, I don't believe that she can walk so smoothly just based on her ability!"

The discussions grew further and further away, and Qiao Mu could no longer hear what those people were saying. In short, they were very dissatisfied with her.

Suddenly, someone patted her shoulder. Qiao Mu turned her head and saw Leo following her.

Don't mind the gossip, " Leo comforted. " I'm just jealous of you. "

Chapter 623: There Is A Kind Of People Who Can Eat Both Men And Women

Qiao Mu smiled gratefully. " Thank you, Teacher Leo. I understand. I didn't take it seriously. "

Because her goal was higher and further, she would not take such a small matter to heart.

She had known since she was young that no matter which path she took, it would not be so smooth. She would always meet people she could not understand. It was fine as long as she understood herself.

She didn't have many good points. The only good point was that she didn't care about what others thought. Qiao Ya had ruthlessly told her to die time and time again since she was young. If she had always cared about what others thought, she wouldn't have lived until now.

She had grown up being provoked by vicious words since she was young, so this little provocation had no effect on her at all.

Leo smiled. " That's good. I was overthinking. " But why do I feel that you're not very friendly to Chen Ou?"

Qiao Mu was stunned. Was she that obvious? He had actually been seen through!

After thinking for a while, she shook her head and said innocently, ""No,

Teacher Chen is a senior. It's normal for me to respect him."

Although she really wanted to complain, she did not have any evidence. If she said it casually, it would become a slander to others.

"You respect him, but why do you respect me?" Leo asked.

Of course not, Teacher Leo. It's mainly because the age difference between us is relatively small. We're from the same generation, so we get along. '

Leo was very satisfied with her words. He shook his head regretfully. " Such a good girl. It's a pity that you have a boyfriend. Otherwise, I would have forced myself to accept you. '

. Teacher Leo, please don't force yourself."

What happened next did not go so smoothly.

Every step Qiao Mu took had to be approved by her superior. The superior was originally Amy, but now it was Chen Ou!

Therefore, after she sent the draft to Chen Ou, Chen Ou picked out a bunch of flaws.

Chen Ou called Qiao Mu into his office. " Xiao Qiao, I'm not trying to make things difficult for you on purpose, but your work is indeed a little too rough. It needs to be edited to perfection. '

Qiao Mu said expressionlessly, " Teacher Chen, this draft has passed the examination of the Key. I don't think there's anything else that needs to be changed. Besides, the sample of the clothes has already been made. '

Don't use Key to pressure me. Key asked me to guide you. I'm doing this for your own good.

Qiao Mu's attitude was extremely cold. " You know very well whether you're doing this for my own good or not! "

"Looks like you're really insensible. I took the initiative to take my clothes off the shelves for you. Do you know how much of a loss this is for a designer? We designers have worked so hard to get these spots. I took the initiative to give them to you, but you don't appreciate it!"

As he spoke, Chen Ou walked around the desk and approached Qiao Mu. "Xiao Qiao, you know what I'm thinking. As long as..."

Qiao Mu quickly took two steps back and looked at him in disgust. "Teacher

Chen, I know that you like men. Why are you making things difficult for me?"

Chen Ou's face stiffened, and then he smiled indifferently. "The people in the company are so talkative. I have to tell you this. I do like men, but do you know that there's a type of person who likes both men and women?"

Qiao Mu was speechless.

In an instant, Qiao Mu felt nauseous!

It was too disgusting!

Especially when these words came from Chen Ou's wretched face!

Chen Ou smiled as he walked toward Qiao Mu. He reached out to grab her hand, but before he could touch Qiao Mu, he was pushed away.

Chapter 624: Pleased and Vented!

Qiao Mu's expression darkened. "Chen Ou, aren't you afraid that I'll expose you to Key teacher when you're acting so brazenly?"

"Ha, Xiao Qiao, you're too naive. Go ahead and report me. Everyone in the company knows that I only like men. Let's see if they believe that I have feelings for you!" Chen Ou had a disgusting and wretched look on his face. It was as if no matter what Qiao Mu did, she could not do anything to him and could only allow him to eat her like a fish!

This sentence had indeed hit Qiao Mu's heart.

The reason why he didn't expose Chen Ou so easily was because he didn't have any evidence. Moreover, Chen Ou's surname was different!

Qiao Mu's eyes turned cold as she looked at the disgusting face in front of her. She walked toward Chen Ou and curled her lips. "Teacher Chen, I think you're right, so I won't expose you."

Qiao Mu's sudden change in attitude deepened the smile on Chen Ou's face.

It seemed that she was only pretending to be reserved. In the face of authority and benefits, she still submitted!

The girl in front of him exuded a beautiful aura from the inside out, making him very tempted.

If she satisfied him, he could consider rejecting Shu Xinyu's request.

Chen Ou raised his hand and touched Qiao Mu's face while saying, "Xiao Qiao, you're still sensible. As long as you..."

Before Chen Ou could finish his sentence, Qiao Mu walked forward and kicked his lower body at lightning speed. She then swiftly grabbed his outstretched claws and twisted them forcefully, pushing him onto the sofa.

The series of movements were so skillful that Chen Ou had no time to react. He was in so much pain that he had no ability to resist.

Qiao Mu seemed to have touched something dirty on her hand. She clapped her hands and looked down at Chen Ou. "As long as it's me, so what?"

Chen Ou was curled up on the sofa, and he let out a painful groan. His face was red, and he wanted to scream, but he was worried that others would see him in such a sorry state.

As he endured the pain, he glared at Qiao Mu angrily. " You..." Just you wait!" "Alright, I'll wait!" Qiao Mu only felt extremely pleased and relieved!

The moves he learned from Guan Baobei to deal with perverts were finally put to use. It was unexpectedly effective!

She must treat Baby Guan to a big meal later to express her gratitude!

Qiao Mu turned to leave, and someone knocked on the door.

She looked back at Chen Ou and walked to the door to open it. Chen Ou was already sitting upright, but his face was unusually red.

Chen Ou wasn't a fool. It wouldn't do him any good if someone discovered his abnormality at this time.

Qiao Mu nodded at the assistant who walked in and walked out of the office. Then, she heard the assistant's puzzled voice coming out from behind her. "Brother Chen, are you sick? Why is your face so red?"

Qiao Mu couldn't help but want to laugh. That's right, she was seriously ill!

After that, Qiao Mu found Amy and bluntly said, Sister Amy, I've shown the draft to Teacher Chen. Teacher Chen wants me to make some changes to the draft. The draft has already been finalized. The clothes samples have already been released. Should I go and ask Teacher Key? "

Amy glanced at Qiao Mu and coldly at the draft. " This was confirmed by Key, so it's naturally qualified. Designer Chen's suggestion is also good for you. The work is yours, so you can decide whether you need to modify it or not. '

Qiao Mu turned to leave, but Amy called out to her..

Chapter 625: Qiao Mu's Treatment Is Too Special

Amy looked at Qiao Mu and said coldly, ""Qiao Mu, do you know what everyone in the company is talking about? Key's special treatment of you has already attracted the attention of others. I hope you can control yourself and not think about looking for Key for everything."

His tone was clearly filled with responsibility.

Qiao Mu furrowed her brows. These two days, there were indeed some people who were jealous of her gossiping behind her back. She did not take those people with evil intentions seriously at all.

It was fine if other people suspected it, but Amy knew it clearly. Now, she was telling her about it seriously, which made her feel strange.

After some thought, Qiao Mu said, " Sister Amy, I don't think I'm afraid of doing things because of other people's opinions. It's not something shameful for Teacher Key to approve of my work. If Teacher Key cared, he wouldn't have accepted my work.

Amy's face darkened. " Qiao Mu, I'm just reminding you that if you want to use the name of Key to promote yourself, you'd better give up on that idea. Key hates people who use their power to climb up the ladder. '

Qiao Mu looked at Amy and said after a while, "" Teacher Amy, don't worry. I only admire Teacher Key. I don't have any other feelings. '

Amy's expression froze. " Why are you telling me this? I'm not interested in your matters! "I

" You're interested in Teacher Key. " Qiao Mu didn't wait for Amy to say anything else and calmly said, ""Teacher Amy, I'll be leaving first."

Qiao Mu wasn't sure about Amy's relationship with Key, but she knew that Amy liked Key. Whenever Key was mentioned, Amy's expression would change.

Qiao Mu could understand that she didn't want the person she liked to get too close to the opposite sex. However, she really didn't have much contact with Key, so Amy's worries were completely unnecessary.

Amy's expression darkened as she watched Qiao Mu leave.

She arrived outside Key's office, knocked on the door, and walked in. She saw Key sizing up the sample Qiao Mu had designed.

Key rubbed his chin when he saw Amy. " You came at the right time. Take a look at the clothes that Qiao Mu designed. What do you think? "

Amy had already seen it before, so she didn't find it strange. She concluded," The colors are bright and the style is very trendy. It can keep people warm and fashionable in late autumn. It's the exact opposite of some big brands. It's not targeted at mature women. Her style is more suitable for young women.

Key nodded. " Indeed, the most important thing is that she avoided all similarities with the TANG brand.

"Yes, I am." Amy replied casually. When she saw the smile of admiration on Key's face, she felt a sting in her eyes.

Key's lips curled up. " This Qiao Mu really didn't disappoint me. She's always able to surprise me. It's truly rare for her to have such comprehension at such a young age. '

Amy looked at Key and couldn't help but say, Key, the people in the company have been talking about you taking too much care of Qiao Mu. She's receiving special treatment that no one else has. "

Key raised his eyebrows. " Is the atmosphere in the design department so bad

recently? Then why are you telling me this instead of handling it?"

Amy was stunned. She didn't expect Key to blame her directly.

She explained, " It's just that this incident has a huge impact on your image..

They all say that you're..."

Chapter 626: Envious of Everyone

"What did I do to Qiao Mu?" Key raised his head and his tone darkened. His displeased gaze fell on Amy. "The people below are gossiping and you didn't stop them. Instead, you think they're right? Amy, you're my secretary. Do you need me to teach you how to do this?"

"No, I just

"Amy, you know that I hate things that come out of nothing the most. I do treat Qiao Mu differently, but Qiao Mu has the right to do so. Other than the chief designer of the design department, who else can do the clothes she designs to this extent? Those gossiping people think that I'm unfair. If there's anyone among them more capable than Qiao Mu to stand up, I'll treat them equally. Otherwise, I'll make them shut their mouths!" Key's face was cold as he threw the ball down.

Amy clenched her fists tightly. This was the first time Key had questioned her work because of a newcomer!

Key was not a person who was often angry. Although he was usually strict with his work, he would not get angry. However, he was angry because of Qiao Mu.

She bit her lip and said after a while, Key, I understand, but even if Qiao Mu is capable, you don't have to flatter her like this, right? "

Key's eyes darkened. "Why? Do you have a problem with my methods? "

Sensing that Key was really angry, Amy lowered her head. "I'm sorry, I was wrong.

Key waved his hand. "You may leave.

After Amy left, Key sat in his office chair and rubbed his eyebrows.

He treated Qiao Mu not only because of her talent, but also because of her experience!

Ning Tongtong had plagiarized Qiao Mu's work and turned Qiao Mu's work into her own brand. He definitely could not pretend that he did not know about this.

In this industry, his biggest taboo was plagiarism!

When he saw Qiao Mu, he seemed to see his own shadow from back then. His works had been stolen and used by others, but he was helpless!

His current status was achieved step by step by himself, so he was extra attentive to Qiao Mu's matters.

Qiao Mu had Li Yan as her backer, but she did not ask Li Yan to help her build connections in this circle. This meant that this girl had ambition and did not want to rely on others. She wanted to rely on her own abilities!

Reality proved that his choice was correct. Qiao Mu did not disappoint him.

Amy left the office with her hands clenched into fists. Her expression was ugly.

She had never made a mistake in her work after being by Key's side for so many years, and she would never let Key get angry because of her. However, Qiao

Mu, who had suddenly appeared out of nowhere, gave her such an experience!

When she passed by the bathroom door, she heard two people washing their hands and chatting. "The new autumn product will be on sale soon. Our department has been working overnight and is extremely busy with that Qiao

Mu's new product. If it weren't for her sudden incident, we wouldn't be so tired.

Qiao Mu has potential. Key is now promoting her and even removed designer Chen's works from the shelves. It's good that she's capable! "

" What do you mean by capable? To be honest, it's all because of her good looks.

I don't see any beautiful clothes that she designs. '

"But her clothes have been on the official website for a few days. The sales are very hot. Buyers don't look at the designer's looks."

"That's because of the promotion of the Key brand. If it doesn't become popular after such a huge promotion, it'll be hopeless. If I design a set of clothes and sell it on the official website, it will definitely not be worse than her. Everyone blindly praises the Key brand."

"But what you said makes sense.. Many fans are here for KY..."

Chapter 627: My Boyfriend Is Not in the Same Profession

As the two of them spoke, they turned around and walked out.

They were in the middle of a heated conversation when they suddenly saw Amy at the door. Their expressions changed and they immediately stopped the topic.

"Director Amy." The two women lowered their heads and greeted him.

Amy sneered. " Tell me, why aren't you continuing? "

"Director Amy, we're just talking casually ..

“Casually? Can you say it casually?” Amy glared at one of them. “You said that your design is more popular than Qiao Mu’s. If you have this ambition, why didn’t you tell me? Alright, I’ll give you a chance. Try designing a set and sell it. I’ll see if you can sell one! Do you think the client is blind?”

She’s willing to spend such an expensive price on just a random piece of clothing?”

The other party lowered her head and was reprimanded harshly. “Director Amy, I was wrong. I was just too tired and wanted to chat and relax. I really didn’t mean to offend the designer. ‘

“Tired? Alright, since you feel tired, pack up and leave. I’ll let you relax!”

“Director, I really know my mistake!”

“Director, please spare us this once. We won’t talk nonsense anymore.”

Amy’s face darkened as she glanced at the surrounding staff. “This is the last time. If I hear any more gossip, don’t blame me for being unreasonable!” After saying that, Amy left. Everyone looked at each other.

Wasn’t it just some boring gossip? Director Amy usually had a good temper. Why was she suddenly angry now?

Because of Amy’s warning, Qiao Mu’s working environment became much quieter, and she no longer heard those gossips.

Amy brought Qiao Mu to the processing workshop to inspect the clothes. Someone saw Qiao Mu and asked enthusiastically, “So you’re the newcomer they were talking about. You’re really young and beautiful. You’re really clever.”

The woman who had previously been scolded by Amy for badmouthing Qiao Mu behind her back smiled at Qiao Mu. “Designer Qiao, you’re still a university student. I wonder if you have a boyfriend?”

” That’s right, that’s right. We have a lot of single handsome guys here.

Designer Qiao, do you want to pick one? ” Someone jeered.

Qiao Mu smiled and shook her head. ” Stop joking with me. ‘

At this moment, Amy spoke up. ” Designer Qiao already has a boyfriend. He’s not from Key Studio. Don’t worry about her. ‘

Qiao Mu glanced at Amy, who seemed to be deliberately trying to clarify that her boyfriend was not from here.

“So that’s how it is! When this matter is over, we’ll have a gathering. Designer Qiao, you must bring your boyfriend to us. What if he’s someone from here?” The woman smiled, her tone implying something.

Recently, someone had been gossiping about Qiao Mu being given preferential treatment because she had hooked up with a Key. He wondered if these two people were really related.

Qiao Mu glanced at him and said indifferently, “”My boyfriend is not in this industry.”

” Then you have to bring him here. You have to tell him how amazing Designer Qiao is in the company. ”

Joe could tell that the other party’s tone was not friendly, so he nodded and ignored the other party.

Amy followed Qiao Mu out of the processing workshop. ” Qiao Mu, do you know how influential those gossips are now? Everyone is suspecting your relationship with Key! They ignore your ability and think of you as someone who relied on other methods to get to the top. Do you really not care?”

Qiao Mu smiled nonchalantly. ” Thank you for your concern, Teacher Amy. I’ll be leaving in two days when the new autumn collection is over. All the discussions will be dispelled then.. “

Chapter 628: If You Always Bow Your Head, The Crown will Fall off

Before Qiao Mu got off work, she did not see Chen Ou.

According to Chen Ou's assistant, Chen Ou had left work early and said that he was not feeling well, so he went to the hospital.

Upon hearing this, Qiao Mu could not help but laugh. Did she break him with just one kick?

That was simply...Too fragile!

Qiao Mu happily got off work. When she returned to the Li residence, Li Yan was not at home.

Qiao Mu entered the kitchen in a good mood. She had been too busy these few days and had neglected her uncle, so she had to make a feast to reward her uncle's stomach. Only by capturing a man's stomach could she capture his heart!

The butler stepped forward. "Miss Qiao, you've had a tiring day. You still have to go home to cook. Young Master will be heartbroken if he knows."

Qiao Mu smiled embarrassedly when she heard that Li Yan felt sorry for her. "It's alright, Uncle Chen. I'm not tired."

The butler was about to say something when a voice suddenly sounded from outside the door. It was as if a rocket had rushed in. "Mumu, is my precious daughter at home?"

Qiao Mu was speechless.

Who else could it be but Yu Yiduo?

When Qiao Mu walked out of the kitchen, she saw Yu Yiduo quickly rushing to Qiao Mu. When she saw that Qiao Mu was wearing an apron, she frowned and grabbed Qiao Mu's hand with heartache. "Mu

Mu, who told you to do such menial work? ” Your hands are used for drawing and designing clothes. Don’t spoil that kid, Li Yan. If you want to eat, go make your own food.”

Qiao Mu’s lips twitched. ” Auntie, I just wanted to cook dinner for Uncle on a whim. He didn’t force me to do it. ”

“That won’t do! Women can’t always go into the kitchen. Once or twice is enough. If you keep your head down in the kitchen, the crown will fall off.”

Qiao Mu was speechless.

Ms. Yu, can you be any more ridiculous?

Yu Yiduo suddenly thought of serious matters and pulled Qiao Mu to sit on the sofa. ” Mu Mu, I’m someone who can’t keep up with the times, and I only know now that you’ve been bullied. That Ning Tongtong is really infuriating. She actually dared to accuse you of plagiarizing her! ‘

Qiao Mu smiled and consoled her. ” Auntie, it’s alright now. It’s all in the past.

When the new autumn products are released, the audience’s eyes will be bright.

Sigh, I just can’t take it anymore. I’ve seen Shu Xinyu before. How did she raise such a daughter?! ”

“Don’t be angry. I’ll cook a feast for you tonight.” She was the one being bullied, but in the end, she was the one comforting Ms. Yu.

“Alright, alright, I’m in luck!” Yu Yiduo’s eyes lit up, and her smile suddenly disappeared. She stared at Qiao Mu suspiciously. ” Is the food you cooked edible? ”

Qiao Mu was speechless.

She wanted to say that it would definitely be better than yours, but she didn't dare to say it.

In the next second, Yu Yiduo's arrogance was extinguished. She leaned listlessly on the sofa, her face full of "I'm not happy".

"Auntie, what's wrong?"

After Qiao Mu asked, Yu Yiduo sat up straight and said aggressively, "Mu Mu, let me tell you..."

Qiao Mu suddenly felt like she shouldn't have asked. Why was she so nosy?!

Then, Yu Yiduo rattled on and on about what happened. She bought a big durian from the street and ate a piece of durian meat. She closed the durian shell and put it in a plastic bag. The plastic bag was black. In order to prevent the durian from pricking her hand, she wrapped it in a layer of newspaper. She put it on the coffee table and wanted to eat it after dinner.. In the end, when Li Zheng came home, he threw her durian away as garbage when she wasn't paying attention!

Chapter 629: Likes to Call Her Husband Uncle

Yu Yiduo was furious. "Mu Mu, do you think he did it on purpose?" He didn't like me eating durians, so he pretended to think that it was a garbage bag. His garbage bag was on the coffee table!"

Qiao Mu was speechless. Auntie, his house is your house, okay?

Yu Yiduo didn't wait for Qiao Mu's response and pushed her. "Are you angry at his behavior too?"

Auntie, maybe Uncle really thought that it was a trash bag, or maybe he thought that you had already finished eating."

"Impossible! He did it on purpose. Let him do it on purpose. I'll leave home and see if he's in a hurry!"

Qiao Mu did not know whether to laugh or cry. Li Yan's mother was not young, yet she could still maintain such a childlike innocence. It was obvious that Li Yan's father doted on her.

Qiao Mu didn't know how to Dersuade him. so she could onlv wait for Li Yan to return home to settle it.
" Auntie, stay for dinner first and calm down. "

"But I want to eat durian."

Qiao Mu subconsciously gulped. " We don't have durians at home.

" Mu Mu, call Li Yan and ask him to buy it for you. Tell him that you want to eat it. "

Qiao Mu was speechless. She couldn't push the blame onto her like this. However, she did want to eat it.

Under Yu Yiduo's coercion, Qiao Mu picked up her phone and called Li Yan.

When the call connected, Qiao Mu asked, ""Uncle, when are you coming back?"

"I'm already on the way. Do you know that you miss me?" The man's deep voice sounded.

Qiao Mu glanced at Yu Yiduo and lightly coughed. She then said in a negotiating tone, ""Uncle, I suddenly feel like eating durian. Can you bring a durian back?"

"Why do you suddenly want to eat that thing? Are you too tired from work and don't want me to touch you, so you deliberately ate it to make me dislike you?"

Qiao Mu was speechless. No, I'm not in a good mood at work today, so I craved this. I want to eat it to calm down."

"If I remember correctly, eating durians is easy to get angry."

“I’m fighting fire with fire.” After Qiao Mu finished speaking, she saw Yu Yiduo give her a thumbs up and give her a thumbs up.

Immediately after, Qiao Mu added, “ Uncle, I really ran into some trouble at work today. Buy me a durian and I’ll tell you what happened today. ”

Under Qiao Mu’s repeated pleas, Li Yan finally reluctantly agreed.

Yu Yiduo didn’t feel happy at all. She sighed and said, “ Sigh, comparing people is infuriating. If you ask him to buy it, he will buy it. Why is your man more considerate than my man? ”

Qiao Mu was speechless. My man is your son, okay?

Soon, Li Yan returned with a big durian.

Yu Yiduo went up to him and took the durian. “ Thank you, son. ‘

Li Yan frowned and looked at the innocent little woman beside him. Then, he understood why the little woman suddenly wanted to eat durians.

Qiao Mu continued to work in the kitchen. Li Yan followed her and said with a smile, ““You’ve become so virtuous now? Do you still have to go home to serve your husband after work?”

Hubby ...

This was the first time he had heard him call her that.

Qiao Mu couldn’t help but blush and glare at him. “ What husband? Shameless!

” Yeah, you’re shameless. You’re just a little pervert who likes to call her husband uncle. ‘

Qiao Mu was speechless.

Qiao Mu's tone was very bad. "It's just that I feel that I've been too busy these past few days. Now, I want to reward you. Forget it if you don't appreciate it!"

"I appreciate it." Li Yan's lips curled up. He took the vegetables from her hands and pulled her into his arms. "You said on the phone that you were in trouble at the company.. Shouldn't you tell me now?"

Chapter 630: Let Me Tell You, You Can't Be Angry

Qiao Mu leaned against Li Yan's chest. "I'll tell you, but you promise not to get angry."

Li Yan raised his eyebrows. It seemed like this was something that he would definitely be angry about.

He nodded and waited for the little woman to continue.

"Actually, someone came to harass me..." Qiao Mu had just opened her mouth when she saw Li Yan's expression change. He immediately emphasized, "Don't be angry! He didn't do anything to me. I kicked him and sent him to the hospital. I taught him a lesson."

Qiao Mu was exaggerating a little to deliberately appease Li Yan.

Li Yan furrowed his brows. He was definitely angry, but when he saw how happy and proud the little woman looked after she had solved the problem herself, he did not have the heart to hurt her.

Seeing how happy she was, he knew that she did not suffer a loss.

He raised his hand and patted her head. "Mmm, my little thing is awesome."

Qiao Mu grinned from ear to ear at his praise. She was extremely happy, and after some thought, she asked, "Uncle, what if I really kick someone bad?"

“Go ahead and do it. If you cause any trouble, I’m here.”

This sentence made Qiao Mu’s mood even more beautiful.

The air was filled with the fragrance of durians. Unable to resist the temptation, Qiao Mu walked out of the kitchen and saw Yu Yiduo sitting on the sofa like a mouse, watching television and eating durians.

Qiao Mu walked over and saw a large durian. Half of its meat was already gone.

Her little face scrunched up into a ball as she rushed over. “ Auntie, why did you eat so much in one go? Leave two pieces for me. ‘

“I thought you didn’t have time to eat!” Yu Yiduo ate happily.

Qiao Mu stopped cooking and started eating as she sat down, worried that she would be finished.

On the other side, Li Yan dialed Lei Yi’s number. “ Find me the name list of the designers at Key Studio. Get someone to keep an eye on them. Report to me if there’s anything. ‘

After Li Yan finished speaking, he hung up the phone with a cold expression. To dare to have thoughts about his woman, he would not let it go just by kicking her!

At this moment, laughter rang out from the living room. When he looked over, he saw Yu Yiduo and Qiao Mu chatting about something and eating happily.

The coldness on his face disappeared bit by bit. As he walked over, the door was suddenly pushed open.

Li Zheng came.

Seeing Li Zheng, Yu Yiduo snorted and ate the durian in big mouthfuls. "What are you doing here?"

Li Zheng stood at the door and didn't move. He straightened his back and looked at Yu Yiduo. He said arrogantly, "Come home with me!"

"No! Don't disturb me from eating durians!" Yu Yiduo didn't lose face at all.

Li Zheng frowned and took out the imposing manner of a boss. "I'll say it again. Come home with me!" "I won't! You threw my durian away, what are you so arrogant for!"

"You're not going back?"

"I have ten durians in my car. If you don't come back with me, I'll throw them away."

Yu Yiduo's eyes widened. "Really?"

"Come out and take a look for yourself."

In the next second, Yu Yiduo jumped up and threw away the half-eaten durian. She ran to the door and said, "Hubby, seeing that you are so sincere, I will forgive you this once."

She still wanted to make trouble with Yu Yiduo for a while, but Li Zheng understood her well and coaxed her with just one sentence.

Qiao Mu raised her head and looked at Li Yan enviously. "Uncle, you should learn from your father. If I'm angry with you in the future, you can coax me like this."

"Using ten durians to coax you?" Li Yan did not understand at all.

Qiao Mu corrected him very seriously. "You can use whatever I like to coax me, but you have to face things properly, understand?"

"I know." It was rare for Young Master Li to be so obedient.

Then, she heard the magnetic voice again. " You like me. If you're angry in the future, I'll give myself to you. " Qiao Mu was speechless..
