### Chapter 631: Separating From Uncle

The next two days would be the busiest time for the fall fashion show.

Chen Ou did not cause trouble for Qiao Mu anymore. It was not that he did not want to, but he was busy.

Once, when they bumped into each other in the corridor, Chen Ou glared at Qiao Mu fiercely. "You don't have to be so arrogant. I'll settle this score with you!"

Qiao Mu was unconcerned. "If you want to be taught a lesson again, then continue! Next time, I won't show mercy."

"You ... Good! Qiao Mu, let's see how long you can last!" Chen Ou waved his hand and left.

Qiao Mu continued to be busy with her own matters, and then the release of the new autumn products arrived.

The fashion show for the new autumn collection was being held in A City, and Qiao Mu, as a photographer, had to go with them.

So, that meant that she was going to separate from Li Yan.

Qiao Mu had to rush over in the morning to prepare for the fashion show the next day.

Early in the morning, Li Yan's expression was already very bad, so Qiao Mu coaxed him incessantly. "Uncle, don't be unhappy. I'm only going for one night. I'll rush back after the fashion show tomorrow." "Hmph, I think you're quite happy to be separated from me!"

Of course I'm happy! How could he not be happy?

This time, they were going to participate in Key's new autumn fashion show! What a rare opportunity! She had been looking forward to it for so long!

However, could Qiao Mu admit that she was happy? Of course not!

Therefore, she pouted and hugged Li Yan pitifully. " Uncle, I really don't want to be separated from you. It would be great if you could come with me. "

"Alright." Li Yan's lips curled up and he agreed immediately.

Qiao Mu was stunned. " You really want to go? "

Li Yan looked at his watch. " Let's go. I'll send you to the airport. Otherwise, you won't be able to leave if you miss your flight. "

Qiao Mu did not know whether Li Yan was going or not!

Just as she was feeling a little hopeful, Li Yan left after sending her to the airport!

Needless to say, Qiao Mu was furious. He didn't go, but he tricked her!

Qiao Mu met up with Key's group and boarded the plane.

Li Yan rushed back to the company for a meeting!

If it wasn't for the fact that his schedule was full today and the meeting was important, he really wanted to accompany the little woman.

However, he had to settle the matter first.

In the evening, Li Yan finally finished his work. He stood up and walked out of the office.

Lei Yi came up to him. " President, are you going home or? "

Since Miss Qiao wasn't home, Young Master Li probably wouldn't be in the mood to go home alone, right?

"To A City."

Lei Yi thought he was hearing things when Li Yan suddenly said that. He looked at Li Yan with uncertainty.

Immediately after, Li Yan repeated in a good mood, "" Prepare the helicopter.

I'm going to City A. '

Lei Yi was speechless.

Boss, can't you bear to leave your husband for one night?

City A

After Qiao Mu arrived at her destination, she started preparing for tomorrow's fashion show.

The venue for the fashion show was set in the hotel they were staying in. Every designer had to move their work to their room first. They could only bring the clothes to the venue on the day of the fashion show tomorrow, just in case something went wrong.

The other designers all had assistants, but Qiao Mu was alone.

When they were moving the clothes, Chen Ou stepped forward. " Xiao Qiao, let me help you. "

Qiao Mu immediately became alert. She would never let Chen Ou have the chance to enter her room!

" Teacher Chen, " Qiao Mu said with a fake smile, " I won't trouble you. I can do it myself. "

Designer Qiao, " someone said. " Don't crush your small frame when you're moving these things. Let Teacher Chen help you. "

Qiao Mu shook her head. " There's really no need. I can do it. "

Chapter 632: Help!

However, Chen Ou did not take Qiao Mu's rejection seriously. He directly took her luggage and walked into the hotel.

Qiao Mu's eyes darkened, and her brain worked. She handed the other box to Leo. " Teacher Leo, help me with this. This is too heavy, I'll carry a lighter one in your hand.

Leo smiled as he took Qiao Mu's luggage. " I was just saying that two suitcases are fine, but now you're starting to look delicate. "

Qiao Mu smiled and followed Leo into the elevator.

When they arrived at their floor, they began to divide the rooms. Chen Outs room was next to Qiao Mu's, and on the other side was Leo. Opposite them were Key and Amy, while the rest were distributed throughout the floor.

When they reached the door, Qiao Mu did not enter her room. Instead, she helped Leo move his things into his room

Qiao Mu turned around and saw Chen Ou standing at the door with her suitcase. She smiled and said, ""Teacher Chen, just leave the things at the door.

I'll move them into the room myself."

Seeing Qiao Mu's heightened vigilance, Chen Ou sneered and returned to his room.

Qiao Mu only returned to her room at ease after seeing him leave and moved her things into the house.

She tidied up her clothes in the room. When it was time to gather, she went to Leo's door and knocked.

Now, she had to be with someone else for all her actions. She couldn't give Chen Ou the chance to meet her alone, especially now that she was outside and her uncle wasn't by her side.

The door opened. Qiao Mu was about to ask Leo if he was done packing and go downstairs with him when a sudden force grabbed her wrist and dragged her into the room.

She was shocked to see Chen Ou's face in front of her.

This was clearly Leo's room!

Qiao Mu did not have time to think and subconsciously raised her leg to kick the other party. However, Chen Ou had suffered a loss the last time, so he was prepared this time and directly dodged Qiao Mu's attack.

"Qiao Mu, let's see if you can escape from me today! I gave you a choice, but you didn't choose. You insisted that I do it myself!"

Chen Ou was very strong. He threw Qiao Mu against the wall, causing her back to hurt.

When she saw Chen Ou walk forward, Qiao Mu frantically fumbled around on the shelf behind her. She casually found something and threw it at Chen Ou's head.

Chen Ou cried out in pain and fiercely pounced toward Qiao Mu. " You're courting death! " I'll tame you today. I can do anything to men, but you can't do anything to a woman!"

At this moment, there was a knock on the door.

"Brother Chen, you left your bag in my room, " Leo said from outside the door.

Hearing Leo's voice, Qiao Mu shouted, "" Teacher Leo, help! "

Chen Ou frowned in fear. " Shut up! "

"What's that sound?"

Qiao Mu pushed Chen Ou away when he wasn't paying attention, and she quickly rushed to the door, opened it, and rushed out.

Leo, who was standing outside the door, was shocked. " Qiao Mu, why are you..." What's going on?"

Leo looked at this scene in astonishment. The kettle in the room fell to the ground, and Chen Ou and Qiao Mu were in the same room...

Qiao Mu heaved a sigh of relief and coldly looked at Chen Ou in the room. " Ask him what exactly happened! "

In just a moment, Chen Ou's expression returned to normal. " It's nothing. Xiao Qiao and I are discussing the design. "

Who would believe this?

At this moment, Key, Amy, and some staff members heard the noise and came out.

Key looked over.. ” What are you guys doing at the entrance? ‘

Chapter 633: Distorting the Truth

Leo looked at Chen Ou. ” Brother Chen, what did you do to Qiao Mu in the room just now? ”

Leo’s words stunned everyone.

Qiao Mu and Chen Ou were alone in the room just now?

These two people...

Everyone’s gaze shifted to Qiao Mu and Chen Ou.

Qiao Mu smiled coldly and bluntly said, I came to look for Teacher Leo just now, but it was Teacher Chen who opened the door. Then, Teacher Chen dragged me into the room. Teacher Leo happened to knock on the door, so I escaped. ‘

Qiao Mu’s words were even more shocking, causing everyone to be stunned.

Suddenly, a voice rang out from the crowd, ”Teacher Chen versus Qiao Mu? How was that possible? Everyone knew that Teacher Chen was a ... He likes the same sex!”

” That’s right, we all know this. How could he possibly...”

Key looked at Chen Ou coldly. ” Chen Ou, what happened? ”

Chen Ou calmly glanced at Qiao Mu and sighed. ” Xiao Qiao, I’ve been good to you because you’re a newbie. It’s only right for me to take care of you, but you can’t slander me like this and twist the truth. When I opened the door and saw that it was me, you said that you wanted to come in and have a seat. When you entered the room, you threw yourself into my arms. I told you that I didn’t like you, but you didn’t succeed. Instead, you turned around and bit me! ”

Qiao Mu took a deep breath and tried her best to suppress the anger in her heart. She had never seen such a shameless person who could actually push all the blame onto her as if nothing had happened!

As soon as Chen Ou said that, most of the people present were on his side. After all, Chen Ou was a senior, and his character was not bad. Furthermore, everyone knew that he liked men, so they did not believe that he would do anything to Qiao Mu.

Since it was not Chen Ou who had feelings for Qiao Mu, then Qiao Mu must have directed and acted out this whole thing?

But why?

Even if Qiao Mu wanted to suck up to him, she would have to suck up to Key. Her relationship with Key had always been discussed by everyone. Key was so protective of her, and it made people think that their relationship was abnormal. Why would he lay his hands on a designer like Chen Ou?

”Teacher Chen, why would Qiao Mu do such a thing to you?” someone asked.

”Yeah, she doesn’t have a reason!”

Chen Ou said regretfully, ” She just told me that she wanted me to reveal the theme of the finals to her. She’s already very outstanding, so I don’t understand why she chose this crooked path! ”

“Nonsense!” Qiao Mu was furious. Realizing that she was agitated, she calmed her breathing and looked at Key. “Teacher Key, it was Chen Ou who used the theme of the finals to force me. I didn’t agree to it, so he kept targeting me. You know that even if I wanted to get in through the back door, I don’t need to waste time on him!”

Qiao Mu only wanted to tell Key that she would not do such a thing. She had Li Yan as her backer, so it would be easy for her to take shortcuts in the finals.

However, in the ears of others, these words became something between Qiao Mu and the Key.

For a moment, everyone looked at Qiao Mu in dissatisfaction.

Designer Qiao, how can you be so insidious? You pushed the blame onto Teacher Chen when the matter was exposed. Fortunately, Teacher Chen doesn’t like women. Otherwise, you would really have dirtied her!”

Qiao Mu’s expression turned cold as she retorted, “How do you know he doesn’t like women? Don’t tell me that he won’t like women when he’s with a man?”

“You ... How disgusting.. How dare you say such a thing!”

Chapter 634: Being Verbally Attacked

Chen Outs assistant stepped forward. “Qiao Mu, to think that Teacher Chen took such good care of you and even removed his own work to fulfill your wish.

Yet, you don’t know what’s good for you. You’re really vicious!”

“That’s right. We all know Teacher Chen’s character. He’s always done his duty and would never do what Qiao Mu said!

” This Qiao Mu is so scheming at such a young age. Are all university students nowadays so unscrupulous to achieve their goals? ”

“Isn’t she suspected of plagiarizing other contestants’ works? I didn’t believe it in the past and thought it was just a rumor. Now it seems that it’s most likely!”

Leo frowned and interrupted the discussion. ” Don’t spout nonsense. Qiao Mu has a boyfriend, so she wouldn’t do such a thing. ‘

” Teacher Leo, you’re too naive. What’s wrong with having a boyfriend? Girls nowadays are willing to do anything for fame and fortune! ‘

“Yeah, otherwise, it would be a waste of such good external conditions.”

“Enough! Why are you girls so vulgar?”

“Teacher Leo, you’re so protective of Qiao Mu. Could it be that you have something going on with her? You guys seem to be very close.”

Qiao Mu’s face darkened as she listened to the others hurling insults at her. Her cold eyes swept across those people. ” Don’t think of me with your dirty thoughts! ‘

These people attacked her fiercely, treating her like an alien, but they did not know that the words they said had already revealed their disgusting faces.

She raised her head and saw Chen Outs eyes flash with a hint of success, as if he was saying that she couldn’t do anything to him.

At this time, Chen Ou pretended to be a good person and said, ” Don’t say anymore. Qiao Mu is still young and doesn’t know any better. She just wants to show off her results in the competition too much. ”

Chen Ou's words made everyone even angrier. "Teacher Chen, you can't be so merciful to her. You must make her pay the price! "

"This time, she could have thoughts about you. Next time, she will definitely have thoughts about others."

Someone looked at Key. "Teacher Key, aren't you going to stop this? No matter how much you take care of Qiao Mu, how can the competition tolerate her for doing such a thing? Isn't this your greatest taboo?"

Chen Ou smiled proudly in his heart. That's right, this was what he wanted!

Since Qiao Mu was seeking her own death, he would grant her wish and let her die thoroughly!

As long as he could disqualify her from the competition, he would be able to complete the task Shu Xinyu had given him. To him, the commission was a huge fortune!

Chen Ou looked at Key and said tactfully, Key, for the sake of Qiao Mu being the primary culprit, let's go easy on her. It's not easy for her either. After all, she's talented.

Chen Ou knew that Key could not tolerate sand in his eyes. The thing he could not accept the most was someone who had obtained benefits through devious means. Since Qiao Mu had done such a thing, he would definitely not let her off the hook. However, his words of flattery revealed his magnanimity without changing the outcome.

Amy was the first to speak up. "Key, we really can't protect Qiao Mu anymore after what she did.

If he still wanted to protect Qiao Mu in this state, then it really meant that there was something going on between him and Qiao Mu!

Key's cold gaze landed on Qiao Mu's face before shifting to Chen Ou after a while. "Since Chen Ou has already spoken up for Qiao Mu, let's put this matter aside for now. "

“What?” Everyone was shocked.. They didn’t expect that Key would use such a method to solve this matter!

Chapter 635: Make Qiao Mu Pay the Price

Qiao Mu heaved a sigh of relief after hearing Key’s words. She then saw Chen Outs eyes widen in disbelief. He had never expected Key to make such a ruling.

“Key, you mean you won’t take this matter to heart?” Chen Ou frowned.

“Teacher Key, isn’t this too unfair? How can you protect Qiao Mu like this!”

“In the future, our working environment will only become more and more chaotic!”

“Key, isn’t this a little too hasty?” Amy couldn’t help but ask.

Key raised his eyebrows. ” Didn’t Chen Ou say that he wouldn’t mind? ”

“But...” Chen Ou’s expression was ugly. ” We have to make Qiao Mu pay a price. Otherwise, others will say that this is the end.

Qiao Mu glared at Chen Ou. ” No one saw the truth with their own eyes, and you want to disqualify me from the competition just because of a single sentence from you?

“You...”

Key said coldly, " What exactly happened? We'll deal with it after the fashion show. I'll get to the bottom of it. No matter who lied, I won't let them off. ' Chen Ou's expression changed. He didn't expect Key to not believe him!

Someone whispered, " Who else could be lying? Could it be that Teacher Chen did something to Qiao Mu? That's obviously impossible! "

Qiao Mu's eyes darkened. " So, just because of this, you're certain that I did it? This room was originally Teacher Leo's. Now that the person had suddenly changed, who was more suspicious? You guys haven't figured out what's going on yet and you're attacking me. Are you going to say that I'm a girl and that I'm worthless before you feel happy?

This sentence made many people feel guilty.

They had to admit that when they heard Chen Ou's words, they were indeed very happy. When they thought about how capable Qiao Mu was at such a young age, which one of them wasn't jealous? When he found out that he had relied on such underhanded methods to get to the top, he finally felt a little more at ease.

Leo spoke up at the right time, " I don't want to comment on Teacher Chen, but what I saw was indeed Qiao Mu rushing out in a panic, and I even heard a

commotion in the room. If Qiao Mu really took the initiative, then Teacher Chen is too fragile. He was forced by a girl to the point of resisting and smashing things! '

Chen Ou swung his hand angrily. " Leo, I didn't expect you to twist the truth as well! I didn't want to fuss about this matter at first, but now you have to give me an explanation!"

Because Key said that he would resolve this matter after the fashion show, everyone quickly dispersed and went to do business.

Leo patted Qiao Mu's shoulder. " Let's settle the fashion show first. Key will definitely give us a reasonable explanation for this. If Chen Ou really did something like that to you, Key won't sit idly by.

Qiao Mu looked at him. "Teacher Leo, do you not believe me either?"

"It's not that I don't trust you. I know you have a boyfriend, and he doesn't look like an ordinary person. You wouldn't do anything to Chen Ou even if you wanted to get in through the back door. What makes me wonder is that Chen

Ou really likes men. Everyone doesn't believe you because they're certain about this."

Leo did not know Li Yan's identity, but judging from Li Yan's noble temperament, he was not an ordinary person.

"What if I say that Chen Ou likes both men and women?"

Leo's eyes widened in shock. "No way, this can't be that weird, right?"

Qiao Mu's lips twitched and she smiled helplessly. It was just so bizarre..

Chapter 636: Believe in Qiao Mu's Character

These people's thoughts were still very simple. They thought that Chen Ou liked men. They never thought that while he liked men, that scum also liked women!

Watching the crowd disperse, Amy followed Key and couldn't help but say,

"Key, if you do this, it will make everyone feel unbalanced. "

"What's wrong? Even you believe Chen Ou's words?"

“Do you expect me to believe Qiao Mu’s words? A person who likes men, but to

her...’

Key curled his lips coldly. “ It’s not impossible. Don’t forget that Qiao Mu has Li Yan. The possibility of her doing something like this is negative. ”

Amy thought for a moment. “ Maybe she’s not that important to Li Yan at all? Li Yan has been helping her all the way here. Now that Li Yan doesn’t want to help her anymore, she’s thinking of a way out on her own.”

‘ No, I believe in Qiao Mu’s character. ” Key sounded very certain.

Amy, who was following behind him, clenched her fists tightly. He said that he believed in Qiao Mu, a woman he had just met!

Qiao Mu’s heart was filled with joy the entire afternoon. As long as Chen Ou insisted that he didn’t like women, there was nothing she could do!

As she busied herself in the exhibition hall, Qiao Mu would occasionally hear people brazenly discussing her from the side, their words full of sarcasm and attacks.

Qiao Mu really wanted to shout that if she really wanted to rely on a man to get to the top, she wouldn’t have fallen for a disgusting man like Chen Ou. He couldn’t even compare to a strand of hair on her uncle’s head!

When she thought of Li Yan, Qiao Mu felt very wronged. Her work was really not going well. Why was it so difficult to advance through her own efforts?!

She went to the corner and called Li Yan.

Li Yan was about to board the helicopter.

Lei Yi went to the side to answer a call. When he came back, his expression became serious. " Young Master, the person I arranged to be by Miss Qiao's side has just informed me that Miss Qiao has encountered some trouble in City A. Li Yan stopped in his tracks and his eyes darkened. " What's wrong? "

"Someone in the hotel wants to do something to Miss Qiao ..." At this point, she looked at the man in front of her and continued," He didn't succeed. He found out and accused Miss Qiao of deliberately getting close to him in order to get ahead. Miss Qiao's situation is a little bad. '

Li Yan's expression instantly turned cold. He strode into the helicopter with a sinister and frightening expression.

"Don't worry, Miss Qiao isn't hurt," Lei Yi quickly emphasized.

Lei Yi was just comforting Li Yan out of goodwill, but his words just happened to ignite the fire.

"You want me to be at ease? If your woman is targeted, will you be at ease?" Lei Yi was speechless.

At this moment, Li Yan's phone rang. He quickly picked up the call when he saw the caller ID.

The gentle voice of a little woman sounded from the other end of the phone.

""Uncle."

Li Yan did not ask directly. He said nonchalantly, ""Is everything going well on your side?"

"I'm alright." Qiao Mu crouched on the stairs. She did not want to say it out loud and make him anxious, so she could only deal with it.

"What do you mean?"

“Anyway, it’s fine.” Qiao Mu’s voice sounded pitiful. “Uncle, I miss you.” Her words carried a trace of grievance, causing Li Yan’s heart to surge.

He wished he could fly to her side and hug her.

Li Yan answered softly into the phone, “Mmm, I missed you too.”

“I can see you tomorrow.” Listening to the man’s words and thinking about the comments and denials of the people around her, she felt very uncomfortable..

Chapter 637: It’s Not Difficult to Get Evidence

Li Yan’s heart tightened. “Why does it sound like you’re about to cry?”

“I miss you.”

Li Yan’s heart ached. As the helicopter was about to take off, he said into the phone, “Be good. I have something to do now. I’ll contact you later.”

“If you have something important, you can ignore it even if I miss you!”

“It’s really important. I’ll explain it to you soon.”

“Then say that you miss me.” Qiao Mu stubbornly refused to hang up.

“Be good, I miss you.”

“You said that you missed me so much that you were going crazy.”

“Yes, I miss you so much that I’ve gone crazy.” Li Yan was very proactive.

Qiao Mu was originally in a terrible mood, but when she heard the man’s words, she suddenly laughed.  
” Then why don’t you go crazy and show me? ”

Li Yan was speechless.

“Alright, after we meet, I’ll go crazy for you to see.”

Only then did Qiao Mu let Li Yan go in satisfaction, and she was finally willing to hang up.

Qiao Mu put away her phone and turned around. She was shocked to see Key standing behind her.

” Teacher Key, when did you get here? ” Qiao Mu stared at him in a daze.

“From the moment you called.”

Key looked at the girl in front of him. When she was on the phone just now, she looked very wronged. She turned around and immediately returned to normal when she saw him. She kept her emotions away.

At this time, she could have wronged him and asked him to make decisions for her.

But she didn’t.

Just like when she was on the phone just now, she could have told the person on the other end of the phone. As long as she said it and let the other party know, that man would definitely resolve this matter directly.

Key originally thought that the relationship between Li Yan and Qiao Mu was merely built on a certain level. Just like Amy said, perhaps Li Yan would lose interest in Qiao Mu in the blink of an eye.

After all, such a high and mighty man had almost the entire world in his hands. How could he take this little girl seriously? Maybe she was just looking for a young and beautiful girl.

Anyone who saw it would think that Li Yan was just playing.

However, that was not the case.

When they heard the contents of their conversation, Qiao Mu's tone and her childish and willful actions made her sound like she was speaking sweet nothings to her lover. It was impossible for anyone to imagine that the person on the other end of the line was the cold and aloof Li Yan.

Perhaps he was wrong.

Qiao Mu stood rooted to the spot, feeling awkward. Key had heard her conversation with Li Yan just now?

Key crossed his arms in front of his chest and looked at her calmly. " Qiao Mu, why didn't you tell Li Yan about what happened? "

Qiao Mu was stunned. " Why should I tell him? "

"You don't want him to seek justice for you?"

Qiao Mu shook her head. " Telling him about this will only make him angry. It's fine if I'm the only one unhappy, but I don't want him to be unhappy too. "

He paused for a moment, and a smile flashed across his big eyes. " Besides, I have a clear conscience. Even if he doesn't need to come forward, I believe that

Key will definitely stand up for me. ”

The girl’s eyes were shining, and her beautiful face was very moving.

She trusted him as if it was a matter of course. She had never suspected him of making a wrong decision or favoring Chen Ou.

Key looked at her and said, ” I’m neutral. I only believe in evidence. If you want me to believe you, you have to show me evidence. ‘

Qiao Mu watched as Key turned around and was about to leave after he finished speaking. At this moment, he spoke again, ” It’s not difficult to obtain evidence.. You can...

Chapter 638: You Want to Murder Your Husband?

When Qiao Mu left the exhibition hall, she bumped into Chen Ou.

Chen Ou looked at her with disdain. ” You still have the face to show your face here? Do you really not take other people’s comments seriously? ”

Qiao Mu put her hand into her pocket and secretly tapped on her phone. She looked at Chen Ou coldly. ” Do you think that you’re being arrogant because your scheme succeeded? You poured all the dirty water on me. I really didn’t expect you to bite me back.”

“Hmph, I got what I wanted? Didn’t you hear Key say that he would investigate this matter after the incident? I say, Qiao Mu, I threw out such a huge temptation for you, but you refused to agree to my conditions. Did you hook up with Key long ago? Otherwise, why would he still protect you when it’s already set in stone?”

Qiao Mu was stunned. " Shut up! Don't use your dirty thoughts to think that others are like you! It's not that Teacher Key believes me, he doesn't believe you. Who said that if you like men, you won't like women?"

"Ha, those stupid pigs are sure that I only like men. They definitely don't know that I like both men and women! Back then, I was very frustrated when they found out that I liked men. But now, this matter has become my life-saving straw! Qiao Mu, let's wait and see!"

Qiao Mu really didn't want to continue facing Chen Ou's disgusting face. She lifted her feet to leave, but she was stopped.

"Qiao Mu, I'll give you one last chance. If you obediently come to my room tonight, I can deal with this matter. I guarantee that nothing will happen to you. If you still don't know your place, then you won't be able to make it to the finals!" Chen Ou laughed wretchedly.

Qiao Mu left in disgust. When she could no longer see Chen Ou, she took out her phone from her pocket. When she saw that the recording was still intact, the corners of her lips curled up.

Key had given her a suggestion. If she wanted to get evidence, she had to get Chen Ou to speak up. This was more convincing than any verbal quibble!

His mood, which had been gloomy for the entire afternoon, finally relaxed a little. He had evidence in his hands. Let's see how Chen Ou would quibble!

After getting the evidence, Qiao Mu was not in a hurry to report Chen Ou. After the fashion show ended, she would settle the score with Chen Ou!

After she was done with her work, Qiao Mu did not go for dinner with the group of people. She did not want to be treated coldly by others, so she planned to return to her room to eat instant noodles to resolve her problems.

If the fashion show was successful tomorrow, she would definitely make Li Yan reward her when she went back!

She returned to her room and took out her room card to open the door. Just as she pushed the door open, a hand suddenly reached out from inside and grabbed her wrist, pulling her into the room.

She had experienced such an experience during the day.

The room was pitch-black, and she couldn't see who the other party was. She was so shocked that she broke out in a cold sweat.

Chen Ou was having dinner outside, so it was impossible for him to sneak into her room!

Qiao Mu was about to scream when the man's body suddenly trapped her and sealed her lips.

In the darkness, Qiao Mu's eyes widened in shock, and she was so frightened that tears instantly flowed out of her eyes. She couldn't care less as she opened her mouth and fiercely bit the other party's lips. She lifted her leg and kicked the man's central important part!

However, he kicked air!

His tall body nimbly used his legs to block her attack, and he let out a muffled grunt.

This little thing's bite was really vicious. That strength seemed to want to bite off a piece of meat from his lips.

He hugged her tightly with both hands and stopped her from struggling. His low and deep voice rang in her ear, " Little thing, do you want to murder your husband? "

This voice...

Chapter 639: The Effect of Being Her Man

This familiar voice made Qiao Mu's tense voice instantly relax.

The tears that had accumulated in her eyes fell.

How was this possible?

Why was he here?

She really felt like she was dreaming.

Then, she cried uncontrollably.

If she could not be sure that it was him just by hearing his voice, then at this moment, her nerves relaxed and she smelled the unique mint fragrance on his body, which made all her uneasiness disappear. The person in front of her was her uncle!

Her uncle was here!

Li Yan turned on the lights in the room and saw the little woman's face full of tears. She was crying so hard.

He lowered his head and kissed her lips fiercely, sucking in all the tears in his mouth.

However, Qiao Mu turned her face away in a fit of pique and ignored him. She continued to cry silently, her tears showing no signs of stopping.

He lowered his head to kiss her again, and she avoided him again.

In the end, she pushed him away and yelled at him as if she was venting her anger. " Bastard, you scared me to death! Wuuuu ... You scared me to death!"

Her choked voice was filled with great grievance. At that moment, she could no longer care about being happy. She was really scared to death just now. The scene during the day repeated itself, and in an instant, it made her feel as if she had fallen into hell.

Li Yan's heart ached, but he just narrowed his eyes and looked at her silently, allowing her to cry.

After a while, Qiao Mu was tired from crying. Her tears had dried up, and she could only sob but not shed any tears. There was only thunder but not rain.

In the end, she glared at him angrily. " Why aren't you saying anything? I'm so sad, aren't you going to comfort me?"

Li Yan snorted coldly. His handsome face was extremely cold. " Do you need me to comfort you? "

Qiao Mu was stunned. What kind of attitude was this?!

Initially, she was very happy because he suddenly came to look for her. Although she did not have the time to show it, his attitude directly lowered her happiness to the lowest!

Then, the man narrowed his cold eyes. " Now, is it my turn to settle the score with you? "

"What is it...Oh ..." Before Qiao Mu could finish her question, a certain man kissed her again!

This time, it came in a menacing manner, not giving her a chance to struggle at all!

Li Yan kissed her fiercely, punishing her. Then, he hooked her waist and moved her to the big bed.

Qiao Mu's delicate little body was mercilessly thrown onto the bed. The man's tall body pounced on her, and his imposing manner would definitely not show her any mercy!

Qiao Mu took advantage of the fact that a certain man's head was buried in her chest to shout and question, ""Even if you want me to die, I have to die with an understanding. What did I do wrong that you have to come all the way here to punish me..."

It hurt!

Qiao Mu sucked in a breath of cold air. She felt a bite on her chest.

This bastard!

Qiao Mu glared at him angrily, only to receive a cold glare from a certain man that was even fiercer than hers. "You haven't reflected on yourself?" What was she reflecting on...

No!

An idea flashed through Qiao Mu's mind. There was only one thing that could make him so furious today!

He definitely knew!

Qiao Mu was about to say something, but the man didn't give her a chance to confess. He coldly said, ""You didn't tell me when you were bullied. How dare you hide such a serious matter from me and solve it alone? "

It was indeed this matter!

Qiao Mu felt wronged. He knew that she was bullied, but he still wanted to punish her!

Li Yan narrowed his cold eyes.. " Qiao Mu, I'll give you space to develop if you want to be independent, but do you think you can solve everything in this world by yourself? If you can, then why do you still want me as a man? Is it specially used for sex?"

Chapter 640: Kidney Failure Due to Stimulation?

For sex?

She had clearly rejected him on this matter, alright?

When this man was extremely angry, he could say anything!

However, seeing him so angry, her mood was so good.

All her unhappiness disappeared. Her uncle was worried about her, although the way he was worried was a little unacceptable!

"Since you think that I'm only so useful as a man, then I'll satisfy you!"

At this moment, the man used his actions to prove that he was very angry!

He straightened his body, and when Qiao Mu was completely caught off guard, his actions were very eager to possess her!

Qiao Mu cried out, " It hurts..." I'll do it if you hurt me!"

"If I don't let you feel pain, you pig brain won't learn!"

Qiao Mu was speechless.

Qiao Mu cried out in pain. She couldn't remember how long it had been since he had hurt her. Every time, he would always make her happy first and give her everything when she was fully prepared.

He was always so gentle when it came to such matters and was concerned about her feelings.

From this incident, it was enough to prove that he was really, really angry this time!

However, the pain did not last long.

The man's repeated punishments made Qiao Mu's body burn bit by bit.

There was a strange feeling.

After a while, the man said, "Do you think your man is only so useful?" Hmm?"

"Qiao Mu was already panting and unable to speak.

"Do you still dare to do it in the future?"

"No..."

"If you don't consider my feelings and bear everything alone, I'll punish you double next time! Unless you like this kind of punishment!"

Qiao Mu was speechless.

Like your sister! Bastard!

Li Yan was originally in high spirits, but when he saw the tears on the little woman's face that had yet to dry up, he began to blame himself deeply.

His movements suddenly stopped.

He hugged her tightly, and his voice was no longer as arrogant and overbearing as before. Instead, it carried a hint of helplessness that made Qiao Mu absent-minded. " Qiao Mu, don't make me worry anymore. Even if you want to be independent, letting me settle many things doesn't mean you're weak. ' Suddenly, Qiao Mu's eyes became moist again.

It was said that when a man did this kind of thing, all his rationality was cleared. There was only one thing in his mind to do. He had to finish it from the beginning and could not stop.

But he stopped.

How could this man be like this!

She had never felt so happy before!

She nodded in his embrace and placed her hands on his wet back. " Uncle, I was wrong.

In order to ease the atmosphere, Qiao Mu recklessly joked, ""Uncle, why did you stop? This is the first time you've stopped halfway. Are you done for? Could it be that I triggered it? Kidney failure?"

The emotions in Li Yan's eyes disappeared instantly and were replaced by extreme coldness. There was a scary smile in the coldness.

That expression was too terrifying!

"Do you know what you are saying?"

Qiao Mu felt a chill run down her spine. She was only joking to lighten the mood!

He really didn't mean anything else!

The man's body moved, and he was ready to strike somewhere in her body. How could there be any signs of kidney failure?

He didn't even have a kidney deficiency, okay?

Li Yan raised his hand to caress Qiao Mu's face and lowered his head to kiss her gently. The corners of his lips curled up in a devilish manner.. " Be good, I'll let you experience what kidney failure looks like! "
