

## The Apple 641

### Chapter 641: The Consequences of Provoking the Tiger's Authority

Every time Qiao Mu recklessly challenged the tiger's dignity, but every time she said something, she would end up regretting it the most in her life!

Every time, she regretted it more than the last time. Because every time she provoked him, he would punish her twice as much!

For the next three hours, Qiao Mu spent her time in self-repentance and condemnation. In the end, she did not even have the strength to repent.

Three hours had passed, but a certain tiger was still in high spirits. His appearance made people wonder if he had grown ten kidneys!

Nestled in the man's embrace, Qiao Mu was so weak that she did not even have the strength to move her fingers and toes. She could only let him clean up the mess.

After that, she wanted to sleep in a daze, but her stomach grumbled and protested against her.

After venting his anger, the man turned back into Mr. Miyoshi and acted like a caring father. "What do you want to eat?" "I'll get the hotel restaurant to send it to your room."

Qiao Mu raised her eyelids and mumbled, "I want to eat outside."

City A was a famous food city with many specialties and delicacies. When she came, she wanted to go out and stroll around.

Li Yan was definitely good-tempered. He got off the bed and handed the clothes to Qiao Mu. "Do you need me to help you put them on?"

Qiao Mu grabbed the clothes and snorted. " Don't think that I'll let you off just because you're so attentive to me at a time like this! "

"Oh? Didn't you say that I missed you so much that I went crazy? Just now, it was a sign of madness."

Qiao Mu was speechless.

F \* ck! This mouth of his really made her unable to argue!

Qiao Mu put on her clothes, combed her messy hair, and washed her face. She could finally go out and have a good meal.

Li Yan held the little woman's hand and left the hotel room. He brought his little woman out for a big meal!

She had fed him until he was full, so he naturally had the obligation to feed her.

Only by benefiting each other could they continue to work hard!

When the door to Qiao Mu's room opened, Chen Ou, who was in the room next to her, felt like a fish was about to take the bait.

The door to his room was not closed, and he was waiting for Qiao Mu to deliver herself to him.

However, when she heard the door of the room next door open and close, and the sound of footsteps approaching and then gradually disappearing, the anticipation in her heart was gone.

He immediately went to the door to see what was going on. When the door opened, he saw a man and a woman walking past the corner at the end of the corridor.

The woman was Qiao Mu, and that man...

Chen Ou didn't take a closer look. From the figure and back view, it should be Key!

Chen Outs expression changed drastically as he watched the two of them leave hand in hand. Indeed, Qiao Mu had hooked up with a Key!

No wonder she didn't fall for his trick!

Chen Ou was pacing back and forth in the room. Damn it, he had spent so much effort but got nothing!

His entire body shuddered when he thought of Qiao Mu's mesmerizing appearance.

At this moment, someone knocked on the door. Chen Ou's eyes lit up. Perhaps Qiao Mu had returned to look for him after coaxing Key away?

He hurriedly opened the door and saw a sexy woman standing outside. Her curvaceous figure and beautiful face stimulated his nerves.

The woman entered the room and placed her hand on Chen Ou's chest. She gently opened the collar of her nightgown. "Oppa, I'm your fan. I really like the clothes you designed. "

Chen Outs heart skipped a beat, and he impatiently pulled the woman into the room.

Ten minutes later, Chen Ou let out a blood-curdling scream.

However, the soundproofing of the hotel room was too good, so no one noticed..

Chapter 642: He Was The Man Behind Her

The night in A City was very charming. Many specialty restaurants were open until midnight, so it was still very lively at 10 pm.

Li Yan brought Qiao Mu to the most famous specialty restaurant and ate a table full of dishes. Because they had ordered too many dishes, there was a huge pile left. Qiao Mu was very reluctant to part with it. If she was in Beijing, she would definitely pack it up and bring it home. However, since she was staying in a hotel, she could not heat it up.

Looking at how the little woman knew how to live at home, Li Yan said helplessly, "If you like it, I'll open a similar restaurant when I go back. You can eat it all the time."

Qiao Mu nodded happily. "Uncle, when you're good to me, you're really good."

Li Yan was speechless.

What he meant was that when he treated her badly, he really did not treat her well.

City A was a coastal city.

After the meal, the two of them went to the seaside at Qiao Mu's strong request.

Initially, Li Yan was worried about her health. He had been busy all day during the day and exhausted from exercising at night. He still had work to do tomorrow and wanted her to go back to sleep early. However, who knew that the little woman's physical fitness was actually so good. In just a short while, she was jumping and jumping.

It seemed that he had still been merciful. Next time, he could come even more violently-

The autumn seaside wind was chilly, but fortunately, Li Yan had brought a jacket for Qiao Mu when they came out.

Li Yan held Qiao Mu's hand as they strolled along the beach. The two of them were like a young couple, enjoying the moment.

Of course, Qiao Mu was still very young, but this kind of romance was a little off when it came to Li Yan, who was cold, aloof, and advanced in age. He was an older man who spent all his fun in life on the bed.

However, this was not a problem. It did not affect Li Yan's interest at all.

As long as he was with his little woman, there was nothing he couldn't do.

Qiao Mu held Li Yan's hand and shook it again and again. She asked a question after realizing what was going on, "Uncle, why did you suddenly come? Is it because of this?"

"No." Li Yan lowered his gaze and looked at her. In the next second, under Qiao Mu's gaze, he slowly said, "I planned this beforehand. It's my little woman's first time officially attending a fashion show. As the man behind you, how can I not come personally?"

These words were so thoughtful that it did not seem like they came from Li Yan's mouth.

Qiao Mu was so touched that her heart was in a mess. She actually had the thought that this night's punishment was worth it!

She nudged him gently and expressed her gratitude generously. "Uncle, thank you."

The warmth in Li Yan's eyes slowly faded away. Before Qiao Mu noticed, a hint of coldness flashed across his eyes. "I happened to run into this matter, so I'll take care of it while I'm at it."

"Still don't want me to interfere?" he asked after a pause.

Qiao Mu smiled and shook her head. "Actually, I already have a solution, and it's all within my grasp. However, seeing how considerate you are, this prince agrees to let you assist this prince in handling it!"

In fact, Qiao Mu was a little puzzled. Li Yan's men had been here for so long, yet they did not directly attack Chen Ou.

According to his temper, he wouldn't let Chen Ou get through the night safely.

"Uncle, do you have a solution?" It's not like you to let him live through the night safely and not do anything to him."

"It seems like you know me quite well. But how do you know that I didn't do anything to him?"

Qiao Mu was stunned. The man's gaze clearly showed that he had done something..

Chapter 643: This Man Belong to Her Alone

The next day, the busy fashion show officially began.

Even though Qiao Mu was so exhausted the night before that she almost collapsed, she woke up in high spirits early in the morning without needing to think.

It was rare for the man beside her to be still sleeping after waking up.

Qiao Mu leaned over and gently kissed his lips. The man slowly opened his eyes and wrapped his arm around her waist. " Why are you awake so early? "

I'm going to get busy. Uncle, you should sleep for a while more. '

She propped herself up with her arms, but before she could sit up, he pulled her into his arms and forbade her from getting up. " Sleep with me for a while more. '

"Uncle, I really have to get up."

She sat up again, and he pulled her into his embrace again. After repeating this several times, Qiao Mu weakly lay on his chest.

Li Yan flipped over and hugged Qiao Mu tightly under him. " Sleep.

Qiao Mu was speechless.

Finally, after Qiao Mu's resistance, she successfully struggled to get out of bed.

When Qiao Mu walked out of the room, she saw a few people in the corridor.

Chen Ou, his assistant, and Leo.

Chen Ou limped in front of them, his posture very stiff. Leo asked in confusion, "" Teacher Chen, what's wrong with you? Are you limping from sleeping? ' Qiao Mu couldn't help but want to laugh. Leo was too direct.

However, Chen Ou's walking posture was indeed very abnormal. Could it be that a bolt of lightning had struck him in his sleep and given him a punishment?

Qiao Mu was gloating when she saw Chen Ou turn his head with an ugly expression and glare at her fiercely. His eyes seemed to be burning with fire. " Qiao Mu, you're really sinister. You actually found someone to take revenge on me! "

Qiao Mu was stunned. " Teacher Chen, what are you talking about? Why don't I understand? " You're the one who suffered retribution, but you're blaming it on me?"

"You ... Alright, just you wait. When the fashion show is over, I'll settle the score with you!" After saying that, Chen Ou was supported by his assistant and limped into the elevator.

Get even with you?

Qiao Mu didn't understand who Chen Ou was referring to by "you guys." "Did you provoke him again?" asked Leo curiously.

"No, I haven't seen him since I was busy yesterday. I don't know what happened either."

At this point, Qiao Mu suddenly thought of the man who was still sleeping in her room.

Could it be Li Yan?

Definitely! Li Yan must have done something to Chen Ou last night, but what exactly did he do to make Chen Ou look like a disabled person?

No matter what Li Yan did, Qiao Mu gave him a thumbs up. He really deserved

Next, the fashion show began.

Li Yan stood in the front row of the audience and was as eye-catching as ever.

Backstage, the women were discussing, "Who is the man sitting in the first row? He's so handsome, even more dazzling than the models on stage. I can't take my eyes off him!"

"Are you stupid? Li Yan doesn't even know him. He has a partnership with our Key studio. He sponsored the finals of the fashion design competition. I heard that during the semi-finals, Li Yan's girlfriend had a conflict with the sponsor at that time, Shu Xinyu, so Li Yan accepted the sponsorship to protect his girlfriend."

"What? He has a girlfriend? What a pity! Which woman is so lucky to be chosen by Li Yan?"

"Who knows? Maybe they'll break up soon because of the novelty! "

"Tsk, even if we split up, we won't have a chance!"

The corners of Qiao Mu's lips curled up little by little as she listened to the discussions. She was extremely pleased with herself.. The man who had attracted the attention of all the women belonged to her alone!

Chapter 644: His Little Woman Had Already Transformed

Someone noticed that Qiao Mu was staring at Li Yan, who was in the audience, and said sarcastically, It seems that tall, rich, and handsome men are really attractive. Some people's eyes start to shine when they see them. Could they be up to something shameful again? '

"Does she think that everyone is as good-tempered as Teacher Chen? It won't end well if you offend Li Yan. He has a fiancée."

"Maybe someone is courting death? But that's true. She's beautiful. I have the capital to take the risk!"

"That's right. We need to find a reliable backer as soon as possible. Otherwise, after the fashion show ends, we'll be in deep trouble if we find out the truth about yesterday's incident! "

Qiao Mu listened to the women huddled together and discussing in a moderate voice, not taking her existence seriously at all. She walked over and swept them with a cold gaze. "You know the truth and haven't found out yet, yet you're still gossiping here. I wonder what kind of thoughts you have? If Mr. Key finds out that his subordinates are all doing this kind of work, I wonder if Mr. Key will fire all of you in a fit of anger?"

Who would have thought that Qiao Mu would be so thick-skinned as to come up and continue the conversation? He originally thought that Qiao Mu would leave dejectedly after hearing these words out of guilt!

And he even used the Key to fight back against them!

Someone said indignantly, " Qiao Mu, you really don't know how you charmed Key, but Teacher Key definitely didn't take the bait. Otherwise, you wouldn't have shifted your target to Teacher Chen. " Even if you rely on a man to get to the top, just thinking about relying on a man who likes men makes you feel disgusted! If you have the ability, go seduce Li Yan!"

Qiao Mu raised her eyebrows and swept her gaze over the woman who spoke. Her eyes turned colder, and when she saw Chen Ou pass by, the corners of her lips curled up, and she raised her voice. "Teacher Chen, someone looked down on you for liking men. They said that your preferences are disgusting."

The woman's expression changed. She quickly apologized to Chen Ou and emphasized that she didn't mean it that way.

Chen Ou's face was dark. He was still limping as he walked past her without saying a word. He would let her be arrogant now. He would strangle her to death later!

The group of women dispersed, and Leo came over in surprise. " Qiao Mu, they said that the man in the audience is Li Yan? "

Qiao Mu nodded when she saw Leo's shocked expression.

"If I'm not wrong, he's your boyfriend, right?"

Qiao Mu nodded again.

This nod was met with Leo's low growl. " Qiao Mu, you're really hiding your true colors. Your boyfriend is actually Li Yan. If those women knew about this, they would be so shocked that their jaws would drop.

Qiao Mu smiled faintly. Was this news that shocking?

However, she didn't care what others thought of her. After this fashion show, she had nothing to do with these people who misunderstood her.

The fashion show went smoothly. After preparing for half a month, it finally paid off.

Qiao Mu's work successfully passed the autumn launch of the new product under the Key brand, presenting her perfect work to everyone.

When Qiao Mu stepped onto the runway as a designer, the sense of accomplishment she felt was completely different from when she was in a competition.

At this moment, she was standing on the runway as a fashion designer, not a contestant.

Especially when Li Yan was looking at her intently below the stage, she could not help but feel her heart skip a beat.

Li Yan stared at the little woman on the stage. She seemed to be surrounded by a halo, shining brightly and lighting up the entire audience.

This little woman was no longer that young girl. Unknowingly, she had transformed..

Chapter 645: Qiao Mu Framed Me!

Finally, the fashion show ended and Li Yan stood up to leave. It was time to deal with those reckless people.

Backstage, the staff officially ended their work.

Qiao Mu's work was very effective, and it did not pale in comparison to the works of many famous designers.

Moreover, she was praised by the professionals who came to the venue, so Qiao Mu was extremely happy at this moment.

When Key returned to the lounge, someone came forward to congratulate him on his successful completion.

Suddenly, a voice rang out from the crowd. "" Mr. Key, the fashion show is over. Shouldn't you give Mr. Chen some justice? "

At this moment, Chen Ou limped over and sat down on a chair. " I want to see how Key is going to handle this matter. Will he clear my name or continue to protect Qiao Mu! "

Key looked indifferent.

Amy said unhappily, " Chen Ou, what do you mean? Key said that he would take care of this, so he will. Key won't side with anyone! '

"Amy, what's the point of speaking up for Key? You're so considerate of Key, but does he take you seriously? You probably don't know that there's another layer of relationship between Key and Qiao Mu, right?" Chen Ou sneered.

For a moment, Amy's expression was very ugly.

Qiao Mu frowned. " Teacher Chen, are you best at distorting facts and slandering others? "

' You're still denying it, Qiao Mu. I saw you and Key last night...'

As Chen Ou was speaking, the liquid crystal screen hanging in the lounge suddenly opened up, and a shocking scene appeared.

The people from Zhou made a ruckus. Chen Ou looked over and widened his eyes in disbelief. He suddenly jumped up from his chair. The pain in the part of his body that was injured became even more intense.

On the screen, Chen Ou pulled a woman into the room and held her in his arms with a lecherous expression. Then, Chen Ou wanted to kiss the woman, but the woman avoided him and pulled Chen Ou to the bed, pressing him down.

Chen Ou looked at the woman with an evil smile. "Beauty, you took the initiative to come to me. Do you like me that much?"

Then, the woman knelt on Chen Ou's body. "Teacher Chen, don't you like me? When I was eating, I heard someone say that a little girl was seducing you, but you didn't take the bait. I wanted to verify if my idol was really as upright as the rumors said."

Chen Ou burst into laughter and hugged the woman. His large hand caressed the woman's waist. "With a fan who admires me like you, I'm instantly uninterested in other people. Beauty, I'll let you know how powerful your idol

"Teacher Chen, but I heard that you seem to like men? Was it true? Can you tell me what it feels like to have both men and women?"

"You little vixen, I didn't expect you to be so bad. Then I'll let you experience my rich experience for yourself!"

Suddenly, the screen went black.

Everyone looked at each other and looked at Chen Ou with disgust.

"Doesn't he only like men? Why do you treat women too..."

Oh my god, it's so disgusting. Just thinking about it makes me want to throw up. I thought it was already unacceptable that he liked men, but he actually liked women as well! "

Chen Ou's face was livid as he pointed at the television screen angrily. " Don't believe this! Qiao Mu set this up on purpose! She's framing me! "

After Qiao Mu saw the video, she had already guessed that Li Yan must have done it.

Li Yan's methods were really extreme. Since no one believed that Chen Ou liked women, then he would come up with such evidence. This way, her words would be more convincing..

Chapter 646: Shameless to a New Level

Qiao Mu's expression darkened. " I framed you? Did I force you to do that? Teacher Chen, I thought you didn't like women? Then what is it?"

Chen Ou angrily pointed at Qiao Mu and angrily cursed, ""You sinister woman, this video is fake. Do you think that everyone will believe you just because you made a fake video? Also, Key, why are you so protective of Qiao Mu? Isn't it because the two of you have an affair in private? The two of you worked together to scheme against me!"

Qiao Mu had never seen such a shameless person like Chen Ou. Even at this point, the evidence was right in front of her, yet he still tried his best to slander her!

" Chen Ou, " Key said slowly, " I wanted to give you a chance before, but now, you don't have a chance. I don't need people like you! "

"You ... You want to chase me away when you see that I've found out about you two? Last night, I saw you and Qiao Mu leave the room intimately. What were you two doing in the middle of the night?" Chen Ou shouted.

" Teacher Chen, are you saying that Qiao Mu and Teacher Key really...? " someone exclaimed.

Chen Ou snorted coldly. " Actually, Qiao Mu is the most sinister one. She looks innocent, but she's actually very despicable deep down. Last night, she even asked me to go to her room to look for her at night. I gave her a chance to change again and again, but she clearly knew that I didn't like her, so she still pestered me. In the end, after she met me with a face full of dust, she went to look for Key, and Key fell for her tricks! "

The crowd burst into an uproar as they looked at Qiao Mu in disdain and discussed in whispers.

Qiao Mu coldly looked at Chen Ou, whose face was already contorted, and questioned, ""Do you have any evidence?"

"Do you still need evidence? I'm telling the truth!"

"You don't have evidence, but I do! I'll let you hear the truth from your own mouth!"

Qiao Mu took out her phone and turned on the recording.

Chen Outs voice sounded from the phone.

Qiao Mu, I threw out such a huge temptation for you, but you refused to agree to my conditions. Did you hook up with Key long ago? "

"Those stupid pigs are sure that I only like men. They definitely don't know that I like both men and women..."

"I'll give you one last chance. If you come to my room obediently tonight, I can deal with this matter. I guarantee that nothing will happen to you. If you still don't know your place, then you won't be able to make it to the finals!"

Chen Ou shook his head desperately. " No, this is fake. Even a video can be faked, let alone a recording!

Qiao Mu smiled. "Teacher Chen, why? You don't even remember what you said?"

"You..." Chen Ou suddenly lost all his energy and sat on the chair weakly. He covered his face with his hands and said, "Qiao Mu, I didn't promise to give you any benefits. How could you be so ruthless?!"

Qiao Mu frowned. Clearly, Chen Ou still refused to admit it!

Qiao Mu looked at the man's acting skills. If it was someone who did not know about his pathetic state, they would really believe that he was an innocent victim!

This kind of man was really disgusting!

Then, he heard Chen Ou condemn himself, "I really don't like women, but Qiao Mu...She used this to threaten me and wanted me to reveal the theme of the finals to her. I didn't agree, so she tried to find trouble for me. I've already made a mistake once and I can't continue to help her do bad things, but she just won't stop!"

This person was truly shameless to a new height!

Chapter 647: President Li, You Can't Let This Woman Off!

"Teacher Chen, stop spouting nonsense! Qiao Mu has a boyfriend. She wouldn't do that!" Leo chided.

"I also want to know why she still wants to be with me when she has a boyfriend..." Chen Ou looked hurt.

These words were obviously hinting to everyone that Qiao Mu had a boyfriend and still wanted to look for him because she had her eyes on the theme of the finals. Hence, it was not impossible for her to do so many things by hook or by crook just for this goal!

After all, Qiao Mu's excellence was unacceptable in front of a group of jealous

women.

They would rather believe that Qiao Mu's results were obtained through underhanded means than admit Qiao Mu's own abilities.

"Do you know that Qiao Mu's boyfriend is..." Leo said angrily.

'Teacher Leo, you're protecting Qiao Mu like this. Don't tell me you're her boyfriend?' Someone mocked.

"I see that all the men here have an ambiguous relationship with Qiao Mu. Qiao Mu is really amazing!'

"Relying on a man to get to where she is, and still so arrogant. I've really never seen such a shameless person!"

Qiao Mu clenched her fists tightly, and her eyes emitted a frightful coldness. 'Are you done talking?'

The women who were still discussing were suddenly stunned by her terrifying

gaze.

She was usually a gentle and gentle person, but when she changed her face, she actually had such a deterrent force.

Qiao Mu and Li Yan had been together for so long. Even if she could not transform into a tiger, she was still affected by the Mountain King. The coldness emanating from her was actually somewhat similar to Li Yan's.

She pointed at Chen Ou and said coldly, ""You said that I relied on him to get to the top? This is hilarious. My work has been included in the new autumn collection. You guys say that Teacher Key is giving me special treatment, but can you honestly say that my work is not good enough? " You believe this man's words, but you don't take it seriously when I put the evidence in front of you.

Am I the one who's insidious, or are you all thinking dirty? You only know how to attack people with your mouths. What qualifications do you have to criticize me? Do you have anything to do with me?

Don't say that I haven't done such a disgusting thing. Even if I did, why would I need you to meddle in my business?"

Qiao Mu's words silenced everyone.

Chen Ou was so angry that he gritted his teeth. Seeing that these people had been swayed, he was about to say something when he heard a commotion at the door.

Then, a tall figure appeared in everyone's sight.

"I seem to be late?"

Li Yan slowly walked into the crowd and glanced at Qiao Mu indifferently. When he saw the coldness in her eyes, he narrowed his eyes.

His little woman was being bullied!

Even he couldn't bear to let her suffer the slightest grievance, yet someone else dared to touch his soft spot!

He scanned the crowd and finally looked at Kyle. " I heard that Key has always been fair and rigorous in his work. I didn't expect him to have such a group of vicious gossipers under him. Aren't they afraid of dragging the company down?

The moment Li Yan opened his mouth, the gossiping women became embarrassed and their expressions turned ugly.

Key smiled faintly. " I'm sorry, President Li. "

Seeing Key's respectful attitude towards Li Yan, Chen Ou immediately found someone he could rely on. He took the opportunity to speak, "" President Li, we're dealing with a scandal in the company. Someone used underhanded means to exchange for the theme of the finals. You're the sponsor of the finals, so you can't let this woman off! "

Didn't Qiao Mu have an affair with Key? Since Key was covering up for Qiao Mu, someone would definitely step forward to disqualify this woman from the competition!

Chapter 648: A Shocking Truth

After Chen Ou finished speaking, the others were waiting for a good show. This was going to be exciting!

Qiao Mu did not say anything else. She saw Li Yan's dark eyes flash with a malicious coldness, and his gaze swept toward Chen Ou like a sword.

The corners of Li Yan's mouth curled up as a smile appeared on his face. He asked, ""Oh? Who is so bold?"

"It's her!" Chen Ou pointed fiercely at Qiao Mu, secretly rejoicing in his heart.

He thought that even the heavens were helping him and sending him a helper.

Li Yan glanced at Qiao Mu. " What happened to her? "

In order to cheat in the finals, she wanted to get close to the theme of my finals. In the end, she didn't succeed. Instead, she framed me. President Li, you must not let her enter the finals! '

After Chen Ou finished speaking, Leo, who was standing at the side, observed Li Yan's expression. He thought that Chen Ou was going to be in trouble this time.

No one could save him from badmouthing his girlfriend in front of Li Yan!

Similarly, Key, who was in the know, naturally predicted Chen Ou's fate. He could not help but plead, "President Li, please don't hold it against him on account that he's my employee. Leave it to me. "

Key was pleading on behalf of Chen Ou, but in Chen Ou's ears, it sounded like he was pleading on behalf of Qiao Mu.

Without waiting for Li Yan to speak, Chen Ou shouted as if he had something on him, "Don't argue with her? Key, you're too protective of Qiao Mu. You're still siding with her at a time like this. Who would believe that you two aren't related? This b \* tch is really annoying..."

As he said this, Chen Ou suddenly let out a scream. As Li Yan lifted his leg, his entire body flew out and was kicked to the ground.

This sudden action stunned everyone.

Chen Ou sat on the ground in shock and looked at Li Yan in disbelief.

Li Yan's eyes darkened and he looked bone-chilling. "You said she approached you?"

"Yes ... That's right!" Chen Ou swallowed his saliva and braced himself.

Li Yan walked in front of Chen Ou and raised his foot to accidentally step on the back of Chen Ou's hand. He ignored his face that was already twisted in pain and said in a dark voice, "My fiancée would get close to you. Is that convincing?"

Fiancée?

Qiao Mu looked at the man. She did not expect him to use such a form of address to introduce her. Not his girlfriend, but his fiancée!

Li Yan's words stunned everyone.

All of them opened their mouths wide, unable to accept this fact.

Chen Ou's face turned ashen. How could Qiao Mu be Li Yan's fiancée? Impossible! He must be hearing things!

However, when he met Li Yan's cold and malicious eyes, Chen Ou only had one thought in his mind. He was finished!

If the video and audio recording were not enough to convict Chen Ou, then the relationship between Li Yan and Qiao Mu was enough to overturn everything Chen Ou had said.

Looking at Li Yan and Chen Ou, they were simply a respectable emperor and a worthless piece of trash. Even if Chen Ou had some achievements in the fashion design industry, he was worthless compared to Li Yan, the emperor of the business world!

Even Key was a notch shorter than Li Yan, let alone Chen Ou!

Since Qiao Mu had Li Yan as her backer, why would she waste her time on Chen Ou? Therefore, all of this was Chen Ou's own doing!

Qiao Mu was innocent from the start, yet the audience was actually helping Chen Ou attack Qiao Mu. Those who had verbally attacked Qiao Mu could not help but take a step back, worried that Li Yan would vent his anger on them.

Chapter 649: Let Him Forget About Becoming a Designer

" Young Master Li, " someone took the opportunity to ingratiate himself. " We never believed it in the first place. He was the one who swore that Qiao Mu was the one who...

" That's right. Chen Ou is so disgusting. He made Designer Qiao suffer! "

Qiao Mu looked over and sneered. " You were all speaking up for Chen Ou before, so why are you changing your mind so suddenly? "

The person on the other end felt awkward. " Designer Qiao, don't be angry. We were all deceived by Chen Ou! "

"Yeah, who asked us to think that he likes men!"

Qiao Mu stepped forward to hold Li Yan's hand and whispered, ""Now that things are clear, let's go."

The moment Li Yan's gaze landed on Qiao Mu's face, it turned gentle. " Are we just going to let it go like this? '

Qiao Mu smiled faintly. " Teacher Key will deal with him. '

Li Yan glanced at Key, who nodded at him to show his promise.

Chen Outs angry voice sounded behind him, ""1 know, it must be you. You arranged for that woman in the video!"

Li Yan raised his eyebrows coldly and did not deny it.

Chen Ou's expression gradually distorted. "You..." You found a woman to harm me. I'm going to sue you! Qiao Mu, you sinister woman, you've caused me to be in such a miserable state. Don't go!"

Chen Ou shouted as he pounced at Qiao Mu, but before he could get close, he was sent flying by Li Yan's kick.

Chen Ou's body fell back unsteadily, and his lower body accidentally hit the protruding part of the clothes rack. Then, he screamed like a pig being slaughtered. He covered his crotch and curled up on the ground.

Some people at the side took a deep breath and gloated. They thought that he liked men and dared to ruin women. He deserved this outcome!

Qiao Mu followed Li Yan out of the lounge and asked curiously, "What happened after the video? Why does Chen Ou look so angry?"

"It's nothing. I just cut a certain part of his body."

Qiao Mu was shocked. "He became a eunuch?"

"Your man is not that ruthless, but since he dared to touch my woman, I naturally can't let him off easily!" Li Yan said it very subtly. In fact, when a man was at his most excited, even if it was just a scratch, it was enough to cause fatal damage.

Qiao Mu raised her head and looked at Li Yan. "Uncle, if it weren't for you, today's matter would have been very troublesome."

Hmph, do you think that your man isn't only good at certain things now?" Qiao Mu was speechless.

Qiao Mu did not move with the staff anymore and stayed with Li Yan. The flight back to the capital at night, and in the afternoon, Li Yan accompanied Qiao Mu to stroll around A City before returning home.

After getting off the plane, Lei Yi came to pick her up. On the way back, Qiao Mu was so tired that she fell asleep on Li Yan's lap.

Li Yan patted her head and looked at Lei Yi who was driving. "How's the matter going?"

"Chen Ou went to the hospital for a checkup. He's completely crippled."

Li Yan's lips curled up coldly. "Since he likes men, then let him only be with men for the rest of his life! Also, if he ever touched Qiao Mu with a finger, chop it off and let him forget about being a designer for the rest of his life!"

"Yes." Lei Yi replied, then paused for a moment before continuing, "Young

Master, Shu Xinyu hasn't been very well-behaved. She has been in contact with

Chen Ou, so I think that this matter might have something to do with Shu

Xinyu."

Li Yan narrowed his eyes coldly. "It seems like there are too many people who don't know what's good for them!"

Suddenly, the little woman in his arms snorted and mumbled in a daze, "Uncle, what are you talking about?"

In an instant, Li Yan's eyes turned gentle as he said softly, "It's nothing. Go to sleep. I'll wake you up when we get home."

Chapter 650: I'll See You While 1 1 m At It

Just as Qiao Mu was about to continue sleeping soundly, her phone rang.

Li Yan frowned and took out his phone from her pocket. Just as he was about to hang up, the little woman in his arms had already left his embrace.

Qiao Mu sat up and asked, “Who called?”

“Chi Xia.” Li Yan returned the phone to her.

Qiao Mu lazily picked up the phone and called out, “Xiaxia.” Chi Xia’s voice was heard. “Mu Mu, do you want to go to the high school reunion tomorrow?”

Qiao Mu happened to be free tomorrow. She had a few classmates she was close to in high school, but she hadn’t seen them for a long time, so it wasn’t a bad idea to get together.

“Xiaxia, are you going?” she asked after some thought. “Is Gu Cheng here too?” There was a moment of silence on the other end of the phone. After a while, he replied, “I asked. He didn’t participate. Let’s go together.”

“Alright.”

Qiao Mu hung up the phone and looked at the man beside her. “Uncle, I’m having a class reunion tomorrow.”

“Hmm? Do you need to bring your family?”

Qiao Mu smiled mischievously. “Do I have to bring my parents along for a class reunion? People will laugh at me!”

The parent she was referring to was him.

Li Yan's face darkened. "Do you want a beating? "

Qiao Mu chuckled and coquettishly burrowed into his embrace. "I was just joking! "

The two of them were fooling around behind the car. Lei Yi, who was driving in front, consciously treated himself as an invisible person.

If these two people wanted to be affectionate, could they be affectionate behind closed doors at home?

The car stopped in the villa's courtyard. Lei Yi could not help but say, "Young

Master, we're here."

This abrupt sound made Qiao Mu suddenly recall that they were not the only ones in the car!

She blushed and quickly jumped off the car and ran away.

Chi Xia hung up the phone and was about to go to bed when her phone rang. It was Su Chen.

She hesitated for a moment before answering the call. "Hello, what's the matter? "

Su Chen's tone wasn't very pleasant. "Chi Xia, your boyfriend called you, and you only replied coldly with 'what's the matter

Chi Xia was speechless.

What else could she say?

Did he want her to say sweet nothings to him? She really couldn't bring herself to say it.

"It's already so late. Aren't you asleep yet?" she asked in a low voice.

"Can I call you when I'm asleep?"

"Did he call on purpose to cause trouble?"

Chi Xia stopped talking, and the other end of the phone was also silent.

She could vaguely hear the sounds of killing over the phone. Chi Xia asked, ""Are you outside?"

"Yes."

"What are you doing? "Drive." "Ready to go home?" "No."

"Then where are we going?"

Chi Xia really felt that communicating with this man was too tiring. Would she dare to reply to her? He jumped out with two words. It was really enough!

If he was so lazy to talk, why did he call her?

However, as Chi Xia wished, the man finally finished his sentence, " On the way to your school. '

On the way to your school?

Chi Xia widened her eyes in shock. " Are you kidding me? What are you doing in my school?"

Su Chen's tone was indifferent. " I just finished a social gathering and was going to go home. I was going to take a turn, but I went straight instead. I was too lazy to turn around. If I kept walking, I would go to your school, so I wanted to see you. "

Chi Xia was speechless.

What kind of reason was this?

She really didn't need him to be so casual!

It was late at night. Chi Xia looked at the time and advised, ""Hurry up and go home to sleep. Our dormitory is about to close. You won't be able to see me."

"When is it?"
