

The Apple 651

Chapter 651: Remember, You I re My Woman (1)

Chi Xia looked at the time and realized that it would be another forty minutes before the door closed. She said directly, ""Ten minutes later."

Actually, he wanted him to go back, but...

' Yes, just in time. Ten minutes is enough for you to come downstairs. '

"Huh?"

"I'm already here."

Chi Xia was speechless.

"But I still need five minutes to get dressed. I really can't make it downstairs in time."

" Then I'll just rush down with the bedsheets on. If I don't see you for ten minutes, I don't mind breaking in and pulling you out.

What else could Chi Xia say?

She could only get out of bed as fast as she could and rush out of the dormitory.

Fortunately, she was the only one in the dormitory. Baby Guan had long been like Qiao Mu, not returning home every night.

When Chi Xia arrived at the entrance, she saw a black car with flashing lights. She got into the car and saw the man leaning against the driver's seat with his eyes closed.

Su Chen opened his eyes and glanced at Chi Xia before starting the car.

Chi Xia was stunned. "Where? Our dormitory will be closed soon!"

"I'm hungry. Come with me for supper."

As soon as Su Chen opened his mouth, Chi Xia smelled a faint scent of alcohol. She widened her eyes and asked, "Did you drink?"

Su Chen glanced at her. "Don't worry, I'm sober."

Chi Xia frowned. "Stop the car."

"What's wrong? Afraid of death?"

"Su Chen, I told you to stop the car!" Chi Xia raised her voice and grabbed his wrist that was holding the steering wheel. "If you don't stop the car, I'll turn off the engine!"

Su Chen lowered his eyes and his gaze fell on her hand that was holding his. He stopped the car by the roadside. Before he could say anything, the woman beside him got out of the car and left.

Su Chen narrowed his eyes. Was this woman that afraid of death? If he could drive here safely, what could he do to her?

What a heartless woman!

Su Chen took a deep breath, feeling frustrated.

He had been busy for a few days, and only today was the day he finished his work before twelve o'clock. He didn't want to go back to his empty house, so he came straight over to see this woman he hadn't seen for a few days.

However, when she heard that he was drunk and driving, she turned around and left!

This woman did not have the slightest bit of self-awareness as his woman. Which girlfriend was like her!

Su Chen took a deep breath. Just as he was about to start the car and chase after that d * mn woman, the driver's door suddenly opened from the outside.

Then, Chi Xia's face appeared in front of him.

His eyes narrowed and his tone darkened. " What are you doing? "

Chi Xia tugged at him gently. " Get out of the car, I'll drive. '

After Chi Xia finished speaking, Su Chen sat still and stared at her with a deep gaze.

Chi Xia urged, " You can't drive after drinking. That's common sense. It's not just a matter of safety. If the traffic police find out, you'll be done for! '

At Chi Xia's insistence, Su Chen got out of the car and listened to her ramble on. This was the first time someone had spoken to her with a tone of duty.

However, not only was he not angry, he even found this woman very funny.

If the traffic police found out, he would be finished?

In this woman's world, did she not know the phrase 'there's always a heaven beyond law ?

Su Chen sat in the front passenger seat. Seeing the woman starting the engine in a hurry, he raised his eyebrows. "Are you sure you know how to drive?"

Looking at her, she didn't know how to drive at all. If she were to drive, it would be even more dangerous.

Chi Xia glared at him. "I've registered my marriage before!"

Although he didn't have much confidence in his words.

Ever since she registered her marriage, this was one of the few times she had driven.

It had been a long time since he had practiced, so it was normal that he could not find the feeling for a while..

Chapter 652: Remember, You I re My Woman (2)

After Chi Xia got used to it, she started her journey.

Su Chen looked at the woman who was driving. Her messy hair fell on her face and blocked her side profile.

The woman suddenly turned her head and met his gaze. "What are you looking at? Help me keep an eye on the front and back, and remind me of the cars."

"Chi Xia, are you sure you got your license legally?"

Chi Xia blushed at his words and the man mocked her again, "'If you drive like this, the traffic police will definitely stop you. Driving without a license is a crime of carelessness."

"That's still better than you driving drunk!" Chi Xia retorted angrily.

See, you admit it. You're without a license. '

Chi Xia was speechless.

Looking at the messy hair on her side profile, Su Chen raised his hand and tucked it behind her ear. This action caused Chi Xia to freeze.

She slammed on the brakes and looked at him in panic. " Why are you touching me? '

Her reaction made Su Chen's face darken. He said coldly, ""I'm just worried that your hair is blocking your line of sight. If you don't notice the car next to you, won't I die with you?"

"Bah! Bah! Don't curse me, I'm driving, it's bad luck!"

Su Chen snorted and leaned back in his seat to rest. " Since you've taken this job, you can focus on driving. I'm going to sleep for a while. "

Chi Xia felt uncomfortable when she saw the man closing his eyes to rest. She had taken the initiative to be his chauffeur for the sake of his safety, but he was the one who did it! What kind of attitude was this?!

Chi Xia held the steering wheel and looked at the road ahead. There were not many cars. She had no problem on roads with fewer cars, but after crossing the main road, she would turn into a road with more cars. She was not confident in driving alone at night.

Su Chen closed his eyes and waited for the car to continue driving. He opened his eyes in confusion and saw the woman beside him holding the steering wheel with a worried expression.

"What are you doing?"

"Su Chen, why don't we call a designated driver?"

Su Chen was speechless.

This woman had just pulled him out of the driver's seat confidently, and now she was telling him this!

Su Chen rubbed his forehead. " You drive. I'll direct you. "

After hearing Su Chen's words, Chi Xia finally felt more confident and continued driving.

Then, Su Chen's chattering could be heard in the car. "'There's no one on the road, and you're walking at 20 miles an hour. Are you enjoying the two of us together?"

Chi Xia endured it. Alright! Speed up!

"You're driving so fast. Can't you see a car turning in?" Do you want us to spend the night together in the hospital?"

Chi Xia could endure it, alright! Slow down!

" Chi Xia, which driving school did you get your license from? I'm going to complain about that driving school tomorrow. "

Chi Xia was furious, but she could not refute him. She sped up abruptly, and Su Chen lunged forward without any warning. Before he could sit properly, the car suddenly slowed down again. The back-and-forth was giving him a headache.

He glared at her angrily, only to see Chi Xia smiling apologetically. " I'm sorry. I met an illegal driving school and they gave me a license so casually. You can't blame me for being bad at driving.

Su Chen's lips curled up coldly. " It's alright. I've become your personal trainer for free. To thank me, you can treat me to supper. "

Chi Xia was speechless.

She came out in a hurry and didn't even bring her bag.. How could she have the money to treat him to a meal?

Chapter 653: Remember, You I re My Woman (3)

Chi Xia thought about it and retorted, " You should thank me for being your free driver. After all, you're the one who's treating us to supper! "

Su Chen could not help but chuckle when he saw Chi Xia's useless look. " You're such a stingy woman. Are you that reluctant to treat your boyfriend to a meal? "

Chi Xia was speechless. Who gave him the courage to call her " your boyfriend and " my girlfriend " ?

However, this man was actually quite good-looking when he smiled.

Chi Xia was stunned when she saw the smile on his face. She had forgotten that she loved cars.

Suddenly, Su Chen's expression changed and he shouted, ""Stop the car!"

Chi Xia's attention was focused on the car in front of her. A car was making a turn and was about to crash into her. She was stunned and her mind went blank. She didn't know how to stop the car.

Fortunately, Su Chen was quick to react. He quickly pulled out the car keys and turned off the engine.

The car stopped abruptly, and they managed to avoid the disaster.

Chi Xia was already scared out of her wits. Her body stiffened as she held onto the steering wheel. Her face was pale as she looked ahead and panted heavily. At this moment, he felt his hands trembling. That kind of danger was clearly imprinted in his mind and could not be forgotten.

Su Chen frowned and pulled Chi Xia into his arms. He pressed her face against his chest and patted her back. "Nothing happened. Don't be afraid. ' The woman in his arms was trembling, revealing her current emotions.

"Chi Xia, you're not that timid, are you? If you don't know how to drive, why are you showing off?"

"Forget it. I'm not a good personal trainer. I still have to talk to you while you're driving. You don't have to treat me to dinner."

"Alright, I'm sitting in the passenger seat. Why are you so scared?"

Chi Xia was completely stunned. Before she could react, Su Chen's voice rang in her ears and slowly dispelled her fear.

She thought that this man would scold her since she almost caused him to get into a car accident. However, she did not expect that he would comfort her.

There was an indescribable feeling in his heart that slowly melted.

She pushed him gently, wanting to break free from his embrace, but he stopped her.

"Don't move. If you're afraid, close your eyes and relax for a while." She pushed him again, but the man was unhappy. "Why are you..."

"Um, the seatbelt is choking me." Chi Xia interrupted him softly. It was not that she did not appreciate his kindness, but she was going to be strangled to death if she continued to maintain this position. Su Chen was speechless.

This woman really didn't understand romance!

Su Chen looked out the window and asked, "Can it still be driven?" Move the car to the side of the road. Let's eat first."

Chi Xia did as she was told and got out of the car with her legs weak. She heaved a sigh of relief.

Su Chen walked over and held her hand, leading her to a restaurant by the roadside.

On the roadside was a small 24-hour Korea restaurant.

The two of them entered the dining room and ordered a few dishes. Chi Xia did not pick up her chopsticks for a long time. She lowered her head for a while and said softly, "'I'm sorry for what happened just now."

Su Chen looked at her. " Why are you apologizing?

"Well, you almost got into a car accident."

Su Chen rested his chin on one hand and glanced at the woman opposite him. His tone carried a hint of teasing, " Chi Xia, why did I just realize that you're actually quite obedient? "

Chi Xia raised her head and glared at him. She was apologizing to him, what did he mean by that?

Chapter 654: Remember, You Are My Woman (4)

Su Chen leaned back in his chair and crossed his arms in front of his chest. '

Actually, I'm not interested in very obedient women. However, since you're quite fickle, I won't force myself to return the goods. '

Chi Xia was speechless.

Chi Xia gritted her teeth and shouted in her heart, 'Retreat now!'

Since the other party did not appreciate her apology, Chi Xia did not feel guilty anymore. She picked up her chopsticks and started eating.

Su Chen's lips curled up. He thought for a moment and said, ""But I accept your apology. To show your sincerity, from now on, you have to cook for me to make up for your mistake. You don't have to do it too many times, just 30 to 50 times will do."

Puff ...

Chi Xia almost spat out the rice in her mouth. " Mr. Su, let me tell you clearly, I'm your girlfriend, not your maid! "

Su Chen raised his eyebrows. This was the first time he heard her call herself his girlfriend.

"Since she's your girlfriend, you should take care of your boyfriend unconditionally."

.! "No matter what, it was her logic!

After the meal, Chi Xia suggested again, " Shall we call a designated driver? "

Su Chen glanced at her helplessly. " I'm no longer drunk. Let's go. I can bring you home safely. "

Chi Xia was no longer conflicted. At this moment, he was as sober as a shrew. There was no sign of him being drunk

Chi Xia sat in the front passenger seat and did not notice that Su Chen was not talking about sending her back to the dormitory but bringing her home. Therefore, when Chi Xia woke up in the car, she was already downstairs at Su

Chen's place.

She looked at him. " Why didn't you bring me to your house? "

"Your dormitory door isn't closed? It's not like we haven't lived together before.

Get out of the car."

Chi Xia was furious. What kind of twisted logic was this!

Chi Xia always felt that it was dangerous to live under the same roof as a man, especially when they had made a mistake once and it was in a relationship.

After entering the house, Chi Xia washed up and went to sleep.

Perhaps it was because she had slept in the car, but she couldn't fall asleep at this moment. Her mind was in a mess. Su Chen was right next door, and her mind was filled with this man!

Every time she interacted with Su Chen, she had a very subtle feeling. She always felt that something was changing, but she just couldn't catch it.

The more he thought about it, the more his head hurt. He tossed and turned for a while before finally picking up his phone to take a look. Forty minutes had passed!

Helplessly, she could only play with her phone and browse WeChat and Weibo. After another half an hour, she climbed out of bed and went to the bathroom. There was no bathroom in the room she lived in, so she could only go out to the living room.

When she came out of the bathroom and passed by the study, she realized that the lights were on and there were some faint voices.

It was already midnight, and Su Chen was still awake?

She quietly pushed open the door of the study and saw the man leaning lazily against the chair. His voice was faint. "That batch of goods has to arrive on time tomorrow. Wipe your butt clean before you come back. Don't cause any trouble and have to make another trip...'

Hearing the door open, Su Chen raised his head. When he saw Chi Xia, he raised his eyebrows. "What are you doing sneaking around?"

'Nothing. I'm just going to the washroom. I won't disturb you since you're busy.'

"Wait a minute." Su Chen said, ignoring Ling Xi's yelling. He hung up the video call and turned off the computer.

Chi Xia looked at Su Chen in confusion. "Is there anything else?"

'You're the one who's busy. Why are you looking for me so late at night? Are you inviting me to sleep with you?' Su Chen's words made Chi Xia blush.

Chapter 655: Remember, You're My Woman (5)

Chi Xia glared at him with a red face. When she saw the man approaching, she immediately felt danger approaching. She immediately turned around and prepared to return to her room.

However, she had just taken two steps when she was stopped by the man. "Why are you so flustered? Did I hit the nail on the head?"

"What nonsense are you spouting! I'm sleepy. I'm going to sleep!" She struggled hard, but he pressed her against the wall and gave her a solid katedon.

Suddenly, the man's body came closer. His hot breath approached with danger. Su Chen looked down at the flustered woman and pinched her chin. "I've said it before. I won't reject anyone who offers themselves to me.'

Chi Xia widened her eyes. Before she could say anything, she saw the man's face approaching her.

Her lips were kissed!

Although it was not the first time they kissed, this time was more dangerous than any of the previous times. Chi Xia was flustered and at a loss.

His heart ached, and his heart thumped faster. His passionate kiss continued to devour her.

For a moment, Chi Xia was in a daze.

Suddenly, she felt a warm sensation at her waist. The man's large hand reached into her clothes, causing Chi Xia's body to freeze.

Her blushing face gradually turned pale, and her eyes suddenly widened. She felt what he was going to do next, and her nerves instantly tensed up.

The last time she had sex with him was a mistake and she had blamed herself for a long time. She could not make the same mistake twice. Even if she was dating him in name, she did not want to mess around with him like this.

Su Chen felt the body in his arms gradually stiffen. Her entire body was filled with resistance to him, refusing to accept what he was about to do next.

All the enthusiasm was extinguished at this moment.

He stopped and looked coldly at the woman who was on guard against him. His eyes gradually turned cold.

" Chi Xia, we've been together for so long. You can't accept me? "

Chi Xia panted heavily. She lowered her head and did not speak. Her mind went blank because of the panic. He knew that the reason they were together was ridiculous, but he kept it up.

She had no idea what this man was thinking. He could have ignored her, but he would occasionally show his kindness to her. The few times of contact made her more and more flustered. It was as if there was a change that was silently changing without her control.

Seeing that she was silent, he held her chin and made her look at him. " Chi Xia, remember, you're my woman. If I want you, you can't resist at all. "

Chi Xia's face turned even paler.

Su Chen pursed his lips coldly and continued, ""Don't worry, I won't force you.

I'll make you my woman willingly."

"Why?" Chi Xia asked.

Why did he do this to her? To make someone who didn't love him fall in love with him because of his desire to conquer him?

Su Chen's handsome face twitched. " Because of you, I'm going to take it! "

He wanted her. She did not know whether he wanted her or her heart.

He didn't know when he started to have such thoughts.

Perhaps it was because he saw her crying so miserably for a man on the roadside, or perhaps it was because she seduced him passionately that night, or perhaps it was because she went into the kitchen and busied herself with all sorts of things for him...

In short, he wanted this woman!

Even if she had to be sad and in pain, she could only do it for him.. He would definitely make the person in her heart disappear completely!

Chapter 656: Su Chen, Remember, You Are My Woman (6)

Su Chen said and turned to leave, leaving Chi Xia alone.

The man's words made Chi Xia panic.

His tone was so firm that she did not dare to face him. It was as if she was his exclusive product and would be his sooner or later.

However, the more he acted like this, the more uncertain she felt.

The reason why they were together was so ridiculous.

Chi Xia returned to her room in a sorry state and collapsed on the bed weakly. He looked up at the ceiling blankly.

That night, Chi Xia did not sleep well. When she woke up, she saw two big dark circles under her eyes.

They were having a class reunion today. Was it really good to treat her like this?

After last night's incident, she didn't know how to face Su Chen. She paced around the room for a long time before someone knocked on the door.

She suddenly became nervous and pretended to have been woken up. She asked in a daze, "What?"

“Get up and make me breakfast.” Su Chen’s voice sounded from outside the door.

Chi Xia was speechless.

This man had kissed her forcefully last night, and he was so bold as to ask her to make breakfast early in the morning!

Chi Xia opened the door and mumbled unwillingly, “Aren’t you going to eat breakfast when I’m not around?”

“How can the treatment of having a girlfriend be the same as not having a girlfriend? With a girlfriend who can only be looked at but not eaten, I naturally have to make it up to her in other ways.”

F * ck!

Could he not say it so blatantly?

These words actually made her unable to find any words to refute!

Chi Xia could only resign herself to her fate and enter the kitchen. She opened the fridge and saw that the vegetables she had placed in it previously had already rotted. This man really did not clean them up!

The only thing that could be eaten was eggs. Together with the leftover noodles from last time and beef in the freezer, he made a simple bowl of noodles.

Su Chen glanced at the noodles on the table and said unhappily, “Is this all you know how to make?”

He had finally cooked a meal, but he was actually despised!

“That’s because you don’t have anything at home!” Chi Xia replied with a bad attitude.

Su Chen raised his eyebrows. " You don't know how to buy it if you don't have it? Chi Xia, do you need me to remind you ten times a day about your identity?"

Chi Xia's blood pressure was about to rise the entire morning. This man was taking revenge on her for rejecting him last night!

Even though Su Chen was disgusted by her, Chi Xia still ate the noodles without leaving a single drop.

"It's the weekend today. What are you doing?" he asked calmly as he put down his chopsticks.

"It's a class reunion tonight. I'm going shopping with Mumu during the day."

"Come back tonight and make dinner for me." Su Chen suddenly said after a while.

It'll be very late by the time my gathering ends! " Chi Xia replied hurriedly.

"Then let's make supper." Chi Xia was speechless.

In the morning, Qiao Mu and Chi Xia went shopping.

Actually, Qiao Mu wanted to bring Chi Xia to the mall to take a look at the new clothes that she had designed.

The two of them walked around the mall for a while before Qiao Mu suddenly thought of something. She patted her head hard and asked Chi Xia, "Xi Xia, I forgot to return the money I borrowed from you. Why didn't you mention it to

At the mention of money, Chi Xia was stunned for a moment. " I forgot about that! "

Qiao Mu frowned. " So, you didn't return the money to Gu Cheng? "

As expected, Qiao Mu immediately blamed herself when she saw Chi Xia nod. ' I'm sorry, Xiaxia. I've troubled you with this. I'll transfer the money to you tomorrow. You should return it to him as soon as possible so that you can settle the score with him. '

Chi Xia nodded and was about to say something when she saw a familiar figure on the other side of the mall.

Qiao Mu looked over.. " Isn't that Su Chen? "

Chapter 657: It's Just a Misunderstanding Between Me and him

The person opposite him was indeed Su Chen, but there was a woman beside him.

The tall woman stood beside Su Chen. The two of them were about the same height. The two of them were walking separately, but suddenly, the woman held Su Chen's arm. They looked very intimate.

Chi Xia stood rooted to the ground, stunned.

Qiao Mu's face darkened. " Xiaxia, let's go over and say hello. '

Chi Xia grabbed Qiao Mu and shook her head. " Forget it, it was a misunderstanding between us. It has nothing to do with me who he likes to be with. '

Although he said that, why did he feel so uncomfortable when he said it?

She had thought that she was eager for Su Chen to let go of her, but why did she not relax at all when she saw this scene?

Qiao Mu frowned. It had nothing to do with her? But did she look like she was fine?

Qiao Mu felt a surge of anger in her heart as she glared at Su Chen, who was not far away. When she saw the woman beside him, she felt that her face was very familiar. She had seen this woman before!

She suddenly realized that this woman was the woman that Li Yan had arranged for Chen Ou. She had seen this woman in the video before!

Since Li Yan knew this woman, it was normal for her to know Su Chen. Perhaps they were not in the relationship that they had seen.

"Xiaxia, things might not be as complicated as you think." She looked at Chi Xia and said hurriedly, "This woman might just be Su Chen's friend. ' Although this was not very convincing, it was indeed possible.

However, Chi Xia, who was in charge of this, did not listen to Qiao Mu at all.

Very soon, Chi Xia, who was feeling down, smiled nonchalantly. " It's alright,

Mu Mu. I'm really fine. You don't have to comfort me! "

Although Chi Xia tried her best to act nonchalant, Qiao Mu could still see the emotions flashing in her eyes. She clearly cared.

Chi Xia had always been like this. She broke up with Gu Cheng and was so sad, but she pretended to let it go. In fact, only she knew the pain in her heart.

Initially, Qiao Mu thought that Chi Xia and Su Chen were still in the middle of a transition period. After all, it would take some time for her to jump from a

failed relationship to a new one.

However, she was still tempted.

Qiao Mu sighed. After all, she was a bystander and had no right to speak about other people's feelings.

On the other side, Su Chen pushed away the "woman" who was leaning on him in disdain and said coldly, "" Kiimi, I'm warning you for the last time. Don't touch me! "

The long-legged " beauty " who had been replaced by Kiki snorted coquettishly. " You bunch of heartless men. Every good thing finally took the initiative to contact her once, and you really let her seduce men. You really don't know how to cherish women! "

"Speak normally! With an Adam's apple, no matter how woman she is, it's disgusting! "

Kiimi's expression changed and he said angrily, ""Can you not mention her sad things? The biggest regret in my life is that I have two protruding places on my body. One is my Adam's apple, and the other is below..."

"I don't mind cutting it off for you!"

KIWI:

The next second, Kivi waved her arm roughly. Her previous gentleness and sexiness had completely disappeared. " Alright, alright. I won't pretend with you anymore. You're really heartless. I'm still relying on this to seduce girls.

How can I bear to not have it!

Su Chen pointed at the men's clothing store. " Go in and change your clothes! "

"If I want to change, I'd better go home and change. Are you trying to ruin my image by changing clothes here?" Kiimi then dragged Su Chen away. " Hurry up and get into the elevator. I'm still waiting for Boss Li to treat me to a meal.. It's rare that he owes me a favor! "

Chapter 658: Beauty "Transvestite"

On the top floor of the mall, in a private restaurant.

Li Yan and Lu Jingzhi were in a private room when Su Chen and Kiimi walked in.

As soon as he entered, Su Chen said calmly, "Big Brother, I've brought this transvestite here."

Kiimi frowned unhappily. "Second Master, watch your words. You can't discriminate against people just because they have this kind of hobby, okay? If

I didn't transform at will, I wouldn't have been able to help Young Master Li!"

Su Chen snorted coldly. "If you want to be a transvestite, no one will care about you. But don't pull me around!"

"We're both single. What are you afraid of?"

Su Chen's cold gaze swept over. "How did you know I was single?"

"Huh? Could it be that Second Young Master Su has a new lover?"

Lu Jingzhi laughed. "What do you mean by new lover? Does Second Brother have an old lover?"

"Yes, isn't that me?"

Lu Jingzhi was speechless.

Kiimi looked at Li Yan. "Young Master Li, you asked me to do you such a big favor. In order to protect your wife, why didn't she come to thank me personally today?"

Li Yan glanced at her. "You don't have the face to make her come here personally."

“Tsk tsk, it seems that this person in your family has quite a high status!”

Kiimi sat down casually and shouted, “Let’s start serving the dishes. Ever since my hands were cut for Young Master Li, I haven’t been able to eat or sleep well all day. I have to make up for it today!”

Li Yan scoffed. “I don’t know how many times you’ve played with your hands.

Why? I asked you to do such a small thing, and you’re still blaming me? ‘

“Is this a small matter? This is the first time I’ve ever stabbed a man in the crotch. It’s really scary just thinking about it. However, I owe you a favor. How can I be picky about what you’ve arranged?”

Su Chen glanced at Kiimi. “If you don’t shut your mouth, you can forget about this meal. ‘

“OK, OK! “Kiwi-san surrendered.

Kiimi was a businessman whom Li Yan had gotten to know when he was doing underground business. During a gang incident, Li Yan had let him go, so he owed him a favor.

It just so happened that she thought of him, so she called him over.

This person didn’t have any fetishes. It was just that when doing business, it was very convenient for him to pretend to be a woman. He was originally a handsome person, but when he turned into a woman, he was also beautiful and sexy. Therefore, when others saw him, they almost couldn’t tell.

That day, Chi Xia was absent-minded. When she was eating with Qiao Mu, she was very distracted.

Qiao Mu took the opportunity to call Li Yan while she was in the washroom. She answered the call and asked straightforwardly, “Uncle, who’s the beauty you arranged to seduce Chen Ou?”

“Hmm? Why are you suddenly asking this ?”

‘ I saw her at the mall today. She was together with Su Chen and they were behaving intimately. Chi Xia happened to see them and thought that there was something going on between them. ’

Li Yan’s voice sounded nonchalant on the other end of the phone. ” I’ll tell you when we get home. ”

“Alright then. ”

“Have fun tonight. I’ll pick you up tonight.”

“Yes, alright.”

In the evening, the class reunion was held at the magnificent hotel, ‘

Abundance of Gold and Jade. ‘

It was said that someone was treating her tonight. Chi Xia did not ask who it was, but her classmate told her.

When Qiao Mu and Chi Xia arrived at the private room, there were eight or nine people inside. When the woman standing in the middle of the crowd saw them, she smiled and called out, “‘ Qiao Mu, Chi Xia, you’re finally here.. It’s so hard to meet you! “

Chapter 659: Class Reunion, Hidden Contest

The person who spoke was Xu Xiyan, a classmate whom they had a good relationship with in high school.

When Qiao Mu and Chi Xia walked into the crowd, Xu Xiyan shouted, ““Come, let’s sit down first. Order whatever you want today, eat whatever you want, and play whatever you want. It’s my treat!”

“Xiyan, you’re so nice to have a rich boyfriend,” someone said with a smile.

Xu Xiyan smiled. “ Xiaohong, look at what you’re saying. My husband is not only rich, but he also treats me well. Don’t make it sound like I’m only with him for money. ‘

Qiao Mu was surprised to hear the other party call her husband, “You’re married?”

I’m not old enough to get married yet, but my husband said that we’ll get our marriage certificate once we’re old enough. Let’s not talk about this. There’s nothing else to say.” Xu Xiyan said it subtly, but her expression was full of pride.

Xu Xiyan shifted the topic back to Qiao Mu. “ Mumu, do you have a boyfriend? Do you want me to introduce you? When you were in high school, your standards were very high. You didn’t like anyone. I remember that a boy I liked confessed to you but was rejected by you.”

Qiao Mu indeed had many admirers in high school, and one of them was Xu Xiyan’s crush.

Looking at Xu Xiyan’s smiling face, Qiao Mu could tell that Xu Xiyan had planned this class reunion to bask in her happiness.

He wanted to see his old classmate, but the atmosphere was not very good.

Faced with Xu Xiyan’s question, Qiao Mu said frankly, ““ Thank you. I already have a boyfriend. ‘

“There is? What does he do? Maybe it has something to do with my husband’s industry and we can work together!”

Seeing how Xu Xiyan was so enthusiastic about mentioning her husband, Qiao

Mu asked, ““What does your husband do?”

He's in finance and real estate. He's quite famous in Beijing. He's Juhao

Enterprise. Have you heard of him? "

Qiao Mu shook her head. " I haven't heard of it. "

Xu Xiyan's expression froze, and then she smiled. "" Everyone says that he's only a little famous. He's only ranked among the top 300 in China. "

Sun Xiaohong went up to her and said, " Xiyan, don't be so humble. The turnover of a top 300 company should be at least 20 million yuan, right? "

"I'm not sure either. I wonder what the ranking of Mumu's boyfriend's company is? Mumu's requirements are so high. It definitely won't be bad."

Qiao Mu laughed dryly. " My boyfriend is also in the top 300. "

It was one of the top 300 companies in the world. Qiao Mu only knew that the Li Corporation was huge, but she really didn't know what the ranking was.

She had no idea how much her uncle was worth!

As soon as Qiao Mu said this, a hint of sarcasm flashed across Xu Xiyan's face. ' Mu Mu, which company is your boyfriend from? I might have heard of it. " "He's a little famous. You wouldn't have heard of him." Qiao Mu responded.

"Mu Mu, are you bragging to me? Why do you have to meet old classmates?" "That's right, Mumu. We're just university students. Don't be so vain."

Qiao Mu was speechless.

Chi Xia moved closer to Qiao Mu and whispered, "" I really regret coming here. What are these things? I haven't seen them for a year and they've all become like this. If they knew who your man is, wouldn't they be so jealous that they'd go blind? "

Qiao Mu was helpless. " Forget it. Since we're already here, how can we leave halfway?

Suddenly, someone changed the topic to Chi Xia. " Xiaxia, why are you here alone? Where's Gu Cheng? "

Chi Xia looked at him and said calmly, " I've already broken up with Gu Cheng. "

"Break up? Oh my god, you guys were so good at that time. We all thought that you would get your marriage certificate as soon as you graduated.."

Chapter 660: Class Reunion, Hidden Contest (2)

Xu Xiyan smiled. " You guys don't know. Gu Cheng has a fiancée. It's said that she's a rich young lady. They're a good match. "

So, Chi Xia was dumped by Gu Cheng? "

"I really didn't expect this!"

"Is it very interesting for you to gossip about other people's affairs?" Qiao Mu asked coldly.

" We're just concerned. How could Gu Cheng dump Chi Xia for his fiancée? "

As soon as he finished speaking, a voice came from the door. Who said I dumped Xiaxia? "

Then, Gu Cheng walked into the room.

Qiao Mu looked at him and frowned slightly. Didn't Xiaxia say that he wouldn't come?

Gu Cheng walked straight to Chi Xia and looked at the others. He said calmly, 'Xiaxia dumped me. I'm pursuing her again now. The fiancée you're talking about no longer exists. This position will only be reserved for Xiaxia.'

Oh, Gu Cheng, you're still so infatuated. I'm so jealous. Xiaxia, why don't you agree to reconcile with him?' Someone jeered.

Qiao Mu looked at Gu Cheng. 'What do you mean? Where's your fiancée?'

'I've already called off the engagement.' Gu Cheng stared at Chi Xia and said slowly, 'Xiaxia, can you be with me again? Give me another chance.'

He had been waiting for this day for a long time. Finally, he had settled his family matters and asked her to give him a chance.

He believed that his Xiaxia only cared about his fiancée. As long as he canceled the engagement, she would definitely come back to him.

Facing Gu Cheng's affectionate confession, Chi Xia's expression was indifferent. Qiao Mu could feel that her gaze towards Gu Cheng was emotionless and extremely cold.

This was the first time Qiao Mu had seen Chi Xia treat Gu Cheng so coldly. In the past, Chi Xia would burst into joy whenever Gu Cheng's name was mentioned, and that joy could not be concealed.

And now, he could be so calm. Qiao Mu knew that Chi Xia had truly given up on Gu Cheng.

Chi Xia only glanced at Gu Cheng before she retracted her gaze and responded to everyone's jeering, 'You guys think that he's such a good person. Don't miss the chance that he's single now. I have nothing to do with him. If you guys want to make a move on him, you have to seize the opportunity.'

Gu Cheng's expression changed. From the beginning to the end, Chi Xia had only glanced at him as if she was facing a stranger. Even her words were directed at someone else.

Gu Cheng looked at Chi Xia's back with a hurt expression.

Suddenly, a voice rang out. " Qiao Mu, is that you? "

Qiao Mu looked over when she heard the voice, and only then did she notice a boy standing at the side. She sized him up and searched for his name in her mind before calling out, " Yang Hao? "

The boy nodded. " I didn't expect to see you at the class reunion today. "

" Yang Hao, " Xu Xiyao said with a smile, " you've been paying attention to Qiao

Mu ever since you entered. Could it be that Qiao Mu still has feelings for you? "

Yang Hao was Xu Xiyao's crush in high school. When he confessed to Qiao Mu and was rejected, he swore, "" Qiao Mu, if you don't want to date now, it's fine. I can wait for you for five years. After graduation, I'll confess to you again. "

Yang Hao smiled but did not reply. His gaze was fixed on Qiao Mu's face. The girl in front of him was even more beautiful than when she was in high school. Her entire body exuded a different temperament, and she was so charming.

Xu Xiyao's tone was sour. " Yang Hao, give up. Mumu already has a boyfriend. You don't stand a chance.
