### Chapter 661: Class Reunion, Hidden Contest (3)

Yang Hao was stunned. " Qiao Mu has a boyfriend? "

Qiao Mu nodded, and a hint of disappointment instantly flashed across Yang Hao's eyes.

Xu Xiyan smiled. " Mu Mu, you're not giving Yang Hao any face. After all, he said he would wait for you for five years. You have a boyfriend in the blink of an eye. "

Qiao Mu smiled as if she was listening to someone else's business. " Is that true? I don't remember. "

This sentence made Yang Hao lose all his energy.

Someone patted Yang Hao's shoulder and joked, "" Brother, don't be disappointed. Perhaps Qiao Mu will be single again in five years. You still have a chance. "

After a round of jokes, everyone arrived and began to eat.

The entire meal was centered around Xu Xiyan, and all the topics revolved around her and her husband, who was ranked in the top 300. Qiao Mu finally experienced what it meant to show off modestly, but there were people supporting her.

Yang Hao sat opposite Qiao Mu, and no matter how far away he was, he couldn't stop him from acting as her protector. After seeing which dish Qiao Mu picked up, he quickly placed it in front of Qiao Mu and said concernedly, " Qiao Mu, eat more. "

"Looks like Young Master Li has met a love rival," Chi Xia said with a smile as she moved closer to Qiao Mu.

After saying that, Qiao Mu rolled her eyes at him. " You still have the mood to joke around with me? You'd better get rid of the person beside you. I only realized now that Gu Cheng is so difficult to deal with. "

Chi Xia sighed and saw Gu Cheng placing a piece of sweet and sour pork ribs into her bowl. A gentle voice rang in her ear, ""Xiaxia, this is your favorite. T-talk more and eat something."

Chi Xia's expression was cold as she ignored Gu Cheng's words. She stood up and said to Qiao Mu, ""I'm going to the bathroom."

As Chi Xia walked out, Qiao Mu saw that Gu Cheng had followed her out. She stood up and followed behind Gu Cheng. Just as she walked out of the room, she blocked Gu Cheng's path.

"Gu Cheng, I have something to tell you." Qiao Mu looked at Gu Cheng and advised, " If you're really good to Xiaxia, don't pester her. Her attitude is obvious. "

Gu Cheng frowned, obviously not pleased with her words. " Qiao Mu, others might not know, but don't you know? Xiaxia and I are in love!"

"If you really loved her, you wouldn't have let your fiancée live. Even if you solve this problem now, it's too late. Gu Cheng, you know Xiaxia isn't single now. If you keep pestering her like this, it'll only make you look selfish."

Gu Cheng clenched his fists tightly. Yes, he knew that Chi Xia was with someone else, but he just couldn't let it go. His Xiaxia only loved him!

He truly loved Chi Xia. For her, he had almost fallen out with his family. He had sex with Mirou after he was drunk, but he had rejected his marriage with Mirou without any regard for his feelings. He was so stubborn when he did such an irresponsible thing, yet Chi Xia was so cold to him.

Perhaps her attitude was within his expectations, but he had never tried it before. How would he know that she would really reject him mercilessly?

Seeing Gu Cheng leaning against the wall in pain, Qiao Mu sighed and returned to her room.

In the room, Xu Xiyan was talking about finding an internship for a classmate. When she saw Qiao Mu, she suddenly changed the topic. "Mumu, didn't you say that your boyfriend's company is also one of the top 300 companies in the country? How about you let Sun Xiaohong do an internship at your boyfriend's company?"

My boyfriend's company doesn't hire interns. "Qiao Mu rejected him directly, somewhat regretting her words. She really didn't want to compare herself with Xu Xiyan, and she was just joking.

Chapter 662: Boyfriend Appears (1)

Sun Xiaohong pursed her lips. "Qiao Mu, we're classmates, so why aren't you helping me out with small things? Does the boyfriend you mentioned really exist?"

"Don't tell me you're deliberately mentioning this boyfriend just to compare yourself with Xiyan? Mu Mu, although you were more outstanding than Xiyan in all aspects during high school, you were just a little lacking in terms of boyfriends. Don't take it to heart." Someone advised earnestly.

Xu Xiyan took a sip of red wine and said, "Mumu, I think you should just let Yang Hao go. After all, Yang Hao's family owns a company. He's a rich second-generation heir."

Yang Hao frowned. "Qiao Mu, is what they said true? Your boyfriend is fictional? Why are you so vain now?"

Qiao Mu could not be bothered to waste her breath on this group of people. At this moment, her phone rang. It was Li Yan.

She picked up the phone and soon heard the man's voice asking, "When do you want to finish?"

"Uncle, come and pick me up."

"Why? Did you not have fun?"

Hearing the noise, Qiao Mu spoke softly into the phone, ""Yes, I want to go home."

Qiao Mu hung up the phone and returned to her seat. The women at the table changed the topic.

Xu Xiyao pointed at the phone screen and showed it off. " Do you think this dress looks good? " It's a new autumn product that just came out. It's the style I like."

Sun Xiaohong looked over. " Let me see. Wow, a sweater that costs more than 6,000 yuan. Is this a scam? "

Xu Xiyao didn't think much of it. " Don't you know fashion? Do you know that Key is a big international brand? The cheapest clothes under his brand are already 6,000 yuan. I heard that this was designed by a new designer. I want to place an order on the official website and go to the store to pick it up tomorrow."

Qiao Mu paused when she heard Xu Xiyao's words. Wasn't she talking about her?

Suddenly, Xu Xiyao looked up at Qiao Mu. " Mumu, you're also studying fashion design, right? My husband has a fashion design department in his company. Do you want me to pull strings for you so that you can go for an internship and learn something?"

Qiao Mu smiled faintly. " Thank you, but there's no need. "

"Sigh, you're just too unfamiliar." Xu Xiyao swiped her phone and said, ""I'll look for the designer of this dress. Maybe my husband knows her. It was designed by...Qiao Mu? Eh, this person actually has the same name as Qiao Mu..."

Xu Xiyao did not associate Qiao Mu with the designer she mentioned at all. She smiled and said, ""Mu Mu, what a coincidence."

Qiao Mu didn't know whether to laugh or cry. " It's me. "

“Wha ... What?” Xu Xiyan was stunned. “ Stop joking. How is that possible? ”

As she said this, she scrolled down the webpage and saw the designer’s photo. The smile on her face froze.

After all, they did not have much interaction with the fashion industry, so it was normal for them not to know.

Before this, Xu Xiyan had already praised the brand and the designer to the max, so when they found out that it was Qiao Mu, their attitudes towards Qiao Mu immediately changed.

“Mu Mu, you’re really amazing. You’re already a designer before you graduate? A piece of clothing costs more than 6,000 yuan. How much money do you want to earn?”

Qiao Mu replied, “ I’m just a newcomer. It’s already good enough that I have this opportunity. I can’t earn much. ”

“ Everyone says that a big fashion designer is awesome and has a lot of net worth. Mumu, you won’t need to rely on a man to make a fortune in the future. You’re a living, strong woman! ”

Xu Xiyan’s expression changed when she heard this. It was obvious that he looked down on her for relying on men!

Chapter 663: Boyfriend Appears (2)

Xu Xiyan echoed, “ Yeah, since it’s Mumu’s design, do I still need to spend money to buy it? You have to give each of us a set.”

“ Sorry, I don’t have any finished products. All the clothes are sold through official channels. ”

Xu Xiyan pursed her lips. “ So you’re not that capable as a designer! ”

Chi Xia came back from the bathroom and smiled calmly when she heard Xu Xiyan's words. " Mu Mu isn't very capable, but compared to you, she's just a little better. "

"You ... Chi Xia, that's not how you compare yourself. The most important thing for a woman in her life is to find a good man. I'm sure you dumped Gu Cheng because you wanted to hook up with a rich man, right?"

Chi Xia shook her head helplessly. " Can we not be so vulgar? " Although your nature is indeed a little tacky, if you expose it, you'll be a joke to others. It's better to keep a low profile."

His words made Xu Xiyan blush.

She glared at Chi Xia and picked up her phone to make a call. " Hello, Hubby, can you come and pick me up? " We've already finished eating ... " Hmm, I won't continue entertaining myself. You don't know, but all of us classmates are jealous that I found a good husband..." I'm not angry. Hubby, I'll wait for you."

Everyone at the table looked at each other.

Originally, other people wanted to flatter Xu Xiyan because they wanted to get along better with her and get some benefits, but she really took herself seriously.

Upstairs, in a private room.

When Li Yan heard the woman's " I want to go home ", he hung up the phone and stood up slowly. " I'll leave first. You guys continue. "

Since he knew that Qiao Mu would be having a gathering here tonight, he decided to settle his dinner here and take the little woman home while he was at it.

"Big Brother, are you going to pick up Qiao Mu?" Su Chen stood up as well and asked.

Seeing Li Yan nod, Su Chen followed him. " I'll go with you. "

Since Qiao Mu was done, Chi Xia was done as well. This woman did not even call her after she was done!

Lu Jingzhi shouted, " Eldest Brother, Second Brother, how can you stand me up like this? You're leaving before I even finish my meal! "

Without Little Fourth around, he would be the one left alone. Why were the women of these two so obedient, but his woman was always looking for trouble for her. Comparing people was infuriating!

In Qiao Mu's room, the dinner party had completely ended because Xu Xiyao's husband had rushed to pick her up.

Suddenly, there were two knocks on the door. Someone pushed the door open from the outside. Hearing the sound, Xu Xiyao rushed to the door before she could see who it was.

"Hubby..."

Everyone looked over and saw an extremely handsome man standing at the door. They were instantly shocked.

Xu Xiyao's husband was not only rich, but also so handsome that people couldn't take their eyes off him!

However, why were there two handsome men as soon as they arrived?

Which of these two handsome men was Xu Xiyao's husband? Could it be Xu Xiyao's husband's assistant? But that assistant wasn't inferior at all!

" Xiyao, your boyfriend is so considerate. He's so handsome and treats you well. You're going to live a peaceful life! " someone praised.

" That's right, Xiyao. It's not good to hide such a good husband. You should bring him along for dinner! "

Xu Xiyan was delighted when she heard those words. She was worried that others would say that her husband was not worthy of her. It seemed that she had good taste!

However, the next second, when she saw who it was, she stopped in her tracks and looked at the two handsome men who had suddenly appeared.

Chapter 664: Boyfriend Appears (3)

When Qiao Mu saw this scene, the corners of her mouth twitched. She did not expect Li Yan to come directly to the private room she was in and arrive so quickly!

Li Yan and Su Chen walked into the room under the flattery of a group of people. Li Yan raised his eyebrows when he heard the discussion. He glanced at Xu Xiyan, who had almost pounced on him.

Xu Xiyan stood rooted to the ground. She felt Li Yan's cold target hit her body. The tingling sensation was like an electric current that opened up her meridians, and her heartbeat suddenly accelerated.

How could this man be so handsome? When she thought of her boyfriend...

At this moment, a hoarse voice sounded from outside the door. ""Baby, I'm here to pick you up!"

As soon as he finished speaking, a slightly plump man rushed into the room with small steps. The man's head was shiny as he appeared in front of everyone.

Then, before anyone could react, he rushed to Xu Xiyan and put his arm around her waist. "Baby, the party is over. Let's go."

If the two handsome men hadn't appeared, Xu Xiyan wouldn't have thought much of it. However, the short and fat bald man in front of her looked like a clown in front of the two handsome men.

This dramatic scene shocked everyone. They whispered, ""This is her husband? I thought it was one of those two handsome guys!"

" Sigh, reality is cruel indeed. How can there be so many rich and handsome men? It's just a pity that Xu Xiyan found such a boyfriend. "

Hearing the whispers, Xu Xiyan's face darkened. She held the bald man's arm and said to the group of people, ""Who wants a ride? My husband's Mercedes-Benz can fit four more people."

The man smiled. " Baby, I didn't drive that car today. I drove a Porsche. Don't you like to drive a sports car at night? "

"Aiya, hubby, you're so good to me."

Qiao Mu and Chi Xia looked at each other. These two idiots, it was already late autumn. Would they freeze to death if they drove a sports car?

Qiao Mu continued to watch the show, and she saw Li Yan, who was standing behind the bald man, getting impatient. She secretly shook her head and signaled him to wait a while. If Xu Xiyan found out that this handsome man was her man, she would probably die of jealousy.

One had to keep a low profile.

Xu Xiyan looked at Qiao Mu. " Mu Mu, if you need any help with your work, feel free to come to me. You're welcome. "

The corners of Qiao Mu's lips twitched but she did not reply.

When the bald man saw Qiao Mu, his eyes immediately lit up. Xu Xiyan's expression darkened when she saw this, and she continued to target Qiao Mu. " Oh right, Mumu, where's your boyfriend, who's ranked among the top 300 in the country? " Why didn't he come to pick you up?"

Xu Xiyan looked at the bald man and said, " Husband, my classmate's boyfriend also owns a company and is one of the top 300 companies in the country. I just want you to get to know each other. We can help each other if we work together. "

“Oh? Was that so? Then who was her boyfriend? Maybe I know him.”

As soon as the bald man finished speaking, a voice sounded behind him. “Here.”

Li Yan ignored Qiao Mu’s warning and spoke directly.

As soon as he said that, everyone turned to look at Li Yan.

Everyone was extremely shocked. They did not expect this handsome man to be Qiao Mu’s boyfriend!

However, what was even more shocking was the bald man’s performance.

“President Li! Hello, hello. It’s my honor to meet you in person. I didn’t notice you just now. It’s really snobbish. Oh, and President Su, what good luck did I have today to meet the two of you at the same time...”

Chapter 665: Boyfriend Appears (4)

The moment the bald man turned around and saw Li Yan, his eyeballs almost fell out. He was not tall to begin with, and his bent back and humble attitude made him look extremely insignificant in front of Li Yan.

This action was truly shocking.

Xu Xiyan couldn’t stand it and tugged at her bald head. “What are you doing?”

The bald man shook Xu Xiyan off. “Stop fooling around! Can’t you see that I’m greeting you?” he said angrily.

Li Yan looked at the bald man who was bowing to greet him. He curled his lips coldly and looked at Su Chen. “This is?”

Su Chen had been staring at Chi Xia and Gu Cheng since he entered the room.

The coldness in his eyes could not be concealed. When he heard Li Yan's question, he glanced at the bald man and replied indifferently, "I don't know him."

Xu Xiyan's face darkened when she heard the question and the answer. However, the bald man still introduced himself with a smile. From his reaction, it could be seen that the two people in front of him were not ordinary people!

However, it just had to be Qiao Mu's boyfriend!

Ever since she was in school, Qiao Mu had been more outstanding than her in every aspect. Even the boy she liked liked Qiao Mu. She liked Qiao Mu very much, but Qiao Mu did not take it seriously at all!

Xu Xiyan's eyes flashed with a hint of calculation and she smiled. "Mu Mu, so this handsome man is your boyfriend. I thought you and Yang Hao would be able to meet again and reunite!"

Continue our relationship? This word was full of hints.

Qiao Mu's expression darkened. There was clearly nothing between her and Yang Hao, but Xu Xiyan's words made it seem like there was something between them.

Yang Hao stared at Qiao Mu, his emotions extremely complicated. When he found out that the clothes designed by Qiao Mu were on the market, he felt that the girl in front of him was filled with positive energy, just like when she was in school. Perhaps Qiao Mu was not vain, and he had misunderstood her?

Li Yan glanced at Xu Xiyan with a calm expression. This glance made Xu Xiyan's body stiffen and she felt a chill run down her spine.

Then, Li Yan's cold voice slowly sounded, "CEO Wang, someone just said that my fiancée needs your help when she encounters a problem?"

Xu Xiyan's face turned even uglier when he called her fiancée.

She nodded and quickly apologized with a smile. " President Li, my wife was just joking. Please don't take it to heart. I'll go back and control her mouth! "

" Indeed, you should. With such a woman by your side, your company will bring bad luck sooner or later. " These words were a warning.

Xu Xiyan's face turned pale. " How can you say that! "

The bald man looked embarrassed. " Thank you for your reminder, President Li. I'll go back and teach this insensible woman a lesson now! "

"Hubby, why are you helping an outsider..."

"Hurry up and leave with me!" The bald man roared and dragged Xu Xiyan away.

The room was finally quiet. Li Yan strode toward Qiao Mu and held her hand. " Let's go. Why are you still wasting time at such a class reunion? "

Qiao Mu was unable to retort. She also felt that it was a waste of time.

She followed Li Yan out and suddenly stopped in her tracks. She turned around to look at Chi Xia, then at Su Chen. After some thought, she decided to forget about it. It was none of their business.

At this moment, Yang Hao shouted, "Qiao Mu, what I said back then still stands! "

Qiao Mu was stunned and did not understand what he meant for a moment.

Li Yan's cold eyes swept over. "What words?"

"I said, I'll wait for Qiao Mu for five years. If Qiao Mu is still single after five years, I'll..."

Qiao Mu felt a headache coming on and hurriedly interrupted him. "Yang Hao, my boyfriend is here."

Her uncle's expression was really scary!

Her life would be in danger if someone of the opposite sex said such things to her in front of her!

Chapter 666: Li Yan's Jealousy and Vicious Tongue

Just when Qiao Mu thought that Li Yan would not size up Yang Hao, she heard the man's voice. "Brat, you've got some guts."

Yang Hao met Li Yan's gaze. Although his voice was calm, there was a hidden killing intent that made people not dare to look directly at him.

Li Yan lowered his head and glanced at Qiao Mu, then held her hand and left.

Qiao Mu lowered her head. She was so innocent, so why did she vent her anger on him?

Qiao Mu gently tugged at Li Yan's arm. "Uncle, are you angry?"

"What do you think?"

Qiao Mu pouted innocently. "Uncle, I'm really innocent. It was purely Xu Xiyan who was trying to sow discord. She was jealous that I found such an outstanding man like you, Uncle!"

Li Yan glanced at the little woman. "If she didn't mention it, I wouldn't have known that you had a spare tire."

Qiao Mu was speechless.

Young Master Li was really hard to please when he was looking for trouble.

Just as the two of them walked out of the hotel, they saw Shu Xinyu walking towards them.

Shu Xinyu stopped in her tracks, and her gaze swept across Qiao Mu's face. She greeted her with a smile, " President Li, what a coincidence. Are you here for dinner? "

Li Yan glanced at her indifferently and nodded politely. Without pausing, he led Qiao Mu to the parking lot.

Shu Xinyu's smile froze on her face when she was treated like this. Even Li Yan's mother had to greet her politely when she saw her, but Li Yan, a junior, was actually so disrespectful to her!

Shu Xinyu looked at Qiao Mu's back. It seemed like she had really underestimated this woman's influence on Li Yan. She had asked Chen Ou to deal with Qiao Mu, but in the end, Chen Ou was chased out of the company and completely turned into a useless piece of trash!

At the thought of this, Shu Xinyu's eyes flashed with a cold light. She looked at Li Yan's back and said, ""President Li, please wait a moment."

Li Yan finally stopped in his tracks and turned to look at Shu Xinyu. " What's the matter? "

"President Li, I saw your mother a while ago. Your mother doesn't seem to know about you and Miss Qiao. Moreover, you have a fiancée, but you're with another woman...As a mother, I just want to remind you not to make your mother sad." Shu Xinyu said earnestly.

Qiao Mu's eyes darkened. This Shu Xinyu really did not like her at all. She actually lectured Li Yan right in front of her!

However, her uncle would not be educated by anyone. Shu Xinyu's words did not benefit her at all.

Immediately after, Qiao Mu saw the corners of Li Yan's lips curl up bit by bit. He looked gentle, but there was a hint of coldness hidden within. His thin lips moved, and he said nonchalantly, "President Shu, if I remember correctly, you don't have your own children."

In other words, she was not a real mother at all!

Qiao Mu had witnessed Li Yan's venomous tongue time and time again, but each time, she felt that his venomous tongue had reached a new height!

She had actually poked at someone else's pain with one sentence. A woman in her forties did not have her own flesh and blood. No matter what the reason was, this was a kind of pain for her, right?

Li Yan's words hit the nail on the head!

Shu Xinyu, who was opposite him, had an uncertain expression at this moment. It was impossible to describe what she looked like with words.

Fortunately, Shu Xinyu was very shrewd and quickly concealed her emotions. "Since President Li doesn't appreciate it, then pretend that I didn't say anything."

Shu Xinyu turned around and left after saying that.

When he turned around, his face, which was originally as if nothing had happened, completely darkened!

Chapter 667: Heartache for Your Old Lover?

Qiao Mu was helpless. "Why do you have to say such vicious words to an elder? It's not wrong for her to not have children."

Li Yan curled his lips coldly. "Elder? She's not worthy."

This little thing still had the mood to plead for others. She had no idea that Shu Xinyu was bent on dealing with her. The reason why she had not been successful during this period of time was definitely related to that woman!

Qiao Mu looked at his frigid and frightening expression, so she raised her small hand and pinched his cheek, just like how he pinched her usually. She teased him, " Uncle, don't always keep a straight face. Smile! "

Li Yan narrowed his eyes. He did not know when he had lost all his dignity in front of her. She could do whatever she wanted to him. She was very bold!

She felt her soft little hands rubbing her face, and the coldness in her eyes faded bit by bit.

However, his tone was cold. " You dare to touch a tiger's face? We haven't settled our scores yet!"

Qiao Mu was speechless.

This man was not cute at all!

Qiao Mu was brought home by Li Yan to settle the score, while Chi Xia was in danger.

After Qiao Mu left, everyone dispersed. Chi Xia glanced at Su Chen and walked past him.

Thinking of the scene she had encountered during the day, she felt an indescribable feeling in her heart. She really did not want to see him at this time. She just wanted to calm down!

However, Su Chen did not let her go. He grabbed her wrist and frowned. " Do you treat me like air? "

"Don't touch me!" Don't touch her with someone else's hand!

Chi Xia almost blurted out the words, but she stopped herself.

She subconsciously wanted to shake him off, but he held her even tighter.

Chi Xia's reaction made Su Chen's eyes turn cold. This woman was fine this morning, but in the blink of an eye, she had changed her attitude. Was it because there was a man she couldn't forget at the dinner party tonight?

He thought that it was just a simple class reunion, but in the end, it was just for that man!

To think that he thought that this woman had improved a little towards him!

Su Chen's anger was just short of a fuse. At this moment, Gu Cheng, who had not left, stepped forward and grabbed Chi Xia's arm that Su Chen had grabbed.

Young Master Su, Xiaxia asked you to let her go!" Gu Cheng finally saw a glimmer of hope. Xiaxia didn't want to talk to Su Chen. It must be because she knew that his marriage was canceled, so she wanted to return to his side!

After Gu Cheng finished speaking, Su Chen's eyes darkened. " Let go of your hand! "

"The one who has to let go is you..." Before Gu Cheng could finish speaking, he was kicked away by Su Chen. He was so fast that no one could react in time.

Chi Xia screamed, " Su Chen, what are you doing? "

"Why? Do you feel sorry for your old lover?"

"Are you crazy? What does my matter have to do with you? What right do you have to tell me what to do!" He was clearly having an ambiguous relationship with another woman. What right did he have to interfere in her matters?

Su Chen narrowed his eyes. " Say that again! "

"I have nothing to do with you. You ... Ah, put me down!" Before Chi Xia could finish her sentence, Su Chen carried her up and left the private room.

Chi Xia's head was facing down and she felt dizzy. She almost vomited out what she had eaten.

Su Chen didn't leave the hotel. He went straight into the elevator and went to the room upstairs. He opened the door and threw Chi Xia onto the sofa.

Finally, there was no third party. Su Chen grabbed Chi Xia's chin and asked coldly, " You saw your ex-lover and you want to revive your relationship with him? "

Chapter 668: Can't You Forget That Man?

"What nonsense are you spouting!"

"Isn't it?" Su Chen smiled coldly. " Let me guess. Did you start to fall in love after learning that Gu Cheng canceled his engagement with his fiancée? "

Chi Xia's face paled. She gritted her teeth in response to Su Chen's question.

She wanted to deny it, but she felt that it was unnecessary. Her silence only made Su Chen angrier.

She acted as if she was tacitly admitting to his question.

Su Chen pursed his lips tightly and held Chi Xia's chin. " So, you want to dump me and throw yourself into that man's arms? "

Chi Xia frowned when she heard his sarcastic words. " Su Chen, that's enough! I'm not stupid enough to treat myself as your girlfriend. To you, am I not your target of conquest?"

Su Chen's face darkened. She never thought of herself as his woman. She never had the self-awareness to do so!

He thought that he had changed a little during this period of time, but in the end, he was still no match for her first love!

Su Chen curled his lips coldly and pressed his entire body against hers. "Alright, then I'll conquer you!"

"You ... Oh ..."

Su Chen kissed Chi Xia's lips fiercely and pushed her onto the sofa possessively.

Chi Xia's eyes widened in fear. She shook her head in panic, but she could not stop Su Chen.

Her heart felt so uncomfortable that she could not breathe.

It seemed that many things were changing bit by bit.

When she heard Gu Cheng mention the annulment of the engagement, she was not happy at all. It was as if she was listening to someone else's matter and it had nothing to do with her.

However, when Su Chen questioned her in a suspicious tone, it made her chest hurt.

It wasn't because he doubted her, but because he was clearly having an ambiguous relationship with another woman, yet he still wanted to meddle in her affairs!

She almost thought that there was nothing wrong with dating this man. Although he sometimes asked for more, she had gradually gotten used to it.

But ...

Suddenly, Chi Xia felt a chill on her chest and was startled awake. She pushed him hard and shouted angrily, "Su Chen, I don't need you to conquer me!"

Su Chen raised his head and met Chi Xia's repulsive gaze. He stopped moving.

Chi Xia tightened her clothes in panic and her body trembled uncontrollably. Then, she heard the man's deep voice, "Chi Xia, you just can't forget that man?"

His voice was low and hoarse with a trace of unknown emotion.

Chi Xia tightened her grip on her clothes. No, this had nothing to do with Gu Cheng!

However, was there a need to explain to him?

Even if they had nothing to do with each other, she did not want him to misunderstand her. She opened her mouth, but before she could deny it, she heard the man laugh coldly. That laughter seemed to be saying that he already understood.

Su Chen stood up expressionlessly and glared at her coldly. "You can leave now."

Chi Xia stared blankly at the cold man in front of her. Su Chen had always been cold to her, but he had never been as cold as he was now. He was so cold that she felt like a stranger to him.

Chi Xia had no time to think. She got up and ran out of the room in a panic.

There was a loud bang in the room behind her. It seemed like something had been knocked over, making a loud, ear-piercing sound.

Chi Xia stopped in her tracks and ran out of the hotel in one breath.

Outside the hotel, Gu Cheng saw Chi Xia coming out and quickly walked up to her. "Xiaxia, are you alright? Did he do anything to you?"

Chapter 669: Can't Go Back

Chi Xia's face darkened instantly. She took a few steps back to distance herself from Gu Cheng. "Why are you still here?"

"Xiaxia, I saw Su Chen take you away and was worried. Did you tell him? You guys broke up, didn't you?" Gu Cheng asked with concern.

Chi Xia's face turned cold. "Gu Cheng, please don't think too highly of yourself. No matter what happens to Su Chen and I, it has nothing to do with you. The two of us are already in the past. Please get this straight!"

"Xiaxia, that's not true. Su Chen must have forced me. You still love me. Mirou and I have canceled our engagement. Can you come back to me?" Gu Cheng's eyes were filled with pleading.

Chi Xia looked at the once gentle young man who was now trying to reconcile with her without caring about his image. However, her heart no longer had any feelings for him.

If it was before, she might have wavered. But now, her heart was filled with the man who was cold to her.

Sometimes, human emotions were really wonderful.

Chi Xia looked at Gu Cheng and said word by word without any hesitation, "Gu Cheng, there's no misunderstanding between us. What has happened is what has happened. It can't be changed. Even if Mirou and Su Chen weren't here, I wouldn't have reconciled with you. I've already let go of our relationship. If you still want me to keep the good things that happened in the past, don't pester me anymore."

Gu Cheng looked at Chi Xia with a hurt expression and sighed. She seemed to be talking to herself, but at the same time, she seemed to be asking, "Is it really impossible to go back?"

Chi Xia did not reply and turned to leave.

She couldn't go back. When she found out about Mirou, she couldn't go back anymore.

When she agreed to be with Su Chen, she and Gu Cheng had completely come to an end.

Chi Xia hailed a taxi by the roadside and saw a car stop. Mirou jumped out of the car and ran towards Gu Cheng.

Only Mi Rou's character was not good. Perhaps she was sincere to Gu Cheng.

But what about her? Who was sincere to her?

The next day, Qiao Mu woke up lazily. She had been punished the moment she returned home last night. A certain man took the opportunity to punish her in various ways, and she could not take it anymore, so she forgot to mention the important things.

After breakfast, Qiao Mu eagerly poured a cup of tea for Li Yan. Li Yan glanced at her and asked bluntly, "If you have something to say, say it."

This little woman looked like a lackey. It was obvious that she had a favor to ask of him.

Qiao Mu coughed lightly and sat beside Li Yan. Her expression turned serious. "Uncle, look. The clothes I designed have been on the market for a few days, and the results are pretty good. When the time comes, we'll get a share at the end of the month. Perhaps we can get quite a bit."

"So?" Li Yan raised his eyebrows. "Are you going to treat me to a meal or pay for my night?"

Qiao Mu was speechless.

“I just thought that my money is temporarily in someone else’s account. It’ll be mine sooner or later. However, I’m in a hurry for money now, so I wanted to ask you for an advance.”

Even though Qiao Mu usually ate and drank from Li Yan, when she really needed a lot of money, she started to lose her confidence when she asked him for it. After all, she had said that she wanted to be independent and not rely on him.

Upon hearing this, Li Yan’s expression was indifferent. “ How much? ”

“Eighty thousand.” After saying that, she saw that the man’s expression was normal.

“For what?”

“.. Pay your debts.”

“You borrowed my money to pay off other people’s debts. So, are you a loan shark?”

Qiao Mu’s lips twitched. “ Uncle, I’m serious! Give me the money in advance and I’ll return it to you when I get it. “

Return it to him?

Li Yan’s expression darkened. Since she was so self-aware, he would grant her wish!

“If you want this money, why do you want to pay off your debt?”

“I borrowed it from Xiaxia before. In order to help me, Xiaxia borrowed 80,000 yuan from her ex-boyfriend. We’ve all forgotten about it. Now that she’s with Su Chen, she can’t possibly be involved with her ex-boyfriend, right? Therefore, this money must be returned.” Qiao Mu explained in detail.

Li Yan nodded. Just as Qiao Mu thought he had agreed, he said, ""Then how are you going to thank me?"

Thank you ...

This word was too heavy, and Qiao Mu really did not want to face it.

Every time he mentioned punishment and gratitude, it meant that this man was going to take the opportunity to suppress her.

Qiao Mu's fingers were intertwined, and she looked pitiful. " Uncle, there's no need for gratitude between us. It's too tacky. "

"Is there? Even brothers have to settle accounts clearly, let alone the two of us. I'm not married, you're not married."

".. Then what do you think we should do?" This man actually came up with this!

" That's easy. In the future, until you pay off the money, you have to serve me to my satisfaction every night. "

Li Yan's casual words made Qiao Mu blush.

This bastard! She knew that he would definitely be indecent!

She could only get the money at the end of the month. There was still a long time before the end of the month!

She was not convinced. " It's only 80,000 yuan. Isn't that a loss for me? "

"It's not a loss. We'll serve each other. We'll definitely make you profit without losing anything."

Qiao Mu was speechless.

When this man became petty, he really gave her a headache!

Qiao Mu steeled her heart. " Alright, deal! "

Li Yan raised his hand and patted Qiao Mu's head. " Be good and perform well. "

Qiao Mu snorted. The man took out a card and handed it to her. " Go get it yourself. "

Qiao Mu's eyes lit up. " Uncle, you've already given me your savings card. Aren't you afraid that I'll take all the money out when you're not paying attention? "

" Yes, I support your decision. The more you achieve, the more you perform. "

.. Alright, just pretend she didn't say anything.

Qiao Mu looked at the bank card in her hand and wondered if Chi Xia and Su Chen had resolved their misunderstanding after she left last night.

At the thought of this, Qiao Mu looked at Li Yan. " Uncle, you still haven't told me who the beauty you arranged for Chen Ou is? " Could she be Su Chen's ex-girlfriend?"

Li Yan's mouth twitched. " Su Chen doesn't have such a strong taste. He's not interested in men. "

".. A man?" Qiao Mu was stunned. So it was really just a misunderstanding!

Qiao Mu quickly called Chi Xia and explained the situation to her. After all, their relationship was not stable, and a small misunderstanding could easily lead to mistakes.

There was a moment of silence on the other end of the phone, and then he replied indifferently, "I understand."

Sensing that Chi Xia's tone wasn't very pleasant, Qiao Mu said, "" Xixia, whether it's Gu Cheng or Su Chen, I'll support you no matter who you love. Don't torture yourself. "

Chi Xia's heart warmed. " Thank you, Mumu. "

"Why are you thanking me? I'll transfer the money to you in a while. Return it to Gu Cheng as soon as possible."

"Alright."

Qiao Mu transferred the money to Chi Xia. After Chi Xia received the message, she sent a message to Gu Cheng asking for the card number.

Soon, Gu Cheng replied, " Xixia, I'm going to continue studying abroad. I'm leaving tomorrow. Can I see you one last time before I leave? "

After all, there was no great enmity between them and they would not meet for the rest of their lives, so Chi Xia agreed.

It was good to end things with the past.
