

The Apple 671

Chapter 671: She Can't Get Cornered With This Man

In the dining room, Chi Xia arrived on time. Gu Cheng was already waiting for her.

She sat opposite Gu Cheng. As soon as she sat down, she handed her bank card over. "There's exactly 80,000 yuan in here. Take it."

Gu Cheng looked at the card, and a hint of hurt flashed across his eyes. He was confused. Chi Xia's hand was raised in the air, so he had no choice but to take it.

When did they become so distant and distant?

Gu Cheng sighed. "Xiaxia, I'm leaving tomorrow. Thank you for coming out to have dinner with me."

Chi Xia looked at him. "Even if we broke up, we can't treat each other like enemies. Good things don't happen to each other, right?"

These words were said lightly, making Gu Cheng's heart sink little by little.

The girl opposite him had really let him go. He would rather see her sad eyes when she faced him than see her so free and easy.

The girl who used to smile at her was gone.

Gu Cheng's hands on the table were clenched tightly as he looked at Chi Xia. "Xiaxia, if I had settled my problem earlier, if I had come back to find you before you met Su Chen, would you have..."

"I won't." Chi Xia shook her head and interrupted Gu Cheng, "I've said it before. Some things have happened, and we can't pretend that they don't exist. There are some ifs, so don't think about them anymore."

Gu Cheng was disheartened and forced a smile at Chi Xia. "Xiaxia, I hope you'll be happy."

"Thank you."

Gu Cheng handed the menu to Chi Xia. "Order your food. I'll treat this meal as your farewell."

Chi Xia smiled as she took the menu. She had always thought that she hated Gu Cheng to death for lying to her. She never thought that she would let go of it so quickly.

Just as Chi Xia was about to order, a black shadow suddenly stood at the side and the menu in her hand flew out.

She looked up in shock and met Su Chen's dark eyes.

His deep, dark eyes stared at her as if he wanted to pierce a hole through her.

Chi Xia frowned. "What are you doing?"

"Why? Am I interrupting your date?" The corners of Su Chen's mouth curled up, but his face was dark and scary.

"Young Master Su, it's not..."

Gu Cheng wanted to end it but was interrupted by Su Chen's cold shout. "Shut up!"

Su Chen glared at Chi Xia. "Come out with me!"

Chi Xia sat still.

Su Chen narrowed his eyes coldly. " Did you hear me? Come out with me!"

In the dining hall, everyone else looked over. Chi Xia knew that if she did not leave with him, he would not let her go, so she could only stand up.

Su Chen left after showing his face. Chi Xia smiled apologetically at Gu Cheng. " I'll be leaving first. "

Gu Cheng wanted to say something, but in the end, he didn't say it.

After they left the restaurant, Su Chen dragged Chi Xia to the car. Chi Xia's struggle was futile and she was shoved into the car.

Su Chen got into the car, pursed his lips, and looked ahead without saying a word.

It was very quiet in the car.

Chi Xia bit her lip and broke the silence. " Su Chen, Gu Cheng and I..."

"Shut up!" Su Chen interrupted her coldly. Veins bulged on his hand that was holding the steering wheel. " Chi Xia, you just fell out with me and you're going to look for Gu Cheng now? You're really impatient! "

Hearing his words, Chi Xia lowered her head and said after a while, ""Since you think so, let's not get entangled."

Su Chen's dark pupils constricted. " Say that again?! "

Chi Xia bit her lip and remained silent. Even though what she saw at the mall was a misunderstanding, it made her realize that she could not touch this man.

He was like a poison. If she fell for him, she would be finished.

Chapter 672: The Woman Ran Away With Someone Else

She and he were from two different worlds, and she didn't want to touch them.

Su Chen pursed his lips, his face pale.

Just now, when she was facing Gu Cheng, she smiled so easily, but now, when she was facing her, she only lowered her head and became mute!

He hooked his arm around her chin and squinted at her. " Chi Xia, do you think the woman I want can escape from me? "

Chi Xia's face paled and she remained silent.

"If you want to get rid of me, that's fine too. Then, you can take the initiative to give yourself to me. Perhaps, after I succeed, I'll lose interest in you."

Chi Xia gritted her teeth and a hint of shock flashed across her eyes.

As expected, he could only conquer her!

She took a deep breath and said after a while, ""Alright."

Su Chen's expression didn't improve at all. Instead, it became even gloomier.

He kissed her fiercely and tugged at her clothes.

Chi Xia tried to stop him in a panic, but he sneered at her. " Didn't you agree? Then I want it now!"

Su Chen's movements were so big that Chi Xia couldn't struggle and started to fight with him in the car.

After a while, she had used up all her strength. She leaned back in her seat weakly and allowed him to kiss her rudely.

Her vision started to blur. Chi Xia bit her lip, unwilling to let her tears fall.

The woman in his arms did not respond. Su Chen moved and looked up to find that the woman was crying silently!

In an instant, the anger in his heart surged up, and that frustration swallowed his entire body.

He pushed her away forcefully and sneered. "Didn't you do it willingly? Chi Xia, do you think I want any woman? You don't have the right!"

Chi Xia's heart ached. She raised her hand to wipe her tears. "Can I go now?"

"Get lost!" Su Chen said in a gloomy voice.

Chi Xia escaped from the car with a pale face and ran in the opposite direction without looking back.

Just as she thought, how could such a man fall for her? He was just playing around and enjoying the pleasure of conquering her. Unfortunately, he realized that she was very boring now.

Fortunately, she was not tempted.

In the car, Su Chen slammed his fist on the steering wheel, his face dark and ugly.

He was really going crazy from this woman. How could he completely lose control!

He had always been good at controlling his emotions, but he almost...

His phone rang. Without looking at the caller ID, he answered the call and said impatiently, "If you have something to say, just say it. Don't waste my time!"

The other end of the phone was silent for two seconds before a lazy voice sounded. "Your tone is so bad. Did the woman run away with someone?"

The anger in Su Chen's voice faded. "Big Brother, I'm not in the mood to joke around."

"Looks like I was right. I have a job for you here. There's a problem with the goods in the south. Go over and take a look. Little Four can't go to the east now, so only you can go. It's a good place to relax after falling out of love."

Su Chen was speechless.

For a moment, the anger in Su Chen's heart was suffocating.

She thought about it and asked, "How long will you be gone?"

"One month."

"Alright, I'll go."

Su Chen was about to hang up when he heard Li Yan say, "" Help me thank Chi Xia. She borrowed money from her ex-boyfriend for Qiao Mu and only returned it now. "

Su Chen was stunned. Just as he was about to ask something, Li Yan hung up.

Borrowing money from her ex-boyfriend?

So, Chi Xia didn't come to see Gu Cheng today because she wanted to cut ties with Gu Cheng?

Su Chen looked at the rearview mirror, but the figure had already disappeared.

Chapter 673: A Date Between Two People (1)

Since it was Sunday, Qiao Mu stayed at home to accompany Li Yan all day.

She listened to the conversation between Li Yan and Su Chen quietly. When she saw the man hang up, she quickly went up to him. "Uncle, what happened to Su Chen and Xiaxia?"

"I don't know."

"You just said that he was heartbroken."

"I just said it casually." Li Yan pulled the little woman into his arms helplessly. "Can you stop worrying about other people's matters?" If you have such thoughts, put them on your man."

Qiao Mu thought about it and felt that what Li Yan said made sense. It was indeed not good for an outsider like her to meddle too much.

Qiao Mu saw that it was still early, so she shook Li Yan's arm on a whim. "Uncle, shall we go watch a movie?"

Li Yan looked at the little woman's sparkling eyes and smiled. "Okay."

Qiao Mu was beyond excited. She was confident that they had not watched enough movies in the cinema after being together for so long. That was something every couple had to do!

Qiao Mu returned to her room and rummaged through her wardrobe. She finally turned it upside down before she found two sets of clothes.

The clothes were a couple's outfit that she had personally designed so that she could wear it when she went out on a date with Li Yan one day. Now, it came in handy.

Li Yan looked at the clothes in the little woman's hands and frowned. "Is this for me?"

Qiao Mu nodded. "I designed it myself. It's a one-of-a-kind couple outfit. Aren't you very happy?"

Li Yan was speechless.

Qiao Mu's so-called couple outfit was two sets of sweaters.

In Li Yan's impression, the clothes were meant for young men and women. Qiao Mu was suitable to wear them, but he looked too childish in them!

However, the little woman was very excited and stuffed the clothes into his hands. "Uncle, go and change your clothes."

Looking at the little woman's expectant expression, Li Yan hesitated for a moment before helplessly changing his clothes.

At this moment, Qiao Mu had also changed her clothes. She sized up the man who was dressed so casually and felt her eyes light up. He was a completely different type of handsomeness from his usual self.

Most of the time, this man was dressed in formal attire. Even though he would wear casual clothes sometimes, this was probably his first time wearing such a style. The beautiful colors faded the fortitude on his body, and the corners of his mouth curled up into a smile. He looked like a completely warm man.

Qiao Mu stroked her chin and commented, "As expected, clothes make a person. He's simply too cool!"

"So, I'm not usually handsome?"

” Of course not as handsome as wearing the clothes I designed myself! ” Qiao Mu hugged Li Yan’s waist delightedly. ” Uncle, I’m your personal designer now. You have to listen to me when it comes to your clothes. ”

The corners of Li Yan’s mouth curled up. Although he had a slight aversion to this set of clothes, it was gone in an instant.

Forget it. If the little thing likes it, let her be.

The two of them dressed up. Qiao Mu was wearing a skirt and leggings, while Li Yan’s casual pants matched her outfit perfectly.

“When did you get my size so accurate?” Li Yan asked Qiao Mu.

Qiao Mu chuckled. ” I secretly took the clothes in your wardrobe and measured them. Fortunately, they’re casual clothes, so I barely managed to get past them. If I were to wear formal clothes in the future, I’d have to personally take my size. ”

Li Yan’s eyes flashed with a hint of ambiguity. ” You’re touching me all over every day and you’re not even sure of my size? Next time, I’ll take off my clothes and let you measure me accurately.”

Qiao Mu was speechless.

Why could he say such a serious thing so wretchedly?

Chapter 674: A Date Between Two People (2)

After they went downstairs, the butler was stunned for a moment when he saw Li Yan’s attire. He smiled and went forward to welcome him. ”Young Master, your attire...It’s very novel.”

” Uncle Chen, I designed this, ” Qiao Mu said proudly. ” Doesn’t Uncle look especially handsome in it? ”

“Yeah, I feel ten years younger.”

Li Yan was speechless.

Qiao Mu was speechless.

Her words made it sound as if her uncle was usually very old.

Qiao Mu excitedly went to the cinema. As it was the weekend, there were many people in the cinema, so it was a little difficult to buy tickets without booking in advance.

Li Yan asked her what movie she wanted to watch. Qiao Mu looked at the introduction, but there was nothing she particularly liked. She said that she would watch whichever movie she could buy tickets for.

The most important thing was not the content of the movie, but the fact that he was sitting next to her!

Qiao Mu stood at the side and watched Li Yan queue up to buy tickets. He stood patiently in the crowd, his tall and straight body making it impossible for others to ignore him.

This man had never done such a thing before. He had always done trivial things with just a word, and others had done it for him. This was the first time he had lined up for her to buy tickets like an ordinary boyfriend.

She was inexplicably touched. This kind of plain happiness made her shut her mouth and feel sour.

She squeezed through the crowd and went up to Li Yan. At this moment, Li Yan had already bought his ticket. He turned around and saw that the little woman was being squeezed behind him. He reached out his arm to protect her. " Why didn't you wait by the side? "

Qiao Mu raised her head and smiled at him. " Uncle, I want to eat popcorn and ice cream. "

Li Yan nodded and took out his card to pay.

Li Yan handed the ice cream to Qiao Mu and helped her hold a large bucket of popcorn. He held her hand and entered the theater.

When they were checking tickets, the ticket inspector glanced at Li Yan and Qiao Mu before letting them pass.

Then, the two ticket inspectors whispered, "Another couple has entered the Haunted House. Looks like couples like to watch horror movies."

Another said, "Horror movies can increase the relationship between two people. Girls will throw themselves at each other when they are afraid. These men are really scheming."

Qiao Mu didn't know that they were being talked about at all, so she smiled disapprovingly.

However, when they entered the theater and sat down, the atmosphere was not right.

Qiao Mu only became puzzled when she heard a scary voice at the beginning. "Uncle, what movie did you buy?"

"I bought one randomly."

Qiao Mu was speechless.

She picked up the movie ticket and saw that it was a horror movie!

She glanced at Li Yan. "Uncle, so the scheming man the ticket inspector was talking about is you!"

Li Yan was speechless.

He really didn't do it on purpose. He only told the ticket seller Qiao Mu's exact words and bought a movie that was about to start and had tickets available. He didn't know what it was exactly.

Qiao Mu really did not have the guts to watch it, but she also felt that it was very exciting. She held Li Yan's hand nervously and screamed along with the crowd as she watched.

Li Yan was helpless. She was actually so scared of such a boring movie.

However, he didn't mind that she kept hiding in his arms. In the end, she buried herself in his arms and stole a glance. Then, she screamed and turned her face to his chest.

Throughout the entire process, the two of them did not watch much of the movie. One was scared, and the other was completely enjoying the feeling of throwing herself into his arms.

Finally, the movie ended. In the end, they found out that it was just a dream of the female lead.

Qiao Mu had yet to recover from her shock. She walked out of the theater and held Li Yan's hand, afraid that he would shake her off.

When the sky turned dark outside, Li Yan asked Qiao Mu what she wanted to eat for dinner. Qiao Mu answered pitifully, "I want to go home."

Chapter 675: The theme of the finals: True Love

Then, the two of them went straight home.

Throughout the night, Qiao Mu never left Li Yan's side. She followed him wherever he went.

Li Yan was in the study room, so she followed him to the study room. When Li Yan went to get some water, she followed closely behind and even held his hand.

In the end, Li Yan wanted to take a bath, but Qiao Mu was very shy and blushed as she discussed, "Uncle, why don't we shower together?"

Li Yan was really flattered.

At this moment, Li Yan concluded that he should watch this kind of movie more often in the future.

Qiao Mu simply had mixed feelings as she showered with Li Yan. She was so embarrassed that she would die. She would never have thought that the first time she took the initiative to shower with Li Yan was because she was afraid of being alone!

However, when she felt Li Yan's naked gaze, she began to regret it.

The great temptation was right in front of him. How could Li Yan endure it?

Just as he was about to take advantage of the situation, he heard Qiao Mu's aggrieved voice. ""Uncle, I can't. My mind is filled with the plot of the movie. I'm not interested."

Li Yan was speechless.

After a few days of leisure, Qiao Mu's competition was approaching.

It was time to announce the theme of the finals.

Chen Ou was kicked out of the company. In order to prevent the theme of the competition from being leaked by him, the panel of judges redrafted the theme.

The nine contestants, including Qiao Mu, arrived at the Key studio. Amy announced the rules of the competition. The finalists were divided into three groups, and each group would choose one contestant to compete for the top three spots. In other words, the competition was divided into two rounds, and the costumes needed to be designed for two rounds. If they were eliminated in the first round, the works of the second round would not have a chance to be displayed.

The theme of the finals was true love.

Everything revolved around this theme, and he could use his imagination to his heart's content without any restrictions.

After the announcement of the rules, the players dispersed and went back to prepare.

Amy stopped Qiao Mu. " Qiao Mu, go to Key's office. "

Qiao Mu nodded and walked toward the office.

Ning Tongtong watched Qiao Mu leave and smiled at Amy. " Director Amy, may I know why Teacher Key is looking for Qiao Mu? She's so close to Teacher Key. It's inevitable that people will make wild guesses."

Amy's expression turned cold. " Qiao Mu's works are under the Key brand, so it's normal for her to have dealings with the company. The company won't give any contestants special treatment, so don't worry. "

" I know, but I heard from the other contestants that Qiao Mu and Teacher Key are close and have an ambiguous relationship..."

"Ning Tongtong, should you say such things?"

" I'm really not spouting nonsense. I trust Teacher Key, but I don't trust Qiao Mu's character. After all, she plagiarized my work. "

As Ning Tongtong spoke, she saw that Amy's expression was wavering, so she continued to fan her. " Director Amy, you must keep an eye on Qiao Mu. You can't let her do anything out of line with Teacher Key. You should know that Qiao Mu can even seduce Li Yan, who already has a fiancée, let alone Teacher Key..."

Originally, Ning Tongtong had placed all her hopes on Shu Xinyu, but Shu Xinyu had no one else to use, so she could only think of a way herself.

As the match drew closer, she became more and more flustered and flustered.

The current situation did not benefit her at all. Her image was also half ruined by the plagiarism incident. She had wanted to attack Qiao Mu, but she ended up getting herself dirty instead.

She knew that with Qiao Mu's qualifications, she was no match for her in a fair competition, so she could only think of other ways!

And the only person who could do it now was Amy!

Chapter 676: This Girl Is Too Scheming

Ning Tongtong's words brought out the haze that already existed in Amy's heart.

Qiao Mu's existence had always been a knot in her heart. She was extremely bothered by the way Key treated Qiao Mu. There were endless discussions outside, and she could not allow Qiao Mu to ruin Key's image.

Ning Tongtong looked at Amy, and the corners of her lips curled up sinisterly. She said apologetically, "Director Amy, perhaps I'm overthinking things, but I just can't stand people like Qiao Mu who use their power to climb up the ranks. I'll try my best to defeat her in the competition, but if she were to exchange her final piece with Teacher Key in private, then I'll have no choice but to admit defeat. I didn't lose in terms of influence, but in terms of scheming."

Amy sneered. "Miss Ning, you're right. You're indeed not as scheming as Qiao Mu. Otherwise, you wouldn't have done such a stupid thing as bribing Weibo users to spread the news."

Ning Tongtong's expression froze, and her reaction quickly dimmed. "Maybe you won't believe me if I say I didn't do it, but it really has nothing to do with me. I don't know who gave the order. Just like you said, even if I had a little brain, I wouldn't do such a self-destructive thing. Doesn't Director Amy think that there's something fishy about this? In the end, the person who benefits won't be me, but Qiao Mu."

So, you're saying that Qiao Mu directed and acted by herself?" Amy couldn't believe it.

Seeing that Amy had taken the bait, Ning Tongtong shook her head. " I'm just suspecting. After all, I don't have any evidence. "

Amy's brows were tightly knitted. It was not impossible to think about it this way. It seemed like Qiao Mu was attacked, but in the end, Qiao Mu did not suffer any losses. Instead, the sales of her works soared.

If that was really the case, then this girl was too scheming.

Qiao Mu came to Key's office. " Key teacher, what's the matter? "

Key raised his head. " Qiao Mu, leave your bank account number. The contract was signed in a hurry, so the transfer procedures are incomplete. "

Qiao Mu filled in the card information and asked expectantly, "" Teacher Key, how many clothes did I sell? "

Key said calmly, " Starting from the official website, the total sales volume was 8,000 units. A few days after the launch, the sales volume in all the major shopping malls in the country was 14,000 units. "

"So many?" Qiao Mu's eyes widened in surprise when she heard this miraculous number.

"What, you don't have any information about your own work? It's only been on the market for a few days. It'll be a hot sale for the next two months. It won't be a problem for it to break through 100,000 sales."

Qiao Mu suppressed the excitement in her heart and asked curiously, ""Then how much can I get?"

" The first round will only calculate the sales on the official website. You will get about 400,000 yuan. "

Qiao Mu opened her mouth wide. "Teacher Key, you're giving me so much, aren't you going to compensate me?"

KEY : ..

Key now believed that Qiao Mu was as bad at math as she had said.

The total sales volume was tens of millions. After deducting all the costs and labor costs, the company would at least earn more than five million. She actually thought that 400,000 yuan would be more.

Key smiled helplessly. "Do you think I'm doing charity to support you?"

Qiao Mu smiled awkwardly. This sum of money was really much more than she had expected.

At this moment, Amy walked into the office and saw Key and Qiao Mu talking about something while smiling. She walked over and put down the documents. "Key, there's a meeting in ten minutes."

Key nodded and said to Qiao Mu, "" If nothing goes wrong, the first payment will be transferred today. Go back and focus on the competition. By the way, send me the original draft of the new clothing when you have time. I want to save it. "

Qiao Mu nodded and left the office happily.

Chapter 677: The Right One Arrives at Your Door

Key handed Qiao Mu's bank card information to Amy. "Inform the finance department to transfer Qiao Mu's share to her. "

Amy took it and said, "Key, you gave Qiao Mu quite a high cut. Logically speaking, a newcomer like her should only get one point, but you gave her 1.5 points. "

Key replied without even raising his head, "With Qiao Mu's ability, she'll be able to get a 1.5 percent cut."

“But...”

When Key saw that Amy still wanted to say something, he raised his head and looked at her. “ Amy, do you have something against Qiao Mu? ”

Amy was stunned. “ How could that be! ”

“That’s good. Go prepare for the meeting.”

Amy clenched her fists. This man had always been like this, always keeping a distance from her, making it impossible for her to get close to him!

After Qiao Mu left Key Studio, she went to school to apply for leave and prepare for the upcoming competition.

Fortunately, she had some results now. The school supported her unconditionally and gave her time to compete.

In the afternoon, Qiao Mu, Chi Xia, and Yu Bao had lunch at a small restaurant near the school.

Qiao Mu looked at Chi Xia and asked, “ Xiaxia, how are things between you and Su Chen? ”

Chi Xia lowered her gaze. “ Nothing much. I have nothing to do with him anymore. ”

Qiao Mu was stunned. Before she could say anything, Baby Guan asked anxiously, ““You guys separated? Isn’t this too fast?”

“We were never together.” It was impossible for them to be together.

Qiao Mu sighed. She could tell how much Su Chen cared about Chi Xia. She wanted to persuade him, but seeing that Chi Xia didn't want to talk about it, she had no choice but to stop.

Qiao Mu shifted the topic to Baby Guan. "Baby, what about you? Have you made any progress with Lu Jingzhi?"

Baby Guan held her chin and swiped her phone in boredom. "Don't talk about me. I'm still single."

Chi Xia pursed her lips. "A few nights ago, you didn't come home at all. How dare you say that you're single?"

Her words made the usually thick-skinned Baby Guan blush. "Well, you might not believe it, but Lu Jingzhi and I are really innocent. We just maintain a friendly cohabiting relationship and don't sleep together. He said that my brother told him to keep an eye on me and not cause trouble, but now I've successfully escaped from his clutches."

Qiao Mu smiled. "Lu Jingzhi is so considerate. Didn't he despise you before?" Why are you pestering me now?"

Baby Guan pointed at her head. "There must be something wrong with him. He's short-circuiting intermittently and now he's acting like an old mother. Xiaxia, we're both single now. Do you want to go to some social event together?" Who knows, maybe you'll find your Mr. Right?"

Qiao Mu was speechless.

Chi Xia was speechless.

"Baby Guan, are you crazy about men?"

An angry voice rang out. Baby Guan's eyes widened in shock. She looked up and saw Lu Jingzhi standing behind her like a ghost!

She jumped up. " You, you, you..." Why are you here?"

Lu Jingzhi glanced at her. " Didn't you want to find the right person? " I'm here."

Baby Guan was speechless.

"You're the obstacle that prevents me from finding happiness! Hurry up and go away!" Baby Guan waved her hand, shooing him away like a duck.

Qiao Mu's lips twitched. She could not help but want to laugh when she saw Lu Jingzhi's angry face.

No matter what, she had some grudges against Lu Jingzhi. Back then, Lu Jingzhi did not like her being with Li Yan. After Li Yan went abroad, Lu Jingzhi took the opportunity to hit her when she was down. Now that she saw Lu Jingzhi being tortured, she was very happy.

Chapter 678: You Change Your Mind So Quickly

Qiao Mu gloated. " Baby, our school has a social gathering every Friday. I know the group leader who organized it. Shall I sign you up? "

Baby Guan nodded happily. " Okay, hurry up and sign up now! "

Qiao Mu pretended to take out her phone and look through her contacts, but before she could make the call, Lu Jingzhi snatched it away.

Lu Jingzhi frowned. " Qiao Mu, don't make a fuss. "

"Oh? What did you call me?" Qiao Mu arrogantly raised her chin.

Lu Jingzhi gritted his teeth. " Sister-in-law! "

Qiao Mu felt very comfortable when she heard him call her sister-in-law. She smiled apologetically at Baby Guan and said, "Baby, I can't get through to you. I won't register you this time. We'll talk about it next time."

Baby Guan was speechless.

Lu Jingzhi was speechless.

There was still the next time!

This Qiao Mu was obviously trying to stir up trouble on purpose. Lu Jingzhi snorted coldly and dragged Baby Guan away.

Baby Guan shouted, "Hey, why are you pulling me? If you don't let go of me, don't blame me for being rough with you!"

"You've already kissed her. Why are you being so reserved?" Lu Jingzhi did not stop walking.

Embarrassed, Baby Guan kicked Lu Jingzhi's back. Unfortunately, the man seemed to have eyes on his back. He pulled her hard and kicked air.

Lu Jingzhi then started to lecture her, "Baby Guan, didn't I warn you before? As a girl, don't kick and punch so easily. Don't you look like a lady at all!"

"I'm not a lady. If you like a lady, go find a lady!"

Lu Jingzhi stuffed Baby Guan into the car and sat in it himself. He glanced at her and said, "Who said I like ladies?"

Baby Guan was stunned. Then, she heard the man's voice again. "However, I don't like a rough woman like you either."

“You ... Who wants you to like it! I don’t like men like you who have no taste!”

“Oh? Was that so? You change your mind so quickly.” Lu Jingzhi smiled and leaned closer to Baby Guan.
” I don’t mind helping you get your heart back. ”

As soon as he finished speaking, Lu Jingzhi kissed Baby Guan.

However, he did not succeed.

Baby Guan reacted quickly and punched Lu Jingzhi in the face. Lu Jingzhi was caught off guard. This woman was really insensible!

Immediately after, the woman began to chatter, ” Lu Jingzhi, don’t push your luck. If you dare to touch me again, I will...”

“What are you going to do? You’ll devote yourself to me?”

As soon as Lu Jingzhi finished speaking, he quickly pulled her into his arms and kissed her again. This time, he succeeded!

Mm...

Baby Guan’s eyes widened as she clenched her fists and punched his chest. However, the man’s body was as hard as iron. Her hands hurt from the punches, but she did not waver.

The strong kiss almost swallowed her. The familiar yet unfamiliar taste made her gradually give up struggling.

Ever since he took her first kiss away, she had been on guard against him. Although the two of them lived together, they had never had any intimate contact.

To be honest, she did not reject such a passionate kiss at all. She actually had the urge to respond.

The more she was like this, the more unconvinced she was. It was clearly this man who pushed her away and would rather have sex with another woman than have her as his fiancée!

Now, he was pestering him. He thought he was the heavens and could do whatever he wanted!

Baby Guan nimbly kicked Lu Jingzhi's chest in the narrow space of the car.

Just as Lu Jingzhi was kissing her, he was suddenly attacked and kicked into the seat.

Chapter 679: Fighting to the End

He frowned. Then, her slender body pounced on him, sat on his lap, and took the initiative to kiss him!

This woman...

His kissing skills were terrible!

Baby Guan took the initiative and kissed Lu Jingzhi's lips randomly. To be precise, she nibbled on them.

After taking two bites, she saw that the man was staring at her with narrowed eyes and had no reaction. She stopped smugly and sat on his lap, glaring at him condescendingly. "What? You're allowed to take the initiative? I'm returning this to you. Now, we're even!"

She wasn't a rabbit that he could toy with. If he took advantage of her, she would also take advantage of him!

However, Baby Guan was so stubborn that she didn't react in time. She was the one who suffered!

The corners of Lu Jingzhi's lips curled up into a beautiful smile. His handsome face was very charming and he was stunned by Baby Guan.

Back then, she had chased her husband from thousands of miles away to go to school here because she was bewitched by this man's appearance.

When she found out that she had a fiancé, her attitude was disdainful and she did not take it to heart at all. However, when Lu Jingzhi came to her house as a guest, she felt that it was not bad to have such a handsome man as her fiancé.

In order to leave a good impression on him, she dressed up as a mature woman. When she was with him, she secretly observed him. She felt that this man was handsome and extraordinary. He had an imposing manner. The nobility that radiated from him made her decide that she must marry him!

However, reality proved that looks and temperament were all lies.

This man was a complete scum!

Just as Baby Guan was staring at Lu Jingzhi in a daze, Lu Jingzhi smiled rudely. "Woman, we can't argue!"

"

Baby Guan blinked. Before she could react, she felt a big hand on the back of her head, and then...She was kissed again!

After that, the two of them went back and forth, and it was really unfair!

After a while, Baby Guan was so tired that she lay on Lu Jingzhi's chest and panted, "I admit defeat. Don't come again!"

Lu Jingzhi felt the soft body in his arms and his body was already extremely uncomfortable. He patted her back and said, "You're so heavy. Go down and sit properly."

Baby Guan turned around and got out of his arms. However, when she stepped off his body, she accidentally touched a hard part of his body...

She looked down and saw that a certain part of the man's body was propped up...Tent!

In an instant, Baby Guan's face turned red and she pointed at Lu Jingzhi angrily. " You, you, you..." You pervert!"

Lu Jingzhi was speechless.

Why was this woman not playing by the rules?

When a woman encountered such a situation, wouldn't she be so shy as to pretend not to know and not point it out?

However, she really couldn't blame him. She was kissing him so passionately. As a normal man, it would be abnormal if he didn't react!

Seeing her flustered and blushing face, he started the car as if nothing had happened and replied,"Don't worry, I won't be lecherous to you!"

That one sentence extinguished Baby Guan's arrogance. She snorted coldly and said in a strange tone, " That's right. Young Master Lu is so beautiful. He even did not stay idle at your father's birthday banquet. "

Lu Jingzhi frowned. He really wanted to slap himself. Why did they change the topic to this?

"Baby Guan, the woman from that day..." he explained.

Baby Guan immediately covered her ears. " Don't, don't say anything. I'm afraid you'll dirty my ears! "

Lu Jingzhi's expression turned cold. She did not want to hear it, but he did not want to tell her either! She begged him to explain, but he couldn't be bothered to explain to her!

Damn it, this woman was certain that he had done something indecent!

Chapter 680: A Big Gift

After Baby Guan left the restaurant, Qiao Mu and Chi Xia also left.

Chi Xia returned to school and the Law Faculty's club started preparing for the oral defense competition. Chi Xia was selected and started to get busy.

On the way back to the Li residence, Qiao Mu received a text message reminding her that she had received a transfer of 420,000 yuan.

She used her mobile phone to transfer the 80,000 yuan she had borrowed from Li Yan to him. This money was too heavy. She had to pay the price of borrowing it for another day.

In Li Yan's office, Lei Yi was reporting his work.

The phone on the table rang. Li Yan turned it on and saw a transfer message. It was exactly 80,000 yuan.

Immediately after, Li Yan sent him a message. "80,000 yuan has been paid off. The money and goods are settled!"

Li Yan smiled and replied, "The goods aren't clear yet. I'll go back tonight to check the goods."

Lei Yi looked at the man's expression and knew who he was texting. He coughed lightly and said, "President, the Ling family is holding a family banquet for Young Master Ling's mother's birthday. They invited you. It's not a big deal. It's just a simple meal for relatives and friends."

Li Yan's gaze was fixed on his phone. While waiting for a reply, he asked Lei Yi, "When is Ling Xi coming back?"

“The flight is in the afternoon.”

Li Yan nodded and said nothing more. Lei Yi then left.

Li Yan did not wait for Qiao Mu’s reply and immediately made a call.

After Qiao Mu saw Li Yan’s indecent message, she was hesitating on how to retaliate against her, and she became even more imposing.

Suddenly, the phone rang. She picked it up and heard the man’s voice. “Where?”

“On the way home.”

“Go home and wait for me to inspect the goods?”

Qiao Mu was speechless.

When Li Yan saw that the little woman was silent, he guessed that she must be shy.

He chuckled and got down to business. “Come with me to a birthday party tonight. It’s Ling Xi’s mother’s birthday party.”

Qiao Mu knew that Li Yan, Ling Xi, and the others were like blood brothers, so he had to be present at his brother’s parents’ birthday celebration. However, if he brought her along, why did it feel like he was bringing an ugly wife out to visit?

“Then I’ll go home and change my clothes first,” Qiao Mu said into the phone.

At night, Li Yan picked Qiao Mu up and went to the hotel where the banquet was held.

After the banquet was divided into a few tables, Li Yan and Qiao Mu went to their respective rooms and heard Lu Jingzhi and Baby Guan bickering.

“What’s there to eat with these cold dishes on the table? Wait for the main course!”

“I’m hungry. I was dragged away by you before I had my fill at noon, and you’re still bothering me.”

“Don’t you know any manners? You’re already eating before everyone is here. When I went to your house, I saw that you were as obedient as a Japan wife. How did you pretend back then? Go back to pretending now.”

“Do you think I’m embarrassing you? Hurry up and go to Hong Kong to find your Japan wife. She’s my twin sister!”

The corners of Qiao Mu’s mouth twitched involuntarily as she listened to their childish conversation. These two quarreled wherever they went, yet they didn’t find it tiring at all.

When Lu Jingzhi saw Li Yan coming in, he was too lazy to argue with Baby Guan anymore. This woman did not know what she was up to anyway.

There were only five people at this table, including the three brothers, Qiao Mu, and Guan Baobei. Su Chen was away on a business trip.

However, there were six chairs on the round table, so Qiao Mu did not pay them much attention and continued to chat with Li Yan.

“Uncle, I’m going to give you a big gift when we get back tonight.”

“Hmm? What gift?” As Li Yan spoke, he swept his gaze over Qiao Mu’s body.

“I’m serious! Let’s talk after dinner.”

“Alright.”
