Chapter 71: She Wanted to Kill the Person Who Bullied Her

At this moment, a commotion came from outside.

Immediately after, the door of the villa was pushed open. A group of men in black barged in and surrounded everyone.

The scene was instantly chaotic.

Outside the villa, a helicopter landed. The man in the cabin swept over like a storm. Almost the moment the helicopter landed, the man had already jumped off the plane.

The night was slightly cold, but it could not resist the bone-piercing chill on the man's body.

The tall black figure walked with firm and steady steps. Although he looked steady, the speed of his steps revealed his urgency.

Qiao Mu's mind was in a mess. When she saw a group of men in black rushing in, she completely despaired, thinking that they were Lin Xian's subordinates.

She only wanted to protect herself. Even if she died, she would never be humiliated!

She used all her strength to break free from the person who was controlling her. She quickly rushed to the table, grabbed a pair of scissors, and aimed them at her neck.

Her eyes were bloodshot as she stared at the group of people in front of her.

Her voice was almost hysterical. "If you touch me again, I'll die here!"

Qiao Mu gritted her teeth and gripped the scissors tightly. Her mind was tense and her entire body was trembling. As long as someone stepped forward, she would definitely not show any mercy.

The group of people was shocked by Qiao Mu's roar, and when they looked at the black-clothed man who had barged in, they all turned to look at Lin Xian.

' Young Master Lin, why did you call so many people here? It's just a woman.

There's no need to make such a big scene, right? "

Lin Xian was shocked for a long time before he reacted. He pointed at the man in black and said angrily, "Whose people are you? How dare you barge into my private house!"

Lin Xian had just finished speaking when he saw a tall figure coming up from the stairs. That figure swept past him like the wind.

Qiao Mu's mind was blank, and she couldn't hear any conversation. Her eyes started to moisten uncontrollably, but she gritted her teeth so that her tears wouldn't fall.

Suddenly, she felt footsteps approaching. Her vision was blurry and she could not see who it was. Without thinking, she raised the scissors and stabbed it at

her neck.

It seemed like she was going to die here!

However, before the hand holding the scissors could touch his neck, his wrist was firmly held.

A low and slightly hoarse voice sounded beside her ear. Qiao Mu, it's me! " This voice...

Qiao Mu's eyes widened abruptly, and her tears fell as she saw the familiar face in front of her.

She didn't believe what she was seeing and was afraid that she was hallucinating. She didn't dare to relax for a moment and stared at him without blinking.

Li Yan raised his hand to take the scissors from her hand, but she held it tightly.

His heart twitched violently.

Her face was as white as paper, her lips were pale, her hair was messy, and she looked very miserable.

Her eyes were filled with panic and despair. Her eyes, which should have been as clean as water, were now filled with blood.

Li Yan's anger instantly reached its peak.

That lively little thing was actually in such a state at this moment. It made his heart ache so much that he wanted to kill the person who bullied her!

The little woman that he couldn't bear to teach a lesson was actually bullied to this extent by others?

He lowered his voice and said slowly, Qiao Mu, I'm here. Everything's fine now. Put down the scissors. '

It was Li Yan's voice!

Qiao Mu was certain that this was Li Yan's voice!

The face in front of him was indeed Li Yan!

In an instant, all his tensed nerves relaxed. Her body felt like it had been pulled out of her bones. All her strength had disappeared, and she fell limply to the ground.

There was only one thought in her mind, Li Yan was here! She was safe!

Chapter 72: Completely Enraged Young Master Li

At this moment, Lin Xian roared, ""How dare you bring people to barge into my Ah!"

Lin Xian had just finished speaking when the pair of scissors that he had taken from Qiao Mu's hand flew over and stabbed into his thigh.

Following a ghostly wail and a wolf's howl, the group of young masters were completely flustered. They were so scared that they did not dare to make a sound.

Qiao Mu was startled and looked over when she heard the voice, but a large hand reached out in front of her eyes and blocked her vision.

Then, his body was lifted up.

Li Yan picked up Qiao Mu's limp body and carefully held her trembling body in his arms. He pressed her face against his chest so that she would not be frightened in the slightest.

His actions were extremely gentle.

In the next moment, he raised his black eyes, revealing a cold glint.

The surrounding temperature suddenly dropped.

Li Yan's expression was frighteningly cold, and the cold air around him was threatening. Everyone could not help but shiver.

Lin Xian's leg was still tied with scissors. He was in so much pain that he did not dare to move. He hugged his thigh and knelt on the ground. He raised his head and glared at Li Yan. "Li, I think you're courting death. You know who my father is, yet you still dare to hurt me. Today, you offended me because of this woman. Don't even think about making a living in Beijing in the future!"

The corners of Li Yan's mouth curled up, revealing a bloodthirsty coldness. He looked down at Lin Xian condescendingly. "The mayor's son? Your father's proud status will soon be destroyed by a son like you who is dragging him down!"

Lin Xian was frightened by this coldness, but he still pretended to be brave and roared, "What are you talking about? Didn't you also come to get close to me, the mayor's son, for the land in the north of the city? If you provoke me, you're courting death. No matter how big the Li Corporation is, I can make it go bankrupt! Even if you save this bitch now, I'll get her sooner or later!" Li Yan's pupils constricted, and his entire body emitted a dangerous aura. His voice sounded coldly, "Seal his mouth."

Lei Yi stepped forward and sealed Lin Xian's mouth with tape. Two men in black came to Lin Xian's side and pressed him to the ground.

Li Yan walked up to Lin Xian and lifted his leg. He stepped hard on the scissors that were stuck in Lin Xian's thigh. The scissors that were originally only stuck on the surface instantly pierced deep into Lin Xian's thigh.

In an instant, the flesh and blood became a mess, and the sound of scissors mixing flesh and blood could be vaguely heard.

Lin Xian whimpered, but he couldn't make a sound. His expression was ferocious and scary.

"Thank you for your reminder. A dangerous person like you really can't be left alive." A light voice slowly sounded, but it was as terrifying as a bloodthirsty Rakshasa.

Lei Yi stood at the side and watched silently. It was rare to see the young master angry. This time, the young master was really angry.

Li Yan felt the little woman in his arms trembling. He put away his coldness and carried her out.

His footsteps did not stop. He only said, "" Gathering to take drugs and commit adultery. This is not a small crime. Beat him up and let Chief Su come over to take him away. The mayor's son has broken the law, so he has to be treated equally. '

After Li Yan finished speaking, he had already left with Qiao Mu in his arms.

The little woman in his arms was clutching his clothes tightly, and her nervousness was still there.

He laughed softly, but there was no joy in his laughter. His cold voice sounded above her head." Little thing, you gave me such a big 'surprise' as soon as I came back. It seems that you didn't take my advice seriously at all!"

Chapter 73: Offended His Bottom Line

He had said that he was not allowed to cause any trouble after he left for a few days.

Qiao Mu bit her lip and shrank into his embrace. Her face was pale, and she did not dare to move at all.

She had yet to recover from the shock, and her heart was still beating wildly.

Hearing the accusation in his words, the grievance in her heart exploded in an instant, and tears flowed uncontrollably.

Li Yan carried the little woman in his arms into the car. When he lowered his head, he saw her crying silently. She looked so aggrieved.

When he thought of how she had stabbed him in the neck with a pair of scissors, his heart sank.

He didn't dare to imagine what would have happened if he had come a step later!

Li Yan took a tissue and wiped her face. His tone was still unpleasant, but there was a hint of helplessness. "You still know how to call me for help at a time like this. You're not completely scared silly."

Qiao Mu bit her lip and couldn't hold it in any longer. She burst into tears.

"Li Yan, you bastard! I'm already in this state, yet you're still blaming me and blaming me. Do you know that I was almost bullied by a bad person just now? I almost died, sob sob...You almost didn't get to see me. At that time, you'll regret it for the rest of your life..."

Li Yan narrowed his eyes, and a dangerous glint flashed across his eyes. He lowered his head and sealed her lips.

Make him regret it for the rest of his life? This little thing was really bold!

Qiao Mu's eyes widened as the overbearing kiss assaulted her face, tears still flowing out of her eyes.

After the fright just now, Qiao Mu was like a frightened bird. When he touched her, she subconsciously struggled and her body tensed up.

He hugged her tightly with both arms, but the strength of his embrace was very light, and she did not feel a trace of coercion.

His tongue forcefully pried open her teeth and did whatever he wanted in her mouth, messing up her nerves.

Her body relaxed bit by bit, and her resistance and struggle gradually disappeared. She leaned weakly against his chest.

After a while, he left her lips and stuck out his tongue to lick the corner of his lips. His face was filled with disgust. "It's so salty."

Then, he took two tissues and wiped her crying face. He warned, "Stop crying!"

"You're being bullied and you're not allowed to cry!" Qiao Mu sniffled as she glared at him, her large watery eyes pitifully looking at him.

Li Yan pressed her head on his lap and said in a low voice, "Lie down quietly for a while and reflect on yourself."

Reflect on what?

With him by her side, Qiao Mu completely relaxed.

She lay obediently on his lap, closed her eyes, and fell asleep.

Li Yan looked down at her face and narrowed his dark eyes. He took out his phone and dialed Lei Yi's number. He said in an extremely low and cold voice, "I don't want to see him standing in front of me alive again!"

Li Yan put away his phone. The coldness on his face did not diminish. He did not kill her because the little one was there. He did not want her to see the other side of him. She did not need to know how cruel he was.

Those who violated his bottom line would only die!

At the Li family's villa.

Li Yan stood by the bed and looked at the sleeping Qiao Mu. Even in her sleep, she was still frowning uneasily, as if she was disturbed by a nightmare.

All along, this little thing had been clever and slick. When facing him, she was like a little fox, so smart. Even if she was bullied, she would only pretend to be pitiful. She was so bold that she did not care about the consequences.

He had always thought that she should be like this. Even if she was like a fox with a little scheme, she was still as lively as a little rabbit.

This was the first time he had seen her cry so hard. She must have been really frightened by what happened tonight..

Chapter 74: It's Only Right for Uncle to Save Me

Thinking about it, it made sense. Although she had been bullied in the Qiao family, she had never experienced such an unbearable experience.

There was a reason for tonight's incident. It was impossible for Lin Xian to directly call Qiao Mu to the villa in the suburbs. It was obvious that someone had pulled strings.

Li Yan's cold eyes darkened when he thought of Qiao Ya who was beside Lin Xian at the banquet that day.

At this moment, the phone in his pocket vibrated. When Li Yan saw the incoming call, his thin lips curled up coldly. His deep, cold eyes were filled with endless coldness.

He went to the balcony and picked up the phone.

“Mayor Lin, is there something you need from me?”

“Li Yan! How dare you!” Mayor Lin Changhua’s furious voice sounded from the other end of the phone. “You’re so arrogant that you dare to talk to my son. I think you’re courting death! If anything happens to my son, I want your Li family to be buried with him!”

Faced with Lin Changhua’s anger, Li Yan’s tone was very lazy. “ Mayor Lin, you’re really angry. I heard that the mayor’s son broke the law and was taken away by Chief Su. What does this have to do with me?”

‘ Don’t use Chief Su as an excuse. Even if I don’t get along with him, you can’t take advantage of the situation. Let me tell you, if you dare to touch my son, I’ll make sure you can’t stay in Beijing! ’

Li Yan chuckled softly. “ Mayor Lin, I heard that your son’s mental state was affected by drugs, which led to his self-harm. You can’t pin the crime on me without evidence. ’

“You!” “Li Yan, no matter how powerful you are, you’re still overseas!” Lin Changhua roared in anger. This is my territory, just you wait!”

“Your territory?”

Li Yan’s expression was unusually cold in the night. His voice was sinister. ‘ Mayor Lin, I’ll wait and see. I’d like to see if you can make the decision in Beijing!

In the room, Qiao Mu suddenly woke up with a start, and a thin layer of sweat appeared on her forehead.

After a while, she realized that she was lying on Li Yan’s bed.

After making sure that the nightmare was over, he heaved a sigh of relief.

“You’re awake?” A voice sounded from beside the bed.

She turned her head and saw Li Yan's expressionless face.

Qiao Mu's emotions had already stabilized. The series of events that happened tonight slowly squeezed into her mind.

She looked at him with sincere gratitude. ""Uncle, thank you for saving me."

"And then?"

And then?

Qiao Mu blinked her large eyes blankly.

Li Yan raised his eyebrows slightly. " Little thing, do you think you'll be fine just because you said thank you? "

Qiao Mu pursed her lips. He had done a good deed, so why couldn't he be more generous?!

She looked at him innocently and said softly, " Uncle, I'm yours. Shouldn't you save me? "

This self-righteous tone...

Li Yan narrowed his long and narrow eyes and stared at her with a deep gaze.

After a while, he said,"You have a sharp tongue!"

The emotions on his face were unclear, and one could not see any anger, but Qiao Mu could vaguely sense a trace of unease.

The man's large hand landed on her head and ruffled her messy hair. "Go take a shower and come out for dinner. "

Qiao Mu nodded. Then, in the next second, she heard the man's cold voice again. "After that, we'll settle the score properly!"

Settle accounts? What debt?

Qiao Mu's body instantly stiffened. She had already been bullied, yet he still dared to settle scores with her?

[It ends today. It will be updated after midnight every night..]

Chapter 75: How Should I Teach You a lesson?

After Qiao Mu finished showering, the servants had already brought the dishes into the bedroom. She ate her dinner in high spirits, and she felt much more energetic.

Thinking about everything that happened tonight, she still felt a little scared. After all, the other party was the mayor's son, not someone ordinary people could offend!

Qiao Mu was a little worried. She looked at Li Yan and could not help but ask,

"Uncle, what are you going to do if you offend the mayor?"

Li Yan leaned lazily on the sofa with his legs crossed. He cast a sidelong glance at the worried little fellow and said nonchalantly, "You still have the energy to think about this. It seems that you're fine. You should worry about yourself now. Tell me honestly, why are you in Lin Xian's private villa?"

Qiao Mu pouted and snorted coldly. "She's still not your biological niece!" Li Yan's eyes darkened. As expected!

"Qiao Mu, are you a pig? You went just because she told you to? Or are you willing to go there for the sake of the Qiao Corporation?"

Qiao Mu was unhappy when she heard that. She glared at him with her big eyes and retorted, "" I was tricked. Qiao Ya and my classmate conspired to trick me into delivering something. After I went, I found out that Qiao Ya had set up a trap, so I couldn't leave. "

"Do you need me to help you deal with that classmate of yours?"

Qiao Mu was stunned, and a cold glint flashed across her eyes. "There's no need. I'll handle this matter myself! "

The last time she was reported to the nightclub, it must have had something to do with Yao Shu. She didn't pay much attention to it at that time, but this time,

Van Shil helped Oian Va lip in her She had always treated Van Shil as a friend

but she didn't expect to be schemed against by her friend.

Li Yan saw the determination in Qiao Mu's eyes, but he did not say anything else. This was his little one. She would definitely take revenge and would not let herself be at a disadvantage. If she was bullied, she would definitely seek revenge herself!

What bothered Qiao Mu was that Li Yan did not mention Qiao Ya. She was disappointed, but it was within her expectations. After all, she was her niece. He could not possibly help an outsider like her teach his cousin's family a lesson, right?

Just as Qiao Mu was letting her thoughts run wild with her head lowered, a tall figure approached her. She abruptly raised her head and met his bottomless black eyes.

She was shocked. In the next second, the man's arm reached over and she was scooped up, allowing her to sit on his lap.

Her body leaned back out of habit, and she subconsciously hugged his neck.

Qiao Mu was at a loss for what to do with such an intimate action. She was in a state of shock the entire night and did not notice that their contact was already overly intimate.

However, in the face of such a situation, the man in front of her raised his eyebrows as if nothing had happened and casually threw a bomb. "Since you're fine now, let's settle the score. You've caused me so much trouble. Tell me, how should I teach you a lesson?"

Qiao Mu's body stiffened, and she felt as if she was hugging a bag of explosives. It was extremely dangerous.

She retracted her hand from his neck, but just as she did so, she saw the man's expression darken and she immediately stopped moving.

She did not dare to look him in the eye and her gaze drifted back and forth unnaturally. "Uncle, you can't bear to teach me a lesson."

"Oh? Little thing, where did you get such confidence from?" The man leaned forward, and their bodies were even closer.

His body was as hot as a furnace, and he was transmitting it to her, as if he wanted to melt her.

Her face suddenly turned red..

Chapter 76: The Taste Is Really Not Ordinary

Qiao Mu was not used to this kind of contact. She subconsciously leaned back and tried her best to distance herself from him.

However, the large hand that was holding her waist did not have the slightest intention of letting her go.

Qiao Mu bit her lip and blinked her big eyes pitifully, putting on a weak appearance. " Uncle, I haven't even recovered from the shock. Can you not scare me? " Even if you want to settle scores with me, can you wait until tomorrow?" Hiding for one night was one night.

Li Yan narrowed his charming eyes. This little fellow had no idea that a change in his expression could make him lose control.

She thought she was smart and wanted him to let her go, but she did not know that this would only make her situation more and more dangerous!

The man's thin lips moved, and his low and hoarse voice rang in her ear. " Little thing, listen carefully. Every word I warned you was serious. If you become my woman, don't have any other ideas in your mind. Be good. I'm not scaring you!

Qiao Mu nodded sensibly. " Uncle, I'll be good. "

He had come to give her a warning again for no reason! However, if he wanted to warn her, could he let her go first?

"You're not allowed to call me uncle anymore!" This form of address directly lengthened the distance between them by a hundred and eight thousand miles. Then what should we call it?" "Li Yan?" Qiao Mu thought for a moment and called him by his name.

Li Yan's face darkened. " You're quite bold. Did I allow you to call me by my full name? "

Qiao Mu's mind had almost stopped thinking as she muttered blankly, "'Mr. Li? Young Master Li? Young Master Yan? Li ..."

Suddenly, the man narrowed his eyes and interrupted her. " What did you call me in the past? "

Qiao Mu was stunned and blinked her large eyes innocently. " I forgot..

Li Yan's expression turned cold as soon as he finished speaking. The coldness in his black eyes shot straight into her eyes.

Qiao Mu's entire body quivered, and she immediately called out, ""Big brother!"

Almost as soon as he said the word 'brother', Li Yan's eyes darkened.

He lifted her up and flipped her over, falling straight onto the sofa.

Following Qiao Mu's low cry, Li Yan accurately kissed her lips in the next second.

His kiss was overbearing with a hint of fanaticism.

Unlike the kisses that stopped at a certain point in the past, this time, it was like a storm that had no intention of stopping.

Qiao Mu's heart was beating uncontrollably.

Because she had showered, Qiao Mu was only wearing Li Yan's T-shirt, which was so plump that it covered her legs.

However, as she struggled, the hem of her clothes moved to her upper body, and the big hand easily barged in.

His body suddenly froze.

The heat from his hands seemed to be burning her.

Qiao Mu's large, watery eyes widened as she placed her hands between the two of them. "Uncle, you...What are you doing?"

"What do you think I want to do?" The corners of his lips curled up into a devilish smile. His black eyes narrowed, and his voice was low and hoarse with a hint of playfulness. "Little thing, your taste is really extraordinary. You still call me uncle at this time? Don't tell me you want to continue the role-playing to the end?"

"Qiao Mu's face instantly turned red, so red that it was almost dripping blood.

This bastard!

How could he say such shameless words!

Moreover, she even used an expression that said that she was very upright and that the indecent person was her!

"What did you call me?" A low laugh sounded beside her ear. It was arrogant and arrogant.

Qiao Mu bit her lip and called out unwillingly, "Brother..."

Just as Qiao Mu finished speaking, Li Yan's body sank and he directly possessed her.

Chapter 77: Little Thing Who Doesn't Say What She Meant!

An unguarded attack!

Qiao Mu's body was so stiff that she didn't dare to move. Her entire body was flushed red, unable to conceal the shyness in her heart.

Although it was the second time, the pain in his body was still the same, as if he was being torn apart.

Qiao Mu's tears immediately gushed out.

"Li Yan, you bastard!!"

"What, you don't like it?" The man's voice was hoarse, and there was a charming smile on his face. "Or is it that I didn't satisfy your strong taste and made you very unhappy? Is that so, niece?"

Qiao Mu was speechless.

The word 'niece' carried a teasing tone, like a basin of boiling hot water being splashed at Qiao Mu.

Immediately after, Li Yan's kisses landed on her body, wiping away her tears and almost taking away her breath.

The pain disappeared, and an unfamiliar taste filled all his senses.

Li Yan's breathing became heavy. He leaned over and whispered into her ear, 'Little thing, be good from now on. You already know the consequences of causing trouble. Do you still dare to do it?'

"I wouldn't dare!"

"You don't dare? Are you not satisfied with this punishment?"

"Little thing, you don't mean what you say!"

The man seemed to be very satisfied with her performance. He bit her red earlobe and said in a seductive and hoarse voice, "You don't like it?"

Qiao Mu bit her lip and stared at him with her large misty eyes, refusing to speak.

"Hmm?" Li Yan narrowed his eyes, his gaze filled with danger. An undisguised threat.

Qiao Mu wanted to cry but had no tears. She was like a fish on a chopping board that was at his mercy.

The unwillingness in her heart instantly surged up. She punched him and shouted aggrievedly, "You're bullying me! You're all bullying me! Bastard!" The man's movements stopped, and Qiao Mu looked at him. Just when she thought that there was a sliver of hope for her to be saved, those infuriating, embarrassed, and furious words once again hit her ears.

"Little thing, your comprehension isn't very good. I don't mind explaining to you. This isn't bullying, this is ... Pain, love!"

Qiao Mu was speechless.

Qiao Mu's face turned red and she gritted her teeth. She knew that she had no chance of winning a verbal battle with him!

Furthermore, he was at a disadvantage!

Soon after, Qiao Mu lost all ability to resist. That man had no intention of letting her off.

The deep voice sounded again. "Call me!" "Uncle." Qiao Mu mumbled unconsciously.

"You little pervert!"

Immediately after, a wild laughter sounded in his ears.

This night was destined to be filled with excitement and passion.

The next morning.

Qiao Mu woke up in a daze. When her body moved slightly, a wave of soreness assaulted her, reminding her of everything that had happened last night.

This time, he remembered every detail clearly.

Her waist was held in place by a large hand, which wrapped around her body domineeringly.

She looked up and saw a fair body.

Honey-colored skin, firm and tight chest, well-toned abdomen...

Qiao Mu blinked her eyes and looked at it for quite a while before her face suddenly turned red.

Her gaze moved up bit by bit. His slightly stubbled chin was very sexy, his thin lips were closed, and his nose bridge was straight. She looked up again...

His deep and dark eyes were staring at her!

Qiao Mu instantly froze.

He, he, he...When did he wake up?

Awkward, really awkward!

Chapter 78: Reward and Punishment Are the Same Thing

His dark eyes were filled with sleepiness, as if he had just woken up.

Qiao Mu's mind spun rapidly, and then she lightly snorted. She very naturally closed her eyes and gently turned her body, mumbling indistinctly, "Where is this? What time is it? I'm so sleepy."

The corners of Li Yan's lips curled into a beautiful smile.

The little fellow pretended to turn over and avoid his gaze.

His hands around her waist tightened. He leaned forward and saw through her unceremoniously. "Continue pretending! "

"Oh? What?" Qiao Mu narrowed her eyes and appeared to be in a half-awake state. She looked like she was in a daze and had yet to regain her senses.

Li Yan chuckled softly. His thin lips pressed against her ear as he reminded her kindly, "'Niece, this is my bed."

Qiao Mu stiffened, unable to continue pretending.

Your sister! Of course, she knew that she was in his bed!

However, could he not be so shameless?

Qiao Mu felt uncomfortable when she heard him call her niece.

Why did she feel that his tone was so evil after hearing him call her niece last night?

Qiao Mu buried her face in the blanket to avoid the man's approach from behind her. Then, her body slowly moved toward the bed, hugging the blanket and almost getting off the bed.

However, he did not get his wish.

Just as she was about to reach the bed, the man behind her came up to her and flipped her over to hold her in place.

It was rare to see the little fellow react so shyly. Last time, she was asking for money and distancing herself from him. This time, he wanted to see what she would do.

Qiao Mu pressed her hands firmly between the two of them and said incoherently, "'Little, little uncle, hehehe, it's you!"

"It's me? From your tone, you seem to think it's someone else?" Li Yan's tone was obviously a little lower.

"No, absolutely not!"

' Looking at my niece's reaction, I'd think that you're really a 419. '

"Qiao Mu's face contorted. Damn it, you're still bringing this up! Is this endless?"

Qiao Mu was a little unconvinced, and the unwillingness to admit defeat surged up from the bottom of her heart once again. She pouted and chuckled. " Uncle, I don't do it often. Up until now, I've only done it twice. '

Twice?

Li Yan's cold eyes narrowed. " Say it again! "

Qiao Mu's entire body quivered. Even though this man's eyes were filled with endless danger, his sexy thin lips were slightly curved, and his half-smile was extremely frightening.

She was frightened by his imposing manner and felt that the joke had gone too far!

He quickly waved his hand and shook his head. " Uncle, I was just joking. I didn't do it once. Really, not once! "

"Do you want to have one in the future?" "I don't want to! It's enough for me to have my uncle!"

"Good girl, you are indeed a little pervert."

Qiao Mu was speechless.

F * ck! She really wanted to tear Li Yan's mouth apart!

The man approached her dangerously again, and Qiao Mu tensed up as she looked at him warily.

"I remember saying before I left that I would reward you when I came back."

He looked like he was asking for a beating. She could tell at a glance that she could not afford this reward.

She shook her head vigorously and said sincerely, " There's no need, Uncle. I don't want a reward. "

"That won't do!" The man's hand started to move.

“But last night...

“That was punishment last night!”

“..”Are rewards and punishments the same thing?

This hooligan!

However, just as Qiao Mu was resisting fearlessly, her phone rang..

Chapter 79: Act Like A Hero Saving The Beauty

The ringtone of the phone broke the ambiguous atmosphere in the room.

Li Yan was indifferent. He stared at Qiao Mu calmly as if he was sizing up the fish on the chopping board and figuring out how to eat it.

“Uncle, it’s a call for you,” Qiao Mu reminded him softly.

The man narrowed his eyes. “ Niece, you don’t seem very willing to accept the reward I gave you. But I remember that last night, you clearly...Very fanatical!”

Fanaticism!

This bastard!

Which eye of his saw that she was crazy?!

The corners of the man's lips curled up. " Or is it that my niece only likes harsh punishments and is not interested in rewards? "

"Li Yan!" Qiao Mu couldn't take it anymore, and she glared at the man who was laughing arrogantly with a red face.

When this face was serious, it was very scary, but when it was not serious, it was simply asking for a slap!

Li Yan could not help but chuckle when he saw her angry and embarrassed look. " You little pervert, you know how to be shy.

.P'Qiao Mu gritted her teeth in anger. This man was simply shameless to the extreme!

The phone stopped ringing. Two seconds later, it rang again.

Li Yan's coquettish eyes were filled with a seductive smile. He glanced at the little woman's fuming appearance and slowly turned over to sit at the side.

Without his weight, Qiao Mu felt that her breathing was smoother.

The man beside her picked up his phone and leaned lazily against the headboard, looking extremely charming.

This man was always so elegant. The way he answered the phone was so eye-catching.

The soft silk blanket covered the area below his abdomen, and the lines of his tight chest muscles were perfect. Just sitting there, he was like a painting, impeccable.

Qiao Mu unconsciously recalled the feeling of touching him last night, and she could not help but gulp.

* Cough *

What was she thinking!

A cold gaze suddenly swept over, followed by a playful voice, " Why? Are you regretful that I don't reward you?"

Qiao Mu's face turned red, and she immediately retracted her gaze and dashed into the bathroom as if she was escaping.

Li Yan's lips curled into a smile as he watched the little fellow flee. He picked up the call.

Su Chen's voice came from the other end of the phone. "' Big Brother, you finally picked up the phone. Last night, you just came back from a business trip and crippled the mayor's son. That gave me a shock. '

Previously, he was just being polite with the mayor's son for the land in the north of the city. In the blink of an eye, it had become like this.

Li Yan's tone was lazy. " You came early in the morning to disturb my sleep just to gossip? '

"Sleep? Big Brother, my second uncle didn't sleep well last night because of what happened to you. Aren't you being too unkind to sleep in?"

"Uncle Su is too excited to sleep. Thinking that his arch-enemy of many years is about to step down, it would be strange if he could sleep."

Su Chen was speechless.

'Inese words were too gloating.

“Big Brother, you’ve only just returned and you’re already attacking the mayor. Aren’t you a little too anxious? After all, we don’t have any direct conflict with the mayor, so we can get by on the surface.”

“Originally, we didn’t want to hinder each other. I didn’t want to fall out with him, but now he’s in my way!”

‘ Qiao Mu? ’ Su Chen was stunned. He thought for a moment and asked, “ I heard that you put on a heroic act last night. Was the other party Qiao Mu? ”

Li Yan raised his eyebrows and said in a deep voice, “ It seems like Lei Yi’s mouth is leaking air. I have to help him sew it up. ’

Was there a need to ask Lei Yi about this?

After this incident, Su Chen had already guessed what was going on.

But thinking about it, besides Qiao Mu, there was no one else who could make

Young Master Li so angry..

Chapter 80: You Can't Abandon Me

The other party was the mayor’s son, and he was a little angry. Young Master Li’s protective thoughts were even more powerful than before.

Li Yan got up and slowly put on his sleeping robe. Then, he said into the phone, ““ I’ll go over to Lin Changhua’s side myself. Gather all the dirty deeds he has done for me. ”

“Big brother, let Lei Yi do this. You don’t need me, right?”

‘You must be too free to gossip. I’ll find something for you to do.’ Li Yan did not give Su Chen a chance to reject him and hung up the phone.

When Qiao Mu went downstairs, Li Yan was having breakfast in the dining room.

She sat down opposite him and watched the man eat his breakfast elegantly.

When she was in the bathroom just now, she vaguely heard him mention what happened last night on the phone. It must have been very troublesome.

‘ Uncle, ’ Qiao Mu couldn’t help but ask, ’ did last night’s incident cause you a lot of trouble? ’

It’s good that you know. So, one punishment isn’t enough. ‘

“..”Could he stop thinking about such things?

A beast in human clothing!

Li Yan glanced at her and said calmly, ’ You should be worried about yourself. If the mayor asks the Qiao family for you, do you think the Qiao family will hand you over? ’

Qiao Mu’s face paled when she heard that. She had just escaped from a

dangerous situation last night, so she could not take a scare.

Qiao Mu was furious when she saw Li Yan acting as if nothing had happened and turning hostile after sleeping with her.

She did not have time to think about it. She stood up immediately, placed her hands on the dining table, and leaned forward. ’ Uncle, I’m yours! ’ In other words, he had protected her once, so he had to protect her until the end.

Qiao Mu's actions were too sudden, and her "I'm your woman" was practically shouted out loud. Even the butler at the side could not help but laugh.

Uh ... It seemed a little embarrassing!

It was fine if he flattered Li Yan in private, but this kind of thing was indeed

not presentable.

Li Yan looked up and sized up the little girl. The corners of his mouth curled into a faint smile. He stared at her for a while before he slowly said, "You're using this as a shield."

Qiao Mu smiled obsequiously. "Then Uncle, you can't abandon me!"

"It depends on your performance."

"..This man really deserved a beating!"

Qiao Mu took a sip of porridge and said nonchalantly, "Even if this matter is to be settled, it's Qiao Ya's fault. It has nothing to do with me."

An idea flashed through her mind and she couldn't help but ask, "Uncle, if you had to choose between me and Qiao Ya, who would you choose?"

Li Yan raised his head and saw the little woman staring at him with bright eyes. She was looking forward to his answer.

"What do you think?"

Qiao Mu pursed her lips. Was there a need to ask? Of course it was Qiao Ya, who was related to her by blood!

She lowered her head and ate her porridge silently. "How would I know what you're thinking!"

Li Yan narrowed his eyes and stared at her for a long time. Then, the corners of his lips curled up. "Little pervert, I'm not interested in my niece. '

Qiao Mu's almond-shaped eyes widened. He actually called her a pervert in front of others!

This was simply too much!

Eh, he didn't seem to be biased towards Qiao Ya at all!

Qiao Mu's mood instantly improved.

Qiao Mu thought for a moment and said, "Uncle, if-and I'm saying if-I fall out with Qiao Ya, even if you don't stand on my side, can you not help her bully
