

Destined Wife: The Apple of My Eye

Chapter 80 She Is Ill Due to Be Frightened

The fear slowly spreads away in the darkness. Yan Hua's hands are a little trembling. As she hesitates to shout for help or call someone sneakily, she suddenly hears a sound.

"Mommy!"

"Gungun?" Yan Hua stuns. She finds that a small kid is squirming on that man's knees.

She rushes to the door and presses the switch. The light is on.

"Mommy!" Gungun is cute and smiles at her. Then he stands up to pat Lang Ruoxian's face, "Uncle!"

Yan Hua lacks her strength and sits down to the ground suddenly.

"It's cool on the ground. Stand up." Lang Ruoxian puts Gungun down and comes over to help her.

Then he is kicked.

"Lang Ruoxian! Do you want to scare me? Why did you sit there? Who did you want to scare in the middle of the night?" Yan Hua strongly condemns him. At the end she still feels uncomfortable and kicks him again.

"Mommy! Mommy!" Gungun runs down from the sofa, "Don't kick uncle."

Yan Hua glances at him, "Don't you wear shoes?"

"Uncle!" Gungun shouts.

Gungun hugs Lang Ruoxian's leg, "Mommy is so fierce."

“She scolds Gungun. How about hitting her buttocks?” Lang Ruoxian holds the little kid. Gungun twists his body and covers his little buttocks with his hands, “Pain. Don’t hit.”

Yan Hua rubs her eyebrows and finds herself sweating all over. She chills when the air conditioner blows.

“What’s wrong with you?” Lang Ruoxian finds that she is uncomfortable.

“Go away!” Yan Hua gives him a fierce look.

But he holds her easily.

“Let me go! What are you doing?” Yan Hua is shocked.

Gungun still claps his hands and shouts, “Hold mommy! Hold us together!”

“Don’t move.” Lang Ruoxian puts Gungun on the bed. Then he puts Yan Hua into the quilt, touching her head.

Yan Hua wants to put his hand aside. Lang Ruoxian says angrily, “You have a fever.”

“Whose fault do you think it is?” Yan Hua stares at him.

It’s clear that she is ill due to be frightened.

“I’ll find a doctor.” Lang Ruoxian is going to leave. Yan Hua says angrily, “There is no doctor here.” Then she wants to sit up.

“Lie down.” Lang Ruoxian prevents her.

“I’ll get the medicine. Go away.” Yan Hua is dizzy and lies back again.

Seeing she turning red, Lang Ruoxian feels sorry for her. He also feels guilty, “Where is it? I’ll get it for you.”

“In the left drawer.” Yan Hua darts a glance sideways at him.

Lang Ruoxian finds out the medicine box. He picks up the antipyretic and the antiphlogistic. Then he lets Yan Hua eat them with warm water. Yan Hua is starting to feel sick with no strength to resist him. So she just takes the medicine and lies down.

“Mommy...” Gungun is a little scared. In his view, his mother is so powerful. But now her face is red and she lies down there without moving.

Yan Hua raises her eyes and tries to smile, “My good son, I’ll be better after sleeping. Could you ask your uncle to find Xiaojiu to play with you?”

“Mommy...” Gungun hugs her.

Lang Ruoxian holds the little kid, “I’ll take care of your mom. Listen to me, Gungun.”

When Fei Ying opens the door, she can’t believe that she sees Lang Ruoxian.

“You... You... You...” She stammers.

Then she hears Fei Yi saying behind her, “You are here.”

“Yan Hua has a fever. Please take care of Gungun for me.” Lang Ruoxian sends Gungun to them.

Fei Ying should have asked Fei Yi whether he has already known that. But when she hears that Yan Hua has a fever, she has no time to blame Fei Yi. She hugs Gungun immediately, “Does it matter? I have some medicines.”

“She has taken medicine. Let’s wait for few minutes. If she still has a fever, I’ll take her to a hospital in the city.”

Fei Ying nods, “Okay. Please take care of her. Call us whatever you need.”

Lang Ruoxian goes back to the room with an ice bag from Fei Ying. He wants to put it on Yan Hua's head. But it's so cold, so he finds a towel in bathroom to wrap the ice bag. Then he puts it on her head carefully.

"Um..." Yan Hua hums. She moves her head to topple the ice bag.

Lang Ruoxian stops her head lightly, "Good girl, don't move. You will be comfortable later."

"Lang Ruoxian." When he thinks Yan Hua is asleep, he suddenly hears her words: "Are you deliberate? You have planned to come. But you cheated me."

"I'm sorry." Lang Ruoxian touches her hot face that burns his heart. "I'm wrong. I'll tell you everything I do in the future."

Yan Hua closes her eyes and pouts her lips. "You even scared me..."

"It's my fault. I won't scare you anymore."

"You make me sick. You have to compensate me."

"Okay. What do you want?"

"Will you give me everything I want?"

"Yes. Of course."

"I miss my parents..." Yan Hua's voice is getting lower and lower. "I must have parents. They must be looking for me..."

Lang Ruoxian's hands are rigid for a second. Then he slowly grasps Yan Hua's hands.

"I'll find them. I'll let you meet them."

Yan Hua falls asleep, a few strands of hair sticking to her cheeks. Lang Ruoxian carefully pulls them away. Then he stares at Yan Hua's face for a long time, until he realizes that her palms are not so hot.

He takes down the ice bag and measures her temperature again. He finally rests assured after he is sure that the fever has gone away.

Lang Ruoxian goes to the living room and calls someone.

“Young Master.” There comes an old voice over the phone.

Lang Ruoxian asks, “Is there a clue?”

“No. It seems that someone has erased Yan Hua’s traces.”

If so, it at least means Yan Hua is not an orphan. She does have a certain identity and background.

“Keep searching.” Lang Ruoxian squints. “Since some people don’t want her back, there must be some people who want her back. Try to find out if there are other people looking for Yan Hua.”

“Yes, Young Master.”

When Lang Ruoxian returns to bedroom, Yan Hua’s face turns less red. She breathes shallowly. He sits down beside her and takes her hands. After a while, he feels uncomfortable. He just gets up and takes his suitcase and finds out some comfortable clothes to wear. Then he lies down in bed and hugs her with her quilt in arms.

They have an atmosphere of peace and harmony. But Fei Ying is getting even with Fei Yi.

“Have you already known that he would come?”

“Yes. He is on the guest list. But he set out half a day late because his company has something to be finished.” Fei Yi hugs her. “Don’t be angry with me. If I told you earlier, you would tell Yan Hua.”

Hmm... That’s true.

Fei Ying puffs out her cheeks, “But if I knew he would come, I wouldn’t let Yan Hua come here.”

“Why? Haven’t you been robbed by Lang Ruoxian and on his side?” Fei Yi never forgets that his small woman has cooked same deserts for several days.

Fei Ying smiles like a little mouse, “That’s last time. I have helped him.”

Can he buy her for life only by a prescription? How can it be possible? She’s not that kind of person.

“Hah, hah...” Fei Yi shakes his head, “I’ll remind him later.”

“Ah, I don’t really want to help him.” Fei Ying hugs him, “He can’t give Yan Hua a happy life. It’ll be all over if other people know it.”

Fei Yi touches his wife’s head, “I have told you to worry less. How do you know Yan Hua doesn’t like Lang Ruoxian? Maybe one wishes to fight and one wishes to suffer.”

“She’ll never say yes even if she likes him.” Fei Ying knows Yan Hua. “She can’t promise him for Gungun.”

As the day grows brighter, another speedboat comes up from the humble pier. Two men come down from the boat, and the one on the right is in anger.

“Don’t be angry. Mr. Hua. We have arrived here.”

Both of them are very young. They look less than twenty years old. The left man with a hippy smile hugs him. “Relax. Or you’ll have premature ejaculation under so many pressures.”

“It’s none of your business!” The angry one is beautiful.

He likes a fairy boy with red lips and white teeth. But his eyes are full of anger, as if everyone owes him money.

“Well, cool down. It’s for your own good.”

“For my good? You dare to knock me out and bring me to this desert island.”

The other man comes closer, "Look carefully. It isn't a desert place with bright scenery, blue sky and white clouds, Bikini... Come on! Look over there. How beautiful girls are there!"

"Hey!" He waves with a waving face, and the girls across the street greet him happily.

"Hey, Mr. Hua, you see... Mr. Hua? Where are you?"

Turning around, he finds that the teenager around him has run back to the speedboat.

"I'll go first. Have fun by yourself."

"Ah, don't go!"

A sudden sound comes from the speedboat. He scolds and jumps up to the speedboat. He shouts at the beautiful young man, "I owe you. Let's go!"

The man who plans to pick them up doesn't know why they go back. He just calls K immediately.

"Does she wake up?" At noon Fei Ying runs over and sees Yan Hua lying still. She whispers, "Would you like to ask her to get up and eat something?"

Lang Ruoxian thinks for a while, "We'd better not. Let her sleep. When she wakes up, we can let her eat something."

"Okay. I'll take Gungun to have dinner."

The Fei couple take Xiaojiu and Gungun to the restaurant. They hear that lunch could be eaten by the sea. As soon as they get to the lobby, they hear a noise.

"K said I would live in an apartment. Now you tell me it's gone. What do you mean? Do you despise me?"

“Oh sweetheart, how could it be! I’m so happy to let a beautiful lady like you to come. I just...”

“All right. Don’t coax me.” The woman interrupts him. “It’s better to arrange a room for me now.”

The woman wears a long red dress. Her long yarn skirt is fluttered lightly and is fell open on her thighs. Her honey skin is particularly bright. She has brown wavy curly hair and pretty face. She is full of wild sexy.

“She is Sadie, daughter of the oil tycoon of Dubai.” Says Fei Yi. “She has twelve older brothers without any sister.”

“Her family must love her very much.”

“No. Dubai’s women are not high-ranking. Sadie has nothing but money. She just gets her pocket money every month.”

Sadie sees them too, she glances at Fei Yi, and then at Fei Ying.

“What’s that look in her eyes?” Fei Ying stares back.

Fei Yi takes her to the dining room and says, “Leave her alone. Let’s go to lunch.”

“K, what does that Oriental man do?”

K shakes his head quickly, “Baby, listen to me. You can’t attract that man. Change your goals. There are so many men! “

“I won’t attract him. It’s all right that let him attract me!” Sadie licks her lips as if she is relishing something delicious.

Chapter 81 She Is Severely Ill

Yan Hua becomes sicker suddenly. When Lang Ruoxian finds her having a fever again in the afternoon, he decides to take her to see a doctor.

“Oh. Mr. Lang!” K meets Lang Ruoxian for the first time. But someone has told him that this man is not to be pushed around. Even if he isn’t a friend, he can’t become an enemy.

So when K knew Yan Hua is Lang Ruoxian’s woman, K rearranged her room with a good attitude.

“You don’t need to go. We can get the doctor to the island.”

Fei Ying changes a new ice bag for Yan Hua. She is too anxious, “Is that OK? Will the doctor come?”

“Oh, of course! As long as there is enough money, anyone will come...”

Lang Ruoxian now regrets not bringing Xiaokai here. For Yan Hua’s reputation, he comes here in secret. Xiaokai covers up for him in the company. He never expected that Yan Hua would be ill. So he has no one to use now.

“Please take care of her.” Lang Ruoxian decides to go by himself. “I can’t believe them.”

Fei Ying nods, “Go ahead to find a good doctor. I and Fei Yi are here!”

“Uncle...” Gungun just played with Xiaojiu in the living room. But now he stands at the door. He sees his mother lying in bed and being surrounded by so many adults. The little boy is frightened with tears in his eyes, “Mommy... Mommy, what’s wrong with you?”

Fei Ying wants to deceive him that Yan Hua is asleep. But she is stopped by Lang Ruoxian, “Gungun, mommy is sick.”

“Sick?” Gungun doesn’t understand what it means.

Lang Ruoxian comes to him and squats down. He looks at him, “Gungun, do you remember that your mommy took you to the hospital for an injection?”

“The white clothes?” Gungun is one and a half years old. He reminds that. Then his small face shows a frightened expression, “Needle! Pain...”

“Well,” Lang Ruoxian holds him and says, “Mommy is not obedient and does not go for an injection, so she is ill now.”

Gungun stares at him with his big eyes. Lang Ruoxian kisses him, “So I’m going to find a doctor to give mommy an injection.”

“Pain!” Gungun pats his little fat arm, “Mommy. No!”

“But if she doesn’t get an injection. She won’t get better. She’ll have to lie in bed all the time.” Lang Ruoxian says, “Do you want mommy to get better soon?”

Gungun’s tears come out and he looks pitiful. He nods his little head forcefully, “Um... Yes.”

“Gungun should stay here and take care of mommy. I’ll find a doctor to give her an injection, okay?”

Gungun says nothing this time. He slides down from Lang Ruoxian and climbs to the bed. Then he sits solemnly beside Yan Hua.

“Uncle. I take care of Mommy!”

Xiaojiu also climbs up when she sees Gungun’s behavior and sits on the other side, “I’ll accompany Gungun!”

“They are angels, aren’t they?” K doesn’t know why he is so easy to be excited, he wipes tears and shouts, “Oh! I suddenly want to have a baby.”

Fei Ying turns a white eye, “How can you give birth to a baby only by yourself.”

Lang Ruoxian leaves. The local people at the dock recommend him a hospital. It is said that its conditions and medical skills are very good. Of course, it is also expensive. Only the local people who are rich would go to this hospital. The others go to ordinary public hospitals.

“Cough...” Yan Hua suddenly coughs several times. Gungun and Xiaojiu are so scared that they change faces.

Fei Ying holds Gungun quickly when he is about to rush to Yan Hua, "It's all right. Mommy wakes up!"

"Mommy!" Gungun stretches his hands with tears. He wants Yan Hua to hug him.

Yan Hua opens her eyes. She feels that her head is heavier than her body.

"Cough... What time is it?" She sits up on her bed. "I'm still feverish."

Touching her head, she moves her throat, "What the bad luck..."

"Drink some water." Fei Ying pours a cup of warm water.

Yan Hua takes it and drinks most of the water. Then she touches Gungun's little head and says, "Don't be so close to me."

"Mommy!" Gungun lets out a cry.

Gungun's mother lay on the bed without moving just now. She couldn't hug Gungun and didn't allow him to close to her. Gungun is too young to understand that. As a little baby, he becomes really scared. Even though he had the explanation and consolation of Lang Ruoxian before.

"My good son. I'm fine." Yan Hua grabs his little fat hand and says, "I'll be better after sleeping. You can play with Xiaojiu."

"Umm... Injection... Umm... Uncle..."

Fei Ying is amused, "Lang Ruoxian went to find a doctor and will bring him to the island later."

"It's because he scared me." Yan Hua complains him and counts her illness on Lang Ruoxian.

Fei Ying takes a towel and wipes Gungun's face. "I never know that Lang Ruoxian really has a way of treating children. It's reasonable for Fei Yi. He is just a father. But Lang Ruoxian is not married and has no children. He consoles Gungun easily. How can he know that?"

"If he is a gentle person, I won't surprise. Although he has a faint smile on everyone. Fei Yi said that if you look carefully, that smile is far from the bottom of his eyes, which is scared."

Fei Ying complains Lang Ruoxian crazily, “Such a man who has two faces is terrible. If you are really with him, you will stick up for him even if you are used by him.”

“Why should I be with him?” Yan Hua opens her eyes. “Do you also have a fever?”

“Well, I’m just giving you an example!” Fei Ying’s eyes turn around. “It’s just an analogy.”

Yan Hua closes her eyes. Gungun plays with Xiaojiu at the end of the bed. He often has a look at Yan Hua. Then he continues to play with a reassuring look when he sees Yan Hua is still talking to Fei Ying.

Two hours later, Lang Ruoxian comes back with a doctor, two nurses and a bunch of therapeutic tools.

“Nothing serious. It’s just an inflammatory complication caused by non-acclimatization. Take an infusion!” The doctor breathes a sigh of relief after examination.

He glances at the man next to him.

When the man found the doctor, he explained the situation in a few words. Then he just wrote a check to the doctor and dragged him to the dock. It seemed that if the doctor could not cure the patient, he would throw the doctor into the sea to feed the fish.

The doctor was so frightened that he thought the patient was terminally ill at that time.

“How many days does she need to take infusion?” Lang Ruoxian stares at the doctor and asks.

The doctor immediately says, “If she isn’t in fever tonight, she will be infused for three days. If she is still in fever, it will need a few more days.”

“Then why don’t you move?”

“Can I hit him?” The doctor thinks: “Although you are handsome. You can’t be so impolite. How can I give her infusion when you stop me?”

When Yan Hua is taking infusion, Gungun is so nervous with a tight face. He is staring at the doctor. The doctor couldn't help asking him.

"What's the matter? Your mommy will be fine."

"Needle, pain!" Gungun points to the infusion needle that has just been needled into Yan Hua's hand.

The doctor smiles, "It's not painful."

"Cheater! Pain!" Gungun points to an unsealed needle, "Needle. Needle you."

The doctor thinks Gungun want to needle Yan Hua by himself. He says quickly, "I've finished. You don't need to do it."

"He means that you should give yourself a needle." Fei Ying says to the doctor and tries not to laugh, "Because you lied to him that needling isn't painful."

The doctor is surprised. That's why people say that children are the most terrible.

"Okay, you and Lang Ruoxian go to dinner. I accompany Yan Hua and ask them to deliver the meal." After sending the doctor away, Fei Ying says to Fei Yi.

Lang Ruoxian says, "No, you should go. I will accompany her."

"Everyone's here today. You have to show your face." Fei Yi advises him, "Although you don't care about them. Since you come here, don't miss the opportunity."

Fei Yi has looked at the island today. He thinks the rate of return on investment is still acceptable.

"I want Fei Ying to accompany me." Yan Hua says.

Lang Ruoxian looks at her with deep resignation. Yan Hua turns her head away and ignores him.

"Hah. Hah. All right. You two guys go quickly!"

The room becomes quiet. Gungun was so nervous just now. So he falls asleep quickly. Xiaojiu watches cartoons with an iPad and occasionally pats her younger brother.

“How do you feel?” Fei Ying moves a swing chair from the terrace. Fei Ying sits on it and sways. “Are you comfortable?”

Yan Hua puts her arms in the quilt and just exposes her head outside, “How could it be so fast? I haven’t sweated.”

“Well, your fever will be gone after sweating. Come on!”

More than half an hour later, Yan Hua was sweating all over. She pulls the quilt down and says, “It seems that the fever is gone.”

“Really? Take your temperature quickly.” Fei Ying clips the thermometer for her.

Sure enough, the temperature is normal.

“Drink more water.” She hands Yan Hua her cup.

There is a knock at the door. It is the waiter who brings the meal.

“Chicken porridge, fried vegetables...” Fei Ying says as she puts them out, “It must be Lang Ruoxian who ordered these dishes for you. They are all lightly seasoned dishes.”

In the dining hall.

Seven people sit at the rectangular table. K sits at the top and raises his glass.

“Let’s have a wonderful time tonight, my friends! I’m so glad that you can come. Cheers!”

Lang Ruoxian and Fei Yi sit next to him. There is a white-haired old man who seems to specialize in investment. There are also three people opposite. One is Sadie, one is a black man with a big gold chain, and another is a woman in her fifties, like a half-breed, and no one knows where she comes from.

Sadie’s eyes are always on Fei Yi. She is amazed when she first sees Lang Ruoxian. But Sadie thinks that she has to take Fei Yi first in order.

“K, what you said sounds good. But if it is not the same as what you said in your file when I visit tomorrow, I’ll put the glass in your ass.” The black man speaks faster and he shows him with his arms.

The woman next to him gracefully puts down her glass. “Don’t speak rudely in front of me, Guton. It’s rude.”

“Oh! Aunt Kim, you’re still so finicky. That’s the way that I’m talking about.” The black man closes to her. “You don’t sleep with me. You won’t know how rough I am. Hah, hah, hah!”

Apparently they know each other. Sadie moves aside with a disgusted look on her face. She looks at the old man beside Fei Yi and says, “Sir, will you change your position with me?”

“No problem!” The old man stands up. “It’s a great honor to serve such a beautiful lady.”

Sadie sits down beside Fei Yi, twisting her waist. She lets her large breasts shake in front of his face. “Mr. Fei, I’ve heard a lot about you!”

“Yi! Talk to Sadie, or she will be in a bad mood and won’t invest in me.” K says jokingly, squeezing his eyes to Fei Yi.

Fei Yi puts down his chopsticks and opens his mouth. “The smell of your body makes me feel uncomfortable.”

Chapter 82 Everyone Has Secrets

Sadie’s face darkens: “Mr. Fei, do you know that in the Western countries, even if a man doesn’t like a woman, he will at least maintain his demeanor, rather than do something you just did.”

“Then do you know that in China if a woman harasses a man even though she knows that he has wife and child, it’s possible that people may spit on your face, let alone give you attitude.”

“Ha-ha-ha!” Guton bangs the table and laughs. And Sadie’s face cannot be more saturnine.

K is embarrassed and he smiles: "Oh, let's eat the dishes! Eat the dishes!"

"I'm full." Fei Yi stands up. "K, you must arrange things well tomorrow. If I only see some boring women rather than actual interests, I think my vacation can be brought to a premature end."

"Don't worry! Don't worry!" K now has no time to care about Sadie, he stands up to walk them out the door.

During this period, Lang Ruoxian does not say a word, but it makes people feel that his mind is unfathomable. Sadie puts her fork on a piece of lobster meat ferociously: "How absurd! How dare he do this to me?"

"It's not shameful to hook up a man," Mrs. Kim still wipes her mouth very gracefully. "It is shameful to hook up a man if you are not sure whether he is willing to be hooked up by you. Otherwise, this is the end."

"Don't take advantage of your seniority to sermonize me!" Sadie snorts.

Mrs. Kim smiles and says: "Young lady, your temper is really bad. I am not sermonizing. I'm admonishing you. You are so beautiful, so you don't have to fawn on others, right?"

After saying that, she nods to people and leaves before Sadie can say anything.

"Your Highness, you can try to accept me!" Guton desires to stir up trouble. "Some men only look handsome but are impotent." He picks up a thick sausage and puts it on Sadie's plate. "The door of my room will always open for you!"

Sadie licks the corner of her mouth: "Then you can go back and take a bath, especially... wash your big sausage."

For Guton and Sadie, making love is just an exit of lust and they can get physical pleasure from it. That's different from affection. Sadie leaves the previous failure behind and plans to enjoy this night.

"Young people..." The old man who has been left lights a cigar: "K, there is no one else now and you can tell me the truth. Why do you invite so many people?"

K is stunned. Then he looks around and closes the door of the dining hall, running back and whispering: “Earl, I am just casting a net all sides! You see, do Sadie and Guton like the ones who can take out so much money?”

“Then why do you still invite them?” The old man, who is called as Earl, takes a puff: “What do you want?”

Rough as K, he now is huddling himself up: “I casually invite Guton and then he comes. In fact, I didn’t think that he would come at first. As for Sadie... Alas! I first wanted to see that if she could win the heart of the man surnamed Lang.”

“I often hear of Fei Yi of Fei Family. What’s the background of the man surnamed Lang?”

K spreads his hands: “To be honest, I don’t know.”

Fei Yi and Lang Ruoxian are also talking about these people.

“Guton is the illegitimate son of a boss in Italy. And he can’t live without women. You can just ignore him.” Fei Yi pauses after saying this: “You have already done background checks about him, right?”

“No, since you know about him, why should I expend my energy?”

Fei Yi: “Fine, then I will continue.”

Sadie is the daughter of an oil tycoon in Dubai. And the ancestor of the old man who is called “Earl” was once an earl, but later he was removed from the royal family because of his mistake. But the old man always claims to be an earl. He is a collector.

“As for Mrs. Kim...” Fei Yi shakes his head. “The surface information shows that she is a Vietnamese Jew, and she is also part European. She is closely related to the American military.”

However, there are still a lot of doubts about her identity. But Fei Yi can’t find out.

“K invites us because he wants to draw investment. No matter what the identities of those people are, they will not have conflicts.” Lang Ruoxian says: “One person can’t handle such a big project.”

Fei Yi frowns: “The infrastructure and supporting hotels won’t cost too much.”

“I have checked K. He wants to make this island a casino.” Lang Ruoxian smiles. “Now, do you think how much money he needs?”

Fei Yi is a little surprised: “Is it reliable?”

“Eighty percent.” Lang Ruoxian looks at his watch. “If this is not the case, he will not invite other people. We two are enough.”

“After all, we are businessmen. He will not lose money if he cooperates with us. But the rest few people...” Lang Ruoxian snorts. “I am afraid that they want to skin him.”

Fei Yi looks at him: “You want to take the whole project?”

“It’s us.” Lang Ruoxian says: “After all, the area in which you are involved is unfamiliar to me.”

“You play tricks on me.” Fei Yi’s voice cools down.

Lang Ruoxian flicks his sleeves: “Getting you involved can bring you a large sum of money. Why are you unhappy?”

“I hope that you won’t do it again.” Fei Yi ignores him.

People like them, who are superiors, are generally the same. They all hate being threatened and calculated.

“Hi.” Fei Ying is eating a piece of pineapple and when she sees them come in, she wipes her hands. “She doesn’t have a fever now. You should pay attention to her at night. She is handed over to you.”

Fei Yi picks up Xiaojiu: “Say ‘good night’ to aunt and brother.”

“Good night, Gungun! Good night, Auntie!” Xiaojiu flies a kiss to them.

Gungun is in a hurry and makes great efforts to fly a kiss with his small hands for fear of being slower than Xiaojiu.

“Xiaojiu, see you tomorrow. Thank you for helping your mother take care of me today!” Yan Hua waves her hands.

The family of three walk away. Lang Ruoxian walks to Yan Hua and reaches out his hands. Yan Hua escapes him: "I'm not feverish."

"Did you eat anything?" Lang Ruoxian asks.

"Yes!" Gungun holds up his small hands.

Lang Ruoxian asks again: "Have you eaten the porridge?"

"Yes! Mommy didn't eat it all, but Gungun did."

Lang Ruoxian looks at the thermometer: "You can either let me touch you or let me put this stuff under your arm."

"Put it here!" Gungun holds up his arm: "Help Gungun put it."

No one corresponds to him...

Lang Ruoxian and Yan Hua are competing against each other by looking at each other's eyes. After ten seconds, when Yan Hua is going to make compromise, she hears her son suddenly cry.

"Gun... Gungun has eaten the meal and porridge. Why... Why doesn't Uncle praise Gungun..."

Yan Hua does not dare to hold him, she casts a glance at Lang Ruoxian. Lang Ruoxian picks up the little fatty: "I'm sorry! It's uncle's fault! Uncle will ask you again, OK?"

.."Uncle... Ask."

So Lang Ruoxian repeats the conversation which happened just now, and then praises that Gungun is sweeter than his mother. Finally, he put the thermometer under Gungun's arm, pretending to measure the temperature of his body...

"Hee-hee-hee!" Gungun is particularly happy, feeling that he is just like his mother. He lies there motionlessly, fearing that the thermometer will fall down.

After a few minutes, he looks straight into the eyes of Lang Ruoxian. And Lang Ruoxian takes it out, pretending to look at it, and says, "Well, Gungun doesn't have a fever and doesn't need to get injections."

“Gungun is a good boy!” Gungun claps his small hands and points to Yan Hua: “Mommy, you should behave well.”

Lang Ruoxian takes the opportunity to touch Yan Hua’s forehead: “Listen, you should be a well-behaved Mommy.”

Yan Hua doesn’t want to say anything.

Lang Ruoxian sleeps on the sofa at night. Fortunately the sofa in the bedroom can be unfolded and turns into a bed, otherwise he cannot even stretch his legs. But before that, Yan Hua asks him to sleep in the living room, and the sofa there is big enough.

“You know that there are a lot of people coming to the island today.” Lang Ruoxian looks at her with a cool look. “They are real bad asses. If I don’t rest well and something happens, the unlucky ones are still you... and Gungun.”

So he manages to stay in the bedroom.

He looks very proud.

In the middle of the night, Lang Ruoxian goes to touch Yan Hua’s head every other hour. At first, Yan Hua pretends to be sleeping, but later she does not know when she really falls asleep. Before she falls asleep, she is thinking that whether she should tell that guy not to guard them and that he can sleep...

When she is conscious, the day breaks.

“Mommy!” Gungun stands on the edge of the bed, watching her with a cute look.

Yan Hua finds that he has changed his clothes.

“Uncle! Brush teeth!” Gungun makes the gesture of brushing teeth, showing that he has brushed his teeth.

Lang Ruoxian comes out of the bathroom and he is dressed in a very casual way with black cotton pants and white shirt. For the first time, Yan Hua sees that he dresses like this, so she stares at him for a while. Until she finds that the man hangs up the edge of his mouth, she coughs twice.

“I’m all right.”

“You didn’t have a fever yesterday. I just asked the doctor and you still need to take an infusion. You must do it now. It is not too late to go out and play after doing this.”

Yan Hua wants to say that she will wash her face, but Lang Ruoxian has called the doctor. When the family of Fei Ying come over, half of the liquid has been infused into Yan Hua.

“How are you? Do you feel better?”

“Much better. I’m not feverish.” Yan Hua looks at the watch: “You can go to the restaurant first. Don’t wait for me. I just ate a bowl of porridge.”

She can’t get the infusion without eating anything, so Lang Ruoxian told the kitchen about it very early

“What about Gungun?” Fei Ying asks. “Would you like to go to the restaurant with Aunt?”

Gungun shakes his head, he climbs onto the bed within few seconds, and grasps Yan Hua’s arm. Mommy lets him keep close to her today. Nice!

“You can go first. I will call the waiter to send it here.” Thinking about something, Lang Ruoxian says again: “Let K wait for a while. Yan Hua will come with us after infusion.”

Fei Ying makes a gesture, expressing that it’s OK. But Fei Yi doesn’t say anything from the beginning to end. When they come out, Fei Ying asks him what happened.

“Nothing. I was calculated by Lang Ruoxian.” Fei Yi takes her hand. “I will find an opportunity to calculate him.”

When Fei Ying hears that it’s about Lang Ruoxian, she knows that nothing is serious. Sometimes man is just like a child.

After dinner, they tell K that they need to wait for Yan Hua and set off after a while. However, Sadie refuses to do it.

“Why let everyone wait for her alone. Is she a queen?”

Fei Ying glances at her. She wears a low-cut vest and hot pants with her two long legs swaying. This triggers the fire of lust in Guton’s eyes.

“Sorry, my friend is sick and it will only take ten minutes. If she doesn’t come in ten minutes, we will set out.” Fei Ying feels that this really needs others to make compromise, so she says very politely.

Sadie planned to make troubles, but now she has no reason. She snorts: “We won’t wait one more minute!”

Chapter 83 Lang Ruoxian’s Calculation

“Sorry to keep you waiting.”

Five minutes later, a female voice says at the restaurant door.

Everyone looks up and sees Mr. Lang who showed up yesterday. He is holding a child and a woman is standing in front of him, who is in denim shorts and red T-shirt. The woman is very beautiful, whose flamboyant beauty is enough to overshadow all the other women. Her sparkling eyes make people come under her spell, but also make them feel ashamed to dare not profane her.

“Yesterday I found the child and Mr. Lang look alike. Is he your son? How lovely he is!” Mrs. Kim speaks first, “Besides, your wife is really beautiful. She is the most beautiful Chinese I have ever seen!”

Yan Hua is about to say no when Lang Ruoxian pushes her gently. “Thank you, madam. You are also very beautiful. Since everyone is here, can we set out?”

“If it hadn’t been for waiting for you, we would have set out earlier!” Sadie looks at Yan Hua with burning eyes.

Sadie thinks that she is too unwise this time. Although Fei Yi’s wife is also very beautiful, she looks small and petite like a little girl. Sadie doesn’t take Fei Ying seriously, for she is just a little girl.

But today this woman looks sharp. Sadie has never seen anyone looks so flamboyantly beautiful. Undoubtedly, she dresses very conservatively and does not expose any sexy parts of her body, but she is still sexy and stirring.

“Come on, come on! The car is ready.” K pretends to be ignorant of the tense atmosphere, kicking Guton.

Guton almost fixes his eyes on Yan Hua’s body. K warns Guton while everyone walks out.

“Don’t say I didn’t help you. Since you are my acquaintance, I’d like to warn you not to touch that woman.”

Guton rubs his thumb. “There is no woman who can’t be touched. If I can make her feel fucking awesome, I don’t believe she won’t let me touch her.”

“Before you feel fucking awesome, Mr. Lang will let you die first.” K glares at him. “I’ve warned you anyway. It’s up to you to listen to me or not.”

Seeing Guton’s indifferent look, K doesn’t want to discipline him any more.

Two SUVs are arranged because they want to travel around the island. The four adults with two babies who are of Yan Hua’s side are in a car, and K is in the other car with other four people.

“Dear Yi! I shall drive to lead the way and you will follow me.” K is obviously in a good mood and whistles to get on the car.

Fei Yi sits in the driver’s seat, and Lang Ruoxian sits in the copilot seat. This is the first time for Gungun to sit in such a car. He keeps stretching out his hand to show his will to sit in the copilot seat, so Lang Ruoxian holds him over.

Seeing Gungun do so, Xiaojiu wants to sit the front row, too. Lang Ruoxian has no other way but to hold the two children, one in each hand.

“Is it okay or not? Let them sit back.” Yan Hua is very worried, because the road becomes very bumpy after the car drives for a while, and the surrounding woods become more and more dense.

The two little children are also scared and hide in their mother’s arms, but they can’t help secretly looking outside. Gungun has been opening his mouth when he sees the trees so high. From time to time, people can hear him gasp with admiration.

“Wow!”

“Ah!”

“Aha?”

The cars drive all the way to the southernmost tip of the island. Everyone gets off the car and the whole island could be overlooked from here.

“Down here is the hot spring.” K introduces cheerfully, “Besides, there is an underground river that surrounds the whole island. If it is developed, it will not take us so long to travel around the island.”

The conditions and environment on this island are really good, otherwise K wouldn't have spent a lot of money to buy it. If it can be developed well, it will be another hot spot for consumption.

“Hot spring hotel and island custom can be seen everywhere, OK?” Guton curls his lips. “You tell me how much you want for such an island which has no special features?”

K smiles, “I called you here just for fun, and I know you wouldn't be interested.”

“Come on, let's go there and have a look!”

The cars continue to drive along the coastline. Gungun sees the sea and wants to go down to play. He is finally coaxed and promised to be taken to play in the sea tomorrow.

“It costs us almost two hours.” Fei Yi has been calculating the time. “It will be faster when the road is to be repaired.”

Lang Ruoxian's arm is placed on the car window. “It will save one hour. The time will be just proper.”

A casino doesn't need to be too big. If the casino is too big, it will be easy to have accidents, and it is not easy to manage. If the casino is too small, it will be inferior. It is the right size now.

“Have you noticed the underground river?” Lang Ruoxian goes on to say, “The dock can be directly built underground as a passage for special guests.”

Fei Yi smiles, “Have you had a well-thought-out plan?”

“I have just received information that the Democratic Party in G Country disintegrated five hours ago.” Lang Ruoxian smiles faintly. “This island belonged to G Country before. Now they are carrying out domestic restructuring. We can apply for secession from G Country at this opportunity.”

Fei Yi looks solemn. “Then we must talk to K immediately. The ownership of the island must bear our names on it.”

“Yi!” After listening to them all the time, Fei Ying interrupts, “Why do you want to apply for secession? Wouldn’t it be uncontrolled then?”

“What is needed is being uncontrolled.” Fei Yi stretches out his arm to touch his wife’s head. “It will not be subject to any law, just like the high seas.”

Even Yan Hua is taken aback. “That is to say, you can do whatever you want to do in this island in the future?”

There will be no law to restrict illegal things such as murder, arson, gambling, and so on, anyway.

“We need to move fast. It only takes 24 hours for them to restructure. We need to apply for the island into the high seas before that.”

At noon, they do not eat together. Sadie feels angry and depressed when she sees Yan Hua, so she goes back to her own room when they arrive at the hotel. Others leave for unknown reasons. Finally only Yan Hua and Fei Ying with the two babies eat together.

“Daddy?” Xiaojiu cares why Fei Yi does not come to dinner.

Fei Ying puts a small bib on her. “Daddy, Gungun’s uncle and the bearded uncle have gone to talk about work. Xiaojiu will eat first!”

After the meal, Yan Hua and Fei Ying take their children back to their rooms for a nap. After waking up, they go to the seaside to play. When it is time for dinner, Lang Ruoxian and Fei Yi show up, with K following them. K is very excited.

“We’ll go back to our room to eat dinner ourselves. You go to solve those problems.” Fei Yi pats K on the shoulder. “If you can’t solve those problems, the peak of life you just described will be gone.”

K is excited like he has been injected with stimulants. "Set your mind at rest! Now, whoever stops me, I shall exert the utmost strength to fight against him!"

"Have you had a deal?" Fei Ying asks when they are back in the room, "Are we leaving then?"

Fei Yi kisses her. "Yes, we shall leave overnight for it will be very troublesome if we stay."

"I only wore one of my swimsuits once." Fei Ying speaks in a pitiable voice.

Fei Yi holds her up. "Let's go to another island to play!"

In Yan Hua's room.

"Shall we pack up?"

"We shall leave overnight." Lang Ruoxian pushes the soup over. "Drink more."

Yan Hua takes a sip of it naturally and asks, "Is it difficult to deal with?"

"We shall leave because it's already done." Lang Ruoxian's eyes gleam softly. "Do you still want to play?"

"Yes!" Gungun crawls up his body. "Uncle, Gungun, sea! Big..."

Yan Hua touches her son. "Gungun feels the sea here is more beautiful than that of ours."

The color of the sea near cities is black, not this kind of sapphire blue...

"Then we'll go to another island." Lang Ruoxian says, "Fei Yi also has such arrangement."

Yan Hua stares at him. "Since everything has been arranged, why didn't you just say so?"

"You didn't ask me." Lang Ruoxian looks very reasonable. "We'll fly to Xin Country first, and you'll need an infusion tomorrow. Make sure you're all right and then transfer to another island for vacation."

Yan Hua hesitates. If Gungun is not so happy, she actually wants to go back. It's too dangerous for her to be with Lang Ruoxian. He has been considerate

right down to the most trivial detail of everything for her in the past two days. She is not stone-hearted and will be moved by him one day.

Their relationship is like being on the edge of a cliff. One more step will make her fall into the abyss. She must make a pause on the brink of a precipice.

“What’s the matter?” Noticing that she suddenly stops talking, Lang Ruoxian supposes that she might be unsatisfied with the arrangement.

Yan Hua shakes her head. “It’s okay. Then I’ll go packing up.”

Under the cover of night, they quietly leave the island. Yan Hua is seasick again as was expected. After boarding on the private plane of Fei Yi’s, she begins to fall asleep. When she wakes up, the plane has flown over more than half of the earth back to the other side.

“Let’s go to the hotel, which I have already arranged.” Fei Consortium has companies here, including the hotel where they will stay.

Yan Hua jokes with Fei Ying on the way.

“I’ve been on a plane for more than ten hours just for an infusion therapy.”

“Ha ha ha!” Fei Ying laughs. “At least it proves that you feel nausea on speedboat. It is also strange that you don’t feel nausea on your own yacht.”

Yan Hua rolls her eyes at her. “Can that be the same? How fast the speedboat is!”

After the doctor checks Yan Hua, he is sure that she is all right and needs no more infusion. Fei Ying suggests celebrating her recovery by eating a Michelin dinner!

“This restaurant has to be made an appointment one week in advance! It is said that it is one of the best Michelin restaurants in the world.” Fei Ying picks out a red dress for Yan Hua. “I think red is especially suitable for you, which makes you extremely beautiful.”

When Yan Hua was in He Family, He Mingkai never bought her any red clothes, saying that dressing red clothes would make her too ostentatious. At that time, she didn’t care. It was just a dress, anyway. Later, when she arrived

at Lang's mansion, she could choose clothes at her will. She found herself so partial to red.

"Let's go! Men will be head over heels in love with you as soon as you go out." Fei Ying pushes her out. Fei Yi and Lang Ruoxian are in the living room with the two children.

"Wow!" Says Gungun when he sees his mother. He runs to embrace Yan Hua's leg. "Mommy! Beautiful!"

"Very beautiful!" Lang Ruoxian undisguisedly looks at her. Yan Hua scratches her face, feeling a little hot.

Fei Ying, taking Fei Yi's arm, has already left the house. Gungun runs back to Lang Ruoxian's arms on his own initiative. "Uncle, hold me!"

"Let's go." Lang Ruoxian makes a gesture of invitation.

When Yan Hua walks past him, she hears the man whisper.

"I really want to lock you up..."

Yan Hua is astonished.

Is there something wrong with him again?

"I almost bit off my tongue when I ate the delicious steak just now!"

"And that dessert, it was so delicious!"

After eating the standard French dinner, Fei Ying is full of praise all the way even when she is out of the restaurant. Not only does she praise it herself, but also she arouses Gungun to praise it, too.

"Is the meat just eaten yummy, Gungun?"

Gungun answers, "Yummy!"

"Do you want to eat it again?"

Gungun answers, "Yes!"

"Well, go talk to your uncle."

Gungun tugs at Lang Ruoxian's sleeve and says, "Uncle, eat meat!"

"Ah!"

Suddenly someone screams at the entrance of the alley.

"Help! Can anyone help us? Help!"

Chapter 84 Meet a Friend in Another Country

Yan Hua thinks why the sound is familiar and hears Fei Ying ask.

"Hua, do you think this sounds familiar?"

"Yes..."

Yan Hua looks around. It is not too late. People are hurrying to and fro on the road. Several men have heard the shouts and gone there.

Lang Ruoxian and Fei Yi hold the children in their arms and guard the two women behind them.

"Someone has passed by. Don't move." Lang Ruoxian hands Gungun over to Yan Hua, takes a few steps forward and sees two men running out of the alley quickly. When they see Lang Ruoxian, they startle a little and then punch him.

"Be careful!" Yan Hua cries.

Fei Yi looks like enjoying the show, and Fei Ying stares at him.

"Don't worry, he can cope with..." Before he has finished the whole sentence, he sees Lang Ruoxian be knocked down.

All of them are speechless.

The two men strike down Lang Ruoxian and rush to where Yan Hua's direction. But they are kicked down one by one by Fei Yi. People who chase behind them hurriedly pin them on the ground. Yan Hua sees Lang Ruoxian get up from the ground and hurries to him.

“Are you all right?”

“I am fine...” Lang Ruoxian’s corner of the mouth is bleeding, but he doesn’t look dispirited. The bloodstain matches his face, making him look vulnerable but beautiful.

Yan Hua coughs twice. “Don’t rush forward when meeting such things in the future.”

He is in poor health and has transplanted his heart, which everyone knows.

Fei Yi also knows it, but he doesn’t expect Lang Ruoxian... to be so vulnerable.

“You should take exercises and learn some self-defense at least.” He touches his nose with a sort of guilty haste.

Fei Ying gives him a pinch. “Not because you didn’t help, he wouldn’t be beaten down.”

“I also want to...” Lang Ruoxian takes Yan Hua’s handkerchief and wipes his mouth. “But my body can’t bear it.”

Gungun’s tears are coming down. He reaches out for Lang Ruoxian’s arms and blows at his face.

“Gungun blows! The pain flies away. Uncle doesn’t cry.”

Lang Ruoxian kisses him. “Thanks, Gungun. Uncle doesn’t feel painful now.”

“Yan Hua? Fei Ying?” A female voice calls them.

Yan Hua sees that this is in fact one of her acquaintances!

Huang Rong helps a girl to come over. “What a coincidence! You also come to Xin Country to play!”

“Did you just call for help?” Fei Ying asks, “Is your friend all right?”

The girl just lowered her head, but she is staring blankly at Lang Ruoxian at this moment. Huang Rong gives her a push and she slowly reacts to stammer, “I am fine except I sprained my ankle.”

Huang Rong and the girl who had been her classmate went to a nearby night market to eat snacks. But someone targeted them and covered their mouths to drag them into the alley. Fortunately, Huang Rong learned some self-defense techniques at ordinary times and broke loose to shout for help. This was what happened just now.

“Who is the woman who has just been harassed?” The quality of the people in Xin Country is generally relatively high. Just now so many people went to save them, and someone called the police. The police don’t ask the victims to go to the police station to take a statement. They just ask about the situation and ask Huang Rong to sign on the record of inquiry, and it will be all right.

“We will detain them for three months. We hope it will not affect your travel mood!” Finally, the police also tell them with special thoughtfulness.

Fei Ying praises, “Look! How hospitable people they are!”

“Which hotel do you stay in?” Yan Hua asks, “We’ll take you back, but should your friend have her ankle treated in a hospital?”

Huang Rong looks at her friend and the girl says, “I don’t need to go to the hospital for I haven’t hurt my bones. I shall just buy some medicated wine and rub my ankle.”

Coincidentally the hotel Huang Rong stays in belongs to Fei Consortium, which means they stay in the same hotel.

“This is just right. Let’s go!” Fei Ying opens the door. “Let’s huddle together.”

Arriving at the hotel, Huang Rong does not bother Yan Hua and other people. She helps her friend into the elevator.

“Is that Childe Ruoxian of Lang Family?” Xue Juan asks, “He is really good-looking, even better than in magazines.”

Huang Rong laughs at her. “You fixed your eyes on him just now. Is he really so handsome in your eyes?”

“Of course, he is very handsome in my eyes. I’m not like you who can often maintain contact with these people. This is the first time for me to see them with my own eyes! For the first time. There is also President Fei, who really dotes on his wife as the Internet said, holding her hand all the time.”

“Besides, that Yan Hua is really beautiful. Has she had plastic surgery? I have never seen any real person so beautiful before.”

Huang Rong rolls her eyes at her. “Didn’t you see those two little babies? They are so cute. Of course, they inherit the beauty of their parents.”

“Oh, I had been watching Mr. Lang only while ignored to see the babies.” Xue Juan is totally crazy about him. “He is so handsome. Does he have a girlfriend?”

“I haven’t heard of it.” Huang Rong says cautiously, “You don’t have ideas about this, do you?”

Xue Juan answers in a disapproving voice. “I’m not stupid. I’m not from the same world as he is. I just appreciate him. Do you understand what pure appreciation is?”

Arriving at the room, Xue Juan is still nagging, “But back to where we discussed, if I am not qualified, you will be qualified, won’t you?”

“Give it up. Here is medicinal oil, and hurry to rub your swollen ankle with it.” Huang Rong throws over a bottle of medicinal oil to her.

Xue Juan catches it. “I mean it! Can’t you forget the love rat whose family name is He?”

“Don’t make a fuss. The newspaper wrote indiscriminately that I fell in love with him at first sight. Even if other people believed it, you shouldn’t believe it!” It was just a casual remark made by the two families for the sake of buildup to form an alliance by marriage.

“Then you should find a boyfriend.” Xue Juan sighs, “You’re a rich young lady now. You should set a higher target!”

She and Huang Rong have been classmates since primary school, all the way to junior high school and senior high school. Their family financial situations were similar before. But since their second year of junior high school, the business of Huang Rong’s family became bigger and bigger. When they were in college, Huang Rong moved with her family to G City. After graduation, she came to G City to find a job. Only then did she know that Huang Rong’s family had been so rich.

“You’d better make good preparation for your work rather than spend time worrying about other people. Don’t you have to work after going back? I can tell you that I won’t open the back door for you!”

Xue Juan rolls her eyes. “I entered your company because I overcame all the difficulties in the way to pass the exam. Not because someone knew that we were classmates!”

“Yes, yes, you are the best!” Huang Rong changes her nightgown. “How’s your ankle after being rubbed?”

...

Lan Kwai Fong is a place where most bars in Xin Country gather. The darker it is, the more people are here at night. A man rushes into a messy bar to find a bald man who is holding and kissing a woman.

“Brother Mouse, something has happened.”

The man called “Brother Mouse” raises his head from the woman’s chest and issues a “tut” sound. He is disturbed and unhappy. “Won’t you choose another time? Has the sky fallen?”

“The goods are lost.”

“What?” Brother Mouse pushes away the woman sticky to him and stands up. “How did you lose them? Where did you lose them?”

Yan Hua and other people board on the plane again the next day and fly to an island where Asians love to go. It is crowded on the island. Especially it is during the holiday, so there are more people than ordinary time. However, Lang Ruoxian and Fei Yi both have villas here, with private beaches.

“Did you discuss when you bought the villas?” After arrival, Yan Hua and Fei Ying are happy.

The two villas are next to each other.

“The villa area in this area is the best.” Fei Yi says, “But it is really a coincidence for us to live next door.”

Fei Ying is particularly happy and feels that she and Yan Hua are too predestined friends. Lang Ruoxian is also very happy for finally he is able to

be alone with Yan Hua. Yan Hua originally wants to say that she will live in Fei Ying's house, but when she sees the way Fei Yi looks at her, she doesn't say so.

"Is this room okay for you?" Lang Ruoxian carries their luggage to the second floor and pushes open the door of the large room with a balcony.

Yan Hua embarrassedly comes in, while Gungun has run in and turned around the room, then happily jumps into Lang Ruoxian's arms.

"Uncle, is this Gungun's home?"

"Yes, it is Gungun's home." Lang Ruoxian touches his little head. "I'll take you to the seaside later."

Yan Hua watches the interaction between them. She doesn't know why she feels sour in her heart. Now Gungun is still small, but when he grows up and becomes sensible, will he feel sad to know the complicated relationship in this family?

"What's the matter?" Lang Ruoxian notices that she looks pale. "Are you hungry?"

"No." Yan Hua shakes her head. "After eating so much on the plane, how can it be possible for me to be still hungry?"

Lang Ruoxian keeps staring at her for a long time, which makes Yan Hua fluster to wink. "I... I want to change clothes. Please take Gungun out to play."

"Mommy?" Gungun and Lang Ruoxian are driven out of the room. Gungun looks blankly at Lang Ruoxian.

Lang Ruoxian smiles. "Mom is feeling shy."

"Oh!" Gungun nods cutely, then says, "Uncle, kissed Mommy?"

It takes several seconds for Lang Ruoxian to realize what Gungun means. He smiles faintly. "Uncle didn't kiss your mom. Your mom is feeling shy for her own reason."

"Oh!" Gungun points to the outside, "Go to look for Xiaojiu."

Lang Ruoxian takes him to Fei Yi's house next door. Before they enter, they can hear Xiaojiu crying loudly.

"Xiaojiu! Xiaojiu!" Gungun hurriedly jumps from Lang Ruoxian's arms to the ground. As soon as the door opens, Gungun rushes in.

Fei Yi rubs his forehead and let Lang Ruoxian in. Lang Ruoxian sees Xiaojiu standing on high heels in front of Fei Ying, crying poorly.

"Didn't mommy tell you that you shouldn't wear mom's shoes?" Fei Ying is teaching Xiaojiu, "You not only wore it, but also went downstairs with high heels by yourself. What if you fall?"

Xiaojiu feels so wronged that she cries at the top of her voice.

"Xiaojiu, don't cry! Xiaojiu, don't cry!" Gungun wipes tears for her.

Xiaojiu sobs, "Mommy... Sorry... I'm sorry. I... I won't... I won't wear it anymore."

"Then you tell the high heels." Fei Ying continues to keep a straight face.

Xiaojiu looks at Fei Yi, but Fei Yi hurriedly turns his head. He just confronts Lang Ruoxian's mocking face.

"When Yan Hua is teaching Gungun, do you dare to interrupt?" Fei Yi asks coolly.

Lang Ruoxian's face changes color.

Xiaojiu takes off her high heels, squats down and tells the shoes.

"Sorry... I'm sorry, I... I won't wear you anymore." She might feel it is wrong to say so, and adds, "Until... Until I grow up, I will wear you when I grow up..."

Gungun pats his chest. "Gungun, buy, for Xiaojiu!"

"Go washing your face and play with Gungun!" Fei Ying holds back her laughter and takes Xiaojiu to wash her face.

After washing Xiaojiu faces, the two little children take their beach toys to play on the beach behind the villa. Fei Yi and Lang Ruoxian sit under the corridor

to talk about things. It is unknown what Gungun has given to Xiaojiu to make her giggle happily.

“Thank you, Gungun!” Xiaojiu kisses Gungun.

Gungun happily kisses her back.

When Yan Hua comes over, she sees her son kissing Xiaojiu again. Xiaojiu leans over to make it easier for him to kiss...

Chapter 85 Late-night Telephone

Gungun is sleepy early because he is so tired after playing all day. Yan Hua takes a bath when he falls asleep. When she comes out from the bathroom, she finds a message on her mobile phone.

“Hand it in!” There is only a sentence in the message from a strange number.

She wipes her hair and thinks maybe someone just makes a wrong message. So she deletes it and doesn't care about that. When she just lies down and wants to turn off the lights, the phone suddenly rings. Yan Hua doesn't want to wake up Gungun. So she quickly answers the phone.

“Hello?”

“Give me your diamonds. Or I'll kill your friend.”

Yan Hua is shocked and looks at the number again. It is the one who has just sent the message. She is a little angry. It's so boring to make a prank at night.

“I don't know you. If you harass me again, I'll call the police.” After saying that, she hangs up the phone.

That guy immediately calls again. Before Yan Hua says something, she hears a sound from the phone.

“Yan Hua, I am Huang Rong!”

Lang Ruoxian takes a bath. Then he sits down with his bathrobe. He opens his phone to see Yan Hua's photos taken in the daytime. In the photos, Yan Hua wears a red swimsuit showing her two long legs. He closes his eyes and can't help thinking that little woman.

The door opens suddenly as he is about to put his hand between the legs.

"Lang Ruoxian!"

Lang Ruoxian's hand shakes and his mobile phone falls to the ground. He quickly puts on his nightgown to cover the high bulge between his legs.

"You..." Before he tries to hide his panic, Yan Hua has rushed to him and holds up her cell phone in front of him.

"Huang Rong is kidnapped. They said we took their diamonds. Is that true?"

Huang Rong's photo is on the mobile phone. She is bundled like a zongzi. She just lies there and looks scared.

"Did they just call you?" Lang Ruoxian quickly becomes serious and immediately asks, "What else did they say?"

Yan Hua shakes her head, "Nothing. They just said we should hand over the diamonds or they will kill Huang Rong."

Lang Ruoxian sees that Yan Hua is frightened. He pats her shoulder. "Don't worry. I'll call Fei Yi."

"Oh, my God! Is she really kidnapped?" A few minutes later, Fei Ying and Fei Yi rushes over. Fei Yi still holds Xiaojiu who is sleeping in his arms.

Yan Hua is worried, "Put Xiaojiu into my room first. Let her sleep with Gungun."

Four adults gather in the living room and begin to discuss the serious matter.

"Why should we hand over the diamonds? What kind of the diamonds do they want?" Fei Ying looks blank.

Yan Hua looks as blank as Fei Ying, "I don't know. At first I thought they just wanted ransom. But later I heard that they believed we took a bag of diamonds from them."

“A bag?” Fei Ying’s eyes become round. “Although there are many diamonds in a bag, we won’t take advantage of it.”

When she got married, 999 diamonds were inlaid on her wedding dress.

“The point is that we haven’t seen a bag of diamonds at all.” Yan Hua says, “It’s all weird.”

Lang Ruoxian and Fei Yi looks at each other. Then Lang Ruoxian says, “First of all, do you know the character of Huang Rong is reliable?”

“It’s a good girl with correct values.” Yan Hua says, “I’m sure she won’t cheat people like this.”

“Even if she has wrong values, she dares not deceive us by such a thing. Her company is still in G City.” Says Fei Yi.

“There are only two possibilities now.” Lang Ruoxian knocks on the table. “One is that they make a mistake that they think their diamonds are in our hands. The other is that the diamonds are in our hands, but we don’t know.”

Fei Ying doesn’t believe what he said, “That’s a bag of diamonds! If they’re really with us, how could we not know?”

Yan Hua has a look at her and stands up. “Let’s check the suitcase.”

“I’ll go back with you!” Fei Ying runs away after saying.

Five minutes later, the two women return.

“I even checked my cosmetic bag. I don’t find any diamonds.” Fei Ying lies on Fei Yi. “Except my own diamonds!”

Yan Hua looks at Lang Ruoxian, “Did you check your suitcase?”

“Don’t do that. There are no diamonds.” Lang Ruoxian is very confident about his own things. If there are diamonds, he will know.

Fei Yi looks at the clock. “It’s too late. Take a rest first. I’ll contact Xin Country and see if I can find a peacemaker to talk to the rubbers.”

“But this evening Huang Rong will...” Yan Hua has some guilt. If it is really related to them, Huang Rong is implicated by them.

Lang Ruoxian pulls her up, "You should take a rest. I and Fei Yi will deal with it overnight."

"Yi, thanks you to do this!" Fei Ying kisses Fei Yi.

Yan Hua's eyes glance at Lang Ruoxian, who looks at her gloomily.

"I... I will back to my room now." Yan Hua turns and runs.

Are you kidding? Do you also want a kiss according to your eyes?

Fei Yi always has a good relationship with mafia. He finds someone for help and soon he gets the result. A man is willing to be the peacemaker. Brother Mouse refuses to let Huang Rong go. But he will find a hotel to let her rest. At least he will not hurt her.

"I think we had a bad holiday." In the morning, Fei Ying complains as she packs up her things. "We are always unlucky when we are in the island!"

"We'd better look at the almanac the next time we go out." Yan Hua also feels very unlucky. Lang Ruoxian and Fei Yi come in.

Fei Yi takes Fei Ying's suitcase. "You two can stay in the island and play with children. Lang Ruoxian and I will go back to Xin Country."

"But... Is that all right?" Yan Hua looks at Lang Ruoxian.

Lang Ruoxian laughs and says, "You can't help us even if you go there. Besides, you can only stay in the hotel when you go back because of the two little kids. You'd better stay in the island."

"Yes..." Fei Ying nods. "You have to be careful. After you save Huang Rong, please bring her directly to the island!"

When Lang Ruoxian and Fei Yi are about to leave, Yan Hua receives another call. Strangely, it's Huang Rong's mobile phone number.

"Yan... Miss Yan?" The voice of the person is very frightened. "Is this Miss Yan Hua, please?"

"I am. Are you Huang Rong's friend?"

Xue Juan bursts into tears suddenly, “Miss Yan, Rong is missing. She went downstairs last night to buy something and she hasn’t come back. Shall I call the police?”

“Don’t cry. We know where she is.” Yan Hua stretches her hands to Lang Ruoxian and Fei Yi.

Fei Yi reaches out and Yan Hua gives him her mobile phone.

“Now you should pack your bags. I’ll ask the hotel to take you to the airport. Then someone will bring you to us. You don’t have to worry about Huang Rong. We’ll deal with it.”

After hanging up the phone, Fei Yi says, “Let her come. In case anything else will happen.”

Two men leave. Yan Hua and Fei Ying have no appetite for dinner. But two little kids have to eat something. Gungun wakes up at 9 o’clock and he runs to Lang Ruoxian’s room.

“Gungun, your uncle is not here.” Yan Hua brings him back.

Gungun stares at her with his big eyes, “He isn’t here?”

“Well, your uncle went out with Xiaojiu’s father to do something.”

“Take me. Take me to play!” Gungun bursts into tears immediately.

Yan Hua knows that Gungun means that Lang Ruoxian promised to take him to the seaside yesterday. But her son is so fragile that he cries at all times.

“Your uncle is busy. Can you wait for him when he comes back?”

Gungun cries suddenly. He begins to wave and kick and refuses to listen to her as if he was hit by some kind of life. When Yan Hua wants to talk to him in a soft voice, Fei Ying comes in with Xiaojiu.

“Gungun?” Xiaojiu runs to Gungun when she sees him crying sadly.

Gungun pours his mouth. He leaves Yan Hua and hugs Xiaojiu suddenly. Fei Ying holds their backs immediately. Otherwise they will fall together.

“Xiaojiu...” He cries.

Fei Ying is happy, “What’s wrong with him? How sad our Gungun is! Is his heart broken?”

“Broken...” Gungun hurriedly covers his chest. But unfortunately he can not distinguish where his heart is. So he covers the left chest.

Yan Hua shakes her head and says, “Leave him alone. He’ll be all right in a minute.”

“Wow...” Hearing the pitiless words of Mommy, Gungun cries louder.

Fei Ying wants to hold him. But Yan Hua stops her. She points to Gungun’s head and says, “If you don’t cry now and wash your face, I’ll take you to the beach.”

“Auh!” Gungun sobs, “I don’t cry... Mommy...”

“Go to wash your face.” Yan Hua stretches out her hand.

Gungun holds Yan Hua’s hand. When they go out, Gungun remembers to turn back and says to Xiaojiu, “Xiaojiu... Xiaojiu. Wait for me!”

“Okay!” Xiaojiu nods hard.

When Lang Ruoxian and Fei Yi return to Xin Country, their old friend who is the peacemaker takes them to look for Brother Mouse. But he begins to curse when he receives a call.

“Damn it. Did they take Huang Rong away?”

“Where did they take her?”

“Damn it. Go to find her quickly!”

“Mr. Fei. What do you think?”

In fact, Brother Mouse is also an intermediate for others. Diamonds were stolen from a jewelry store in Xin Country last month. The robbers wanted to sell them through Brother Mouse. However, he didn’t give the diamonds to the buyer after he got the buyer’s money.

He didn’t give the money to robbers, either. The robbers were angry. They killed him in the morning and took Huang Rong away.

“Call the police.” Lang Ruoxian makes a decision immediately.

Fei Yi agrees with him. The peacemaker is relieved. It would be very troublesome for him to take charge of the affair again.

“Mr. Fei, you’d better take actions quickly. The robbers are all murders. Don’t delay too long. I’m afraid they may hurt your friend.”

The peacemaker gets out of the car and is sorry for not helping them. He tells Fei Yi that they can find him next time. Fei Yi sends the man away and asks Lang Ruoxian, “Do you really want to call the police?”

“It is useless.” Lang Ruoxian shakes his head. “They are so slow to take actions.”

Fei Yi sees that Lang Ruoxian has a look at him, “You’ve figured out that I can handle this, haven’t you?”

“The peacemaker is not the only friend of you in the underworld.”

Fei Yi glares at him and takes out his cell phone.

Xue Juan arrives at noon. She is sitting in a wheelchair. Gungun and Xiaojiu pay special attentions to her. They always look at her at the meal, as if they are afraid of her sudden death.

“I haven’t seen any diamonds!” Xue Juan listens to the thing with a blank face. “To be honest, all the diamonds I’ve seen in my life are in jewelry stores.”

She looks at the abundant seafood meal. But she has no appetite.

“I can’t think about what will happen to Rong.”

Fei Ying suggests, “You’d better also look for your luggage after dinner!”

According to Brother Mouse’s words, his two men with the goods liked the beautiful bodies of Huang Rong and Xue Juan. So they wanted to take them away. But their things brought to light and the police began to catch them. In a hurry, they put the bag of diamonds into the luggage of Yan Hua and others.

“We didn’t find the diamonds. It was so messy at that time. They may have misplaced it on you.”

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 86 Gungun's Little Star

Xue Juan also goes through her luggage and doesn't see any diamonds.

"It seems that we really don't have any diamonds." Fei Ying lies flat on the beach. Gungun and Xiaojiu dig sands not far away from them.

Yan Hua also sighs, "I hope they can bring Huang Rong back as soon as possible."

But they don't come back until it is dark. The two little kids are asleep. The three women sit in the living room. The sound of the waves comes through the glass door, soothing people's restless hearts.

"Pit-a-pat..." The sound of the engine breaks the calm.

Fei Ying stands up suddenly. "They come back!"

"Rong!" Xue Juan sees immediately that Huang Rong is the first person to run in.

Huang Rong cries when she sees them.

"Whoop... I thought I was going to die. Whoop..." Huang Rong embraces Xue Juan.

Yan Hua and Fei Ying rushes up to meet her. Huang Rong also falls into Yan Hua's arms to cry loudly.

"Are you all right?" Fei Ying embraces her husband and looks at him.

Fei Yi kisses her and says, "It's all right. Fortunately, our action is fast. Or they will kill her."

The robbers are all psychopathic, and one of them is a woman. When they arrived with partners to save Huang Rong, the woman was taking Huang Rong's clothes off. She wants to hang Huang Rong up and let other men to do something.

“What would the men do?” Fei Ying asks in a low voice when Fei Yi stops talking.

Fei Yi bits her ear, “Sometimes you like to eat my private parts.”

“..” Fei Ying pinches him.

Huang Rong’s eyes are swollen like a walnut. Yan Hua could not cook. So she just warms up the leftovers of night’s dinner in the microwave. Huang Rong is hungry for a day. She now cries while eating. And she tells others the food is so delicious.

Her nasal mucus even smears the dish. Xue Juan doesn’t know whether to cry or laugh. She just lets her eat slowly.

At last it is almost dawn. Everyone goes to rest. Yan Hua and Lang Ruoxian walk slowly to the second floor. Yan Hua asks him how they treated the robbers.

“The police arrived at the last minute and they were shot to death.”

Yan Hua smiles when she thinks the comments about police, “It’s more scared than hurt. Let’s arrange them to return home tomorrow.”

As Huang Rong has experienced such a terrible event, she is in no mood to play and just wants to go home quickly. Fei Yi books tickets of the next afternoon for them and asks someone to send them to the airport tomorrow.

“Ah! Can we have a good holiday now?” Fei Ying shouts to the sea, “But the diamonds are still missing.”

Fei Yi pulls Fei Ying over and puts sunscreen on her. “That’s the police’s business. It’s none of our business.”

“We didn’t take it away.” Yan Hua is lying in a beach chair with sunglasses.

Lang Ruoxian sits next to her and bents slightly. “Do you want to use sunscreen?”

“Yes.” Yan Hua snatches the sunscreen from his hand. “I have my own hands.”

No one knows when Gungun runs to Lang Ruoxian's side. Gungun gives Lang Ruoxian his own sunscreen. "Uncle! Gungun! Gungun. Use it!"

"Okay. I'll put it on you."

Like Fei Ying, Gungun lies on the beach with his little fat body. He lets Lang Ruoxian put sunscreen on him. He turns his head to give Yan Hua a cute smile from time to time. Yan Hua can't help smiling and thinks life is so beautiful.

Lang Ruoxian finds her smile. The man curves his lips.

His gloomy life gradually turns golden after meeting her. There is always a light waiting for him in the distance. Lang Ruoxian lowers his head and touches Gungun who is so comfortable, "There are still many imperfections. But we have a long time to solve that, haven't we?"

Yan Hua closes her eyes. She doesn't know whether what Lang Ruoxian said is unintentional or intentional. The time is long. But there's no hope ahead. Anyway, she just takes one step at a time. At least she is so happy now.

Maybe all the bad luck is over. The next few days they all have a good time. When they go back, Gungun is tanned, especially on his face. Fei Ying deliberately draws a little star on his face. So there is a figure of cute little star on Gungun's forehead after tanning.

"Mommy?" When they leave the island, passers-by laugh at Gungun when they see how lovely he is.

Gungun does not know what happened. He looks at Yan Hua in a panic.

Yan Hua lets him to look at a mirror, "There is a little star on your head. Everyone likes to see you."

"Wow!"

"Ah!"

"Aha!"

Gungun is so happy.

Gungun cherishes the little star on his forehead. He refuses to wash his face when he returns home the next day.

“I promise that the little star would not disappear after washing your face.”

“Don’t they disappear all the time?” He asks, covering his forehead.

Yan Hua thinks about it for a while and tells the truth, “It won’t be all the time. It will disappear slowly after a period of time. But when we go on holiday next year, it will come back! “

Gungun is going to cry when he hears the little star will disappear slowly. But when he hears that the little star could come back, he holds back his tears and stretches his head forward in a brave manner, “Mommy, wash my face!”

The next day Deng Jingjing finds them back when she goes downstairs.

“Ruoxian also went to Xin Country for a meeting. Did you come back together?”

Yan Hua is feeding Gungun fruit and nods, “Yes. We come across him.”

This is what Lang Ruoxian asks her to say. Others don’t know that he also went to the island.

“Just as I learned new dishes yesterday, you will have a good dinner tonight.” Deng Jingjing goes out to buy some food ingredients with dark glasses.

Yan Hua can’t understand why Deng Jingjing changes her life style suddenly. She becomes a cook woman of a rich family now, rather than a wealthy lady.

Lang Consortium.

“Young Master, Lang Li’s lover is following Deng Jingjing.”

Lang Ruoxian doesn’t raise his head, “Don’t care about them. Let someone stare at them.”

“Yes!”

Private Chef Teacher courteously sends Gan Lu out of the office. As Gan Lu passes the rest area, she sees Deng Jingjing sitting there. She thinks about it for a while. Then she walks there and sits down quietly.

Liu Li and Deng Jingjing look at each other and continue to talk about beauty.

“Do you also learn how to cook?” Gan Lu chips in.

Liu Li smiles and says, “Yes. But there are less young ladies like you to learn how to cook!”

“I... I want to make something delicious for my husband!” Gan Lu looks shy and raises her hand to touch her hair. They can see that her limited edition bracelet glitters in the light.

“Ah! This is the new set of limited edition diamond jewelry just produced by J’s. It’s very difficult to buy.” Liu Li asks enviously, “Where did you buy it?”

Gan Lu puts on a rather embarrassed expression on her face. But she shows off that, “My husband bought it for me! He is so kind to me that he buys me everything. So I think I should treat him well. That’s why I come to learn how to cook! “

“This lady, are you the same as those ladies in the classroom? Those ladies want to let their husbands go home so they learn how to cook.” This is a really penetrating question.

It seems that she cooks for husband in return for his kindness to her, but others are old and ugly and have to retain men by learning how to cook.

“Of course not!” The diamond ring on Deng Jingjing’s finger is the same big as a pigeon egg. She pats her bag that is more than one million yuan with red nails and says, “I’m interested in cooking. As for my husband... At this period, who cares?”

Liu Li nods, “Yes. Anyway, we have shares in the company, and the money is ours. It’s all right if he wants to play with women outside!”

“Who would say no? Can he really bring the woman home? Ha ha. Even if the woman is pregnant, it is possible that my husband will leave the child and let the woman go!”

“Oh, I remember a thing. You also have a set of jewelry like this lady’s, haven’t you? I remember you only wear it once. Why don’t you wear it again?”

Deng Jingjing laughs: “You know that I have so many jewelries. I won’t wear them after wearing them once or twice. I can’t remember where they are.”

Gan Lu has gone. Because she is afraid that she would lose control of herself if she continued to sit there.

“Whoop!” Deng Jingjing takes a sip at her figure. “What a stupid woman! How can she treat herself as a real lady?”

Huang Rong invites them to dinner when she knows Yan Hua and Fei Ying come back. She is considerate to invite them to a clubhouse where Yan Hua and Fei Ying used to go before.

“I heard that there was an explosion a few months ago near the clubhouse. So the clubhouse just finished its decoration.” Huang Rong shows them the menu.

Fei Ying looks scared. “We were there at that time!”

“Ah!”

After hearing Fei Ying’s words about the explosion, Huang Rong is also afraid. She looks at the cute Gungun and Xiaojiu and says, “People will get great blessings after escaping from death, you will surely live a hundred years.”

“Did you talk to your family about the kidnapping?”

“No, it’s over anyway. I don’t want to let them worry.”

After dinner, Fei Yi comes to pick them up. Huang Rong drives a car. So she offers to drive Yan Hua and Gungun home.

“I’m going your way. Take my car!”

Fei Ying’s home and Lang’s home are in the opposite direction. Yan Hua agrees to sit in Huang Rong’s car. While waiting for the traffic lights, Huang Rong looks back accidentally. The driver of the car behind her just pulls his head back into the car.

“Huh?” She frowns.

“What’s wrong?” Yan Hua also looks back.

Huang Rong starts the car, “The driver behind us looks familiar.”

“Can you see it clearly in the evening? Is it someone you know?”

“I don’t know...” Huang Rong scratches her hair. “I just feel that I might see him somewhere.”

Yan Hua sees that the car turns right and separates from them. “He’s gone.”

“Maybe I was wrong.” Huang Rong smiles, “Never mind.”

Another weekend, Gungun and Xiaojiu go to the parent-child education class.

“Mrs. Lang, Mrs. Fei. This way, please!” An unknown female teacher greets them with a smile: “Gungun, Xiaojiu. How are you?”

Yan Hua says, “You are...”

“Ah, I’m a new teacher. I teach Gungun’s class.” The teacher quickly introduces herself, “you can call me Tangtang!”

Following Tangtang to the classroom, Yan Hua feels relieved after seeing two other teachers. She still asks the principal of the kindergarten about the new teacher when she goes out.

“That’s an intern teacher. She hasn’t passed the internship yet. If there’s anything unsatisfactory, please don’t hesitate to tell me.”

“No. She looks very conscientious.” Yan Hua says quickly. She doesn’t want the girl to lose her job.

However, when she and Fei Ying come to pick up their kids, they see the principal running out of the classroom in a panic.

If you find any errors (broken links, non-standard content, etc.), Please let us know via our discord so we can fix it as soon as possible.

Chapter 87 A Woman Coming for Diamonds

“Mrs. Lang, Gungun is missing! Tangtang! It’s the intern teacher...”

Yan Hua's brain suddenly turns blank: "Where is Gungun? What's the meaning of 'missing'?"

"Principal, in the parking lot! In the parking lot." Another teacher runs out of the surveillance room. "She takes Gungun to the parking lot."

Xiaojiu runs out and cries: "Gungun! Gungun!"

"Don't cry, Xiaojiu. We've found Gungun." Fei Ying takes her up, but Yan Hua has followed the principal and security guards to the parking lot. So she quickly gives a call.

"Lang Ruoxian, come to the parent-child education class as soon as possible. Gungun has an accident!"

Lang Ruoxian is in a meeting, and when the private phone rings, he thinks it is Yan Hua. But when he finds that it is Fei Ying, his heart jolts. He immediately stands up and runs out after hearing her scream over the phone.

"General Manager Lang?" The people in the meeting room are all surprised.

Xiaokai hastens to keep up: "The meeting is ended!"

When Yan Hua rushes to the parking lot, Gungun is being held by Tangtang, crying for her when he sees her.

"Don't move!" Tangtang shakes Gungun very hard. Gungun is scared with tears standing in his eyes, red-faced.

"What do you want? Let my son go." Yan Hua takes a deep breath, trying to calm herself down: "Gungun, Mommy is here. Listen to me. Don't cry and don't move. Mommy will come there and hold you right away."

Gungun cries softly, and then reaches out his hands to Yan Hua.

Yan Hua scolds herself in her heart. Gungun is less than two years old, but he has experienced kidnapping twice. She is not qualified for a mother, she is not...

"I'll be your hostage. You put my child down." Yan Hua's nails are stuck in the palms. "He is so little. He will be afraid."

Tangtang sneers: "It's none of my business even if your son is dead. Where are the diamonds? Where did you put the diamonds?"

"Why it is about the diamonds again?" Fei Ying who is running over, is shocked. "We haven't seen the diamonds at all."

"Nonsense!" Tangtang suddenly takes out a gun from her pocket and points it to Gungun's head. "You don't give it to me? Then you can give up your son."

"I will!" Yan Hua shouts out. "Put down the gun. You will scare my son."

Gungun bursts into cry. And this time no matter how Yan Hua comforts him, it's just useless. Gungun's little face turns pale because of his crying and he keeps calling her Mommy.

"Fuck! Stop crying!" Tangtang feels that his head aches for Gungun's crying, raising her hand and hitting the back of his head with buttstock.

"Ah!" Yan Hua screams, seeing that the head of Gungun droops down.

Tangtang points the gun at her: "Shut up, you bitch. If you scream again, I will kill your son."

"Yan Hua. Yan Hua. You have to calm down." Fei Ying holds back tears and helps Yan Hua up, who collapses on the ground. "Delay time. The police will come soon."

Yan Hua's eyes gradually turn bright from blank: "Yes. Yes. We can delay time."

"I will ask you again. Where are the diamonds?" Hearing a siren from afar, Tangtang throws Gungun into a car, cursing something, and then drives off.

"Gungun!" Yan Hua's voice is heartbreaking, and then she collapses on the ground. Fei Ying can't hold her back.

When both of them are going to fall down, the people around them are hurrying to hold them, but they are pushed away by a man.

Lang Ruoxian holds Yan Hua. Fei Ying cries: "Gungun was taken away. That woman wants the diamonds."

"Mommy! Mommy!"

“Gungun, Mommy is here. Gungun?”

Yan Hua suddenly opens her eyes: “Gungun!”

“Gungun is all right. Gungun is all right. Lang Ruoxian has already followed her.” Fei Ying presses down Yan Hua. “Fei Yi also brings the diamonds to trade with her. Her purpose is the diamonds, so she will not hurt Gungun.”

Xiaojiu is particularly sensible and puts her doll into Yan Hua’s bosom: “Auntie, Gungun will come back. Don’t cry!”

“Xiaojiu, can you go to the kitchen and ask the house maid to make some food?” Fei Ying carries her daughter off the bed. “By the way, let the house maid prepare a pudding for Gungun. He can eat it when he comes back later.”

Xiaojiu nods and runs away.

Yan Hua cries out when the child goes out. Fei Ying hugs and comforts her. “Don’t be so depressed. Gungun always has good fortune. Lang Ruoxian will bring him back.”

Yan Hua raises her hand and gives herself a slap: “I’m not a good mother. I’m not. I am guilty. I leave him lost again.”

“No, no, no. Calm yourself down, Yan Hua. It’s not your fault.” Fei Ying is frightened and takes her hand. “Would you like to call Lang Ruoxian? Maybe... Maybe he has found Gungun already?”

“Yes... Phone!” Yan Hua is scrabbling on the bed: “Where is my mobile phone?”

Fei Ying quickly gives her the phone. Yan Hua dials the number of Lang Ruoxian.

“Where is Gungun?” She asks.

Lang Ruoxian is listening to the deployment of the police. They just knew that Tangtang brought Gungun to an underground garage, and now the police have surrounded the garage.

“I will get into it immediately. Don’t worry. What she wants is the diamonds, and Fei Yi has already entered the garage with the diamonds.”

Yan Hua can't stop weeping, calling his name in a low voice: "Lang Ruoxian..."

"I am here."

"I beg you. I beg you to bring Gungun back. Don't... Don't give him up like you did last time."

Lang Ruoxian is stunned, feeling bitterness in his mouth, he nods: "I will bring him back."

"As long as..." Yan Hua's voice is desperate. "As long as you can bring him back, I can promise you everything..."

Lang Ruoxian clenches his fist and closes his eyes to dissemble the violence and helpless emotions in his eyes.

"Yan Hua, remember what you have said today."

In the parking lot, Tangtang holds Gungun who is unconscious, sitting on the top of the car. Fei Yi holds a bag of diamonds: "The things you want are here. Give the child to me."

"Do you think that I'm a fool?" Tangtang sneers. "Are they real diamonds because you say that they are? What if you take the crystal to fool me?"

Fei Yi looks up, seeing that Lang Ruoxian is in the vent.

He continues to attract the attention of Tangtang: "Since you follow us from Xin Country to G City, you must have already checked our identity. Do you think that we care about such things? We don't take them out before because we really don't know that they are along with us."

"Tie your hands." Tangtang points the gun at him. "No, let the police handcuff you."

Among all the surrounding police, the captain personally handcuffs Fei Yi. They have no choice. Tangtang is possibly a mercenary. She chooses this garage because there is no way to set sniper rifles.

They have many people, but they can only look without doing anything.

“I will go with you, but you have to leave the child.” Fei Yi sways his hands.
“You can rest assured.”

Tangtang ignores him. She stands up with her hand seizing Gungun’s neck, and when she is about to jump down from the roof, the vent is open. Lang Ruoxian kicks her, and because of the pain Tangtang has to loose Gungun who falls into Lang Ruoxian’s arms.

“Fuck!” The next second Tangtang’s gun is directed at Lang Ruoxian.

With a bang, the police take the initiative to fire a shot and hit her right wrist.

“Ah!” Tangtang screams, kneeling down with her hand pressing her wrist. The police swarm up, but do not expect that her left hand can also use the gun. Lang Ruoxian just jumped off of the car, and when he sees that she raises the gun, he hides Gungun under his arms.

Boom! The bullet hits his chest.

Pop... The glass in the hand of Yan Hua falls on the floor and breaks into transparent crystals, scattered all over the ground.

Fei Ying rushes over and says, “Come and sit in the living room. I’ll clean it up.”

“Beep!” Her cell phone rings. Yan Hua’s pupils suddenly magnify and she stares at her.

After listening a few words, Fei Ying says with pleasure: “Okay, we’ll go there right away. What? Well... I know.”

“Is Gungun coming back?” Yan Hua grabs her.

“It’s okay! It’s okay! He is in the hospital, and there is a bump on his head. Nothing serious!”

Yan Hua turns around, running out. Fei Ying chases her: “Oh, wear your shoes!”

“Yan Hua...” When she enters the hospital door, Fei Ying stops her. “There is a thing that I didn’t tell you.”

Yan Hua now is trembled with excitement: “I’ll see Gungun first.”

“When Lang Ruoxian was saving Gungun, his chest got a shot and now he is still in the rescue room.”

Yan Hua is shocked, and then smiles: “Don’t lie to me. Why do you still kid me this time?”

“It’s real...”

“I...” Yan Hua is in a panic, not knowing what to do.

Fei Ying takes her into the elevator: “Forget it, let’s go and see Gungun first. You can make sure that he is OK first.”

“Mommy!” Gungun has already woken up, and Fei Yi is holding him.

Seeing that Yan Hua is crying, he points to the back of his head: “Bump. Gungun feels pain! Mommy!”

“Mommy is here...” Yan Hua withholds her tears and cradles the little guy over, embracing him in her arms tightly. She looks down at the back of his head and sees there is a big bump, which is filled with blood stasis.

“The doctor has checked it. It’s superficial and it will be fine a few days later when the bruises fade.” Fei Yi looks at his watch. “As for Lang Ruoxian, do you want to inform his family?”

Yan Hua nods and then calls Lang Li and Lang Hongyue. She does not dare to call Lang Cha. If necessary, she will let Lang Li call him, because she can’t tell him that his grandson is lying in the operating room for saving his great-grandson...

“Madam Hua!” A doctor comes out of the operating room. “Childe Ruoxian is really a blessed man. The bullet is stuck in the ribs and has not damaged the internal organs. It has already been taken out.”

Yan Hua loses her feet, and Fei Ying supports her: “Okay, you can rest assured!”

When the people of Lang Family arrive at the hospital, Lang Ruoxian has been sent to the ward.

“What happened?” Lang Hongyue asks her when she sees Yan Hua. “How come you lose Gungun again?”

“Ms. Lang.” Fei Ying stands in front of Yan Hua: “This is not the fault of Yan Hua. The kidnapper is coming for my family. Gungun has substituted my daughter to suffer from this. I am so sorry.”

Lang Hongyue is surprised: “Mrs. Fei...”

“Enough.” Lang Li interrupts her. “It is not the time to talk about this now.”

He looks at Lang Ruoxian who is still in a coma: “What did the doctor say?”

“The operation is very successful. Now we just need to wait for him to wake up.” Yan Hua carries Gungun, who is sleeping fitfully, twitching from time to time.

Lang Li touches him: “Is Gungun all right?”

“Nothing.” Yan Hua shakes her head.

If you find any errors (broken links, non-standard content, etc.), Please let us know via our discord so we can fix it as soon as possible.

Chapter 88 The Situation Gets Worse

Lang Ruoxian wakes up in the second half of the night and sees Yan Hua falling asleep on the sofa. The dim light casts faint yellow over her bright and radiant face, as if plated with the color of pearl.

“Young Master...” Xiaokai pushes the door open and is a little excited when he sees that he is awake.

Lang Ruoxian shakes his head, and Xiaokai lowers his voice: “The doctor who just had the surgery is on our side. No one will find the problem.”

“Give Yan Hua a blanket.” Lang Ruoxian moves but accidentally affects the wound on his chest.

Xiaokai carefully covers a blanket on Yan Hua, and then quickly holds him down. Lang Ruoxian waves his hand: “Don’t come here these days. Pay attention to the company.”

“I will worry about you if I leave you alone in the hospital.” Xiaokai thinks for a moment. “Would you like to let Shu Sheng (meaning “scholar” in English)

come back?" He lowers his voice a little. "The clue of Yan Hua's family is now broken, and he may feel boring to find them now."

Lang Ruoxian closes his eyes and when he opens them again he agrees his idea: "Leave a few people to continue to find them."

"I understand, Young Master."

"When Shu Sheng returns, let him come here every night." Lang Ruoxian adds.

Xiaokai looks at Yan Hua, smiling and nodding, and then walks out.

The ward falls into silence. After a while, Lang Ruoxian sits up, frowning, and then he yanks off the quilt and gets on the ground.

When Yan Hua wakes up, it is bright. She sits up fiercely, finding herself lying on the bed. On the bed next to her, Lang Ruoxian is sleeping quietly. Yan Hua is shocked. She quickly touches his nose and looks at the medical instruments. And when she finds that everything is normal, she is relieved.

"Come on... How can I fall asleep as a company?" She pats her head twice.

Then she feels strange...

She is sitting on the sofa last night... Did she go to bed in the middle of the night?

"Madam Hua!" The doctor knocks on the door.

Lang Ruoxian's eyes open.

Yan Hua bends over and when she sees that his eyes are open, she says: "The doctor has come to check."

"Childe Ruoxian, how do you feel?" The doctor looks at the instruments and then looks at his wound, finding that there is blood oozing out.

He is surprised: "Childe Ruoxian, did you wake up and get out of bed?"

"Do you think I can get out of bed myself?" Lang Ruoxian gives him a look.

Yan Hua looks ashamed: "It's my fault. I fell asleep last night."

“It’s not your fault.” Lang Ruoxian looks very weak. “It must be that you didn’t bind up my wound well.”

What can the doctor say? He immediately asks the nurse to come over and deal with wound again.

When he leaves, he tells Yan Hua in a serious tone: “Madam Hua, you must take good care of Childe Ruoxian, and do not let him move again.”

“I will.” Yan Hua is also very serious.

When the doctor just left, the house maid comes over to deliver the meal. Yan Hua is placing the food. When Lang Ruoxian just wants to move, Yan Hua shouts his name.

“...” Lang Ruoxian looks at her.

Yan Hua is shocked by herself, and sits down with embarrassment: “Don’t move! I will feed you.”

“Thank you.” Lang Ruoxian opens his mouth.

Yan Hua feeds him a few mouthfuls of food, then puts down the bowl: “Can you stop staring at me?”

The man’s look is so rapt that she can’t pretend that she doesn’t notice it.

“I thought, I thought that I couldn’t see you any more...” Lang Ruoxian sinks his head, and his long eyelashes are like fans, stirring ripples in Yan Hua’s heart.

She bites her lip: “I think, I should apologize to you.”

“Well?”

“I shouldn’t say that kind of words yesterday. I am sorry.” Yan Hua’s eyes turn red after she says these words, and she does not know why she is crying.

It’s just that when she heard Lang Ruoxian got a shot yesterday, her heart hurt badly that she is unwilling to recall that feeling now...

“Do you want me to pretend that you haven’t said those words?” Lang Ruoxian asks, his eyes deepening.

Yan Hua nods: "I won't say that again."

"Do you want to eat your words?" The man looks at her with a look of depression. "I'm not even recovered, and you want to demolish the bridge after crossing the river."

What is he talking about?

Yan Hua is stuttered and asks: "I... I don't..."

"You said that as long as I bring Gungun back, you would promise me anything." Lang Ruoxian grabs her hand. "You forget it so fast?"

Yan Hua withdraws her hand, but fails to pull it back.

"Don't move fiercely. Otherwise, the wound will be split again." Thinking of the doctor's words, Yan Hua quickly says: "I haven't forgotten it. Really! What do you want me to do?"

Lang Ruoxian loosens her: "I haven't thought about it yet. You can owe me it first."

"OK." Yan Hua clenches her teeth. Her nervousness is in vain.

She picks up the bowl: "Hurry up! Otherwise, it will be cold."

Seeing that she shows a fierce look and is in spirits again, Lang Ruoxian lightly hangs the edge of his mouth and eats the food as she wishes. After the meal, Yan Hua peels an apple for him. When she hands it to him, her eyes are wet.

"Lang Ruoxian, thank you! Thank you for bringing Gungun back. Really... You save him and you save me."

Lang Ruoxian takes the apple, ruffling her hair: "You fool."

"I... I will go to the bathroom." Yan Hua suddenly blushes, and dares not look at the man, running into the bathroom.

When she comes out, she sees that Lang Ruoxian is facing the window, his lips moving gently: "You fool! You two are also my life..."

"Mommy!" The little fatty suddenly rushes in from the door.

This wakens Yan Hua who felt that her heart was uncontrollable just now. She quickly holds up Gungun who wants to hug Lang Ruoxian: “Gungun, don’t touch Uncle.”

“Uncle, fine!” Gungun stares at Lang Ruoxian for a while, finding that he is no different from the one he used to be, and thinks that he has already made a good recovery.

Lang Ruoxian motions Yan Hua to put Gungun on his lap: “Uncle can’t get out of bed now and can’t go home to take care of Mommy and Gungun. Gungun, can you promise uncle a thing?”

Gungun sits on the legs of Lang Ruoxian with a serious look, as if he will tell him something important.

“When uncle is not at home, Gungun has to take care of mother. Do you know?”

After hearing it, Gungun immediately reveals a cute smile: “Gungun, takes care of Mommy!”

“You two are really...” Yan Hua shakes her head and sees that Fei Ying is still standing at the door and laughs at her.

Fei Ying carries the flowers, walking to the bed: “Mr. Lang looks great. It seems that our Yan Hua takes good care of you!”

“Yes, thanks to Hua.” Lang Ruoxian utters nonsense seriously.

Yan Hua buries her face with her hands. Gungun stands up, pushing her hands aside: “Flirtin! Flirtin!”

“Gungun!” Yan Hua shuts his mouth with her hand.

Gungun thinks that Mommy is playing with him, so he shouts louder. Yan Hua dare not look at Lang Ruoxian, and she sees a young man coming in at the door with the corner of her eyes.

“Who are you looking for?” Fei Ying also sees him.

The man walks in and calls Lang Ruoxian: “Young Master, I am back.”

“This is another assistant of mine.” Lang Ruoxian says.

“Miss Yan and Mrs. Fei, my name is Shu Sheng.” The gentle young man says to them.

A question mark appears in Yan Hua’s mind. Why this young man is so familiar?

“Miss Yan, I will take care of Young Master in the evening, and you can bring Little Master Gungun home. But... you may need to come here in the morning, because I have to go to the company during the day. Without Young Master, Xiaokai can’t cope with it.”

Just like his name, Shu Sheng is like an ancient gentle scholar. He talks and deals with things in a slow but methodical way.

“I just made a check. There is really a surname called “Shu.” I originally think it is a stage name!” Because Shu Sheng has come over, Yan Hua takes Gungun to leave the hospital in advance in the afternoon. She will bring the meal tomorrow morning.

Fei Ying keeps talking about that young man named Shu Sheng in whispers. Yan Hua gives her a look: “No wonder you stared at the mobile phone just now. It turns out to be...”

“I’m acquiring knowledge!” Fei Ying takes the fat hand of Gungun. “Take Gungun to my house tomorrow morning, and then you come to the hospital alone. Then you can pick him up at night, I will not take him to the hospital. It is not an auspicious place.”

“OK, then I will bother you again.” Yan Hua takes the hand of Fei Ying. “My happiest thing this year is to make friend with you. Otherwise, my life will definitely be in a mess now.”

Fei Ying hugs her: “This is fate! You saved my daughter and then we become good friends. This is all arranged by God.”

The two people smile at each other. Gungun quickly squeezes his chubby face into them: “Giggle!”

“Ha ha ha ha...” Yan Hua and Fei Ying are amused by him.

Their laughter is passed into the ward. Shu Sheng is giving Lang Ruoxian the information he has found. Seeing that Lang Ruoxian’s ears are moving, Shu

Sheng asks: "Young Master, I think, if possible, we can take Miss Yan to the place where she was found. Maybe there will be some unexpected gains."

"We have been looking for all possible places for more than half a year. If it is not that we get the wrong direction, then it will be that she may be an orphan."

Lang Ruoxian puts the materials down: "No. If you contact with her for a few days, you will find that she can't be an orphan."

"Okay..." Shu Sheng nods. "Let's get a chance to take Miss Yan to go abroad!"

Yan Hua sends Gungun to the Fei Ying's house early in the morning the next day, and then rushes to the hospital. She is afraid that Lang Ruoxian will miss the breakfast. However, she finds that there is already someone inside when she enters the ward.

"Mrs. Lang." The other party is a foreigner and calls her name very accurately when seeing her.

Yan Hua looks at Lang Ruoxian.

"This is the international criminal policeman of Xin Country, Section Chief Zhang." Lang Ruoxian's voice is very gentle, as if he may frighten her: "Nothing, he comes to ask where the diamonds are."

Hearing that it is about the diamonds, she feels bad, saying with irritation: "It's about the diamonds again. We had said that we didn't take it. Why do you come for us again? How about we pay for the diamonds and you stop asking us about it again."

"Mrs. Lang, it is just a routine inquiry. Don't get excited." Section Chief Zhang's attitude is quite good, and also smiles and explains to her.

Pursing her lips, Yan Hua takes the food out: "Eat it first, or it will be cold."

The international criminal policeman says helplessly to Lang Ruoxian: "It seems that I am undesirable. Okay! I will go out. Mr. Lang. If you have any findings, please call me."

"OK."

The international criminal policeman comes and goes, not knowing how much trouble he has brought to Lang Ruoxian. Soon, some people on the Internet say that the special assistance of Lang Corporation's current president is related to a large jewelry robbery case. The netizens also find out the video report of that case, and all kinds of information are overwhelming.

The Lang Consortium is also affected and its stocks begin to plunge.

"Young Master." Xiaokai rushes in. "Lang Hongyue holds a general meeting of shareholders and says that you should be dismissed."

Chapter 89 The Attractive Skill Is Lit Up

Lang Hongyue has been waiting for this opportunity for a long time. This time, she must kick Lang Ruoxian out of the company.

"Li, I'm not aiming at Ruoxian. You'd better hear what other people say now." Hearing Lang Li's question, Lang Hongyue doesn't feel guilty at all. "They say that he is involved in the robbery, and he is even the behind-the-scenes planner!"

Lang Li looks at her with a sneer, "You know that's all exaggeration. He didn't do that."

"Can anything change that I know he is innocent?" Lang Hongyue looks helpless. "Others don't know that. So we have to make our shareholders satisfactory. Right?"

Lang Ruoxian has no shares in the company. He only represents Lang Li. Now since the board of directors supposes that. Lang Li has to compromise. But he doesn't let his sister please too long.

On the third day of announcing Lang Ruoxian's temporary departure, Lang Li goes to the company to make sure everything is in his control.

"What's wrong with you?" Lang Ruoxian finds that Yan Hua is a little absent-minded today. She always looks at him secretly.

As she hears his words, Yan Hua's cup almost falls to the ground.

“It’s all right!” She quickly turns her back to the man and pours him a cup of warm water. “Drink water.”

Lang Ruoxian puts the cup back on the table and pulls Yan Hua with his hands, “Sit down.”

“Would you like some fruit?” Yan Hua stands up just after she sits on the chair.

Lang Ruoxian stops her, “Tell me. What’s wrong?”

“No…” She can’t continue saying. Because Lang Ruoxian is staring at her. It seems that he would do something to her if she doesn’t tell the truth.

Yan Hua purses her lips, “You lose your job now.”

“Yes.” Lang Ruoxian has a look at the beautiful VIP ward and says, “Maybe I will be expelled soon.”

“Will they?” Yan Hua is nervous. Then she sees his teasing eyes. She suddenly knows that he cheats her again.

She glances at Lang Ruoxian, “Don’t make fun of me. What are you going to do?”

“I don’t want to do anything.” Lang Ruoxian leans on his pillow, “You can regard it as a vacation.”

Yan Hua notices that he said the word ‘regard’. Her eyes light up. “So, you can go back when you leave the hospital. Right?”

“Rest assured. Even if I can’t go back, I have enough money to support you and Gungun.” Lang Ruoxian takes a deep look at her.

“We haven’t decided to let you support us.” When she hears his nonsense, Yan Hua knows that Lang Ruoxian doesn’t feel sad to leave his position.

It’s reasonable, she thinks. This guy is really crazy. He might have taken actions in secret.

“I really want to support you.” Lang Ruoxian nods. “Do you want me to support you?”

Yan Hua shows the whites of her eyes and stands up to go out. "I'll ask the doctor if you need some medicine for your brain."

"Miss Yan." Shu Sheng comes in just as she is going out, holding a pile of papers.

Yan Hua looks at him and frowns, "He needs rest now. Don't work too late."

"Okay, I understand." Shu Sheng smiles.

Yan Hua goes to the opposite side of the hospital. Yesterday, she saw a man who sold baked sweet potatoes. It's the most comfortable thing to eat baked sweet potatoes in the cold and cloudy G City in November. When she brings three of them back, she sees a lot of reporters at the entrance of the hospital, which seems to block someone.

Yan Hua goes in through the side door. When she is about to enter the elevator, a hand suddenly appears from the aisle and pulls her in.

"Ah..." Yan Hua covers her mouth to stop shouting.

She looks at the man who takes off the mask. Her eyes stare at him with surprise, "Fei Shan?"

"Shh!" Fei Shan hugs her. "Don't move. The reporters are coming."

Yan Hua quickly lowers her head. It seems that they are an intimate couple. The girl is leaning her head against the man's chest. The man's hand is gently touching her head.

After a while.

"Haven't they gone?" Yan Hua feels that she has lost some of her hair by Fei Shan.

Fei Shan doesn't let her go. He wears his mask and takes her to the outside. They go straight to a business car.

"Fei Shan!" The assistant is almost scared to death. "This... This is..."

When Yan Hua raises her head. The assistant is frightened.

The Second Young Mistress of Lang Family?

“What’s going on?” Yan Hua isn’t in a hurry now. She skins a sweet potato to eat and hands another one to Fei Shan. “Do you want to eat it? It’s not delicious when it’s cold.”

Fei Shan takes it and eats together with her, “Don’t mention it. I have a sore throat and I don’t feel better after taking some medicine for several days. So I go to this hospital to see a doctor. But unfortunately, Lin Jiade is also brought in because he is wounded after fighting in a bar. The reporters are coming to take his photos.”

Yan Hua thinks about who is Lin Jiade for a while. Then she remembers that he is a veteran accomplished actor.

“So you’re involved by him?”

Fei Shan bites the sweet potato, “Yes! What bad luck! Fortunately I meet you, otherwise I don’t know how to get out.”

“It’s all right. It’s no bother.” Yan Hua touches the sweet potato in her arms. “You’d better go quickly. I’m going back.”

Fei Shan’s eyes flash. “Is Lang Ruoxian OK?”

“It’s all right. He’ll leave the hospital if the wound grows well.” Yan Hua says. Then she is going to open the car’s door. The assistant is very smart to take the cue from her. He quickly opens the door for her.

Yan Hua jumps down but Fei Shan pulls her again. “I’ll invite you to dinner when you’re free. Thank you this time!”

“You’re welcome. I know your sister-in-law so well.” Yan Hua waves her hand and runs away.

The little assistant is still thinking surprisingly that the Young Mistress of Lang Family’s beauty is so natural. He sits back and laughs like a fool. Suddenly, he finds Fei Shan staring at him.

“Fei Shan?” He is shocked.

Fei Shan pokes him in the head, “Why are you so quick to open the door? Do I need you to do it?”

But... The little assistant is so confused. What does he mean?

But Fei Shan has closed his eyes to take a rest.

When Yan Hua returns to the ward, Lang Ruoxian is still reading the documents with Shu Sheng. She puts the baked sweet potato on a pile of contracts, regardless of whether each of the contracts deserves more than ten billion.

“Eat quickly when it is still hot.”

Shu Sheng looks at Lang Ruoxian, who lifts his chin. Then he collects the documents. Lang Ruoxian holds the baked sweet potato and slowly takes the skin off. Looking at Yan Hua, he slowly opens his mouth and takes a bite.

Yan Hua first sees a man can eat the sweet potato in an attractive way. She scratches her face and goes into the bathroom.

“Hua!” Lang Ruoxian calls her outside.

He always calls her ‘Hua’ these days. Yan Hua wanted to correct him but failed. She has to ignore that.

“What?” Yan Hua doesn’t come out and she just shouts in the bathroom.

“Your phone just rang.”

Yan Hua quickly runs out and picks up the phone to glance at it. Then she runs back.

Lang Ruoxian is speechless.

“Young Master, the sweet potato is going to be cold.” Shu Sheng says with a blank expression.

Lang Ruoxian glances at him and looks at it which is so sweet and greasy.

But he still decides not to eat it. He wants to eat it in front of Yan Hua.

“Miss Chen!”

The phone is called by Chen Hong. The case of child abuse has been dealt with. But now there is a new problem.

“His father was in jail. His mother ran away. The child will be sent to the welfare home at the age of six.” Chen Hong is swearing on the phone. “I went to find the child’s mother. Do you know what she said?”

Yan Hua doesn’t know. But it’s definitely not a good word.

“The woman said that she had a new family and was just pregnant. She said how could I ask her to bring up a kid by a previous marriage.” Chen Hong curses, “Yan Hua, do you think she is a human being? Can she be a mother? Ah?”

“The child wouldn’t be abused if she takes care of him.” Yan Hua sighs. “What can we do now? How can we help the child?”

Chen Hong becomes quiet for a while. Then she says.

“I plan to adopt that child.”

“What?” Yan Hua is stunned. “Have you made the decision? He is an individual. If you want to adopt him, you have to be responsible for him and be a good mother.”

Chen Hong says, “Do you look down upon me?”

“Hong, I am afraid that you are just impulsive. If you calm down later, it will be a secondary injury to that child.” Yan Hua persuades her, “Would you like to think again? Let’s talk about it again when you really decide to adopt him.”

Chen Hong finally promises to think about it. She also understands that adopting a child is not the same thing as adopting a cat or a dog which just need to be fed. She has to educate the child and even be responsible for his entire life.

When she just hangs up the phone, Fei Ying also calls her. She says the same thing of Chen Hong. Fei Ying has a similar thought with Yan Hua. She wants Chen Hong to think about it again.

“You didn’t see the child. The six-year-old child is as thin and small as the four-year-old.” Fei Ying says indignantly. “He was abused for a long time. He is not good physically and psychologically.”

The child like him has already had a psychological shadow. He needs more care than ordinary children. If he can't be better, it will affect him all his life.

"You should take care of Lang Ruoxian in the hospital first! Chen Hong has me here. If she finally decides to adopt him, I will go with her to go through the formalities."

Hanging up the phone, Yan Hua goes back to the ward. Shu Sheng has gone. Lang Ruoxian raises his eyebrows, "Who wants to adopt the child?"

"How can you hear that?" Yan Hua finds that he still holds a sweet potato. She takes it from his hand. "Don't eat it. It's cold."

Before Lang Ruoxian takes it back, she has thrown the sweet potato into the trash can.

"It's Chen Hong." Seeing that he is still staring at the trash can, Yan Hua asks him strangely, "Do you like to eat it so much? I can buy it for you tomorrow."

"I want to be discharged next week." Lang Ruoxian says suddenly.

Yan Hua is shocked, "Why?"

"I don't need a doctor anymore. I want to go home to recuperate." Lang Ruoxian bends his lips. "It will be December soon. I don't want to give you a birthday party in the hospital."

Yan Hua's birthday was the day when they looked for Huang Rong and she was on the island to wait for the message. So everyone forgot it. She finally didn't have a birthday party.

"No. I'm not sure if it is my real birthday." Yan Hua doesn't care about that.

Lang Ruoxian pokes her nose with his hand, "So you and I can have a birthday party in the same day in the future."

"..." Yan Hua is stunned. Then she realizes, "Is your birthday coming?"

"I never had a birthday party before. But from now on, I'll have it with you."

Yan Hua turns around silently and goes into the bathroom again. After a while, she comes out with a serious look at Lang Ruoxian.

“We need to talk.”

“Well, what do you want to talk about?” Lang Ruoxian pats the bed. “Sit here and say.”

Yan Hua takes a chair and sits next to the bed, “Can you stop talking like this? You know that we can’t be together. I will be embarrassed if you continue talking like that.”

How did this man suddenly light up the attractive skill? Yan Hua is shocked.

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 90 Xiaojiu is Going to Film

Yan Hua is very satisfied with her current life. She knows that Lang Ruoxian likes her. She also knows that she doesn’t dislike him.

“But I don’t want to destroy the present life. You can think that I’m selfish and coward. In short, I don’t want anything to affect Gungun.” Yan Hua looks at Lang Ruoxian very seriously.

“Sometimes, when I like a person, I don’t have to let him know and be together.” Yan Hua smiles. “As long as he is fine, it is also a kind of happiness for me to just watch him in a far place!”

Lang Ruoxian bends his beautiful slanted eyes, “I am the opposite of you. If I like a woman, I must be with her, I believe that only I can make her happy. No one will be better than me.”

“How is it possible!” Yan Hua looks at him. “There will always be someone who can replace a person. It is a matter of time.”

Lang Ruoxian’s eyes change. Yan Hua could feel the coldness clearly from Lang Ruoxian. She knows that he becomes angry now.

She doesn’t know that it’s the most feared thing for Lang Ruoxian. He is afraid that someone replaces him and makes Yan Hua love this man and takes her away before he becomes Yan Hua’s husband.

“You still owe me a request.” Lang Ruoxian suddenly says, “Will you repudiate it?”

“Of course.” Yan Hua is nervous. She is afraid that he would ask her to be his girlfriend.

But Lang Ruoxian just says, “My request is that you can’t avoid me and can’t escape. Let it be.”

Yan Hua is a little absent-minded. Then she blinks and nods.

She secretly grabs her chest. Why did she feel a little disappointed when he didn’t ask her to be together?

“Mommy!” At night, Yan Hua goes to Fei Ying’s home to bring Gungun back to home. Gungun hugs her happily and shouts, “Xiaojiu. Filming!”

Yan Hua holds Gungun and asks Fei Ying with her eyes. Fei Ying laughs, “A few days ago, I took Xiaojiu to see Fei Shan on the shooting place. The little actress of the movie is sick. So the director wants to let Xiaojiu have a try.”

“Do you agree?” Yan Hua is surprised.

“I and Fei Yi don’t agree.” Fei Ying touches the head of Xiaojiu. “But this kid is willing to do it.”

Yan Hua looks at Xiaojiu. Xiaojiu smiles to her cutely, “Auntie, Xiaojiu looks good! Be a star!”

“Good-looking! Good-looking!” Gungun shouts.

Fei Ying spreads both hands, “Because of this, Fei Yi has been unhappy for several days.”

“Doesn’t he like Xiaojiu to film?”

“He really dislikes it!” Fei Ying shows the whites of her eyes. “He said that it is enough to have an idiot like Fei Shan at home. He doesn’t want his daughter to be another idiot at home.”

Yan Hua looks at Xiaojiu’s cute expression. She knows that Fei Yi’s opposition is useless.

“When will Xiaojiu go to film?”

“Next week.” Fei Ying asks, “Can you go with us? You can take Gungun.”

Yan Hua tells her that Lang Ruoxian is going to be discharged from the hospital next week. Fei Ying is quite understandable.

“Where are the diamonds? Can the diamonds have legs to run by themselves?”

“I don’t know...” Yan Hua thinks for a moment. “Is there any place we haven’t found yet?”

Fei Ying immediately says: “Impossible! We have found all the places.”

Fei Yi has told the owner of the jewelry last time that he could pay him, as he lost the diamonds. But the owner of the jewelry is a strange guy. He insists not to accept the money and he only wants his own diamonds.

“The diamonds may suddenly appear someday.” Yan Hua thinks that many things are like this. When you look for it, you can’t find it. When you forget it, it will come out.

“Well, let’s don’t care about it.” Fei Ying snorts. “In any case, your Mr. Lang will handle the Lang Consortium’s problem easily!”

Yan Hua squints at her, “I’ll take Gungun back. When you go to the shooting place, please call me in advance. I will see if I can go together.”

Lang Ruoxian tells the doctor about the discharge from the hospital the next day. Yan Hua believes that the doctor would disagree. But the doctor only says that he should take a shower carefully and do not let the wound get wet.

“You’d better take a wheelchair. Don’t take too much exercise. Today is Thursday. Leave the hospital on Saturday! And we need to check your body one more time.”

Lang Ruoxian informs Lang Li. Lang Li lets Deng Jingjing come here to see him in the afternoon.

“Your dad is in the company. This is my new soup. Have a try.” Deng Jingjing comes here with a vacuum flask.

She gives a bowl of soup to Lang Ruoxian and another bowl to Yan Hua.

..” Yan Hua looks at Lang Ruoxian. Lang Ruoxian takes a sip, “very good.”

She also takes a sip. It tastes really good.

“How is it?” Deng Jingjing asks them with confidence.

Yan Hua nods, “It’s really delicious to drink. What is it?”

She only sees red beans and smells a hint of milk.

“There are something called ‘yaozhu’.” Deng Jingjing looks at Yan Hua who has a blank face. She laughs at her, “You are a woman. How can’t you recognize the ingredients? They’re also called scallops.”

It’s okay that you just call them the scallops at first, Yan Hua thinks.

“Hah, very good.” Yan Hua smiles awkwardly.

When Deng Jingjing leaves, she tells Lang Ruoxian one thing.

“Your dad called your grandfather this morning and said that you were injured. It is estimated that your grandfather will see you soon. “

No one dared to tell Lang Cha before. But now Lang Ruoxian is fine and is going to leave the hospital. So they dare to tell Lang Cha.

When Deng Jingjing leaves, she asks Lang Ruoxian, “Don’t you think she is strange?”

“Really?” Lang Ruoxian’s eyes become dark. “Is it a strange thing to love cooking?”

“It’s not strange to love cooking. But it’s strange that she suddenly loves to cook.” Yan Hua still couldn’t believe that Deng Jingjing could endure those slimy ingredients and fumes and learn to cook in the kitchen.

Lang Ruoxian raises his hand and pulls the hair away that fall in front of her forehead, “As the old saying goes that if you catch the man’s stomach, you’ll catch his heart. She does this because she wants her husband to go home.”

“She was not afraid of that before...” Yan Hua takes a step back and leaves the man’s touching range.

“That was before. Her relatives in the capital have lost their high positions and are involved into a corruption case. Now her parents’ family can’t be her patron. So she has no confidence to treat my father as an equal.” Lang Ruoxian says. He pretends not to find what she is doing.

Yan Hua sighs. She feels that Deng Jingjing is actually lamentable.

“Don’t take care of her. You don’t have to learn to cook.” Lang Ruoxian changes the topics. “Does no one ask your foundation for help recently?”

Yan Hua is excited when talking about it, “No. I just accepted one yesterday. Do you want to know it? It’s an out-dated story.”

“Tell me.” Lang Ruoxian likes to listen to Yan Hua about her work. Whenever she is talking, this little woman seems to be shining and he always can’t help touching her fresh face at this time.

“A newly graduated college student met a classmate who is a second generation rich after the graduation party. Cough!” Yan Hua organizes her words, “they slept together at that night.”

Lang Ruoxian bends his lips, “Slept together?”

“You know. That’s it.” Yan Hua takes a look at him. “Don’t interrupt me. Do you still want to know the story?”

Lang Ruoxian puts his hands up.

Yan Hua continues to say, “The second generation rich is very happy. He is ready to marry this girl. But his family members disagree. They don’t want the girl to be his wife.”

“Just like the TV show, the man’s mother found the girl and put a check on her face to ask her to go away!”

“The girl is strong. She didn’t take the check and went away.” Yan Hua sighs. “And she wants to give birth to the child. So she finds us and wants us to help her. After all, she hasn’t a job and no place to live. She can’t make her and her child live.”

Lang Ruoxian stares at her. Yan Hua asks strangely, "What are you looking at?"

"Do you thinking of yourself?"

"Yes..." Yan Hua admits directly, "she really looks like me. But from another viewpoint, I am more fortunate than her. At least I can make sure Gungun is well provided for."

Lang Ruoxian doesn't want to talk about it and turns the topic back, "How do you plan to help her?"

"She wants a job and money."

With the help of the Foundation, the girl gets 100,000 yuan, and Fei Ying also helps her find a job.

"The girl is very good and full of hope for life." Yan Hua smiles. "We wanted to give her more money but she refused. She said that was enough."

Lang Ruoxian is thoughtful, "It's probably not over yet."

"Why?" Yan Hua asks, "We have solved her problem!"

"Let's wait for more time." Lang Ruoxian says, "The child's father hasn't come out. Right?"

Yan Hua shows the whites of her eyes, "If he has the responsibility, he won't let his mother put the check on her face."

Lang Ruoxian doesn't want to argue with her. Anyway, they will see it later.

"Ring Ring..." Yan Hua's cell phone rings. She glances at it and her eyes widen. "It's Grandpa."

Lang Ruoxian and Yan Hua get such a telling-off.

"Do you regard me as a dead person?"

"How dare you tell me the terrible thing so late?"

Yan Hua throws the phone to Lang Ruoxian, and runs away. Lang Ruoxian coaxes Lang Cha for a long time until Lang Cha hangs up.

“Grandpa will come over next month.” Lang Ruoxian stuns his eyebrows.
“This time he will live until the end of the year.”

Yan Hua is very happy. She and Gungun will have an additional god of protection if he comes.

On Saturday morning, Lang Ruoxian leaves the hospital. In the afternoon, Fei Ying calls Yan Hua that she and Xiaojiu will go to the shooting place tomorrow. Yan Hua does not have to go to the hospital any more. So she decides to go there with Gungun.

“Our Gungun is so cute. The director may like Gungun and let him also be a child star!” On the road, Fei Ying plays with Gungun, “Would you like to shoot with your sister?”

Gungun blinks his big eyes. He looks at Xiaojiu and Fei Shan who goes to the shooting place with them. Then he shakes his head.

“Why?” Fei Ying feels strange. “Look. Xiaojiu is very happy to film.”

Xiaojiu makes an expression. She learned that from a little actor on the TV show yesterday.

Gungun points at Fei Shan, “Tired, tired!”

“I always said I was tired when I came back. Gungun must remember that.” Fei Shan touches Gungun’s small head. “How are you so lazy?”

Gungun puts himself into Yan Hua’s arms and says, “Gungun. Eat. Play. Sleep!”

“Oh!” Fei Ying is happy, “That is just what you want.”

When they arrive, Yan Hua knows that this is a fairy drama, based on the online novel written by Fairy’s Heart. It is called “Devil King, Fox Will Become a Goddess.” The heroine is a nine-tailed fox.

Xiaojiu will play the fox of childhood. She will have a furry tail according to post-film special effects. It is especially cute!
