

## The Apple 81

### Chapter 81: It's Best If You Can 't Survive

Li Yan did not directly answer Qiao Mu's question. Instead, he glanced at her indifferently and asked, "Fall out? What do you want to do? She has her mother to protect her. What do you have?"

"I have you, Uncle." Qiao Mu subconsciously replied. She looked at the incomprehensible smile on Li Yan's face and pursed her lips. "I can't count on you either. You're family!"

After Qiao Mu finished speaking, she felt a hint of coldness flash across Li Yan's eyes, and a chill emanated from the depths of his eyes.

Qiao Mu's body stiffened as she realized that she had gotten carried away!

This man had only treated her a little better, and she had forgotten that he was someone she could not afford to offend!

Although he had indeed been helping her, those things had not affected Yu Tingyun and her mother. What if one day, she and her stepmother stood on opposite sides?

She wasn't sure if this man would stand on her side.

Just as Qiao Mu was about to be frozen by the cold light, he spoke indifferently. His tone contained a hint of mockery and faint anger. "You're quite self-aware."

Qiao Mu's heart suddenly sank.

Although she had already expected the answer, she still felt very disappointed when she heard his merciless blow.

She felt wronged and snorted. "Your family is not a good person!"

Li Yan narrowed his dark eyes and stared at Qiao Mu with his deep gaze. The atmosphere instantly became tense.

Qiao Mu lowered her head and didn't dare to speak. Then, she heard the man's voice above her head, and he berated her with an unclear emotion, ""How rude!"

Qiao Mu pursed her lips. What's with the fierceness!

Indeed, the man in bed and the man out of bed were completely different people!

Qiao family.

Qiao Ya did not sleep well that night. She could not suppress the nervousness in her heart.

She had no idea what happened after she sneaked away last night. It would be fine if Qiao Mu was satisfied with Lin Xian's service, but if Lin Xian was not satisfied in the end, the Qiao family would really be implicated.

Moreover, if Qiao Mu was tortured to death by Lin Xian, how could she wash away her involvement?

Qiao Ya also did not expect things to develop to this extent. She originally thought that Qiao Mu would at most suffer a little loss and that it was nothing. The Qiao family had raised her for so many years, so it was only right for her to pay a little price for the Qiao Corporation.

Who knew that the wretched girl would resist desperately and pretend to be noble and virtuous, not even caring about her life. If she angered Lin Xian, the consequences would be unimaginable!

Yu Tingyun went downstairs, and Qiao Ya confessed to Yu Tingyun in fear.

Yu Tingyun's expression changed. " Don't you know that girl's temperament? How can you be so rash? Even if you want to be quick, couldn't you have discussed this with me beforehand? The other party is

the mayor's son, and Qiao Mu represents the Qiao family. If we're not careful, the Qiao family will also be implicated!"

' Mom, I didn't expect things to develop to this extent either. Don't blame me for now. Think about what to do. I didn't expect Lin Xian to be a drug addict. Qiao Mu might not survive after being in his hands for one night! "

"It's best if you can't survive!" Yu Tingyun's gloomy voice rang out. Qiao Ya was shocked. Her mother, who had always been virtuous and beautiful, actually had a sinister expression on her face.

Yu Tingyun noticed that she had lost her composure and explained with a cold face, "'Think about it. If Qiao Mu only caused a ruckus at the gathering and offended Lin Xian, the Qiao family would be in trouble! However, if anything happens to Qiao Mu, the Qiao family will be at a disadvantage. Perhaps the mayor will feel guilty and give that piece of land in the north of the city to the

Qiao family."

Losing Qiao Mu and obtaining a large project was a profit!

Chapter 82: Mother and Daughter in Collusion

Moreover, it was not a big deal for the daughter of a despicable woman to be tortured to death like this. Most importantly, the Qiao family would be peaceful in the future!

Qiao Ya thought about it and felt that it made sense. She still said worriedly, "'But no matter what, I can't get away with it!"

Yu Tingyun glared at Qiao Ya, who looked like a good-for-nothing, and said coldly, "'You just have to pretend that you don't know. I'll take care of your father!"

When Qiao Mu returned home, the Qiao family of three was having breakfast.

As soon as she entered, she heard Qiao Jiannan's voice coming from the dining room. "Yesterday was Friday. Mumu didn't go home this weekend either. Give her a call after dinner."

Yu Tingyun smiled and said, "She must have forgotten to go home because she was playing with her friends. The child is old enough to not be so strict. Mumu is very sensible."

Qiao Mu snorted coldly in her heart and said with a smile, "Daddy, I'm back."

The three people in the restaurant looked at Qiao Mu at the same time with different expressions.

Qiao Ya's expression was extremely unsightly as she sized up Qiao Mu. When she saw that Qiao Mu was unharmed, a hint of surprise and panic flashed across her eyes. At the same time, she revealed unconcealed disgust.

Since she was fine, it meant that she had served Lin Xian well yesterday, so Lin Xian let her off!

Yu Tingyun glared at Qiao Ya, reminding her not to expose herself!

Qiao Jiannan smiled helplessly. "I just mentioned you and you came back. This child is so insensible. He didn't even call home."

Qiao Mu smiled mischievously, and her eyes inadvertently swept past Qiao Ya. "Daddy, don't blame me. I almost didn't make it back!"

"What happened?" Qiao Jiannan asked hurriedly.

Yu Tingyun smiled and interrupted the conversation. "Mumu, you know that your father is worried about you, but you're still joking with him."

Aunt Yun, how did you know I was joking?" Qiao Mu raised her eyebrows and looked at Yu Tingyun provocatively.

Yu Tingyun stood up and walked toward Qiao Mu. "Mumu, let's not talk about this for now. You came back just in time. Come upstairs with me, I have something good for you. '

A cold glint flashed across Qiao Mu's eyes. This mother and daughter pair were indeed colluding!

She wanted to see what Yu Tingyun was up to!

Yu Tingyun went upstairs and entered her room. She closed the door and looked at Qiao Mu expressionlessly. "I heard about what happened last night from your sister. "

"Sister? Qiao Ya brought me to that kind of place, and you still have the cheek to call her my sister?"

Qiao Mu, what happened last night has already happened. There's no point in getting angry. Even if Qiao Ya went overboard, you must remember that as long as your surname is Qiao, you have the responsibility to help the Qiao family solve their problems!" Yu Tingyun's tone was full of self-righteousness. She didn't think that Qiao Ya had done anything wrong.

Qiao Mu curled her lips mockingly. "Aunt Yun, if I remember correctly, you wanted to chase me out of the Qiao family not too long ago. Don't you find it ridiculous to say these words now?"

"But didn't you choose not to leave? Qiao Mu, since you've chosen to stay in the Qiao family, this kind of thing will happen frequently in the future. Your existence must be beneficial to the development of the Qiao family. Since you've chosen to live the life of a socialite, you have to pay the price! The life of a wealthy family is not enjoyed for nothing. Even if you get married in the future, your partner will have to be me, your nominal mother, to arrange a family marriage for you!"

Yu Tingyun's tone was aloof and emotionless. "Qiao Mu, you have no other choice! '

The corners of Qiao Mu's lips sank. This was the first time she had spoken so directly about her expected attitude.

She sneered.. "Daddy doesn't know about this, does he? Aren't you afraid that I'll tell on you?"

Chapter 83: Counterattack

Yu Tingyun smiled and shook her head. "You don't know how to complain. If you did, you would have said it downstairs. I watched you grow up. You're a very sensible child. Even if you don't care about Xiao Ya and me, you care about your father. You won't make him unhappy. '

Qiao Mu's heart sank bit by bit.

Yu Tingyun knew what she was thinking, so when Qiao Ya bullied her and attacked her blatantly, this woman would always stand by and watch. Yu Tingyun knew that even if she was bullied, she would not complain. She would just swallow it silently!

Her attempt to appease them made them bully her even more!

After a pause, Yu Tingyun continued, "If your father knew that you helped the company acquire the land in the north of the city, he would definitely be very happy. Qiao Mu, it was worth it for you to sacrifice one night. Isn't everything fine now?"

Yu Tingyun's words were extremely disgusting.

Qiao Mu clenched her fists tightly and suddenly laughed. "Aunt Yun, you're right!"

Yu Tingyun stared straight at Qiao Mu. Her beautiful face was smiling very proudly, without the slightest hint of sadness.

No matter how he looked at it, it was disgusting!

With Lin Xian's playboy style, it was already a miracle that she didn't go to the hospital after a night. After being abused last night, she could still go home as if nothing had happened. It seemed that this wretched girl was just like her shameless mother. She was a slut to her bones!

Qiao Mu turned around and opened the door. Just as she was about to walk out, she suddenly stopped in her tracks as if she had thought of something. She turned around to look at Yu Tingyun. " Oh, right, Aunt Yun, I forgot to tell you. I've already offended the mayor's son last night. Perhaps the mayor is thinking of a way to deal with our family at this time."

Qiao Mu smiled innocently when she saw Yu Tingyun's gradually changing expression. She continued, ""Who asked me to be a part of this family? It's inevitable that I'll accidentally implicate the Qiao family. So, Aunt Yun, you'd better think of a way to solve this matter quickly. My father doesn't know about this, so I can only trouble you!"

Qiao Mu! " Yu Tingyun gritted her teeth as she said those two words. Her usually calm expression changed completely!

Since last night, Lin Xian had been hiding his involvement in drug abuse. Only the police knew about it, and the outside world had not heard anything about it.

The mayor, Lin Changhua, was furious. His only precious son had suddenly been beaten up and sent to the police station!

Lin Changhua came to the police station aggressively to demand his son's life. When he saw his son's unrecognizable appearance, he could not catch his breath and almost fainted.

He couldn't bear to touch it himself. He had been pampered since he was young, but in one night, he had been crippled by someone else!

Lin Changhua slammed the table. " Call your bureau chief over. I want to ask him why he didn't arrest the person who hit my son! "

A middle-aged man walked over. His attitude was very polite, but his tone was very stiff. "Mayor, who should be arrested and who should not be arrested? I will handle this fairly. Are you interfering with the work of the police station?"

'Su Hui, don't think that I don't know that you're protecting Li Yan. Hand Li Yan over to me. You can't protect him. I don't believe that he can get away with it in my jurisdiction!" Lin Changhua said angrily.

"Get away scot-free?" A light voice sounded, and then a tall figure appeared at the door.

Li Yan put his hands in his pockets and walked into the police station. In the chaotic scene, he looked very calm and composed. It was as if he had entered his own garden..

Chapter 84: I Want You to Step Down

Li Yan stood in front of the furious Lin Changhua. "Mayor Lin, you can't just say whatever you want. May I know what kind of law I've broken?"

"Li Yan! Are you tired of living? How dare you lay your hands on my son!" Lin Changhua pounced over, but before he could get close, he was stopped by Lei Yi.

Li Yan raised his eyebrows and smiled. "Mayor, I don't understand what you're saying. I've always been a law-abiding citizen. What does your son's matter have to do with me?"

Lei Yi's mouth twitched. Yes, Young Master was indeed law-abiding.

"Good! Very good! You're in cahoots!" Lin Changhua angrily took out his phone and dialed a number. "Bring someone to the police station immediately!"

"What?!" Lin Changhua said angrily after he put down the phone. "A police chief dares to climb over my head?!"

Upon hearing this, Su Hui stepped forward. " Mayor, since the criminal is your relative, I have already informed Secretary Liu about this matter. "

Lin Changhua's expression changed. Secretary Liu and him, the mayor, had always been on good terms on the surface, but they were enemies in private. This Su Hui was on the Secretary's side. Clearly, they had discussed it and deliberately targeted him!

"Mayor, we have something to talk about. How about we talk inside?" Li Yan said calmly.

"Let's talk here! Surnamed Li, even if you beg me, I won't let you off!" Lin Changhua glared at Li Yan with fire in his eyes.

Li Yan's lips curled into a smile, and his eyes were cold. He glanced at Lei Yi, who handed the documents in his hands to Lin Changhua.

Lin Changhua took a look at it and his expression changed drastically.

"I wonder why the mayor won't let me off?" Li Yan asked nonchalantly.

The files in the folder were all evidence of Lin Changhua's crimes! Greed, corruption, bribery, tax evasion, and naturally, raising a mistress.

Lin Changhua raised his head and glared at Li Yan angrily. He gritted his teeth and his expression was extremely ugly. " Li Yan, I'm not interfering with you. Why did you do this?!" "

Li Yan sneered. " That was true before last night, but your son offended me last night. It's a father's fault for not teaching his son. Shouldn't the mayor pay for what your son did? "

No matter how angry Lin Changhua was, Li Yan still had something on him.

There were too many people around, so Lin Changhua could only swallow his anger and ask to talk in the office.

After closing the door, Lin Changhua threw the documents on the table and asked, “Li Yan, what are you trying to do? I can promise you anything you want!”

“I want you to step down.” Li Yan spat out the words that could scare people to death.

“In your dreams!” Lin Changhua roared.

Li Yan walked to the sofa and sat down leisurely. “Your son warned me last night that he wanted me to lose my footing in Beijing. If you don’t step down, I’ll be in danger! ‘

Lin Changhua laughed coldly. “You sure are arrogant. I’d like to see if you can do it! ‘

After all, Lin Changhua was a mayor who had seen the world. In his eyes, Li Yan was just a young man who was about the same age as his son. Even if he had evidence, it was impossible to force him to step down.

Li Yan raised his eyebrows and looked at Lei Yi, who was standing at the side. His tone seemed to be asking, “The mayor’s son was arrested for taking drugs last night. He has been hiding too well until now. Isn’t it time for him to let the outside world know?”

Lei Yi said respectfully, “Young Master, I’ve already revealed the news to the major media before I came. Not only did Lin Xian gather to take drugs, he also gathered to rape and attempted rape. Although the current charges are not serious, once this matter is made public, those victims who were suppressed by the mayor will probably come forward. At that time, it will be difficult for the mayor not to be implicated.. ‘

Chapter 85: Provoking a Terrifying Person

After a pause, Lei Yi continued. "The mayor just called to call someone to the police station. I'm sure the media will soon report that the mayor used his personal power to come to the police station to interfere with official business.

The corners of Li Yan's mouth curled up. He looked at Lin Changhua's ugly expression and said calmly, ""With the mayor's power, it's not difficult to cover up his corruption. However, in a wealthy neighborhood in the city center, there's an adult and a child. It's impossible to erase them. "

Li Yan paused for a moment before he said calmly, "Mayor, what do you think?"

Lin Changhua's expression was as unsightly as it could get.

Li Yan had investigated all the women and children he kept outside. This was obviously his fatal weakness!

No matter how unwilling Lin Changhua was, he had to lower his head. "Young Master Li, if my son has offended you, I will apologize to you on his behalf. I will not interfere with his actions. Please stop now. "

"Stop?" Li Yan's lips curled up coldly. "Unfortunately, it's too late. I've already handed this information to Secretary Liu. What happens next has nothing to do with me. "

Lin Changhua's face instantly turned purple. He had already dealt with this matter. What was the point of coming here today?

Li Yan stood up and walked out elegantly. When he reached the door, he stopped in his tracks and looked behind him coldly. "Mayor Lin, I'm here to confirm with you whether this is your territory or not!"

Lin Changhua's heart skipped a beat. He felt like he had offended someone he shouldn't have!

Lin Changhua had more or less heard of Li Yan's deeds overseas. In business, he was involved in both the black and the white. Both the black and the white seemed to be doing well, but he did not expect him to be so ruthless!

During the weekend, Qiao Mu hid in her dormitory and didn't dare to go out. She was worried that her enemies would come knocking on her door.

Although Li Yan did not take Lin Xian seriously, the mayor was not someone that ordinary people could offend!

However, two days later, when she was surfing the internet, she suddenly saw a piece of news. The mayor of this city was suspended and was being investigated !

Qiao Mu stared at the headline in disbelief. She tugged at Chi Xia beside her and asked, "Xiaxia, quickly turn on your phone and see if this message is a rumor! "

Chi Xia was baffled. She went online to confirm and replied, ""It's true. Isn't this kind of news common? What kind of expression is that? Is the mayor your relative?"

Qiao Mu shook her head stiffly. " I'm thinking that I seem to have offended an extremely terrifying person.

It was impossible to say that the mayor's resignation had nothing to do with Li Yan!

This matter was too terrifying. She had always thought that Li Yan was just a powerful figure in the business world, but she did not expect him to be so powerful!

Now that her crisis was finally resolved, why did she still feel that she was in a

dangerous situation?

It was too scary to think of how she did not know her limits in front of that man who could turn the world upside down with a flick of his finger!

Chi Xia was playing a game and asked casually, ""Who did you offend? Mumu,

you've been acting weird recently. Also, Yao Shu hasn't been back for two days. Do you have to be so mysterious about having a boyfriend?"

At the mention of Yao Shu, Qiao Mu snorted coldly. " I'd like to see if she has the face to come back and face me! "

Chi Xia looked up at Qiao Mu. Before she could ask anything, the door was pushed open.

Yao Shu carried her bag into the house and glanced at Qiao Mu as if nothing had happened. " You should be the one who's too ashamed to face anyone! "

Qiao Mu expressionlessly walked toward Yao Shu, raised her hand, and unceremoniously slapped her.

With a crisp " pa " sound, Yao Shu and Chi Xia were both stunned..

Chapter 86: You Have to Take This Slap

Chi Xia jumped up and walked over. " What's wrong with you two? What happened?"

Yao Shu covered her face, her eyes filled with anger. " Qiao Mu, what right do you have to hit me?! "

Qiao Mu curled her lips into a cold smile. " You know the reason yourself! Yao Shu, regardless of whether you know where you lied to me, since you're involved in this matter, you have to accept this slap!"

Yao Shu pushed Chi Xia, who was standing in the middle, away and glared at Qiao Mu angrily. " I did it on purpose. So what? " Even your sister wants to harm you. It shows how dirty you are!"

“Filthy? Yao Shu, how have I let you down? You’ve targeted me again and again? I was reported to the nightclub. It must be your masterpiece, right?” Chi Xia was stunned. She didn’t know anything!

Yao Shu’s expression changed. “ You deserve it! You’re someone else’s third party, and you still have the cheek to be so self-righteous!” A third party?

Qiao Mu’s expression turned colder. It was simply baffling!

Yao Shu saw Qiao Mu’s blank expression and continued, ““ Stop pretending. I’m telling you, Han Su is mine. He’s my boyfriend. He doesn’t like you at all! ”

Qiao Mu felt like she had heard the funniest joke in the world, and she laughed sarcastically. “ Are you delusional? ”

Chi Xia was confused and could not help but confirm, “ Yao Shu, Han Su is your boyfriend? Even if he is your boyfriend, what does it have to do with Mu Mu?”

“ Ask her. She knows that Han Su has a girlfriend, but she still seduced someone else’s boyfriend. She’s so shameless! ” Yao Shu angrily pointed at Qiao Mu. “ Don’t you like men? ” Your sister said that there are plenty of men there.

I’m helping you!”

Yao Shu was very emotional and completely lost her usual quiet self.

“Yao Shu, don’t go crazy here. It’s ridiculous!” Qiao Mu couldn’t be bothered with her. Since she had clearly seen this person’s face, there was nothing more to say.

“How can you be so shameless!” Yao Shu gritted her teeth in anger. She packed her things and left with her bag.

Qiao Mu’s mood turned sour after Yao Shu’s ruckus.

Chi Xia walked up to Qiao Mu and asked in confusion, “What exactly happened?”

“How would I know? Han Su and I are innocent. Ever since Yao Shu fell in love, she became abnormal. I only just found out that she schemed against me again and again!” Qiao Mu didn’t know the reason at first, but now she knew that it was because of Han Su!

Chi Xia was also very puzzled. If Yao Shu and Han Su were really dating, how could their relationship be hidden?

Chi Xia suddenly thought of something and asked, “You just said that Yao Shu and Qiao Ya lied to you. What’s going on?”

Qiao Mu thought that the matter was over and did not want Chi Xia to worry, so she did not say anything. Since she asked, she could only briefly tell her what happened that night.

Chi Xia was furious when she heard that. She could not help but curse, “These scumbags! Giving her a slap is considered letting her off easy!”

After a pause, Chi Xia stared at Qiao Mu with a scrutinizing gaze. “No wonder you were so surprised when you saw the news just now. That uncle of yours is too amazing!” Tell me honestly, the person you secretly sent a message to and called a few days ago, was he your uncle?”

Qiao Mu’s expression was a little unnatural. “What do you mean by sneaky? I’m obviously doing it openly!”

“Alright, fair and square! Compared to the tall, rich, and handsome uncle, Han Su is nothing. Yao Shu is really good at framing people!”

‘Don’t talk about Senior Han Su like that. This is just what Yao Shu said. It’s not confirmed yet!’ Besides, Han Su had never told her that he had a girlfriend, so she didn’t believe what Yao Shu said.

Chapter 87: Infiltrating the Enemy

The sky was already dark, and it was time for dinner.

Seeing that Qiao Mu's mood was affected, Chi Xia dragged her out for dinner.

Qiao Mu was still thinking about what was going on between Yao Shu and Han Su when she looked up and saw Chi Xia looking at her with a very ambiguous gaze. That gaze seemed to want to see through her.

"What's wrong? What's with that look?"

Qiao Mu, it suddenly occurred to me that you didn't deny your abnormal relationship with your handsome uncle." Chi Xia's tone was filled with excitement.

Qiao Mu was stunned, and she snapped back, "'Our relationship is very normal.

Don't make wild guesses!"

"What is considered normal? That's not your biological uncle. Aren't you a little too close to your stepmother's younger brother?"

Qiao Mu really wanted to say that her relationship with Li Yan was no longer as simple as just being a little close.

Qiao Mu coughed lightly and stopped in her tracks. She looked at Chi Xia with a serious expression and tried to mess with her thoughts. "What do you know? This is called infiltrating the enemy's inner circle and building a good relationship with the enemy so that there will be fewer obstacles in the future. ' Besides, Li Yan is such a powerful enemy. If we can pull him into our camp and use him, wouldn't that be killing two birds with one stone?"

Qiao Mu had just finished speaking when a car horn sounded from behind her. She did not turn around and merely leaned against the sidewalk.

Just as she was waiting for Chi Xia to exaggerate her wisdom, she saw Chi Xia's dazed expression.

Qiao Mu smiled and said proudly, ""Are you shocked by my shrewd battle plan? Don't worshiD me too much!"

Chi Xia pointed behind Qiao Mu and said uncertainly, " Mu Mu, why do I feel that the person in this car looks so much like your stepmother's younger brother? "

"You must have seen wrongly. How could Li Yan..." He appeared near her school!

Before she could finish her sentence, Qiao Mu had already seen the person Chi Xia was talking about.

His expression froze instantly!

In the black car, the man's deep black eyes stared straight at her. It was clearly a comfortable night in spring, but at this moment, she felt like she had entered the depths of winter. There was a chill from the inside out.

Qiao Mu couldn't help but shiver as she looked at the man in the backseat in disbelief. She blinked again and again, and it took her a while to confirm that her gaze was correct.

When did this car stop behind her? He probably didn't hear what she said just now, right?

Qiao Mu took a deep breath and reminded herself to calm down before saying, ""Uncle, why are you here?"

You?

Li Yan raised his eyebrows and a cold look flashed across his face. This little thing would only call him "you" when she needed his help or when she made a mistake!

Qiao Mu felt extremely guilty under that fierce gaze. Just as she felt that she was about to be cut into pieces by his gaze, she heard him spit out two words in a flat tone, "Get in the car!"

Qiao Mu really did not want to get into the car. Her rationality told her that if she got into the car now, the consequences would be unimaginable!

But ... She didn't dare to refuse!

Qiao Mu turned to look at Chi Xia and secretly signaled for help with her eyes. However, the other party revealed an expression that was even more obsequious than hers. She smiled and waved her hand. "Mu Mu, leave quickly. Don't worry about me!"

In the end, Chi Xia even added fuel to the fire and leaned in front of Qiao Mu, encouraging her softly, "I won't delay you from infiltrating the enemy's base."

Good luck! '

Qiao Mu was speechless.

What could she say! How did he end up with such a bad friend who liked to cause trouble and help!

Qiao Mu braced herself and got into the car..

Chapter 88: How Should I Punish You?

The car drove steadily.

The atmosphere in the car was terrible.

Qiao Mu did not speak and waited for Li Yan to speak first. However, the other party did not seem to have any intention of taking the initiative to speak. He sat at the side like a statue.

Qiao Mu finally couldn't hold it in any longer. She broke the ice with a cough and tilted her head to look at the stone sculpture. " Uncle, why did you come near our school? "

Was he looking for her?

"Passing by!" These two simple words made Qiao Mu speechless.

Qiao Mu laughed dryly. " It's too much of a coincidence to bump into someone just passing by! "

"It is indeed a coincidence."

Li Yan lowered his gaze. This was the first time he looked at Qiao Mu in the eye ever since she got into the car. Qiao Mu finally felt a trace of comfort. She no longer needed to be treated coldly.

However, in the next second, the man's thin lips parted slightly and he said something that put her under a lot of pressure. " If I hadn't met you by chance, I wouldn't have had the chance to hear your detailed battle plan! "

The coldness seeped into his bones.

Qiao Mu's face slowly turned pale.

He heard it! He actually heard it! How unlucky was she? She had casually said a few words on the street and he had overheard her?

At this moment, Qiao Mu really wanted to jump out of the car and hide far away!

It was impossible for her to escape, so Qiao Mu laughed awkwardly. " Uncle, hehehe, I was just joking with my friend. I was really just casually saying it. You can take it in one ear and leave it in the other. Don't take it seriously! "

Li Yan's eyes turned sharp, and the corners of his mouth curled into a faint smile. He leaned over and approached her. " Infiltrating the enemy's inner circle? Then isn't your sacrifice a little too big?"

Qiao Mu's entire body trembled, and the corners of her lips twitched, revealing an expression uglier than crying. " Uncle, I didn't sacrifice myself. I did it willingly! "

"Is that so? But when I think about it, why do I feel that you deliberately planned it? Little thing, did you drug yourself the first time and then take the opportunity to ... Seducing me?"

"No!" She was so wronged!

"Hmm?" Li Yan narrowed his eyes. He seemed to be very dissatisfied with this answer.

.. Yes!" Qiao Mu gritted her teeth and braced herself to admit!

He raised his broad hand and placed it on Qiao Mu's head, rubbing it twice. The man's tone was cold and seemingly playful. ""How should I punish you?"

Qiao Mu was already speechless.

The man's coquettish eyes suddenly darkened as he glared at her. " Qiao Mu, didn't I remind you not to have any evil thoughts? " If I find out, you won't be able to bear the consequences!"

Qiao Mu stiffened and immediately nodded like a chick pecking at rice. " I didn't! Uncle, believe me. I wouldn't dare! "

She didn't think much of it in the past, but now she really didn't dare to. Ever since she found out how terrifying he was a few hours ago, she didn't dare to provoke him even more.

Don't dare? It wasn't that he didn't want to!

This answer made Li Yan very dissatisfied!

He wasn't trying to force her with threats or promises. She just wanted to remind her to be obedient!

The little thing looked nervous and sat at the side timidly, looking like a frightened deer.

A hint of displeasure flashed in his dark eyes. He was only slightly more serious with her, why was she so afraid?

Wasn't she very bold? Where was his arrogance from before?

He sighed helplessly and gave up on teaching her a lesson for the time being.. He did not want the little thing to be afraid of him!

Chapter 89: I 'm Very Good, Don't Be Fierce

Qiao Mu was still sitting upright, waiting to be taught a lesson, but she could clearly feel that the man's coldness was gradually dissipating, and his sense of danger was no longer as intense.

Qiao Mu quietly raised her head and coincidentally met the man's gaze. She chuckled. " Uncle, I'll really be very obedient. Don't be fierce with me! "

"Hmm? How dare you disappear with me?"

Qiao Mu was stunned and quickly shook her head. " No, I've been obediently staying in the dormitory for the past two days and didn't go anywhere. It's just that I lost my phone that night, so I didn't contact you. '

After Qiao Mu finished speaking, she secretly glanced at Li Yan's expression. It was obvious that he was quite satisfied with this answer, and she heaved a sigh of relief in her heart.

She was under a lot of pressure! Her little heart was very fragile. Couldn't he be gentler to her?

Qiao Mu blinked her big eyes at Li Yan and could not help but ask, ""Uncle, did you come specially to look for me today?"

Li Yan glanced at her. She was still acting all reserved just now, but now that he was giving her a little face, she would climb up the ladder.

Looking at her expectant eyes, he gave her the same answer."I'm just passing

Qiao Mu secretly pursed her lips. Even if he said he was passing by, she had to believe him!

She felt a little smug in her heart. He must have come to her school to look for her because he couldn't contact her on his phone!

At this moment, Li Yan's phone rang. He answered the call and said, ""1'11 be there soon."

Qiao Mu looked at him in confusion. What was he up to next?

Soon, the car stopped.

Li Yan got out of the car, and Qiao Mu followed suit.

The car stopped in the parking lot of the Abundance of Gold Hotel. In front of them was a golden hotel signboard with flashing neon lights and gorgeous decorations.

"Abundance of Gold and Jade" was the largest hotel and restaurant in the capital. The dining and accommodation facilities were linked together, and the entire building occupied a large area in the district. Many business events and grand banquets were held here. The banquet that Qiao Mu attended with Han Su the last time was also held here.

Although Qiao Mu had already guessed her purpose for coming here, she asked, "Uncle, what are we doing here?"

Li Yan lowered his head and glanced at the little one. "Other than getting a room, we're here to eat. What do you think we're doing here?"

Qiao Mu was speechless.

Pretend she didn't ask anything!

F\*ck! So what if he politely replied that he was here for dinner?

In a private room filled with gold and jade.

A table of people were chatting, waiting for the man who was the last to arrive.

Lu Jingzhi looked at the time and said helplessly, "Treat us to a meal. Why aren't you here at this hour? Are you trying to starve us to death?"

Su Chen looked at Lei Yi. "Where did your master go? He actually didn't bring you along."

"Young Master went to do some private matters." Lei Yi replied simply.

Personal matters? What private matters could Young Master Li have?

Su Chen smiled at the middle-aged man beside him. " Second Uncle, don't be picky. You know that my big brother has been busy with his private matters recently because of that incident. "

The man that Su Chen addressed as Second Uncle was Su Chen's uncle, Su Hui, the chief of the police station. Li Yan was treating them this time to thank Chief Su for his help.

Su Hui smiled indifferently. " I'm an elder. Naturally, I have to accommodate you youngsters. "

At this moment, the door was pushed open by the waiter. Li Yan finally appeared.

Qiao Mu thought that she and Li Yan were the only ones eating, so when she opened the door and saw the people inside, she was stunned.

Li Yan entered the room, and Qiao Mu followed closely behind him. She braced herself and stepped into the room.

At the same time, she could feel everyone's gaze on her..

Chapter 90: Disappointed by the Coldness!

Why didn't he tell her in advance that there was someone else eating with him?

If she knew, she would never have come!

That was because...She came out of the dormitory to look for food at night. She was only wearing a casual T-shirt and loose jeans with holes in her knees.

She looked at the few people in the room. They were all dressed up. Although they were not as formal as suits, these men were dressed casually. Unlike her, she looked like a student who could not be seen in public!

It was too embarrassing!

When Lu Jingzhi and Su Chen saw Qiao Mu following behind Li Yan, they were slightly stunned. So this was the so-called private matter!

He brought this girl with him. Could it be that this Young Master Li was afraid that she would cause trouble again after leaving him?

There was an indescribable feeling when the two of them stood together.

One was tall and straight, while the other was petite and delicate. Although the contrast was obvious, they were surprisingly compatible.

After Li Yan entered the room, he asked the waiter to add a chair. Then, he walked to the table and looked at Su Hui. "Uncle Su, I'm sorry for being late."

"It's not too late!" Su Hui laughed, and his gaze landed on Qiao Mu. "Ah Yan, this is?"

"Uncle Su, she's the girl I took away that night. I have to thank you for helping me with the rest of the matter," Li Yan said calmly as he sat down.

From Li Yan's words, Qiao Mu understood that Uncle Su was also involved in that incident.

Qiao Mu very consciously smiled and introduced herself. "Hello, Uncle Su. I'm Qiao Mu, Little Uncle's nephew!"

"Pfft..." Lu Jingzhi could not help but laugh.

Nephew? This self-definition was too...

Qiao Mu looked over in puzzlement. Did Lu Jingzhi dislike her? She introduced herself, yet he still laughed out loud and smashed the place!

However, why did Li Yan's expression suddenly turn sour?

Su Hui laughed out loud. " Miss Qiao, you call Ah Yan uncle, but you call me uncle like Ah Yan. Isn't this seniority a little wrong? "

\* Cough \*

It really didn't seem right!

Could it be that he had to call her grandfather? However, the other party was only in his fifties. He really couldn't call him grandfather!

Qiao Mu smiled awkwardly and helplessly glanced at the man beside her.

However, the man's expression was cold as if someone had offended him.

Su Chen broke the silence with a chuckle. " Second Uncle, don't worry about seniority. My big brother doesn't even mind. '

This awkward opening was finally over.

After that, Li Yan did not say another word to Qiao Mu.

Qiao Mu felt neglected and a sense of loss welled up in her heart.

He had brought her here, but in the end, he did not speak to her at all. He did not even look at her, making them look like strangers.

Qiao Mu felt indignant as she ate the delicacies.

Finally, she couldn't hold it in any longer. She secretly reached out her hand under the table and touched his hand on his lap, hinting at him not to be so cold to him.

Just as her hand touched him, he held it back. Then, the man finally turned his head and gave her a look.

Qiao Mu immediately smiled at him ingratiatingly, but the man asked nonchalantly, ""Why are you touching me?"

Why are you touching me...His voice was neither loud nor soft, and everyone present could hear him clearly!

Qiao Mu's face flushed red almost as soon as Li Yan finished speaking.

F \* ck! In front of so many people, he did not give her any face and said that she had touched him!

How thick-skinned was he to say such things as if it had nothing to do with him?

Moreover, he was still holding her hand tightly as he spoke.

The gazes of the people at the table shifted to Qiao Mu once again, and Qiao Mu felt her face burning hot.
