

The Beloved 111

Chapter 111: I'll Accompany You Today

Before Jian Dan went in, she called the person-in-charge who came to receive her at the door and brought her in...

The two of them sat in an office... "Can you give an introduction to the show?"

Jian Dan did not beat around the bush and went straight to the point.

Uncle was still waiting for her downstairs! Of course, she had to end it quickly. She could not bear to let him wait for so long.

"It's a show that features participants overcoming challenges. There are 20 participants, and they work in pairs to overcome various challenges. Moreover, the partners are not fixed."

"What about safety? After all, there are risks in competitive reality shows nowadays, and dangerous incidents have really happened before."

"You don't have to worry about that. We will have a professional medical team. In order to be safe, every team will have a doctor—who will be able to render assistance at once if anything happens—accompanying them. You don't have to worry about that. This is some information on our medical team."

The person-in-charge handed a document to Jian Dan...

"Have the participants been decided?"

"It's almost settled. Other than Miss Shang Yujin, there's only one person left who hasn't been confirmed."

"Can I have a list of the participants?"

“That’s not possible for the time being. Because it’s still confidential, it’s not convenient to reveal it for the time being. I hope you can understand.”

“I understand! Alright, I have a rough idea of it for now. Can the manager tag along during filming?”

“Yes!”

“Okay! Alright, I’ll go back and discuss it with Yujin. Can I give you an answer tonight?”

“Sure, no problem!”

After the discussion, Jian Dan put the information given by the person-in-charge into her bag and left...

The moment she exited the building, she saw Chu Liyuan’s car parked not far away. Jian Dan quickly ran over...

“Uncle!”

“Done?”

“Yup! I think it’s not bad. I’m going to discuss it with Yujin! Uncle, if you have something to do, you don’t have to accompany me. I’ll go look for Yujin myself.”

“I’ll accompany you today!”

Ever since he got married, he had not spent much time with this lass. Hence, he specially freed up these two days to accompany her. He did not expect this lass to be so busy instead. He really wondered if he did the right thing by letting her join New E Media.

Chu Liyuan sent Jian Dan to Shang Yu jin's house...

"Uncle, I'll be down as soon as possible."

"It's fine! Go on!"

"I just went to see the person in charge of the reality show. He also briefed me on the show. I think it's not bad. Moreover, the medical team they hired is very professional, so I think we can accept it."

"Yujin, what do you think? This is the information given by the person-in-charge."

Jian Dan handed the documents to Yujin, but Yujin did not take them.

"There's no need to look. I trust you! Since you think it's fine, there's definitely no problem."

In Yujin's heart, Jian Dan was not only her manager, but also her benefactor and friend. Without Jian Dan, she would not be where she was today.

"But I don't have any experience as a manager!"

Although Jian Dan had already figured out some of a manager's tricks, she was still inexperienced.

"I trust you!"

Yujin said to Jian Dan firmly.

Seeing that Yujin trusted her so much, Jian Dan felt warm in her heart and it also increased her confidence.

"Alright, then we'll accept it!"

Since Yujin trusted her so much, she was not going to be pretentious.

“Okay!”

“Alright! Since it’s decided, I’ll make a move first.”

“Stay and have lunch before you go!”

“No, Uncle is still waiting for me downstairs!”

“Oh, I won’t keep you then. Bye!”

Yujin was a few years older than Jian Dan. She was also much more mature and steadfast than Jian Dan.

“Bye!”

Jian Dan had already guessed that Chu Liyuan must have deliberately made time for her these two days... So, how could she let him down?!

Chapter 112: The Sweetness of Small Acts

Jian Dan called the person-in-charge of the reality show to confirm their participation.

They would sign the contract tomorrow.

Then, Jian Dan and Chu Liyuan began today’s “date”!

Jian Dan saw a bubble tea kiosk from afar. "Uncle, aren't you bored drinking black coffee all the time? How about a change of taste today?"

Unexpectedly, Jian Dan had just taken a step when she was pulled back by Chu Liyuan... "Huh?"

Chu Liyuan pulled Jian Dan back, and the next action was... to hold her small hand tightly, and interlock their fingers!

"Let's go!"

Jian Dan looked at their interlocked hands in disbelief, her face filled with surprise and happiness.

When did Uncle suddenly become so smart?

Why did she feel that there were suddenly many pink bubbles around her? She had already reached the bubble tea kiosk, but she was still wrapped up in her reverie...

"What would you like to drink?"

"Huh?" Only then did she snap back to her senses.

"One passion fruit tea! What do you want to drink, Uncle?"

H j n

Seeing Chu Liyuan's embarrassed expression, the corners of her lips curled up. It seemed that Uncle really only knew how to order black coffee. It was better for her to save him!

"One matcha bubble tea!"

Soon, the server handed the two cups of drinks to Jian Dan.

“Here!” She handed Chu Liyuan the matcha bubble tea.

She watched as Chu Liyuan took a sip and waited nervously for his reaction.

“How is it?”

It should be alright! She had chosen matcha bubble tea based on his taste because it was not too sweet and had the bitter taste of matcha.

Looking at the anticipation on Jian Dan’s face, the corners of his lips curled up. “Not bad!”

“Yeah! I thought you would like it!”

A big smile appeared on her face...

Chu Liyuan held her hand again and walked into the mall...

“Uncle, do you want to try mine?”

Jian Dan brought her cup to Chu Liyuan’s mouth.

Chu Liyuan obviously did not expect Jian Dan to suddenly offer him her drink.

Please, this is common during dates. Uncle, you have to catch up!

Chu Liyuan felt that before his brain could react, his mouth had already opened... What he sucked into his mouth was sour, but for some reason, he felt very sweet!

“Mmm! Matcha bubble tea is nice too!” Just as Chu Liyuan was drinking Jian Dan’s drink, she took a sip from his too.

It was this common action during dates that made Chu Liyuan blush and his heart beat faster.

She did not expect Chu Liyuan to be so innocent. It seemed that he had never dated other girls before. Otherwise, why would he blush because of this?

“Let’s go!”

She pulled his hand and continued to make their way to the mall...

Because it was the weekend, it was very crowded in the mall.

The moment they stepped into the mall, they instantly attracted the attention of all the women!

In Jian Dan’s eyes, this attention was more like murderous glares.

However, when Jian Dan saw Chu Liyuan’s eyes looking straight ahead, she automatically ignored the “murderous glares”. In any case, Uncle did not even look at them! No! He did not even see them at all!

The two of them walked into a men’s clothing store wrapped in their own bubble...

Chu Liyuan had never been to such a store before! His clothes were either luxury brands or high-end bespoke ones. He had never needed to go to the store to buy them himself; they were all sent to his house.

Jian Dan picked out a suit... Uncle always wore a boring suit. She was going to revamp his style today!

She carefully chose a few sets for Chu Liyuan. "Uncle, go and try them on!"

After Chu Liyuan went to the fitting room, Jian Dan sat on the stool outside and waited... She looked around inadvertently. She did not expect a few girls to follow them all the way here...

Oh my god! Why are girls nowadays so not reserved at all?!

"Wow! He's so handsome!" Hearing a girl's exclamation, Jian Dan noticed that Chu Liyuan had already changed into his first set of clothes and came out.

When she turned around, she finally understood. Sigh, it was Uncle's fault for being so drop-dead gorgeous! She could not blame them for not being reserved anymore.

Not only was Chu Liyuan's face incredibly handsome, but he had a hot body too. He was supermodellesque!

Other than the few girls who followed them, even the sales assistants in the store were attracted to him..

Chapter 113: Have You Seen Enough?!

She was already married to Uncle. This kind of situation would definitely continue to happen in the future. She had to slowly get used to it! She couldn't possibly lock him up at home, right?

She must not let such a situation affect their date...

Yup! That's right!

Jian Dan silently counseled herself and suppressed the unhappiness in her heart...

“Uncle, you’re so handsome!” She stood up and adjusted his collar.

It was an obvious declaration of her laying claim on him.

Did you see it? Uncle is already taken. He’s not someone you people can covet.

“On to the next set of clothes!”

After changing into a few sets of clothes in a row, Jian Dan found that every set seemed to be tailor-made for Chu Liyuan. She felt that it was not because the clothes made him look handsome, but instead, he made the clothes look good.

“Here!” Chu Liyuan went to the checkout counter and handed over a black card...

However, it was obvious that the sales assistant did not understand what Chu Liyuan meant. Furthermore, she had long been mesmerized by him.

“The ones he tried on just now, all of them!” Jian Dan explained.

However, the sales assistant still did not move and kept staring at Chu Liyuan...

“Can you hurry up? We’re in a hurry!”

Jian Dan gritted her teeth and smiled as she hooked Chu Liyuan’s arm over her shoulder.

Looking at Jian Dan’s action, Chu Liyuan’s lips subconsciously curled up.

This lass seemed to be jealous!

The people in the distance could not see Chu Liyuan's devilish smile, but the sales assistant in front of him clearly saw it... and her eyes widened.

What was Uncle up to?! He... gave such a smile under such circumstances?

From the corner of her eye, Jian Dan saw a cap on a shelf. She instantly put it on Chu Liyuan's head and pulled it down.

"This too! Pay by card!"

Jian Dan took the black card from Chu Liyuan and held it up to the sales assistant.

Seeing that Jian Dan was jealous over him, Chu Liyuan was over the moon.

Only then did the sales assistant start checking out the items...

After making payment, Jian Dan took the black card and left the store with Chu Liyuan without looking back...

The sales assistant watched them leave with a look of reluctance...

After they left the store, more and more women followed behind them...

She had already put a cap on Uncle; why were these people still following him?!

If she did not get rid of these people, today's rare date would be ruined by them. Uncle was so busy, it was rare to have a date!

This time, the two of them came to a women's clothing store...

Jian Dan purposely chose a women's clothing shop with a male sales assistant. This way, at least no one would stare at Chu Liyuan up close.

Jian Dan chose a few sets of clothes and went to the fitting room...

However, Jian Dan never expected that those women would actually take advantage of the time she went to the fitting room to boldly go forward and strike up a conversation with Chu Liyuan.

"Hello, handsome. Can I add you on WeChat?"

A beautiful girl walked forward shyly.

Seeing one woman step forward, the other women also began to rush forward...

"Handsome, I'm..."

"I'm..."

The bevy of women introduced themselves at once. Some even started to flirt, hoping to attract Chu Liyuan's attention.

Jian Dan was trying on the clothes when she suddenly heard voices outside. She hurriedly put on her clothes.

When she came out of the fitting room, she saw Chu Liyuan surrounded by a bevy of women.

Did these people think she was dead? They dared to be so brazen even when she was around...

The anger that Jian Dan had been holding back could no longer be suppressed...

After spending a lot of effort, she finally squeezed in. “Have you seen enough?! Are you not done?”

If I don't show my might, do you think I'm Hello KATTY?!

Chapter 114: If We Come Again in the Future, Clear the Place in Advance!

Chu Liyuan realized that ever since he got together with Jian Dan, his annoyance towards women seemed to have disappeared. As long as they did not have any physical contact with him, he was basically fine.

Now, he was fine being surrounded by so many women. It seemed that Jian Dan had brought him more than he knew.

However, when he saw that Jian Dan was really mad, he could not remain silent anymore. Although Chu Liyuan liked it when Jian Dan was jealous over him, it made her unhappy! How could he be happy?

Jian Dan's words had no effect on those girls because they had already boldly stepped forward. Moreover, the man did not chase them away. In their eyes, this had become an opportunity.

Chu Liyuan gently cupped Jian Dan's angry face and slowly kissed her.

It was just a light kiss. Then, without looking back, he let out an extremely cold voice. “Get lost!”

Although Chu Liyuan's voice was not very loud, it had an unquestionable deterrent force. It was as if they would be destroyed in the next moment if they did not do as he said.

In the next moment, all the women shuddered and fled without stopping.

After watching the women leave, Jian Dan slowly recovered.

Jian Dan sat on a stool with a long face. "They ruined our date."

"Why? Are you unhappy?"

Chu Liyuan squatted down and looked up at Jian Dan.

Jian Dan nodded.

Going on a date with Uncle was such a rare thing! It was ruined by that group of annoying women. How could she be happy?

"Then we won't come again, okay?"

Chu Liyuan comforted Jian Dan gently.

"No! Why should I hide from them?!"

Jian Dan suddenly stood up and said energetically.

"Then..."

"If we come again in the future, clear the place in advance!"

Jian Dan announced domineeringly.

Chu Liyuan was instantly amused by Jian Dan's sudden suggestion...

His lass was so adorable, how could he not love her?

“I can have it cleared right now.”

“Now?”

“Okay!”

Clearing the place was a piece of cake. As long as Chu Liyuan gave the order, the place would be cleared in 10 minutes!

Actually, Jian Dan had just said it casually. How could she really let Uncle make such a big fuss over her?!

Jian Dan did not know that what she thought was a big fuss was actually a very small matter to Chu Liyuan.

“Forget it, I’ll let them off today. Uncle, let’s go somewhere else, okay?”

“Okay!”

Chu Liyuan would never say no to Jian Jian.

“Where do you want to go?”

“I want to go kite-flying!”

Jian Dan had never flown a kite before. She had seen a huge kite hanging in a store in the mall just now.

“We’ll go kite-flying then!”

Chu Liyuan held her hand and returned to the car. The moment they got into the car, Chu Liyuan started the car and left..

“Uncle, don’t we need to buy kites first?”

Jian Dan asked.

However, Chu Liyuan smiled and did not say anything. Instead, he drove faster...

Jian Dan did not probe further.

After a long time...

After getting out of the car, Jian Dan realized that Chu Liyuan brought her to the foot of a mountain.

“Where is this??”

Was Uncle going to make her trek up the mountain?

“Come with me!” Chu Liyuan led Jian Dan to a cable car.

Oh! So they were taking the cable car! Jian Dan was scared to death. Fortunately, she did not have to trek up the mountain...

Soon, the cable car brought the two of them to the top of the mountain...

Chapter 115: Let’s Fly

One would not know how beautiful the scenery was until they reached the top of the mountain.

Jian Dan was stunned by the scenery before her because it was too beautiful...

However, the surprise was far from over.

“Jian Jian, come here!”

Only then did Jian Dan realize that Chu Liyuan had already gone to the other side.

When Jian Dan went over, her eyes instantly enlarged by 180 times. There was a ginormous kite!

“What a ginormous kite!”

“Do you want to fly?”

What?Did Uncle mean....??

“Come, let’s fly!”

Looking at Chu Liyuan’s outstretched hand, Jian Dan gave him her hand without hesitation.

Chu Liyuan pulled Jian Dan inside the kite and asked her to hold onto the control bar of the frame. “Are you ready?”

“Yup!” Jian Dan looked at Chu Liyuan and nodded firmly.

“Then let’s go...”

Jian Dan followed Chu Liyuan’s footsteps as he slowly ran and gradually sped up... Just as the two of them reached the edge of the cliff, they did not stop. They leaped out and soared into the air...

When they jumped off the cliff, Jian Dan was actually afraid. So she closed her eyes and slowly opened them now...

“Uncle, I’m flying, I’m really flying!” Jian Dan shouted excitedly.

This feeling of looking down at the beautiful scenery of the mountains and rivers was indescribable. In the past, when one looked at the scenery from this angle, they could only use drones to shoot from above. Now, they were experiencing it personally... It was simply beautiful...

Moreover, such an experience was so exhilarating.

Jian Dan felt that she had done many crazy things after being with Chu Liyuan!

“I feel like I’m in a wuxia 0 movie!”

Looking at Jian Dan’s blissful expression, Chu Liyuan’s heart brimmed with happiness...

Fortunately, there’s you in this world. Fortunately, I met you. Fortunately, I married you.

He would use all his power to protect this lass...

“Uncle, why do you keep looking at me? Am I more beautiful than the scenery?” Jian Dan teased with a smile.

Jian Dan felt a burning gaze on her. She turned around and saw that it was really Chu Liyuan gazing at her.

“No scenery is more beautiful than you. Not even a bit.”

What was wrong with Uncle today? Did these words... really come out of Uncle's mouth?

"Uncle, why are you suddenly so good at saying sweet nothings?"

"I am not!"

"Hmm?"

"I'm only telling the truth. Because in my eyes, I can only see you."

She suddenly felt that her happiness now was a little surreal. "Uncle, will you be so good to me for the rest of your life?"

She clenched her fists nervously and waited for his answer. Every second felt like a century.

"I will not!"

Jian Dan felt her heart suddenly tighten. She bit her lower lip hard and felt as if something was about to escape from her eyes.

"Not only in this life. But in the next life too, and the next... For eternity... I will treat you well."

Tears flowed out of Jian Dan's eyes... "Uncle, don't pause for so long between your words!"

"Don't cry. Every tear you shed is like sulfuric acid dripping on my heart, corroding it." Wiping away the tears at the corners of Jian Dan's eyes...

Actually, Chu Liyuan did not believe in the next life and never looked forward to it. However, ever since Jian Dan appeared in his life, he felt that this short period of time in his life was not enough for him to love her!

She quickly wiped away the tears on her face and put on a sweet smile. "I won't cry anymore."

They held each other's hands and gazed into each other's eyes... They felt that the white fog that filled the valley had turned pink.

Chapter 116: A Skimpy Swimsuit? It's Fine, I Booked the

Entire Place Today!

After the "kite date" ended, Jian Dan did not expect Chu Liyuan to bring her to a hot spring club.

She still remembered what happened at the hot spring club last time.

Moreover, Chu Liyuan also explicitly prohibited her from coming alone, let alone wear a skimpy swimsuit.

But now... not only did he bring Jian Dan here, but the swimsuit he prepared for her was... no different from the last time. The fabric was barely-there.

After Jian Dan changed into it, she wrapped herself in a thick towel.

"Uncle, didn't you forbid me from wearing such a swimsuit? Why did you prepare one for me?"

"It's fine. I booked the entire place today!"

Of course, he could not let others see such a sexy side of Jian Dan. This was only for private consumption.

Only then did Jian Dan realize that there were only the two of them in the huge hot spring club.

Chu Liyuan yanked off Jian Dan's towel...

"All!"

Jian Dan quickly covered herself with her hands. Although it was useless, it gave her some comfort psychologically!

"What's there to cover? Which part of you have I not seen?! Come here."

"No!" Jian Dan said as she turned her head to the side when she saw Chu Liyuan reaching out his hand.

"Looks like I have to personally..."

Seeing Chu Liyuan get up and walk towards her, Jian Dan turned around and wanted to run away. However, she slipped and fell into the pool beside her...

This was a swimming pool that was three meters deep. What would happen if Jian Dan the Landlubber fell into it?... She sank to the bottom!

"Lass, why are you so worrisome?"

Just as Jian Dan felt that she was about to sink to the bottom, a warm hand grabbed her hand. Jian Dan felt a force pulling her... out of the water...

Human survival instincts drove Jian Dan to cling tightly to Chu Liyuan's hot body.

"It's all your fault!" Jian Dan pouted and complained.

“Are you blaming me?” Chu Liyuan regarded her with a mischievous grin...

Jian Dan’s intuition told her that something was going to happen... Sure enough, Chu Liyuan swam deeper and deeper until he reached the center of the pool.

“Uncle, hurry up and go back! I’m scared!”

“I’m here. What are you afraid of? I won’t let you drown.”

“But why are we here?”

“Because here, I can do whatever I want and you can’t resist.”

“Uncle, you’re so bad.”

So Uncle really had a motive!

But... It was too late.

Now, even though she knew Chu Liyuan’s motive, she could not do anything.

She did not dare to let go of her hands for a moment and could only let Chu Liyuan’s big wandering hands have their way with her body wantonly.

When Chu Liyuan saw Jian Dan’s flushed face and pouting lips, he found her to be extremely alluring... Without hesitation, he took those cherry lips into his mouth and sucked gently...

The two of them had been married for a few months. Chu Liyuan was already very well acquainted with Jian Dan’s erogenous zones...

Oh! Why am I always unable to resist Uncle at all?! He is really too much. As long as there's a chance, he will get it on with me...

Jian Jian, you have to understand too! After all, this is the first time I've experienced the love between a man and a woman in my 38 years of life. It's normal for me to not be able to control myself!

It's a man's normal needs!

As for what happened next... the steamy hot scene... could only... Use your imagination!

Chapter 117: Countermeasures

That evil Uncle had her up for the entire night. Now, her entire body was aching.

If Jian Dan did not have to accompany Yujin to sign the contract, she would definitely have slept through the day...

Jian Dan and Yujin read the contract carefully twice before signing it.

"Welcome to our show, Miss Yujin." After signing the contract, they each put away their copy. The person-in-charge stood up and shook Yujin's hand...

"Looking forward to working with you!"

Yujin shook hands with him in a friendly manner.

After signing the contract, the two of them were about to leave when...

A bad penny always turns up.

Mei Xiaolin and Qin Rou emerged from another conference room.

“She...”

“Oh! Miss Mei is our last confirmed guest!”

Mei Xiaolin was participating in a competitive reality show? With her affectation that measured every word for effect, how could she participate in a competitive reality show?

“It was Miss Mei’s manager who took the initiative to contact us. Moreover, with Miss Mei’s status, the ratings of our show will definitely be very good.”

The person-in-charge said excitedly.

Took the initiative to contact them?

“Does she know that Yujin is also participating in this show?”

“Yes! I don’t know where she heard it from, but she said that she and Miss Shang are very good friends and she would be very happy to participate in the show together.”

Jian Dan and Yujin exchanged looks and understood...

She clearly knew that Yujin was participating in this show, but she still wanted to butt in. This was clearly a declaration of war!

Since they had already taken the initiative to attack, how could the two of them not fight back?

Three days later, the reality show started filming...

In the beginning, the allocation of partners was done by drawing lots. As many participants had only met for the first time and did not know each other very well, this method was relatively fair.

Heaven forbid that we be in the same team as Mei Xiaolin!

Jian Dan stood with the camera crew... nervously waiting for the results of the draw to be announced...

Jian Dan heaved a sigh of relief when she heard that it was not Mei Xiaolin.

The person who teamed up with Yujin was Zhang Yuan, a very famous influencer presently.

He was not just an influencer! He was also the boss of a famous sports brand. He loved to work out and liked to post his fitness tips and videos—which grew very popular—online. That led to him becoming an influencer. Of course, his handsome mien was definitely the main driver.

Successful businessman... Hot body... Handsome... It would be difficult not to be a hit online.

Yujin's chances of winning with this partner should be much higher. After all, she often worked out and her stamina and endurance should be alright too!

Sure enough, the two of them worked well together. Coupled with their good stamina and endurance, they were in the lead from the beginning.

Until the last checkpoint...

They had to climb a very tall rock climbing wall. Everything was going rather smoothly. But just as Yujin was about to reach the top, Mei Xiaolin lost her balance and crashed into Yujin who happened to be not far from her. Yujin fell down.

Jian Dan's heart tightened. Fortunately, Zhang Yuan caught Yujin and pulled her up and back to the rock climbing wall...

Seeing that Yujin was fine, Jian Dan was relieved.

Mei Xiaolin had definitely done it on purpose. Although Jian Dan did not have any evidence, she noticed a smug smile on Mei Xiaolin.

It seemed that Mei Xiaolin did not learn her lesson at all. She only knew how to use such a method to sabotage people.

However, even so, Yujin and Zhang Yuan still got first place.

After filming for the first day was completed, everyone went to a restaurant for a meal. Jian Dan had wanted to go too, but she had to iron out some last-minute problems with the production team. Before she left, she saw Yujin and Zhang Yuan together, chatting quite happily.. Because of what happened today, Jian Dan had a good impression of him, so she left without worry...

Chapter 118: Using All Means to Get to the Top

After that, the chemistry between the two of them became increasingly better. The second round allowed free choice of partner. When it was time to select a partner for the second round, the two of them chose each other...

The two of them fought their way to the finals. However, what puzzled Jian Dan was how Mei Xiaolin managed to make it to the finals.

Something fishy! It was definitely fishy!

Although the filming of the show was not over yet, it had already begun airing...

The response was very good. The show managed to consistently top the viewership ratings in the time slot they were in.

Yujin and Zhang Yuan were also crowned as a couple. The first episode had just been aired, but they already garnered a legion of fans shipping them as a couple.

This should have been a good thing, but unexpectedly...

On the second day after the show aired, Yujin and Zhang Yuan became trending topics. The headline was: A slut who used the casting couch to advance her career, seduced a married man!

There were also many photographs of Yujin and Zhang Yuan. Those photos looked very intimate, but it was actually a matter of the angle of the photographs. Most of the time, Jian Dan was present, but someone took it out of context.

Zhang Yuan was married. He and his wife were a famous loving couple in showbiz. Yujin knew about it too. Why would she get involved with him?! However, people nowadays liked to look at photographs and tell stories. Stories about mistresses who were homewreckers received the worst of the vitriolic abuse online. In an instant, the court of public opinion condemned Yujin and she found herself caught up in a tabloid storm...

The viewership ratings of the show were affected as well. There were even people who posted online that if Shang Yujin was not kicked off the show, they would boycott it.

Sure enough, the person-in-charge really called Jian Dan and asked Yujin to leave the show.

This whole thing developed so fast that it did not make sense. This made Jian Dan suspect that there must be a mastermind behind all of it.

Yujin could not show her face in public now, so all the investigation had to be done by Jian Dan.

Jian Dan first hacked into Mei Xiaolin's cell phone, but there were no valuable clues. Later, she hacked into her computer, but it was obvious that she had already cleaned it up.

However, restoring the files that she had deleted was a piece of cake for Jian Dan!

In the midst of Jian Dan's investigation, Zhang Yuan's wife held a press conference...

At the press conference, she cried and accused Yujin, "As a public figure, Shang Yujin did not set an example for the public. Instead, she seduced someone else's husband and became a mistress!"

"Everyone knew how my relationship with my husband was."

"But now my husband hasn't been home for many days."

"If Shang Yujin hadn't seduced him, he wouldn't have suddenly become like this."

"Shang Yujin banked on the fact that she's pretty and seduced men wantonly in order to advance her career."

"Moreover, this isn't the first time."

Unexpectedly, other than Zhang Yuan's wife... the vice president of a certain media company who had once wanted to sleep with Yujin also went to the press conference... "That's right. Previously, Shang Yujin was an artiste in my company. In order to get to the top as soon as possible, she came to me and wanted to use some special methods to advance her career. As for what, I believe everyone can guess even if I don't say it. However, I didn't agree, but she still refused to give up. I had no choice but to shelve her. I don't know what method she used to get to where she is today."

He was insinuating that she had seduced some rich man to make her mark.

Jian Dan hit the roof when she saw the news..

Chapter 119: It Would Be a Waste not to Use Free Labor That Came Knocking on Her Door!

In order to investigate the matter as soon as possible, Jian Dan did not even have time to go home for two days and had been staying in the office.

Fortunately, Chu Liyuan had prepared a separate office for her. It was far away from the office area of others, so it was relatively quiet.

“Little Jian Dan?”

Other than Ling Xiaoyang, who else called her that?! She looked up and indeed...

“Why are you here? And how did you know I am here?”

Jian Dan did not remember telling him that she was working at New E Media!

“You’ve been MIA for the past few days. I called you on your cell phone and sent you WeChat messages, but you didn’t reply. I thought you ran away to avoid treating me to a meal!”

Their class lecturer had already returned, so Professor Wang was no longer their lecturer. It was very difficult to see Jian Dan in class again.

If he wanted to see her, he had to find a suitable reason. Coincidentally, she seemed to owe him a meal.

Unexpectedly, it was as if she had disappeared from the face of the earth in the past two days; she could not be found at all.

“Xia Mengjiao told me!”

“It’s just a meal! Do I have to run away?”

It was just a meal. How could he bankrupt her? Besides, she had such a powerful and rich sugar daddy. Run away? What a joke!

“But I definitely can’t do it for the time being. I’m busy!”

How could she have time to go for a meal in such times?!

“What are you busy with? Can I help?”

If she didn’t have time to eat, that would be even better. This way, he could use this reason to meet next time.

“Oh, right!”

When Jian Dan heard Xiaoyang’s words, she suddenly realized that it was too slow for her to do it alone. It would be a waste not to use free labor who came knocking on her door!

“Come here... I’ll leave these four computers to you.”

“What do you mean leave them to me? At least tell me what you want me to do?!”

Jian Dan did not say anything and dragged Xiaoyang to the chair beside her and began to assign work to him.

“Oh! That’s right!” Jian Dan had been in the office for the past few days and was a little dazed.

“Have you seen the news of that female celebrity using the casting couch to advance her career?”

“It’s been in the headlines recently. It’s hard not to see it! Some people are really willing to do anything to become famous!”

Ling Xiaoyang said disdainfully as he sat on the chair, and swayed left and right.

Hearing his words, Jian Dan gave him a kick...

“Little Jian Dan, what are you doing?”

It was obvious that Ling Xiaoyang was stunned by Jian Dan’s sudden action.

“Who asked you to spout nonsense without clarifying anything?!”

“What did I say?”

He did not link the gossip to the current situation.

“Yujin was framed!”

Over the past few days, almost everyone had been condemning Yujin. Jian Dan had heard enough. Now, someone actually said it in front of her? He got off easy with just a kick

“Yujin? What the h*ll?” Wait a minute, why did this name feel a little familiar?

Oh, the protagonist of the news seemed to be called Yujin.

Looking at Little Jian Dan’s angry face, it was obvious that they knew each other! Furthermore, their relationship must be really good. He asked sheepishly, “Do you know her?”

“I’m Yujin’s manager now.”

Jian Dan crossed her arms in front of her chest.

Didn't this girl not graduate yet? Why did she start working? And... manager? This job didn't match her major!

"Moreover, I'm not only Yujin's manager, but I'm also her good friend. I know a lot of things about her. It's the opposite of what the news said."

"This scandal was plotted by someone."

"My current mission is to find out the truth... No, it's our mission now."

Jian Dan looked at Ling Xiaoyang and raised her eyebrows.

"I'm here for a meal. How did 1 become free labor?"

Although he said that, he was actually very happy silently. This way, he could spend a long time with her.

"Cut the crap and get to work."

"Yes!"

Although he said it in an impatient tone, a smile flashed across his lips..

Chapter 120: Uncle, This Is Really Too Over The Top!

Two people would definitely work much faster than one.

The two of them were hard at work when there was suddenly a knock on Jian Dan's office...

Many people came at once, and all of them were carrying things. There was a couch, a refrigerator, a milk tea machine, and even a bed.

Fortunately, her office was big enough. Otherwise, there would not even be a place to stand...

"I'm sorry, you guys are..."

Jian Dan asked.

However, no one paid attention to her and continued moving...

Jian Dan frowned. Just as she was about to say something, she saw a person walking in with nothing in his hand.

"Hello, Miss Jian. Mr. Chu Liyuan told us to send these over."

"Uncle?"

"Jian Jian hasn't been home for two days."

Chu Liyuan said with a cold face.

"Mr. Chu, you have to understand! Miss Jian Dan is busy with Shang Yujin's incident!"

That's right! Moreover, I was the one who sent Jian Jian to NewE Media.

"But if Jian Jian works overtime in the office every day like this, won't she be exhausted? What if she loses weight from exhaustion?"

Mr. Chu, when I always worked overtime with you, why didn't I see you feel tired?

Double standard much?

“Miss Jian Dan would know to rest.”

“Jian Jian doesn’t know how to take care of herself at all. How about this? Get someone to prepare something and send it to Jian Jian.”

“Alright, Mr. Chu. What do you want to send?”

Li Jing thought that Mr. Chu was afraid that Jian Dan would tire herself out. At most, he would send her some food and drinks to nourish her body. He did not expect that... he would completely alter Li Jing’s worldview.

“Choose a more comfortable couch for Jian Jian to rest on.”

“A coffee machine...”

“Mr. Chu, have you forgotten that there’s a coffee machine in the company?”

Li Jing reminded.

“Of course I know that, but Jian Jian still has to walk a long way to drink it! No! No coffee machine...”

Li Jing thought that Mr. Chu had understood what he meant, but in the next moment...

“Change it to a milk tea machine. Jian Jian doesn’t like coffee.”

Li Jing almost fainted...

“Get a refrigerator and fill it with fresh fruit and juice.”

“What fruits does Miss Jian Dan like to eat?”

It was better to clarify. Otherwise, if the fruits he bought were not to her liking, he would be in trouble.

“Buy some strawberries, cherries, blueberries, apples... and the like will do. Oh! By the way, staying up late to work will definitely cause her body to be ‘heaty’. Buy some pears.”

“As for fruit juice, buy some carrot juice. It’s good for her eyes. She uses the computer every day, it would definitely hurt her skin. Lemon juice.”

“Last time, Jian Jian seemed to like the passion fruit juice very much. Get some too.”

“Yes, Mr. Chu! I’ll go prepare them now.”

“Hang on, I’m not done yet.”

Not done yet? Mr. Chu, are you planning to move the supermarket into Jian Dan’s office?!

“What’s good to eat when you stay up late? Buy some and send them to Jian Jian. Then... choose a comfortable bed and send it over too. This way, Jian Jian can rest well when she’s tired.”

Mr. Chu, it looks like you’re moving the entire mall to Jian Dan’s office.

“Add a bathtub too and she can just move in.”

Li Jing muttered to himself.

“What did you just say?”

“I didn’t say anything!”

“You reminded me. Get a foot spa massage bucket as well.”

Chu Liyuan remembered that Jian Dan’s feet were cold most of the time.

Foot spa massage bucket?? This was really too much! Was it appropriate to do a foot spa in the office?

“Foot spa massage bucket... Well...”

“What?”

“It’s great. When Miss Jian Dan is tired, her fatigue will definitely be swept away after soaking in it.”

Seeing Mr. Chu’s sharp gaze, Li Jing suppressed the words he wanted to say just now. He was not tired of living.

“Then hurry up and go get everything!”

“Yes, Mr. Chu!”

Li Jing was on the verge of breaking down. Mr. Chu had really violated his own principles. He had said in the past that work was work and life was life. They could not be mixed together. When he was working, he would work seriously and did not allow any distraction at all.

But now...

Jian Dan and Ling Xiaoyang were also staring at an unknown object...

“This is?”

Ling Xiaoyang asked in astonishment as he touched his chin.

“It looks like...” Jian Dan looked embarrassed.

“Foot spa massage bucket!”

“Foot spa massage bucket!”

Both of them said at the same time.

“Little Jian Dan, is Uncle Chu not planning to let you go home? Is he planning to let you stay here permanently?” Ling Xiaoyang teased as he looked at the things that had been sent over in the office.

“Of course not! Uncle... He’s afraid that I am working too hard, so he prepared these for me.”

Although Jian Dan said that, she was actually... especially when she saw the foot spa massage bucket. Jian Dan was really speechless in her heart.

Uncle, this is really too over the top!
