

The Beloved 151

Chapter 151: “Cute” Personal “Chauffeur”

Jian Dan rubbed her swollen belly as she slumped on the couch...

Because she had eaten way too much, she really did not feel like moving at all.

However, when Jian Dan saw Chu Liyuan sit on the couch, she immediately bolted up and sat in a prim and proper manner. She was afraid that she would accidentally anger Chu Liyuan again. Then, she would be in trouble.

Her body really couldn't take it!

As soon as his butt touched the couch, the lass looked as if she had seen a ghost. It seemed like she had really been frightened by him that day. However, this was good too. This way, this lass would be more obedient and he would not have to worry about her all the time.

“Today's training...”

“I have to go back to campus today!”

Before Chu Liyuan could finish speaking, Jian Dan cut in.

Mengjiao had just sent her a WeChat message asking her to go back to campus.

Jian Dan was naturally very happy to do so. As for this training... She would escape as long as she could.

I'm not slacking off! I'm going back to campus. After all, I'm still a student who hasn't graduated yet! This way, Uncle wouldn't say no!

“Okay!”

Actually, what he wanted to say just now was that Jian Dan could have a good rest today; there was no need for training.

“Thankyou, Uncle!”

Jian Dan immediately grinned from ear to ear.

Uncle agreed so readily. She bolted upstairs as if she had added an afterburner to her feet...

It was not easy to get Chu Liyuan’s approval to go out. In order to prevent Chu Liyuan from regretting later, Jian Dan changed out of her clothes in less than half of her usual time...

When she went downstairs, she realized that Chu Liyuan was no longer on the couch... “Uncle Zhang, where’s Uncle?”

“Mr. Chu has already gone to the office!”

“Oh! Then I’m out too!”

“Uncle has agreed to let me go out just now.”

Jian Dan was afraid that Uncle Zhang did not know, so she deliberately reminded him.

“Mr. Chu already told me that you are going to campus today. He even prepared a car for you.”

Jian Dan cast a glance at the door and saw that there was really a car parked there.

It seemed like Uncle wasn’t angry anymore. He even arranged a car for her.

“Thank you, Uncle Zhang. I’m off then.”

Jian Dan opened the car door and saw that the driver was a girl—a girl she had never seen before.

In the past, if Uncle didn’t drive the car himself, Uncle Zhang would. Why was there a change today?

“I’m Zi Yan. I’ll be your chauffeur from now on.”

From what the sound of it, Zi Yan would be in charge of her transportation needs in the future?

This girl had short hair, small facial features, and fair skin. She looked like a beautiful doll.

“Hello! I’m Jian Dan.”

Why would Uncle suddenly arrange a personal chauffeur for her? Moreover, this girl didn’t look very old and looked so cute.

If Zi Yan knew how Jian Dan thought of her, she would definitely be speechless.

However, most people who saw Zi Yan for the first time would be deceived by her appearance. They would think that she was a cute little girl, but when they really got to know her, they would know how terrifying she was.

She had been undergoing training since she was young. What she learned was not just for show; all of them were killer moves. Once she attacked, it was a lethal move.

Chu Liyuan had specially called her back from overseas to be Jian Dan’s security detail.

Because even if Jian Dan was already training under his request, it was only the beginning after all. Moreover, this lass did not like it very much. He did not know when she would finally have the ability to protect herself, and he really could not bear to push her too hard.

Hence, this was the best solution at the moment.

He was deeply aware of Zi Yan's ability and he could be more at ease if Zi Yan was by her side..

Chapter 152:1 Have to Ask Uncle About This First

This young lady—who was about the same age as her—had surprisingly great driving skills. She was very fast, but it was a very smooth ride. Be it the start or the brakes, they were very smooth. For a moment, Jian Dan thought that the car was not moving.

Hence, it did not take long for them to reach campus.

“Zi Yan, you can go back first! I don't know how long this will take.”

Jian Dan got out of the car and said to Zi Yan.

She did not know why Mengjiao wanted her to come over, so she did not know how long it would take. She could not let Zi Yan wait for her forever!

But in the next second, Zi Yan also got out of the car—locked the car—and walked over to Jian Dan...

ITQW did she mean by this? Did this mean that she wanted to go with her?

Jian Dan was confused...

In order to verify her guess, she took a few steps towards campus. Zi Yan—who was behind her—followed suit.

“Zi Yan, what are you...”

It seemed that she was right.

“Liyuan put me in charge of your safety!”

Zi Yan’s tone was flat, but she could still feel the coldness in her words.

“I’m not the leader of the country; why would I need protection?!”

Jian Dan felt like she had just heard a joke and laughed.

When Jian Dan turned around and saw that Zi Yan’s face was still expressionless, she coughed awkwardly and stopped laughing.

The vibe Zi Yan gave off was completely different from her appearance. She looked like a cute doll, but was in fact a popsicle. Moreover, she gave off an inexplicable sense of oppression...

“Just pretend I’m not here!”

Just as Jian Dan was at loss for what to do, Zi Yan said coldly.

Pretend she was not here? How could she treat a living person right before her eyes as “not here”?

However, since she had already said so, what else could she say? Furthermore, it was arranged by Chu Liyuan, so she had to accept it!

Jian Dan turned around and walked towards campus...

When they arrived at Mengjiao's dormitory building, Jian Dan suddenly realized why Chu Liyuan had arranged for a girl to protect her.

Because this way, no matter what she did or where she went, she could follow her, including the washroom!

It seemed that Uncle was really worried after the last few incidents.

(Jian Dan, aren't you really too slow? You actually only reacted after so long? Low EQ is really a weakness!)

She arrived at Mengjiao's dormitory and was about to knock on the door when she suddenly thought of something. She turned around and said, "Zi Yan, later, just say that you're my friend. Don't say that you're here to protect me!"

Jian Dan did not want others to think that she was special.

Zi Yan did not say anything and nodded lightly.

Seeing that Zi Yan agreed, Jian Dan was relieved and knocked on Mengjiao's door.

The person who opened the door was not Mengjiao, but their class monitor, Zhao Lu.

When Zhao Lu saw her, she warmly welcomed her into the room. When she entered the room, she realized that there were more than 10 girls in the small dormitory.

As Jian Dan had been their teaching assistant before, she could tell at a glance that they were Mengjiao's classmates.

When Mengjiao saw that it was Jian Dan, she stood up and walked over. When she saw Zi Yan standing behind Jian Dan, a puzzled expression appeared on her face. "This is??"

"This is Zi Yan... My good friend, my good friend!" Jian Dan hurriedly explained.

"Oh! Hello, I'm Xia Mengjiao, Jian's friend."

A smile appeared on Mengjiao's face as she extended her hand towards Zi Yan...

But Zi Yan did not seem to want to reciprocate at all.

Mengjiao's hand hung awkwardly in mid-air.

Under such awkward circumstances, Jian Dan... held Zi Yan's hand to shake Mengjiao's hand. "Hehe! Don't mind her. She's slow to warm up. We'll be friends from now on!" Jian Dan said with a smile.

Fortunately, Mengjiao was very gracious and did not take it to heart.

"What are you..."

Seeing so many girls gathered together, something must have happened.

"It's vacation time and nearing the Lunar New Year as well, so I want to organize a three-day and two-night camping trip while everyone is still on campus."

Zhao Lu revealed her plan.

The lives of college students were very interesting, so it was not strange to organize camping trips. But why did she look for her?

“Because this camping trip is a little long, we need a leader.”

It turned out that they wanted her to be their leader.

Firstly, she was a fourth-year student. Secondly, she was once their teaching assistant. Naturally, she could do it.

“Jian, just treat it as if you are accompanying me! You know that I...” Mengjiao said softly as she placed her hand on her belly.

Jian Dan pulled Mengjiao aside. “You know your condition and you still want to go?”

“Given my condition, I definitely have to take a break from school next year. That’s why I want to take advantage of the time before I take a break to go out and have some fun with everyone!

“Besides, it’s good to go and relax after all the troubles we’ve been through recently!”

Mengjiao’s words made sense. She was already in her fourth year and about to graduate. It did not seem like a bad idea to go and have some fun. The main thing was... she wouldn’t need to train then?

But would Uncle agree to let her go by herself?

“I’m fine with it, but I have to ask Uncle about this first!”

Chapter 153: I’ll Melt You One Day!

She had just made Chu Liyuan angry not so long ago. It was not easy for her to coax him. She could not make him angry again.

“Oh! That’s right. I forgot that you’re a married woman!”

Mengjiao covered her mouth and sniggered.

“What? What do you mean by ‘a woman’? You’re a woman! I’m still a young girl!”

Mengjiao said 1 am a woman? Have you ever seen such a young and cute woman?

“Alright, alright, alright! A married girl... Will that do?”

“That’s more like it!”

“What are you two whispering about? Can you do it or not?”

Zhao Lu asked when she saw the two of them whispering to each other for a long time without giving an answer.

“Oh! About that! I need to confirm if I have any plans. Tonight! I’ll give you an answer tonight.” Jian Dan turned around and said to everyone.

“Alright then! I’ll wait for your answer.” Zhao Lu said as she held Jian Dan’s hand.

“Jian Dan, you must make the time! Otherwise, this camping trip will be ruined.”

“Yes, yes! Jian Dan, please!”

The girls started talking all at once. It seemed that everyone really wanted to go on this camping trip!

“I’ll try my best! I’ll try my best!”

She did not know if Chu Liyuan would agree to it or not, so she did not dare to commit casually.

“Alright then!”

“Please!”

The girls were about to leave. Before they left, they shook hands with each other as their faces brimmed with anticipation.

Two minutes later, only Jian Dan, Mengjiao and Zi Yan were left in the dormitory.

“Will Mr. Chu agree?”

Mengjiao pulled Jian Dan to sit on the bed.

Jian Dan pouted and shook her head. “I don’t know either!”

Chu Liyuan had already assigned a bodyguard to her. Would he agree to her going on the camping trip?

“Then I’ll head back first...”

“Good luck! Married woman...”

As soon as Mengjiao said the word ‘woman’, Jian Dan shot daggers at her...

“Girl! Married girl! Good luck!”

Jian Dan watched as Mengjiao made a cheering gesture before leaving her dormitory.

After leaving the dormitory building, Jian Dan asked Zi Yan dejectedly, "Zi Yan, do you think Uncle will agree?"

Zi Yan answered Jian Dan with silence.

Sigh! It seemed like she would be asking in vain. Uncle was impossible to fathom by ordinary people.

Jian Dan got into the car, lost in her reverie.

After a few minutes... "Seat belt!"

Zi Yan's cold voice pierced through Jian Dan's eardrums. Jian Dan shuddered and hurriedly buckled the seatbelt.

The moment she buckled the safety belt, the car rolled away...

"Zi Yan, let's not go home first. Let's go to Qin Corporation!"

In any case, she had to ask him. It did not matter if she died early or later. The sooner she died, the sooner she would be reincarnated!

Hence, Jian Dan went straight to Chu Liyuan's office to look for him.

"Zi Yan, how old are you?"

"Do you have a boyfriend?"

"How did you and Uncle meet?"

En route, Jian Dan asked Zi Yan many questions, but Zi Yan replied with silence each time. However, Jian Dan continued to ask tirelessly...

Because from the moment she saw Zi Yan until now, she seemed to have spoken less than five sentences to her.

But no matter what Jian Dan said to her, Zi Yan was the same. Even her expression did not change at all...

How could there be such a cold person in this world? She didn't seem to have any emotions.

(You call this cold? If you've seen how Chu Liyuan looks when facing others, you'll know what true coldness is.)

By the time they arrived at Qin Corporation, Jian Dan still did not manage to get a single word out of Zi Yan.

However, she did not mind. If there was something that Jian Dan had, it was perseverance. She would melt this small popsicle one day

Jian Dan thought to herself...

Chapter 154: Uncle, Can I Go on a Camping Trip?

After getting out of the car, Zi Yan followed closely behind her.

In order to facilitate Jian Dan's visits, Chu Liyuan had already added her fingerprint to his exclusive elevator in the parking lot.

Thus, Jian Dan could now go to the 33rd floor without going to reception... Ding-dong! The elevator reached the 33rd floor.

Apart from Li Jing, no one worked on the 33rd floor, so it was very quiet... After exiting the elevator, she found that Li Jing was not in his office.

Jian Dan reached Chu Liyuan's office door and pushed it open without knocking...

Zi Yan did not follow her in.

Based on Zi Yan's understanding of Chu Liyuan, people who entered his office without knocking usually ended up in a very sorry state.

However, after standing outside the door for a long time, she did not see Jian Dan being thrown out.

This made her feel very strange.

Just then, Li Jing appeared out of nowhere. "Zi Yan, when did you come back?" "Yesterday!"

"She went in without knocking?"

"Why didn't she get thrown out?"

This was probably the longest sentence she had said today!

"Who?"

"Jian Dan!"

"Hahaha! Because it's Jian Dan!"

Zi Yan looked at Li Jing in confusion.

“Zi Yan, let me tell you! As long as it’s Jian Dan, Mr. Chu will no longer be the Yama that people call him. He will instantly transform into a little sheep.” Seeing Zi Yan’s disbelief written all over her face, he patted Zi Yan’s shoulder and continued,

“You’ll know after some time. Jian Dan will definitely refresh Mr. Chu’s image in your heart.”

Zi Yan twisted Li Jing’s wrist behind his back.

“Zi Yan, I was wrong. Let go of me quickly. My hand is about to break.”

Only then did Zi Yan release Li Jing...

“Zi Yan! Can’t you be gentler? Who would dare to marry you in the future?”

After not seeing her for so long, Li Jing had almost forgotten that although this girl looked harmless, she was—in truth—the female version of Chu Liyuan.

Zi Yan couldn’t be bothered with Li Jing. She leaned against the wall and crossed her arms in front of her chest. Her right foot was propped up against the wall and her eyes were slightly closed.

Chu Liyuan was perusing documents when he heard the office door being pushed open...

There was no one else in this world who dared to enter his office without knocking on the door other than Jian Dan.

When he looked up, he saw the lass standing at the door, gazing intently at him...

This lass was really oblivious. Didn’t she know that such an expression would arouse a man’s desire?

“Come here!”

Upon hearing Chu Liyuan’s words, Jian Dan strolled over to Chu Liyuan’s desk...

When she reached his desk... she laid her head on the desk and propped her chin up with her hands as she looked at Chu Liyuan pleadingly.

Looking at this lass’ obedient demeanor, it was obvious that she had something to ask of him. Furthermore, it was not anything good.

“State your purpose!”

“Hehe... Uncle, why are you so smart? You can tell at once that I have something to ask of you.”

Since she had something to ask of him... Needless to say, she had to stroke his ego first. Duly then would he agree to it easily!

“Quit buttering me up. Out with it!”

“Well, erm...”

Jian Dan stood up and walked around the desk to stand behind Chu Liyuan. She started beating and pounding Chu Liyuan’s shoulders with her loose fists... “Uncle, you’ve been working so hard recently. Are your shoulders very sore?” “Hang on.”

Chu Liyuan held Jian Dan’s hand and pulled her in front of him. As he scrutinized Jian Dan, he had a bad feeling.

There was something very wrong with this lass today. When had she ever been so attentive in the past? It seemed that today’s request was far more serious than he had thought.

“What is it exactly?”

Jian Dan bit her lower lip—took a deep breath—and blurted in one breath, “I want to go on a camping trip?”

“What?”

Did Uncle really not catch it, or was he pretending not to have caught it?

Here goes nothing!

“Uncle, can I go on a camping trip?”

Jian Dan enunciated each word clearly..

Chapter 155: Yay! I Can Go on the Camping Trip!

Camping trip?

No wonder this lass was so attentive today. So, she wanted to go on a camping trip?

“What do you think?”

“Uncle, this might be my last outdoor activity as a college student.”

“Moreover, I’m going as the leader this time, leading the freshmen.”

“Mengjiao is going too.”

“And if I don’t go, they won’t be able to go.”

“I really don’t want to disappoint those freshmen.”

Jian Dan lowered her head and secretly observed the expression on Chu Liyuan’s face.

“Is there only one senior in the school?”

“There are very few seniors on campus to begin with. Moreover, it’s already the holidays. Many people have already gone home.”

“Therefore, it’s not easy to find one to begin with. Most importantly, I was the teaching assistant for their class previously. I’m very suited for the job.”

“That’s all??”

This lass was a live wire to begin with. She made such a long speech... She was the one who wanted to go...

Chu Liyuan understood her so well that he could see through her in an instant.

Since Chu Liyuan had already seen through her, she might as well just admit it.

“Actually... I want to go too.”

“So many bad things have happened recently. I should go out to relax and get rid of my bad luck!”

Looking at this lass's pleading expression, he really could not bear to reject her. However, if he agreed, he would be very worried.

This lass didn't know how to take care of herself at all. She would feel uncomfortable if she didn't come back with some injuries.

However, he was tied up these few days and could not leave to go with her.

Jian Dan could tell that Chu Liyuan was worried. "Uncle, don't worry! Zi Yan will accompany me."

Chu Liyuan had arranged for Zi Yan to protect her, so Zi Yan must be someone who could put him at ease. If that was the case, wouldn't Uncle be at ease if Zi Yan went with her?

That was true. If Zi Yan and Jian Jian were together, he would indeed feel more at ease.

Since this lass wanted to go so badly, this should be the best solution.

"All girls?"

Camping! They had to spend the night.

"Yes, yes, yes. I promise. If you don't believe me, you can ask Zi Yan. She was with me just now. She saw it all. There are definitely no guys."

"Okay!"

Hmm... Did Uncle agree?

"Yay, Uncle! I know you are the best. You're the best person in the world. I really love you to death." She kissed Chu Liyuan hard on the cheek.

After Chu Liyuan agreed, Jian Dan excitedly whipped out her cell phone and called Mengjiao.

“Mengjiao, Uncle agreed to let me go. You can tell them now.”

“Really?! That’s great. They’ll be overjoyed.”

“I’ll call them now and tell them.”

“Okay!”

“Yeah.”

Seeing Jian Dan’s smile, Chu Liyuan was really conflicted. On one hand, he was very happy to see Jian Dan so happy. On the other hand, he was worried that she would be injured. Furthermore, she would be gone for three days and two nights. Would he not be used to not seeing her for so long? Would he miss her?

A string of questions popped up in his head...

Ever since he met Jian Dan, he had become a little wishy-washy and suffered from loss aversion. This feeling of “losses loom larger than gain” was really not good, but he could not control his emotions.

“Uncle, then I’ll go back and pack my luggage first. I’ll wait for you to come back for dinner tonight.”

Jian Dan turned to leave.

“Wait a minute!”

“What? Uncle, you can’t bear for me to go?”

Chu Liyuan tidied up his documents—put on his jacket—and walked towards Jian Dan...

“Uncle, you...”

Jian Dan did not know what Chu Liyuan was going to do next!

“Come with me!”

Chu Liyuan did not give Jian Dan any explanation. Instead, he held her hand and the two of them left the office..

Chapter 156: Camping Trip Preparation

Outside the office, Li Jing and Zi Yan had different expressions when they saw the two of them come out.

Li Jing was already used to it. However, Zi Yan was different. She was a graduate of Chu Liyuan’s strict and grueling training, and had started the tough training from a young age. She could not say that she knew his personality 100%, but there was at least 80%!

Wften had she ever seen him so concerned about something or someone?

His face only softened when he was with the senior Mr. Chu. Even then, it was only a little.

But what she saw just now... The expression on Liyuan’s face?

When had that expression ever appeared on his face?

It was too unscientific.

Li Jing looked at Zi Yan. Although Zi Yan's face was still expressionless, he could see how shocked she was from her eyes.

He had also been through that stage and knew it very well... However, he believed that it would not be long before Zi Yan would be like him and be used to it.

"Li Jing, I'll leave the rest to you!... Zi Yan!"

After handing things over to Li Jing, he called Zi Yan and left the 33rd floor with Jian Dan.

When they arrived at the parking lot...

With Zi Yan around, Chu Liyuan need not have to drive...

"Shangqing Mall!"

The car sped off in the next second...

No wonder she felt that Zi Yan's driving skills were a little familiar. Only now did she realize that it was exactly the same as Chu Liyuan's!

"Uncle, you taught Zi Yan how to drive, right?"

"I personally trained Zi Yan since she was young. At that time, there were also a few children who trained with her. Zi Yan was the thinnest among them, but she was the most outstanding."

"Oh! No wonder! I felt that Zi Yan gave me a very familiar feeling. Now that I think about it, Zi Yan and you give off very similar vibes!"

“Like master, like student!”

As she listened to the conversation between the two people in the backseat, she saw the dotting expression on Liyuan’s face through the rearview mirror.

So Liyuan could also have such a gentle expression and speak in such a gentle manner.

Soon, they arrived at Shangqing Mall...

“Uncle, why are we here? Do you want to buy something?”

“It’s for you and Zi Yan!”

“For us?”

“Since you’re going on a camping trip, we have to get camping equipment. Let’s go!”

He held Jian Dan’s hand and walked into an outdoor store...

Jian Dan had thought that they were just buying some necessities. She did not expect to buy so many things. Apart from waterproof clothes, shoes, and socks, there were also backpacks, tents, damp-proof mats, sleeping bags, flashlights, windproof lighters, waterproof matches, air tanks, cookware, navigation, compasses, ropes, knives, and so on.

She had been on camping trips before! But she did not seem to have brought so many things! And there were many things she had never seen before.

“Uncle, we’re only going for three days and two nights. Isn’t all these a little too much?”

She felt that all the things Chu Liyuan had prepared were for extended camping trips.

“Besides, we’re going camping, not exploring the wilderness. Aren’t these things a little too OTT?”

“These are necessities. If anything happens, they can save your life.”

“It’s better to be safe than sorry.”

“Okay. I’ll bring them all.”

Actually, she was just going on a camping trip; something she had often done with her classmates when she was a freshman. What danger was there?!

However, these were all Uncle’s kind intentions. How could she let him down? Besides, Uncle should be more at ease now that she was bringing all these..

Chapter 157: Wasn’t It a Camping Trip? How Did It Become a Social Gathering?

lie had prepared two sets of all the equipment. One was for Jian Dan, and the other was for Zi Yan.

When they returned to Li Garden, it was already dark. Mrs. Jin had prepared a sumptuous dinner.

Although Jian Dan had eaten a lot in the morning, it had already been an entire day and she had almost digested it all. Now that she smelled the fragrance of the food, Jian Dan’s stomach began to growl again.

There were a lot of spicy dishes today... It seemed like Zi Yan liked them.

Sure enough, Zi Yan ate almost all the spicy dishes. Seeing that Zi Yan was enjoying them so much, Jian Dan was tempted and tried a piece of chicken. “Wow, this is so spicy!”

Jian Dan gulped the whole cup of water that Chu Liyuan handed her in one go. But she still felt like her mouth was on fire.

Jian Dan could take a little spicy food, but she did not expect it to be so spicy.

Jian Dan felt that her tongue had instantly gone numb. Every part of her tongue felt like it was being pricked by needles.

Jian Dan stuck out her tongue and fanned it with her hand, making hissing sounds...

“How is it? Do you feel better?”

The cup of water he had given Jian Dan was honey water; to neutralize the spiciness.

“It’s better, but it’s still numb!”

“You gluttonous little thing... Zi Yan’s food is not something that ordinary people can eat.”

Jian Dan’s mouth was red from the spiciness, and her tongue was also red from the spiciness. Tears welled up in the corners of her eyes.

“I just can’t help but want to try it when I saw how much Zi Yan was enjoying the food.”

“Who knew it would be so spicy?”

“Let’s see if you’ll still be such a glutton in the future.”

“Of course I will!”

“Just not for Zi Yan’s food anymore. Hiss hiss...”

It seemed that nothing could stop this lass from her pursuit as a foodie.

It seemed that what Li Jing said to her was true. Jian Dan was really not an ordinary person. It was really unbelievable that she could turn Liyuan into this.

Initially, she had thought that it was already very exaggerated when they were in the office and the mall. However, this scene... made her jaws drop!

Zi Yan felt as if something had suddenly been stuffed into her mouth and she was full instantly.

(I’m sorry, everyone. Zi Yan had been training non-stop since she was young. After that, she went on various missions. She really did not have time to understand some popular lingo nowadays.)

(That’s right, the feeling she had just now was the flaunting of PDA...)

After dinner, Jian Dan suggested watching a movie.

It had been a long time since they last watched a movie. This time, Jian Dan chose a comedy... Jian Dan laughed so hard that she almost fell off her seat, but the two people beside her had no expression on their faces.

“Don’t you think it’s funny?”

Jian Dan turned to look at the two of them.

“I’m going to bed!”

Zi Yan ignored Jian Dan’s question and got up to go upstairs...

“Uncle, is it really not funny?”

Jian Dan asked again as she looked at Chu Liyuan.

“Let’s go to bed too!”

Uncle used the same words to dismiss me?

Jian Dan pouted and looked unhappy. “All of you don’t think it’s funny, but I laughed till like that. Am I very silly?”

“We have undergone very strict and tough training. We can control our emotions. So it’s not you, understand?”

“Really?”

“Yes!”

In this world, only Jian Dan could make Chu Liyuan lose control.

As for the person who could make Zi Yan lose control? He probably had not appeared yet.

The next morning, Jian Dan and Zi Yan carried the equipment Chu Liyuan had prepared for them and left...

When they arrived at the rendezvous point, she found out that other than the girls she had seen in Mengjiao’s dormitory yesterday, there were more than 10 guys. Jian Dan did not know any of them; they were probably not in the same class.

“Jian Dan, you’re here!” Zhao Lu greeted Jian Dan when she saw her.

“They are...” Jian Dan pointed at the guys and asked.

“Oh! Let me introduce them. They’re all on the basketball team.”

“Are they coming with us?”

Yesterday, she had just sworn to Chu Liyuan that there were no guys. Now, there were more than 10 guys.

If Uncle found out about this, she would be dead meat.

Zhao Lu pulled Jian Dan aside. “Jian Dan, it’s not safe for us girls. If guys come along with us, not only can they protect us, but they can also help us set up tents or something. Isn’t that good?”

“Moreover, we might even be able to find our Mr. Right at the same time.”

“Look, they are all tall and handsome.”

When Jian Dan heard Zhao Lu’s words, she was speechless...

Wasn’t it supposed to be a camping trip? How did it become a social gathering?

Chapter 158: Felt Like A Matchmaker

“But this is different from what we agreed to yesterday. We agreed that it would be all girls, but now there are suddenly so many guys.”

“Jian Dan, don’t be so rigid! What’s wrong with having guys to help us with the work?”

Another girl said to Jian Dan.

“There are so many guys. What if something happens?”

“Jian Dan, don’t worry about this. Their captain is my brother, so nothing will happen.”

“But...”

“Jian Dan, come on.”

Jian Dan finally understood that they deliberately did not tell her that there would be guys. They waited just before they set off to spring this on her at the last minute. After all, this camping trip had already been approved by the school. As the person-in-charge of this camping trip—if they insisted on going — she would not be able to do anything.

Now, she was stuck between a rock and a hard place...

However, in the end, Jian Dan decided to go with them. As the person-in-charge of this event, she had the responsibility to ensure their safety.

Mengjiao arrived late...

When Jian Dan saw Mengjiao, she immediately pulled her aside. “Mengjiao, why didn’t you tell me that there would be guys?”

“Guys? What guys?”

“You don’t know either?”

They hid it from Mengjiao too. It seemed like they really had ulterior motives!

Only then did Mengjiao notice the guys behind her.

“What’s going on?”

“Apparently, they had agreed on it long ago and deliberately hid it from us.”

“They know that you are on close terms with me, so they hid it from you too.”

“They’re too much. I’ll go look for them.”

“It’s no use. Now that things have come to this, we can only take it one step at a time.”

“Why is he here too?”

Jian Dan followed Mengjiao’s gaze and realized that her gaze was on a guy.

“Someone you know?”

An unnatural expression flashed across Mengjiao’s face... “Yes!”

“Remember 1 told you that Li Jing and I were drunk that night?”

“Yeah. You drank to drown your sorrows because you were rejected by your crush!”

“That’s him! Zhang Yan!”

“Are you saying that he’s your crush?”

Jian Dan pointed at the guy not far away.

Mengjiao nodded.

Actually, she had not seen him since she confessed her feelings to him that day. She did not expect to see him again under such circumstances.

Jian Dan looked at the guy. Sporty guys were very popular with girls to begin with. Moreover, he played basketball. He was very tall. Coupled with his handsome looks, it was no wonder that Mengjiao liked him.

“It’s no big deal. Mengjiao, you’re so pretty. Are you afraid that you won’t be able to find a boyfriend?”

“Jian, who would still want me now that I’m like this?”

Mengjiao touched her belly and mocked herself.

“Who says so? Mengjiao, don’t belittle yourself. You will definitely meet your cup of tea.”

“Get on the bus and let’s set off,” Zhao Lu shouted.

When the two of them saw that everyone else had gotten on the bus, they followed suit...

“Zi Yan, get on the bus!”

After the three of them got on the bus...

They saw that... There was a girl and a guy in each of the double seats.

She felt that this camping trip had suddenly turned into a blind date program and they had already paired up. She wondered how many couples would be churned out by the end of it.

Jian Dan instantly felt like she had become a matchmaker.

The three of them walked straight to the last row and sat down...

Jian Dan was no longer in the mood to care about them. As long as she made sure nothing happened to herself, they could do whatever they wanted. After all, there were many things that she could not control; they were already adults. They could make their own decisions..

Chapter 159: Jian Jian, You Are Getting Increasingly Audacious

When they got on the bus, Mengjiao noticed that Zhang Yan and Qian Lele were sitting together. Qian Lele was the belle of their class. With her hot figure and charming face, she was a real-life vixen. She was very seductive.

Although she no longer had any feelings for him, she still felt a little uncomfortable at seeing them like this.

Seeing their interaction, they probably knew each other beforehand.

“Mengjiao, he rejected you because he’s blind.”

Jian Dan saw Mengjiao’s gaze and expression and knew that Mengjiao must be feeling uncomfortable.

“Qian Lele is the class belle. How can I compare to her?”

“Xia Mengjiao! Can you be more confident?”

Jian Dan patted Mengjiao's shoulder.

If it weren't for the fact that her current condition didn't allow it, how could she be so gentle?

"Those people who said that Qian Lele is the class belle are also blind!"

Jian Dan had always felt that Qian Lele's beauty was very tacky. However, Mengjiao's beauty had a hint of transcendence. Although she was not as stunning as Yujin, she had a special vibe.

"Zi Yan, do you think Mengjiao is prettier than her?"

Jian Dan suddenly asked as she turned to look at Zi Yan.

However, Zi Yan's reply was silence.

It seemed like there was still a long way to go before she could melt this thousand-year-old iceberg!

Mengjiao suddenly laughed out loud.

Being able to become friends with Jian Dan was the luckiest thing in her life because no matter what happened, she would stand by her side unconditionally to support and encourage her.

Moreover, she believed that in the near future, this young lady called Zi Yan would definitely be won over by Jian Dan, and she would fall head over heels in love with her.

"Do you also think that I'm right?!"

Jian Dan looked at Mengjiao with a knowing expression...

“Yes, yes, yes! Jian, you’re right!”

“Oh right, I have to report this to Uncle as soon as possible.”

Jian Dan whipped out her cell phone...

In such a situation, Jian Dan did not dare to call Chu Liyuan. It was even more impossible for her to video call him, so she only sent a voice message over...

The message was as follows: “Uncle, there’s something I need to tell you. Let me make it clear first! I really didn’t know anything, so you have to promise me that you won’t get mad!”

Then, she took a deep breath... to calm herself...

“Here goes nothing!”

“Well... Erm... It’s...”

“When I reached the rendezvous point, I found out that there were... there were... more than 10 guys going as well!”

“Uncle, please don’t be mad. I know it’s my fault for not figuring it out beforehand. But now that things have come to this, I really have no choice!”

“As long as you don’t get mad, I’ll accept all your punishments...”

Jian Dan’s voice message had just been sent when Chu Liyuan called.

Jian Dan felt that her cell phone suddenly became very hot and she really wanted to throw it out of the bus window.

As the cell phone rang, Jian Dan felt her heart beating increasingly faster, and her palms began to sweat.

She wondered how Chu Liyuan would react after hearing the voice message just now.

Here goes nothing!

Jian Dan looked like she was ready to face death and tapped the answer button...

“Hello, Uncle!”

“You’re not allowed to go!”

I knew it— Uncle wouldn’t agree to let me go.

“But we’re almost there!”

“Jian Jian, you’re getting increasingly audacious. You dare to present me with a *fait accompli*?”

“I’m the person-in-charge. I’ll have to go. I have to ensure their safety! I can’t be an irresponsible person. Don’t you think so, Uncle?”

“Jian Jian, you...”

“Erm... Uncle, the reception here isn’t good... I’ll hang up first...”

Jian Dan deliberately held the cell phone far away before hanging up. After that, she even turned off her cell phone.

No matter how mad Uncle would be, he would have to wait until she returned!

Chapter 160: Itrs Fine! We Can Do It. Thank You!

Not only did this lass dare to hang up on him, but she also dared to turn off her cell phone?

It seemed like he had not educated her enough!

What infuriated him the most was that Zi Yan's cell phone was also turned off...

How could he still take it?!

"Li Jing! I'll be away for a few days,"

"Mr. Chu, where are you going?"

Didn't they agree to work overtime? Why did he suddenly leave?

"There are guys with them."

Chu Liyuan's footsteps did not stop for a second...

"Mr. Chu... Wait for me. I'll go with you."

Li Jing knew what Chu Liyuan meant. He also knew that Mengjiao had also gone on this camping trip.

How could a man take it when his woman went camping with guys? Chu Liyuan could not; Li Jing was no exception.

Although his relationship with Mengjiao was still unclear, she was the mother of his child!

“Jian, when did you start wearing necklaces?”

Mengjiao asked as she looked at the necklace around Jian Dan’s neck. She had known Jian Dan for so long, but she had never seen her wear a necklace.

“Oh! Uncle gave this to me last night and told me to wear it with me wherever I go. Moreover, I can’t take it off.”

“Oh my God! Does Mr. Chu want you to think of him when you see this?”

Zi Yan’s lips twitched as she listened to their conversation...

However, she was not going to be a busybody and tell them that it was actually a tracker.

The bus drove for four hours before they arrived at their destination...

“This camping spot is so far away.”

Jian Dan said after getting off the bus.

“It’s a little far, but the environment and scenery here are very good.”

Zhao Lu explained.

“Everyone, let’s set off quickly!”

It was already afternoon after the long journey. Hence, everyone had to rush and set up their tents before it was dark. Otherwise) it would be very troublesome.

Jian Dan urged in view of everyone's safety.

After arriving at the campsite, everyone began to spread out and set up their tents...

"Jian, the equipment you brought are so professional!"

Mengjiao looked at the equipment that Jian Dan brought...

"How would I know all this? Uncle helped me prepare them."

"Hey, hey, hey! You're always showing off your love. Are you trying to torture us single people to death?"

Mengjiao said jealously.

"What's wrong with showing off my love? I like showing off my love!"

"What? Are you jealous of me?"

"Then hurry up and find a boyfriend. Let's be jealous of each other?"

Jian Dan said as she moved closer to Mengjiao.

"Mengjiao, do you know how to do this?"

Jian Dan opened the tent in her hands...

“You’ve got me.”

“Uh no. I don’t know how to do it either.”

Uncle, really... He could have just bought one of those instant tents. Why did he have to buy such a professional one?

Jian Dan looked around and saw that the guys were helping the girls set up their tents...

Was she going to sleep rough tonight??

Just as the two of them were at a loss for what to do, a very handsome guy walked over.

“Do you need help?”

Jian Dan and Mengjiao regarded this unfamiliar guy with wariness...

“Relax. Let me introduce myself. I’m the captain of the basketball team. My name is Zhou Zhao!”

Zhou Zhao??

“You’re Zhou Yang’s brother?”

“Yup!”

Jian Dan and Mengjiao exchanged looks...

What do you think?

I think it's okay!

But we don't know him. Is this okay?

Do you have a better idea?

No!

There you go then. You don't want to sleep rough, do you?

Then...

After the two of them reached a consensus...

"Well, then..."

Just as Zhou Zhao took the frame of the tent from Jian Dan, Zi Yan suddenly appeared and held onto it...

The atmosphere became a little awkward...

Jian Dan turned around and saw that Zi Yan had already set up her tent.

Oh my God! She was so amazing! How could she know everything?

Everyone started to set up their tents at the same time. Moreover, the tent that Chu Liyuan had prepared for them was rather complicated. The others had not even finished setting up their tents yet, but Zi Yan had already set up hers?

Jian Dan felt someone tugging at her sleeve again...

“Huh?” Only then did she snap back to her senses.

It was Mengjiao. Mengjiao gave her a look...

Only then did Jian Dan notice that the atmosphere between Zi Yan and Zhou Chao seemed a little off.

In order to prevent the two of them from getting into a fight...

“Erm, this is my friend. She knows how to set up a tent, so I won’t trouble you. Thank you!”

Jian Dan said to Zhou Zhao as she smiled and took the frame of the tent from the two of them.

Zi Yan looked at Zhou Zhao coldly...

Zhou Zhao turned his gaze to Jian Dan and said with a smile, “If you need any help, feel free to ask.”

He turned around and left. Before he left, he cast a glance at Zi Yan..
