

The Beloved 181

Chapter 181: A Lifetime Is a Long Time, Can You Really Do It?

“Chu Liyuan, are you going to follow in Jihao’s footsteps?” Sizhe looked disgusted.

Everyone knew that Ling Jihao was an absolute slave to his wife!

In the past, the two of them would show off their affection in front of them all day long.

As they got older, it got better now...

But what was going on with Chu Liyuan now? He was clearly trying to surpass Jihao!

He had finally escaped from Ling Jihao. Was he going to have to witness Chu Liyuan’s turn now?

“No!”

Chu Liyuan’s “no” made Sizhe heave a sigh of relief... but in the next second...

“Would I lose out to him?”

Everyone at the dining table could no longer hold it in...

Just what did Jian Dan do to Grim Yama to turn him into this?

“You! Eat up and pack up...” This sentence was directed at Sizhe.

“Ting, think over my suggestion!”

Chu Liyuan held Jian Dan’s hand and walked upstairs...

At night, the two of them sat on the balcony in a warm embrace, looking at the stars in the sky.

“Uncle, I feel so blessed now!”

Jian Dan—who was nestled in Chu Liyuan’s arms—said slowly.

“Yes!”

After getting to know Jian Jian, he had experienced what bliss was very thoroughly.

He felt that nothing in this world could compare to a frown or smile of Jian Dan’s.

He seemed to only have eyes for Jian Dan only now.

“Uncle, a lifetime is a very long time. Will you really always be so good to me?”

“Yes!”

He tightened his arms around Jian Dan...

Although he would do it, but...

According to scientific research, women generally lived longer than men, and he was already so much older than Jian Dan. If that day came, how could he feel at ease knowing that Jian Dan would be all alone?

It seemed like he had to build up Jian Dan's body as soon as possible and give birth to a little one. This way, if anything really happened in the future, there would be someone to take care of this silly lass in his place.

"Ting? What did Chu Liyuan mean just now? What did he ask you to think over?" Sizhe and Jian Dan were both very curious Geminis. They could not stand having a question gnawing at them.

"I'm not telling you!"

"Just tell me! Otherwise, I won't be able to sleep tonight."

On the way back together, Sizhe sat in the front passenger seat and wheedled to Lu Ting...

Imagine a man wheedling... That scene was definitely... disgusting!

How could a straight man like Lu Ting stand it?

And it was precisely because Sizhe knew Lu Ting's weakness that he used this move every time!

"Stop! I'll tell you!"

Seeing that he had succeeded again, Sizhe gave a triumphant look.

"Liyuan asked me to celebrate Lunar New Year with them!"

Lu Ting could not remember how many years it had been since he last celebrated Lunar New Year with others. He spent every Lunar New Year alone...

“Damn! Chu Liyuan is so biased! I’ve known him for so many years, but he never asked me to celebrate Lunar New Year with him.”

Sizhe gave a look of jealousy...

“You don’t have a home either?”

Lu Ting rolled his eyes at Sizhe as he gave a retort that rendered Sizhe speechless.

“Then what’s there to think about? Go! It’s so boring to be alone at home during Lunar New Year!”

Sizhe and Lu Ting had met at a medical conference many years ago, so Sizhe knew about it.

Lu Ting’s parents had passed away early and he had grown up with his grandfather. His grandfather was a very famous TCM practitioner. But no matter how highly-skilled a doctor was, he was no match for the Grim Reaper...

After his grandfather passed away, he was the only one left in the world. So he sought refuge in the military.

“We’ll see!”

Chapter 182: Starting Today... Take the Medicine!

Jian Dan felt that she had finally been come back to life. During these few days of her period, Chu Liyuan would personally watch her drink the brown sugar ginger water every day.

She had thought that she could finally be liberated, but she had forgotten...

“Your period is over. You’ll start taking the medicine today!”

Chu Liyuan did not prepare brown sugar ginger water for her today. Instead, he prepared... traditional Chinese medicine!!!

One look at the black medicine in the bowl and she knew that it must be very bitter and disgusting.

Jian Dan’s mouth subconsciously pouted.

How did Uncle know that her period had ended? And he knew it right after it ended.

Jian Dan reluctantly took the bowl... She closed her eyes... gritted her teeth... stomped her feet, and gulped it down one shot!

Oh my God! This is 1,000 times worse than brown sugar ginger water!

Jian Dan’s facial features were all contorted into a miserable bunch.

“Uncle, how many days do I have to take this medicine?”

“Ting said to drink it for three months first, then adjust the prescription according to the situation.”

“What? Three months?”

Jian Dan thought that she would only need to drink it for a few days at most. But she actually had to drink it for three months? And she might have to continue drinking it after three months?

This was even worse than killing her!

“Three months... Does that mean I have to drink it 90 times?”

90 times... Even nine times was as good as taking Jian Dan's life.

"No! It's 180 times, twice a day!"

Chu Liyuan's words landed heavily on Jian Dan's heart. Right now, Jian Dan already had nothing left to live for...

It seemed like she had to think of a way...

?!/7a/She could find an excuse to say that she had something on on campus and had to go back there for a few days.

Just as Jian Dan was about to say something...

Chu Liyuan immediately said, "The traditional Chinese medicine has already been brewed and bagged. This way, it'll be more convenient for you to drink it and won't be a problem for you anywhere... However, Ting also said that the medicinal effects will be better when it's hot, so you have to heat it up every time before you drink it..."

Hmph! You have your plan, but I have my solution. I'm in school. How do you know if I drank it or not?!

"Video call me when you drink it every time!"

Uncle is not leaving a way out for me!

Looks like Uncle's really determined to make me take the traditional Chinese medicine this time.

Knowing that she could not escape, she could only accept her fate...

“Here...”

Chu Liyuan handed her a plum.

Jian Dan tore the wrapper open and popped it in her mouth... “Mmm, it’s so sweet!”

A smile finally appeared on Jian Dan’s face.

“I’ve never felt a plum taste so good before!”

Seeing Jian Dan’s satisfied expression because of a mere plum, Chu Liyuan’s lips curled up.

“I specially prepared for you. Eat it after taking the medicine!”

Chu Liyuan handed Jian Dan a large bag of plums that seemed to appear out of thin air.

When Jian Dan saw so many plums, the smile on her face widened...

“Uncle, you’re the best!”

She definitely had to take the traditional Chinese medicine. But when Chu Liyuan saw Jian Dan’s miserable face, his heart ached too! He could only find another way so that Jian Dan would not be so miserable.

Chu Liyuan was really good to her. Other than taking the traditional Chinese medicine... No matter how busy Chu Liyuan was, he would take time out every day for a foot bath with her. This was because he knew that if he was not around, she would not have the determination and discipline for the foot bath every day.

Moreover, in order to make the foot bath more enjoyable and effective, he even specially asked Mrs. Jin to buy a lot of foot bath powder.

The look on Mrs. Jin's face when she found out that Chu Liyuan wanted her to buy him foot bath powder... It was hilarious.

Not only that, Chu Liyuan even prepared a hot water bag, a hand warmer, thick socks, a heat pack, and many other things that Jian Dan could not even name..

Chapter 183: Lunar New Year Should Look Like Lunar New Year!

Wasn't Uncle very busy with work? Why did Uncle video call her on time every day, regardless of whether she was at home or outside? He would only continue doing his own things after watching her finish her medicine!

When the cell phone rang, she knew that it was time for her to take her medicine again. Chu Liyuan was even more punctual than an alarm!

After schooling her face, she tapped the answer button. "Uncle! I've already obediently heated up the medicine. I'm about to drink it now!"

She drank the disgusting traditional Chinese medicine with a straw right before Chu Liyuan's eyes...

It only took her about one minute to finish the entire pack of traditional Chinese medicine.

If Granny knows that I obediently took the medicine, she will definitely be... Happy? Excited?

No, no, no! Of course she will be shocked! She will definitely think that it's not me at all. Even if we had the same face, she will still think that it's someone who looks exactly like me.

Jian Dan's current thoughts were that since she could not avoid it, she should obediently accept her fate!

Next, it's time to talk about something happy...

It was almost Lunar New Year. Looking at the time, Granny should be back in the next few days.

Although Granny was away all year round, she would come back to celebrate Lunar New Year with her every year, no matter what.

Hence, she would always prepare everything before Granny returned!

Prepare what??

Lunar New Year goodies, of course!

Although she was a millennial, she liked traditional things very much. She felt that although society was developing and the world was progressing, some traditional things should still be preserved.

Especially since this was the first Lunar New Year that Chu Liyuan would celebrate with her post marriage. Of course, she couldn't be half-hearted about it!

"Uncle, how did you and Grandpa celebrate Lunar New Year in the past?" "Nothing special. We'll just have a meal together at the family residence!" What? How's this celebrating Lunar New Year? Don't they often have meals together at the family residence?

Jian Dan's mouth twitched.

"What's with that look?"

Chu Liyuan asked with a smile when he saw Jian Dan's expression.

"How is this celebrating Lunar New Year?"

“Then what is considered celebrating Lunar New Year?”

“Of course, that means... Wearing new clothes, eating with new bowls, shopping for Lunar New Year goodies, and setting off firecrackers!”

“Lunar New Year should look like Lunar New Year.”

“Forget it. Uncle, don’t worry about it. Leave it to me! I’ll definitely give you and

Grandpa an unforgettable Lunar New Year! No! There’s also Granny!”

“Granny is coming back?”

He had been married to Jian Dan for a few months, but he had never seen Jian Dan’s only relative!

“It should be about time, but Granny hasn’t contacted me for a long time. I wonder where she is now.”

As Granny went globe-trotting and often went to some places with no cell phone reception at all, she was not reachable on the phone. Hence, Jian Dan usually communicated with her via WeChat or email. When Granny saw them, she would reply to her.

When she first got married to Chu Liyuan, she had sent a WeChat message to Granny and told her about it. However, Granny did not reply...

Initially, she was very worried. But fortunately, Granny replied to her on WeChat a month ago. There were only three words: “I am fine!”

After that, there was nothing else. She did not ask about her marriage, nor did she say where she was.

Jian Dan could do nothing about Granny! She could only let her be...

“When the time comes, we’ll pick her up together!”

“Yes!”

Jian Dan smiled and nodded.

Granny would definitely like Uncle very much!

Jian Dan thought to herself...

Chapter 184: Free Labour That Came Knocking on the Door

“Alright, Uncle, I got to go. I have something to discuss with Grandpa.”

“Okay!”

“Bye, Uncle!”

After hanging up, Jian Dan got dressed and went downstairs. Zi Yan happened to be sitting in the living room...

“Zi Yan, let’s go back to the family residence!”

Jian Dan was with Zi Yan almost every day now. They were together wherever they went. Other than the fact that Chu Liyuan had arranged Zi Yan for her protection, she was actually quite happy about it herself.

She was someone who did not like to be alone. To her, Zi Yan was not just her bodyguard; she was also a friend, or even a family member.

“Now?”

“Yup! Let’s go quickly! Time is tight and the mission is big!”

Jian Dan hooked Zi Yan’s arm and walked out...

Zi Yan had slowly gotten used to such intimate actions. She was no longer as stiff as before or did not know how to react.

She felt that this habit of her was not bad!

Just as the two of them walked out of the door, they bumped into Sizhe and Lu Ting, who were about to enter...

Of course! Based on Lu Ting’s personality, how could he take the initiative to come? He was forced by Sizhe who felt that Lu Ting was too bored by himself. If he stayed at home alone all the time, he would get sick from cabin fever.

“Why are you guys here all of a sudden?”

Jian Dan asked when she saw the two of them turn up unannounced.

When Zi Yan saw the two of them, she automatically ignored Sizhe and nodded at Lu Ting.

“Of course it’s because we’re too bored, so we came to visit you!”

Sizhe had one thing in common with Jian Dan—he liked liveliness and did not like to be alone. That would be so boring!

Most of the people around him were cold fish. He did not know how he chose his friends either—why did he always choose to be friends with “ice cubes”?

This made Sizhe very curious.

Actually, Sizhe was not the only one. His friends were also very curious as to how they had become friends.

“Zi Yan, what kind of look is that?! This isn’t the expression you should have when you see an incredibly handsome man like me!”

As soon as he said this, Jian Dan made a vomiting gesture...

In terms of narcissism, no one would dare claim to be number one if Sizhe claimed to be number two!

“What’s going on? Don’t tell me Jian Dan is pregnant!”

Sizhe obviously knew that Jian Dan did it on purpose, so he also deliberately retorted with that...

“I can’t be bothered with you. Zi Yan and I are going out.”

“Going out? Where are you going? Do you need the protection of bodyguards?”

“Of course not...”

Just as Jian Dan was about to reject him, she suddenly thought of something... Of course, she did not need them as bodyguards—the two of them might still not be Zi Yan’s match even if they joined forces...

However... it would be a waste not to make use of free labour that came knocking on the door!

At the thought of this, the expression on Jian Dan's face instantly changed 180 degrees. "Of course we do. We—two weak little girls—definitely need the protection of tall and handsome guys like you!"

Jian Dan batted her eyelids, and cast a look Sizhe and Lu Ting...

Perhaps because he had been in the military, Lu Ting immediately smelled a trace of danger.

hut... wasn't that a little too late??

"It's a little late for regrets now!"

Jian Dan said when she saw that Lu Ting was about to leave.

Lu Ting cast an accusatory look at Sizhe...

How comfortable would it be for me to stay at home alone? Why did you have to drag me here? Look what you got us into?

But, Sizhe returned with a look: You're a grown man. What are you afraid of? It's just two girls. What can there be?

"Let's go to the family residence to pick up Grandpa first. You guys follow us with your car."

Jian Dan said.

Then, she got into the car with Zi Yan...

Chapter 185: Shop for Lunar New Year Goodies!

“What are you going to do?”

On the way, Zi Yan took the initiative to ask her...

“Zi Yan, what’s with that look? You make it look like I’m going to do something bad.”

“Well, it doesn’t feel like something good!”

“I can guarantee that it’s definitely a good thing!” Jian Dan said in all seriousness.

“Hey, Zi Yan... Do you realize that you’re speaking longer sentences now?”

Jian Dan said with a smile as she leaned closer to Zi Yan.

A trace of surprise flashed across Zi Yan’s eyes...

This was because even she realized that she seemed to be changing bit by bit, and she did not even notice the changes.

Now, she could increasingly understand why Jian Dan had Chu Liyuan eating out of her hand. Jian Dan was plainly a virus! She would unknowingly infect you with her virus. And the most terrifying thing was that this virus would make you not want to be cured at all. Instead, you would not care even if it went deep into your bones.

“It’ll be even better if you smile more in the future.”

“You’re so pretty. When you smile, you’ll definitely be super charming.”

Ever since she met Zi Yan, she had never seen her smile.

However... there was no hurry. One day, she would get to see it.

Zi Yan coughed dryly and turned her focus back on the road...

After arriving at the family residence...

“Grandpa!”

Chu Zhiyuan was sitting in the living room and was about to drink tea. He heard Jian Dan’s voice before he even saw her.

Upon hearing Jian Dan’s voice, Chu Zhiyuan put down the teacup in his hand and went out to welcome her...

Just as he was feeling bored, Little Jian came!

Previously, he did not feel that his life was so boring. But ever since Jian Dan walked into Chu Liyuan’s and his life, he realized that life could actually be so interesting...

“Little Jian, you’re here! Did you discover somewhere fun again?”

Sizhe had a very interesting expression on his face. Even Zi Yan’s face had some slight changes. Only Lu Ting looked more normal...

Because Lu Ting had never seen Grandpa before, he did not know much about this elderly man.

“Grandpa, you...”

Sizhe was dumbfounded...

Was this still the serious and ramrod straight old man?

In the past, he gave people the impression of Prince Duan⁰. How did he become the Old Urchin! [Refers to a character in the Louis Cha, The Legend of the Condor Heroes.] now??

“Sizhe, why are you here too? I heard from Liyuan that you went to England to attend some conference.”

“Oh! I just returned two days ago!”

As Sizhe spoke, his gaze never left Grandpa. He kept sizing him up, wanting to prove that the elderly man in front of him was the same person he knew previously.

However, Zi Yan was only slightly surprised. If even someone like Liyuan could be won over, what was the big deal about winning over an old man? Moreover, she had personally experienced the magical powers of Jian Dan.

“Okay!”

However, Chu Zhiyuan’s gaze only lingered on him for a moment before turning back to Jian Dan...

“Grandpa, are you very bored at home?”

“That’s right! It’s either watering the flowers or drinking tea. It’s really boring!”

It was so difficult to live a repetitive and boring life every day. He did not know how he had survived in the past.

“Isn’t it almost Lunar New Year?! Let’s go out today to... Shop! For! Lunar! New! Year! Goodies!”

Jian Dan enunciated the last six words slowly.

“What?”

Hearing Jian Dan’s words, the four of them were dumbfounded...

Chapter 186: Uncle Gave Me a Black Card. Feel free to Use It!

Rich people don’t need to shop for Lunar New Year goodies? From the looks of it, they looked like they had never gone shopping for Lunar New Year goodies.

Jian Dan first brought everyone to the mall... It was Lunar New Year, so of course they had to wear new clothes. Although things were different now, they could buy new clothes whenever they wanted and did not have to wait until Lunar New Year to buy them.

However, customs should still be passed down...

Moreover, the clothes they bought during Lunar New Year were different from the ones they usually bought! They should buy some bright colors and festive clothes during Lunar New Year.

“After all the big hoo-ha, you’re just going shopping?” Sizhe immediately said in disappointment.

He had thought that Jian Dan had some new tricks up her sleeve. He did not expect...

“Cut the crap! Are you going or not?” Jian Dan said bluntly.

“Why not? I need some new clothes as well.”

In the store, Jian Dan first picked some clothes for Grandpa...

Looking at the suit that Jian Dan had chosen for him, not only was Chu

Zhiyuan a little dumbfounded, but even the other three were dumbfounded...

Because Jian Dan chose a red suit for Grandpa!

"You chose a red suit for Grandpa?"

Sizhe asked the question on everyone's mind.

"What's wrong? This isn't bright red, it's brick red! I think Grandpa will definitely look good in it. Grandpa, go and try it on!"

Jian Dan handed it to Grandpa. How could Grandpa reject it?

So he went to the fitting room with his heart beating like a drum. At his age, what would he look like wearing this color?

After Grandpa went to the fitting room, Sizhe leaned over to Jian Dan and asked, "You chose a red suit for Grandpa. What do you plan to choose for your husband?"

This was because he felt that the brick-red suit suited Chu Liyuan better, even though Chu Liyuan had never worn a suit of any color other than black.

"Uncle's? I've already chosen it! It's this one!"

Jian Dan took a suit from a shelf.

"You actually chose a purple suit for Chu Liyuan? Don't you know that he only wears black suits?"

Sizhe reminded her kindly.

“I do! I just feel that Uncle doesn’t even have a suit of any other color. It’s so monotonous! Besides... this isn’t purple, this is indigo!”

“This young lady is right. It’s indeed indigo. It’s our limited edition this year.”

Just then, Grandpa had already changed into the suit and emerged from the fitting room...

“Wow! Grandpa, you’re so handsome! You’re 30 years younger!”

Jian Dan exclaimed when she saw Grandpa emerging from the fitting room.

Sizhe—who had been doubting Jian Dan just now—felt his eyeballs drop out when he saw this scene.

“That’s so exaggerated,” Grandpa said humbly.

“Why not? If you don’t believe me, ask Zi Yan! Zi Yan, do you think Grandpa look very young in this suit?”

Zi Yan did not say anything, but she nodded.

Because even she had to admit that the suit that Jian Dan had chosen for Grandpa really suited him very well.

Jian Dan looked at Sizhe arrogantly. “How is it? Do you still think that there’s something wrong with my taste?”

“I thought you were a dud, but you turn out to be a stud!”

Sizhe was stunned by Jian Dan's taste.

"Of course!"

Actually, it was not that Jian Dan had good taste! It was just that she had a different perspective from others.

Later, Jian Dan chose a suit for Lu Ting but was rejected him. But how could Jian Dan be rejected so easily?! However, he really could not accept a garish suit. So in the end, Jian Dan chose a dark green checkered suit for Lu Ting who reluctantly accepted it.

Of course, Sizhe did not want to lose out and pestered Jian Dan to pick one for him as well.

When it was time to pick up the tab... "I'll pick up the tab today. Uncle gave me a black card. Feel free to use it!"

Jian Dan said as she whipped out the black card that Chu Liyuan gave her..

Chapter 187: Do You Want Me to Go Over?

Now that the men were done, it was naturally the women's turn!

Jian Dan noticed that Zi Yan had a very small wardrobe, and she did not own a single dress. Hence, she had to give Zi Yan a makeover today!

However, this was no mean feat! But who was Jian Dan?! Jian Dan would always think of a way to overcome obstacles, come what may...

Jian Dan handed Zi Yan the dress that she had chose for her.

Zi Yan looked at Jian Dan expressionlessly and shook her head...

“Zi Yan, believe me. You’ll look great in it!”

Jian Dan flashed her signature smile, hoping to move Zi Yan. But Zi Yan was really stubborn!

Finally... “Why don’t we make a bet? If you lose, you have to do as I say for the entire day. How about that?”

“Bet? Why should I bet with you?”

Zi Yan asked coldly.

Jian Dan felt as if someone had stuffed cotton into her mouth. “Um... Because if you don’t make the bet with me, I’ll keep pestering you. But if you agree to make the bet with me, I promise I won’t bother you anymore if you win. How about that?”

Since Jian Dan had already said so, Zi Yan had no reason to disagree. “I’ll decide the bet!”

Although Zi Yan had agreed, she was still very cautious—she had to be one to decide the bet!

“No problem!” Jian Dan gritted her teeth and agreed.

cares! Roll with the punches...

Just as Zi Yan was thinking about what to bet on, she saw the suit that Jian Dan had chosen for Chu Liyuan. She said, “If you can make Liyuan wear the suit you bought for him, you win!”

“That’s it?”

To Jian Dan, this was a very easy thing! Could it be that Zi Yan wanted a makeover but was too embarrassed to say it directly, so she made such an easy bet? To give herself a way out??

When Zi Yan heard Jian Dan's words, she raised her eyebrows.

To others, this was definitely an impossible task. However, to Jian Dan... Would Liyuan really violate his principles time and time again for her?

Zi Yan was also very curious about this question, so she chose this as their bet.

"It's a deal then. You can't go back on your word!"

Jian Dan whipped out her cell phone and called Chu Liyuan...

"Hello, Uncle. Are you busy now?"

"What's the matter?"

"Grandpa, Zi Yan, Sizhe, Lu Ting, and I are at Shangqing Mall now."

Why were Sizhe and Lu Ting with them? This was the first question that popped up in Chu Liyuan's mind.

"Uncle, do you want to join us?" Jian Dan probed.

"Do you want me to go over?"

Chu Liyuan's gentle and flirtatious voice instantly rendered Jian Dan in a daze.

For a moment, she forgot about the bet...

“Yes!” Jian Dan replied with a red face!

Sizhe was forced to witness this PDA.

“Okay!”

The smile on Jian Dan’s face grew even wider at hearing Chu Liyuan’s answer.

“I’ll be waiting for you!”

Then, she ended the call with a dazed look... When she turned around and saw Zi Yan, she suddenly remembered her bet with Zi Yan...

Fortunately, Chu Liyuan had already agreed to come over...

“Jian Dan, can I discuss something with you? Can you not show off your affection without regard for the occasion? Who can stand this?”

“No!” What’s wrong with showing off my affection? Is it in your way? Hmph!”

Uncle and I are legally married.. Its not illegal for us to show off our love!

Chapter 188: Moon Prism Power, Make Up!

Chu Liyuan did not expect Jian Dan to call him just as he was thinking about her. Was this considered telepathy?

Chu Liyuan's lips curled up. He picked up the car keys on the table and left the office...

Li Jing was already used to seeing Mr. Chu leave in a hurry. Ever since Jian Dan appeared, Mr. Chu—who seemed to be welded to the office all day—had changed.

Needless to say, his lass must be looking for him...

Anyway, there was nothing important today, so let him be!

When Chu Liyuan arrived, the first thing he saw was Jian Dan...

He made a beeline for Jian Dan and pulled her into his arms, planting a kiss on her forehead tenderly.

"Oh, please! It's broad daylight and we're in a public place. Can you pay attention to your image?"

Sizhe was already starting to miss the man who was as cold as an iceberg.

At that time, it was just a little cold. But now, it was sweet; too saccharine for his liking.

"No!" Chu Liyuan said coldly.

Jian Dan turned around and stuck out her tongue at Sizhe...

"Oh, right. Uncle, I chose a suit for you. Try it on and see if it looks good!"

Jian Dan handed the suit to Chu Liyuan.

When Chu Liyuan saw the color of the suit, he frowned slightly...

“Why did you choose this color for me?”

“Because I think you will look very good in it.”

“Haven’t you noticed that all my suits are black?”

“I have! That’s why I chose this different suit for you. You are so modellesque, so you look good in anything! But it’s very monotonous. Moreover, this is my favorite color!”

Jian Dan said so much, but she did not manage to move Chu Liyuan. However because of the last sentence—Chu Liyuan willingly changed into this suit...

Liyuan, you’ve really refreshed my understanding of you time and time again! How far can you go for Jian Dan?

When Chu Liyuan emerged from the fitting room in the suit...

Jian Dan was completely mesmerized... How was this a human? This was plainly a god that had descended to the mortal world. How could there be someone in this world who was so ridiculously handsome?

Chu Liyuan had already walked up to Jian Dan, but she was still looking at him in a daze. “Uncle, you’re so handsome!”

Chu Liyuan was very satisfied with the look on Jian Dan’s face. He felt that wearing this set of clothes was definitely worth it.

When Jian Dan came back to her senses, she realized that she had already won the bet. So, Zi Yan...

“Zi Yan...” Jian Dan smiled and looked at Zi Yan...

Helpless, Zi Yan could only go to the fitting room with the dress that Jian Dan had chosen for her...

Three minutes later...

Zi Yan hurriedly walked out of the fitting room in an apricot-colored off-shoulder rah-rah-skirt dress...

No one would have thought that Zi Yan—who always dressed so conservatively—would have such a good figure. Her fair and straight long legs, slender waist, and that perky butt and ample bosom were plainly the ideal S-shaped figure!

Coupled with this slim-fit dress, as for how beautiful she was...

One look at the expressions of the men around her and it was obvious... Because other than Chu Liyuan and Grandpa, almost all the men present stopped in their tracks for her...

Sizhe stood rooted to the ground. He felt as if his eyes were about to pop out.

Even Lu Ting—who paid no heed to things in general—was stunned by Zi Yan's new look.. Chapter 189: Remarried?

Chu Liyuan did not expect Zi Yan to look so good in a dress!

However, what Chu Liyuan did not expect the most was Jian Dan. What magic did Jian Dan have?

He knew very well what Zi Yan was like. As long as it was something she did not like, even Chu Liyuan could not change her mind. However, Jian Dan did it so easily...

Chu Liyuan looked at Jian Dan dotingly and gently tucked her hair behind her ear. "Why didn't you buy anything yourself?"

Ever since he gave this black card to Jian Dan, other than using three million yuan when she smashed the car the last time and returning it the next day, this was the second time she used this card. But she did not buy anything for herself.

“There’s no hurry; lotsa chances in the future! You are already mine. Are you afraid that I won’t have the chance to spend your money in the future?”

Jian Dan said mischievously as she tilted her head.

“Besides, every time Granny comes back, she will bring back some very unique clothes for me.”

Granny was away all year round and had been to countless places. Every time she came back, she would bring back some unique clothes from various places.

“In the past, people bought new clothes during Lunar New Year because they could only wear new clothes during New Year. But it’s different now! New clothes can be bought at any time. So, buying new clothes now is just... the family’s way of showing love by picking out clothes for their loved ones.”

In the past, he felt that Jian Dan was a very naughty and playful girl. But now, he realized that this lass was actually very traditional in some aspects!

Ever since Jian Dan barged into his life, his life had changed drastically. Not only him, but Grandpa! Zi Yan! Everyone had changed.

Was Jian Dan an angel sent by the Heavens to bring him happiness?

“Since we’re done buying clothes, let’s go to the next stop!”

If Jian Dan were to wear a cap and carry a small flag, she would be a tour guide!

This time, Chu Liyuan did not let Zi Yan drive. Instead, he got into the driver’s seat...

Soon, it was the next stop that Jian Dan mentioned!

This was a very large farmer's market. The things sold here were very fresh and varied.

Although it was just a farmer's market, there were many people who came here to do their shopping. Therefore, parking spots were very limited!

There was not a single parking spot in sight. There was no choice... "Uncle, why don't we go in first while you try to see if there's anywhere nearby to park?"

Jian Dan, Zi Yan, and Grandpa got out of the car while Chu Liyuan went to find a parking spot...

They were bedazzled by the array of goodies before their eyes...

"Uncle Wang!"

"Little Jian, you're here! I've been counting the days and thought it was about time you come."

"Hehe... Is the fish fresh today?"

"When have the fish in my stall not been fresh?!"

"Hehe... That's true..."

Uncle Wang was a middle-aged man who was pushing 50. He had been selling fish in this market for almost 15 years!

Many of the stalls here had been around for more than 10 years. Jian Dan had lived nearby since she was young and was a regular at the market, so many people here knew her.

“Oh! You even brought your friends along this time?”

In the past, Jian Dan had always come alone.

“Yes!”

“This is...”

Uncle Wang locked his gaze on Grandpa...

“This is my Grandpa!”

Jian Dan replied without much thought...

“Grandpa? Oh... I know. Your granny must have remarried, right?”

“Your granny finally figured it out. Back then, we all advised her to remarry. She’s such a beauty; why must she be alone? But she wouldn’t heed anyone’s advice!”

Although Granny was old, she was still a beautiful... old lady!

Jian Dan was rendered speechless...

Looking at Uncle Wang, she waved at him awkwardly. “No, no! I’m married.

This is my hubby’s grandfather.”

Jian Dan said after thinking for a moment.

After being married for so many months, this was the first time she had called Chu Liyuan 'hubby'.. Her heart was beating a little faster!

Chapter 190: You Look So Handsome When You Smile!

After parking the car, Chu Liyuan walked into the market with Sizhe and Lu Ting and heard Jian Dan's voice...

What did she just call me? Did she just call me... Hubby?

Ever since they got married, he had never heard Jian Dan call him "hubby".

Chu Liyuan felt his heart skip a beat when he heard the word "hubby".

It was only at this moment that he realized how pleasant that word was to the ears...

"Married? When did this happen? I remember that you haven't graduated from college yet, right?"

"You got married so young?"

He could not believe his ears.

His daughter was already 26 years old, yet she kept saying that she was still young and not in a hurry to get married?

If he remembered correctly, this lass should be in her early 20s! She was already married?

"It's been months!"

Jian Dan replied with a smile!

The reason why she had married Chu Liyuan back then was because of her impulsiveness. However, she was very glad that she had made the decision back then.

Now that she thought about it... If it wasn't for her rashness back then, would she and Uncle have missed out on each other?

If she had missed out on Uncle back then, would there be another person by his side now?

"Congratulations! Your granny must be overjoyed, right?"

"Hehe... Yes... Yes!"

Granny? She still did not know if Granny had seen the WeChat message she had sent her.

She hoped that Granny would not be frightened by it!

"Sigh! My girl isn't in a hurry at all. I don't know when I'll be able to have a grandson!"

"This kind of thing can't be rushed. You have to meet the right person. I'm just lucky to have met him earlier."

"Uncle Wang, I'll order two carps, three catties of prawns, five flying crabs, three cat ties of conch, two catties of squid, and some Hawaiian shellfish and sea urchins."

"So much this year?"

"Many people this year!"

Jian Dan had never celebrated Lunar New Year with so many people before. In the past, she had always celebrated Lunar New Year with Granny.

“You don’t know how to cook, but you know how to buy!”

Jian Dan felt an arm appear at her waist.

She turned around with a smile. “You found a parking spot?”

“Yes!”

Such an intimate action... As long as one was not blind, they would definitely be able to tell that this man was the husband that the lass was talking about!

“Little Jian, this must be your husband! He’s so handsome!”

“He’s okay!” Jian Dan said humbly.

“Uncle Wang, I’ll collect them on the 30th then!”

“No problem!”

“Okay! Then I’ll go buy something else first.”

After that, Jian Dan went to a few more stalls. She did not know how the news spread so quickly. No matter which stall Jian Dan went to, the owners all knew about her marriage.

It was a testament of how gossipy these stall owners were!

After everything was settled, they left.

After leaving the market, Jian Dan stopped Lu Ting...

“Lu Ting, as the mistress of the Chu family, I officially invite you to celebrate Lunar New Year with us.”

Jian Dan invited Lu Ting with a solemn expression.

Lu Ting did not expect Jian Dan to suddenly ask him to celebrate Lunar New

Year with them. He subconsciously wanted to reject...

“I’ll just...”

“You’d better think carefully before answering! I’m Chu Liyuan’s wife now, so I can be considered your sister-in-law! You won’t be so disrespectful to me, right? If you reject me, that would be too ungentlemanly!”

Jian Dan said domineeringly and did not give him a chance to refuse.

Jian Dan was clearly asking for his opinion, yet she deliberately put on a matter-of-fact expression. That made Lu Ting... smile!

“Lu Ting, did you just smile?” Although she had not seen Lu Ting many times, his face was always expressionless!, let alone have the smile she saw this time!

“So handsome!”

Jian Dan revealed a love-struck look..
