

The Beloved 211

Chapter 211 - 211: Throwing You Out Is Already Very Lenient!

“Mr. Chu, you can’t listen to this servant’s side of the story!”

“Yes!” “Mr. Chu!”

Male voices started ringing in the air.

“That’s right! She’s the one... Look at the juice on me. She did it.”

The woman who had been doused with juice by Jian Dan said as she stood up

Chu Liyuan looked at the girl—his eyes filled with coldness—as if he was looking at a piece of trash that he hated.

“Shut up!”

The girl was instantly rendered speechless by Chu Liyuan’s powerful aura. Her whole body began to tremble unconsciously as if she would be devoured by this powerful aura in the next moment.

“Little Yuanyuan, I’m so scared!”

Jian Dan wheedled as she shrunk into Chu Liyuan’s arms.

“Don’t pretend to be pitiful. Where’s the arrogance you had in front of us just now?” Another girl said fearlessly.

In her eyes, Jian Dan was just pretending to be weak in front of Chu Liyuan.

From the looks of it, she was trying to gain the man's protectiveness and sympathy!

She had used this move countless times.

Upon hearing this girl's words, Jian Dan lifted her head from Chu Liyuan's arms...

"Why? Do you find the green tea b*tch annoying too? I thought you all liked that very much. Weren't you all pretending just now?"

Jian Dan's eyes were cold as she said bluntly.

"You!" The girls were furious!

"Do you think it's useful to pretend to be a green tea b*tch? Let me tell you, it's impossible!

"Yuan..." Jian Dan suddenly transformed from a weak demeanor to a sex kitten.

Jian Dan gently shook her shoulder-length hair and hooked her hands behind

Chu Liyuan's head. Her fingers played with Chu Liyuan's hair...

"Yuan... I don't like these people. When I see these people in front of me, I feel very uncomfortable and I want to vomit!"

Chu Liyuan's eyes darkened as he gazed at the lass before him. She had transformed from a flirtatious kitten to this alluring and seductive little vixen. "That's easy. Security!"

Chu Liyuan did not even look at them. His gaze was fixed on Jian Dan and his eyes could not bear to leave her even for a second.

Six security guards ran in. “Mr. Chu!”

“Throw these people out!”

What? Throw them out? Did they hear wrongly?!

That’s right! They did not. They were to be thrown out...

“Senior Mr. Chu, look...”

In their opinion, Chu Liyuan was completely bewitched by this young lady and could not listen to what they were saying. Hence, they could only place their hopes on Chu Zhiyuan.

However, before Grandpa could speak, Chu Liyuan’s voice rang in the air again. He said coldly, “Throwing you out is already very lenient. Who gave you the guts to bully my woman in my house?”

“But this...”

“Take down their names and companies. Don’t even think about having any business dealings with Qin Corporation in the future. Throw them out!”

Since Chu Liyuan had spoken, they were naturally really thrown out.

Wasn’t this what it meant to go for wool and come home shorn?!

Grandpa, Zi Yan, and Lu Ting—who had been all present from the start—were all shocked by the performance of the two of them.

Chu Liyuan was willing to go to this extent to play along with Jian Dan. He fully embraced and perfectly portrayed his role as a king who could abandon everything just to make his concubine smile with his sterling performance.

As for Jian Dan? First, she was brilliant as a green tea b*tch, then she transformed convincingly into a vixen.

The chemistry between the two of them was incredible!

Moreover, they had not paid any attention to the feelings of the three of them from the beginning to the end—they had almost died from having a front-row seat to the couple's PDA!

The temperature in the house was 25 degrees, but why did it feel so cold?

However, Grandpa was very gratified in his heart. It seemed that his grandson had really fallen in love with Jian Dan. The weight on his shoulder—which had been there for over 20 years—could finally be lifted..

Chapter 212 - 212: If There's a Next Time, I'll Leave Home!

After those people were "invited" out, Jian Dan puffed up her cheeks and pouted as she looked at Chu Liyuan angrily. "Is this Lunar New Year greetings? Or a matchmaking conference?"

Why was this lass so cute when she was jealous?

Seeing the smile on Chu Liyuan's face, Jian Dan was even more unhappy. "Is it funny?"

Why did this lass always manage to give him surprises? Vie never would have thought that this lass had so many sides that he did not know about. It seemed like he had to slowly discover them.

An 15-year gap? When they first got together, he wondered if he should let go of the relationship because of such a huge age gap.

But how could he not love her like this? How could he bear to let go?

Even if the whole world objected to them being together, he would not let go of her hand. She could only be his! In this life, in the next life, in every lifetime, she could only be his.

Under the gazes of Grandpa, Zi Yan, Lu Ting, and many servants, he carried the still-angry Jian Dan over his shoulder and turned to walk upstairs...

“Liyuan, aren’t you guys going to eat?” Grandpa asked as he watched the two of them leave.

“You guys eat first!”

Chu Liyuan did not turn around and quickly went upstairs...

“Uncle, I’m still hungry.”

He hadn’t clarified about those incidents earlier on. Why wasn’t she even allowed to eat now?

“I’ll let you eat, but you have to put out the fire before you eat!”

When they got back to the room, Jian Dan was devoured by Chu Liyuan.

Chu Liyuan held Jian Dan in his arms...

“Uncle, was that your matchmaking conference just now?”

Jian Dan asked unhappily.

“The position of Mrs. Chu is very popular! But can anyone do it?”

He hugged the precious lass in his arms even tighter.

This position belonged to Jian Jian, and Jian Jian only!

“Then why...”

“Previously, I never got married. That’s why Grandpa tacitly agreed to their behavior.”

The 38-year-old middle-aged man had never been close to a woman. How could Grandpa not be anxious?

“But now...”

You already have me. This sentence was stuck in Jian Dan’s throat.

“Once word gets out about what happened today, no one will dare to do it in the future.”

“That’s more like it. Seeing how cooperative you were today, I’ll forgive you!”

“But... seeing how jealous you were because of me, I feel that such things can happen a few more times in the future!”

Chu Liyuan said devilishly.

“What?”

Jian Dan bolted up from the bed agitatedly.

He actually wanted to do it a few more times?

Chu Liyuan supported his head with his hand and gazed at Jian Dan with an expression that was asking for it.

“If there’s a next time, I’ll leave home!”

When he heard Jian Dan say that she wanted to leave home, Chu Liyuan sat up straight and pinched her chin with one hand. He gazed intently at her. “Do you think you can leave? No matter where you go, I will capture you back.”

“Don’t even think about escaping from me.”

Hearing Chu Liyuan’s words, Jian Dan’s mood inexplicably became a little better.

“No matter how many women pester around me, I only have eyes for you.”

“Jian Jian, I love you!”

Jian Dan was still swept up in Chu Liyuan’s sweet nothings when Granny’s voice suddenly rang in her head...

Jian Dan Dan! Did you marry a father?

Jian Dan hugged Chu Liyuan. “Uncle, I want to be with you forever and never be separated.”

“We’ll never be apart!”

Separated? How was that possible?! He would never let such a thing happen. Never!

“Then let’s pinky swear.” Jian Dan stretched out her little finger to Chu Liyuan like a child.

How could Chu Liyuan do such a childish thing?

How was that impossible? Don’t forget, that was Jian Dan... the lass that Chu Liyuan doted on. He had already done even stranger things, so why would he be afraid of being childish with her for once?!

He stretched out his finger and hooked it with Jian Dan’s.

“Uncle, promise me that no matter what happens in the future, you won’t let go of my hand and will always be by my side.”

“I promise!”

Jian Dan only felt a little relieved the moment she saw their thumbs pressed together..

Chapter 213 - 213: The “Secret” That Could Not Be Discovered by Uncle!

When Jian Dan and Chu Liyuan went to the dining room for lunch, the others had already finished eating. They tacitly did not say anything.

Although they did not say anything, Jian Dan was still very shy. She lowered her head during the meal and did not speak.

After lunch, the four of them left the family residence. Lu Ting returned to his home. Zi Yan, Jian Dan, and Chu Liyuan returned to Li Garden.

Chu Liyuan did not go to the office today. So when he returned to Li Garden, he went straight to the study to deal with work.

Jian Dan took this opportunity to continue knitting her surprise for Chu Liyuan.

In order not to be discovered by Chu Liyuan, she had been battling with him for the entire day. Fortunately, Zi Yan had covered for her, so she had spent the day safely.

At night...

When Jian Dan heard Chu Liyuan's even breathing, she knew that Chu Liyuan had already fallen asleep. She gently removed Chu Liyuan's arm from her waist, lifted the blanket—and tiptoed out of bed. She went to the room next door to continue her "surprise"!

However, Jian Dan did not expect that just as she was about to finish, she heard the door open. In a moment of desperation, she placed the scarf that she had yet to complete in the corner and turned off the light.

"Jian Jian..." Chu Liyuan's voice rang in the air.

It was Uncle. She mustn't be discovered by him. Otherwise, there wouldn't be any surprise.

Just as Chu Liyuan turned on the lights in the room, Jian Dan hugged Chu Liyuan's neck in a moment of desperation and captured his lips with her red lips...

When Chu Liyuan woke up at night and realized that Jian Dan was not by his side, he thought that she had gone to the bathroom. But after waiting for a long time, she did not come back. So he came out to look for her.

He heard a sound next door, but who knew that Jian Dan would give him a passionate kiss the moment he opened the door...

"Jian Jian, you..."

"I had a dream."

“What does having a dream have to do with you being here?”

“Well...” Jian Dan’s mind was working overtime. “I came here to calm down!”

“Why?”

“Because I had a special dream!”

“A special dream? What kind of special dream?”

“It’s... that kind of dream!” She could only follow through with that train of thought to the end. “That... Uncle, you know! Erm... Girls sometimes have needs in that aspect too. But you were sleeping so soundly at that time, so I couldn’t disturb you! That’s why I thought of coming here to calm down.”

What the heck was she saying? Would Uncle think that she was a super horny woman?

“Oh, I see!” Chu Liyuan said in a delphic tone as he took another step closer to Jian Dan and sized her up close.

Jian Dan did not dare to look into Chu Liyuan’s eyes. Otherwise, Chu Liyuan would definitely see through her in an instant.

Only when she felt that she was being carried did she react. “Erm... Uncle, I’ve already calmed down. There’s no need...”

“You don’t need it, but I do!”

Great! Was this the legendary shooting yourself in the foot?

However, the only fortunate thing was that Chu Liyuan did not discover that “secret”.

Jian Dan had already kicked herself for it. Who knew that after they were done, Chu Liyuan whispered into her ear, “If you have the need in the future, just say it. Even if I’m asleep, it’s alright too. Holding it in for too long is not good for your health!”

Jian Dan wished she could find a hole to hide in..

Chapter 214 - 214: This Is the Most Beautiful Scarf

She finally finished the scarf before Valentine’s Day, but it seemed a little ugly. Jian Dan looked at the scarf in her hands...

She wondered if Chu Liyuan would like it!

On Valentine’s Day, she woke up bright and early...

Jian Dan was filled with anticipation. She thought that Chu Liyuan would have some kind of gesture, but... it was no different from usual. He woke up, ate breakfast, and went to work. There was nothing unusual. It was as if he did not know that today was Valentine’s Day.

Could Uncle not know that today is Valentine’s Day?

Should she remind him? Would she disturb Uncle’s work? But she really wanted to celebrate Valentine’s Day with Uncle! But if Uncle was very busy, it would definitely hold up his work.

Jian Dantang tossed and turned on the bed in a dilemma, not knowing what to do.

Just as Jian Dan was feeling conflicted, the other protagonist was also busy...

Today was indeed a very busy day at work. Occasions like today were definitely a great opportunity to earn money!

However, in order to spend Valentine's Day with Jian Dan at night, Chu Liyuan did not leave the office the entire day to settle the work on hand as soon as possible.

Moreover, he had specially consulted many people about what to do on a day like today...

When it was almost 5 p.m., Jian Dan received a call from Li Jing. Chu Liyuan did not have lunch and fainted due to low blood sugar...

When Jian Dan heard this, she immediately bolted out of bed and got Zi Yan to drive her to Qin Corporation.

From the moment she set off until she reached the 33rd floor, she did not realize that she had been wearing pajamas!

She rushed to Chu Liyuan's office.

When she entered the office, she realized that Chu Liyuan had not fainted at all! Li Jing—that big, fat liar—had lied to her.

Chu Liyuan stood behind the door with flowers, waiting for the moment she entered...

Jian Dan burst into tears... Of course, it was not from sadness.

"Uncle, you big, fat liar! You made Li Jing lie to me!"

"Do you know how anxious I was?"

"I can tell!" Chu Liyuan's lips curled up.

He could tell? What did that mean? Jian Dan followed Chu Liyuan's gaze and realized that she had come in her pajamas and slippers.

Oh my God! This is so humiliating! Jian Dan covered her face with both hands...

"How humiliating!"

"No! I think it's pretty good!"

"What's so good?! It's all your fault! You made me run out dressed like this."

"However, you still know that the weather is cold and that you only came out after putting on a scarf!"

"Scarf?"

Only then did Jian Dan realize that the scarf around her neck was the one she was going to give Chu Liyuan.

While Jian Dan was struggling over what to do earlier on, she had casually hung the scarf around her neck. She did not expect to bring it out in her hurry to get here.

But... It was just as well...

Jian Dan reached out to take off the scarf around her neck and wrapped it around Chu Liyuan's neck.
"This is not mine. I knitted it for you."

"For... me?"

"Yeah." Jian Dan looked at Chu Liyuan and nodded.

“You knitted it yourself?”

“Yeah! It’s my first time trying my hand at knitting, so it’s a little ugly!”

Jian Dan lowered her head sheepishly. But in the next second, Chu Liyuan pulled her into his arms.

“Jian Jian, this is the most beautiful scarf I’ve ever seen. Thank you. I like it very much!”

He never thought that Jian Dan would knit a scarf for him. Chu Liyuan felt that he was surrounded by happiness..

Chapter 215 - 215: It Comes Naturally After Meeting You!

“Uncle, did you prepare these flowers for me?” Jian Dan asked when he saw the baby’s breath in Chu Liyuan’s hand.

“Other than you, who else in this world has the right to make me send flowers?!”

Baby’s breath had always been her favorite flower, but it was only a complementary flower! If he had not known that Jian Dan liked baby’s breath, he definitely would not have bought a whole bouquet of baby’s breath for her.

“Uncle, why did you give me baby’s breath?”

“Because you like it!”

“But how did you know that I like baby’s breath?”

“When you only have eyes for one person, you will see everything about her!”

“Uncle, have you really never been in a relationship before? But you really know how to whisper sweet nothings!”

“I don’t need to learn this. When you meet that someone, it comes naturally!”

“Let’s go! Let’s go spend our first Valentine’s Day together.”

Just as Jian Dan was about to follow Chu Liyuan out the door, she saw the clothes she was wearing and stopped in her tracks. “Uncle, how can I go out dressed like this?”

“I don’t mind!”

“What’s the use of you not minding? If I go out dressed like this, people will think that I’m bananas.”

“Let’s go!”

Chu Liyuan pulled Jian Dan into the elevator and went straight to the underground parking lot...

“This is...”

Chu Liyuan pulled her to a stop in front of a motorcycle.

“Li Jing said that there would be a traffic jam today, so we’re riding a motorcycle today!”

“It’s so beautiful!”

She still remembered that the last time she rode such a flashy motorcycle was with Xiaoyang.

She wondered how Xiaoyang was doing in the military and if he had adapted to it!

However, she felt embarrassed to get onto the motorcycle in her pajamas.

Seeing Jian Jian's embarrassment, Chu Liyuan took off his jacket and put it on her before helping her wear the helmet.

"Get on."

Jian Dan smiled and got on the motorcycle.

Although there was a traffic jam today, it did not affect them much. Soon, they arrived at Shangqing Mall.

After parking the motorcycle, he held her hand and walked into Shangqing Mall...

"Uncle, I..." Jian Dan took a look at her pajamas and was a little embarrassed to go in.

Because there would definitely be many couples here today.

"If you don't go in, how can you buy clothes?! Or are you going to wear this to spend Valentine's Day with me? Either way, it's fine with me."

He liked Jian Dan no matter what Jian Dan looked like.

"Oh!" So Uncle wanted to buy clothes for her!

Sure enough, Jian Dan did not disappoint and immediately attracted the attention of many people the moment she stepped foot into the mall. Jian Dan lowered her head as Chu Liyuan led her forward...

It was a case of burying her head in the sand—it was as if they would not see her if she did not look at them.

Just as the two of them arrived at the entrance of a women's clothing store, Chu Liyuan's cell phone suddenly rang.

"Uncle, take the call! I'll go in first."

"Okay!"

Jian Dan entered the store alone...

After walking around, she was attracted to an indigo lace dress in the display window...

"Hello, do you have this dress in my size?" Jian Dan asked the sales assistant who came over to her. Jian Dan thought that she was very young.

"This is a limited edition dress from our store. There is the only size left—M."

"I happen to be M size. I would like to try it on!"

"Sure. Please wait a moment!"

Just as the young lady was about to give it to Jian Dan, another sales assistant in the store walked over. "You're new here. Do you know the rules? The limited edition clothes in our store can only be tried on and bought by VIP members."

She then sized up Jian Dan...

How dare she enter their store dressed like this?

“Miss, are you one?”

She asked with disdain.

She had been working here for two years and knew all the VIP customers of the store. There was no such person.

Hence, she was obviously asking this to embarrass Jian Dan..

Chapter 216 - 216: Snobbish Toady

She had seen many such scenes in television dramas and s, but this was the first time she had seen it in reality. In the past, she had thought that television dramas were too exaggerated. Now that she witnessed it today, it was really an eye-opener!

Were her eyes on top of her head?

Although she was a sales assistant in a high-end women’s clothing store, she was still a sales assistant! Jian Dan really did not understand how she could be so arrogant.

“Do you mean that I can’t buy this dress if I am not a VIP customer?”

“That’s right!” She raised her chin and looked at Jian Dan with her nostrils.

“Then 1’11 become one now!”

“Not anyone can be a VIP customer in our store just because they want to. Only customers who spend more than five million yuan in our store every year can be qualified to be a VIP.”

“Isn’t it 500,000 yuan?” The sales assistant who had just been attending to Jian Dan earlier asked.

Hearing this, it was obvious then! She was obviously picking on her on purpose.

If you think that I can’t afford the clothes here and treat me with such a snobbish attitude, I can ignore it. After all, there are too many snobbish people in society now.

However, if you are deliberately looking for trouble, I’m definitely not gonna take it lying down!

Since you insist on causing trouble, don’t blame me then.

“What are you talking about? You’ve only been here for a few days. What do you know?!”

The snobbish sales assistant rolled her eyes fiercely. It was obvious that she was warning the girl to shut up about things she should not say!

“But...” Before the girl could say anything, she was rebuked by the snobbish sales assistant. She did not say anything else.

“Since you’re not a VIP customer, I’m sorry. Please leave!” Then, she chased Jian Dan out.

Well, well! This was absolutely intolerable! Moreover, once Jian Dan’s got her danders up, nobody could stop her.

However, for such a snob? She was not qualified yet, but it did not seem like her to let her off so easily.

“Five million yuan?! No problem! Pack up all the clothes in your store in every available styles and sizes.”

“That should be more than 5 million, right?”

Upon hearing Jian Dan's words, the expressions on the two sales assistants' faces froze. Clearly, they did not expect Jian Dan to say this.

However, that snobbish sales assistant only took a few seconds to recover her snobbish demeanor.

It would cost at least 10 million yuan to buy all the clothes in their store. Even the daughter of a rich family did not dare to say that she would buy all the clothes in the shop in one go. She was too arrogant.

However, just as the snobbish sales assistant was about to retort Jian Dan, Jian Dan whipped out her wallet from Chu Liyuan's jacket pocket and flashed the black card from the wallet before the eyes of that snobbish assistant.

The expression on her face changed in an instant...

As a sales assistant in a high-end luxury store, how could she not understand?

What Jian Dan had was a black card with unlimited credit limit. People who had such a card were definitely not ordinary people.

"Sure. Miss, please wait a moment!" Jian Dan was not used to the sudden change from being a snob to a toady.

"Okay, then you'd better move as quickly as possible. I don't have much patience. I hope that by the time I come out of the fitting room, all the clothes will have been packed."

"Sure, sure!"

"Okay! You come with me." Jian Dan said to the young lady who had attended to her just now.

She carried the clothes and entered the changing room with Jian Dan... Personal service was necessary in such stores.

After about 20 minutes, Jian Dan came out of the changing room...

As soon as she came out, she saw that the entire store—be it the counter, the display window, or the shelves—were empty. Comparatively, the floor was filled with bags of various sizes. It looked like a store that had just opened and had yet to put up all the clothes.

Jian Dan really did not expect her to be so efficient. It was a waste of her talent to be a sales assistant.

Looking at her fawning expression, a hint of disgust flashed across Jian Dan's face.

She shifted her gaze away from her, as if she would vomit if she took another look.

She walked in front of the mirror and looked at herself in the mirror...

She asked the girl behind her, "Does it look good?"

"Yes! This dress suits you very well. It seems to be tailor-made for you."

Before the girl could speak, the toady beat her to it.

When Jian Dan heard this, she rolled her eyes countless times in her heart...

Chapter 217 - 217: If Jian Jian Said You Are, Then You Are!

"Yes! It's really very beautiful!" The girl also said.

Her words were much more pleasing to Jian Dan's ears...

Jian Dan also thought that it looked nice on her.

Since it looked good, of course she would buy it!

Jian Dan followed them to the checkout counter. "How much?"

"A total of 36.74 million yuan!" The snobbish sales assistant said.

"The price is wrong!"

"Miss, it's definitely not wrong."

"The dress I'm wearing costs more than 30 million?"

"No, Miss. Didn't you just say that to pack up all the clothes in our store?"

Looking at the expression on the sales assistant's face, it was extremely satisfying.

"I did say that, but did I say that I wanted to buy them?"

As soon as Jian Dan said that, the sales assistant's face fell in an instant...

"I just thought that you guys should do an inventory check, that's all!" Jian Dan said with a nonchalant expression.

"You... Are you messing with me?"

"You can think of it that way!"

As soon as Jian Dan said this, she felt the sales assistant was about to hit the roof.

Jian Dan continued to look at her with a nonchalant expression... "I did mess with you, and I'm doing it openly. What are you going to do about that?"

She would not be polite to those who were rude to her.

"Fine! Since you don't want to buy it, it's fine. Please take off the clothes you are wearing now. You are not fit to buy it!"

"Sure!" Jian Dan was about to go to the fitting room to change out of her clothes.

Unexpectedly, that snobbish sales assistant blocked her way. "Our fitting room is for our distinguished VIP customers. You're not fit to use it either."

"Please take it off here!"

Jian Dan turned around and looked at her coldly...

When she caught Jian Dan's glare, her heart suddenly skipped a beat. But she did not give in. "If you don't take off the clothes you're wearing right now, I'll call the police immediately!"

"I'm afraid you can't afford to pay the price for making me take off my clothes here!" The corners of Jian Dan's mouth curled up slightly...

Jian Dan placed her hand on the zipper of her dress and slowly unzipped it...

Suddenly, a warm hand appeared on her hand, and held it tightly. "What are you doing?"

Jian Dan turned her head and looked at Chu Liyuan. "Uncle, she said that I am not fit to buy this dress, nor am I fit to use the fitting room here. So, she said I have to take it off here. Otherwise, she'll call the police!"

Chu Liyuan turned to look at the snob. "You said that?!"

Under Chu Liyuan's powerful aura, the girl did not even have the confidence to speak. She stood rooted to the ground in a daze...

"Jian Jian, as long as you say the word, this store will be yours!"

"There's no need for that, but..." Jian Dan looked at the girl who had been helping her just now." From now on, you're the manager of this store. You must discipline your staff well!" Jian Dan deliberately emphasized.

"But..." It was obvious that the girl could not believe it.

"If Jian Jian said you are, then you are!"

Chu Liyuan made a call and only said one sentence. Then, the girl received a call to take over as the store manager.

Jian Dan smiled at her and handed her the credit card. "Check, please!"

"Sure! Please wait a moment!"

She took the credit card from Jian Dan's hand and settled the bill for Jian Dan as quickly as possible. Then, she handed the credit card back to Jian Dan with both hands...

"Thank you!"

Jian Dan took the credit card and left the store with Chu Liyuan..

Chapter 218 - 218: The Entire Mall Is Yours, Let Alone a Mere Store!

After leaving...

“Jian Jian, you...”

The moment Chu Liyuan spoke, Jian Dan knew what he wanted to ask her.

“I know. Making that store mine is a small matter to you, but it’s useless for me to want that store!

Why waste money?

Anyway, she had vented her anger!

“Uncle you don’t know how tired I made her just now!” Jian Dan said with a smile.

“Oh, you...”

If he said this lass was kind, she would definitely take revenge. If he said that she was not kind, she would always leave a way out for others.

“Hehe!”

“This entire mall is yours, let alone a mere store!”

“Mine? How is that possible?!”

“Didn’t you say that I’m yours? Since I’m yours, what’s mine is yours of course.”

No way! Does Shangqing Mall also belong to Uncle? Just how rich is Uncle?!

“Oh my God! If I have you, won't I have the entire world then?”

“I can give it to you as long as you want it!”

“What I want the most is already by my side!” Jian Dan hugged Chu Liyuan's neck and gently planted a kiss on his cheek.

“Oh, you...”

“Uncle, you haven't told me—does my dress look good?” Jian Dan turned around and asked.

When he walked into the store earlier, he already wanted to say—how can my lass be so beautiful?! It's just that her shoulders are a little...

Without a word, he turned around and walked into a nearby women's clothing shop...

Jian Dan stood rooted to the ground in confusion.

When Chu Liyuan came out, he had a white silk shawl in his hand.

He walked over Jian Dan and draped the shawl over her shoulders.

Jian Dan frowned slightly. “Uncle, is it that ugly?”

“It's not ugly. In fact, it's very beautiful!”

“Then what are you...”

“Your shoulders are too revealing!”

Every inch of Jian Dan’s body belonged to him. How could he allow others to desecrate her?

“Are you hungry? Do you want to go eat something?”

“I’m already famished!”

Chu Liyuan brought her to a rather unique place...

“Uncle, this is...” Jian Dan stared at the fountain-like thing in front of her and asked.

“Chocolate fondue!”

“Chocolate fondue??” This was the first time she had heard that chocolate could be eaten like fondue.

Of course, how could Chu Liyuan know of such a place? He had consulted Li Jing in advance. As Jian Dan liked to eat sweet food, he recommended this chocolate fondue place to him.

Looking at Jian Dan’s expression, he knew that she must like it very much. It seemed that he had to give Li Jing a raise.

Chu Liyuan dipped a strawberry in the dark chocolate and brought it to Jian Dan’s mouth. Jian Dan opened her mouth and ate it. “Mmm! It’s so divine!”

As a veteran foodie, there was actually something that she had not eaten before.

“Uncle, try it too!” Jian Dan dipped a piece of peach in chocolate and fed Chu Liyuan.

Chu Liyuan ate it... In the past, he did not like such sweet and cloying food. But today, he felt that it was not bad!

Jian Dan suddenly noticed that there was ice cream on the table beside her.

“Uncle, there’s ice cream! I want...”

Before she could finish her sentence, Chu Liyuan stopped her. “You can’t eat ice cream!”

“I’ll just eat a little! Please? Uncle!” Jian Dan launched a wheedling attack on Chu Liyuan.

“No!” He must not cave.

“Uncle, I...” Jian Dan was about to say something when she saw a man and a woman walking in...
“Mengjiao...”

Jian Dan stood up and went up to her. She hugged Mengjiao’s arm and looked up at Li Jing who was beside her. “You... go over first. I have something to say to Mengjiao!”

Since the CEO’s wife had spoken, how could he dare to disobey?! Hence, without any hesitation, he sat opposite Chu Liyuan.

His CEO looked at him with a dark face. Li Jing returned with a helpless expression as he pointed at Jian Dan with his eyes...Your wife told me to come over.. Don’t blame me!

Chapter 219 - 219: The Baby’s Name Has Been Decided

Jian Dan pulled Mengjiao to the restroom...

“Mengjiao, have you made up your mind?”

“Yes!” Mengjiao looked blissful.

“Alright then! If he dares to bully you, tell me and I’ll teach him a lesson for you!”

“I didn’t expect him to be such a meticulous person. He’s very good to me and the baby. He’s thought of many things that I didn’t expect for us.”

“That’s good. As long as you’re happy, nothing else matters!”

“Jian, I’m really happy now. He’s really good to me. He even gave the baby a name—the combination of our surnames, Li Xia!”

“This is interesting!”

It was so romantic to use the parents’ surnames as the name for their child!

Jian Dan thought about her child with Chu Liyuan in the future... Chu Jian!

At the thought of this name, Jian Dan felt a chill run down her spine... So ugly. Definitely not!

It seemed that this kind of romance was not something that anyone could experience.

“Jian, what’s wrong?” she asked when she saw Jian Dan.

“Hehe... Nothing!” Jian Dan scratched her neck and said, “Alright, let’s go back!”

When the two of them returned, they saw the two men looking at each other. The atmosphere was really...

“Hey! Don’t tell me the two of you like each other?” Jian Dan sat down beside Chu Liyuan and joked.

Mengjiao sat beside Li Jing and covered her mouth as she laughed.

“They...”

Seeing Chu Liyuan point at Mengjiao and Li Jing, Jian Dan understood...

“Let’s eat together! There are so many people today. Let’s leave a table for others!”

Since there were two more people, there definitely wouldn’t be enough food for them to eat! Hence, they ordered more food and a cheese fondue.

Li Jing had just said the word “ice” when Chu Liyuan immediately said, “No ice-cream!”

“I’m not ordering ice-cream. I just want to drink iced black tea!” Li Jing looked helpless!

Of course, he knew the reason. His CEO would video call his wife right on the dot every day and watch her take her medicine!

“My wife can’t eat ice-cream now either!”

Li Jing held Mengjiao’s hand with a look on his face: Are you the only ones allowed to show off your love?

“Who’s your wife?” Mengjiao blushed and said shyly.

“You! You’re going to be a member of my family soon. You won’t be able to escape! Right, my darling son?” He touched Mengjiao’s belly.

“D*mn it. Don’t embarrass me in front of so many people!”

“What’s there to be embarrassed about? You haven’t seen how Mr. Chu treats

Jian Dan. If you see it, you’ll know what it means to pale in comparison.”

He had witnessed it right from the beginning!

“Li Jing, have I been too good to you recently? The branch office in Africa seems to be lacking an assistant.”

“Mr. Chu, I was wrong. You’re a magnanimous person. I just got a wife. Can you bear to break us up?” Li Jing said to Chu Liyuan with a spineless expression.

“Uncle, have a marshmallow!” Jian Dan stuffed a marshmallow into Chu Liyuan’s mouth.

She could not let this topic continue. Although Jian Dan knew that Chu Liyuan would not really transfer Li Jing to Africa, it did not seem good to continue...

During the meal... the two men did not say much only the two women chatted. Chu Liyuan did not like to talk much to begin with. He would only speak when he was with Jian Dan.

As for Li Jing... he did not dare to say much in front of his CEO. Otherwise, he would be transferred to Africa to dig coal if he said anything wrong. That would be terrible. Hence, he would say less and make fewer mistakes. He would not do anything wrong if he did not say anything.

Chapter 220 - 220: Uncle, Then You Can Just Stay By My Side Forever!

After dinner, the two couples went their separate ways and continued to celebrate their Valentine’s Day respectively...

The two of them walked down the street with interlocked fingers. As far as the eye could see, the street was filled with couples. Love was in the air.

It was as if only on this day could one feel the bliss of happiness no matter where one went.

As long as two people were in love, as long as they were together, they would feel very happy even if they did not do anything.

Just like this... Walking aimlessly on the streets made Jian Dan feel very happy...

She looked up and saw a fountain not far away. Jian Dan pulled Chu Liyuan and ran over. Unfortunately, because it was winter, the fountain was not turned on...

Jian Dan walked on the very narrow fountain ledge. Chu Liyuan walked beside

Jian Dan and held her hand, afraid that she would accidentally fall from the ledge.

It was true what they said about Murphy's Law. Jian Dan accidentally slipped and fell...

Chu Liyuan caught her firmly in his arms.

"You're always so careless. If I'm not by your side, you'll definitely be injured again!"

"Hehe! Then, you can just stay by my side forever!" She smiled sweetly and looked at Chu Liyuan in his arms.

Chu Liyuan gently placed Jian Dan on the ground, his expression turning a little serious...

"I also want to be by your side forever!"

Jian Dan tilted her head and looked at Chu Liyuan curiously. "Uncle, you make it sound like you're leaving me."

"Jian Jian, I..."

"What's wrong?"

"I'm going on a business trip tomorrow!"

"So sudden?" Jian Dan had been in a very good mood. But after hearing this news, the smile on her face froze.

"Yes! Something came up. It was a last-minute decision."

"Then... How long will you be gone for?"

"I'm not sure yet. It'll take at least 10 days!"

"That long?"

Ever since she married Chu Liyuan, they had never been apart for such a long time.

She suddenly felt very disappointed. However, Chu Liyuan was going on a business trip and would be gone for so many days. It must be a very serious matter, so she could not be a burden to him.

She looked at Chu Liyuan with a big smile. "Uncle, don't worry and go on the business trip! I'll take good care of myself!"

"Besides, didn't scientific research say it too? An opportune separation between husband and wife can strengthen their relationship. This is called absence makes the heart fonder!"

“I’m really worried!” He touched Jian Dan’s hair and gazed at her tenderly.

“What’s there to worry about? I guarantee that when you come back, you’ll definitely see a whole and intact me!”

To be honest, he really could not bear to leave this lass. However, the matter was urgent, and he had no choice but to go over there to handle it personally.

At the thought of leaving this lass for more than 10 days, he felt very sad. Other than reluctance, he was also worried... He did not know if this lass could take good care of herself when he was not around.

Since Zi Yan would be with him this time, Jian Dan would be left alone. He was really worried.

“Let’s go! You’re leaving tomorrow. So, you have spend the day with me today!” Jian Dan held Chu Liyuan’s hand and walked into a planetarium.

This was one of Jian Dan’s favorite places. Jian Dan liked to look at the stars, but there were many high-rise buildings in the city now, making it difficult to see the beautiful starry sky.

Hence, every time Jian Dan wanted to look at the stars, she would come here.

Although the starry sky here was not real, it made up for the regret of not being able to see the real starry sky!

“Uncle, look, that’s the Milky Way... Isn’t it very beautiful?”

“Yes! Very beautiful!”

Chu Liyuan turned to gaze at Jian Dan...

“Uncle, where are you looking?” Jian Dan realized that Chu Liyuan was not looking at the Milky Way. Instead, he was gazing intently at her.

“The only person in this world that I can admire is you!”

Why are Uncle’s words getting increasingly mushy? I’m not used to it...

However... There was an indescribable joy in her heart.

Jian Dan blushed and lowered her head.

Chu Liyuan lifted her chin and kissed her...

He could not see this lass for more than 10 days. Of course, he had to store more energy.

At the thought of not being able to kiss this lass for so many days, Chu Liyuan’s lips could not bear to leave.. He wanted to keep kissing her until the end of time...
