

The Beloved 24

Chapter 24: Married The Devil

"Get a hold of yourself!"

"Can you tell me it's not Zhong Tianhao?"

Other than Zhong Tianhao, Mengmeng really could not think of anyone else.

"Of course not."

Jian Dan had a defeated expression. How could it be him?

Would she still marry him after knowing that he had cheated on her? If she did, she must have been kicked in the head by a donkey.

When Mengmeng heard Jian Dan's words, she finally relaxed a little and took a few deep breaths...
"Alright, tell me!" Mengmeng said after calming down a little.

"I think you might not know him, but you've probably heard of him." After all, Mengmeng was in showbiz, so Jian Dan thought that she should more or less know about him.

"He's famous? Is he a celebrity?" Mengmeng said excitedly.

If Jian really married a celebrity, she could show off her love in front of that adulterous couple. That would definitely drive Qin Rou up the wall...

Hahaha! Just thinking about it made her feel good.

"No, it's... it's Chu Liyuan!" Jian Dan said.

The moment she said Chu Liyuan's name, it was absolutely overwhelming! Who was Chu Liyuan?

Anyone on the street would know, okay?

Of course, Jian Dan was not a normal person. She did not pay much heed to many things, so it was not strange that she did not know.

Zhong Tianhao? He was not even a speck of dust before Chu Liyuan! They were not on the same level at all. There was no comparison.

"Chu..." Mengmeng's voice was instantly amplified several times. Jian Dan covered her mouth.

Mengmeng was a worldly person. What was wrong with her today? Why was she so out of control?

Out of control? Please, that was Chu Liyuan!

"Chu... Li... Yuan?" Mengmeng completely lost control. "Are you referring to Grim Yama—Chu Liyuan, the devil of the corporate world?"

Chu Liyuan... That man who lived at the top of the pyramid. It was difficult for ordinary people to even meet him, let alone interact with him.

"Devil? He is clearly a cute and gentle man. What devil? He's not even anything remotely like Yama," Jian Dan said unhappily.

How did Uncle look like a devil? He's clearly a sensitive new age guy, okay? She had experienced it personally!

"Cute?? Jian, are you sure we're talking about the same person?"

Could it be that they were two different people who happened to have the same name? When Mengmeng heard Jian Dan's description, this thought appeared in her heart.

If it was not a case of the same name, Jian Dan using "cute" and "gentle" to describe Chu Liyuan would definitely get her beaten up if other people heard about it.

"Chu Liyuan is ruthless in the corporate world. His attacks are fast and sharp. He never shows any mercy to his opponents or gives them a chance to fight back. He is decisive and ruthless in his actions, striking at the vital points." Mengmeng told Jian Dan about Chu Liyuan.

"The most important thing is that he has never been merciful to anyone or anything."

How many people had cursed him behind his back for being cold-blooded and inhumane? How many people wanted to see him suffer?

He was like a king who controlled life and death with a single thought.

"Really?" Jian Dan blinked her big eyes at Mengmeng.

Was this person really Uncle? Most rumors could not be trusted. But wasn't this too exaggerated? They were not the same person!

Even if Uncle was a king, he was a gentle and devoted king!

"Otherwise, how do you think the title of the devil of the corporate world—Grim Yama—came about?"

"Most of these rumors are exaggerated. You can't believe all of them!"

Jian Dan immediately made a judgment.

She had been with Chu Liyuan every day for the past few days. She knew what he was like the best.

"Chu Liyuan is a gentle and considerate person. He's cute, charming, and handsome."

Jian Dan praised Chu Liyuan without disguise, as if Chu Liyuan had no flaws.

After hearing Mengmeng's words—apart from liking him—she also admired him.

How could a person be so perfect?

Not only was he handsome, had a good figure, and a good personality... But he was also so capable!

"Handsome?"

Mengmeng caught the salient point.

Although Chu Liyuan was very famous, he was also very mysterious and never accepted any interviews from the media. Some people said that he was an extremely handsome man. Others said that he was a greasy-faced middle-aged man, while another rumor said that he was very ugly. Therefore, everyone had been guessing what he looked like.

Did she accidentally find out a huge secret?

Beep beep beep... Jian Dan looked at the message from Chu Liyuan on her cell phone, and the smile on her face became even wider: "Red date and longan are delicious!"

"Hey, Jian, is Chu Liyuan really very handsome?" Mengmeng suddenly neared Jian Dan and asked mysteriously.

"You've never seen him before?" Jian Dan thought that Mengmeng had seen him before. After all, Chu Liyuan was so famous in the corporate world.

"Chu Liyuan? Although he's very famous, he's very mysterious. He almost never accepts interviews from the media. Therefore, although he's been all-powerful for so many years, not many people have seen him!"

Uncle was so low-key? That made sense! Otherwise, his handsomeness would definitely attract many women.

"Hey! Wait a minute, you're 18 years younger than him?"

Mengmeng seemed to have discovered something incredible.

Although there was not much information about Chu Liyuan and most of it was just rumors, she knew his age.

38 years old? 20 years old? How did the two of them end up together? This had already exceeded the scope of a so-called brother-sister relationship? This should be considered... May-December romance?

If it was in ancient times, the two of them could be father and daughter, okay?

"What's wrong with 18 years? Uncle isn't old."

What did liking someone have to do with age?

Like? Wait a minute, could it be that she already liked Uncle?

"Does that mean... he's very handsome?"

Mengmeng raised her eyebrows and looked at Jian Dan with a devilish smile.

"Chu Liyuan is indeed very handsome."

Jian Dan's cheeks were dyed with a faint blush as she said without disguise.

"Wow, Jian is blushing..."

It was the first time she had seen that expression on Jian's face.

For someone like her who was in showbiz, she had seen all kinds of handsome men. She was already used to it.

However, Chu Liyuan's looks had piqued her curiosity. What kind of devil was he to be able to charm Jian to such an extent?

Jian Dan rolled her eyes. Would she be so superficial as to like him only for his looks?

"Yes!" Mengmeng said mercilessly.

"That photoshoot should be almost done. Let's go back quickly!"

The two of them had been out for a long time.

The two of them stopped fooling around and returned to normal when they returned to the studio...
