

The Beloved 241

Chapter 241 - 241: Jian Jian... She Is Mine!

After getting what he wanted from Jian Dan, he held her hand in satisfaction and walked into Shang Corporation...

At the reception...

"Hello, how can I help you?" The beauty at the reception asked professionally with her signature smile.

"Here for Shang Simiao!"

"You need to make an appointment in advance to see Mr. Shang. Do you have an appointment?"

"No!"

"I'm sorry, but we can't let you in without an appointment."

This receptionist was quite professional. When she saw such a strikingly handsome man like Chu Liyuan, she could still maintain her professionalism. Although the pink hearts that flew out of her eyes had already betrayed her, she could still compose herself. She had to say that she was amazing!

He could not be bothered to waste his breath on her, so he whipped out his cell phone and called Shang Simiao...

"Come down!"

"What do you mean 'come down'?"

“I’m at the reception of Shang Corporation!”

“What brings you here?”

“Cut the crap! Hurry up!” Then, he hung up.

Three minutes later...

Shang Simiao appeared at the elevator on the first floor.

“Mr. Shang, these two are looking for you...”

“It’s fine. You guys carry on.”

The two of them followed Shang Simiao into the elevator...

“Why are you here?”

“To thank you!” Chu Liyuan said coldly.

This is your attitude when thanking me...

“Yup! With regards to the stuff with Zhuang Meiqi, it’s all thanks to you, Simiao...”

“Ahem, ahem!”

“... Uncle Simiao!” Jian Dan lowered her head awkwardly.

“Jian Jian, you just called me... what?”

“Do you think there’s a problem with Jian Jian calling you ‘Uncle’?” Chu Liyuan asked coldly again.

“Also... don’t call her Jian Jian anymore. I’ll be unhappy!”

Oh my God! This man is Chu Liyuan? He’s such a green-eyed monster.

How could he let go of such a rare opportunity?

Shang Simiao secretly hatched a plan!

“But... I’ve been calling her that ever since I met her!”

Chu Liyuan’s face gradually darkened.

Simiao, what are you doing? Are you trying to anger Uncle?

“Moreover, after interacting with her for the past few days, I feel that Jian Jian is a very good girl. I seem to have fallen for her a little!”

As soon as he said this, Jian Dan sucked in a breath of cold air... There was no time to tell if it was true or not. She was only concerned about Chu Liyuan’s reaction when she heard this. He wouldn’t tear Simiao apart, right?

“Shang... Si... Miao...” Chu Liyuan roared furiously.

“Why? I can’t control my feelings, okay?”

“Jian Jian... She is mine!”

“Haha! I didn’t expect to see you go berserk like this in my lifetime. I’ve lived my life well then.”

“Don’t worry, no one will steal Jian Jian from you. She will always be yours!”

Simiao, what a prank to play! Such an exciting game... My heart isn’t good and I can’t take the shock..

“Shang Simiao!”

“Hey, hey, hey! I was just joking. I just didn’t expect you to not see it. In the past, such pranks couldn’t escape your eyes. Today, you actually... Sigh! You’re such a green-eyed monster! You don’t have the drive of the Devil of the corporate world at all.”

“But... You finally look like a human...”

Shang Simiao smiled knowingly...

“When Sizhe told me, I didn’t believe him. Now, I do!”

“You don’t have to thank me. With our relationship, there’s no need for this word!”

“I bear grudges!”

“Be off with you! I have a meeting later!”

“Let’s go!”

He watched as Chu Liyuan held Jian Dan’s hand and left. He watched as the office door slowly closed...

A trace of sadness flashed across Simiao’s face...

Chapter 242 - 242: Help You Relieve Your Jealousy!

After leaving Simiao's office, Chu Liyuan let go of Jian Dan's hand and strode into the elevator.

Jian Dan hurriedly ran after him... She finally ran in before the elevator door closed. She grabbed Chu Liyuan's hand and said, "Unc... Little Yuanyuan, walk slower! My short legs can't compare to your long legs. I can't keep up!" Jian Dan hugged Chu Liyuan's arm and wheedled.

However, she did not expect Chu Liyuan to ignore her. Instead, he pulled his arm out of her hands.

Ding! The elevator reached the first floor... Chu Liyuan walked out...

Jian Dan looked at Chu Liyuan's departing figure and pursed her lips tightly.

Just as the elevator was about to close, she chased after him out of the elevator again...

By the time Jian Dan ran out of the elevator, Chu Liyuan had already stepped out of Shang Corporation's entrance. Seeing that Chu Liyuan had crossed the road, Jian Dan couldn't care less if there were any cars on the road and chased after him...

There was the sound of an emergency brake...

Jian Dan felt herself being pulled over by a force. In the next second, her forehead was mercilessly flicked...

"Ouch!"

"It's fine if you don't know how to take care of yourself. But at the very least, you have to mind your own safety! Don't you even know how to cross the road?" Chu Liyuan chided Jian Dan with a cold expression.

“It hurts!” Jian Dan held her forehead and looked at Chu Liyuan with an aggrieved expression.

“If it doesn’t hurt, will you remember?”

“But you didn’t wait for me!” Jian Jian still looked aggrieved.

“It seems like you’ve had a great time at the Shang residence these few days when I wasn’t around!”

Chu Liyuan did not answer Jian Dan’s question. Instead...

“I was forced by circumstances to stay there! Besides, Simiao... Uncle Simiao and I were just putting on an act. Moreover, Sizhe was around! Are you angry because of this?”

Chu Liyuan shifted his gaze elsewhere...

When Jian Dan saw Chu Liyuan’s expression, the corners of her lips curled up slightly. “Little Yuanyuan, are you jealous now?”

“Yes! I’m jealous! Can’t I be jealous?”

She did not expect Chu Liyuan to give her such answers, so she was stunned for a moment.

IV/20 would have thought that Grim Yama—who was feared by everyone in the corporate world—would turn into a green-eyed monster one day?

“Are you jealous? Let me have a taste!” She grabbed Chu Liyuan’s collar—stood on her tiptoes—and pecked his thin lips.

Muack! After leaving his lips, she deliberately smacked her lips. "Hmm... Looks like you're really very jealous! It's so sour!"

Satisfied with Jian Dan's actions, he pulled her into his arms with one hand. "That's right! My lass made me so jealous. It's so sour now. What should I do?" "Oh, I see! I got it... I'll help you relieve it."

She captured his lips again. This time, it was not a light kiss, but...

The kiss lasted for one minute...

"There... It's not sour now, is it?"

"Still a little..." He immediately changed from passive to active mode as he leaned over and captured Jian Dan's red lips again...

After a long time, he reluctantly left Jian Dan's red lips...

Seeing that Jian Dan's chest was heaving and her face was slightly tipsy, his gaze moved to her forehead and saw that the spot he had flicked earlier on was red and swollen...

Did I use that much strength just now?

His brows furrowed slightly. He placed a hand on Jian Dan's forehead. "Does it hurt?"

Jian Dan had already forgotten about it, but when Chu Liyuan suddenly touched her, "Ouch! It hurts!"

It broke his heart to see Jian Dan's twisted facial features.

"Little Yuanyuan, do you have to use so much strength? Doesn't it break your heart?"

He looked at Jian Dan's red and swollen forehead. How could it not break his heart? However, it was good to take this opportunity to let Jian Dan learn her lesson so that he would not have to worry about her crossing the road when he was not by her side in the future!

"It's good that it hurts. Let's see if you dare to cross the road like this again."

Although he was criticizing her, it sounded better than sweet nothings!

"I'll be careful in the future, but... for now, I'll hold your hand!"

Jian Dan reached out and held Chu Liyuan's large hand.

"Little Yuanyuan?? I like it even more when you call me Hubby!"

"Huh? Isn't Little Yuanyuan nice?"

"Nice! However, in front of outsiders, this form of address seems to be..."

"Mushy? Hehe... seems so. Alright then! Hubby..."

"Hmm! Not bad! Let's go home!"

"Wait a minute..." The hand that was held by Chu Liyuan... Jian Dan inserted her fingers between his fingers one by one, turning them into interlocked fingers... "Alright... Let's go!"

Chapter 243: The Feeling of Being at a loss

At noon the next day—under Lu Ting and Sizhe's escort—Zi Yan returned to Li Garden safely.

“Zi Yan, you’ve lost weight these few days. I asked Mrs. Jin to prepare a lot of delicious food for you, but your wounds haven’t completely healed yet, so I didn’t prepare spicy food. But these are very delicious. You have to nourish yourself well!”

Seeing Zi Yan walk in, Jian Dan immediately went up to her with a sweet smile on her face.

She dragged Zi Yan to the dining table...

She wanted to sit beside Zi Yan and serve her food, but she did not expect that before her butt could touch the chair, she was sent flying by someone else’s butt...

She turned around and saw...

Sizhe was sitting in the seat that she wanted to sit in just now...

On the other side of Zi Yan, Lu Ting was slowly taking his seat...

“Sit here!” Chu Liyuan patted the chair beside him and said.

“Okay!” Jian Dan obediently took the seat beside Chu Liyuan.

Looking at the three people opposite her, the gazes of the two people on both sides rested on Zi Yan, who was in the middle...

From the looks of it, it would not be her turn to take care of Zi Yan. She could not even take a queue number.

She did not expect Zi Yan to be so charming. Her love life was empty previously and now she had two guys vying for her.

By the time she snapped back to reality, Zi Yan’s bowl was almost full...

These two guys were too enthusiastic!

Jian Dan turned to look at Chu Liyuan...

From the corner of her eye, he saw Jian Dan looking at him. The corners of his lips curled up slightly...

He picked up his chopsticks and picked up a piece of Jian Dan's favorite sweet and sour pork ribs.

She thought that Chu Liyuan would put it in her bowl, but she did not expect him to say, "Open up!"

Looking at the sweet and sour pork rib that was brought to her mouth, her face turned slightly red. She obediently opened her mouth and ate the sweet and sour pork rib.

Seeing this, the two guys opposite picked up their chopsticks at the same time and picked up different dishes to bring to Zi Yan's mouth at the same time.

"My hands are fine! I can eat by myself!" Zi Yan looked at the two of them coldly and picked up her chopsticks to eat...

During the meal, the two of them seemed to have lost their appetite...

"Sizhe, don't you love Mrs. Jin's cooking? Why are you eating so little today?"

"And Lu Ting... Is Mrs. Jin's cooking not to your liking today?" Jian Dan asked even though she knew the answer.

"I'm done eating. I'll go upstairs first..."

Seeing Zi Yan stand up, Sizhe and Lu Ting also stood up...

“Are you guys going to follow me back to my room? I’m fine now. The two of you can go back!” Zi Yan said coldly to the two of them. Then, she turned around and went upstairs...

At night...

Jian Dan lightly knocked on Zi Yan’s door...

“What’s up?”

“Oh, it’s only been a few days since we last met. Why did you return to such a cold expression?”

“I’m here because... I miss you of course!”

When Zi Yan heard Jian Dan say that she missed her, her expression changed.

“Oh! Do we have to talk through the door? Let’s talk inside...” Jian Dan strode into Zi Yan’s room with a plate of cut fruits.

She placed the fruits on the table at the side and gave Zi Yan a big bear hug. “Zi Yan, I haven’t seen you for so many days. I missed you so much!”

Before Zi Yan could react, Jian Dan had already pulled Zi Yan to sit on the bed.

“Zi Yan, have a grape!” Jian Dan picked up a grape and popped it into Zi Yan’s mouth. “Is it sweet??” Jian Dan looked at Zi Yan with an expectant smile.

“Yes!”

So, this was the feeling of having a friend... After returning from a trip, she would prepare delicious food for her, give her a big hug, and even pop a grape into her mouth...

Not only was the grape sweet... but it warmed her heart!

"I also think they are very delicious, so I brought them over for you!"

She popped one into her own mouth...

Looking at Jian Dan's expression, the corners of her mouth curled up slightly...

"By the way, Zi Yan, can I ask you a small question?"

"What?"

"Between Sizhe and Lu Ting, who do you like?"

This question had been hidden in her heart for a few days. Now that she finally had a chance, she had to ask about it!

"Huh?"

"Don't tell me that you can't sense that these two handsome men are wooing you?"

"I..." Zi Yan shook her head.

For the past few days, Sizhe and Lu Ting had been buzzing around her. Although she was not used to it and sometimes felt a little annoyed, she did not seem to hate them... As for liking them??

This question seemed to have never crossed her mind.

“Huh?? What does shaking your head mean?”

“You don’t like either of them?”

“I don’t know.”

“You don’t know?? That’s true. It’s understandable that you can’t figure out your thoughts in such a short period of time!”

Before she left, Sizhe had suddenly confessed his feelings for her. She had not even had time to think about it. Who knew that Lu Ting would join in the fun too? They caused her heart and mind to be all over the place...

She had never felt this way before.

This feeling of being unable to control it really made her a little at a loss.

“You have to think about this question carefully. After all, it concerns your lifelong happiness!”

“You have to find someone you like to be with. Only then will you be happy.”

“Okay!”

“Zi Yan, you’re smiling? This is the first time I’ve seen you smile. You look so pretty when you smile. If Sizhe and Lu Ting saw you, they would definitely be mesmerized by you!”

“Jian...”

Jian Dan looked at Zi Yan’s slightly red cheeks...

Oh my God? Zi Yan could blush? Did she have to be so cute?

“Alright, alright. I’ll go back first.”

If she continued, Zi Yan’s face might even be able to fry an egg...

Chapter 244: Their Supermarket Trip

From the day Zi Yan returned, Li Garden seemed to have become these two guys’ second home. Even if they were very busy, they would still come daily!

“Little Yuanyuan, Zi Yan’s injuries are almost healed. Moreover... I’m about to start school soon, so shouldn’t we go on a trip now?”

They had not gone out for the past few days. It seemed that this lass really could not hold it in anymore...

“Where do you want to go?”

“We can go on an outing! We can also ask Mengmeng, Fanghe, Mengjiao, Li Jing, Jihao and Qianqian to join us. As for Sizhe and Lu Ting, I don’t think we need to ask them. They will definitely tag along.”

“Little Yuanyuan... Shall we?” She blinked her big eyes and looked at Chu Liyuan.

“Is there somewhere you want to go?”

“I want to go to the beach.”

“Okay.”

“Yay! I knew it! Little Yuanyuan, you are the best! Muack!” Jian Dan jumped onto Chu Liyuan’s back excitedly and planted a big, fat kiss on his cheek.

After that, Jian Dan happily called the others... Other than Mengmeng and Fanghe—who was filming and did not have time—everyone else was in on the trip.

For the rest of the day, Jian Dan excitedly prepared the things they needed for the outing...

“Hubby, can you accompany me to the supermarket?”

Ever since she got married to Chu Liyuan, she had never thought that the two of them would go to the supermarket together. She rarely went there, let alone go there with Chu Liyuan. This was because Li Garden really did not lack anything. Mrs. Jin and Uncle Zhang would prepare everything in advance, so there was no such opportunity.

Hence, it was impossible for her to miss this rare opportunity.

Looking at Jian Dan’s big eyes blinking at him non-stop... How could he reject her?

“Let’s go!”

Chu Liyuan went out first and drove the car over... He started the engine and waited for Jian Dan to come out...

Jian Dan saw that Chu Liyuan had started the car and ran out. She opened the door of the passenger seat and got in. “Let’s go!”

Soon, the two of them arrived at the nearby supermarket...

Jian Dan got out of the car first. As Chu Liyuan had to park the car first, Jian Dan waited for him at the entrance of the supermarket.

She never expected to see... "Simiao?" Jian Dan had just said these words when she subconsciously looked around to see if Chu Liyuan had returned.

If Uncle heard this, he might get angry again...

"Simiao... Uncle Simiao, why are you here?"

"Hahaha! Liyuan must have told you to call me that!"

"Hehe..." Jian Dan smiled awkwardly and touched her head.

"I didn't expect Liyuan to be so jealous!"

"Actually, I didn't expect it either! Hehe!"

"Jian Jian, are you waiting for Liyuan?"

"Yup! We're going on an outing tomorrow, so we're here to buy some stuff!"

"An outing?"

"Yup! Sizhe is going too. Simiao... Uncle Simiao, do you want to join us too?"

"Hahaha! In the future, when Liyuan isn't around, you can still call me Simiao." "Hehe, I'm afraid that I will forget. It's better to have just one form of address!" "Alright! As you wish!"

"By the way, I still have something on. I'll make a move first!"

“Then tomorrow...”

“If I have time, I’ll be there!”

“Okay!”

“What are you looking at?” She did not notice that Chu Liyuan had already parked the car and was behind her.

“Oh! I bumped into Uncle Simiao just now and chatted with him for a while!”

“Shang Simiao?”

“Yup!”

“Why is he here?”

“I don’t know! But I just asked him if he wanted to join us on the outing tomorrow.”

“Is he?”

“He said that he would go when he had time!”

“Alright, let’s hurry up and get the stuff! Come on!”

Jian Dan held Chu Liyuan’s hand and entered the supermarket...

“Wow, this actually has a new flavor!” Jian Dan picked up a bag of snacks excitedly and said.

“And this... It’s only been a few months since I came to the supermarket, but there are already so many new snacks.”

Jian Dan was like a primary school student happily preparing to go on a spring outing.

Jian Dan had just picked up a packet of cookies when she saw a mother pushing a shopping cart over. How did she know at a glance that it was a mother? Of course, it was because there was a child who looked to be about four or five years old sitting in her shopping cart.

The mother brushed past her, and Jian Dan’s gaze followed her until she was out of sight...

She had been watching her not because of how attractive the things in her shopping cart were, nor because of how cute her child was, but...

“Hubby, I want to ride in the cart too!”

“Ride in here?” Chu Liyuan pointed at the shopping cart in front of him in disbelief.

“Hehe... Hubby, can you push me?”

In the past, such scenes could only be seen in television dramas. At that time, she really wanted to try it and felt that it must be very interesting, but she never had the chance.

Jian Dan kept looking at him with such a pleading expression. He could not reject her. Even if it was an unreasonable request, he would agree unconditionally.

Seeing this lass climb into the shopping cart with great effort, the corners of his lips curled up. He walked behind Jian Dan in two steps and carried her gently into the shopping cart.

“Wow! I didn’t know riding in a shopping cart would feel like this!”

As long as Jian Dan was by his side... As long as he saw Jian Dan's smile... As long as Jian Dan was happy, he would be very contented. Hence, even if Jian Dan wanted the moon in the sky, he would think of a way to pluck it for her.

"Let's go. Let's continue with the shopping spree!"

The moment the shopping cart was pushed, it turned out to be really fun.

However, just as the two of them were shopping enthusiastically, a supermarket staff member saw them. "Adults aren't allowed to ride in the shopping cart! This will damage our shopping cart. Please..."

"Hubby, hurry up and go!"

Chu Liyuan pushed the shopping cart and started running. Before long, he shook off that person.

The feeling of being pushed through the supermarket by Chu Liyuan just now was really exciting!

"Hubby, you're so awesome! You managed to ditch that supermarket staff member in this small supermarket. You're so awesome! Suave!" She gave Chu Liyuan a thumbs up, her face full of admiration.

They were almost done shopping, so Chu Liyuan carried her out of the shopping cart and the two of them went to the checkout counter to settle the bill.

IV/20 would have thought that the supermarket staff member who had been chasing them for a long time would be smart enough to wait for them here?!

After settling the bill, she looked up and saw a thunderous face. She instantly felt bad.

This staff member was too persistent! It was really rare to have such a dedicated employee now!

After that, there was a long lecture...

Of course, if Jian Dan had not stopped Chu Liyuan, why would Chu Liyuan let a mere supermarket employee criticize and lecture him?

If others found out about this, they would definitely be shocked.

However... what could he do? He could only obey his wife's commands!

Chapter 245: Envy? How is that possible? I Already Have the Best!

The next day, the group of them drove to the countryside happily...

When they arrived at the destination, they unloaded the things from the car...

Because the people who came today were basically couples, they all started their respective tasks in pairs... This was what they meant about it not being tiring when couples work hand-in-hand!

Only Zi Yan's team was special because all the others were in pairs, but Zi Yan's was a trio.

As Jian Dan and Chu Liyuan placed the food on the table, they watched the interaction between Zi Yan, Sizhe, and Lu Ting...

"Hubby, look at them!" She only looked in Zi Yan's direction.

"This is the classic setting of two men and one woman in an idol drama!"

Zi Yan was definitely the female lead in real life now!

“How blissful would it be to be pursued by two outstanding guys at the same time?”

“Why? Are you envious?” Suddenly, Chu Liyuan’s cold voice rang in her ears.

“Of course not. How is that possible? The best is already by my side!” She looked into Chu Liyuan’s eyes and said very sincerely.

“If that’s the case, then don’t look at anyone else. Just look at me!” Chu Liyuan turned her head in his own direction and bent down. He was usually gentle and unquestionable...

She looked into Chu Liyuan’s eyes with a smile and replied, “Okay!”

“Aren’t the two of you a little too slow?! You’re still not done yet?”

“Don’t tell me you want to feed us with your PDA?!” Jihao teased when he and Qianqian came over.

“Not everyone can witness our PDA.” Chu Liyuan looked at Jihao and said coldly.

“Do you mean that we should feel honored?” Jihao continued.

“You can think of it that way!”

“D*mn! Chu Liyuan, when did you become so narcissistic?!” Jihao could not believe his ears.

“I’ve always been like this.”

“Honey, these two definitely surpassed us!” Jihao hugged Qianqian and gazed into her eyes.

“Of course!”

“Chu Liyuan, are you treating this as a badge of honor now?”

“I’m just stating the facts.”

Looking at the two of them bickering, the two women looked at each other and smiled. In the end, they left the “battlefield”!

The two of them walked to the side and saw that the two men were still arguing...

“Jian, do you know? As Chu Liyuan’s friends, we are very grateful to you for showing up in his life. Ever since you walked into Chu Liyuan’s life, he has changed. In the past, he would never argue with Jihao, let alone bicker with him like now.

“Because of you, Chu Liyuan finally has some warmth. In the past, he was always cold. You couldn’t see any expression on his face.”

“Qianqian, I’ll get over my head if you say that!”

“It’s something you should be proud of!”

“I think as long as you stay by Chu Liyuan’s side, he will be as happy as he is now.”

“It’s not just Uncle. It’s really, really, really blissful for me to be with him!”

“What are you talking about?” Mengjiao suddenly appeared behind them and patted their shoulders.

“Mengjiao, you nearly scared me to death!” Jian Dan soothed her chest.

“Jian, why do these words sound so fake when they come out of your mouth?” Mengjiao smiled and sat beside the two of them.

“Is Zi Yan in a relationship?”

“I don’t think she’s dating yet. They’re still in the wooing stage!”

“Two of them?”

“Yeah. Zi Yan’s charm is irresistible!”

“I wonder who will win Zi Yan over in the end?”

“I think these two guys are quite outstanding. It would be a difficult choice for Zi Yan!”

“If it were me, I might have hit the wall already!”

“Jian, you already have Chu Liyuan. Do you think anyone would dare to steal Mr. Chu’s woman? Therefore, such a thing can’t happen to you,” Mengjiao said bluntly.

“Hehe... I’m just making an analogy! Uncle is so good, I don’t even need to choose, okay?!”

“Exactly. The best is already yours.”

“Hehe... I think so too!” She covered her face in embarrassment.

Although she was a little embarrassed, Chu Liyuan was the best in her heart!

Chapter 246: Shang Simiao The “Troublemaker”

“Are you all ready?” A sudden male voice attracted everyone’s attention.

They looked in the direction of the voice... Shang Simiao.

“Simiao, didn’t you say that you won’t be coming because of work?” Sizhe spoke first.

“Something cropped up, so I changed the time.”

Actually, he did not want to come today. There were two voices in his heart one said not to go, and the other said to go!

Later, one of the voices won, so he came...

On the way here, he had been wondering what expression Chu Liyuan would have when he saw him.

To be honest, he did have a good impression of Jian Dan because there was something very attractive about her, especially for people like them who had been hurt before. Hence, he was unconsciously attracted to Jian Dan. However, knowing that Jian Dan was Chu Liyuan’s wife, he had never had any other thoughts about Jian Dan!

Hence, from the moment he came over, his gaze landed on Chu Liyuan...

Chu Liyuan’s expression when he saw him... did not disappoint him...

In the past, he would always lose to Chu Liyuan no matter what. This time, he had finally made a comeback.

“Uncle Simiao, you’re here too! Welcome, welcome!” Jian Dan said without giving it much thought, not noticing Chu Liyuan’s darkened face at all.

"I've been busy with work every day and haven't come out for a long time. I didn't expect the air out here to be so fresh!" Although he was talking to Jian Dan, his eyes were constantly looking at Chu Liyuan.

Looking at Chu Liyuan's darkening face, the corners of his lips curled up into an imperceptible smile.

It was very rare to see Chu Liyuan lose control like this. He finally smelled anger!

"Jian, who is this?" Mengjiao whispered into Jian Dan's ear.

She had just said that no one would dare to steal Mr. Chu's woman, and now there was someone who was not afraid of death?

"Shang Simiao!"

"This name sounds familiar. Where have I heard it before?" Mengjiao fell into deep thought.

"It's the one we met at the club the other time..."

"Oh, I remember now. The eldest son of the Shang family, right?"

"Yup! He's a very nice guy."

"Jian, what should I say about you? Didn't you see the expression on Mr. Chu's face? It's thunderous!"

"Oh!" Jian Dan looked in Chu Liyuan's direction as if she had just woken up from a dream...

Chu Liyuan's expression was indeed rather scary. It was even more exaggerated than what Mengjiao had said.

Seeing Chu Liyuan like this, Jian Dan jogged over to him. "Uncle, what's wrong? Why are you frowning again?" Jian Dan smoothed the creases between Chu Liyuan's brows with her fingers again.

Seeing that Chu Liyuan did not say anything, she tiptoed and kissed him on the lips...

Muack! Muack!

"It's so sour! Do you need me to help you relieve it?"

"Yes!" He leaned over and captured Jian Dan's red lips...

Jian Dan did not expect Chu Liyuan to kiss her in front of so many people. Furthermore, it was not a peck, but a passionate French kiss...

Jian Dan was stunned and wanted to push Chu Liyuan away, but she was tightly wrapped in Chu Liyuan's arms and could not move at all.

From the corner of her eye, she saw that everyone was looking at them. In an instant, she felt that not only her face, but even her body had become very hot!

Of course, it was not just Jian Dan. Everyone did not dare to believe the scene unfolding before them was real.

Although Chu Liyuan had undergone earth-shattering changes because of Jian Dan, for him to reach such a level. There were no words to describe their current mood...

Although Shang Simiao was also very shocked, he smiled as if he had expected it!

It seemed like Chu Liyuan had really met his Waterloo this time...

Chapter 247 - 247: Lonely Uncle Simiao

After a long while, Chu Liyuan released his arms and his thin lips left Jian Dan's lips...

Under the extreme lack of oxygen, she took in large gulps of air. When her breathing gradually stabilized, she felt that her lips were a little swollen. She touched her lips with her hand. Her lips—which were not very thin to begin with—had become exceptionally thick. When she glanced down, she could see her red lips.

Uncle, aren't you exaggerating a little too much? Not only did you kiss me in public, but did you have to kiss so hard?

She was too ashamed to face anyone...

Jian Dan subconsciously covered her face... As if as long as she could not see, others would not be able to see her.

She felt her hands—which were covering her face—being gently removed from her face by a warm hand.

She closed her eyes in embarrassment and her lips were tightly shut...

"What are you doing?"

Upon hearing Chu Liyuan's voice, Jian Dan opened her eyes one by one. The first thing she saw was the indifferent Chu Liyuan in front of her. Then, she secretly looked behind him. It would be fine if she didn't look, but when she did, the gazes behind him gathered on her...

She immediately turned around and looked at Chu Liyuan with a reproachful expression. "Ugh... I'm too ashamed to face anyone!"

Looking at Jian Dan's expression, his bad mood because of Simiao's appearance instantly improved, and the corners of his lips curled up...

He pulled Jian Dan into her arms and turned around to face the people behind him. "What did you see just now?"

"We didn't see anything..."

"I'm so busy!"

The people behind him instantly shifted their gazes away and continued with whatever they were doing. It was as if nothing had happened just now...

Really??

Just as Jian Dan was about to turn her gaze back to Chu Liyuan, she saw Jihao...

Oh my God? Jihao was watching from this distance just now?? Didn't that scene just now become a close-up in Jihao's eyes??

Just as Jian Dan was feeling ashamed, "Oh! The weather today is really good! The sun is bright and the breeze is gentle. It's really suitable for an outing..." She started walking away.

"You're fine now?" Chu Liyuan looked at Jian Dan and the corners of his lips curled up slightly.

This small interlude ended just like that.

Jian Dan was big-hearted and she threw the matter to the back of her mind once they started having fun...

"Hubby, is there anything that you don't know?"

She did not expect Chu Liyuan to know how to fly a kite.

It seemed that ever since she got married to Chu Liyuan, she had not discovered anything that Chu Liyuan did not know.

Sigh! How could her husband be so outstanding? A glint of romance flashed across Jian Dan's eyes as she looked at the god-like man beside her with a love-struck expression.

Sensing the burning gaze beside him, he turned to look at the lass. "Am I that good-looking?"

"Yes! Very good-looking." Jian Dan felt that she would not be able to get enough of him even if she looked at him for the rest of her life.

"Hubby, how can you be so outstanding? I don't think I can find any flaws in you."

"How can such an outstanding and good person like you fall for me? I don't seem to have any special merits! I don't have a devastatingly beautiful face, an impressive figure, or charming long legs. I don't have any special talents. Even if I do, I only know how to use a computer!"

"Seems that way! Why, huh?"

Seeing how cute Jian Dan was, he suddenly felt like teasing her.

Jian Dan tilted her head and waited for Chu Liyuan's next answer.

"Every facial feature on your face looks a little ordinary, but when they come together, it becomes what I like. You're a little short; every time I kiss you, my neck feels very tired, but... it's not like there's no way to resolve it... For instance, like this."

Chu Liyuan suddenly placed his hands under her armpits. In the next second, Chu Liyuan lifted her up and wrapped his arms around her waist...

“The kite is about to fall!” Jian Dan reminded with a red face.

“Even if it falls, it’s still in my hands. It can’t escape! You’re the same!”

“Then you have to hold on tight. Don’t let go! Otherwise, you won’t be able to find me again.”

“Don’t worry, you won’t have the chance.”

The entire beach was filled with pink bubbles. Except for... Simiao...

While in Chu Liyuan’s arms, Jian Dan saw a lonely figure in the distance from the corner of her eye. Everyone was in pairs, except for Simiao, who stood alone on the beach and quietly looked at the sea.. He was surrounded by loneliness...

Chapter 248 - 248: Uncle Simiao’s Love History

At noon, everyone began to busy themselves with lunch...

Jian Dan took the opportunity to say, “Sizhe, don’t you think Uncle Simiao lacks a woman by his side?”

Uncle Simiao and Uncle were the same age. Not only was he not married, but he didn’t even have a girlfriend. It was really...

“Sigh! I’ve been worried sick about his marriage! But my brother is very stubborn.”

“Don’t tell me he’s never met a suitable one?” In 38 years, he hasn’t met a suitable one. Isn’t that too ridiculous?”

“Oh! It’s a long story... Come here!” Sizhe pulled Jian Dan aside.

“What’s the matter?”

“My brother once had an unforgettable love. At that time, he loved her very much. He even made me believe in love for a while. However, I didn’t expect them to not be together in the end.”

“Why?”

“He got dumped.”

“A person as good as Uncle Simiao was dumped? Why?” This was beyond Jian Dan’s comprehension.

“I don’t think even my brother knows the reason! Because she left without saying goodbye and suddenly disappeared one day.”

“Huh? This is too melodramatic!”

“Very!”

“After that, did Uncle Simiao lose faith in love because of her and could no longer fall in love with anyone else?!”

Sizhe nodded helplessly.

“No way! Is it really that melodramatic?”

“Yup!”

“No, I can’t let Uncle Simiao’s future happiness be ruined in the hands of one woman. Sizhe, do you know what type of girl Uncle Simiao likes?”

“Well... The girl from before looks very quiet, elegant, and artistic.”

“However, my brother’s standards seem to have changed a little recently!” “What changes? Is there a reference?”

“Yes!”

“Who is it?”

“You!”

“What nonsense are you spouting?! Don’t joke around! If Uncle hears this, you’ll be in trouble.”

“I’m not spouting nonsense. If you weren’t Chu Liyuan’s wife, my brother might have already recovered from it.”

As Simiao’s younger brother, he could see it very clearly. Although he was not sure if his brother had fallen for Jian Dan, he knew Simiao had feelings for her!

“Sizhe...” Accidentally, the decibel was a little too high...

“Jian Jian, what are you doing with Sizhe?”

“Oh! It’s nothing. Sizhe asked me about Zi Yan!”

“What are you talking about?” Sizhe asked softly.

“It’s better than telling Uncle that we’re discussing Uncle Simiao!” Jian Dan said softly.

Jian Dan's words seemed to make sense. If the Devil found out that he was discussing another man with his wife, the scene would be really terrifying.

"Yes! Haha! Yes!"

"Hubby, is the meat ready?"

"Yes! Here you go!" Chu Liyuan brought a plate of barbecued food to Jian Dan.

When Jian Dan saw the plate of food that looked, smelled, and tasted good, she drooled. She had been taking traditional Chinese medicine for the past few days, and her mouth was always bitter. Moreover, Chu Liyuan did not allow her to eat such heavy food.

Jian Dan picked up a lamb skewer and was about to pop it in her mouth. "Uncle, can I really eat it?"

"Only today!"

"Mmm!" She bit off a piece of meat. "So yummy! Hubby, try it!"

Jian Dan brought the meat skewer she had just bitten to Chu Liyuan's mouth.

"Mmm, not bad!"

"I knew it! How can there be no kebabs in life?!"

"You're just a gluttonous little thing!" Chu Liyuan pinched her nose affectionately.

She stuck out her tongue and smiled sweetly..

Chapter 249 - 249: Some People Can't Hide Even If They Want to

Fate was really magical. It could turn two people who did not know each other into friends or even lovers.

However, there were times when there were good affinity and bad luck!

As for the relationship between her and Shen Jiaqi, it should be considered an ill-fated relationship!

She always thought that they would never meet again in this life. But in the end, they would always meet by chance. She did not know what kind of ill-fated relationship it was for their fates to be so tightly bound together.

Well...

Starting the new school semester was supposed to be a happy thing, but it became a particularly depressing thing because of Shen Jiaqi's appearance.

Of course, it had nothing to do with Jian Dan. After all, she was in college a few years earlier than her peers. However, Mengjiao was in trouble. Coincidentally, the two of them were in the same class.

After school started, they had a lot of time in school. This meant that they would have to spend a lot of time with Shen Jiaqi every day.

One day, Mengjiao and Jian Dan came out of the dormitory together and was on their way to their respective classes.

When they first saw that familiar figure on the field, the two of them thought that they had seen wrongly. Or rather, they did not want to believe it!

Later on, Mengjiao told her that Shen Jiaqi was a transfer student in their class...

This piece of news was like a bomb that had dropped on their heads. However, the only fortunate thing was that Mengjiao and Li Jing were going to register their marriage at the Civil Affairs Bureau in the next few days. Moreover, Mengjiao's pregnancy was gradually showing, so she was going to withdraw from school in a few days.

Hence, they could only endure it before that.

Jian Dan and Mengjiao had never thought of provoking her. They did not even want to have anything to do with her. However, as she had said before, even if they did not cause trouble, this trouble would come knocking on their door.

Mengjiao was about to leave the classroom after class when Shen Jiaqi stopped her.

Jian Dan—who was about to pick Mengjiao up from class—saw that Mengjiao was blocked by Shen Jiaqi in the classroom. She rushed over and pushed away the person blocking the door, shielding Mengjiao behind her...

"Shen Jiaqi, do you have nothing to do every day? Are you so free?" Jian Dan said bluntly. As the saying goes, "if you respect me, I'll respect you ten times. If you bully me, I'll have to return it a hundredfold".

"Aren't you the same? How dare you criticize me?!" As soon as class ended, she immediately appeared at the door of their classroom.

"Of course I'm different from you. I'm in my fourth year, and it's the second half of the year. Naturally, I don't have many classes, especially since I've already finished my graduation thesis. I can't help it. I'm too outstanding, so it's normal for me to be idle. As for you... if you're not diligent, can you keep up?"

The two of them had known each other since they were young. Shen Jiaqi was the kind of person who could only make up for her shortcomings with hard work. If she had not put in several times more effort than ordinary people, how could she have obtained the qualification to be an exchange student without Mengjiao and herself taking the exam? She must have put in a lot of effort.

“You!” Although the two of them were “enemies” now, she had to admit that the two of them were the people who were most familiar with each other. What Jian Dan said happened to be one of her sore points!

She had never been as smart as others since she was young, so she had to work harder to catch up to others. She slept two hours less than others every day. She could only work hard to obtain things that Jian Dan and the others could easily obtain. However, if she wanted to change her life, she had to work extra hard.

“What?”

“If you’re very busy, we won’t disturb you anymore. We’ll make a move first.”

Jian Dan pulled Mengjiao out of the classroom...

Chapter 250 - 250: Married? Are You in Love?

“Jian, you just...”

Mengjiao said after they left the classroom.

“I know what you want to say. I also know that I shouldn’t have rubbed salt on her wound, but I had no choice at that time. There were so many people surrounding the two of us. Moreover, your current situation is special! Of course, we have to escape as soon as possible.”

“That’s true. She’s best at winning people’s hearts. She’s only been here for a few days, but so many people are willing to stand on her side. You’ve got to hand it to her!”

However, it was fine if it happened once, but if it happened many times, they would not be able to escape the next time.

Every day, Shen Jiaqi would tirelessly find trouble with the two of them...

It annoyed Jian Dan and Mengjiao. They did not know how she had so much energy to do so many things.

However... although there had been so many troubles recently, there was finally something happy.

Mengjiao and Li Jing were finally going to register their marriage. Before that, there was still a small problem that needed to be resolved...

Because Zijie had been busy with the repeat exams, Mengjiao had never told him about Li Jing. She had not breathed a word about her pregnancy.

Now that Zijie had finally passed the college entrance examination and had enrolled in law school, Mengjiao decided to tell him about this.

Jian Dan and Mengjiao had been loitering at the entrance of J University's law school dormitory for a long time, but they did not dare to enter...

Xia Zijie was famous for being protective of his sister. If he knew that his sister was pregnant out of wedlock, who knew what he would do?

"Jian, I don't know what to tell him. I'm a little scared!"

Although Jian Dan was also very nervous, she took a deep breath to make herself not look so nervous when she saw Mengjiao's nervous expression and her facial features twisted together because of nervousness.

"Mengjiao, don't worry. I will be with you!" Jian Dan held Mengjiao's hand and walked towards the dormitory step by step. When they reached the door, they were stopped by the dormitory supervisor downstairs. "This is the male dormitory!"

"Sir, we're here to look for someone!" Jian Dan said when she saw how nervous Mengjiao was.

“Who are you looking for?”

“We’re looking for Xia Zijie, a first-year law student. We’re his sisters!”

“Sisters? Alright, wait here. I’ll give him a call.”

“Alright, thank you, Sir!”

After the dormitory supervisor finished the call, Mengjiao and Jian Dan waited downstairs for Xia Zijie to come down. As they waited, the two of them paced around nervously...

“Mengjiao, Jian Dan, why did you suddenly come here to look for me?”

Neither of them noticed that Xia Zijie had already arrived behind them.

“Zijie!”

“Zijie!”

Jian Dan and Mengjiao turned around at the same time...

“What’s wrong with you two? You look weird!”

Usually, Jian Dan and Mengjiao talked a lot. Today, they suddenly became so silent. There must be something fishy!

Did these two lasses get into trouble? That’s not right! Jian’s husband is Mr. Chu. What trouble can’t he solve? But if they didn’t get into trouble, what could it be?

“What’s up?”

“Hehe... It’s a small matter.”

“Out with it!”

Jian Dan tugged at Mengjiao’s sleeves... The two of them lowered their heads and exchanged glances.

“Are you two trying to make me die of suspense? Tell me quickly, what happened?”

The two of them had always spoken whatever was on their minds. Why did they suddenly become like this today? There must be a reason for it.

“Zijie, let’s talk over there! It’s not convenient to talk here with so many people coming and going!”

Xia Zijie followed the two of them to the stream at the side...

“Mengjiao!” Jian Dan felt that it was better for Mengjiao to tell Zijie herself.

“Mengjiao, what’s the matter?” Zijie was already on the edge...

“Jian...” Mengjiao looked at Jian Dan for help.

Jian Dan nodded at Mengjiao and held her hand tightly, wanting to give her strength.

Mengjiao closed her eyes and took a deep breath. She looked at Xia Zijie. “Zijie...

1...”

“Out with it!”

“I’m getting married!” Mengjiao closed her eyes and gritted her teeth.

“What? Getting married? You’re dating?”

When did his sister fall in love? Why didn’t he know about it at all? Moreover, what was going on with her getting married right away?

She suddenly wanted to get married... Could it be...
