

The Beloved 25

Chapter 25: Explosive News

The Qin Corporation's WeChat group was in an uproar...

"Really? Who told you that?"

"Of course it is true!"

"Mr. Zhang, the manager from the sales department saw it with his own eyes."

"That's right! I heard that a few security guards saw it too."

"But why don't I believe it?"

"I don't believe it either!"

"The news is absolutely reliable. It is rumored that Mr. Chu dotes on that woman very much."

"But isn't it rumored that Mr. Chu doesn't like women?"

"That's right! This is an open secret in the corporate world."

"Then what's the situation now?"

...

There was no such thing as a permanent secret in the world. The news of a woman appearing beside Chu Liyuan spread throughout S City in just one morning.

Many people were doubting the authenticity of this news.

There were also people who suspected that this was just a smokescreen.

Many socialites chose to believe it. After all, who wouldn't want to be Mrs. Chu?

In an instant, the news became the most important news in S City.

Mei Xiaolin looked at her cell phone with a determined smile on her face.

Marrying into a rich family had always been Mei Xiaolin's goal, and the man at the top of the pyramid was undoubtedly her best choice.

If she became Mrs. Chu... Not only would she have supreme power and money, but she would also be the focus of attention wherever she went. Everyone would look up to her.

An image had already appeared in her mind...

"Jin, has Qin Jewelry been looking for a spokesperson recently?"

If she became the spokesperson for Qin Jewelry, she would have a chance to meet Chu Liyuan and get one step closer to her goal.

Mei Xiaolin was very confident in her looks and figure. She did not believe that any man would be able to resist her.

"Yes! Do you have something in mind?"

"Jin, look at this first."

Mei Xiaolin handed her cell phone to Jin...

"Is this information reliable?"

As Mei Xiaolin's manager, Jin naturally understood what she was thinking. Therefore, when she saw the news, she understood what Xiaolin meant.

However, she still had some doubts. After all, the rumors about Chu Liyuan had been around for a long time.

It was rumored that Chu Liyuan was allergic to women. He did not like women and liked men. There was something wrong with him in that aspect.

"It shouldn't be wrong."

This matter should be true.

"But even if it's true, isn't it just a smokescreen?"

Chu Liyuan was already 38 years old? Not only was he not married, but he did not even have a woman by his side. The reason might be as the rumors said.

"It doesn't matter to me if it's a smokescreen or not."

Mei Xiaolin only wanted the status of Mrs. Chu.

"How so?"

Now it was Jin's turn to be confused. If that was the case, wouldn't marrying him make her a widow?

"If it's true, I'm confident of winning his heart. If he just needs someone to break the rumors, I'll be that person. In terms of looks and figure, I'll definitely make a great trophy wife."

"But if there's really something wrong with him and you marry him, then..."

Although Jin did not say it out loud, how could Mei Xiaolin not understand what she meant?

"After becoming Mrs. Chu, I would have money and power. Are you afraid that I won't be able to get a man then?"

Mei Xiaolin smiled obsequiously. If she became the woman at the top of the pyramid, what could she not get?

"But aren't you afraid that when the time comes..."

Cuckolding Chu Liyuan? Are you sure you are up to that?

"Scared? Haha."

If that was really the case... Even if she had another man, Chu Liyuan would not dare to say anything. Would he dare to admit to the world about his "problem"?

At that time, he would not be able to do anything to her, nor could he divorce her. Her position as Mrs. Chu would be secure.

Chu Liyuan looked at the message on Li Jing's phone and frowned. A cold glint flashed across his eyes.

Chu Liyuan had never thought of hiding Jian Jian. There was nothing wrong with letting everyone know.

However, he would never allow such a person who casually spread his superior's private matters to stay in the company.

Today, they were gossiping about their superiors. Tomorrow, they might leak business secrets. Thus, they definitely could not allow such a hidden danger to stay in the company.

"Go and find out who spread this news. When you do, you know what to do."
