

The Beloved 251

Chapter 251 - 251: Bring Me to Him Now!

"Mengjiao, you..." Xia Zijie's expression suddenly turned extremely serious. There was disbelief in his seriousness. He pointed at Mengjiao's belly and his next words were stuck in his throat. He could not say them!

"Zijie, the thing is..." Jian Dan was about to speak up for Mengjiao...

"Pm pregnant!" Mengjiao suddenly said. Even Jian Dan did not expect Mengjiao to say it so directly.

"What did you say? You..." The expression on Xia Zijie's face turned into anger. He grabbed Mengjiao's arm.

"Zijie, calm down first. Mengjiao hasn't finished speaking!" Jian Dan stood between Mengjiao and Zijie.

"This... How can I calm down?"

"Zijie, Mengjiao is pregnant!" Jian Dan reminded him.

Xia Zijie suppressed his anger and let go of Mengjiao's arm.

"Xia Mengjiao, you'd better tell me everything. Also, that man who dared to bully my sister... I'll skin him alive."

He sat on the bench by the stream and placed his hand on his thigh. He glared at Mengjiao angrily.

"Oh! Zijie, what do you want to hear?! The truth is already in front of you! A couple who loves each other will do what lovers do when passion strikes. Then, there is the result of it!"

Jian Dan was really afraid that Mengjiao would tell Xia Zijie the truth. If Xia Zijie knew that this child only existed under those circumstances, he would definitely fly off the handle. How could he agree to Mengjiao and Li Jings marriage?

“Besides, Mengjiao is already an adult. This will happen sooner or later! Besides, haven’t they already decided to get married?”

“Is that really the case?” Xia Zijie looked at Mengjiao seriously.

Mengjiao went along with Jian Dan’s story and nodded...

“Look at you, you’re still in college. Can’t you wait until you graduate from college?”

“Zijie, I don’t like what you’re saying! Why can’t she get married when she’s in college? I haven’t graduated from college yet. Do you mean that I...”

Jian Dan turned the tables on Zijie. After all, in Xia Zijie’s heart, Chu Liyuan was definitely a god-like existence.

“That’s not what I meant!”

“What do you mean then?”

“How can the average person compare to Mr. Chu?”

“Xia Zijie, I didn’t expect you to be someone who despises the poor and favors the rich.”

“Since when do I despise the poor and favor the rich?”

“Then what did you mean just now?”

“I just don’t know if that man...”

“You haven’t even met him yet. You don’t even know who he is. Isn’t it a little too arbitrary to judge so quickly?”

“Alright, alright. I’ll hold my judgment until I see him!”

Seeing that Zijie finally relaxed, Jian Dan heaved a sigh of relief.

When Xia Zijie turned around, Jian Dan made an “OK” gesture to Mengjiao. A smile finally appeared on Mengjiao’s face.

Unexpectedly, Zijie suddenly turned around... The two of them immediately wiped the smiles off their faces. “What’s wrong, Zijie?”

“I just thought about it. Bring me to see him now!” Judging from Zijie’s expression, he should not have noticed the smile between the two of them just now, but why did he suddenly...

“Isn’t this too sudden? Shouldn’t you find a time and place to sit down and have a proper talk?”

“No! I want to ambush him when he’s unprepared. Only then can I really see this person clearly. If I inform him in advance and he comes to see me after he’s prepared, what can I see?”

Zijie, when did your EQ become so high?!

“Why? Is there a problem? Mengjiao?”

“No... No problem!”

“Since there’s no problem, let’s go!”

Just as he turned around and was about to leave... he suddenly turned back. “Give me your cell phones.”

“What?”

“Of course I’m afraid that you’ll leak the information!”

“How is that possible?”

“In that case, give them to me!”

The two of them could only reluctantly place their cell phones in Zijie’s hand.

This time, they could not even inform Li Jing!

The three of them rushed to Qin Corporation.

“What are you doing here?” Zijie looked at Qin Corporation and asked curiously.

“To see him!”

“He’s an employee of Qin Corporation?”

“Sort of!”

“Zijie, give me my cell phone. I’ll call him and ask him to come out.”

“Just go to the reception and ask for him!”

The three of them approached the reception of Qin Corporation... “May I help you?”

“Looking for someone!” Xia Zijie said directly.

“May I ask who you’re looking for?”

“Li Jing!”

“Do you have an appointment?”

“Call him and tell him that Xia Mengjiao is looking for him!” Zijie said again.

“Please wait a moment!”

After the receptionist made a call...

“Mr. Li will be right down. Please wait a moment!”

“Okay!” Jian Dan pulled Mengjiao to the couch and sat down.

Mengjiao must not tire herself now!

Chapter 252 - 252: It's You?

Five minutes later...

Li Jing appeared in the lobby of Qin Corporation...

"Li Jing! Over here!" Jian Dan waved at Li Jing.

"Mengjiao! Madam, you're here too."

"It's you!" Xia Zijie saw him.

Li Jing was Chu Liyuan's special assistant. Back then, Li Jing was the one who took care of Xia Zijie's matters, so of course he knew Li Jing.

"Brother, you're here too!"

"Who are you calling brother?"

"I'm with Mengjiao now. Of course I have to call you brother."

"You're not married yet!"

"Although we're not married yet, you're Mengjiao's brother, so you're my brother."

"Mengjiao told me that you've been taking care of her since she was young. You've really taken good care of her, but I hope that you can hand over this responsibility to me from now on. Although I might not be as good to her as you, I can promise you that I'll do my best to treat her well."

As expected of Chu Liyuan's right-hand man, he could still perform so steadily under such a sudden attack. They could find no fault with his words!

"Brother, if you agree, I hope to arrange a time to have a meal with Mom and Granny to discuss things."

"Zijie, are you unhappy that Li Jing is your brother-in-law?" Jian Dan chimed in.

“Not really. It’s just that...”

“That’s it then. Now, hurry up and arrange for them to meet!”

“But...”

“Oh! No ‘but’s.” Jian Dan sat beside Zijie and whispered in his ear, “Mengjiao can’t wait any longer in her current condition. Do you want Mengjiao to be an unwed mother?”

“I know what are you worried about. You can rest assured about this. If Li Jing dares to bully Mengjiao, I will definitely get Uncle to teach him a lesson. Moreover, aren’t you joining Qin Corporation after graduation? When the time comes, you can keep an eye on him. Isn’t that great?!”

Jian Dan’s words seemed to make sense.

“Hopefully, you can remember what you said today. If you dare to bully Mengjiao in the future, I won’t let you off!”

“I will!”

Finally, the weight on his heart was lifted...

As for their family dinner, it was inconvenient for Jian Dan to join in. However, she heard from Mengjiao that it was not bad...

Mengjiao’s matter was finally resolved, but...

Sigh! She still had a hurdle that she did not know how to overcome. If only her Granny were so easy to deal with.

Now, whenever she thought of what Granny had said to her, she felt very uncertain.

I wonder what Granny will do when she comes back? Will she force me to leave Uncle? If that's really the case, what should I do? Should I listen to Granny and leave Uncle? No, I don't want to leave Uncle at all now. But if I don't listen to Granny, she will definitely be very sad.

What should I do?

Jian Dan felt that she was about to go bald from tearing her hair out, but she still could not think of a good solution.

"Penny for your thought?"

When Chu Liyuan came back from work, he saw Jian Dan slumped over at the dining table alone with a worried expression and muttering to herself.

"Hubby, why are you back so early today? Did you miss me?"

Seeing that Chu Liyuan had returned, the worry on Jian Dan's face disappeared. She ran over playfully and hugged Chu Liyuan's waist.

"I missed you!"

"Silly goose!" He caressed Jian Dan's hair and said gently.

Now, she really did not dare to imagine what she would become if she really separated from Chu Liyuan one day.

Thinking of this, Jian Dan felt a lump in her throat...

“What’s wrong?” Although there were no tears in Jian Dan’s eyes, he could feel the change in her breathing.

“Hehe! I’m happy because Mengjiao and Li Jing have finally gotten together!”

Wait! What if...

Chapter 253 - 253: Hubby, Let’s Have a Child!

Other than her glib tongue, the main reason why she was able to deal with Zijie so easily this time was because of the baby in Mengjiao’s belly.

If she was also pregnant with Chu Liyuan’s baby, Granny would definitely not bear to see the baby be born without a father. That would mean that she would not force her to separate from Chu Liyuan.

This idea was ready good. It was decided!

Before dinner, she specially searched online for a few nourishing soup recipes for men and made a pot from one of them. Although the taste was definitely not good, it should not affect the effect!

“Hubby, try this soup!”

What was wrong with this lass today? Why did she take the initiative to scoop soup for him?

“You made it?”

“Sorta!”

“Oh??” He placed Jian Dan’s small hand in his palms and examined it carefully. Every time this lass went into the kitchen, she would always get some injuries.

“Hubby, don’t worry. Mrs. Jin helped me do it today, so I’m fine.” Jian Dan knew what Chu Liyuan was looking for.

After the previous painful lessons, she had completely given up on learning how to cook. Therefore, this time, she was only in charge of putting all the ingredients into the pot. The rest were handled by Mrs. Jin.

“Then I’ll give it a try!” He took the bowl of soup from Jian Dan—blew on it and took a sip...

This taste! Although it was not very delicious, it was not to the point of being inedible.

“How does it taste?” Jian Dan probed.

“Not bad!”

“Really?”

“Yes!”

“Since it’s delicious, drink it all. Don’t leave a single drop behind!” She brought the entire bowl of soup to Chu Liyuan.

What was this lass up to? Although he did not know what Jian Dan was up to, he had to drink it all since she made it.

After dinner, Jian Dan returned to the bedroom mysteriously. When he opened the door and entered, he saw Jian Dan doing something. Just as he was about to go forward to investigate, Jian Dan discovered him and pushed him into the bathroom. “Hubby, take a shower first!”

Just what was this lass up to today??

When he came out of the shower, he saw Jian Dan talking to someone on the cell phone softly. “I’ve already done what you said. Does it really work?” “Alright, alright, alright, I understand!”

“Um, Uncle is out. I’ve got to go!”

When she saw him coming out of the bathroom, she hurriedly ended the call...

“Jian Jian, who were you talking to just now?”

“Mengmeng! Hubby, you’re done showering so quickly!”

“Today you...”

“Then I’ll go take a shower!” Jian Dan picked up the things she had prepared and quickly walked into the bathroom.

Looking at the cell phone that Jian Dan had left on the bed, an evil voice suddenly rang in his head: Take a look! Take a look! Take a look!

He slowly reached for Jian Dan’s cell phone and picked it up. He used his own birthday to unlock her phone. Just as his finger was about to land on the contact list, he stopped.

How could he do such a thing?

He hesitated for a moment. In the end, he did not look and placed the cell phone back on the bed.

Oh my God! What was he doing just now? He actually wanted to look through Jian Dan’s phone?

Lying on the bed... He noticed that there was an essential oil diffuser on the headboard. No wonder he smelled a faint fragrance when he came out of the bathroom.

After taking a shower, Jian Dan put on the sexiest nightie that she had found in the wardrobe. She remembered that it was given to her by Mengmeng after she found out that Jian Dan was married. However, she had never worn it.

She used to wear cartoon pajamas.

Before she came out, she even put on a thick white bathrobe.

Because Mengmeng said that she needed to preserve some mystery...

However, when she came out, she forgot everything and crawled under the blanket.

"Jian Jian, aren't you hot sleeping in this?"

"Nope! I think it's fine. Hehe!" She laughed dryly.

"Then 1'11 turn off the lights."

"Okay!"

The room instantly turned pitch-black...

Jian Dan, why are you so cowardly? You dropped the ball at such a critical moment. No, I can't let all my efforts go to waste.

In the darkness, Jian Dan's chest heaved as she tried to calm her racing heart.

“Hubby, are you asleep?” She finally mustered up the courage.

“Not yet.”

“Jian Jian, you’re acting so weird today. Did something happen?”

H j H

“What’s wrong?” He pulled Jian Dan into his arms and asked gently.

She turned her body in Chu Liyuan’s direction and placed her index finger on his chest. “Hubby, let’s have a baby!”

Upon hearing Jian Dan’s words, Chu Liyuan’s entire body froze... Then, the corners of his lips curled up!

Chapter 254 - 254: A Little Storm at the Civil Affairs Bureau

He wanted to let Jian Dan off today. He did not expect this lass to take the initiative to come to him.

“It’s not enough to have one. It’s best to have a football team!”

“Football team? I’m not a sow! How can I give birth to so many?” Jian Dan pouted in protest.

Chu Liyuan’s hand had already reached into her bathrobe.

He felt the silky nightie...

So this lass had planned this all along...

“You naughty lass!” There was an obvious change in the frequency of his breathing.

“Huh?”

He leaned forward and kissed Jian Dan’s lips...

A night without process...

At dawn, Jian Dan woke up from her sleep...

0/2/Every morning when she opened her eyes, she would see a face that was like a piece of art. Not everyone could do this. She really could not get enough of Chu Liyuan’s face no matter how she looked at it!

“Why are you awake so early?”

“What are you thinking about?” He asked again when Jian Dan did not say anything.

“Hubby, do you like boys or girls?”

“I like either as long as they are our kids!”

“Then will our baby be like you? Or will he be like me?”

“It doesn’t matter! I will like it either way! But... you’ll always be the one I like the most!”

“Why are you suddenly talking about me?” Although she said that, her heart felt as sweet as honey.

“If not? I talk about other people, won’t you be jealous?”

“Oh! You’re so naughty. I’m not talking to you anymore. I’m going to wash up!” She struggled out of Chu Liyuan’s arms—lifted the blanket—and went to the bathroom.

She was seduced by Chu Liyuan again.

She squeezed out the toothpaste and was about to brush her teeth when she heard the bathroom door open.

“Why did you come in too?!”

“I want to brush my teeth too!”

He walked over to Jian Dan. He was getting increasingly closer... Just as Jian Dan nervously closed her eyes, he reached out and took his toothbrush.

“What are you doing?”

“Huh?” When she opened her eyes, she realized that Chu Liyuan had only wanted to get the toothpaste.

What was going on in her mind every day? How embarrassing!

“Nothing! I’m brushing my teeth!” She stuffed the toothbrush into her mouth. “Ow!” Perhaps she brushed it too quickly, so she accidentally brushed her gums...

“How can you hurt yourself just by brushing your teeth?”

Chu Liyuan raised her chin and checked Jian Dan’s mouth.

"It's fine, it's fine!" She waved her hand and removed her chin from Chu Liyuan's hand. Then, she lowered her head and spat out the foam in her mouth.

"You still say that you're fine. You're bleeding." Seeing that the foam that she spat out had turned red, he frowned deeply.

"It's no big deal. I'll be fine in a few days! It's fine!"

"You're fine? Don't you know that once it's infected, it's very serious?"

"Ow!"

"After rinsing your mouth, come out!"

After rinsing her mouth, she obediently followed Chu Liyuan to sit on the bed.

"Open up!"

When she opened her mouth, she did not know what Chu Liyuan had sprayed into it. She felt that it was cold inside. "Uncle, what is this?"

"To prevent oral infection!"

"I see!"

"You are really a genius at injuring yourself!"

"I was just careless!"

"Then please be more careful in the future!"

“Got it. Hubby, have you not brushed your teeth yet?”

“I’ll go now...”

While Chu Liyuan was brushing his teeth, she went downstairs for breakfast.

“Are we having soya beancurd today? I haven’t eaten it in a long time! It smells so good.”

“Mrs. Jin, do you have chives and chili oil?”

“Yes, Madam. I’ll go get them now!”

“Thank you, Mrs. Jin!”

Mrs. Jin quickly brought over the chives and chili oil from the kitchen.

She added the chives and chili oil into the soya beancurd and stirred it gently. Just as she was about to put a spoonful into her mouth, she was stopped by Chu Liyuan who suddenly appeared. “You can’t eat this. Your wound will get infected.”

“It’ll be fine!”

“No! Mrs. Jin, pour a glass of milk for Jian Jian!”

“But I’ve already mixed it. It’s a waste not to eat it!”

“Don’t worry, it won’t be wasted!” He reached for the soya beancurd. “Mmm... It’s not bad!”

“Madam, your milk!”

She could only watch helplessly as Chu Liyuan finished the bowl of soya beancurd. She could only reluctantly pick up the milk beside her...

Of course, milk was delicious, but she drank it every day; she really wanted to have something different.

“If you want to eat soya beancurd in the future, be careful when you brush your teeth!”

After breakfast, the two of them went out...

Today was the day Mengjiao and Li Jing register their marriage. Of course they had to go and witness this joyous moment...

When she arrived at the Civil Affairs Bureau with Chu Liyuan, she realized that it was filled with people.

“Why are there so many people getting married today?” Jian Dan asked.

“There are a lot of people every day!” A girl who was queuing up replied.

“Huh? But...” The day that she and Chu Liyuan got married... It was done very quickly and there was no queue.

“Do I still need to queue to get married?” He said when he saw Jian Dan’s confusion.

“Oh!” As expected of Chu Liyuan. No matter how troublesome something was, it was not a problem for him.

“Your hubby is so handsome!”

“Oh! Thank you!”

“Who are you calling handsome? Your handsome hubby is over here, okay?” The man standing beside her said.

“Okay, okay, okay. You’re the most handsome.”

“Are you guys here to register your marriage too?” The girl spoke again.

“Oh! No! A friend is registering her marriage today, so we came to witness it!”

“Oh, I see!”

“Jian, we’re here!” Mengjiao’s voice rang in her ears.

“Then we’ll go over first.” Unexpectedly, after taking two steps, she heard the guy say softly, “I thought they were in a hurry to get a divorce this morning!” “What are you talking about? Lower your voice!”

Before Jian Dan could react, Chu Liyuan had already returned to the two of them. “Don’t you want your tongues anymore?”

Seeing this, Jian Dan said, “You have such a foul mouth. You must have forgotten to brush your teeth in the morning! Hubby, let’s ignore them!”

She pulled Chu Liyuan away.

Today was Mengjiao and Li Jing’s big day. It was not good to spill blood.. If she had not appeared just now and pulled Chu Liyuan away, that man would have ended up in a terrible state!

Chapter 255 - 255: A Lover Will Finally Be a Family Member!

“Mengjiao, how early are you guys? You’re first in the queue?”

“I don’t know either. When I arrived, Li Jing was already here.”

“Oh, so it’s Li Jing! Good on him!”

“Hey, what’s wrong with your hubby?” Mengjiao whispered in her ear.

“We met a big foul mouth!”

“Hehe! Hubby, why are you still angry? You’re not handsome anymore. Come on, smile!”

Jian Dan hugged Chu Liyuan’s arm and coaxed him.

“Okay!” He patted Jian Dan’s head and said.

If Jian Dan had not stopped him, he would have killed that man just now. How dare he say that he and Jian Dan were here for a divorce? He must be tired of living.

“By the way, why isn’t Zijie here?”

“He has a very important lecture today, so he didn’t come!”

“I see!”

“Number one!”

“You’re up.”

Mengjiao and Li Jing held hands and went to the window...

Looking at Mengjiao and Li Jing's backs, she couldn't help but recall the scene when she and Chu Liyuan registered their marriage.

At that time, the two of them had only known each other for a day before entering the Civil Affairs Bureau in a daze. She had gotten the marriage certificate in a daze. After getting the marriage certificate, she was still in a daze. She only knew Chu Liyuan's name and age after they got the marriage certificate.

Now that she thought about it, it was really quite dramatic.

"Hubby, do you still remember when we registered our marriage?"

"I do!"

That was the day he had Jian Dan. How could he forget?

"I remember it too! I still remember that I was dumbfounded when I saw your date of birth!"

"What's wrong with my date of birth?" Jian Dan instantly sensed a hint of danger from Chu Liyuan.

"Back then, I felt that I had married an uncle... However... I only like this uncle now. I've fallen in love with this uncle and never want to leave him."

"Hubby still sounds better!"

"Got it, Hubby!"

They were showing off their love at the Civil Affairs Bureau. Fortunately, the Civil Affairs Bureau did not lack PDA either!

“Jian...”

“Done?”

“I’m a married woman now, just like you!” Mengjiao said shyly as she held the red marriage certificate.

“Woman? If you want to be one, you do it. I don’t want to be one. I’m still a girl!”

“Alright, alright, alright, young lady!”

“Li Jing, Mengjiao is now your legal wife. If you dare to treat her badly, I won’t let you off, understand?”

“Madam, don’t worry. I will definitely treat Mengjiao well!”

“Okay! By the way, when are you planning to hold the wedding?”

“It’ll take at least a year to prepare! Moreover, you know my current condition. Let’s talk about it in the future!”

“Oh, it doesn’t matter. As long as two people are truly in love, it doesn’t matter when the wedding is held.”

“Yes!”

“Then... congratulations on your lover finally becoming a family member!”

Jian Dan gave Mengjiao a big bear hug...

“Let’s go! Let’s go eat and celebrate! To celebrate Mengjiao and Li Jing joining our ranks as married people.”

Today’s setting was definitely going to a romantic western restaurant, but... they just do not like to take the ordinary path, so... they went for hotpot!

However, Jian Dan only ate from the clear soup pot under Chu Liyuan’s supervision.

But did it matter what they ate? What was important was the meaning of this celebration.

Mengjiao had finally obtained the happiness that belonged to her. Moreover, she was about to welcome a bundle of joy. Just the thought of a baby arriving in a few months made her very excited.

She did not know when she would be able to welcome the baby that belonged to her and Chu Liyuan.

If she had a baby too, they might even be able to have an arranged marriage with Mengjiao’s baby!

“What are you giggling about?”

Jian Dan was holding a piece of mutton but she did not eat it and was just smiling foolishly.

“Hehe... I just thought of something good.”

After dinner, they went home.. Today was the first day that Mengjiao and Li Jing were legally cohabiting!

Chapter 256 - 256: Rumors Abound!

After Mengjiao dropped out of school, Shen Jiaqi could not find trouble with her anymore, so she turned her focus to Jian Dan.

Even Jian Dan herself found it strange. The two of them were not in the same class and were not of the same year. Why did she keep bumping into Shen Jiaqi?!

Hence, there was only one reason—she was deliberately looking for trouble!

When she saw Jian Dan holding a pile of materials, she deliberately bumped into her... Because she had not had time to bind them, they were scattered all over the floor.

“Shen Jiaqi, don’t you have anything else better to do?”

“Why would you say that? I didn’t do it on purpose.”

“Hmph!”

She squatted to pick up the scattered materials on the floor...

She picked up the materials on the floor and tidied them up before standing up. “Your acting skills are so good. It’s a waste of your talent to learn computing. You should learn acting!”

“Hey, I’ve seen you before. You are...”

A girl came from somewhere and said to Jian Dan.

“I don’t think I know you!” Jian Dan looked at the unfamiliar girl in front of her and said.

“You don’t know me, but I know you! You’re Shang Simiao’s fiancée! I was there at the ball the other time.”

“What are you talking about? Don’t spout nonsense!”

"Oh! I understand. You don't want the people in school to know your identity, right? If you want to keep a low profile, I understand. I won't tell anyone!" She made a shushing expression and left...

However, the girl's words were heard by someone with ulterior motives...

In just one morning, the news that Jian Dan was the fiancée of Shang Simiao- the head of Shang Corporation—spread throughout the school.

"Jian Dan, don't think that you're a big deal just because you're Shang Simiao's fiancée. When I become Chu Liyuan's woman, I'll definitely trample you under my feet!"

Shen Jiaqi clenched her fists tightly as she read the news of Jian Dan and Shang Simiao on the campus forum with a vicious expression.

Shen Jiaqi knew about this long ago. However, how could she take the initiative to tell others about this? Shang Simiao's fiancée was definitely an existence that could do whatever she wanted in school!

But... so what? After being chased out of the ball that day, she met someone who used to like her and was from Qin Corporation's CEO's Office. This way, could she get to know the man at the top of the pyramid through him? If she could meet Chu Liyuan, she was very confident that she could win this man over.

She knew men very well. She knew how to make men unable to stop lusting after her!

"Jian Dan, you're Shang Simiao's fiancée from Shang Corporation. You're so lucky!" Zhao Lu and Zhou Yang appeared in front of Jian Dan.

"What are you talking about? I'm not!"

"Jian Dan, don't deny it. Everyone in the school knows that you're Shang Simiao's fiancée! No wonder you looked down on my brother back then. It's understandable... When you have someone like Shang Simiao, my brother is nothing!" Zhou Yang said sarcastically.

After all, Shang Simiao was a famous eligible bachelor! Who wouldn't want to marry him?

"But didn't Jian Dan have a boyfriend back then?" Zhao Lu continued.

"Oh! With a man like Shang Simiao, why would she want that kind of poor person?"

These people could say anything about her, but they dared to speak ill of Uncle?

"Get this straight—Shang Simiao and I are not engaged. We're just friends. Also, my boyfriend is not the poor person you're talking about. However, even if he is, you have no right to judge him. If you speak ill of my man, beware!"

She left Zhao Lu and Zhou Yang with a carefree back view...

This rumor was spreading too quickly. If Uncle found out about this, she wouldn't even know how she died.

These people were really too much. Why did they spread rumors without knowing anything? Did they know that rumors could kill people?

Zzz... Zzz... Zzz... Her cell phone suddenly vibrated.

"Mengjiao?"

"Jian, what's up with you and Shang Simiao?"

"How did you know?" How did Mengjiao—who was at home—know about this?

"Of course I do, the campus forum is already abuzz with this!"

“Campus forum?” No way! Could it really be as Zhou Yang had said, that the entire school knew?

Chapter 257 - 257: Jian Jian, You Can Only Be Mine!

In just one morning, Jian Dan became a famous person in the entire school. Wherever she went, people would talk to her. She kept saying that she was not! However, those people did not believe her at all.

In the end, it seemed like what she said was fake, while what they said was true.

From the classroom to the school gate, she was like an animal in a zoo, constantly “looked at” by the people around him!

When she finally got home, she looked at Chu Liyuan with a guilty face. She did not know if she should tell Chu Liyuan about this.

“Why are you pulling a long face? Were you bullied in school?” As soon as Jian Dan entered, Chu Liyuan could tell that something was wrong from her face. Usually, when she saw him, she would jump into his arms. Today, not only was she abnormal, but she even avoided his gaze.

“Who dares to bully me?! It’s already good enough that I don’t bully others!” Jian Dan forced a smile.

“Your smile is uglier than your crying. Tell me, what’s going on?”

“I’m really fine!”

“Jian Jian!”

“Hehe... There’s really something.”

“Out with it!”

“I can tell you, but you have to promise me not to be angry.”

“Okay!”

“You’ve agreed not to be angry!”

“Just what is it?”

This was the first time he had seen Jian Dan like this since they got married. Previously, when they were in danger, Jian Dan had never been like this. What had happened?

“It’s... it’s...”

The more Jian Dan did not say anything, the more anxious he became.

“I can’t bring myself to say it. You’d better see for yourself!”

She had watched so many television dramas and s where the characters encountered such a situation and chose to hide it. However, the outcome would often backfire. Hence, she might as well take the initiative to tell Chu Liyuan about it.

Jian Dan handed the cell phone to Chu Liyuan. On it was the campus’s forum.

When Chu Liyuan read what was on the cell phone, his face turned progressively darker, while Jian Dan’s head got increasingly lower...

With a loud bang, the cell phone flew out of Chu Liyuan’s hand and fell to the ground, instantly shattering into pieces.

“Didn’t you agree not to be angry?”

“Why did you become Simiao’s fiancée?”

“It’s the ball the other time. I... I attended as Uncle Simiao’s fiancée.”

“Coincidentally, someone from our campus also attended that ball, so... the rumors spread.”

“He let you attend the ball with him as his fiancée?”

With his understanding of Simiao... If he really did not have any feelings for Jian Dan, it was impossible for him to do this.

Even if he knew very well that Jian Dan did not have any feelings for Simiao and that Simiao had never thought of stealing Jian Dan from him, he still felt very uncomfortable knowing that other men liked Jian Dan, even if it was just a little.

In his heart, Jian Dan was his and could only belong to him!

“Uncle Simiao said that to help me!”

“I know!”

“Then are you not angry anymore?”

“I promised not to be angry with you, so I won’t be. But... I’m going to punish you!”

“Huh?”

Without any warning, he kissed Jian Dan's lips...

It was as if he could only use this method to make his presence known.

Jian Dan was stunned at first. Then, she started to respond clumsily to Chu Liyuan. She used this method to tell Chu Liyuan how much she cared about him, how much she liked him, and how important he was to her!

"Jian Jian, you're mine. You can only be mine!"

He carried Jian Dan all the way back to the bedroom...

Chapter 258 - 258: Scandals Were Really Scary!

Initially, she thought that Chu Liyuan was no longer angry and that this matter would end after the scandal gradually faded. However, later on, she realized that she had really underestimated the power of scandals...

The next morning, when she turned on her cell phone, it was filled with news about her and Shang Simiao. The news was written so convincingly that it seemed to be true!

The power of public opinion was really terrifying, but it was a small matter for Chu Liyuan to resolve it. However, the most troublesome thing now was... this news had been seen by Simiao's grandfather. When he saw this news, he rushed back from America without going for his surgery.

His eldest grandson was finally over that woman from before. Moreover, he might really be able to see his grandson get married in his lifetime at the rate things were going.

Hence, how could he still go for the surgery under such circumstances? Hence, he booked a plane ticket and rushed back overnight.

He could not wait to see his future granddaughter-in-law!

“Grandpa? Why did you suddenly come back?” Simiao asked in shock when he saw his grandfather suddenly appear in the company.

“Of course I’m back to see my future granddaughter-in-law!”

“What future granddaughter-in-law? Grandpa, don’t listen to others’ nonsense. I don’t have a fiancée!”

“What’s there to hide from me? I saw it on the news. If she’s not your fiancée, why would you bring her to the ball?”

“Grandpa, it’s really not what you think. She...” Just as Simiao was about to explain to Grandpa the situation regarding Jian Dan, his cell phone suddenly rang.

On the other end of the cell phone was his grandfather’s doctor. He wanted to tell Simiao that his grandfather’s heart was very fragile now and needed to undergo surgery as soon as possible. He must not be agitated before the surgery!

Because the doctor told him that his grandfather must not be agitated now, so...

“What were you going to say about her?”

“Oh! It’s nothing, Grandpa! It’s very dangerous for you to suddenly run out of the hospital like this.”

“I just want to meet my future granddaughter-in-law. Can’t I?”

“Sure! Of course, that’s fine. Then, will you go back to the hospital and undergo the surgery after seeing her?”

“Yes! After I see my granddaughter-in-law, I’ll definitely go back for the surgery obediently!”

“It’s a deal then!”

“Yes! It’s a deal then!”

In order to let his grandfather return to the hospital for surgery in peace, he could only go to Li Garden...

In Li Garden...

“Impossible!”

Shang Simiao comes to my house and asks my wife to pretend to be his fiancée?

How can I agree to this? Jian Jian is mine.

“Chu Liyuan, I know this is a little overboard, but I really have no choice. I promise to let my grandfather meet my fiancée so that he can undergo the surgery in peace.”

“No!”

At the thought of Jian Dan pretending to be Simiao’s fiancée, he felt extremely uncomfortable.

“Hubby, let’s help Uncle Simiao! He must have no other way, that’s why he came over. Moreover, isn’t this all to let Grandpa undergo the surgery in peace?!”

Jian Dan looked at Chu Liyuan and persuaded him.

“Chu Liyuan, I...”

When Jian Dan saw that Chu Liyuan refused to relent, she pulled him aside. “Hubby, Uncle Simiao did that to save me back then. If it weren’t for Uncle Simiao, I don’t know what would have happened. Now

that Uncle Simiao needs help, how can we stand by and do nothing? Don't you think so, Hubby?"
"Alright!"

Since Jian Dan had already said so, it would seem very cold if he did not agree.

When he returned, he looked at Simiao and said, "Just this once. No next time!" "Don't worry, there won't be a next time!"

"Thank you, Jian Dan!"

"It's alright. We'll be there on time tomorrow. Don't worry!"

"Okay!"

Shang Simiao left Li Garden...

Chapter 259: Three Rules

After Shang Simiao left Li Garden, Chu Liyuan crossed his arms in front of his chest and sat on the couch with a thunderous countenance. Jian Dan imitated Qiuqiu's usual wheedling behavior and rubbed against Chu Liyuan. She bit her lower lip and looked at him innocently with her big eyes as she poked his arms with her two small hands.

"Hubby, Uncle Simiao did it to help me. Now that he needs help, I should help him no matter what!"

How could he not understand the logic, especially since Simiao was his pal? How could he stand by and do nothing when his pal was in trouble?]. However, the thought of letting Jian Dan pretend to be his fiancée made his chest feel as if a thousand-pound rock was pressing down on him, making him unable to breathe.

In this world, he could lose anything except Jian Dan. He really could not afford to lose her.

“Alright!”

“Hubby, I’m just going to help. Don’t think too much and don’t be jealous. I’m not in charge of helping you get rid of your jealousy.”

“You can go, but there are three rules!”

“What are they?”

“No holding hands!”

“Okay!”

“No hugs!”

“Okay!”

“No physical contact!”

“Got it!”

Looking at Jian Dan’s big, clear eyes, blinking at him, his Adam’s apple bobbed. Such a Jian Dan exuded a fatal attraction.

“And...”

“There’s more? Didn’t you say three rules?”

“Hmm?” He frowned and looked at Jian Dan.

“Alright, alright, alright. Tell me, I’ll agree to anything!”

“Don’t look at Simiao like that!”

What did Uncle mean? What look did he mean? Did she look at Uncle in a strange way?

“Did you hear that?!”

“Okay!” Although she did not quite understand what Chu Liyuan meant, she still answered obediently.

At night...

Chu Liyuan seemed to be punishing her, and he was a little rough...

The next morning, when she opened her eyes, she saw that Chu Liyuan was already dressed and standing by the bed, gazing intently at her.

“Hehe... Hubby, you’re up so early!” Jian Dan coughed awkwardly and rubbed her head, avoiding Chu Liyuan’s gaze.

“I’ve picked out your clothes!”

Did Uncle wake up so early to pick out clothes for me? This doesn’t make sense! There must be something else!

“Get dressed and go downstairs for breakfast. After breakfast, I’ll send you there.”

Uncle looked really weird today! It made her feel so uncertain!

“Oh, okay!” She reached out to take the clothes from Chu Liyuan. After washing up, she came out of the bathroom and saw that Chu Liyuan was still in the bedroom. “Why didn’t you go for breakfast first?”

“Waiting for you.” He gently held Jian Dan’s small hand and led her downstairs...

Faced with the full spread, she could not taste the food. She kept thinking about Chu Liyuan’s actions today, the purpose of his actions, and what he would do next.

However... she seemed to be overthinking. From breakfast to sending her to Shang Simiao’s place and leaving, he did not do anything else. It was so normal that it was a little abnormal...

“Thank you for your help today!”

“No worries, Uncle Simiao. Moreover, this matter started because of me! I should help.”

“Is Grandpa okay?”

“He’s fine. He just can’t be agitated!”

“Don’t worry! Uncle Simiao, I’ll definitely put on a good act and let Grandpa undergo the surgery in peace!”

“Well, your current identity is my fiancée. Calling me Uncle Simiao seems...”

“Oh! That’s right. I’ll call you Simiao.”

“Okay! Let’s go in!”

Just as Jian Dan turned around, Simiao saw the conspicuous hickey on her neck behind her ear...

Was Chu Liyuan staking his claim with this?

“Simiao, what’s wrong? Aren’t you going in?”

Jian Dan asked when she saw Simiao standing rooted to the ground in a daze.

“Oh! Let’s go!”

The main purpose of this hickey was to stake his claim.. However, Chu Liyuan definitely did not expect this hickey to have other effects!

Chapter 260: Not Bad, I Like This Granddaughter-in-law!

After understanding his grandfather’s condition, Jian Dan went to the hospital with Simiao...

“Grandpa, I brought Jian Jian here.”

“Hello Grandpa. I’m Jian Dan!”

“Oh! I finally get to meet you. Come sit beside me!”

Jian Dan obediently sat on the stool beside the bed.

“How old are you?” Grandpa looked at Jian Dan kindly.

“Grandpa, I’m 20!”

“Only 20 years old?”

The age difference was quite big, but age was a small problem. As long as the couple was happy, everything else was secondary.

The businessman who had once dominated the business world was definitely very good at judging people. From the moment Jian Dan entered the door, he could already tell that this girl was very pure because eyes did not lie. There was no impurity in her clear eyes.

He had already forgotten how many years it had been since he had seen such pure eyes.

“However, age is not a problem. Feelings are the most important!”

“Grandpa, do you want some fruits? I’ll peel an apple for you!” Jian Dan stood up and took an apple from the fruit basket. She carefully peeled it with a fruit knife...

The sunlight shone through the window onto Jian Dan. Her focused expression and slightly raised lips made her look like a beautiful painting.

However, a look further down...

“Jian Jian, the apple is almost peeled into an apple core by you.”

Jian Dan looked at the apple in her hand that was about to be peeled by her with an embarrassed expression. The thick apple skin hung down.

“He he... I know that I peeled the apple badly, but the skin is intact! This proves that I’m also a skillful person!” She handed the apple that she had peeled to Simiao’s grandfather.

“There’s still flesh!”

Grandpa took the apple that Jian Dan had peeled and took a bite. “Mmm! The apple my granddaughter-in-law peeled is very sweet!”

When Jian Dan was peeling the apple just now, he had already noticed the hickey on Jian Dan’s neck. He did not expect his grandson to have such a passionate side. It seemed that Simiao really liked Jian Dan!

“He he... Grandpa, you make me so ashamed by saying that!”

“It’s fine if you don’t know how to peel apples. You can just get Simiao to peel them for you in the future.”

“Simiao, hurry up and peel one for Little Jian!”

“Oh! Okay!”

Simiao picked up an apple—took the fruit knife from Jian Dan and started peeling it.

“Well, it’s actually alright!”

“It’s fine. Let him peel it. A wife is meant to be doted on!”

“How did you two meet?”

“Oh! We met in the library. We both wanted the same book, but there was only one copy left. This book was really difficult to find, but later on, Simiao let me have that book...” Jian Dan said the excuse that the two of them had already made up.

“That’s right! Although I let her have the book, I asked her for her WeChat contact detail to let me read it after she had finished reading it!” Simiao continued.

“Good on you! When did you become smart? That was a very smooth move to ask for her WeChat contact detail!”

“Grandpa, you know moves?”

“Of course. I m not like this grandson of mine a fuddy-duddy. I keep up with the times! It’s very boring to be with a dull person like Simiao, right?”

“No, I’m very happy with Simiao. Although he doesn’t talk much, he’s very attentive and treats me very well.”

“Really? Then I’m relieved.”

“By the way, Little Jian, I want to eat grapes. Can you help me wash them?”

“Okay!”

After Jian Dan left the ward...

“Grandpa, why did you deliberately send Jian Jian away?”

“Of course it’s because I want to talk to you!”

“Let me tell you! I’m very happy with this granddaughter-in-law. You have to treat her well in the future, understand?”

In the future? How could there be a future?!

“Did you hear that, you rascal!” How dare he be in a daze when he was talking to him!

“Got it, Grandpa. Don’t worry!”

“Little Jian is still young, so she’s definitely not very mature yet. If she throws a tantrum occasionally, you have to coax her.”

“Got it, Grandpa!”

“This is for you.” Grandpa handed Simiao a small box.

“This is?”

“This is the ring I used when I proposed to your Granny back then. You can use it to propose to Little Jian today!”

“Propose? Grandpa, isn’t this a little too soon?”

“What do you mean Too soon ! You rascal, you...”

Just then, Jian Dan had already washed the grapes and returned to the ward. “Grandpa, here are the grapes. You can eat them now.” She placed the washed grapes on the table.

“Okay! The grapes washed by my granddaughter-in-law are indeed extraordinary. They’re very sweet!”

“Grandpa, this has nothing to do with me!”

“Then let me talk about something related to you. When will I be able to drink the tea you serve me as my grand daughter-in-law?”

“Huh?”

“Grandpa, what are you talking about?”

“What do you mean? If I don’t help you, I don’t know when you’ll be able to marry Little Jian!”

“Grandpa, the most important thing now is your health. You should undergo the surgery as soon as possible!”

“Alright! I’ll go for the surgery! But I hope to be able to drink the tea served by my granddaughter-in-law after the surgery, okay?”

“Well...”

“I’ve already helped you to this extent. Why aren’t you moving?” Grandpa turned to look at Simiao..
